BLACKMARKETING OF FERTILISERS

621—

* 111 Q.—Sarvasri Y. Venkata Rao (Vemur), M. Ch. Nagaiah (Prathipadu) —Will the hon. Minister for Agriculture be pleased to state:

(a) whether the Government is aware of the fact that some of the Society Presidents in Vinukonda Taluk, Guntur District were convicted for blackmarketing of chemical fertilisers during 1966-67;

(b) whether the Government is aware that the distribution of fertilisers is not properly done through the agency of Co-operative Societies; and

(c) whether the Government is proposing to remove the control on chemical fertilisers?

The Minister for Agriculture (Sri P Thimma Reddy):—

(a) Yes, Sir.

(b) Though certain instances of irregular distribution by Co-operatives have come to notice of Government, on the whole distribution by the Co-operative Societies is generally satisfactory and is according to the procedure laid down by Government.

(c) Except for Government of India's proposal to release a fixed percentage of stocks of Nitrogenous fertilisers indigenously produced on increasingly progressive scale for free market sales, there is no proposal for removal of controls on chemical fertilisers generally

4. T. Musalayya (do)

Answer to Clause (d) of the Question.—

The amount of loan sanctioned to those Societies by the Central Bank, Srikakulam and how the loan amount was utilised.

1. The Srikakulam Milk Supply Society was sanctioned a short term loan of Rs 7,000 by the Co-op Central Bank, and the amount was adjusted by the Bank towards the Share Capital to the Society, to make it eligible for a medium term loan of Rs 60,000. The Srikakulam Co-op Central Bank has also sanctioned and disbursed a medium term loan of Rs 60,000 in October and November 1964 to be repaid in three annual instalments of Rs 20,000. Both the short term and medium term loan sanctioned by the Co-operative Central Bank, Srikakulam to the Co-operative Milk Supply Society, Srikakulam have not been utilised for the purpose for which they were sanctioned. Out of these loans an amount of Rs. 2,634 (Short term loan) and Rs 44,323 (Medium term loan) are outstanding.

II. Sri Seetharama Milk Supply Society, Akkulapeta —
No funds were borrowed by the Society.

III. Arasavilli Milk Supply Society:
A loan of Rs. 12,000 was sanctioned, out of this, an amount of Rs 308 is overdue to the Co-op. Central Bank by the Society.

AUDIT OF ACCOUNT OF ANNAVARAM SATYANARAYANASWAMY TEMPLE

* 1130 Q— Sri Vavilala Gopalakrishnayya:— Will the hon. Master for Endowments be pleased to state:

Whether the accounts of the Satyanarayanaszamy temple, Annavaram (East Godavari district) were audited during the years 1965-66 and 1966-67; and if so, whether a copy of the audited accounts be placed on the Table of the House?

The Minister for Endowments(Sri R Ramalinga Raju):— The audit of the accounts of Sri Veera Venkata Satyanarayana Swamy Devasthanam, Annavaram (East Godavari District) for the year 1965-66 has been completed and the draft audit report is under the scrutiny of the Assistant Examiner of Local Fund Accounts, Kaknada. The audit of the accounts of the above Temple for the year 1966-67 has not been completed as the posting register of receipts and charges and D.C.Bs. etc. have not been got ready for finalisation of audit.
Oral Answers to Questions. 28th July, 1967. 463

Sri R. Ramalinga Raju — Separate question, Sir.

Mr. Speaker — The Minister has not audited the account nor does he know auditing. I suppose he is not expected to go and audit and find out whether so much money was spent towards taking photos of Ministers, etc. The question is whether the accounts of Devasthanam were audited.

Sri T. Nagi Reddy — He said that accounts for 1965-66 were audited.

Mr Speaker:— There is no duty cost on the Government to lay on the Table of the House these audit reports. There is absolutely no duty cost on the Government. If there is any statutory obligation to have them placed on the Table of the House, they would do it, otherwise there is no necessity for any Minister or for the Government to place, it on the Table of the House. The question is whether audit has taken place; if audit has taken place, any irregularities have been discovered and if so, what are those irregularities . . . .

Sri T. Nagi Reddy:— Because there is no statutory rule. But generally if members have got certain suspicion about the accounts and audit report, they do not ask for the audit reports of all the temples in the States. Certain particular temple has got certain irregularities and therefore they would like to have it. If they did not give the audit report, they can as well answer the question that comes up. Therefore, the point which Sri Govindarao asked is still more pertinent as to why the audit report could not be got to the Minister immediately after the audit is over. What is the trouble in that?

Oral Answers to Questions

Sri P. O. Satyanarayana Raju (Yemmiganur):—Will the hon Minister for Agriculture be pleased to state:

(a) the total amount allotted to Panchayat Samithis under Intensive Manure Scheme during 1966-67;

(b) the amount allotted to Kurnool district under the said scheme in 1966-67;

(c) whether all the Samithis in Kurnool district have spent the amount allotted, and

(d) if not, the reasons therefor?

Sri P. Thimma Reddy.—(a) An amount of Rs 99.0 lakhs was provided for Panchayat Samithis during 1966-67 under the Intensive Manure Scheme;
Oral Answers to Questions. 28th July, 1967. 17

(b) A sum of Rs 80 lakhs was allotted to Kurnool District during 1966-67;

(c) and (d) Only Panchayat Samithis Kurnool and Yemmiganur had utilised the amount allotted. Panchayat Samithis Pattikonda and Dhone did not require the loans. The Other Panchayat Samithis in the District were not allotted any amount, as they did not repay the amounts previously allotted to them.

Sri P. O. Satyanarayana Raju — What steps did the Government propose to take to spend the amount allotted?

PROTECTED WATER AND RURAL WATER SUPPLY SCHEMES

(a) the talukwise names of towns and villages for which protected water supply schemes have been sanctioned so far together with the present stage of construction;

(b) the number and names of villages and towns for which protected water supply schemes have been proposed to be sanctioned during 1967-68 (talukwise);

(c) the talukwise names of villages to which rural water supply schemes have been sanctioned so far together with the present stage of construction, and

(d) the talukwise names of villages for which Rural Water Supply Schemes have been proposed to be sanctioned during 1967-68?

Sri T. Ramaswamy — (a) During Third Five Year Plan period Government have sanctioned 969 Protected Water Supply Schemes on rough estimates for investigation and preparation of detailed plans and estimates. Due to paucity of funds and due to drastic reduction in the Plan of the State and inadequate financial assistance from the Government of India for this programme, the Chief Engineer (Panchayati Raj has been permitted to proceed with the execution of 153 Protected Water Supply Schemes. A statement of 193 schemes is placed on the Table of the House.

§42—3

Oral Answers to Questions.

(b) Due to paucity of funds no new scheme is proposed to be sanctioned.

(c) and (d) As the Panchayat Samithis are competent to sanction well works costing up to Rs 50,000 the particulars relating to talukwise names of villages to which Rural Water Supply Schemes have been sanctioned and Rural water Supply schemes proposed to be sanctioned during 1967-68 are not available. However the Zilla Parishads have been addressed to furnish these particulars. On receipt of particulars a statement will be placed on the Table of the House.

Oral Answers to Questions

Sri G. Sivaiah (Puttur).—I have sent a specific question on Kavutur and Puttoor water schemes. The question does not find at all in the questions list. I do not want to ask for the supplementaries.

Mr Speaker:—When did you send the questions?

Sri G. Sivaiah:—I have sent the question in May itself.

Mr Speaker:—I will ask the Minister to get the information.

Sri G. Sivaiah:—I have sent many questions. All my questions have been tagged on to other questions. I do not find the question at all.

TOBACCO STOCKS.

S No 640—C.

S N O. No. 1495—V—Sarvasri B N Reddy (Thungathurthi) &
N Raghava Reddy (Nakrekal) — Will the hon. Minister for Agriculture be pleased to state

(a) whether it is a fact that tobacco stocks are being accumulated in our State, without being sold,

(b) if so the quantity of the said stocks and

(c) the steps being taken by the Government for the release of the same?

Sri P Thimma Reddy — (a) Yes, Sir. There has been accumulation of stocks of country tobacco

(b) The existing stocks are estimated at about 50 lakh K. Gs.

(c) (i) The matter was discussed with representatives of the tobacco firms when they were requested to purchase stocks liberally. As the firms represented for reduction of excise duty, the Government of India have been addressed, and they have extended the period of retention of tobacco at curers’ premises, up to the end of September, 1967.

(ii) The State Trading Corporation has been requested to purchase the remaining stocks.

This is a product for international market Sir, U A R is a brand name of Middle East crisis with supply and demand. Supply and demand depends upon international market supply and demand. Control over the area is carried out to avoid 1.0 Kgs and a production trade is conducted by All India Tobacco Committee.

S T S. approach the same.
Sri G Sivayya—May I submit that the Minister for Irrigation is not taking keen interest in this matter in promoting the sales of the tobacco because he only addressed the State Trading Corporation and requested them to purchase it. The Central Government gets Rs 3 crores of income out of this tobacco and 90% of the tobacco that is exported is from the Andhra State. Therefore, will the Government take steps and ask the Central Government to take immediate steps to purchase the same?

Sri R. Reddy—This is a Trade channel for this S. T. C. It is a huge trade which the S. T. C. is interested in handling.

Sri P Timma Reddy—This is a Trade channel for this S. T. C. It is a huge trade which the S. T. C. is interested in handling.
Sri P. Thimma Reddy — (a) The Andhra Pradesh Agricultural University intends to organise a condensed course of two years duration leading to the award of C. V. Sc. Diploma Course for the serving Veterinary and Livestock Inspectors, provided the entire expenditure is borne by the Indian Council of Agriculture Research and/or the State Government. The matter is under the consideration of the Indian Council of Agriculture Research.

The trouble is about those who are only S. S. L. C. Trains instead of being intermediate and Degree courses in Livestock Inspectors training. There is no formula to formulate the problem. Livestock Inspectors are needed for training in various subjects. The problem is about those who are only S. S. L. C. Trains instead of intermediate and Degree courses in Livestock Inspectors training.

REFORMS TO THE PRESENT SYSTEM OF EXAMINATIONS

S No 640-1, S. N Q No 1499-B — Sri Tulabundula Nageshwara Rao, (Mangalagiri) — Will the the hon Minister for Education be pleased to state

(a) whether any reforms have been suggested by the Evaluation Unit under the Director of High Education in respect of the present system of examination, if so, the nature of the same, and

(b) upto what extent are they implemented and at what level, if not, the reasons therefor.

Sri T. V. Raghavulu — (a) Yes, Sir.

The State Valuation Unit has done considerable preliminary work in the examination reform by conducting a number of orientation and training courses for the teachers and inspecting officers. It has also conducted two training courses for the prospective paper setters in the subjects of Mathematics, Science and Social Studies and trained teachers and lecturers in the techniques of evaluation and construction of objective questions. The proposed new type question papers will be introduced in the Public examination in the year 1969.

(b) Sample question papers and Unit Test papers have been prepared at two Paper Setters Work Shops held at Hyderabad, during 1966-67. They have to be printed and sent to all the Schools in the State. They will be implemented in Class VIII in the first instance.

* 1001 Q—Sri T C Rajan—Will the hon. Minister for Co-operation be pleased to state

(a) what was the financial assistance given to Chittoor Wholesale Marketing Society during the years 1962 to 1967, and

(b) if it is running on loss, state the reasons and what action does the Government propose to take against the society?

A :—

(a) The Chittoor District Co-operative Marketing Society was not sanctioned any financial assistance during the financial years 1962-63 and 1963-64. During the years 1964-65 to 1966-67, it was sanctioned a loan of Rs 2,00,000/- and a subsidy of Rs 12,500.

(b) The Society is not running on loss. Hence the question of taking action against the Society does not arise

RULING FROM THE CHAIR

re: Right of a Member of the Assembly to be a Member of any one Panchayat Samiti when his Constituency Comprises of Portions of more than one block

Mr Speaker —Sri A Bhagavanta Rao, M. L. A., in his Call Attention Notice dated 21-7-1967 desired to call the attention of the Minister for Panchayati Raj regarding the reported proceedings of the President Panchayat Samithi, Pallapatla, informing Sri A Bhagavanta Rao and Sri Y Chenniah, M. L. A, elected from Kuchmapudi and Repalle Constituencies that they are not eligible to become the members in Pallapatla Samithi in his Proceedings Rc No 351-E4/67, dated: 2-5-1967. As the notice given by Sri A. Bhagavanta Rao, M. L. A., under Rule 74 of the Assembly Rules, was more in the nature of breach of Privilege Notice, I have given my consent to hear.
Ruling from the Chair:  28th  July,  1967  301

Right of a Member of the Assembly
to be a Member of any one Panchayat Samiti when his constituency com-
prises of portions of more than one block

the member (Sri A. Bhagavantha Rao) as breach of privilege. This
was taken up in the House on 26-7-67 Sri A Bhagavantha Rao reiter-
ated what is contained in his notice given under Rule 74 of the As-
sembly Rules Sri T Nagi Reddy while supporting the contention of
Sri A. Bhagavantha Rao, emphasised the right of the House to get an
explanation from the President of the Panchayat Samithi as to why he
took this decision, so that for one or two meetings the member was
not allowed to be present, thereby infringing the rights of an elected
representative of the House Sri T Nagi Reddy opined that this pri-
vilege motion should be referred to the Committee of Privileges for
enquiry into these matters and circumstances under which the decision
of the Panchayat Samithi President was taken

Sri B Vijayakumar Raju was also of the view that it is a fit
case for reference to the Committee of Privileges. Sri A. Bhagavantha
Rao also reiterated that it is a fit case for reference to the Committee
of privileges. In the Proceedings No. 351-E4/67, dated 2-5-1967, the
President, Panchayat Samithi, Pallapatla declared that Sri A Bhaga-
vantha Rao, M.L.A., Kuchinapudi and Sri J. Chenniah M.L.A. Repa-
lle cannot become members in Pallapatla Panchayat Samithi under
the existing provisions of the Andhra Pradesh Panchayat Samithis and
Zilla Parishads Act, 1959. The contention of the President, Pancha-
yat Samithi, Pallapatla, is that since the constituency of neither Sri
A. Bhagavantha Rao nor Sri Y Chenniah comprises the full Block of
Pallapatla, they cannot become the members of Pallapatla Panchayat
Samithi.

Against the above proceedings a representation has been sent to
the Government by Sri A Bhagavantha Rao, M.L.A. requesting the
Government to issue necessary orders to the Block Development Offi-
cer or President, Panchayat Samithi directing him to allow the said
M.L.As to act as Members of the Pallapatla Panchayat Samithi.

Section 4 (1) (iii) of the Andhra Pradesh Panchayat Samithis and
Zilla Parishads Act, 1959 reads as follows —

"4 (1) Every Panchayat Samithi shall consist of the following
members namely —

(iii) The member of the Legislative Assembly of the State re-
representing a constituency which comprises the Block.

Provided that a member of the Legislative Assembly represent-
ing a constituency which comprises more than one Block including a
portion of any Block, shall be a member of the Panchayat Samithi of
only one such Block which he chooses, and he shall have the right to
speak in, and otherwise to take part in the proceedings of a meeting
of any Panchayat Samithi or any Standing Committee thereof constitu-
ted for the other Blocks comprised within the constituency, but shall
not be entitled to vote at any such meeting."

The interpretation given by the President, Panchayat Samithi,
in his proceedings is not correct, since the Member of the Legislative
23th July, 1367. Ruling from the Chair:

re. Right of a Member of the Assembly to be a Member of any one Panchayat Samithi when his constituency comprises of portions of more than one block.

Assembly can become the Member of any Panchayat Samithi of his choice if his constituency comprises any portion of a Block and that his constituency need not necessarily comprise of at least one full Block. Since the constituency of Sri A Bhagavantha Rao, M.L.A., covers a portion of Pallapatla Block and another portion of Repalle Block, he is entitled to choose to be a member of either of those two Blocks and as such the proceedings issued by the President, Panchayat Samithi Pallapatla which has the effect of depriving the membership of Sri A Bhagavanta Rao and Sri Y Chenmah and infringe the rights of the elected representatives of the Assembly for not allowing them to one or two meetings of the Panchayat Samithi are not correct.

Sri A. Bhagavanta Rao in his notice stated inter alia as follows—(English Translation).

"Sri Yadam Chenmah M.L.A. and myself have received a notice from the Block Development Officer, Pallapatla through Re. No. 331/67 E4, dated 28-3-1967 to convey our willingness to be the full members of the Panchayat Samithi, Pallapatla, I conveyed my acceptance to the Block Development Officer on 11-4-1967 to be a member in the Pallapatla Samithi which has been acknowledged by the Block Development Officer through Re. No 35/E3/67, dated 18-4-1967."

In the case of Sri V Rangaraju Vs the State of Andhra Pradesh reported in Andhra Weekly Reporter at p 118 in 1964, the selection (Choice) once made by a member shall be final and therefore the choice made by the member cannot be altered or revoked and a second choice made.

For the above reasons, since the action of the President, Panchayat Samithi, Pallapatla has the effect of depriving the Members Sri Bhagavanta Rao and Sri Y Chenmah of their right to participate in the Proceedings of the Samithi meeting under Section 4(i)(ii) of the Andhra Pradesh Panchayat Samithis and Zilla Parishad Act, 1959 prima facie constitutes breach of privilege, I consider it a fit case for referring to Committee of Privileges for consideration and report. Accordingly it is referred to the Committee of Privileges.

The next ordinary meeting of Zilla Parishad, Srikakulam will be held on 4-8-1967."

Re: Right of a Member of the Assembly to be a Member of any one Panchayat Samithi when his constituency comprises of portions of more than one block.

Yesterday I have given my ruling.
Ruling from the Chair:

**Re** Right of a Member of the Assembly to be a Member of any one Panchayat Samithi when his constituency comprises of portions of more than one block.

Mr Speaker — Yesterday I have given my ruling. We cannot compel the Zilla Parishads not to hold the meetings when the Assembly is in Session. We can give a direction as well in a shape of advice not to hold the meetings as far as possible. The question of not following even this direction and whether the Government can take any action is for you to consider.

Sr G Swayya — This can be solved once and for all if the Government is requested to amend the Act itself suitably.
Business of the House

Mr Speaker —The amendment, in what manner?

Sri G. Sivayya. —To amend the relevant sections of the Act that the Zilla Parishads should not meet during the Assembly sessions. Most of the Members come from the Assembly.

Mr Speaker —Can you amend the Act every time?

Mr Speaker —The amendment, in what manner?

Sri G. Sivayya. —To amend the relevant sections of the Act.

BUSINESS OF THE HOUSE

Mr Speaker —Call attention notices, short notice questions, demands, concerned department to answers, raise demands, raise Short notice question, reject demand, Appropriation Bill, points, raise, reject, demand.

Mr Speaker —difficulty, raise, demands, raise, Short notice question.
Speaker has absolutely no discretion to admit or disallow. So far as notices under Rule 74 are concerned I have got full discretion to admit or disallow. 

Mr Speaker:—So far as call attention notices are concerned once they are admitted it is my responsibility to see that those notices are answered before the sitting is over. General notice may admit on any of these four dates: June 24th, 29th, 30th, and July 1st. I don’t deny.
Mr Speaker.—After I admit it is my responsibility to see that those call attention notices are called in the House. It is my responsibility to see that those call attention notices are called in the House.

Mr Speaker.—For not agreeing to all those short notice questions, I cannot go into their motives. They have got a right to ask short notice questions. Rule 74, it is left to my discretion.

Mr Speaker.—Admit the same as much as possible in the matter of admitting Rule 74 notices, that is because I am very strict in the matter of admitting adjournment motions. Naturally I would like to be liberal in the matter of admitting Rule 74 notices.
Mr. Speaker But that word does not find place in the Dictionary

PRIVILEGE MOTION

Mr. Speaker — Sri Vavilala Gopalakrishnayya has given notice of a breach of privilege motion which reads as follows.

"I wish to raise a breach of privilege caused by the Minister for Labour, Information and Public Relations, by mentioning the installation and maintenance of sound reinforcement equipment in this House and the other House in his speech made on 24-7-67 in the Assembly undermines the prestige and dignity and sovereignty, and I request that this may be sent to the Privileges Committee to take necessary action and to uphold the right of the House from the executive interference."
Privilege Motion  
re. Maintenance of Sound reinforcement equipment in the Legislature

With reference to the letter cited, I am to state that the matter is under consideration of the department and that the final reply in the matter will be sent after a decision is taken in this department.
Mr Speaker — Let me explain the position. All these installations and maintenance of sound reinforcement equipment, etc. was being sanctioned under the head ‘Legislature Contingencies’. Practically the entire staff is working under the control of the Speaker excepting one Technical Assistant who has been coming and assisting the staff in the Legislature. The expenditure on that account is being borne, of course, by the Information Department. Simply because they have been giving technical assistance, it does not mean that the entire expenditure comes under the ‘Information’ Head. That is not correct.

Sri Konda Lakshman Bapuji — We have shown, Sir, which posts are to be transferred to the Legislature Secretariat.

Mr Speaker — Only one Technical Assistant and 2 Supervisors.

Sri Konda Lakshman Bapuji — There are 3 or 4 posts; we are prepared to transfer the whole administrative control to the Legislature Department.

Mr Speaker — That can be done.

Sri Konda Lakshman Bapuji — We are awaiting for the communication from the Secretary, Legislature Department.

Mr Speaker — Expenditure on Sound reinforcement is entirely borne by the Legislature.

Sri Konda Lakshman Bapuji — To whatever extent we are meeting the expenditure, we have mentioned, even if we provide

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

re: Shortage of fertilizers in Chodavaram Taluk.
Calling attention to a matter of urgent public importance.

Mr. Deputy Speaker in the Chair

Smt. Rama Kumari Devi (Madugala) — Mr. Speaker, Sir, it is a coincidence that Chodavaram taluk is in my constituency also. Some people may be thinking that I am joining with the other members. It is not correct.

Mr. Deputy Speaker — All the names are only clubbed.

Smt. Rama Kumari Devi — As a matter of fact, recently, when I visited my place, people came to me in large numbers and they had only one complaint to make, i.e., “We have no water. Rainy season is coming and we want to do sowing. For that we want fertilizers first and we are not getting fertilizers.” I asked what is the reason. They said, the Samithi was taking the fertilizers through the Sarpench, but they don’t give all the fertilizers to the ryots. They would only give something but of course taking the signature because in their own words they have no other alternative. According to them, the remaining is being sold in black market and they had to buy from there to meet their requirements. They want more fertilizers and requested me to invite the attention of the Minister for Agriculture about this problem in the Assembly.

Sri P. Thamra Reddy — Enough fertilizer is available now. The share for Vizag district was 10,000 tons. Another 2,000 tons has been made available. This is what the Department is doing. Now with the setting up of the factory there, ammonium phosphate to the extent of lakhs of tons was received last year and they have a programme to feed to full Srikakulam, Vizag, East Godavari and West Godavari which are nearer to the location of the factory. We have been told by the factory that they have been distributing ammonium phosphate of good quality. This year, I may tell you that the Government of India had been very kind to us. They have made additional quantities available to us and I don’t think...
there will be any serious shortage as such. In fact, there was about 30,000 tons of fertilizers available in West Godavari. Only three days back, we have issued instructions to the districts in coastal line that if there is shortage of fertilizers the stock from West Godavari might be lifted and the immediate needs of the people met. Instruct-ions have also gone that if the co-operatives are not able to do their duty properly, the District Agricultural Officers or Collectors can appoint private agents immediately and see to the distribution properly. As such, Vizag District, I think, will have all that it needs.

Sri T Nagi Reddy —The lady member has raised a pertinent question that signatures are being taken, but only a part of the fertilizers are being supplied and the other part is going into the black-market.

Sri P Thimma Reddy.—Such complaints are received. Sometimes the complaints may not be fully true.

Sri T Nagi Reddy —Even when they come from your own Party men! If they are from the Opposition, I can understand what you say.

Sri P Thimma Reddy —She has received complaints. She is not making a complaint. She is passing on the complaint to the Government. So, they will be looked into. All these troubles will be there when there is short supply. As I mentioned, the supply position has very much improved and I don’t think there will be cause for any complaints from the consumers in future.

Sri P Thimma Reddy —Mr Speaker, Sir, only ammonium sulphate, calcium nitrate and a small quantity of ammonium phosphate is being distributed by the Department. The distribution of some of the fertilizers is being done by Parry & Co through their agents for the coastal areas, namely, East Godavari, Srikakulam, Vizag, etc. Only four days back, the Officers of the Parry & Co., were contacted who told us that there is good quantity received at Kakinada port. But unfortunately the Railways are not able to supply the necessary wagons and therefore they are shifting the fertilizers by lorries. Super phosphate is not under control and is available in sufficient quantities. The position, as I already mentioned, has very much improved this year.

RE DEATH OF CATTLE DUE TO VARIOUS DISEASES

—Dr Bhairivath Thakur Shastri (Maharashtra):—As you have seen, the situation as regards fodder is distressing. In the state of Maharashtra, the situation is very critical. The shortage of fodder has led to the deaths of many cattle. In the state of Karnataka, the situation is also critical. The shortage of fodder has led to the deaths of many cattle. In the state of Andhra Pradesh, the situation is also critical. The shortage of fodder has led to the deaths of many cattle.

Mr Deputy Speaker — As a special case, I am allowing, otherwise this will have to be allowed for others also.

Hospitals in various parts of the State are receiving reports of deaths of cattle due to various diseases. Hospitals in the Revenue Circle of Hospital Department are receiving these reports. In 1966, the number of deaths of cattle due to various diseases was significantly higher than usual. The Department is currently taking steps to address this issue. A Member of the Social Services Department has been appointed to oversee the situation.

Chemical fertilizers are being used in the State. This is nothing when compared to the cattle manure available in the State. Farmyard manure is an alternative to chemical fertilizers. This is nothing when compared to the cattle manure available in the State. The availability of cattle manure is significantly higher than chemical fertilizers.

re. Selection of candidates by the Zilla Parishad, West Godavari in violation of Government orders

Sri T. Ramaswamy —Sir, it is a fact that in Gover. ment Memo No 1449/E III/67-1 PR dated 12-4-1967 instructions were issued to all Zilla Parishads to the effect that further recruitment for the District Cadre posts by the District Selection Committees should be stopped till such time as the retrenched personnel who were retrenched consequent on the implementation of the reduction in the establishments are absorbed in the vacancies.

It is reported that due to various administrative reasons, the meeting of the District Selection Committee West Godavari could not be convened till recently though reconstitution of District Selection Committee was ordered by the Government in 1965 in their G. O. Ms No 337, PR (E III) dated 20-3-1965. It has also been reported that by the time of receipt of the Government instructions, stopping further selection to the District Cadre posts, the dates for the interviews were fixed also despatched to the applicants for some of the posts. In the circumstances reported, the question of ratifying the action of the District Selection Committee in having selected candidates after issue of instructions by Government is separately under consideration of the Government.

Mr Deputy Speaker —We shall go to the next motion, Sri K. Anjana Reddy and others to call the attention of Minister for Panchayati Raj regarding the collection of loans by illegal methods by the BDO of Kodiganahalli, Anantapur District.

Sri T. Ramaswamy —I have not got the necessary information. I will answer it on Monday or Tuesday as soon as I get the information.

Mr Deputy Speaker —We will have it on Monday.

Sir,

Non-payment of salaries to the teachers of Mrs A.V.N College, Visakhapatnam.

The teachers have been paid salaries for all the months during 1964-65, 1965-66 and 1966-67. As regards 1966-67, there was some delay in the payment of salaries for the months of April and May 1967. Salaries for April were paid on 5-7-67 and salaries for May were paid on 10-7-67. The salaries for June 1967 have not been paid by the management. The Correspondent of the College stated that salaries for June and July will be paid on 1-8-67 and that the management is making efforts for collection of amounts and fees arrears. Necessary instructions will be issued to the management to pay the arrears to the staff immediately.

The Andhra Pradesh Legislature Proceedings

Voting now on... 2nd July, 1967.

Mr. V. N. Reddy:— Voting begins now. The Hon'ble Speaker:

Mr. V. N. Reddy:— The Press and the freedom of the press, it is said, are the most important institutions of our democracy. It is said that even the record of proceedings should be made mandatory, which would include the record of the proceedings of the House. The object of the Bill is to bring within the purview of the Protection of Publication Acts, 1920 and 1955, the proceedings of the Legislature of the State of Andhra Pradesh. The Chairman:— In the name of question 3, decisions of the Assembly are to be recorded and made public. Hon'ble Members:— The Principal Members are told to be more circumspect.

Mr. V. N. Reddy:— Article 224 of the Constitution states that the press and the freedom of the press are the most important institutions of our democracy. It is said that even the record of proceedings should be made mandatory, which would include the record of the proceedings of the House. The object of the Bill is to bring within the purview of the Protection of Publication Acts, 1920 and 1955, the proceedings of the Legislature of the State of Andhra Pradesh. The Chairman:— In the name of question 3, decisions of the Assembly are to be recorded and made public. Hon'ble Members:— The Principal Members are told to be more circumspect.

Mr. V. N. Reddy:— The Hon'ble Members moved for a general discussion on the subject of free passes. The Chairman:— The motion is seconded by the Hon'ble Member.

Mr. V. N. Reddy:— Article 224 of the Constitution states that the press and the freedom of the press are the most important institutions of our democracy. It is said that even the record of proceedings should be made mandatory, which would include the record of the proceedings of the House. The object of the Bill is to bring within the purview of the Protection of Publication Acts, 1920 and 1955, the proceedings of the Legislature of the State of Andhra Pradesh. The Chairman:— In the name of question 3, decisions of the Assembly are to be recorded and made public. Hon'ble Members:— The Principal Members are told to be more circumspect.

Non-official Bill.

The Bill seeks to give protection to the publication of the proceedings of the State Legislature. The purpose is to prevent the unauthorized publication of such proceedings which may be of public interest. The Bill proposes amendments to the existing law to ensure the protection of such publications.

(Mr Speaker in the Chair)

Mr Speaker — Let me find out what is the opinion of the Government with regard to this.

The Minister for Health and Medical (Sri P V Narasimha Rao)—In principle we are in general agreement with the purport of the Bill. But I have run into one or two difficulties while examining the proposed legislation. There is one provision in this which seeks to go beyond the jurisdiction invested in this Assembly—which says, “Wherever the reports of the proceedings of the Andhra Pradesh are published.” To that extent the provisions of this Bill will apply. Obviously this is beyond the competence of this Legislature. Then there is another difficulty that the subject matter of this Bill fails in the concurrent list—entry 39. Therefore according to the Business Rules of the Government of Andhra Pradesh we have to consult the Government of India and prior consultation appears to be necessary. It is not that we are going to do it, but we want some time for it. Therefore I would request hon. Member Sri Gopala Krishna not to press for full consideration of the Bill at this stage. We can defer it. We will take it up next time. Meanwhile we will sort out all these formalities and then we will be prepared to come to the House and consider it. That is the stand which I would like to take at the moment.

Mr Speaker — first reading next session.

Mr. Speaker — Suppose they oppose even at the first reading stage

Suppose they oppose even at the first reading stage. If we can give an opportunity to Members to express their views as it is done at the first stage, Sir.

Mr Speaker — After the discussion is over, I will have to put the first reading to vote

Mr Speaker — That is exactly what I say

Mr Speaker — First reading is put to vote. Which ever stage you kindly consider appropriate

Mr Speaker — It is left to you, Sir.

Mr Speaker — It is better to defer it even at this stage. After all nothing will be lost by deferring it by another month or even two months. So, if the House agrees we shall take it up at a later stage. If all of you agree, we shall disperse at 12:45 P.m today.

re: Appointment of a Language Commission.

On 13th July 1967, the Chief Minister of the State, Shri Krishna Rao, appointed a Langauge Commission. The Commission was appointed to inquire into the validity of the language resolution passed by the State Legislature. The resolution was passed by the State Legislature on 8th July 1967, which declared Telugu as the sole official language of the State.

The Commission was constituted under the Chairmanship of Dr. K. V. Ramaiah, a well-known language scholar. The Commission was required to submit its report within six months from the date of appointment.

The resolution had sparked a controversy in the State, with some sections of the society expressing reservations about the imposition of Telugu as the sole official language. The Commission was expected to provide a balanced view on the issue.

The Chief Minister of the State, Shri Krishna Rao, addressed the gathering at the inauguration of the Commission and emphasized the importance of linguistic diversity and the need for a more inclusive approach towards the language issue.

Appointment of a Language Commission.
The development of the proper language can greatly assist in strengthening the national unity. The Government’s programme will be to develop all Indian languages and adopt them as media of education at all stages. Unless this is done, the creative energies of the people will not be released. The standard of education will not improve and the knowledge will not spread to the people and the gulf between the intelligentsia and the masses will continue to widen. The change-over should be brought within about five years.
