[ Contd. on 3rd Cover ]
Sri D. Venkatesam (Kuppam) — Sir, before the commencement of the meeting, I would request that the new Council of Ministers may be introduced to the House.

Mr. Deputy Speaker — When they answer questions, possibly you will know it.

Sri D. Venkatesam: — Since more number of Ministers are now there, kindly arrange to see that the Ministers are introduced.

Mr. Deputy Speaker: — I have not seen any convention of that type. While answering questions, they will get introduced. There are about 13 Ministers who are answering questions today and that by itself will be a self-introduction to you.

Sri R. Mahananda (Darsi): — There are some new faces and it will be a good thing if they are introduced to us.

Mr. Deputy Speaker: — I don't think there is any necessity for that. The Ministers are known to one and all.

Sri D. Venkatesam: — The Assembly members are known to us, but there are some Council members whom we do not know. Now we are able to see 25 Ministers at a time some of whom we do not know. Because the names of the Ministers were announced in 4 lists, we were not able to meet all the Ministers at a time. I would reiterate my request that all the Ministers may be introduced to the House at a time.

Mr. Deputy Speaker: — I don't think a convention of that type can be established newly.
Sri S. Vemayy (Sarvepalli):— More than the question of their being introduced to us, we would like to know the portfolios of each Minister, so that we may be able address the proper Ministers when any matter has to be brought to their notice.

Mr. Deputy Speaker — All right. The Chief Minister will arrange for that.

If you permit, I would like to solicit the House to have a debate on it for an hour or two on any day convenient.

Mr. G. Lachanna — We welcome the offer. Sir, you may kindly arrange a debate.

Mr. Deputy Speaker — Then, there will be no supplementaries on this question and we can try to cover the other questions.

Sri C. V. K. Rao (Kakinada) — You can't run away and cut short supplementaries on this question by saying we are going to have a debate. You can't sidetrack supplementaries just because we are to have a debate.

Mr. Deputy Speaker — We can utilise the time for other questions and have an exhaustive discussion on this subject for one hour. We are meeting at 11:30 A.M. in the Committee and will allot time.

Sri Kona Prabhakara Rao (Bapatla) — The debate is with regard to medium of instruction, but there are other things which have not come out. But the Chief Minister is pleased to say he is ready for a debate explicitly on the question of medium of instruction, whether it should be Telugu or English.

Mr. Deputy Speaker — Possibly, the other points could also be covered in the debate.

Sri Kona Prabhakara Rao — There are 8 points included in the students' demands, one of which is the medium of instruction. But according to the Chief Minister we are going to have discussion only on the medium issue.

Sri P. V. Narasimha Rao — This question pertains to the medium of instruction, and not with regard to the other points contained in the memorandum. How do other things arise out of this question.

I am just noticing that at least a dozen hon. members want to put supplementaries.

I will get the information and place it before the House.
Mr. Deputy Speaker:— When you desire that a discussion should be had for one or two hours, these things could be covered.

Sri P. V. Narasimha Rao:— They could be covered.

Mr. Deputy Speaker:— We will allot time for one hour.

Sri C. V. K. Rao:— Therefore, that cannot form an exception. We will have a full dressed discussion.

Mr. Deputy Speaker:— The hon. Members can spare the time for other question and this could be taken up at the time of debate, along with other points.

Sri C. V. K. Rao:— On a point of order. Supplementary arise from the answers that the hon. Minister gives, but the debate arises from the topic that is set there. So, there is no relationship whatever. Therefore kindly give a ruling

Mr. Deputy Speaker:— There is no point of order and there is no ruling.

Sri C. V. K. Rao:— Kindly permit us on this issue of capitation fees. Time and again...

Sri P. V. Narasimha Rao:— I have requested a debate on the medium of instruction and I would be grateful if the debate is allowed for one hour or two hours as you may be pleased to direct. This is confined to the question of medium of instruction and that would give more time to hon. members to express their views in the matter. In a matter like medium of instruction, I do not recognise any political meanings of political parties. We are here to take up this policy and implement it and therefore, we would like to have a clear directive from the House. I would be grateful if that debate confines itself to the medium of instruction. About the other matters, there may be other types of interpellations allowed under the Rules.

Mr. Deputy Speaker:— We shall decide it in the Business Advisory Committee.
Oral Answers to Questions.

Sri C. V. K. Rao:— On a point of order, Sir. Whether the Chair can interrupt when Supplementaries are being put; whether a debate on supplementaries can be allowed.

Mr. Deputy Speaker:— There is no point of order, because I have not checked anybody's supplementaries. There is no point of order because I have not stopped anybody putting supplementaries. I just desired that because there is an opportunity for two hours discussion.

Sri C. V. K. Rao:— The new Chief Minister is a cunning man. He wants to sidetrack the issue by asking for a debate.

Mr. Deputy Speaker:— If hon. Members still feel that supplementaries should be allowed till 10 'O' Clock, I can go on. But I suggest to the hon. members that there is going to be an opportunity for two hours discussion and this time could be allowed for other questions which are equally important. If hon. members feel that they want supplementaries I have no objection also. I want the hon. members to say.

Sri G. Sivaiah:— The hon. Chief Minister said that the students have called off the strike. But I have read in the Press that the students of Sri Venkateswara University in Tirupati and other areas have decided to continue the strike. Can he say anything about it?

Sri P. V. Narasimha Rao:— I have nothing to add to what I have read in the newspapers. I do not know whether the strike is continuing and if so for what reasons and on what grounds. I have no information.

Answer to Item (B):— The suggestions made by the State Government are —

1) The Bill for inclusion of certain communities in the list of scheduled tribes, which lapsed due to dissolution of the Lok Sabha, be revived.

2) The Central Government should undertake immediately a fresh assessment of the total resources to be committed for Social Welfare Projects in the Central Sector, and higher allocations sought for in the Fourth Plan even by pruning of other sectors.

3) The Centre should decide as a major measure of policy to embark on massive house construction in favour of Scheduled Castes and Scheduled Tribes on a substantive subsidy basis.

4) The Central Government should provide requisite funds for the immediate and massive development programmes undertaken by the State Government and have to assume direct responsibility for the development of scheduled areas.

5) There is need for evolving and implementing a firm policy for preferential credits in favour of weaker sections by all the approved credit agencies like Reserve Bank of India, L I. C. etc. to facilitate reservation of allotments and lower rates of interests.

Sri K. Bheem Rao:— All the recommendations and suggestions which the State Government have received will be considered by the Director of Tribal Welfare and I hope very soon action will be taken.

Sri K. Govinda Rao:— A statement may be made by the Minister about housing federation, what they are going to do in the next few months. Therefore, a statement may be made by the Minister before the end of the Session. That is our request—about the Scheduled Castes Federation Housing Society.

Sri P. V. Narasimha Rao:— On the point raised by the hon. Member, we will make a detailed statement after some days, because the matter is still in the initial stages. We would like to give a special impetus hereafter. We will make a statement.

Government Bills.

Sri P. Basi Reddy — The fact is this During my absence, hon. Sri Sidda Reddy gave notice on my behalf The subject is mine and so I am moving the Bill.

Sri Vavilala Gopala Krishnayya,— That is not the point concerning us Our point is the hon. Minister in charge of a certain portfolio must send the resolution or Bill on his subject without prior approval The Speaker in his discretion has accepted it.

Mr. Deputy Speaker,— I am least concerned about the prior approval. The Speaker in his discretion has accepted it.

Sri Ch. Rajeswara Rao:— You cannot allow that

Mr. Deputy Speaker,— Now that I have allowed I think the hon. members will...
Government Bills.  

Mr. Deputy Speaker — Leave to introduce on behalf of so and so.

Why it should be moved in the name of Sri Sidda Reddy who is not holding the port-folio?

Mr. Deputy Speaker: — It is said in the Rules: “Any Member or member incharge of the Bill desiring to move for leave to introduce a Bill.

Any member means, member incharge of the subject.

Any member or member in charge of...
the Bill will have to give notice of the Bill.

Sri A. Madhava Rao:— A member or member in charge means this. A member in ordinary parlance means a member of the Assembly. Member in charge means a Minister. As a member has he given notice or as a Minister? As a Minister he has done this I am not able to understand Mr. Prabhakar Rao As a Minister has he done it or as a member has he done it?

Mr. Deputy Speaker:— As a member or Minister he has got a right according to the Rules.

Mr. Deputy Speaker:— Any member or member in charge of the Bill.
Mr. Deputy Speaker — I will find out.

Smt J Eswari Bai — He is a Minister. He is not a member of this House.

Mr. Deputy Speaker — I can understand that he is not a Member. Whether he can do it or not is a point which has been rightly raised. But now that it is for leave to introduce, I would request the hon. members......

Sri P. Subbiah — How can it be? As per rules, the member in charge is not there.

Sri P. V. Narasimha Rao — "Member in charge of a Bill means - in the case of a Government Bill, the Minister introduc-
The Andhra Pradesh Excise (Amendment) Bill, 1971

cing the Bill or any other Minister on his behalf.” “This is the

definition of member in charge.” What the Minister in charge
can do any other member can do on his behalf.

Mr. Deputy Speaker— In the case of a Government Bill, the
Minister introducing the Bill or any other Minister on his
behalf can do it.

(Sri A. Madhava Rao :— Where is it?)

(Sri P. V. Narasima Rao :— “On his behalf” need not
be there, it is there built into the definition.

Sri A. Madhava Rao :— Let us have a clear-cut opinion on
this. It is Mr. Sidda Reddy, not “on his behalf”.

Sri P. Basi Reddy :— Mr. Sidda Reddy has signed the
notice as Minister for Irrigation

Sri A. Madhava Rao :— This is a Bill relating to Drainage
Cess. Mr. Basi Reddy himself has said that on his behalf
Mr. Sidda Reddy introduced it. The question is whether on his
behalf, Mr. Sidda Reddy has done it.

Sri P. Basi Reddy :— My contention is, any other Minister
can give notice on my behalf.

(Interruptions)

Sri P. Basi Reddy :— The notice is not there, but it must
be deemed to be on my behalf.

Sri A Madhava Rao :— What is the rule under which you
are saying that?

Sri P. Basi Reddy :— The very fact that he signed the
notice as Minister for Irrigation shows that he has signed the
notice on behalf of the Minister for Drainage.

Sri A. Madhava Rao :— I am so sorry; let us have a clear-
cut opinion, because it will be a precedent, “Any member in
charge of a Bill desiring to move for leave to introduce a Bill;
firstly, he must be in charge of the Bill, the question is whether
Mr. Sidda Reddy is in charge of the Bill, he is not in charge of
the Bill, apart from it, what the Chief Minister has said is that
any Minister can introduce any Bill and it will be deemed as
a Bill introduced “on his behalf” In this case, firstly, Mr Basi
Reddy himself stated that he instructed Mr Sidda Reddy to
introduce the Bill.

Sri P. Basi Reddy :— That is not correct.

Sri A. Madhava Rao :— Notice also has been given by
Sidda Reddy on his own account.
Government Bills 23rd November, 1971. 47

Sri P. Basi Reddy — Mr. Sidda Reddy gave the notice on my behalf.

Sri A. Madhava Rao — What is the proof?

Sri P. Basi Reddy — Please see the definition.

Sri Vavilala Gopalakrishnayya — "Member in charge of a Bill means,— in the case of a Government Bill, the Minister introducing the Bill or any other Minister on his behalf." Agreed. How the Minister introducing the Bill — who is introducing? Notice please of "Member in charge of Irrigation excluding Minor and Medium Irrigation and Drainage and Flood Control.”

Deputy Speaker — It has got an implied meaning that he is signing on behalf of a Minister.

Sri P. V. Narasimha Rao — I would like to draw your attention to the definition. "Member in charge of Irrigation excluding Minor and Medium Irrigation and Drainage and Flood Control." That is their internal problem; you need not be bothered about it.

Sri A. Madhava Rao — It is an external problem for us.

Sri P. V. Narasimha Rao — Definition is very clear.

Sri A. Madhava Rao — For us it is not so clear.

The Andhra Pradesh Electricity Supply undertakings (Acquisition, Extension and Amendment) Bill, 1968.
Mr Chairman, Sir, I have got one serious doubt which has to be cleared by the hon Minister for Power. In the Financial Memorandum, there is reference to the payment of compensation. Further, it is stated that the amount of compensation will be determined under Section 5 of the Principal Act. Later, it is stated that unless the accounts of the licence are properly audited and the basis of compensation determined, it is not possible to say what exactly would be the expenditure. Section 5 clearly lays down certain principles whereas it is said here the expenditure is not capable of being determined unless the accounts of the licensee are properly audited and the basis of compensation determined. Therefore, without knowing what compensation we need have to pay and the basis for paying the compensation, etc., it is not advisable to bring such bills. Secondly, when the Government thought of bringing this Bill, is it not possible for them to have an assessment about all those things and give us the figures. Without giving us proper figures, they ask us to vote for this Bill. It is not possible. It is possible for the Government to place all the facts before the House and since for reasons best known to them they are not placing them before the House I oppose the Bill, Sir.
