ANDHRA PRADESH LEGISLATIVE ASSEMBLY
Saturday, the 23rd August, 1969
The House met at Half-Past-Eight of the Clock.
(Mr. Speaker in the Chair)
ORAL ANSWERS TO QUESTIONS.
MURDERS IN KURNOOL DISTRICT

161—

99 (1266) Q.—Sri P. Subbaiah (Yerragondipalem). Will hon. the Chief Minister be pleased to state:
the number of murders that took place in Kurnool District from January, 1968 to October, 1968?

The Minister for Home deputised the Chief Minister and answered the question (Sri J. Venugala Rao):—Eighty Sir.

99. The Minister for Home deputised the Chief Minister and answered the question (Sri J. Venugala Rao):—Eighty.

99. The Minister for Home deputised the Chief Minister and answered the question (Sri J. Venugala Rao):—Eighty.

J. No. 234. 89
23rd August, 1969.

Oral Answers to Questions.

182—

* 68 (7263) Q.—Sarvasri G. Venkat Reddy (Parchur) and Vavilala Gopalakrishmayya (Sattenapalli):—Will the hon. the Chief Minister be pleased to state:

(a) whether it is a fact that the Government have issued orders to replace the Andhra employees working in Telangana area by Telangana employees within three months: and if so, the reasons therefor; and

(b) whether a copy of the orders along with the agreement reached between ex-Andhra and ex-Hyderabad Governments in this regard be placed on the Table of the House?

The Deputy Chief Minister deputized the Chief Minister and answered the question (Sri J. V. Narasimha Rao):—(a) Yes, Sir. To ensure strict implementation of the provisions of the Andhra Pradesh Public Employment (Requirements as to Residence) Rules, 1959. But, in view of the judgement of the Supreme Court D. 28-3-'69 declaring the relevant provisions of these rules as ULTRA-VIOLENT the Constitution of India, the question of implementation of the orders does not arise now.

(b) A copy of the orders issued by the Government regarding replacement of non-entitled persons appointed in the posts reserved for Telangana persons in the Telangana area along with a copy of the Agreement entered into between the Leaders of Andhra and Telangana at the time of formation of Andhra Pradesh are placed on the Table of the House.

Government of Andhra Pradesh

General Administration (S. R.) Department.

Memorandum No. 1968/5R/68-?, dated 10th July, 1968.

Sub: Andhra Pradesh Public Employment (Requirement as to Residence) Rules, 1959—Appointment of No-entitled persons in the posts reserved for Telangana persons in the Telangana area—Orders.

The Government have reviewed the working of the Andhra Pradesh Public Employment (Requirement as to Residence) Rules, 1959, and direct as follows:—

1. that all vacancies arising in posts within the Telangana area specified in the Rules shall remain unfilled, if qualified candidates possessing the residence qualification prescribed under rule 8 of the Rules be not available;
2. that all outside candidates, who have been appointed to the aforesaid posts in Telangana area, subject to the condition that they shall be replaced by qualified candidates possessing the prescribed residence qualification as and when they become available, shall be replaced by candidates possessing such qualification within a period of 3 months; and in cases where they be not so replaced, the concerned departments should submit reports to the Government in General Administration (O. L. & R C) Department indicating—

(a) the efforts made to secure the services of candidates possessing the residence qualification for replacing the outside candidates; and

(b) the prospects of securing such candidates in the near future, and

3. that no relaxation shall hereafter be made of the Andhra Pradesh Public Employment (Requirement as to Residence) Rules, 1959.

The Departments of the Secretariat and the Heads of Departments are requested to follow the above orders strictly.

The receipt of this Memorandum should be acknowledged.

M. T. RAJU,
Chief Secretary to Government.

PAPERS LAID ON THE TABLE OF THE HOUSE
(Vide L. A. Q. No. 7268 (Starred) [* 182]

Terms of Agreement entered into by the Leaders of Andhra and Telangana Regions at the time of Formation of the Andhra Pradesh State.

A. Regional Standing Committee:—

(1) There will be one legislature for the whole of the Andhra Pradesh State which will be the sole law-making body for the entire State and there will be one Governor for the State aided and advised by a Council of Ministers responsible to the State Assembly for the entire field of administration.

(2) For the more convenient transaction of the business of Government with regard to some specified matters, the Telangana area will be treated as a region.

(3) For the Telangana region there will be a Regional Standing Committee of the State Assembly consisting of the members of the State Assembly belonging to that region including the Ministers from that region but not including the Chief Minister.

(4) Legislation relating to specified matters will be referred to the Regional Committee. In respect of specified matters proposals may also be made by the Regional Committee to the State Government for legislation or with regard to questions of general policy not involving any financial commitments other than expenditure of a routine and incidental character.
Oral Answers to Questions.

(5) The advice tendered by the Regional Committee will normally be accepted by the Government and the State Legislature. In case of difference of opinion reference will be made to the Governor whose decision will be final and binding.

(6) The Regional Committee will deal with the following matters:

(i) Development and economic planning within the framework of the general development plans and policies formulated by the State Legislature;

(ii) Local Self-Government, that is to say, the constitutional powers of Municipal Corporations, Improvement Trusts, District Boards, and other district authorities for the purpose of local self-government or village administration;

(iii) Public health and sanitation, local hospitals and dispensaries;

(iv) Primary and Secondary Education,

(v) Regulation of admissions to the educational institutions in the Telangana region;

(vi) Prohibition;

(vii) Sale of agricultural lands;

(viii) Cottage and small-scale industries; and

(ix) Agriculture, Co-operative Societies, Markets and Fairs.

Unless revised by agreement earlier this arrangement will be reviewed after ten years.

B. Domicile rules:—A temporary provision will be made to ensure that for a period of five years, Telangana is regarded as a unit as far as recruitment to subordinate services in the area is concerned; posts borne on the cadre of these services may be reserved for being filled by persons who satisfy the domicile conditions as prescribed under the existing Hyderabad rules.

C. The position of Urdu:—The Government of India would advise the State Government to take appropriate steps to ensure that the existing position of Urdu in the administrative and judicial structure of the State is maintained for a period of five years.

D. Retrenchment of surplus personnel in the new State:—Government of India do not anticipate any retrenchment. The intention is that so far as possible, the service personnel from the Hyderabad State should be automatically integrated into the services of the enlarged State without any process of screening. Should, however, any retrenchment be found necessary, the entire personnel of the services of the enlarged State will be treated on an equal footing.

E. Distribution of expenditure between Telangana and Andhara Regions:—Allocation of expenditure within the resources of the State is a matter which falls within the purview of the State Government and the State Legislature. Since, however, it has been agreed to between the representatives of Andhra and Telangana that the expenditure of the new State on central and general administration
should be borne proportionately by the two regions and the balance of income from Telangana should be reserved for expenditure on the development of Telangana area, it is open to the State Government to act in accordance with the terms of this agreement in making budgetary allocations. The Government of India propose to invite the attention of the Chief Minister of Andhra to this particular understanding and to express the hope that it would be implemented.

should be borne proportionately by the two regions and the balance of income from Telangana should be reserved for expenditure on the development of Telangana area, it is open to the State Government to act in accordance with the terms of this agreement in making budgetary allocations. The Government of India propose to invite the attention of the Chief Minister of Andhra to this particular understanding and to express the hope that it would be implemented.

TAKING OVER OF RAJOLIBANDA HEAD WORKS BY THE CENTRE

* 356 (12.18) Q.—Sri P. Subbaiah:—Will the hon. Minister for Irrigation be pleased to state:

(a) whether our State Government urged the Centre that the Rajolibanda Head-works may be taken over by the Centre, and

(b) if so, what is the result?

Sri S. Sidda Reddy:—(a) Yes, Sir.

(b) The reply from the Government of India is still awaited.

Sri S. R. Kishore:—(a) Whether the Centre has sanctioned the project of Rajolibanda Head works? What is the amount invested?

(b) What is the progress of the project? How much funds have been released?

Sri Sidda Reddy:—(a) The Centre has sanctioned the project.

(b) The progress of the project is as follows:
- Amount sanctioned: Rs. 7000 lakhs.
- Amount released: Rs. 1500 lakhs.
T.T.D. PUBLICITY OFFICERS

195—
* 72 (7479) Q.—Sri P. O. Satyanarayana Raju (Yemmiganur):—
Will the hon. Minister for Endowments be pleased to state:

(a) the number of Tirumala-Tirupathi Devasthanams Publicity Offices situated outside our State;

(b) the places where they are located; and

(c) the staffing pattern of the Publicity Office?

The Minister for Endowments (Sri R. Ramalinga Raju):—(a) 7 Offices.

(b) They are located at Bombay, Tiruchirapalli, Devangiri city, Madur, Mangalore, Madras and Bangalore.

(c) The staff pattern is as follows:

certain conditions. The Government of India have since agreed to establish an airfield themselves on the same land for use by the Indian Airlines Corporation. The Government have conveyed their consent to the Government of India to make the land available to them free of market value. The Collector to Chittoor has since resumed possession of the land from M/s Southern Air, by terminating the lease. Action is being pursued to hand it over to the Government of India, Civil Aviation Department. It is hoped that the Indian Airlines Corporation will be able to include Tirupathi in its air map as soon as the preliminary arrangements are complete.

Special Levy on Lands under Nagavali Right Canal

(a) whether it is a fact that an amount of seven and a half rupees of additional special levy besides the original land revenue has been excluded on the lands under the new irrigation projects viz., Nagavali right canal, Onigodda anicut, Seethanagaram anicut and Narayana puram anicut in Srikakulam District;

(b) whether the Government are aware of the fact that besides the land revenue the special levy of seven and a half rupees is being collected on the project lands in the said district;
(c) whether the Government will issue immediate orders to exclude the additional levy of Rs. 7.50 on the project lands and collect only twice the land revenue, according to the G. O.?

Sri P. Thimma Reddy:—(a) Yes, Sir.
(b) Yes, Sir.
(c) Orders have been issued in G. O. Ms. No. 16-Rev. Dated: 7-1-1969, withdrawing the additional levy of Rs. 7.50 per acre being imposed on the lands under irrigation project.

Oral Answers to Questions.

(a) Whether, the Panchayat Samithis of Vardhanapet, Dharmsagaram, Ghanapuram, Cheriyal, Mulug, Sargham, Jagargud, Pedda Pendyale in Warangal District have passed and submitted resolutions requesting for the Protected Water Supply Schemes; (b) if so, the names of the villages in which survey etc. have been conducted and the stage at which the same stand at present; and (c) when the same will be taken up?

The Minister for Panchayati Raj (Sri T. Ramaswamy):—(a) No, Sir. (b) The Government sanctioned 47 protected Water Supply Schemes for investigation and 6 Schemes for execution in Wardhanapet, Ghanapur, Cheriyal, Mulug and Sangam Panchayat Samithies in Warangal District. A statement showing the present stage of these schemes is laid on the Table of the House. (c) Out of the 6 schemes sanctioned for execution 3 schemes viz., Veilairi Buchannapet, and Hasanaparthy are under execution. The schemes sanctioned for investigation are under different stages of investigation. These schemes will be considered for according sanction for execution as and when adequate funds become available.

Oral Answers to Questions.  23rd August, 1969.

188 -

49 (7045) Q.—(a) Sarvasri Teegala Satyanarayana Rao and R Mahananda:—Will the hon. Minister for Panchayati Raj be pleased to state :

(a) whether it is a fact that for want of co-ordination between the railway engineer and the Civil Engineer the laying of pipeline for new Mahbubabad from the old Mahbubabad Panchayat (Warangal district) to which water is being supplied under the protected water supply scheme is being delayed in view of the fact that the railway line is situated in between the two; and

(b) whether there is any possibility of supplying water shortly to the public of new Mahbubabad; and

(c) if so, how much time will it take?

Sri T. Ramaswamy:—(a) The Railway authorities have agreed, after a correspondence of two years to take up work on emergency basis. The Railway Department has since completed the construction of Culverts across the railway line and the Public Health Engineering Department has also completed laying pipelines through these culverts.

(b) and (c): Yes, Sir.

Water supply has been commissioned to the Mahbubabad town.
TRANSFER OF TEACHERS

189—

(a) whether there is any provision in the Rules that teachers belonging to Municipalities can be transferred to Panchayat Samithis, even without the consent of the teachers or the concerned Samithis;

(b) whether there is any complaint received from some of the teachers of Kavali Municipality, Nellore District, about their irregular transfer to Kavali Samithi, in the month of September and October, 1968;

(c) whether the Kavali Samithi admitted them; and

(d) if not, who has to pay the salaries to them for this gap period?

The Minister for Education (Sri P. V. Narasimha Rao):—(a) There is no provision in the Rules for the transfer of teachers belonging to Municipalities to the Panchayat Samithis, or Vice versa as these two are separate independent autonomous bodies, and neither transfer, nor surrender of any teacher can be effected from any one of these bodies to the other; and much loss, without the consent of the teachers, and the institutions.

(b) No complaints were received from any of the teachers of Kavali Municipality regarding their irregular transfer to Kavali Panchayat Samithi, in the months of September and October, 1968 or subsequently. Two teachers Sri K. V. Subbaiah and Smt. T. Kuppamma were however surrendered by the Kavali Municipality to the Kavali Panchayat Samithi with effect from 1-9-1968.

(c) The Panchayat Samithi did not admit these teachers.

(d) The two teachers were taken back to the Municipality with effect from 1-12-1968. As the teachers were transferred to the Municipality along with all the schools lying within the limits of the Kavali Municipality, as early as 31-8-1968. (A. N.) and as the schools have been taken over once, along with the staff then existing, the Municipality has to pay the salaries to the teachers during the gap period.
Oral Answers to Questions. 23rd August, 1969.

NELLORE MILK SUPPLY SCHEME

190—

* 802 (1969) Q.—Sri R. Mahananda:—Will the hon. Minister for Agriculture be pleased to state:

(a) what is the expenditure incurred on the Milk Supply Scheme started at Nellore now and, if so, how much milk is produced and released and whether it is sufficient for the consumption of the town;

(b) whether there will be preference in supply of Milk to be furnished, other than Hotels and other business concerns; and

(c) whether there is any proposal to expend this, so that supplies can be made to the nearby industrial town like Gudur?
The Minister for Agriculture (Sri K. Venkataratnam):—(a) An expenditure of Rs. 8.48 lakhs has been incurred on the Milk Supply Scheme at Nellore and a quantity of 1,800 litres of milk which is produced at present, is not sufficient to meet the demands of the town.

(b) Yes, Sir.

(c) The extension of sales to Gudur town will be considered during the next flush season provided the procurement of milk improves and economics of transport and distribution are favourable.
112 23rd August, 1969.

Oral Answers to Questions.

MILK FACTORIES

191—

*795 (1080) Q.—Sri G. Shiah:—Will the hon. Minister for Agriculture be pleased to state:

(a) how many milk factories are now working in the State and their places, how much milk is collected or produced in each such units per units per day;

(b) how many new milk factories are coming-up in the State; give the names of the places and amount that would be spent on each such factory and the amount that has already been spent and the present progress of each factory; and

(c) whether the Government will consider to start one such milk factory at Tirupathi, and if not, the reasons therefor:

Sri K. Venkataratnam:—The answer is placed on the Table of the House.

ANSWER PLACED ON THE TABLE OF THE HOUSE
(Vide L.A.Q. No. 1960) (Starred) ["191"

A:—

(a) There are four Milk Dairies now working in the State. The details of the quantities of Milk produced in these units are furnished below:

1. Hyderabad Central Dairy 50,000 litres per day.
2. Visakhapatnam Dairy 2,000 litres per day.
3. Nellore Dairy 1,200 litres per day.
4. Warangal Dairy (Commissioned on 10-3-1969). 300 (to start with)
5. Chilling Centres in the Vijayawada area at Hanuman junction Veerankilook, Pamarru and Gudlavalleru 46,000 litres per day.

(b) Two new milk dairies are coming up in the State as shown below:

Name of Dairy. Progress of work.
1. Chittoor Civil works are completed. Erection of Dairy equipment is in progress.
2. Rajahmundry Civil works completed. Erection of Dairy equipment is in progress.
Oral Answers to Questions. 23rd August, 1969.

The particulars regarding the estimated cost on each of the above Dairies and the amount so far spent are furnished in the statement enclosed.

(c) No, Sir. It is proposed to supply pasturised milk to Tirupathi town from the Chittoor Dairy which is proposed to be commissioned in June, 1969.

TAX ON LOCAL LORRIES

192—

*129 (1559) Q.—Sri Ahmed Hussain (Sitarambagh):—Will the hon. Minister for Transport be pleased to state:

(a) whether Government is considering a proposal to reduce the rate of tax on local lorries of Hyderabad;

(b) if so, what will be the rate of tax of the reduction; and

(c) whether it is a fact that Secretary Regional Transport Authority, Hyderabad, and Commissioner, State Transport Authority, Andhra Pradesh, have recommended strongly to reduce the rate on local lorries.

The Minister for Transport (Dr. M. N. Lakshminarayya):—

(a) No, Sir.

(b) Does not arise.

(c) It was recommended that old vehicles playing locally may be given some tax concession.

*639 (7257) Q.—Sri N. Raghava Reddy:—Will the hon. Minister for Municipal Administration be pleased to state:

Reduction of Tax by Vizag Municipality

193—

*689 (7287) Q.—Sri N. Raghava Reddy:—Will the hon. Minister for Municipal Administration be pleased to state;
The Government have suggested to
Vasai Municipal Corporation to increase the Municipal taxes in the case of C. I. O. and F. M. Affairs from Rs. 78 lakhs to 2½ lakhs.

(a) If so, the reasons therefor, and
(b) the amount of profit earned by the said factory last year?

The Minister for Municipal Administration (Sri N. Chenchurama N. 2s.): (a) No, Sir.

(b) Does not arise.

(2) According to the information furnished by the Company, the profit earned by it for the year ending September 30, 1967 are as follows:

| Gross Profit | Rs. 29,23,133 |
| Net Profit   | Rs. 6,39,100  |

Mr. Speaker:—Questions and Answers are over. Answers for the other questions will be laid on the Table of House.

Now, there is a short notice question standing in the name of Smt. T. N. Anasuya Devi and Sri A. Narasinga Rao.

SHORT-NOTICE QUESTION AND ANSWER

DROUGHT CONDITIONS IN CHITTOOR DIST.

S. No. 210—A.

S.N.O. No. 1723-R (S.N.O) Smt. T. N. Anasuya Devi (Thamalaell) and Sri A. Narasinga Rao (Manapalle):—Will the Hon. Minister for Revenue be pleased to state:

(a) Whether the Government has received any reports either from officials or from Non-officials regarding the failure of rains scarcity of drinking water, fodder and non-agricultural operations in Western taluks and specially in Manapalli taluk in Chittoor district; and

(b) If so, the action taken by Government to meet the situation?

Sri P. Thimma Reddy:—(a) Yes, Sir.

(b) All the required relief measures to mitigate the sufferings of the affected people have already been taken, in all the districts including Chittoor district. However, the situation is being carefully watched.

Written Answers to Questions.

**23rd August, 1859.**

194—

*220 (6149) Q.—Sri Badrivishal Pitti:—Will the hon. Minister for Municipal Administration be pleased to state:

(a) whether the Government are aware of the fact that the Defence Forces and diverting the dam and wastage into the Musi river near Ganaipeta and;

(b) if so, is it not a threat to the health of the public of Nandi Muslaiguda, Athapur and Carvan who depend on the river water for drinking purposes?

A:—

(a) and (b): The residents of Attapur only are dependents upon the river water of Musi. The residents of Nandi Muslaiguda drink well water and that of Karwan drink tap water. The Government and also the Commissioner, Municipal Corporation of Hyderabad have addressed the Military authorities to put an end to this unhealthy practice of letting out the sullage water into Musi river.
Written Answers to Questions.  23rd August, 1969.  27

TRAINING TO LECTURERS BY PATEL CHEST INSTITUTE, NEW DELHI

197—

* 716 (4689) Q.—Sri Vavula Gopalakrishnayya:—Will the hon. Minister for Health and Medical be pleased to state:

(a) whether the Government are aware that Dr. D.M. Swapurn, Assistant Director, Patel Chest Institute, New Delhi has invented a new remedy for Asthma and invited consultants and lecturers of Medical Colleges for undergoing training (See Indian Express 6-5-1968); if so, whether our Government have deputed anyone; and

(b) if not, whether the Government will consider the proposal now?
A:—

(a) No invitation has been received from the Patel Chest Institute, New Delhi. None of the Medical Officers of this State has asked for deputation.

(b) Does not arise.

YELLAREDDY GOVERNMENT HOSPITAL

168—

* 624 (6980) Q.—Smt. J. Eswari Bai:—Will the hon. Minister for Health and Medical be pleased to state:

(a) the date of construction of the Government Hospital, building at Yellareddy taluk proper and whether the accommodation is sufficient to meet the growing needs of the population; and

(b) whether there is any proposal to extend the building and the bed strength?
A:—

(a) The Hospital building was constructed in 1929. The accommodation is not sufficient to meet the growing needs of the population.

(b) A proposal for construction of 23 bedded ward was deferred for better times due to paucity of funds.

RESERVE FUND OF ELECTRICITY BOARD

199—

* 211 (4510) Q.—Sri Dhanenku Narasimham:—Will the hon. Minister for Power be pleased to state:

(a) the amount of reserve fund now with the Electricity Board; and

(b) whether the Board has spent it; and

(c) if so, for what purpose?
A:—

The matter relates to the Andhra Pradesh State Electricity Board.

As, according to the Balance Sheet of the Andhra Pradesh State Electricity Board as on 31st March, 1968 an amount of Rs 4.29 crores has been mandated towards General Reserve. The provision for General Reserve has been made only to conform to the form prescribed for presentation of Annual Accounts. A loss of Rs. 22.50 crores has also been indicated on the Assets side of the Balance Sheet under the head 'Net Revenue and Appropriation Account'. The amount appearing under General Reserve therefore is not available as funds that can be spent.

(b) and (c) Do not arise.

ELECTRIC CHARGES FROM AGRICULTURISTS

200—

* 515 (2516) Q.—Sri D. Venkatesam:—Will the hon. Minister for Power be pleased to state:

Is there any proposal before the 'Government to collect the electric charges from agriculturists once in four months as is being done in Madras State in view of the non-assured income to ryots every month?

A:—

No, Sir.

WAGES OF SINGARENI COLLIES CO.,

201—

* 430 (1615) Q.—Sri R. Mahananda:—Will the hon. Minister for Labour be pleased to state:

(a) whether the Singareni Collieries Co., Ltd., is implementing the Wage Board proposals recommended by the Central Government in regard of wages;

(b) if so, what are the recommendations of the Wage Board, that have been implemented till now; and

(c) whether these proposals of the Wage Board, are binding on the Singareni Collieries Company Ltd.,

A:—

(a) Yes, Sir.

(b) All the recommendations of the Wage Board for Coal Mining Industry except the one relating to the payment of variable Dearness Allowance have been implemented by the management.

(c) No, Sir.

SUSPENSION OF WORKERS IN AJAM JAHI MILLS

202—

* 1004 (1528-V) Q.—Sarvasri P. Subbaya and N. Raghava Reddy:—Will the hon. Minister for Labour be pleased to state:
Written Answers to Questions.  23rd August, 1969.  41

(a) whether it is a fact that 27 workers in Azam Jahi Mills' Warangal were suspended from duty from 27-11-1968;
(b) if so, the reasons therefor; and
(c) the action taken by the Commissioner of Labour so far in this regard?

A:—

(a) 23 and not 27 workers were suspended by the Ajam Jahi Mills, Warangal on 27-11-1968.
(b) These 23 workmen were suspended for their refusal to work overtime when asked to on 27-11-1968. Moreover, it is alleged that the workmen in Frames Department of the Mills were adopting go-slow for some time;
(c) Suspension pending enquiry does not constitute an industrial dispute. No action was therefore taken. The workers have also not approached the Labour Department in this regard so far.

DEFORESTATION OF CHATTU THANDA

203

*696 (1259) Q.—Sri P. Subbaiah:—Will the hon. Minister for Forests be pleased to state:
(a) whether the State Government ordered for deforestation of Chattu Thanda, Markapur Taluk, Kurnool Dist.; and
(b) if so, were lands in the said forest area assigned to the sugalis of that thanda?

A:—

(a) and (b):—The Government in the year 1959 issued orders for disreservation of an area of 200 acres in Domal Forest Range and for placing the same at the disposal of Revenue Department for assignment to sugalis of Chattu Thanda, but these orders were cancelled by the Government in 1962, and no lands were actually disreserved and assigned to the Sugalis. The Sugalis are however being permitted to cultivate the lands to an extent of 200 Acres on an yearly lease basis.

NEWS AGENCIES

204

*22 (611) Q. Smt. J. Eswari Bai:—Will the hon. Minister for Information and Public Relation be pleased to state:
(a) the number of news agencies functioning in our State at present and how many of them are given Government aid during 1967-68 and 1968-69;
(b) the names of agencies which are not given the aid; and
(c) whether the aid to any new agencies have been withdrawn and if so the reasons therefor?

A:—
42 23rd August, 1969. Written Answers to Questions

(a) 1. The following news agencies are functioning in the State:
   i. Press Trust of India.
   ii. Associated News Service.
   iii. United News of India.
   iv. Deccan News Service
   v. Bharat News Agency.
   vi. Hindustan Samachar.
   vii. India News Feature Alliance.
   viii. "Samachar Bharathi" is having only a representative at Hyderabad.

2. None of the news agencies is given any aid.

(b) and (c) Do not arise.

INDUSTRIAL CO-OPERATIVE BANKS

205—

*388 (1577) Q.—Sri P. O. Satyanarayana Raju:—Will the hon. Minister for Small Scale Industries be pleased to state:

(a) whether there are any proposals before the Government to start Industrial Co-operative Banks in our State:

(b) if so, when are they likely to be started:

(c) the investment likely to be made in the proposed banks?

A:—

(a) No, Sir.

(b) and (c): Do not arise.

TIMBER CUTTING MACHINE TO GOLDSMITHS OF RAVIVALASA

206—

*1028 (2428-V) Q.—Sri M. Venkatarama Naidu:—Will the hon. Minister for Small Scale Industries be pleased to state:

(a) whether a timber cutting machine has been supplied to the Goldsmiths of Ravivalasa, Parvathipuram taluk, Srikakulam district with Government loan assistance;

(b) the condition of that machine at present;

(c) whether some other private merchant has requested for licence to establish a timber cutting machine at Veeraghattam which is at a distance of four miles from Ravivalasa; and

(d) whether licence has been sanctioned to him?
Written Answers to Questions. 23rd August, 1969.

A :—

(a) 17 displaced goldsmiths have been sanctioned a loan of Rs. 1,000 each during the year 1966-67. They have formed into an Industrial Co-operative Society (Carpentry), with a share capital to the extent of Rs. 17,000. The Society has purchased a Timber cutting Machine and installed the same.

(b) The condition of the machine is good. It is also working for the last one month.

(c) M/s. Srinivasa Saw Mill, Veeraghattam has been registered under Small Scale Industry. The unit has applied for Band Saw Machine on Hire Purchase system and application has also been recommended to the National Small Industries Corporation, New Delhi. The machine is not yet supplied by N. S. I. C.

(d) The private unit has been registered as a small Scale Industrial Unit.

CONSTRUCTION OF A DAM TO KIRABUGEJDA

207—

* 454 (2036) Q.—Sri Ch. Malikarjuna :—Will the hon. Minister for Minor Irrigation be pleased to state:

(a) whether there is any proposal to construct a dam to Kirabugedda in Sarabavaram part of Yellavaram taluk, East Godavari district, if so, the height of the dam;

(b) whether the Government are aware of the fact that in case the height of the dam is raised to five more feet, an additional extent of two thousand acres of land can be brought under cultivation and second crop also can be raised in the entire area;

(c) whether the Government propose to reinvestigate the proposed dam and take steps to dig three canals from Kirabandam to Damalapalem and to supply water to the lands; and

(d) whether the Government propose to construct a dam to the Gedda near Pathikinda and supply water to the lands in Labbarthi and Nellibatha villages?

A :—

(a) The hon. Member is presumably referring to Maderu river as Kirabugeda, if so, the answer is in the affirmative. The height of the anicut is 4 ft. 6 inches.

(b) Though the height of the anicut is increased, it will not bring in any extra ayacut.

(c) No, Sir.

(d) Yes, Sir.

REPAIRS TO CHOUTA VENKATAMMA TANK

233—

* 311 (7539) Q.—Sri N. Raghava Reddy :—Will the hon. Minister for Minor Irrigation be pleased to state:

(a) whether it is a fact that an amount of Rs. 10,000 was sanctioned second time towards the repairs of Chouta Venkatamma tank Dandempalli in Nalgonda taluk within a few months after the completion of the work previously sanctioned and spent Rs. 10,000;

(b) if so, the reasons for the same;

(c) the extent of the ayacut under the said tank; and

(d) whether the expenditure incurred on the said tank is remunerative?

A:—

(a) No, Sir.

(b) Does not arise.

(c) 102 acres and 25 guntas.

(d) The repairs carried out are of emergent nature purely meant to safeguard the tank and avert damages.

EXPORT OF MICA

209—

* 412 (1707) Q.—Sri T. C. Rajan:—Will the hon. Minister for Commerce be pleased to state:

(a) whether it is a fact that the production and export of Mica from Andhra Pradesh show down-ward trend; and

(b) if so, the reasons thereof?

A:—

(a) and (b) Yes, Sir. Most of the mines are not productive. Working of Mica mines involve huge expenditure for the installation of modern machinery and appointment of technics personnel and skilled labour. Further, on account of the strict implementation of the provisions of the Metalliferrous Regulation Act, some of the mine owners have stopped mining operations. Though several entrepreneurs get fresh mining leases, their enthusiasm in the industry is lessenng as the mica mining is associated with great risk due to the uncertainty of the occurrence and production of mica. In view of the above facts, several people who enter the industry fresh are not sticking on to it.

The export of mica from Andhra Pradesh shows down-ward trend due to increasing cases of production, working out greater depths, growing costs of equipment and wages and rigid tax policies. Further, release of stock pole by United States of America and finding of substitutes have affected export adversely.

EXPORT OF ROSE FLOWERS

210—

* 465 (2087) Q.—Sri P. O. Satyanarayana Raju:—Will the hon. Minister for Commerce be pleased to state:
The Andhra Pradesh Co-operative Societies (Second Amendment) Bill 1969.

(a) whether there are any proposals to export Rose flowers from our State to Foreign Countries; and
(b) if so whether any survey has been made to see the potentiality?
A:

(a) and (b) No, Sir. Rose flowers cannot be exported because of their perishability, so no survey has been made.

ANNOUNCEMENT

re: CONSTITUTION OF THE COMMITTEE ON GOVERNMENT ASSURANCES

Mr. Speaker:— Under Rule 202-B of the Andhra Pradesh Legislative Assembly Rules, I nominate the following members to the Committee on Government Assurances for a period of one year:

Sri Kamaluddin Ahmed.
Sri P. Laxman Rao.
Sri Chinta Ramachandra Reddy.
Sri T. C. Rajan.
Sri G. Bhoopathi.
Sri D. Venkatesam.
Sri G. Siviah.

Under Rule 202-C of the Andhra Pradesh Legislative Assembly Rules, I nominate Sri Kamaluddin Ahmed as the Chairman of the Committee on Government Assurances.

GOVERNMENT BILL

Mr. Speaker:— I now call upon the Chief Minister to move the Motion for leave to introduce the Andhra Pradesh Co-operative Societies (Second Amendment) Bill, 1969.

Sri K. Brahmananda Reddy:— Sir, I beg to move:

"That leave to introduce the Andhra Pradesh Co-operative Societies (Second Amendment) Bill, 1969, be granted."

Mr. Speaker:— Motion moved.

(Pause)

Mr. Speaker:— The question is:

"That leave to introduce the Andhra Pradesh Co-operative Societies (Second Amendment) Bill, 1969, be granted."

The motion was adopted.
BUSINESS OF THE HOUSE

Sri C. V. K. Rao:— Sir, I have given notice of a Privilege Motion which reads as follows:

"On 14-8-69 when the joint session of the State Legislature was being held just as the Governor was delivering his Address certain...

Mr. Speaker:— Mr. Rao, I do not want to be reminded at all. This is the second or third time you are reminding. If the ruling is ready to be announced on the floor of the House, I would have given. The ruling is not yet ready. As soon as it is ready, I will announce it. Why are you anxious about it?

Sri C. V. K. Rao:— If it is delayed, it will become infructuous. But I must take care of the notice that I have given. I thought the ruling was ready. If there is delay, my motion will become infructuous and the importance of it will be lost. It is only intended to create a harmonious atmosphere in the State.

Mr. Speaker:— If that is so, I would have given my ruling the very next day.

Sri C. V. K. Rao:— Very well. It is important. I think you have concealed it. Please pardon me for saying so.

Mr. Speaker:— That is what you think. I do not make any distinction between one member and another. I consider everything as equally important or equally not important. Leave it to me, I will announce it at the appropriate time.
Mr Speaker:—In this House, there are members who represent as many as about 6 or 7 All-India recognised parties: Swatantra, C.P.I., C.P.I.- (M), Jana Sangh, Republican Party, Socialist Party— I think these are the parties. None of these parties has got sufficient number of members to be recognised as an official opposition party. Some members who got themselves elected as Independents formed themselves into a group and gave it some name Jana Congress or P.D.P., etc. Even then, inspite of their grouping, that particular party has not sufficient number of members to be recognised not even as an official opposition group. Now, this Swatantra party, Jana Congress formed themselves into a group and they wanted their party named as Democratic Front to be recognised as Opposition Party. I did not recognise it as Opposition Party; it was recognised only as an Opposition Group in the beginning. Then I said : “Accordingly, the Democratic Front shall function as the main Opposition Group inside the House and be eligible to all the facilities allowed to the main Opposition Party”, because that Group had the largest number of members in the Opposition. Now again that has broken up, and I do not know if after sometime it may still further break up, or some others might even join it.

Mr Speaker:— You belong to one party yourself. I only consider you as an Opposition Individual.

PRESENTATION OF THE ANNUAL FINANCIAL STATEMENT (BUDGET) FOR 1969-70.

Mr. Speaker:—Now it is time for the Budget to be presented. I will consider this point later. Now Sri Vijayabhisakara Reddy will please present the Budget for the year 1969–70. Please have the copies of the Speech distributed.
23rd August, 1969.

The House then adjourned till Half past Eight of the Clock on Thursday, the 28th August, 1969.

A P P E N D I X

SIR,

I rise to present the Final Budget of Andhra Pradesh for the year 1969-70.

When the 'Vote on Account' was taken in the last Session we had expected that the Award of the Finance Commission would have been received and the size of the Plan determined before the presentation of this Budget. We had also hoped that the principles of allocation of Income and expenditure between the two regions would be finalised in the meantime. Unfortunately, these expectations have not yet materialised. We have therefore to content ourselves in the Budget merely with revisions of estimates in the light of Preliminary Accounts for 1968-69 and latest forecasts of receipts and expenditure. Hon'ble Members will now have an opportunity to discuss the individual demands on grants which cover the expenditure incurred during the 'Vote on Account'.

REVIEW ON ECONOMIC TRENDS

On the agricultural front, there have been several setbacks during the year 1968-69. The failure of the monsoon in the first three months of the Agricultural year 1968-69 severely affected the Kharif sowings and transplantation of paddy in large parts of the State. Most of the Minor and Medium Irrigation sources in the State were almost dry till the end of August, 1968. The State was next subjected to the ravages of severe cyclones during October and November, 1968 due to which plantations and some standing crops in certain areas of the State, especially, parts of Srikakulam and Krishna districts were affected. In May, 1969, the State was again hit by a cyclone of unprecedented intensity which resulted in serious loss of life and property, and crops over 5 lakh acres were lost or badly damaged. Due to the unfavourable seasonal conditions during 1968-69 the output of food-grains had declined by 15.04 lakh tons as compared to the output in 1967-68 according to the final forecast estimates. The output of rice is estimated to have fallen by 27.8 per cent as compared to the production in 1967-68.

I will now give a brief review of the programmes of the various Departments.

AGRICULTURE

The High Yielding Varieties Programme has gained momentum and it is proposed to bring each year 10 lakh additional acres under this programme. A pilot project for introducing P. 216 F. Cotton and Sea Island Cotton in Tungabhadra Project area in Rabi season is proposed to be launched in the irrigated cotton growing areas. To intensify the measures for control of pests and diseases, one more mobile plant protection squad for each district has also been proposed to be established.
Appendix.

CO-OPERATION

The Co-operative Central Banks have advanced Rs. 25.18 crores between April and November 1968 while the total advances for the previous year amounted to only Rs. 19.47 crores. The overall ending programme of the Co-operative Land Mortgage Banks has increased from Rs. 11.14 crores during 1967-68 to Rs. 17.31 crores during 1968-69.

So far 66 Area Development Schemes have been formulated for land development to be financed by land mortgage banks involving a financial outlay of Rs. 33.93 crores for development of 2.45 lakhs of acres. The Agricultural Refinance Corporation which would provide assistance to the extent of 90% of the outlay, has so far sanctioned 38 schemes covering an outlay of Rs. 14.15 crores. The programme of land mortgage banks for 1969-70 is to issue loans for Rs. 25 crores to develop 2.20 lakhs of acres, of this Rs. 15 crores will be spent on normal development schemes, Rs. 7.50 crores on area development schemes and Rs. 2.50 crores on auxiliary development schemes.

To hold the price-line, Government have taken a number of measures with financial assistance provided by Government of India by organising a chain of consumers' co-operatives in cities, urban and semi-urban areas. Super Bazaars (Departmental Stores) have been set up in the twin cities of Hyderabad and Secunderabad, Visakhapatnam and Kurnool. Departmental Stores are expected to be set up shortly at Guntur, Rajahmundry, Warangal and Kakinada. There are also 27 Co-operative Central Stores functioning in the State. The annual total turnover of the Central Stores including Departmental Stores is around Rs. 460 lakhs.

The Andhra Pradesh Co-operative Societies Act, 1964 came into force on 1-8-1964. Government propose to amend the above Act, to provide among others:

(i) That no person shall be a member of more than two Managing Committee of a Co-operative Societies of which only one shall be an open Society;

(ii) that no person shall hold office as a member of a Managing Committee of a Co-operative Society for more than two consecutive terms; and

(iii) that 90% of the sums borrowed by every primary agricultural credit society shall be disbursed to small farmers towards short-term loans, so that the maximum amount of short term loan to a member shall not exceed Rs. 1,500 for a crop season.

In the same amendment bill, it is also proposed to simplify the procedure for recovery of co-operative dues and to apply the provisions of the Deposit Insurance Corporation Act, 1961 to Co-operative Societies.

ANIMAL HUSBANDRY

Ten Pedigree Jersey Bulls at an estimated cost of Rs. 5 lakhs have been donated by the farmers of Lincolnshire to strengthen the
cross-breeding programme in the state. The construction of the Bacon Factory at Gannavaram has been completed and is now engaged on trial.

**EDUCATION**

**Introduction of Two-year Intermediate Course with effect from 1969-70:** The new pattern of Secondary Education recommended by the Education (Kothari) Commission was already implemented in this State from the academic year 1964-65 when an integrated syllabus was drawn up and introduced from the 6th class of that year. The first batch of students under the new system has completed 10th class in 1968-69. Those who pass out of 10th class examination will be admitted to the two year Intermediate Course. The existing one-year P.U.C. and the first year of the Two-year Intermediate Course will be run concurrently during 1969-70 and there will be no one-year P.U.C. Course from 1970-71. All the existing Higher Secondary and Multipurpose Schools in the State which are not approved for conversion into Junior colleges will be converted into High Schools with effect from 1969-70.

A Separate Board of Intermediate Studies has been constituted for dealing with some aspects of the new pattern of education. The syllabi for the Two-year Intermediate Course have already been finalised.

The Government after examination of the reports of Inspection Committees constituted by the Universities and in consultation with the Director of Public Instruction decided to convert certain schools into Junior Colleges. The Universities have been requested to arrange for adding one or two classes in the existing colleges on account of the introduction of the Two year Intermediate Course from 1969-70 in their colleges also.

Government have issued orders including Telugu medium in the Junior College Course commencing from 1-4-1969. English medium will continue in professional college and also in post-graduate studies for some time to come. In all the Junior colleges the medium of instruction shall be Telugu and in the existing degree colleges there shall be at least one section in Telugu medium besides English medium, as Telugu medium will be gradually taken to degree level. If any college proposes to have any other medium, prior permission of Government has to be obtained.

It is also proposed to introduce Urdu medium at the Intermediate level in some selected institutions.

Recently Government have decided to implement with effect from 1-4-1966 the revised scales of pay recommended by the University Grants Commission and Government of India in respect of the teachers in the three Universities in the State. Also the State Government have made out a convincing case before the Fifth Finance Commission for extra devolution to help them in implementing the recommendations of the Education (Kothari) Commission with regard to pay scales of school teachers. We are hoping that the likely expenditure in this regard has been taken note by the Finance Commission in its Final Award which has been submitted to the President.
Appendix.

23rd August, 1969.

A decision would be taken in this regard in the light of the Final Award of the Finance Commission after it is published.

IRRIGATION

Nagarjunasagar Project:—Work on the Nagarjuna dam is nearing completion. The construction of masonry dam and deck concrete of all the 26 spans of the road bridge has been completed. Construction of parapets, raising of hoist bridge piers to top level, installation of gantry crane etc., are in progress.

Work on the Nagarjunasagar canals is in good progress. Irrigation potential was created for 1 lakh acres in 1963-69, bringing the total to 7.5 lakh acres.

The expenditure incurred on the project up to 31st March, 1969 is Rs. 146.68 crores. The provision made for expenditure on Nagarjunasagar project in 1969-70 is Rs. 10.4 crores, of which Rs. 1.4 crores for Dam, Rs. 8.5 crores for High Canals and Rs. 0.5 crores for Left Canals. It is expected that by November 1969 an additional irrigation potential of 2 lakh acres would be created, bringing the total irrigation potential to 9.5 lakh acres.

Pochampad Project:—Work on the Pochampad dam and canals is in brisk progress.

The expenditure incurred on Pochampad Project from commencement to end of 31st March 1969 is of the order of Rs. 11 crores. The provision made for expenditure on Pochampad project in 1969-70 is Rs. 6 crores. It is also proposed to seek additional Central assistance, to ensure the completion of works to the extent necessary to create irrigation potential for 40,000 acres by June, 1970.

Other Schemes:—The total outlay proposed for 1969-70 for major and minor irrigation schemes is Rs. 947 lakhs. On the Tungabhadra Project High level Canal Stage II, it is programmed to spend Rs. 40 lakhs in Andhra area and Rs. 132 lakhs towards Andhra share of the works in the Tungabhadra Board area totalling to Rs. 172 lakhs on this scheme.

A provision of Rs. 21.84 lakhs is also made for investigation of schemes, Rs. 5 lakhs for Flood Control, Drainage, Water logging and anti-sea erosion work and Rs. 5 lakhs for Engineering Research in the Budget.

In 1969-70 an outlay of Rs. 241 lakhs is proposed for Minor Irrigation Programme to create an additional irrigation potential of 61,000 acres. This outlay includes an amount of Rs. 31 lakhs for taking up minor irrigation works, under Special Telangana Development Schemes.

During the current year, it is proposed to make a start with the Vamsadhara Project Stage I. The Vamsadhara Project has been under consideration for a long time. It is now proposed to have the project in two stages. The estimate for the first stage of the Project comprising the Gotta reservoir and the left bank canal, is ready and will be taken up for execution. The second stage of the project will be considered after investigation is completed.
Puivendl scheme, which will serve the backward Rayalaseema region, has been accorded priority. The process regarding the collection of advance betterment levy has already been initiated and as soon as three-fifths of the first installment of the advance betterment levy, as required under the Andhra Pradesh Irrigation (Betterment Contribution and Advance Betterment Contribution) Act, 1955, is collected, the work will be commenced. The work will be started during the current year. Provision has also been made for Gajulandinne Project which is also situated in a backward area and this medium size project will be taken up for execution this year.

The Godavari barrage scheme has assumed importance in view of the need for replacing the present ancint at Dowlaishwaran, which is more than a century old by a barrage. The scheme has already been notified under the Andhra Pradesh Irrigation (Betterment Contribution and Advance Betterment Contribution) Act, 1955 and three-fifths of the first installment of advance betterment levy has been collected. The scheme will be sanctioned and taken up for execution during the current year.

A tentative provision of Rs. 2 crores has been proposed for 1969-70 for taking up drainage schemes in the Krishna and Godavari Deltas on the assumption that collections of this order would be made under the Andhra Pradesh Irrigation (Betterment Contribution and Advance Betterment Contribution) Act, 1955. However, on account of the recent cyclone, the collection of the cess has been retarded. In view of this, the Government of India have agreed to extend a loan assistance of Rs. 8 crores to enable Government to take up the execution of some of the important and urgent drainage schemes in the delta during this year.

POWER

During the Fourth Five Year Plan we propose to increase the installed capacity by 482.5 M.W. by commissioning Ramagundam Thermal 'B' Station, Kothagudem III Stage and Lower Seleru Hydro Electric Scheme. The available generating capacity by the end of 1968-69 was 380.4 M.W. (as against installed capacity of 643.5 M.W. after making allowance for uneconomic thermal, diesel and gas sets.) The power demand which is now of the order of 430.6 M.W. is likely to increase to about 1107 M.W. by the end of the Fourth Five Years Plan.
Appendix.  

23rd August, 1969.  

The Government propose to lay continued emphasis on rural electrification and to this end, it is proposed to take up electrification of 1,107 new villages and energisation of 40,000 Agricultural pumpsets during 1969-70.

Srisailam Project:—Excavation of foundations in Blocks 7 to 10 has been completed. Work on the filling up of the foundations of the Dam in the deep river portion has also on the construction of road bridge is in progress.

The total expenditure incurred on the Project from commencement to end of March, 1969 is of the order of Rs. 22 crores. A provision of Rs. 3.5 crores is made for this Project in 1969-70.

INDUSTRIES

In order to stimulate rapid industrialisation throughout the State, the Government have decided to offer various facilities and incentives to entrepreneurs wishing to set up industries. It is hoped that this will attract a large amount of investment in the industrial sector in the State.

The State Government are continuing their efforts to persuade the Government of India to rectify the regional imbalance by setting up important Central Sector projects in the State. The Government of India have issued a letter of intent for the Occidental Petroleum Co., U. S. A. to set up a fertiliser factory at Visakhapatnam. We are also pressing the Government of India to establish a coal based Fertiliser factory in the State, considering the importance of utilising our large coal deposits.

Government of India decided in 1964 to set up a Zinc Smelter Plant at Visakhapatnam. The progress of execution has, however, been slow. At the instance of the Government of India, the Polish Consultants have visited Hyderabad and Visakhapatnam and held discussions with the officials of the State Government. It is hoped that this will be included in the Fourth Plan and expeditious action will be taken to set up this project at Visakhapatnam.

Our State Government have also been pressing the Government of India to take an early decision to locate the Fifth Steel Plant in Visakhapatnam, in the light of the recommendations of the Anglo-American Consortium.

The Indo-Nippon Precision Bearings Project in the State Public Sector is making steady progress and it is expected that this will go into production by about March/April 1970. The Republic Forge Company which is also in the State Public Sector has recently gone into production.

In the Small Scale Sector, efforts have been made to organise District Industrial Seminars and intensive campaigns in collaboration with financial institutions like the State Bank of India, State Financial Corporation, etc. As a result of these efforts, the State Bank of India alone has sanctioned advances for working capital to several industries to the extent of Rs. 12 crores in 1968-69 as against Rs. 6.67 crores in 1967-68. The State Bank of Hyderabad has, similarly, sanctioned advances to the extent of Rs. 6.80 crores in the current year as against Rs. 3.62 crores last year.
With a view to augment the supply of water to industries at Visakhapatnam, the Government have sanctioned investigation of the scheme of drawing Godavari water to Visakhapatnam through pipelines. As this will take time and as the need to strengthen the water supply position at Visakhapatnam is immediate, Government have also sanctioned the Mehadri gadda Reservoir Scheme.

ANNUAL PLAN

At the time of the presentation of the Interim Budget, the Chief Minister had mentioned that the exact size of our Fourth Plan was yet to be determined. Subsequently, the Draft Fourth Plan was discussed by the National Development Council in April, 1969 and there was general agreement that the outlay for the State’s Sector was inadequate and that it should be raised. Taking this into consideration it was decided that the Planning Commission would make a re-assessment of resources on the basis of report of the Finance Commission and after considering the question of re-scheduling or rationalisation the liability of States for repayment of debts during the Plan period, it was also decided that the Planning Commission would make necessary recommendations to the National Development Council after further discussion with the State Governments and the Central Ministries. In view of this, the outlay on our Fourth Plan has not yet been finalised. However, in the meanwhile, an outlay of Rs. 87.50 crores has been provided in the Budget for the Annual Plan 1969-1970 taking into account our inevitable commitments in various sectors. Out of this, the Plan outlay on Telangana is Rs. 39.14 crores. The increase in the Plan outlay from Rs. 84.85 crores provided in the ‘Vote on Account’ Budget to the present outlay of Rs. 87.50 crores is due to the funds provided for Special Telangana Development Schemes having been increased from Rs. 6.60 crores to Rs. 9 crores.

The amount of Rs. 9 crores has been allotted at the rate of Rs. 1 crore to each of the 9 districts of Telangana and the schemes to be taken up from this provision have been finalised on the basis of the proposals made by the Zilla Parishads and the recommendations of the sub-committee on Development and the Ad hoc Committee on Planning of the Regional Committee on Planning of the Regional Committee. Besides this, an amount of Rs. 6.60 crores has been allotted for Pochampad Project under Major Irrigation and Rs. 40 lakhs have been provided for improvement of amenities in the twin cities and Rs. 10 lakhs for Visakhapatnam.

REVISION OF SCALES AND ALLOWANCES

Hon’ble Members are aware that an Officers’ Committee was appointed under the Chairmanship of the Chief Secretary to Government to examine the recommendations of the One-Man Pay Commission and submit proposals to Government. After discussing various proposals on the revision of pay scales with the representatives of the main Service Associations, the Officers’ Committee submitted necessary proposals to Government. Based on these proposals Government have revised the existing pay scales of its employees with effect from 1-8-1969, the New Year Day of the current Telugu year. Some of the important features are that:

(1) the existing 143 pay scales have been rationalised into 26 revised classification;
Appendix.  
23rd August, 1969.  

(2) Selection grades have been allowed for each of the revised scale of pay up to twenty classifications; and

(3) The existing employees are allowed to get their pay fixed in the revised scale at the next higher stage plus one weightage increment for a service of 5 years and above in the existing grade.

While the pay scales have been revised upwards with a view to attract the best talent, every one of the existing employees would also get additional benefit as a result of pay fixation in the revised pay scales.

The revision of pay scales for teachers and employees of Local Bodies is under the active consideration of Government and orders are expected to be issued shortly. The State Government have made out a convincing case before the Fifth Finance Commission for reimbursement of the extra expenditure on this account and we are hoping that the entire expenditure would be covered by its Award.

Accounts 1967-68

Revenue receipts and revenue expenditure for the year 1967-68 amounted to Rs. 184.27 crores and Rs. 189.81 crores respectively, thus revealing a deficit of Rs. 5.54 crores. Capital outlay during the year 1967-68 amounted to Rs. 27.33 crores. While the public debt increased by Rs. 40.08 crores, incoming and outgoings under deposits, loans and advances, and other debt heads registered a net outgoing of Rs. 2.28 crores. As a result of all these transactions, the year closed with a balance of Rs. 4.30 crores as against the opening balance of minus Rs. 63 lakhs.

Revised Estimates 1968-69

Revenue Receipts:—Against the original estimate of Rs. 199 crores, the revised estimate in the year 1968-69 stands at Rs. 235.79 crores. There is an improvement of Rs. 36.79 crores in Revised Estimate over the original estimate 1968-69. Out of this, the increase of Rs. 17.70 crores is due to increased receipts under Central taxes and duties (5.80), Land revenue (2.25), State Excise (1.43), Taxes on Vehicles (2.27), Sales Tax (3.85), and others (8.60). The balance of Rs. 19.09 crores comprises Rs. 4.09 crores assistance for centrally sponsored schemes and Rs. 15 crores special grant in lieu of amortisation provision in respect of market loans for the period 1966-67 to 1968-69 paid by ab initio conversion of miscellaneous development loans.

Revenue Expenditure:—The expenditure has risen from Rs. 204.67 crores in Budget Estimate 1968-69 to Rs. 239.27 crores in Revised Estimate 1968-69. The increase of Rs. 34.60 crores is mainly on account of increases under the following heads:

Out of the total revenue expenditure of Rs. 239.27 crores a sum of Rs. 14.68 crores relates to State Plan and Rs. 5.75 crores under Centrally sponsored schemes. The balance of Rs. 218.89 crores represents non-plan expenditure.

**Capital outlay:** — The Budget for 1968-69 provided for the capital outlay of Rs. 38.68 crores. The Revised Estimate has now been placed at Rs. 38.87 crores. There is thus an increase of Rs. 5.19 crores.

**Public Debt:** — The receipts and disbursements in the public debt account for a net increase of Rs. 24.66 crores.

After taking into account the above transactions and those under loans and advances, deposits, etc., the year was expected to close with a minus cash balance of Rs. 0.97 crore.

**BUDGET ESTIMATES 1969-70**

**Revenue Receipts:** — The Budget Estimates 1969-70 envisage a total revenue of Rs. 254.79 crores as against the Revised Estimates of Rs. 235.79 crores for 1968-69, thus recording an increase of Rs. 19 crores which has occurred mainly on account of additional grants-in-aid (Interim Award of Finance Commission) and increased receipts expected under State Share of Union Excise Duty, Taxes on Vehicles, Sales Tax, Interest, etc.

Out of the total Central assistance of Rs. 66.87 crores towards plan schemes inclusive of Rs. 25 crores now assumed, credit for 30% of the total assistance has been taken as grant and the balance as loan as this is the approved pattern of assistance of the Planning Commission from this financial year onwards.

**Revenue Expenditure:** — The expenditure budget provides for Rs. 267.36 crores on revenue account as against Rs. 239.27 crores in the Revised Estimates for 1968-69 resulting in an increase of Rs. 28.09 crores. This increase in mainly due to the following:

1. provision for Plan schemes completed by the end of 1968-69;
2. provision for revision of pay scales and allowances;
3. provision for enhanced rates of dearness allowance sanctioned in February, 1969; and
Appendix. 23rd August, 1969.

(4) provision for normal growth in expenditure on account of grade increments, etc.

Out of the total expenditure of Rs. 257.36 crores the State Plan expenditure is estimated at Rs. 15.97 crores and expenditure. On Centrally sponsored schemes at Rs. 10.78 crores. The balance of Rs. 240.66 crores represents non-plan expenditure which also includes Rs. 13.83 crores towards relief measures on account of cyclones. No schemes of new expenditure outside the plan are included in the Budget Estimates.

Capital outlay. — The Capital outlay on the Plan and Non-Plan schemes will be Rs. 39.74 crores. Principal items of outlay are.

Borrowings — The gross borrowings are expected to be of the order of Rs. 125.58 crores of which Rs. 90.31 crores are proposed to be utilised for repayments of old loans while the balance of Rs. 35.27 crores will be utilised for financing the capital programme. These include temporary ways and means advances and their repayment.

Deposits etc. — Deposits and advances including the Contingency Fund in 1969-70 are expected to result in a net accretion of Rs. 16.50 crores.

Cash Balance.—As a result of the above transactions and transactions in Loans and Advances the year is expected to close with a minus balance of Rs. 20.82 crores.
