(a) whether it is a fact that, as per Government of India Notification No. 40/1/38 Ets. (A/II, dated 21st March 1959, re-issued in G. O. Ms. No. 93, General Administration (S.R. A) Department, dated 20-4-1959 in a unit of three vacancies to direct recruitment to the posts in the Secretary Departments one vacancy must go to Telangana candidates;

(b) if so, whether the other two vacancies are meant exclusively for Andhra candidates or for others also; and

(c) if they are meant for Andhra candidates only under what provision it was done like that and if they are not meant for Andhras only whether others can also be recruited to these posts if they come in merit?

Sri V. B. Raju :—(a) Yes, Sir.

(b) & (c) There is no reservation for candidates from the Andhra area as such. The other two vacancies could be filled by candidates coming from any State in the Union.

Mr. Speaker :—There will be discussion on the Governor's address for four days. Number of Members can refer this issue and I expect the Chief Minister will give an exhaustive reply so far as this issue is concerned. Still if you are not satisfied, then you can say...

Mr. Speaker :—Ultimately, if Members are not satisfied with the Chief Minister's reply, I am prepared to consider half an hour, one hour or two hour discussion if necessary. But as it is it is not necessary. I am sure, number of members will refer to it during the course of the discussion and I expect the Chief Minister will give a satisfactory reply.
Sri V. B. Raju: — If it will not be discussed further, it will be solved Sir.

Q.—Smt. Lekshmi Bai:— Will hon. the Chief Minister be pleased to state:
(a) whether the Government are aware of the existence of secret transmitters operating in the city of Hyderabad to convey news to Pakistan, if not, how the news of certain occurrences was flashed by Pakistan Radio; and
(b) the action taken by the Government in the matter?

Sri V. B. Raju:—(a) & (b) No confirmation has yet been secured of the existence of secret transmitters operating in the City of Hyderabad. Efforts are however being intensified to trace and seize them, if any.

Sri V. B. Raju: — The news was like this on Radio Pakistan on 3rd June, 1968 at 7 hours and 45 minutes:—‘The subscriber’s news story reported the arrest of 13 prominent politicians, including two State Legislators in Andhra Pradesh under the Preventive Detention Act following a communal clash in Hyderabad last Saturday’.

Sri V. B. Raju: — The news was like this on Radio Pakistan (Andhra Pradesh) :— The arrest of 13 prominent politicians, including two State Legislators in Andhra Pradesh under the Preventive Detention Act following a communal clash in Hyderabad last Saturday.

1. M. R. N: — Why was the 25th November declared a Public Holiday?

2. M. R. N: — Why did the President issue a proclamation on the 25th November?

3. M. R. N: — What is the significance of the 25th November?

4. M. R. N: — It is a technical matter. It is therefore not possible for the enemy agents to hide the Transmitter very easily. This is the Police view.

Hyderabad is about 1400 miles from either wing of Pakistan and a Transmitter to provide reliable communication to such a long distance should be sophisticated and powerful and it should have good aerial system with high aerial mass. It is therefore not possible for the enemy agents to hide the Transmitter very easily. This is the Police view.

APPOINTMENT OF AGENTS BY A. P. K. & V. INDUSTRIES BOARD FOR SUPPLY OF COTTON

5—

340 (6120) Q.—Sri R. Mahananda :—Will the hon. Minister for Industries be pleased to state:

(a) whether the Andhra Pradesh Khadi & Village Industries Board has appointed any agency on 25-5-63 to purchase, process and supply of cotton to the Board on commission basis, if so, to whom it was given; and

(b) how much was advanced to the said agency up to 27-12-1965 and how much commission was paid in that agreement period; and

(c) whether the agency has repaid the advances taken from the Board?

The Minister for Industries (Sri B. V. Gurumurthy):—(a) Yes Sir. The Andhra Pradesh Khadi & Village Industries Board appointed Sri H. C. Veera Reddy, Cotton Merchant of Adoni, as an agent on 25-5-63 to purchase, process and supply of cotton to the Board on Commission basis.

(b) The Board advanced to Sri H. C. Veera Reddy a total sum of Rs. 4,65,500 upto 27-12-63. No commission has been paid as the agent has not rendered complete accounts.

(c) Sri H. C. Veera Reddy supplied cotton valued approximately Rs. 3,11,000. After deducting the value of cotton seeds estimated at Rs. 90,000 the value of total supplies made amount to Rs. 2,11,000. He has to account for the balance advance of Rs. 75,000 towards damages as some consignment of cotton was found to be inferior and quantity of cotton short-delivered.

Oral Answers to Questions

Sri B. V. Gurumurthy: -I have said that the deliveries were made up to 27-8-1964. The supplies were made between 22-6-61 and 22-8-64.

Sri B. Ratnasabhapathi: —Supplies made up to 27-8-1964. But from which date there is outstanding balance?

Sri B. V. Gurumurthy: —After 27-8-64.

Sri B. Ratnasabhapathi: —According to his statement, the balance is Rs. 2 1/2 lakhs. What is the interest he is collecting as interest? What efforts have been made to prosecute that man and get the money. Who is this man and from where does he hail?

Sri B. V. Gurumurthy: —I have already said Sir. He is Mr. H. C. Veera Reddy, Cotton Merchant of Atoni. He is a Cotton agent and has been appointed to buy cotton, process it and supply to the Khadi Board in the form of lint.

Sri B Ratnasabhapathi: —Have the Government proceeded against him legally? It is really astounding that Rs. 2 1/2 lakhs is still due from him. Is it not a cognizable offence?

Mr. Speaker: —The contention of the Khadi Board is that it is a cognizable offence. The police said it is not a cognizable offence. They obtained the legal opinion. The legal expert said that it is a cognizable offence. The matter is in that stage.

Sri B. Ratnasabhapathi: —This man and Khadi Board must have been entered into some sort of agreement. That agreement must have been legally valid. How can the police people give such an opinion? There must be something wrong with the agreement.

Sri B. V. Gurumurthy: —There was an agreement entered into; and he has signed the agreement. He has also produced solvency certificates. It was also said that he was experienced in this trade. Then only he was appointed as an agent.

Sri B. Ratnasabhapathi: —How much time will they take to get this man booked and release that money?

Sri B. V. Gurumurthy: —He has not heard my statement Sir. Already a civil suit was there against Sri H. C. Veera Reddy in the Civil Court at Hyderabad which was filed on 14-6-66. The suit was originally decreed ex parte on 8-1-1967 for not filing the written statements by the defendants. He filed an application for setting aside the ex-parte decree on the ground that he was laid up in bed and was under the treatment of two doctors. The Court after making an enquiry set aside the ex-parte decree and received the statement. The suit was posted for trial and on the other side Sri Veera Reddy filed another application saying that he might be permitted to file an
additional written statement with particulars to counter against the plaintiff i.e. the Khadi Board. The Legal adviser of the Board has taken up the affair.

Mr. Speaker:—The matter is now pending before the Court. A Civil Suit has been filed for the recovery of the amount.

Sri B. V. Gurumurthy:—There is also a revision petition against him in the Court criminally.

Mr. Speaker:—So, you are also trying to proceed against him criminally?

Sri B. V. Gurumurthy:—Yes Sir.

Mr. Speaker:—They have informed the police that it is a cognizable offence as per the Legal expert. They are pursuing the matter.

Mr. Speaker:—Whatever information, he wants hon. Minister can furnish.

Mr. Speaker:—If he did not hear the Minister, I cannot help. He told that he is Mr. H.C. Veera Reddy who belongs to Adoni and was appointed as an agent to purchase and process Cotton and same thing.

Sri B. V. Gurumurthy: -- The total amount is Rs. 15,74,000. It is a small sum compared to the large amounts reported by other companies. However, it is significant in the context of the general elections. The Andhra Pradesh Government has made a conscious effort to support political parties through these investments.

(a) whether Government is aware of irregularities and loss of Municipal funds committed by Kakinada Municipality as pointed out in audit reports of 1965-66 and 1966-67;

(b) whether Government is aware of the notice of requisition meeting given in December, 1967 by Municipal Councillors to Kakinada Municipal Chairman for discussion and taking action on loss of funds to municipality;

(c) whether it is not true that the requisitioned meeting as per provisions of municipalities Act is not convened by the Chairman in time; and

(d) if so, what action does Government propose to take on the losses to the Municipality and irregularities committed by Kakinada Municipal authority?

The Minister for Municipal Administration (Sri N. Chennurama Naidu): (a) Yes, Sir.
(b) Yes, Sir.
(c) Yes, Sir.
(d) The matter is under consideration of the Government and appropriate action will be taken against the persons responsible for causing losses to the Municipality. It is a fact that the Chairman, Municipal Council, Kakinada did not follow properly some of the rules relating to the issue of notice for convening a meeting and its postponement. As it is seen that no objection was raised by the members at the adjourned meeting, the Government do not propose to probe further into the procedure. Irregularity committed by the Chairman.

Without prejudice to the minimum monthly payment the tariff is subject to a maximum or all unit charge of 1.25 annas (7.815 np.) per unit.

Note: (1) All bills will be rendered on K. V. A. demand basis only.

(2) The above tariff is subject to an annual minimum charge of Rs. 300.

(3) The compounded fuel surcharge for increase in cost of fuel will be levied on all consumption in the above tariff as below:
In addition to the above charges, compounded fuel surcharge is levied both for Low Tension and High Tension Industrial purposes on the following basis:

**COMPONDOED FUEL SURCHARGE**

For the consumers in all the areas served by system, furnace oil, diesel or Hydro supply, only one fuel surcharge rate will be applied.

This fuel surcharge rate will be calculated as follows:

The fuel surcharge rate will be calculated for each individual generating station as per the fuel surcharge clause cited below coal or diesel or furnace oil as the case may be.

This will be multiplied by the units sent out from that power station. Such products for each station will be added and the total divided by the sum of the units sent out from all the stations, including the units availed of from Hydro-generating stations and those purchased by the Board either from Hydro or Thermal Stations. This will give the compounded fuel surcharge rate to be applied. This fuel surcharge rate is subject to a ceiling limit of 0.75 anna (.563 naya paise) per unit in the case of consumers in Rayalaseema area receiving bulk power purchased from Madras and Mysore States.

(i) For the energy supplied through the generation of the steam stations, the fuel surcharge clause will be as follows:

The tariff is based on the cost of coal delivered at power House Boiler bunkers or hoppers being not more than Rs. 10 per ton with a calorific value of 10,000 B. Th. U. per pound. Should the cost be higher, the following increases will be made in the energy charge and the maximum overall unit charge.

For every eight annas (fifty naya paise) increase in the price of coal (delivered at P.H. boiler bunkers or hoppers) in terms of its calorific contents above Rs. 10 as aforesaid 0.015 annas (.015 np) per unit. Increase of less than eight annas (fifty naya paise) will be ignored.

For purpose of this clause, samples of coal will be taken consignments received from the suppliers and analysed by the chemist of the Board of Government. The cost and calorific value which will form the basis of power bills in any month will be the average cost and calorific value of the consignments received in that month.

All monthly payments shall be subject to adjustment within six months based on result of this analysis. In case of disagreement, a representative sample will be analysed at the Alipore Test House.

(ii) For the energy supplied through the generation of the diesel stations, the fuel surcharge clause will be as follows:

The tariff is based on the cost of fuel oil being not more than Rs. 75 per ton delivered at the diesel power station. If it is more than Rs. 75 (Exclusive of Tax) then for the rise of every complete and aggregate amount of Rs. 5 on the aforesaid price, there shall be a proportionate rise of 0.03 anna (.018 np) per unit in the price of energy and maximum overall unit charge.
During the period the Nellore Thermal Station is run on furnace oil, the following provision will apply:

All rates under High tension Tariffs are based on the cost of fuel oil being not more than Rs. 60 (Rupees sixt, only) per ton delivered at the storage tanks of Nellore Power House. Should the cost be more than Rs. 60 per ton (exclusive of tax) then for the cost of every complete and aggregate amount of Rs. 5 only in the above stated price, there shall be a proportionate rise of 0.1 anna (0.008 p) per unit in price of energy.

**Lighting or combined installation of lights and Fans.**
- First 25 units/month: 0.50 per unit (31 np)
- Next 25 units/month: 0.45 per unit (28 np)
- All in excess of 50 units/month: 0.40 per unit (25 np)

Minimum charge Rs. 2 month/service.

**Note:** Supply to Bazar Lamps, lights and fans in small factories (70 H.P. and below) and small commercial establishments will be charged at above rates.

**Domestic Bulk Supply:** Domestic appliances such as refrigerators, cookers, heaters and pumps not less than 1000 watts in aggregate capacity on a combined circuit with lighting and fans.

A fixed monthly charge based on the estimated consumption by lights and fans at rates in tariff 1 above less 2 annas (12.5 np) per unit this fixed charge will be subject to a minimum of Rs. 8 and will be determined as follows:

<table>
<thead>
<tr>

<td>Rs. 15</td>
</tr>
</tbody>
</table>

If the connected load of any consumer is between the values given above, it will be charged on pro-rate basis, rounded off to the nearest anna. (nearest np.)

For connected load above 4 K. W. each individual case will be calculated and the approval of the Chief Engineer, State Electricity Board, obtained.

Plus 2 annas (12.5 np) per unit for all units consumed.

In no case will the overall unit rate be higher than 5 annas (31 np.) per unit in any one month without prejudice to the usual minimum charge of Rs. 8/-.

MESSAGE FROM THE GOVERNOR

re: Clause 8 (1) of the Andhra Pradesh Shops and Establishments (Amendment) Bill, 1968.

Mr. Speaker - I am to announce to the House that the following message has been received from the Governor of Andhra Pradesh dated the 21st October, 1968:

"Whereas sub-clause (i) of Clause 8 of the Andhra Pradesh Shops and Establishments (Amendment) Bill, 1968, as passed by the Legislature of the State of Andhra Pradesh, seeks to sub-section (1) of section 9 of the principal Act, namely, the Andhra Pradesh Shops and Establishments Act, 1965, so as to provide that "Every shop shall remain closed on every Monday which shall be a holiday for every employee in the shop:

Provided that the Government may, by notification, specify, in respect of any shop or class of shops or in respect of shops or class of shops in any area, any day in the week instead of Monday on which day such shop or class of shop shall remain closed."

AND whereas several representations have been received from members of the business community as well as labour organisations that the weekly holiday of a shop on Monday instead of Sunday as at present, will cause great hardship to the business community and the labour;

AND whereas it is considered necessary that the existing provision in sub-section (1) of section 9 of the principal Act, as far as it provides Sunday as the weekly holiday for every employee in the shop should be retained without any amendment;

Now, therefore, in exercise of the powers conferred by the first proviso to article 200 of the Constitution of India I, Kandubhai K. Desai, Governor of Andhra Pradesh, hereby return the said Bill to both Houses of the State Legislature with the request that each of the House will -

(1) reconsider sub-clause (i) of clause 8 of the Bill; and

(2) consider the following amendment, namely:--

"In sub-section (1) of section 9 of the principal Act, as proposed to be substitute by sub-clause (i) of clause 8, for the word "Sunday" 'Monday' in both the places where it occurs, substitute the word "Sunday""
Sri C. V. K. Rao:—Should not the Governor advise the Minister to resign in view of the fact that they have brought a piece of legislation much against the will of the entire people?

Mr. Speaker:—The Governor also under the provisions of the Constitution has sent it back to the Legislature for reconsideration.

Sri C. V. K. Rao:—The Ministers are there at the pleasure of the Governor.

Sri Konda Laxman Bapuji:—I would clarify, Sir. It was on the unanimous suggestion of the House that this was accepted by the Governor. Later, on representatives of the business community and others concerned, it was reconsidered.

Sri C. V. K. Rao:—Did the Governor advise that way?

BUSINESS OF THE HOUSE

Mr. Speaker:—A number of members have given notice of adjournment motions regarding the havoc caused by the cyclone in Sriakulam and coastal areas of Andhra Pradesh in October and November. Mr. Speaker:—11.30 a.m. to 1:30 p.m.
