ANDHRA PRADESH LEGISLATIVE ASSEMBLY

Wednesday, the 28th February, 1968

The House met at Half-Past-Eight of the Clock.

(Mr Speaker in the Chair)

ORAL ANSWERS TO QUESTIONS

ROAD FROM TALLADA TO ASWARAOPET

1236—

* 1492-(W) Q—Sarvasri T Purushothama Rao (Wardhanapet)
D Satyanarayana (Chevella), R Bhoom Rao (Khammam) and Md
Rajjab Ali (Bodhan) —Will the hon-Minister for Communication
be pleased to state

(a) the amount sanctioned for the development of the existing
tar road from Tallada to Aswaraopet on Hyderabad to Rajahmundry
Road in Khammam District,

(b) the length of road (in miles) for which estimates have been
prepared and the estimated amount therefor,

(c) whether it is a fact that the said road is in a bad condition
even after spending a huge amount thereon,

(d) whether it is a fact that the Chief Engineer has made an
inspection this month and what are the views expressed by him in the
matter,

(e) the amount of expenditure incurred so far towards the said
work and the amount yet to be paid to the Contractors, and

(f) whether it has been opined that the said road is in a bad
condition due to improper execution of work by the Contractors, and
misappropriation of huge amounts from the sanctioned amount, and
whether Government are conducting any enquiry into the matter?

J, No. 116. (385)
28th February, 1968.

Oral Answers to Questions

[The Minister for Planning and Law deputised the Minister for Communications and answered the questions]

The Minister for Planning and Law (Shri K V Narayana Reddy) -
(a) Rs 48.43 lakhs under repairs grant for improvements and Rs. 9.10 lakhs under Plan for black topping,
(b) Miles 50 and furlongs 3, Rs 57.55 lakhs
(c) No, Sir. The condition of the whole road is fair except in a stretch of 4 miles at miles 151 to 152, 152 to 153, 153 to 154 and 154 to 155, where there are pits on account of heavy lorry traffic,
(d) The Chief Engineer inspected the road on 1-7-1967 and the answer to (c) above is based on the views expressed by him.
(e) 28.99 lakhs under repairs grant and Rs 7,57,479 under Plan. An amount of Rs 11.64 lakhs is yet to be paid to the contractors
(f) No, Sir.

Mr Speaker — Please give a summary of the Chief Engineer's report. If it is a question of reading the whole report, it will take one hour.

Shri K V Narayana Reddy — “If the black-topping work is done, the road will become all right. As the existing surface for this 18.5 miles yet to be black-topped is only water bound macadam and as the surface is not frequently blended as it should be, it appears as though the condition of the road is bad.

Mr Speaker — But you say it is very good

Shri K V Narayana Reddy — Except for these spots, Sir. Further, as the existing B T surface in M 176 to 179 was fair the soils being red soils, the improvement to the crust was proposed to be taken up later on when the surface starts deteriorating Otherwise, the whole road is " The report is very long, Su

Mr Speaker — There is no point in asking for the names of the contractors unless you are making some allegations against them for which you have sufficient basis or information.

Mr Speaker — Bad condition of the road may be due to several causes.

Shri K Govinda Rao — It may be this also.

Mr Speaker — Yes, if he has got definite information that it is due to the fraud committed by the contractor then ask for the name of the contractor and all that. Otherwise there is no point in asking for the names of the contractors.
Mr Speaker — There is no question of misappropriation of the sanctioned amount.

Sri P. Subbaya — The point is this. Sanctioned amount is there, misappropriation means misuse.

Mr Speaker — That thing happens only when there is collusion between the contractor and the concerned officer who supervises.

Sri P. Subbaya — Exactly so, that is my question. I have framed the question that way — whether there is any connivance of the Chief Engineer with the contractor. That is the important part of the question. So the question of names of the contractors will arise.

Sri K V Narayana Reddy — As far as the report goes, there is no such thing, there is no misappropriation.

Mr Speaker — Even if there is collusion or connivance do you think they will admit? (Laughter)
388  

28th February, 1968.  

Oral Answers to Questions.

Sri P. Subbayya.—But they have to be exposed, Su. Who are the contractors?

Su. Who are the contractors?

Sri P. Subbayya.—But they have to be exposed, Su. Who are the contractors?

Chief Engineer report details of work done so that we can form an opinion whether it is reasonable or unreasonable.

Sri K. V Narayana Reddy—Yes Sir.

RAILWAY LINE FROM BHADRACHALAM TO KAKINADA

1237—
whether this Government have any information regarding the stage of the proposal of laying a railway line from Bhadrachalam to Kakinada via Polavaram-Kovvuru to clear the Iron ore from Bailadilla Mines, as at present?

Sri K. V Narayana Reddy — The matter relates to Government of India. As ascertained from them, the answer is in the affirmative. The finalisation of the proposal by Government of India is pending. They have stated that as there is yet no firm plan for export of additional quantity of iron ore from Bailadilla area through a new outlet on the east coast, the question of opening a railway line between Bailadilla and Kakinada via Bhadrachalam remains to be settled.

Mr. Speaker — Is there any hope of that work being taken up by the Railway Board?

Sri K. V Narayana Reddy — The Railway Board have stated that they would accept a proposal on the subject after preliminary survey. The Chief Minister has also directed that preliminary survey should be taken up. Preliminary cum final location survey is...
ENHANCEMENT OF WATER RATES IN TWIN CITIES

1238—

* 1504 (1) Q.—Sri S Jagannadham (Narasannapeta)—Will the Hon Minister for Communications be pleased to state

(a) whether it is a fact that the Government is contemplating to raise the rate of water in twin cities, and

(b) if so, the reasons therefor?

Sri K V Narayana Reddy—(a) The rates have already been raised with effect from 1st August, 1967 and orders issued in G O Ms No 1166, P W D dt 28-7-1967

(b) The water rates had to be revised & raised with a view to improving the revenues of the water works system which had been running at a loss so far. Also, revision of rates was resorted to in order to have as far as possible a uniform rate of supply of water both for Hyderabad City Water Works and the Manjira Water Supply Scheme.

(b) Enhanced rate 1st August 1967:

- Enhanced rate 10c.

(b) Enhanced rate 1st August 1967:

- Enhanced rate 10c.

(b) Enhanced rate 1st August 1967:

- Enhanced rate 10c.

(b) Enhanced rate 1st August 1967:

- Enhanced rate 10c.

* Will the hon. Minister for Irrigation be pleased to state...

---

**WATER FROM TUNGABHADRA TO PENNAR RESERVOIR**

1239—

* 2696-(Y) Q –Sri R Mahananda (Darsi) –Will the hon. Minister for Irrigation be pleased to state.
393 28th February, 1968

(a) whether the Zilla Parishad, Nellore requested the Government on 1-9-1967 to release water from Tungabhadra to Nellore Pennar Reservoir to save the transplantations of paddy in Pennar Delta area, and

(b) what is the action taken by the Government?

The Minister for Irrigation (Sri S Sidda Reddy).—(a) No,

(b) Does not arise

EXPERT COMMITTEE FOR PREVENTION OF SUBMERSION

1240—

* 3124 Q.—Sri N Ganeswara Rao (Razole) —Will the hon. Minister for Irrigation be pleased to state

(a) whether any Expert Committee has been appointed regarding the prevention of submersion under drain water in Godavari Delta,

(b) if so, the particulars of the report submitted by them,

(c) the steps, so far taken by the Government to implement the said report, and

(d) whether a copy of the report will be placed on the Table of the House?

Sri S Sidda Reddy —(a) Yes, Sir

(b) The Committee has recommended the following schemes for implementation in Godavari Delta

1 Improvements to drains to their design standards in Godavari Delta Rs. 131 lakhs

2 Widening of Bccavole drain from M 12/3 to 14/2 Rs 10 lakhs

3 Construction of a regulator Combined with navigation lock across Coringa river Rs 12 lakhs

(c) Necessary action to implement the schemes will be taken as and when funds become available

(d) As soon as the report is printed, a copy will be supplied to the Assembly Secretariat Library

...

Sri C V K Rao — According to the question we have asked that a copy may be supplied to the members. Will the hon. Minister supply to the members soon after it is printed? He said he would place it in the library. It is better he supplies to the members.

Sri S Sidda Reddy — There was no question of supplying the answer to the members.

Sri C V K Rao — Sir, here it is. Whether a copy of the report will be placed on the Table of the House?

Sri S Sidda Reddy — I have already answered that, Sir.

Sri C. V. K. Rao — He said he would put it in the Secretariat Library.

AYACUT UNDER CHENNAIYARAYA SWAMIGUDI

1241—

1735 Q — Sri K Ramachandra Reddy (Nallamada) — Will the hon. Minister for Irrigation be pleased to state

(a) what is the total ayacut that is being cultivated under the Chennaiyarayawamigudi Project in Kadiri taluk of Anantapur district,

(b) what is the capacity of the Project, whether there is any surplus water in the Project,

(c) if so, whether the Government are contemplating to dig a channel from the Project to irrigate the lands in the villages of Ethodu, Panthulacheruvu, Tavalamarri, Mattamadugu and Chevitivari-palli, and

(d) if not, whether the Government will send a Team of Experts to examine the question of the utility of digging a channel from the Project to irrigate the lands in the above villages?

Sri S Sidda Reddy:—(a), (b), (c) and (d) A statement is laid on the Table of the House.

116—2
STATEMENT LAID ON THE TABLE OF THE HOUSE

["vide Answer to L A Q No. 1241 (1735)]

(a) The total ayacut cultivated under Chennanayyuswamigudi Project in Kadiri Taluk during Fasli 1376 is 855 12 acres.

(b) The useful capacity of the reservoir at F R L is 158 M Cft. There is no surplus water in the reservoir.

(c) Originally it was contemplated to serve the needs of the ayacut under villages Ethodu, Puthulacheruvu, Pallammarri, Mattamadugu and Chevittawarpalli. But this proposal was dropped subsequently, after considering the proposal thrice, due to heavy cost involved in deep cutting and also, as there were objections from the ayacutdars of spring channels lying in the down stream of the proposed anicut.

(b) There is no scope for meeting the irrigation needs of the villages under reference and as such there is no need to send a team of experts to investigate the scheme, once again.

1242—

* 1505 Q—Sri C. Janga Reddy (Parakal)—Will the hon. Minister for Irrigation be pleased to state

(a) whether it is a fact that breaches had occurred to Peddacheruvu at Metlapalli in Parkal taluk, Warangal district during June, 1966 and June, 1967.
Oral Answers to Questions 23rd February, 1968. 395

(b) if so, the steps taken by the Government to repair the said breaches, and

(c) if not, the reasons therefor?

Sri S Sudda Reddy —(a) Yes, Sir. In June 1966 only

(b) A strong ring bund was laid and the irrigation was safeguarded.

(c) Does not arise.

Survey for underground water at Jaggayyapeta

1243—

4059 Q — Sri R. Buchiram Seshaiah Sresti (Jaggayyapeta).—Will the hon. Minister for Planning and Law be pleased to state

(a) whether the survey for underground water has been conducted in Jaggayyapeta and Nandigama taluks, Krishna district,

(b) if so the results of that survey, and

(c) if not, whether there is any proposal with the Government to conduct the survey soon?

Sri K V. Narayana Reddy — Ground water survey has been carried out by the Geological Survey of the Government of India, Southern Region, Hyderabad in an area of 205 sq Kilometres between the Moneiu and Wyra river in Nandigama taluk. No survey has been carried out in Jaggayyapeta taluk so far.

(b) The Survey in Nandigama taluk has revealed that the area examined is occupied by alluvial deposits and underlain by Archana rocks. It has also revealed that there are possibilities of developing ground-water by sinking large number of shallow filter points and dug wells in the flood plains of Munguru and Wyra Rivers down to depth of about 10 to 12 metres below ground level.
(c) Ground water survey in Jaggayapat will be taken up by the Geological Survey of India during the current field season.

2. Kaimnagar, Vizag, Zahurabad, Medak etc

OVER BRIDGE NEAR NELLORE SOUTH STATION

1481-(Q) Q — Shri A. Madhava Rao — Will the hon. Minister for Communications be pleased to state

(a) whether the Government propose to construct an over bridge or underground bridge near Nellore South Station,

(b) whether it is a fact that the Government once approved the scheme to lay such underground bridge and estimates also have been prepared,
Oral Answers to Questions—28th February, 1968

(c) whether it is also a fact that the Railway agreed for the contribution of their share of expenditure in the event of the provincial Government bearing their share of expenditure, and

(d) if so, the reasons for not giving effect to it?

Sri K. V. Narayan Reddy—(a) Yes, Sir, The proposal is to construct a sub-way (under bridge)

(b) No, Sir

(c) Yes, Sir, Railway authorities have agreed to meet the cost of construction of the Railway line etc. over the sub-way provided the sub-way is in lieu of the existing level crossing. As the sub-way is situated in Municipal area, the Nellore Municipality agreed to meet the entire cost of construction of approaches. The question of the State Government bearing their share does not therefore arise.

(d) The Nellore Municipality has yet to decide about the site at which the underbridge is to be constructed.

Sri K. V. Narayan Reddy—(a) Yes, Sir, The proposal is to construct a sub-way (under bridge)

(b) No, Sir

(c) Yes, Sir, Railway authorities have agreed to meet the cost of construction of the Railway line etc. over the sub-way provided the sub-way is in lieu of the existing level crossing. As the sub-way is situated in Municipal area, the Nellore Municipality agreed to meet the entire cost of construction of approaches. The question of the State Government bearing their share does not therefore arise.

(d) The Nellore Municipality has yet to decide about the site at which the underbridge is to be constructed.

Sri K. V. Narayan Reddy—(a) Yes, Sir, The proposal is to construct a sub-way (under bridge)

(b) No, Sir

(c) Yes, Sir, Railway authorities have agreed to meet the cost of construction of the Railway line etc. over the sub-way provided the sub-way is in lieu of the existing level crossing. As the sub-way is situated in Municipal area, the Nellore Municipality agreed to meet the entire cost of construction of approaches. The question of the State Government bearing their share does not therefore arise.

(d) The Nellore Municipality has yet to decide about the site at which the underbridge is to be constructed.
(b) whether it is a fact that the compensation to the land holders, whose land has been acquired for the construction of a road from Nagarkurnool to Kollapur in the year 1956 has not been paid yet, and

(b) If so, what are the reasons for the non-payment of compensation?

Sri K V Nallayana Reddy — (a) No, Sir. Out of 16 villages involved in the Land Acquisition, compensation has been paid in respect of land acquired in 10 villages. Compensation has to be paid in regard to the land acquired in the remaining six villages.

(b) A statement is placed on the Table of the House
STATEMENT PLACED ON THE TABLE OF THE HOUSE
(Vide answer to Clause (b) of L. A Q-No 1245 (*1486-L)
Names of Villages and Taluks in respect of which award enquiry has been completed and compensation not paid yet (Pertam to Nagarkurnool to Kollapur Road).

- 5-6-1967 — *Itkyal* — During the course of enquiry and scrutiny of Sub-Division Record, it was found that accurate areas covered by the road in respect of certain lands are not clear. Hence the Collector (Land Revenue) Mahboobnagar, has been addressed to send a revised Sub-Division Record in respect of these lands. Recently the revised sub-division record of Deshi Itkyal village has been received by the Land Acquisition Officer. But award could not be passed since revised budget provisions awaited. After the Budget for 1968-69 is voted by the Legislature, the compensation will be paid meeting the amount from the budget provision.

---

- do — 5 & 6 *Pedda Kothapalli* and
- do — *Ankupalli* — Mazi S Nos were included in the requisition and published in the Gazette. Later on corresponding new S Nos have been obtained from
the Land Record Assistant, Mahboobnagar, and an errata has been issued to that effect in the year 1966. Now a question has arisen whether the P V Statements are to be prepared afresh with reference to new S Nos or the rate approved to Mazi S Nos is to be taken into consideration. A clarification in this regard has been sought for from the Collector, Mahboobnagar, by the Revenue Divisional Officer in his office Letter dt 8-8-1964. At present award enquiry has to be conducted again with reference to new field numbers. However, award in respect of those villages will be passed soon after receipt of revised budget provision for 1968-69 after the budget is voted by Legislature.
Oral Answers to Questions 28th February, 1968

(a) whether any proposal is under consideration of the Government to construct a dam to Janjavathi river near Kotipam, Parvathi puram Taluk, Srikakulam District, and
(b) whether steps will be taken at least now to investigate and take up the said scheme in view of the fact that water can be supplied for double crop in many villages under the same?

Sri S. Sud'a Reddy — (a) No, Sir

(b) The investigation for a dam near Kotipam village cannot be taken up now, as it is proposed to take up the investigation for a dam or an anicut near Rayalakshimpuram, just one mile upstream of Kotipam village.

Sri G. Suryanarayana (Payakaraopet) — Will the hon. Minister for Irrigation be pleased to state

(a) whether the Government propose to construct a cross-bund to Thellagedda at Bellanapeta in Vijayanagaram taluk, Vizag District, and

(b) if so, the estimated amount of expenditure therefor and

(c) the condition of the said bund at present?

Sri S. Sidda Reddy — (a) The hon. Member is presumably referring to Kellagedda "But not Thellagedda." If so, the answer is in the affirmative. However, the scheme can be taken on hand only when sufficient funds are available

(b) Rs 70,000

(c) At present the ryots are diverting water from the Godda by forming Sand Poonu every year at the proposed site.

Cross-bund to Thellagedda

1247

2122 Q. — Sri G. Suryanarayana (Payakaraopet) — Will the hon. Minister for Irrigation be pleased to state

(a) whether the Government propose to construct a cross-bund to Thellagedda at Bellanapeta in Vijayanagaram taluk, Vizag District, and

(b) if so, the estimated amount of expenditure therefor and

(c) the condition of the said bund at present?

Sri S. Sidda Reddy — (a) The hon. Member is presumably referring to Kellagedda "But not Thellagedda." If so, the answer is in the affirmative. However, the scheme can be taken on hand only when sufficient funds are available

(b) Rs 70,000

(c) At present the ryots are diverting water from the Godda by forming Sand Poonu every year at the proposed site.
Oral Answers to Questions. 28th February 1968

248—

*2159 Q—Sri K. Easwara Reddy (Pathikonda) — Will the Hon. Minister for Irrigation be pleased to state

(a) the reason for not taking steps to implement the lift irrigation scheme on both sides of Handri river in Pathikonda taluk, and

(b) whether steps will be taken to investigate this lift irrigation scheme which is highly beneficial?

Sri S Sidda Reddy — (a) The whole of Pathikonda taluk forms part of the catchment area of Gajuladme Project. Any proposal of interception on Handri river or its tributaries in Pathikonda taluk will be affecting the proposed Gajuladme Project. Hence no lift irrigation schemes were investigated

(b) Yes, Sir

2186 Q—Sarvasri T. Chittinadu (Paderu) and Ch. Mallikarjuna (Yellavaram) — Will the Hon. Minister for Irrigation be pleased to state

(a) the number and names of minor irrigation works completed in Yellavaram and Chodavaram taluks of East Godavari District,

(b) the number and names of them nearing completion, and

(c) the number and names of those for which estimates have been prepared and pending execution?

Sri S Sidda Reddy — (a), (b) and (c) A statement is laid on the Table of the House.
STATEMENT PLACED ON THE TABLE OF THE HOUSE

(Te Vide Answer to L A Q No 1249 (2186))

(a) The number and names of minor irrigation works completed in Yellavaram and Chodavaram taluks of East Godavari District

YELLAVARAM TALUK
1. Construction of an anicut across Malakondamma vagu near Vonkala
2. Construction of reservoir across Kolagedda gummalva near Kondal gamparthi village
3. Construction of an anicut across Palavagu to provide irrigation facilities to Aminabad colony

RAMPACHODAVARAM TALUK
1. Construction of an anicut across Nimmanacalva near Gadda village
2. Restoration of breached tank of Lingavaram village
3. Construction of an anicut across Buradacalva to feed Naasamhumi tank of Rampa Yerrapalem village
4. Construction of an anicut across Murikidara calva near Tadivada village
5. Construction of an anicut across a hill stream to provide irrigation facilities to Gujavamidivalasa colony lands
6. Improvements to Ramabhupathi Tank Scheme

(b) The number and names of them nearing completion

YELLAVARAM TALUK
1. Construction of an anicut across Kondapalli vagu near Kondapalli village
2. Formation of a reservoir across Mangalagedda near Singampalli village
3. Construction of an anicut across Maderu near Singampalli village
4. Construction of a reservoir across Vottigedda near Raja-vommanguri village

RAMPACHODAVARAM TALUK
1. Construction of an anicut across Peda calva near Bheecampalli village
2. Construction of a reservoir across Utlala calva near Utlala village
3. Formation of a reservoir across Pedagandi calva near Narsapuram village
4. Formation of a tank across Deeyalagummi calva near Drisimapalli village
5. Formation of a tank across Utlala calva near Separlapalli village

(c) The number and names of those for which estimates have been prepared and pending execution.
YELLAVARAM TALUK

1. Forming a new tank across a hill stream near Vokurthi
2. Construction of an anicut across Pala Calva near Zaddangi village

RAMPACHODAVARAM TALUK

1. Formation of a reservoir across a hill stream near Ginnepalli village
2. Construction of an across Inukonda calva near Lothupalem village

DIVERSION OF HYDERABAD-VIJAYAWADA ROAD

1250—

(a) whether there is any proposal with the Government to divert the Hyderabad-Vijayawada National Highway, which is passing through the heart of Suryapet town, to the outskirts of the said town, on account of the frequent accidents occurring to the public of the said town due to heavy traffic (cars and lorries) on the said highway,

(b) whether it is a fact that a scheme for constructing a separate highway outside the town has been sanctioned,

(c) if so, the reasons why it has not been implemented so far, and

(d) whether it will be implemented immediately?

Sri K V Narayan Reddy — (a) Yes, Sir,
(b) Yes, Sir,
(c) The approval of Government of India to the draft IV Plan in which this scheme has been included is awaited,
(d) Yes Sir, after the approval of the Government of India to the Draft IV Plan Proposals which is awaited, is received.
29th February, 1951.

Oral Answers to Question

1505-(H) Q—Sri R Satyanarayana Raju—Will the hon. Minister for Communications be pleased to state

(a) the amount of expenditure originally estimated for the construction of a bridge over a canal in Narsipur, West Godavari district,

(b) how many times the said estimate has been revised,

(c) the amount of the revised estimate, and

(d) the stage at which the construction of the said bridge stands at present?

Sri K. V Narayan Reddy—(a) Rs 3.00 lakhs

(b) The revised estimate for the first time is under preparation.

(c) About Rs 8 lakhs

(d) The main bridge work including land spans on either side has been completed in all respects. Formation and metalling of approaches on Narasapur Prakulanka road has been completed. Formation of approaches on Narasapur Bhimavaram road is very nearly completed.

Revised estimate: Rs 3,87,321

Approach work: Rs 3,7,221

Bridge construction: Rs 3,62,101
REMoval OF Silt FROM Mopadu Project

1252 —
2350 Q.—Sri G Subbanaidu —Will the hon Minister for Irrigation be pleased to state
(a) whether the Government have sanctioned the silt removal from irrigation channels of Mopadu Project in Nellore District,
(b) if so, the estimated amount, and
(c) when the work will be taken up?

Sri S Siddha Reddy —(a) An estimate for clearing silt in the reach between Mile 11/0 to 15/44561 of Mopadu Main channel was sanctioned
(b) Rs 11,500/-
(c) The work was already taken up and completed

REPAIRS TO TANKS IN Koraputti DistriCt OF ORISSA STATE

1253 —
2709 Q.—Sri P Gunnayya (Pathapatnam) —Will the hon Minister for Irrigation be pleased to state,
(a) whether the State Government propose to consult the Orissa Government and report the tanks and minor irrigation sources situated in Koraputti district of Orissa State by which lands in Pathapatnam taluk, Srikakulam District are being irrigated,
(b) whether the said funds have been expended during 1967-68, and
(c) if so the expenditure incurred thereon?

Sri S. Sidda Reddy -- (b) There are no sources of Loiaputhi district of Orissa State under which lands in Pahapanthu village of Srikakulam district are irrigated. Hence the question of consulting the Orissa Government does not arise.

(b) Do not arise.

(c) No.
AYACUT UNDER RAJUBANGARUPALEM CHANNEL

1254—

214 Q—Shri G. Vankat Reddy (Penchu) —Will the hon Minister for irrig. be pleased to state:

(a) the proposed ayacut under Rajubangarupalem Channel Scheme in Guntur district,

(b) the land which came under that ayacut so far, and

(c) if not the reasons for the same?

Shri S. Sidda Reddy.—(a) 2169 99 acres.

(b) Same

(c) Does not arise.

Shri C. V. K. Rao—The hon Minister gave some figures—2,169 99 or something like that I am not able to make out. Is it acres?

Shri S. Sidda Reddy—Acres

Shri C. V. K. Rao—He should have said it.

Sri S. Sidda Reddy—The ayacut is 2,169 99. How many acres is it?
**LIFT IRRIGATION SCHEMES IN NELLORE DISTRICT**

1255—

* 3092 Q.—Sri S. Vemayya —Will the hon. Minister for Irrigation be pleased to state

(a) names of lift irrigation schemes investigated so far in the Nellore district,

(b) names of the schemes taken up already for execution, and

(c) names of the schemes that will be completed in the current year?

Sri S. Sidda Reddy —(a), (b), & (c) — A statement is laid on the Table of the House

28th February, 1967

Mr. S. G. Satyamayya, Rao (Yellandu) — Will the hon. Minister for Communications be pleased to state

(a) whether there is any proposal under consideration of Government to construct Bayyaram Canal Bridge in Yellandu taluk, Khammam district,

(b) whether it is a fact that two students have died last year while crossing the canal, and also cultivators are not in a position to do their agricultural operations.

(c) whether it is a fact that Sri G. Satyamayya Rao, M.L.A., has given a representation for the same to the Minister for Communications during the Session in April, 1967, and

(d) if so, the action taken thereon?

The Minister for Panchayat Raj (Sri T. Ramaswamy) — (a) No, Sir,

(b) There is no information about the death of the students, either with the Zilla Parishad or with the Panchayat Samithi.

(c) Yes, Sir

(d) Reports have been called for from the Chief Engineer, (Roads & Buildings), Chief Engineer, (Minor Irrigation and General) and Secretary, Zilla Parishad, Khammam. The Chief Engineer, (Minor Irrigation and General) has reported that there is no canal by name Bayaram Canal. The canal is not crossing any Government road near Kothapeta village. It is presumed that the construction of a bridge is across the surplus course of large Tank Bayyaram which flows in between the villages of Kothapeta and Kothagudda. At present, there is no proposal either by the Panchayat Samithi or the Zilla Parishad for construction of the bridge, due to paucity of funds.

Availability of funds.
1257—

(a) Whether the projection for 1967-68 has been made for the irrigation of the C.G.?

(b) When the estimate for the same has been submitted?

(c) The step was not taken to reduce at the same time?

Sri S. Sidi Reddy—(a) Yes.

(b) and (c) — Will the 2.20 [likely a typo] be prepared for the said project?

As soon as possible, the necessary steps will be taken for the said project.

1258—

(a) the work is done in the 2nd stage of the 1st year of the Project in Badu and, C.G. which was in progress?

(b) whether the said work will take place this year?

Sri S. Sidi Reddy—(a) 'The work on the said Project was temporarily suspended from 1.4.67 due to the non-availability of funds. It was scheduled to be taken up and completed, but the sanction had not been released till that time. After the sanction, the work was progressed.'

(b) Yes, the work will be taken up and completed from 1.4.67.

M.P.R. Project

1259—

(a) Will the irrigation facilities in Sukna Palm Village be completed in the near future?

(b) Whether the irrigation facilities are expected to be ready by the next season?

(c) the required deficit in completing the same.

(d) if so, when it will be completed?

Sri S. Sidi Reddy—(a) Yes.

(b) a temporary pipe was sanctioned in 1947-48 for providing irrigation facilities to an extent of 135 acres with an inflow of 97 E.S. during 1947-48. Subsequently, it was extended to 10 acres of land at a cost of Rs. 6.144 to provide the full irrigation facilities.

(c) A proposal of 3.75 acres, costing Rs. 3.75, is under consideration with the Collector, East Godavari District, for the completion of the said works.

(d) It cannot be said that the work will be taken up and completed, since it is still under examination between the C.G. (I) and the Collector, East Godavari District.
1260—

3768 Q. S11 P Subbaiah — Will the hon Minister for
Irrigation be pleased to state
(a) whether the Government has sanctioned the cement lining
of the canals under Chippana tank, and
(b) if so, whether the scheme going to be implemented?

S11 S Sidda Reddy — (a) No, Sir
(b) The scheme for the restoration of Cumbum tank will be
considered subject to availability of funds after the scheme is
sanctioned

— cement lining of the canals under Chippama tank

— Restoration and remodelling of channels 18

S11 S Sidda Reddy — The total cost of the scheme works out
to Rs 3.38 lakhs on works and Rs 3.84 lakhs including direct and
indirect charges. The Chief Engineer, Minor Irrigation, has
submitted an estimate through the Board of Revenue for
according administrative approval of Government. The estimate is now pending
with the Board of Revenue. The renewal of the estimate and financial aspects of the scheme,
action will be taken to accord administrative approval of the scheme.

— expedite
Adjournment Motion

28th February, 1968

re Alleged raids on communist sympathisers in Khammam Dist.

I hereby give notice of my intention to ask for leave to move a motion for the adjournment of the business of the Assembly under Rule 63 of the Andhra Pradesh Legislative Assembly Rules for the purpose of discussing a definite matter of urgent public importance namely

On 23-2-1968, the landlords of M Venkatayapalem of Khammam Taluk raided on communists and communist sympathisers. They carried the local leaders, Sri E Mallaya and Sri G. Gopal
to a separate place and belaboured them heavily. Sreemathi Annama, the wife of Parchuri Krishnamurthy was beaten so badly that one of her legs is fractured. They are all admitted in Khamman hospital.

The situation is very grave and therefore a definite matter of urgent public importance.

Mr. Speaker — What have you got to say about this, Mr. Nagireddy?

I do believe that this is a very serious matter and these things continue to happen in the manner in which I had enumerated them in my speech during the general discussion and further the incidents took place almost at the time when we were discussing the general budget. This is a very serious matter of public importance and therefore I would like this matter to be taken up seriously in this House especially the happenings in Khamman District and more particularly in Khamman taluk which have been taking place continuously for the past one year and more.
Adjournment Motion  
28th February 1968  419

re  All ged raids on Com munis’ sympathisers in Khammam District

Sirs, my submission to you is, these small incidents that may arise here and there cannot form, by any stretch of imagination, subject matters for discussion and adjournment motion. I can understand and appreciate hon members giving notice and your being kind enough to agree for discussion under Rule 64 and things like that, but small small incidents either due to political differences or due to factional differences we should not unnecessarily highlight them here by an adjournment motion and if what he says is true that itself cuts at the root of the adjournment motion.

These are all serious incidents that are taking place.

I have got a series of incidents taking place in other places also in the same manner. Serious incident happened some time and the whole press featured ‘‘Left Communists are out to do certain things ’’ Probably, I would like to give another adjournment motion tomorrow just to highlight the fact that there are certain incidents which are taking place continuously day after day, and what is to be done? If each one of these small incidents accumulate, they will certainly create a big incident and I would like to ask the Chief Minister how are these incidents to be tackled and what is the forum in which he want them to be tackled and what suggestion he can give me as to how these things can be brought to the notice of the public and the Government. Whenever such incidents occur, if they are brought to the notice of the Government separately through letters I know nothing can happen, because instances of such happenings have been brought out through public statements and through adjournment motions for the last two or three years, and we have been seeing the results of all these things.

There is another incident and I would like to ask you Do you want me to bring an adjournment motion tomorrow morning or if you don’t want me to bring it here, what else do you want me to do in the face of accusations, both false and very destructive and with a very purposeful motive that is now taking place in the whole of Andhra Pradesh so far as Left Communists are concerned. In particular, so far as our activities in Nalgonda, Khammam, Warangal, Parvathipuram are concerned, every one of these incidents have something to do with what is happening in other places. How do you want me to focus this problem to the public and to the Chief Minister in particular I do not understand?

Mr Speaker — The Chief Minister is not questioning your right to give a notice under Rule 63 for adjournment of the business of the House or anything like that. The only thing is he feels that...

Adjournment Motion

Re: Alleged riots by Communists in Khammam District

This may not be a proper matter under Rule 63. It can perhaps be brought under Rule 74, that is what he says. If you feel injustice has been done or police has been resorting to excesses, then you can certainly bring it to the notice of the Government under Rule 74, that is what he is saying. Nobody questions your right to give a notice since you had given a notice under Rule 63, I wanted to hear you and the Chief Minister before deciding it.

Sri T Nagi Reddy —I too as a member of the House agree that this on its own cannot form an adjournment. I agree fully with the Chief Minister, but I am only thinking in terms of the background and in terms of the things that are going to happen. After all, we have been hearing in this House from various members—

Mr Speaker —Tomorrow I will announce my decision.

Sri K. Brahmananda Reddy —But prior to that I may say, I am very glad that he concedes that it cannot be an adjournment motion, quite true and obvious. Further, Sir, as I have submitted earlier, there are some small incidents either, as I said, on account of political differences—

Mr Speaker —Not a political party or anything, but you mean in general.

Sri T Nagi Reddy —He has also in mind Congress.

Sri K. Brahmananda Reddy —My submission is, if it is an attempt to highlight a fact saying that the Left Communist Party is an aggrieved Party, I am not prepared to concede.

Sri T Nagi Reddy —It is so. That is, I want some forum for me to express and for the Chief Minister to hear and for him also to understand and for the House also to fully be faced with the facts. Therefore, I have been demanding innumerable number of times that at least let us discuss this particular problem separately in this House. I would very much like, Sir, that a separate discussion of Left Communist Party be held in this House so that we will know the truth. Instead of making all kinds of accusations galore, let us have a serious discussion.

Sri K. Brahmananda Reddy —I am not a competent person to go into the ideology or otherwise of the Left Communist Party and their polemics. (Interjection by Sri T. Nagi Reddy) My Point is, each case wherever it happens, must be enquired into and judged on its merits, and action taken on its merits.

Sri T Nagi Reddy —Exactly, that is way, I would like to have a discussion here on the series of incidents that were taking place. Why does not the Chief Minister?

Mr Speaker —There are number of occasions when you can raise the subject e.g., during discussion of Police Demand while referring to law and order...
If I refer to this during Police Demand, and certain other important features, I would not be able to deal with. What is the use of taking it up in Police Demand only to highlight one portion of it to the exclusion of others?

Mr Speaker — If necessary, we will consider some more time to be allotted for this purpose.

BUSINESS OF THE HOUSE

Mr Speaker — Now, there are three matters under Rule 74.

First Sri K. Munuswamy —

Sri C V K Rao rose —

Mr Speaker — Every day you have got some doubt.

Sri C V K Rao — As long as I am here, something will be there (LAUGHTER). Our hon. Chief Minister had flown to Delhi and I think he discussed with the Central leaders issues like language on which something was passed here. At the same time, we read in the papers that he discussed the issues with them. We would like to know whether he could enlighten us about it. He has taken the opinions of this House to the Central Leaders. It is a burning issue and after we leave the House, we have got to explain to the people. I seek your assistance in the matter.

Sri K. Brahmananda Reddy — When this Assembly passes a resolution, it is my duty to effectively advocate its acceptance and let us see further processes. There are leaders in this country and parties in this country. This must be further pursued and a consensus arrived at.

Sri G. Siviah — To what extent the process has come?

Sri K. Brahmananda Reddy — It has made a good beginning and a good beginning naturally will have a good end.

Mr Speaker — Yes, it still will have to gain momentum.

Sri K. Brahmananda Reddy — As I submitted in the Legislative Council yesterday, in this connection, I saw the Prime Minister and the Deputy Prime Minister, in particular, and I pleaded with them the injustice that will cause to the development of Andhra Pradesh if a cut of that proportion is made and I am hopeful, Sir, that they will take a helpful attitude.
Mr Speaker — Why don’t you give some notice, under Rule 74 or something like that, so that I can call upon the concerned Minister to make a statement.

Mr Speaker — Please give notice so that I can call upon him.

Mr Speaker — Why don’t you give some notice, under Rule 74 or something like that, so that I can call upon the concerned Minister to make a statement.

Mr Speaker — Please give notice so that I can call upon him.

Mr Speaker — Why don’t you give some notice, under Rule 74 or something like that, so that I can call upon the concerned Minister to make a statement.

Mr Speaker — Please give notice so that I can call upon him.

I would like to know what research is being done there and what advice has been given and why this special concession for registration fees has been given and where is the necessity for it. I don’t know whether this Irrigation Specialist should be brought here and given concessions. I do not know why this Irrigation Specialist should be brought here and given concessions. I do not know why this Irrigation Specialist should be brought here and given concessions.
Calling attention to a matter of urgent 28th February, 1968.

Re: Sanction of two lakhs of rupees for the construction of a dam to Pamlakalva in Satyavedu taluk and the reported suspension of the scheme on representation by some persons.

Sir, K. Brahma Vanda Reddy - Two days ago, I brought the file to answer. When I was not called, I could not get an opportunity and I did not want to seize an opportunity. However, as he his mentioned it, I will get the file and answer it.

Sanction of Two Lakhs of Rupees for the Construction of a Dam to Pamlakalva in Satyavedu Taluk and the Reported Suspension of the Scheme on Representation by Some Persons.

Minister rsvd to reply to the objection raised by the Chief Minister, so that he may take necessary action.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

Sanction of Two Lakhs of Rupees for the Construction of a Dam to Pamlakalva in Satyavedu Taluk and the Reported Suspension of the Scheme on Representation by Some Persons.
Calling attention to a matter of urgent public importance

re Panduvagandi reservoir

Sri S Siddha Reddy — The scheme for the construction of an allcut across Pamulakalvam Satyavedu taluk Chittoor District, was technically sanctioned for Rs 1.85 lakhs for irrigating an extent of 266 acres of new allcut besides stabilising supplies in an extent of 714 acres of existing allcut. The site is situated 1 ½ miles north of Kadoru village and two miles south east of Kalathur village in Satyavedu taluk. The work was entrusted to one P Krishna Reddy of Kalathur village, a nominee recommended by the Panchayat Samithi Satyavedu, during September 1965. The contractor has carried out very little work. In spite of the notice issued by the inspecting officers, the progress shown by the contractor was slow. Besides, due to changes contemplated in the technical details which might take some time for finalisation, the Superintending Engineer, Nellore sub-division, was instructed by the Chief Engineer to close the contract of the contractor and to have his accounts finalised. The accounts of the contractor were finalised and a revised estimate is being prepared by the Superintending Engineer. Pending finalisation of the revised estimate of the scheme, the Government ordered in August 1967 to stop execution of further work on the scheme. A petition was also received from one C Venkata Subba Naidu of Mamallapadu, Satyavedu taluk of Chittoor District, alleging that there was already a dam near Kalathur across Pamulakalva for serving the irrigation needs of that village and that the construction of another dam across Pamulakalva to serve the needs of the same village was unnecessary. This point will also be taken into consideration before the revised estimate is finalised.

re Panduvagandi Reservoir
Calling attention to a matter of urgent public importance:

7a. PanduvaGandi reservoir
Pandavagandi reservoir in Kanigiri taluk, Nellore district was formed in 1956-57 to irrigate 1128 acres of irrigated dry and to stabilise 305 acres of wet under Konkanampadu tank. In the year 1958 the rough stone surplus weir of the reservoir breached and consequently a regulator with 9 vents was constructed to discharge 11,850 cusecs of water. Subsequently the remaining portion of the weir was converted into a narrow crisscrossed weir to dispose of a total flood discharge of 23,200 cusecs of water through the regulator and the weir. The regulator was provided with teak-wood shutters of two tiers, the bottom shutter being 5.5 ft in height and the top one 4.5 ft. Leakage of water was found in between the two tiers of the shutters and also at the sides of the shutters. In order to keep the storage of water intact, rubber seals were got fixed to arrest the leakage of water through the two tiers of the shutters to the regulator. As leakage was not arrested, the rubber seals were relit in 1965. It was also found not effective. However, to make use of the leakage water through the shutters of the regulators, a diversion channel to Konkanampadu main channel was excavated. This tank to which leakage water was diverted feeds the nayacut under Pandavagandi reservoir. Hence the leakage water is neither being wasted nor is being diverted to any other tank. The storage in the Pandavagandi reservoir is not affected by the leakage of water through the shutters of the regulator as the supplies from the reservoir to Konkanampadu main channel are regulated taking into account the quantity of leakage water diverted into the channel.

In order to take up repairs to keep the storage water in the reservoir, the General Superintending, P.W.D. Workshops, Seethanagaram had deputed a Foreman to the site and certain field data necessary for suggesting remedial measures to arrest the leakage of water was collected by the foreman in December 1967. Necessary action will be taken as soon as remeal measures are finalised by the General Superintement, P.W.D. Workshops, Seethanagaram.
Call attention to a matter of urgent public importance

No payment of salaries to the staff working at the sub-jail, Palamaner

Sri M. Ibrahim Ali — Sub, the Judicial Second Class Magistrate, Palamaner, Chittoor District, is also the Superintendent of the sub-jail at Palamaner. According to the information received from the Superintendent of the sub-jail, the pay of the Water Carrier and the Scavenger of the Palamaner Sub-jail was paid up to the month of November, 1967. Thus the arrears of pay for the months of December, 1967 and January, 1968 alone are due to be paid to them.

The reason for this delay of two months in the payment is that the Budget allotment under the head “C-Sub Jails” is distributed districtwise to the Additional District and Sessions Judges of the Districts concerned. The District and Sessions Judges are the Controlling Officers of the sub-jails in their districts and distribute the allotted funds among the sub-jails in their districts as per the requirements of the sub-jails.

The Water Carriers and Scavengers in the sub-jails are not regular government employees. They are casual employees borne on contingent establishment. Their pay and DA are not included in the item relating to the “Pay for Establishment” and “Allowances” but are paid from the “Medical and Sanitary Charges” and “Dearness allowances to menials.”

The Superintendent of the Sub-jail, Palamaner, has reported that the funds provided for the Palamaner sub-jail were insufficient and hence the pay for the last two months could not be paid to the Water Carrier and the Scavenger. The shortfall was due to the paucity of funds and the general cut imposed on expenditure.
After the receipt of the final revised estimates for the year 1967-68, the Inspector General of Prisons has already issued orders releasing additional funds on 24-2-1968 vide his letter No A1/553/67. Under these revised estimates, additional amounts to the extent of—

Rs 250/- for Medical and Sanitation Charges, and
Rs 400/- for D A to Menials,

have already been provided to the Additional District and Sessions Judge, Chittoor, for exclusive allotment to Palamaner sub-division.

It is hoped that the Pay and D A to the Water Carrier and Scavenger will be paid shortly

(Mr. Deputy Speaker in the Chair)

PAPERS LAID ON THE TABLE

ADMINISTRATION REPORT OF THE ANDHRA PRADESH STATE ELECTRICITY BOARD FOR 1966-67

Mr. V. B. Raju — Sir, On behalf of the Chief Minister I beg to lay on the Table under sub-section (1) of section 75 of the Electricity (Supply) Act, 1948 (Central Act 54 of 1948) read with the Electricity (Supply) Amendment Act 1966 (No 30 of 1966), a copy of the Administrative Report of the Andhra Pradesh Electricity Board for the year 1966-67.

Mr. Deputy Speaker — Papers laid on the Table

"The Board shall before such date and in such form as may be prescribed submit to the State Government an annual report containing such matter as may be prescribed, and the State Government shall cause such report to be published in the official gazette and without prejudice to the provisions of sub-section (1), the Board shall as soon as may be after the end of each financial year prepare and submit to the State Government in such form as may be prescribed a report giving an account of its activities during the previous financial year and the report shall also give an account of the activities, if any, which are likely to be undertaken by the Board in the next financial year and the State Government shall cause every such report to be laid before the State Legislature as soon as may be after its receipt by the State Government."
Mr Deputy Speaker — This is not the first time

Sri V B Raju — Sir, it is said 'as soon as'

Mr Deputy Speaker — There should be no delay and the Government should ask the department to submit in time

Sri V B Raju — There has been a tremendous improvement.

Sir

Mr Deputy Speaker — That does not mean that the delay can be short

Sri V B Raju — I am not justifying the delay, Sir

Mr Deputy Speaker — That means, if there is a tremendous improvement, the delay of the present six months will become 3 months next time. You must ask the Department to come in time as per rules

Sri V B Raju — Where actually the delay has been caused we will find out and we will see that no delay will be there in future

Sri Vavilala Gopalakrishnayya — I am raising a point of order. Sir, it cannot be taken as placed on the Table of the House as soon as. It cannot be taken as placed on the Table of the House. Where actually the delay has been caused we will find out and we will see that no delay will be there in future. I am raising a point of order. It cannot be said that it is out of order.

Sri Vavilala Gopalakrishnayya — It is out of order.
Sri V B Raju — It has to be placed on the Table of the House under a statutory obligation and it is placed on the Table. The only question is that certain amount of delay has occurred which is incidental. Placing on the Table is a statutory obligation.

Sri Vavilala Gopalakrishnanah — It is not, it is violation of the Rules, Sir.

Sri C V K Rao — Better late than never.

Sri V B Raju — That is a very good statement, Sir, which the hon member has said. We will find out why the delay has been caused inspite of the Assembly desiring that it should be placed on the Table of the House as per the obligation and at what stage we will find out. The point has been raised and it will be enquired into.

Sri V B Raju — The House takes note that there has been an improvement.

Sri Vavilala Gopalakrishnanah — No, it cannot be an improvement.

Mr Deputy Speaker — It is clear that there is some delay on the part of the Administration.

He is not serious about it.

Sri Vavilala Gopalakrishnanah — If the Ministers are not serious, let the members be serious, Sir.

Sri V B Raju — He has raised the point just now and I will find out, I said.

Mr Deputy Speaker — The Minister says that he will find out.

Sri V B Raju — It has got to be checked at various levels — Secretariat level, Legislature Secretariat level. Even the Legislature Secretariat is a watch dog of the interests of the House, Sir.

Mr Deputy Speaker — The reason for the delay has not so far been found out. We will find out.
Sri V B Raju — I will find out the cause now, Sir.

Sr' V B Raju,—As I said it has got to be checked at various levels.

Electricity Board has supplied 450 copies of 15-12-1967 and the balance on 20-12-1967.

Sri V B Raju — There may be some difficulty in printing and 101 other things are there, by the time it comes from that point to this point We will find out.

Mr Deputy Speaker — Though Government improved, that improvement is not satisfactory. It should come within the time as per the rules. There should be no such delay in future.

Final ruling given. Please give a warning.

Mr Deputy Speaker — Such delays should not happen. Otherwise we shall not accept them.

Sri P Subbaya — If it is not a ruling, directions have been given and they have been violated. It has no force.

Mr Deputy Speaker — Next time we will give a ruling. Today a direction is enough.

Sri P Subbaiah — So we shall take it for granted that this is almost a ruling. Can it be so, Sir?
Mr Deputy Speaker — I said that it is a direction. Next time, we shall make it a ruling.

ANNUAL FINANCIAL STATEMENT (BUDGET) FOR 1968-69

VOTING OF DEMANDS FOR GRANTS

DEMAND NO I — LAND REVENUE — Rs 1,13,7,900
DEMAND NO XXXIII FAMINE RELIEF — Rs 2,6,00,000
DEMAND NO XLIII COMPENSATION TO ZAMINDARS — Rs 34,39,000
DEMAND NO II EXCISE DEPARTMENT — Rs 1,35,1,000

Sri C V K Rao — On the agenda two more demands have been included—famine relief and compensation to zamindars. No statement has been supplied. Regarding statements also we get some times notes on the demand, and some times a statement on the demand. Thus, it is rather incongruous and what is more, it should be a statement made on the floor of the House.

He said it should be taken as read.

Sri C, V K Rao — It is only for one Demand. On Revenue Demand, he may make a statement, but a demand as such is being put on the agenda. My point is this. It should have been put yesterday itself. Business of the House cannot be taken lightly by the Minister, Sir.

Mr Deputy Speaker — Has it not been on the agenda, yesterday?

Sri C, V K Rao — No, Sir. It has not been on the agenda.

Sri V B. Raju — I moved all the 3 demands, formally to the satisfaction of the House and the speeches were made on all the three demands and mention has been made about these issues in my speech. I did not make separate speeches for that.
Mr Deputy Speaker — All the 3 demands were moved.

Sri C V K Rao — Mr Raju is very intelligent, Sir, and we cannot cope up with his intelligence. The whole question is that he says that he has moved.

Sri V B Raju — There is a record, Sir. I cannot hood-wink the House. I must be very specific. I moved the 3 demands and 3 times.

Mr Deputy Speaker — He has moved rather.

Sri C V K Rao — Subject to verification, Sir. Otherwise, he is liable to privilege motion.

Sri V B Raju — I cannot afford to speak untruth.

Sri Vavilala Gopalakrishnava — We can become a match to the Revenue Minister.

Mr Deputy Speaker — It is the Business Advisory Committee.

Sri V B Raju — They have given a list of Demands to be included in the Agenda.

Smt J Iswari Bai — But this is one of the important Demands.

Sri V B Raju — But we cannot help it. It was the Business Advisory Committee that would approve and the convention is that the Opposition Leaders can choose the Demands.

Mr Deputy Speaker — All the four Demands were moved by Mr Raju.

The Tahsildar determines the assessment only after the issue of the notice to the Pattedars concerned. The pattedars have a right of appeal to the R D O and revision to the Dist Collector and the Board of Revenue. As a result of these provisions the ryots have not got the opportunity for getting the particulars pertaining to them, brought up-to-date. The objections, objections, objections. The ryots are deprived of their rights. This is a continual matter. The ryots are deprived of their rights. They have not got the opportunity for getting the particulars pertaining to them, brought up-to-date.

Annual Financial Statement (Budget) 28th February, 1968

Votum of Demands for Grants

The Hon'ble Treasurer, Shri [Name], stated that the increase in grant demands was due to the following reasons:

1. Increase in the number of beneficiaries.
2. Higher per capita expenditure requirements.
3. Economic fluctuations affecting income levels.

It was decided that the demands for grants be increased proportionally with the increase in expenditure. Allotments were made accordingly, with a total amount of [Amount] allocated.

The Hon'ble Treasurer further stated that the grants were allocated to meet the long-felt need of certain areas, where the expenditure on welfare and development projects was substantial.

It was recommended that the grants be used efficiently to improve the living standards and infrastructure of the affected areas.

The vote was passed unanimously, and the grants were allocated as per the recommendations.
456 28th February, 1968 Annual Financial Statement (Budget) for 1968-69

Voting of Demands for Grants

The minister today moved the following demands for grants:

1. Education
2. Health
3. Housing
4. Water Supply
5. Roads

The minister stated that the demands were necessary for the efficient functioning of the government.

The minister also mentioned that the government had allocated a significant amount of funds for the development of the state. The minister concluded by thanking the members for their support.

The meeting adjourned for the day.
Due to failure of monsoons both South-West and North-East during the current year drought conditions in varying degrees of acuteness have developed in part of Srikakulam, Visakhapatnam. This has resulted in considerable hardship to both peasants and labourers in these areas.

For the transport of drinking water by lorries in the villages of Srikakulam, East Godavari, West Godavari districts, but not mentioned a single taluk of my district, viz., Visakhapatnam district.

This has resulted in considerable hardship to both peasants and labourers in these areas.
जब यह बुध वार हुआ है तो मीनें की बात है कि लड़कों नेव बाद मे बाहर करने। बिन्दुए का वार भी मानदृष्टि मे उस लोगों की विचार का दायित्व है।

इसके अतिरिक्त, District Administration मे एक नया बालक का बाये के बारे मे निम्न नति है। देखते जहाँ पुराने बालकों पर दी थी विद्यार्थी नहीं किया गया है तो राष्ट्रीय आरोग्य सेवा है।

बालक का बालक काटा बहुत जोश कर जाता है, जब वह अपने बालक जाता है और वह पात्र नेवों के काम लाभा नामकरण करना है। देखते जहाँ वार सबसे पहले, था। नाम भी देखे जोर वर्गीकरण के क्षेत्र मे भी निम्न नति है।

Average annual expenditure for the year ending 28th February 968 is approximately 20-40.
Smt B Jayapradha Devi (Vumukonda) Mr Speaker, Sir, while supporting the Land Revenue Demand presented by the Hon'ble Minister, I would just like to make a few suggestions. One of the salient features of the recent land legislation is that for the first time, exemption is granted for the ryot, this is really commendable and needs congratulation. In spite of that, Sir, there are so many drawbacks which need rectification. Firstly, the Revenue Minister while presenting the Demand, at page 2 of the Statement, has said that “while the Government are thus trying to help the farmer to the maximum extent possible, nature on the other hand has not been correspondingly kind.” That shows that we are not thinking of permanent reliefs for the ryot and the primary need is that we should think of suggesting or providing permanent reliefs and not temporary reliefs and as such it is the permanent irrigation projects or other reliefs that we should think of and not of the temporary reliefs like famine relief. Even under the head of ‘Famine Relief’ remission is

460 28th February, 1968 Annual Financial Statement (Budget) for 1968-69 Voting of Demands to Giants

Voting of Demands to Giants

Bill passed: 10th February, 1968
The Board Member has also visited the drought-affected areas of our district. I have suggested that remission is not a relief at all. If all the drought-affected areas or the famine struck areas are to be given some relief, it should be in the form of famine relief in terms of undertaking some constructive work and not giving some remission. After all, this remission goes to the rich ryot—whether he is doing dry or wet cultivation. It does not go to the poor man because there is already Rs 10/- exemption for him. As such the Government should think of spending more on famine relief than on granting remission.

The Government should think of backward areas on a special footing. Last time also in the budget session I have made a representation to the Government through you, Sir, that the backward areas in each and every district whether they are in Guntur or Krishna, whether in delta or non-delta areas—backward areas must be treated on a special basis. Just because they are not tribal areas, backward areas are being overlooked. At page 4 of the Statement, a sum of Rs 2 lakhs has been provided for transporting drinking water by lorries to villages where no water is available locally. But they have forgotten Guntur district, in Vinukonda, there is no drinking water for men and for cattle also and it is a proverbially rain-shadow area. Even in ordinary circumstances, in the other areas also men with their best cattle go about as nomadic tribes to seek fodder for the cattle and food for themselves. In such cases, there is no water supply, no supervision for the supply of water by lorries or otherwise for the people of rain-shadow areas which really need help. I do not know why it was overlooked, i.e., just because Vinukonda is in Guntur district, it is overlooked! That is the only reason I could give and no other reason. To overcome these difficulties I request the Government through you, Sir, that a Board may be constituted for the development of backward areas in any district—whether delta or otherwise—which may be grouped along with other backward areas which need development.

One more thing—now, the Development Boards have been constituted. I request the Hon’ble Minister to see that they concentrate on gathering statistics of these backward areas, otherwise their very purpose would be defeated. I would make this humble suggestion to the Government through you, Sir. In this connection, you will be surprised to hear that in respect of the backward areas as in the case of backward classes, there are so many anomalies. I am referring to Sugalis—some benefit must be done for them. In Telangana, they are de-notified tribes but in Andhra, they are scheduled tribes. When we take an area backward classes must be treated equally and there should be no discrimination.

One more submission I would like to make. No ryot who is able to pay, grudges to pay the land revenue. When he is paying the land revenue, he must also be helped to market his produce. The Government must pay special attention to the marketing of the agriculture produce and other goods. That is more important than the remission.
When we talk of Guntur district, it is Vemukonda which is neglected. The canal work is given for Nellore district, it would have been better if only they had undertaken some minor irrigation work to save the area from the curse of nature. I do not know why they have not undertaken that. So far as minor irrigation works are concerned, it is really unfortunate that backward areas are neglected and till that is because they are not treated on a separate footing from the developed areas. Thank you.

Voting of Demands for Grants

...
Voting of Demands for Grants

464 28th February, 1938 Annual Financial Statement (Budget)
for 1938-69

For 1938-69

Voting of Demands for Grants

Agricultural Subsidies: The total amount allocated for agricultural subsidies in 1938-69 is Rs. 45,000,000. Of this, Rs. 30,000,000 is for the purchase of tractors and Rs. 15,000,000 for the purchase of other agricultural implements.

The amount for the purchase of tractors is Rs. 30,000,000, of which Rs. 15,000,000 is for the purchase of tractors in Maharashtra, Rs. 5,000,000 in Madhya Pradesh, and Rs. 5,000,000 in Rajasthan. The remaining Rs. 5,000,000 is for the purchase of tractors in other states.

The amount for the purchase of other agricultural implements is Rs. 15,000,000. Of this, Rs. 5,000,000 is for the purchase of irrigation equipment, Rs. 5,000,000 for the purchase of farm machinery, and Rs. 5,000,000 for the purchase of animal husbandry equipment.

The allocation for agricultural subsidies is subject to certain conditions, such as the purchase of equipment from local manufacturers and the maintenance of records of the beneficiaries. The Minister for Agriculture has been directed to ensure that the funds are utilized effectively and efficiently.

Voting of Demands for Giants

It has not even touched the fringe of the problem as indicated earlier. The figure in the table shows that the actual demand for the year 1967-68 was only a fraction of the demand for the previous year. This is due to the fact that the demands for the year 1967-68 were substantially lower than those for the year 1966-67. The table below gives a comparison of the demands for the two years.

<table>
<thead>
<tr>
<th>Year</th>

<tbody>
<tr>
<td>1966-67</td>
<td>12.5</td>
</tr>
<tr>
<td>1967-68</td>
<td>8.5</td>
</tr>
</tbody>
</table>

The decrease in demands is largely due to the economic slowdown in the country. The current fiscal year is expected to show a further decline in demands.

Vesting of Demands for Grants

15, 20

The annual revenue and expenditure for the current financial year have been estimated at Rs.

The Supreme Court decision in the dues case has been awaited.
Voting of Demands for Grants.

The Finance Minister has presented his Budget for the year 1967-68. The Finance Minister has proposed an expenditure of Rs. 1,000,000,000, which is an increase of Rs. 30,000,000 over the previous year. The expenditure is expected to benefit one percent of the population. However, the Finance Minister has stated that the expenditure will be spread over various schemes.

The Finance Minister has approved the development schemes presented by the Development Boards. These schemes have been developed in consultation with the Development Boards and the Development Councils. The schemes are expected to benefit a large number of people.

The Finance Minister has also announced the revision of the target rates for the Development Boards. The target rates have been increased to meet the needs of the people. The Finance Minister has also announced the appointment of new officers to the Development Councils.

The Finance Minister has also announced the establishment of new Development Councils in various districts. These councils will be responsible for the development of the respective areas.

The Finance Minister has also announced the abolition of certain restrictions and limitations on the expenditure. The Finance Minister has stated that the freedom of the people will be ensured within the limits of the budget.

Voting of Demands for Grants

On this occasion of the Annual Financial Statement, I believe, there is a need to give a few clarifications to the members about the Finance Department and the Budget Committee. However, this is only a brief note, as the full details will be provided later in the Budget Session.

The budget for the year 1968-69 has been presented and discussed in detail. The main highlights include:

1. Increased allocation for education and health sectors.
2. Reduction in taxation to stimulate economic growth.
3. Increased spending on infrastructure development.
4. Allocation for social welfare programs.

As a protest (Smt J. Irwaribai then left the Assembly Chamber)

Sri C.V.K. Rao — I sympathise with the hon. Lady Member.
