As per the audit reports issued by the Chief Auditor for the year ended 30-9-1969, the following are the banks running on loss.

The following are the main reasons which contributed to the loss in the above banks.

1. Inadequate lending programme due to lack of enough owned funds and consequent inability to raise adequate credit limits from the Reserve Bank of India.

2. Heavy overdues affecting the operational efficiency of the banks and restricting the drawal against credit limits.

3. Accumulation of overdue interest which is not taken to profit and loss account until it is collected.

4. Creation of reserve for overdue interest.

5. Increase in establishment and contingencies.

6. Less collection of interest, during the year 1968-69

The offtake of turmeric is not appreciable and it is not proposed to purchase from the producers as these are articles, where these are high fluctuations in prices.

Condonence Motion:
re: Demise of Sri K. V. Ranga Reddy, former Deputy Chief Minister

Mr. Speaker:— We are trying to follow one convention. It is only on the first day of this Session, i.e., on the 21st it is only after the question hour we took up the issue of the demise of Ex-Minister Sri Kurmayya and then passed the condonence resolution. My personal opinion is that the House should have been adjourned some time. Suppose I do it in this case—let us follow some convention.

Dr. T. V. S Chalapathi Rao (Vijayawada-East) — When Sri Guru Murthy died we took up the condonence resolution straightaway.

Mr. Speaker:— So far as Sri Guru Murthy was concerned, he was a sitting Member and he died when the House was in Session. I do not know. We are trying to follow one convention. It is only on the 21st after the question hour we took up the condonence resolution. Let us not make distinction between Member and Member and Ex-Minister and Ex-Minister. We did not do it on the 21st.

Sri Konda Lakshman Bapuji:— When the outstanding leader died, to equate an ordinary member with an outstanding personality is not good.

Sri K. Brahmananda Reddy:— I request you Sir, to take up the Condolence Resolution.

Mr. Speaker:— I do not mind. Hereafter also the same convention will be followed. When an ex-Member dies let me know what should be done. So far as Ex-Ministers are concerned, it is not for me to decide whether he is a great leader of the All India importance or State importance.

Sri Konda Lakshman Bapuji — But the feelings of the Members should be honoured.

Mr. Speaker: — Because they are leaders of great importance we pass condolence resolution and adjourn the House. Do not make the distinction.

Sri Konda Lakshman Bapuji:— It is not only a distinction between Member and Member but between a Member and an outstanding personality of the Telugu World.

Mr. Speaker:— Who has to decide that?

Sri K. Brahmananda Reddy:— We need not enter into that discussion now. My submission is.....

Mr. Speaker:— It is not out of anything. I have got the highest respect towards Sri K. Venkata Ranga Reddy. The only thing is I am trying to follow the convention. It is only on the 21st we did it.
Condolence Motion:

re: Demise of Sri K. V Ranga Reddy, former Deputy Chief Minister.

Sri Konda Lakshman Bapuji — I am sorry. You are trying to equate him keeping in view the other Members. It is not necessary that he is a Member or not.

Mr. Speaker:— This is not an occasion for discussion. All the Members and the Leader of the House seemed to be of the view that we should postpone the question hour and take up the Condolence Resolution straightaway. I am agreeing with you.

I am extremely sorry to announce the demise of Sri K. Venkata Ranga Reddy, one of our elderly Statesman, last night at about 10 o’Clock. I now request the Leader of the House to move the Condolence Resolution.

Sri K. Brahmananda Reddy — Sir, I beg to move: “That this House places on record its deep sense of sorrow at the demise of Sri K. V. Ranga Reddy, Former Member of the Andhra Pradesh Legislative Assembly and conveys its deep sense of sympathy to the members of the bereaved family.”

Mr. Speaker:— Motion moved.

Re: Demise of Sri K. V. Ranga Reddy, former Deputy Chief Minister.

Sir,

I associate myself with the Condolence Resolution moved by the Leader of the House and the sentiments expressed therein.

Among the old freedom fighters who fought against the feudal lords, feudal policies and feudal ideas, Shri Konda Venkata Ranga Reddy was one who would never lose his importance. If we remember or recollect or review the past, we shall have to see as Sri Konda Lakshman Bapuji said, if some of the great leaders were not there whether we would have been here we would not know. Today we owe much to these great fighters. Had they not fought against the feudals, not only fought but fought to the last, I doubt whether we could have been in this House for even moving the Condolence Motion today. Such a great fighter he was, a freedom fighter.

Not only that, he was a social reformer. In old Hyderabad State all the movements were first begun with social reforms. Even in educational policies we were left behind. As Badri Vishal Pitti has rightly said, Sri Ranga Reddy was taking keen interest not only in the education of boys but of the girls. We shall re-
member him as a Social Reformer, as an Educator, as a Political Leader and as a freedom fighter. In this chapter he has made history not only in Andhra Pradesh but in the whole Bharat. It is rightly said that once he believed in a thing, he would not only openly say even if it was bitter what he meant and act openly if he is convinced of the rightness of the cause. He has left for us all a great tradition and it is for us all to follow his example and follow the guidance he has given us.

I expect he would receive a State funeral because he was a great man for the Telangana, he was a great man for Andhra Pradesh. He was a great man by himself. Such a man has to be respected, revered and I am sure the Government will take a decision to give him State funeral and I still request that that decision should come from the hon. Chief Minister.

I associate myself with the Motion and also give my condolences and sympathies to the bereaved members of his family.

It will be considered for inclusion in the programme for 1970-71 subject to availability of funds.

distante of 3.2 K.M. In view of the feasibility of supplying power from Krishnapuram village located within the State the question of taking power supply from Mysore State does not arise.
