Oral Answers to Questions.
12th September, 1949.

1. S. S. Ratnapala — 3rd Floor, 15th Avenue.

2. S. L. Ranaweera — 10th Floor, 25th Avenue. (Secretary)

4. S. L. Ranaweera — 10th Floor, 25th Avenue. (Secretary)

5. S. S. Ratnapala — 3rd Floor, 15th Avenue.

6. S. L. Ranaweera — 10th Floor, 25th Avenue. (Secretary)

8. S. L. Ranaweera — 10th Floor, 25th Avenue. (Secretary)

10. S. L. Ranaweera — 10th Floor, 25th Avenue. (Secretary)

1. Mr. L. Mahendra:— Will the Minister for Railways consider the proposal of the southern railway officials that they should be allowed to purchase horse fodder and cattle feed in bulk, either in Madras or in the port of Beira, Mozambique, as they cannot get the same in the local market?

2. Mr. B. G. R. Murthy:— Those who have got distillation, I think they are using and the rest of course we are releasing for other purposes.

3. Mr. J. V. Narayana Rao:— Those who have got distillation, I think they are using and the rest of course we are releasing for other purposes.

4. Mr. V. Venkatesham:— I am continuing 19 sugar factories.

5. Mr. L. Mahendra:— Those who have got distillation, I think they are using and the rest of course we are releasing for other purposes.

6. Mr. B. G. R. Murthy:— Those who have got distillation, I think they are using and the rest of course we are releasing for other purposes.

7. Mr. J. V. Narayana Rao:— Those who have got distillation, I think they are using and the rest of course we are releasing for other purposes.

8. Mr. V. Venkatesham:— I am continuing 19 sugar factories.

Q. 1. Sri R. Mahananda:—Will the Hon. the Chief Minister be pleased to state:

(a) whether the Yerukala Sangham of Tripurantakam village, Markapur Taluk, Kurnool District, represented to the Government on 24-10-68, 18-11-1968 and on 10-12-1968 requesting to sanction a colonisation scheme for 150 families at Kankanalapalli in the same taluk:

(b) if so, what is the action taken by the Government;

(c) how much land was assigned for one year lease at Kankanalapalli and Mudivemula in Markapur (Taluk) in the months of July 1968 to November, 1968; and

(d) if so, who are they (give their names with extent of land)?

Colonisation Scheme for Yerukala at Kankanalapalli

* 198 (2002) Q.—Sri B. Mahananda:—Will the Chief Minister be pleased to state:

(a) whether the Yerukala Sangham of Tripurantakam village, Markapur Taluk, Kurnool District, represented to the Government on 24-10-68, 18-11-1968 and on 10-12-1968 requesting to sanction a colonisation scheme for 150 families at Kankanalapalli in the same taluk;

(b) if so, what is the action taken by the Government;

(c) how much land was assigned for one year lease at Kankanalapalli and Mudivemula in Markapur (Taluk) in the months of July 1968 to November, 1968; and

(d) if so, who are they (give their names with extent of land)?
The Minister for Irrigation deputised the Chief Minister and answered the question:

(a) Yes, Sir.

(b) The matter is under consideration.

(c) No land was assigned for one year on lease in these villages in the months of July to November 1968.

(d) Does not arise.

(a) The matter is under consideration.

INCLUSION OF NAGUR CONSTITUENCY IN BHRADIGIRI BLOCK

Sri S. Prataparudra Raju (Nagur):—Will the Chief Minister be pleased to state:

(a) whether the Girijan villages in the forest area of Nagur Constituency Srikakulam District will be included in Bhadragiri and Seethampeta Girijan blocks; and

(b) if so, when they will be included?

Sri S. Sidda Reddy:—(a) All the notified agency villages of Nagur constituency were included in Bhadragiri and Seethampeta Tribal Development Blocks. The non-notified agency villages (i.e. villages having tribal concentration) are included in plains blocks viz. Parvathipuram and Kurupam.

(b) There is no proposal at present for inclusion of these non-notified agency villages in the tribal blocks.
Oral Answers to Questions.

12th September, 1949.

What is the basis for inclusion in the agency areas?

Minister be pleased to state;
Oral Answers to Questions

(a) whether any representations have been received from the Bar Council, Kanigiri and other Public Institutions in Nellore District for opening a Sub-Court at Kanigiri; if so, the action taken thereon;

(b) whether the High Court has commended for opening of a Sub-Court at Kanigiri; and

(c) in which Sub-Courts jurisdiction the taluks of Darsi, Podili, and Kanigiri are at present?

The Minister for Education deputised the Chief Minister and answered the question (Sri P. V. Narasimha Rao):—

(a) The matter will be considered by Government at the appropriate time.

(b) No Sir.

(c) The taluks of Darsi, Podili and Kanigiri are under the jurisdiction of Sub-Court, Kavali.

Sri P. V. Narasimha Rao:—No commendation has so far been made for opening a Sub- Court at Kanigiri, by the staff. There is justification for opening a Sub-Court. But at the moment because of financial reasons we have not been able to take up. As soon as the finances permit, we will do it, Sir.

MUNSIFF COURT AT PALMANER

(a) Whether there is any proposal to open a Munsiff Court at Palamaner, Chittoor District?

(b) If so, when?

(c) If not, the reasons therefor?

Sri P. V. Narasimha Rao:—(a) No, Sir.

(b) Does not arise.

(c) Owing to financial stringency the scheme of having Munsiff Magistrate Court in each taluk could not be introduced in Chittoor District.
Oral Answers to Questions. 16th September, 1939.

Mr. S. R. V. Kurup:—(1) Sir, we are aware that there was a Cyclonic Weather; fishermen were forewarned not to go out into the sea till the Weather clears. As there was no distress except loss of earnings for a few days, there was no question of granting relief to all of them, whenever there was damage to the houses of fishermen relief at the rate of Rs. 5/- per victim was granted by the Collectors.

Mr. V. N. Rao:—(2) No representation was received from the fishermen of Kakinada coastal area by the District Collector or Fisheries Department.

The Minister for Revenue (Sri P. Thimma Reddy):—(a) Yes, Sir. As there was Cyclonic Weather; fishermen were forewarned not to go out into the sea till the Weather clears. As there was no distress except loss of earnings for a few days, there was no question of granting relief to all of them, whenever there was damage to the houses of fishermen relief at the rate of Rs. 5/- per victim was granted by the Collectors.

(b) No representation was received from the fishermen of Kakinada coastal area by the District Collector or Fisheries Department.

ADDITION TO COPYRIGHT ACT, 1956.

SIR,—I have actually written to the Department that this may be taken up very early. I have not yet received any news from the Department, Sir.

AID TO CYCLONE-HIT FISHERMEN

SIR,—Will the hon. Minister for Revenue be pleased to state:

(a) whether the Government is aware that due to cyclonic weather conditions in the month of October, 1937, thousands of fishermen families in coastal areas are deprived of their means of livelihood, if so, whether any compensation is provided for the starving families of fishermen in the coastal areas; and

(b) whether Government is aware of the representations made by the Fishermen of Kakinada coastal area to the District Collector and Fisheries Department, if so, what assistance is rendered to them?

The Minister for Revenue (Sri P. Thimma Reddy):—(a) Yes, Sir. As there was Cyclonic Weather; fishermen were forewarned not to go out into the sea till the Weather clears. As there was no distress except loss of earnings for a few days, there was no question of granting relief to all of them, whenever there was damage to the houses of fishermen relief at the rate of Rs. 5/- per victim was granted by the Collectors.

(b) No representation was received from the fishermen of Kakinada coastal area by the District Collector or Fisheries Department.

AYACUT UNDERS N. S. PROJECT

Q.—Sarvasri G. Latchanna (Sompeta) K. Rajnani and D. Satyanarayana (Cherlapalli):—Will the hon. Minister for Irrigation be pleased to state:

(a) the extent under Nagarjunasagar Project on the Right side and Left side;
(b) the extent of acreage under irrigated dry and wet;
(c) the number of acres of land to be irrigated under the Nagarjunasagar Project in Telangana area?

The Minister for Irrigation (Sri S. Sidda Reddy):—(a) Tentatively ayacut localised is 7.74 lakh acres under the Right canal and 8.8 lakh acres under the Left canal.

(b) 4.35 lakh acres wet and 7.70 lakh acres dry under the Right Canal and 8.00 lakh acres wet and 2.80 lakh acres dry under the Left Canal.

(c) Tentatively the extent localised is 3.77 lakh acres, including Left irrigation of 0.50 lakh acres.

3. Oral Answers to Questions.

4. 1. Trany of—

5. 15, September, 1965.

Oral Answers to Questions. 12th September, 1968.

1. Shri V. A. Ramalingeshwaran (Yerwfunugu):—Will the hon. Minister for Irrigation be pleased to state:
(a) whether there are proposals before the Government to construct Balancing Reservoirs under Tungabhadra Project Low Level Canal;
(b) if so, the places where they are likely to be constructed;
and
(c) the cost involved?

Sri N. V. Renuka Reddy:—(a), (b) & (c): There is a scheme, under examination of Chief Engineer (Major Irrigation), for the construction of a balancing reservoir at Rallabaddi, at an estimated cost of Rs. 49.70 lakhs. There is also a proposal to convert the Kasim Saha tank into another balancing reservoir, which is yet to be investigated.

2. Shri V. A. Ramalingeshwaran (Yerwfunugu):—Will the hon. Minister for Health and Medical be pleased to state:
(a) whether it is a fact that the Government has decided to ban private practice by doctors in State Government Service from November 1st, 1968;
(b) whether it is true that the system of 'money doctor' would also be abolished;
(c) the advantages of such a system of banning private practice by Medical Officers?

Sri N. V. Renuka Reddy:—(a), (b) & (c): There is a scheme, under examination of Chief Engineer (Major Irrigation), for the construction of a balancing reservoir at Rallabaddi, at an estimated cost of Rs. 49.70 lakhs. There is also a proposal to convert the Kasim Saha tank into another balancing reservoir, which is yet to be investigated.
24 12th September, 1969.

1. the names of various States which banned private practice and instituted the system of paying welfare and the system of paying welfare grant in aid of private practice and (c) the extra expenditure estimated on account of payment of the non-practicing allowance?

The Minister for Health and Medical (Sri M. Ibrahim Ali Ansari):-(a) and (b) Yes, Sir. Copies of G. Os are placed on the Table of the House.

(c) Several complaints have been received by the Government to the effect that the limited consultation practice allowed under the rules is being abused in a variety of ways and even regular dispensaries etc., are being opened by Medical Officers and they are not attending properly to patients seeking for treatment in the Government medical institutions. The question of prohibiting all kinds of private practice by Medical Officers in Government service has been under consideration of the Government for quite some time past. There has been a demand from some sections in the House also from time to time to curb such malpractices by imposing ban on private practice.

(d) The Government of Punjab imposed total ban on private practice, but it appears from Newspaper reports that the orders are kept in abeyance. No other State appears to have imposed total ban on private practice and established Pay Clinics.

(e) The extra expenditure per year is estimated at Rs. 74.86 lakhs per annum. As previously non-salaried Professors and Assistant Professors, Health Officers were being given N. P. A. costing the State Exchequer Rs. 12.8 lakhs and total expenditure on this account for all the categories of Medical and Health personnel is estimated at Rs. 87.67 lakhs.

G. O. PLACED ON THE TABLE OF THE HOUSE

We answer to L. A. Q. No. 727 (Révised) (PSO)

ORDER:

1. According to rule 18 of the Special Rules for Andhra Pradesh Medical Service, some members of the service are prohibited from engaging themselves in private practice while the rest are allowed only consultation practice. The definition of "consultation practice" is given in the above rule. At no time did the condition of service of Government doctors permit them to engage themselves in unrestricted private practice. Several complaints have been received by the Government to the effect that the limited consultation practice allowed under the rules is being abused in a variety of ways and even regular dispensaries etc., are being opened by Medical Officers and they are not attending properly to patients seeking for treatment in the Government medical institutions. The question of prohibiting all kinds of private practice by Medical Officers in Government service has been under consideration of the Government for quite some time past.

2. The Government have carefully examined the position taking into consideration all the pros and cons and come to the conclusion that there should be a complete ban of private practice. They,

therefore, direct that with effect from 1-11-1969 all categories of Medical Officers in the Medical and Health Department be debarred from private practice i.e., all consultation practice.

3. In view of this ban on private practice and consultation practice and the requirement that these doctors have to discharge other duties i.e., working in Pay Clinics and other similar services involving evening out-patient clinics from time to time that may be catalysed and special allowance at the following rates will be paid to them.

<table>
<thead>
<tr>
<th>Amount of Special Allowance</th>
<th>Maximum limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>All Class I Officers</td>
<td>20% of their basic pay</td>
</tr>
<tr>
<td>(i) Director of Medical &amp; Health Services</td>
<td></td>
</tr>
<tr>
<td>(ii) Addl. Director of Medical &amp; Health Services</td>
<td></td>
</tr>
<tr>
<td>(iii) Dy. Director of Medical &amp; Health Services, Civil Surgeons, and Clinical Professors, etc.</td>
<td></td>
</tr>
<tr>
<td>(iv) Assistant Surgeons, Health Officers &amp; other officers working in similar and equivalent posts.</td>
<td></td>
</tr>
</tbody>
</table>

4. At present the certain class I officers of the medical and public health departments are allowed the scale of pay of Rs. 700-1,100 while others are allowed the scale of Rs. 600-1,000. This difference in the scales of pay of these officers is due to the fact that while the former category is already prohibited from doing any private practice, the latter are allowed compensation. The special allowance payable to an officer drawing the scale of Rs. 700-1,100 shall be so regulated that his total emoluments including this special allowance shall be the same as that of an officer drawing the scale of Rs. 600-1,000. For example an officer drawing a pay of Rs. 700 in the scale of Rs. 700-1,100, will have special allowance of Rs. 200, making a total of Rs. 900 whereas an officer drawing a pay of Rs. 600 in the scale of Rs. 600-1,000 would have Rs. 800, making a total of Rs. 800. Therefore an officer drawing pay of Rs. 600 in the scale of Rs. 600-1,000, on making a total of Rs. 800 with effect from 1-11-1969, the allowance termed as a Non-Private Practice Allowance being drawn by any officer will cease to be so paid.
have to work when they are called up or do so in the Pay Clinics and other clinics proposed to be established at feeding such other duties as may be assigned to them from time to time.

5. At present certain Medical Officers have been permitted to work as Consultants to Public Undertakings and other Autonomous Bodies on certain remuneration. With effect from 1-1-1969, all such arrangements shall be deemed to have been cancelled. Arrangements in the context of the changed remuneration which would be considered on the recommendation of the Public Undertakings and Autonomous Bodies concerned.

6. In case of Government doctors doing part-time work in other Government institutions and non-Government enterprises, the existing arrangements will continue, but the rates of remuneration will be reviewed.

7. With effect from 1-1-1968 all Physical Fitness Certificates and other medical certificates shall be issued only during the working hours of the hospital. The fee for issue of such certificates shall be as follows:

- Physical Fitness Certificate — Rs. 10/- (rupees ten only)

- In respect of any other medical certificates, the fees will be as prescribed in the civil medical code. The amount towards fees for the issue of such certificates will be collected and credited to the Government at the end of the month, the officer issuing the certificates would be entitled to a share of 25%.

8. In case of examination by the Medical Board, 25% of the charges collected will be distributed amongst the members of the Board.

9. Government doctors are at present rendering services for Life Insurance and issuing them medical certificates at their homes or consultation rooms and are receiving payment at the rates prescribed by Life Insurance Corporation of India, and the Andhra Pradesh State Life Insurance Fund. This system shall be allowed to continue to the extent of examination at home and not in any consultation room. Orders will issue separately for further regulation of issue of such certificates.

10. To cover contingencies, in an emergency a Government doctor or Specialist may be called upon without a written order.
when a suitable private medical practitioner is not available. Government permit their doctors in such circumstances to attend on such cases at the patient's residence subject to every such case being reported by the specialist/medical officer with full particulars within 24 hours to his/her immediate superior. For each such instance, the fees of the specialist shall be Rs. 0/- per visit and Rs. 2/- for a Medical Officer. Thirty per cent of the fees so collected shall go to the concerned Specialist/Medical Officer and the remaining 75% of the fees shall be credited to him by the State Government within 7 days.

11. To cater to the needs of the public who may wish to consult Specialists/Medical Officers outside the general out-patient hospital hours, Government propose to open Pay Clinics. Separate orders in this respect will follow.

12. The existing orders about Medical attendance on State Government employees and V.I.Ps. would continue as such.

13. The expenditure involved in the proposal is estimated at Rs. 68.07 lakhs per annum and Rs. 22.60 lakhs during the current financial year.

14. The expenditure should be initially met from State funds and debited to the relevant sub-head under "29, Medical".

15. The following notification shall be published in the Andhra Pradesh Gazette:

**Notification**

In exercise of the powers conferred by the proviso to article 319 of the Constitution of India and of all other powers hereunto enabling, the Governor of Andhra Pradesh hereby makes the following amendments to the Special Rules for the Andhra Pradesh Medical Services issued in G.O.Ms No. 302/Health, dated 28-8-1964 and published at pages 1-15 of the Supplement to part I of the Andhra Pradesh Gazette dated 13-10-1964 and as subsequently amended from time to time:

**AMENDMENT**

In part II of the said rules, under Branch I-Medical, for the existing rule 13, the following shall be substituted:

"13. Prohibition of Private Practice

All members of the service are totally debarred from engaging themselves in private practice including consultation practice"

14. This order is issued with the concurrence of the Finance Department vide their U.O. No. NII, dated 14-10-1966."
3rd September, 1969.

HEALTH, HOUSING AND MUNICIPAL ADMINISTRATION DEPARTMENT.

Health

MEDICAL INSTITUTIONS—Establishment of Pay Clinics in Teaching, Specialist, District Headsquarters Hospitals and Taluk Hospitals in the State from 1-1-1968—Orders—Issued.

READ:

ORDER:

The Government have decided to establish and run Pay Clinics at specified timings in all the Teaching, Specialist, District Headsquarters and Taluk Hospitals in the State with effect from 1-1-1968 and in such other hospitals as may be notified from time to time, in order to provide facilities to those people who want to consult and seek special services at less cost medical attention. The main objective of a Pay Clinic is to afford opportunity for members of the public to consult the specialists and other Government Doctors of their choice.

2. The Government also direct that:
   (i) separate clinics for treatment of Central Government employees who are now entitled for consultation at the consulting rooms of the Authorised Medical Attendants be opened; and
   (ii) general out-patient clinics be opened in the evenings for such of those members of the public who cannot afford to seek paid medical attention at the Pay Clinics.

3. The Director of Medical and Health Services is requested to instruct the superintendents of the Hospitals to arrange the posting and duties of all Medical Officers in such a way that they should be posted by suitable turns either in the Pay Clinics or in the general out-patient clinics in the evenings.

4. The functionalities of the Pay Clinics and the charges and feesivable, etc. are determined in this order. The functions of the Pay Clinics and the names of the Government medical institutions where such clinics should be opened from 1-1-1968 are appended to this order. The schedule of charges for investigations is given in Annexure-III to this order.

5. The Government sanction the employment of 41 Lower Division Clerks temporarily for a period of one year from the date of appointment in the scale of pay of Rs. 80-4-100-5 and other allowances admissible under the rules, one in each of the Teaching, Specialist and District Headsquarters Hospitals where the Pay Clinics are proposed to be run with effect from 1-1-1968—vide Annexure. It is proposed to the collection of fees, maintenance of records and other clerical work relating to pay clinics.
5. The Government have decided on the payment of compensatory allowance to the following categories of staff in the hospitals who will be posted to work at the Pay Clinics to be run with effect from 1-11-1988 at the rates indicated against each for attending to duties in the said clinics:

<table>
<thead>
<tr>
<th>Category</th>
<th>Rate of Allowance</th>
</tr>
</thead>
<tbody>
<tr>
<td>Radiographer</td>
<td>Rs. 20 p.m. each</td>
</tr>
<tr>
<td>Laboratory Technician</td>
<td>Rs. 20 p.m. each</td>
</tr>
<tr>
<td>Lower Division Clerk/Compounder (in Taluk Hospitals only)</td>
<td>Rs. 20 p.m. each</td>
</tr>
<tr>
<td>Nursing Orderlies</td>
<td>Rs. 15 p.m. each</td>
</tr>
<tr>
<td>Sweepers</td>
<td>Rs. 15 p.m. each</td>
</tr>
</tbody>
</table>

6. The Government have also decided to start with effect from 1-11-1988 Dental Pay Clinics in the Twin Cities and in District Headquarters Hospitals where dental clinics are functioning. The details and functions of these Dental Clinics and the charges leviable are given in Annexure-V to this order.

7. Sanction is accorded for the employment of one Lower Division Clerk temporarily for a period of one year from the date of appointment in the scale of pay of Rs. 80/- plus other allowances in Osmania General Hospital for the Dental Pay Clinic to be opened in Osmania General Hospital. In all the other hospitals where Dental Pay Clinics are to be opened, the Lower Division Clerk sanctioned in para 6 above will attend to this work also.

8. The Government also sanction the payment of compensatory allowance to the following categories of staff in the hospitals who will be posted to work in the Dental Pay Clinics to be run with effect from 1-11-1988 at the rates indicated against each for attending to duties in the said clinics:

<table>
<thead>
<tr>

</tr>
<tr>
<td>Nursing Orderlies</td>
<td>Rs. 15 p.m. each</td>
</tr>
<tr>
<td>Sweepers</td>
<td>Rs. 15 p.m. each</td>
</tr>
</tbody>
</table>

9. The expenditure involved in the running of the Pay Clinics should be debited to the relevant sub-heads under “29-Medical” in respect of each medical institution.

10. The amounts collected towards fees and other charges at the Pay Clinics should be credited to Government account as is being done in the case of Hospital stoppages. Instructions regarding a separate detailed head of account to be opened for this are being issued separately.

ANNEXURE I

Functions

In order to provide facilities to those people who want to consult and seek specialist services and/or paid medical attention, pay clinics will be run at specified timings in all the Teaching Hospitals, City Hospitals and District Headquarters Hospitals and other Hospitals where such services are available and such other Hospitals as may be notified from time to time.

Objectives:

The main objective of a Pay Clinic is to afford opportunities for members of the public to consult the specialist and other Ordnance officers of their choice.

Definitions:

(a) A Specialist is one who holds a Post-Graduate degree or diploma in General Medicine, General Surgery, or any one of the Specialities.

(b) First visit of a patient seeking attention at a pay clinic is defined as his or her first appearance at the clinic for a particular ailment.

(c) Subsequent visit of a patient seeking attention at a pay clinic is his second or further visit to the same specialist or Medical Officer other than an appointment after the treatment has been prescribed at the pay clinic for the same ailment.

Structure of a pay clinic:

A pay clinic consists of a Specialist/Medical Officer and a Nursing Orderly with supporting services wherever available viz., Laboratory services, Radiological services etc. Under the general directions of the Director of Medical and Health Services, the Specialist/Medical Officer to attend to the Pay clinic will be posted by the Superintendent/Senior Medical Officer of the Hospital.

Timings of the Pay Clinic:

Pay clinics will be open only during the evenings for a maximum period of 8 hours after the recognised hospital hours on all days except Sundays and Public holidays. The specific timings for each particular clinic shall be prescribed by the Director of Medical and Health Services and shall be strictly adhered to.

Consultations (either first or subsequent) at the Pay Clinic shall be only by prior appointment at the Hospital office. Such appointment shall be based on the payment of the prescribed fee by the patient in consultation with his and availability of the Specialist/Medical Officer required. In the absence of a preference to a particular Specialist/Medical Officer by the patient, the Superintendent
Oral Answers to Questions.

Question No. 11th September, 1969.

The Hospital Senior Medical Officer of the Hospital may make equitable allotment of the patients. However, such appointments shall not exceed 10 first and 5 subsequent visits to any patient through a particular Specialist/Medical Officer per day. On payment of the required fees a receipt and a special pay clinic ticket will be issued to the patient indicating the time and date of the appointment. The Specialist/Medical Officer shall be responsible to ensure that receipts for payment for a special pay clinic fee are verified and recorded and to ensure that subsequent amounts due for examination etc., are collected in advance as daily amounts. The receipt of payment for an appointment will be verified and recorded and to ensure that subsequent amounts due for examination etc., are collected in advance as daily amounts:

Fees:

Consultation fees at a pay clinic shall be levied and collected as follows:

- For a first visit to a Specialist: Rs. 15
- For a first visit to a Medical Officer other than a specialist: Rs. 10
- For a subsequent visit to the same Specialist/Medical Officer other than a Specialist: Rs. 5

These rates of fees are inclusive and shall be exclusive of any charges for investigations etc., which may be considered necessary for the course of examination of patients. Such investigation charges shall be levied and collected at the pay clinic in accordance with the rates specified in Annexure I.

Amounts of fees and allowances payable to medical officers and other ancillary staff in pay clinics:

The Specialists/Medical Officers attending to the pay clinics shall be eligible to be reimbursed to the extent of 20% of the actual collection of fees on account of first and subsequent visits only, of the cases attended to by him. This amount will be claimed by him from the Treasury through a separate bill at the end of the month.

The Radiologist/Pathologist/Bacteriologist/Bio-Chemist whenever appointed to attend the pay clinics will be entitled only to a share of 5% of the collection of fees of the first and subsequent visits of the cases attended to by him. This amount will also be claimed by him from the Treasury through a separate bill at the end of the month.

General:

The Director of Medical and Health Services would issue detailed instructions for maintenance of registers etc., from time to time.

2. Examination for Total Protein test (quantitative) .... 5.00
3. Histopathological Examination of Tumours or other Benign materials .... 10.00
4. Examination of aspirated fluids for Malignant cells .... 5.00
5. Seminal fluid for Fertility .... 5.00
6. Use Needle for filling Methylene .... 10.00
7. Microscopic Examination for Parasites .... 5.00
8. Formalin test .... 5.00

Note.—Any other special investigations not mentioned above will be charged according to the discretion of the officer charge of laboratories.

ANNEXURE IV.

Dental Pay Clinics.

In order to provide facilities to those people who want to consult and seek adequate services and/or paid Dental consultation and treatment, Dental Pay Clinics, will be run at specified timings in all the Teaching Hospitals, District Headquarters Hospitals and other hospitals where such services are available.

(1) Objectives and Function.

The main objective of a Dental Pay Clinic is to afford opportunities for members of the public to consult the Dental Specialists and, where necessary, to be treated by said Specialists at the Dental clinic or the concerned hospital. A Dental Pay Clinic will therefore be consulted, treated and supplied in respect of the Dental Specialty. Dental Pay Clinics is solely an out-patient unit.
38

12th September, 1969

Oral Answers to Questions.

(2) Definitions.

(i) A Dental Specialist

(a) In the City of Hyderabad and Secunderabad is a Dental Civil Surgeon.

(b) In the District Headquarters and other hospitals, is a Dental Assistant Surgeon in charge of the Dental Clinic attached to the hospital.

(ii) First visit of a patient seeking attention at a Dental Pay Clinic is defined as his first appearance at the clinic for a particular ailment.

(iii) Subsequent visit of a patient seeking attention at a Dental Pay Clinic is his second or further visit to the clinic after the treatment prescribed at the clinic for the same ailment.

(3) Structure of a Dental Pay Clinic.

A Dental Pay Clinic consists of a Dental Civil/Assistant Surgeon, one Dental Mechanic, one Nursing Orderly and one Sweeper, with supporting services where available, viz., Laboratory Services, Radiological Services, etc.

(4) Dental Pay Clinics will be open only during the evening for a maximum period of 3 hours after the recognised hospital hours, on all days except Saturdays and Public Holidays. The specific timings for each particular clinic shall be prescribed by the District Medical and Health Officers and shall be strictly adhered to.

(5) Consultation at the Dental Pay Clinic.

Consultation (either first or subsequent) at the Central Pay Clinic shall be, only by prior appointment at the hospital office. Such appointment shall be fixed on payment of the prescribed fees and availability of the specialist required.

In the absence of a preference to a particular specialist (in the City Medical Institution) the Superintendent of the hospital may make equitable allocation of the patients. However, such appointment shall not exceed 10 first visits and 15 subsequent visits to a particular specialist in (Dental Civil/Assistant Surgeon) per day. On payment of the prescribed fees a receipt and a "Dental Pay Clinic Ticket" will be issued to the patient, indicating among other things, the nature of the visit, time and date of appointment. The Dental Civil Surgeon/Assistant Surgeon holding the clinic will be responsible to ensure that receipts of payments for appointments are recorded and ensure that subsequent estimates for re-sounding, treatment and supply are collected in advance and duly recorded.
(ii) Fees.—Consultation fees at a pay clinic shall be levied and collected as follows:

For a first visit to a Dental Civil Surgeon (in the City) Rs 15
For a first visit to a Dental Assistant Surgeon (in the District Headquarters and other hospitals) Rs 10
For a subsequent visit Rs. 5

These fees are leviable in advance and shall be exclusive of any charges for investigations which may be considered necessary in the course of examination of the patient. These investigations shall be levied and collected at the Dental Pay Clinic in accordance with the fees prescribed. The above rates shall be exclusive of any treatment and supply charges applicable to pay clinics.

The Dental Civil Surgeons/Assistant Surgeons attending the Pay Clinics shall be eligible for a share of 25 per cent of the collections of the fees levied and collected for treatment. In regard to supplies of dentures, etc., the Dental Civil Surgeon/Assistant Surgeon shall also be eligible for 25 per cent of the cost of supplies, after deducting the cost of material used in the articles supplied.

The Radiologist/Pathologist/Bacteriologist/Biochemist when appointed to attend the Dental Pay Clinics will be entitled to a share of 25 per cent of the collections of the first and subsequent visits for collections in the clinics attended by him.

Sri Mohd. Ibrahim Ali Ansari:—It was recently announced and as and when they claim they will get it.

Sri K. Munuswami:—Before this ban was imposed, the doctors were doing private practice in their homes. Now the hospitals have become private hospitals. They are doing private practice everywhere in the hospital itself.

Sri Mohd. Ibrahim Ali Ansari:—If we receive complaints, certainly we take action.
There are certain categories of doctors who work in non-clinical departments like medical colleges, blood banks, etc. Previously they were not doing any private practice at all and hence the increase in the pay-scales has been given to doctors of all categories. What is the rationale behind this?

Rural Electrification Schemes

(a) whether it is a fact that the amount of 3 crores being sanctioned per annum by the Central Government towards rural electrification is being credited to their own account by the State Government towards the interest for the amount due to them from the A.P. S.E. Board, since 1966-67;

(b) if so, whether it will not hinder the progress of rural electrification programme; and

(c) whether the amounts sanctioned by the Central Government will be utilised for rural electrification at least in future?

The Minister for Power (Sri V. Krishna Murthy Naidu):—The matter relates to the Andhra Pradesh State Electricity Board.

(a) No, Sir. The earmarked assistance for rural electrification is an assistance to the State Government and forms a part of the total plan resources of the State. The State can plan schemes of the Electricity board from part of the State development Plan and is covered by the total plan; and accordingly, the Government, taking into account the resources of the State Government, the earmarked assistance for rural electrification and other central assistance and the resources of the Board, will make the decision as to whether the amount sanctioned by the Central Government is partly or fully adjusted against the dues of the Electricity Board like interest etc. to the Government.

(b) and (c) Do not arise.

Mr. Kona Prabhakara Rao (Bapatla):—Will the hon. Minister for Medium Irrigation and Flood Control be pleased to state:

(a) whether the “Bhiniunigunta vagu” drain at Bapatla is completed;

(b) what is the amount sanctioned for the scheme and what is the amount spent so far;

(c) whether the remodelling of the railway culvert across the said drain was included in the original sanction:

(d) whether it is a fact that unless the said railway culvert is remodelled the drain will not function; and

(e) whether the Government have taken any steps to get the Railway culvert remodelled?

BHUNANGUNA VAHU

566—

* 402 (7378) Q.—Sir Keen Prabhakara Rao (Rajendra) —Will the hon. Minister for Medium Irrigation and Flood Control be pleased to state:

BHUNANGUNA VAHU
Oral Answers to Questions

The Minister for Medium Irrigation (Sri R. Nampa Raddy) —

(a) No, Sir.
(b) The scheme was sanctioned for Rs. 1,63,100. The expenditure incurred up to the end of June 1919 was Rs. 1,05,147.
(c) No, Sir.
(d) Yes, Sir.
(e) The estimate for the work is under finalisation by the Superintending Engineer.

Availability of Clay in Nellore Dist.

Available Clay in Nellore Dist.

Sir Dhanekula Narasimham:—Will the Hon.
Minister for Small Scale Industries be pleased to state:

(a) the areas in Nellore district where the clay required for
manufacturing bricks is available; and
(b) whether investigation for the said purpose has been made?

The Minister for Small Scale Industries (Sri G. C. Venkanna):—

(a) Clay suitable for manufacturing bricks is available
in certain areas as Gudipattipalli, Ambavaram, Chandrakauggur,
Kamalathal,万hy, and Kankuduru in Nellore District;
(b) Yes, Sir. On the request of some local entrepreneurs, the Assistant Director of Industries, Nellore, and the Block Development Officer Udayagiri, have conducted a survey of the places mentioned above.

The Minister for Small Scale Industries (Sri G. C. Venkanna):—

(a) Yes, Sir. On the request of some local entrepreneurs, the Assistant Director of Industries, Nellore, and the Block Development Officer Udayagiri, have conducted a survey of the places mentioned above.
(b) Yes, Sir. On the request of some local entrepreneurs, the Assistant Director of Industries, Nellore, and the Block Development Officer Udayagiri, have conducted a survey of the places mentioned above.
Oral Answers to Questions. 12th September, 1906.

1. B. S. Kalyan—Will the Government conduct any investigation regarding the diversion of surplus water of the Sarada River to Pranthip Peddacheruvu Tank, near Visakhapatnam?

2. A. B. Reddy—Will the hon. Minister for Minor Irrigation be pleased to state:
(a) whether the Government have conducted any investigation regarding the diversion of surplus water of the Sarada River to Pranthip Peddacheruvu Tank, near Visakhapatnam; and
Oral Answers to Questions

(b) if so, whether the report of the investigation be placed on the Table of the House?

The Minister for Minor Irrigation (Sri T. Parakurthi Reddy):—

(a) The feasibility of the Scheme was investigated. In view of the exorbitant cost of the scheme as well as its effect on the lower riparian rights the scheme was dropped.

(b) A copy of the report is placed on the Table of the House.

STATEMENT PLACED ON THE TABLE OF THE HOUSE

(Vide answer to L.A. Q. No. 1708 (Starred) [* 567]"

INVESTIGATION REPORT FOR DIVERTING SURPLUS WATERS OF SARADA RI, ER TO PEDDA TANK OF KANITHI (V) VISAKHAPATNAM TALUK AND DISTRICT

District: Visakhapatnam

Estimate amount Rs. 7,00,000

Area occupied 177.43 acres.

I. History and Location:

This scheme is proposed by Sri P. Sanyasi Rao, M.L.A., Mahipura under L.A. Q. No. 1793. The proposal of the MLA is to divert waters from Sarada River to Pedda Tank of Kanithi (V) of Visakhapatnam Taluk and District. The proposal is examined in detail and the possibility is discussed hereunder.

There is an existing anicut across Sarada River near Venkupalem (V) (Thamakapala channel). The geographical location of the anicut roughly corresponds to a longitude of 82°-53.'-77° and latitude of 17°-33.'-47°.

II. Availability of Yield:

The existing anicut across Sarada River is situated between sub basins No. 44 and 4A of Sarada river basin. The balance yield available at the site of the existing anicut as per Master Plan report of Sarada River basin is after considering allocation for Venkupalem anicut is 14.23 MCF. Taking 40% diversion as per Chief Engineer’s circular Memo. No. 45-103-690-15-21-6-15 the yield that can be diverted to Pedda tank will be 9.37 MCF. This can irrigate an extent of 67 acres at a duty of 1.40 MCF per day.

III. Hydraulic Particulars of Pedda Tank of Kanithi (V):

The free catchment area of Pedda tank of Kanithi is 15.94 sq.miles and intercepted catchment area is 4.7 sq.miles as per the particulars furnished by the Ex. Engineer, Visakhapatnam Division, Visakhapatnam. The tank is situated in sub-basin No. 7 of Anakapalli minor drainages basin and is mostly influenced by Balacheruvu rainfall station. The yield per sq. mile of good catchment at Balacheruvu rainfall station is 210.78 MCF. The equivalent yield of this tank is 15.94 x 210.78 = 3354.74 MCF. The total yield available from the catchment of this tank is 15.94 x 210.78 = 3354.74 MCF and is sufficient for irrigation of an area of 67 acres. Hence there is no need to supplement this yield of its registered acreage.
IV. Proposals and Rough Cost:

The scheme consists of the following proposals:

1. Improving the existing anicut at Venkupale:
   - Rs 90,000

2. Excavating a supply channel from the anicut near Damodaram village where the supply grows of the tank takes its origin by cutting down the bridge between Bonda river basin and Anakapalli minor drainage basin. Length of channel 800 miles including minor cross drainage works:
   - Rs 1,20,000

3. Cost of Railway bridge for crossing the channel near Lankalapalem:
   - Rs 40,000

4. Cost of 3 Nos. of Road bridges to be crossed:
   - Rs 40,000

5. Cost of 8 Nos. of Masonry works:
   - Rs 40,000

6. Land Acquisition charges for supply channel:
   - Rs 1,0,000

Total: Rs 7,20,000

V. Lower Riparian Rights:

The next lower irrigation works across Bonda River below the existing anicut at Venkupale is Venkatachail channel. The yield required for Venkatachail channel is 80.25 Mcft. As per master plan report the yield available at the off-take of Venkatachail channel is only 74.25 Mcft. This itself is an indication that Venkatachail channel is not receiving its full supply. If the yield from Venkatachail channel is to be utilized further for lower riparian rights under Venkatalack tank may adversely be affected.

VI. Financial Aspects:

The area that can be irrigated with the available yield under the scheme is only 117.12 acres whereas the cost of the scheme is Rs 7,20,000. A comparative study of the cost of the scheme with reference to the area benefited reveals that the proposal is not at all economical.

VII. General:

In view of the exorbitant cost of the scheme as well as its adverse effect on the lower riparian rights the scheme is recommended to be dropped.

(1) Y. G. Narasimha Rao, General Secretary, Andhra Pradesh Irrigation and Farmers Welfare Department, 33, Gandhigram Road, Secunderabad.

(2) K. T. S. Gokulacharya, Secretary, Andhra Pradesh Finance Department.
12th September, 1969.

Oral Answers to Questions.

MECHANICAL DIVISION FOR BORE-HOLE TUBE WELLS

Will the Hon. Minister for Minor Irrigation be pleased to state:

(a) whether there is any Mechanical Division at Eluru to undertake the survey and execution of Bore-hole Tube wells in the State;

(b) if so, how many drilling sets are there;

(c) whether there is any planned programme for this Division to operate the number of sets that were taken up and put into operation by the Division so far; and

(d) whether there is any proposal to sink Bore-hole wells in the upland Taluks of Darsab, Podili, and Kanigiri of Nellore District?

Sri T. Purushothama Reddy:—

(a) There is a special groundwater Division at Eluru attending to the construction of exploratory tube wells in the delta areas and the adjoining upland areas of West Godavari, Krishna and East Godavari districts.

(b) 5 rigs.

(c) The original programme was to complete the scheme of exploratory tube wells before the close of 1968-69. But due to limited resources drilling has so far been completed at 12 sites in Krishna, 9 sites in West Godavari and 0 sites in East Godavari districts. The scheme is expected to be completed by September, 1970.

(d) No proposal is under consideration of the P. W. D.
SUBMISSION OF LANDS UNDER MUKKU PAPAIAH TANK

Q.—Sri R. Mjhananda:—Will the hon. Minister for Major Irrigation be pleased to state:

(a) whether it is a fact that many valuable garden lands and houses were submerged in the newly formed Mukku Papaiah P.W.D. Tank at Sangapuram in Darsi taluk, Nellore district;

(b) if so, when the tank was formed and how much land was submerged; and

(c) whether the Government paid compensation to the persons who were affected by the submersion; if not, the reasons therefore.

Sri V. Purushothama Reddy.—(a) An extent of Ac. 0.51 of garden lands and 35 huts were submerged.

(b) The tank was formed in 1954. The total extent of land submerged was 209.93 acres.

(c) No, Sir. Acquisition proceedings are in progress.
50 12th September 1960  Oral Answers to the House

SUBMISSION OF RAVANA VILLAGE UNDER VATTAGODA RESERVOIR

1022 (5423-E) Q. — Sri. M. Venkatarami Naidu (Parvathiparam):— Will the hon. Minister for Irrigation be pleased to state:

(a) whether it is a fact that one hundred acres of land belonging to 14 families had been submerged along with Ravana village under Vattigodda reservoir in Parvathiparam Taluk.

(b) If so, whether any compensation has been paid by the Government so far to the 14 Girijin families for the said land; and

(c) If not, the reasons therefor?

Sir. S. Sidda Reddy: — (a) No, Sir;

(b) & (c) Do not arise.
Oral Answers to Questions.
12th September, 1969.

1. Mr. (Miss) (Name) asked the Minister of (Ministry) whether he had in mind any scheme to bring under the Yangon Union the areas now in the Mandalay Union.

(c) Yes, Sir.
Short Notice Question and Answer

12th September, 1918.

Dear Sir,

I am directed to inform you that the Secretary of the District Committee of the Western Section of the Indian National Congress has appointed a committee to consider the question of the appointment of a District Secretary for the腰部地区.

The committee is to consist of a representative of each of the following districts:....

Yours truly,

[Signature]

Secretary, District Committee.

SHORT NOTICE QUESTION AND ANSWER

Inquiries of Effectiveness of Panchayat Samities and Zilla Parishads

S.N.O. No. 1798-H.Q.—(i) Whether the President of the Panchayat Samity, Chairman of the Zilla Parishad or Chairman of the Standing Committee of the Zilla Parishad has been appointed in consultation with the District Committee of the Indian National Congress?

(ii) If so, the authority under which they are to be appointed.

[Signature]

Secretary, District Committee.

the action taken and the reasons therefor to the Panchayat Samithi or the concerned Standing Committee at its next meeting provided it is not in contravention of any order of the Government, Zilla Parishad, or the District Authority. The District Collector has the power of sanctioning any work or the doing of any act which would ordinarily require the sanction of the Z.P., or of a Standing Committee thereof, and may authorize the execution of the thing in question in the interest of the public welfare or safety of the general public and may also direct that the expense of executing such work or doing such act shall be paid from the Z.P. funds. The Chairman, Z.P., have no such power.

(b) According to the provisions under sub-section (2) of Section 22 and under Section 30 of A.P. Panchayat Samithis and Zilla Parishads Act, 1959 respectively.

(a) It is suggested that the illegal act is being committed by these institutions. Now what is the action you are going to take?
No action need be taken except to note. Supposing I spend some money, but the proper authority to sanction I do not sanction. I take the responsibility. I say the sanction would not be given.

Mr. Speaker: — (interruption)

Mr. Speaker: —No. Questions and Answers are over.

BUSINESS OF THE HOUSE

Mr. Speaker — Questions and Answers are over.
12th September, 19... Point of Information:

re: Floods in Godavari.

Mr. Speaker:—Of course regarding seating arrangements, I have given instructions to the Secretary. Mr. Shaker:—Of course regarding seating arrangements, I have given instructions to the Secretary. Mr. Speaker:—I have received intimation yesterday. I will announce in the House tomorrow or on the 16th.

Mr. Speaker:—I have received intimation yesterday. I will announce in the House tomorrow or on the 16th.

Mr. Speaker:—I have received intimation yesterday. I will announce in the House tomorrow or on the 16th.

Mr. Speaker:—I have received intimation yesterday. I will announce in the House tomorrow or on the 16th.

Mr. Speaker:—I have received intimation yesterday. I will announce in the House tomorrow or on the 16th.

Sri R. Narapa Reddy:—The water level of Godavari at Dhowleshwaram at 1:30 P.M. on 13-9-19... has been steady at that level from the previous midnight. The fall of 0.5 inches was about 9 lbs. at 1:30 P.M. at 1:30 P.M. the level fell slightly to 16.4 feet. The floods in the river at Bhadraehal...
sawarpan are also reported to be receding. The condition of the
banks and other protective works is reported to be safe. Arrangements
have been made for transmission of flood messages and on 30th
July 1969 Government have issued orders for the installation of tem-
porary police radio stations at Kowavaram, Thondavancottai, etc., for
transmission of flood messages.

BUSINESS OF THE HOUSE

(Sri K. Ramanatham in the Chair)

Sri G. Sivaiah :-I have given notice of an adjournment motion
yesterday to discuss the serious problem that has arisen in Chittur
District regarding drinking water. You know very well the problem
is very serious.

...[discussion continues......]...
12th September, 1950.

Point of Information:

re: Wanchoo Committee Report.

1. P. Prasada Rao: I will try to get the latest report. On the next working day, on 17th, I should be able to present some details.

3. Sri P. Thimma Reddy: I do not have any information about the books printed in the past. I will try to collect information and pass it to the House.

POINT OF INFORMATION

re: Wanchoo Committee Report.

M. S. A. N. S. V. K. N. S. S. R. V. S. — The report of the House Committee was presented. After I discussed with the officials, I felt some more information is to be added.
Point of Information: 12th September, 1960.

Ref: Wanchoo Committee Report.

Mr. V. Narasinga Rao:—As early as possible.

Mr. J. V. Narasinga Rao:—Definitely, it will be placed on the table of the House.

Mr. Narasinga Rao:—As early as possible. For information of the members two copies are placed in the library.
12th September, 1969.

Point of Information:

Mr. Wanchoo Committee Report.

Sri C. V. Rama:—It should be placed on the table of the House and made available to the members.

Sri K. Brahmananda Reddy:—It must be supplied to everybody.

Sri A. Madhava Rao:—If I remember correctly from the papers, what is stated in Wanchoo Report is that there is no possibility by constitutional methods. We have to probe into the matter and seek a solution about it.

Mr. Chairman:—Copies are placed on the Table of the House and they are in the library available to the members at all times.

Sri A. Madhava Rao:—At least we must be in a position to be posted with facts and figures so that we may offer any solution which may be considered by the Government.

Mr. Chairman:—Copies are placed on the Table of the House and they are in the library available to the members at all times.

Sri K. Brahmananda Reddy:—Solution is most important. At least we must have the opportunity to offer our suggestions.

VI. 69th — 71st September 1969.

Mr. Chairman:—Please pass it on to the Chief Minister. He will take necessary action.

Mr. K. Ramakrishna Reddy:—I have no information.
CALLING ATTENTION TO MATTER OF URGENT PUBLIC IMPORTANCE

Inadequate relief given to cyclone affected people of Madhirakham and Yallandu Taluqs of Khammam District.

Inadquate relief given to cyclone affected people of Madhirakham and Yallandu Taluqs of Khammam District.

Public importance:

The people affected by the cyclone in Madhirakham and Yallandu Taluqs of Khammam District have been neglected by the authorities. The relief provided to them is insufficient and inadequate. The government has not taken proper measures to ensure that the affected people receive the necessary support and assistance.

The situation is urgent and requires immediate attention. The government should take immediate steps to provide adequate relief to the affected people. The authorities should ensure that the relief provided is adequate and sufficient to meet the needs of the affected people.

The people affected by the cyclone are in desperate need of assistance. They require food, shelter, and medical aid. The government should take urgent steps to provide these essentials to the affected people.

The affected people are facing great hardship due to the cyclone. They are in need of immediate assistance to enable them to recover from the disaster. The government should take immediate steps to provide the necessary support to the affected people.

The situation is urgent and requires immediate attention. The government should take immediate steps to provide adequate relief to the affected people. The authorities should ensure that the relief provided is adequate and sufficient to meet the needs of the affected people.

The affected people are in desperate need of assistance. They require food, shelter, and medical aid. The government should take urgent steps to provide these essentials to the affected people.

The affected people are facing great hardship due to the cyclone. They are in need of immediate assistance to enable them to recover from the disaster. The government should take immediate steps to provide the necessary support to the affected people.

Calling attention to a matter of urgent lath: September, 1959.

Inadequate relief given to cyclone affected people of Madhiru, Khammam and Yellandu taluks of Khammam district.

Sri P. Thimma Reddy: Due to heavy downpour of cyclonic rain from 18-5-60 to 21-5-60, as many as four taluks of Khammam District i.e. Khammam, Madhiru, Yellandu and Kothagudem suffered extensive damage, the cyclone having claimed 67 human lives in the district and about 33,000 houses collapsed. In addition, about 60,000 heads of cattle and 20,000 head of sheep perished or were washed away. 528 irrigation sources were damaged in addition to a good number of roads and buildings. Besides, there was extensive damage to the crops also. The total loss is estimated to be Rs. 12 crores.

Government undertook speedy and effective relief measures. A sum of Rs. 22,000 was given as cash relief to the survivors of the bereaved families ranging from Rs. 250 to Rs. 1,000 in each case. A sum of Rs. 10.88 lakhs has so far been spent in the District towards cash relief to the damaged houses. Of the 528 irrigation sources damaged, repairs to 432 works have already been completed; 57 works have been brought to an advanced stage and the remaining works are in progress. Repairs to roads and buildings are also in progress. So far loans to the tune of Rs. 38 lakhs for reclamation of sand-cash lands and Rs. 5.17 lakhs for purchase of seed fertilizers etc. have been disbursed. In addition, supply of free clothing is being provided and free supply of sheep and she-buffaloes has been undertaken. The relief measures are still continuing under the supervision of responsible officers and the Government will certainly consider sympathetically the question of providing additional funds if the situation warrants it.
September 12th, 11:09.
Calling attention to a matter of urgent public importance:

calling attention to a matter of urgent public importance:

Inadequate relief given to flood-affected people of Madhira, Khammam, and Yellandu taluks of Khammam district.

A meeting is to be held on 17th and 18th. The Collectors of all the four districts are attending and the Heads of the different Departments involved in affording flood relief will also be present. I would request the concerned Ministers to attend as well. I would request the legislators of the Assembly and the Council and the concerned Ministers to attend. I would request all the Members to participate in the discussions and give the Government their considered suggestions and then certainly we shall do our best.

As regards the allegation that the District of Guntur has been given larger relief when compared to Khammam, the fact is that while the total loss in Khammam District was Rs. 11.12 crores, the total loss in Guntur District is estimated to be Rs. 60.31 crores, i.e., about 5 times more. This naturally requires execution of relief measures in Guntur District on a much wider scale.

Sri P. Thimma Reddy:—We shall meet on the 17th and 18th and discuss all the points.

Sri S. Venkaiah Naidu:—Yes, we shall meet on the 17th and 18th and discuss all the points.

Sri M. M. Pallam Raju:—Yes, we shall meet on the 17th and 18th and discuss all the points.

Sri K. Chandrashekar Rao:—Yes, we shall meet on the 17th and 18th and discuss all the points.

Sri V. Hanumantha Reddy:—Yes, we shall meet on the 17th and 18th and discuss all the points.
Calling attention to a matter of urgent 12th September, 1969, public importance:

Notice served by the Commissioner of Municipal Corporation of Hyderabad on the citizens for Collection of Tax as "Re-assessment."

Sri P. Thimma Reddy:—I cannot clarify. I do not have information.
(Signed) J. W. Smith

For the Board of Directors of the

Flint & Wilson

G. E. Corporation

10th September, 1969.
Calling attention to a matter of urgent public importance:

re: Notice served by the Commissioner of Municipal Corporation of Hyderabad on the citizens for collections of tax as "re-assessment."

The Minister for Municipal Administration (Sri N. Chenchama Naidu).—According to the provisions of Section 226 (3) of the Hyderabad Municipal Corporation Act, 1957, a new assessment shall be prepared once in every four years. When the rateable value under the old assessment is in any way revised, a special notice has to be issued to the parties calling for objections, if any, regarding the proposed revision of the rateable values of the properties. Appeals, if any, received on the issue of such notices are disposed of by the Commissioner and other Officers under the Commissioner according to the powers delegated to them. If taxpayers are dissatisfied with the decision of the Commissioner or other Officers they can go in appeal under Section 288 before the Chief Judge, Small Causes Court.

To augment the financial resources of the Corporation. — The Standing Committee in its resolution No. 1124 dated 10-4-62 and the General Body in its resolution No. 207 dated 2-5-63 had approved the re-assessment scheme. The Standing Committee in its resolution No. 767 dated 17-2-68 and No. 367 dated 27-3-68 had also approved the scheme of re-assessment once in four years. Government have also appointed a Chief Valuation Officer and 12 Valuation Officers for the purpose which are doing the work under the provisions of the Act.

As can be seen, the work of re-assessment is being done and carried out strictly as per the provisions of the Act and not done arbitrarily and adequate opportunities are afforded to the aggrieved to go in appeal against the revised assessment. The total increase in property tax in 1968-69 and 1969-70 is about Rs. 20 lakhs and the estimated property tax demand for 1969-70 is about Rs. 1,77 crores and the estimated receipts include the increase due to re-assessment of property.

The re-assessment is done over the entire city of Hyderabad and Secunderabad and is not confined to the Old City. The re-assessment work has been taken up according to the provisions of the Act and has no connection with the law and order situation as stated in the motion.
Calling attention to a matter of urgent pull & importance:

Notice served by the Commissioner of Municipal Corporation of Hyderabad on the citizens for collections of tax as "re-assessment."

Thereby.

Calling attention to a matter of urgent public importance, 12th September, 1969.

Mr. Chairman:—The hon. Minister said that there is a procedure and machinery laid down.

Mr. Chairman:—You have brought it to the hon. Minister’s notice and he will look into it.

Mr. Chairman:—The hon. Minister will look into it.

Mr. Chairman:—You have brought it to the hon. Minister’s notice and he will look into it.
12th September, 1969. Calling attention to a matter of urgent public importance:

Notice served by the Commissioner of Municipal Corporation of Hyderabad on the citizens for collections of tax as "re-assessment." My son who is living in a house was assessed Rs. 200. Where to say, what to say, who to ask?

Mr. Chairman:—The hon. Minister will look into it.

Smt. B. Sarojini Devi:—Looking into won't solve the problem.

Mr. Chairman:—By discussion also we won't solve the problem. He has got to take action through the Corporation and through the Department. You have brought it to the notice of the Government.

Sri B. Ratnasabhapathi:—Merely bringing it to the notice of the Government is no use. There is a specific statement here. Whether the charges brought to his notice are correct or not is the question. There is a clear discrimination here.

If this is so, whether the hon. Member has any evidence of the facts?

And it is an injustice. Therefore, when it is brought to the notice of the hon. Minister it is not mere looking into it. How far has he succeeded in setting right it is the question. He says there is a procedure. The whole thing is a contradiction. It has got to be cleared now. On a mass scale such things are happening.

Smt. Godfrey (Nominated Anglo-Indian):—If these poor people who are trying to eke out their existence have to pay heavy taxes, I don't know how they can do. They were paying Rs. 2.50 some time ago and now they are asked to pay Rs. 60. I think it is very difficult for the poor people to live in their houses. If they sell the houses they cannot go anywhere. I think Government should take some lenient view about to let the poor people live and pay lower taxes.
Calling attention to a matter of urgent public importance:

Mr. Chairman:—Let the hon. Minister say if he has any further information.

Sri B. Ratnasabhapathi:—Let the hon. Minister pay attention to this and let him be pleased to place a statement on the Table of the House.

On the whole there is an increase in the tax.

Smt. B. Sarojini Pulla Reddy:—I am sorry to contradict, Sir. With much obedience, I would like to say that I have brought it to his notice. He has been very kind enough to call the Commissioner to his office and he said he would look into it. It has been 2½ years. He might have forgotten it. That is a specific case. It is a fact that I have brought it to his notice and he was very kind to say that he would look into it. But this 'looking into' business has become very dangerous, Sir. I do not know where it is going to lead us. It is not his fault.

If has become the habit...
Calling attention to a matter of urgent public importance:

Notice served by the Commissioner of Municipal Corporation of Hyderabad on the citizens for collections of tax as "reassessment".

Mr. Chairman — It is left to the Government and the...
Calling attention to a matter of urgent 12th September, 1969.

In public importance:

re: Formation of silt in the Nizamsagar project.

(i) The Nizamsagar Project was commissioned in the year 1932. The canals and the distributary system was completed in 1935. During the field survey conducted in the year 1968, it was observed that the reservoir has lost storage capacity by about 13.8 TMC as a result of silting, leaving a balance capacity of 11.8 TMC of live storage against the original storage of 25.6 TMC. To arrest further silting of the reservoir to some extent, it is proposed to carry out soil conservation measures in the catchment area of Nizamsagar and the Government of India were addressed in the matter in August 1968 to take up the scheme of carrying out soil conservation measures in the catchment area under the Central Sponsored Scheme. To make up the lost storage in the reservoir, it is proposed to carry out improvements to the reservoir and the canals. Besides the above, it is also proposed to extend improvements to the head works and provide extra supplies arrangements with a regulator. The Chief Engineer has prepared a scheme of improvements to the Nizamsagar Project. A special division has been sanctioned for undertaking detailed investigation for the work and preparing estimates. Detailed investigation is nearing completion. The Chief Engineer has been requested to submit the details and estimates. Action is being taken to notify the scheme under the Andhra Pradesh Irrigation (Lever of Betterment contribution) and to accord administrative sanction to the scheme.
Sri Vavilala Gopalakrishniah:—Sir, I beg to move:

"This House disapproves the Andhra Pradesh Essential Services Maintenance Ordinance, 1960—"

...shall be laid before the Legislative Assembly or where there is a Legislative Council in the State, before both the Houses and shall cease to operate on the expiration of six weeks from the commencement of the Legislature or if before the expiration of that period a resolution disapproving it is passed by the Assembly and agreed to by the Legislative Council."

Sri C. V. K. Rao:—Where the curtailment of liberty of the working class organization is involved, the Government has to be warned that it should not hasten this way. I can understand if there have been conditions in the State which warrant the Government to be empowered. But where a working class organization is concerned, it is a fundamental right. After all a State depends on the freedom of movement and freedom of action of the working class and if the Government taking advantage of a particular situation wants to destroy the liberty of the freedom of working class it is a grave affront. Therefore the Government should not resort to this kind of measure. That is my appeal, Sir.
Annual Financial Statement (Budget) for 1969-70

Voting of Grants

Sir, the Ordinance will cease to be operative from 31-8-69 by which date six weeks will have expired from the commencement of the session of the Assembly. So, it was decided that the ordinance may be allowed to lapse by afflux of time and we have not brought any Bill before the House and therefore there is no need.

ANNUAL FINANCIAL STATEMENT (BUDGET) FOR 1969-70.

VOTING OF DEMANDS FOR GRANTS.

Demand No. XX—Agriculture Rs. 7,70,93,300
Demand No. XXII—Animal Husbandry—Rs. 3,05,63,300
Demand No. XXI—Forestry—Rs. 83,81,800
Demand No. XXXIX—Forest Department—Rs. 3,02,89,000

Red Sanders Wood, a foreign exchange earner continued to be marketed in foreign countries particularly in Japan through the agency of the State Trading Corporation, Madras. Foreign exchange earned during the period from 1965-66 is furnished below:

<table>
<thead>
<tr>
<th>Year</th>
<th>Foreign Exchange Earned</th>
</tr>
</thead>
<tbody>
<tr>
<td>1965-66</td>
<td>Rs. 19,449.19</td>
</tr>
<tr>
<td>1966-67</td>
<td>Rs. 2,07,525.85</td>
</tr>
<tr>
<td>1967-68</td>
<td>Rs. 3,25,600.78</td>
</tr>
<tr>
<td>1968-69</td>
<td>Rs. 78,414.44</td>
</tr>
</tbody>
</table>

During 1968-69, the foreign exchange earnings were low since the State Trading Corporation failed to procure any purchases. The State Trading Corporation has since agreed for the sale of Red Sanders in open auction and it is proposed to conduct open auction of the stock at the Central Depot at Rajampet. Another party with headquarters at Tirupati is also detecting the illicit removal of Red Sanders wood. This is proving effective in bringing down the smuggling of Red Sanders wood.

Demands, 1969-71, Voting on Demands for Grants,

12th September 1966.
Yearly Demands for Grants

1. By the 1st of October, the Finance Department provided the following list of demands for grants for the year 1969-70. The list includes demands from various departments such as Education, Health, and Welfare. Each department has submitted a detailed budget for the year, including the expected expenditure and revenue. The Finance Department has reviewed the demands and is preparing a report for the final approval of the grants. The report will be presented to the State Assembly for consideration.

2. The Education Department has requested grants for the construction of new schools and the renovation of existing ones. The Health Department has requested funds for the purchase of new medical equipment and the expansion of hospital facilities. The Welfare Department has requested grants for social welfare programs and community services.

3. The list of demands also includes grants for social welfare programs and community services. The Finance Department has reviewed the demands and is preparing a report for the final approval of the grants. The report will be presented to the State Assembly for consideration.

4. The final report will be submitted to the State Assembly for approval. The Assembly will then allocate the grants to the various departments based on the needs and priorities of the state.

5. The Finance Department has reviewed the demands and is preparing a report for the final approval of the grants. The report will be presented to the State Assembly for consideration.

6. The final report will be submitted to the State Assembly for approval. The Assembly will then allocate the grants to the various departments based on the needs and priorities of the state.

7. The Finance Department has reviewed the demands and is preparing a report for the final approval of the grants. The report will be presented to the State Assembly for consideration.

8. The final report will be submitted to the State Assembly for approval. The Assembly will then allocate the grants to the various departments based on the needs and priorities of the state.
Annual Financial Statement (Budget) 19th September, 1969.

Voting of Demands for Grants.

The Annual Financial Statement for the year ending the 19th September, 1969, was submitted to the House. After discussion, the demands for grants were voted for.

The statements included details of the expenditure incurred during the year, along with the proposed budget for the subsequent year. The House voted on various demands for grants, each item being discussed in detail.

The session concluded with the House expressing approval for the financial statement and the proposed budget. The meeting was adjourned.

5) As for the Grant Budget, the following points were discussed:

- The total budget for the year was approved.
- The grant allocations were studied in detail.
- The committee decided to increase the grant in certain areas.
- The final budget was unanimously approved.

1. The financial report for the year 1969-70 was presented.
2. The report highlighted the financial performance and achievements.
3. The budget for the next year was discussed.
4. The committee decided to allocate more funding to education and health sectors.
5. The report was approved with minor amendments.

25th September, 1969. Internal Audit Report:

The internal audit committee presented its report on the financial year 1969-70.

1. The report highlighted areas that needed improvement.
2. The committee recommended measures to enhance financial controls.
3. The report was accepted with the recommendations.

11th October, 1969. Staff Meeting:

The staff meeting discussed the implementation of the budget.

1. The meeting reviewed the progress made against the budget.
2. The staff were encouraged to ensure that the budget targets were met.
3. The meeting concluded with the commitment to review the budget monthly.
Annual Financial Statement (Budget) 13th September, 1969. for 1969-70:
Voting of Demands for Grants:

The Annual Financial Statement for 1969-70 includes the following:

1. Voting of Demands for Grants:
   - The annual financial statement for 1969-70 includes a detailed report on the voting of demands for grants. The report outlines the planned expenditures for various projects and initiatives.
   - A detailed breakdown of the budget for 1969-70 is provided, including allocations for different departments and departments.
   - The report highlights the importance of financial planning and the need for careful oversight of expenditures.

2. Other Financial Matters:
   - The annual financial statement also includes a section on other financial matters, such as the financial performance of the organization and the impact of economic conditions on the budget.
   - The statement notes the need for continued attention to financial management and the importance of maintaining a sound financial position.

Overall, the annual financial statement for 1969-70 provides a comprehensive overview of the organization's financial health and the budget for the upcoming year. It serves as a crucial tool for decision-making and ensures that resources are allocated effectively and efficiently.

September, 1969. Annual Financial Statement (Budget) for 1969-70:

Voting of Demands for Grants.

(1) For the accounting year 1969-70, the annual financial statement shows a significant increase in revenue compared to the previous year. The total revenue for 1969-70 is estimated at $10,460, an increase of $5,848 over the previous year.

(2) The expenditure for 1969-70 is projected at $7,620, a decrease of $5,840 compared to the previous year. This decrease is largely due to the reduction in administrative expenses.

(3) The surplus for the year is estimated at $2,840, a significant improvement over the previous year's surplus of $5,840.

The following is a detailed breakdown of the revenue and expenditure for the year 1969-70:

Revenue:
- Income from operations: $4,850
- Grants and contributions: $5,000
- Other income: $570

Expenditure:
- Salaries and wages: $3,050
- Supplies and materials: $1,850
- Rent and lease payments: $1,500
- Travel and entertainment: $1,200
- Debt service: $500
- Other expenses: $400

The surplus of $2,840 is invested in government securities, which are expected to yield an annual interest of $284.

The management has expressed confidence in the financial position of the organization and expects continued growth in both revenue and expenditure in the coming years.
Annual Financial Statement (Budget) 11th September, 1969.

Voting of Demands for Grants.

The vote on the demands for grants has been concluded. The demands have been met in accordance with the budget. The total amount for the year 1969-70 is Rs.

After discussions, the following demands have been allotted:

1. Education: Rs.
2. Health: Rs.
3. Welfare: Rs.
4. Development: Rs.
5. Administration: Rs.

The total amount granted for the year 1969-70 is Rs.

A detailed report on the utilization of these funds will be submitted in the next meeting.

Voting of Demands for Grants.

The Hon. Treasurer,...

12th September, 1969. Annual Financial Statement (Budget) for 1969-70:

Voicing of Demands for Grants.

Mr. Speaker:—The question is:

To reduce the allocation of Rs. 3,02,89,000 for Forests by Rs. 100.

The Forest Department failed to implement the afforestation in the State and Rayalaseema District in particular and failed to protect the forests from cutting trees for 20 years to preserve the organic in the forests to help rain fall.

To reduce the allocation of Rs. 3,02,89,000 for Forests by Rs. 100.

The Forest Department did not leave sufficient land for grazing purpose in the areas of Avvupalli, Kammapalli, Rayalaseema in Potti Range in Chittoor District.

To reduce the allocation of Rs. 3,02,89,000 for Forests by Rs. 100.

The Forest Department cut the R. F. line very close to pattala lands and not given grazing forest area in and around Pachikapallem area in K-Nagar Range in Chittoor District.

To reduce the allocation of Rs. 3,02,89,000 for Forests by Rs. 100.

About 100 acres of forests paramboku land covered by S.No. 204/2 in the revenue accounts of Sarandranagaram Village in Puttur Taluk, Chittoor District is under occupation of poor Harijan agricultural labourers from last 20 years and they are still in occupation and cultivating the same. This land is declared as the forest reserved. This need to be de-reserved. This is known as Nisalavkadurgam area in Puttur Taluk, Chittoor District.

The cut motions were negatived.

Mr. Speaker:—The question is:

To reduce the allocation of Rs. 3,02,89,000 for Forests by Rs. 100.

The Forest Department has cut the R. F. line close to pattala of Gollakavdirg, Surandranagaram and other villages in Puttur taluk and K-Nagar Range in Chittoor District even without giving any area for grazing land.

The cut motions were negatived.

Mr. Speaker:—The question is:

To reduce the allocation of Rs. 3,02,89,000 for Forests by Rs. 100.

The Forest Department has cut the R. F. line close to pattala of Gollakavdirg, Surandranagaram and other villages in Puttur taluk and K-Nagar Range in Chittoor District even without giving any area for grazing land.

The cut motions were negatived.
Annual Financial Statement (Budget) 1st September, 1969.

Voting of Demands for Grants.

To reduce the allotment of Rs. 3,02,89,000 for Forests by Rs. 100.

For not assigning the Forest lands to the landless cultivators who are in possession of these lands from the last so many years.

The cut motions were negatived.

Mr. Speaker: The question is:

"That Government be granted a sum not exceeding Rs. 7,70,98,800 under Demand No. XX—Agriculture".

The motion was adopted.

Mr. Speaker: The question is:

"That Government be granted a sum not exceeding Rs. 3,53,63,000 under Demand No. XXII—Animal Husbandry".

The motion was adopted.

Mr. Speaker: The question is:

"That Government be granted a sum not exceeding Rs. 88,81,800 under Demand No. XXI—Fisheries".

The motion was adopted.

Mr. Speaker: The question is:

"That Government be granted a sum not exceeding Rs. 3,02,89,000 under Demand No. XXXIX—Forests".

The motion was adopted.

Voting of Demands for Grants.

DEMAND NO. XXIII—CO-OPERATION—Rs. 3,21,46,000.

The Minister for Finance (Sri K. Vijayabhaskara Reddy (deputising for the Chief Minister)):—With your permission, I beg to move:

“That Government be granted a sum not exceeding Rs. 3,21,46,000 under Demand No. XXIII—Co-operation”.

Sri Vavilala Gopalakrishnayya:—Sir, the hon. Chief Minister has to move the Demand on Co-operation.

Mr. Speaker:—The hon. Minister for Finance has been answering the questions on, on co-operation. I have permitted him.

Mr. Speaker:—So your objection can be easily got over by the hon. Chief Minister going out.

Sri Vavilala Gopalakrishnayya:—Let him go. Please excuse me, Sir, we are standing on formalities.

Mr. Speaker:—You are too formal. Let the hon. Chief Minister move the demand later on he will carry on the other work. So, you have achieved your point.

Sri K. Brahmananda Reddy:—I beg to move:

Government be granted a sum not exceeding Rs. 3,21,46,000 under Demand No. XXIII—Co-operation”.

Mr. Speaker:—Motion moved, "

I request the hon. members to move their ordinances."
For 1969-70:

Voting of Demands for Grants.

Demand No. XIII, Co-operation—Rs. 32,14,000

Sri G. Lakshmiana—1 beg to move:

To reduce the allotment of Rs. 3,21,40,000 for Co-operation by Rs. 100

Mr. Speaker:—Motion moved.

Sri K. Ramanathan:—1 beg to move:

To reduce the allotment of Rs. 3,21,40,000 for Co-operation by Rs. 100

Mr. Speaker:—Motion moved.

Sri S. Vemaurya:—1 beg to move:

To reduce the allotment of Rs. 3,21,40,000 for Co-operation by Rs. 100

Mr. Speaker:—Motion moved.

Sri P. Besharathana:—1 beg to move:

To reduce the allotment of Rs. 3,21,40,000 for Co-operation by Rs. 100

Mr. Speaker:—Motion moved.
GOVERNMENT BILL
THE ANDHRA PRADESH PANCHAYAT SAMITHIS AND ZILLA PARISHADS (AMENDMENT) BILL, 1969.

Mr. Speaker:—Motions moved.
Sri Katari Muniswamy:—I beg to move:
To reduce the allotment of Rs. 3,21,45,000 for Co-operation by Rs. 100.
For not opening sufficient field labour societies in each district,
Mr. Speaker:—Motion moved.
Mr. Speaker:—The House stands adjourned to 5 o'clock today evening.
(The House then adjourned at five of the clock.)
(The House reassembled at Five of the Clock)
(Mr. Deputy Speaker in the Chair)

GOVERNMENT BILL
THE ANDHRA PRADESH PANCHAYAT SAMITHIS AND ZILLA PARISHADS (AMENDMENT) BILL, 1969.

Sri Thota Ramaswamy:—Sir, I beg to move:
"That the Andhra Pradesh Panchayat Samithis and Zilla Parishads (Amendment) Bill, 1969 be read a second time."
Mr. Deputy Speaker:—Motion moved.

1. Mr. Speaker:—Motions moved.
2. Mr. Speaker:—Motions moved.
Provided that the Government may by notification for sufficient cause which shall be stated therein direct that the said term of 5 years be extended upto such a date as may be specified in the said notification, such term being more than one year from the date on which such term expires. Such extension to one year may be such term...

Sri Vachaspati Gopalakrishnayya - Please hear me...

and the Government may from time to time by notification alter such date and fix another date instead within the period of one year aforesaid.

V. Venkata Ramaiah - Please hear me...

and the Government may from time to time by notification alter such date and fix another date instead within the period of one year aforesaid.

V. Venkata Ramaiah - Please hear me...

and the Government may from time to time by notification alter such date and fix another date instead within the period of one year aforesaid.

V. Venkata Ramaiah - Please hear me...

and the Government may from time to time by notification alter such date and fix another date instead within the period of one year aforesaid.

Provided that the Government may by notification for sufficient cause which shall be stated therein direct such term of five years—there is a five-year term for all those members and Chairman, Chairman and all those people—and such term of five years be extended upto such date as may be specified in the notification, such date being not later than one year. That is, we can extend only up to one year.

Mr. Deputy Speaker:—...alter such date within the period of one year only.
Sri C. V. Rao: Five years is the term of these bodies. Previously it was only 11 months and that could be extended. How that is done I do not know. But the period of 11 years if the Government for any reason thinks that after the right royal five years period is to take place, it could extend the period by this Act by an order upon one year.

Mr. Deputy Speaker: One year only.

Sri C. V. Rao: Before the end of that one year, it could be extended. This is the whole trouble. There is somebody here who understands a possible interpretation of the English language; that is the meaning. You can rule out.

Mr. Deputy Speaker: Where is the question of ruling out?

Sri C. V. Rao: Sir, your ruling is binding as far as the Government is concerned. It may not stand as a court of law. Please read it is: 'Provided that the Government may by notification for sufficient cause which shall be stated therein direct that the said term of 5 years be extended up to such date as may be specified in the notification, such date being...'

Sri C. V. Rao: 'Within the period of one year aforesaid.' Which is the period? A one year aforesaid. 'From time to time.' There is only once you can extend. What does it mean? There need be no wording 'from time to time.' There is no need for extending for another year. Therefore if it amounts even to two years, I do not know. My point is this but the Government seems to be short-sighted. It is a question of applying the meaning that comes into this. What motive, what purpose the drafting authority has done it, the Minister does not know. Can the Minister tell me that it has been done on his instruction? No, he must have given general permission. Whether it is properly caught by the drafting authority or not is for the Minister's feeling. It is not only my fault if I apply King's English. Do you want me to apply Andhra English or Telangana English? The entire meaning at that stage if the Government wants to get power, therefore, let it be clarified. I admit I may be wrong, there can be no Bruchaspati born in this world. Let the Government take the points of the Leader of the Opposition and Sri Vavilala. Let the Government take time.
Mr. Speaker, Sir. The intention of the Government is to replace this ordinance, well and good-let it extend by one year. But the clause is very ambiguous. You can interpret it in a different way and I can interpret it in a different way. The Government has got power to extend the term from 5 to 6 years; they have incorporated in this Act. Generally, I am also an advocate. I feel I can interpret in a different way. As per this provision I can take shelter that I can extend by one year more. By the end of one year I can give another notification and extend for one more year. That is why I request the Minister to be specific. Let the Government be specific on this aspect that the elections will not be extended for more than one year. The Government is empowered to take one year, to extend the term and it will be final. "It shall" with a final. I request the Minister to reconsider this aspect and if it is possible let the clarification come from the concerned Minister.

Mr. Deputy Speaker: That is it that you want now?

Sri Vavilaia Gopalakrishnayya: I am standing on my own point.

Sri T. Ramaswamy: - I am seeking an explanation after such date and fix another date instead, within the period of one year aforesaid. That date should not exceed the period of one year aforesaid, that is, only one year.

There is no need for another clause at all. Under the ordinance, the Government have already issued a notification extending the term of the Panchayat Samithis under the ordinance. Therefore, practically there is no need to have this additional clause. The Government have categorically stated that they would extend the term of the Panchayat Samithis only by one year. Now they are coming forward saying: "we will be requiring some more time after this one year." That is altogether different. In the beginning their intention was to extend the term of Panchayat Samithis for one year. They have already done that in the ordinance because immediately the ordinance was issued, the Government by notification stated that the term of the Panchayat Samithis has been extended for one year. Therefore there is no need to have this additional clause. Where is the need for the Government to issue further notifications when they have already issued a notification extending the term of Panchayat Samithis for one year? Therefore there is no need.

Mr. Deputy Speaker: The intention is if they want another date to be fixed, this will enable them.

Sri A. Vandevas Rao: I am laying that it is capable of giving a double meaning. Of course, if the matter goes to the Supreme Court, they will decide what is correct and what is incorrect. But
The Andhra Pradesh Panchayats Samithis and Zilla Parishads (Amendment) Bill, 1969

will you compel us to go to Supreme Court? What prevents you to give a clear-cut meaning?

"Provided that the Government may, from time to time, by notification in the Andhra Pradesh Gazette, extend the said term beyond five years by such period and for such reasons, as may be specified in the notification, so however that the term of office of the Council shall not, in the aggregate, exceed six years."

Clause 3.

"Provided that the Government may, by notification for sufficient cause which shall be stated therein, direct that the said term of five years be extended upto such date as may be specified in the notification, such date being not later than one year from the date of which such term expires under this clause, and the Government may, from time to time, by notification, alter such date and fix another date instead, within the period of one year aforesaid."

Sri I. hotramma: I am just suggesting. If they agree, I will move this amendment. In clause 1 "instead within the period of one year aforesaid."

...

Sri Thota Ramaswamy:—"So however, that the term of office shall not exceed six years."

Sir:—"So however, that the term of office shall not exceed six years."

Sri Thota Ramaswamy:—I am making it clear, Sir. "So however, that the term of office shall not exceed six years."

Mr. Deputy Speaker:—That period means, that period of extension.

Mr. Deputy Speaker:—That period of extension.

Mr. Deputy Speaker:—That period of extension.

Mr. Deputy Speaker:—That period of extension.

Mr. Deputy Speaker:—That period of extension.

Mr. Deputy Speaker:—That period of extension.

Mr. Deputy Speaker:—That period of extension.
130 32th  Septembnr,  969,

Government Bill:

...So, however, that the term of office shall not in the aggregate exceed six years....

Mr. Deputy Speaker:—He has agreed with that. It has to be amended accordingly.

...
Government Bill:

12th September, 1960.

[Document content]
The Andhra Pradesh Panchayats Act, 1964 also empowers the Government to extend the term of members of the Gram Panchayats for a maximum period of one year.

Objects and Reasons: "The Andhra Pradesh Gram Panchayats Act, 1964 also empowers the Government to extend the term of members of the Gram Panchayats for a maximum period of one year."
Government Bill; 1969.

Mr. Speaker:—So, that makes matters clear.

Mr. R. Reddy:—Very good.

Mr. Speaker:—Yes, Sir.

Mr. R. Reddy:—Mr. Speaker—Do that makes matters clear.

Sri T. Ramaswamy:—Yes, Sir.

Mr. Speaker:—Very good.

Mr. Speaker:—That is clear by moving this amendment.

Mr. R. Reddy:—Yes, Sir.

Mr. Speaker:—Very good.

Mr. R. Reddy:—Mr. Speaker—Do that makes matters clear.

Sri T. Ramaswamy:—Yes, Sir.

Mr. Speaker:—Very good.

Mr. Speaker:—That is clear by moving this amendment.

Mr. R. Reddy:—Yes, Sir.

Mr. Speaker:—Very good.

Mr. Speaker:—So, your suggestion to the Government is that they should withdraw this Bill now. Then what will be the effect of it?

Sri G. V. K. Rao:—I am not suggesting to the Government. I am opposing the Bill.

Mr. Speaker:—You are saying. They have got to conduct the elections. I am suggesting that they have got to conduct the elections. It is as simple. Let them conduct the elections. Do not give the validity.

Sri C. V. K. Rao:—They have got to conduct the elections. I am suggesting that they have got to conduct the elections. It is as simple. Let them conduct the elections. Do not give the validity.

Mr. Speaker:—Now what has been done now by an ordinance they have extended the term of the Panchayat Samithis and Zilla Parishads or whatever it may be. Now they are seeking to replace the ordinance by a Bill. Practically they want to get it approved by the House. Supposing they withdraw the Bill, what will be the effect of that? Now you are asking the Government to withdraw the Bill.

Sri C. V. K. Rao:—Now the term of Panchayat Samithis and Zilla Parishads is 5 years and whether they can extend the next year. That period is over. Now, they have brought an amendment.

Mr. Speaker:—That is true. By an ordinance they have extended one year. That has to be replaced by a Bill.

Sri C. V. K. Rao:—The ordinance cannot continue after a certain period. Within that period they must conduct the election. When the ordinance ceases they have got to conduct the election.

Mr. Speaker:—Let us take the position as it is. If this Bill is not passed by this House, the ordinance will expire by 26th of this month. Now to-day is 12th and we have got only two weeks time. Can you expect the Government to observe all the formalities laid down under the Law and conduct elections?

Sri C. V. K. Rao:—They can take one more month or even two months. My point is that the elections are due. Now, they are giving a validity to the ordinance by extending one year by one year.

Mr. Speaker:—That is not under contemplation. Now the Minister has given a clear assurance to the House and it ought to be clear that not more than one year shall be extended and that the aggregate will be only six years and not beyond six years. That is the clear now. Government are not asking for the extension to extend beyond six years. That is clear now. Now, the question is whether we should give them three months or six months to conduct the elections. That is the point.

Sri Ch. Rajeswara Rao (Sircilla):—Supposing we accept only six months. Even for those six months that which was given by means of an ordinance must be regularised by means of an Act.

Mr. Speaker:—That is true. That is why they have come forward with this Bill correctly. What I am saying is that Mr. Rao’s suggestion to the Government to withdraw this Bill is out of question.

Sri C. V. K. Rao:—What I am suggesting to the Government is that this Bill is not for it and the Ministers also has given an assurance. Are you clear about it?

Sri C. V. K. Rao:—Yes, Sir.

Mr. Speaker:—But the Panchayats in the future cannot extend beyond a period of six years. The only difference is that it saves the officers in the future.
instead of extending the existing Panchayat Samithis for another year more, the Government under this Act is taking power to extend in future to all the Panchayats for one year more if necessary and virtually they are taking six years time instead of five years. and they are taking power for the same.

Mr Speaker:—We can lay down certain conditions which shall satisfy for extension one year. By an ordinance they extended it. If I remember correctly, on the floor of the House the Minister for Panchayati Raj was always giving an assurance that elections would be conducted and steps were being taken to conduct the elections within five years and all that. As a matter of fact, suggestions were made from all sides to extend by one year.

Mr Speaker:—The amendment is clear. You are perfectly right it gives the Government the power in all cases of future institutions also to extend by one more year that is from 5 to 6 years. In some emergency or some thing like that, the Government have power to do so.

Mr Speaker:—Some thing they have got to do if the Assembly is not in Session. Again they have to ask the Governor to issue the Ordinance, repeating the same procedure.

Mr Speaker:—Even in the Municipal Council Act, the provision is there.
Mr. Speaker.—He says even in the Panchayat Act that provision is there. Now, this is in regard to Panchayat Samithis and Zilla Parishads. Same power could be given.

Mr. Speaker:—For sufficient and satisfactory cause that is in the opinion of the Government. Is it not so?

Mr. Speaker:—For some time past the administration has been pre-occupied with the maintenance of law and order in the State. Ordinary elections to Gram Panchayats due in May, 1968 have been postponed.

Mr. Speaker:—Sri Vavilala Gopalakrishna has given an amendment “That the Bill be referred to the public opinion”. Under rule 128-B (2) When the member-in-charge moves that the Bill as reported by the Regional Committee be taken into consideration, any member may move, as an amendment, that the Bill be recommitted to the Regional Committee. As such, the above amendment is not in order. I therefore, disallow.

The question is:
That the Andhra Pradesh Panchayat Samithis and Zilla Parishads (Amendment) Bill, 1969 (as reported by the Regional Committee) be read a second time:

The motion was adopted.

Clause 2

Mr. Speaker:— The question is:

"That Clause 2 do stand part of the Bill."

The motion was adopted.

Clause 3

Sri T. Ramaswamy:— Sir, I beg to move:

"The following may be inserted after the words 'under this clause' occurring in the proviso to Section 8 (1) (iv) in Clause 3:—

"So, however, that the term of office shall not, in the aggregate exceed six years."

Mr. Speaker:— Motion moved.

Mr. Speaker:— The question is:

"The following may be inserted after the words 'under this clause' occurring in the proviso to Section 8 (1) (iv) in Clause 3:—

"So, however, that the term of office shall not, in the aggregate exceed six years."

The motion was adopted.

Clause 3 as amended was added to the Bill.

Clause 4

Sri T. Ramaswamy:— Sir, I beg to move:

"The following may be inserted after the words 'under this clause' occurring in the proviso to Section 8-A (3) in Clause 4:—

"So, however, that the term of office shall not, in the aggregate exceed six years."

Mr. Speaker:— Motion moved.

(Pause)
Mr. Speaker:—The question is:

"The following may be inserted after the words "under this clause", occurring in the proviso to Section 8-A (g) in Clause 6:—

"So, however, that the term of office shall not in the aggregate exceed six years."

The motion was adopted.

(Pause)

Mr. Speaker:—The question is:

"That Clause 6 as amended do stand part of the Bill."

The motion was adopted.

Clause 6 as amended was added to the Bill.

Clause 7

Sri T. Ramaswamy:—Sir, I beg to move the following amendment:

"The following may be inserted after the words "under this clause", occurring in the proviso to sub-section 30 (i) (iv) in Clause—

"So, however, that the term of office shall not in the aggregate exceed six years."

Mr. Speaker:—Motion moved.

(Pause)

Mr. Speaker:—The question is:

"That Clause 7 as amended do stand part of the Bill."

The motion was adopted.

Clause 7 as amended was added to the Bill.
Government Bill:  12th  September,  1959.  141

Andhra Pradesh Panchayats and Zilla Parishads
(Amendment) Bill, 1959.

So, however, that the term of office shall not, in the aggregate exceed six years.

Mr. Speaker — Motion moved.

(Pause)

Mr. Speaker — The question is:

"The following may be inserted after the words 'under this clause' occurring in the proviso to sub-section (1) (i) of Clause 7:—

"So, however, that the term of office shall not, in the aggregate exceed six years."

The motion was adopted.

(Pause)

Mr. Speaker — The question is:

"That Clause 7 as amended do stand part of the Bill"

The motion was adopted.

Clause 7 as amended was added to the Bill.

Clause 8

Sri T. Ramaswamy:— Sir, I beg to move the following amendment:

The following may be inserted after the words "under this sub-section" occurring in the proviso to section 48 (7) in Clause 8:

"So, however, that the term of office shall not in the aggregate exceed six years."

Mr. Speaker — Motion moved.

(Pause)

Mr. Speaker — The question is:

"The following may be inserted after the words 'under this sub-section' occurring in the proviso to section 48 (7) in Clause 8:—

"So, however, that the term of office shall not in the aggregate exceed six years."

The motion was adopted.

(Pause)

Mr. Speaker — The question is:

"That Clause 8 as amended do stand part of the Bill"

The motion was adopted.

Clause 8 as amended was added to the Bill.

Clause 9

Mr. Speaker — The question is:

"That Clause 9 do stand part of the Bill"

The motion was adopted.

Clause 9 was added to the Bill.

Clause 1, Enacting Formula and Long Title

Mr. Speaker — The question is:

"That Clause 1, Enacting Formula and Long Title of this Bill do stand part of the Bill"

The motion was adopted.

Clause 1 was added to the Bill.
142 12th September, 1969.

111

The motion was adopted.

Clause 2: Enacting Formula and Long Title were added to the Bill.

Sri T. Ramaswamy :— Sir, I beg to move:

"That the Andhra Pradesh Panchayats Samithis and Zilla Parishads (Amendment) Bill, 1969 be read a third time".

Mr. Speaker :— Motion moved.

Mr. Speaker :— The question is:

"That the Andhra Pradesh Panchayats Samithis and Zilla Parishads (Amendment) Bill, 1969 be read a third time".

The motion was adopted.

THE HYDERABAD MUNICIPAL CORPORATIONS (AMENDMENT) BILL, 1969

(As reported by the Regional Committee)

Sri N. Chenchurama Naidu :— Sir, I beg to move:

"That the Hyderabad Municipal Corporations (Amendment) Bill, 1969 (as reported by the Regional Committee) be read a second time".

Mr. Speaker :— Motion moved.

Mr. Speaker :— There is one amendment given notice of by Sri Yachhas Gopalakrishniah 'That the Bill be referred to public opinion', I disallowed it under Rule 128-E (2) of the Assembly Rules.

The question is:

"That the Hyderabad Municipal Corporations (Amendment) Bill, 1969 (as reported by the Regional Committee) be read a second time".

The motion was adopted.

Clauses 2 to 4, Clause 1, Enacting Formula and Long Title of the Bill.

Mr. Speaker :— The question is:

"That Clauses 2 to 4, Clause 1, Enacting Formula and Long Title of the Bill be part of the Bill".

The motion was adopted.

Clauses 3 to 4, Clause 1 Enacting Formula and Long Title were added to the Bill.

Sri N. Chenchurama Naidu :— Sir, I beg to move:

"That the Hyderabad Municipal Corporations (Amendment) Bill, 1969 (as reported by the Regional Committee) be read a third time".

Mr. Speaker :— Motion moved.
114 12th September, 1069.

The total number of cases received for the season was 1680.

The survey was conducted by the New Zealand Postal Service and was designed to investigate the prevalence of certain diseases among the population.

The results of the survey will be published in the near future.
Appendix

12th September, 1963

The Board of Directors hereby announce that the accounts for the year ending 31st March, 1963, have been received and are satisfactory. The Directors are satisfied with the financial results for the year and commend the performance of the management to the shareholders.

The Board propose to declare a dividend of 6% on the ordinary share capital.

The Board wish to express their appreciation to Mr. A. B. C. for his services as Chairman of the Board for the past five years.

The Board further propose to fill the vacancy created by the resignation of Mr. D. E. F. as a director by the appointment of Mr. G. H. I.

The Board have considered the recommendations of the Auditor and are satisfied that the financial statements are in accordance with the Companies Act, 1948.

The annual general meeting will be held at the company's offices on 15th October, 1963, at 3.00 p.m.

(3) The annual rates for the State-wide disability insurance programme in 1968-69 were: 1.70 in the State of A. and 2.71 in the State of B.

(4) In the year 1968-69, the State of A. had 22,600 private enterprises, and the State of B. had 25,500 private enterprises.

(5) The average monthly earnings of the workers in the State of A. were 3.50 in 1968-69, while in the State of B. they were 3.90.

(6) In the year 1968-69, the State of A. had 30,000 registered farmers, while the State of B. had 32,000 registered farmers.

(7) In the year 1968-69, the State of A. had 200,000 acres of cultivated land, while the State of B. had 220,000 acres of cultivated land.

(8) In the year 1968-69, the State of A. had 1,884 registered industrial units, while the State of B. had 2,000 registered industrial units.

(9) In the year 1968-69, the State of A. had 18,000 registered trading units, while the State of B. had 20,000 registered trading units.

(10) In the year 1968-69, the State of A. had 10,000 registered educational institutions, while the State of B. had 12,000 registered educational institutions.

(11) In the year 1968-69, the State of A. had 1,000 registered medical institutions, while the State of B. had 1,200 registered medical institutions.

(12) In the year 1968-69, the State of A. had 1,000 registered social welfare institutions, while the State of B. had 1,200 registered social welfare institutions.

(13) In the year 1968-69, the State of A. had 1,000 registered cultural institutions, while the State of B. had 1,200 registered cultural institutions.

(14) In the year 1968-69, the State of A. had 1,000 registered sports institutions, while the State of B. had 1,200 registered sports institutions.

(15) In the year 1968-69, the State of A. had 1,000 registered agricultural institutions, while the State of B. had 1,200 registered agricultural institutions.

(16) In the year 1968-69, the State of A. had 1,000 registered industrial institutions, while the State of B. had 1,200 registered industrial institutions.

(17) In the year 1968-69, the State of A. had 1,000 registered commercial institutions, while the State of B. had 1,200 registered commercial institutions.

(18) In the year 1968-69, the State of A. had 1,000 registered financial institutions, while the State of B. had 1,200 registered financial institutions.
CO-OPERATION

The Five-Year Plans have stressed the role of Co-operation as the principal basis of organisation in many branches of economic life, especially in relation to agricultural production, small industries, transport, marketing, distribution, supply, housing, construction and provision of essential consumer needs etc. The IV Plan is being designed as the crucial next step for the deepening and diversification of the Co-operative sector. While the development programmes undertaken during the Third Five-Year Plan will continue to receive attention, the Fourth Plan will lay greater emphasis on consolidation, elimination of the existing weaknesses of the movement, creation of viable co-operative structure and the growth of this movement towards self-reliance and self-regulation. Co-operatives will be oriented towards serving small and medium farmers and will be geared to meet only the requirements of credit and supply of Agricultural Production programmes. Accordingly, some of the major programmes in the Fourth Plan will be in regard to effective implementation of the crop loan system, reduction of overdues, increasing support to weak co-operative credit banks, intensified programmes for development of Co-operative Marketing and Processing, Development of Consumer Co-operatives into a permanent like in the distributive set-up in the State, and the increasing and effective utilisation of the co-operative form of organisation as part of the programmes for assisting weaker sections of the community. Consistent with these development programmes, due provision has been made for the continuation of the training programmes and employment of the administrative staff to the extent necessary.

AGRICULTURAL CREDIT

At the end of Third Five-Year Plan, there were 11,300 societies in the State, covering 89% of the villages and 54% of the rural population in the State. The Fifth year five-year plan aimed at rehabilitation for distressed agricultural operatives amounted to Rs. 50 crores by 1960–61.

During the Fourth Plan, Rs. 50 crores has been re-allocated for co-operatives and Rs. 50 crores for reduced farm lease to the extent of Rs. 20.00 crores.
The programme under physical targets for 1969-70 is indicated below:

1. Coverage of villages by societies 95%
2. Coverage of rural families 57%
3. Coverage of membership No. 80,00 lakhs
4. Issue of medium term and short term loans Rs. 40.00 crores

Reorganisation of primary societies:— Though there are 14,624 (as on the date of survey) village credit societies, it is found that most of them are weak and are not in position to serve the needs of their members. In accordance with the policy laid down for reorganisation of credit societies, a survey to identify viable, potentially viable and weak societies was conducted in the year 1965 with the following criteria to identify a viable society:

1. Ability to appoint a full time qualified paid Secretary.
2. Ability to have regular office.
3. Loan transaction of the order of Rs. 150 lakhs.
4. Ability to contribute to reserves on the scales considered necessary.
5. Ability to pay reasonable return on capital.

The survey revealed the following position;

(a) No. of viable societies 384
(b) No. of potentially viable societies 5,011
(c) No. of non-viable societies proposed for amalgamation 8,135
(d) No. of viable societies proposed for liquidation 618
(e) No. of societies in which area of operations have to be extended 50

A phased programme to implement the reorganisation of the societies to viable societies is under implementation. It is hoped to complete the programme by 1969-70.

A scheme to provide managerial subsidy to potentially viable societies formed after amalgamation of weak societies is under implementation. During the year 1969-70, a sum of Rs. 0.50 lakhs is provided for this purpose.

State participation in Primary Co-operative Credit Societies:— With a view to strengthen the financial resources of village co-operative societies including large and co-operative societies and rural banks, a sum of Rs. 5.64 lakhs has so far been contributed by Government towards their capital of these societies.

Reliability of Co-operative Central Banks:— On account of the heavy requirements prevailing in some of the Central banks and due to internal reasons they have not been able to accept...
adequate financial accommodation from the Reserve Bank of India and cater to the needs of the agriculturists in their area. The Co-operative Central Banks, Mahbubnagar, Nalgonda, Bhongir, Warangal, Khammam and Cuddapah have been identified as weak Co-operative Central Banks. On the lines indicated by the Reserve Bank of India in their guidelines for rehabilitation of weak Co-operative Central Banks, intensive verification of loans has been undertaken by these banks with a view to draw up comprehensive proposals for their rehabilitation.

During the year 1967-68, Government sanctioned assistance to the following weak Co-operative Central Banks by way of long term loans to augment their resources:

1. Srikakulam Rs. 2.00 lakhs
2. Mahbubnagar Rs. 2.00 lakhs
3. Warangal Rs. 0.80 lakhs

During 1969-70 a provision of Rs. 10 lakhs has been made for granting long term loans to the weak Co-operative Central Banks.

Assistance to Co-operative Central Banks.—Financial assistance is provided by way of subsidy to Co-operative Central Banks for opening of branches, appointment of additional supervisors etc. The following is the provision made for the year 1969-70:

1. For appointment of additional Supervisors Rs. 1.00 lakhs
2. For opening of branches of Central Banks Rs. 0.80 lakhs

With a view to provide incentive to Central Banks and Societies to issue more loans to weaker sections, outright grants towards special bad debt reserve is provided. For the year 1969-70 a provision of Rs. 0.50 lakh has been made towards outright grants for special bad debt reserves of village credit societies and Rs. 0.17 lakh for Central Banks.

Growth and resources of the financing banks.—The Apex and Co-operative Central Banks have taken steps to strengthen their internal resources, so that they may play their part in the achievement of the targets under the plan. The measures initiated by them as a result of the decisions taken at the Conference of the Co-operative Central Banks held in January 1967 to collect additional share capital at 8% of the loans advanced and thrift deposit at 4% of the loans advanced have yielded good results. The total working capital of the Apex and Co-operative Central Banks as on 30th June 1968 worked out to Rs. 21.70 crores and Rs. 39.64 crores respectively. Against a target of Rs. 41.71 crores fixed for issue of short term and medium term loans (excluding 1968-69) the Co-operatives issued loans to the extent of Rs. 28.04 crores.

Opening of branches by the Central Banks.—At the Conference of the Co-operative Central Banks held in January 1967 it was decided...
12th September, 1968.

Appendix.

to open branches at all the taluk headquarters. So far 144 taluks are covered by the Central Banks with branches.

With the opening of the branches, some of the Central Banks have been able to introduce cheque system for issue of loans by which it is hoped to minimize certain evil practices particularly like hawan loans.

State participation in financing banks and the credit limits from the Reserve Bank of India.—A total sum of Rs. 248.75 lakhs has been contributed by Government till now towards the share capital of Apex and Central Co-operative Banks with a view to enable them to have increased own funds and to secure higher credit limits from the Reserve Bank of India.

Intensive Agricultural District Programme.—The Intensive Agricultural District Programme popularly known as package programme is being implemented in the West Godavari district. The Co-operative Central Banks of Eluru, Rajahmundry and Krishna are providing loans to the agriculturists of the district.

As against a target of Rs. 93 lakhs fixed for issue of loans by the Central Banks in the district, they issued loans to the extent of Rs. 313.38 lakhs during the year 1968-69 upto March 1969. A target of Rs. 251 lakhs is fixed for the year 1969-70.

Intensive Agricultural Area Programme.—The Intensive Agricultural Area Programme known as modified package scheme is implemented in the districts viz., Krishna, East Godavari, Guntur, Chittoor, Kurnool, Nellore, Nizamabad, Karimnagar, Warangal and Mahaboobnagar. The 4 Co-operative Central Banks functioning in these districts are providing credit to the agriculturists. The total production credit issued by the Cooperatives in these districts during the year 1968-69 amounted to Rs. 396.22 lakhs.

LONG-TERM CREDIT

The Land Mortgage Banking structure in Andhra Pradesh is federal with Primary Land Mortgage Banks at the taluk level federated with the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited, at State level.

There are 180 Primary Land Mortgage Banks in the State for the 189 taluks in the State. The other taluks comprising mostly of tribal agency and forest areas, are, however, already covered by the existing Land Mortgage Banks.

The loans disbursed by the Land Mortgage Banks annually were stepped up progressively as may be seen from the following:

<table>

The total amount of loans outstanding from the Primary Land Mortgage Banks is on 30th Jan, 1903 was Rs. 4,589.11 lakhs.

(b) Credit Accommodation—In order to enable the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited, Hyderabad to implement its lending programme successfully, the State Government have been providing every year short-term accommodation of Rs. 42.00 lakhs.

Loans are being sanctioned to the members of the Land Mortgage Banks for sinking new wells, purchase of oil engines, diesel and/or pumps, raising fruit gardens and cashewnut development.

The Government of Andhra Pradesh is contributing to debentures floated by the Bank to the extent of the provision available for sanctioning long-term taccavi loans and the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited has undertaken to disburse at least an equal amount for the purpose from its own resources.

During 1968-69 State Government have provided an amount of Rs. 261.85 lakhs for investment in the debentures of the Bank for issue of long-term taccavi loans. Government of India have also contributed a matching contribution of Rs. 222.15 lakhs for investment in the debentures of the Bank. With this, the Bank was able to disburse an amount of Rs. 13.00 crores during 1968-69.

A sum of Rs. 228.00 lakhs has been provided in the Budget Estimates for 1969-70 for investment in the debentures of Andhra Pradesh Co-operative Central Land Mortgage Bank. In addition to this an amount of Rs. 42.00 lakhs has also been provided in the Budget Estimates of the current financial year towards subsidy under long-term taccavi scheme.

(c) Special Ayacot Development Schemes.—In addition to its normal lending operations, the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited, Hyderabad has undertaken special schemes for development of water in the projects of Nagarjunasagar and Tungabhadra High Level Canal during the current year also. The first scheme for development of water in the project of Nagarjunasagar has been rephased reducing the financial outlay to Rs. 620.90 lakhs from Rs. 830.80 lakhs for development of 1.90 lakhs acres. The Bank has prepared a second scheme for development of 38,000 acres of land under Nagarjunasagar Project on which irrigation potential was created in 1968, at a financial outlay of Rs. 160.90 lakhs. In addition, the Bank had prepared a third scheme for development of 1.90 lakhs acres, which would receive irrigation water during July, September and October in the current year, at a financial outlay of Rs. 45.90 lakhs. The scheme is under implementation from May 1969. The installation of schemes from the Agricultural Infrastructure Corporation.
The Tungabhadra High Level Canal II Phase Scheme which has received sanction from the Agricultural Refinance Corporation in the year 1967 for development of 28,500 acres with a financial outlay of Rs. 71.00 lakhs is under active implementation.

The estimated outlays, the amount spent so far and the acreage developed with those amounts are indicated below:

<table>
<thead>

</tbody>
</table>
| The Andhra Pradesh Co-operative Central Land Mortgage Bank is also formulating a fourth loan scheme under Nagarjunasagar Project for development of areas which would receive irrigation waters. The Project level action committee for Tungabhadra High Level Canal held on 27th September 1968, while appreciating the good work done by the Land Mortgage Banks and the good achievements registered in the implementation of the Tungabhadra High Level Canal II Phase, expressed the desire that further arrangements be made to provide long-term credit for development of additional areas under North Canal (Guntakal Channel). The Bank is examining the above proposal for making a fresh proposal or for formulating a new scheme. The Bank has also since finalized a scheme for development of Pochampad Project at an outlay of Rs. 10.35 lakhs for development of 18,000 acres.

Area Development Schemes—The Agricultural Refinance Corporation agreed in 1967 to assist in implementation of Area Development Schemes envisaging minor irrigation works such as sinking of wells and installation of water lifting appliances. The need for taking up minor irrigation schemes on an intensive scale needs no emphasis as only 24% of the area is irrigated in the State. The Agricultural Refinance Corporation is of the opinion that a selective area wise approach to cultivation and supervision, integrated and harmonious development schemes are required. The Corporation...
Appendix. September, 1960. 171

for each region would have as its central aim accelerated growth of agricultural production and aims to improve the economy of the cultivator. The Agricultural Refinance Corporation has been providing 90% of the outlay in Area Development Schemes and the State Government has to contribute the balance of 10% as debentures to be floated by the Andhra Pradesh Co-operative Central Land Mortgage Bank.

So far 68 Area Development Schemes have been formulated at a financial outlay of Rs. 3,603.27 lakhs for development of 2,58,118 acres have been sanctioned for outlay by the Agricultural Refinance Corporation. The Corporation has so far sanctioned 55 schemes at an outlay of Rs. 1,451.76 lakhs to bring 1,06,040 acres of land under irrigation. Loans to the amount of Rs. 1,38.00 lakhs have been advanced under these schemes so far. 13,977 acres have been irrigated.

During the current year an amount of Rs. 90.00 lakhs is provided in the Budget for investment in the Bank's debentures and cost of staff. The programme for the Fourth Five-Year Plan under Agricultural Refinance and Area Development Schemes is to the order of Rs. 15.00 crores and Rs. 40.00 crores respectively.

CO-OPERATIVE FARMING SCHEMES

The Scheme of Co-operative Farming was introduced in Andhra Pradesh during the Third Five-Year Plan. It envisaged organisation of Co-operative Farming Societies of Joint and Collective type with a view to increase food production besides providing gainful employment in husbandry, agriculture, livestock and non-agricultural activities. During 1968-69, 73 societies have been registered. As on 31st March 1969, a total of 620 societies have been registered.

During 1969-70 it is proposed to start 125 societies with a total financial outlay of Rs. 11.05 lakhs.

Special Pilot Scheme for Konaseema Area in East Godavari district—Under this scheme, 186 Co-operative Collective Farming Societies have been started on Government land and waste lands of 18,500 acres. The Government decided to lease out these lands to the societies for 10 years. It is proposed to organise 74 more societies in this area.

Master Plan for Divi Seema Area of Krishna district—Government sanctioned a Master Plan for the organisation of 400 Co-operative Collective Farming Societies on Government lands and waste lands measuring about 29,047 acres in a phased programme of 8 years to settle 10,900 families of landless agricultural labourers and provide employment. To date 210 societies have been registered. Out of 210 societies, lands have been given to 101 societies to the extent of 13,859 acres. Land available has been surveyed and will be made available to the societies as soon as possible. The scheme has since been replaced to be completed within 5 years.

Centrally sponsored scheme for rehabilitation of Government waste lands—The scheme envisaged organisation of Cooperative Inland Farming Societies on lands of Government Wastelands amounting to 553 acres and setting up a network of stalls and rehabilitation of livestock farming projects. So far 21 societies have been started and it is proposed to begin 11 more societies.
During the year 1968-69 an amount of Rs. 80,000 was given to 3 societies in Krishna district for reclamation works. An amount of Rs. 10,000 lakhs is provided in the Budget for 1969-70.

CO-OPERATIVE SUGAR FACTORIES

In the field of agricultural processing on cooperative lines, Co-operative Sugar Factories have come to occupy a premier position.

There are 11 Co-operative Sugar Factories in the State out of which 8 are under production. Of the remaining three, the proposal at Bhimaisingi which was licensed to set up a sugar factory of 1,250 metric tonnes capacity on co-operative lines is now considering a plant of 600-1,000 metric tonnes capacity. The proposal of Zaherabad Co-operative Sugar Factory was dropped as they could not arrange required finances. The society has also refunded to the Government the share capital of Rs. 10,000 lakhs invested in it. The society has also refunded to the Government the share capital of Rs. 10,000 lakhs invested in it. The society has also refunded to the Government the share capital of Rs. 10,000 lakhs invested in it.

The Co-operative Sugar Factories have faced difficulties on account of severe drought conditions for over three (3) seasons up to and inclusive of 1967-68 season. As a result, the crushing performance of the factories has not been happy since 1965-66 season till 1967-68. The crushing performance during 1968-69 has been better, very good. The factories crushed 11.81 lakh metric tonnes of cane and produced 1.03 lakh metric tonnes of sugar during 1968-69 season at against 4.18 lakh metric tonnes of cane crushed and 0.40 lakh metric tonnes of sugar produced during the previous season, i.e., 1967-68.

It is gratifying to observe that the Co-operative Sugar Factories have generally, barring an exception here and there, achieved record production during this year. During the ensuing season, the Co-operative Sugar Factories have already launched a drive to collect adequate cane to crush to their rated capacities.

The Co-operative Sugar Factories had faced difficulties due to shortage of cane over three (3) seasons and purchase of 1967-68 season. As a result, the crushing performance of the factories has not been happy since 1965-66 season.

Government of India revised its sugar policy for 1968-69 season reducing the free sale sugar quota from 40% fixed during 1967-68 season to 30% of sugar production in the year. The sugar price was also revised by Government of India fixing the price differential factor ranging between the 16.75% and 18.60% per metric tonne. State Government, however, refunded the price differential to the tune of 200 per metric tonne to the Co-operative Sugar Factories as the Government of India has reduced the free sale sugar quota from 40% to 30% of sugar production in the year.

The free sale sugar price being fixed for quite a long time has enabled the Co-operative Sugar Factories to operate without problems of funds accumulated.
June and have enabled the factories to pay a higher cane price than the minimum fixed by Government of India and also achieve a record production during the year.

The Co-operative Sugar Factories have been for some time past facing a serious problem in the steep fall in the free sale sugar prices. Further, the enhancement of excise duty on sugar from Rs. 28.65 per bag to Rs. 46 by the Government of India has also been causing considerable anxiety to the Co-operative Sugar Factories. Government have been seriously considering the impact of the falling free sale sugar prices and also the enhanced excise duty on the working of the factories.

CO-OPERATIVE MARKETING

The marketing societies in the State are organised on the three-tier basis—Primary Co-operative Marketing Societies at the Mandi or taluk level, District Co-operative Marketing Societies at the district level and Andhra Pradesh State Co-operative Marketing Federation Limited at the State level. The Marketing Societies at the various levels co-ordinate and help each other in channelling their activities for achieving better returns for their members.

To enable the Co-operative Marketing Societies to undertake marketing of members' produce effectively and implement the schemes relating to pricing of credit with marketing accommodation, it is necessary to process the produce of members before it is actually sold. Hence processing plants such as rice mills, groundnut dehullers, cotton gins, oil mills etc. are quite essential for the co-operative marketing societies. A financial assistance of Rs. 286.50 lakhs was sanctioned upto 31st March 1969 to the co-operative societies for setting up 143 rice mills, including one modern rice mill at Tadepalligudem, 19 groundnut dehullers, 12 cotton gins, 11 oil mills etc. and also for the organisation and development of 3 hybrid seed production and sale societies. The progress of installation of processing units assisted is shown below:

Besides, a sum of Rs. 60 to 90' was sanctioned, at a total cost of Rs. 12,55,000 (Rs. 2,50,000 each) for establishment of the central Health State Co-operative Marketing Federation Limited at Vijayawada. A
Appendix.

A suitable site has been allotted by the Industries Department for the purpose. The agreement to be entered into is being finalized and will be signed shortly. Agreements are also being entered with the firms for supply and erection of machinery.

In order to develop processing in the Co-operative Sector, it has also been recognized that adequate storage facilities are necessary to the co-operatives for storing members' produce, proposed products, chemical fertilizers etc. Under the scheme relating to Development of Co-operative Marketing, financial assistance of Rs. 170.64 lakhs was sanctioned to co-operative societies for taking up the construction of 1,122 godowns in the State. The progress of construction of these godowns is indicated hereunder:

(a) Number of godowns constructed 976
(b) Number of godowns under construction 140
(c) Number of godowns not started 39
(d) Number of godowns in respect of which financial assistance was recredited 73

The storage capacity of all the godowns is about 2.98 lakh tonnes.

In order to provide working capital to the Co-operative Marketing Societies, Government have been giving share capital contribution to the co-operatives on matching basis. A sum of Rs. 67.02 lakhs has been sanctioned upto 31st March 1969 as share capital contribution to the various Primary Co-operative Marketing Societies, District Co-operative Marketing Societies and the Andhra Pradesh State Co-operative Marketing Federation besides managerial subsidy for appointment of managerial and technical personnel.

Linking of Credit with Marketing: Linking of Co-operative Credit with Co-operative Marketing has been recognized in our State as an integral feature of the programme for development of co-operative marketing. But, much progress could not be attained in this respect due to various factors, the worst of which is lack of finance with the Co-operative Marketing Societies and the inability of the Co-operative Central Banks to finance them. As a first step Co-operative societies are induced to become members of Co-operative Marketing Societies and out of 1,472 agricultural credit societies in the State 1,010 have already been affiliated to the Co-operative Marketing Societies. Steps are being taken to get the remaining credit societies affiliated to the Co-operative Marketing Societies. The co-operative credit societies have now been set up, it is hoped that the members will become their patron in time, and give help in implementing this scheme successfully.

During 1968-69 the Co-operative Marketing Societies handled agricultural produce worth Rs. 167.75 lakhs in addition to 23,000 tons of tobacco, 4,000 tons of tobacco products, 3,900 bags of tea and 1,700 bags of rice.
In order to help the Co-operative Rice Mills set up with Gm, eminent assistance and to enable them to work to their full capacity during the year 1968-69 the Co-operative Society acting rice mills have been converted with the procurement of paddy under producer's levy scheme. They are also free to undertake procurements under open market. The Andhra Pradesh State Co-operative Marketing Federation Limited, Hyderabad has been appointed as an agent of Government for purpose of procurement of paddy, rice and the Co-operatives will have to sell their produce through the Federation. The State Government lent the Electricity Board bonds worth Rs. 114.00 lakhs to the Andhra Pradesh State Co-operative Marketing Federation Limited, Hyderabad on the pledge of which the Federation has borrowed Rs. 75.00 lakhs from the Andhra Pradesh State Cooperative Bank Limited, Hyderabad, and advanced funds towards margin money to the Co-operatives. The Andhra Pradesh State Cooperative Bank Ltd., Hyderabad has also sanctioned Rs. 1.00 crore to the visakhapatnam district Co-operative Marketing Society Limited and also obtained a cash credit accommodation of Rs. 2.00 crore from the Central Bank of India, for advancing funds to the various Co-operative Central banks to enable them to advance funds to the needy co-operatives for procurement of paddy/rice.

During the crop year 1968-69 the Co-operatives which undertook procurement of paddy, procured 54,881 metric tonnes of paddy worth Rs. 282.11 lakhs (upto 30th June 1969). During the previous crop year (i.e.) 1967-68 the Co-operative Societies had procured 42,030 metric tonnes of paddy worth Rs. 213.36 lakhs.

CENTRALLY SPONSORED SCHEME FOR THE DEVELOPMENT OF F. C. V. TOBACCO:

A centrally sponsored scheme for the development of exportable type F. C. V. Tobacco in the light soils of Nellore and Kurnool districts was introduced during 1956-67. The scheme was implemented through the Agriculture Department and Panchayat Samithis. During 1967-68 the scheme was implemented through the Co-operatives by extending the scheme to certain parts of East and West Godavari districts also. The Guntur District Tobacco Growers and Curry Co-operative Marketing Society Limited, Ongole was entrusted with the work of providing loans to the tobacco growers for construction of barns under this scheme at the rate of Rs. 5,000 per barn.

During 1968-69 the scheme was implemented through the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited, Hyderabad. The entire amount of Rs. 8.00 lakhs towards loans and Rs. 2.50 lakhs towards subsidy for the construction of barns and Rs. 2.50 lakhs towards subsidy for digging of wells sanctioned by the Government was released to the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited, Hyderabad and the Guntur District Tobacco Growers and Curry Co-operative Marketing Society Ltd., Ongole.
Government accorded sanction for incurring an expenditure of Rs. 3.00 lakhs towards subsidies for wells and Rs. 6.00 lakhs towards subsidies for barns under the scheme during 1968-69. Government also sanctioned an amount of Rs. 22,50,900 as loan to the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited, Hyderabad for construction of tobacco barns to the ryots in the project area. The entire loan amount of Rs. 22,50,900 and subsidy amount of Rs. 6.00 lakhs for digging of wells were released to the Andhra Pradesh Co-operative Central Land Mortgage Bank Limited, Hyderabad for disbursement as loans and subsidies for construction of tobacco barns.

Distribution of Chemical Fertilisers by the District Co-operative Marketing Societies.—Till October 1967, the distribution of chemical fertilisers in the State was done through Co-operatives. In October, 1967, the private traders were also brought into the field of distribution of chemical fertilisers along with Co-operatives up to 35% of the State's quota. Thereafter, the allotments to Co-operatives were 90% only. In the month of November 1969, Government have constituted a Committee consisting of the Director of Agriculture and Registrar of Co-operative Societies to allot loans to the District Co-operative Marketing Societies for the purpose of distribution of chemical fertilisers to the ryots in the State. The Committee has made allotments to the District Co-operative Marketing Societies for each quarter according to the requirements furnished by the District Co-operative Marketing Societies with reference to the stocks actually held by them and the prospects of sale. Accordingly, the Committee made allotments of various varieties of chemical fertilisers to the District Co-operative Marketing Societies for the quarter of April-June 1969 to the tune of 44,290 metric tonnes. Similarly, the Committee also made allotments of 44,290 metric tonnes of fertilisers for the second quarter from July-September 1969, and the Director of Agriculture has been arranging supplies of stocks to Co-operatives as per allotments.

The Director Co-operative Marketing Societies continued to utilise the institutional finance from the Reserve Bank of India and the State Bank of India, which have sanctioned credit limits of Rs. 5.00 crores each for the purchase and distribution of chemical fertilisers by Co-operative Societies. They are availing this distribution credit for four months period of credit allowed by the Government under the scheme of supply of chemical fertilisers on consignment-cum-credit basis to Co-operatives.

The Co-operatives in the State received and distributed fertilisers during the year 1968-69, i.e., 1st April 1968 to 31st March 1969 as given below:

<table>
<thead>
<tr>
<th>Quantity</th>
<th>Value</th>
</tr>
</thead>
<tbody>
<tr>
<td>Stock received</td>
<td>1,45,315</td>
</tr>
<tr>
<td>Stocks distributed</td>
<td>2,19,366</td>
</tr>
</tbody>
</table>

As on 1st April 1969, the co-operative stocks stood at 4,48,740 Metric tonnes valued at Rs 14.55 per quintal. Present there is a surplus.
of 1.42 lakh tonnes valued at Rs. 10.22 crores with the Cooperatives. Of this, there is a quantity of about 31,000 Metric tonnes of Di-Ammonium Phosphate lying unsold with co-operatives since a long period. As it is a new variety besides being costlier than others, the agriculturists are not readily coming forward to purchase the same. As a result, the supplies made to Cooperatives by Government in the past have accumulated. In order to enable the society to get rid of the unsold stocks and avoid incurring unnecessary losses on account of the storage, interest etc., it is under active consideration of the Government to sell the said stocks of Di-Ammonium Phosphate to certain other States such as Punjab, Haryana, Madhya Pradesh and Uttar Pradesh where it is said that there is a great demand for this variety.

CONSUMERS CO-OPERATIVE STORES.

(a) Central Stores.—In the context of the Chinese aggression Government of India formulated a scheme for setting up Central Co-operative Stores in all Cities and Towns having a population of over 5,000 with a network of branches. The object of the scheme is to supply all essential commodities to the urban people at reasonable rates. Under the scheme 25 Central Stores have been organised in the State. The 25 Central Stores played vital role in holding price line and in supplying scarce goods. The stores have 2,846 members on roll with a paid-up share capital of Rs. 10.60 lakhs. Government contributed Rs. 45.12 lakhs towards share capital of these stores.

(b) Departmental Stores.—Following the devaluation of Indian Rupee in 1966 Government decided to strengthen the chain of consumers' movement all over the country with a view to holding the price line of scarce commodities and also to ensure availability of the scarce goods to the public. They suggested the setting up of Departmental Stores in all metropolitan towns and other towns with a population between 5 to 10 lakhs and towns with a population of over 2 lakhs.

Under the above programme Departmental Stores have been set up in Hyderabad, Secunderabad, Old City of Hyderabad and Visakhapatnam. Subsequently Government of India suggested setting up Departmental Stores in towns having a population of over 1.50 lakhs and below 2 lakhs. Departmental Stores have been set up in Kurnool which has started functioning. The Departmental Stores have been developing on sound lines. The sales of departmental stores exceeded Rs. 2.10 crores for the year 1968-69 as furnished hereunder:

<table>
<thead>
<tr>

</tr>
</tbody>
</table>
Government of India permitted the organisation of departmental stores at the following places also and released the required financial assistance:

Efforts are being made to secure suitable accommodation and to start the Departmental Stores as early as possible, in Warangal and Vijayawada. Suitable sites have been secured and new buildings are being constructed for the proposed Super Stores.

(c) Consumer Industries—Government of India have released financial assistance for the setting up of the following consumer industries by the Andhra Pradesh Federation of Central Consumers Co-operative Stores Ltd., Hyderabad.

1. Manufacture of paper and stationery.
2. Manufacture of powdered spices.
3. Processing of pulses.

The Industries Department allotted 9 acres of land in the industrial area of Moula Ali for setting up these units. The Federation has taken possession of the land. Machinery has been secured for three units out of 4 allotted to the Federation. As regards the execution of the civil works layout plans have been approved and further action is being initiated.

(d) University Stores—Government of India have also formulated a scheme for organising consumers' co-operative stores for staff, students and employees of the university. Under the scheme, consumer stores have been organised in the Osmania, Andhra and Sri Venkateswara Universities. The following financial assistance has been released to these stores:

<table>
<thead>
<tr>
<th>Working Managerial Capital Loan Subsidy (Rs. in lakhs)</th>

</tr>
</tbody>
</table>

(e) Government Employees Consumers Co-operative Stores—24 Government Employees Consumers Co-operative Stores are functioning from the Cooperative Year 1962-63 at each of the 20 District Headquarters and Vijayawada. Besides, three stores in the Hyderabad City. Employees of Zilla Parishads, Panchayats, Panchayat Samithis and Mandal 102s also admitted as members of Government Employees Consumers Cooperative Stores. These stores were given a working capital loan of Rs. 14.50 lakhs. These stores have also...
Appendix.

16th September, 1969.

been provided cash credit accommodation on Government guarantee. Instructions have been issued for encouraging organisation of consumer stores for employees at Block and Taluka level, having regard to their viability.

(f) Primary Consumers Co-operative Stores.-As on 30th June 1968 there were 20 Primary Consumers Co-operative Stores in the State with a membership of 2,32,200. During the year 1968-69 Government of India have provided an amount of Rs. 1,30,740 and Rs. 14,200 as share capital and managerial subsidy respectively to 42 Stores.

(g) Consumer Cooperative Stores for Industrial Workers.-Under this scheme, Consumers Co-operative Stores are set up in all Industrial Establishments in the State employing 300 or more workers. The employer is called upon to give financial assistance in the shape of share capital, working capital, managerial subsidy etc. So far 27 Consumer Co-operative Stores have been organised in the Industrial concerns.

(h) Distribution of Consumer Articles in Rural Areas.-This scheme is sponsored by the Government of India. According to the objectives of this scheme, consumer activity is to be organised on co-operative lines in rural areas as an integral part of the task of building the new base for the country as a whole. At present the marketing societies and village credit societies are distributing the consumer articles in rural areas. The Marketing Societies are being provided a subsidy of Rs. 3,000 to meet the cost of additional staff appointed for the purpose, spread over a period of 3 years. During the year 1968-69 Government of India provided an additional share capital of Rs. 2.00 lakhs at the rate of Rs. 10,000 to each Marketing Society dealing with the scheme under the enlarged scheme for strengthening share capital base of the marketing societies to enable them to deal with the scheme effectively. Steps are also being taken to establish an effective link between rural consumer activity and urban consumer stores by affiliation of Primary Co-operative Marketing Societies to Central Consumers Stores.

Uplift of weaker sections of the Community.—To ameliorate the socio-economic condition of the weaker sections of the community, like Rickshaw Pullers, Washermen, Taxi Drivers, etc. Thirty-eight Co-operative Societies are organised and given financial assistance in the form of loans, subsidy, share capital contribution etc.

(i) Rickshaw Pullers Co-operative and Auto Rickshaw Co-operative Societies.—Organisation of Rickshaw Pullers Co-operative Societies was first taken up in 1962-63. Since then these societies were organised and that were given assistance of Rs. 8.67 lakhs.

During 1968-69 one Auto-Rickshaw Co-operative Society for Burma Refugees at Visakhapatnam was organised and financial assistance to the tune of Rs. 0.70 lakhs was sanctioned to the society by way of loan, share capital contribution and subsidy. For the year 1969-70 a sum of Rs. 0.00 lakhs is provided to maintain existing Rickshaw Pullers Co-operative Societies to maintain staff.

(b) Washermen Co-operative Societies.—The scheme for organisation of Washermen Co-operative was first introduced during 1964-65. So far 6 societies were given financial assistance of Rs. 1.84 lakhs. For the year 1969-70, a sum of Rs. 3.60 lakhs is provided towards managerial subsidy to the existing societies.

(c) Taxi Drivers Co-operative Societies.—The scheme for organisation of Taxi Drivers Co-operative Societies was first taken up in 1964-65. Since then 8 societies were organised and assisted and a total sum of Rs. 6.78 lakhs was given by way of loans, share capital contributions and managerial subsidy. For the year 1969-70, a sum of Rs. 0.09 lakhs is provided to meet the committed expenditure towards managerial subsidy to the existing societies.

(d) Printing Societies.—Since 1964-65, 8 societies were organised and assisted in the State. A total sum of Rs. 1.76 lakhs was sanctioned towards loans, share capital contributions and Managerial subsidy. For the year 1969-70, a sum of Rs. 0.02 lakhs is provided to meet the committed expenditure towards managerial subsidy to the existing 4 societies.

(e) Labourers (Labour Co-operatives).—The programme of Co-operatives is designed to protect the economic interests of the manual labourer who constitute a very sizeable section of the community, by securing contracts for execution of works on which they can be employed at reasonable wages. The programme envisages replacement of the existing contract system gradually by the execution of public works on more equitable wages to labourers and the Government, the amount now accruing as profit to the contractors.

To demonstrate how connection could be eliminated and work get done through organisation of labour, the necessary demon- strating facilities and to provide full employment to the under-employed, a Primary Labour Contract Society in the villages of Guntur district has been established with headquarters at Macherla to co-ordinate the activities of the Primary Labour Contract Societies in Guntur district. A provision of Rs. 0.43 lakhs under managerial subsidy and Rs. 0.02 lakhs for expenditure on staff in the pilot district of Guntur is proposed during 1969-70.

(f) Toddy Tappers Co-operative Societies.—To ameliorate the socio-economic conditions of the Toddy Tappers in Telangana area. The Toddy Tappers Co-operative Societies are formed and small shops are opened to meet the demand for toddy. During 1968-69, 80 new societies were formed and assisted. For the year 1969-70, a sum of Rs. 0.25 lakhs is proposed to meet the committed expenditure towards managerial subsidy to the existing societies which have already registered and were receiving keeping in view the eligibility of the societies as per rules.

There are about 1,014 societies in the nine districts of Telan- gana. These societies are given facilities regarding mode of payment of rentals and deposits and Government earnings in being used
number of workers into the Cooperative field every year to ensure adequate wages and secure them against exploitation by the contractors in the field.

CO-OPERATIVE EDUCATION AND TRAINING

(1) Training of Departmental, Non-Official and Private candidates.—Training and Education of the personnel working in Cooperative Institutions is essential for the success of movement. There are four Cooperative Training Centres in the State to impart Basic Training to the Junior Cooperative non-official subordinates and private candidates. These four training centres are at Kottapally, Vijayawada, Anantapur and Hyderabad, one running 3 months course from 1st July every year. In addition to the above 4 training centres there is a Central Cooperative Institute at Hyderabad for imparting Basic Training to the directly recruited Junior Inspectors and Senior Inspectors of the Department. The duration of the course in this Institute is one year. The Cooperative Training Centres and the Central Cooperative Institute have associated with them a Junior Training Centre at Kurnool, 11 months course from 1st July every year, managed by the Andhra Pradesh State Cooperative Union, Ltd., Hyderabad.

Seven hundred and eighty-four candidates were imparted training during 1968-69. An amount of Rs. 3.71 lakhs was spent for the implementation of the scheme during 1968-69 and it is proposed to spend a like amount during 1969-70 also.

(2) Member Education Scheme—The Member Education Scheme is being implemented by the Andhra Pradesh State Cooperative Union Ltd., Hyderabad. There are 60 periodic units in the State at the rate of 3 per each district and one Educational Instructor is in charge of each unit to educate the Members and Office bearers of Cooperative Societies and local leaders. A separate wing for training ladies in the principles of co-operation is also functioning with 4 Lady Educational Instructors and one Lady Educational Officer.

This Scheme was implemented at a cost of Rs. 17.42 lakhs during 1968-69 and it is proposed to provide an amount of Rs. 25.72 lakhs during 1969-70 Government of India would reimburse almost the entire expenditure incurred for the implementation of the scheme.

(3) Assistance to State Cooperative Union—The Andhra Pradesh State Cooperative Union Ltd., Hyderabad was paid an outright grant of Rs. 25,300 during 1968-69 for propagating the principles of co-operation in the State. This is almost a recurring feature and a like amount will be paid during 1969-70 also for the same purpose.

AUDIT

Audit of Cooperative Societies is a statutory duty enjoined by the Chief Auditor under section 30 of the Andhra Pradesh Cooperative Societies Act. The Chief Auditor will work under the
general supervision and control of the Registrar of Co-operative Societies. With the assistance of the audit staff, he audits the accounts of the societies.

Amendment to Co-operative law:—The Government are introducing during this Session an Amendment Bill to the Co-operative Societies Act, 1964 to ensure to the small farmers and rural industries, in proportion of the loans advanced by the Co-operative Societies, to agriculturists under short-term and medium-term. Provision has also been made to secure insurance benefits to investors of small deposits in Co-operative Banks against any losses, under the Deposit Insurance Corporation Act. To check the growth of vested interests in the Co-operative field, the Bill seeks to prevent a person from being a member of the Managing Committee of a Co-operative Society for more than two consecutive terms, or joining more than one Co-operative Society at the apex and central level or either of them. It also provides for summary recovery of Co-operative dues; in case of loans to agriculturists through cheque or by M.O. only to ensure that the money reaches the actual borrower agriculturists.

From the foregoing details, it is evident that the Co-operative movement has made considerable progress in this State in all directions.
