Oral Answers to Questions

Sri P. Thimma Reddy:—

A:—

(a) & (b) Yes, Sir.

Sri C. V. K. Rao:—Sir, should Mr. Madhavarao go on debating with the Minister. I just want to come to the rescue of the Minister.

Deputy Speaker: -I feel every member should note that.

Sri G. Litchanna: Particularly our friend, Mr. Rao!

Sri C. V. K. Rao:—Sir, should Mr. Madhavarao go on debating with the Minister. I just want to come to the rescue of the Minister.

Deputy Speaker: -I feel every member should note that.

Sri G. Litchanna: Particularly our friend, Mr. Rao!
It is a huge area that has been placed at their disposal. After all what the gazetted officers have been given is 14 acres and odd out of hundreds of acres.

Sri P. Thimma Reddy: There is clarification here. There are three categories; (1) Gazetted Officers who are not natives of Nellore district but who are working in Nellore district at present and who wanted to settle down in Nellore after retirement; (2) Gazetted officers who belong to other district but who expressed their desire to settle at Nellore in view of their long service in Nellore district; (3) Gazetted officers who are natives of Nellore district and those working in the district who are on the verge of retirement and who have chosen to settle down at Nellore. There is another thing—that the allottees should give a declaration that he does not possess or own any house anywhere else either in his name or in the name of his wife.

Sri M. Narayana — 2 acres have been allotted to the hands of...
Sri Sivayya:—I would like to know whether these gazetted officers come under economically weaker sections and will the Government ensure that after all the poorer sections in the particular area are given house sites then only the remaining land will be distributed to the gazetted officers.

Sri P. Thimma Reddy:—Sir, they fix a rate for the land.

Sri G. Sivayya:—My question is whether the gazetted officers come under the economically weaker sections. We know that price will be fixed for the land. That will be cheaper than it is in other parts.

Sri P. Thimma Reddy:—This does not pertain only to the economically weaker sections. Housing is itself a problem. The price of land is high. The officers have to buy land and also pay for water, electricity, etc. This is a problem. The officers cannot buy land. Now the government is trying to provide sites to the weaker sections. The government is providing sites to the weaker sections. This is a problem. If the government provides sites to the weaker sections, they cannot buy land.

Sri G. Sivayya:—Is the Hon. Minister aware that the weaker sections feel depressed when site has been allotted to the gazetted officers.
Sri P. Thimma Reddy:—Here I am giving all the details. There are some hundreds going into thousands. These have been given.

Sri Vavilala Gopalakrishnayya:—Plots of 1 acre and 2 acres were given to the Harijans or Girijans. Then the Collector was asked not to given, but he said 'I will give'. So he was transferred and the land was transferred to gazetted officers and other people.
Mr. Deputy Speaker:—If any information is asked for, you can send it to the concerned Member.

Sri P. Thimma Reddy:—Let me submit to you that there are so many supplementarys asked for... About relevancy of the question also, the Hon. Speaker has to decide.

Mr. Deputy Speaker:—Let me understand. If any question is raised, if explanation is asked for, you can send the information to the concerned Member.

Sri P. Thimma Reddy:—Let the Hon. Member put it in writing.

ADJOURNMENT MOTION
re: POLICE LATHI-CHARGE IN WARANGAL

Mr. Deputy Speaker:—Sri G. Rajaram, Sri N. Ramachandra Reddy and Sri M. Mancik Rao have given notice of the following adjournment motion.

"Under Rule 63 of the rules of business of the Andhra Pradesh Assembly, we hereby give notice of our intention to move for the adjournment of the House to discuss a definite matter of urgent public importance of recent occurrence, namely:

'That on 18-7-1971, on the occasion of the Chief Minister's visit to Warangal, the local police resorted to lathi charge on peaceful citizens and arrested forty-four people including Mr. T. Purushothama Rao and Mr. R. Narasimha Ramaiah, Members of this House; Mr. T. Purushothama Rao is in the hospital due to injuries sustained during lathicharge"

Sri G. Rajaram will speak.

Sri G. Rajaram (Balkonda):—Sir, on 18-7-1971 on the occasion of the visit of the Chief Minister to Warangal city—I do not know whether the popular Chief Minister of this State has visited that city or the Prime Minister or some foreign dignitary has visited that city I cannot understand, but the manner in which the police bandobust was made and the way in which the security arrangements were made, appear to be just like the arrangements we make when a big foreign dignitary comes on a visit. I do not know, where was the necessity for such a large-scale bandobust and security arrangements for the popular Chief Minister of this State. Even prior to his visit, many of the T. P. S. workers were arrested. When the citizens of that town were making a peaceful demonstration to show their resentment, the police resorted to brutal lathi-charge; many were injured; I have gone there myself and I have seen a student with broken teeth, another boy with injuries on his ear-end and another with head injuries; Mr. T. Purushothama Rao, M.L.A. was dragged and his shirt was torn to pieces

and was in the hospital. This was the state of affairs and under these brutalities and atrocities of the police the Chief Minister visited the town.

Mr. Deputy Speaker:—You help me in deciding the admissibility of the adjournment motion.

Sri G. Rajaram:—I am narrating the events. In the name of organizing the weaker sections and backward classes, the Chief Minister has adopted a new method of organizing all the K.Ds., rowdies and goondas in the State. He was to address a conference of the weaker sections and backward classes; I can show you the names of the members of the Reception Committee formed for that purpose; all the members of the Reception Committee—you can verify, are K. Ds., and known dacoits; this is the state of affairs. All the Congressmen belonging to the ruling party, the Chief Minister’s party, advised him not to visit that town and that it is not feasible to visit that town and that it will only encourage the goonda elements and rowdy elements in the State.

Mr. Deputy Speaker:—We are concerned with the admissibility; when it is admitted you can speak on all those facts; now let us discuss the point of admissibility first; you can just say, what are the reasons for admissibility?

Sri G. Rajaram:—It is a matter of urgent public importance wherein 44 people were arrested without any cause or provocation including 2 members of this House who were detained for 6 hours. It is a recent occurrence. All ingredients that go to constitute an adjournment motion are there.

Mr. Deputy Speaker: How does the Adjournment motion help if the M.L.As. are arrested, does it not come under ‘private”? It comes under ‘Privilege’, and you can move a motion for that.

Sri G. Raja Ram:—The conduct and behaviour of the police must be discussed.

Sri C. V. K. Rao:—The behaviour of the Police is atrocious not only against the general public, but even as against hon. Members of this August House, and their conduct and behaviour have to be discussed.

Mr. Deputy Speaker: Then you come with a general motion, not with an adjournment motion. I want this assistance from you,—the admissibility of the motion given notice of as an adjournment motion. You please help me on that point, without going into details.

Sri G. Raja Ram:—All ingredients there are that constitute an adjournment motion.
Adjournment Motion re: Police Lathicharge in Warangal

21st July, 1971

Mr. Deputy Speaker:—That is not allowed. Do not put in a word like ‘goonda’ or any such other word so far as an hon. Member of the House is concerned. You might have said it in emotion. I wish you withdraw it. Hon. Member should not be addressed as ‘Goonda.’

Sri G. Rajaram:—We represent the T.P.S., and he should not have said what he has said now.
Mr. Deputy Speaker:—It may be to him or it may be to anybody else. Hon'ble Member should be Hon'ble. I think you would agree that when you addressed like that it becomes personal.

Mr. Deputy Speaker:—It may be to him or it may be to anybody else. Hon'ble Member should be Hon'ble. I think you would agree that when you addressed like that it becomes personal.

Mr. Deputy Speaker:—It may be to him or it may be to anybody else. Hon'ble Member should be Hon'ble. I think you would agree that when you addressed like that it becomes personal.

(Interruptions from Treasury Benches)

Mr. Deputy Speaker:—Everybody will have his chance.

Sri N Ramachandra Reddy:—In addition to what has been stated by Mr. Rajaram and Mr. G. Lachanna, I would like to state that the police lathicharge in Warangal is an important issue. In what way Mr. Vamanrao, Director of Information is concerned. If necessary I shall give a motion.
Adjournment Motion re: Police Lathicharge in Warangal

21st July, 1971

It is not appropriate on the part of Mr. Vamanrao, Director of Information to telephone the newspapers and ask them not to publish this news.

Sri G. Rajaram:—It is a fact; I have made a charge and it is for the Government to verify. Was he not a member of the Reception Committee? Who are the members of the Reception Committee?

Sri P. Narasa Reddy:—It is the right of a public representative to address a public meeting. Is it proper on the part of certain feudals not to allow a public representative to attend the meeting and address it? Is this a matter of public importance and is it the opportunity to discuss where or whether public meetings should be held in which only some members take part and other Members are not allowed to attend such meetings....

Sri G. Rajaram:—It is not correct. We have not objected to anybody attending the meetings....

Sri P. Narasa Reddy:—It is an eye-sore to them. I most humbly submit that we cannot allow members to stall a public meeting.

(Many members stood up)

Mr. Deputy Speaker:—How can I allow so many members to speak?

Sri S. Venkateswarlu:—Is the matter of urgent public importance being discussed is it the occasion to take this opportunity to abuse somebody who is not in the House and say that some person who is a K.D. is being encouraged. If an hon. Member wants to challenge another member about something, this is not the forum nor the opportunity....
Adjourment Motion re:
Police Lathicharge in Warangal

220 21st July, 1971

Mr. Deputy Speaker:—It is becoming a debate......What is the point in tabling an adjournment motion?

Mr. M. V. R. Reddy:—In the present condition of affairs, the legislature is not functioning as a forum of discussion, and the question of adjournment points is becoming academic.

Mr. Deputy Speaker:—I do not know whether it is true or not.—(Interruptions from Treasury Benches) If it is true, the conduct of the Chief Minister is very reprehensible.

Sri G. Venkata Reddy:—Before I raise a point of order, I request the Chair to see that some of the exchanges which are very bad and unparliamentary may be expunged from the proceedings.

Mr. Deputy Speaker: But you speak about the admissibility or otherwise.

Sri G. Venkata Reddy:—I am coming to that. Suppose a matter has been brought to the notice of the Chair. A member has got a right, if the Speaker gives consent, to explain the circumsta-

stances on which he has given the adjournment motion. So far as the other members who are not included in the list, I may submit that a member or members concerned only are entitled to speak and not all the members. That is one point to be taken into considera­tion. If the speaker gives consent and if he thinks that there is a point, he can request the House also to give permission. These are the two things to be observed before we discuss an adjournment motion—not to discuss in detail and the circumstances leading to the accident or incident. We have to observe this principle so far as adjournment motions are concerned. That is my request.

Sri C. V. K. Rao: Sir, has any member right to dictate to the Speaker how he should proceed?

Mr. Deputy Speaker:—Let me conclude with a request.

(Interruptions from Sri G. Venkat Reddy)

Sri C. V. K. Rao:—Should he interrupt like this. He raises a point of order; he does not know what a point of order is.

Mr. Deputy Speaker:—Considering the rules and conventions, a point of order can be raised.

Sri C. V. K. Rao: You have permitted and I am on my legs. If you ask me to sit I will sit. He wants me to sit. What right has he got. If you want me to sit, I am prepared to sit. I have raised a point of order and you call me as and when necessary.

Mr. Deputy Speaker: Let all the hon. Members cooperate with me. There is enough agenda to go through. We have discussions. One or two members generally speak. Members who have given notice will get an opportunity. If the Speaker wants assistance of certain members of the House he allows them to speak. There are no hard and fast rules. All among this has been going on. This house has taken rules and conventions both together. So there is no inconsistency. Rules are there and conventions also are there.

Sri G. Venkat Reddy:—The Speaker under his discretion has to do it.

Sri C. V. K. Rao:—Look at the manner in which he is entering into a debate with the Speaker.

I am not defying the Chair. I am simply requesting the Chair and drawing his attention to certain rules.
Adjournment Motion re: Police Lathi-charge in Warangal

Mr. Deputy Speaker:—Permit me to conclude that this has taken enough time. I have heard the members on the admissibility. Let me hear the Minister.

(Interruptions)

Mr. Deputy Speaker:—I would like the members to cooperate with me—just to hear the Minister and apply my mind regarding the admissibility and all those points of order need not be pressed. That is what I say. Let us go to the subject.

Sri C.V.K. Rao:—I have a point of order with regard to this tearing the Minister himself. Therefore you have to give a ruling on that.

Mr. Deputy Speaker:—I feel there is no question. Do not press. Let us go with the subject matter. That is why I wanted your cooperation. Do not press for it. Let us go with the subject matter. After hearing the Minister if I need your help, I will again call for you. If I want I will ask the members to assist me.

Sri Atchut Reddy:—Are you not allowing this.

Mr. Deputy Speaker:—After hearing the Minister.

Sri Atchut Reddy:—Where is the point in asking the Minister Under what Rules? Is the Speaker interested in hearing about the admissibility or is he interested to hear the Minister?

Mr. Deputy Speaker:—There is nothing to debar.

Sri Atchut Reddy:—We are strictly adhering to the rule position.

(Interruptions)

Mr. Deputy Speaker:—There is no questions of rule or anything. The hon. Member who has given notice has pleaded for admissibility. I would like to know from the Minister what are the reasons for non-admissibility.

Sri C.V.K. Rao:—The Minister has no place here.

(Interruptions)
Adjournment Motion re: Police Lathi - charge in Warangal

Mr. Deputy Speaker:—We have been following certain conventions. If the Chair wants he can call for assistance of the members and they can help him in deciding the admissibility or otherwise. I can ask the Minister also to help me in the matter concerned. It is governed by rules and under his discretion he can ask the Minister also.

Sri C. V. K. Rao:—You cannot ask the Minister to give the ruling.

Sri C. V. K. Rao:—For the admissibility I am asking.

Mr. Deputy Speaker:—Under which rule can I ask you and other members?

Sri C. V. K. Rao:—Under Rule 64.

Mr. Deputy Speaker:—Is the Minister not a member also?

Sri C. V. K. Rao:—Let him cease to be a Minister.

Sri N. Ramachandra Reddy:—Let an opportunity be given to Mr. Narasimha Ramaiah who is the concerned member.
21st July, 1971

Adjournment Motion re:
Police Lathi-charge in Warangal

Sri C.V.K. Rao:—Let me make it clear to the House and await your decision on the provisions that exist as to how we should function. Rule 66 clearly says about the mode of working for leave to move an adjournment motion.

Mr. Deputy Speaker:— Mode of leave is different thing. Why do you unnecessarily bring all these things now?

Sri C.V.K. Rao:—Now within the four corners of this particular book we have to function. The whole question is either you should permit me to explain the position under which we are functioning or permit me to explain on this adjournment motion itself.

Mr. Deputy Speaker:—On the admissibility, if you want to say anything, I will permit you.

Sri C.V.K. Rao:—On the admissibility only.

Mr. Deputy Speaker:—I will call you again.

Mr. A. Madan Mohan:— (Interruption)

Mr. Deputy Speaker:—Please sit down. Can every member who was not given a chance raise a point of order? If the point of order is not heard, then he makes certain things. Can we go on proceed with this nature? If every member feels that he is very helpful, he may be helpful. But let us not take away all these conventions. We have been hitherto following certain conventions for the benefit of the Agenda. If every member asks for leave, etc, till 1-30 there is no end at all. Therefore, I request every Member not to press for it. Now as Mr. Ramachandra Reddy said that Mr. Parusboothama Rao should be given an opportunity, I will give him an opportunity.

Sri A. Madan Mohan:— (Interruption).

Sri K. Achutha Reddy:—On admissibility he will speak.

Mr. Deputy Speaker:—Even on the admissibility every member may seek an opportunity. What I have been pleading is if I have any doubt, to get more assistance, I can call for you. I can invite one or two persons, but not all,

Mr. Deputy Speaker:—Let me get some more information on this.

Sri K. Achutha Reddy:—It is a point of information to the Home Minister.

Mr. Deputy Speaker:—It may help him or may not help him.

Sri K. Achutha Reddy:—Why is it that other Minister has not been called? What is this, I cannot understand.

Mr Deputy Speaker:—Let me get some more information on this.

Sri C.V.K. Rao:—Here is the Minister for Home, who says he has not arrested him. You have got to admit it and get the whole truth out of this, Sir.

Sri C.V.K. Rao:—You should be the judge and therefore outright, it should be admitted and given an opportunity for discussing this adjournment motion.

Sri C.V.K. Rao:—Here is the Minister for Home, who says he has not arrested him. You have got to admit it and get the whole truth out of this, Sir.

This is also very important in view of the Home Minister's answer which has come. The hon. Member is saying that he was arrested and the entire public also knows. I demand either judicial enquiry or a Committee of Legislators may be sent to enquire into the matter and the truth must be out. Leave alone the adjournment motion, Sir.

Sri K. Achyuta Reddy:—I am an educated man. Who has no education, I say? He is quite unparliamentary. He is challenging of course.

Sri N. Ramachandra Reddy:—As already submitted and expressed, the very facts are disputed by the local police. I have already requested for a judicial enquiry or in the alternative to appoint a committee with legislators under Rules 218 and 219. There is a provision already. This is a very serious matter. Two of the legislators have been arrested. Regarding the appointment of the Committee, I would like to know.

Sri G. Rajaram:—Kindly permit.

Mr. Deputy Speaker:—I have heard everybody. Let me go to the subject matter.

Sri A. Madan Mohan (Siddipet):—The Hon’ble Minister for Home has been relying on the statement of his subordinates. He is not actually on the spot.

Motion of Thanks on the Address by the Governor

(Sri T. S. Murthy in the Chair)

Sri A. Madhava Rao:— Sir, War is inevitable because of Bangla Desh situation. One point is, war is chasing. If you don't want to chase, war will chase you. We must be prepared for that situation. That contingency is there. Worst political blunder had been committed by not recognising it in time. Huge number of refugees are coming. We don't want to import them into our State. There is no live wire. Administration is a dead organisation. It is about to be extinguished. It is moving in retrogression. We feel that there is no organisation. Without any organisation the administration will become stand still. After midterm elections the whole Society is corrupted. There is no organisational principle. The crucial position of the Home Ministry has been strengthen. The Home Ministry is not responsible for law and order. The police force is inefficient. We have asked for more police force. But the Home Ministry is not giving any assistance. The police force is duty bound to maintain law and order. But the Home Ministry is not taking any steps. We want to see the situation improve. We are not satisfied with the situation.

Why not this registration takes place in the department itself?

The document appears to be a response to a motion of thanks on the address by the Governor. The text is in Telugu, a language spoken in India, and it seems to be discussing the registration process and its implementation in the department itself.

The text mentions the necessity of registration and the inconvenience it causes, with a question about why registration cannot be handled in the department itself. It also touches upon the fees charged for registration and the methods used to collect them. The text seems to be advocating for a more streamlined and efficient process.

The document is part of a larger discussion, possibly within a legislative or administrative context, aimed at improving the administrative procedures for the benefit of the public.
