BUSINESS OF THE HOUSE

Mr. Speaker:— The Minister for Finance will present the Budget for 1971-72.

Sri N. Ramachandra Reddi:— Mr. Speaker, Sir, the results of the mid-term poll to the Lok Sabha are available from a large number of constituencies. In the Telangana region, the Telangana Praja Samithi fought these elections on the issue of the formation of a separate State for Telangana. The poll results revealed a landslide victory to the forces demanding a separate State for Telangana. The ruling party in the State opposed the formation of a separate State and suffered a devastating defeat at the hands of the Praja Samithi.

Mr. Speaker:— What is it you are reading?

Sri N. Ramachandra Reddi:— This is a statement, Sir.

Mr. Speaker:— How does it arise?

Sri N. Ramachandra Reddi:— It does arise.

Mr. Speaker:— It is not proper.

Sri N. Ramachandra Reddi:— The poll results make it clear that this Government has forfeited the confidence of the people of this region. It can no more represent the people of Telangana. A Government which has no support of the people of Telangana has no right to present a budget which affects the interests of the people of the region. I demand immediate resignation of the Government.

Annual Financial Statement (Budget) for 1971-72 (Vote on Account).

Sri K. Brahmananda Reddi: - The people of Telangana area must be congratulated for pricking the bubble of Telangana Praja Samithi.

Sri N. Ramachandra Reddi: — In protest we are staging a walk-out.

(So saying, Sri N. Ramachandra Reddi accompanied by other Members of his party staged a walk-out, some of the Members saying 'Jai Telangada'.)

APPENDIX.

SIR,

I rise to present the Budget of Andhra Pradesh for the year 1971-72.

As the Hon’ble Members are aware, the Legislature is meeting only for a short period in view of the recent mid-term elections to the Parliament. The financial year is coming to a close shortly and it is necessary, therefore, to place the administration in sufficient funds for maintaining the current services until such time that the Hon’ble Members are able to meet again for detailed consideration of the Budget. It is in this context I am presenting an interim budget for the purpose of seeking a ‘Vote on Account’ for a period of six months up to the end of September 1971. I shall come before the House later in the year with the final Budget.

I may mention at the outset that consistent with the requirement set out in the Presidential Order dated 7th March, 1970 through which the Andhra Pradesh Regional Committee Order of 1958 was amended, the details of the receipts and expenditure in relation to Telangana region and rest of the State have been indicated separately in the Budget now presented based on the principles of allocation recommended by the Bhargava Committee. The income and expenditure for the years 1968-69 and 1969-70 have also been allocated on the basis of the principles laid down by the Committee and the results have been furnished in Appendix VI to the Explanatory Memorandum on the Budget.

I shall now briefly describe the financial position of the State as reflected in the Accounts for the year 1969-70 and Revised Estimates 1970-71, and then proceed to explain the Budget Estimates for 1971-72.

The accounts for the year 1969-70 which are now available indicate an overall revenue deficit of Rs. 27.83 crores, the Revenue receipts amounting to Rs. 248.20 crores and the Revenue expenditure being of the order of Rs. 276.03 crores. Taking all the financial transactions together, the year 1969-70 closed with a cash balance of Rs. 0.83 crore.
Appendix.

Revenue Account.—As against the Budget Estimates of Rs. 265.96 crores, the Revenue receipts including the grants from the Government of India for State Plan and Centrally Sponsored Schemes are expected to be Rs. 286.59 crores. The increase is mainly due to additional receipts expected from the Government of India towards share of Income Tax and Excise Duties and increased receipts due to the scrapping of prohibition in Andhra area. Revenue expenditure is now placed at Rs. 298.61 crores as against the Budget Estimate of Rs. 266.43 crores. The main increases are in respect of interest on debt and additional expenditure in respect of the schemes which were approved subsequent to the formulation of the Budget and for which supplementary estimates were voted by the Legislature earlier.

Capital outlay.—The Budget for 1970-71 provided for a total capital outlay of Rs. 39.46 crores. The Revised Estimate under capital outlay has been placed at Rs. 40.55 crores.

Overall position.—On the basis of the Revised Estimates indicated above, the financial transactions of the year 1970-71 are expected to result in an overall deficit of Rs. (—) 16.33 crores, leaving a closing cash balance of Rs. (—) 15.5 crores. It would, however, be mentioned that in the Revised Estimates assistance from the Government of India to the extent of Rs. 31 crores towards non-Plan deficit in the State Budget and Rs. 7.5 crores towards arrears of famine and cyclone relief assistance has been assumed.

BUDGET ESTIMATES 1971-72

Revenue Receipts.—The Budget Estimates for 1971-72 envisages a total revenue of Rs. 310.04 crores, as against Rs. 286.59 crores anticipated in the Revised Estimates for 1970-71. The increase is mainly in respect of the additional receipts anticipated as States’ share of Central taxes. In terms of the Finance Commission’s Award, the State Government becomes entitled to a share in the advance collections of Income Tax from 1971-72. Certain normal increases are also anticipated in respect of State Excise Duties and Sales Tax. The revenue account takes credit for grants-in-aid from the Centre of Rs. 15.3 crores for the State Plan and Rs. 10.89 crores for Centrally Sponsored Schemes.

Revenue Expenditure.—The Budget provides for a total Revenue Expenditure of Rs. 300.14 crores, consisting of Rs. 268.8 crores on the non-Plan side, Rs. 19.93 crores towards State Plan and Rs. 11.41 crores towards Centrally Sponsored Schemes. On a comparable basis excluding the
provision made for famine relief which accounts for Rs. 8.81 crores in the Revised Estimates for 1970-71 and only Rs. 0.75 crore in Budget Estimates 1971-72, the net increase in revenue expenditure is Rs. 7.41 crores.

Capital outlay.—The capital outlay on Plan and non-Plan schemes is expected to be Rs. 46.22 crores during the year 1971-72. Excluding the provision on non-Plan account which relates only to minor items of capital nature, the capital outlay on State Plan will be Rs. 45.53 crores. This would cover the provision for major projects in different sectors of the Plan.

Public Debt.—The Budget includes receipts of the order of Rs. 16.08 crores being the gross proceeds of the open market loan proposed to be floated during the year. After providing for Rs. 6.58 crores towards the discharge of loan maturing for repayment during the year, the net receipts will be Rs. 0.5 crores. The net receipts from the share of Small Savings are expected to be Rs. 3.5 crores, as against Rs. 3 crores in 1970-71.

Overall position.—On the basis of the estimates referred to above, it is anticipated that there will be a surplus of Rs. 9.89 crores on the Revenue Account. However, taking into account the Capital Outlay, Public Debt, and Public Account, the overall position will be a deficit of Rs. 9.9 crores resulting from the budgetary transactions of the year 1971-72.

Cash Balance.—As stated earlier, the year 1970-71 is expected to close with a minus cash balance of Rs. 15.5 crores. As a result of the budgetary deficit during 1971-72, the year is expected to close with a negative cash balance of Rs. 25.4 crores. I should mention in this connection that the Budget takes credit for a non-Plan assistance of the order of Rs. 10 crores from the Centre and additional assistance for the State Plan to the extent of Rs. 8 crores.

I shall now refer briefly to some of the main additional provisions made in the Budget:

(i) It may be recalled that in the Budget Estimates for the year 1970-71, a total provision of Rs. 1 crore was made towards the expenditure on acquisition of house-sites for Scheduled Castes, Scheduled Tribes and Other Backward Classes. The provision in Budget Estimates 1971-72 for this purpose has been enhanced to Rs. 1.5 crores in order to secure the implementation of a larger programme.
The non-Plan provision for drinking water wells for Scheduled Castes has been enhanced to Rs. 12 lakhs from the existing provision of Rs. 6 lakhs.

As the House is aware, a High Power Committee has been set up to examine the finances of the Municipalities in the State. In order to provide for the implementation of their recommendations during the year 1971-72, a provision of Rs. 1 crore has been included in the Budget Estimates.

With a view to providing adequate finances to the Zilla Parishads and Panchayat Samithis to take up welfare measures, an additional provision of Rs. 3 crores has been made in the Budget Estimates.

During the year 1970-71, an additional provision of Rs. 50 lakhs was made for strengthening the Police force including the purchase of vehicles. An equal amount has been provided in the Budget Estimates for the year 1971-72 including the proposed contribution of Rs. 25 lakhs to the Police Housing Corporation to be set up in the course of the year.

ANNUAL PLAN 1970-71

In the Budget for 1970-71, an outlay of Rs. 77.39 crores was provided for the State Plan of the year and it was indicated that the Plan outlay will be augmented in the course of the year to include programmes of Special Development of Telangana, Rayalaseema and backward areas of Coastal Andhra districts. When the House met in July 1970, supplementary demands were approved towards the expenditure on Special Telangana Development Schemes, programmes for Rayalaseema and Coastal Andhra districts and for the Tribal Welfare Plan. The outlay on the State Plan is thus expected to be Rs. 97.42 crores, inclusive of Rs. 9 crores for the Special Development Programmes of Telangana, Rs. 4 crores for Rayalaseema Development Plan, Rs. 1.6 crores in respect of Tribal Welfare Plan and additional allotment of Rs. 2 crores for Pochampad project. The Central assistance for the Plan of the current year is only Rs. 45.56 crores, exclusive of the amount of Rs. 9 crores for Special Telangana Schemes. The hope expressed by us in the last Budget that additional assistance will be made available by the Centre did not materialise, with the result that a large deficit in resources has emerged.

ANNUAL PLAN 1971-72

During the discussions on the Annual Plan, it was indicated by the Planning Commission that the aggregate resources of the State for the Plan of 1971-72 would be only of the
order of Rs. 87 crores. On behalf of the State Government, it was explained that to sustain the momentum of development, the Plan outlay has to be of a much higher order. Consistent with the inescapable needs and commitments, therefore, a Plan outlay of Rs. 105.59 crores has been provided for in the Budget for 1971-72. This excludes the special provision of Rs. 9 crores to be made for Special Telangana Development Schemes for which the recommendation of the Regional Committee will be secured separately and necessary demands will be brought before the House later. The Plan outlay of Rs. 105.59 crores includes a provision of Rs. 10.62 crores for Nagarjunasagar Project, Rs. 6 crores for Pochampad and Rs. 4.2 crores for Srisailam Project. An outlay of Rs. 4 crores in respect of Rayalaseema development schemes has been included in the Plan as recommended by the Rayalaseema Development Board. The Plan also provides for a total outlay of Rs. 146 lakhs on the Tubal Development Plan, which is being implemented from 1970-71.

While I would deal with the details of the developmental programmes at the time of the final Budget, I shall, before concluding, briefly mention some of the important measures taken up recently.

As the House is aware, the year 1971 is a memorable year in the history of Andhra Pradesh when the work on the Steel Plant at Visakhapatnam was inaugurated by our Prime Minister. This was preceded by the commencement of work in respect of the coal based Fertiliser Project at Ramagundam. Very recently, the location of the Zinc Smelter plant at Visakhapatnam has been approved and we hope that the work on this project will also be commenced shortly.

In the field of rural development, three important schemes with far reaching significance have been put into operation in the course of the year. The Small Farmers Development Agency—a scheme intended to secure the rapid economic progress of the small and viable farmers has been implemented in Srikakulam, Cuddapah and Nalgonda districts. The Marginal Farmers and Agricultural Labourers Scheme has been started recently in Visakhapatnam and Nalgonda districts. The Rural Works Programme consisting of employment oriented schemes in drought prone areas with substantial public outlay of about Rs. 3 crores has been undertaken in the four Rayalaseema districts and in Mahaboobnagar district.
In the field of tribal welfare, the Plan outlay has been stepped up considerably during the year and a number of ameliorative measures have been taken up including the provision of short-term credit through the Giripan Co-operative Corporation with the support from the Reserve Bank and nutrition programmes covering a large number of children in the scheduled areas and outside. It has also been proposed to set up a separate Housing Corporation for providing loans for construction of houses for Scheduled Castes and Scheduled Tribes with funds from the Life Insurance Corporation of India.

In conclusion, I would once again refer to the fact that we have been taking up ambitious developmental programmes to secure the rapid all-round economic development of the State. It is necessary at the same time that we undertake measures to improve our resources and thus secure the effective implementation of our Plans. I shall, therefore, come up before the House during the next Session with appropriate proposals for augmenting the revenues of the State.

I thank you, Sir, and the Hon’ble Members for giving me a patient hearing and with your permission, I now present the interim Budget and the ‘vote on Account’ for a period of six months.

Mr. Speaker:—I have received the following letters from the hon. Chief Minister and other Ministers.

The first one from Sri K. Brahmananda Reddy dated 11th March, 1971, reads as follows:

"Dear Sri Subba Reddy Garu,

As I am leaving for Delhi on the 14th to attend some important meetings, I request you to kindly permit during this session some of my colleagues to answer the questions relating to subjects under my control till I return from Delhi. I hope you will agree. I have issued necessary instructions to the Departments concerned. The following Ministers will answer the questions and call attention notices and other matters on the subjects noted against their names:

1. Sri K. Vijaya Bhaskara Reddy, Minister for Finance: Excise & Major Industries
2. Sri J. Vengal Rao, Minister for Home: General Administration, Law and Order and Services
3. Sri Thota Ramaswamy, Minister for Panchayat Raj: Co-operation
4. Sri S. Sidda Reddy, Minister for Irrigation: Tribal Welfare

This is another letter dated 14th March from the Chief Minister:

"Dear Sri Subba Reddy Garu,
Consequent on the resignation of Sri S. R. A. S. Appala Naidu, Minister for Fisheries and Ports and in view of my inevitable absence at Delhi, I request you to kindly permit Sri J. V. Narasimha Rao, Deputy Chief Minister, to answer the questions and call attention notices and other matters pertaining to Fisheries and Ports during this Assembly Session.

With regards,

Here is a letter from Sri P. Thimma Reddy:

"As I have to go to New Delhi along with the Chief Minister emergently, I am not in a position to attend the Assembly and also to answer the questions. I beg the leave of the House and your goodself to permit my absence from the House till I return to the Headquarters. My colleagues will answer my questions on my behalf."

I do not know who are the colleagues!

Sri K. Vijaya Bhaskara Reddy: I will answer.

Mr. Speaker: A letter from Sri R. Narapa Reddy:

"I request you to permit Sri S. Sidda Reddy, Minister for Irrigation, to answer on my behalf LAQ No. 1984 (given notice of by Sri G. Vishnumoorthy, M.L.A.) on the floor of the House on 16-8-1971 as I would be out of station on that day"

Mr. Speaker: This is the letter from Smt. Roda Mistry.

"My dear Sri Subba Reddy,

In continuation of my previous letter informing you of my proposed visit to Middle East, U.K. and U.S.A., to attend the marriage of my daughter, this is to inform you that in respect of any questions that may come up in the Assembly during my absence, Sri A. Vasudeva Rao, Minister for Information, Andhra Pradesh, has very kindly agreed to handle them. However, it would be nice if you could defer the questions to the next Session. Hope this meets your approval.

With best wishes,
"

Mr. Speaker: That I do not know. You must find out from the Chief Minister. But you know as well as others know the purpose.

Sri N. Ramachandra Reddy: The purpose for which he has left for Delhi may be evident, but the other Ministers have not intimated for what purpose they have left.
Mr. Speaker:—I do not know for what purpose they have left. Anyhow, they wanted permission and I have given it.

Sri N. Ramachandra Reddy: But this is a bad precedent, Sir.

Mr. Speaker: You can imagine for what purpose they have gone to Delhi.

Sri N. Ramachandra Reddy: This will set a bad precedent.

Mr. Speaker: They asked for permission and I have given it.

Sri N. Ramachandra Reddy:—This will set a bad precedent, Sir.

Mr. Speaker:—You think, perhaps, they might have gone.

Sri C. V. K. Rao:—Can so many Ministers receive invitations?

Sri N. Ramachandra Reddy:—They have sent letters and you have given permission. That is a different story.

Is it a good precedent for a galaxy of Ministers leaving on tour or going to Delhi?

Mr. Speaker:—Only the Chief Minister and two other Ministers have left. This is not the first time I am giving permission. It is not as though we are forming a new precedent.
Mr. Speaker:—The objection seems to be that many of them—nearly four of them—are absent. Hitherto only one or two were absent. Now this time 4 Ministers are absent, including the Chief Minister.

Mr. Speaker:—That is one of the important things. They have gone to Delhi. It concerns you and them.

Mr. Speaker:—Let us wait and see before we get another opportunity like that.

Sri K. Vijayabhaskara Reddy: I made it very clear that on seeing an advertisement in the papers, people applied directly to the Government of India although one or two people applied here.

Sri Mohd. Ibrahim Ali Ansari:— (a) Yes Sir.

MALARI A DISEASE

982—

*982 (2888-H.) Q.— Sri Santosh Chakravarthy (Mulugu), Smt. N. Vimala Devi (Chennur), Sarvasri B. Ratnasabhapathy and Buragadda Niranjana Rao:— Will the Hon. Minister for Health and Medical be pleased to state:

(a) whether it is a fact that Malaria is a notifiable disease;

(b) whether it is a fact that all fever cases attending a Government Hospital or Dispensary which are estimated to be 10% of all new cases should be screened for Malaria by blood examination;

(c) whether it is a fact that this target is not achieved in any medical institution; and if so, the action taken in the matter;

(e) whether it is safe to enter Maintenance Phase after the advent of Malaria focal out-breaks in areas entering Maintenance Phase?

Sri Mohd. Ibrahim Ali Ansari:— (a) Yes, Sir.

(b) Yes Sir.

(c) The blood slide collection under the passive surveillance in majority of the institutions in the state ranges from 60% to 80% of all the new O. P. cases except in exceptional cases, where the coverage is near 100%. The District Medical and Health Officers
are periodically reviewing the progress of the passive surveillance in the respective districts and suitable measures are being undertaken to tone up the passive surveillance. Similarly, action is taken by the superintendents of the teaching Hospitals. The Director of Medical and Health Services and other officers in their tours, invariably review the performance of the passive surveillance and issue suitable instructions to tone up the same.

(d) No, Sir. The maintenance phase of the programme in the districts is in the process of getting stabilised. Every district in the maintenance phase is provided with a Special Gazetted Assistant Malaria Officer to assist the District Medical and Health Officer in maintaining the results of achieved eradication.

(e) No, Sir. The question of entry into maintenance phase depends upon certain technical criteria for projection. The Independent Appraisal Team, appointed by the Government of India, will go into great detail both by the techniques of direct and indirect evaluation and submit their recommendations to the Government of India, recommending the fitness or otherwise of entry into maintenance phase. So, it is not given to the local echelons at the State level to advice about the phasing of National Malaria Eradication Programme.

Sri B. Niranjana Rao:— What is the percentage of incidence of Malaria after the programme is introduced in the State.

Sri Mohd. Ibrahim Ali Ansari:— It has gone down considerably.

Sri G. Sivaiah:— He is setting a bad motive; he wants some power to put everybody inside. That is not democracy.

*267 (1562) Q.—Shri R. Mahananda:— Will the Hon. Minister for Handlooms and Co-operative Factories be pleased to state:
(a) whether it is a fact that the Director of Handlooms and Textiles has served supersession notice in his Rc. No. 21670/69, F.Dt. 26-12-1969 on the Karimnagar Weavers Co-operative Society Ltd.;

(b) whether it is a fact that a new Managing Committee was elected for this Society by the General Body on 2-9-69;

(c) whether the new Managing Committee of the Society gave their reply to the supersession notice on 20-1-1970;

(d) what is the action taken on this;

(e) whether it is a fact that the Regional Joint Registrar, Secunderabad along with one Assistant Engineer has enquired into the whole affairs of the Society; and

(f) if so, the details of the enquiry report and the action taken?

The Minister for Handlooms and Co-operative Factories:

(Sri A. Bhagavanta Rao):—

(a) Yes Sir.

(b) No Sir. No General Body meeting was held on 2-9-69.

(c) Two sets of replies have been received from two groups of Directors to the notice of supersession.

(d) The Board of Directors was superseded and a committee of persons was appointed to manage the affairs of the society for a period of one year. The committee of persons took charge of the affairs of the society on 21-7-1970.

(e) It is not correct to say that the Joint Registrar of Co-operative Societies had conducted the enquiry along with the Assistant Engineer. It is also not correct to say that the enquiry was conducted into the affairs of the society on 10-7-65 only. The Joint Registrar of Co-operative Societies took up the enquiry on 7-7-65.

(f) The enquiry officer has pointed out that though the society has shown in its accounts that a sum of Rs. 4,01,625.89 paise was spent in the construction of the houses, he suspected that it was not fully spent. Besides the above defect noticed in the housing colony accounts, he has also pointed out the following administrative irregularities noticed in the working of the society.

(i) A sum of Rs. 46,452.67 paise was pending recovery as per the suspense account maintained by the society from various persons.

(ii) An amount of Rs. 56,022.78 paise was pending recovery from members given as advances.

As housing colony accounts is a technical matter, the Assistant Engineer of the Registrar of Co-operative Societies was deputed to inspect the buildings and intimate the amounts that might have been actually spent in the construction of the houses. The Assistant Engineer reported that it might be taken that a sum of Rs. 8,33,685 was spent in the construction of houses. Thus there was a difference of Rs. 67,990.89 paise.
This was kept under objection. To fix up responsibility against the persons concerned the matter was entrusted to the Anti Corruption Bureau for enquiry and report.

As regards the administrative defects, the Deputy Registrar, Karimnagar was asked to pursue action with the society to see that the defects are rectified.
Mr. Speaker: — When is it going to be disposed of?

Mr. Speaker: — And you do not know when it is going to be disposed of. Please see that it is expedited and disposed of. It has already taken ten years.
As regards the administrative defects, the Deputy Registrar Karimnagar was asked to pursue action with the Society to see that the defects are rectified, so far as the administrative defects are concerned.

GOVERNMENT OF ANDHRA PRADESH, REVENUE DEPARTMENT
Memo. No. 1696/T1/70-1 Dated: 4-7-1970.

The Government have considered the recommendations of the Board of Revenue (Excise) contained in its reference cited and have decided that no fresh shops should be leased to Toddy Tapper's Co-operative Societies for the Excise year 1970-71.

2. As regards shops under lease to Cooperatives during the Excise year 1969-70 the Government have decided that such of the Societies as have committed malpractices or have otherwise come to adverse notice or have defaulted in payment of rentals and not cleared the default in time, should be weeded out and the shops so released, should be put to open auction in the normal course. Renewals may be allowed for the excise year 1970-71 in the case of the remaining Societies subject to an increase of 6½% in rentals.

The Board of Revenue is requested to take further action in accordance with the above decisions.

C. R. Krishna Swamy Rao Sahib,
Special Secretary to Government.

COPY OF:—

GOVERNMENT OF ANDHRA PRADESH, REVENUE DEPARTMENT

It has been brought to the notice of the Government that the time allowed for renewal of licences of the Tappers Co-operative Societies was upto 14-8-1970 and that due to certain difficulties the formalities could not be completed by the Tappers Co-operatives in time. The Board of Revenue is requested to extend the time upto 31-8-1970. It should be made clear that no further extension will be granted. If any of the shops meant for the Tappers Co-operatives has since been auctioned after 14-8-1970, the above extension will not be operative in respect thereof.

Now, the Government Motion about constitution of the Committee on Public Accounts.

GOVERNMENT MOTIONS

RE:— CONSTITUTION OF THE COMMITTEE ON PUBLIC ACCOUNTS

Mr. Speaker:—Now, Sri Brahmananda Reddy, Leader of the House, will move a motion for constitution of the Committee on Public Accounts.

The Deputy Chief Minister (Sri J. V. Narasinga Rao):—Sir, on behalf of Sri K. Brahmananda Reddy, Leader of the House, I beg to
move the following motion: "That the members of this House do proceed to elect in the manner required by sub-rule (2) of Rule 165 of the Rules of procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly, eighteen members from among their number to be members of the Committee on Public Accounts for the financial year 1971-72."

"That this House recommends to the Andhra Pradesh Legislative Council that they do agree to nominate six members from Legislative Council to be on the Committee on Public Accounts of this House for the financial year 1971-72."

Dr. T.V.S. Chalapathi Rao:—According to the news published in today's morning papers, the Government has decided to dissolve the Assembly and hold elections on 22nd and 23rd May, 1971. If that is so, where is the need for constitution of these committees? Please clarify it.

Sri Poola Subbaiah:—It is a waste of time, Sir.

Dr. T.V.S. Chalapathi Rao:—We seek a clarification Sir. This morning papers have published that the Government have practically decided to advise the Governor to dissolve the House and seek fresh mandate. On what, we do not know. Dates have also been notified. The Deputy Chief Minister should clarify whether it is a fact and if so, where is the need for the Government to constitute the Public Accounts and Estimates Committees, etc.?

Mr. Speaker:—Till actually the House is dissolved by an order of the Governor, this House will be in existence. Now, presuming that this House will be in existence, according to Rules and Act, we have got to form the Committees.

Dr. T.V.S. Chalapathi Rao:—Why should the Government have a double policy? On the one hand they decided dissolution and on the other hand they are misleading the House and the public as well and are coming with a proposal for the election of a Committee. Which policy they would like to stick up?

Mr. Speaker:—We cannot.

Dr. T. V. S. Chalapati Rao:—The policy of the dissolution or the policy of election?

Mr. Speaker:—We cannot take, No, No.

Sri. C.V.K. Rao:—You are good enough to state that it is the Governor that has to dissolve this House by an order and already Mr. Brahmananda Reddy has given notice, Sir. How is it?

Mr. Speaker:—He is the Chief Minister, they continue to be Ministers and you are still members. Let us go ahead with the formation of the Committees.

Mr. Speaker:—Motion moved.

(Pause) The question is:

ANNOUNCEMENT

re:— (1) Resignation of Sri S.R.A.S. Appala Naidu.

(2) Resignation of Sri Puli Venkata Reddy.

Mr. Speaker:—I have received a letter of resignation from Sri S.R.A.S. Appalanaidu.

Dear Sri Subba Reddy Garu,

As I am elected to the Lok Sabha, I tender my resignation to the membership of the Andhra Pradesh Legislative Assembly.

With best regards,

Mr. Speaker: I have received another letter of resignation from Sri Puli Venkata Reddy.

Sir,

As I have been elected as Member of Parliament from the Kavali Lok Sabha Constituency during the Mid Term Elections held in March, 1971, I herewith tender my resignation to the Membership of the Andhra Pradesh Legislative Assembly. I request that my resignation may kindly be accepted.

BUSINESS OF THE HOUSE

Mr. Speaker:—Sri C.V.K. Rao has given notice of an adjournment motion. Are you not pressing? Let me hear Mr. Rajab Ali.
I will call it day after.
Mr. Speaker:— Without notice I can't do anything.

Sri Manik Rao:— Do you think that they are working in a democratic way? Is this not an insult? Therefore I charge against this Government. So many wrongs they committed. We don't recognise this Government or the Ministers. I give in three or four minutes notice.

Mr. Speaker:— The matter has been referred to the Privileges Committee. I cannot compel them to send their report within a particular period.

Mr. Speaker:— They must come forward with the judgement. I can therefore ask them to expedite.

Sri Pragada Kotasib:— I must know at what stage it is?

Mr. Speaker:— It is in the stage of consideration of the Privileges Committee.

Dr. T.V.S. Chalapathi Rao:— I am afraid they can take any length of time. Is it the privilege of the Privileges Committee to take any length of time?

Mr. Speaker:— There is no law or rule under which we can compel the Committee to send the report within a particular time. In

Purposefully in this locality on yesterday evening from 4-30 P.M. to 5-30 P.M. they stopped water and light throughout. I charge the P.W.D. Minister and the Minister for Power. Because this is our procession, they did so. Street lights are not there. Is this the way or the treatment to be given. Even without notice I am charging.
the natural course, I expected them to send the report within a reasonable time.

Dr. T.V.S. Chalapathi Rao:— What is the reasonable time?

Mr. Speaker:— If the Government takes 10 or 12 years, I expect the Committee to send the report within one year.

Dr. T.V.S. Chalapathi Rao:— It is past one year.

Sri Pragada Kotaiah:— What is meant by reasonable time?

Mr. Speaker:— Say, it is one year.

Mr. Speaker:— No time is prescribed under the rules, before which the report should be sent by the Privileges Committee. I do not exactly remember the date on which it was referred to the Privileges Committee, and I also do not know the circumstances under which they are forced to take time. It is only the Chairman of the Privileges Committee, the Deputy Speaker, who can answer this question.

A new privileges committee would have been avoided. What is the sanctity of the issue, and what is the purpose of this Committee? The Hon. Member Sri Pragada Kotaiah has asked you the stage at which the matter stands and there is no other body to address.

Mr. Speaker:— There is no law or rule prescribing that the Committee should send the report before a certain period.

Sri B. Ratnasabhapathi:— Sir, this Committee exists and continues to exist at your pleasure and they have to work under your instructions.

Mr. Speaker:— You are mistaken. The Committee has not come into existence at my instance. It is elected by this House.

Sri B. Ratnasabhapathi:— You are the Presiding Officer of this Assembly.

Mr. Speaker:— This matter was referred to the Privileges Committee. We did not prescribe any time before which it should send the report. It is for them to make enquiries and send the report. I am sorry I am helpless.

Sri C.V.K. Rao:— You can ask the Chairman of the Committee to tell the House as to what happened.

Dr. T.V.S. Chalapathi Rao:— Does it mean, Sir, it confers a privilege that they can take any length of time?
Mr. Speaker:— I can only write to the Chairman of the Privileges Committee.

Sri Pragada Kotaiah:— It is very unfortunate.

Mr. Speaker:— You are at liberty to do it. The point is, it is for the presiding officers to follow certain rules.

Mr. Speaker:— The only thing I can do is to write to the Chairman of the Committee to expedite the matter.

Sri Pragada Kotaiah:— I would like to know whether it will be done before the close of this session.

Mr. Speaker:— What is the reasonable time?

Sri N. Ramachandra Reddi:— You have said 'about a year or so.' Now, about 10 to 12 cases are pending before the Privileges Committee.

Mr. Speaker:— I do not know when exactly this was referred to the Committee on Privileges and whether it is one year or less than one year.

Mr. Speaker:— What I am saying is, the House can express its displeasure, so that at least this can be avoided in future.

Mr. Speaker:— What is the reasonable time?
give it in the form of a motion and I will put it to the House.

Mr. Speaker:— Under the rules, I cannot compel them. I can only ask them to expedite the matter and dispose of it.

Sri N. Ramachandra Reddi:— You can also express your displeasure for the lapse.

Mr. Speaker:— If they also express their displeasure, if I go against the rules...

Dr. T.V.S. Chalapathi Rao:— How can a subordinate committee express displeasure against Hon'ble Speaker who is enjoying the confidence of the House? Can they dare to do it?

Mr. Speaker:— You are not justified in saying that it is a subordinate Committee. It is a statutory committee.

Dr. T.V.S. Chalapathi Rao:— It is not discharging its duty.

Mr. Speaker:— It is not subordinate to anybody.

Dr. T.V.S. Chalapathi Rao:— You are in a position to call for an explanation from them for the inordinate delay they are making. Is it enjoying such immunity that it cannot be questioned even by the Speaker? What is the right of the Members then?

Mr. Speaker:— If you are prepared to vest the Speaker with such powers, it is a different matter.

Dr. T.V.S. Chalapathi Rao:— All residuary powers are vested with the Speaker.

Mr. Speaker:— Let the Government say.

Sri J. V. Narasing Rao:— How is the Government responsible? It is only for the Committee.

Sri N. Ramachandra Reddy:— The Privileges Committee has issued a notice that it is meeting on the 23rd of this month. Can we expect that all the matters pending before the Committee will be disposed of on that day?

Mr. Speaker:— I do not know.

Sri N. Ramachandra Reddi:— Notices have been issued that the Committee is meeting on the 23rd of this month.

Mr. Speaker:— These matters have been referred to the Privileges Committee for thorough examination and enquiry. If they complete the enquiry and send the reports, it is well and good. Otherwise they automatically lapse. If again elections are held, what is going to happen we do not know.

Dr. T.V.S. Chalapathi Rao:— In the case of this particular case, the enquiry was completed as early as February. The only thing is, the report has to be placed before the House.
Mr. Speaker:— How is the House responsible?

Dr. T.V.S. Chalapathi Rao:— How are the members to know the stage at which the matter is pending?

Mr. Speaker:— We do not know when this House is going to be dissolved. You are only making your statement based on Press Reports. Whatever it may be, we never expected such a contingency. During my experience, no such complaint has been made against the Privileges Committee. After all, they will try to expedite it and it is possible that they will send it to the House.

Dr. T.V.S. Chalapathi Rao:— May I know whether at the Conference of Presiding Officers similar issue has cropped up?

Mr. Speaker:— The Chairman of the Committee is still in the hospital, having undergone operation for cataract.

Dr. T.V.S. Chalapathi Rao:— But the Secretary may be in a position to give information.

Mr. Speaker:— I will take note of the views of Members and write to the Chairman of the Privileges Committee to expedite the matter.

ANNOUNCEMENT

Re:— Resignation of Sri M. M. Hashim

Mr. Speaker:— Mr. Hashim has submitted his resignation. Here is his resignation letter.

"To the Hon’ble Speaker,
Andhra Pradesh Legislative Assembly,
Hyderabad.

Sir,

Consequent on my election to the Lok Sabha from Secunderabad Constituency, I hereby tender my resignation to the Membership of the Andhra Pradesh Legislative Assembly with effect from 16-8-71."

ADJOURNMENT MOTION

Re:— Misuse of Power by Two Ministers during Mid-term Poll of Kakinada Constituency.

Mr. C. V. K. Rao: Sir, my adjournment motion reads like this: "Whereas in a democratic system, the purity of elections is the highest criterion for a just social order to function; in the recent mid-term elections, in a contest for Kakinada Parliamentary seat, the two ministers of this State, viz., Minister for Panchayti Raj Sri Thota Ramaswamy and the Minister for Endowments Sri Rama-linga Raju have acted in a most undemocratic and high-handed way abusing their position as Ministers, using caste and money as bait in order to push up their candidate before the voters and also collected Takhis of money from contractors by forcible means and using their
position - which is a violation of the democratic system of election, and this kind of abuse of power by the ministers concerned and the matter has to be discussed by this House for necessary directives hence this House may be adjourned for that purpose."

MR. SPEAKER: Mr. C. V. K. Rao thinks that if only these two ministers had not come; perhaps he would have been elected.

Sri C. V. K. Rao:—No, Sir. I take very serious objection. One may be elected or not. That is a different matter. Everybody cannot be elected. Everybody cannot please everybody else. I am referring to the high-handedness of the Ministers. It is the experience of everybody. You know it and I know it. Everybody knows how these people are behaving. Once they are put in position, they can do anything.

Mr. Speaker:—The question is whether this can be subject matter for an adjournment motion.

Sri C. V. K. Rao:—That is left to you, sir. I have a right to bring to the notice of the Hon’ble Speaker, who is the arbiter in this House, for certain matters. That is all.

Dr. T. S. Murthy:—On a point of clarification. What is the high-handedness he was referring to?

Sri C. V. K. Rao:—I have to give information to the Hon. Member. This is what is happening in most of the elections. There is no doubt about it. Having seen with my own eyes and having experience of this kind of thing - now we are going to further elections - my question is, should these men in power behave in such a reckless manner.

Sri C. V. K. Rao:—What does it matter. I am not ashamed of that in a system like this. You should equally be ashamed. If my deposit goes, does it mean that they could collect lakhs of rupees and spend it while the prescribed minimum is only Rs. 35,000 for each candidate. They have collected lakhs of rupees and they talk about case. Are they not ashamed of that. Nothing succeeds like success; anybody can behave in any way he likes if he succeeds.

Mr. Speaker:—I am not allowing you to speak on the merits. The question is that the motion is not in accordance with the Rule. I am disallowing.

Sri C. V. K. Rao:—That is the reason why I am speaking. We have different rules in the States. In some States they have different rules. A person should be ashamed of that. It is not a question of election. It is a question of the Constitution of India. What is the Constitution? It is the rule. Mr. Speaker:—I have already disallowed.
Mr. Speaker:—There is another matter in which Mr. Rao has given notice; that is regarding breach of privilege by the Chief Minister.

Mr. C. V. K. Rao:—The motion is like this, Sir—"Whereas this House is summoned for discussing the vote on account to be presented to day, i.e., 11-3-71, the Chief Minister Sri K. Brahmananda Reddy in an unwarranted and undemocratic way over and above this House, announced in the press in the 'Indian Express' dated 11th instant that "he has decided for a mid-term poll already and that this is the last session"—which amounts that a single individual arrogates to himself the sole authority to deal with the functioning of this House which has to function according to the provisions of the Constitution and which amounts to Contempt of the House duly elected; as such the Chief Minister Sri K. Brahmananda Reddy committed breach of privilege which has to be dealt with by this House for prompt action.

Mr. Speaker:—Where from did you get this information.

Sri C. V. K. Rao:—The press has given the information that the Chief Minister has decided.

Mr. Speaker:—Let us go on facts. What the press has said is this.—"The Express News Service dated 10-3-71 ..... understands" from which source God only knows.

Sri C. V. K. Rao:—Is Mr. Brahmananda Reddy wrong or the press is wrong?

Mr. Speaker:—I am only going by the press extract.

Dr. T. V. S. Chalapathi Rao:—That was the position on 10th March. To-day is 15th. In to-day's papers even the dates have been published. Why not the Deputy Chief Minister come forward with a categorical statement whether the Cabinet has met and decided or not. Let him say "Yes" or "No". Why should they feel shy about it. Why they throw the iron curtain over it?

Mr. Speaker:—I will take notice only if you are able to produce any document containing an authoritative statement either from the Chief Minister or anybody.

Dr. T. V. S. Chalapathi Rao:—That apart, we are seeking a clarification whether the Cabinet has decided or not. Why not the Deputy Chief Minister say "yes" or "No". Please call upon them.

Mr. Speaker:—This is a question of breach of privilege. Why should I ask the Deputy Chief Minister to make a statement?

Let them say "yes" or 'no'; why should they feel shy; where is the difficulty? Apart from newspaper reports, here is a specific question which a member of this House is raising on the floor of the House and submitting to the Speaker to get a clarification from the
Minister. Is it not open to the Hon. Speaker to direct them to say "yes" or "no"?

Mr. Speaker:—In the Business Advisory Committee, yourself and all the members of the Committee wanted a clarification from the hon. Chief Minister whether there was going to be any mid-term poll for the Assembly. He clearly said: 'I have not yet made up my mind. I do not know'.

Dr. T.V.S. Chalapathi Rao:—That was on the 11th. At least we have to raise a privilege against the newspaper which published it, if the government is not prepared to contradict it.

Mr. Speaker:—The present notice is against the hon. Chief Minister. If you want to raise another matter of breach of privilege, it is up to you.

Mr. Speaker:—With regard to the constitution of committees, I said that this House will be in existence till it is actually dissolved by the Governor. Till then it is going to function.

Dr. T. V. S. Chalapathi Rao:—C M. has not spoken to us. Today's press published that it is a Cabinet decision. Will the hon. Deputy Chief Minister be pleased to say whether that report is correct or not. Let him say 'yes' or 'no'. He need not waste his time on more words.

Sri J. V. Narasinga Rao:—No such decision has been taken. The Council met on 10th. The Chief Minister has already spoken to you on the 11th.

Dr. T. V. S. Chalapathi Rao:—C M. has not spoken to us. Today's press published that it is a Cabinet decision. Will the hon. Deputy Chief Minister be pleased to say whether that report is correct or not. Let him say 'yes' or 'no'. He need not waste his time on more words.

Sri A. M. Chidhava Rao:—The privilege motion is given on the footing that the newspaper has reported the news: where it is said that the hon. Chief Minister has already decided in regard to the fact of dissolving the Assembly. It is for the hon. Chief Minister to say when a privilege motion is given, whether such a decision has been taken or not. The newspaper has published and it is not rebutted, by the Chief Minister. Even the Radio said. In any before yesterday's 'Hindu' also it was published. If the Chief Minister has not contradicted it, it must be presumed that it is a fact. When he made a statement outside the Assembly when the Assembly is meeting, it amounts to breach of privilege.

Sri Pragada Kotiah:—The All India Radio announced that the Cabinet decided to dissolve the Assembly and hold mid-term poll. They will have to contradict it, if it is not so.
Mr. Speaker:— If you are raising it, off-hand, I cannot say.

Mr. Speaker:— Are you pressing your privilege motion, Mr. Rao?

Dr. T.V.S. Chalapathi Rao:— The Council of Ministers are responsible to this House. Are the proceedings of the Cabinet confidential to this House. Can they plead that they are confidential?

Dr. T.V.S. Chalapathi Rao:— Not on this. I am raising another issue. Can they say it is confidential—the proceedings of the Cabinet?
confidential. But on matters of this nature which concerns.

Mr. Speaker:—After the Hon. Chief Minister returns from Delhi, he attends the House. I will ask him to make a statement. Let us see what he has to say.

About the privilege issue, since there is no prima facie case made out and it is not clear whether any statement was made by the Chief Minister to the effect that a mid-term poll to the Assembly is going to be held, it is disallowed.

ANNOUNCEMENT

Re:—Resignation of Sri M. S. Sanjeeva Rao,

I have to inform the House that hon. Sri M. S. Sanjeeva Rao has resigned from the Membership of the House. He has sent the following letter:

"To the Hon. Speaker,

Legislative Assembly, Hyderabad.

Sir,

I hereby tender my resignation to the membership of the assembly with effect from 15th March 1971:

Yours faithfully,

Sd/-M. S. Sanjeeva Rao.

PRIVILEGE MOTION

Re:—Reported Statement of The Chief Minister About Andhra Pradesh Industrial Relations Commission Bill 1971.

Mr. Speaker:—Now, Mr. Vavilala Gopalakrishnayya has given notice of a privilege motion. What has he to say?

He also said that no hasty decision will be taken on the Bill which is with the Joint Select Committee.

Mr. Speaker:—The question is whether the Chief Minister has expressed any opinion. What he said was, according to the press extract, "no hasty decision will be taken?"

Sri Vavilala Gopalakrishnayya:—Not only that, Sir. He said referring to the representations made by the Christian leaders that
he would consider various aspects before a final decision was taken on the Bill. He cannot say anything. Why must he say?

Mr. Speaker:—The Bill is now before the Joint Select Committee. It is said here: "The Chief Minister, paying tributes to the qualities of late Archbishop R. Gopu referred to the representations made by him and other Christian leaders to exclude the educational institutions and hospitals managed by Christians from the purview of the Bill. The Chief Minister said that he would consider various aspects before a final decision was taken on the Bill."

Sri B. Ratnasabhapathi:—This Bill is now before the Select Committee. It is for the Select Committee to consider, not for the Chief Minister. Chief Minister's consideration arises after the Select Committee submits its report.

Mr. Speaker:—On the merits of the Bill has the Chief Minister expressed any opinion.

Mr. Speaker:—He said no hasty decision will be taken. That means all the aspects will be considered and a decision taken.

Mr. Speaker:—On the other hand, if you accept my interpretation it is a compliment to the Committee itself because he was saying that the Committee would never be hasty in taking decisions.

Sri Ratnasabhapathi:—No, Sir; it means that he has completely ignored the existence of the Committee.

General Discussion

The Chief Minister ignored the existence of the Committee. He has taken it upon himself to say that "I will see that all things will be considered and no hasty action will be taken."

Mr. Speaker:—If the Chief Minister had expressed any opinion on the merits of the Bill or cast any aspersions on the members of the Select Committee or on the working of the Committee then you can say it amounts to breach of privilege. He has not expressed any opinion nor has he cast any aspersions on the working of the Joint Select Committee. (To Sri Vavilala Gopalakrishnayya). We will take up after the Chief Minister comes on the 22nd. The House will now take up general discussion on the Budget presented to the House.

General Discussion

The Minister of Finance presented the Budget for 1971-72 (Vote on Account) on 15th March, 1971. The budget was introduced in the Parliament. The budget was discussed in the House. The Minister gave a detailed explanation of the budget. The opposition parties raised several objections to the budget. The session was adjourned at 5:30 PM.

The budget aims to achieve a balanced growth in the economy. The government plans to increase the allocation for education and health. The budget also includes measures to reduce the deficit and to increase the revenue. The government is committed to providing social security to the citizens.

The budget was received with mixed reactions. The opposition parties praised the budget for its focus on social and economic development. However, they also raised concerns about the government's ability to implement the budget effectively.

The budget was passed unanimously by the House. The session concluded at 8:00 PM.
Sri G. Sivaiah. (Puttur):—Mr. Speaker Sir, we are meeting just after the mid-term poll for the Lok Sabha. We have seen the awakening of the public who are hoping for scientific socialism to be implemented in this country. Wherever we go, in whichever part of the country we travel, whichever news we hear, we are only hearing that the Ruling Congress will implement socialist policies in the country. The poor people, the agricultural labour, the industrial labour, the middle classes and the vast majority of the people voted in favour of the new Congress with the hope that socialism will be brought about in the country. We are only hoping - particularly I am hoping - that the Ruling Congress would be able to attract the masses into its organisation. Now during all these 4 years I have expected that this Government will try to allot sufficient funds for the rural uplift, to solve the unemployment problem, to bring in irrigation schemes and various other developmental activities. For the first 3 years, this government could not allot sufficient funds for the development works. It is only last year the Government tried to allot sum funds. For example, this Government has allotted Rs. 4 crores to Rayalaseema districts for their development. Actually, only a little sum of it has been spent and I hear that there are no funds to fulfil that promise of Rs. 4 crores. That is how things are going on. After this mid term poll, I have expected that this government will present a budget that could bring certain changes for the benefit of the public. After going through the budget speech, and the budget books, I have been disappointed again. Inspite of getting an overwhelming support from the ordinary suffering masses, suffering working class, this government could not give a proper budget allotment for the development works. I submit Sir, for the last 4 years, the people from Annapalli area in my constituency - Puttur, have expected that at least Rs. 30 lakhs should be allotted to bring about a new project which could bring 4000 acres under irrigation in that area. We were eagerly waiting that. I do not find any thing about it now in the budget. By spending Rs. 6 lakh in Araniyar in Satyaveedu taluk, we can feed 2 thousand acres of land which could not be done for the past 4 years. In the same manner, there are many projects in my constituency which could not be taken up. This is only an example I have stated. After waiting for 4 long years, we have got thoroughly disappointed. We have been hoping to get some money or other for developmental activities. 4 years have passed. Any way past is past. I thought I could comfort myself by expecting some thing after the mid term poll since there is a mass support in favour of the Ruling Congress. I have been disappointed. The people also will be disappointed if this continues. Therefore at least even now, though it is late, can’t this government think in those terms and do some thing?

During the last elections-mid term poll wherever I went, people
said in Telugu""మేము స్వాతంత్ర్యం ఉంది ఇందులో సౌందర్యం స్వాభావికం. కామా కామా దేశం అందరి సూర్య జాతపు తిరంగ. మేము విమానం ఉంది అంది సూర్య జాతపు తిరంగ. మేము విమానం ఉంది అంది సూర్య జాతపు తిరంగ."

In that language they have spoken. The poor innocent people, were made to believe that really socialism is at their doors. I am really happy that people have given that type of support to a government which is far progressive than some of the political parties in this country, particularly the Grand Alliance or whatever it is. No doubt we have canvassed for socialism and communism for the past 23 years. We want this country to develop. By looking into those things, by seeing the public support at least they could have brought changes in this budget. It has not been done. This is definitely disappointing to the poor suffering masses who have helped that some thing would be done from the hands of this government. I submit that this government has not acted in time to the expectations of the ordinary masses. We are facing huge problems like unemployment. Is there any concrete plan of this government to try to solve this unemployment problem? We were expecting that land would be distributed to the tiller. Is there one word that radical reforms would be brought in this country? Is there a ray of hope to the public that this Government would be able to bring land reforms to some extent or whatever it is? I would say, nothing in this. Is there any hope of getting major industries to this area of the State? It is only expectations but not concrete things. Therefore, there is no definite programme. After mid term poll we are hearing of solution to unemployment problem, curbing of increase in prices. Is there any plan?

They have referred, but they are silent. Is it because they are thinking they may not solve this problem. I can understand in a normal situation, but not in the present context, after the recent mid term elections. We see no change at all. Lord Tennyson said that the old order changes yielding place to the new and God fulfils Himself in many ways. At least should you not try to bring some changes. Perhaps you might have meant that God fulfills in many ways or instead of God, Nature; but instead of Nature, I say the Working Class; if you do not do it, the people themselves will solve the problem.

Now, Sir, under these circumstances, what is to be done? I have suggested in my first Budget speech that there are various methods to get more finances by implementing a strict vigilance over the administration. Has it been done? I have suggested an additional income of about Rs. 20 crores if only Government could bring a strict administration. I have suggested even 4 years back that there is enormous source to get revenue from the entertainment tax, from cinemas. You find a rubber stamp on each ticket whenever I go to a theatre I only see a stamped rubber, but it is not quite clear; black-market is going on; they are trying to evade to pay taxes. If only you could insist on revenue stamps on these cinema tickets, we could increase the revenue by roughly Rs. 5 crores. I have given
various suggestions in this manner. Then we have Hotel industry, well developed through the State. Are they really paying. Is there any hotel which is maintaining correct accounts. Everybody goes to the hotel and comes. They are collecting huge sums. Why not we take steps. I expected Mr. Vijaya Bhaskara Reddy to take these steps-he was not then the Finance Minister-at least now I would like him to remember these facts. We only need to stem the leakage of taxes and divert it towards the treasury. If only we do that it is possible. No steps have been taken. Therefore, in spite of various suggestions which are constructive and not destructive, from this side of the House to improve finances, why is the Government not serious to do all these things? So my submission is - even now there are possibilities; have you utilised those in any manner? I have not been encouraged by going through the Budget. During the past 4 years matters were quite different. Now, after getting a full-throated of the public, is this the way how we should think. I feel ashamed after March 5, if I have to see this type of thing. There must be change. The people have given mandate “Go ahead, we are behind you.” So there must be a revolutionary change in these things. I do not mean exactly armed revolution, if necessary people will take it up - I want a peaceful revolution. So I expect much from Mr. Vijaya Bhaskara Reddy to bring revolutionary changes in finance which he could not do. You have got the full support of the people. Are you afraid of the rich people. For whom are you afraid? At least bring these changes in the full Budget session. I am not afraid of the people - there is talk about elections. I am prepared to face the people; let them decide what they like; that is a different matter. So there must be changes in order to find solutions for all the urgent problems. Let the Government think about it.

First, there are irrigation projects. I know the Government are trying to improve in some respects. For Puttur this Government was able to spend 1.5 lakhs for electricity schemes in my area and a scheme has been sanctioned for Rs. 82 lakhs to electrify all the villages. In Puttur Assembly constituency they have got certain schemes. Now, that should be doubled, not only one taluk, throughout the State, what are the steps you have taken. It is not enough to satisfy one constituency or one taluk; they should think in terms of the whole State. I only feel sorry that such an encouraging speech is not there. At least, the Finance Minister could commit in his speech-he is afraid to commit - why? Is it because the Cabinet is trying to gag him not to commit certain things. He has to come out and commit himself: “I am going to do this thing.” He is not doing that. What are the difficulties. If he places the difficulties before the House and says “I am facing these difficulties; I am not getting money” — if he places the difficulties before the House, we will co-operate provided the Government is honest in facing these things.

Therefore we need a dynamic change in the policy of this Government to bring socialism and to implement socialism; if that cannot be done I am sure unexpected things will happen. This Government also can expect unexpected things in future. We are facing troubles in Bengal; the Prime Minister said that it is all due to economic conditions; if you allow the economic conditions the
same way, I am sure our State will revolt in the same manner. So
at least by showing the way in which the people have wanted to
bring a change in the entire economic set-up in the country, we have
to move along with the masses and their wishes. Thank you, Sir.

The N. G. Os say "You control prices. We do not want any increase in D. A. or T. A." There are legitimate demands advanced by them. The side claims that they have been trying to keep prices down and that the demands are exaggerated. The government feels that the demands are not justified and that the increase should be minimal. The discussion continues with mutual accusations of mismanagement and lack of transparency. The overall sentiment is one of dissatisfaction with the current government's financial policies.
It must be socialistic budget.
