ANDHRA PRADESH LEGISLATIVE ASSEMBLY

Thursday, the 25th February, 1970.

The House met at Half-Past-Eight of the Clock

(Mr. Speaker in the Chair)

ORAL ANSWERS TO QUESTIONS

ESCAPE OF NAXALITES FROM JAIL

81—

*115 (2832) Q.—Sri S. Vemayya (Sarvepalli):—Will hon. the Chief Minister be pleased to state:

(a) whether it is a fact that eleven Naxalites have escaped from the Central Jail, Visakhapatnam; and

(b) if answer to Clause (a) is an affirmative, the manner in which they escaped?

The Minister for Education deputised the Chief Minister and answered the questions (Sri P. V. Narasimha Rao):—(a) Yes, Sir.

(b) The manner in which the eleven Naxalites have escaped from the Central Jail, Visakhapatnam is now under investigation by Police and the result of the enquiry is awaited.

(Sri Vavilala Gopalakrishnayya (Sattenapalli):—I raise a point of order. When the hon. Chief Minister is in the House, how can another Minister reply?

J. No. 190. (1)

Mr. Speaker:—I have given permission to hon. Sri P. V. Narasimha Rao to answer this question on behalf of the hon. Chief Minister. Even when he is present here, all the questions will be answered by him. Perhaps, it may be better for me to announce it on the floor of the House.

Mr. Speaker:—It is all right. I have permitted.

Sri P. V. Narasimha Rao:—The whole matter as to how the naxalites escaped is under investigation by the Police. That is what I have submitted just now.

Mr. Speaker:—It is all right. I have permitted.

Sri P. V. Narasimha Rao:—Those details are not available. The question is only about the escape.

Dr. I. V. S. Chalapathi Rao:—What is that rough idea based on which government have proceeded?

Sri P. V. Narasimha Rao:—It showed that there were certain lapses on the part of the Jail Administration in the Central Jail, Visakapatnam and that various concessions were allowed to the Naxalite undertrials which ought not to have been allowed. With reference to the lapses of the jail administration, so and so were placed under suspension.

Junior Government Pleaders

82—

*32 (1748) Q.—Sri R. Mahananda:—Will hon. the Chief Minister be pleased to state:

(a) whether there is any proposal before the Government to appoint Junior Government Pleaders in the High Court of Andhra Pradesh; and

(b) if so, the details there of?

Sri P. V. Narasimha Rao:—(a) There is no specific proposal before Government.

(b) Does not arise in view of answer to Clause (a) above.

Sri P. V. Narasimha Rao:—The question is regarding junior government pleaders. If there is more work load we can always appoint additional government pleaders. What the question pertains to is special category junior government pleaders. I submitted there is no such proposal.

Open Air Jail Anantapur

83—

*46 (1766) Q. — Sri P. O. Satyanarayana Raju (Yemmiganur):—Will hon. the Chief Minister be pleased to state:

(a) whether it is fact that an agricultural farm has now been started in the open jail at Anantapur;
(b) if so, when was it started; and
(c) the extent of the farm?
Sri P. V. Narasimha Rao:—(a) Yes, Sir.
(b) On 30-10-1965.
(c) The total extent of the farm is 1,427 acres. Out of this, an extent of 615.41 acres is irrigable dry, while 300 acres have been made fit for cultivation. There are standing crops over 265 acres as on 8 12-1969.

Sri P. O. Satyanarayana Raju:—What is the amount invested by the Government and is the farm running economically?
Sri P. V. Narasimha Rao:—The amount invested is not available readily with me. But since there is no expenditure although the work is being done by the convicts themselves and they are producing vegetable, paddy, wheat, groundnut, castor and all those things particularly, the vegetable production is quite remunerative and so it is running well.

Sri. M. Chaganti Ramaraju:—The project has been going on since 1965. It is running economically?
Sri. M. Chaganti Ramaraju:—Yes, it is running since 1965. I am telling from memory, Sir about a lakh of rupees.
Oral Answers to Questions. 25th February, 1970

(a) whether there are proposals before the Government to create a post of Director of Prosecutions;
(b) if so, when is it likely to be created; and
(c) the duties that are likely to be assigned to the proposed Director?

Sri P. V. Narasimha Rao:—(a) & (b) No, Sir. As there is already one permanent post of Director of Prosecutions and one temporary post of Additional Director of Prosecutions.

LEVY OF FINES AGAINST THE AYACUT AGRICULTURISTS UNDER K. C. CANAL

(a) whether it is a fact that the Government levied fines against the Ayacut Agriculturists under K. C. Canal in Kurnool-Cuddapah Districts for utilising the waters in K. C. Canal without Government permission and if so, what is the total amount under the said fines levied;
Oral Answers to Questions.

(b) whether the Government will consider to write off or to withdraw the said fines against the said ayacutdars in view of the present drought conditions and if not, the reasons therefor; and

(c) whether it is a fact that there was a Conference of District Collectors, Zilla Parishad Presidents and Legislators with the hon. Minister Sri Vijayabaskara Reddy at Hyderabad on 25-11-1968 and discussed the matters regarding K. C. Canal and if so, the subject discussed and the decisions taken in the said Conference?

The Minister for Revenue (Sri P. Thimma Reddy):—(a) Yes Sir. Total amount of penalties levied

\[
\begin{align*}
\text{For Fasli 1376} & \quad \text{Rs. 26,28,172-33} \\
\text{For Fasli 1377} & \quad \text{Rs. 39,60,771-31}
\end{align*}
\]

(b) The matter is under consideration of Government separately.

(c) Yes Sir. The issues relating to localisation and permitting additional areas for second crop in the rabi-season of Fasli 1378 under K. C. Canal, were discussed and decisions were taken on these issues. It was however, decided at the meeting that K. C. Canal should be closed by 15th April 1969, and that only short term paddy crop should be encouraged for cultivation in the rabi season.

Sri G. Siviah:—The fine comes to lakhs and not even thousands. Where is the necessity for the Government to levy fines against agriculturists who utilised K. C. Canal water.

Mr. Speaker:—Most of you don't know the real state of affairs. As far as permanent irrigation is not affected, these things can be waived. So far as permanent irrigation is not affected, these things can be waived.

Dr. T. V. S. Chalapathi Rao:—What is the additional irrigation potential created by the...

The farmers have a right to proceed against the Government. The farmers have a right to proceed against the Government. The farmers have a right to proceed against the Government.

Sri P. Thimma Reddy:—Those details, I cannot say now because I do not have them. The position is that the acreage under cultivation before improvements to K.C. Canal was less than 1 lakh; after improvements, it is over 8 lakhs.

Sri P. Thimma Reddy:—Those details, I cannot say now because I do not have them. The position is that the acreage under cultivation before improvements to K.C. Canal was less than 1 lakh; after improvements, it is over 8 lakhs.

Sri S.P. Nagi Reddy (Mydukur):—Will the hon. Minister for Revenue be pleased to state:

(a) Whether it is fact that Revenue Authorities have levied heavy penalties on the ryots cultivating lands under the K. C. Canal area in Proddatur and Cuddapah taluks this year;

(b) Whether it is fact that these lands on which levy is imposed are being cultivated since more than 15 years;

(c) How many times the revenue authorities levied penalties and cancelled so far in those areas;

(d) Whether it is a fact that the ryots who are victims of this levy are applying to the authorities for localisation every year; and if so, with what results;

(e) Whether it is a fact that the ryots who are using the water also are levied penalties; and

(f) Whether the authorities are going to consider permanent steps for localisation of those lands to end the recurring difficulties to the ryots?

Sri P. Thimma Reddy:—(a) Penalties were levied in respect of all the non localised extents under the K. C. Canal in the Proddatur and Cuddapah lands which were cultivated by the ryots in F.1378.

(b) The lands penalised are being cultivated for the last 3 to 10 years only.

(c) Penalties were not levied prior to F. 1875, as there were grow more food concessions under the Grow More food Scheme in respect of technical infringement of the rules. The Tahsildars had powers for remitting the penalties. Only from F. 1375 penalties were levied in accordance with the general instructions issued for putting down irregular irrigation:

(d) Yes Sir, Some of the ryots who are penalised for irregular irrigation but in petitions for localisation of ayacut in Vclavali Village in Proddatur taluk under sluice No. 910 of the Chapad Channel which is being attended to.

(e) No, Sir.

(f) Representations for permanent inclusion in the ayacut will certainly be examined in consultation with the P.W. Department,

SALE OF WHEAT & RICE AT SUBSIDISED RATES

96—

* 544 (1222) Q.—Sri S. Vemayya :—Will the hon. Minister for Civil Supplies be pleased to state:

(a) whether the Government will consider to subsidise the wheat and rice sold in the Fair Price Shops in the State on par with Madras Government; and

(b) if not, the reasons therefor?

The Minister for Civil Supplies (Sri A. Sanjeeva Reddy) :—

(a) and (b) The issue price of wheat in this State is less than its issue price in Tamil Nadu. The question of subsidising wheat in this State does not therefore arise. Rice is being released at subsidised rates in the rationed areas of Hyderabad and Secunderabad and Visakhapatnam town. Rice is not however issued at subsidised rates in non-rationed areas of this State, as the prices in these areas are comparatively lower than those in the rationed areas.

Sri G. Sivaiah :—Will it not be better for the Government to bring down the prices and to give certain subsidies and whether the Government will consider about it now ? The Madras Government is very popular in border areas of our State and we must be on par with them ? Will the Government consider it ?

Sri A. Sanjeeva Reddy :—We will consider to bring down the prices but not by giving subsidy, Sir.

Sri Ahmed Hussain (Sitarambagh) :—Wheat is not available in the markets of Twin Cities ? Will the Honble Minister tell about that, Sir ?

Sri A. Sanjeeva Reddy :—I will enquire into it.

Sri V. B. Raju :—Still the informal rationing is being continued here. May I know whether the subsidy is also continuing ?

Sri A. Sanjeeva Reddy :—Yes Sir. The subsidy is also continuing.

Sri V. B. Raju :—In what form ?

Sri A. Sanjeeva Reddy :—We are giving rice to the Fair Price Shops at the subsidised rates.

Sri V. B. Raju :—Will the Honble Minister inform us as to what are the arrangements that are made after the removal of the informal rationing.

Sri A. Sanjeeva Reddy :—I will make a statement whenever the House wants.

POST OF LIAISON OFFICERS IN THE WOMEN WELFARE DEPARTMENT

97—

*397 (1963) Q.—Sri D. Venkatesam :—Will the hon. Minister for Women’s Welfare be pleased to state:

(a) whether there is any proposal before the Government to abolish the posts of Liaison Officers in the Welfare Department in the State due to paucity of funds; and

(b) if not, what is the work now done by those officer?

The Minister for Women's Welfare (Smt. Roda Mistry) :—

(a) No.

(b) A statement is placed on the table of the House.

STATEMENT PLACED ON THE TABLE

[Vide L.A.Q. No. 1963 (Starred) (*397)]

The Liaison Officer guides the Mukhya Sevikas in organising Mahila Mandalas and establishing local institutions, besides getting the equipment necessary for organising exhibitions, Melas etc. She also guides Women’s Welfare Organisers in the branches, in giving training to the members of the centre in first aid, home nursing, home decoration, hygiene and sanitation and sees that houses in villages are developed into Model houses. She should technically assist the District Women’s Welfare Officer in the implementation of all the programmes under schemes both plan and non-plan. She is also responsible for investigating cases and submission of reports to the District Women’s Welfare Officer, for admission into the Children Homes, Service Homes, State After-Care Homes District Shelters and other institutions of the Department, whether they are within the district or outside the district. She has to investigate into grant-in-aid applications received from Social Welfare Institutions and submit reports to the District Women’s Welfare Officer. She has to maintain a register in which she has to make a note of cases she has investigated and recommended for admission into the above institutions. This register has to be put up to the District Women’s Welfare Officer for
periodical checkup. A minimum tour of 15 days in a month is prescribed for Liaison Officers. They should submit their Diaries to the District Women's Welfare Officers.

It is felt that most of the Departmental schemes have not become very popular in the sense that most of the people are not aware of the different categories of institutions that the department is running for the welfare of women and children both under plan and non-plan schemes. For this reason the Department is thinking of printing a report for circulation in the New year. It is, therefore, the duty now of the Liaison Officers to make up this gap and to give wide publicity to the Departmental schemes during their contacts with the women folk within the Samithi and non-Samithi areas and explain to them the aims and objectives of such schemes.

Smt. Roda Mistry:—It is already mentioned that the post is highly essential because the District Women’s Welfare Officer is a touring Officer and when she is on tour, the Liaison Officer will look after the work which is very important. In view of the increased work in the department also, the posts are quite essential.

Smt. Roda Mistry:—Mukhya Sevikas look into the work at the particular district headquarters level and at villages. They do not go into the entire district as Liaison Officer is expected to go and the duties of the Mukhya Sevikas are quite different to that of the duties of the Liaison Officer.

KHADI AND VILLAGE INDUSTRIES BOARD

* 223 (1071) Q.—Sri T. C. Rajan:—Will the hon. Minister for Small Scale Industries be pleased to state:

(a) what is the total amount of arrears of loan of Khadi and Village Industries Board in all categories pending till now;

(b) what action does the Government propose to take to collect those loans; and

(c) how many loanees have fulfilled the conditions of the loan, and what action the Government propose to take against those who did not comply with the conditions?
(a) The Minister for Small Scale Industries (Sri G.C. Venkanna):
Out of a total loan of Rs. 232.47 lakhs released by the Andhra Pradesh Khadi & Village Industries Board in all categories of Industries etc, a sum of Rs. 70.47 lakhs has been recovered leaving a balance of Rs. 162.00 lakhs as on 31-3-1969.

(b) The Khadi Board has been requesting the District Collectors concerted to initiate coercive proceedings for recovery of dues from the loanees as arrears of land revenue in pursuance of Sec. 19 (1) of the Board’s Act. But the said Section has been struck down by the Andhra Pradesh High Court in July 1969. The Board is therefore filling civil suits for recovery of the dues.

Cases of misappropriation have been referred by the Board to the Police for investigation and filing of charge sheets in the competent Courts and in some cases Civil suits had also been filed for recovery of dues on the basis of legal opinion.

(c) Out of 1709 units to whom loans were advanced by the Board, 687 units fulfilled the conditions of loan while 1022 units did not fulfil them. As already stated, in reply to clause (b) above the Board initiated coercive action against those who did not comply with the conditions of loan.

(c) how many import licences for raw materials and components are issued in our State for Small Scale Industries in 1966-67 and 1967-68?

Sri G. C. Venkanna:—(a) and (b) In June 1966 the Government of India liberalised their policy relating to the grant of import licences for the period April 1966 to March 1967 for the import of essential raw materials, components and spares for small scale industries. No quota of foreign exchange as such has been fixed for Small Scale Industries in State under this Policy. The State Government have no various occasions invited to the attention of the Government of India to the need to accelerate the pace of Industrial Development in the State and remove imbalances in the economy.

(b) the amount due in the shape of royalty; and

(c) the name of the said person?

The Minister for Commerce (Sri Ankineedu Prasada Rao):—(a) & (b) In the Audit Report it was stated that even after coming in to force of the Mines and Minerals (Regulation and Development)
Adjournment Motion: 25th February, 1970.

re: Suspension of village officers of Telangana.

Act, 1957 royalty was continued to be collected from the Company on the basis of mineral (limestone) actually consumed in accordance with the terms of the mineral removed from the leased area and which was said to have resulted in a short collection of Rs. 67,630 for the period from June, 1958 to Sept. 1964. The matter was looked into and it was found that the royalty was being collected as per the Act on the quantity of the mineral removed and that there was no short collection as mentioned in the audit report. This position was brought to the notice of Public Accounts Committee also.

ADJOURNMENT MOTION

re:- Suspension of Village Officers of Telangana.

Mr. Speaker:—There is one adjournment motion given notice of by Sri N. Ramachandra Reddy, Sri V. B. Raju, Sri Konda Lakshman Bapuji and Sri P. Narasinga Rao with regard to the suspension of Village Officers of Telangana by the Collectors of the Districts concerned.

I would like to hear the Members regarding the admissibility of the adjournment motion. I will ask the Revenue Minister to make a statement and I will decide about the admissibility tomorrow. Now, Sri V. B. Raju to speak.
32  25th February, 1070.

Adjournment Motion:

re: Suspension of village officers of Telangana.

As per the instructions contained in the Government Memo-communicated in the Collectorate reference cited— who are on strike replaced under suspension with immediate effect as they failed to report to duty.
Adjournment Motion: 25th February, 1970.

Suspension of village officers of Telangana.

Mr. M. N. Reddy:—It is a serious matter. It is very important matter. It is affecting the programme and it has been one longstanding.

Mr. V. S. Rao:—It is not a personal matter. Instead of going into the details actually at this stage, please state whether it is, in the point of view of the Government, important or not. Is it emergent or not?

Sri V. B. Raju:—It is a serious matter. It is a very important matter. It is affecting the programme and it has been one longstanding.

25th February, 197

Adjournment Motion:
re: Suspension of village officers of Telangana.

Sri P. Thimma Reddy:—It is not all emergent. It is not at all serious. For this reason, I am telling...

(Some members rose to say)

Mr. Chairman:—Please here me. Please resume your seats.

Sri V. B. Raju:—What is the procedure the chair is adopting. Do you want us to discuss on the subject; or do you want to satisfy that it is an emergent matter or not?

Sri C. V. K. Rao:—Mr. Speaker, Sir. Whether the Minister is raising an objection for the leave is being granted, that is the point to be decided by the Speaker.

Sri C. V. K. Rao:—On that point...

Mr. Chairman;—Please resume your seat.

Sri V. B. Raju:—I want the Minister's point of view to be taken into consideration. Whether the Minister says it is emergent or not.

Sri V. B. Raju:—In the interest of justice, and in the interest of the party, I want to say.
Mr. Chairman:—The ruling will be given by the Hon. Speaker tomorrow.

BUSINESS OF THE HOUSE

(Mr. Speaker in the Chair)

Mr. Speaker:—That question was raised even yesterday. Some members said that in the light of the strictures made by the High Court, the Minister for Municipal Administration should resign. That is the contention of their members. Yesterday, the Minister for Municipal Administration was not present. To-day Mr. Badri Vishal Pitti has given notice of a Censure Motion on this issue.

Sri P. Narasinga Rao:—That is different, Sir.

Mr. Speaker:—Please hear. I said I will consider about it tomorrow and hear about it tomorrow. The effect of the Censure Motion, if I admit it, naturally... The second thing is, yesterday
he has given notice of a censure motion against the Chief Minister and some other Minister also. It has not come to me. But just now I went through it. If the Censure Motion is given against the Chief Minister, naturally if the motion is passed, the Chief Minister goes and the entire Ministry goes.

Sri P. Narasinga Rao:—Each issue has got to be decided on its own merits.

Mr. Speaker:—As far as he is concerned in the light of the strictures made, according to you, against the Chief Minister and also the Minister for Municipal Administration etc., they don't deserve to be in office. That is according to you. But they have got to decide themselves. Anyhow, since there is a Censure Motion it can be taken against the Chief Minister and everybody. Under the rules there is no provision for moving a Censure motion against the Chief Minister or any other minister. But it amounts to Non-confidence motion. Instead of saying it Non-confidence motion, you are saying a Censure Motion.

Sri P. Narasinga Rao:—What about the privilege issue against the Minister?

Mr. Speaker:—That is separate. Now I am only saying, I will take it up tomorrow. Kindly go through any of the rulings of the other legislatures in the country and also see the rules whether a censure motion can be moved against the Minister or against the Chief Minister. If there is any ruling to substantiate or in support of your contention, I will certainly admit it.

Sri G. Raja Ram:—I now submit that according to our rules of Procedure, there is no provision for a Censure Motion and there is no provision also to move Non-confidence Motion against an individual Minister. If at all a motion has to be moved a motion of Non-confidence in the entire Council of Ministers has to be moved under the Rules. As Rules do not permit us to take us individual censure, I have got to make a request to you, Sir. For mistakes, omissions and commissions by individual ministers, the High Court has passed certain strictures. So, either assure us that you will take up as a Censure Motion or you will take up this as an issue to be discussed in the House in some other form.

Mr. Speaker:—Mr. Rajaram, you have raised a very pertinent point. The question is that you want me to admit it as a Censure Motion.

Sri G. Raja Ram:—You have to find out a way to discuss this matter.

Mr. Speaker:—Under the rules there is no provision. I have not yet examined it to whether there are any rulings of any legislature in this country in support of your contention that a Censure Motion can be moved against a Minister or even against the Chief Minister. If there is any such thing, bring it to my notice and I will certainly admit. The only question is if it is a question of moving a Censure Motion against a Minister on the ground that he does not deserve to be in office for certain reasons, it is a different matter; but if the Chief Minister allows him
to continue in office, naturally he may not go. If there is any ruling in support of your contention, I am prepared to accept it.

Sri N. Ramachandra Reddy (Dornakal) :-It is not our intention that we should go into all these technicalities whether it is a Censure Motion or no confidence motion against a Minister or the Council of Ministers. A certain matter has been raised by Mr. Raja-ram. It has to be considered on its own merits. The High Court has passed certain strictures and there are traditions—democratic traditions of various legislatures Parliament and even other countries also. There are very many good traditions. In order to preserve...

Mr. Speaker :- You are a man with much more experience. I am not worried about it. I am only worried about one thing as to how it should come up for discussion before the House under the Rules.

Sri N. Ramachandra Reddy :- Any motion can be admitted.

Mr. Speaker :- Then give me notice of motion under the Rules, if you want. But if you want me to go against the rules I am not prepared to do.

Sri N. Ramachandra Reddy :- A motion can be given and it can be discussed. But there are some moral standards and they have to be observed.

Mr. Speaker :- That is a different matter. Even on the other day I made casual observation and an objection was taken. I said if a statute is struck down by any High Court or any judicial authority on the ground that it is unconstitutional or opposed to fundamental rights or something like that, I don't know, whether the entire ministry should go. I am not holding the brief on behalf of the Government. I don't know what they want to say. Now according to you only extracts of the judgment have appeared in the Press.

We know the High Court has passed some strictures against particular Ministers. The question is, you think that the Minister does not deserve to be in office. But the question is, should a motion not come before the house? Otherwise, I am not worried in the least.

Mr. Speaker :- It is a question of the House expressing an opinion. It will express its opinion or decide a particular issue on its own merits, when the issue is before the House.
Mr. Speaker:—You don’t expect the Speaker to express any opinion for or against any particular issue. I am not prepared to do that. I do not do it. It is not proper also.

Mr. Speaker Kindly don’t put me in that position.

Dr. T. V. S. Chalapathi Rao:—That is why I said, 'if I am not embarrassing you. I withdraw that.'

Mr. Speaker:—Let us see what the Minister himself has got to say about it. Let us hear him. What do you say, Mr. Cherchu Rama Naidu garu?
Mr. Speaker:—Let us hear him. This issue is coming tomorrow. Sri Badri Vishal Pitti has given notice of a motion. I will take up that issue. It can be heard. The only thing is, I may not be able to allow discussion on this issue, unless some Member gives notice of some motion.

Mr. Speaker:—Don't you want the Minister to say?

Mr. Speaker:—You can make the statement tomorrow.

re: Alleged left-communist atrocities in Narayanpur police station limits in Nalgonda district.

The call attention notice did not contain any specific instances. The complaint of inaction levelled against the police is itself due to political animosities between the Communists and others. Some instances have taken place in Narayanpur police.
Greeting attention on a matter of urgent public importance:

re: Scrapping of old food zones in the State.

station limits. In all cognizable offences, Narayanpur police have registered cases and taken appropriate action. It is not at all correct to say that the public have lost faith in the police and the Government. Proper enquiries are being made into all applications and suitable action is being taken whenever necessary, according to law.

re:—SCRAPPING OF OLD FOOD ZONES IN THE STATE

In the current context, the Narayanpur police have registered cases and taken appropriate action. It is not at all correct to say that the public have lost faith in the police and the Government. Proper enquiries are being made into all applications and suitable action is being taken whenever necessary, according to law.

re: Scrapping of old food zones in the State.
Calling attention to a matter of urgent public importance:

re: Scrapping of old food zones in the State.

Sri A Sanjeeva Reddy:— Sir, in order to maintain supplies of rice in the State of Andhra Pradesh at fair prices and for ensuring equitable distribution of surplus of rice produced in the State of Andhra Pradesh, the State Government with the prior concurrence of the Government of India have issued an order called the Andhra Pradesh Rice and Paddy Restriction of Movement Order 1970 in the place of the Andhra Pradesh Rice and Paddy Restriction of Movement Order 1979 dividing the State into two blocks for regulating movement of rice and paddy by permits as indicated below:

Block I  Districts West Godavari and Krishna.

Block II  Rest of the State.

The above Order came into effect from 4-2-1970 and from the same date the arrangement under which the State was divided into 6 blocks was restricted to the Districts of West Godavari and Krishna mentioned in Block I. The above block contributes nearly half of the state’s procurement of rice nearly 2/3 of the State’s exports. Hence the higher rate of levy in the Districts of West Godavari and Krishna and cordonng the two Districts into a separate block would enable the State Government to check unauthorised smuggling and go a long way in building up buffer stocks for issue to deficit areas in lean months and meeting our export commitments. In the circumstances, it is not possible at present to treat the entire State as one zone for purposes of movement of rice and paddy within the State. The Government have already reduced the number of food blocks to the barest minimum possible under the present circumstances and it is felt that the producers would be able to get a better price for their paddy under the revised set-up than before when the state had been divided into 6 blocks.

The state of affairs remains the same. The government plans to privatize certain state-run enterprises to increase efficiency and reduce costs. The budget for 1970-71 has been formulated with a focus on these objectives. The government intends to reduce the reliance on large-scale projects and instead focus on small-scale projects which can be implemented with less cost and better results. The overall objective is to achieve a balanced and sustainable development.

(General Discussion).

The economy of coastal districts, which was already adversely affected by the earlier two cyclones, has been further seriously affected by the above-mentioned cyclone. Consequently, the overall production of foodgrains in the State in 1969-70 is likely to fall sharply.
What are the remedial measures you have taken? You have taken none at all. You have encouraged corrupt officials, and you have cheated the public. That is the position. Regarding industrial production, this is what it says:

"The average monthly production during 1969 of cotton yarn, rayon yarn, sugar, cement, paper, asbestos cement products, oxygen, Dicyclene and machine tools was higher than that in 1969, while the production of cotton fabrics, jute products, rayon fabrics, coal, cigarettes, sewing machines and detonators had declined."

So, they declined. So, the major thing is decline. Let us also see the labour situation. I will quote again:

"The Labour situation in the State during 1969 was somewhat unsatisfactory compared to that in 1968."

It is self-explanatory. It has not at all improved. As such, the labour situation is as bad as before. If you can give me time, I can as well dilate on this. I have not got time. So, I will now go to Employment Situation:

"There was slight decrease in the number of placements in the employment situation by the employment exchanges during 1969, over that which prevailed in 1968. The average number of placements per month in 1969 decreased to 1,626 against 1,829 in 1968."

These are the Government figures. Again, Sir, this is regarding Price Situation:

"The general index of wholesale prices in Hyderabad City in November 1969 was 1.6 percent higher than that in November, 1958."

That is the situation. That is the report. However much they try to whitewash the thing, the whole thing is bankrupt. Therefore, what right all these men have got to be in power? That is the question which they have got to answer.

Sri G. Siviah:—Sir, I would like to respectfully submit that Sri K. Vijayabhaskara Reddi, the Minister for Finance, tried his best to explain the position of the State. At the same time, I have expected
him to present a budget to build up socialism in Andhra Pradesh. He has not done that. He is still in the sleepy mood of the old order. I would like to say just one sentence of Lord Tennyson: "The old order changeth yielding place to new; God fulfils himself in many ways, lest one good custom corrupt the world." If he has got that in view, I think the time will come for the people to change the order.

Mr Chairman — The hon. Member will continue his speech tomorrow. The House now stands adjourned to meet again at 8.30 a.m. tomorrow.

(The House then adjourned to meet at Half-past Eight of the clock on Friday the 27th February, 1970).
