ALLOTMENT OF CARS TO ELURU TAXI DRIVERS 
CO-OPERATIVE SOCIETY

653—

*4048 Q.—Sri A. Srimulu—Will the hon. Minister for Transport be pleased to state

(a) whether the Eluru Taxi Drivers Co-operative Society has applied for allotment of cars from Government quota, if so the date of the application,

(b) whether the allotment has been made, if so, the number of vehicles allotted, and

(c) the procedure being adopted in giving priority in the allotment of cars?

The Minister for Transport (Sri J. Chokka Rao)—

(a) The need not put in an application of allotment of cars. The criterion for allotment of Motor Taxi cars is for the date on which 10% cost of cars is sanctioned by Government to the taxi drivers co-operatives.

(b) Two Ambassador cars were allotted from the quarter ended 31.12.73.

(c) The policy laid down by the Government for allotment of cars for taxi trade from the quota is as follows:

(i) 40% to the twin cities of Hyderabad and Secunderabad, 40% to the district and the remaining 20% to the unemployed Engineering graduates, graduates in Agriculture Sciences and other graduates if any come forward will be allotted.

(ii) Of the 40% intended for the twin cities of Hyderabad and Secunderabad, and 40% intended for districts as per clause (i) above, 80% will be allotted to the Co-operative Sector and the remaining 20% to the private sector.

(iii) Out of 80% allotted to the Co-operative Sector, 50% will be set apart for tourists and the balance will be given to the co-operatives. In the allotment of 50% for tourists preference will be given to those who would need replacement having earlier obtained taxi cars and next preference will be given to co-operatives.

(iv) If the unemployed educated persons referred to in clause (1) above form themselves into Cooperative Societies, the 20% of the quota intended for them will be allotted to such Societies.

(a) the number of beds in the Gandhi Hospital Secunderabad,
(b) whether the Government are aware that many of the in-patients are being kept in Verandahs and that they are exposed to cold
sun and rain and
(c) the measures Govt propose to remedy the situation?
(The Minister for Health and Medical (Sri K Rajamallu) —
(a) 564 (including 32 beds for Family Planning)
(b) & (c) Due to paucity of space, and increase of inpatients
some beds are kept in the Verandah But there are chucks for pro-
tection against sun and rain the situation may improve as and
when additional wards are constructed depending on the availability
of funds

Government is also not
satisfied with the present structure of the building Government is
taking necessary care and Government is very serious that something
is done to improve the condition of the accommodation and other
things

Accommodation means, you are going
to shift the hospital to somewhere
accordingly...

Government is also not satisfied due to paucity of
funds...
Sri M Omkar (Narasampet) — Is there any provision in the Budget to improve the conditions of Gandhi Hospital?

Sri K Rajamallu — Certainly, we find some provision to see that something is done to repair and also to improve the hospital.
Establishment of a Super Thermal Plant at Ramagundam

655—*32/4 Q.—Sarasvati V. Sri Krishna and Nallamreddi Srinivasulu Reddy—Will the hon. Minister for Power be pleased to state

(a) whether the Central Government proposes to establish a Super Thermal Plant at Ramagundam and

(b) if so the optimum generating capacity of the said plant?

The Minister of Power (Sri G. Rajaram)—(a) With a view to setting up large thermal stations of more than 1000 MW capacity under the Central Sector at places which can yield maximum techno-economic advantage Government of India have constituted a Site Selection Committee for investigation and selecting suitable sites. One such station being considered by the said committee is in Ramagundam area in Andhra Pradesh.

(b) About 2000 MW.
The report of the site selection Committee is awaited. The State Government is very much alive to the situation.

Kothagudam Thermal Power Station

656—

3447-(0) Q. Sri Nallapareddi Srinivasul Reddy—Will the hon Minister for Power be pleased to state

(a) when will the III, IV and V Phases of Kothagudem Thermal Power Stations be completed, and

(b) the reasons for delay in the execution?

Sri G. Rajaram—(a) The Kothagudem Thermal Power Station III Stage and Kothagudem Thermal Power Station IV Stage are expected to be completed as follows

(1) Kothagudem Thermal Power Station III Stage (2 units of 110 MW each,
First unit shortly, and the second unit six months after commissioning of the first unit
(2) Kothagudem Thermal Power Station IV Stage (2 units of 110 MW each)

First unit by the end of March 1977, and the second unit by the end of October, 1977

The scheme report for Kothagudem Thermal Power Station V Stage has been received from the Andhra Pradesh State Electricity Board and it has to be sent to the Planning Commission for technical clearance

(b) The first unit of Kothagudem Thermal Power Station III Stage was scheduled to be commissioned in July, 1973. But due to delay in receipt of materials, shortage of steel and other difficulties encountered during erection and trial operations, the commissioning of the first unit got delayed.
Supply of drinking water to Twin Cities from Srisailam Project

O57—

3270 Q—Sri V Sri Krishna—Will the hon Minister for Municipal Administration be pleased to state

(a) whether the Government is contemplating any scheme for the supply of drinking water to the Twin Cities from the Srisailam Project, and

(b) if so, whether any estimates were prepared?

The Minister for Municipal Administration (Sri Challa Subbarayudu)—

(a) Yes, Sir,

(b) The rough estimate of the cost of the scheme for bringing water from Srisailam Project to the twin cities is Rs 91.7 crores. The Government have sanctioned a circle with two divisions on 27-12-1973 for investigation and preparation of the estimate etc.

In addition to all these things, we are also examining if we can draw additional water from Manjira to feed Himayatsagar and OsmanSagar. We are examining it as to whether it can be stabilised to give relief to the twin cities.
The same silt problem will be faced what we are facing now in Nizamsagar. However, we will examine in what other ways we can augment the under supply to the twin cities.

Sri Syed Hasan (Charminar)—During the President's regime, there was a move to get drinking water from Nagarjunasagar and the Adviser had committed also. Has this been shelved because it is not feasible?

Sri Challa Subbarayudu—So far as tapping Krishna water is concerned, whether it affects the irrigational interests of Rayalaseema—that I do not think it means much quantity—that aspect has not thoroughly examined yet.

Sri Syed Hasan (Charminar)—Tapping from Nagarjunasagar and upper Krishna would cost more. That is why ultimately it is decided to tap it from Srisailam Project.
Oral Answers to Questions 29th June 1974

Sri Syed Hasan — According to the Minister’s statement now it is confirmed that a decision has been taken to get water from Srisailam. How long would it take to build this project?

Sri Challa Subbarayudu — It is under investigation. So far as the cost is concerned, if we get from upper Krishna, it costs 1.30 crores of rupees and if we get from Nagajunasagar, it costs Rs 11.8 crores. As such, tapping from Srisailam project is less costly.

Sri Syed Hasan — How long will it take?

Sri Challa Subbarayudu — I cannot say. It is under investigation.

Development of Edupayala Devasthanam as Tourist Centre

658—*4356 Q - Sri K Ramachandra Rao (Burugupudi),— Will the hon. Minister for Tourism be pleased to state
(i) whether there is any proposal with the Government to develop the ‘Edupayala Devasthanam’ near Medak as Tourist centre in view of its natural beauty,

(b) if so whether any amount has so far been sanctioned, and
(c) if not, whether the Government will immediately take up the programme for developing the said place?

*The Minister for Tourism (Dr Ch Devananda Rao)
(a) No, Sir,
(b) Does not arise
(c) Very limited funds have been provided for Tourism. Therefore it is difficult to take up the programme to develop the place immediately.

Upgrading the P G Centres at Warangal and Guntur

659—*3662 Q - Sri Nissanka Rao Venkataratnam (Guntur-II),— Will the hon. Minister for Education be pleased to state
(a) whether there are any proposals to upgrade the P G centres of Warangal and Guntur into independent Universities, if so when, and
(b) whether it is under contemplation of the Government to affiliate these P G Centres to the Central University to be situated in Hyderabad?
The Minister for Education (Sri M V Krishna Rao) —

(a) Proposals for converting the Post-Graduate Centres at Warangal and Guntur as Universities are under consideration of Government.

(b) No, Sir.
Mr Speaker — I am not objecting. But you have given it to me just five minutes before my coming in to the House. I have not even read it fully. I have sent it to the office. They will examine it and it will come before you. Then you will have time.

Mr Speaker — I have got their letter. I am sending that copy to you. You better see and later.

Sri C V K Rao — That is a letter addressed to you, is it not, Sir?

Mr Speaker — I am sending a copy of that letter to you.

Sri C V K Rao — It is a procedural thing that I have given a notice of privilege. It is an important thing. That has been referred

to the All India Radio Director. It is also fit and proper at this stage that what the Director of All India Radio has to state should come before the House. It is not just a matter concerning me alone.

Mr Speaker — I will take it up on Monday.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

(i) re Non-payment of Salaries to the Rural Medical Practitioners
Calling attention to matters of urgent public importance

re Non-payment of salaries to rural medical practitioners

Sr, K. Rajamallu—Sir, The Rural Medical Practitioners and Maternity Assistants working in the subsidised Rural Ayurvedic Dispensaries are not fulltime servants of the Government. They are being appointed on a contract basis on a fixed subsidy.

2. The payment of subsidy to Rural Medical Practitioners and Maternity Assistants working in the subsidised Rural Dispensaries will be made by the concerned Panchayat Samithis, after obtaining sufficient funds from the Director, Indian Medicine and Homoeopathy.

3. In terms of G.O. Ms No 3577/Health dated 21-11-1964, the Director, Indian Medicine and Homoeopathy has to accord sanction for release of funds to the concerned Panchayat Samithis for payment of subsidy to Rural Medical Practitioners and Maternity Assistants, working in subsidised Rural Dispensaries of Indian System of Medicine, after obtaining the proposals from the Panchayat Samithis in a prescribed proforma with the following information: The Panchayat Samithis are expected to send their proposals for release of funds by the end of May every year.

1. Utilisation Certificate for the funds released during the preceding year.

2. Names of the Rural Medical Practitioners and Maternity Assistants.

3. Names of the subsidised Rural Dispensaries.

4. After receipt of the proposals from the Panchayat Samithis, required funds have to be allotted by the Indian Medicine Department through the Director of Treasuries and Accounts, Hyderabad, who will authorise the concerned treasuries to adjust the amounts to the account of the concerned Panchayat Samithis. For Administrative convenience both for the Director, Indian Medicine and Homoeopathy, as well as for the Director of Treasuries and Accounts, the Indian Medicine Department has been releasing funds after consolidating proposals from Panchayat Samithis at a time, instead of making piecemeal releases. The main cause of delay is non-receipt of full utilisation certificates for the amounts already released from Panchayat Samithis. As such, funds could not be released to the Panchayat Samithis.

5. The Department has been asked to release subsidies to every Panchayat Samiti which submits particulars in the prescribed proforma without waiting for consolidation.

(ii) re Sale of animal fat as ghee

Sri M Narayana Reddy —Mr Deputy Speaker, Sir recently some reports appeared in Newspapers regarding sale of animal fat as ghee in various places. This is creating great concern among the people who buy ghee whether the material they were buying is ghee or animal fat. I would like to know what investigation has been done in this regard and whether such instances have happened and if so, what action has been taken against them. The hon Minister may kindly make a statement

Sri K Rajamallu —Sir, I have received eye witness reports from the most reliable public men about the mixing up of animal fat in ghee. Arrangements are now being made to trap the manufacturers. I know the names of the persons and places

(iii) re., Disposal of lands of Mohana Ranganayakaswami Temple, Guntur, for house-sites

524 20th June, 1974

The attention of the Hon'ble Minister for Public Works is drawn to matters of Urgent Public Importance.

Referring to the matters decided in the Special Legislative Council of 30.1.72, the Hon'ble Minister is informed that the Hon'ble Member for Guntur had raised the matter on 28.2.72. The resolution was adopted by the Council on 11.3.72. The Hon'ble Minister is requested to take necessary steps for the disposal of lands of the Temple, Guntur, at an early date.
Calling attention to matters of Urgent Public Importance

re Disposal of lands of Mohan Ranganayakaswami Temple, Guntur, for house-sites

The Endowment Minister (Sri Sagi Suryanarayana Raju) — Sri Mohanaranganayakaswamy temple, Guntur owns an extent of Ac 7-16 of dry land situated within the municipal limits of Guntur Town which is being leased out for Agricultural purposes by the Hereditary Trustee. In the year 1963, Some 700 people encroached on the land. The Hereditary Trustee with the assistance of the lessee Sri Venkateswara Reddy and with the help of Police and Revenue Officials got the hut dwellers removed.

The lessee, Sri K. Venkateswar Reddy, is in possession of the land for over two decades and he was mainly responsible for removing the encroachers in 1968 and also during 1970, by spending his personal funds.

Since the Temple lands in Guntur town are under constant threat of occupation by some unsocial elements in Guntur Town, the Commissioner, constituted a special committee in pursuance of the Government instructions in their Memo No 1789/E 1/64-7 date 91-12-1965 with Collector, Guntur as Chairman and Chairman Zilla Parishad Guntur, Chairman Guntur Municipality and Superintendent of Police, Guntur as members to advise the department as to how to dispose of the lands of the temples in Guntur Town useful for house sites.

The Special Committee in its meeting on 25-11-70 resolved to sell away the land belonging to the subject temple measuring Ac 5 00 out of Ac 7 16 cts to Sri K Venkateswara Reddy, lessee and the remaining Ac 2 16 in favour of Andhra Pradesh State Road Transport Corporation Porters Union at the rate of Rs 5 per sq yard as fixed by the District Revenue Officer. It was also decided to examine the matter in case they fail to pay the entire amount by the end of December, 1970.

Accordingly a notification was issued under section 74 of the Endowments Act, 1966 calling for objections and suggestions in respect of the above proposal.

The Porters Union represented that there was no demarcation on the ground of the plots to be given to the lessee and to the Porters Union and that an extent of Ac 2 00 on the Northern side is likely to be acquired by Railways for goods shed and requested that the land might be divided into separate plots. The entire matter was therefore re-examined by the special committee which met on 1-2-1972, and revised the earlier resolution and resolved to sell the above land of Ac 7 16 cts, by dividing it into 4 plots in A to D to the following as detailed below:

Plot A Ac 2 00 in favour of Sri K Venkateswar Reddy, Lessee
Plot B Ac 2 00 to the Executive Officers of Endowments Department for construction of quarters
Plot C Ac 2 00 to Andhra Pradesh State Road Transport Corporation Porters Union for construction of Quarters.

36-4
Calling attention to matters of Urgent Public Importance

re Disposal of lands of Mohan Ranganayakaswam Temple, Guntur, for house-sites

Plot D Ac 1 16 to be retained by the Temple

Regarding the allegation of the MLA that plot 'A' of Act 2 00 is being given to an individual at Rs 5 per sq yard to enable him to make a profit out of it Sri K Venkat swara Reddy is no other than the lessee of the land. He is in occupation of the land for over two decades and he had to be necessarily given preference to purchase the land to avoid litigation. Further Sri K Venkatswara Reddy, lessee had assisted the Hereditary Trustee in removing the encroachers in and 1970 even spending his personal funds. On 16-5-73 a representation was made to the Government by some of the Harijans objecting to allotment of Act 2 00 in favour of Sri K Venkateswara Reddy and requested to allotment it to them but no offer was made by them to purchase the said land at the same rate. However, in view of the decision already taken to sell away the land in four plots as stated above, their request could not be considered.

The Andhra Pradesh State Road Transport Corporation Porters' Union has paid the entire sale proceeds and possession of Plot 'C' measuring Ac 2 00 was handed over to them on 24-6-1974. On the instructions of the Assistant Commissioner who had no authority to do so his explanation is being called for. In respect of plot 'A' Sri K Venkateswara Reddy has not so far paid the amount. Similarly in respect of plot 'B' the Executive Officers Association has not paid the amount.

The Assistant Commissioner Endowments Department, Guntur was asked by the Commissioner, Endowments Department to issue final notice and see that the entire sale proceeds is collected from the said vendees by 30 6-1974.

It is ascertained that the Harijans have not paid Rs 25,000 as stated by the hon. Member.

According to section 64 of the Endowments Act, 1966, the Commissioner after publication in the Andhra Pradesh Gazette the particulars relating to sale of the lands inviting objections and suggestions and considering all the suggestions and objections received from the Trustees or other persons having interest in the transaction has to accord sanction for the sale of land if he considers it necessary or beneficial or consistent with the objects of the Institution or Endowment. If it is proposed to dispose of the land otherwise than by public action, the Government have to accord permission for the reasons to be recorded in writing for such transaction.

As the sale of land in this case otherwise than by public auction has to be finalised by the Commissioner with the approval of the Government under section 74, after following the prescribed procedure the question of collusion between the Deputy Commissioner, Vijayawada and the lessee as alleged by the member does not arise as the Government have not yet accorded permission to sell the lands in question otherwise than by public auction. The Deputy Commissioner and Assistant Commissioner have been directed not to hand over the land without specific orders of Government.

Calling attention to matters of Urgent Public Importance

29th June, 1974

re Scarcity of note-books and white paper in the market

Whether, it is desirable to import quantities of note-books and white paper from abroad in view of the scarcity of note-books and white paper in the market as observed during the last six months. The import of note-books and white paper has not been being done on this account due to lack of orders. The market does not show signs of recovery and the prices of these items are on the rise. It is urgently necessary to compulsorily import these items in order to meet the demands of the market. The List of 10 items to be compulsorily imported is given below:

1. Note-books
2. White paper
3. Paper
4. Envelopes
5. Stamps
6. Postage
7. Telegraphs
8. Posters
9. Newspapers
10. Magazines

It is requested that necessary action may be taken in the matter before 22-10-1971.

Calling attention to matters of Urgent Public Importance

re Scarcity of note-books and writing paper in the market

The price of note-books and writing paper has risen from 40-50 to 80 rupees. This has caused a considerable burden on the people and has worsened the situation due to the shortage of these items in the market. As a result, the prices of goods and services have also increased.

10-10 a.m.

The situation has become critical and people are facing difficulties in obtaining these items. The government needs to take immediate action to address this issue. The prices of these items need to be controlled and the supply of these items needs to be increased.
Mr Deputy Speaker —Before discussion on the Budget starts I have to make an announcement. The concluding speech of Sri Vanka Satyanarayana will be at 11:30 a.m., and reply by the Chief Minister will be at 12:00 noon.

for 197^-75—General Discussion

10 30a m.
As you know, agriculture is the biggest national industry in India. It employs more people than any other sector and is a major contributor to the country's GDP. However, it faces several challenges, including droughts, floods, and pests.

The government has implemented various policies and programs to support the agricultural sector. These include providing subsidies, improving irrigation facilities, and promoting high-yield varieties of crops.

Despite these efforts, the sector continues to face challenges. Droughts, for example, can devastate crops and reduce yields significantly. The government has been working to develop drought-resistant varieties of crops to help farmers cope with such events.

In addition to these efforts, the government has also been working to improve the infrastructure in the agriculture sector. This includes building roads and improving transportation facilities to help farmers get their crops to market more efficiently.

Overall, the agricultural sector remains critical to India's economy. By addressing the challenges facing it and continuing to support it, the government can help ensure a stable and prosperous future for the country's farmers and the wider economy.

Reasons for abnormal balance:

The abnormal balance arises due to the following reasons:

1. Excess of income over expenditure.
2. Deficiency of income over expenditure.

The details of the above reasons are as follows:

1. Excess of income over expenditure:
   - Increase in sales
   - Decrease in expenses
   - Sale of surplus stocks

2. Deficiency of income over expenditure:
   - Increase in expenses
   - Decrease in sales
   - Purchase of new stocks

3. Change in the method of accounting:
   - Adoption of new accounting principles
   - Retrospective application of accounting standards
   - Changes in the classification of income and expenses

The above reasons are responsible for the abnormal balance in the financial statement.
