THE ANDHRA PRADESH LEGISLATIVE ASSEMBLY
Thursday, the 22nd July, 1971.

The House met at Half-Past-Eight of the Clock.

(Mr. Deputy Speaker in the Chair.)

ORAL ANSWERS TO QUESTIONS.

REGISTRATION OF FISHERMEN'S SOCIETIES

61—

*981 (1892) Q.—Sri P. Sanyasi Rao (Visakapatnam):— Will hon. the Deputy Chief Minister be pleased to state:

(a) whether there is a stipulation that Fishermen's Societies should not be registered unless there are 100 members and a share capital of Rs. 1000 whereas according to the Andhra Pradesh Cooperative Societies Act, 1964 a Society can be registered with 11 members;

(b) if so, whether it is legal to lay down a condition which is not supported by the provisions of the Act; and

(c) whether steps will be taken to remove the stipulation?

The Minister for Agriculture deputised the Deputy Chief Minister (Sri Kakani Venkataratnam):—

(a) & (b):— Though the minimum number of members required for the formation of a Cooperative Society is 10; the Registrar of Cooperative Societies is not bound to register such a society, unless he is satisfied under section 7 (1) C of the Act that it would be economically sound.

In stipulating a higher number of members and a larger share capital, the Director of Fisheries, as Registrar of Cooperative Societies, was solely guided by the viability of Primary Cooperatives Societies, after a careful study of the economics of the trade and as recommended by a team of Government of India Officers.
(c) So long as the Director of Fisheries is satisfied with the viability of a society, he will not insist of the number on members being above the statutory minimum, provided that all eligible fishermen are given representation on the society.

1286 22nd July, 1971 Oral Answers to Questions

Sri P. V. Narasimha Rao:— There is no grant-in-aid. We have given them uniformly some adhoc assistance in the first year.

Sri G. Sivaiah:— Sir, he has started many Junior Colleges in the rural areas whereas the Colleges have not been well-equipped with scientific equipment. Is there any proposal before the Government to give them scientific equipment?

Sri P. V. Narasimha Rao:— So far as the equipment is concerned, there is absolutely no distinction between rural and urban Junior colleges. On an uniform scale scientific equipment has been supplied to all the Colleges whether in cities or mufassil. It so happened that some equipment was already with some colleges because they were Higher Secondary schools. But so far as the Junior Colleges are concerned, there is absolutely no distinction between the rural and urban colleges. On uniform scale it has been supplied to all the Colleges.

The recommendations of the Committee are awaited.
There will be no difficulty. There will be no arrears so far as 1971-72 is concerned.

Sri G. Sivaiah (Puttur) :— The Hon'ble Minister has stated that dues are there for different years. Now in these elementary schools affairs, the Government is paying all the grants in the rural areas. The grants are withheld from different Municipalities containing the elementary schools. Therefore what policy you are going to adopt ?

Sri P. V. Narasimha Rao :— There are different types of schools in Municipalities on different rates. For instance schools started before 1965-66 will get 50% of the grant. Schools started after 1966 will get 100%. Schools started before 1921 are given grants according to the old Madras rates. So there are many types. After we receive the report of the High Power Committee we will be in a position to suggest a uniform method and only then we can take decisions.

Smt. J. Iswari Bai:— What is the position in Telangana?

Sri P. V. Narasimharao :— In each case what has happened I cannot say.

Sri Vavilal Gopalakrishnaiah :— I can give a catalogue of cases.
Srī G. Venkata Reddy:— There are a large number of complaints regarding the transfers etc. Is there any proposal to have a separate Directorate for elementary education?

Srī P. V. Narasimha Rao:— This is a long story of single teacher schools. There are 20,000 schools in the state. It will take another 10 years to convert them into multiple teacher schools under a phased programme year after year and fitted to the educational plan. We are trying our best to convert them.

Srī Pragada Kothiah:— Close down if you are interested in education. You have either to close down or convert them. There is no point in continuing them.
Sri P. V. Narasimha Rao:— I don't remember how many were drawn up for 1970-71. But hundreds are given extra teachers. I cannot say the exact number.

(b) if so, whether details of this scheme will be placed on
the Table of the House;

(c) what is the amount of financial assistance promised this

Mr. Deputy Speaker: Time Questions and Answers is over.

(At this stage, many Members were on their legs asking for calling their questions)

Mr. Deputy Speaker: There are some members who requested me to call their questions. There are five or six such Members; now we have taken one hour to answer 5 or 6 questions. As we have done previously, the questions of those Members that asked their questions to be called, will be called and the Minister concerned will read the answer and supplementaries will not be allowed. Otherwise, it will take more time and afterwards there are adjournment motions and other business.

Some hon Members: One or two supplementaries may be allowed.

Mr. Deputy Speaker: If Members are satisfied with one supplementary, I have no objection; the Member who puts the question will be allowed to ask one supplementary.

Sri C. V. K. Rao: This is a mechanical way of doing things. It may be an important question and by this method the purpose of asking the question will be defeated. It is your discretion just to give time.

Mr. Deputy Speaker: Otherwise we will follow the rules After the Question-Hour nothing is answered.

Sri C. V. K. Rao: As a matter of fact, you are not permitting every one who wants to put a supplementary.

Mr. Deputy Speaker: With the permission of the House only, we are doing it.

IRREGULARITIES IN NARKETPALLI BUS DEPOT

71—

* 1625 (2395-P.)Q—Sri N. Raghava Reddy (Nakrekal):— Will the hon. Minister for Transport be pleased to state;

(a) whether the Government will take steps to prevent the irregular running, cancellations and breakdown of the buses from the Narketpalli Bus Depot in Nalgonda District;

(c) the steps taken by the Government on the Memorandum submitted by Sri Raghava Reddy, M. L. A., to the hon. Minister for Transport in the month of December, 1970 with a request to set right the bad conditions of the said bus Depot?

The Minister for Transport (Dr. M.N. Laxminarayya):

(a) Certain number of trips were delayed or cancelled as given in the statement placed on the Table of the House during the period February 1971, May 1971 in Karketapalli Depot, mainly on account of the following reasons:

(i) Absenteeism among crew.

(ii) Unexpected and unanticipated break-downs of vehicles enroute.

(iii) Non-availability of vehicles owing to heavy repairs.

(iv) Accidents,

(v) Preplanned cancellations owing to poor traffic at slack hours.

Action has been taken to reduce delays and cancellations of trips to the barest minimum.

(b) Yes Sir. A statement is placed on the Table of the House.

(c) The memorandum given by the Honourable Member in the month of December, 1970, related to the transfer of four Conductors (Sarvasri Shaik Madar; G. Gopala Reddy; S. Laxmareddy and G. Sattaiabh) to others Divisions by the Corporation as being unjust but does not relate to the conditions of the Narketpalli Depot required to be set right. However, regarding the bad conditions of Narketpalli Depot, steps have been taken to improve the efficiency of operations and also the conditions of the buses in the Depot.

However the recommendations
of the Bhargava Committee report accepted by Government of India and this Government have superseded these and these are now in force.

INCREASE OF ELECTRICITY CHARGES ON AGRICULTURAL CONSUMPTION

77—

* 503 (552) Q.— Sarvesri T. C. Rajan, S, Vemayya :— Will the hon. Minister for Power be pleased to state :

(a) whether there is any proposal, with Electricity Board to raise the charges for the electricity consumed by the agriculturists from 12 paise per unit to 15 paise; and

(b) if so, the reasons therefor?

Sri V. Krishnamurthy Naidu :

(a) and (b) The Answer is placed on the Table of the House
Oral Answers to Questions 22nd July, 1971 305—A

THE ANSWER PLACED ON THE TABLE OF THE HOUSE WITH

REFERENCE TO THE L. A. QA. No. 552 (STARRED) (GIVEN
NOTICE OF BY SRI T. C. RAJAN, M. L. A.).

(a) Yes Sir. The Andhra Pradesh State Electricity Board has raised the agricultural tariff from 12 paise to 15 paise per unit with effect from 1-6-1971.

(b) (i) Whereas one L. T. Unit costs about 25 paise at delivery point the rate that was being charged for agricultural load prior to 1-6-1971 was less than half.

(ii) Economic viability is essential before lending institutions are prepared to give money to Board for rural electrification. For example, the Rural electrification Corporation insists on a net return of 3½% at the end of 10 years after completion of the Projects in the case of backward areas and 5 years after completion in the case of other areas. This means that the gross return should be 23½%. Similarly Agricultural Finance Corporation insists on 18% return. However the Board is sanctioning schemes at 12½%, but often even this is not realised.

(iii) The need to discharge statutory obligations under Sec. 59 of the Electricity Supply Act, 1910, that is to say, that the Board shall not as far as practicable carry on its operations under the Act at a loss. According to the objective laid down, the Board has to earn a gross return of 9.5% on the capital. By the enhanced tariff it is estimated that the gross return will be 8.5% for the year 1971-72 and subsequent three years. Thus it would still be short of the objective laid down.

ELECTRICITY SUPPLY TO INDUSTRIAL LIST AND AGRICULTURISTS

78—

* 546 (105) Q — Sri M. Venkatanarayana (Eluru) — Will the hon. Minister for Power be pleased to state:

(a) whether it is a fact that electricity is supplied to industrial undertakings at a lower rate than the rate at which it is being supplied to agricultural consumers;

(b) if so, the rates at which it is being supplied to the agricultural consumers and industrial undertakings; and

(c) the reasons for this disparity?

Sri V. Krishnamorthy Naidu:—

(a), (b) and (c). The Answer is placed on the Table of the House.
Oral Answers to Questions

THE PAPER PLACED ON THE TABLE OF THE HOUSE WITH REFERENCE TO L.A.Q. NO. 1206 (STARRED) GIVEN NOTICE OF BY SHRI M. VENKATANARAYANA M. L. A.

(a) The rate for H. T. industrial consumers is lower than for Agricultural consumers. L. T. Industrial consumers pay at a higher rate than the agricultural consumers.

(b) The details of rates are given in the annexure to this answer.

(c) The tariffs for H. T. supply are less when compared to L. T. tariff as the H. T. supply is at 11 K.V. while L. T. supply is at 415 Volts. The cost of supply at 11 K. V. is less than half the cost of the L. T. end. The cost at H. T. terminal during 1969-70 was 11.4 paise and the cost at L. T. end was 25.7 paise. The difference in costs between the two are due to higher line losses on L. T. side and greater cost of servicing which includes operation, maintenance and billing. In addition to the above, the factors which go into costing are power factor and load factor. The power factor of consumers under alternative concessional tariff is very high whereas the power factor of L. T. agricultural consumers is very low. Low load factors means large and idle investment by the Board and it is deleterious to the system. Thus the disparity exists between consumers coming under alternative tariff and agricultural consumers. Such concessions to bulk users are common in the World over, as there is overall benefit.

64 (1971) Q.— Sri N. Raghava Reddy: — Will the Hon. Minister for Medium Irrigation and flood control be pleased to state:

(a) the quantity of fertilisers lost by the agent societies out of the fertilisers allotted from the Nalgonda District Co-operative Marketing Society, during the years 1968-69 & 1969-70 for want of godown facilities; and

(b) whether steps will be taken to provide loan facilities to the the agent societies in case they take up the construction of godowns?
(b) The District Co-operative Marketing Societies, Nalgonda, has no godowns of its own in villages where it had opened depots. Similarly five societies which lost the stocks of fertilisers except the large sized co-operative society Devarakonda do not have their own godowns for storage. Proposals have already been approved for construction of new godowns at Nidimanoor by the District-Co-operative Marketing Society Nalgonda at a cost of Rs. 25,000 during the year 1969-70. The depot of the District Co-operative Marketing Society, Nalgonda at Mungala has since been closed and the retail distribution was entrusted to the local Multi-purpose Co-operative Society. The remaining 2 societies Peddavoor and Maharakalan have no godowns. No proposals have been received from these societies for any assistance to construct godowns. Therefore financial assistance was not provided by Government for construction of godowns. If these societies come forwards to construct godowns, necessary action will be taken.

CONSTRUCTION OF RAILWAY BRIDGES

26—

490 (485) Q.—Sri D. Venkatesam:— Will Hon. the Deputy Chief Minister be pleased to state:

(a) whether the construction of the 6 Railway under and over bridges programmed for construction during 1970-71 in our State has been started;

(b) what is the total cost of each work and how is the cost apportioned between the Railways and State; and

(c) when the remaining works will be taken up?

(a), (b) and (c)—

Out of 6 Railway under and over bridges programmed for construction during 1970-71, only one bridge at Anakapalli is in progress. The other five bridges will be taken up during 71-72, as per the programme of Railways. The 2 estimates are yet to be prepared by Railways for the bridges at Kuppam and Adoni. The estimated cost for the balance four bridges is as indicated below:

<table>

</tbody>

3. According to the current procedure, the cost of approaches plus bridge proper excluding the land acquisition charges has to be shared by the Railways and the Road authorities in equal proportion. But the Railways have stated that as the over bridges at Samalkota and Tadepalligudem were included in the works programme of Railways for 1961-62 the current procedure of apportionment of the cost is not applicable in these two cases. However the Government of India are being pursued to agree to the current
procedure in respect of old cases also as they were not actually taken up for execution.

Central Sales Tax Act, 1956.
STATEMENT-II.

STATEMENT LAID ON THE TABLE OF THE HOUSE
(VIDE CLAUSE (b) OF L. A. Q. No. 1152 (unstarred
By Sri Badri Vishal Pitti, M. L. A.

A note showing the steps contemplated by the Government
to recover the sales tax arrears.

The collection of taxes is one of the main items of the work
of the Assistant Commercial Tax Officers, Deputy Commercial Tax
Officers and Commercial Tax Officers. Under the Andhra Pradesh
General Sales Tax Act, the sales tax duey (if not paid by the dealers
may be recovered as if they are arrears of land revenue. In cases
where the defaulters possess movable properties, the Departmental
Officers destrain the movable properties, and bring them to sale.
Under Section 17 of the Andhra Pradesh General Sales Tax Act, 1957
the Assessing Authority may by notice in writing require any person
who holds or may subsequently hold for or on account of the dealer
to pay to the Assessing Authority so much of the money as is
sufficient to pay the amount due by the dealer in respect of arrears
of tax. Under this provision where the defaulters have known to
have any bank deposit, etc, the banks could be required to pay the
amounts direct to the Department as a set off against their arrears.

In cases when the defaulters possess immovable properties, the
revenue authorities are addressed for the attachment and sale of the
same. In cases where the defaulters are willfully evading the pay-
ment of tax by resorting to alienation of properties action for civil
arrest under section 48 of the Revenue Recovery Act will also be
proposed.

The courts and appellate authorities will be granting stay of
collection of taxes. In such cases collection of taxes will have to
be stayed, till the disposal of the case. Efforts are, however, made
to move the courts and appellate authorities for vacation of stay or
for quick disposal of the cases.

The arrears will be ordered to be written off where there is
no prospect of recovery by reason of the defaulter not possessing
any movable or immovable properties.
The collection work done by the Assistant Commercial Tax Officers and Deputy Commercial Tax Officers is reviewed by the Commercial Tax Officers. The Deputy Commissioner will review the collection work of the Commercial Tax Officers, Deputy Commercial Tax Officers and Assistant Commercial Tax Officers during the annual inspection of their office. The Commissioner Commercial Taxes reviews current collection work of each officer during the quarterly meeting of Commercial Tax Officers in each division and issues suitable instructions wherever necessary.

A:—

(a) Yes.

(b) The information is not available with the State Government as the applications from the Industrial units for the assistance from Andhra Pradesh will be received by the Industrial Development Bank of India.

ANNOUNCEMENT: re: ADJOURNMENT MOTIONS:

re: RETRENCHMENT OF 500 EMPLOYEES AT SRISAILAM PROJECT. (DISALLOWED)

re: COMPULSORY DONATION FROM STUDENTS SEEKING ADMISSION IN THE DEGREE COURSES. (DISALLOWED)

re: RAIDING OF GUNDALUR. (DISALLOWED)

re: NON-PAYMENT OF SALARIES TO N.G.Os. FOR STRIKE PERIOD. (DISALLOWED)

re: TRANSFER OF N.G.Os. TO DISTANT PLACES.

re: INHUMAN ACTIVITIES OF PAKISTAN GOVERNMENT IN EAST BENGAL.

Mr. Deputy Speaker:— I have received an adjournment motion given notice of by Sri Poola Subbaya, Sri R. Mahananda; Sri Vavilala Gopalakrishnayya, Sri K. Govinda Rao, Sri Md. Rajab Ali, Sri Pragada Kotaiah, Sri Ch. Rajeswara Rao, Sri R. Satya Narayana Raju, Sri C. V. K. Rao and Smt. J. Eswari Bai. It reads thus:
Srisailam Project authorities are retrenching 500 employees who have been working for the last 5 to 10 years at Srisailam and Nagarjunasagar projects, and the retrenchment is taking effect from 21st July 1971, which in its turn impedes the progress of the project. Hence a matter of definite public importance.

Hon. Speaker’s endorsement reads:

‘Disallowed’. ‘Admitted under Rule 73. Call on 26th. Inform the members and the Minister’.

Sri C. V. K. Rao:— If every adjournment motion is converted into a Call-Attention motion, the purpose of the adjournment motion will be lost. In this House for the last one week we have been given quite a few adjournment motions. I would like to have a clarification. Does the Chair want to convert every adjournment motion into a Call-attention motion? If this is done, the entire purpose of the adjournment motion will be lost.

Mr. Deputy Speaker:— Allowing or disallowing an adjournment motion or converting into a call-attention motion is completely in the discretion of the Speaker or the Deputy Speaker or the Chairman.

Sri C. V. K. Rao:— Permit us to express our opinion. According to the Rules, the Speaker can rule out everything. Our request is that there are matters of very urgent public importance and so they should be treated as such.

Mr. Deputy Speaker:— Such of those matters will be looked into and allowed or disallowed on merits.

Mr. Deputy Speaker:— I cannot allow that here. If you want I can draw the attention of the Government to the fact that retrenchment will start from 22nd and that the matter should be considered in the light of the observations made by the hon. Members.

Sri A. Madhavanarao:

"the need to curb the tendency of the affiliated Colleges in the twin Cities and the entire state which are charging compulsory donation of Rs. 200/- to Rs. 500/- besides the

exorbitant tuition fees from each student intending to take admission into the Degree course,"

It has been disallowed and admitted under Rule 73. To be called on 24th.

Mr. Deputy Speaker:— If you so feel, we shall take it in the afternoon. You are leaving station today. We shall have it in the afternoon.

Mr. Deputy Speaker:— The concerned Minister has asked permission that it might not be taken up tomorrow and that he would not be here. We shall take it in the afternoon.

Mr. Deputy Speaker:— There is another motion given notice of by Sri K. Muniswamy about the incident in Vayalapadu in Chittoor District: "... crowd led by Abdul Salam and other Muslims raided the houses of and caused serious injuries to the Harijans of the Village. The Harijans are fear-stricken and the at to life is being continued. A copy of telegram is herewith enclosed.......

It is not known when the raid took place to decide about the urgency and whether it is of recent occurrence. Hence disallowed. Admitted under Rule 73. To be called on 24th.

re:— Non-payment of salaries to N. G. Os. who were on strike.

Mr. Deputy Speaker:— There are two motions given notice of by Sri Mahananda: One is that as a result of the non-payment of salaries, to the N. G. Os. for the period of the strike recently,
feelings of deep frustration have been prevailing among the N.G.Os. and others on account of which they have been causing delay apart from not taking interest in the result that the day-to-day administration has broken down. Therefore, the public are put to loss of money and time. Hence there is need to drive away frustration among the N.G. Os. so that the work of the people is carried out properly. Since there is a one-hour discussion and since it is not a matter of urgent public importance, it is disallowed.

The second one reads:

"While the N.G. Os. and others who have fallen in debt are getting on with great difficulty by pledging their articles including thalies (puste) on account of the non-payment of salaries for the recent strike period, the zilla parishuds and the samithis in the entire State in general and particularly in Ongole Taluk are transferring hundreds of teachers and other staff out of spite, on the plea of general transfers. As a result severe dissatisfaction and perturbation are prevailing among the employees which may lead to serious situation. Hence, there is need to stop such action at least for this year." It is not a matter urgent enough to warrant interruption of the business of the day. Hence disallowed.

Mr. Deputy Speaker:— It has been disallowed. There is notice of adjournment motion given by Sri K. Bhunchirayudu to condemn the inhuman activities carried on by the Pakistan Government in East Bengal. It relates to Central subject and hence it is disallowed.

Sri Y. Venkata Rao (Vemuru):— This is such important matter that 24,000 bags of rice were stored at Bitragunta Railway Station worth about Rs. 18 lakhs.

Mr. Deputy Speaker:— The Civil Supplies Minister is not present in the House.

Sri Y. Venkata Rao.— I have given a call attention notice also. That was disallowed. They are trying to hush up the matter. The rice is moving from Bitragunta to Sulurpet. It may be detained.

Mr. Deputy Speaker:— If it is disallowed, we shall see whether it can be revoked, again.
Point of Information

re: Admission of failed students of P. U. C. etc., into Intermediate.

Sri N. Ramachandra Reddy:— That matter is being hushed up.

Mr. Deputy Speaker:— You can give me in writing. I will see whether I can do anything.

Sri N. Ramachandra Reddy:— Wagon should not be allowed to move first.

Mr. Deputy Speaker:— I do not know. If it is disallowed, I have to reconsider because it is the endorsement of the Speaker I am told. I will consider it again. The Minister is not here. I will send for him. Meanwhile let me go to other subject.

Sri N. Ramachandra Reddy:— It is the joint responsibility. Any Minister can take and give an assurance.

Sri K. Govinda Rao (Anankapalli):— Let the train be first stopped Sir.

Sri N. Ramachandra Reddy:— Already the party has come here.

Mr. Deputy Speaker:— If the Minister for Civil Supplies comes here we will have some discussion on it.

POINT OF INFORMATION

RE: ADMISSION OF FAILED STUDENTS OF P.U.C. ETC., INTO INTERMEDIATE.

Smt. J. Iswari Bai:— I have received two telegrams from Srisailam Project. One is from the President of the N. G. Os., Srisailam Project and the other one is from the Employees Mazdoor Union. The Minister is there.
22nd July 1971,  

Point of Information  
re: Hushing up of a person at Tenali.

Smt. J. Iswari Bai: — You include my name also.
Mr. Deputy Speaker: — All right.
Smt. J. Iswari Bai: — Thank you.

Sri P. V. Narasimha Rao: — We are waiting for the results of the Intermediate and after the results come in we will find out other media-medium other than Telugu and what are the requirements.

RE: EVICTION OF PEOPLE FROM SRIRAMKOTA.

Mr. Deputy Speaker: — Why do you take that advantage now?

Sri K. Mahaswathy: — 200 Muslim families are in the streets.

RE: HUSHING UP OF A PERSON AT TENALI.

What is the nature of disallowing this? Why it has been disallowed when a person has been hushed up by the people and it has not been traced out for the last four months. This is a Call Attention Motion which has been refused on the grounds stating that this is being sent to the Superintendent of Police, Ongole, as if we do not know the Superintendent of Police. What is the remedy for this?
Point of Information:

re: Hushing up of a person at Tenali.

Mr. Deputy Speaker:— You can meet the Speaker, if it is not a discretionary power of the Speaker. I am very sorry, I cannot answer that.

Mr. Deputy Speaker:— All-right. Because it comes from someone, because of some importance he feels, cannot be reopened in the House and that is not the procedure at all.

Sri Pragada Kotaiah:— This is a disgrace to the Member if the Hon. Speaker's Secretariat writes that it is being forwarded to the Superintendent of Police. I know the Superintendent of Police, the D. S. P., their functions, how to represent to them.

Mr. Deputy Speaker:— You cannot reopen that issue, Mr. Kotaiah?

Sri Pragada Kotaiah:— Certainly, Sir. It is a disgrace to the Member if the Secretariat says that it is being sent to the Superintendent of Police.

Mr. Deputy Speaker:— It is to his choice to think any way he likes. I cannot have that practice to reopen it here.

Sri Pragada Kotaiah:— I would like to know from the Hon. Speaker how it was disallowed. What is the remedy for us.

Mr. Deputy Speaker:— The reasons are given there. I cannot answer here.

Sri Pragada Kotaiah:— What is the remedy for this? Three months ago a driver was taken to Hyderabad and he was hushed up by certain smugglers and we have represented to the local authorities. There is no response. We have come here, I have given this as Call Attention and it is upto the Speaker to allow this and ask the Hon. Minister to make a statement on this. There is no point in your saying that your Call Attention Motion is sent to the Superintendent of Police. It is disgrace to the Member, I say. I know the Superintendent of Police, I know the D. S. P. and I know the formalities. I have represented to all the authorities. Because I could not get any response, I have come to the Legislature. I object to this procedure. I do object, Sir. No reasons are stated and some other thing has been disallowed like that. I will refer to it again.
Point of Information
re: Hushing up of a person at Tenali.

Mr. Deputy Speaker:— I cannot allow such things to go on.

Sri N. Ramachandra Reddy:— I am raising a point of order, Sir.

Mr. Deputy Speaker:— What he says is, if a Call Attention is refused, 'I will call for the objections'. Is it the procedure?

Sri Pragada Kotaiah:— There is another Call Attention on another subject where we could not get relief locally and you have rejected this. No reasons have been given. Perhaps your office might have been in a hurry in sending rejections.

Sri N. Ramachandra Reddy:— When any Member gives a notice under some Section, the Chair is competent to rule it out giving reasons. I am not disputing that. But to say that this will be referred to the Superintendent of Police or so; this has not been the practice and it is against the tradition and against the rules. My request you that this procedure may kindly be stopped and whenever a motion is given, you have got the right to reject it.

Mr. Deputy Speaker:— That is what I wanted to know. That right, you cannot take out in the House and say ...

Sri N. Ramachandra Reddy:— At the same time, it is rather unfortunate to say that this is being referred to the Superintendent of Police for enquiry from the Secretariat of the Legislature is most unfortunate in this regard.

Mr. Deputy Speaker:— I can understand that reasons should be stated and the Member should be informed of the reason if it is not allowed. But you cannot question the right of rejection and other things.

Sri N. Ramachandra Reddy:— But referring it to the Superintendent of Police from the Legislature is not proper.

Sri Pragada Kotaiah:— I strongly protest against the decision taken by your office. I know the S. P., I know the D. S. P. and I know the formalities. Because I could not get any relief there, I have come here. You cannot say that this has been passed on to the Superintendent of Police.

Mr. Deputy Speaker:— I know your feelings but this is not the procedure.
Point of Information: 22nd July 1971, 381

re: Stoppage of wagons at Bitragunta.

Mr. Deputy Speaker:— We will bring a way out. Just listen to me. If such things have been disallowed and if a Member still feels he could come and convince the Speaker or the Chair, I think he can come and speak to the Chair and then and there it could be solved instead of deviation in the procedure.

Sri G. Latchanna: He is not asking for revision of procedure, Sir.

Mr. Deputy Speaker: - He has an opportunity to come and speak to the Speaker.

Sri Pragada Kotaiah:— I can come to you and speak, Sir. That is quite different. But here you have stated a copy of the notice may be forwarded to the Superintendent of Police. What is this? Is it not a disgrace to the Member?

Mr. Deputy Speaker:— I will have to look into it. Off-hand I cannot say anything. I cannot give any observation off-hand. I will look into it and then let us come to a solution.

re. STOPPAGE OF WAGONS AT BITRAGUNTA.
382  22nd July 1971,

Point of Information
re: Stoppage of wagons
at Bitragunta.

Sri C. V. K. Rao: — The Minister has said that he has no
information and that he will get the necessary information, Sir.
(The Minister rose to speak)

Mr. Deputy Speaker: — Mr. Rao, he is going to answer
again.

Sri C. V. K. Rao: — He has already said, that he has no in-
formation, and he wants to get the information. My submission is
that he has got full information. Not only that, the owners of these
bags are with him, I am going to put before you. Therefore, let him
not escape this way like this. Let him state the facts as they are.
What action to be taken has to be announced. Let the wagons be
stopped first and foremost. Let him try and stop the wagons.

Mr. Deputy Speaker: — This has been already brought to his
notice, Mr. Rao.

Sri C. V. K. Rao: — He says he has no information, as though
we are talking about moon. A thing not in his purview.

(Many members rose up)

Sri A. Sanjeeva Reddy: — I have no information.

Sri N. Ramachandra Reddy: — Instructions may be issued
to stop the wagons.

(Many interruptions)

Mr. Deputy Speaker: — On the face of it he has stated that
there is no information.

Sri C. V. K. Rao: — I am telling you that he is discussing
with the parties concerned outside. That is the position.
Point of Information:

re: Stoppage of wagons
at Bitragunta.

Whichever it is whether the minister is prepared to stop the wagons immediately. Let us look there after, at a later stage.

Mr. Deputy Speaker:— Will you agree with him.

Sri A. Sanjeeva Reddy:— Why should I interfere with the regular routine affairs, Sir.

Sri N. Ramachandra Reddy:— How can the Collector issue permits without verification of the stocks. These are inter-related problems.

Sri A. Sanjeeva Reddy:— If the members want, I will get the information.

Sri N. Ramachandra Reddy:— About the stoppage of wagons, instructions may be given. An assurance should be given.

Sri A. Sanjeeva Reddy:— I rely on the Vigilance Department.

Sri N. Ramachandra Reddy:— What is the wrong in taking precautions? Instructions should be issued to stop the wagons immediately.

Sri A. Sanjeeva Reddy:— Have you got the information?

Sri C. V. K. Rao:— This is our demand that the goods should be seized immediately.
384 22nd July 1971,  

**Point of Information**  
re: Stoppage of Wagons at Britragunta

Sri C. V. K. Rao:— We are asking to seize.

(Many interruptions)

Sri K. Govinda Rao:— I crave your indulgence, Sir. I don’t know that kind of difficulty he has.

Mr. Deputy Speaker:— Let us hear.

Sri Pragada Kotaiah:— What is the harm if he stops the wagons.

(Many interruptions)

Mr. Deputy Speaker:— How can I now proceed, tell me. I know your anxiety.
Point of Information

22nd July, 1971

Stoppage of Wagons at Bitragunta.

Mr. Deputy Speaker:— You are often rising. You have known the anxiety of the members that there is something in it. So something in it should be looked into after stopping the wagons.

Sri A. Sanjeeva Reddy:— I have confidence in the Vigilance Cell. Let the law takes its own course.

Sri R. Satyanarayana Raju:— No (Inaudible)

Sri C. V. K. Rao:— It is not a question whether the Minister has confidence in the Vigilance Cell or not. The Minister knows pretty well that these goods are on transit; he read it; and we ask him to seize them; you please seize them.

Sri A. Sanjeeva Reddy:— If the Members want, I will get the information tomorrow or before the session closes.

(At this stage, many members in the Opposition were on their legs)

Sri G. Latchanna:— The wagons should be stopped.

Sri N. Ramachandra Reddy:— This is a matter of public importance and is has been raised in the interests of the general public. Evasive answer is being given, not only vague, but deliberate......

Sri Pragada Kotaiah:— You stop the wagons there.
Point of Information
Stoppage of Wagons
at Britragunta.

Mr. Deputy Speaker:— I will have to examine it. If it is there, I can translate your anxiety. I will have to know whether I can do it.

Sri C. V. K. Rao — The Minister has read the press reports that the wagons were moving, and to that extent it is correct. What we are demanding is that he should seize those wagons of rice immediately. There is no question of getting information. It is not a question whether he has belief in his Vigilance Cell or not. He should first stop the wagons and take hold of the goods.

Mr. Deputy Speaker:— Let us close the subject and go to the next item.

Mr. Deputy Speaker:— I will find out whether I have that authority. I have understood your feelings and sentiments.
Sri Kona Prabhakara Rao:— The Minister has said that he has got confidence in the Vigilance Cell and law will take its course. He has not committed himself. He will have to commit. In the interests of the State, he has got to commit; he cannot give evasive answer. This is a problem affecting the people.

Mr. Deputy Speaker:— He has not committed himself.

Sri Kona Prabhakara Rao:— He will have to commit.

Sri Pragada Kotaiah:— In the interests of the State, he has got to commit; he cannot give evasive answer. This is a problem affecting the people.

Sri A. Sanjeeva Reddy:— Before 1-30 p.m. today.

Mr. Deputy Speaker:— You please instruct them to stop the wagons.

Sri A. Sanjeeva Reddy:— Before 1-30 p.m. today I will get the information. Without information, what guarantee can I give?

Mr. Deputy Speaker:— You are doing something; you are prepared to get information by 1-30.

Sri A. Sanjeeva Reddy:— I will get information before 1-30. What is the hurry. Without information, what direction can I give?

Sri G. Latchanna:— (Interruption from the Minister Sri G. Sanjeeva Reddy) You have no business to speak.

Sri G. Sanjeeva Reddy:— I have got equal right to know what is going on in the House. He has no right to obstruct; I must know what is going on in the House I am also a Member. I must try to understand.

Mr. Deputy Speaker:— I request the Members not to cast aspersions. Let us forget all this; let us solve the problem;
(Some Members rose to speak) When I am on legs, the Members should not rise.

(At this stage, the Minister Sri A. Sanjeeva Reddy was seen conversing with the Deputy Speaker)

Sri N. Ramachandra Reddy:— Is it advisable to have private talks when the House is in session. It is better to adjourn the House.

Sri C.V.K. Rao:— What is the Minister talking about, Sir. He can as well speak to the House straight.

(At this stage the hon. Minister for Civil Supplies was seen conversing with the Deputy Speaker)

Sri N. Ramachandra Reddy:— We would like to know what has transpired just now between you and the hon. Minister. We are in the House. Where is the necessity to have talk there? Is it desirable? The House is seized of the matter.

Mr. Deputy Speaker:— Does it stop him from coming over here? The House will be informed. What he says is before 1-30 he will seek information and he hopes that the wagons will be in the same position as they are.

Sri C.V.K. Rao:— He must give instructions. It is not a question of hoping.

Mr. Deputy Speaker:— There is difference between 'may' and 'shall'. There is strength in the word 'hopes'. He hopes that the wagons will be in the same position as they are. (INTERRUPTIONS) Whether he should give instructions to the Railways or not is a thing which he has to study. (A VOICE: Why not)? He hopes that the position of wagons will be as it is just now and before 1-30 p.m. he will get the information. You will have every opportunity at 1-30 p.m. when the information is brought before you to re-open this again. Within 1½ hours, you will get the information. (INTERRUPTION: What all is going to happen within this time?) After getting the information, he will be in a position to make any commitment.

Sri Pragada Kotaiah:— He must stop the wagons.

Mr. Deputy Speaker:— After getting the information, he will take action.

Sri C.V.K. Rao:— If anything happens to the wagons, he will be solely responsible for it. Let him assure the House that he will give instructions.
Mr. Deputy Speaker: — He is going to assure the House after the information is sought. Without information, he does not want to commit himself.

Sri C.V.K. Rao:— What are there in the wagons? By then will there be goods in the wagons or not?

Sri G. Lachanna:— Will you assure the House that the wagons will not move from that place?

Mr. Deputy Speaker: — How can the Speaker give such a directive?

Sri G. Lachanna: — The Speaker has got every right to give a directive.

Mr. Deputy Speaker: — Unless I have the authority, I cannot do it.

Sri G. Lachanna: — You have got the power.

Sri C.V.K. Rao: — You have got the power to instruct the Minister that he should instruct the movement of the wagons should be stopped.)

Mr. Deputy Speaker: — Let us take this up at 1-30 p.m. (Several members rose.

Sri K. Govinda Rao: — Supposing, the train is moving now, what will happen?

Mr. Deputy Speaker: — If the train has not already moved.

Sri C.V.K. Rao: — Perhaps, he may say that the train has already moved and there are no goods or the wagons are empty.

Mr. Deputy Speaker: — By 1-30 you will have another opportunity again.

Sri C.V.K. Rao: — We thank you. It is not a question of having an opportunity to speak. You must instruct the Minister. You please tell the Minister that he has got to instruct to stop the wagons.
Point of Information
re: Stoppage of wagons at Bitragunta.

Mr. Deputy Speaker:—He is getting the information by 1-30 and we will take a decision at 1-30.

Sri A Sanjeeva Reddy:—If you don’t leave me now, I am afraid, I may not be able to secure the information even by 1-30.

Sri C.V.K. Rao:—What we are asking is to give instructions to stop those wagons. Let it be very clear.

Sri K. Achutha Reddy (Kodangal):—The hon. Minister says that the law will take its own course. We say the law is being twisted and violated. If there is even suspicion that it is being twisted or violated, is it not the duty of the Minister as the supreme authority of this State to protect the public?

Mr. Deputy Speaker:—This is what he is saying: “By 1-30 I will be again with you: you can discuss that.”

Sri C.V.K. Rao:—The specific point is: is he going to stop those wagons or not. That is all we would like to know.

Mr. Deputy Speaker:—We will go to the next item.

Several Hon. Members:—No, no Sir. Let this item be disposed of.

Mr. Deputy Speaker:—I cannot help. By 1-30 p.m. we will discuss again.
Point of Information: 22nd July, 1971

re: Stoppage of wagons at Bitragunta.

Mr. Deputy Speaker:— The Minister is not committing himself. At 1.30 P.M. we will have this point again, when we can hear the Minister.

Mr. Deputy Speaker: — The only thing is we will have this at 1.30 P.M. Nothing is lost by then. Meanwhile, let him get the information.

Sri Ch. Rajeswara Rao:— Between now and 1.30 what will happen and what is lost? Let us take up this matter again at 1.30 P.M.

Sri Ch. Rajeswara Rao:— If there are any suspicious circumstances or doubtful circumstances, then immediately he can ask them to stop whatever.

Mr. Deputy Speaker: — How can I give a directive to the Government. The only thing is, you can seek information. I can only say, if there is any such maladministration, you can take action.
22nd July, 1971.

Sri A. Bhagavantara Rao :— I beg to move that leave be granted to introduce the Andhra Pradesh Essential Services Maintenance Bill, 1971.

Mr. Deputy Speaker :— Personally I am seized of the matter just now. I do not know the pros and cons. I have known from the members that there is some anxiety on the part of the members that rice is being imported.

Sri Ch. Rajeswara Rao :- If there is any violation of law, if there is any suspicion that law is being violated, ask them to stop immediately.

Mr. Deputy Speaker :— All that I can say is the Minister should take note of the anxiety of the members and see that the wagons are there in the same position as it exists now. I wish Government will make a note of the anxiety of the members. The Minister is not here. I will communicate this to him.

Sir, I beg to lay on the Table of the House the copies of the oral evidence and written representation recorded by the Joint Select Committee on the Andhra Pradesh Industrial Relations Commission Bill, 1970 (Volumes I to V).

Mr. Deputy Speaker :— Report presented.

GOVERNMENT BILLS

Sri A. Bhagavantara Rao :- I beg to move that leave be granted to introduce the Andhra Pradesh Essential Services Maintenance Bill, 1971.

Mr. Deputy Speaker :— Motion moved. (Pause)

The question is :

"That leave be granted to introduce the Andhra Pradesh Essential Services Maintenance Bill, 1971."

Sri C. V. K. Rao :— Under Rule 96 of the Rules, I oppose this motion for leave to introduce the Bill.

Mr. Deputy Speaker :— You have got the right to oppose. But the House has developed a convention not to oppose at this stage. You can oppose the Bill when it comes for general discussion.

Sri C. V. K. Rao :— The Ordinance is coming as a Bill. It is a black Bill. It did enormous mischief. I have the right to oppose even at the stage of motion for leave to introduce the Bill.

Mr. Deputy Speaker :— Whether it is a Government Bill, or a private Member's Bill, the Convention has been established that members do not oppose at the stage of introduction.

Sri C. V. K. Rao :— When I insist on the rule, the rule must have precedence over the convention. Under Rule 96 the motion for leave to introduce is opposed.

Sri Vavilala Gopalakrishnayya :— We want that our opposition should be recorded. That is why we are opposing.

Mr. Deputy Speaker :— When it comes for consideration, you have got every right to oppose.

Sri C. V. K. Rao :— On a point of order, Sir. May I submit there is no room whatsoever for debate. Under Rule 96 when leave to introduce a Bill is opposed, the member who is moving the Bill has got to speak and then reasons for the opposition will be given.

Sri M. Madick Rao :— I have given two beautiful motions: one about Tirupathi Minister, and the other about lottery Minister.
22nd July, 1971,

Mr. Deputy Speaker :— Let us first decide about the motion for leave to introduce the Bill.

Sri M. Manick Rao :— Yesterday, you said you would give your ruling about the Warangal affair.

Mr. Deputy Speaker :— I had no time yesterday even to call for papers. Today also I have no time. Tomorrow we shall see.

The course left for me is to put it to vote.

Sri Pragada Kotaiah :— The Minister will have to reply first.

Mr. Deputy Speaker :— Not at this stage.

Sri C. V. K. Rao :— It should be at the very stage when he seeks leave to introduce the Bill. I shall read out Rule 96 for clarification.

"If a motion for leave to introduce a Bill is opposed, the Speaker, after permitting, if he thinks fit, a brief explanatory statement from the member who moves and from the member who opposes the motion, may, without further debate, put the motion........"

Mr. Deputy Speaker :— "......if he thinks fit"

Sri C. V. K. Rao :— The right to oppose is there.

Mr. Deputy Speaker :— Your right is recognised, but now I do not think it is necessary to call for the Minister's reply.

Sri C. V. K. Rao :— This is the blackest bill.

Mr. Deputy Speaker :— It may be so. But at the time of consideration you will have an opportunity again to speak on it........

Smt. B. Sarojini Pullareddy :— It is not mandatory, Sir, it is obligatory.

Motion on address by the Governor.
The present Constitution which is well written by taking into consideration all the Constitutions of various countries in the world, will have to suit our country’s demand and people’s demand. Therefore it has to be re-written. That is my first demand, Sir.

As per the conditions prevalent in the country, as per the conditions of the society and the people at large, we must make it necessary to see that the Constitution is re-written again to suit the needs of the people at present.

Secondly, the Bangla Desh issue is there which is turning every human being in the world. But what is that we can do in this matter? I feel that the Government of India has found it not convenient to recognise Bangla Desh immediately. We could have solved this problem by this time had we recognised it previously. But the Government of India says there are number of complications.
but I feel strategically also, if the Government of India had at least taken steps to concentrate militarily the Punjab borders, things would have been different.

But the Pakistan Government would have gone back. By the influx of the Bangla Desh people in lakhs and crores, the country's economy will definitely be threatened and we are going to face a number of complications. Our population has to face it. By all these mistakes we have to face the situation squarely. The people and the State Governments have to meet the situation. But Tamil Nadu is refusing the refugees. How to solve this problem is the question. All the States in the country must co-operate with the Central Government and see that the problem is solved.

I would like to mention regarding the Telangana development. We have taken the firm stand that the backwardness should be removed from the Telangana Region. The steps taken by the Government to remove this poverty and backwardness, many may deny. But the Government of Andhra Pradesh has rightly and undoubtedly settled the issue by allotting funds at least on population basis without any difficulty to other backward regions, 10% of the Development Fund earmarked. My Hon'ble Friend, Mr. Purushotham Rao stated that eight-point programme was not appreciated by the Prime Minister. It is appreciated by the Prime Minister. Eight-point programme is the only solution to solve the backwardness of the country at large and also a part of it. It is not by mere separation or by separation of the Telugu-speaking people into two parts. The people are not very much eager to have a separate government. But they want that the backward area must be developed. These are the problems facing the Telangana people, not the separation.

Regarding the Fourth Five Year Plan, I would like to submit that we have to think that why the Government of India could not settle so far the final outlay of the Fourth Five Year Plan. This has to be taken into consideration as our own scheme whether it is to the tune of Rs 80 crores or 40 or 50 crores. We must also give top priority for such schemes. Therefore we must ask the Government of India to immediately finalise the Fourth Five year Plan and these schemes must be given preference. The prices are spiralling. We are imposing taxes. On every aspect the Government of India must see that the prices should not increase. If you impose 1% tax on the private industry, or the business people, it is resulting on our economy. Unless we control this type of prices, there is no end. The prices are spiralling by creating artificial scarcity and the Government are more or less keeping quiet. In those circumstances, we cannot solve this problem. I am requesting the Government of
Motion on address by the Governor. 22nd July, 1971

India or the State Government to see how to control these prices. By increasing the taxation there is 20% increase in the commodities and they are going on and on. So far as the State Government is concerned it is a matter of great concern so far as the prices are concerned. What is the reason for all these troubles? The Government has given some concession to the Rice Millers to save them from difficulties. With the broken rice permit, they are exporting and earning large profits. We have to enquire into this matter. Akkutu variety rice has gone up to Rs 56/- to 58 whereas it was only Rs. 40/- previously or in the past years. If you allow to export rice to other States, our problems will increase and the prices will go up. So the Government must take serious action on those people who are exporting. Two days back the Government issued instructions not to give permits to rice from West Godavari and Krishna Districts. So far as other districts are concerned, why don't you impose this ban?

Regarding development activities are concerned, drainage schemes are coming up everywhere. It is a good thing. But regarding Chiraala Taluk area we were affected by the cyclone in 1949. For the drains they estimated 2½ crores of rupees in Krishna Delta with reference to Chiraala Drain scheme. It is quite inadequate and now it has gone to Rs. 873.92 lakhs. So in one year there is a revision of Rs. 532.26 lakhs i.e., Rs. 5,32,20,000/-.

Sri C. Venkata Reddy:— I am not the person to oppose the taxes or the steps regarding the developmental activities. What I am asking is why there should be discrimination. Let the Government examine and take steps to vacate the stay of the High Court. That is my first grievance. There are big landlords having 50 acres or 100 acres who went to court for stay and obtained stay. What about the poor men? There should not be any discrimination between them. So far as drainage affairs are concerned, they should allot more funds. I request that necessary action also be taken where
the revised estimates have gone from 2 crores to 8 crores. Firstly they have to provide houses to the poor and the employees. What are the steps the Government had taken? In all other States in the country the first step that was taken is to provide houses for Harijans and Girijans. Our State is the first of its kind in our country in this aspect. We are appreciating the Chief Minister for providing facilities to the weaker sections and the backward classes and.

देववान्ना के सिलसिले में जो बादल बला उस में २६ हजार आदमियों को सजा हुई। आज की परिस्थिति में जवाब कोई यह समझता है कि इस के बारे में गड़बड़ नहीं हैं। क्योंकि लोगों के मन में को भावना है वह मर नहीं सकती। एकता के संयोजन के कहा जाता है। लेकिन आप को मालूम होगा कि अमेरिका में न्यूयॉर्क स्टेट में न्यूयॉर्क शहर भो अमेरिका का ५१वीं राज्य बनना चाहता है। इस बातों से बांस नहीं बन चलना चाहिए। तूफानकार्यक्रम जो रखा गया हैं वह काफी नहीं हैं। इस पर भी वहां तक अपल हुआ किस तरह अपल हुआ, माईमंडिंग मिनिस्टर ने तीन मिट्टियाँ दुकाना बा उद में क्या हुआ। यह साधारण आबादी की पता नहीं। प्रभावत किस तरह काम करता है। इस से स्पष्ट होता है।

कार कारानों के बारे में इतना ही बड़ी कर्म चाहिए हूं कि विश्वासपत्रमू में तो है का कार्याना पर रामगुजर में कोलेज बॉवल जग्गा आज। पर इस तरह खोल लेने से उच्चतर विकास संबंध नहीं। इस के लिए तो वार फूटिंग पर काम होकर चाहिए। पांडुरंग प्रदेश के राय से नये मुकाबले में हर दृष्टि से पिछड़ा हुआ है। विजयी की बेहतर, प्रति व्यक्ति आप दृष्टि से पीछे हैं। लेकिन इस के लिए कारानों के विकास के बारे में नहीं खोजा जाता।
विश्वासों के बारे में भी यह बतलाना चाहिए है कि सरकार कितनी प्रतिक्रियाशील है। यह कहती कुछ है और करती कुछ है। इसकी एक विश्वास यह है कि 68, 69 अंशों के दैनिक पत्रों को 245,000 के विश्वास दिये हैं। और यह 66, 70 में दो मुद्दों से ज्यादा वाली 526,000 के हो जाते हैं। लेकिन 65, 69 में तेलुगु पत्रों को 207,000 के विश्वास लिए जाते हैं तो 69, 70 में यह 162,000 के वाली 15 हजार कम हो जाते हैं। हमारे विचारों और सरकार के सब ही लोग कहते हैं कि तेलुगु का विकास किया जा रहा है लेकिन अभी इसके किरदार हैं।

प्रदेश के बारे में इतना ही कहना चाहिए है कि यह हमारे प्रभावी के लिए बहुत ही बतर्कार बीमा है। समाजवाद की तो होट बीकीमे उसकी बारह नहीं कहकर यह उदाहरण रचना बाहर हैं कि इंडियान राष्ट्र स्वामी के तहत अभिज्ञान के चुनाव के चिकित्सक में चुनाव के बलत पर. आर. टी. के 91500 और टी. आर. टी. के 50 बहुनाल चुनाव है ठीक पहले दे दिए गए ताकि यह लोग उसको बोल दे। यह छायापरवेश के आयार पर चुनाव के नवाब पर दिए गए। जहाँ अब वालों के बारे में उन्होंने बीमा बिक्री है जिन के बारे में विश्वास और नवाब पर वस्त्र में कहूँगा लेकिन अब में इतना ही कहूँगा कि यह विषम परिस्थिति प्रभावी के लिए बहुत बतर्कार हैं। समाजवाद की बात तो छोटे बीमा है। चुनाव प्रणा में सरकार के आय पर हम ध्यान न देंगे तो प्रभावी और समाजवाद की बातें बेकार हों जाएँगी।

The dismemberment or break-up of a State is not the solution of such problems. In fact, it may well handicap rapid progress. Any talk of separate Statehood of Telangana is fraught with grave consequences and needs to be discouraged with all the emphasis at our command. On 1965, the desegregation of States was met with opposition. The States were not considered as the solution to such problems. In fact, it may well handicap rapid progress. Any talk of separate Statehood of Telangana is fraught with grave consequences and needs to be discouraged with all the emphasis at our command.

ADJOURNMENT MOTION
re: RESERVATION OF SEATS TO BACKWARD CLASSES IN THE MEDICAL COLLEGES.

Mr. Deputy Speaker:—Shall we take up the Adjournment Motion as desired earlier? Then, Sri G. Latchanna and Sri Pragada Kotaiah have given notice of the following Adjournment Motion:

"The serious situation that has arisen on account of the refusal of the Supreme Court to grant stay of the Judgment of the Andhra Pradesh High Court quashing the Government Order dated 2^rd September 1970 specifying certain classes as being socially and educationally backward in the State for purposes of reservation of 20 per cent of the seats in the First Year Integrated M.B.B.S. Course in the Government Medical Colleges in the State."

Regarding admissibility you must deal with.

Sri G. Latchanna:—The rule 62 says that ‘subject to the provisions, the motion for an adjournment of the business of the Assembly for the purpose of discussing a definite matter 1......’ This is a definite matter. And a matter of ‘urgent public importance’. Sri T. V. Raghavulu:— I am sorry that the constitutionality or otherwise of the G. O. itself is questioned.

Sri C.V.K. Rao:— Under Rule 339 (2), a point of Order cannot become a matter of debate.

Adjournment Motion:

22nd July, 1971

Reservation of seats to Backward classes to the Medical College.

Because they are in a hurry to provide seats for the writ petitioners including 39 backward class students who have already been selected.

The General G O. was not struck down, though that portion of the backward class provision was struck down. Therefore, the Government must select the names on merit basis and provide the students including backward classes. But that is not being done.
Adjournment Motion:

re: Reservation of seats to Backward classes to the Medical Colleges.

Mr. Deputy Speaker:— Is there any other method?

Mr. Deputy Speaker:— And why not one?

Mr. M. M. Reddy:— One method

Mr. Deputy Speaker:— Does any member wish to move?

Mr. M. M. Reddy:— I move adjournment.
Adjournment Motion: 22nd July, 1971.

re: Reservation of seats to Backward classes in the Medical Colleges.

The Minister for Health and Medical (Sri Mohammed Ibrahim Ali Ansari):— Sir, the Government of Andhra Pradesh in G.O.No. 1793 dated 23-9-70 provided certain facilities for the advancement of the socially and educationally backward classes enumerated in that G.O., which was based on the recommendation of the Report of the Backward classes Commission appointed by the Government. According to the provision of the G.O., 25 per cent of the seats in the First Year course of M. B. B. S. in the various medical colleges in Andhra Pradesh were to be reserved for socially and educationally backward classes enumerated in the said G.O. Some of the students who applied for admission to the M. B. B. S. course challenged the provision of this G.O. in the Andhra Pradesh High Court in various writ petitions and the High Court of Andhra Pradesh was pleased to reserve seats for each of the writ petitioners pending decision on the writ petition filed by them; the Andhra Pradesh High Court in their judgment No. 221 dated 13-5-1971 upheld the contention of the petitioners and struck down the provision of G.O. No. 1793 dated 23-9-1970 and directed that the petitioners who have come before the High Court should be admitted to the M. B. B. S. course. Aggrieved by the decision of the High Court, the State Government preferred these writ petitions to the High Court for granting leave of appeal to the Supreme Court against the judgment and order of the High Court and praying for interim stay of the direction by the High Court to admit the writ petitioner. The High Court, however, refused to grant leave and also stay of the direction already issued to admit the writ petitioner. The Government approached the Supreme Court for grant of special leave to appeal against the judgment of the AP High Court and stay of the direction to admit the writ petitioner. The leave petition came up for consideration before the Supreme Court on 19th July, 1971, and the Supreme Court was pleased to grant leave of appeal against the judgment of the High Court. However, the Supreme Court did not agree to stay the direction of the High Court to admit the writ petitioners forthwith. In accordance with the decision of the Supreme Court on writ petition, orders have already been issued to the Director Medical and Health Services
and the Principal, Guntur Medical College, to admit provisionally all the writ petitioners who successfully challenged the provision of GO mentioned earlier in the High Court of AP subject however to the decision of the Supreme Court in the appeals filed by the State Government.

Sri Mohd. Ibrahim Ali Ansari:— I quite agree with what all had been said by the hon. members.

Sri N. Ramachandra Reddy:— If there is any difficulty, why not create some additional 25 seats.

Sri G. Lachanna:— The Government has got full liberty if they have any sincere motive.

Sri N. Ramachandra Reddy:— There are so many medical colleges. Additional seats may be created.

Sri Mohd. Ibrahim Ali Ansari:— I quite agree with what all the hon. members have said. Unfortunately, the directive of the High Court was that all ......

Sri G. Lachanna:— We are not questioning the directive.
Adjournment Motion: 22nd July, 1971

Dr. T. S Murthy:— Some of the students have got more marks.

Mr. Deputy Speaker:— What will the hon. Minister do with those students who have secured more marks than the qualifying students to whom they have given admission.

Sri Mohd. Ibrahim Ali Ansari:— We have gone to the Supreme Court with the very intention saying that once the Backward Class GO was struck down the reservation ought to have been open to all the medical colleges.
436 22nd July, 1971 Motion on address by the Governor.

Sri G. Lachanna:— Let him say that he will consider it favourably.

Mr. Deputy Speaker:— That has to go to the Cabinet.

Sri Mohd. Ibrahim Ali Ansari:— It will be considered very favourably.

Sri C. V. K. Rao:— The Government has gone to the Supreme Court not by reason of admitting the boys who got higher marks but because of the lower court decision....

Mr. Deputy Speaker:— Now he has made a statement.

Sri C. V. K. Rao:— There is one wrong point which the Minister has stated which I want to clarify. Is he going to take back those boys who got, according to the list, higher marks.

Mr. Deputy Speaker:— In view of the statement made by the hon. Minister, I feel, there is no need for the adjournment of the House. I disallow it but you will have to consider attaching due importance to the points raised by the members in getting a Cabinet decision for increasing the seats and providing them. That inconvenience should not be caused. That is what I could say.

SMT. B. Sarojini Pulla Reddy (Malakpet):— Sir, he is casting aspersions when the Chief Minister is not there. (INTERUPTION) Is it not wrong? They have to hang their heads in shame—
Sri C. V. K. Rao:— I know the hon. lady. I know how she has won her election. Without a couple of lakhs, she would have been washed off. Let her swear before God. It is only money, capitalism and landlordism: otherwise they have purchased the other side. There is no other way. A day will come—

Sri J. V. Narasinga Rao:— You believe in God?

Sri C. V. K. Rao:— I believe in your God. He will punish you. Therefore, we know, what the elections are. It is nothing new. You may pass over the dead bodies; I concede, but you cannot continue that way for long. A day comes when they have to account. Therefore, the whole issue before us is: should poverty be removed or not. These hypocritical men are only strengthening landlordism and capitalism. What more demonstration should be there when they have trampled upon the fundamental rights of their own employees. They are not bold to establish a just order in their own house. Therefore, I submit the entire beginning of the Session right from the Governor's speech is a falsification. It is a struggle for power which is going on inside this ruling clique itself. I would like to ask them: is it not so? Is it not out of love among yourselves that this kind of ruling junta is there? No. It is for power, it is for profit, it is for strengthening its own class. Can you hide that fact from the people? I want him to answer that.
