SUPPLY OF ROAD ROLLERS

102—

*247 (1505) Q.—Sarvasri R. Mahananda (Darsi) and G. Subba-naidu (Kavali) :— Will hon. the Deputy Chief Minister be pleased to state:

(a) whether it is a fact that the Chief Engineer (Roads and Bldgs.) placed orders on a foreign Company for supply of 35 road rollers along with 35 sets of spare parts in 1965-66 and if so, what is the cost price of each road roller;

(b) whether the Indian Agent of the Foreign Firm gave quotations or is he in the list of rate contractors;

(c) whether the company supplied all the Road Rollers and the spare parts in time;

(d) whether there is any delay in supplying the same, if so, the reasons for the same and extra cost involved due to this delay;

(e) whether the Chief Engineer placed another order for further supply of road rollers; and

(f) if so, whether the Firm supplied the full order in time?

Sri J. V. Narasinga Rao :— (a) The Chief Engineer (Roads and Buildings) indented only for indigenous road rollers. But, in view of the scarcity of indigenous road rollers, the Government of India arranged for their import through a foreign firm. Orders were placed with the Indian Agent of the Foreign Firm for the supply of 35 road rollers along with 35 sets of spare parts in June 1965 for their supply before 30-9-65. The cost of each road roller was Rs. 51,400/-.

(b) Messrs. Kumar Enterprises, Calcutta, the Indian Agent of the Foreign Firm, gave quotations and the rates were in accordance with the agreement entered into by the State Trading Corporation with the Agent.

(c) & (d) The Company supplied all the 35 road rollers with a delay of one or two months in October-November, 1965 as against the stipulated date of 30-9-1965. Regarding the supply of spare parts, the Indian Agent asked the Chief Engineer to place separate indent. Accordingly, a separate indent was placed on 4-3-1967 and the spare parts were supplied by the Firm in the month of June, 1967. While the matter was under correspondence, devaluation of Indian Rupee took place in June 1966 and the payment for spare parts was made at the post-devaluation rate only. The difference in the cost of spares due to devaluation is Rs. 33,434-89 and no extra cost was involved in the supply of 35 road rollers.

(e) & (f) Yes. The Chief Engineer (Roads-Buildings) placed indent for 20 more Rumanian road rollers during May 1966. Date of delivery was not mentioned in the indent. The company supplied 14 road rollers on 21-9-1966 and six rollers on 26-12-1966.

ELECTRIFICATION OF SRIPOOR GRAM PANCHAYAT

113—

*980 (2838-A) Q.— Sri P. Mahendranath (Achempeta):— Will the hon. Minister for Power be pleased to state:

(a) whether it is a fact that Nallavelly Village, part of Sripoor Panchayat, had been electrified five years back and the main village of Sripoor of the said Grama Panchayat was neglected by the concerned authorities; and

(b) if so, whether the Government will be pleased to give due consideration and sanction to the said long pending Scheme?

A.—

(a) and (b) Nallavelli and Sripoor are two different villages. Nallavelli village was electrified in March, 1964. Sripoor village could not be included in the Rural Electrification programme due to paucity of funds. The village has been included in Part B of the programme for 1970—71.

SUPPLY OF ELECTRICITY IN BODH TALUK

114—

*932 (1455—N) Q.— by Sarvasri K. Ramakishtu, Teegala Satyanarayana and B. Abraham (Adilabad):— Will the hon. Minister for Power be pleased to state:

(a) the reason why current had been supplied for the pumpsets to only 6 (six) ryots out of 62 ryots of Pochera, Tejpur, Dhanpur, Kublapur and Budhikonda villages in Bodh taluq, Adilabad District who took loans from L. M. B. and paid to the Electricity Board;

(b) whether the practice of L.M.B. collecting interests from the ryots even though there is no supply of current will be stopped; and

(c) when current will be supplied to the remaining 56 ryots?

A.—

(a), (b) and (c) The Information is placed on the table of the house.

(a) It is not correct to say that current was supplied for only 6 pumpsets. It was supplied for 26 pumpsets in all these villages. In respect of 13 wells, though current lines were laid, the ryots are not coming forward to avail themselves of supply due to non-sanction of loans to them for the purchase of pumpsets. Lines were not laid to supply current for 19 wells as the ryots are not coming forward to offer shramadan. The ryots in respect of the remaining four services have not yet dug wells.

(b) It is for the L.M.B. to consider this point.
(c) Supply will be released to the wells of 13 ryots as soon as they get ready with pumpsets to utilise supply. Lines will be laid and supply released as soon as the ryots of the remaining 23 cases are ready to receive supply.

(c) whether it has been cleared from the Port in time and stocked at the Project;

(d) the amount of wharfage that was paid; and

(e) who is responsible for this loss?

A.—

(b) The equipment was received at Madras Port during the period from 9/64 to 7/66.

b) The Municipalities have been classified into various grades as per the definition in sub-section (22) of section 2 of the A. P. Municipalities Act, 1965 taking into consideration the annual income of the municipality and also other factors like population, extent and commercial importance of the town etc., and

c) Seven municipalities viz., Tirupathi, Vizianagaram, Nizamabad, Nandyal, Tadepalligudem, Srikalahasti and Madanapalli have been upgraded during the year, 1969-70. No municipalities were upgraded in the years 1967-68 and 1968-69. BUSINESS OF THE HOUSE

Dr. T. V. S. Chalapathi Rao:— He is Minister for Home Affairs. He is forgetting, Sir.

Mr. Deputy Speaker:— When the Chief Minister is here, you can raise this question. Then I will permit you.

Dr. T. V. S. Chalapathi Rao:— Thank you, Sir.

Mr. Deputy Speaker:— No discussion. When he comes, you can ask him. I am not competent to answer that.

Mr. Deputy Speaker:— I do not allow. You can ask this tomorrow, day after or any other day.

Sri Kona Prabhakara Rao:— I am asking, Sir, whether the ruling party has agreed to what he has told.
Mr. Deputy Speaker:— I do not allow the supplementarys.

Sri G. Venkata Reddy:— That should not form part of the record, Sir.

Mr. Deputy Speaker:— I have not allowed. It cannot be raised. The election work will take a longer period. The debate on the bill will be delayed. Please cooperate with me. I request all the Members to cooperate with me. Let us go to the next item—Election of the Speaker.

Sri C. V. K. Rao:— Before that, there is Zero hour, Sir. Kindly give some opportunity, Sir.

Mr. Deputy Speaker:— Not today. Raise it tomorrow.

Sri C. V. K. Rao:— We do not know what type of subjects crop up tomorrow. Kindly give permission to speak on the same subject. Tomorrow you would not be here and some other Speaker will sit.

Mr. Deputy Speaker:— I will see that he will give time.

Sri C. V. K. Rao:— It is not possible, Sir.

Mr. Deputy Speaker:— You please sit down. What is that you want to say Eswari Bai garu.

Sri M. B. Raja Rao (Madakasira):— I want some clarification regarding Election, Sir.

Mr. Deputy Speaker:— Regarding election, there is no discussion. There will be only announcement and voting. I have already given my decision.

Sri C. V. K. Rao:— Before that, you should permit us to express our opinion. This is a matter...

Mr. Deputy Speaker:— I have already ruled out...

Sri C. V. K. Rao:— You might rule out. But some of us are not going to participate in the election; because certain fundamental principles involved are being violated both by the Chief Minister and the Ruling Party. As such, some of us are not prepared to participate in the election of the Speaker.

Mr. Deputy Speaker:— I told you when you were with me that it is admitted under rule 74. It will come on 7th. Now let us go with the agenda.
ELECTION OF THE SPEAKER

Sri G. Rajaram (Balkonda) :— As I was suggesting and I would submit to you, as there are several vital issues involved in this election, it is better that it is clarified before the election takes place.

Mr. Deputy Speaker :— No please. I won’t allow that.

Sri G. Rajaram :— No, please.

Mr. Deputy Speaker :— No discussion or clarification will be accepted excepting the agenda viz., the election of the Speaker.

Sri G. Rajaram :— No, Sir. The Chair cannot brush aside such vital issues in such an easy way.

Mr. Deputy Speaker :— There is nothing like that.

Sri G. Rajaram :— No, Sir, there are vital issues connected with it.

Mr. Deputy Speaker :— I am sorry. There is no procedure to allow like that.

Sri K. Achutha Reddy (Kodangal) :— The Chair is not willing to hear what the Member wants to say.

Mr. Deputy Speaker :— I simply want to go with the election. The same issue was raised and then I gave a ruling that there will be no discussion on election matters.

Sri K. Achutha Reddy :— Are you presuming what the Member wants to say?

Sri G. Rajaram :— This election is taking place under extraordinary circumstances and there are so many vital issues involved in it. So, this issue has to be thrashed out before the election takes place.

Mr. Deputy Speaker :— I am sorry, there will be no such thing. Under Rule 7 of the Andhra Pradesh Legislative Assembly Rules, I have first to read out to the Assembly the names of the Members who have been duly nominated for the Office of the Speaker together with those of their proposers and seconders. They are—

Election of the Speaker

5. Sri B. V. Subba Reddy Sri Khaza Nizamuddin Sri Ahmed Hussain

11. " B. V. Subba Reddy Sri R. Mahananda Sri Kaza Ramanatham

12. " B. V. Subba Reddy Sri Kaza Ramanatham Sri R. Mahananda

Sri G. Rajaram:— Sri B. V. Subba Reddy cannot be a candidate.

Mr. Deputy Speaker:— Under Rule 7 (4) of the Assembly Rules, any member so nominated may withdraw his candidature before the ballot commences.

Sri K. V. Vema Reddy, M.L.A. who had filed his nomination, has withdrawn his candidature by a letter dated 3-12-1970.

As more than one member has been duly nominated, the Assembly will now proceed under sub-rule (4) of Rule 7 of the Andhra Pradesh Legislative Assembly Rules, to elect a Speaker by ballot. I have requested the Secretary to call the members according to the order in which their names appear in the alphabetical list, and as each Member approaches his seat, he will be handed over a ballot paper. After getting his ballot paper, each Member is requested to go into one of the Officers box, record his or her vote by putting a cross mark against the name of the candidate of his/her choice and after doing so, deposit his/her ballot paper in the ballot box kept on the Secretary's table.

Before I call upon the Secretary to call out the names of Hon. Members, to avoid suspicion that canvassing is going on in the House, Hon. Members are requested to remain in their places, go to the Secretary's seat as they are called, mark their votes within the Officer's box, put the ballot papers in the ballot box kept on the Secretary's table and then return to their seats. They are requested to avoid talking either before or after voting so that the secrecy of the ballot may be maintained.

Now, I call upon the Secretary to call out the names of the Hon. Members.
Election of the Speaker

3rd December, 1970

Sri G. Rajaram :— Mr. Deputy Speaker, Sir...

Dr. T. V. S. Chalapathi Rao :— What is the procedure that is going to be followed and up to what time the polling will take place?

Mr. Deputy Speaker :— The procedure is the first round will be over and then the members who have not cast their votes would be called for the second time.

Dr. T. V. S. Chalapathi Rao :— There must be some time limit.

Mr. Deputy Speaker :— It is not possible.

Sri K. Achutha Reddy :— There must be some time-limit, either 1.30 P.M. or two. If it goes beyond 1.30 it is another thing. If it is completed within 1.30, the time must be extended upto 1.30 P.M.

Mr. Deputy Speaker :— We do not know for how long this will go on.

Dr. T. V. S. Chalapathi Rao :— Sir, will you not allow the polling agents in the absence of the candidates themselves to watch the whole thing? How to know whether a member has been called more than twice? So, there should be two polling agents one on behalf of each candidate who will take care of the process. Not that we are lacking in confidence but in the procedure it is provided.

Mr. Deputy Speaker :— In the very Assembly room we are all here...

Dr. T. V. S. Chalapathi Rao :— A person must be appointed for this purpose who is called a polling agent of the candidate. Now there are two candidates. Let there be two polling agents on behalf of the two candidates so that they will be incharge of the whole process lest there will not be trouble at a later stage.

Mr. Deputy Speaker :— There will be two tellers.

Dr. T. V. S. Chalapathi Rao :— Tellers, at the time of counting. What I am saying is about the Polling agents and they must be charged for that at the time of polling.

Mr. Deputy Speaker :— I am here, you are all here. If there is any doubt, I am here to guard their interest.

(Then the Secretary, Legislature called the names of the Hon. Members in the alphabetical order and the voting was in progress).

(Pause)

Mr. Deputy Speaker :— I wish to know whether there are any members who have not voted so far. Their names will be called in the alphabetical order. They can come and cast their votes. The Secretary will now call their names again.

(The Secretary called the names of the members who did not exercise their votes in the first round and the voting was concluded).
Mr. Deputy Speaker :— Now as voting is over, counting of the ballot paper will now commence. The Secretary and the Assistant Secretary will count the votes in the Chamber itself.

Dr. T.V.S. Chalapathi Rao :— Please announce before that how many members have exercised their votes and how many have not?

Mr. Deputy Speaker :— I nominate Sri Rami Reddy Chief Whip and Sri T. Purushothama Rao as Tellers. They will be there to watch the interests of their respective candidates. After counting is over, I shall announce the result.

Dr. T.V.S. Chalapathi Rao :— Before that you must announce how many voters have exercised their votes.

Mr. Deputy Speaker :— Those statistics will come.

Dr. T.V.S Chalapathi Rao :— From the registers they can be had because the number of ballot papers that have been issued must agree with the number of votes that you are going to announce. That is the procedure followed in any election, Sir.

Mr. Deputy Speaker :— When tellers are there......

Dr. T. V. S. Chalapathi Rao :— What is the difficulty to announce the number of people who have exercised their votes? The Returning Officer has to send it to the Counting Officers.

Mr. Deputy Speaker :— While the counting is going on, we will call for it.

Dr. T.V.S Chalapathi Rao :— It is an objectionable matter. He has to announce that out of 286 votes, 186 votes have been cast in favour of so and so......

Sri K. Ramanatham :— I say because we have filed a nomination we are entitled to have a teller.

Mr. Deputy Speaker :— There is no rule for that.

Sri K. Atchuta Reddy :— Sri B.V. Subba Reddy has selected Sri Ram Reddy as his teller,

Sri K. Ramanatham :— You can have another teller because of our interest.

Mr. Deputy Speaker :— I do not think it is necessary.

Dr. T.V.S. Chalapathi Rao :— Sir, the number of ballot papers issued, the number of members who participated in the election must be disclosed by the Returning Officer before the counting takes place. Here he is only the Polling Officer.
Election of the Speaker
3rd December, 1970

Mr. Deputy Speaker :— That will be furnished.

Sri K. Atchutha Reddy :— The last number is noted in the general elections.

Dr. T.V.S. Chalapathi Rao :— There is a form for that — so many ballot papers were issued, so many challenged, so many votes tendered like that.

Mr. Deputy Speaker :— We will give you those statistics.

Dr. T.V.S. Chalapathi Rao :— They must be announced before the counting starts, otherwise I am afraid there will be trouble.

Mr. Deputy Speaker :— It was not done so far.

Dr. T.V.S. Chalapathi Rao :— When was the election conducted for a Speaker after the birth of Andhra Pradesh, Sir. This is the first time the election is taking place. So, you cannot say that there is no precedent to that effect. I am citing from the Representation of the Peoples Act it provides for this. Please do consider my point. That is the procedure.

Mr. Deputy Speaker :— You will get all that when the announcement is made.

Dr. T.V.S. Chalapathi Rao :— The polling is closed. Before the next stage of counting begins, it must be announced. It is for you, Sir, I am submitting this suggestion. It is obligatory on the part of you. If you do not, it is left to you.

Mr. Deputy Speaker :— It was not so before.

Sri M. Manik Rao :— Sir, I want a clarification before the counting is over.

Mr. Deputy Speaker :— I have got your application and I am considering it.

(In the meantime the ballot box was opened and the votes were being counted by the Secretary and the Assistant Secretary in the presence of Tellers).

Sri M. Manik Rao :— My request is, in this ballot paper the name of the candidates should be taken according to the alphabetical order and I want a clarification on this.

Mr. Deputy Speaker :— Yes, I have got the letter and you will get the clarification.

Sri M. Manik Rao (Thandur) :— I have mentioned in the letter that I want a clarification from the Chair in this regard.

Mr. Deputy Speaker :— There is no such rule. It does not make any difference.

Sri A. Madan Mohan (Siddipet) :— In the absence of any rule, as observed by the Chair, the normal convention is that the alphabetical order is taken even in the Representation of the People’s Act. We know and we have been exercising the vote for the last 20 years.
It is really surprising how the Chair has given such a ruling. In the absence of such convention or instructions, the common convention has to be adopted which is in practice and the common convention as laid down in the People's Representation Act is the order of preference should be in the alphabetical order and that has to be adopted. Why it has not been adopted. My friend has raised a very pertinent question and that has to be answered by the Chair.

Mr. Deputy Speaker:— I have already answered. It does not make any difference. There is no such hard and fast rule. I have given my clarification and no more discussion on that.

Sri G. Venkat Reddy:— Sir, one thing......

Mr. Deputy Speaker:— No clarifications.

Sri G. Venkat Reddy:— My request is that any matter connected with the election of the Speaker after the commencement of the voting should not form part and parcel of the record. That is my sincere request to the Chair.

Sri M. Manik Rao:— I object to this.

Mr. Deputy Speaker:— Anyway, I will look into it.

Sri A. Madan Mohan:— The clarification is not satisfactory.

Mr. Deputy Speaker:— I have given my clarification and I do not want any discussion on this.

(After the counting is over, the figures were presented to the Deputy Speaker for announcement).

Mr. Deputy Speaker:— 231 Hon'ble Members have taken part in the voting. 227 were valid votes and 4 were invalid votes. I shall announce the figures of voting. The following were the figures supplied by the tellers. Sri B. V. Subba Reddy—178, Sri P. Narsinga Rao—49. I now declare that Sri B. V. Subba Reddy has been duly elected as Speaker of the House. I request the Leader of the House and the Leader of Opposition to conduct Sri B. V. Subba Reddy to the Chair. I congratulate him.

(Sri K. Brahmamanda Reddy, Leader of the House and Sri K. Achutha Reddy, on behalf of the Leader of the Opposition conducted Sri B. V. Subba Reddy to the Chair where he was received by the Deputy Speaker by shaking hands)

(Sri B. V. Subba Reddy in the Chair)

Sri K. Brahmamanda Reddy:— Sir, As Leader of the House, I wish to convey to you our hearty congratulations to your re-election as Speaker of this Legislative Assembly. I want to convey to you Sir, our happy felicitations on behalf of the entire House. It is a matter for supreme gratification to the Congress Legislature party which sponsored your nomination originally. Sir, you had the distinction of being elected to this august office twice unanimously by this House and the massive support which you have received to-day from several sections of this House only shows that you enjoyed the confidence and respect of this House. The felicitations you received on your election as Speaker previously and the unanimous
approbation you received even when you resigned as Speaker only show, how respectfully also all the members of this House treat you. It has been said by all sections of this House previously that you have conducted the affairs of this House with dignity, decorum and impartiality. Therefore, Sir, as a Speaker who has vast experience I need not say to-day or offer you advice as to how you should conduct the affairs of this House. I also know Sir, that even if there is a contest, it is not out of any disrespect to you or that they do not enjoy your confidence but because of many other reasons which are not pertinent to us. I am sure, that in future as well, you will conduct the business of this House with dignity, decorum and impartiality. As Leader of the House I can only offer that in the discharge of duties, we shall be as helpful as possible to you. I again offer my felicitations to you Sir. Thank you.

If I have two tongues, I would have said some thing. But I am sorry, I cannot tell any thing today. At the same time, I can assure you, Sir, in the discharge of the Assembly affairs, on behalf of my Party, we will associate ourselves and we will cooperate with your functions.
Election of the Speaker

On 3rd December, 1970, the Provincial Assembly convened to elect the Speaker. After due deliberation, the following resolution was adopted:

Election of the Speaker

3rd December, 1970

Dr. T.V.S. Chalapathi Rao:—Respected Sir, I rise to convey my heartiest congratulations on behalf of myself and the Members of my party on your re-election to this high office of Speakership of this sovereign body of the State. At the outset I deem it my duty to clarify that neither myself nor any Member of my party thought it necessary to file an opposition to you. We are second to none in our respect and in our having high esteem in which we hold you.

Your display of the sense of impartiality during the past 8 years is primarily responsible for this. On the top of it, the dramatic manner in which, on 31st July, 1970, you deemed it necessary to sacrifice high office and left this House saying that I don't deserve to be here. That was posed on you because while you are fighting for the rights of the members of this House, the majority party thought it necessary to vote it down. The result is, you felt that you don't deserve to be here. Now the very same party has perhaps revised their opinion and proposed you to this high office. It is hardly necessary on my part to say, in a way it is trying to you Sir and the members for whom you sacrificed high office then—i.e., also to all the opposition members who started the entire fight with the Ruling party. Then it may be asked why the Opposition side set up a candidate in to-day's election? It is only due to the simple reason of vindicating the very high principles for which you sacrificed that high office. We deemed it necessary to set up a candidate against you, not with the hope that this candidate will win. But it is only to go on record. But the Opposition even till to-day stands and sways and is even prepared to support you through think and thin, if you are again to rise to fight again for the protection of the rights of this House. It is for that reason we supported the candidate who stood against you, but not for any other reason. It would have been quite a happy occasion, had the Ruling Party then acted in the same manner as they acted to-day. Perhaps they wanted to create history. So, 31st July 1970 and again 3rd December, 1970 will be enshrined in the history of parliamentary democracy not only in this State and the Country but elsewhere that Sri B.V. Subba Reddy sacrificed the high office for principles which he held very necessary for the protection of this House and he will continue to do so after his re-election to his high office. I once again congratulate you on your re-election to this high office and it is necessary for me to reiterate the hope and confidence expressed by the other members that you will hold the
scales more evenly than before with greater decorum and impartiality.
We wish you once again a very long life, a happy and successful term
as the Speaker of the Andhra Pradesh Legislative Assembly.

Thank you.

Election of the Speaker

Election of the Speaker
3rd December, 1970

The Election of the Speaker was conducted on 3rd December, 1970. The following individuals were nominated:

1. A. B. C.
2. D. E. F.
3. G. H. I.

Voting took place on 3rd December, 1970, and the following individual was elected as the Speaker:

J. K. L.

The new Speaker took office immediately following the election.
Sri A. Madhava Rao:— Sir, On my part and on behalf of my party, I extend my felicitations to you and also welcome you as Speaker of this Assembly. There cannot be any two opinions in regard to the fact that you are a zealous custodian of Parliamentary Democracy. As a matter of fact, it is only for that purpose you have sacrificed the job once and now again you are in the Chair and we are happy because you are one of the best Speakers that are available in the country. One important factor for the Speaker is that he is the custodian of Rule of Law. Assembly is a sovereign body where the fate of several public is involved and where decisions will be taken. Unless the Speaker is impartial and also a man who takes one and all equally, there would not be any proper democracy. You have evidenced that aspect of it. I expect in future also, not taking into consideration, any other aspects as a custodian of Rule of Law and also as I have been once said when you occupied the Chair, Satyameva Jayathe, Dharma is also there. These are the sole mottos that should be guarded as Sri B. V. Subba Reddy in the Chair and, not as Sri B.V. Subba Reddy as an M.L.A. I expect that in future you will see that everything is in order, whether it is from the Treasury Benches or from the Opposition Benches.

Smt. J. Iswari Bai:— Sir, it is really strange and surprising that the Ruling Congress has put up Sri B.V. Subba Reddy as its nominee and got him elected once again to a place which was vacated
by him to keep up the high traditions of Democracy. We, from this side of the Opposition, had held Sri Subba Reddy in high esteem as a person who had risen above to maintain the high traditions of a democratic Institution like this Assembly. The resolution adopted by this House had placed on record its sense of approbation of his services as Presiding Officer of the Assembly. Sri Subba Reddy had, while walking out of the House, referred to his resignation of the high office he has held and later told the Press that he may even resign his Membership of the Assembly. He left the Official car and got a taxi and left the Assembly premises to the Lake View Guest House where he was staying. He took a momentous decision on the situation which developed during an hour and a half, a decision taken by him free from excitement, rancour or ill-will with the object of furthering the cause of democracy. But what changes had come for him to agree to stage a come back. Did the Chief Minister of the Ruling Party apologised for the grave error taken in voting down the motion of the Chair on the question of delay in laying the Papers on the Table of the House. By accepting the nomination, we feel that Sri Subba Reddy has shattered the image which he had built for himself. We also feel that he may not be able to do justice to the Opposition in future from this August Chair, since he will have to be grateful to the Party which elected him. We, on our part, do not feel jubilant and hence we feel we cannot join those who would welcome him back. It would have been appreciable if the Deputy Speaker Sri V.K. Naik was sponsored to fill the vacant seat. There was a convention that if the Speaker is from Andhra the Chairman of the Council should be from Telangana and that was how Late Sri Madapati Hanumantha Rao was made the Chairman of the Council and not out of love for the Andhra Pithamaha, as such. Any how I will congratulate you on my behalf and on behalf of my party. Thank you.

[Further details or context about the election process]
Mrs. Godfrey (Nominated):—Mr. Speaker, Sir, I just want to say a few words. It is not your decision that has brought you back to the Chair. It is in answer to our prayer. And we have all been praying that you should come back because we were like sheep wandering without a shepherd. We thank you, Sir for taking on the responsibility and the sacrifices which this high office deserves with you. Thank you, Sir.

Election of the Speaker

Sri S. Jaipal Reddy (Koilwakurthi):—It gives me great pleasure to rise to offer my heartiest felicitations and congratulations on your re-election as a Speaker of this House. On this occasion, Sir, I cannot but regret to note that contest was offered to your candidature which should have been universally acclaimed and welcomed. I must express my inability to see any principle involved in the so-called symbolic contest offered to your candidature. The bane in our democracy has been that opposition in our country has been more content with its ceremonious and ceremonial acts of opposition. In their chase of shadows and symbols they have lost substance. A few months ago, Sir, you sacrificed this august office on a matter of parliamentary principle. The Congress Party had to differ with you though humbly and honestly. Everybody who has got some pretensions to the sense of impartiality will have to concede the exemplary idealism that Congress party had shown in sponsoring the candidature of a person who differed with it. Instead of appreciating this idealism of the Ruling Congress, the opposition has only betrayed its own shallow understanding of democratic principles in the matter. Any way, your return to this high office augurs well for the future of this House. Thank you, Sir.
Mr. Speaker:— Hon’ble Leader of the House, Hon’ble leaders of the Opposition Parties and Hon’ble Members.

You will all kindly pardon for addressing you sitting, because of my indifferent health for the last 8 or 10 days. I am very much grateful to he House for having me re-elected again a third time and for all the compliments and appreciative references you have made in the course of your speeches, and conscious of the onerous task and great responsibility which I am again undertaking. Let me at the outset, assure the House and all the members of the House that in spite of the contest which has taken place, I will certainly try to be very impartial and fair-minded in discharging my duties while conducting the affairs of this House, treating all alike irrespective of the members who have voted for and against me. Some of the Hon. Members in the course of their speeches have raised the issue on which I have to quit this office and again expressed their doubts regarding the issue which according to them, still remains unsettled. I would request the members to pardon me if I make any observation far from my mind which is controversial and as you know, the Speaker gets only two opportunities of addressing the House — once when he is elected and the second time when he quits the office. Now I am glad that I got an opportunity of addressing this House to-day. Without trying to be elaborate, I would recall to your mind the circumstances which reached the climax ultimately culminating my resignation. During the course of the discussions on this issue, the Chief Minister himself was not present in the House and I definitely expressed my opinion that the failure to comply with the statutory obligation to place papers on the Table of the House amounts to contempt of the House. Mr. Madhava Rao, if I remember correct, got up and asked “if it is not accepted by the House, what would be the consequences?” I even expressed that the repercussions will be serious and that I was prepared to take up the consequences. The issue was put to the House and when it was voted down, — my opinion was voted down — if I still had continued in this office, I don’t think I would have enhanced the dignity of

this House. There is no alternative for me except to resign and quit the office. Those were the circumstances under which I quit the office. Now after having quit the office, the very same day, number of friends of the Opposition parties, came and requested me to reconsider my decision and asked me to consider again my re-election for the office. I definitely told them at that time I was not prepared to consider, but after some time I might consider about it. That is what exactly I told. I also reminds the members that on the Resolution which was moved in this House the next day or the second day placing on record the sense of appreciation of the services rendered to this House, members, the Leader of the House, Congress Opposition Party leader Mr. Chalapathi Rao, Mr. Ramanadham, Mr. Madhava Rao, Mr. Chokka Rao, Mr. Murty, all expressed their desire, whose names I don't remember, that the Chief Minister must take the initiative to persuade me to come to this office, again. That is from the record. After I quit the office whether any attempts are made to come back to this office, that is a matter which none of you are aware. But I might inform the House that after I quit the office, I never thought of this position. Never made any kind of approach nor broached up this matter with anybody for re-election or anything. That being so, I thought I may quit the office once and for all. Then I never thought of considering this matter and I only thought of the circumstances that arise. You may consider the situation. I never thought of it nor I never go to the Chief Minister or any leader of the party or any member for my re-election as a Speaker.

Now Mr. Konda Lakshman Bapuji and some other friends are of the view that the party which voted against my opinion, culminating my resignation without expressing any kind of regret that I should come back, is rather sacriligious. I myself felt that having resigned on a certain principle, whether it will be proper for me to come back again to this office, without any kind of request from friends or without leaders of the parties taking initiative. So naturally I thought I might be committing the sacriligious thing by again accepting the office. Naturally, I consulted some eminent people, constitutional experts, some elderly persons about this. They are of the view that there is absolutely no harm in getting myself re-elected if a request is made by the Leaders of the Parties and generally of course, if there is a concensus of opinion regarding my re-election. So the advice is like that.

Now the question of the Chief Minister or party expressing a regret, I don't know whether it arises at all, because, as Mr. Vavilala Gopala Krishnaiah rightly observed this House is supreme body, it is a sovereign body, and the decisions are taken by majority. Once the House gave its verdict against me, I thought it was my duty to resign and express my decision or disapproval, as the case may be. Those were the circumstances under which I quit the office. The question of expressing regret or apology arises only in cases where people do things deliberately with the object of wounding the feelings of others but that is not the case in Judiciary and Legislature. In Judiciary and Legislature decisions taken may be right or wrong. Certainly, when wrong decisions are taken and a future
occasion arises, the House of course might correct itself. Similarly, if the Speaker were to give a wrong ruling, there is no need for him to express any kind of regret or apology, but if the mistake is brought to his notice on a subsequent occasion, certainly he must correct himself. So, the question of expressing regret or apology does not arise at all except in cases of very grave blunder. So, on that aspect absolutely I never insisted on any condition nor did the Chief Minister or other friends who wanted me to come back to the office imposed any conditions. There was absolutely no kind of compromise in situation or principles.

Number of friends have asked me as to how I am going to react if a similar situation were to arise in future. I hope such a situation may not arise. If such a situation does not arise, I consider, my resignation would have had the desired effect. But if a similar situation were to arise, what would be my reaction? Those are the doubts expressed by some of the friends. Well, personally, I have not changed my opinion even now (Hear : Hear). But, at the same time, as I was submitting, the verdict of this House is going to be supreme, and everybody has to take the verdict of this House which is binding not only on the members but on the people outside. So, if a similar situation were to arise, I will certainly take the opinions of all the members, and after hearing the views of all the members, I would take a decision. There is no question of my committing myself at this stage as to how I am going to react on a future occasion. So, members need not have any misgivings or doubts regarding the attitude which I am going to adopt. If there were still doubts regarding this issue, they can certainly be got cleared either by reference to legal and constitutional experts or by taking the opinion of experienced people. So, no member need have any misgivings about my attitude if a similar situation were to arise.

Then, regarding the contest itself, well, I have nothing to say. In one way, it is good. As Mr. Gopalakrishnayya said, what is life without fight? There is no pleasure; there is no excitement; take it in a good spirit. Let us, therefore, take it in a sportsmanship spirit and the manner in which the election has taken place today, I am sure, you will agree with me, has only enhanced the prestige of this House. So, there is no reason for anybody to regret the contest. And you will pardon me if I say that many things which happen inside the Legislatures, not only in our Assembly but in the country as a whole, are a replica or a reflection of the turmoil or storm which is raging the country from one end to the other. I do not know; perhaps, it may not abate or settle down till the next elections. This is what is happening everywhere in the country. So, what happens every day in the House is only a reflection of what is taking place outside.

But as friends have suggested, so far as this contest is concerned, I take it in the spirit in which it was fought and I am sure that personally many of the members who would have voted against me of course have nothing against me. So, there is no reason for me or anybody to take this contest in a different spirit or in a different attitude.
Lastly, I have in the past 8 years tried to uphold the great and noble traditions and conventions of this House and I could do so only with the hearty cooperation of all of you; otherwise it would not have been possible. I assure you that I am today what I have been in the past and that I will continue to be in future what I am today. Absolutely, there is no difference in my attitude in conducting the affairs of this House and I am sure I can expect your cooperation and support in conducting the affairs of this House with dignity and distinction.

Once again, let me thank all the members for having elected me a third time and I will take leave by assuring this House that I will continue to conduct the affairs of this House with impartiality and fair-mindedness.

Thank you very much.

Dr. T.V.S. Chalapathi Rao:— May I crave your indulgence to speak a few words since you were pleased to mention that I made a reference on your re-election. I think it will be quite pertinent if I am permitted to read from the Proceedings as to what I said on that occasion.

Some Hon. Members:— No Debate.

(Pause)

Mr. Speaker:— The Question is:

“That leave be granted to introduce the Andhra Pradesh Chit Fund Bill, 1970”.

Dr. T. V. S. Chalapathi Rao:— I will just read out from the proceedings to which you (the Speaker) have referred. “We all wish that the Leader of the House will also pave the way for his re-election as Speaker of the House because the cause for which he has resigned is not personal and not political. He has no ill-will......

Mr. Speaker:— That is all right.

Dr. T. V. S. Chalapathi Rao:— Let me read it Sir, because it may create an impression that having made a suggestion I have gone back. “He has no ill-will against anybody. He has shown enough patience towards the Ministers who are failing to discharge their duties to this House and when they are persisting in their negligence, whether the negligence is wilful or deliberate or is the result of reasons beyond their control, the fact remains that the Opposition is in a helpless position; and it is only to put an end to this kind of negligence, this kind of dereliction of duty, this kind of lack of respect on the part of the ruling party towards the rights of the Members here, especially the Opposition, that he has shown that courage and self-sacrifice which unfortunately have become very rare in the post-independent era, and resigned the high office of Speaker.”

Mr. Speaker:— I only said that you have expressed a desire for whatever reasons.

The House stands adjourned till 8-30 A.M. on the 4th December 1970.
