ORAL ANSWERS TO QUESTIONS.

IMPLEMENTATION OF MULKI RULES

381—

"1932 Q.:- Sri S. Vemayya (Sarvepalli) :- Will hon. the Chief Minister be pleased to state:

(a) whether the proposals sent by this Government to Central Government in the last week of April, 1971 regarding the regionalisation of services and implementation of Mulki Rules have been approved and returned; and

(b) if not, the reasons for the delay?

The hon. Chief Minister (Sri K. Brahmananda Reddy) :-

a) The views of the Government of India on the proposals sent to them are awaited.

b) In view of the importance of the matter, the Government of India may be examining the proposals in detail in consultation with their Minister of Law and Attorney General for India.

Sri K. Brahmananda Reddi :- I am going to Delhi tomorrow and I shall inform the concerned authorities about the desirability of their early consideration."
Sri K. Prabhakara Rao: Upto what cadre are the services going to be regionalised?

Sri K. Brahmananda Reddi: That is also under consideration.
Mr. Speaker:—This is a thing which happened two years ago. A number of teachers who were working in Telangana schools were ousted and there was agitation inside the House and also outside that such of those people who were ousted should be provided in Andhra. Many of them must have been provided by now. It is a thing which took place two years back. You may put a separate question and ask them how many of them have been provided.

Sri B. Ratnasabhapathy:—My question is being misunderstood.

Mr. Speaker:—Because of the opening of new schools in Andhra many of them should have been provided. Why have they not been provided?
Mr. Speaker :- Whether it will be consistent with the policy of Government that first preference should be given to those who have worked and were ousted. If there are still any posts, naturally fresh candidates will be recruited.

Sri K. Brahmananda Reddy :- A separate question may be put

Sri K. Brahmananda Reddy :- A separate question may be put

Q: Sri S. Vemayya:— Will the Hon'ble Chief Minister be pleased to state:
the various decisions that have been taken by the Central Review Committee on Telangana affairs which met in the second week of May, 1971 at New Delhi, may be placed on the Table of the House?

Sri K. Brahmananda Reddy:— A brief summary of the discussions at the meeting of the Review Committee held by the Prime Minister on 11-5-1971 is placed on the Table of the House.

PAPERS PLACED ON THE TABLE (VIDE ANSWER TO L.A.Q. 1933 (STARRED) S No. 382)

The Third Meeting of the Review Committee on Telangana affairs was held by the Prime Minister on 11-5-1971 to review the progress made in the implementation of the eight point formula announced by her on 11-4-1969 and other matters relating to the development of Telangana.

The review covered mainly the following points:

1) Rural Works Programme:
A final decision on the question of inclusion of Nalgonda district in the Rural Works Programme will be taken by the Ministry of Agriculture of Government of India.

2) Review of action taken on the eight point programme:
Since the object of the Telangana Development Committee and Plan Implementation Committee is to take stock of development programmes and schemes for the Telangana region with reference to physical as well as financial targets to be achieved, it was considered necessary that these two Committees should meet regularly.

A new member will be appointed on the Telangana Development Committee after the new members of the Planning Commission assume office.

It was noticed that the Central Advisory Committee, State Advisory Committee and Team of Joint Secretaries to Government of India had made good progress and what was needed was that the orders issued by the Central/State Government should be so implemented that the representationists whose cases are decided favourably get the actual benefit quickly.
3. (a) **Review of Annual Plan, 1970-71.**
   
   (b) **Review of Special Telangana Development Schemes, 1970-71**
   
   (c) **Annual Plan, 1971-72.**
   
   (d) **Review of implementation of development Plans of Telangana region.**

   In regard to the annual plan for 1970-71, it was observed that the progress of expenditure in Telangana for the first 9 months had been satisfactory. It was also considered that the whole provision made for Telangana should be utilised.

   It was observed that implementation of Special Development Schemes for Telangana had been slower than expected. It was emphasised that the amount earmarked for the region for development schemes should be spent quickly so that the actual benefits accrue to the people. This would largely remove the grievances of the Telangana people.

   As regards the surpluses computed for 1968-69 and 1969-70, it was suggested that a meeting could be arranged between the Chairman, Andhra Pradesh Regional Committee and the Accountant General to clear doubts, if any, regarding the surpluses for those years.

4. **Determination of fair share of Telangana in the General Development Expenditure of the State:**

   It was considered that Telangana's share could be determined on the basis of its population proportion and in addition weightage should be given for backwardness on the basis of criteria indicated by the planning Commission. It was desired that the question of determination of a fair share for Telangana may be discussed by the Union Minister of Planning with the Chief Minister, Andhra Pradesh and the Chairman, Andhra Pradesh Regional Committee.

5. **Regionalisation of Service Cadres:**

   It was considered that the proposals for regionalisation of service cadres should be gone into in detail by the Department of Personnel, Government of India in consultation with the Andhra Pradesh State Government and the Union Ministry of Law.

6. **Review of action taken by High-Powered (Nasirulla Beg) Committee:**

   It was agreed that the Secretaries to Government and Heads of Departments should take steps to dispose of all those cases for which there are clear Government orders. It was also agreed that thereafter the Committee should dispose of the remaining cases within a reasonable time.

7. **Regional Plan for Telangana:**

   It was agreed that the regional plan for Telangana should be

formulated with reference to the State Plan as already approved by the Planning Commission and if it is later decided to enlarge the State Plan, the regional plan also could be suitably revised.

Sri K. Brahmananda Reddy: About 1400 seem to have been disposed. There are still some remaining. We are seeing that they are also expedited.

Dr. Minhar: The territorial plan will be divisible by the Planning Commission. We expect to receive orders shortly.

Sri K. Brahmananda Reddy: We are also seeing that they will be divisibility according to the population, i.e., 36% or whatever it is. 71-72 80% and 73-74 60%.

Dr. Minhar: New Member will be appointed on the Telangana Development Committee.

Sri K. Brahmananda Reddy:— It is a part of that big budget but if you want...

Sri K. Brahmananda Reddy:— It is the Regional Committee of the State of Andhra Pradesh.

Mr. Speaker:— The next two questions 383 and 384 will be taken together.

Oral Answers to Questions. 12th August 1971. 279

(b) if not, the reasons for the delay?

Sri K. Brahmananda Reddy:
(a) No, Sir.
(b) The matter is under the consideration of the Government of India.

Suspension of the Superintendent of Police, Nizamabad

384—

*37 (3070) Q. Smt. J. Eswari Bai:— Will hon. the Chief Minister be pleased to state:
(a) the reasons for suspending the Superintendent of police of Nizamabad;
(b) the stage at which the case against Mr. A. K. K. Nambiar stands and whether there is any proposal to prosecute him, though he has already retired from service?

Sri K. Brahmananda Reddy:
(a) The Superintendent of Police, Nizamabad has not been suspended.
(b) The matter is under the consideration of the Government of India.

Sri K. Brahmananda Reddy:— We are helpless in this matter.

Sri K. Brahmananda Reddy:— Sir, It is unfortunate. I also agree that this has been delayed so long. However, as it is under the consideration of the Government of India, there is nothing which we can do. Sir.
Sri K. Brahmananda Reddy :- Your presumption is wrong Sir.

Mr. Speaker :- You can draw any inference.

Sri Vavilala Gopalakrishnayya :- That is not it, Sir.

Sri K. Brahmananda Reddy :- There is no question of dropping, Sir.

Sri Vavilala Gopalakrishnayya :- It is reduced to dropping.

Sri K. Brahmananda Reddy :- As I said earlier we are also sorry for the delay but unfortunately it is in the hands of the Government of India.

Sri Vavilala Gopalakrishnayya :- Is there any Government? Is it a silent spectator?

Sri K. Brahmananda Reddy :- Not a spectator.

Sri Vavilala Gopalakrishnayya :- You say helpless. Where is the Government at all?

(No reply.)
Sri G. Sivayya (Puttur) — Whether this Government has handed over the case to the C.I.B.? If so, when this Government has handed over the case to the C.I.B. for enquiry? This Government has no power to remind the Central Government. If they sent the reminder when was it sent?

Sri K. Brahmananda Reddy — It is true, it is entrusted by this Government to C.I.B. When a very high official or officials were involved we thought it better an independent enquiry may be made by C.I.B. so that suspicions may not arise with regard to the conduct of the enquiry when it is done by us. Now the Chief Secretary has written to the Home Secretary reminding them of the delay.

Sri G. Sivaiah — On what date? Is it 4 or 5 years back?

Sri K. Brahmananda Reddy — Some time ago. Even as late as one week back.

Smt. J. Iswari Bai — Is he in Andhra Pradesh or in Kerala? Is he getting any pension?

Sri K. Brahmananda Reddy — He is not getting any pension now. I think he is in Andhra Pradesh or he will be going to Kerala also.

Oral Answers to Questions

This is the second time that Mr. Vasudeva Rao’s question is being answered by another Minister. Almost everyday we are seeing that the Ministers are going round in the lobbies. If this is the position let us not have the answers at all or postpone till such date as they will be available.

Mr Speaker :- He personally told me yesterday that he cannot attend the House today in view of his personal inconvenience.

Sri B. Ratnasabpathi :- In that case, the question can be postponed, Sir.

Mr Speaker :- What I said was that the Minister concerned does not give satisfactory answer. So that question will be again taken up.

Sri B. Ratnasabpathi :- In fact I raised the question. The information is more important to us. We would like to have the specific answer.

Sri A. Bhagavantha Rao :- It does not matter.

Sri B. Ratnasabpathi :- The Minister is expected to come with full information.

Mr. Speaker :- When the members were asking questions, the Minister answering questions should take the entire responsibility in answering the questions. There is no point in saying that “I will convey this to the concerned Minister”. Every minister who undertakes to answer on behalf of the other, should undertake the entire responsibility of answering all the supplementaries. Now if you are not satisfied with this question, kindly send it in the form of a short notice question. I will immediately admit.

ANNOUNCEMENT

RE: ARREST OF SRI V. RAMA RAO, MLA,

Mr. Speaker :- I am to announce to the House that Sri V. Ramarao, M. L. A. was arrested and convicted at New Delhi to undergo 1 day's simple imprisonment under Section 188 of the Indian Penal Code as he contravened the prohibitory orders under Section 144 of the Criminal Procedure Code on 10-8-1971.

BUSINESS OF THE HOUSE.

Mr. Speaker :- Not that I am not agreeing with you. I am agreeing with you. The question is, it does not come under Rule 63, but you can take it up under some other provision and you will have an opportunity.

Mr. Speaker :- The matter which was already discussed in the House in the past cannot form the subject matter. Another thing is, when it is under consideration before the House in the shape of a Demand, it cannot be admitted under Rule 63. I will read out the rule for your benefit. "Conditions of admissibility: 'The motion shall not revive discussion on a matter which has been discussed in the same session'."
Mr. Speaker :- I have already disallowed it. Now, the question is, I have got powers to admit this under some other provision in view of the importance of the problem.

Mr. Speaker :- True. If necessary, we can again discuss this on some other day. I will decide in consultation with the Leaders of the Parties if it becomes necessary.

Sri G. Rajaram :- In view of the importance of the matter, I request you to take it up under Rule 52.

Mr. Speaker :- It is not admissible under Rule 52.

Sri G. Rajaram :- Under Rule 52, you can at least allot 2 hours time.

Mr. Speaker :- If you are able to finish the demand by 12-0' Clock, I have no objection to you for discussing from 12 to 2; you will have 2 hours.

Sri G. Rajaram :- Sir, you need not connect it up with the Demand.

Mr. Speaker :- Immediately after the Demand is over, we will take up the discussion.

Sri G. Rajaram :- What I suggest is, whether the Demand is finished or not, from 12 to 2 this can be taken up.

Mr. Speaker :- That again is difficult.

Mr. Speaker :- In that case, I will do one thing. I will consult
the Leaders of the Parties and then take a decision. So, there won’t be any discussion under Rule 52 today.

Sri C. V. K. Rao :- What about the notice of adjournment motion? Members who have given notice of adjournment motion are not taken into account, I suppose.

Mr. Speaker :- I have already told you the reasons as to why I have disallowed the adjournment motion and I told you I agree with the importance of the matter and I have read out the names of the members. It is like this: The notice refers to the general acute conditions prevailing in the State and about the necessity of postponing collection of land revenue etc. Since it does not relate to any specific incident of recent occurrence, it is disallowed. There was a 4 hours discussion on this last week and moreover the same demand is under discussion before the House.

Mr. Speaker :- The Chief Minister has been following what is going on in the House. I am sure, he will make a note of all these things and then do his best.

Now, the one motion given notice of by Sri C. V. K. Rao and Sri G. Rajaram, viz., the acute conditions prevailing in the State on account of failure of rains and the price of foodstuffs, was discussed for 4 hours only last week. Moreover, since it does not relate to any matter of recent occurrence but refers to the general situation prevailing in the State, it is disallowed.

members of this House under the Rules and as per the standing instructions and assurances, the Ministers are expected to acknowledge letters.

The Leader of the Opposition Ms. N. Ramachandra Reddy was complaining that whenever letters were addressed to the Minister it is not the Minister who is acknowledging the letters but the P.A. They request that whenever letters are addressed to the Ministers, the Ministers themselves should acknowledge the receipt of the letters and then inform the members about the result of the action to it.

Sri K. Brahmananda Reddy :- I think that is the practice.

Mr. Speaker :- Please see that it is followed. Instructions have already been given, but they want the Ministers to comply with those practices.

Sri G. Rajaram :- Recently, the Minister for Marketing has not complied with it. When the Leader of the Opposition had written him a letter, not only the letter was not attended by the Minister but the P.A. has written "I am directed by - " That is against the standing instructions. I want to know from the Chief Minister whether he would strictly instruct his colleagues in future not to do like this.

Sri K. Brahmananda Reddy :- I have already told my colleagues that the letters from either Leaders or other members should be acknowledged by the Ministers themselves. I will reiterate the instructions.

Sri Vavilala Gopalakrishnayya :- They have observed it more in the breach than in the implementation.

Mr. Speaker :- He wants them to observe in practice.

Mr. Speaker :- They want that it should be implemented in practice.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE.
(1) ABOLITION OF DETENTION EXAMINATIONS IN SCHOOLS
(Postponed)

Sri P. V. NarasimhaRao :- Sir, I want to submit that in connection with the abolition of detention, I am circulating the papers to the Assembly. The Demand for Education is coming up within 2 or 3 days and if this could be postponed till then, I would be in a position to reply exhaustively on that subject.

Mr. Speaker :- Do the members agree to this?

(2) Revision of pay scales of Teachers working in Government College of Fine Arts and Architecture, Hyderabad.

Sri P. V. Narasimha Rao :- In one sentence, I can say, it is under the consideration of the Government, Sir, in consultation with the Finance Department. Actually the Technical Education personnel are now getting the All India Council for Technical Education scales with effect from 1960 or 1961. These scales are already said to be

higher than the scales in the General Education Department. The need for revision is being examined. That is the position.

Sri P. V. Narasimha Rao : The same thing I am circulating here. I have no objection; if the question had come earlier I would have told the House the stand of the Government. But it so happened in the schedule of Business it has come today. We have sent the same note.

Sri P. V. Narasimha Rao : Time was allotted for discussing this particular matter. Only at that stage, I circulated the note. Identical note is being circulated here.

Sri Vavdala Gopakrishnayya : That is our complaint.

Sri P. V. Narasimha Rao : When the matter came up for discussion, it was then that it was circulated, not before.

I will consider about it. I will get it examined.

(3) RESPONSIBILITY OF PASSENGERS TO PURCHASE TICKETS IN THE R. T. C. BUSES
Calling attention to matters of Urgent public importance.

(3) Responsibility of Passengers to purchase tickets in the R.T.C. Buses.

Dr. M. N. Lakshminarsiah:— In G. O. Ms. No 1165, Home, dated 28-7-1970 the Andhra Pradesh Motor Vehicles Rules, 1969 have been amended by inserting a new rule 273-B making the passengers liable to produce a ticket on demand by a conductor, driver or other person authorised in this behalf. The above rule was published in the Rules Supplement-Part I of the Andhra Pradesh Gazette dated 27-8-1970 at page 274. A breach of the above rule is, in accordance with Section 112 of the Motor Vehicles Act, punishable with fine. As the responsibility for purchasing tickets in the buses has been fixed on the passengers the question of non-implementation of assurance given by Government does not arise.

Subsequently a meeting was held on 12-8-1970 at the Secretariat to discuss the subject relating to the constitution of a Mobile Court in the twin cities to try cases arising out of ticketless travelling in Andhra Pradesh State Road Transport Corporation Buses. The Secretary, Home Department, General Manager, Andhra Pradesh

State Road Transport Corporation and representatives of the Andhra Pradesh State Road Transport Corporation Madjoor Union, attended the meeting. It has been agreed to constitute a Mobile Court in the twin cities only for eradicating ticketless travel in the Andhra Pradesh State Road Transport Corporation Buses. The matter has been taken up with the High Court. They desired to have information in regard to the (a) provision of law under which ticketless travel in buses is punishable, and (b) the number of cases filed during the last two years.

The additional information required by the High Court has been furnished to it after consulting the General Manager, Andhra Pradesh State Road Transport Corporation. The views of the High Court are awaited.

(4) Hunger strike by workers of M/S. Ferro Alloys Corporation, Garividi.

12th August, 1971. 327
Calling attention to matters of Urgent public importance:

(4) Hunger strike by workers of M/S. Ferro Alloys Corporation, Garividi.

Sri G. Sanjeewa Reddy: Sir, the Ferro Alloys Corporation Ltd., Visakhapatnam, is not in a position to bear the high electricity tariff. While it was corresponding with the Government and the Electricity Board to give consideration to this aspect, it seems, the Electricity Board have further enhanced the tariff by over 31%. So, having left with no other alternative, the Management has decided to close down part of the plant from 1-8-1971 and the entire Ferro Chrome Plant from 1-10-1971.

On 1-8-1971, 40 workers who are not eligible for retrenchment compensation have been discharged. On 22-8-1971, 41 workers are going to be retrenched and by October 1971 nearly 700 workers will be out of employment. Apart from the number of about 800 workers borne on the muster roll who will be affected by this closure by October 1971, other workers numbering nearly 1,500 employed on lime stone and quarries and about 150 workers employed on the Saw Mill making wood chips which are used in the ferro chrome plant and a number of contract labour at the Railway siding and lorry loading and other miscellaneous work numbering 300 workers will be rendered unemployed.

As retrenchment is category-wise, certain senior workers who happened to be juniors in other category are being affected thereby. One of them is Sri Y. Lakshmana Rao who is the present General Secretary of the Union and the workers are agitated over it.

The Union has threatened that it would organise hunger strike with effect from 6-8-1971 in front of the Work Manager's residence in order to spot-light their grievance that may arise in view of the retrenchment of the employees. The hunger strike by 2 workers of the Corporation resorted to from 6-8-1971 is continuing. In the matter of hunger strike by 2 workers of the Corporation resorted to from 6-8-1971 is continuing.
Calling attention to matters of Urgent public importance.

(4) Hunger strike by workers of M/S Ferro Alloys Corporation Graividii.

Calling attention to matters of 8-71 is very important. These are matters of urgent public importance.

Sri A. Bhagavanta Rao - It is informally ascertained from the Board that the instructions were given to set aside the revision made.
Mr. Speaker:— What is that the Minister has to say?

Sri G. Sivaiah:— Regarding famine condition in the State, the Government has offered only Rs. 8 lakhs for each district. I have received many reports about the draught conditions in my district.
Annual Financial Statement (Budget) 12th August, 1971. 379
for 1971 - 72.

In addition to that, I have seen practically, in Medak and Nizamabad
Districts serious conditions famine. For the last 3 days, I was on
tour in those districts. I am unable to express the conditions pre­
vailing there. It is horrible. People are coming and falling on our
feet telling us very sad stories while we were on tour. The Nizam­
sagar Tank is not having any water. The condition is very serious
there. Sr, this Rs. 8 lakhs per district will not be sufficient. There­
fore, steps should be taken on a war-footing against the drought in
Andhra Pradesh.

Sri K. Brahmananda Reddy: Who said that Rs. 8 lakhs will be
sufficient? We have started this programme. We have initially
made some grants. In addition we have got money for crash pro­
grame of rural unemployement. So, it is our duty to provide as much
money as possible not only through our own resources but from the
Central assistance too.

there is no report of the situation in Medak District. Is there any
report about the situation in Medak District?

Sri Poolla Subbaiah: - It is not the question of supply but the question of rates.

Shri K. Brahmananda Reddy: - We are considering of giving one Kilo at one rupee. Even that involves subsidy. We have not come to a decision as yet and that will be considered separately.
