Good Wishes to the Hon'ble Speaker on his recovery from illness. 564

Points of Information:

- Steel Plant at Visakhapatnam. 505
- Strike by workers of Sarvarava Textile Mills. 568
- Drought conditions in Alur Taluk. 568

Business of the House. 568

Calling Attention to matters of urgent public importance:

- Frequent failure of electricity at Narayankhed, and Kalwakurthi taluk. 569
- Grave situation arising out of the severe cut in electricity due to reported shortage of water in Machkund Hydro-electric Project. 572

(Printed by the Director of Printing, Government of Andhra Pradesh, at Government Telugu Press, Gierpet, Hyderabad-16.)
Andhra Pradesh Legislative Assembly
Friday, the 1st April, 1966.

The House met at Half-Past-Eight of the Clock

[Mr. Deputy Speaker in the Chair]

Oral Answers to Questions

Mr. Deputy Speaker (in the Chair):—Will the hon. Minister for Revenue be pleased to state:

(a) what are the District Gazetteers that were so far compiled and published in the State;

(b) whether any programme has been drawn to publish the District Gazetteers; and

J-2517 (451)
(c) if so, whether the West Godavari District Gazetteer is included in the programme for 1966-67?

The Minister for Revenue (Sri N. Ramachandra Reddy):—(a) The Cuddapah and Anantapur District Gazetteers have been compiled. The Cuddapah District Gazetteer will be published soon.

(b) The question is under consideration of the Government.

(c) No, Sir.

The programme, according to the programme, we hope to complete it by 1974 all the District Gazetteers i.e., first Cuddapah, Anantapur, Kurnool, Guntur, Nellore and Chittoor and Adilabad and Nizamabad and then Krishna and West Godavari.

According to this priority work is in progress. As and when they are completed, they will be available.

What are the items covered by the Gazetteer.

Sri N. Ramachandra Reddy:—It is a huge volume. How can I state all the aspects. All necessary aspects are covered in the Gazetteer.

REMISSIONS IN CHINTALACHERUVU VILLAGE

1148—

*2129 Q.—Sri C. Vithal Reddy (Narsapur):—Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that remission for an amount of Rs. 11,000 has been given on account of Silver Jubilee in 1842 F. for the ryots of Chintalacheruvu village, Narsapur taluk, Medak district, but Sri Rama Reddy, Mali Patel of the said village after collecting the amounts (for which remission has been given) from the ryots and issuing recpts to them, obtained a certificate in form No. 21 at N-12880-82 in E. 1938 and misappropriated the same without informing the ryots about it!
Oral Answers to Questions. 1st April, 1966.

(b) whether it is also a fact that the ryots of the said village submitted a petition to the Collector, Medak district, on 7-10-1960 in this regard; and

(c) if so, the action taken thereon?

Sri N. Ramachandra Reddy:—(a) Remission to the tune of Rs. 11,785.58 P. was granted on account of Silver Jubilee in 1842 Fasli but it is not correct to state that the Mali Patel had collected and misappropriated the amount.

(b) Yes, Sir.

(c) The Revenue Divisional Officer, Medak, enquired into the matter and the enquiry did not reveal any misappropriation of the amount by the Mali Patel.

Sri N. Ramachandra Reddy:—(a) Remission to the tune of Rs. 11,785.58 P. was granted on account of Silver Jubilee in 1842 Fasli but it is not correct to state that the Mali Patel had collected and misappropriated the amount.

(b) Yes, Sir.

(c) The Revenue Divisional Officer, Medak, enquired into the matter and the enquiry did not reveal any misappropriation of the amount by the Mali Patel.

Sri N. Ramachandra Reddy:—If the hon. Member is not satisfied with the present enquiry that has been conducted by the R.D.O., certainly those receipts can be passed on to me. I shall ask the Collector to make an enquiry. It is not correct that no enquiry has been conducted. That is not correct.
Oral Answers to Questions.

One of the petitioners said that he thought that it was in regard to assessment of land and some of the petitioners said that it was due to wrong entry in khasrapani. Patwari darpanch and Mali Patel have not been pulling on well together. It is due to the enmity between them that this trouble has arisen.

Sri N. Ramachandra Reddy:—My information is, according to the report of the Collector, that enquiry has been conducted by the R.D.O. If he is not satisfied he can pass on the receipts to me so that I can ask the Collector to enquire.

Remuneration to Village Officers in Bhadrachalam Division

*1938 Q.—Sri K. Satyanarayana [Put by Sri K. Govinda Rao (Anakapalli)]:—Will the hon. Minister for Revenue be pleased to state:

(a) what is the remuneration given to the Village Munsiffs for tax collection in Bhadrachalam Division now; and

(b) whether the Government contemplate to raise the payment of Village Munsiffs in Bhadrachalam Division; and

(c) if so, state the details?
Oral Answers to Questions.

1st April, 1936.

Sri N. Ramachandra Reddy:—(a) There is no fixed salary to the Village Munsiffs in Bhadrachalam taluk. They are paid the annual emoluments ranging up to Rs. 38. They are also paid interim relief at Rs. 14 p.m. each.

The Patels in Nugur taluk are paid honorarium at Rs. 12 per annum in addition to commission at the following rates:

(i) 10 paise in the rupee for collections up to Rs. 400.
(ii) 6 paise in the rupee for collection of over Rs. 400.
(iii) 6 paise in the rupee on lanka rentals.

They are also paid interim relief at Rs. 8 p.m. each.

(b) No, Sir.

(c) Does not arise.

Sri N. Ramachandra Reddy:—This question has been answered by me 2 or 3 times in this very session itself. As I have stated earlier about 60 patels are there and half of them are illiterate. We are awaiting the Collector's report whether these 60 patels are necessary to continue the work. Soon after the report is received, action will be taken.

DENKADA ANICUT

1145—

*288 (4059) Q.—Sarvati G. Suryanarayana (Ramathirtham) and K. Govindarao:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether the Government are in receipt of any report from the Superintending Engineer for the reconstruction of Denkada Anicut, Bheemlipatnam taluk;
(b) if so, the action taken by the Government thereon;
(c) the site selected for the construction of the said anicut;
(d) the estimated expenditure for the same;
(e) the ayacut under the said anicut; and
(f) when the work will be taken up?

The Minister for Irrigation and Agriculture (Sri A.C. Subba Reddy):—

(a) Yes, Sir.
(b) The Chief Engineer was asked to sanction and execute the repairs portion of the work on the Denkada Anicut and to obtain the sanction of the Government separately for the original work of reconstruction of the anicut. The estimate received for reconstruction of anicut is under active consideration of Government.

(c) In Saripalli village, about one furlong down-stream of the old Denkada anicut.

(d) Estimated cost of special repairs comes to Rs. 8.12 lakhs, while the estimated cost of reconstruction of the anicut comes to Rs. 23.07 lakhs inclusive of direct and indirect charges.

(e) 5,871 acres of existing ayacut plus 920 acres of new ayacut.

(f) The work has already been started and is in progress.

Sri A. C. Subba Reddy:—It depends upon the floods that we get in the river. It depends upon the floods that we get in the river. If we get floods, the work will be done. If we do not get floods, the work will not be done.

The work has already been started and is in progress.

Sri A. C. Subba Reddy:—It depends upon the floods that we get in the river. If we get floods, the work will be done. If we do not get floods, the work will not be done.
Oral Answers to Questions.

1st April, 1966.

1. M. M. Reddy:—Proper construction or enquiry is needed. Enquiry report should be seen. Eight members of the society should be enquired about. Punishment should be advised. Additional Secretary in enquiry report advise the District to punish or report. Remind the District. District should not do it.

2. M. M. Reddy:—I am pursuing the matter from a very long time. Punishment should be given. Remind the District.

3. M. M. Reddy:—Punishment should be given. Remind the District.

4. M. M. Reddy:—Executive Engineer to punishment should be given. District should not do it. Additional Secretary in enquiry report advise the District to punish. They took great pains and they have proved that the construction is also bad. Any way, I am trying to get the papers out of the hiding. I want to bring the papers out of the hiding place.

5. M. M. Reddy:—One of the causes. District should not do it. Additional Secretary in enquiry report advise the District to punish. That is one of the causes. They never expected floods in such a season. The main cause is that, there might have been certain minor causes.
1146—

*565 (6612) Q.—Sri K. Gavinda Rao:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether detailed investigation has been completed for the Sanikalva drainage scheme in Visakhapatnam district; and

(b) what is the estimated cost and the extent to be benefited?

Sri A.C. Subba Reddy:—(a) Yes, Sir.

(b) Rs. 16.34 lakhs including direct and indirect charges for the 1st stage. An extent of about 900 acres will get flood relief and the submersion period will get reduced to about 6 days over an ayacut of 5,200 acres. Besides this, a new ayacut of 308 acres will be benefited and an extent of 255 acres which is precarious wet will receive assured supply.

Sri. A.C. Subba Reddy:—(a) Yes, Sir.

(b) Rs. 16.34 lakhs including direct and indirect charges for the 1st stage. An extent of about 900 acres will get flood relief and the submersion period will get reduced to about 6 days over an ayacut of 5,200 acres. Besides this, a new ayacut of 308 acres will be benefited and an extent of 255 acres which is precarious wet will receive assured supply.

(b) Rs. 16.34 lakhs including direct and indirect charges for the 1st stage. Besides this, a new ayacut of 308 acres will be benefited and an extent of 255 acres which is precarious wet will receive assured supply.

It is in the Board. As soon as the papers come in we are prepared to sanction.
Oral Answers to Questions. 1st April, 1966.

NAGARJUNASAGAR CANALS

1147—

*1780-B. Q.—Sri V. Vizweswaru Rao:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether it is a fact that the estimates rates have been enhanced in view of the soils in NagarjunaSagar Canals;

(b) if so, in how many cases the estimate rates enhanced after the tenders settled and finalised;

(c) who are the contractors;

(d) who are the Officers that checked the soils;

(e) how much enhanced rate is allowed; and

(f) how much is the amount paid extra for the different soils?

Sri A.C. Subba Reddy:—(a) No, Sir.

(b) to (f) Do not arise.

Sri B. Vizweswaru Reddy:—Hon. Member "No" is not valid in this instance. In "No" and "No" and "Yes" all the same are valid. The Minister must answer "Yes" or "No" and also give the reasons for same. However, the Minister is not bound to give the reasons for giving "Yes" or "No" and is open to "Yes" or "No" without any reasons. "No" is
1st April, 1966.

Oral Answers to Questions

Whether estimates rates have been enhanced in view of the soils in Nagarjuna-sagar Canals?

Sri Pilkamarri Venkateswarlu:—“Whether it is a fact that estimates rates have been enhanced in view of the soils in Nagarjuna-sagar Canals”?

That I can assure him. If there is any mistake committed by the Officers, I will haul up the engineers or the contractors.

Whether it is a fact that estimates rates have been enhanced in view of the soils in Nagarjuna-sagar Canals? That I can assure him. If there is any mistake committed by the Officers, I will haul up the engineers or the contractors.

Whether it is a fact that estimates rates have been enhanced in view of the soils in Nagarjuna-sagar Canals? That I can assure him. If there is any mistake committed by the Officers, I will haul up the engineers or the contractors.
Oral Answers to Questions.  1st April, 1966.

Sri L. V. Narasimhaiah: — (Karnataka) All appointments to the Karnataka Public Service under the Karnataka Public Service Commission should be enhanced to the extent of 25 per cent. by the Chief Minister. The 25 per cent. enhancement in all categories should be genuine. In particular question 1 of rock till 100 cubic feet and granite can the Hon. Minister deny that?

Sri M. V. Narasimhaiah: — Hon. Minister, I want to know the percentage of soft rock in the soft rock and hard rock. It is soft rock 100 cubic feet and hard rock 900 cubic feet. so yes it is possible to say that No 0 per cent. Excessive 25 per cent.

Sri K. V. Narasimhaiah: — Hon. Minister, the percentage of soft and hard rocks, in particular, soft and hard rocks till 25 per cent. Can the Hon. Minister deny that?

Sri S. C. Subba Reddy: —The work of execution of Nagarjunsagar Right Canal from M 9/6 to 9/7. Arbitrator to appoint by the Hon. Minister. Arbitrator to appoint at 240 per 1000 cubic feet and 350 per 1000 cubic feet.

Publication of Calendar showing Kashmir in Pakistan

Saravasti V. Ramachandra Rao (Medchal) and Ramachandra Rao (Narayanpet) and S. Vemagadi: — Will the Hon. Minister for Home be pleased to state:

(a) whether any representation was made to Minister for Home by one Sri Nagamallappa, Municipal Councillor, Hyderabad about the publication of a calendar showing Kashmir as an integral part of Pakistan.

1148—
(b) if so, whether any enquiry has been conducted into the matter and if not the reasons therefor; and

(c) the persons who are responsible for the printing and distributing the calendars and the nature of punishment given to the culprits.

[The Minister for Revenue deputed the Minister for one and answered the questions.]

Sri N. Ramachandra Reddy:—(a) The answer is in the negative.

(b) A case was registered and investigated by the Central Crime Station on its source information.

(c) Investigation reveals that C. Hari Kishan of Kishan Art Calendars, Chudi Bazaar, Hyderabad, Agent of the National Litho Press, Sivakasi got these calendars from Sivakasi and supplied them to the following firms in Hyderabad:

1. Assam Tea Depot.
4. Sun Shine Stores.

Apart from the agent, Sri C. Hari Kishan, Proprietors, Managing Partners and the manager of the said firms were arrested on 8-1-1966 and produced before the 4th City Magistrate, Hyderabad from where they got released on bail on furnishing sureties and personal bonds.

Chargesheets in the above said case have been filed before the 4th City Magistrate, Hyderabad on 10th January, 1966 and the case is pending.

Sri Ramachandrarao Deshpande:—What is the action taken against the Assam Tea Depot, Sir?

Sri N. Ramachandra Reddy: They all have been charge-sheeted.
Oral Answers to Questions.

1st April, 1966.

Sri N. Ramachandra Rao Deshpande:—Have the Government received any reply from the Central Government regarding the action proposed by the Central Government also in this regard?

Sri N. Ramachandra Reddy:—We have not received anything. But the question was raised in the Parliament also, and we have sent the answer to the concerned parliamentary question.

Sri N. Ramachandra Reddy:—I do not have this information. Anyway this is also a question which has to be queried into. Certainly the police will take cognizance of this matter.

Sri N. Ramachandra Reddy:—Are we still getting any note-books in this State or have they been completely stopped?

Sri N. Ramachandra Reddy:—All the materials at the Press also at Sivakasi, Madras, have been seized.

Lorry Accident

1149—

*Sri S. Venugopa (Put by Sri V. Viswanara Rao):—Will the hon. Minister for Home be pleased to state:

(a) whether it is a fact that 7 persons died on 6-12-1965 on Vijayawada-Hyderabad road due to a lorry accident;

(b) if so, the circumstances that led for the tragedy; and

(c) who were the victims in the accident?

Sri N. Ramachandra Reddy:—(a) Yes, Sir.
1st April, 1966.

Oral Answers to Questions

(b) Due to rash and negligent driving of lorry APK 7922 by the accused driver Sk. Motula, son of Md. Ali of Vijayawada.

(c) 7 persons died, all labourers, namely:

Sri N. Ramachandra Reddy:—That is a different matter. But now the driver has been prosecuted for negligent driving. As regards the other matter, whether licence is there, etc. all this is found to be correct.

Sri P. Subbayya:—May I know, Sir, at what stage the case now lies?

Sri N. Ramachandra Reddy:—He has been prosecuted. The case is under trial.

Sri P. Subbayya:—Is he convicted?

Sri N. Ramachandra Reddy:—It is only under trial.

Training Centres for Members of Village Panchayats

1159—

*1759 Q.—Sri P. Gummayya (Kotlur):—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) the names of Districts where training centres have been established by Government in the State to provide training for the members of Village Panchayats during 1964-65 and so far in 1965-66; and

(b) the expenditure incurred therefor?

The Minister for Panchayat Raj (Dr. M.N. Lakshminarasiah):—

(b) 1964-65 1965-66

1. Visakhapatnam .. 54,479.82 21,789.93
2. Krishna .. 21,343.73 28,557.53
3. Cuddapah .. 22,829.38 24,146.34
4. Anantapur .. 18,830.43 12,280.43
5. Khammam .. 24,123.23 19,706.65
6. Nizamabad .. 25,768.84 22,999.87

(upto 30-3-1966)
Oral Answers to Questions. 1st April, 1966.

Q. 5. (Dr. M. N.)—Are the training centres at Green, Sreevani and Gummadi closed? The sale of foodgrains has increased in the above centres.

Mr. N. V. R. R.:—Such training centres are at Green, Sreevani and Gummadi. The sale of foodgrains has increased in the above centres.

Q. 6. (Mr. D. R. S.)—Has the number of villagers in the Volunteer Force in 1964-65, the value of work turned out by them?

Dr. M. N. Lakshminarayana:—(a) 17, 76, 217 (b) Rs. 18, 572

Q. 7. (Mr. V. R. S.)—Has the number of villagers in the Volunteer Force in 1964-65, the value of work turned out by them?

Dr. M. N. Lakshminarayana:—(a) 17, 76, 217 (b) Rs. 18, 572

Q. 8. (Mr. V. R. S.)—Has the number of villagers in the Volunteer Force in 1964-65, the value of work turned out by them?

Dr. M. N. Lakshminarayana:—(a) 17, 76, 217 (b) Rs. 18, 572

Q. 9. (Mr. V. R. S.)—Has the number of villagers in the Volunteer Force in 1964-65, the value of work turned out by them?

Dr. M. N. Lakshminarayana:—(a) 17, 76, 217 (b) Rs. 18, 572

Q. 10. (Mr. V. R. S.)—Has the number of villagers in the Volunteer Force in 1964-65, the value of work turned out by them?

Dr. M. N. Lakshminarayana:—(a) 17, 76, 217 (b) Rs. 18, 572

Village Volunteer Force

1151—

Dr. M. N. Lakshminarayana:—(a) 17, 76, 217 (b) Rs. 18, 572
466 1st April, 1966.

Oral Answers to Questions:

Q. 10. Mr. L. N. Satyanarayana Rao:—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) the number of Panchayats in Kurnool district that have applied for loans to construct Market Stalls during the current year;

(b) the amount of loan sanctioned to each of the Panchayats for the above purpose?

Dr. M.N. Laxminarasiah:—(a) During the current year, no applications have been received for loans to construct Market stalls from Panchayats in Kurnool district.

(b) Does not arise.
Oral Answers to Questions. 1st April, 1966.

LIFTING OF STOCKS OF FERTILISERS BY MARKETING SOCIETIES

1158—

2406 Q.—Sri V. Viswanatha Rao:—Will the hon. Minister for Cooperation be pleased to state:

(a) whether the District Marketing Society, Guntur and the Co-operative Marketing Society, Vijayawada are lifting the stocks of fertilisers from the ports to the depots;

(b) if so, what is the charge paid per mile per ton;

(c) whether any tenders are called for; and

(d) if so, what is the lowest tender and who is the lowest tenderer?

The Minister for Co-operation (Sri T. Ramaswamy):—(a) The District Co-operative Marketing Society, Guntur is lifting the stocks of fertilisers from the ports to the depots. The Co-operative Marketing Society, Vijayawada is not lifting the stocks of fertilisers from the ports as it is not the wholesaler for distribution of fertilisers. The District Co-operative Marketing Society, Vijayawada which is the wholesaler for distribution of fertilisers is lifting the stocks of fertilisers from ports to the depots.

(b) The following are the rates paid per mile:

<table>
<thead>
<tr>
<th>Rate</th>
<th>District Co-operative Marketing Society, Guntur</th>
<th>District Co-operative Marketing Society, Vijayawada</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.15 paise per ton per mile</td>
<td>from Madras Port</td>
<td></td>
</tr>
<tr>
<td>0.22 paise per ton per mile</td>
<td>from Masulipatnam Port</td>
<td></td>
</tr>
<tr>
<td>0.25 paise per ton per mile</td>
<td>from Kakinada Port</td>
<td></td>
</tr>
<tr>
<td>0.28 paise per ton per mile</td>
<td>from Visakhapatnam Port</td>
<td></td>
</tr>
</tbody>
</table>

(c) and (d) No tenders have been called for by the District Co-operative Marketing Society, Guntur. In the year 1963 tenders were called for by the District Co-operative Marketing Society, Vijayawada. Sri T. Jamadgadha Rao, a contractor filed a tender. As he was the only person who filed a tender for movement of fertilisers from ports, the transport was entrusted to him by the management of the society.
April 1st, 1966.

Oral Answers to Questions.

1. The Cambay-Kutch section of the Bombay-Delhi line is an important one, and we are considering the possibility of extending it to Dacca. The project is being studied by the Survey of India. **Sri. P. K. Venkata Parsurama**—(a) 30-8-66 shows 2,19,390 rupees. 12 applications, 1,427,860 rupees. Further information 22-9-66 shows 3,84,250 rupees. 5 applications, 1,92,125 rupees.

**Sri. R. Venkatarama Rao**—(a) 30-8-66 shows 2,19,390 rupees. 12 applications, 1,427,860 rupees. Further information 22-9-66 shows 3,84,250 rupees. 5 applications, 1,92,125 rupees.

Questions Nos. 1155, 1158, 1160 and 1190 were not put and answered, hence included under "Questions under Questions."
Oral Answers to Questions.

DEATH OF UNDER TRIAL PRISONER

1156—

2257 Q.—Sri S. Venagya (Buchireddipalem).—Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether it is a fact that one Sri P. Papaiah an undertrial prisoner died on 29-11-1965 in the Visakhapatnam Mental Hospital; and

(b) if so, the reasons therefor?

The Minister for Law and Prisons (Sri P. V. Narasimha Rao).—

(a) The answer is in the affirmative.

(b) The death was due to injuries caused by falling from a tree.

The Minister for Law and Prisons:—It is a serious matter. The hon. Member may have noticed that I have not quoted any report in regard to the matter. This is a serious matter. The hon. Member may have noticed the memorandum I had to write to the hon. Member. A very serious matter.

The Minister for Law and Prisons:—The hon. Member may have noticed that I had to write a memorandum to the hon. Member. A very serious matter. I called for further report. The matter is under investigation. 

The Minister for Law and Prisons:—The matter is under investigation.
Oral Answers to Questions. 1st April, 1966.  471

Q. 3.  The Hon. Member:—That aspect has not been looked into, but I take the suggestion of the hon. Member.

Q. 4.  The Hon. Member:—It is pure accident even on the part of the person who made him climb the tree. We cannot say it is deliberate or with a malicious intent. That is impossible.

Vessels for cooking in the Central Jail, Rajahmundry

1157—

*128(263) Q.—Sri G. Rama Rao (Put by Sri P. Rajagopala Naidu):—Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether it is a fact that iron vessels are being used for cooking in the Central Jail, at Rajahmundry alone; and

(b) whether any representation was made for their removal by the Prisoners during the year 1966, if so, what action has been taken?

Sri P.V. Narasimha Rao:—(a) Iron vessels were being previously used in the Central Jail at Rajahmundry, Visakhapatnam, Borstal School, Visakhapatnam and District Jail, Nellore. All the iron utensils in the Central Jail, Rajahmundry except two have since been replaced by brass ones.

(b) The answer is in the negative.
1st April, 1966.

Oral Answers to Questions.

1. Is the Chief Minister aware that the minimum wages for new employment during the year 1965-66 were fixed at Rs. 1,24,000 for all categories of work in his State?

2. Will the Chief Minister state the new employments for which minimum wages were fixed during the year 1965-66?

3. Is the Chief Minister aware that the aspect of minimum wages has not been brought to his notice?

MINIMUM WAGE FOR NEW EMPLOYMENT IN 1965-66

1161—

*2600 Q.—Sirvashri A. SARVESWARA RAO and V. SATYANARAYANA— Will the hon. Minister for Labour and Transport be pleased to state:

(a) what are the new employments for which minimum wages have been fixed during the year 1965-66;
Oral Answers to Questions. 1st April, 1966.

(b) Whether minimum wages so far fixed by the Government for various industries were revised to suit the present day cost of living; and

(c) Whether toddy shops, handlooms, cotton carpet weaving marketing societies, consumer co-operatives, etc., were brought under the purview of the Minimum Wages Act?

The Minister for Labour and Transport (Sri B. V. Gurumurthy):—

(c) None, Sir.

(b) Yes, Sir. Only in the case of tobacco industry (excluding beedi making) minimum rates of wages have been revised. Even for beedi making draft proposals have been notified.

(c) Only the employment in toddy selling including tapping and conveyance has been added to Part I of the Schedule to the Minimum Wages Act. Proposals to add the other employments are under the consideration of the Government.

3. Oil mills revision.—February 1966.
5. Automobile engineering workshops fixation.—February 1966.
6. Rice mills, flour mills or d'oil mills revision.—
7. Printing presses fixation. Finalisation 5th Sec.

FOOD SEMINARS AT VIJAYAWADA, HYDERABAD

1970—

*2438 Q.—Sarasri B. Srirama Murthy (Visianagaram) and A. Ramachandra Reddy (Bhongir) :—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

what are the various decisions taken by the Government consequent on the food seminar held at Vijayawada and Hyderabad in 1965 to tide over food crisis and achieve increased food production?
Sri A.C. Subba Reddy:—Statements showing the action taken on the various recommendations of

(1) The Agricultural Production Seminar held at Vijayawada in October, 1965; and
(2) The Food Production Seminar held at Hyderabad in November, 1965 are placed on the Table of the House.

PAPER PLACED ON THE TABLE OF THE HOUSE
(Vide L.A.Q. No. 1070 (2433)

ACTION TAKEN OR PROPOSED TO BE TAKEN ON THE RECOMMENDATIONS
OF THE AGRICULTURAL FOOD PRODUCTION SEMINAR HELD IN VIJAYAWADA ON 9TH AND 10TH OCTOBER 1965.

Recommendation of the Vijayawada Seminar. Action taken or proposed to be taken.

(1) Topmost priority should be given to undertake repairs to the drains and complete the work as quickly as possible, preferably in a year to achieve immediate additional production of 2-8 bags per acre.

Since the working season is very limited, there is no scope to repair all the drains at a time. When some dredgers are secured, it would be possible to repair and maintain the drains in a better condition.

The Central Water & Power Commission, and the Ministry of Food and Agriculture have been addressed for the release of foreign exchange for the import of 2 dredgers for Krishna Delta and one dredger for the package programme in Godavari District. The Ministry of Irrigation and Power and the Ministry of Food & Agriculture have advised this Government to contact some firms named by them in India, who are manufacturing the dredgers and pursue the matter. The Chief Engineer (Major Irrigation) is pursuing the matter with the indigenous firms to procure the dredgers.

A proposal to introduce legislation for levy of a drainage tax of the areas benefited by the execution of drainage schemes has been under examination. The Revenue Department have stated in this connection that in the Draft Andhra Pradesh Irrigation Bill, provision has been made for collection of...
Oral Answers to Questions. 1st April, 1966. 475

annual rate to cover interest and maintenance charges of lands benefited by drainage works, and that this would be more appropriate and easier of implementation an separate legislation for levy of drainage tax. The matter is under examination.

(2) Tails end areas are not getting adequate water and in time. Steps may be taken to overcome these difficulties. Every possible action to provide adequate supplies to tail end lands is being taken by the Public Works Department. But the main difficulty is overdrawal by the upper ryots. The Chief Engineer states that there may not be any technical possible solution for such deliberate unlawful actions. To check this irregular irrigation under the Government irrigation sources, on a large scale, and in the interests of the ayacut under the various sources, the Revenue Department have issued instructions to the Collectors of all Districts in the State to take effective setps immediately to prevent such unlawful irrigation.

(3) It was recommended to dig exploratory filter points and tube wells in compact blocks in the coastal deltaic areas to find out the possibilities of tapping good quality ground water. The Geological Survey of India had been carrying out a systematic ground water surveys in the coastal areas of Andhra Pradesh. The Survey showed there good chances of making successful tubewells in the Godavari and Krishna Districts in the upland areas. Generally speaking, the Survey indicated, that the bore-wells would have to be ruled out in the Telangana and Rayalaseema areas, as they are underlain by hard rocks, although in exceptional cases under favourable geologic and topographic conditions borewells would yield limited quantities of water with a depth of 150 ft. The Survey further showed that larger diameter borewells should be preferred in Rayalaseema and Telangana to develop groundwater for irrigation to a limited extent.

(4) More power drills should be provided to each district so that the ryot could get a set within a reasonable time in about three to four months. Action has already been taken for providing more power drills.

(6) Water charges would not be collected whether a green manure crop is raised purely for green manure or the cultivator happens to take out some seeds from the standing crop.

The draft of the Integrated Land Improvement Bill is being finalised in consultation with the concerned Departments.

Under para 14 Board Standing Orders 13, certain concessions are allowed, if green manure crops are grown on wet or irrigated dry land whether they are grown for the ryots own use or for sale. Under sub-para (a) of para 14 above, when green manure crops are raised in addition to other crops, they will be exempt from the water cess, but water cess as fixed under the Andhra Pradesh (Andhra Area) Irrigation Works (Levy of Compulsory Water Cess) Act, 1955, will be charged, if no other crops is raised in addition to green manure crops under sub-para (b) when green manure crops are raised on any land as the sole crop of the year, the charges to be made will be among others;

(i) that in the case of dry land no remission of assessment will be granted, but water cess will not be charged;

(ii) that in the case of single crop wet land no assessment will be charged, whether there was a possibility of raising another crop or not;

(iii) that in the case of registered double crop wet lands, if the supply of water was sufficient for only one wet crop, the full double crop wet assessment will be remitted, but if the supply was sufficient for two wet crops, the single wet assessment will be charged and the difference remitted;

(iv) compound double crop lands will be treated in the same way as ordinary double-crop lands.

The cases where the ryots grow only green manure crops leaving the land fallow during the remaining period of the year, will be very few. In view of the exceptions already.
Oral Answers to Questions. 1st April, 1965.

provided in the above rules, there appears to be no need to grant exemptions from levy of water cess in cases where the green manure crop alone is raised. With reference to the recommendation of the Seminar a clarification is also proposed to be issued that the concessions in Board Standing Orders para 14 will also apply to cases, where the ryot growing green manure crop sells the seed derived from it.

(7) A Committee may be constituted immediately for preparing a scheme indicating priority items, necessary for extending the area under cotton, that need immediate action by the Government of India at its next meeting of the Cotton Development Council, Madras. Further, pesticides requirements shall be spelt out.

In G.O.Ms. No. 792, Food & Agriculture, dated 25th March 1965 orders have been issued for implementation of a package programme for cotton covering an area of 58,000 acres in Rice Fallows at a cost of Rs. 1,83,680 to achieve an additional production of 26,500 bales of cotton during 1965-66.

In addition to the above scheme a package programme for development of sea-Island Cotton, an extra-long staple Cotton in Tungabhadra Project area covering an area of 500 acres, has been sanctioned during 1965-66.

The Cotton Extension Officer has held preliminary discussions with the Committee of Cotton Growers, and it is proposed to develop 8 lakh acres under cotton in rice fallows of Krishna and Guntur districts by the end of Fourth Plan.

(8) There was consensus of opinion that Andhra Pradesh is highly fertilizer conscious and increasingly large quantities of all types of fertilizers should be made available to the State with a view to increase agricultural production.

The Government of India allot fertilisers to the States as per the requirements, according to availability. The State's phased programme showing the requirements of nitrogenous fertilizers to this State is progressively increasing from year to year, consistent with the targets of the Agricultural Production set-up for the State as shown below:
Through this is a long term objective, the Groups kept in view of the difficulty of making available adequate supplies in the near future and considered various ways and means for effective utilisation of the available supplies.

Total 58.00

The phased programme is communicated in advance to the Government of India and the detailed break up of the phased programme port-wise, monthwise, fertilizer-wise etc., is also communicated every year sufficiently early. The Government of India have been urged for larger dosages of fertilizers.

(9) There was a general complaint that many of the bags distributed were short weighed and the ryots had no other alternative except to purchase these bags. Since there is provision made by Government of India for standardising fertilizer bags before distribution, the Co-operatives should take advantage of the same and ensure that only standardised bags are sold in future.

The Co-operatives have been instructed in February, '66 to sell fertilizers in standardised bags. Whenever supplies have been effected by the Regional Director of Food in unstandardised bags, the societies concerned have been directed to put the material in standardised bags, for which the Government of India bear the charges. The Regional Director (Food) and the Union Ministry of Railways are being addressed in certain cases for reimbursement of transit losses. The Government of India have been addressed in February, 1966 to agree to revise proforma for submission of claims for transit losses.

Instructions have already been issued for timely distribution of the Intensive Manuring Loans.

(10) To make distribution of fertilizers more efficient, it was felt that intensive manuring Scheme loans should be given in time and not after the manuring session is over.
Oral Answers to Questions.

1st April, 1966. 479

(11) Loans should be given to tenants without insisting on the concurrence of the owner provided the tenant is in a position to produce independent sureties.

(12) The allotment of fertilizers should not be made on per acre basis ignoring the type of the crops cultivated. The system of distribution should take into account individual crops, the need for manuring of such crops, the dosages recommended etc., and make allotment for only crops which require fertilizers most.

(13) The present method of distribution does not prevent cultivators from getting increased supplies through dubious means. The system of cards indicating the minimum requirements of fertilizers based on the acreage of crops cultivated as assessed by the Revenue authorities for realising land revenue would help to regulate orderly distribution of fertilizers.

(14) Large scale cultivation of Taichung Native I for seed production over extensive area was discussed. The experiences of cultivators with regard to this variety were narrated by several cultivators and the consensus of opinion was that while this variety in which this crop can be raised in has given very good yields in some cultivators' field purely on voluntary basis, it was moderate to poor in other areas where it was affected by blight.

It was felt that while there is urgent need to go ahead with the spread of this variety for increasing agricultural production a word of caution was also uttered with regard to making all necessary arrangements for supply of requisites and control of pests and diseases.

The Registrar of Co-operative Societies has taken action to issue loans to the tenants according to production plans basing on the certificates issued by Extension Officers (Agriculture) or the Supervisor concerned after due verification of lands and crops under cultivation.

The distribution as at present, fully takes into account the particulars of crops, the dosage required for the crops. In view of the acute shortage of fertilisers in 1965-66 the supply of fertiliser has been restricted to second crops paddy.

A pilot scheme has been proposed by the Food Corporation of India to cover tentatively 5 lakhs acres under Taichung Native I paddy. The Director of Agriculture has been asked to select suitable blocks and assess the acreage in which this crop can be raised in.
Asd 1st April, 1966.

The consensus of opinion was that while Taichung Native I is an indication of a type of variety suitable for introduction, it should be tried very thoroughly in the dalwa season over sizeable blocks in Andhra Pradesh before it is extended on a large scale in the subsequent seasons.

15. **Hybrid Maize, Hybrid Jowar and Hybrid Bajra.**

The high yields obtained from the use of Hybrid varieties was noted with interest and it was recommended that they should be cultivated wherever suitable.

Ten nation wide demonstrations in Hybrid Jowar and five Hybrid Bajra have been programmed during the year and these demonstrations are highly appreciated by the farmers and there is heavy demand for seed of these Hybrids.

(16) Co-operative Societies should be recognised into efficient and viable units by the amalgamation of small village societies.

A survey has been undertaken to highlight, viable, potentially viable or otherwise of the Co-operative societies in the State with a view to amalgamate weak societies and make them viable units etc. The Survey has been completed. The particulars of the various categories of the societies viz., Viable, potentially viable, weak societies requiring amalgamation of liquidation are awaited. On the basis of the Survey completed, the Registrar of Co-operative Societies is already taking action for amalgamation or liquidation of societies taking into account the credit viability of the Societies.

(17) The crop loan system, seasonal pattern of credit, issuing of personal security loans, raising of maximum borrowing limits and relaxing credit limits to societies and individuals should be adopted.

It has been decided to introduce the Crop Loan system from the ensuing Kharif Crop season.

(18) Grant of taccaviloans for purchase of seeds, pesticides, implements, oil engines, etc., should be intensified.

With the issue of G.O.Ms. No. 2163, Food & Agriculture, dated 21-8-65 and G.O.Ms. No. 2867, F & A, dated 17-9-65 channelling the long term loans through the Andhra Pradesh Co-operative Central Land Mortgage Bank, the latter has agreed to put additional amount equi-
Oral Answers to Questions.  1st April, 1966.  431

valent to the amounts sanctioned by the Government. Hence the provision for sinking of wells etc. will be doubled.

(19) Arrangements should also be made to make credit facilities available through scheduled bankas in other foreign countries.

The Reserve Bank of India is opposed to the Scheduled banks providing credit to the agriculturists, as it prefers one line of credit in the rural areas i.e., Co-operative Institutional Banking structure.

ACTION TAKEN OR PROPOSED TO BE TAKEN ON THE RECOMMENDATIONS OF THE FOOD PRODUCTION SEMINAR HELD IN JUBILEE HALL, HYDERABAD ON 1ST AND 2ND NOVEMBER, 1965.

<td>(1) Dredgers may be purchased for the clearance of silt in the canals of Godavari, Krishna and Pennar rivers, as it may not be possible to cope up with the work by manual labour.</td>
<td>The dredging operations in Krishna Eastern main canal have been carried out last year and further work will be done this year. Efforts are being made to secure some more dredgers for the clearance of silt in the canals of Godavari, Krishna and Pennar Deltas.</td>
</tr>
<tr>
<td>(2) Head sluice have to be widened.</td>
<td>This is under active consideration in Godavari delta. The scope for this along with the proposed barrage location is being examined to avoid wastage.</td>
</tr>
<tr>
<td>(8) Water may be supplied from Tungabhadra Project to facilitate cultivation in Nellore delta areas and the canals may be widened. Kanigiri Reservoir F. R. L. may be heightened.</td>
<td>Thungabhadra waters were diverted this year to Nellore delta for saving standing crop. But there is no scope to do so regularly as there will be no water and more over it will be very uneconomical due to heavy transit losses.</td>
</tr>
</tbody>
</table>

The local officers were instructed to examine the scope for raising F.R.L. to Kanigiri Reservoir and submit necessary report.
April 1966

(4) The canals in the delta areas should be remodelled as they were constructed long ago, so that there may be quick flow of water.

The suggestion is being referred to the local officers for submitting necessary proposals wherever necessary.

The difficulty in the deltas will be during critical periods. Since all the available river flows are being utilised during these periods with the help of the existing canals, it is premature to consider the question of any improvement without a storage above to improve the river flow during critical periods.

The Mitra Committee has examined this question in detail and estimate that an amount of about Rs. 7.00 per acre may be required for improving the drains and original standards, including excavation of staright cuts, construction of under drains etc. in Krishna & Godavari Delta areas. Necessary follow up action is being taken in this regard.

The Mitra Committee has examined this question in detail and estimate that an amount of about Rs. 7.00 per acre may be required for improving the drains and original standards, including excavation of staright cuts, construction of under drains etc. in Krishna & Godavari Delta areas. Necessary follow up action is being taken in this regard.

(5) Drainage

The drainage problem, being an important one, may be taken up in a phased programme. For this fund may be created by levy of temporary drainage tax for a period of 3 to 4 years at a nominal rate per acre in the areas affected by drainage problem.

The Mitra Committee has examined this question in detail and estimate that an amount of about Rs. 7.00 per acre may be required for improving the drains and original standards, including excavation of staright cuts, construction of under drains etc. in Krishna & Godavari Delta areas. Necessary follow up action is being taken in this regard.

The Mitra Committee has examined this question in detail and estimate that an amount of about Rs. 7.00 per acre may be required for improving the drains and original standards, including excavation of staright cuts, construction of under drains etc. in Krishna & Godavari Delta areas. Necessary follow up action is being taken in this regard.

(6) Delegation of Powers

Powers to sanction Minor irrigation works up to Rs. 50,000/- may be delegated to the Executive Engineers and Assistant Engineers in this regard may be issued.

The proposal of delegation of more powers to the Executive Engineers and Assistant Engineers etc. in general is under consideration of the Government. It is expected that orders will issue shortly. The decision taken in this regard will apply to Minor Irrigation Works also.

(7) Transfer of Works to Zilla Parishads

Minor Irrigation works with an array of 25 acres to 200 acres in respect of Andhra area and 25 acres to 100 acres in respect of Telangana area lie with Public Works Department. All future works from 25 acres to 200 acres may be transferred to Zilla Parishads for maintenance after restoration of all tanks.

 Tanks with an array of less than 200 acres in Andhra area and 100 acres in Telangana area are being transferred to Zilla Parishads for maintenance after restoration of understored tanks and construction of new tanks.

(8) Construction of Minor Irrigation works in Forest areas

In the forest area, when irrigation projects have to be constructed, the permission of the District Forest Officer may be taken. The District Forest Officers however should not hold up such works.

Instructions have already been issued in G.O.Ms. No. 2546, F & A. dated 10th December 1963. Powers have been delegated to District Forest Officers for taking up Minor Irrigation Projects in Reserve Forest areas.
9. **Dispute with Mysore Govt. on regard to Tungbhadra and Rajolibunda.**

Tungbhadra and Rajolibunda issues may be taken up with the Centre, in view of the difficulties with the Govt. of Mysore in regard to the supply of water. The Govt. of India may also be addressed for the issue of a Presidential award in this regard.

10. **Irrigation under Rajolibunda.**

Under Rajolibunda irrigation scheme, the canals should be improved and the layout developed to bring more area under cultivation by setting right the defects before June next year.

11. **Illegal use of irrigation water.**

There must be better coordination between Public Works Department and Revenue Department in regard to levy of penalties for illegal use of irrigation water.

Penal provisions are provided under the Andhra Pradesh (Andhra area) Irrigation Cess Act and Andhra Pradesh (Telangana Area) Irrigation on Act, 1865 F for effectively dealing with irregular irrigation. Cases of irregular irrigation, as well as interference with irrigation work are booked in close collaboration between the officers of the departments of Revenue and Public Works Departments. Large number of cases are booked every year in this regard. There are already in force adequate rules for effectively checking irregular irrigation in the areas of Andhra and Telangana as follows:-

**Andhra area:** The Government in G. O. Ms. No. 419, dated 15-3-1965 have notified the rules under section 1 of the Andhra Pradesh (Andhra Area) Irrigation Cess Act 1865 with a view to arrest the tendency of irregular irrigation, which had become widespread. According to those rules, the Government have the power to levy enhanced water cess to the tune of twenty times the normal water cess, according to the gravity of irregular irrigation involved.
Telangana area: With a view to prevent the spread of irregular irrigation, the Government in G.O. Ms. No. 1219, Revenue, dated 20-7-1963 have notified the rules for levy of penal water cess for irregular irrigation. According to these rules, when water supplied through a water course is unlawfully used, the tax payable under section 81 of the Andhra Pradesh (Telangana Area) irrigation Act 1857 F. will be the tax, which would ordinarily have been charged under section 80 of the said Act, if water is directly supplied to such land and an addition at twenty times such tax and in the case of irrigation works under which no separate water cess is charged twenty times the difference between the wet and dry assessments.

Further section 49 of the said Act provides penalties of fine by the Collector up to Rs. 500/- and a sentence of imprisonment up to three months by the Magistrate in cases involving damage, destruction etc. to any irrigation work.

Thus there exist already effective statutory provisions to deal with cases of irregular irrigation from a Government source of irrigation and unauthorised interference with irrigation works.

However preliminary Notification has been issued regarding uniform levy of water rates. They will be confirmed after the required time scheduled.

12) Tank Bed lands should be used for utilisation in view of adverse seasonal conditions.
13. Pests in fertiliser bags.

The instructions issued in G.O. Ms. No. 1038, F&A, dated 3-2-1955 ensure equitable distribution of available stocks in the districts and blocks, and interest among the ryots in the blocks. As between the ryots, equitable distribution is ensured by the procedure of Village Level Worker issuing permit as per the acreage, account the actual quantity of fertiliser available.

The question of requesting the Govt. of India to supply formulated material (Pesticides) to the Agriculture Department direct instead of to the firms for supplying the ryots may be examined.

14. The question of requesting the Government of India to supply the Govt. of India to supply formulated material (Pesticides) to the Agriculture Department direct instead of to the firms for supplying the ryots may be examined.

The Government of India is distributing authority for the formulation material. The requirements of the Agriculture Department have been intimated to them. The matter is pending with the Plant Protection Advisor of the Government of India.

Oral Answers to Questions. 1st April, 1966. 485

*1782 (A) Q:—Sri V. Satyanarayana:—Will the hon. Minister for Co-operation be pleased to state:

(a) whether it is a fact that an embezzlement of Rs. 2.00 Lakhs in the District Cooperative Marketing Societies, Kakinada has taken place recently; and
Oral Answers to Questions. 1st April, 1966.

(b) if so, the action taken thereon so far or proposed to be taken?

Sri T. Ramaswamy:—(a) Embezzlement has taken place. But the amount involved in the alleged misappropriation is reported to be Rs. 1,41,789.95 paise.

(b) As some serious irregularities including the above misappropriation were noticed, the Regional Joint Registrar of Cooperative Societies, Kakinada superseded the Committee of the Society for a period of one year from 20-2-1965. An amount of Rs. 28,032.75 Ps. has already been recovered out of Rs. 1,41,789.95 paise and action is being pursued for recovery of the balance amount. For the criminal offence involved in respect of misappropriated amount the Regional Joint Registrar of Cooperative Societies, Kakinada sanctioned prosecution against the principal delinquents on 20-9-1965.

Sri K. Venkata Rao, Vice-President.

Sri K. Dayananda Raju, Treasurer.

Sri S. B. P. K. Satyanarayana Rao, Director.

Oral Answers to Questions.  
1st April, 1966.

The question is not completely answered.

Mr. Deputy Speaker:—Is it a lengthy answer?

Sri Tenneti Viswanatham: I think we maybe supplied with a copy. Even after he reads the complete answer we need a copy. More over, there seems to be some politics in it.

Sri T. Ramaswami:—I object to it. There are no politics here.

Sri Tenneti Viswanatham:—Let me complete my statement. Because he was also a Director until he became a Minister, the best thing for him would be to hand over the file to the Chief Minister and let him deal with it. It is not something that he should deal with. It is a case where he should hand over the file to the Chief Minister.

Mr. Deputy Speaker:—If the Chief Minister so feels he might call for the file.

Sri Tenneti Viswanatham:—When the Minister was also a Director and during that period some shortage occurred and when questions are being put, the best thing would be for the Chief Minister to take up the file so that we may not put all sorts of things here because it may not be good.

I request you to give some more time for the question and at least the charges that were made should be made known to the House.

Mr. Deputy Speaker:—I think I have given sufficient time.

Sri Pbhoshamarri Venkateswaralu:—Yes, you have given sufficient time. That is important.

Mr. Deputy Speaker:—If you want all the charges to be read.

Sri Pbhoshamarri Venkateswaralu:—Let him read out all the charges.

Mr. Deputy Speaker: If he wants these charges the Minister may place them on the Table.

2517—9
1st April, 1966.

Sri V. S. Viswanatham:—How much advance has he taken? Is it permissible?

Mr. Deputy Speaker:—Let us take up the next question.

Sri Tenneti Viswanatham:—I respectfully suggest that the matter may be handed over to the Chief Minister.

Mr. Deputy Speaker:—It need not be answered: The next question may be asked.

Sri Tenneti Viswanatham:—I respectfully suggest that the matter may be handed over to the Chief Minister.

Mr. Deputy Speaker:—His suggestion has been noted.

NIDADAVOLU MARKETING SOCIETY

1075—

Sri S. Venkaya:—Will the hon. Minister for Co-operation be pleased to state—

(a) whether it is a fact that the affairs of the Nidadavole Marketing Society, West Godavari District is unsatisfactory for the last six months,

(b) whether it is also a fact that the fertiliser bags worth of Rs. 20,000 are missing now from the godowns; and

(c) if so, the action taken thereon?

Sri T. Ramayya:—It has been reported that there are defects in fertiliser stocks to an extent of Rs. 61,680. The Deputy Registrar of Co-operative Societies, Eluru has ordered an enquiry under section 51 of the Andhra Pradesh Co-operative Societies Act 1961 into the affairs of the Nidadavole Co-operative Marketing Society and authori-
Oral Answers to Questions.  1st April, 1966. 493

sed the Additional Extension officer (Co-operation) Nidadavole to conduct the enquiry. The enquiry is under progress. The Society has already filed arbitration reference against the Ex-President, Salesman and godown clerk of the Society who are found to be responsible for the deficits and also got the properties of the three persons conditionally attached. The Registrar of Cooperative Societies has reported that criminal responsibility for the deficits will be fixed and further action will be taken, after receipt of the enquiry report by the Deputy Registrar, Eluru.

Sri K. Bra'mananda Reddy :— Sir, I would make a request. The Minister for Law has to go to the other House also. So also the Minister for Finance. The question may be completed in another 5 minutes.

Sri Pillalamarri Venkateswarlu :— Very good.
1st April, 1966.

Oral Answers to Questions

Mr. Deputy Speaker:—Point of order, Sir....

Mr. Deputy Speaker:—For drawing my attention there is a point of order.

Sri Vanka Satyanarayana:—
SHORT NOTICE QUESTIONS AND ANSWERS

S. No. 1239—A:— Damage to crops in Rampuram Agraharam.

S. N. Q.—No. 2766-B:— Shri Vavilala Gopalakrishnayya: Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government are aware that on 29-1-1966 there was a torrential rain in 51 Rampuram Agraharam in Adoni taluk and all the Plantain. Betel trees were damaged; and

(b) whether the Government consider giving remission to those lands as a preliminary order for suspension of Revenue collection?

[ The Minister for Education deputised the Minister for Revenue and answered the Questions. ]

Sri A. Balaram Reddy: (a) On 29-1-1966 there was a storming gale for about fifteen minutes accompanied by light rain in Rampuram Agraharam which resulted in some damage to the first year planatian crop only. The betel gardens also are reported to have been affected, but they may recover shortly.

(b) No, Sir.
Short-notice Questions and Answers.

REPAIRS TO INAM TANKS.

S. No. 1209-B.

S. N. Q. No. 2747-W : Shri P. Gunnagya : Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that an amount of Rs. 6 lakhs has been allotted to Srikakulam district for repair of Inam tanks;

(b) if so, whether orders have been issued for the repair of all types of Inam tanks; any

(c) if so, the period within which the said amount has been directed to be spent?

Sri A. Balarama Reddy: (a) Yes, Sir.

(b) Yes, Sir.

(c) It has been directed that the amount should be spent before 31-3-1966.

DISTRIBUTORS AT VIZIANAGARAM

S. No. 1209-C.

S. No. Q. No. 2748-F :—— Sri G. Suryanarayana : Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government have collected the necessary tax for locating the District headquarters at Vizianagaram;

(b) if so, when it will be located there; and

(c) the names of those taluks included under the said district?

Sri K. Brahmendra Reddy: (a) No, Sir.

(b) There is no such proposal.
**Publication of Quarterly List of Books.**

(a) whether the quarterly list of books printed in all the Printing Presses in Andhra Pradesh were published in the Andhra Pradesh Gazette since the formation of Andhra Pradesh; and

(b) if so, in which Gazette; up to which date and whether these Gazettes were despatched to the subscribers of the Gazette; if so, on what dates?

The Minister for Finance (Dr. M. Chenna Reddy): (a) Yes, Sir. But the publication is not being made regularly.

(b) The manuscripts of catalogue of books from 1956 to the third quarter of 1959 were given to the Ajanta Printers, Secunderabad who were declared bankrupt and became insolvent and necessary steps are being taken to recover them. From the fourth quarter of 1959 onwards the lists were published in the Andhra Pradesh Gazette as shown below:

Short-notice Questions and Answers

What is the purpose of the publication? Why was it delayed? Who is responsible? What is the action going to be taken?

Short-notice Questions and Answers. 1st April, 1966.

Mr. Minister.—I am verifying.

Mr. Deputy Speaker.—But he is asserting...

It is not catalogue. It is gazette.

Mr. Deputy Speaker.—Mr. Minister verify.

It is a gazette of books published in the gazette. It is called gazette publication.

Sri Vavatla Gopalakrishnaiah.—It is not catalogue. It is gazette.

Mr. Deputy Speaker.—Please verify.

Sri Vavatla Gopalakrishnaiah.—I need not verify. I verified. It is a list of books published in the gazette. It is called gazette publication.

Mr. Deputy Speaker.—He is denying it. He is saying, catalogue.

Sri Vavatla Gopalakrishnaiah.—Catalogue to be published in the gazette.
1st April, 1966.  Short-notice Questions and Answers.

500  S. No. 1209-E:

(a) whether the announcement of the increase of D. A. and scheme of subsidized food articles to the N.G.O. is applicable to the Village Officers; and

(b) if not, what alternative arrangements are made for this section of the employees?

Dr. M. Chenna Reddy: (a) For all the categories of the Village Officers an increase of Rs. 6/- as D. A. is decided upon and announced on the floor of the Assembly already.

(b) Do not arise.

S. No. 1209-E:

S. N. Q. No. 2750-Y: Sri Vavilala Gopalakrishnayya: Will the hon. Chief Minister be pleased to state—

(a) whether it is a fact that Thummur and Palamari villagers refused to take the meagre compensation given by the Government to the submersion lands of Srisailam Electrical Project in Nandikotkur taluk, Kurnool district; any.

(b) If so, whether the Government propose to give fair and equitable compensation for them for their rehabilitation.

Increased D. A. and Scheme of Subsidised Food Articles to the N. G.O.

S. No. 1209-E:

(a) whether the announcement of the increase of D. A. and scheme of subsidized food articles to the N.G.O. is applicable to the Village Officers; and

(b) if not, what alternative arrangements are made for this section of the employees?

Dr. M. Chenna Reddy: (a) For all the categories of the Village Officers an increase of Rs. 6/- as D. A. is decided upon and announced on the floor of the Assembly already.

(b) Do not arise.

Compensation to Lands Submerged under Srisailam Projects.

S. No. 1209-E:

S. N. Q. No. 2750-Y: Sri Vavilala Gopalakrishnayya: Will the hon. Chief Minister be pleased to state—

(a) whether it is a fact that Thummur and Palamari villagers refused to take the meagre compensation given by the Government to the submersion lands of Srisailam Electrical Project in Nandikotkur taluk, Kurnool district; any.

(b) If so, whether the Government propose to give fair and equitable compensation for them for their rehabilitation.
Sri K. Brahmananda Reddy: (a) In the case of Thummalur village notices issued to 68 awardees under section 12 (2) of the Land Acquisition Act, requiring them to receive the compensation awarded, were acknowledged in 39 cases and in the remaining 24 cases they were returned as refunded. Only one person has so far turned up and received compensation under protest. In the case of Palamarri village the notices issued to 72 awardees have not so far been acknowledged or returned as 'refused'. No person has turned up so far to receive the compensation awarded.

(b) Under section 23 (1) of the Land Acquisition Act of 1896, the Land Acquisition Officer is required to fix the amount of compensation with reference to the market value of the land on the date of publication of the notification under section 6 (1) of the Act. In arriving at the market value the Land Acquisition Officer takes into account the values of the lands sold in the vicinity during a period of three years immediately preceding the date of publication of the notification under section 6 (1) of the Act.

The aggrieved parties may only ask the Land Acquisition Officer for a reference of the matter to the Court under Section 18 of the Land Acquisition Act, if they are not satisfied with the compensation amount awarded. No appeal lies to a higher authority nor the higher authority can interfere with the award passed by the Land Acquisition Officer and sanction payment of higher compensation.

Rehabilitation of Public of the Villages Submerged under Srisailam Project.

S. No. 1209-N:

(a) the area-wise extent of land decided to be allotted in various areas for the rehabilitation of the Public of the villages to be submerged under Srisailam Project;

(b) the basis on which compensation will be fixed;

(c) whether the Committee appointed to consider the lands for purposes of rehabilitation has submitted its report.

(d) whether any persons have been paid compensation so far;

(e) the prices paid for different categories of lands; and

(f) when the rehabilitation work will be completed?

Sri K. Brahmananda Reddy: (a) No decision has so far been taken in this regard, as necessary data regarding the availability and suitability of lands which could be allotted to the displaced persons in Kurnool and Mahaboobnagar Districts, consequent on the construction of Srisailam Project, is still being collected by the concerned officers.

(b) The quantum of compensation to be awarded for lands acquired will be fixed with reference to the market value of the land on
the date of publication of the notification under section 6 (1) of the Act, as required under section 23 (1) of the L. A. Act of 1894.

(c) Not yet Sir.

(d) So far compensation has been paid to a total number of 234 persons in Verapuram village of Nandikotkur Taluk. Thanumalur Village of Atmakur Sub-Taluk is Kurnool District and Mangampet and Bheemavaram Villages of Alampur Taluk in Mahbubnagar District.

(e) The compensation paid to different categories of lands acquired, ranged from Rs. 50 to 900 in the case of Verapuram and Thanumalur villages and Rs. 170 to 1,200 in the case of Mangampet and Bheemavaram villages.

(f) The rehabilitation work is expected to be completed by 1971.

General human aspect, social aspect, consider it.

(f) The Board of Revenue has reported that the committee has asked a team of experts consisting of soil chemists, agriculture and forest survey officers to explore and examine the availability of suitable land in Kurnool and Mahbubnagar districts for being ear-marked for rehabilitation purposes. The Committee is expected to submit its report within six months, Sir.

...
Short-notice Questions and Answers. 1st April, 1966.

GOTTIPALLI RESERVOIR.

S. N. Q. 1259-F—

*2785 Q.—Sri P. Gunnapya: Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) when the work of Gottipalli Reservoir Scheme, Hiramandalam Firka, Pathapatnam taluk, Srikakulam district which enables raising of two crops in an extent of 5,000 acres will be taken up; and

(b) if so, the estimated amount of expenditure therefor?

Sri A. C. Subba Reddy: (a) The proposals are still under scrutiny. The scheme will be taken up after it is sanctioned.

(b) About Rs. 14.00 lakhs.

Foodgrains.

*2745-B.—Sarvasti P. V. Ramana and P. Shyamsunder Rao (Achanta): Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) the quantity of foodgrains required for Visakhapatnam district as reported by Collector for the year 1966-67; and

(b) the quantity of foodgrains that can be allotted to Visakhapatnam district?

Sri A.. C. Subba Reddy:—(a) An additional quantity of 106,000 tonnes of rice for the period March 1966 to November 1966 is reported to be required by the Collector Visakhapatnam. This is in addition to the estimated local production of about 62,000 tonnes of rice and 88,000 tonnes of millets.

(b) It has been tentatively decided to supply 106,000 tonnes of rice, 15,000 tonnes of wheat, 900 tonnes of broken rice, and 5,000 tonnes of Milo.
Sri A C. Subba Reddy:—It is for the district, Sir.

S. N. Q. 2746-T.—Shri P. Gunnagga: Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether the Government are aware of the discontinuance of the work of the Barrage Scheme at Neeradi over the Vamsadhura river;

(b) if so, the reasons therefor; and

(c) when the work of construction of a barrage over the said river of Gotta will be taken up and the estimated expenditure therefor.

Sri A C. Subba Reddy: (a) Yes, Sir,

(b) Work was stopped as the Government of India have not accorded clearance to the project. Detailed investigation of ayacut for Neeradi barrage scheme and Gotta reservoir scheme is being done, to finalise estimates for sponsoring Neeradi barrage as a separate medium scheme to benefit both Orissa and Andhra Pradesh ayacuts.

(c) Replies to certain comments of Central Water and Power Commission on Vamsadhura are under examination and field data are being collected. Hence at present it is not possible to indicate when the Gotta Reservoir Scheme will be taken up.

Mr. Deputy Speaker:—At least Sri Gunniah’s questions could be answered in Telugu henceforth.

Sri A C. Subba Reddy:—He has put it in English. If he had put it in Telugu I had no objection to answer in Telugu, Sir.
Short-notice Questions and Answers.  1st April, 1966.  505

1. Short notice questions and answers:

(a) Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether estimates for a dam across Lella Gedda at Bellampeta, Vijayanagaram taluk, Visakhapatnam district, have been completed;
1st April, 1966. Short-notice Questions and Answers.

(b) if so, when and the estimated amount; and

(c) the stage at which the said scheme is at present?

Sri A.C. Subba Reddy:—(a) Presumably the member refers to Kollagadda stream near Bellampeta. If so, Yes, Sir.

(b) During 1965. The estimated cost is Rs. 64,000.

(c) The scheme is under finalisation by superintending Engineer, Investigation Circle, Guntur.

Dr. W. N. Zambratt:—(a) No, Sir.

(b) After detailed investigation, revised plans and estimates have been prepared for a comprehensive Protected Water Supply Scheme to Urvakonda and 16 other villages at an estimated cost of Rs. 45.96 lakhs. An amount of Rs. 4.20 lakhs has been released to Anantapur Zilla Parishad for execution of this scheme, in the current year.

(c) Tenders will be called for after the technical clearance received which is expected to be received shortly.
Short-Notice Questions and Answers. 1st April, 1966. 507

S. No. 1209—

S. N. Q. No. 2746-W. —Sri P. Gunnayya:—Will the hon. Minister for Public Works be pleased to state:

(a) the action being taken by the Government to construct a road bridge across Errigedda between Bathili village and the Zilla Parishad High School in Bathili, Pathapatnam taluk, Srikakulam district, for which investigation has been completed 11 years ago in view of the inconvenience being suffered by nearly 11 hundred students and 5,000 villagers for their communications on account of the failure to take up the work; and

(b) the estimated expenditure for the said purpose?

The Minister for Public Works (Sri T. V. Raghavulu):—(a) No action is being taken for the present.

(b) Rs. 2.85 lakhs.

1st April, 1566.  
Short-Notice Questions and Answers.

Vikas Samithi, Tandoor

S. N. 1209-L.—
S. No. Q No. 2747-K. Q.—Sarvasti Ramachandra Rao Deshpande and V. Ramachandra Rao:—Will the hon. Minister for Education be pleased to state:

(a) whether any society in the name of "Vikas Samithi Tandur" (Tandoor, Hyderabad district) was registered and if so, the purposes for which it was started and who are the officers of this Society;

(b) whether any funds are raised for the furtherance of the cause of the said society and if so, the amount collected and whether the amounts were deposited in a bank;

(c) whether the funds are still in the bank or withdrawn and if withdrawn, for what purpose?

Sri A. Balarama Reddy:—(a) The Vikas Samithi, Tandoor, was not registered under the Public Societies Registration Act 1 of 1839 F.

(b) and (c)—The information is not available. No grant was sanctioned under "71-Miscellaneous" to the Institution for furtherance of its activities.

Sri Ramachandra Rao Deshpande:—It is stated that the Society was not registered under a particular Act. We, if registered under any other Act.

Sri A. Balarama Reddy:—No, Sir; we have no information that it is a registered body at all. The Registrar of Cooperative Societies has got to register it and we have ascertained from him that there is no such registration.

Sri V. Ramachandra Rao:—Is the Minister aware of the existence of such a society in Tandur? If so, who are the officers of the society.

Sri A. Balarama Reddy:—We do not have any information. There is no registered society.

Sri V. Ramachandra Rao:—If it is not registered, is there any unregistered society. I am aware that there exists such a society. I am also aware that there is misappropriation; I am also aware that there is misappropriation; I am also aware that there is misappropriation; I am also aware that there is misappropriation; I am also aware that there is misappropriation; I am also aware that there is misappropriation; I am also aware that there is misappropriation; I am also aware that there is misappropriation.
Written Answers to Questions 1st April, 1966.

Sri A. Balarama Reddy:—The question is whether there is a registered society; we said 'No'. We do not know whether they have collected any funds and whether there is misappropriation.

Mr. Deputy Speaker:—I am to announce that answers to other questions are ordered to be placed on the Table of the House.

WRITTEN ANSWERS TO QUESTIONS

UNAUTHORISED OCCUPATION OF P. W. D. BUILDING IN DUDIVENKATAPURAM

1155—

*517 (6200) Q.—Sri A. Ramachandra Reddy:—Will the hon. Minister for Public Works be pleased to state:

(a) whether it is a fact that a Public Works Department Building in Dudivenkatapuram village in Bhongir taluk, Nalgonda district is under the occupation of Sri Gopalareddy of the said village since a long time;

(b) whether any rent is being paid to Government for the building; and

(c) what are the steps taken by the Government to take possession of the building?

A:— (a) Yes, Sir.

(b) No, Sir.

(c) When Sri Gopala Reddy was directed to be evicted, he filed a writ petition in the High Court, which granted stay of eviction till the enquiry by the Revenue Department in to the question of the petitioner's title in the property is completed. An enquiry by the Sub-Collector, Bhongir, is in progress.

RAGHAVENDRASWAMY MUTT, MANTRALAYAM

1158—

*1255 Q.—Sri P. O. Satyanarayana Raju:—Will the hon. Minister for law and Prisons be pleased to state:

(a) whether any Board of Trustees has been appointed for the Raghavendraswamy Mutt, Mantralayam of Kurnool district, Adoni taluk;

(b) if so, the number and names of the trustees; and

(c) the tenure of the Board of Trustees?

A:—

(a) The answer is in the negative.

(b) and (c) Do not arise.

COLLISION OF A R.T.C. BUS WITH GOODS TRAIN.

1159—

*2512 Q.—Sri S. Venayya:—Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether it is a fact that a Road Transport Corporation bus collided with goods train at a Manned level crossing between Alampur road and Mollapad stations on 1-1-1966 in Kurnool district; and
Written Answers to Questions.

1st April, 1966.

(b) if so, the number of persons died, injured and the property lost together with the reasons for the accident?

A.—

(a) Yes, Sir. A goods train dashed into a passenger bus of the Corporation while the bus was crossing the manned level crossing between Alampur road and Mollapad Railway Station on 1-1-1966.

(b) One person died at the spot and three others died later in the Hospital;

Seven persons received serious injuries including the driver and conductor and 28 others escaped with minor injuries. No property of the passengers is reported to have been lost;

Loss to the Andhra Pradesh State Road Transport Corporation as a result of damage to the bus, is estimated at Rs. 53,740. The cause of the accident may be due to hasty driving of the R.T.C. driver as well as the gates of the level crossing being kept open. The railway gateman was also irresponsible in keeping the gates open and this contributed to this fatal accident. The police are investigating the case.

NATIONALISATION OF BUS TRANSPORT

1160—

1510 Q.—Sarvashri A. Sureshwar Rao, V. Satyanarayana and P. O. Satyanarayana Raju:—Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether the Government have given up their policy of nationalisation of bus transport; and if so, the reasons therefor;

(b) whether the Government have advised the Road Transport Corporation to denationalise the bus transport wherever the return on the investment is less than 15%;

(c) whether any alternative proposals are also contemplated; and

(d) if so, whether the details be placed on the Table of the House?

A.—

(a) No, Sir, the Corporation has not given up its policy of Nationalisation of bus transport.

(b) No, Sir.

(c) No, Sir.

(d) Does not arise.

TREATING OF RAGALUPETA AS INDEPENDENT REVENUE VILLAGE.

1193—

2023 Q.—Sri G. Latchanna (Sompet):—Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that Ragalupeta in Srikakulam taluk, Srikakulam district had ever been treated as an independent Revenue
village having separate village establishment and village Administration, particularly so before 1899; and

(b) if the answer is in the affirmative when was such a position changed and the reason therefor?

A.—

(a) No, Sir.

(b) Does not arise.

REMOVAL OF PATWARI

1194—

*2720 Q.—Sri A. Ramachandra Reddy.—Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that Hanmanth Reddy, Patwari of a hamlet by name Dautyala and Ram Reddy Patwari of Ladmalindu in Bohdah taluk have been removed from office in 1964; if so, the reasons therefor; and

(b) whether they have been reinstated; and if so, when?

A:—

(a) Both the Village Officers were suspended but not removed from Office. Sri Hanmanth Reddy was suspended for his omission to post the cultivation particulars in village Account No. 3, Sri Ram Reddy was suspended for having been involved in a criminal case.

(b) Sri Hanmanth Reddy has not yet been reinstated. Sri Ram Reddy was reinstated on 9-10-1964.

AID TO FIRE VICTIMS

1195—

*2104 Q.—Sri G. Suryanarayana: Will the hon. Minister for Revenue be pleased to state:

(a) in view of the fact that the amount of Rs. 30 given at present to the families of the victims of fire accidents is found inadequate, whether the Government propose to grant higher amount to them, considering their difficulties; and

(b) whether the Government propose to sanction long term loans to them?

A:—

(a) Provision already exists for grant of monetary relief upto Rs. 50 per family in specially deserving cases of fire accidents.

(b) No, sir.
1196—

*M128 Q.—Sarasvati B. Sriramamurthy and P. Rajagopal Naidu:—

Will the hon. Minister for Irrigation and Agriculture be pleased to refer to the answer given to S. N. O. No. 1780-V on 3-12-1965 and state:

(a) whether the Mitra Committee Report has been received by the State Government now;

(b) If so, what are the salient features of the report and whether the same would be placed on the Table of the House; and

(c) whether the State Government have taken any decisions regarding its recommendations and if so, what are they?

A:—

(a) Yes, Sir,

(b) A summary of the report has already been placed on the Table of the House on 8-8-1966.

(c) Not yet, Sir.

"Contract Without Tenders"

1197.—

*1466 Q.—Sarveswara Rao and V. Satyanarayana:—

Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether as many as 387 out of 654 works are entrusted to contractors without inviting tenders in 1968 and 1964 in three Divisions viz., Eluru, Godavari Eastern and Drains Repairs Division;

(b) whether the loss incurred by the State is estimated to be Rs. 8 lakhs as the other works executed by calling tenders 8% of the estimated; and During the same period in the same division fetched 12% to 18%.

(c) whether any action was proposed against the concerned for the loss caused to the State?

A:—

(a) 229 works out of a total of 598 works in 1968-64 and 383 works out of a total of 788 works in 1964-65 were given on nomination.

(b) No, Sir.

(c) Does not arise, in view of (b) above.

CHANDRAGIRI ANICUT

1200—

*1083 Q.—Sri G. Mallikarjuna Rao (ChilkamCherla):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether survey has been done for the construction of Chandragiri anicut on the Munnu river, in Warangal District;

(b) the estimated expenditure for the construction of the said anicut; and

(c) the estimated extent of land which will be irrigated under the said scheme?

A:—

(a) Yes, Sir.

(b) The estimate is under preparation.

(c) 4,000 to 5,000 acres.

PROJECT ON CHINNAPELURU

1201—

*2198 Q.—Sri N. Srinivasa Reddy (Nakrekal):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether there is any proposal for the construction of a project on Chinnapaleru in Nalgonda taluk; and

(b) if so, the place at which it will be constructed?

A:—

(a) No, Sir, but there is a proposal to construct an anicut 12 miles down stream of Mamidala Village of Nalgonda Taluk.

(b) The proposal is to construct it at Thadikamalla Village of Devarkonda Taluk.

THAMMILETI CHANNEL

1992—

*2407 Q.—Sri P. Bapiah (Thiruvur):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) the extent of land to which water is being supplied by the Thammileti channel, constructed by the Government, to provide water to the tanks in Kotapadu and Chinnampeta villages in Krishna District;
Written Answers to Questions. 1st April, 1966.

(b) whether it is a fact that the wall constructed at the mouth of that channel to check the flow of Uppuvagu has collapsed;

(c) whether the Government are aware that in spite of the repairs made to the collapsed wall breaches with a length of 42 feet have again occurred at the mouth of that channel; and

(d) the amount estimate this year for the repairs of the channel?

A:—

(a) 506 Acres.

(b) Yes, Sir;

(c) No, Sir. The repaired groyne has not breached. It is intact. But only a scour has formed at the nose of the groyne.

(d) Rs. 8,500.

Veterinary and Biological Research Institute

1208—

*2676 Q.—Sarvasri A. Sarveswara Rao and K. Sitharamaiah:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether the Veterinary Biological and Research Institute in the Andhra Pradesh is reducing Biological and Bacterial Products in sufficient quantity to meet the requirements of the State; and

(b) whether there is scope for export to other States also?

A:—

(a) Yes, Sir.

(b) No, Sir.

Seizure of Lorry Carrying Rice and Fertilizers

1204—

*1664 Q.—Sri G.C. Kondiah, (Nellore):—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether it is a fact that a lorry carrying rice and fertilisers was caught in Kavali taluk, Nellore district in the month of September or October, 1965;

(b) whether it is also a fact that another lorry carrying rice and fertilisers was caught in Atmakur, Nellore district in the third week of October, 1965; and

2517—9
(c) what is the stock involved in the above two cases and action taken against the persons involved?

A:—

(a) A lorry carrying fertilizers alone was caught in Kavali taluk by the Commercial Tax Officer, Ongole on 16-9-1965.

(b) Another lorry carrying paddy (but not rice) and fertilizers was caught in Atmakur on 21-10-1965.

(c) In the first case, a stock of 81 bags of unstandardised Ammonium Sulphate was seized. The lorry was handed over to the District Agricultural Officer, Kavali and a case was registered in the Additional District Munsiff Magistrate's Court, Kavali. On representing to the Court by the District Agricultural Officer, that no person came forward to claim the property and that the property would be spoiled if kept unsold, the Additional District Munsiff Magistrate, Kavali ordered release of Ammonium Sulphate and sale of the same at controlled price to any Government Department or institution or individual under the direction of the Collector, Nellore and sale proceeds credited to the head of Criminal Court Deposits.

In the second case, 80 bags each weighing 42.50 Kgs. of Mologolukulu paddy and 64 bags of Ammonium Sulphate each bag weighing 95 Kgs. were seized. On producing the lorry before the Additional Munsiff Magistrate, Nellore the Magistrate ordered the release of 30 bags of paddy and 64 bags of Ammonium Sulphate, to the District Cooperative Marketing Society, Nellore. The above society took a delivery of the stock. No case has been filed in the Court so far. However, action is being pursued by the Collector, Nellore.

N.G.Os'. Cooperative Housing Society

1205—

651 Q.—Sri P. V. Ramana:—Will the hon. Minister for Panchayat Raj be pleased to state:

(a) whether there is a N.G.Os. Co-operative Housing Society at Visakhapatnam;

(b) how many house sites were allotted to its members;

(c) how many of them constructed houses;

(d) how many of them sold away their houses after completion;

(e) whether there is any case of allotting house sites both to the husband and wife; and

(f) if so, whether the by-laws of the society permits to do so?

A:—

(c) Vis-à-Vis.

(b) 818.
Written Answers to Questions. 1st April, 1966. 517

(c) 47 under Low Income Group Housing Scheme and One under Middle Income Group Housing Scheme. Five members have constructed the houses from their own resources.

(d) Four.

(e) There is one case.

(f) The bye-laws of the Society do not prohibit husband and wife from becoming members of the Society when they are otherwise qualified to become members.

STATEMENT BY DEPUTY COMMISSIONER, HINDU RELIGIOUS AND CHARITABLE ENDOWMENTS.

1206—

*192 Q.—Sri Teneti Virmanatham and Varalala Gopalakrishnayya.— Will the hon. Minister for Law and Prisons be pleased to state:

(a) whether the attention of the Government has been drawn to a statement made by the Deputy Commissioner, Hindu Religious and Charitable Endowments Department published in "Andhra Prabha" page 1, dated 21-7-1965.;

(b) if so, the periods during which the said embezzlement took place;

(c) whether the Deputy Commissioner has been in those areas as an officer of H.R. and C.E. Department in one capacity or the other from 1944 till today;

(d) the names of the Officers of the H.R. and C.E. Department who had charge during the said period;

(e) who were the Officers and trustees responsible for this;

(f) when the supervising and controlling Officers have discovered those embezzlements for the first time; and

(g) what were the various officers held by the Deputy Commissioner named in the news item during the period in which the defalcations took place; and what were the areas of his jurisdiction then?

A:

(a) The answer is in the affirmative.

(b) to (g) Answer is placed on the Table of the House.

PAPERS PLACED ON THE TABLE (SEE ANSWER TO THE L.A. Q. NO. 1206 (*192)

(b) (a) and (f) A statement, showing the period when the embezzlements took place, the officers and trustees responsible therefor and when the embezzlements were discovered for the first time, is enclosed.
(c) The Deputy Commissioner worked as Inspector of Bapatla and Ongole Taluks from 17th June, 1938 to 7th February, 1944.

He worked as head clerk under Assistant Commissioner, Guntur from June 1948 to December 1948.

He worked as Assistant Commissioner in charge of entire Guntur District from August 1953 to November 1955, for the first time.

He worked as Assistant Commissioner in charge of Guntur with Jurisdiction over Guntur, Sathenapalli, Tenali and Repalle taluks from November 1955 till July 1957.

On 26-1-1961 he was promoted as Deputy Commissioner, Vizayawada with jurisdiction over Krishna, West Godavari, East Godavari, Visakhapatnam and Srikakulam districts. Guntur District was tagged on to him since March 1961. He is continuing as such till to-day.

(d) A statement showing the names of Officers of Hindu Religious and Charitable Endowments Department who had charge of the office during the said period is also enclosed.

(g) The following offices were held by the Deputy Commissioner, (Sri G. Subba Reddy) during the following periods.

From August, 1953 to July 1956.

1. He was the Assistant Commissioner, Guntur, in charge of the entire district with Guntur as Headquarters.

2. From about 1956 to July 1957.—He was in charge of Sathenapalli, Guntur, Tenali and Repalle Taluks as Assistant Commissioner with Guntur as Headquarters.

3. From August, 1957 to 26-1-1961.—He was Assistant Commissioner fro Krishna District with headquarters, at Machilipatnam.

He also worked as in charge Deputy Commissioner for Krishna, West Godavari, East Godavari, Vizag and Srikakulam Districts with headquarters at Vizayawada from about July, 1960 up to 26-1-1961 in addition to his being Assistant Commissioner at Bandar.

He has been working as Deputy Commissioner for Krishna and Guntur districts from about March, 1961 till today with the headquarters at Vizayawada.

D. SUBBA RAO, for Deputy Secretary to Government.
CHOULTRY AT RAMESWARAM by T.D.D.

1207.—
Sri P. O. Satyanarayana Raju:—Will Hon'ble Minister for Law and Prisons be pleased to state:

(a) whether the Government has permitted the Tirumala Tirupathi Devasthanams authorities to construct a Choultry at Rameswaram in Madras State;

(b) if so, the estimated cost of the choultry;

(c) whether there are any proposals for the construction of more choultries in any other pilgrimaged centre;

(d) if so, the names of the pilgrimage centres, where the Tirumala Tirupathi Devasthanam intends to construct choultries at present?

A:

(a) The answer is in the affirmative.
(b) Rs. 8,00,000/-.
(c) The answer is in the affirmative.
(d) Varanasi, Bangalore, Courtallam and Vizayawada.

STATE BEST BOYS PRIZES.

1207—
*26640 Q.—Sarvasri A. Sarveswara Rao and V. Satyanarayana:—Will the hon. Minister for Labour and Transport be pleased to state;

whether this State got any of the prizes of "State Best Boys" "All India Best Boys" and "Best State" under the schemes for the award of prizes etc., to the best trainee, best institute, and best State for 1965-66?

A:—

Yes, Sir, except that this State did not get any Prize for best State for 1965-66.

STENOGRAPHY etc., IN I.T.I.S.

1209—
*2665Q.—Sarvasri A. Sarveswara Rao and V. Satyanarayana:—Will the hon. Minister for Labour and Transport be pleased to state:

(a) whether the course of stenography and Buildings construction were introduced in Industrial Training Institute, Hyderabad, during this year, 1965-66;

(b) whether the same will be extended to other place, also;

(c) if so, what are those places?

2517—10
1st April, 1966.

Written Questions and Answers.

A:

(a) Yes, Sir,

(b) and (c) The course of stenography is proposed to be introduced in the Industrial Training Institute, Secunderabad from August, 1966.

GAS TURBO SETS AT SANATHNAGAR:

1210—

2383Q.—Sri A. Sarveswara Rao:—will the hon. Chief Minister be pleased to state:

(a) whether the Company Erector is still retained at the site to run the two Gas Turbo Sets at Sanathnagar, Hyderabad;

(b) what is the expenditure incurred on the Erector per year;

(c) what are the steps taken by the authorities to get local staff trained to run the sets and to reduce the avoidable expenditure;

(d) whether it is also a fact that the two Gas Turbo Sets at Sanathnagar, are worked with High Speed Diesel Oil, costing a big amount (Fuel per kilo Litres Rs.175 and Excise Duty per kilo litre Rs.450) and thus increasing the cost of generation; and

(e) if so, the steps taken to use NAPHTHA by product of Oil Refineries as a alternative fuel which costs less and bears no excise duty?

A:

The matter relates to the Andhra Pradesh State Electricity Board. As ascertained from them the reply is as follows:

(a) No, Sir.

(b) Does not otherwise.

(c) The local staff were trained in the operation of the Gas Turbo sets when the Foreign Erector came here to erect and commission the sets and they are operating the sets now.

(d) Yes, Sir. The price is Rs.588-81 paise per kilo litre include an excise duty of Rs.485-90.

(e) The Manufacturers have submitted quotation for conversion equipment for use of NAPHTHA. As the selling price of Naphtha also include excise duty of Rs.485-90, the Government of India have been approached to accord waiver of excise duty on Naphtha for power generation. As soon as the Government of India's orders are received, action will be initiated to purchase the equipment.

WATER SUPPLY FOR THE STEEL PLANT AT VISHANAPATNAM.

1211—

2745C(*) Shri Vasilala Gopalakrishnagya:—will the hon. Chief Minister be pleased to state:
(a) whether any projects for water supply for the Steel Plant at Visakhapatnam were undertaken;

(b) if so, what are the projects and the capacity of the project and the cost of completion and the stage they reached so far?

A:—

(a) and (b) No specific projects have been so far undertaken for providing water supply exclusively to the Steel Plant. The Raimatha Reservoir is contemplated as a source of fresh water for this steel plant. In addition it is also proposed to meet partly the water requirements of the steel plant from the Thandava Reservoir also.

REDUCTION IN CONSUMPTION OF POWER.

1212.—

2558Q.—Sarveshri Vavula Gopalakrishnayya, P. Rajagopal Naidu, C.D. Naidu, Ramasubba Rao Deshpande:—will the hon. chief minister be pleased to state:

(a) whether the Government have issued any order curtailing the consumption of Electricity Power;

(b) if so, whether a copy of the order be placed on the table of the House;

(c) whether the power cut apply for Industries also; and

(d) the reasons for the above cut?

A:—

(a) Yes, Sir.

(b) A copy of G.O.Ms.No. 420 'P.W.' dated 9-3-1966 is placed on the Table of the House.

(c) Yes, Sir.

(d) Due to inadequate rains in the catchment areas of hydel reservoirs, the storages this year be very poor. This has resulted in overall shortfall in the availability of electrical energy to meet the full requirements and hence power cut had to be enforced to bring down consumption.
4. From the Andhra Pradesh State Electricity Board
   LR. No. 8298-F2/66-3 dated 1-3-1966.

ORDER:

The following notification will be published in an extra-ordinary
issue of the Andhra Pradesh Gazette.

Notification

Whereas the water position in the hydel reservoirs in the State
is very unsatisfactory due to failure of monsoon and it is necessary to
conserve the available water with a view to ensure regular and uni-
form supply of electrical energy during the coming months;

Whereas certain restrictions on use of power, etc., have previously
been introduced by a notified order issued in G.O.Ms.No.3137 P.W.D.
dated 31-12-1965.

And whereas the position has deteriorated further and it is now
deemed expedient to introduce further restrictions;

Now, therefore, in exercise of the powers conferred by section 3
of the Andhra Pradesh Essential Articles Control and Requisitioning
(Temporary Powers) Act, 1956 (Act V of 1956), and in supersession
of the orders issued in G.O.Ms.No.3137, P.W.D. dated 31-12-1967
and published at pages 1-2 of the Andhra Pradesh Gazette, Part I
Extraordinary dated 1-1-1966, the Governor of Andhra Pradesh
hereby makes the following Order regulating the supply of electrical
energy.

1. This Order shall come into force on the 10th March, 1966,
   and shall apply to the supply of electrical energy in the whole of the
   State.

2. (a) All consumers of electrical energy for industrial pur-
    poses, other than those mentioned in the Annexure, shall regulate
    their monthly consumption of electrical energy so as not to exceed
    70% of their average monthly consumption recorded during the
    period from September, 1964 to August, 65.

   (b) All consumers of electrical energy other than those mentioned
       in sub-clause (a) above clause 8 and the Annexure, shall regulate
       their monthly consumption so as not to exceed 70 of their average
       monthly consumption recorded for the months of September, October and
(c) All consumers of electrical energy mentioned in the Annexure, shall regulate their monthly consumption of electrical energy so as not to exceed 85% of their average monthly consumption recorded for the period from September, 1964 to August, 1965.

(d) The maximum monthly consumption by consumers of high tension electrical energy for industrial purposes falling under clause 2 (a) and consumers falling under clause 2 (b) shall not exceed 70% of their average maximum demand during the period from September, 1964 to August, 1965.

(e) The maximum monthly consumption by consumers of high tension electrical energy mentioned in the Annexure shall not exceed 85% of their average maximum monthly consumption during the period from September, 1964 to August, 1965.

(f) Consumers of low tension power for industrial and agricultural purposes shall not avail supply of electrical energy during 17 to 22 Hrs.

8. The consumption of electrical energy for street lighting shall be reduced by 50% by removal of bulbs at alternate locations or other appropriate methods. Street lights shall be switched off during nights when there is sufficient moonlight. This restriction shall not apply to small distribution areas in gram panchayats, having 20 or less number of street lights. In other gram panchayats, half the number of street lights in excess of 20 shall be switched off.

4. All external illumination for display and advertisement purposes, festive illumination, neon signs and all other illumination of like nature shall be prohibited.

5. All air conditioning equipment shall switched off between 06-00 Hrs and 10-00 Hrs, and 17-00 Hrs, and 22-00 Hrs every day.

6. Release of new services or additional supplies to existing services may be considered by the Chief Engineer for Andhra Pradesh State Electricity (Board) for availing night supply i.e., 22 Hrs. to 6-00 Hrs. This restriction shall not apply to domestic and agricultural services

7. The restrictions provided in sub clauses (a), (b), (c), (d) and (e) of clause 2 shall not apply to the following categories of consumers:

(i) Agricultural pumps.

(ii) Water supply stations.

(iii) Sewage pumping stations.

(iv) All India Radio stations.

(v) Telephone exchanges.

(vi) Defence and Port Installations.

(vii) Aerodromes.
580-B 1st April, 1966. Written Answers to Questions.

(viii) Observatories.

(ix) Teleprinters.

(a) Police Radio organisation.

(xi) Daily News papers.

(xii) Educational institutions and Students Residential hostel.

(xiii) Fire Service Stations.

(xiv) Hospital including nursing homes.

(xv) Sheller Mills Supplying levy and procurement of rice to the Government or Food Corporation of India.

(xvi) Irrigation and Power Projects.

8. Domestic consumers shall be entitled to a minimum quota of seven units per month.

9. The service connection of any consumer contravening the provisions of this Order shall be liable to disconnection without notice. Without prejudice to this, any consumption of energy in excess of the quota fixed in clauses 2 and 8 shall be charged at a flat rate of 50 paisa per unit of energy consumed plus a demand charge of Rs. 10/- per KVA in cases where demand charges are leviable.

10. The Andhra Pradesh State Electricity Board and officers in charge of distribution of electrical energy are hereby authorised to enforce the provisions of this order.

11. All consumers shall be bound by such restrictions relating to availing of the supply during peak load hours and staggering of the supply during peak load hours and staggering of supply of power as may be imposed by the Andhra Pradesh State Electricity Board or the officers in charge of distribution of electrical energy or both from time to time according to exigencies. The Andhra Pradesh State Electricity Board may also cause supply to be switched off in such areas and for such period as may be deemed necessary for the purpose of ensuring compliance with this Order and for securing an equitable supply of electrical energy.

12. (1) For consumers falling under sub clause (a) and (c), of clause 2 who avail themselves of the supply after August 1966, the monthly average shall be that of the months for which supply was actually availed.

(2) For consumers falling under sub-clause (b) of clause 2, who have availed themselves of the supply subsequent to August, 1965, the average monthly consumption shall be calculated for the months for which they availed of the supply.
18. Where the quota calculated as per sub-clauses (a), (b), (c), (d) or (e) of clause 2 is too low or causes great hardship to the consumer, concerned Superintending Engineer may fix a higher limit in the case, of the following categories of consumers:

(a) Industries under construction or initial stage of operation

(b) Industries having seasonal variation in demand or consumption or both whether classified as seasonal or otherwise;

(c) Industrial establishments which have not been working partially or fully for 80 days or more at a stretch during the period over which average is calculated;

(d) Domestic consumers where average consumption for the months of September, October and November, 1965 is very low, being less than 10% of consumption estimated on the connected load, due to non-occupation of the premises or other sufficient reasons.

The Annexure
(see Clause 2)

1. Railways.

2. Defence service establishments.

3. Large refrigerating plants for cold storage purposes or production of ice for supply to hospitals and public.

5. Industries producing the following items in so far as such production is concerned:

(i) Cement.
(ii) Oxygen and Acetylene.
(iii) Fertilizers, Pesticides, Caustic Soda, Agricultural implements pump sets.
(iv) Medicines and Drugs.
(v) Explosives.
(vi) Aluminium conductors for overhead electric lines.
(vii) Oil Refinery, refining, petroleum products.

(My Order and in the name of the Governor of Andhra Pradesh)

A. KRISHNASWAMI,
Secretary to Government.
1st April, 1966. Written Answers to Questions

Meeting of V. Os. by Chennoor Tahsildar

1213:—

*2745-A Shri Ramachandra Rao, Deshpande: will the hon. minister for Revenue be pleased to state:

(a) whether it is a fact that the Tahsildar of Chennoor Taluk of Adilabad District, beat one of the Village Officers; and

(b) If so, has the Government received any representation against this objectionable behaviour of the Tahsildar from the Telangana Watandars’ Association or any of its District Branches and if so, what is the action taken by Government thereon?

A:—

(a) No, Sir.

(b) The Telangana Gram Watandars’ Association has sent a representation on 2-11-65 alleging that the Tahsildar, Chennur beat the Patwari of Jakkapalli village. The matter was got enquired into by the Collector, Adilabad. The enquiry revealed that the Tahsildar did not beat the Patwari.

Government Handicrafts and Cottage Industrial Emporium, Hyderabad.

1214:—

*737 (4795) Sarvari G. C. Kondiah and Ramachandra Rao, Deshpande: will the hon. minister for Finance be pleased to state:

(a) whether there is any arrangement for the supply of articles on credit basis by the Government Handicrafts and Cottage Industries Emporium, Hyderabad to the Governmental Departments and employees;

(b) the amount of arrears due for such credit transactions up till 1960-61; and

(c) whether there are no dues for the year 1964?

A:—

(a) The practice of credit supplies to both Government Departments and Government employees was in vogue prior to 1961. In May, 1961 Government had issued orders to stop credit supplies to Government employees.

(b) The amount of arrears due for such credit transactions up till 1960-61 was Rs. 1,87,957.41.

(c) The amount outstanding as on 31-12-1964 was Rs.8,66,280.86.)
Written Answers to Questions. 1st April, 1966. 580-A

Gopalapuram Irrigation Scheme

1215—

S. N. Q No. 2749-N Sarvasree P. Syam Sundar Rao and V. Satyanarayana:— Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) The stage at which the Gopalapuram Irrigation scheme in West Godavari District stands at present;

(b) when the same will be completed,

(c) the estimated amount of expenditure therefor; and

(d) the names of the villages that will be benefitted by the said scheme?

A:—

(a) About 25% of the work has been completed.

(b) The entire work is expected to be completed by end of March 1967.

(c) Rs. 7,47,000 for works and Rs. 8,49,488 including direct and indirect charges.

(d) Karcharlagudem, Nandigudem and Gopalapuram.

Transport of Rice to Other Districts

1216—

2829: Sri A. Ramachandra Reddy:— Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) whether it is a fact that the Police and the Sales Tax Officers of Medak District have caught the following persons in Medak District while they were transporting rice to other districts or to Bidar in Mysore State without obtaining permits;

**Sewage Scheme.**

*Q. 1500—Sarojini A. Sarveswara Rao and V. Satyanarayana:—Will the hon. Minister for Municipal Administration be pleased to state:

(a) Whether materials costing more than Rs. 5 lakhs purchased during 1959-64 by the Public Health Division, Tirupati for the work at Nellore sewage scheme remains unutilised to this day; and

(b) if so, the reasons therefor?

A.:—

(a) Yes, Sir.

(b) The expenditure on the scheme has to be met from the Municipal funds. The delay in the execution of the scheme is due to the delay in placing necessary funds by the Municipality at the disposal of the Public Health Engineering Department.
FLYING SQUADS FOR PROTECTION OF FORESTS.

1220—
*Q.—2667 (starred) Sarvasri A. Sarveswara Rao and V. Satyanarayana:—Will the hon. Minister for Municipal Administration be pleased to state:

(a) The number of Flying Squad Parties employed to improve Forest protection in the state during 1965-66;

(b) What is the amount by way of compounding fees levied and collected during 1965-66?

A:—

(a) Eight, Sir.

(b) Amount levied Rs. 4,89,806.
Amount collected Rs. 2,87,888 upto January 1966.

CULTIVATION OF WASTE LANDS IN NAGARJUNAPETA.

1221—
*Q. 2881.—Sarvasri A. Ramachandra Reddy, S. Venaga and K. Satyanarayana:—Will the hon. Minister for Municipal Administration be pleased to state:

(a) the number of poor ryots cultivating waste lands in Nagarjunapeta, Nalgonda district, against whom prosecutions have been launched in the Munsiff-Magistrates' Court in Miryalaguda in the year 1965;

(b) the action taken on the representation submitted by those ryots to the hon. Minister for Municipal Administration and Forests on 1-12-1965?

A:—

(a) Fifty two, Sir.

(b) The Chief Conservator of Forests was requested to issue instructions to the concerned officers not to proceed further against the cultivators until final orders in the matter are issued.

STARGED (SUPPL.) ANSWERS PLACED ON THE TABLE OF THE HOUSE ON 1-4-1966 AS PER THE ORDERS OF DY. SPEAKER.

CO-OPERATIVE SPINNING MILLS, GUNTAKAL.

1222—
*Q.—2747—Shri G. C. Venkanna:—Will the hon. Chief Minister be pleased to state:

(a) Whether any enquiry is conducted recently in the Co-operative Spinning Mill of Guntakal in respect of mis-appropriation in the said mill by the General Manager by name Sri M.K. Rama Rao; and

(b) What is the stage and what are the results?

A:—

(a) & (b) Police investigation is going on in the matter and it is not safe to discuss the subject in the House till the investigation is completed.
1st April, 1966.

Written Answers to Questions.

Incentive to Village Officers.

1223—

*Q.—890 (8880) Sri Vavilala Gopalakrishnayya: Will the hon. Minister for Revenue be pleased to state:

Whether there are any proposals with the Government to give a month's salary as incentive to village officers who are given a red entry at the Jamabandi for the good collection work?

A:—

No, Sir.

Running of Buses and Lorries on Dowlahwaram Anicut

1224—

*Q.—2750-Z. Sri V. Gopalakrishnayya: Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) Whether the buses and lorries of private persons were allowed to run through the Dowlahwaram Anicut; if so why the State Road Transport Corporation buses were not allowed; and

(b) whether they will be allowed at least now?

A:—

(a). Only unladen buses and lorries are being allowed to ply over the anicut. No discrimination is made between private and Road Transport Corporation buses or lorries.

(b) Does not arise.

Representation from Smt. Bussaboina Krupa.

1225—

*Q.—1220. Sri G.C. Kondaiah: Will the hon. Minister for Home be pleased to state:

(a) Whether any representation dated 4-6-1965 from Smt. Bussaboina Krupa wife of Odyalo, Rajaswapaalle, Narasampet taluk, Warangal district has been received by the hon. Minister for Home regarding the harassment and wrongful confinement of her husband by the Police of Nallabelli, Naraasampet taluk; and

(b) If so, the action taken thereon?

A:—

(a) Yes, sir.

(b) The petitioner's husband is responsible for grave house breaking. He is still at large and is badly wanted by the Police. Efforts are afoot to trace him.

Rioting in Alvalapadu Village.

1226—

*Q.—1360. Sri P. Raja Gopal Naidu: Will the hon. Minister for Home be pleased to state:

(a) Whether it is a fact that there was a rioting in Alvalapadu village in Pulivendla taluk, Cuddapah district during the months of August 1965.
Written Answers to Questions.  

1st April, 1966.

585

(b) If so, the number of persons involved in it; and

(c) The action taken by the Government in the matter?

A:—

(a) No, Sir. Rioting cases however occurred in Alvalapadu village on 25-7-1965 at 11 a.m.

(b) 57 persons were involved in these rioting cases.

(c) Two cases in Cr. No. 20/65, under sections 147, 148, 224, I.P.C., read with 149 and sections 25 and 27 Arms Act and in Cr. No. 21/65, under sections 147, 148, 224, I.P.C., read with 149 and sections 25 and 27 Arms Act were registered in Venila Police Station. Charge sheets were laid on 18-8-1965 and 33-9-1965 in Cr. Nos. 20/65 and 21/65 respectively.

Counterfeit Currency

1227—

*Q.—1839. Sri Ramachandra Rao, Deshpande:—Will the hon. Minister for Home be pleased to state:

(a) Whether the Government are aware that there is a gang in Banswada taluk, Nizamabad district, who are engaged in manufacturing counterfeit currency notes of various denominations; and

FIRE ACCIDENTS

L.A. Q.No. 905 (Unstarred) Saruvosri A. Vasudeva Rao, K. Rajamaallu and V. Viswanath Rao:—Will the hon. Minister for Revenue be pleased to state:

(a) whether it is a fact that a large number of fire accidents (burning of houses) took place during the last summer i.e., from February 1965 to July, 1965; and

(b) what is the extent of loss incurred and the Government help given to the fire victims?

A.—

(a) & (b):—A statement containing the required particulars is placed on the Table of the House.
<table>

158—

Unstarred Question No. 1788.—Sri Y. Peddayya.—Will the hon'ble Minister for Irrigation and Agriculture be pleased to State:

(a) whether compensation has been paid to the following villages of Devarakonda taluk, Nalgonda district which are likely to be submerged under Nagarjunasagar:

1. Ramavaram.
2. Nidigallu.
3. Suryaraopet.
4. Madhavaram, and
5. Peddamunigallu.

(b) whether such villages in the case of which compensation has been paid are eligible for membership in the Samithi; and

(c) whether T.A. and D.A. and other allowances are being paid to the Patels and Patwaries of the said villages?

A.—

(a) Land compensation was paid in respect of Ramavaram, Nidigal, Suryaraopet and Madhavaram villages. In respect of Peddamunigallu village, which will be submerged in 1967, Land Acquisition Proceedings are under progress and compensation will be paid after passing the award by the Land Acquisition Officer.

(b) Payment of compensation has no bearing on membership. The Sarpanches of Gram Panchayats will represent the Gram Panchayats on the Panchayat Samithi as long as the Gram Panchayats continue to exist.

(c) Yes Sir.

159—

Anicut at Gaddemvari Adavalli.

LA. Q. No. 2702 (Unstarred).—Sri B. Dharmabhishekam.—Will the hon. Minister for Irrigation and Agriculture pleased to state:

(a) whether there is any proposal to construct an anicut in Gaddemvari Adavalli, Nalgonda taluk;

(b) if so, the estimated expenditure for the same;

(c) whether the survey has been completed for the construction of an anicut on Jalavagu, Bairavani Bonda, Nalgonda district; and

(d) if so, the amount sanctioned for the scheme?
A.—

(a) No, Sir.

(b) Does not arise.

(c) Preliminary investigations were done and the scheme was found to be not feasible.

(d) Does not arise.

Musi Project

160.—

Q. No. 2076 (Unstarred).—Sri B. Dharma Bhisikham:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

The number and names of persons and the amount to be paid for the lands acquired by the Government for the purpose of construction of Musi Project and the period since when they are pending ?.

A.—

Until and unless the award enquiry is completed it is not possible to state the exact number of persons and their names and also to determine the exact amount to be paid for the lands acquired for the construction of Musi Project. However, it may be stated that approximately an amount of Rs. 10,50,000 has to be paid to about 998 persons, and 52 cases are pending as detailed below:

Total 52
UNI CANAL.

2485 Q.—Sri P. Rajagopa Naidu:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) the number of acres of dry land for which water from Undi Canal is taken since 1370 Fasli in Ganapavaram village, Thadepalli-gudem in West Godavari district.

(b) whether the above extent of dry land is converted into wet; and

(c) if not, the reasons therefor.

A.—

(a) An extent of 9.99 acres in Fasli 1371 and 1.00 acre in Fasli 1372.

(b) No, Sir.

(c) No applications were received for their conversion from dry to wet.

FLOOD CONTROL SCHEME.

2642 Q.—Sarwati A. Sarangara Rao and V. Satyanarayana:—Will the hon. Minister for Irrigation and Agriculture be pleased to state:

(a) what are flood control schemes that have been started during the year 1965-66 in Andhra Pradesh; and

(b) what is the amount spent on them from the budget allotment?

A.—

Clauses (a) and (b) The Flood Control and protection works started during 1965-66 and the expenditure incurred on them to end of December, 1965 are as under:

<table>

HOUSING SCHEMES FOR POLICE.

2649 (Unstarred) Q.—Sarvasri A. Sarveswara Rao and V. Satyanarayana:—Will the hon. Minister for Home be pleased to state:

(a) whether the loans sanctioned by the Government of India for 1963-64, 1964-65 and 1965-66 for the implementation of Housing Schemes of the Police, were utilised by the State; and

(b) what is the number of houses constructed and the amount utilised during the above years?

A.—

(a) The loans sanctioned for 1963-64 and 1964-65 were utilised. The intimation regarding sanction of loan for 1965-66 was received only in January 1966 and it has not yet been spent. Proposals have been called for from the Inspector-General of Police.

(b) 312 quarters were competed and a sum of Rs. 19,67,781 was expended.

AID TO KARIMNAGAR DISTRICT MARKETING SOCIETY.

2694 (Unstarred) Q.—Sri A. Ramachandra Reddy:—Will the hon. Minister for Co-operation be pleased to state:

(a) the aid in cash or in other shape given by Government to the Karimnagar district Marketing Society during 1964-65 and 1965-66 and the quantities of foodgrains purchased by the District Marketing Society during the above period;

(b) the quantity (in tons) therein supplied by the said Society to the Government and the profit derived or loss sustained by the said Society during 1965-66;

(c) the amount spent towards the maintenance of the society and T.A. and D.A. of the members and President during 1965-66;

(d) the quantity purchased by the same at the rate fixed by the Government,
A.—

(a) An amount of Rs. 4,00,000 during 1964-65 and Rs. 10,25,000 during 1965-66 was advanced to the Karimnagar D.C.M.S. Ltd., by Government for the purchase of paddy, maize and pulses as indicated below:

SOCIAL WELFARE HOSPITALS IN KURNOOL DISTRICT.

166—

2531 (Unstarred) Q.—Shri P.O. Satyanarayana Raju:—Will the hon. Minister for Social Welfare be pleased to state:

(a) the number of recognised Social Welfare Hostels existing in Kurnool district;

(b) the number of such hostels in Adoni taluk;

(c) the amount of grants given to the hostels in Adoni taluk during 1965;

(d) whether there are any applications from Adoni taluk pending recognition; and

(e) if so, their number?

A.—

a) 139.

(b) 12.

(c) Rs. 16,168.

(d) Yes.

(e) 7.

BUS SERVICE FROM HYDERABAD.

167—

1636 (Unstarred) Q.—Sri K. Appala Naidu:—Will the hon. Minister for Labour and Transport be pleased to state:

(a) the names of headquarters towns to which bus service has been provided from Hyderabad;

(b) whether any proposal is under consideration of the Government to provide bus service from Hyderabad to Visakhapatnam; and

(c) if so, when?

A.—

(a) The Corporation is operating its services connecting Hyderabad with the following District headquarter towns:

1. Sangareddy, Medak district.
2. Adilabad.)
3. Hanumakonda (Warangal).
5. Khammam.
8. Kurnool.
10. Chittoor.
11. Anantapur.
12. Cuddapah.
15. Guntur.
16. Nellore and
17. Kakinada (East Godavari).

(b) There is no such proposal under the consideration of the Government but the Corporation proposes to run bus service from Rajahmundry to Srikakulam via Visakhapatnam, giving connection to Hyderabad -Kakinada bus service at Kovur-Rajahmundry, where transhipment facility on Godavari is necessary.

(c) The service from Srikakulam to Rajahmundry via Visakhapatnam will be introduced by the Corporation after the completion of all formalities under chapter IV-A of the Motor Vehicles Act, 1980.

BUSES IN WORKING CONDITION AT MAHABOOBNAGAR DEPOT.

168—

L. A. Q No. 1235 (Unstarred) Sri M. Rama Rao:—Will the hon. Minister for Labour and Transport be pleased to state:

(a) what is the total strength of the Road Transport Corporation buses which are in working condition at Mahaboobnagar and Wanaparthy Bus Depots;

(b) what is the average monthly expenditure on both the bus depots for the maintenance of buses and administration;

(c) whether there is any proposal to increase the number of vehicles; and

(d) whether there is any proposal to resume the service between Mahaboobnagar and Shagapur which was discontinued during rainy seasons.

A.—

(a) The total number of Road Transport Corporation buses in working condition at Mahaboobnagar Depot are 40 and at Wanaparthy Depot 14.
(b) Mahaboobnagar Depot Rs. 1,422,228.00 and
Wanaparthy Depot Rs. 76,485.00

(c) Yes Sir. The Corporation has introduced the following additional services by increasing the number of vehicles at Mahaboobnagar Depot.

<table>
<thead>
<tr>
<th>Services</th>

</tr>
</tbody>
</table>

The Corporation also proposed to introduce the following services on 1st April, 1966:

(i) Mahaboobnagar to Krishna (via) Narayanpet.

(ii) Mahaboobnagar to Srisailam.

(iii) Mahaboobnagar to Purgi (circular service).

(iv) Mahaboobnagar to Dindi Atchampet.

(v) Mahaboobnagar to Jedcherla Shuttle service.

Wanaparthy to Kurnool—2 services.

(d) From 23rd October, 1965, Mahaboobnagar Depot resumed the operation of services upto Shagapur and from 1st December, 1965 direct service between Mahaboobnagar and Wanaparthy (via) Shagapur resumed.

GAME SANCTUARIES.

Q. 2699 Sarvrasri A. Sarveswar Rao and V. Satyanarayana:—Will the hon. Minister for Municipal Administration be pleased to state:

(a) what are the improvements made to the existing game sanctuaries and expenditure incurred on them during the years 1964-65 and 1965-66;

(b) whether a pelicary has been constituted to protect the pelicans in Kolleru lake of West Godavari district; and

(c) the improvements done to the pelicary in West Godavari and the expenditure incurred on it in 1965-66?
A. —

(a) Construction of feeder roads, repairs to tanks and streams, formation of salt licks, maintenance of watch towers with provision of conveniences for observing Wild Life, construction of quarters to the staff, checking Nakas and traffic barriers on the roads, provision of Zeeps for effective check on poaching and provision of search lights and binoculars are some of the improvement made to the Game Sanctuaries.

Expenditure incurred was as follows:

Expenditure incurred during 1964-65 — Rs. 22,000.

(b) Yes, Sir.

(c) Except employment of protective staff consisting of one Forester, two Forest Guards any 2 Forest Watchers during the breeding season from October, 1964 to February, 1966, no other improvements were made to the pelicanary.

PURCHASE OF RICE BY NALGONDA DISTRICT MARKETING SOCIETY.

170—

L.A.Q. No. 2698 (Unstarred) Sri A. Ramachandra Reddy: — Will the hon. Minister for Co-operation be pleased to state:

Clause (a). — The quantity of food grains (in tons) purchased by the Nalgonda District Co-operative Marketing Society, since 1964-65 and 1965-66 from the ryots at controlled rates fixed by the Government.

Clause (b). — The quantity therein supplied to Government;

Clause (c). — The amount of aid given by the Government to the Marketing Society during that period?

Clause (d). — The amount therein spent towards the purchase of food grains and the profit gained or loss sustained thereby during that period and the amount of expenditure incurred towards Travelling Allowance and Dearness Allowance of the members and president and towards the maintenance of staff and office and towards jeeps.

A. —

Clause (a). — The Nalgonda District Co-operative Marketing Society purchased the following quantities of paddy during 1964-65:

2517—15
BUSINESS OF THE HOUSE

Mr. Deputy Speaker:—We are happy to have our hon. Speaker here to-day and he is taking the Chair now.

[Mr. Speaker in the Chair.]

Sri K. Brahmananda Reddy:—On behalf of the entire House, I express our thankfulness and gratefulness to God for the rapid and splendid recovery you made, Sir, after your recent illness. We heartily welcome you back to this House. We all know you for a long time as a man having very good health. But the suddenness with which illness overtook you has shocked us all. The affection and the reverence the entire House holds you it can be known from the fact that on the very day, the very morning when word spread out, all the hon. Members of this House have rushed to the hospital to enquire about your health and registered their names in the Visitors Book. I wish to thank all those who attended on you—the doctors, the nurses, the attendants—everybody and contributed to your successful recovery within a short period. We are happy that you are back with us.
trouble—that was on the 27th night, I was writing down the ruling on the matter raised by Sri Gopalakrishnayya; there was only one sentence to be written; I wanted to complete it but I could not. I got the attack; I went outside, thinking that if I would lie down outside and have some fresh air, I would get some relief; but I did not get relief; it began to increase. Immediately I asked my son to phone to some doctor. Doctors were all there within about 20 minutes. They were seeing my agony. The pain was intolerable—I cannot say it was excruciating—some kind of heaviness I felt in the chest. At that time I did not know the seriousness of attack; I thought I would be all right next morning. It was only later that I knew the seriousness of the attack. Anyhow I am really grateful to all of you for having made kind enquiries about my health and evincing interest in my health and I am particularly thankful to all the doctors who have attended on me—all those staff, male nursing orderlies and female nursing orderlies who had taken trouble of attending on me—particularly Dr. Naik, Physician and Mr. Ramachandran, Mr. Pat and others who have taken a lot of trouble and even now they are every day coming and examining. I thank you all for the sentiments you have expressed and I wish I would continue to enlist the sympathy and support of all of you and God give me another lease of life to serve my country and my people. Thank you all very much.

POINTE OF INFORMATION

re: Steel Plant at Visakhapatnam.

Sri Tanneti Viswanatham:—Sir, I was on my legs when you were entering. You will live till 116 years and I have absolutely no doubt about it and all of us are very glad that you are here. As you were entering, I was upon my legs—I was raising a point on the steel plant. This morning newspapers published that the steel plant while it is dedicated somewhere in the sky—it won’t come to Andhra Pradesh in the 4th Plan period. The whole country, I think, is perturbed over this. Has the Chief Minister any statement to make on this, Sir?

Sri K. Brahmananda Reddy:—I have nothing very special to mention just to-day. It is true while the function of the dedication of the Stadium to the memory of our beloved Prime Minister late Lal Bahadur Shastri was being made I mentioned that at this very place where were sitting yesterday, it was Lal Bahadur Shastri that said about Visakhapatnam steel plant. I made a reference to it, Sir, and in reply, Sri Kamaraj and Sri Sanjeevareddy said that the promise that has been made by our late Prime Minister will be certainly kept up by the new Prime Minister and her Government. You also remember, Sir, last month I snatched an opportunity to go to Delhi and to meet the Prime Minister for this very purpose. Her talk with me gave me hope and therefore I expect that within the next few weeks a decision would be taken and that decision would be favourable to us about the location of the 18th steel plant at Visakhapatnam and that too in the 4th Plan.
565 1st April, 1966.

Point of Information:
re: Steel Plant at Visakhapatnam.

Sri T. Venkataraman:—Therefore we like it that the news published in the papers that it may not be coming in the 4th Plan is wrong.

Sri K. Brahmananda Reddy:—I do not see how the hon. Member got the impression that it won’t come in the 4th Plan. The point is that what was mentioned was if financial conditions entail the staggering of the project that could be done.

Sri Pillalamarri Venkateswarlu:—The Chief Minister is stating emphatically, but this is what is contained in to-day’s papers: “...He cautioned however that the steel plant might not be taken up immediately because of the acute financial crisis, but he thought an attempt should be made to start a smaller unit which could be developed later on into a full-fledged one...If the project is not taken up immediately it is not because we are against it or we do not honour our commitment, but because of circumstances and lack of finance.”

Kamraj was of the view that the steel plants were absolutely necessary for Mysore and Madras also. I will plead with the Government of India to give the top priority to the Visakhapatnam Steel Plant and start at least as a pig iron project. “Absolutely necessary for Mysore and Madras also. I will plead with the Government of India to give the top priority to the Visakhapatnam Steel Plant and start at least as a pig iron project.”

...
Mr. Speaker:—It would not be a satisfaction to any one of us if we are going to get the Steel Plant at Visakhapatnam after Fourth Plan or Fifth Plan or Sixth Plan. It will be a satisfaction to all of us if during our term we are going to get it, i.e., within this one year. If we are going to get this Steel Plant and if there is some kind of a definite assurance from the Central Government that it will be located at Visakhapatnam and then the work is started during this term, we will all feel happy.

Sri K. Brahmananda Reddy:—I entirely agree with you Sir, that the decision of the Government of India with regard to the Steel Plant at Visakhapatnam should be made. That is why I said that in the next few weeks or so, it will be made. Completion of Steel Plant takes five to six years Sir. Certainly a beginning should be made.

Mr. Speaker:—Let them take up any number of other projects. We are not concerned, we are only concerned with our Steel Plant at Visakhapatnam and we want that to come as early as possible.

Sri V. Srikrishna:—I don’t mind all the three clubbed together. At the same time, having that financial difficulty in mind, he said that only in a small way it can be taken up. That is the main problem which we are concerned with.
1st April 1966.

Point of Information:
re: Strike by workers of Sarvaraya Textile Mills.

Mr. Speaker:—Let hon. Minister for Labour may take note of it and see that a settlement is effected as early as possible.

Sri B.V. Gurumoorty:—I am not aware of it. But to-day....

Mr. Speaker:—Now that it is brought to his notice, please make a note of it and see that a settlement is effected as early as possible.

re: Drought Conditions in Alur Taluk

Mr. Speaker:—Sir, just now the hon. Member from Alur Area Mr. Lakshmikantha Reddy brought that to our notice and immediately Mr. Ramachandra Reddy told me that action has been taken yesterday to inform the concerned to take necessary steps.
Business of the House. 1st April, 1936.

Mr. Speaker:—Out of about 130 villages in Narayankhed Taluk, only two villages including Narayankhed, the Headquarters of the Panchayat Samiti and the taluk, have been electrified and in pursuance of the power cut since about February 1966, 70% cut has been effected and on the basis of certain calculations average quota has been fixed to the extent of say 70% according to the calculations of the Electricity Department. The whole trouble and the irony of things is that the power which is being supplied even for the domestic lighting, is being supplied not in the times of necessity but during the period when it is not required at all. For example I may say, the power supply, would continue till about 5 O’clock in the evening and the power will not be supplied at all during 5 p.m. to 10 p.m. in the night. It is only after 11 O’Clock in the night the power will be supplied. I do not understand what worth it would have if power supplied late for the purpose of domestic lighting. According to the agreement with the Electricity Department the consumers are expected to pay the minimum charges bill which has to be invariably paid—whether the power is supplied or not. On the other side the Electricity Department does not undertake even to supply power when it is needed badly. I do not understand as to what is to happen with electricity supply in the district itself. Sangareddy is another district head-quarters and happens to be the taluk. There we have got Jogipet and Sadasivapet—all these places are being supplied power.
1st April, 1968.

Calling attention to matters of urgent public importance:

re: Frequent failure of electricity at Naryankhed and Kalvakurthi taluk.

from 5 p.m. to 10 p.m. But it is only Naryankhed Taluk that the power is not being supplied at all with the result all the people have to sit in darkness waiting for the power to come somewhere at about 11 p.m. in the night. This state of affairs is very regrettable. I hope that something would be done to see that power is immediately released during the period of necessity, i.e., From 5 p.m. to 10 p.m. so that it may be of some material use to the people.

Dr. M. N. Lakshminarasiah (On behalf of the Chief Minister):—

I am answering, it Sir.

Due to the unprecedented failure of monsoons this year, the storages in the hydel reservoirs of Machkund, Tungabhadra and
Calling attention to matters of urgent public importance: re: Frequent failure of electricity at Narayankhed and Kalvakurthi taluk.

Nizamsagar are very unsatisfactory. For this reason, the availability of power at Jalaput (machkund) is about 40% of what was available during the corresponding period last year. At Tungabhadra Hydro Station, the power now available is less than 50 per cent of the power available during the flood season. The power generation at Nizamsagar is insignificant as the power house is run for 15 days, and closed for the next 40 days. Steps have been taken to run Vijayawada and Vizianagaram Power Houses as base stations and to purchase about 143 M.W. of power from Madras and 10 M.W. from Mysore in order to make up part of the shortage of power from Hydel stations.

In spite of taking these steps, there is still acute shortage of power throughout the State and a relief of 15 M.W. previously availed of from Machkund for Telangana area, had to be cut off. This has aggravated the shortage of power in this region.

The twin cities of Hyderabad and Secunderabad and the rural areas of neighbouring districts, including Kalvakurthi taluk in Mahaboobnagar district, Narayanakhe in Medak district and rural areas of Nalgonda, are fed from the Erragadda main sub-station. With the restrictions recently imposed, the restricted demand of these areas has come down to 40 M.W. from Hussainsagar, 10 M.W. from Gas Turbo Sets, 3 M.W. from Central diesel stations and a relief of 2 M.W. from Ramagundam Thermal Station. The shortfall in this area therefore is about 10 M.W. and this has necessitated the shedding of load on the feeders by rotation, resulting in interruptions.

Non-supply of power to consumer at Narayankhe. Medak district during the period from 6 p.m. to 10 p.m. As the demand during evening hours is the highest, sheddings during 6 p.m. to 10 p.m. have arisen. During the months of February, and March, 1946, there have been very heavy and long interruptions between 6 p.m. to 10 p.m. These interruptions could not be avoided in view of the critical power situation in the State. As regards the charges levied, the consumers are charged for the power they actually consume regardless of the timings. Whether or not power is consumed between 6 p.m. and 10 p.m. charges have to be levied for the actual consumption of energy recorded.

Non-supply of power in Nalgonda District.:—The supply of power to Nalgonda town and some of the rural areas in the district is from Erragadda sub-station and for the remaining areas it is from Ghilakalku sub-station. There was no cessation of supply of power in Nalgonda district during the 22 days referred to. There have, however, been frequent interruptions to the supply but all distributions in Nalgonda district had supply for more than ten-hours each day. The interruptions and short supply were due to tripping of feeders to give relief to the generating stations.
572  1st April, 1966. 

Calling attention to matters of urgent public importance:

re : Grave situation arising out of the severe cut in electricity due to reported shortage of water in Machikund Hydro-electric project.

Irregular supply in Kalwakurty taluk of Mahabubnagar district:—

Kalwakurty taluk is fed from Mahabubnagar Central Diesel Station and Erragadda sub-station. The power failures in Kalwakurty taluk were due to tripping of feeders for shedding of loads in order to reduce over-load on generating stations. As the capacity of Mahabubnagar Central Diesel Station is only 800 K.V.A. and is sufficient to meet the loads of Mahabubnagar town only, loads of Kalwakurty taluk which are of the order of 1000 K.V.A. to 1200 K.V.A. could not be supplied power continuously from Erragadda sub-station.

To avoid over-loading of the system, staggering of feeders has been so arranged that power is ensured at least for a minimum period so their agricultural operations may not suffer.

Hon'ble members are aware that we are passing through a critical power position throughout the State and restricted supplies to consumers have become inevitable. The position of supply in Telangana region will improve to some extent when the Ingra Boiler at Ramagundam goes into stabilised operation in the next few days. The present difficult position, however, is likely to continue up to June 1966 by which time a relief of 60 M.W. is expected from the first unit of Kothagudem Thermal Scheme and also the Hydel Reservoirs will begin to get in flows.

Dr. M. N. Lakshminarayiah:—We will examine Sir.

re : Grave situation arising out of the severe cut in electricity due to reported shortage of water in Machi kund Hydro-electric project.
Calling attention to a matter of urgent public importance:

Grave situation arising out of the severe cut in electricity due to reported shortage of water in Machkund Hydro-electric project.

1. The percentage of cut of power production has been due to a reported shortage of water in the Machkund Hydro-electric project. The attitude of attitude productions has been due to the reported shortage of water.

2. The present storage at Jalput reservoir (Machkund) is about 46% of the corresponding storage during the same period last year and the availability of power from Machkund station is about 40% of what was available during this period last year.

3. Similarly, the storage at Tungabhadra reservoir is about 63% of what it was during the corresponding period last year. This year, the power availability from Tungabhadra station is dependent on the discharges permitted. The power available for the State from this station is less than 50% of the power available during the corresponding period last year, that is to say, 24 M.Ws. as against 50 M.Ws.

4. The present storage at Nizamnagar also is very unsatisfactory and the discharges at Nizamnagar are being regulated as per the requirements of irrigation. These discharges are very meagre and intermittent, and the power generation at Nizamnagar is inadequate, as the power house is run for 15 days and closed for the next 15 days. Even this cycle of generation may cease to continue by about April 1966.

5. To make up part of the shortage of power from hydroelectric stations, the following steps have been taken:

   (i) Running Vijayawada and Visakhapatnam power house as base stations, besides maximising the generation at other thermal stations.

   (ii) Purchasing from Madras power of about 20 M.Ws. at Vellore point and about 10 M.Ws. from Mysore at Hindupur point.

Dr. M. N. Lala

Due to the unprecedented failure of monsoons this year, the storage in the hydroelectric reservoirs of Nizamnagar and Nizamnagar are very unsatisfactory.
6. In spite of taking these steps, there is still acute shortage of power and restrictions had to be imposed on the consumption of energy and maximum demand. As the power position in the State is still alarming, even certain essential items which were exempted in G. O. Ms. No. 3187 P. W. D dated 31st December 1965 have been subjected to a cut of 15% in the latest G. O. Ms. No. 420 P. W. D. dated 9th March 1966 eg., Railways, Defence Service Establishment, Public Offices, Cements and Fertiliser Industries etc.

Agricultural pumpsets have been exempted from the power cut along with certain other essential categories of consumers.

The restrictions imposed where inevitable and will be removed at the earliest possible date, when power will be available either from Kothagudem Thermal station or when the hydro reservoirs will be replenished.

1st April, 1966.

Calling attention to a matter of urgent public importance:

re: Alleged misappropriation of about a lakh of rupees by village officers of Mandapeta.

...
Calling attention to matters of urgent public importance:

re: Alleged misappropriation of about a lakh of rupees by village officers of Mandapeta.

It is ascertained from the personal Assistant to the Collector of East Godavari District that the Assistant Village Karnam of Mandapeta Village had collected an amount of Rs. 1,858.80 towards and revenue for 1874-fall after issuing receipts to the ryots and misappropriated the amount. As receipts issued by the Assistant Karnam are not valid village office is are demanding the same amounts from the ryots. The Collector has issued instructions to the concerned Tahsildar not to collect the said amounts from the ryots who produce receipts issued by the Assistant Karnam until further orders. The Sub-Collector Rajahmundry is conducting a thorough enquiry into the matter and suitable action will be taken thereafter.

(Mr. Deputy Speaker in the Chair)

Sri A. Balarami Reddy:— There is no complaint from any quarter alleging tampering of official records by Sri Muneeruddin, Tahsildar either pending with or disposed of the Government. If any specific complaint is filed it will be thoroughly enquired into.

(No reply)
578 1st April, 1966 Calling attention to a matter of urgent public importance:

re: Fire havoc in Ambavaram and Gurrapusalla villages in Giddalur and Markapur taluks.

Sri A. Balarama Reddy:—On 16—8—66 at about 1-00 P.M. fire broke out in Ambavaram village of Giddalur taluk as a result of which 211 huts were gutted and 20 hay - ricks were burnt to ashes. There was no loss of either human life. The total loss on account of the accident estimated at Rs. 1,00,500.

The outbreak of fire was reported to be purely accidental. It is reported that the children of one Sri Simon, A Harijan convert kept the extinguished fire sticks towards the hut of one Sri Manje Agrippa after cooking was over in his house. One of the sticks which was not fully put off came into contact with dry grass.
Calling attention to a matter of urgent public importance:

re: Wastage of water from the reservoir of Gauntalavanka project, Chittoor district.

sticks nearby and it caught fire and immediately spread to the adjoining huts due to the thatched roof of Manne Agrappas hut and spread to the adjoining huts due to the wind. Thus 211 huts and 20 hayricks were involved in the accident and burnt to ashes. The Tahsildar has reported that there was no suspicion on any body.

All the victims are reported to be poor and have lost all their belongings in the accident. Arrangements have been made by the local officers to supply food and provide shelter to the victims with the co-operation of the ryots of the village and also of the surrounding villages.

Regarding the grant of relief to the victims, a sum of Rs. 19,550 was already disbursed at the rate of Rs. 50/- per house.

Accident in Gurrupusala — A fire accident occurred in Gurrupusala village in Markapur taluk, Kurnool district on 17-8-1966. The Collector has stated over the phone that necessary relief measures have been taken and a sum of Rs. 24,10 has been sanctioned as monetary relief to the victims of fire accident.

re: Wastage of Water from the Reservoir of Gauntalavanka Project Chittoor District.

Regarding the wastage of water from the reservoir of Gauntalavanka project, Chittoor district, a sum of Rs. 10,300 was already disbursed at the rate of Rs. 50/- per house.

Wastage of Water from the Reservoir of Gauntalavanka Project Chittoor District.

The Collector has stated that necessary relief measures have been taken and a sum of Rs. 24,10 has been sanctioned as monetary relief to the victims of fire accident.
1st April, 1966. Calling attention to a matter of urgent public importance:

re: Meagre Supply of rice and broken rice to Chittoor district.

Reservoirs can be economised by lowering ground levels. Lower ground levels result in more efficient use of water resources. However, it is important to note that the entire state is facing a critical situation. The Board of Revenue (Civil Supplies) is receiving weekly food situation reports from all the Collectors in the State and carefully watching the situation and supplying grains to all the deficit districts in the State including Chittoor. During the current crop year, the following monthly quotas of rice were allotted and the quantities shown in column 5 have been received in Chittoor district.
Calling attention to a matter of urgent public importance:

Regarding brokens it is pointed out that from the beginning the Collectors of the deficit districts were permitted to issue permits to the merchants for importing brokens from surplus districts, and on these permits the Collectors of the surplus districts always try to see that the permit holders get the stocks. The Collectors of surplus districts were also permitted to issue permits to the millers of their own districts to export brokens to deficit districts and sell them in these districts under the orders of the Collectors of the deficit districts. To remove any misapprehensions in this regard the Board prescribed the above procedure regarding the lifting of brokens to deficit districts.

The Collector of Chittoor was also allowed to issue permits for importing brokens, and no such permits for brokens were received in Chittoor. But the exact particulars are not readily available. For February 1966 on the representation made by the Collector, Chittoor, a quantity of 500 tonnes of brokens were allotted to Chittoor district and these quantities it appears have not been moved so far as Krishna millers are not prepared to give the stocks at the rate fixed by the Government. The Board have instructed the Collector, Krishna suitable in the matter to see that the stocks allotted to Chittoor are made available. The Collector, Krishna is also competent to requisition the brokens and maintain supplies if the millers are found to be not prepared to release the stocks at controlled rates. As regards the other points namely unsatisfactory distribution in Pungunnur taluk and complaints against distribution authorities the report of the Collector, Chittoor is awaited.
Sri T. V. Raghavulu—Sir, it has been reported by the Chief Engineer, Hyderabad waterworks Division, Hyderabad that the incident of assaulting Sri M. A. Gafur Khan, Secretary of the Hyderabad Water Works Employees Union, I.N.T.U.C., has taken place between 4.30 P.M. and 5.00 P.M. on 25.3.66. The matter was not brought to the notice of Executive Engineer, Hyderabad Water Works Division immediately to enable him to make on the spot enquiries. It is understood that Sri M. A. Gafur Khan has lodged a complaint with the Sub Inspector of Police, Begum Bazar Police Station. The Executive Engineer, Hyderabad Water Works Division has addressed the Sub Inspector concerned to furnish the details of the report for taking suitable action against the guilty person or persons. It is understood that the report from the Sub Inspector of Police has not so far been received. It has been ascertained from the police station, Begum Bazar on phone that after enquiry his case has been registered and it will be instituted in the criminal court shortly. As regards the illegal strike made by some of the workers on 26—2—66, their explanations for the delay attending to the evening duty on 26—2—66 have been called for by the Executive Engineer, Hyderabad Division. The explanation of the Workers are still awaited. On the receipt of the explanations suitable disciplinary action will be taken as per rules.

BUSINESS OF THE HOUSE

PAPERS LAID ON THE TABLE

Annual Report of the Andhra Pradesh Mining Corporation Limited for the year ending 31st March, 1966 together with the comments upon or supplement to the Audit Report of the Statutory Auditors on the Accounts of the Andhra Pradesh Mining Corporation Limited by the Comptroller and Auditor-General of India.

Sri A. C. Subba-Rao (Deputy the Minister for Finance and Industries)—I beg to lay on the Table under section 619-A (8) of the
Companies Act, 1956, a copy of Annual Report of the Andhra Pradesh Mining Corporation Limited for the year ending 31st March, 1965 together with the comments upon or supplement to the Audit Report of the Statutory Auditors on the Accounts of the Andhra Pradesh Mining Corporation Limited by the Comptroller and Auditor-General of India.

Mr. Deputy Speaker:—Paper laid on the Table.

Sri A. C. Subba Reddy:—I shall now lay this on the Finance Minister Rules made under section 69 (1) of the Andhra Pradesh Panchayat Samithi and Zilla Parishads Act, 1959.

Dr. M. N. Lakshminarayiah:—I beg to lay on the Table under sub-section (2) of section 69 of the Andhra Pradesh Panchayat Samithis and Zilla Parishads Act, 1959, a copy of each of the following notifications with which certain rules made under sub-section (1) of section 69 of the Act, has been published in the Gazette.

Mr. Deputy Speaker:—Papers laid on the Table.

Amendment to the Andhra Pradesh Public Premises (Eviction of Unauthorised Occupants) Rules, 1962.

Mr. Deputy Speaker:—Paper laid on the Table.
1st April, 1966.

Government Bills:

The Andhra University (Second Amendment) Bill, 1966.
Sri Venkateswara University (Second Amendment) Bill, 1966.
The Osmania University (Second Amendment) Bill, 1966.

MUNICIPAL CORPORATION OF HYDERABAD (LAYOUT) RULES, 1965.

Mr. Deputy Speaker: — Paper laid on the Table.

RULES RELATING TO THE REGISTRY OF TRANSFER OF OWNERSHIP OF PROPERTIES IN THE ASSESSMENT BOOK OF MUNICIPAL CORPORATION, HYDERABAD.

Sri A. Balarami Reddy:— Sir on behalf of Minister for Municipality Administration I beg to lay on the Table a copy of the Rules relating to the registry of transfer of ownership of properties in the Assessment Book of Municipal Corporation, Hyderabad, framed under Sub-section (2) of section 585 of the Hyderabad Municipal Corporation Act, 1955, as required under sub-section (3) of section 585 of the said Act.

Mr. Deputy Speaker: — Paper laid on the Table.

GOVERNMENT BILLS.

Sri A. Balarami Reddy—Sir, I beg to move that the Andhra University (Second Amendment) Bill, 1966 (as passed by Legislative Council) be read first time.

Mr. Deputy Speaker: — Motion moved.

Mr. Deputy Speaker: — Before he completes, would he not move all the three Bills together?

Sri A. Balarami Reddy: — One after the other.
Government Bills:
The Andhra University (Second Amendment) Bill, 1966.
Sri Venkateswara University (Second Amendment) Bill, 1966.
The Osmania University (Second Amendment) Bill, 1966.

Mr. Deputy Speaker:—He could make all his observations after moving the second and third bills also.

Sri A. Balarami Reddy:—I have no objection if you direct me so.

Mr. Deputy Speaker:—You could move the amendment Bill for Sri Venkateswara University and the Osmania University.

Sri A. Balarami Reddy:—I also beg to move—

Sri Vavilala Gopalakrishnagga: How could the three Bills be discussed simultaneously?

Mr. Deputy Speaker:—Members also will be able to discuss together.

Sri Vavilala Gopalakrishnagga:—We may discuss one Bill. Then you may curtail discussion. You cannot have discussion of all at the same time.

Sri Vavilala Gopalakrishnagga:—That is wrong.

Mr. Deputy Speaker:—Where is the harm?

Sri Vavilala Gopalakrishnagga:—How can we discuss all the three Bills at a time. They may be common Bills.

Mr. Deputy Speaker:—Amendments pertaining to the same—

Sri Vavilala Gopalakrishnagga:—Whatever it may be, you cannot discuss all the Bills simultaneously.

Mr. Deputy Speaker:—We have done it.

Sri Vavilala Gopalakrishnagga:—Not regarding Bills. You can take up amendments or cut motions like that.

Sri A. Balarami Reddy:—We have got only one hour left.

Mr. Deputy Speaker:—This is also an amendment. Does he want discussion for the second and third bills again?

Sri Vavilala Gopalakrishnagga:—You see the Rules, Sir—We can't discuss the three bills simultaneously.

Mr. Deputy Speaker:—All right. Continue with the first Bill.

The Andhra University (Second Amendment) Bill, 1966.
Sri Venkateswara University (Second Amendment) Bill, 1966.
The Osmania University (Second Amendment) Bill, 1966.

In academic matters and in recruitment of the staff, the institute has almost, although not quite, the same measure of independence as Universities.”

As has been said above, the Executive Council, the Academic Council, the Boards of Studies and the Finance Committee and the Faculties have not been constituted so far and therefore they are not functioning. Two deans have been appointed by the Chancellor—and the only functioning body is overloaded with nominated members; they have practically no representation of teachers nor of students of the University. The university has not succeeded so far as an autonomous and democratic institution.

We recommend the University be admitted to the membership of the Board for a period of ......... years.

Sri V. Srikrishna:—On a point of clarification, Sir. Commission did not apply its mind twice or thrice mention. It was not appraised with facts by Vice-Chancellor. But yet it continued as a body there. The Syndicate did not apply its mind twice or thrice. It was not appraised with facts by Vice-Chancellor. But yet it continued as a body there. It is not the responsibility of the Senate. It could not apply its mind to certain things and it was not appraised of the facts also.

Sri Teneeti Venkatakrishna:—I just want to congratulate the Government on their decision to bring in this Bill amending the Act which was passed last December against great controversy and great public opposition. As I said on a previous occasion... and I repeat it... this Government does good things only at the last moment. However, I congratulate the Government on this Bill.

SRI K. MARA REDDY:—I offer my congratulation to the Government for having brought in the Bill at least now. When the University Bills were introduced in December the entire opposition and the elite of the country and the State opposed the Bill. But the Government, without thinking much of the consequences, and because
they had majority, rushed through the Select Committee stage and in the same session enacted the Bill. The moment it was enacted there was uproar in the Universities and also among the elite of the country. It had gone to the centre and there was hectic discussion in Parliament. Even the Union Education Minister had written to our Chief Minister conveying his feelings about pushing through the Bill so hastily. In spite of the advice of the Opposition parties Government had not dared to meet the situation in respect of all the cases. Now Government had come up with amendments. This could have been done then itself. Why did they not do it? It was clearly because they had a big majority. The British Parliament, it said can even call a male a female. Even in India this seems to be the case. We compliment the Government for bringing in these few amendments at least now by maintaining the autonomy of the Universities. The thing to be considered is how far should we interfere with the administration of the Universities. We should not interfere in their day-to-day administration. Therefore, Government have brought in amendments to section 7 and 8. With the amendment to section 8, it would be advisable to remove Section 10 relating to the removal of the Vice-Chancellor. The amended Section 8 which says "...and also to cause an inquiry to be made into the teaching and other work conducted or done by the University or in respect of any matter connected with the University" is sufficient to take any action on the Vice-Chancellor or anybody. With regard to service conditions also I compliment the Government for having brought in the amendment after hectic discussion.

Sri P. Subbaiah:—The University Acts were much debated Bills which became Acts much against the opinion voiced by the Opposition and were hastily enacted. At last what the Opposition contended came to be realised by Government finally and for that we should be happy. What I would like to say is that whenever the Opposition brings certain matters to the notice of the Government, it is the duty of the Government to visualise, to weigh the pros and cons and then come to a correct judgment. That is forgotten by the ruling party with its majority. The ruling party always views with suspicion whatever the opposition suggests. We stated at the time of enacting the University Amending Acts that by the sections brought in that autonomy of the Universities was going to be effected and we cited several examples, not only from our but from those of Cambridge and other Universities. But our pleas were not heard by the ruling party. At last by the direction of the Central Government, the fault was realised. Whatever it may with the external autonomy of the Universities, the internal autonomy is not ensured. That is our fight. We have been saying that you have been restricting the external autonomy of the university. You should ensure full autonomy of the universities. What is the composition of the Senate, what is the composition of the Syndicate, who is to preside over them? All these questions are there. These questions have been left open; these questions...
Government Bills:

The Andhra University (Second Amendment) Bill, 1966.
Sri Venkateswara University (Second Amendment) Bill, 1966.
The Osmania University (Second Amendment) Bill, 1966.

tion which are very fundamental have not been discussed. What about the Unions of the Universities? The Unions which have been recognised and which will fight for their causes have not been given full autonomy. So, where is autonomy. External autonomy of the University was restricted and now restored and the internal autonomy is not yet ensured.

There is another important point. There was the Model Act of the Kothari Commission. Even prior to that the Radhakrishnan Commission Report was there. All these Commissions sought to ensure fuller autonomy so far as Education is concerned. We followed them and now two points have been restored but the original status quo of autonomy has not been restored. That is, when you elect the Vice-Chancellor, then only fuller autonomy is there. Without this, fuller autonomy is not there. The Chief Executive Officer’s post is left in the hands of the ruling party. Until the Kothari Commission’s recommendations are accepted in full, fuller autonomy is not ensured. However, whatever is given we have to take and we have again to fight out for the election of the Vice-Chancellor, which is very important. I hope that Government after realising the importance of this measure will bring an amendment later on and would ensure that the external and the internal autonomy of the Universities will be safeguarded.
600 1st April, 1966.

Government Bills:
The Andhra University (Second Amendment) Bill, 1966.
Sri Venkateswara University (Second Amendment) Bill, 1966.
The Osmania University (Second Amendment) Bill, 1966.

The amendment removes certain standards maintained by the University. The amendment also makes amendments to section 17-18 of the Constitution. The amendment includes various provisions to ensure the stability and tradition in the University. The amendment also provides an elective principle best suited to the University.

1. Sections 3 and 4 of the Act prefer the maintenance of 100.
2. Sections 5 and 6 provide tradition and stability in the University.
3. Section 8 is there.
Government Bills:
The Andhra University (Second Amendment) Bill, 1966.
Sri Venkateswara University (Second Amendment) Bill, 1966.
The Osmania University (Second Amendment) Bill, 1966.

5. 5. Direction Clause:—New direction clause.

Old section 8:—The Government may, where action has not been taken by the University to their satisfaction within the time fixed after considering any explanation furnished or representation made by the Syndicate issue such directions as they may think fit and the University shall comply with such directions.

Sri A. Balarama Reddy:—Old section 8.—"The Government may, in the event of satisfaction not being reached within the time fixed after considering any explanation furnished or representation made by the Syndicate issue such directions as they may think fit and the University shall comply with such directions.

Enquiry procedure:—The Government may, in the event of satisfaction not being reached within the time fixed after considering any explanation furnished or representation made by the Syndicate issue such directions as they may think fit and the University shall comply with such directions.

Elected representatives:—3.5
1st April, 1966.

MESSAGES FROM THE COUNCIL.

The Andhra Pradesh Appropriation (No. 2) Bill, 1936.

Mr. Deputy Speaker:—I am to announce to the House that I have received the following message from the Hon'ble Chairman Legislative Council.

"In accordance with rule 174 of the Andhra Pradesh Legislative Council Rules, I return herewith a copy each of the following Bills which were passed by the Legislative Assembly at its sitting held on 30-3-36 and transmitted to the Legislative Council for its recommendations, duly signed by me and state that this House has no recommendations to make to the Legislative Assembly in regard to the said Bills.

Yours faithfully,

(G. Brahmanag) CHAIRMAN, All Legislative Council.

Statistics of business transacted during the meetings from 14-2-36 to 1-4-36.

BUSINESS OF THE HOUSE

Sri Tenutil Viswanatham: Sir, may I congratulate you on the way in which you carried on although you had to deputise the Hon'ble Speaker and you had to face a difficult House.

Mr. Deputy Speaker: -Thank you very much:

Sri K. Brak伞anda Reddy: -Let me support that thing, Sir. We are very grateful to you for the efficient way in which you have conducted the business of this House and I wish to take this opportunity to thank all members of this House collectively and individually for the decorum and the discipline maintained in this House, adding to the dignity of the Legislature in India.

After the adjournment of the House, Roy Hojo moved a privilege motion not

Language Bill was, N.C.O.'s amended. The House then adjourned sine die.
