Sri V. B. Raju :— This was erroneously entered in Wasool Baki of Jagir as poramboke land. As there were several errors in the survey conducted during the jagir period in the year 1957, several ryots submitted petitions for the correction of errors. The errors were rectified. There was a procedure. The appeals were enquired into with reference to the old and new records and spot inspections were also made after verifying the facts.....

Sri V. B. Raju :— Sir, I have stated. After verifying the facts correction of errors was approved by the Collector and the Kammi and Jali Patraks were also sent to the Director of Settlement for sanction under the law that was obtaining. The Collector made corrections and then sent them to the Director of Settlement and the Director of Settlement approved that Patrak and accordingly supplementary Sethwar also was issued. The case was closed as far as entries were concerned. About the administrative enquiry to be made by sealing it to the Revenue Board Member, we will examine it whether it is possible for rectification of records. I will find out whether it is possible because the area is a big area.

Sri V. B. Raju :— I have already said so.

Sri P. Subbiah :— Not studied—I have understood the answer.

Mr. Speaker:—If necessary please have an enquiry made.

not to implement the orders of the Additional Asst. Settlement Officer
in the village accounts. The Board of Revenue has also instructed
the Director of Settlements to take up suo-motu revision of the
cases.
Oral Answers to Questions. 18th March, 1969.

They are again trying to go to the Civil Court because there is one pleader among the grantees. Why can't the Government dare to take action against the Settlement Officer who has granted patta at the time of handing over charge on 28-2-67.

Sri V B. Raju:—I don't know what action has been taken because I did not anticipate the supplementary. But I will certainly look into the matter. Here the Tahsildar has not implemented the Settlement Officer's assignments I will find out what action has been taken against the Settlement Officer.

Sri V. B. Raju:—Unless it is found that this Officer had with mala fide intention assigned that land, I cannot say anything.

Sri R. Mahananda:—What is the Government doing all this one year?

ISSUE OF PATTAS TO HARIJANS

(a) The Harijans are reported to have been in Sivajama occupation of an extent of about 30 Acres in R. S. (b) The Collector has instructed the Tahsildar, Kovvur to inspect the land and assess its suitability for assignment, and if found suitable to take urgent action to assign the occupied extents without delay observing the usual formalities.

* 748 (6581) Q.—Sri T. V. S. Chalapathi Rao (Vijayawada-East):—Will the hon. Minister for Health and Medical be pleased to state:
(a) whether it is not a fact that the Estimates Committee of Legislative Assembly in 1965 recommended to the Government to change the supply of medicines to Primary Health Centres from the Government Medical Stores Depot and introduce a new system, and
(b) if so, what action was taken on the recommendation?
Sri Md. Ibrahim Ali Ansari.—(a) Yes, Sir.
(b) Revised Orders have been issued in GoM 26/Health, dated 8.1.69.

Dr T.V.S. Chalapathi Rao:—May I know what the contents of that G.O. are, Sir? If not, at least will the hon. Minister be pleased to place a copy of the G.O. on the Table of the House.
Mr. Speaker :— Please send a copy of that to Dr. Chalapathi Rao.

Dr. T.V.S. Chalapathi Rao :— I don't know what are the contents of that G.O. Even till to-day my information is that many primary health centres are suffering for want of basic medicines for agriculturists and coolies. Health Centres are in the midst of villages and they require some basic medicines. Will the hon. Minister consider that and see that basic medicines are supplied to them?

Sri Mohd. Ibrahim Ali Ansari :— Medical Stores have failed to supply. We have asked the District Medical Officers to purchase the medicines locally.

Sri K. Govindarao :— The indents placed on the M.S.D. are not complied with and medicines are not supplied by the M.S.D. In such cases, quite a lot of amount that is allotted for the purchase of medicines is left as balance. Will the Government take some step to see that with the balance of the amounts the medicines can be purchased from the local market.

Sri Mohd. Ibrahim Ali Ansari :— We have already ordered the District Medical Officer.

Sri K. Govindarao :— Only 50 per cent.

Sri Mohd. Ibrahim Ali Ansari :— Even for the balance amount.

Sri Ch. Vengiah (Markapur) :— Previously the Medical Officers were permitted to purchase medicines from local markets and they were getting medicines which were useful for primary health centres. Is the hon. Minister aware that the Government Stores is sending packets which contain only cotton and distilled water and other useless medicines to the health centres? Is any representation made to the hon. Minister on this aspect and if so, what action has been taken by the Government?

Sri Mohd. Ibrahim Ali Ansari :— So far no representation was made to me. Anyhow I take the information from the hon. Member and will look into it.

Sri V. B. Raju :—(a) and (b) The Collector of Anantapur has reported that S. No. 770/1 of Bhadrampalli village is a patta land of one Sri Bandameedappa Venkata Narasappa and hence the question of assignment of this land or cultivation by the Harijans does not arise.

(c) The answer is in the negative.

(d) Does not arise.

UNAUTHORISED CUTTING OF GOVERNMENT TREES

585—

* 1133 Q.—Sri R. Mahasandra :— Will the hon. Minister for Revenue and Civil Supplies be pleased to state:

(a) whether it is a fact that a report was sent on 29-2-1968 by the Village Karnam of Edara Darsi Taluk, Nellore district about the unauthorised cutting of Government trees in Donka Poramboke in between Edara and Bheemavaram;
Oral Answers to Questions. 18th March, 1969.

(b) what is the value of this theft and whether it has been enquired into; and

c) whether there was again any report and telegram to the Collector Nellore on 5-3-1968 by the same Karnam of Edara stating that one of the alleged tree-cutters tried to assault him for his report; and if so, what is the action taken in this regard?

Sri V. B. Raju:— (a) Yes, Sir.

(b) The enquiry conducted by the Tahsildar revealed that the value of the trees cut and removed is about Rs 60/-. 

c) A telegram was received in the Collector's office on 6-3-1968 from the Karnam of Edara. In the course of enquiry, it was confirmed that the assault took place on 1-3-1968 at the residence of Karnam. Detailed enquiry could not be conducted as the Karnam did not appear before the Tahsildar to prove his case though he was sent for twice by the Tahsildar.

Sri V. B. Raju:— I do not have the information whether the Tahsildar had actually visited the village or whether he conducted the enquiry at some other place.
RELIEVING OF NURSES FROM CLERICAL DUTIES

586—

* 1206 Q.—Sri C. V. K. Rao :— Will the hon. Minister for Health and Medical be pleased to state:

(a) whether Government contemplated to relieve the nurses of clerical duties by sanctioning suitable number of posts in each Teaching Hospital and if not, the reasons therefor; and

(b) whether Government propose that nurses with Matric as their basic qualification be permitted to study the degree course in nursing granting study leave after 3 years of service and if not, the reasons therefor?

Sri Md. Ibrahim Ali Ansari :— (a) The nurses in Teaching Hospitals are doing only such clerical duties which are connected with Nursing. Therefore the question of appointing separate clerks to relieve the nurses of clerical duties does not arise,

(b) The University rules do not permit Matric or S. S. L. C. candidates to be admitted directly into B. Sc. course without their passing the basic P. U. C. examination.

Sri C. V. K. Rao :— With regard to the nurses being given clerical duties, it is not correct to give such duties to nurses. Nursing is connected with patients and the clerical duties are to be done by clerks. It is better that in view of the delicate nature of the profession they are relieved of these duties and further special consideration may be given for these nurses to equip themselves with better qualifications which are essential for better prospects.

Sri Mohd. Ibrahim Ali Ansari :— I will look into it.

Sri P. V. Narasimha Rao:—I have submitted to the House on a previous occasion that the details regarding the Junior Colleges are being worked out. SALARIES TO THE AIDED SCHOOL TEACHERS.

S. No. 586-B.

S N. Q. No. 2422 Q.— Sri K. Muniswamy:— Will the hon. Minister for Education be pleased to state:

(a) whether it is a fact that salaries for Aided School teachers in all districts especially Nellore, Chittoor and Hyderabad districts have not been paid by the District Educational Officers concerned since December, 1968 as their final grants are not yet sanctioned;

(b) if so, when will their salaries be paid; and

(c) what are the reasons, for this long delay in releasing the grants?

Sri P. V. Narasimha Rao:—(a) No, Sir. The monthly salaries for three months from December 1968 to February 1969 have already been released by the District Educational Officers, Chittoor, Nellore and Hyderabad. It is not a fact that the salaries of the teachers of all aided schools in other districts have not been paid since December 1968. There might have been certain aided Institutions which might have not paid salaries in time for want of funds. It has since been released.

(b) Does not arise.

(c) The reasons for the delay in non-payment of salaries to some of the aided secondary schools is mainly due to the fact that provision made in the budget of the current financial year is based on expenditure incurred during the last year, i.e., 1957-58 when there was no free education in respect of boys up to Class X and when there were fee receipt under this item which was taken into account while releasing the grants to the aided secondary schools. Since free education is introduced in respect of boys up to Class X during the current year resulting the requirement of additional fund, the additional amount required by the District Education Officers towards the teaching grants to aided secondary schools has since been sanctioned after taking account whatever is needed additionally as a result of the introduction of free education up to Xth Class this year.

K. G. HOSPITAL, VISAKHAPATNAM.

S. No. 586-B.

Will the hon. Minister for Health & Medical be pleased to state:

(a) whether any representations have been received by the Government about alleged continued harassment of nursing students in K. G. Hospital, Visakhapatnam by the Nursing Superintendent and Nursing Tutors as a result of which there are attempts of suicide by some of the girl students undergoing nursing training.

(b) if so, the action taken thereon?

Sri Mohd. Ibrahim Ali Ansari:—(a) No representations have been recived by the Government about the continued harassment of Nurse students in the K.G Hospital, Visakhapatnam. Sri K. Govinda Rao, M.L.A in his letter dated 10-3-69 has reported that the Nursing Superintendent and Nursing Tutors are harassing the Nurse students and that due to the harassment some students tried to commit suicide.

(b) On the representation of Sri Govinda Rao, the matter has been referred to the Director of Medical & Health Services for enquiry and report. His report does not show any harassment on the part of the Nursing Superintendent nor Nursing Tutors.

Sri K. Govinda Rao:—Is it a fact or not that the Deputy Director of Medical & Health Services has gone to Visakhapatnam and when the students complained of harassment and mismanagement of the hostel, the Nursing Superintendent and Tutors began to harass these girls and did not permit them to attend the examinations leading to all sorts of unpleasant consequences and one girl by name Rukmani attempted to commit suicide?

Sri Mohd. Ibrahim Ali Ansari:—She never committed suicide.

Sri K. Govinda Rao:—She never Committed suicide. I said she attempted to commit suicide. There is a charge-sheet also framed. Do not say there is nothing.

Sri Mohd. Ibrahim Ali Ansari:—Even attempt to commit suicide, is not correct. As per the report of the Director she is suffering from hysteria. So, she gets faint now and then. Whenever she gets fainted.

Sri K. Govinda Rao:—What is this cock and bull story, Sir? Was she given the hall-ticket to attend the examination in December, 1968? Was she allowed to attend the examination again in January, 1969?

Sri Mohd. Ibrahim Ali Ansari:—All this information I do not have with me. If the hon. Member wants the details, I will get them.

Sri G. Sivaiah:—Sir, this is a peculiar case. If doctors unite they can give any type of certificates of madness, attributing many other things. In this case whether the Government is aware that there is a strong suspicion against the male tutors who are harassing these nursing girls. In this case Miss Rukmani led the students to complain against the tutors' harassment to one Sarojini, Deputy Director of Medical Services and it led to all these things. So, can...
be personally go and enquire Sir? Because this is a matter concerning the girls and not men.

Sri Mohd. Ibrahim Ali Ansari:—In what way my going there will help, Sir? It is a matter between the girl and a boy

(Laughter)

Sri K. Govinda Rao:—It is not the question of a girl and boy. Please do not take it like that. May I request the hon. Minister to enquire into the conditions leading to the attempt to commit suicide?

Sri Mohd. Ibrahim Ali Ansari:—Certainly. I will depute a Senior Officer to enquire into the matter.

Sri G. Sivayya:—Will the hon. Minister personally go and enquire into this matter, Sir?

Sri Mohd. Ibrahim Ali Ansari:—Later on, if it is proved that the present report is incorrect, certainly we will have to take some action.

So, I would request the hon. Minister to take immediate action to see such of the tutors are transferred from the place. Another thing is some of these Nursing students were detained without assigning any reason. So, I would request the Minister to consider the case sympathetically and conduct the examination at least in the month of March or April. They are prepared to bear the cost of the examination. Here is a petition from one such candidate. I will pass on to the Minister and I request him to take action on this.

Sri Mohd. Ibrahim Ali Ansari:—I will take the information, Sir.

Sri V. Palavelli:—Transfer the tutors and arrange for the conduct of the examination, we request two things, Sir.

Sri M. Ibrahim Ali Ansari:—I will take the information, Sir.

Mr. Speaker:—In this there is one thing. Sri Govinda Rao has sent some representation. And the Minister says he has deputed the DDMS to go and enquire into the matter. The report of the
DMS says that no harassment was made. Now the hon. Members is still disputing the correctness of the report. He has promised to send another Senior Officer for enquiry and report. It is better that we wait till the report of that enquiry is over and get the report.

Sri K. Govinda Rao:—Senior Officer, of course will go and enquire. At the same time, unless these tutors are removed transferred they will not be able to give any evidence at all. Because they will be in the grip of the tutors. Here no evidence is forthcoming.

Mr. Speaker:—I think it is better the Minister himself pays a visit to that place and makes an enquiry. Is he willing to go there and make an enquiry?

Sri Mohd. Ibrahim Ali Ansari:—Yes, Sir.

Mr. Speaker:—The Minister himself is willing to go there and make an enquiry. And the Member also can meet him there and represent whatever he has got to say.

POINTS OF INFORMATION

re: ARREST OF SOME STUDENTS IN HYDERABAD.

Sri K. Brahmananda Reddy:—Sir, he may be prepared to take the news from “Andhra Jyothi” but I am not prepared to take it.

Sri T. Purushothama Rao:—Is it the answer Sir? That would have been a source of corroboration—

Sri K. Brahmananda Reddy:—If they give notice, I will get the information quickly in other two hours.
Point of Information:

18th March, 1969.

re: Closure of Colleges affiliated to Osmania University.

I am not prepared to take that information if you give notice I will get the correct information.

re: Closure of Colleges affiliated to Osmania University.

Mr. Speaker:—Regarding the matter referred to by the hon. Member Sri G. Sivaiah I have asked the office to put up the proceedings. After the proceedings are put up, I will go through the whole thing and give my ruling.

Sri G. Sivaiah:—Sir, the Osmania University affiliated Colleges have been closed. There are many students from the Rayalaseema and Circar districts who intend to attend the colleges and take their examinations. Because of their closure, they are unable to attend and there is fear among such students that the academic year is likely to be closed if the present strike continues. In such case, what about the fate of such students who intend to attend the colleges and who could not do? Will the Government take any special steps to provide them accommodation in the other Universities without losing the academic year, Sir? This is an important factor which is agitating the minds of those students who are unable to attend the Colleges, Sir.

Sri P. V. Narasimha Rao:—Sir, the affiliated Colleges of the Osmania University in the City, I understand have been closed only upto the 20th of this month. They were temporarily closed for three to four days. The closure was effected only two days ago. There are some holidays in the meanwhile. The closure is not going to be very long, as I understand it at the moment. So, at the moment I cannot add anything further.

Mr. Speaker:—Regarding the matter referred to by the hon. Member Sri G. Sivaiah I have asked the office to put up the proceedings. After the proceedings are put up, I will go through the whole thing and give my ruling.
Point of Information:

re: Closure of Colleges affiliated to Osmania University.

If some people want to demonstrate peacefully there shall be no objection. It is a fundamental right of every man. So, the fundamental issue has been raised by Mr. C. V. K. Rao. If there is any breach of peace indulged by demonstrators, what you will say will apply.
Pomt of Information:

18th March, 1969.

Closure of Colleges affiliated to Osmania University.

Mr. Speaker:—Any how, we will take it up at 1-30 p.m. The Chief Minister has promised to get the information by 1-00 p.m. or so.
18th March, 1969

Point of Information:

FILE: Closure of Colleges affiliated to Osmania University.

Girls have staged a demonstration. We cannot think that the girls have used violence. There cannot be breach of peace indulged by these 9 girls. It is impossible to think of it. Whether the demonstration led by the girls lead to breach of law or not?

Mr. Speaker:—Different people are resorting to different tactics. We do not know how far it is true.

Mr. Sivaiah:—We cannot help, Sir.

Not only in Andhra Pradesh, but in other countries also, we are seeing such things are there. The students are resorting to strikes and other tactics.

Sri G. Sivaiah:—There is Section 144. More than 4 persons are not allowed to meet. So, if peaceful agitation has to be continued, the Government should consider removing the prohibitory order. As long as Section 144 is there, more than 4 persons cannot be there and agitate.

Mr. Speaker:—You are forcing the Government to refer to certain incidents which have taken place in the State. It is not desirable.
Point of Information: 18th March, 1909.

re: Proposal to install a statue of late Sri Ambedkar.

Mr. Speaker: — That is what he said, he is a national figure. We will seriously think of it and see that something is done.

POINT OF INFORMATION

Mr. V. B. Raju:—You may kindly remember, yesterday a point was raised about the orders issued by the Revenue Board regarding village establishment. The Board of Revenue has prescribed certain scales to be observed in appointing village servants in the year 1970. Collectors have been submitting proposals based on those instructions. The land revenue has increased during the last 60 years while there was only small rise in the number of pattadars that are paying the land revenue. It was also noticed that in some of the villages, village servants are appointed indiscriminately and without proper sanction. The Board of Revenue also noticed a tendency on the part of the Assailars and subordinate authorities to increase the strength of the village establishment by following certain methods. For example, in one case where one ratwari was holding charge for a group of villages which was bifurcated into independent villages, he appointed 12 patwaris in the place of 1. It was also further noticed that in some villages where there are no wet lands Neeradies are appointed and in some villages where there was need there were no Neeradies. To bring in uniformity and to have general principles as guidelines for subordinate officers, the Board of Revenue considered it necessary to reiterate the principles laid down in its proceedings of 1910 with suitable modifications necessitated by enhancement of land revenue and changes that occurred during the past 60 years and prescribed certain scales in Board orders of 14-2-69. The Government have since received some representations and the Government are asking the Board of Revenue to keep these proposals in abeyance till further instructions. The Government actually have taken note of the representations about the retrenchment that they may be caused because of the introduction of the new proposals and is going to ask the Board to keep the instructions in abeyance till further instructions are issued.

Mr. Speaker:—At least till next session some of the members might again make some representations.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

re:—Cell Created for receiving Complaints from Scheduled and Castes Scheduled Tribes.

There is not even one Deputy Secretary in the Secretariat from among the Scheduled Castes and Scheduled Tribes, there are not even two or one Assistant Secretary also. minimum education qualification available to these communities is minimum educational qualification 3rd standard available to these communities is minimum educational qualification. That G.O. was created on 3rd August 1967. Retrospective effect is to Scheduled Caste and Scheduled Tribes. G.O. was created to provide for the uplift of the Scheduled Castes and Tribes and to ensure that all grievances of the Scheduled Castes and Tribes are carried out effectively and that all grievances of the members of those communities are speedily and sympathetically redressed. The Chief Secretary to the Government is the Welfare Commissioner for the Scheduled Castes and Tribes at the State Level and is responsible for securing effective enforcement of all the provisions made by Government from time to time for the promotion of the welfare of these communities; to enquire into the grievances that may be raised by members of those communities in regard to any failure of negligence.

in implementing the special provisions made for their benefit and to take necessary remedial action. He will also take necessary measures for ensuring protection to them against exploitation and harassment. The Collector who is the Welfare Deputy Commissioner for scheduled castes and tribes exercises the same functions at the District Level as the Welfare Commissioner at the State level and works directly under his control. The Cell has taken steps towards appointment of liaison officers in all the departments of the Secretariat as also the offices of the Heads of Departments, Collectors and other unit officers charged with the task of securing due enforcement of the special rules of reservation made in public services as also the concessions extended from time to time in favour of scheduled castes and tribes. It is hoped this system will result in securing representation for these communities in services which they were not hitherto given. Instructions have also been issued to local bodies, public undertakings etc to provide for rule of reservation in service under their administrative control. Steps are also being taken to see that these bodies amend their rules of recruitment of personnel so as to provide reservation to these communities. So far 300 complaints have been filed with the cell. Of these 38 have been finally disposed off; of these 15 pertain to harrassment of Harijans. Out of these 15 cases, 2 relate to murder; one ended in conviction and the other is still pending in the court. In the other cases, disputes were settled among the parties themselves or the police have taken necessary action resulting in cordial relations amongst them. 6 cases pertain to service matters of whom in 2 cases the two affected individuals were re-instated in service. In the other cases, representations were found to be not based on any valid grounds. 6 cases pertain to land assignment and they have been sent to the Collectors with instructions that lands may be assigned in case they are found unobjectionable. The other cases are also miscellaneous matters; and they too were sent to the appropriate authorities with instructions to render such assistance as may be necessary. All the other pending cases have been referred to concerned authorities and when their reports are received they will be examined and appropriate action taken.

Mr. Deputy Speaker.—I do not know whether he has any information.

Sri B. Ratnasabhapathi:—This information, the Chief Minister might require because he is going to make a statement in an hour or two about the arrests. Just now we are coming from there. We are told that four students have been rounded up by 50 police and they were beaten mercilessly. This information also he may kindly get. If this is the way things are going...

re: Non-payment of salaries etc., to Teachers.

On the matter of urgent importance on 18th March, 1989.

Non-payment of salaries etc., to Teachers.

Beginning on the 10th of March, 1989, certain teachers have not been paid their salaries, leave allowances, and other benefits. Teachers have been on strike for the past 20 days. The situation is critical, and the teachers have informed us about the following:

- 15-16 days have passed since the last payment of salaries.
- Teachers have not been paid for the last 5-10 days.
- The situation is urgent and requires immediate action.

The teachers have been waiting for their due payments for over two months.

Immediate action is required to address this critical situation.

We urge the administration to take immediate action to resolve this issue.

Sincerely,

Sri P. V. Narasimha Rao:—An additional amount of Rs. 3 lakhs was provided for reappropriation and communicated to the District Educational Officer, Guntur, through the Director of Treasuries and Accounts, Hyderabad for using the same towards payment of grants for Aided Primary schools during 1967-68 in the Director's letter No. Rs.1800/A. 1-1-68 dated 11.8.69, i.e. Just about 5 days ago. This additional amount could not be provided earlier for want of funds. It is hoped that there will not be any further delay in payment of teachers in aided primary schools in Guntur.

As regards the Oriental Schools, I would like to submit that almost the entire amount required by them to pay the arrears of salaries has been released recently. About Rs. 10 lakhs have been released in two instalments Rs. 4,81,000 in one instalment and remaining in the next instalment so that there will be no difficulty at all in the payment of salaries. Actually, the salaries are being disbursed. That is the latest report.

Sri P. V Narasimha Rao:—That is a matter of procedure. Without the Director of Treasuries giving clearance, no payment is made. So far as we are concerned, we are actually not allowing any time gap between our sanction and communicating it to the Director of Treasuries. Our Officer is actually going to the Director of Treasuries and getting it cleared.

re: Alleged unfair practices by the management of Sarvaraya Textiles, Kakinada.

Sri C. V. K. Rao:—Whereas the unfair labour practices and repressive vindictive acts of the management of Sarvaraya Textiles Ltd., Kakinada are mounting up every day the management having victimised nearly 45 permanent workmen and the number is increasing day by day, the management having stolen workers' union records, connecting resolution in the records, foisting and manipulating unfavourable agreements on the workers by blackmail and threats.
Calling attention to a matter of urgent public importance:

18th March 1969.

Alleged unfair practices by the management of the Saravaraya Textiles Kakinada.

thereby the industrial peace and livelihood of the textile worker is being seriously jeopardised and whereas the workmen through all means of peaceful and legitimate negotiation; failed to put the erring management into proper attitude and desist from its repressive vindictive measures and whereas written petitions are presented to the Government, the latest being 1-11-1968, the Hon'ble Minister for Labour with Labour department officials having promised to visit Kakinada in January 1969 for arbitrating the industrial dispute and being delayed, the situation further deteriorating, it is demanded that a court of enquiry into the disputed matter be forthwith instituted as this is an urgent matter of public importance.
Calling attention to a matter of urgent public importance:

re: Alleged unfair practices by the management of the Sarvaraya Textiles Kakinada.

Sri K. V. Narayana Reddy:—Sir, the management of Sarvaraya Textiles Ltd., Kakinada had suspended 20 workers with effect from 30-5-1966 on the ground that they were involved in acts of violence and intimidation during the period of strike from 28-3-1966 to 16-4-1966. They framed charges against them and conducted enquiries. The management could not proceed with the dismissal of these workers as there was a dispute pending before the Industrial Tribunal over the dismissals of 13 workers. The management applied for permission under section 33 of the Industrial Disputes Act to dismiss the 20 workers. Since the Tribunal in its award held that the reference or the dismissal of 16 workers was invalid, the applications for permission to dismiss 20 workers became infructuous. The management had effected the dismissal of the 20 workers on 23-8-1967 with effect from 30-5-1966, the date on which the workers were suspended. The management had only dismissed 6 workers and not 45 as alleged by the member.

About the unfavourable agreements, I am given to understand that the management and the Sarvaraya Textiles Factory National Workers Union and Sarvaraya Textiles staff and Workers Union had entered into two agreements on 24-3-1968 and 28-10-1968 under section 18 (1) and 12 (8) of the Industrial Disputes Act, 1947 respectively. These agreements related to increase in D.A., minimum workload, increments, wages to apprentices. The settlements would be in operation up to 31-12-1971. There was a clause in the above agreements to the effect that during their operation the workmen shall not raise any demand involving financial commitment to the management. The agreements are valid in law.

As per the records of the Registrar of Trade Unions, there are two unions viz., Sarvaraya Textiles staff and Workers Union and Sarvaraya Textiles Factory National Workers Union functioning in the Sarvaraya Textiles Mills Ltd., Kakinada. As regards the alleged theft of records and their manipulation, no representation has been received from either of the unions.

A representation dated 1-11-1968 signed by 174 workers of the Sarvaraya Textiles raising the demands relating to re-instatement of 36 dismissed workers with wages, annulment of agreements dated 24-9-1968 and 29-10-1968, increase of wages and D.A. by 20%, unfair labour practice adopted by the management and payment of bonus under the Payment of Bonus Act, 1965. As regards the dismissals of workers, the hon. member is aware that Government had previously deputed the Deputy Commissioner of Labour in September 1967 to enquire into the allegations made with regard to removal of certain workers from service by the management. The hon. member was informed in Government letter No. 2007/Lab.1/67 dated 18-10-1967 of the result of the enquiry and also requested him to

Calling attention to a matter of urgent public importance: re: Unsold tobacco in the State.

18th March 1969.

Mr. Speaker in the Chair,

I draw your attention to a matter of urgent public importance: Unsold tobacco in the State.

As the House is aware, tobacco is a major industry in the State, and unsold tobacco is a significant issue. It is estimated that over 150,000 tons of unsold tobacco are stored in warehouses. This situation is not sustainable, and it is essential that steps be taken to resolve this issue.

It is suggested that a commission be formed to investigate the situation and recommend measures to be taken. The commission should include representatives from all relevant stakeholders, including the tobacco industry, government, and market traders.

I request that this matter be listed for discussion in the House at the earliest possible opportunity.

Thank you.
Calling attention to a matter of urgent public importance:

On: Unsold tobacco in the State.

Sri K. V. Narayana Reddy: Sir, marketing of tobacco has become important, serious and complicated. The State and Central Governments have taken several measures to give relief to the growers and also to ease the situation. So with your gracious permission, I would like to make a comprehensive statement.

Mr. Speaker: I am now hard-pressed for time. Give a gist of the statement.

Sri K. V. Narayana Reddy: Here is a latest letter from Jagjivn Ram to the Honble Mr. Thimma Reddy on this subject. "Please refer to your letter forwarding the note on the problem of marketing of tobacco in Andhra Pradesh. In order to dispose of the unsold stocks of lower grades of tobacco, Government of India have since reduced the minimum floor prices of 1968 crop by 20 percent and of 1967 and previous years crop by 25 percent. Other steps like concluding a link deal for export of low grades have also been taken. It is expected that as a result of these steps the old stocks of tobacco will be cleared and the position will ease. We are pursuing the matter with the concerned ministry."
PUTTING POST-OPERATION STITCHES BY WARD BOYS IN OSMANIA HOSPITAL

Sir, there are definite hospital orders prohibiting ward boys from stitching wounds. The instructions were also circulated among medical officers and brought to their notice.

Smt. B. Jayaprada Devi (Vinukonda) :— Sir, I rise on a point of information. A note has been circulated by Andhra Pradesh Small Scale Industrial Development Corporation Ltd. In that list of schemes and the feasibility of reports on the industries to be promoted by A.P. Small Scale Industries Development Corporation is given. In that, with regard to items 22, 23, 24 and 27 to 36 they say that the party could not be identified. They do not state what attempts they have made to identify the parties. Sir, I request the Minister for industries to give an explanation on that.

Mr. Speaker :— Let the hon. Minister may please lay it on the Table of the House.
Mr. Speaker:—Can hon. Deputy Speaker give me version or what he says.

Sri V. K. Naik:—The date with regard to elections was extended from 23rd February to 9th March. My colleague wants to have some information whether it would be continuously extended further for the benefit of the Congress people. That is what he means.

Smt. Sarojini Pulla Reddy:—Only that was an Advisory Committee. Not only the ex-Mayors but the District Congress President was also there.

Mr. Speaker:—Don't bring in the Corporation quarrels here. Let us see what the Minister has got to say.

Sri V. B. Raju:—The Government has to decide under the Act. There is a statutory obligation for the Government to determine the constituencies.

Sri V. B. Raju:—They are only complaining of the postponement of the date.

Mr. Speaker:—Don't bring in the Corporation quarrels here. Let us see what the Minister has got to say.

Sri V. B. Raju:—Finalisation of the delimitation of the constituencies. The elections are not postponed.

Sri V. B. Raju:—The Government would keep in mind the views of the House.

"With malice towards none, with charity for all, with firmness in right as God gives to us to see right, let us thrive on to finish the work we are in; to bind up Nations' wound; to care for him who shall have borne the battle and for his widow and his orphan, to do all which may achieve and cherish just and lasting peace among ourselves and with all Nations." Would there be a more wiser word than that of Lincoln which will go and appeal directly to all those who are in this House or outside the House and it is a sacred duty of not only the Congress but of every Member of this House irrespective of party lables, to carry on this message to the nook and corner of this country and to immediately call on the agitators to stop their agitation because they are seized of the matter and co-operate with the Government to restore peace and order in the State.

Thank you, Sir.
