Appendix. .. 173
ORAL ANSWERS TO QUESTIONS

CHILD LIFTERS

540—

* 3217 Q.—Smt. J. Eshwari Bai (Yellareddy) :—Will hon. the Chief Minister be pleased to state:

(a) whether the attention of the Government has been drawn to a story published in the PLEDGE Weekly of December, 8, 1973 about this operation of a gang of child-lifters; and

(b) if so, whether any action has been initiated by the city police authorities to trace those who are responsible for these crimes?

The Chief Minister (Sri J. Vengal Rao) :—(a) Yes.

(b) Enquiries revealed that the allegations in the News item are false.

An asterisk before the name indicates correction by the Member.

**Oral Answers to Questions.**

**FAKE RUPEES NOTES**

* 3450 (R) Q.—Sri C.V.K. Rao (Kakinada):—Will hon. the Chief Minister be pleased to state:

(a) whether it is a fact that three persons were arrested in Nellore on 2nd January while exchanging fake 5 rupee notes worth about Rs. 1.5 lakhs for genuine notes; and

(b) if so, what action has been taken against them?

Sri J. Vengal Rao:—(a) No, Sir; but 3 persons were arrested at Nellore on 26-10-1973.

(b) The accused were arrested and released on bail. The case is under investigation.
Oral Answers to Questions  

1. ఇంటి ప్రపంచం: ఇక్కడ చెలిగిన కార్యం. ఈ రాష్ట్రంలో సా.సా. ఎందుకంని ఇంటి ప్రపంచం యొక్క ఉపయోగం ఉందుంటుంది.

2. సంఘటనలు: ఎందుకంటే రాష్ట్రానికి సంఘటనలు ఏముదా ఉండటం దీనికి దక్షిణానికి దాని ఉపయోగం ఉంది.

3. సంఘటనలు ప్రపంచం: ప్రపంచంలో సంఘటనలు ఉన్నాం. ఈ సంఘటనలు ఏముదా ఉంటాయి?

4. సంఘటనలు ప్రపంచం: ప్రపంచంలో సంఘటనలు ఉన్నాం. ఈ సంఘటనలు ఏముదా ఉంటాయి?

5. సంఘటనలు ప్రపంచం: ప్రపంచంలో సంఘటనలు ఉన్నాం. ఈ సంఘటనలు ఏముదా ఉంటాయి?

6. సంఘటనలు ప్రపంచం: ప్రపంచంలో సంఘటనలు ఉన్నాం. ఈ సంఘటనలు ఏముదా ఉంటాయి?
శ్రీ సాంతన స్వామిత్వం అయితే, మాత్రమే ఈ ప్రశ్నాంశం సమయంలో ఉంది. అయితే, ఆముదాను ప్రశ్నాంశం సమయంలో ఉంది.

8-40 a.m.

ఈ సాంతన స్వామిత్వం - అయితే ఎందుకంటే ఈ ఇతర స్వామిత్వం ఉంది?

ఈ సమయంలో ఈ ప్రశ్నాంశం ఉంది.
Mr. Speaker:—All these questions were answered, when you were not here.

Sri C. V. K. Rao:—Because the hostel is in a very peculiar situation I could not be in time. I was rushing. I will never be late. Anyway, I would like to ask when will the Government be in a position to complete the investigation?

Sri Sultan Salahuddin Owaisi (Yakutpura):—Will hon. the Chief Minister be pleased to state:

(a) whether it is a fact that the Muslim Community of Munugodu village of Guntur District are subjected to a social boycott;

(b) if so, the reasons therefor;
(c) the steps taken by the State Government to end this social boycott of a whole community;

(d) whether it is also fact that a communal propaganda has been launched in the surrounding areas of Munugodu village against the question of the use of Muslims graveyard in the village; and

(e) if so, steps taken by the Government to prevent such grave threat to public order?

Sri J. Vengal Rao;—(a) No Sir.
(b) & (c) Does not arise.
(d) No Sir.
(e) Does not arise.
Oral Answers to Questions

8.30 a.m.

Shri Sathan Salam Ahmad Anwesi:—Bheem Sir, synchronisation with the local radio stations is not being satisfactorily done. What is the reason for this?

Shri B. S. R. S. Rangarao:—The synchronisation is done between local radio stations and the All India Radio. All the stations are operated by the Government of India.

Shri Sathan Salam Ahmad Anwesi:—The Government of India has stopped the distribution of Wireless Telephones. What is the reason for this?

Shri M. N. Reddy:—Please discontinue the distribution of Wireless Telephones. The purchase prices are not fixed and it is difficult for the public to get them.

Shri Sathan Salam Ahmad Anwesi:—I would like to add that the distribution is being stopped due to the sudden demand for Wireless Telephones and the Government of India has been unable to supply them in sufficient numbers.

Shri M. N. Reddy:—I would like to request the Government to supply Wireless Telephones to the public in sufficient numbers so that they can be used for communication.

Shri Sathan Salam Ahmad Anwesi:—Please supply Wireless Telephones in sufficient numbers so that the public can use them for communication.

Shri Manohar Reddy:—I would like to request the Government to supply Wireless Telephones in sufficient numbers so that the public can use them for communication.

Shri Sathan Salam Ahmad Anwesi:—I would like to add that the supply of Wireless Telephones should be increased so that the public can use them for communication.

8.50 a.m.
78 27th March, 1974 Oral Answers to Questions.

government must take action against the wrong information furnished. Inspite of the personal information given by the Hon'ble Member, if it is not going to be enquired into, it would not be good. I request the Hon'ble Speaker to rescue the House and safeguard the interests.

 Shelby: Mr. Speaker, I am a member of the Muslim Community. It is a fact that the Muslim Community of Munugodu village of Guntur district is subjected to a social boycott if so the reason therefor; (c) the steps taken by the State Government to end this social boycott:

I. Whether it is a fact that the Muslim Community of Munugodu village of Guntur district is subjected to a social boycott if so the reason therefor; (c) the steps taken by the State Government to end this social boycott.

II. Whether it is a fact that the Muslim Community of Munugodu village of Guntur district is subjected to a social boycott if so the reason therefor; (c) the steps taken by the State Government to end this social boycott.

I request the Hon'ble Speaker to rescue the House and safeguard the interests.
Mr. Speaker:—Let the Chief Minister look into these affairs,

They must be careful and they should get the correct and current information available. I would suggest that specific instructions must be issued to supply the full information so that the Minister may not find himself in a very difficult and awkward position in replying to the question in the House.

MISUSE OF FUNDS BY THE MANAGING DIRECTOR OF PALAKOL CO-OPERATIVE SUGAR FACTORY

543—

* 3450 Q.—Sri Vanka Satyanarayana:—Will hon. the Chief Minister be pleased to state:

(a) whether it is a fact that the General Body of Palakol Co-operative Sugar Factory resolved unanimously on 5-11-71 to conduct a public enquiry on the misuse of funds by the then Managing Director Sri S. Venkataramaiah, I.A.S;

(b) whether it is also a fact that there was representation by Sri Balaram Raju, M.P. on the above subject;

(c) whether it is also a fact that there have been several audit objections pertaining to the utility of funds of the factory; and

(c) if so, what action has been taken and if not the reasons therefor?

The Minister for Power (Sri G. Rajaram):—(a) No, Sir.

(b) Yes Sir.
(c) & (d) A Special Audit has been got conducted and the Special Audit Report is under consideration of the Registrar of Co-operative Societies who is enquiring into the matter.

The Resolution was unanimously passed. When an Hon’ble Member has given a question, what is this wrong answer? As a matter of fact, I was there.

Sri G. Rajaram:—“On 5.11.1971, whether the General Body meeting of the Palakol Cooperative Sugar Factory has passed a Resolution regarding the mis-use of funds by the then managing Director Sri. S.Venkataraman, I A.S.” This is the question. But the Resolution referred to the discussion on annual report of the Society during the year 1970-71. It was also recorded that in view of the loss shown to the Factory during the year 1970-71, the general body meeting also resolved to request the Government to arrange for detailed enquiry of the Factory management; but no specific resolution was passed regarding specific allegation against the then Managing Director.

Sri G. Rajaram:—Taking the resolution into consideration a Special Audit party has been sent.

Mr. Speaker:—Mis-use of funds was there and the meeting requested that the matter may be enquired into. What is that now in the answer as ‘No’.

Sri G. Rajaram:—In regard to question ‘a’, it is a specific allegation against the then Managing Director.

The resolutions were in respect of mis-management, misappropriation, mis-use of funds. Therefore, the enquiry by special audit party was conducted and the Party also submitted its report in the last month, The Registrar of Cooperative Societies is taking action.

Sri V. Srikrishna:—I am not getting the correct answer, Sir. Why there was wrong information given in the answer given by the Minister? There is much correspondence about it. There are several representations,
The following are the allegations made in the representation of Sri Balarama Raju:

The sale of open sugar was not systematic; Purchase of stores and other materials were effected without prior approval of the Board and without obtaining tenders; That the factory was incurring expenditure towards T.A. for the travels made; That the irregularities noticed during the periods has not been rectified; That the Annual Reports on the working of the Society has not been presented to the General Body; There has been mis-use of vehicles and drivers; There was no control over the staff; That the Managing Director has created a post of Assistant Manager without the sanction of the Board.

So, these are the allegations made in the representation of Sri Balarama Raju.

On the basis of the Resolution, a Special Audit Party has been sent and it has conducted a detailed enquiry and submitted its report last month. On the basis of the Report, the Registrar of Cooperative Societies will take suitable action.

Sri A. Sriramulu: —This is a fundamental factor as to how a Minister should answer a question. Facts that have been later intimated by the Minister is different from the answer given earlier. It was highly callous and careless. There should not be any evasive or escapist answers. Some instructions have to be clearly given in this regard. Otherwise, there is no purpose of asking the questions.

Sri G. Rajaram: —I have not given any evasive answer. I have informed the House as to what action has been taken in this regard.
Oral Answers to Questions. 27th March, 1974.

Mr. C.V.K. Rao:—I would like to know from the Hon’ble Minister whether it is a fact that the person against whom the allegations were made met the Minister and will he be prepared to refer the case to C.B.I. or not?

Mr. Anantakrishnan:—He did meet the Minister, but he will not be referred to C.B.I.

Still it is under enquiry before the Registrar. In order to safeguard the officer, this Government is giving such sort of false information to the House. I request the Hon. Minister to kindly apologise for giving such information.

Mr. Anantakrishnan:—‘No’ but the presiding officer.

Mr. C.V.K. Rao:—‘No’ but the presiding officer.

Whether it is a fact that the General Body of Palakol Cooperative Sugar Factory resolved unanimously on 5-11-71 to conduct a public enquiry on the misuse of funds by the then Managing Director, Sri S. Venkataramaiah.” There was no such specific resolution in respect of the Managing Director to conduct the enquiry. It was a resolution to conduct enquiry into the affairs of the Sugar Factory and there was another representation also. There was no specific resolution by the General Body stating that a specific enquiry must be conducted against the Managing Director. I said there was no such resolution assed.
POOR PERFORMANCE OF CO-OPERATIVE SUGAR FACTORIES

* 8709 Q.—Sri M. Narayan Reddy (Bhodhan):—Will hon. the
Chief Minister be pleased to state:
(a) the licenced crushing capacity of various Sugar Factories
in the State and the record of their crushing during last 5 years;
(b) the performance of Co-operative Sugar Factories in the
State in relation to earning of profits or sustaining losses during the
last 5 years; and
(c) the reasons for the poor and unsatisfactory performance of
Co-operative Sugar Factories in the State in general and Nizamabad
Co-operative Sugar Factory in particular?

Sri G. Rajaram:—(a) & (b) Sir, Statements are placed on
the Table of the House.
(c) The financial performance of the Co-operative factories in recent years has been better than in earlier years. Losses have been generally due to:

(i) Inadequate cane supplies mainly due to drought.

(ii) Prevalence of high jaggery price and competition from Khandasari resulting in large scale diversion of cane and consequent non-availability of cane to the factories to crush to their rated capacity.

(iii) Heavy accumulation of stocks in the past years when sugar price control was in force.

(iv) Heavy overhead charges.

J. VENGA LA RAO,

*Chief Minister.*
Sri M. Narayana Reddy: Regarding the question under (C), I made a particular reference to Nizamabad Co-operative Sugar Factory which is reported to have sustained a loss of about 95 lakhs of rupees during the last four to five years. In view of the answer that the Co-operative Sugar Factories have sustained losses for different reasons like non-availability of cane etc., whether the Government is taking any special steps for the development of cane so that these factories may have sufficient cane to attain the crushing capacity that is allowed to them. In Telangana there is only one Co-operative Sugar Factory. The Co-operative Sugar Factory, Nizamabad had sustained a crore of rupees loss. Whether the Government would consider the desirability of giving this factory also to the Nizam Sugar Factory for managing and to wipe out the losses.

Sri G. Rajaram—The Nizamabad Sugar Factory had incurred losses which are mentioned as follows:

1968-69 .. Loss of Rs. 7.19 lakhs
1969-70 .. Loss of Rs. 4.37 lakhs
1970-71 .. Loss of Rs. 3.21 lakhs
1971-72 .. Profit of Rs. 11.29 lakhs
1972-73 .. Loss of Rs. 14.51 lakhs

Except in one year (1971-72), in all other years it had incurred losses. Last year there was no crushing at all. The factory remained closed. In respect of Nizamabad Co-operative Sugar Factory, the area under cane has gone down because of the failure of Nizam sugar. Sufficient water was not supplied. The entire district has been affected and particularly this area. The area of operation of the Co-operative Sugar Factory is at the tail-end of Nizam sugar. So, there is no sufficient water. Therefore the cane crop had gone down very much. The ryots have diverted the cane towards the manufacture of Khandasari and gur. Therefore, the factory could not crush the rated capacity. As such there are losses.

Sri G. Rajaram:—The Nizamabad Sugar Factory also had losses of...

(Sri G. Rajaram):—...
Oral Answers to Questions. 27th March, 1974.

545—

* 8220 Q.—Sri M. Nagi Reddy, put by Sri V. Srikrishna:— Will hon. the Chief Minister be pleased to state:

(a) whether the work on the Co-operative Sugar Factory at Gurazala, Guntur District will be started in the year 1974; and

(b) if not, the reasons therefor?

Sri G. Rajaram:—(a) Share capital collection work is going on.

(b) Does not arise.

546—

* 8528 Q.—Sri M. Nagi Reddy, put by Sri V. Srikrishna:— Will hon. the Chief Minister be pleased to state:

(a) whether the Union Government has constituted a High Power Study team to study the problems of handloom industry and suggest development programmes to be included in the Fifth Plan;

(b) if so, the names of the representatives in the team from our State; and

(c) the functions of the said committee?
Sri G. Rajaram (Deputising the Chief Minister):—(a) Yes Sir.
(b) Sarvashri; (1) Sri Konda Laxman Bapuji (Non-official from Andhra Pradesh).
(2) Sri M. Somappa, Government of India, Nominee.
(c) The Secretary to Government dealing with handloom (preferably).
(d) (i) To suggest programmes for development of the handloom industry in the Fifth Plan;
(ii) To suggest measures for the maximum utilisation of the export potential of the handloom sector;
(iii) To suggest measures for building infrastructure and providing adequate inputs, particularly finance to the handloom sector; and
(iv) To review the position regarding reservation and to suggest changes in policy, if necessary.

9.20 a.m.

Sri Konda Laxman Bapuji:—How did you say that Konda Laxman Bapuji and Somappa are there representing the State?

Sri G. Rajaram:—I did not say that. What is said under Answer (b) (1) is Sri Konda Laxman non-official from Andhra Pradesh; and under (b) (2) Sri M. Somappa, Government of India nominee, (and he belongs to Andhra Pradesh).

Sri Konda Laxman Bapuji:— The question is about the representation given to the State.

Sri G. Rajaram:—Sri Konda Laxman Bapuji represents the state as a non-official Member.

*Sri Konda Laxman Bapuji:—No, Sir. That is also wrong information, that is being given by the Minister. The G.O. is clear. Please refer to the G.O. Only one representation has been given to our State, among 8 States Andhra Pradesh has also been given representation. An officer has been sent according to G.O. The State Government has not sent me as representative but the Secretary, Industries.
* Sri G. Rajaram:— Secretary, Industries, dealing with hand-loom is a Member from Andhra Pradesh.

Sri Konda Laxman Bapuji:— So the others are not representatives of the State.

Sri G. Rajaram:— They hail from Andhra Pradesh.

Sri Konda Laxman Bapuji:— The question is whether he represents the State or not. It should not be misleading, when taken he is on the All India plan. The State Governments have sent certain persons to represent their States. So it is not proper to interpret that I and Mr. Somappa represent the State.

Sri C. V. K. Rao:— What is the dispute between the two; May, I know Sir. (Laughter—No reply).

Sri Konda Laxman Bapuji:— Is it a fact that the representative of the State Government has not attended a single meeting until now?

Sri G. Rajaram:— (a) Yes, Sir. (b) The enquiry report revealed that the accounts of the Society have been manipulated to claim rebate to the tune of
Rs. 10,395-62 during the periods of May, 1967 to May, 1971. The
Chief Persons involved in this are (1) Sri Chorapalli Kalikimutyam
Manager of the Society (2) Sri Binda Partabhi Chowdary, Ex-Pre­
ident (3) Sri Palani Chma Satyanrayana, President. The Manager of
the Society Sri Chorapalli Kalika Mutyam was found mainly respon­
sible for these items of fraud and he manipulated the accounts in
connivance with the Presidents of the Society. Necessary permission
has also been issued to the Circle Officer to launch prosecution against
the aforesaid persons.

Sri G. Rajaram:—The Managing Committee of the Society
has been suspended and a Departmental person incharge has been
appointed. He assumed charge on 2-11-73. Manager of the Society
who is the main delinquent is not in the service of the society now.
The Circle Officer is pursuing the matter to recover the amount
involved in the fraud from the delinquents also.
PLUROSIN DISEASE UNDER THE NAGARJUNA SAGAR PROJECT AREAS IN NALGONDA AND GUNTUR DISTRICTS

* 3154 O.—Sri M. Nagi Reddy:—Will the hon. Minis er for Health and Medical be pleased to state:

(a) whether the National Institute of Nutrition (NIN) has surveyed the Nagarjunasagar Project ayacut area in Nalgonda and Guntur Districts.

(b) whether it is a fact that they have reported that 'Plurosins' disease is prevalent in this area;

(c) if so, the reasons therefor; and

(d) the steps taken by the Govt. to arrest the disease?

* The Minister for Health and Medical (Sri K. Rajamallu):—(a) Yes. The National Institute of Nutrition, Hyderabad had conducted a Survey during 1978, in about 80 villages covering the Guntur and Nalgonda Districts and they found some cases of Fluorosis.

(b) The Survey done by the National Institute of Nutrition revealed, the existance of 'Fluorosis' in certain villages in the two Districts.

(c) The water samples collected and analysed in the villages showed high level of fluoride content in the water in the villages. The people living at least for a period of 30 years in endemic areas of Fluorosis develop this disease.

(d) Protected water supply is the only method to arrest this disease. The Panchayat Samithies concerned will be advised to take up the protected water supply schemes according to the nature of urgency, subject to availability of funds

I may add here Sir. that a note on this subject prepared by Sri K. A. V. R. Krishnamachari of National Institute of Nutrition, Hyderabad has been distributed to Honourable Members on the last day of previous meeting.

9-30 a.m.
Oral Answers to Questions.

§ 2. Shri K. Rangッド Das (Kollapur) asked the Minister for Health and Medical to state:

(a) the name of the motion picture which was shot in the operation theatre of the Gandhi Hospital, Secunderabad, continuously for two days, by the producers of a film in the last week of October, 1973;

(b) whether the hospital authorities are not aware of the fact that the operation theatres are likely to be exposed to infection, when hundreds of people enter into the operation theatres with shoes and chappals and smoke beedies and cigarettes; and

(c) by whom and for what reasons the permission for the same was granted?

§ 3. Shri K. Rajamalu asked:

(a) M/s. Navashakthee Productions Madras were permitted to take a few shots for their motion picture “NEEDA LENI ADA DADI” in the main operation theatre of Gandhi Hospital, Secunderabad on 29th and 30th November, 1973.

(b) Shootings of the film were allowed after 3 p.m. When the Theatre routine was over. The sister incharge and R.M.O. supervised to make sure that persons entered operation theatre in an authorised manner. No persons were allowed inside the theatre with their shoes neither any one was permitted to smoke. They were allowed after downing masks, caps and gowns and change of footwear etc. However to ensure further asepsis the premises was fumigated on the same night.

On 29-11-1973 shootings were done from about 4 p.m to 8 p.m with intervals and for half-an-hour on 30-11-1973. The routine of the theatre was not disturbed in either day and the services of emergency operation theatre were kept available throughout.
(c) Permission was granted by the former Director of Medical & Health Services on the recommendation of the then Superintendent of Gandhi Hospital, Secunderabad.

Mr. Speaker:- What is it that the Government gains by permitting such a thing?
Sri K. Rajamallu:—Because the whole picture was produced here and this important item was left over. In order to complete the picture, this would have been done. That is only my assumption.

Sri K. Rajamallu:—They also give an undertaking that the medical profession will not be shown in bad light in this film.
Mr. Speaker:—They do not put a proper question. The whole question is—has the Government permitted or can the Director or the Superintendent act on their own in giving permission in such a serious matter. That is the question which you should put and the Minister should answer.

Sri K. Rajamallu:—The Government has not allowed anybody to take part in the film or act in it.

Sri D. Venkatesham:—Then who has permitted?

Sri K. Rajamallu:—Nobody has acted. Where is the question of permission?

Sri D. Venkatesham:—Permission for shooting.

Sri K. Rajamallu:—Permission was accorded by the Director.

Student representatives in University Managements

*3452 (T).Q.—Sri Nallapareddi Srinivasulreddy (Gudur):—Will the hon. Minister for Education be pleased to state:

(a) whether there is any proposal to take student representatives into Senate, Syndicate or board of Management of all Universities in Andhra Pradesh; and

(b) if so, when will the proposal materialise?
Sri B. Sriramamurthy (Deputising the Minister for Education):

The proposals sent by the Universities to give representation to the students on the University bodies are under consideration of Government.

Sri B. Sriramamurthy:—Why don’t you act upon the same resolution immediately.

Can you put a deadline to it because there is so much agitation from the student community.

Sri B. Sriramamurthy:—1973 is a very important year in the political calendar of this country. Why don’t you take action immediately.

Sri Mohanakrishna:—18-3-74 is a very important date in the political calendar of this country. Why don’t you act upon the same resolution immediately.
When we went to Waltair to attend the meetings of the Andhra University, we were gheraoed by the students and an assurance was given to the students and Vice-Chancellor has come to our rescue saying that he has requested the Government to settle the matter as early as possible. On that we have assured the students that we will take up the matter with the Government. We are not in a position to attend the next meeting. So I request the Hon'ble Minister to settle it by the end of this month. Otherwise it is highly impossible for us to attend the meeting.

Sri Narayana Reddi:—Sir, the question is representation in Senate, Syndicate and Board of Management—which is different from each other and whether the proposed representation will be confined to Senate or extended to all the bodies. That is to be clarified. Secondly, different universities—either the Vice-Chancellors or the Syndicates are deciding different policies with respect to this representation and other very important matters. Does the Government take steps to ensure that a uniform policy is adopted by all the Universities within our State to avoid confusion in such an important matter.

Sri Syed Hussan (Charminar):—Is it a fact that in view of the unrest among the students and the changed conditions that the present enactment has become obsolete and therefore, the Government is proposing to bring in fresh enactment for the Universities?

Sri Bhattam Sriramamurthy:—Not that way, Sir. It is the avowed policy of the Government also to give due representation to the students in the governing bodies of the Universities. The only
point is to give a concrete and definite shape to such a policy of the Government, they have sought the support of both the Universities and also the representatives of the students. This has become a common effort and co-operative effort of all the people concerned.

Sri C. V. K. Rao:—I was a Member of the Committee constituted by the University for the purpose whether the students should be taken as Members of its bodies like Senate and Syndicate. We approved it. It was done long, long back. Now, how is it that the Minister is dillydallying with it and not bringing it for discussion here to ratify that thing? Well, as for the rules that are to be framed, it may be there. He need not wait, Sir, for some proposal to come from the student bodies. Will he take steps or not?

Reservation of Seats in Warangal Engineering College for S. V. University Students

* 8453 (R).—Sri Vijaya Sikhamani:—Will the hon. Minister for Education be pleased to state:
(a) whether there is any reservation of seats for University area students in Warangal Engineering College;

(b) if so, the number of seats so reserved;

(c) the number of seats provided to S. V. University area students in Warangal Engineering College when the college was started and the number of seats now provided;

(d) whether there is any disparity in allotting the seats in the said college between Andhra, Rayalaseema and Telangana areas; and

(e) if so, the reasons therefor?

Sri Bhattam Sriramamurthy (Deputised for the Minister for Education) :

(a) No Sir.

(b) Does not arise.

(c) Up to the year 1967-68 thirty seven percent of the seats earmarked to Andhra Region of Andhra Pradesh State were reserved for the Students of Southern Region of Andhra area consisting of Nellore and Rayalaseema Districts. At present 50% of the total seats are reserved for Andhra Pradesh candidates. Out of which 1/3rd seats are for Telangana area and 2/3rd seats are for Andhra area students

(d) No Sir.

(e) Does not arise.

G. O. No. 1399, dated 4-7-1968 an order was passed clubbing the Sri Venkateswara University area with the Andhra University area treating the whole region as single unit the result of which has been a steep fall in the number of students from Sri Venkateswara University area from about 80 to 3 or 4. We are unable to see any reason for the G. O. more than some political compulsion of the time.

Therefore, I submit that this is a matter for re-examination which the Government will certainly do.

Mr. Venkatesam cannot make any generalisation. He is also a Senate Member of Andhra University.

Sri D. Venkatesam :— The present position is such, Sir. The Rayalaseema students are completely ignored and deprived of the opportunities.

Mr. Speaker :— It is not a comparison of intelligence between the boys of one University to another. You say Venkateswara University is very rigid in correction. That is all.

Sri D. Venkatesam :— That is what I said earlier, Sir.

Mr. Speaker :— No. Not like that. I am going to the next question.

Admission of Telugu Medium Students into English Medium of Intermediate

552—

* 3453-(F) Q—Sri S. Papi Reddy (Kanigiri) ;—Will the hon. Minister for Education be pleased to state:

(a) whether there is any proposal with the Government to admit X class passed students with Telugu medium of instruction into English medium Intermediate to facilitate their higher studies;

(b) if so, from when; and

(c) if not, the reasons therefor; and the measures taken by the Government to facilitate students to go to higher studies like Medicine, Engineering etc which are necessarily in English medium?

Sri B. Sreeramamurthy (Deputising the Minister for Education):—

(a) No, Sir.

(b) Does not arise.

7—5
(c) In the year 1968, the Government took a policy decision as follows:

(i) Telugu medium shall be introduced in the new 2 Years Intermediate course commencing from 1969-70, which will be taken up to the degree level in the succeeding year. English medium will continue in professional colleges and also in post-graduate studies for some time to come.

(ii) In order to facilitate the changeover of medium of instruction to Telugu and make it a success, Telugu should be adopted as the medium of instruction in all schools. Private managements may establish schools in other languages as media subject to usual grant-in-aid provisions. Where, however, another language is the medium of instruction, Telugu must be taught as a compulsory language.

(iii) Parallel English medium sections will be provided for some time in select institutions for those who pass new X class in a medium other than Telugu.

Students who pass the Intermediate Public Examination, through Telugu medium are not debarred from going for higher studies like medicine, Engineering etc. either in this State or in other States.

**REGULARISATION OF SERVICES OF R & B AND HIGHWAYS STAFF**

553—

*3454-(B) Q.—Sri Nallapareddy Srinivasulreddy:—Will the hon. Minister for Public Works be pleased to state:

(a) whether it is a fact that a number of Non-graduate Assistant Engineers were allotted to the Roads and Buildings Dept. after the new Department came into existence in 1965 merging the R & B and Highways Dept., if so, their number;

(b) whether it is also a fact that their services were not regularised and seniority fixed since their transfer to the new department;

(c) whether the service rendered by them in the parent Departments was taken into consideration for the purpose of fixing the seniority and entitling the other service benefits like selection grade etc., and

(d) if not, the reasons therefor?

Sri Ch. Venkata Rao (The Minister for Public Works):—(a) Yes Sir, 51 Non-Graduate Assistant Engineers from the Public Works Department (Irrigation Branch) were allotted to Roads and Buildings Department on 1-4-1965,
Oral Answers to Questions

(b) :-Yes Sir.

(c) & (d) :-Proposals for finalisation of the integrated seniority list of Assistant Engineers of Roads and Buildings Department are under consideration and will be finalised shortly.

Sri A. Sreeramulu :-This is pending since the past 10 years. In 1965 this Department was formed. Men were taken from Irrigation, Highways and now new R & B Dept. was constituted. Will the Hon'ble Minister say by what time the final integrated list will come out and whether that would be given retrospective effect because that will give the consequential benefits to the incumbents retrospectively.

Mr. Speaker : —It may not be satisfactory to you.

Sri A. Sreeramulu:—If it is not satisfactory, it is not an answer. I put a specific question whether the Government would give all the consequential benefits to the incumbents after finalisation of the list, that means retrospective effect to the list.

After all, these people are working for the past 10 years and just imagine their grievances. Kindly tell us whether the benefits will be extended or not.

Misappropriation of Social Welfare funds by the Districts Social Welfare Officer, Kakinada.

554—

* 3338 Q.—Sri C. V. K. Rao:—Will the hon. Minister for Social Welfare be pleased to state :

(a) whether it is a fact that District Social Welfare Officer, Kakinada, East Godavari District was put under suspension in 1973 on allegation of misappropriation of social welfare funds of the Hostels to the tune of nearly Rs. 2 lakhs; and

(b) if so, whether Government will furnish the full particulars of the charges on the said official?
103 27th March, 1974. Message from the Council

(The Minister for Social Welfare) Sri B. Sreerama Murthy :-

(a) Yes Sir. The actual amount involved will be known only after the police enquiry is completed.

(b) The matter is under investigation by the police.

Sri C.V.K. Rao :— I think the Government has been defaulting in discharging its duties in this respect. This Social Welfare Officer is callous, corrupt and inefficient and he is roaming in Hyderabad and I would like to ask whether the Government would expedite this matter or not. This is a very serious matter and so much necessary action should be taken immediately.

MESSAGE FROM THE COUNCIL

Mr. Speaker :—There is a message from the Chairman, Legislative Council.

"In accordance with Rule 150 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Council, I return herewith the Andhra Pradesh Appropriation (Vote on Account) Bill, 1974 which was passed by the Andhra Pradesh Legislative Assembly at its sitting held on 26th March, 1974 and transmitted to the Legislative Council for its recommendations duly signed by me and state that this House has no recommendation to make to the Andhra Pradesh Legislative Assembly in regard to the said Bill."
ANNOUNCEMENT

re: Time for receipt of amendment to the Andhra Pradesh Payment of Salaries and Removal of Disqualifications (Second Amendment) Bill, 1974 and other Bills.

Mr. Speaker:—I am to announce to the House that the amendments to the following three Bills will be received up to 8 p.m. to-day

(2) The Indian Stamp (Andhra Pradesh Amendment) Bill, 1974.

BUSINESS OF THE HOUSE.

Sri C. V. K. Rao:—May I draw your attention, Sir. There is 341 which is intended to bring to the notice of the Speaker. Previously there is Zero Hour. You have dispensed with it. 341 are not given due importance that they deserve. I am very much handicapped.

Mr. Speaker:—When did you give 341?

Sri C. V. K. Rao:—I am handicapped. I don’t know what happened, I don’t know. What happened, I don’t know.

Mr. Speaker:—That was disallowed. Is that information not given?

Sri C. V. K. Rao:—When an important matter is disallowed, what are we to do? It concerns 150 persons.

Mr. Speaker:—First of all, I have not permitted you to raise the question. I don’t know why it was not intimated to you. I will find out.
Mr. Speaker:—I will find out.

Sri Syed Hasan:—I wish that the Chief Minister...

Mr. Speaker:—What is the procedure? If one member after another is speaking without my permission, how can I permit.

Sri Syed Hasan:—It is “O” hour.

Mr. Speaker:—Absolutely there is no “O” hour. Right from the beginning I said that there is no “O” hour in this House. I am not permitting you.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE.

re: Supply of full quota of Water for crops under T.B.P.L.L.C. by the Government of Karnataka at Andhra Pradesh Border:

Sri H. Satyanarayan (Adoni):—Sir, the problem of water in the low level Tungabhadra Level Channel requires immediate attention especially in the Taluks of Adoni, Alur etc. Actually we had to get about 731 cusecs of water at the border. As a matter of fact, we are not getting that water to which we are entitled to. Actually the Mysore Government is releasing somewhere about 650 or 660, as late as on 13-1-1974. Especially in the summer as a result of evaporation and also as a result of this water coming down, the standing crops in about 50,000 acres are withering away. I made a number of representations to the local Executive Engineer. But unfortunately, he says that he is in a helpless condition and he cannot do anything. Sir, there are about 2 or 3 Executive Engineers from Andhra Pradesh in the Tungabhadra Board. Even they could not do anything. So I thought that I should bring this by way of Call Attention to the notice of the Chief Minister. This is a serious matter. If immediately action is not taken by the Chief Minister or our Government at the highest level with the Karnataka Government, there is every prospect of all the crops drying up resulting loss to the Agriculturists there. So I would respectfully submit that the Chief Minister would take up this matter immediately and contact the Tungabhadra Board or the concerned authorities and do the needful in the matter. Otherwise, all the crops will go waste. There is one more factor for your consideration. This year there are about 6600 acres of land that are developed. So there are three factors. Firstly it is summer.

Secondly more land has been developed and thirdly we are getting less water. So let us get our actual share of water from Tungabhadra authorities: Hence, I request the Chief Minister to take up this matter and do something in this matter.

Sri V Krishnamurti Naidu:--The normal supply to be ensured by the Tungabhadra Board to serve the ayacut in Tungabhadra Project Low Level Canal in Andhra area is 731 cusecs at the border. It has since been brought to the notice of this Government by the Chief Engineer (Major Irrigation and General) that the discharge of 731 cusecs is not being realised in Low Level Canal at the border of Andhra Pradesh at mile 155.5+100, and that the discharge at the border has gone down to as low as 646 cusecs. On account of the low discharge at the border from 4-3-1974 onwards adequate water supply is not being received at the tail end ayacut. Though the matter was taken up by the Chief Engineer, (Major Irrigation and General) with the Tungabhadra Board, no improvement in the discharge is found. It is reported that the present condition of the canal is very bad. Even though all releases in the distributories are controlled as per schedule fixed by the Board, due to heavy seepages it has become difficult to deliver the scheduled discharges at the border. The Chief Engineer (Major Irrigation and General) has reported that he discussed the matter on 19-3-1974 with the superintending Engineer Tungabhadra Board, and requested him to take effective stop to ensure that the quantity of 731 cusecs of water is discharged in Low Level Canal at the border by rectifying defects. The Superintendent Engineer, Tungabhadra Board has assured that he would make all efforts and deliver full quantities of water at Andhra Pradesh border. The matter is being pursued at Government level and Secretary, Tungabhadra Board was addressed by a D.O. letter on 22-3-1974. It is expected that supply of water will improve.

15.3.71:----Sri K. V. Krishnamurti Naidu, Sri V Krishnamurti Naidu.

The Board is requested to ensure 15 cusecs water to reach the border at 15-3-1974. As reported the discharges of 731 cusecs are not being realised at the border. The Chief Engineer, Major Irrigation and General has reported that the discharge is not being realised due to heavy seepages and inadequate control over the releases from the distributories. The matter is being pursued at Government level and Secretary, Tungabhadra Board was addressed by a D.O. letter on 22-3-1974. It is expected that supply of water will improve.

10,20 am
Calling attention to matters of urgent Public Importance:

re: Abolition of the system of Honorary Medical Officers in Government Hospitals.

Sri V. Krishnamurthy Naidu—Mr. Speaker Sir. In Government Memo. No. 2314-Irr. V. 2/73-1, dated 21—1—1973 orders were issued for the stoppage of the supply of water for rabi crop in the K.C. Canal ayacut by 15th March, 1974. The Collector, Cuddapah, has since requested for the supply of water in K.C Canal upto 30th April, 1974 to save the standing crop in about 3,264 acres in Cuddapah District. The Collector, Tungabhadra Project Kurnool, also has requested for the extension of supply of water for a period of one month from 15th March, 1974 to save the standing crop in about 30,580 acres in Kurnool District. The matter has been examined and orders were issued in Government Memo. No. 899-Irr. V. 2/74-1, dated 25—3—1974 to supply water to the above ayacut upto the end of April 1974. The Chief Engineer has reported that supplies are being continued in the canal as usual and every effort is being made to see that the standing crops do not fail.

ABOLITION OF THE SYSTEM OF HONORARY MEDICAL OFFICERS IN GOVERNMENT HOSPITALS.

Sri K. Rajamallu—Mr. Speaker Sir, The system of having Honorary Medical Officers with a view to utilise the teaching and professional skill of men of outstanding capacities in the Medical profession in training under-graduates was in vogue in Andhra Pradesh. An amount of Rs. 130/- p.m. was paid as honorarium to such Honorary Medical Officers towards conveyance allowance.

This system was abolished in the year 1968 consequent on the imposition of ban on private practice in this State. Although private practice was restored the system of Honoraries was not revived. A number of honoraries continued to be appointed on an adhoc basis from time to time.

The Government examined the matter afresh in all its aspects, and decided to abolish the system of Honoraries.
Calling attention to matters of urgent Public Importance:

re: Non-implementation of the decisions of the Tripartite meeting held by the Chief Minister on 6-2-74 in respect of tobacco.

111

re: Non-implementation of the decisions of the Tripartite Meeting held by the Chief Minister on 6-2-74 in respect of tobacco.

10.30
27th March 1974. Calling attention to matters of urgent Public Importance:

re: Non-implementation of the decisions of the Tripartite meeting held by the Chief Minister on 6-2-74 in respect of tobacco.

20% increase is required. 20% increase in price by 10th March 1974. There has been a 20% increase. The decisions of the tripartite meeting held on 6-2-74 in respect of tobacco have not been implemented. There has been a 20% increase. 20% increase in price by 10th March 1974. There has been a 20% increase. The decisions of the tripartite meeting held on 6-2-74 in respect of tobacco have not been implemented.
Calling attention to matters of urgent Public Importance:

re: Non-implementation of the decisions of the Tripartite meeting held by the Chief Minister on 6-2-74 in respect of tobacco.

Sri L. Laxmana Dass:—Sir, On 6-2-1974, the Chief Minister convened a meeting of the Representatives of Tobacco Growers, workmen and employers to discuss about the hardships in the industry and the following conclusions have been arrived at the meeting:

The management of the Tobacco Companies should adopt a fair and liberal grading policy, by ensuring stricter supervising over the buying points and personnel and ensure that tobacco to higher grade is not down-graded but paid for as per the proper grade.

2. The Companies should offer a 20% increase in price of last year for each of the grades.

3. The management do purchase bulk of their requirements from the farmers directly and reduce purchases from intermediaries to the minimum.

4. The managements of National Tobacco Co., British India Tobacco Co; and Golden Tobacco Company, do ensure that the workers are engaged on work for the maximum number of days and at the maximum numbers of depots.

5. The Commissioner of Labour should visit Guntur and any other place and examine with reference to the facts of each case, how best closure of Depots may be avoided and the maximum number of workers are employed for the largest number of days.

So far as the payment of enhanced prices over the last years price to the growers was concerned, the Chief Minister suggested that the Companies should offer 20% increase over the last year's price for each grade. On 22-3-1974, I made a statement in the Legislative Council on the alleged non-payment of the price by Tobacco Companies. I have indicated that government would convene, if necessary, a meeting of the managements and pursue with them for the payment of the price suggested by the Chief Minister.

As decided, the Deputy Commissioner of Labour has been deputed to investigate into the grievances of the tobacco labour. He visited Guntur on 12-2-74, to 15-2-1974. The Deputy Commissioner of Labour has stated in his report that there is no reduction in the employment potential or curtailment of tobacco season to an appreciable extent in any of the big Factories except the National Tobacco Company, and the Golden Company. The Golden Tobacco Company however, decided to reopen all its branches which worked in the last season and they did so. The case of the National Tobacco Company is entirely on a different footing.

It has been reported that all the Tobacco Companies have been operating their branches/Depots in 1974 season except the National Tobacco Company, which has not opened all its Depots/Branches. The National Tobacco Company is not operating its branches at Rajahmundry, Kovvr, Vijayawada, Bikkavole and Ganapavaram. The Deputy Commissioner of Labour held a joint meeting on
27th March, 1974. Calling attention to matters of urgent Public Importance:

re: Non-implementation of the decisions of the Tripartite meeting held by the Chief Minister on 6-2-74 in respect of tobacco.

21-3-1974 and 22 3-1974 in which this management had agreed to re-open its branches at Kovvuru and Bikkavole with depleted complement of workers. The understanding it on the basis of tobacco requirements of the Company both for internal consumption and export purposes. The management pleaded their inability to operate the branches at Rajahmundry and Vijayawada as the volume of work at these places is not much in view of non-availability of the required grade and quality of tobacco at these places.

Even at the meeting before the Chief Minister, the management of the National Tobacco Company, Ltd., has categorically stated that the purchases by the Company would entirely depend upon the foreign trade conditions and that this total requirement of the tobacco has come down year after year to about six million KGs. and that if they employ all the 15,000 employees as hitherto the number of working days in the season would be less.

The report of the Deputy Commissioner of Labour also reveals that the purchases of tobacco from small traders is a necessity to make up their deficits in particular grades/quality and that the extent of purchase is very small compared to the total purchases of the tobacco companies.

Government are aware of the present situation and are examining how best the impasse could be resolved. In fact the representative of the National Tobacco Company met the Commissioner of Labour and promised to examine the operation of the branches at Vijayawada and Rajahmundry after consulting their head-office. The decision of the Company is expected in a couple of days. All necessary action will be taken to mitigate the hardships of the employees.

Calling attention to matters of urgent Public Importance:
re: Opening of English medium section in Degree Colleges.

Re: Opening of English medium sections in Degree Colleges.
Calling attention to matters of urgent Public Importance:
re: Opening of English medium sections in Degree Colleges.

Sri B. Sriramamurthy:—The following is the policy of Government in regard to medium of instruction at Collegiate level.

1. Telugu will be introduced as medium of Instruction in the Degree Courses from the academic year, 1971-72.

2. English will be the alternative medium of instruction. In Osmania University area, the existing facilities with regard to Hindi and Urdu will continue at the Degree level.

3. For seeking admission to English Medium a candidate not less than 40% in the English language in the qualifying Examination.

4. The number of English medium sections and Colleges in which these should be opened will be decided each year by mutual consultation between the Universities and Director of Public Instruction.

2. In pursuance of these decisions, English medium sections are not being permitted by Government in a routine manner in every college whether Government or Private. But wherever, there are individual request from the Degree Colleges whether Government or Aided they are being examined on the merits of each case.

3. Tho criteria for permitting English medium Sections in the Degree Colleges (whether Government or Aided) are as follows:

   1. The College should be located in the District Head Quarters.

   2. The place where the college is located should be a Cosmopolitan town or big commercial centre etc.

   3. There should be no financial commitment to Government either by way of staff accommodation, equipment etc. for 3 years.

   4. There should be a minimum strength of 45 or 50 in the English Medium Section/Sections if permitted.
Calling attention to matters of urgent Public Importance:  
re: Opening of English medium sections in Degree Colleges.

4. On the basis of above criteria, the following Colleges have been permitted to open English Medium Sections in the Degree courses during the year 1973-74.

1. V. T. College, Rajahmundry.
2. M. R. College Vizianagram.
3. Hindu College, Guntur.
4. Adoni Arts and Science College, Adoni.
5. Andhra Mahila Sabha College for Women, Hyderabad.
7. Anwarul-Uloom College for Women, Hyderabad.
8. S. N. Vanitha Mahavidyalaya, Hyderabad.
9. Arts and Science College, Mahabubnagar.

5. In regard to V. R. College, Nellore, telegraphic orders were issued to the Correspondent, permitting him to start English medium sections in the I year B, A, B, Sc., and B. Com. Classes respectively during 1972-73 without grant-in aid and subject to the condition that the strength in each class should not be less than 45. But the Management has reported that there was no strength and only 32 and 33 students have applied for admission into English Medium Sections in B. A, and B. Sc. Classes respectively during 1972-73 as there was no prescribed strength. So far as the year 1973-74 is concerned, the Management has not sent any proposal to the Director of Public Instruction for the opening of English Medium section.

It will thus be seen that there is provision for the starting of English medium Sections wherever the above criteria are fulfilled and that the Government during 1973-74 have sanctioned the opening of English Medium Sections in degree courses in as many as 9 cases.
PAPERS LAID ON THE TABLE

10-50 A.M.

(i) **AMENDMENTS FOR THE A. P. MINOR FOREST PRODUCE (REGULATION OF TRADE IN ABNUS LEAVES) RULES, 1970.**

The Minister for Endowments (Sri Sagi Suryanarayana Raju) — Sir, on behalf of the Chief Minister I beg to lay on the Table: a copy of the amendment issued in G. O. M. No. 226, Food and Agriculture Department, dated 26-1-1974 to the Andhra Pradesh Minor Forest Produce (Regulation of Trade in Abnus Leaves) Rules, 1970, in exercise of the powers conferred by section 19 (3) of the Andhra Pradesh Minor Forest Produce (Regulation of Trade) Act 1971, and published as Notification No. 5 of the Rules Supplement to Part II of the Extra-Ordinary Gazette dated 27-2-1974.

(ii) **AMENDMENTS TO THE A. P. FOREST PRODUCE TRANSIT RULES, 1970.**

The Minister for Endowments (Sri Sagi Suryanarayana Raju) — Sir, on behalf of the Chief Minister, I beg to lay on the Table: a copy of the amendments issued in G. O. M. No. 5, Food and Agriculture Department, dated 2nd January, 1974 to the A. P. Forest Produce Transit Rules, 1970, published in the Andhra Pradesh Gazette dated 7th February, 1974 at pages 91-95, as required under sub-section (3) of section 68 of the Andhra Pradesh Forest Act, 1967.

(iii) **SEVENTH ANNUAL REPORT OF A. P. VIGILANCE COMMISSION FOR 1971-72.**

Sri C. V. K. Rao:—The debate on Appropriation Bills will be restricted to matters of public importance or the administrative policy. As such I take up certain items so draw the attention of the Minister.

The A.P. Appropriation No. (2) Bills, 1974.

The A.P. Appropriation No. (3) Bills, 1974.

The A.P. Appropriation No. (2) Bill, 1974.

Sri G. Veeranjaneya Sarma (Sattenapalli):—Sir, while supporting the bills, I would like to draw the attention of the Finance Minister to certain special allocations. The hon. Chief Minister has already observed in this House that the Government is going to take a crash programme for providing house-sites for houseless people and for that normal budget will not be sufficient. In order to complete the work quickly, some special allotment has to be made. I also draw the attention of the Government to the need to develop backward areas. I come from a constituency which has been rightly recognised by the Government as a backward area. That constituency suffers from lack of elementary needs like a bus depot in taluk headquarters and a hospital with 8 beds strength. There is no protected water-supply to the two important towns of Phirangiparam and Sattanapalli. Many representations have been made in this connection and action has been promised. No relief has been accorded for so many years. I would like the Government to take special interest on these three matters and make adequate financial provision, with a special provision for providing these three elementary needs—hospital, water-supply and a bus-depot. I would like the hon. Finance Minister to make a special allotment for a programme of re-localisation of Nagarjunasagar ayacut. The localisation that has been affected in the area is thoroughly defective and is giving causes to constant imposition of fines etc. That is why, in the last session when we have brought this to the notice of the Government, the then hon. Finance Minister promised that the programme will be undertaken and special measure will be taken for completing that work. So, I draw the attention of the hon. Minister to this and I expect that a thorough programme on the basis of the latest river project areas will be undertaken and the great difficulty experienced by the Nagarjunasagar ayacut-dars is removed. I would like to draw his attention about the need to strengthen the Labour Department. The Labour Department has not
strength, it has no personal, no funds, no vehicles to implement the existing laws, not to speak of the laws yet to be made. As pointed out by my friend Sri V. Srikirsha, the Labour Department is not in a position to implement even the minimum wages legislation, Acts like Payment of Gratuity and Shops and Establishments, etc. For strengthening the department, the present meagre allotment is totally insufficient and some special interest has to be taken and the department has to be streamlined. With these few words I take leave of the House.

March 27th, 1974.

Ministry of Finance, Government of the A.P.

The A. P. Appropriation No. (2) Bill, 1974.

An Act to appropriate the Assessments for the financial year 1974-75, and for the purpose of meeting the expenses incurred in the execution of the schemes for the development of the State.

Be it enacted by the Legislative Assembly of the State of Andhra Pradesh in the sixth year of the Republic of India as follows:

Chapter I

Preceding Statement

1. Short title and commencement.

This Act may be called the Government of the A.P. Appropriation Act, 1974.

This Act shall come into force on the 1st day of April, 1974.

Chapter II

Assessment

2. Appropriation of Assessment.

The total amount of Rs. 27,36,000/- (Rupees Twenty Seven Lacs Thirty Six Thousand) only is appropriated for the financial year ending the 31st day of March, 1975.

Chapter III

General Power to apply Funds

3. General Power to apply Funds.

It shall be lawful for the Government to apply the Funds appropriated under the provisions of this Act for the purposes of development of the State, in such manner and to such extent as may be deemed necessary by them.

Chapter IV

Compliance with the provisions of this Act

4. Compliance with the provisions of this Act.

It shall be the responsibility of the Government of the State to ensure that the provisions of this Act are carried out in accordance with the provisions hereof.

Chapter V

Repeal

5. Repeal.

All enactments, rules, orders and regulations made in pursuance of or under any Act relating to the subject matter of this Act shall stand repealed.

This Act shall be deemed to have been passed on the 27th day of March, 1974.

Sri Syed Hassan:—Speaker Sir, Before I come to the Appropriation Bill, I would like to refer to today’s rude behaviour that has been meted to me by you Sir. I may say that you are one of us and you have been elevated by our votes and have occupied the Chair not to insult or hurt the feelings of the Members but to safeguard our interests. I was very badly hurt. I know how to retort. But we hope that this would be taken care of.

What I was telling you Sir, is that why the police why the C. I. D. is surrounding us in the Lobbies. Whenever we meet some person, one C. I. D. Inspector, a person in mufti sits in between to overhear us. You are the Head of this august House and I think we have to bring these facts to your notice.

Police is not meant for us but police should be utilised by sending them to proper places. I told last time also, but it had no effect. I am telling now and I would like to repeat again. Blackmarketers and rowdy elements have to be looked for by the police and not the members of the Assembly. They should not surround the members in this House as we are seeing now.

Vigilance and A. C. B are repeatedly requesting the Government for more staff. Because of the dearth of staff, they say, they are not in a position to deal with cases which is causing delay in taking action. The delay in Justice is as good as doing injustice to both sides—The Government taking up the case and the person against whom the case is taken up. So, police has to be sent to those places and not to surround us here.

About Municipal Corporation, as you all know, that heavy taxation is being imposed. Those who are in charge of levying taxes are not at all trained. In Circles 1 and 2 where these are being reassessed and levied, they are taking bribe openly. They are saying that
these taxes would be reduced to 50% if they give that extra money. What action is being taken for this? Is your police, C. I. D. not meant to such corruption.

Similarly with greatest effort, with my effort, the Government had conceded to form an Advisory Board for the Municipal Corporation where one person rule prevailed the present Special Officer is not conceding to anything, he is not calling the meetings of the Advisory Committee. The proviso of this Advising Committee, the terms and conditions of the Advisory Committee are to call a meeting at least once in three months but imposing no restrictions in calling it any number of times is being misinterpreted. But he is sticking to calling the minimum. The Members wanted to call for the meetings several times and the members are feeling that nothing is being done.

As I told you earlier, in the Corporation, there were so many corruption charges against the previous Special Officer. I need not refer to them now. Even now the personal clerk in the Special Officer's room is calling girls and many corrupt practices are being performed but no action is taken.

What facilities are given to the old city, I would like to ask the Government. This morning people came from different localities saying that the entire road is blocked because of the drainage being choked and the roads are in a horrible condition; no buses are being provided, even though persons residing there represented quite often.

The condition of the R.T.O. is in a horrible stage. Yesterday, the Principal Judge of the Civil Court was telling me that in Dilshuknagar, if one stands and sees, the police and the Inspector of the R.T.O. collect more than Rs. 300 a day and pocket that money for their own purposes.

Another fact was brought to the notice of the Government that mini-buses were provided to some educated unemployed persons and now they are facing innumerable problems: The R.T.O. people are harassing them time and again. At Mehboobnagar instances were told. Even Mr. Ibrahim Ali Ansari was aware of that. Even the Inspectors of the R.T.O. use the vehicles for their own personal purposes. These facts were brought to the notice of the Government, but no action was taken.

I would like to ask the Government, as to what the Government is doing for the common man, the down-trodden and the weaker sections of the Society? The replies clear that nothing is being done. We were told by the Government that the Advisory Board has been formed and it would check the functions of the Muslim Wakf Board. Very seriously discussions were held in this House, but no action has been taken so far. In the Wakf Board there are persons who should have been behind the bars by now and their cases should have been taken by the Police. They are still the same persons who are operating the Wakf Board. They are running the Wakf Board. Tonnes of files are with the clerks in their houses and they are selling those files. No action has been taken. Is this the people's Government? Government has given an assurance that the Advisory Body would be formed by dissolving the present Board. So far, no action has been taken.
Now two incidents I would like to quote. There is a lady, a widow. She was working in the Civil Supplies Department. She was having 23 or 24 years service. She was asked to quit. She went to the High Court. High Court had decided in a writ petition that she should be reinstated. She was reinstated. Since last 10 months she is not getting her salary. She came to me. I told the Director of Civil Supplies. He said that they are thinking to go on an appeal to the higher Court and till such time the salary cannot be paid. If she gives an undertaking, that if the case is lost by that lady she should pay back the entire amount which is being to be paid to her as salary. What is the justification in such action being taken against a petty employee of the Government? Government has to look into these matters.

I have so often drawn the attention of the Chief Minister and so many others who come and visit the old city that the people are being harassed by the Taxes Department, the police and the authorities which claim to be the part of the Government. But no action has been taken. What is it, I fail to understand.

I know that the present Chief Minister is a good administrator. I know that he is a practical person but these things also he should look into. He may be busy with so many other things. But he must realise that the down-trodden people are also a part of the human society. They also have to be looked into by the Government as others. I hope that this time atleast the Finance Minister would try to answer the points raised by me.
Government Bills:

The A.P. Appropriation (No. 2) Bill, 1974.

The session adjourned at 1-00 p.m.
Government Bills:
The A.P. Appropriation (No. 2) Bill, 1974.

Smt. Rani Sundarammani (Punganur) :—Speaker Sir, in support of the Bill moved by the Finance Minister, I would like to stress a few and two points in the interests of my constituency.

The protected water supply scheme, though investigated and estimated was submitted for administrative sanction in 1965, the Government had hitherto been saying that the scheme would be implemented on receipt of the loan from the Life Insurance Corporation. The panchayathi Raj Department has recently requested the Dt. Collector, Chittoor to consider and include the scheme in 1978-74 programme under Rayala ecma Development Board. As there is rapid growth in population in Punganur time and again, scarcity of water is acutely felt. Immediate implementation of the scheme should be taken up without any further delay.

There is no perennial source of water in Punganur taluk. People have to depend on tanks and lift irrigation. As many of the tanks are neglected for a long time, early steps be taken to set up a Works Sub-Division of W. D. at Punganur under Minor Irrigation. This would go a long way in agricultural production and also would solve unemployment to a certain extent.

The present State Bank of Mysore is not actually helpful to the Small-scale industries. The State Bank of India is requested to open branch at Punganur. The authorities and the Finance Department should please move the concerned banks. Indian Bank, Bank of India, Syndicate Bank and the Indian Overseas Bank for opening a branch at Punganur.

As the small farmers are put to much inconvenience the Land Mortgage Bank at Punganur may be directed to sanction the loans within a period of three months on short duration. The payment of minimum electricity charge should be removed in the case of at least farmers who entirely depend on lift irrigation.

The upgrading of the Judicial Second Class Magistrate Court at Punganur is postponed year after year. Provision should be made at least in 1974-75 Budget for the upgrading of the Court.

I thank you for giving this opportunity Sir.

2.30 p.m. The Hon'ble Member for Guntur (Mr. K. V. Someswara Rao) moved the A. P. Appropriation (No. 2) Bill, 1974, for second reading. The Bill was presented later, read a second time, and referred to the Public Works Committee.

Mr. Someswara Rao explained the objects and reasons for the Bill. He pointed out that the Government had to spend a large amount of money on public works, such as roads, bridges, and waterworks, which were essential for the development of the State. He said that the Government had to provide proper funds for these purposes to ensure that the work was carried out efficiently and effectively.

The Bill was referred to the Public Works Committee for consideration. The Committee was instructed to report back to the House within a month.
