EXEMPTION OF BUILT UP AREA FROM LAND REVENUE

527—

2276 Q.—Sri R. ^Mahananda:—Will the Hon. Minister for
Revenue be pleased to state:

Whether there is any proposal before the Government to
exempt the built up area on patta lands from land revenue
assessment?

Sri P. Thimma Reddy
Ans:—No, Sir

They are continuing land revenue collections for the lost 30 or 40 years.

Sri P. Subbayya:—That exemption is in operation.

Sri P. Thimma Reddi:—Permit me, Sir, to read: “Occupation
and cultivation of village sites: In conformity with the long
established practice according to B.S.O. 21 (4) the Government
permits the occupation of village site held as private property
without assessment, subject to the following conditions.

The total extent of site that may be held free of assessment
inclusive of the area covered by buildings and other structures
is 35 cents.

Within this area, cultivation with flowers, vegetables and
fruits will not be charged. The cultivation of crops other than
flowers, vegetables and fruits will be charged at the highest dry
rate of the village.

Any area in excess of 35 cents under the private ownership
of any person is liable to a charge at the highest dry rate of the
village, whether it is cultivated or not and whether the cultivation
is with flowers, vegetables and fruits or with other crops.
In order to avoid the necessity for measurement of paddy extent, the minimum charge for cultivation within the permitted extent of 35 cents or for cultivation beyond 35 cents shall be Re. 1/-.

The charge should be entered in village Account No. 1. The forms of notice applicable to encroachments should not be used for the imposition of assessment of land under this sub-paragraph.

In Telengana area, it is laid down that no tax is leviable on house sites in the villages under the proviso to Rule 72(2) of Hyderabad Land Revenue Rules. When land is acquired for the extension of village site and when such extension is intended for the agricultural classes or agricultural labour or scheduled castes, no assessment whatever shall be levied.

Sri P. Thimma Reddi:—I think it would be useful for the Members; I will get these rules distributed to all the Members tomorrow.

Sri B. Niranjana Rao:— (Malleswaram) That is not my point.

Mr. Speaker:—The Minister is answering your question.

Sri M. Ramachandran:— The cultivation limits are very high. 100 per cent of the land is to be cultivated. This, however, is only for about 80 per cent of the families. That is a separate question to be considered by the Government.

Sri M. Ramachandran:— (Malleswaram) Then there is a very big problem. The land is not being cultivated. The average family is cultivating 25 per cent of the land. The cultivation has become very little. The cultivation limit is very high. The Government is expected to do something about it.

Sri M. Ramachandran:— My question is: What is the problem? Whether the Government is expected to do anything about it?
After the enforcement of the Andhra Pradesh Non-Agricultural Assessment Act, 1963, non-agricultural assessment is leviable if agricultural land is used for non-agricultural purposes including residential purposes. This assessment is leviable in all local areas with a population of 13,000 and above and ranges between half naya pice per square yard to one nay a pice per square yard, depending upon the density of the population of the local area.

The position is that no tax is levied on house sites below 35 cents in Andhra. In all villages in the State non-agricultural assessment is leviable on all house sites in towns with a population of 15,000 and above and above and ranges between half naya pice per square yard to one nay a pice per square yard, depending upon the density of the population of the local area.
Sri P. Thimma Reddy:—It is in his own name. If it comes under BSO 21 (4), then it is exempt.

Sri P. Thimma Reddy:—If it is so, I must thank the hon' member, because those things did not come to my notice. I will reduce it to the lowest level even Tahsildar or Revenue Inspector and then subject to its being rectified in jamabandi.

Sri P. Thimma Reddy:—The concession will not apply to them unfortunately. They will go on paying. The area is not excluded.
Oral Answers to Questions. 8th August, 1971 435

Sri P. Thimma Reddy:—Those details the member will be kind enough to discuss with me.

Sri P. Thimma Reddy:—Each man gets his own 10 or 15 cents. That comes under this BSO exemption.

IRRIGATION OF DRY LANDS UNDER PROJECT

1674 Q.—Sri Dhanenkula Narasimham:—Will the Hon. Minister for Revenue be pleased to state:

(a) whether the Government have taken any decision previously, to treat the dry lands being irrigated for 10 years under
any of the project or tank, as wet lands and include the same in the ayacut of the respective projects and tanks; and
(b) if so, when the same will be implemented?

Sri P. Thimma Reddy:

Ans: Clauses (a) and (b):

The answer is placed on the table of the House.

PAPER PLACED ON THE TABLE OF THE HOUSE—VIDE
L. A. Q. (STARRED) NO. 1674 (528) GIVEN NOTICE BY
SRI DHANENKULA NARASIMHAM, M.L.A.,

Clauses (a) and (b):

No Sir. However, instructions have been issued to the Collectors to examine in consultation with the Public Work Department authorities, the feasibility of including all non-localised dry lands which have been under continuous wet cultivation for more than three years in the regular ayacut of the concerned irrigation project, in the light of the principles of localisation laid down for the respective irrigation projects. It has also been clarified that mere irrigation of dry lands for more than three years cannot result in their automatic inclusion in the regular ayacut to the detriment of the lands originally localised under the project but not yet developed. The Collectors are taking necessary action in this regard.
Oral Answers to Questions.  8th August, 1971

Sri P. Thimma Reddy: — We have asked about the feasibility of relocalising the second crop land also.

Sri P. Thimma Reddy: — That is a technical affair.
438 8th August, 1971. Oral Answers to Questions

It has come up specially as a big issue in Tungabhar High Level Canal—the question of seepage.

Sri P. Thimma Reddy:—That G. O. is being issued while levying penalties, where it does not affect the existing ayacut, water has been taken—that is exempt from penalty and is shall not be taken as a rule also.

Sri K. Prabhakara Rao:—Where it does not affect assured ayacut, they are utilising it to levy penalty.

Sri P. Thimma Reddy:—Government does not find it to be so free.

GOLD COINS BELONGING TO VJAYANAGAR EMPIRE.

529—

1961 Q.—Smt. J. Bshwari Bai (Yellareddy):—Will theHon. Minister for Revenue be pleased to state:

(a) whether some rare coins of gold belonging to the Vijayanagara Empire were found by a villager in Vikarabad taluk, Hyderabad district during the first week of May, 1971; and if so, how many coins were intact and how many were melted; and the historical importance of the same; and

(b) whether any amount was given to the villager as a reward?

Sri P. Thimma Reddy:—

Clause (a):—Two hundred gold coins pertaining to Vijayanagara Empire were found by Sri Waddar Yelliah in the limits of Gubedfathepur village of Vikarabad taluk in the first week of May, 1971. One hundred coins are said to have been melted by the finder and remaining hundred are intact. The gold coins belonged to the period of Vijayanagara Empire of 14th and 15th Century. Therefore the coins are of immense historical and archaeological importance.

Clause (b):—As the treasure trove was seized while it was being sold to a Gold Merchant by the person who had found it, the question giving reward to him does not arise.
Oral Answers to Questions. 8th August, 1971. 439

The accused Yellobah who was arrested on 5-5-1971 was remanded to judicial custody by the 4th city Criminal Magistrate holding additional charge of the 3rd City Magistrate. On 10-5-1971, after the expiry of the police remand inasmuch as no non-bailable offence was made out by the police to proceed with the accused, they have dropped the case and the accused was released from custody in the city Magistrate's Court on 10-5-1971. Thereafter since the seized matter was the subject matter of Treasure Troves Act further action has to be pursued under the provisions of the Indian Treasure Troves Act, 1878. The Police has therefore requested the Hon'ble Court, 3rd Magistrate, City Criminal Court, to transfer the seized property to the Collector, Hyderabad, to take further action under the Indian Treasure Troves Act, 1878.

EXPANSION OF TOWN PLANNING DEPT.

1772 Q.—Sri Dhanenkula Narasimham:—Will the Hon. Minister for Municipal Administration be pleased to state:

(a) whether any proposal is under consideration of Government to expand the Town Planning Department in the State; and

(b) if so, when it will be expanded?

The Minister for Municipal Administration,
(Sri N. Chenehurama Naidu)

(a) & (b) While there is no general proposal for expansion of the Town Planning Department, the Director of Town Planning's proposal for sanction of certain additional staff to attend to the work relating to Industrial, Commercial and Residential areas is under consideration of Government.

HYDROSULPHITE OF SODA FACTORY

*717 Q.—Sri Pragada Kotaiah (Chirala):— Will the Hon. Minister for Handlooms and Co-operative Factories be pleased to state:

(a) whether the proposal for starting a factory in the State for manufacturing Hydrosulphite of soda has been finalised;

(b) if so, what is the capacity of the Plant and which is the location of the Plant; and

(c) whether the Government has applied for grant of an industrial licence, if so, at what stage it is?

Sri A. Bhagavanta Rao:—

(a) The matter is still under consideration of the Government

(b) and (c): Does not arise.

DISTRIBUTION OF POWER LOOMS

*1740Q.—Sarvasri Dhanenkula Narasimham and S. Vemayya:— Will the Hon. Minister for Handlooms and Co-operative Factories be pleased to state:

(a) the number of Powerlooms distributed in the state during 1969-70 and 1970-71;

(b) the number of them proposed to be distributed during this year i.e., 1971-72; and

(c) the basis on which they are being distributed?

Sri A. Bhagavanta Rao:—

(a) Powerlooms are not actually distributed by Government. Government have only been assisting Weavers Co-operative Societies in the purchase of Powerlooms by sanctioning loans. During the year 1969-70 a sum of Rs. 3.75 lakhs has been sanctioned and disbursed for the purchase of 122 Powerlooms. During the year 1970-71, a sum of Rs. 4.75 lakhs has been sanctioned and disbursed for the purchase of 68 powerlooms and the balance as additional assistance to societies which have been sanctioned at the rate of Rs. 3,000/- in the previous years;

(b) During the year 1971-72, a provision of Rs. 9.5 lakhs has been provided in the budget and it is adequate for the sanction of loans to purchase 190 Powerlooms.

(c) There is no criteria adopted for the sanction of assistance to societies for the purchase of Powerlooms since the Powerlooms are permitted to be installed in the Co-operative Sector only. The applications of all societies which applied for the installation of Powerlooms and for financial assistance are being considered in order of receipt of permits by them.

*2058 Q.—Sri S. Vemayya:—Will the, Hon. Minister for Handlooms and Co-operative Factories be pleased to state:

(a) whether it is a fact that there was a trouble in Visakhapatnam Central Jail on 13–5–1971 as a result of which some Naxalities were injured; and

(b) if so, the reasons therefor?

The Minister for Handloom and Co-operative Factories deputised the Chief Minister and answered the question

(Sri A. Bhagavantha Rao)

(a) Yes, Sir.

(b) The incident appears to have occurred due to some ideological differences between the Naxalite Prisoners.

Sri Sivayya:—The answer is in terms of “seems to be”. It is vague; such types of answers as “seems to be” “likely to be” are not helpful.
JOINT MANAGEMENT IN THE INDUSTRIES

*2048 Q.—Sri S. Vemayya:—Will the Hon. Minister for Labour be pleased to state:

(a) the number of mandays lost due to the strikes and lockouts in the State for the year ending 31-3-1971; and

(b) whether the days have increased or decreased from that of the previous year?

Sri G. Sanjeeva Reddy

(a) 4,11,266.

(b) There is an increase in the mandays lost.
Sri G. Sivayya:—Sir, the Government and the factory management are responsible for the loss of so many days due to lock-outs and strikes. What action Government will take to prevent such strikes and correct the management?

Sri G. Sanjeeva Reddy:—What the Government is doing is proof that it is safeguarding the rights of the workers and whatever question you are putting—it is just to ruin the cause of workers.

Sri G. Sivayya:—We are for the right cause and for the uplift of the workers.

Sri G. Sanjeeva Reddy:—I am submitting, our Government has proposed a Bill. If Mr. Sivayya and his party and other parties cooperate with us, definitely Government will go ahead.

MEMORANDUM OF SETTLEMENT dt. 17-8-70
Representatives of the Management:

1. Sri S.Y. Govindarajan, FA & CAO.
2. Sri N. Ghose, Works Manager.
PREAMBLE:

Discussions were held on the subject of implementation of a revised wage structure for the employees of the Company with reference to the recommendations of the Chairman and the Independent Member of the Engineering Wage Board constituted by the Government of India, bearing in mind the resolution of the Government of India and the Guide Lines arrived at the Meeting taken by the Commissioner of Labour, Government of Andhra Pradesh on the above subject. The revised wage structures introduced in the Public Sector Undertakings like, Hindustan Aeronautics Limited, Hindustan Machine Tools Limited and Bharat Heavy Electricals Limited in the State of Andhra Pradesh consequent on the recommendations of the Wage Board were also borne in mind. As a result of the above discussions the following agreement was arrived at between the Management and the Unions.

1. This will be a settlement arrived at by agreement between the employer and the unions under the Industrial Disputes Act 1947 and the rules framed thereunder.

2. It was agreed to revise the existing wage scales as shown in Annexure 'A'.

3. It was agreed that the revised wage structure should come into force with effect from 1st January, 1969.

4. It was agreed to fix the pay of all the employees on point to point basis.

5. The D.A. for all the employees will be as shown in Annexure 'B' with effect from 1st January, 1969. The D.A. will be linked to the cost of living index at Visakhapatnam for December 1968 with base year 1960 = 100 points. The cost of living index figures will be those supplied by the Andhra Pradesh Chamber of Commerce.

6. The D.A. rates will be reviewed twice in a year in January and July taking into consideration the average rise or fall in the consumer price index during preceding six months and the D.A. will be made plus or minus Re. 1/- (Rupee one only) per point for all categories.
7. #### PURCHASE OF DAMAGED PADDY FROM THE PRODUCERS

539—

*179* Q.—Dr. T.V.S. Chalapati Rao and Sri Dhanenakula Narasimham:—Will the Hon. Minister for Civil Supplies be pleased to state:

(a) what were the arrangements made by the Government to purchase the damaged paddy from the producers of Guntur, Krishna and Godavari districts during the year 1969-70;

(b) what are the prices fixed by the Government for the purchase of the various varieties of the damaged rice during the said period from these districts;

(c) whether the Government are aware that the paddy producers are forced to sell their grain at a price lesser than the one fixed by the Government; and

(d) if so, what are the steps taken by the Government for payment of the maximum price fixed by the Government to the producers?

The Minister for Civil Supplies (Sri A. Sanjeeva Reddy)

(a), (b), (c) and (d) A statement is placed on the table of the House.
Owing to cyclones in the districts of Guntur, Krishna and West Godavari during 1969-70, the paddy crops suffered extensive damage; with the result the paddy had become damaged and discoloured. There was no demand for this paddy locally nor the millers came forward to purchase the same from the producers. The Food Corporation of India too did not accept the stocks as they were not in conformity with the specifications laid down by the Government. So, the State Government, in consultation with the Central Government, had authorised the District Collectors to issue export permits to the millers in respect of discoloured rice milled out of damaged paddy. This incentive worked well and the millers purchased paddy and rice stocks from producers and they were allowed to export these stocks outside the State on production of rejection certificates issued by Food Corporation of India. Thus, the problem of clearing the accumulated stocks of paddy with the producers was solved by the Government.

No separate prices were fixed by the Government for damaged rice. The Food Corporation of India, purchased rice from the millers at the notified prices minus refraction cuts. If the quality of rice was beyond rejection limits prescribed in the specifications, the Food Corporation of India rejected the stocks and these rejected stocks were allowed to be exported outside the State to avoid accumulation of stocks with the producers.

The prices fixed by the Government were applicable for fair average quality paddy/rice only. As such, the damaged and discoloured paddy/rice could not attract the Government support prices. However, when the millers were given incentive by allowing export of damaged and discoloured rice outside the State, they even offered higher prices than the procurement prices in some cases.

**PRICE OF MOLAGOLUKULU PADDY**

*1285Q.—Sri P. Venkata Subbaiah.—Will the Hon. Minister for Civil Supplies be pleased to state:

(a) whether there is any proposal to increase the price of Molagolukulu paddy; and

(b) when will it materialise?

Sri A. Sanjeeva Reddy.

(a) No, Sir.

(b) Does not arise.

MULKI RULES

521—

*309 Q.—Sri Agarala Easwara Reddy (Tirupathi) :—Will Hon. the Chief Minister be pleased to state :

(a) whether it is a fact that the High Court of Andhra Pradesh up-held the Muiki Rules; and

(b) if so, whether they are affecting the Andhras now serving in Telangana?

The Chief Minister (Sri K. Brahmananda Reddy).

(a) Yes, Sir.

(b) The administrative steps that should be taken for implementing the judgment are being examined by the State Government in consultation with the Government of India. It is too early to say whether any person will be affected.

Sri A. Eswara Reddy :— Speaker Sir. what are the steps the Government is proposing to take to protect rights of Andhras working in Telengana?

Shri K. Brahmananda Reddi :— All that is a part of those steps Sir.

Smt. J. Iswari Bai :— When do you expect to get the instructions from the Government of India. No. 2 is about the appeal in the Supreme Court against the judgment of the High Court. Thirdly in the absence of the enforcement of muiki rules how many Telangana people are deprived of postings and promotions etc.?

Sri K. Brahmananda Reddy :— We are expecting the instructions of the Government of India within a short time. Secondly the Government as such has not appealed to the Supreme Court. Thirdly the figures are not available with me.
456 8th August, 1971 Oral Answers to Questions

Is it the position ? Do you admit or not that Mulki Ruies is a law?

Sri K. Brahmananda Reddy :— That the High Court has given the judgment, is there Sir. Certain grave doubts are expressed about the legality or otherwise. That is under the correspondence with the Government of India.

The Executive has no right to have any doubt about the High Court's judgement when they have not challenged with in the specified time in the Supreme Court. While it is the legal position, is it not the position that the Government is will fully putting the Telengana persons into loss by not implementing the mulki Rules and law ?

Sri K. Brahmananda Reddy :— No Telangana personnel is put to loss or inconvenience Sir. But the feeling of the Government of India is that this has got to be examined thoroughly legally.
that the implementation of the judgement will necessarily involve certain administrative difficulties such as the regionalisation of categories of services including the Gazetted Services. A series of meetings by the Cabinet and its sub-committee were held and proposals were drawn up for the implementation of Mulki Rules. A copy of the scheme was sent to the Government of India in April 1971 and their views have been sought for. Their views were awaited. They were also enlightened on certain points on 14-7-71.

Sai G. Raja Ram:— May I know whether this Government is competent to keep in abeyance the judgement of the High Court? If so, under what law?

Sri Brahmananda Reddy:— There is no question of keeping it in abeyance or otherwise. We are examining in consultation with the Government of India, the legal and other complications that arise therefrom.

Sri K. Brahmananda Reddy:— I want a separate question, Sir. Hyderabad City being in the Telangana area, what should Secretariat Service be, does it mean that there can be no Andhra employee in the Secretariat?

Sri Konda Lakshman Bapuji:— You said already 1/3 and 2/3. It is already there except... ...

Sri K. Brahmananda Reddy:— No. Mulki rule will mean that everybody in the Secretariat must be a mulki. Therefore, there are some complications and they are being examined.

Sri Konda Lakshman Bapuji:— But, that was in practice for the last fifteen years.
Sri K. Brahmananda Reddy:— Practice or otherwise, when once the judgement comes, it has its own effects as he said.

Sri K. Brahmananda Reddy:— Sir, it was felt at that time that in view of the fact that local people may get employment in the local area, no appeal need be made. But, in any case now that the Government of India are examining it, let us await the result.

Sri B. Niranjana Rao:— If that is the case, it should be implemented, Sir.

Mr, Speaker :— Yes. They are trying to implement it. They are getting it examined and they want to implement it.

re : release of Sri C. Janga Reddy

Business of the House.

A. Krishnamurthy Chairman, A.S. on business of the House.

Pursue this item on which I speak to the ministers concerned.

Mr. Speaker :—Questions and answers are over.

Sri K. Brahmananda Reddy:—We are asking that it should be taken up by the Government of India either by the Ministry of Defence or the Ministry of Industrial Development, Then only it will have a great future.

ANNOUNCEMENT RE : RELEASE OF SRI C JANGA REDDY

Mr. Speaker :—I am to announce to the House that Sri C. Janga Reddi, M. L. A. was released from the jail at Delhi on 6-8-1971.

BUSINESS OF THE HOUSE

Mr. Speaker :—There is one Call Attention Notice of Sri Satyanarayanaraju.

Sri C.V.K. Rao :—I have given a notice.

Mr. Speaker :—It will be taken up tomorrow. Notice was sent to the concerned Minister. Shrimati J. Iswari Bai also has given notice. It is just now received at 9-10 A.M. I sent it to the concerned Minister. It will be taken up to-morrow.

Because she had given a notice at 9-10 A.M. I said that it will be taken up to-morrow. In the meanwhile I sent it to the concerned Minister so that he would come prepared and in a position to make a statement.

Shri Konda Lakshman Bapuji :—I raise a point of order. Smt. Iswari Bai gave notice half an hour earlier to raise it on the floor of the House. Therefore it is not in order to postpone it for tomorrow. She has a right to raise and after raising the issue, if at all Minister wants time on the floor of the Assembly, he must say and the Speaker may allow. Raising of the question on the floor of the House must be allowed when it is in perfect order.
Mr Speaker:—It is in conformity with the procedure laid down under the Rules. The Speaker cannot allow it to be raised now according to the rules. She must have given half an hour before the commencement of the proceedings of the day. She gave notice at 9-20 A. M. not half-an-hour before.

Shri Konda Lakshman Bapuji:—Proceedings means actually the Zero hour time.

Mr. Speaker:—No. Before the commencement of the proceedings for the day i. e., 8-30 A.M.

Shri Konda Lakshman Bapuji:—I don’t think that it is the condition as you yesterday said. Half-an-hour before the time of the Zero hour. Zero hours started at about 10 minutes to 10‘o Clock. We understood that way i. e., half an hour before the time of the Zero hour.

Mr. Speaker:—Let me read the rule for your benefit.

The Rules reads as follows:

“No matter, however important and urgent may be, shall be raised by any Member, without having given at least half-an-hour’s notice to the Speaker before the commencement of the sitting for the day.....”

Mr. Speaker:—You might say that I have yesterday relaxed the rule. Even yesterday I did not want to allow when that lady has given notice about the discussion on on Telangana issue before the House. It is not so, now there is no question of relaxing.

Sri C. V. K. Rao:—I don’t know why you are specifically mentioning.

Mr. Speaker:—This is a very serious allegation, against a member. I will consider it and say whether it should be allowed or not or whether it should be sent to the Privileges Committee or not.
CALLING ATTENTION TO A MATTER OF URGENT
PUBLIC IMPORTANCE
RE-ABANDONING OF 19TH DISTRIBUTORY OF THE

BUSINESS OF THE HOUSE

The Minister for Education (Sri P. V. Narasimha Rao):—
Sir, a matter given notice of by Sri Badri Vishal Pitti was to have
come in the House today before the Call Attention Motion was
taken up. I was about to make a statement about that.

Mr. Speaker:— I think it is about non-payment of salaries;
he has given notice yesterday.

Sri P. V. Narasimha Rao:— I am prepared to make the state­
ment. I want to know whether it is coming up or not.

Mr. Speaker:— The Member (Sri Badri Vishal Pitti) is not in
the House. We will take it up tomorrow.

Sri P. V. Narasimha Rao:— Not tomorrow, Sir. I have got
work in the Council. On the next day when I am having questions,
we can take it up.

Mr. Speaker:—

(To Mr. C. V. K. Rao) I will look into the matter.

(Budget) for 1971-72.

8th August, 1971

Mr. Speaker:—I will get the proceedings. The reference to Prime Minister about certain things is not fair; that is what he (the Finance Minister) said.

Mr. Speaker:—Whatever Mr. Purushothamarao has said—it forms part of the proceedings and I can get the proceedings and inform the House what you have said. With reference to the proceedings, you can verify what Mr. Purushothamarao has said.

Sri K. Vijayabhaskara Reddy:—You can refer it but when he denies, it is a different thing. We expect the Finance Minister to come out very specifically with a solution.

The Hon’ble Members are aware that the Community Development Programme is being implemented by the Samithis and Parishads under the provisions of The Andhra Pradesh Panchayat Samithis and Zilla Parishads Act, 1959. Apart from dealing with the programmes included in the present demand, I would like to mention briefly some of the important schemes also which are under implementation by the Panchayat Samithis and Zilla Parishads and for which provisions have been made under various other demands.

Formation of New Zilla Parishad and two new Panchayat Samithis:

Consequent on the formation of a new district with Ongole as its Head Quarters with effect from 2-2-1970, a Zilla Parishad has been constituted for that district with effect from 7-4-1970. Consequently, the re-organisation of blocks had to take place in Guntur, Nellore and Kurnool districts and new Panchayat Samithis have been constituted for Guntur district, one at Nallapadu and another at Bapatla, bringing the number of Panchayat Samithis in the State to 324. These two blocks came into being on 9-4-1970 when Panchayat Samithis were constituted for them.

Elections to Panchayati Raj bodies:

The second ordinary elections to Gram Panchayats in the State were held during June, 1970. Elections were completed in all the Gram Panchayats except in about 100 gram panchayats, where the elections could not be conducted due to the stay orders of the High Court or the non-expiry of the existing term of office, etc.

With a view to eliminate exercise of pressures, elections to all panchayats in a block were completed on a single day employing
personnel from outside the Samithi only. An expenditure of Rs. 71.68 lakhs has so far been incurred on the Panchayat elections.

Of the 324 Panchayat Samithis in the State, elections were held to Gajapathinagaram Panchayat Samithi in April, 1970 and for many others, in July, 1970. In a few Panchayat Samithis elections had to be postponed for various reasons, such as stay orders by the High Court, want of quorum at election meetings, etc. Elections were completed in all these Panchayat Samithis except Yellandu Panchayat Samithi (Khammam District) where due to the High Court’s injunction orders on certain Sarpanches, there was no quorum for the conduct of the election meeting. The High Court has since disposed of the Writ petitions and given its judgement and elections for Panchayat Samithi, Yellandu will be conducted soon.

Zilla Parishad elections were completed in August, 1970 in all districts except Khammam. Elections for Khammam Zilla Parishad were completed in October, 1970, after the disposal of the Writ petition.

Training Programmes:

Gramsevaks Training Centres:
Consequent to the Pre-service Training Programme for V.L Ws. being suspended, the staffing pattern of the four Gramasevaks Training Centres at Samalkot, Bapatla, Srikalahasti and Rajendranagar has been revised abolishing some surplus posts. The four Gramasevaks Training Centres and the two Home Science Wings attached to the Grama Sevaks Training Centres at Samalkot and Rajendranagar are now imparting Higher Training and Refresher Training to V.L Ws, Refresher Training to Grama Sevikas and Orientation Training to A.N.P. workers. In the current year, women workers required for composite programme for women and pre-school children will be given training for a period of three months in the Home Science Wing.

A sum of Rs. 14.16 lakhs has been provided during 1971-72 for the various training programmes.

Orientation and Study Centre, Rajendranagar:
The Orientation and Study Centre, Rajendranagar has been renamed as ‘State Institute of Community Development and Panchayati Raj’ and is being continued this year also with the non-Plan ad-hoc assistance of Rs. 1.50 laks given by the Government of India. This institution continues to impart training to District Officers, Block Development Officers, Extension Officers and Samithi Presidents.
Minor Irrigation:

Minor Irrigation Programme under the control of the Panchayat Raj Institutions comprises of:

(i) Normal maintenance and repairs of Minor Irrigation sources (non-plan scheme).

(ii) Restoration of breached and abandoned Minor Irrigation Sources (Plan scheme).

The Panchayati Raj Institutions are entrusted with the maintenance of tanks having an area of 200 acres and below in the Andhra area and 100 acres and below in the Telangana area.

There are 58,706 Minor Irrigation sources in the State under the maintenance of the Panchayati Raj Institutions with a total area of 163,000 acres. All Minor Irrigation sources in a Panchayat Samithi are divided into five groups and every year Minor Irrigation sources in one group are taken up for repairs. As per this cycle system, each Minor Irrigation source will be eligible for ordinary repairs once in five years, and roughly 11,700 Minor Irrigation sources with an area of 3.26 lakhs acres would be taken up for maintenance and repairs every year. A sum of Rs. 40.00 lakhs is provided in the Budget for 1971-72.

For the restoration of breached and abandoned Minor Irrigation sources with an area of 25 acres and less, a sum of Rs. 25.00 lakhs has been provided in the Normal Plan Budget for 1971-72, apart from the provision of Rs. 15.00 lakhs under Special Telangana Development schemes and Rs. 12.80 lakhs under Special Development schemes for Rayalaseema area.

Communications:

The following are the amounts of grants-in-aid provided for 'Communications' in Panchayat Samithis and Zilla Parishads during 1971-72:

Besides the above amounts, Rs. 15.00 lakhs have been provided for the development of Rayalaseema region.

* A sum of Rs. 7,076 lakhs will be transferred to R & B Department towards proportionate funds for maintaining the roads transferred to R & B Department.

@ A sum of Rs. 10 lakhs will be transferred to PWD (R & B) towards improving R & B roads in sugar factory areas.
Matching Grants:

Under the Scheme of Matching Grants, where the collection of taxes by the Panchayats is 75% of the entire tax demand of Panchayats excluding the arrears, 7½% of the collection would be given as Matching Grant to the Gram Panchayats in Circar districts of Andhra region and 10% to the Gram Panchayats in the Rayalaseema and the Telangana districts and also the Gram Panchayats in the Tribal areas in the Andhra area. In addition, a matching grant of 1% for every increase of 5% collection over the limit of 75% would be given to the Panchayats. A provision of Rs. 20.00 lakhs has been made in the Budget Estimate for 1971-72.

Applied Nutrition Programme:

The Applied Nutrition Programme, a Centrally sponsored scheme, now covers 70 Panchayat Samithis in our State. The UNICF is supplying various items of equipment viz., Incubators, Brooders, Grinder-cum-hammer Mills for producing poultry feed etc., to the A.N.P. blocks. Under the Fisheries Programme, Marine Fisheries Development has been taken up in five A.N.P. Blocks and UNICF have supplied equipment such as Nylon Twine Nets, Buck Engines, etc. Under the supervision of Mahila Mandalas, a feeding programme for School Children, Nursing and pregnant women using eggs, Vegetables and fish produced in block poultry units, school gardens and tanks is being continued. The provision made in the Plan Budget for this programme in 1971-72 is Rs. 31.11 lakhs.

Rural Water Supply:

Draw Wells:

At the beginning of 1969-70 there were 13,233 villages and hamlets requiring drinking water facilities. During 1969-70 and 1970-71, 5,212 wells, including bore wells were completed. Thus 8,011 villages were without wells. However, as a result of a thorough and systematic survey conducted during 1970-71 there are now 9,355 villages and hamlets where there is scarcity of drinking water. The increase is due to inclusion of hamlets which were previously omitted. Sinking of wells in 9,355 villages will be completed in the first instance and work in other villages will be taken up only thereafter.

Instruction have been issued to give priority for Harijan and Scheduled Tribe villages and hamlets in providing drinking water wells by including them as Category I.

It is proposed to complete draw wells and bore wells in 3,000 villages this year. A sum of Rs. 90.88 lakhs is provided
under Plan and Non-Plan for this purpose. With the completion of these 3,000 villages, all villages with a population of 500 and above will be provided with drinking water facilities.

Rigs Programme:

So far, the UNICEF have provided 10 Rigs to Andhra Pradesh, 4 in May, 1968 and 6 in 1970–71. As a result, considerable head-way was made in the direction of rural water supply in chronically drought affected areas. So far, 1,212 bore wells have been completed. It is proposed to complete 500 bore wells in Kurnool, 655 in Nalgonda and 420 in Cuddapah districts. At present five Rigs are working in Kurnool district, four in Nalgonda and one in Cuddapah district. 15 more Rigs are expected from UNICEF. It is proposed to take up during the next two or three years, drilling of bore wells in Chittoor, Guntur, Hyderabad, Mahabubnagar, Ongole and Nellore districts also.

Protected Water Supply Programme:

Of the 272 Protected Water Supply Schemes taken up so far for execution, 183 schemes have been completed and 89 schemes are in progress. A provision of Rs. 50.00 lakhs is made in the State Budget for this purpose for the current year.

In addition to the 89 spill over schemes referred to above, it is expected to take up in the next two or three years a good number of schemes depending upon availability of financial assistance from the Life Insurance Corporation.

P.W S. Schemes in 58 former Town Committees:

Protected Water Supply schemes in 58 former Town Committees of Telangana Region were sanctioned in 1965 at an estimated cost of Rs. 407.78 lakhs. The revised cost of the programme is now estimated to be Rs. 546.28 lakhs. 29 of the 58 schemes have so far been completed. 16 Schemes are under execution. 13 schemes are under investigation. The provision of Rs. 90.00 lakhs made for the purpose in 70–71 was fully utilised. For the current year, the Andhra Pradesh Regional Committee has tentatively allotted an amount of Rs. 90.00 lakhs under Special Telangana Development Schemes.

Crash Scheme for Rural Employment:

With a view to afford relief from acute unemployment and under-employment in rural areas, the Government of India have decided that a scheme for the execution of essentially labour intensive projects in all the districts of the State should be implemented. This scheme is designated as 'Crash Scheme for Rural Employment'.

This is a centrally sponsored scheme. It has a two-fold purpose. Firstly, employment should be provided to about 1,200
persons on an average continuously for two working seasons of ten months in a year in every district. Secondly, each project should produce works or assets of a durable nature in consonance with local development plans. The rate of wage to be paid to the persons employed shall be equal to the off season rate for agricultural labourers in the district and shall not in any case exceed Rs. 100 per month or Rs. 3 per day. The work projects will be implemented by the Collectors.

Our State has been given an amount of Rs. 319.00 lakhs for the current year, 1971-72. An amount of about Rs. 15 lakhs (Rs. 12.00 lakhs towards wages and Rs. 3.00 lakhs towards material and equipment) has to be spent in each district. This scheme is likely to be continued till the end of the Fourth Plan.

Additional Funds to Panchayat Samithis and Zilla Parishads for Developmental Activities:

To promote the developmental activities of the Panchayat Samithis and Zilla Parishads, Government issued orders permitting them to utilise before 31-3-1972 the lapsed unspent balances with them under various purposive grants upto a maximum of Rs. 1.00 lakh in the case of each Panchayat Samiti and Rs. 5.00 lakhs in the case of each Zilla Parishad on the following items:

(i) Drinking water supply schemes;
(ii) Construction of school buildings;
(iii) Rural Communications;
(iv) Provision for amenities in Harijan cherries and slum areas;
and

In cases where the Panchayat Samithis and Zilla Parishads have no lapsed unspent balances or such balances are less than the maximum amount mentioned above, the Government have released the deficit to make the maximum of Rs 1.00 lakh and Rs. 5.00 lakhs respectively. The amount released for this purpose is Rs. 314.79 lakhs.

Exemption of Profession Tax and Licence Fees on certain weaker sections of society like Barbers, Washermen, etc.

The Association of Potters, Barbers, etc., have represented to the Government that the Panchayat authorities are demanding profession taxes as well as licence fees from them and that their professions are less remunerative which would not permit them to make payments by way of taxes in any manner and, therefore, requested the Government to exempt their professions from payment of profession taxes and licence fees.

The Government have exempted these professions from the payment of profession taxes. The Government have also exempted hair dressing saloons, laundries, basket and mat-making and pot-making trades from payment of licence fees in Gram Panchayats of the State with effect from 1-4-1971. The Government have further decided to compensate the Gram Panchayats for the consequential loss of revenue involved.
