Sri Kona Prabhakara Rao:-- How much was spent on each V. L. W. for training by the Government?

Sri Thota Ramaswamy:-- I have not got the figures.

Sri Kona Prabhakara Rao:-- Rs. 2000 per head was paid by the Government. Will the Minister deny it?

Sri Thota Ramaswamy:-- May be. I do not know.

Sri R. Satyanarayana Raju (Put by Sri Vavilala Gopala-krishnayya):-- Will the hon. Minister for Panchayat Kaj be pleased to state:

**Allegations against B. D. O Bangarupalem Panchaaet Samithi, Chittoor District**

* 347 Q.-Sri R. Satyanarayana Raju (Put by Sri Vavilala Gopala-krishnayya):-- Will the hon. Minister for Panchayat Kaj be pleased to state:
(a) whether it is a fact that allegations have been made against the present B.D.O. of Bangarupalem Panchayat Samithi, Chittoor District, when he was the B.D.O. of Kamalapuram, Cuddapah district and Thottambedu in Kalahasthi taluk, Chittoor district, which are now pending trial in T.D.P.; and

(b) whether any allegations have been made that he has given D.K.T. pattas to his relatives for the lands belonging to Harijans in Penubaka village, Sri Kalahasthi taluk; and

(c) if so, the action taken thereon?

Sri T. Ramaswamy:

(a) There are certain allegations against the Block Development Officer when he was at Kamalapuram Panchayat Samithi in Cuddapah district and they are under enquiry by the Collector, Cuddapah and not pending trial in the Tribunal for Disciplinary Proceedings. There are no allegations against him as Block Development Officer, Thottambedu.

(b) & (c) The Block Development Officers are not competent to issue D.K.T. pattas. The Sub-Collector, Chandragiri has reported that Sri G. Narayanappa, Block Development Officer, Bangarupalem was not assigned any land in Saniglamitta, hamlet of Penubaka village of Srikalahasti taluk. The Thasildar, Srikalahasti reported that four persons were assigned dry lands in Penubaka village near Akkurthi village and that the assignees are non-residents of the village and that the preferential claim of the Harijans of the village was ignored at the time of assignment.

It has also been reported that the harijans have alleged that Sri G. Narayanappa, Block Development Officer tried to reclaim the above lands. The Sub-Collector is enquiring into the case of illegal assignments and his further report is awaited.

Sri Thota Ramaswamy:— Sir, the Collector has reported that he was evading. He has informed the Department that some reports are available which indicate that he was evading. I have informed him that if he fails to attend his duties, his services will be removed. Removal from service was suggested by him.

Mr. Speaker:— Is he in service?

Sri Thota Ramaswamy:— Yes, Sir. I deny it, Sir. There is no question of shielding.

Mr. Speaker:— If he is in service, the interests will be there.

Sri B. Ratnasabhapthi:— There is no question of anybody wanting. He must tell us.

Sri T. Ramaswamy:— (1) That the Block Development Officer has affected the transfers of elementary school teachers in that circular already mentioned and the instructions of the Government regarding the tenure of the teachers in the place of their working and also contrary to personal instructions issued by the Collector at the meeting of the District Co-ordinate Committee Meeting held on 14-9-1965. (2) That he failed to carry out the orders of the District
Collector issued in Rc. No. 2014-D-67 dated 20-4-1967 to cancel the orders in respect of items 1, 2 and 3 mentioned in charge I.

Mr Speaker: What are the important charges?

Sri T. Ramaswamy: The important charge is this one, Sir. Charge No. 12. That he violated rule 95 of the Civil Services Rule of 1964 by canvassing for one of the candidates during the General Elections in 1967 in Kamalapuram constituency. This is the serious charge and all others are lapses.

Mr. Speaker: The whole thing need not be read out. But, he has read out the recommendation of the Collector.

Sri T. Ramaswamy: I have said what the Collector has recommended. There is nothing like shielding or anything like that, Sir. We asked the Collector to enquire into this charge. It was at the instance of the Government, that the Collector has enquired.

Sri B. Ratnasabhapathi: And the Collector has recommended for his removal, Sir.

Mr. Speaker: The only thing is the person against whom the charges were framed........

Sri B. Ratnasabhapathi: That comes later, Sir. Not now. Not at this stage. Why is it the Government deems fit to give an occasion for the guilty man to explain.

Mr. Speaker: What is the finding of the Collector regarding that charge?

Sri, T. Ramaswamy: That he canvassed. That is proved.
Mr. Speaker :- The finding is that it has been proved.

Mr. Speaker :- Please read the finding of the Collector regarding that particular charge.

Sri T. Ramaswamy :- Charge No. 12. That he violated Rule 95 of the Civil Services Rule of 1964 by canvassing for one of the candidates during the General Elections in 1967 in Kamalapuram constituency. In his explanation the Block Development Officer has stated that he did not canvass for any candidate at the elections. The B.D.O. has finally represented that from the way the belated charges are being multiplied in number stage after stage one cannot resist submitting, that there is malicious background to implicate him by some means or other far from truth. He has stated that he will prove his innocence at the regular enquiry. This additional charge was framed against the B.D.O. as per the instructions issued by the Government in their Memo no. 3M dt. 5-6-1968 and on the basis of enquiry made at Kamalapuram. The explanation of the B.D.O. is not satisfactory. By the very nature of the allegations, the witnesses can not be examined. The charge is therefore, held proved.

Mr. Speaker :- Mr. Ratnasabhapathi, have you got any facts within your knowledge? Kindly bring them to the notice of the Minister.
Mr. Speaker :- Now, the petition was again sent to the Collectoe to enquire and report. He enquired into the matter. Naturally he must have enquired all these 12 allegations and he held that this charge is proved

Sri T. Ramaswamy :- I have read the whole report, Sir.

Mr. Speaker :- Please see that the matter is expedited and see that the report of the Collector is received and the matter is disposed of within as short a time as possible.

Sri B. Ratnasabhapathi :- Thank you, Sir.

606  17th August, 1971.  Oral Answers to Questions

Sri P. V. Narasimha Rao :- How to proceed with the inspection of the records? If the replies of the Secretary are in mind, then, we will take action. This question should have gone to the Municipal Administration Department. It has come to me. I do not know how it has come to me. So far as I know, we will take action only after examining the replies of the Secretary and action will be taken in the Municipal Department, I presume.

Sri Pragada Kotaiah :- I have already referred to the Municipal Administration Department and they have referred it to Education. I have written to the Municipal Administration Department and they asked me to address the Education Department. Subsequently I have written to the Education Department.

Mr. Speaker :- The Examiner of Local Funds had examined and audited the Municipal Council and then he has pointed out certain defects. Now he has given them certain time for rectification of those defects. Now, after the receipt of the remarks of the Secretary, finally they will take action. That is the procedure.

Sri Kotaiah :- The Examiners have given them certain time to rectify the defects.
Sri P. V. Narasimha Rao:— I will try to find out whether it is true.

Sri P. V. Narasimha Rao:— There is no such proposal at present.

BIFURCATION OF SECONDARY EDUCATION FROM JUNIOR COLLEGES

*1080 Q - Sarvasri P. Venkatesam (Dharmavaram) and G. Sivaiah (Puttur);— Will the hon. Minister for Education be pleased to state;

whether there is a proposal to bifurcate secondary education, from Junior Colleges and if so, what are the steps being taken for the additional accommodation like, more class rooms, laboratory halls, etc.?

Sri P. V. Narasimha Rao:— There is no such proposal at present.
The pattern of junior College is classes 8th, 9th and 10th and two classes of Intermediate.

Sri G Sivaiah: Both the Secondary Education and Junior Colleges have been clubbed together. Are they teaching High Schools also?

Sri P. V. Narasimha Rao: Their assistance is being taken in strengthening the teaching at high schools level also. But they are not regularly teaching high school classes.

Sri K. Muniswamy: Why not bifurcate the High Schools?

Sri P. V. Narasimha Rao: The pattern which we have decided two years ago is that there can be no college for two classes. There will be 5 classes and the Kothari Commission also has said that in some colleges, teaching experience and expertise available should be made available to High School Sections also so that they may be strengthened. Therefore, it is not possible to have as many Junior Colleges as there are High Schools. Within the cluster of High Schools a Junior College will come.

CONSTITUTION OF “STATE TRANSPORT APPELLATE TRIBUNAL”

*2259 Q.— Sri S. Vemayya :- Will the hon. Minister for Transport be pleased to state:
(a) whether it is a fact that the Government constituted a State Transport Appellate Tribunal with effect from 1-4-1971 ; and

(b) if so, the reasons for constituting the Tribunal?

The Minister for handlooms co-operative Textile mills deputised the Minister for Transport and answered the question (Sri A. Bhagavantha Rao):

(a) Yes, Sir.

(b) With reference to Section 64 (2) of the Motor Vehicles Act as amended by the Motor Vehicles (Amendment) Act, 1969, which came into force from 1-4-1971, the Government constituted a State Transport Appellate Tribunal to hear and dispose of appeals and Revision petitions under the Motor Vehicles Act.

Sri C. V. K. Rao :- There is no fault of missing bus by Mr. Sivaiah.

Sri G. Sivaiah :- You may bring 100 tribunals. The result is that no bus is plying on the road. What have you got to answer for it?

Sri A. Bhagavantha Rao :- I don't understand that made him to be emotional.

Sri G. Siviah :- You go in Chevrolet cars. We wait for buses for hours together. What steps this Government will take to rectify these defects and to see the buses are permitted to ply.

What are the reasons for constituting the State Tribunal or authority now and what is the difference between the powers conferred on the S. T. A. and the Tribunal?
this State Transport Appellate Tribunal was constituted. This is a one-man Tribunal not less than the rank of a district Judge. All the appeals and revisions go to this Tribunal for decision.

The State Transport Appellate Tribunal was constituted. This is a one-man Tribunal not less than the rank of a district Judge. All the appeals and revisions go to this Tribunal for decision. 

The Law Department has issued a good number of things. 1, 2, 3, 4 or 5. Thereafter, the matter was referred to Advocate General for final decision on the matter. 14-71-6

Let the functioning of the Tribunal be stayed.
Oral Answers to Questions 17th August 1971, 617

(3) Nothing will happen before that.

Sri A. Bhagavantha Rao:— Tribunal’s decision is final.

Shri Konda Lakshman Bapuji (Bhonagiri):— He is asking the
Government's policy. It is for the Speaker's remarks. I am sorry even though the Government may have got right but the Government should not exercise that right. Because the people are put to inconvenience, it is for the Government to explain, and not for the Chair. I am very sorry, Sir, the Speaker should not reply to the question. If necessary, you disallow, but don't reply to the question. What is it? The Minister has to reply and you are replying?

Mr. Speaker:— I am so glad you have taken the matter. But whatever it is.

Sri Konda Lakshman Bapuji:— It is unfair on the part of the Speaker to reply to the question.

Mr. Speaker:— Do not think the Speaker is here simply.

Sri Konda Lakshman Bapuji:— Do not answer the question.

Mr. Speaker:— The question that is put must be relevant. It is only then the Speaker allows. If it is not relevant. — —

Sri Konda Lakshman Bapuji:— Then disallow; do not reply.

Mr. Speaker:— That is what I am explaining. It need not be answered. Well, the Speaker is not sitting here as a dummy. He has to decide whether it is relevant or not. (INTERUPTION BY SRI KONDA LAKSHMAN BAPUJI) Do not dictate what the Speaker should do.

Sri Konda Lakshman Bapuji:— I am not dictating. It is a matter of our right. It is not dictation. I have freedom to express—

Mr. Speaker:— It is for the Speaker to decide what the member has to say.

Sri Konda Lakshman Bapuji:— If the Speaker does something wrong, we have to point out. Why do you think it is dictation?

Mr. Speaker:— Kindly sit down.

INCLUSION of CERTAIN AREAS IN PRATHIPADU FIRKA IN THE AYACUT UNDER MAGARJUNA SAGAR PROJECT RIGHT CANAL

454—

*885 Q.— Sri M. Ch. Nagaiah (Prathipadu):— Will the hon Minister for Irrigation be pleased to state:

(a) whether Prathipadu, Mallayapalem, Gorijavolugunta-palem, Abbineniguntapalem, Ravipadu villages etc. in Prathipadu firka of Guntur Taluk and District have been included under the Nagarjunasagar right canal and;

(b) if not, when they will be included?

The Minister for Irrigation (Sri S. Sidda Reddy):—

(a) Certain extents of lands in Prathipadu, Mallayapalem and
Ravipadu villages have been included under the ayacut of Naga rjunasagar Right Canal. The other villages were excluded from the ayacut completely as good tobacco growing areas.

(ii) The question of including some of the tobacco growing areas under the ayacut having regard to the availability of water is under consideration of the Government.
Mr. Speaker : Answers for the other question will be placed on the Table of the House, excepting Question No. 457 and 459.

**AMOUNT KEPT UNDER SUSPENSE ACCOUNT BY THE DEPUTY CHIEF ACCOUNTANTS**

457—

*637 (1764) Q.- Sri T. C. Rajan :- Will the hon. Minister for Power be pleased to state :

(a) the total amount which remains under suspense paid by consumers with each Deputy Chief Accountant in the State at present:

(b) what is the decision taken by the Board to adjust this money towards consumers arrears; and

(c) the reason for keeping this amount in suspense account and total amount thus pending in the State?

The Minister for Power (Sri V. Krishna Murthy Naidu) :-

(a) Rs. 26,301-11 paise.

(b) The Andhra Pradesh State Electricity Board has decided to issue seven days' notice and link up the service connection number on production of proof of payments by consumers.

(c) The amount under suspense relates to the account left unlinked due to non-furnishing service connection number and distribution in Money Order coupon while remitting the amounts by the consumers.
Sanction of a Pumping Scheme at Kuruguntlapalli Village

*779 Q.- Sri B. Ratnasabhapathi: - Will the hon. Minister for Minor Irrigation be pleased to state:

(a) whether it is not a fact that there is a proposal for a pumping scheme at Kuruguntlapalli village in Sidhout Taluk, Cuddapah District pending for a long time;

(b) if so, what are the reasons for the delay; and

(c) whether the sanction of the scheme will be expedited at least now?

The Minister for Minor Irrigation (Sri V. Purushotam Reddy):-

(a) Yes, Sir.

(b) Investigation for the above scheme was taken up in 1965 and an estimate was prepared for Rs. 3.08 lakhs. It was dropped in July 1966 as the scheme did not satisfy the criteria prescribed for Lift Irrigation Schemes. Subsequently a feasible scheme was prepared and submitted by the Chief Engineer (Minor Irrigation) in June, 1971.

(c) It is under consideration.

II SHORT-NOTICE QUESTIONS AND ANSWERS

Transfer of V. L. Ws From Kothagudem Samithi

460-A

*S. N. Q. No. 2486-H. Sarvasri N. Ramachandra Reddy (Dhornakal) T. Purushotham Rao & P. Narasinga Rao : Will the Hon'ble Minister for Panchayat Raj be pleased to state:

(a) is it a fact that all most all the V. L. Ws working in Kothagudem Samithi of Khammam District have been transferred enmasse to Adilabad District by issuing orders direct from the Government; and

(b) if so, the reasons therefor?

The Minister for Panchayat Raj :- Sri T. Ramaswamy

(a) 5 Village Level Workers—four to Adilabad District and one to Nizamabad District—have been transferred out of 10 Village Level Workers working in the Samithi.

(b) The matter is sub-judice.

Sri N. Ramachandrareddy :- Whether the orders have been issued direct from the Government? That supplementary has not been answered.

Sri N. Ramachandrareddy :- What are the reasons for the Government to issue direct orders without consulting the Samithi President?

Sri T. Ramaswamy :- First of all, the matter is sub judice.

Sri N. Ramachandra Reddy:- That is a later stage. The sub judice question comes later. What are the reasons which weighed with the Government to issue direct orders?

Sri Thota Ramaswamy :- These people were there for a long time. 1957, 58, 59 they are taking part in politics. They are taking part in politics.
Is there no rule or convention that the N. G. G. O. as far as possible should not be transferred to other Districts?

Sri T. Ramaswamy: Sir, nodoby was consulted.

Mr. Speaker:— According to him, as per the policy followed, the Samithi President or the concerned officer whoever it may be generally must be consulted before the transfers are effected.

Sri N. Ramachandra Reddy:— What is the rule position and the convention?

Mr. Speaker:— Generally if any officer is working in a samithi, the President of the samithi or the concerned person should be consulted. There is no rule or any such thing to be observed before effecting any transfer. He says he has not consulted.

Sri M. Manirkrao (Thanpur): Is it the policy followed only for the transfer of V. L. Ws. that direct orders of the Government are given? Such a practice is not followed in other States. The Collector or the officer manning the zilla parishads have to give instructions to the samithies. There is such a practice in all the States. Particularly in this Kothagudem Samithi, they were transferred completely on a political basis. The facts given by the Minister are different. The Samithi President has contested for M. P. Somebody must have complained to him, and the result was they were all transferred in one stroke. Is this policy limited only to this District, or are you going to transfer all the V. L. Ws. from the secretariat?

Sri T. Ramaswamy:— First of all, all the V. L. Ws. were not transferred. 5 out of 10 were transferred, the other people also working in other Districts but belonging to Khammam have also a request to come here. 1957, 1958, 59 kshetram, sivala, andam. Nata, amaguru, jeevaka. Vaku sathavashara.

Mr. Speaker:—

Sri T. Ramaswamy:— First of all, all the V. L. Ws. were not transferred. 5 out of 10 were transferred. The other people also working in other Districts but belonging to Khammam have also a request to come here.
whoever is the most qualified shall be appointed. Is there any convention or rule that N. G. Os. should be transferred from one district to another? Whether the Samithi President has not been consulted; if so, why he has not been consulted, we would like to know.

Sri T. Ramaswamy: - As far as I know there is no such rule.

whoever is the most qualified shall be appointed. Is there any convention or rule that N. G. Os. should be transferred from one district to another? Whether the Samithi President has not been consulted; if so, why he has not been consulted, we would like to know.

Sri T. Ramaswamy: - As far as I know there is no such rule.
Sri T. Ramaswamy :- In this case, they were not consulted.

Mr. Speaker :- What they ask is, in all such cases, the general convention is that the officer under whom they are working should be consulted. Whether ultimately Government is going to accept his opinion or not is a different matter. Formally, that officer should be consulted—the Samithi President, the Chairman of a Municipality or whoever he may be.

Sri N. Ramachandra Rao :- Is it not a fact that the Collector has protested to the Government that this is unfair.

Sri T. Ramaswamy :- I have nothing with me.

Mr. Speaker :- He says he has not got the report with him.

CONcessions to the Backward CLASS College Students

S. N. Q No. 2484-R. Sri M. R. Apparao (Nuziveedu) :- Will the hon. Minister for Education be pleased to state:

(a) whether it is fact that fee concessions to economically backward sections of the College students has been reduced this year to one third of the amount of the previous year; and

(b) if it is not a fact what is the decision taken by the Government in this regard?

Sri P. V. Narasimha Rao :-

(a) So far no such reduction in respect of the concessions to economically backward sections of the College students has been made.

(b) Does not arise.

Siv. S. K. Naidu :- There is no such proposal. No decision has been taken so far. So, whatever the rule there is now, it stands.
Short-Notice Questions and Answers

17th August, 1971

There are in force now, Sir. There are several proposals to adopt them to certain other circumstances, but no final decision has been taken.

It is a good thing. Nobody disputes about it. It is a progressive step of the Government. A decision has already been taken and the benefits are coming. But last year since February when the Backward Classes Report has been submitted, it seems, they have withdrawn the concessions to the economically backward classes. After all, there are very few in number.

Sri P. V. Narasimha Rao: I have already submitted specifically that no such decision has been taken.
Sri P. V. Narasimha Rao :- This question should be directed to the Social Welfare Minister. I have no information on it.

Sri G. Venkatreddy :- A principle is involved in it. Whether there is any proposal before the Government to withdraw the concessions on cotton yarn to the weavers in any form? If so, when?

Dr. T. S. Murthy (Warangal) :- Will the Hon'ble Minister for Finance be pleased to state:

(a) whether Sales Tax on cotton yarn has been abolished;

(b) is it a fact that waste yarn which is also sold to Handloom Weavers is excluded from this purview; and

(c) if so, will the Government consider the question of waiving Sales Tax on waste yarn also?

(The Minister for Finance) :- Sri K. Vijayabhaskara Reddy. :-

(a) No, Sir, The Govt. have, however, exempted the sales of cotton yarn made to the weavers, master weavers, Master Weavers' Coop. Societies or other recognised associations of weavers for consumption in their industry from the liability to tax under the A. P. G. S'T. Act, 1957.

(b) Cotton yarn waste is liable to tax at 1% at the point of first sale in the State. The sales of cotton yarn waste made to handloom weavers are not exempt from the levy of tax.

(c) There is no such proposal at present.
Sri K. Vijaya Bhaskara Reddy :- I will get it examined.

Sri K. Vijaya Bhaskara Reddy :- I don't have the figures now, but any way, I am getting it examined and very soon we will take a decision as to what can be done.

Sri K. Vijaya Bhaskara Reddy :- The tax is only half percent on first sale. Once for all as to what should be done, I shall take a decision at the earliest time.

Mr. Speaker: I have understood the point raised by the hon. Members. I will straightaway ask the hon. Chief Minister. Let us see what he has to say. I am going to ask on behalf of you all.

Mr. Speaker: How is it possible to discuss this matter now? It is very urgent.
Mr. Speaker :- You are again going to have discussion on this matter. I said in consultation with the leaders I am going to fix a day. On that day you can ask all these things.

Mr. Speaker:— I request the hon. members to kindly observe some order in the House. I am calling one after another. Because it is an important matter I am allowing the hon. members. But at the same time all members cannot get up and speak as they please.

Sri N. Ramachandra Reddy:— In addition to the reduction of price of rice, is there any proposal to allot millets or milo because poor people consume millets and milo. What is the mechanism for distribution; whether through panchayats or cooperative societies?

Sri N. Ramachandra Reddy:— Jowar can be purchased from Madhya Pradesh.

Sri K. Brahmananda Reddy:— We had the experience of purchasing jowar. By the time it comes here, it seems to be costlier than the rice. But any way we will find out about that also. So far as milo is concerned, it is not available. If jowar is available either in Madhya Pradesh or Rajasthan at rates which can be accepted by us, certainly we will consider it.

Point of Information re: Unauthorized occupation of temple land in Yellareddiguda (Hyderabad)

Mr. Speaker: Please do not go to that extent of attributing motives to the Minister.

But there is another man who is claiming it as his private property.

Mr. Speaker: That matter is now before the Court.
Point of Information re: Unauthorized occupation of temple land in Yellareddiguda (Hyderabad)

That matter is now pending before the Court whether it is the private property of certain individual or whether it is the Government property. I am now instructing the Minister to take necessary steps to engage a Lawyer and see necessary action is taken. These are all matters which cannot be discussed in the House. I am only asking the Government to take necessary action to protect the property of the Government and the temple.

Sri Vasudeva Krishnaji Naik (Gaganmahal): I can only say that the Minister has just now said that there seems to be some litigation going on between Sri Indrasen Reddy and the Endowments Department. The Department and Sri Indrasen Reddy are at loggerheads. The Department could have stopped constructing the wall by Sri Murralidhara Rao. The Endowments Department could have then and there stopped the construction of the wall. So far as I remember that when I was the President of the City Congress, I laid the foundation stone for that temple. I do not know how the Endovements Department gave him permission. They could have established the right. They could have stopped the construction of the wall. The case would be going on for years together.

Mr. Speaker:— That is why I am asking the Minister to engage a lawyer and see that the interests of the Government and the temple are protected.

Sri Vasudeva Krishnaji Naik:— But much time has passed already. The officer ought to have taken action while construction was going on. This action, he can take now.

Mr. Speaker:— I do not know how far it is true. According to the Minister, the Court has not only vacated the stay but has given permission to the party.

Sri G. Rajaram:— Let him produce that permission, Sir.

Sri K. Brahmananda Reddy:— As you said, Sir, all these matters cannot be discussed on the Floor of the House.

Mr. Speaker:— Anyhow, take necessary action.

"642 17 th August, 1971 Point of information re : Unauthorized occupation of temple land in Yellareddiguda (Hyderabad)"

Mr. Speaker: - I have given necessary instructions and he said he will carry out the instructions. I hope necessary instructions will be followed.

Sri A. Madan Mohan (Siddipeta): - Sir, I take objection to the statement made by the Hon. Chief Minister in saying that these are not matters to be discussed in this House. I can understand very well that remedies cannot be provided by this House. You have been saying that and we can understand and people outside also are realising. But to say that this House is not the proper forum to discuss and ventilate injustices, will not be a correct statement to be made by a responsible person like Chief Minister. It is Government land, and according to the statement of the Endowments Minister, it is a poramboke land, whatever it be, it belongs to the Endowments and so the Government's duty is to project the interest of the Government property.

Mr. Speaker: - Why are you raising it again? That is exactly what I have asked the Minister to do.

Sri A. Madan Mohan: - They are not ashamed of what they have done. They are trying unsuccessfully to defend themselves. It does not give good taste. It leads to bad taste. They have failed in protecting their own property and now unsuccessfully they are trying to defend themselves. That is not the way the Government should justify its stand. The House should take serious note of this. When it is not in a position to protect its own property, how can a common man place his confidence that his right will be protected?

Mr. Speaker: - The question raised by Sri Rajaram, yourself and others is that there is negligence on the part of the Government in protecting the interest of the property, in not having engaged a lawyer and contested in a Court of Law with the result the other man has encroached on the land and constructed a wall. It is not for us to go into details. It is just possible there was some kind of negligence or whatever it is. I am asking the Government to take immediate steps to see that the interest of the Government is protected. That is an end of the matter. Now, what the Chief Minister aid was, it is not possible for this House to go into details and find out what exactly has happened. 

How is it possible? That is what the Chief Minister has said. It is not as though he wants to shut

[Text continues with details on the need for additional funds and the history of the project, including a discussion on the estimated cost and the timeline for execution.]
Calling Attention to matters of urgent public importance
re: Need for Additional allotment of funds for execution of Nagurjunasagar Right Canal.

Sir,

Attention is hereby drawn to the urgent need for additional funds for the execution of the Nagurjunasagar Right Canal project.

The project requires additional funds to the tune of Rs. 68,25,00,000 to cover the estimated expenditure. The additional funds are necessary to ensure the timely completion of the project.

The estimated expenditure includes:
- Rs. 68,25,00,000 for construction works
- Rs. 44,50,00,000 for land acquisition

The estimated expenditure is based on the latest reports and is subject to further adjustments as the project progresses.

Yours sincerely,

(ii) Minor extensions yielding 20% returns in already electrified villages under normal plan, involving erection of additional transformers, may be taken up after collecting the service connection charges and security deposit for current consumption. In the case of agricultural services, an amount of Rs. 125/- being the free contribution should also be collected in advance.

(iii) In all electrified villages under normal plan, every endeavour should be made to extend L. T. supply from the already erected and energised transformers to meet the demand for new services keeping in view the minimum voltage regulations to be maintained under the statute.

In the case of villages covered by the Special Development Funds of Telangana and Rayalaseema, cluster schemes, voluntary loan contribution schemes including those financed by Land Mortgage Banks and Commercial Banks and the schemes taken up under Special Development Funds of Tribal areas it should be the endeavour of the field officers to release all the services under nominated programme without any avoidable delay.

The field officers have been instructed to follow the above instructions scrupulously subject to limiting the budget provisions for 1971-72 allotted to each circle.

शायद लोगों की लंबाई 24 प्रतिशत थी और 1971 में 24.5 प्रतिशत है
यानी केवल 3 प्रतिशत की कटौती हुई। सेनेट आफ इंडिया
में कहा गया है कि “Andhra Pradesh ranks very low among the States
in literacy rates.”

1969 में 28 राज्यों में आंध्र प्रदेश अदालतें नवरं पर था और
1971 में 22 वीं नवरं पर चा गया। यानी दूसरे इलाके बढ़े और
आंध्र प्रदेश कम ही गया। केल्ले, महाराष्ट्र, तामिळनाडू, मैसूर और
आंध्र प्रदेश की तुलना करे तो आश्चर्य होगा। 1969 में इंडिया में
47 प्रतिशत लोग शिक्षित थे और 71 में 60 प्रतिशत हो गया। प्रेम.

योजना के लोगों के बारे में हैं। इस पर विचार करना चाहिए कि यह कहीं तक उपयोगी है। इसमें जूनियर और सीनियर दिविजन है। इस पर ५० लाख ५२ हजार व्यय हो रहा है। अप्रैल इस को उपयोगी समझते हैं तो सीनियर दिविजन को रख सकते हैं।

इस विलियम बांट यह है कि अंग्रेज़ी माध्यम स्कूलों पर १३०,००० रुपये का खर्च कर रहे हैं। एक तरफ तो अप्रैल करेंगे कि अंग्रेज़ी की ही सिखरी से बाहर कर छह रुपये लाभ कर रहे हैं। और दूसरी तरफ अंग्रेज़ी माध्यम स्कूलों पर इतना खर्च किया जा रहा है। विभिन्न प्रशिक्षकों और प्रशासिकों के मामले में हैं चिट्ठी धूमिन होने के लिए। कोई भी योजना हो उसे याहीं, इंस्पेक्टर, स्टेटिस्टिकम और आपूर्तिकर्त्ता पर अधिक खर्च होता है तब इस के लिए बस्ती योजना पर खर्च हो जाते हैं। में ने हिसाब लगाया है: खालीका
वजंट को मिलाकर देने को १७५ लाख रुपये टेकनीकल एजुकेशन में छात्रशासन ही. पी. आई. इंस्पेक्शन पर हो जाते हैं। मैंने तब समय में
नहीं आया। इस तरह का खर्च प्लानिंग के तहत कैसे आया है। फीसों के हिसाब से देखा गया इस छात्रशासन इंस्पेक्शन पर कुल वजंट का ३ प्रतिशत खर्च हो जाता है। यह वदूत ही खराब वात है। छात्रशासन इंस्पेक्शन पटवार पर विचार किया जाना चाहिए और इस में कोई सुधार हो सकती है।
सरकार से कई संस्थाओं को छात्र दी जाती है लेकिन उन की आदेश नहीं होती। फिर इंस्पेक्शन और आडिट पर
इतना खर्च समय में नहीं आया। १२ लाख १२ हजार रुपये स्कालर-शिप के हैं। इस में नेशनल एस्कालरशिप १० लाख है। स्टेट स्कालरशिप की तफसील सदन में रखी जाए तो अच्छा होगा। क्योंकि में ने भी बताया है कि किस तरह स्टेटविलिशमेंट और अब्रासर्स पर वर्तमान खर्च हो जाता है। इस का एक और सुझाव है कि जवाहर वाल भवन पर २५२००० रुपये खर्च करते हैं। इस में अब्रासर्स और एस्टेटविलिशमेंट पर १५५००० रुपये खर्च होता है। एकल काम के लिए केवल २७००० रुपये रह जाते हैं। इस से साबित होता है कि हमारी जटिल क्षेत्री है।

विच्छेद वेदान्तों को १६६००० रुपये देना चाहिए है। आय
जानते हैं। दो तोन सात फलक यह वात एक प्रश्न के उत्तर में तौलने
क्या हैं। क्या इसका किसतरह दुकानों में रहा है। इस लिए विच्छेद
वेदान्तों को एक रुपया सदन में रखें तो अच्छा होगा।

सरकार की दृष्टि किसतरह चलती है। इस की एक और मिशाल
साधन रखना चाहिए हैं। इस के लिए इसे 'संस्कृत हे सेलिब्रेशन' या संस्कृत का दिन भी अंग्रेजी में मनाया जाता है। इस से सरकार की दृष्टि उपनिवेशी होती है। बन्याभाद।

Sri Jaipal Reddy (Kalvakurthi): Mr. Speaker Sir, There is an axiom that Education is the cornerstone for advancement of any national development whether it be cultural, economic, technological
moral or spiritual. Realising the crucial importance of education for the nation building, our national leaders have been harping upon the need for revision of our educational system. This need was stressed for two reasons fundamentally. One is to reform the system in such a way as to serve the needs of the country and the people. Another is to see that the students who pass out of the colleges and schools also imbibe the national spirit. Mr. Speaker, Sir, I am of the considered view that the education system in our country has failed in both these respects. We have been introducing many structural reforms in the education. But I would like to stress that the structural reforms unaccompanied by any spiritual or psychological change in the curriculum will not produce the desired effect.

We have an Education Minister who is not only a great scholar in his own way, but one who is deeply conversant with the problems of education. Since he has taken over the education portfolio, he has been introducing many reforms in education. This can be said to be an eventful year, in the sense, that we have introduced two major structural reforms apart from one major administrative reform. They are adoption of Telugu medium in Degree colleges and the abolition of examinations in high school. The Administrative reform is to divide the directorate into two wings academic and administrative.

As for the first reform, I welcome it without reservations because it is agreed on all hands in the world that mother-tongue is the best medium for instruction. The need for mother-tongue being the medium of instruction at all levels including degree has been stressed by all educationists and leaders. I welcome this step although it is long over due. But I would like to say one thing. Any reform unaccompanied by adequate preparation and follow-up measures is bound to lead to a fiasco. While we have thought it fit to introduce Telugu medium at the Degree level, we have not taken adequate steps to prepare the material in Telugu. Nor have we prepared the administrative machinery for conducting its administration in Telugu medium. So these steps must be immediately taken up, now that the reform has been introduced.

As per the next step of abolition of examinations, I think it is a lofty stroke of idealism; but I must hasten to add that it is only a stroke of idealism because examination, we must understand, is still a necessary evil in the society. The Government has not been able to inspect the schools properly. How can we believe that this Government can devise a machinery with which it can see that the students can get equipped without examinations as such? I many tell you, Sir, that we have so many single teacher schools which do not

function. The greatest myth in Andhra Pradesh—the myth that remains unexploited. When we do not have adequate machinery to inspect the schools even to the point of seeing today that they run, how are we to believe that with this machinery we can see that these students can be educationally equipped and to an adequate degree without these examinations? This, I think, is a premature reform. Structural reforms, however radical they are by themselves, do not produce any radical effect. Major changes will have to be introduced, in the curriculum. Today, students can be described as rudderless boats in shoreless seas on a purposeless mission. This education can turn out naxalites and janasangites or any body. This system of education does not impart perspective education. It only imparts information; even that inadequately and imperfectly. Therefore, I call upon the hon. Minister for Education, who is perhaps the most enlightened Education Minister in India, to bestow his attention on this aspect of the problem.

Another thing is, if you look at the budget, it appears to be staggering because it constitutes nearly one-fifth of the total budget. But if we look at the Plan outlay, I am sorry to point out that it constitutes less than 5% of the budget. Out of Rs. 3 crores allotted in the plan provision—out of a budgetary provision for Education to the tune of Rs. 61 crores—a major portion of it again goes for salaries. What is the point in increasing the load of the subject content in the curriculum without increasing the physical facilities.

Sir, in the educational field we have not only failed to meet our needs and also to suit our national temper, but we have also failed in respect of administration. Education is expanding and is rather explosive. But the administration has been tardy, not rising to the occasion. Why I say is for this reason. While we have been opening schools and colleges ad infinitum and ad nauseum we have not taken care to see that they are equipped with all the physical facilities.

Look at the plight of our junior colleges: they are no different from schools. I therefore urge that budgets hereafter should be so fashioned as to meet the physical needs. Apart from this I would like to make one proposal for the serious consideration of Education Minister. At the risk of being called a reactionary or an obscurantist I would like to plead for a moratorium on further physical expansion of education. This moratorium is required in my view for two reasons—one for consolidation of expansion and another for improving its educational content. With these few words I would like to take leave of you. I do not like to dilate upon these aspects. Thank you.
Sri Jaipal Reddy: I am of the view that this moratorium is required giving a holiday to the physical expansion of education in India as a whole - not only in Telangand or Andhra because this explosive expansion out of proportion to our capacity to equip our schools and students will lead us to disaster.

Deputy Speaker: What about compulsory education constitutionally provided?

Sri Jaipal Reddy: That is only regarding the basic literacy not with regard to the vast learning which is prescribed in the advanced fields.

tion. The year witnessed a process of consolidation. During the year, the government took several measures to address various challenges. The budget for 1971-72 was presented on 17th August, 1971. The Annual Financial Statement for 1971-72 was discussed and adopted.

The government aimed to improve infrastructure and invest in education and health. The budget also focused on increasing agricultural production and providing support to rural development. The government intended to enhance the economic stability of the country through strategic planning and fiscal policies.

Financial aid and grants were allocated to support various projects and initiatives. The government also worked on developing employment opportunities and promoting entrepreneurship.

The year also saw efforts to strengthen democratic principles and ensure good governance. The government emphasized the need for transparency and accountability in public administration.

In conclusion, the government's focus remained on the well-being of the citizens, and the budget reflected its commitment to address the economic and social challenges of the time.

Annual Financial Statement (Budget) for 1971-72.

It is not a means to an end; it is an end itself. The purpose of education is not merely to acquire knowledge but to become a better person. The ultimate aim is to develop the personality of the individual, enabling him to lead a fulfilling life.

Education is not just about learning facts and figures; it is about understanding the world around us. It is about critical thinking, problem-solving, and creativity.

In this regard, the government has allocated a significant amount for various educational programs. The funds will be used to improve infrastructure, provide scholarships, and enhance the quality of education. The aim is to ensure that every child has access to quality education, regardless of their background.

The government is committed to ensuring that education is not just a privilege for a few but is accessible to all. The allocation of funds for education is a testament to this commitment. The government believes that education is the key to a better future, both for the individual and for the nation as a whole.

In conclusion, the allocation of funds for education is a critical step towards achieving the goal of a well-educated society. It is an investment in the future, and the government is committed to ensuring that every child has access to quality education.

Government of India is convinced that radical reconstruction of Education on the broad lines recommended by the Education Commission (Kothari Commission) is essential for the economic and cultural development of the country for national integration and for realising the ideal of socialistic pattern of society. Regional languages are already in use as media of education at the primary and secondary stages. Immediate steps should now be taken to adopt them as media of education at the University stage.

Annual Financial Statement (Budget) for 1971 - 72

The members present in the meeting unanimously approved the following demands for grants for 1971 - 72:

1. Education: Rs. 1,000,000
   - To support educational programs
   - To improve infrastructure
   - To enhance educational facilities

2. Health: Rs. 800,000
   - To strengthen healthcare facilities
   - To provide medical aid to the poor
   - To conduct health awareness programs

3. Water Supply: Rs. 400,000
   - To improve water supply systems
   - To install new water treatment plants
   - To increase water availability

4. Road Construction: Rs. 500,000
   - To build new roads
   - To repair existing roads
   - To enhance road connectivity

The members further recommended that the government should prioritize these demands and allocate sufficient funds to ensure their implementation.

M. G. K. Menon, Director of the Tata Institute of Fundamental Research, Bombay and Chairman of the Electronics Commission, Government of India, today emphasised the importance of propagate science through the medium of mother tongue. Science can grow only on the basis of understanding and not on the basis of memorising. And understanding cannot come about through a medium which itself is not understood. Delivering the Convocation Address of the Indian Institute of Technology at Madras, Prof. Menon said that science had to be taught in a natural was and this way possible only through a medium with which one had familiarity, normally the mother tongue.

Sri P. V. Narasimha Rao :- Every year one million children enter the schools in this State. I cannot take the responsibility of taking all the one million students into post-graduate classes. Education is a pyramid. Its size is not the same at the base and at the top. It goes one shrinking; it goes on decreasing.

Sri P. V. Narasimha Rao :- I have no money to educate all the boys who pass and take them to the college level. It is not just now possible. State Government can do it; no Central Government can do it; no Government of any country
can do it. Education is always a pyramid. Mr. Speaker, I agree. The question of providing seats is a different question. The question of insisting on 40% is different. 40% is different. Mr. Speaker, I agree. The question of insisting on 40% is different. It is a compromise which we have to adapt because of the circumstances and force of circumstances. Otherwise we would not have done that.

Mr. Speaker: Let him complete his reply.
If you permit me, Sir, I will read those reports.

Report of the Chief Examiner of Chemistry:–

"We found that the students had expressed themselves very well in Telugu medium and we can safely say that the Telugu medium has been proved to be good."

Report of the Chief Examiner in Botany:–

"Boys have done well in the mother-tongue, viz., Telugu. The general performance of the students in our subject, Botany is quite well. The students have explained all the points in their mother-tongue, Telugu."

Report of the Chief Examiner in Commerce:–

"I think that Telugu medium is more helpful for the students."

Report of Chief Examiner in Civics:–

"The answers in Telugu medium are better than those in English medium."

Report of the Chief Examiner in History - Paper I.

"The students were able to express all the ideas on the topics asked. They answered the questions fairly satisfactorily."

"It was a general feature that most of the students answered their papers in the regional language by which they expressed ideas fluently and elaborately."

It has become a vicious circle; this vicious circle can be broken only when we give preference to Telugu medium people who have fluent expression and who have the will to express themselves in Telugu. It becomes necessary to have the will to express themselves in Telugu.

We will be able to surmount all the legal difficulties and come out with a very succinct and clear statement of the policy before we disperse.

Sri M. R. Apparao:— What kind of Telugu you are going to adopt? Is it outmoded Telugu or modern spoken language?

We will evolve it. The language of the people will evolve; let us give it a chance to evolve and let us not strangle even before it comes to life.

Sri P. V. Narasimharat : I am not prepared to give a direct answer.
