Sri Ch Parasuram Naidu (Parvathipuram) — The death of Mr Sanjivaiah is an event which has been mourned all over the nation. Mr Sanjivaiah is very well known for his been loveable personality. He had stuck to his post of duty in last few years of his life, in spite of his ill health good cheer has never left his face whenever we went to him in the most arduous situations and difficult circumstances, he was still welcoming us talking to us and trying to explain his position as softly and as well as he could. I know Mr Sanjivaiah for long, his political career is meteoric ever since 1918 he rose from position to position and never looked back. From a small official he rose to the top that the nation can give him. He had occupied all positions of responsibility with dignity, poise and satisfaction to everyone concerned. I know as a legislator and public worker when I had to do something with him and I had to come in conflict with him he had never allowed bitterness to intervene, he had never allowed pettiness to come in. He had always kept up the personal relationship on a very high plane. It is to his credit and it is a matter of inspiration for all of us that in spite of his failing health in the last few days of his life he stuck to his post like Casabianca. He never left any situation of difficulty, he is a magnanimous person with whom contact is a matter of privilege. I wholeheartedly associate myself with the resolution on which Hon’ble Chief Minister has moved. May the soul of the departed rest in peace.

[Message content]

My dear Sir,

I am deeply saddened to learn of the passing away of D. Saajivayya, former Chief Minister of our state. His contributions to the development of our region cannot be overlooked. His leadership was marked by wisdom and foresight. He will be greatly missed.

With deepest respects,

[Your Name]

Condolence Motion: re Demise of Sri D Sanjivayya, former Chief Minister.

The Minister for Medium Irrigation and Law (Sri P. Basi Reddy) - Mr Speaker, Sir I have had the good fortune of having moved rather intimately with the late Mr Sanjivayya. He was a gentleman, a good friend and a fine politician. He had very rare virtues in him that we do not ordinarily find in politicians. He never offended anybody, not even a person who had done him harm previously. He had a smile for everybody and he helped everybody that approached him including his enemies. The persons that received help at the hands of the late Sri Sanjivayya are legion. He was a very good friend. Whenever his difficulties he never sought the help of friends, he did not seek it even when he was in need of it. He never put his friends to any hardship or any embarrassment and his help was always available to friends whenever there was scope for rendering it or whenever there was need for it.

His indifference towards the drawbacks of his friends was remarkable. His solicitude for the welfare of his friends was admirable. He was a fine politician, a disciplined politician. Although there were strong temptations to do harm to a man who had done harm to him on previous occasions, he followed certain principles which he adhered to throughout his life. He was a disciplined partyman also.

Having been born in a Harijan family and having had personal experience of the innumerable hardships that a Harijan family or other socially backward families have had to undergo for years, his feelings towards these classes were very strong. He devoted his life for the social and economic upliftment of these classes. Although he had a grievance against the so-called forward communities for the wrongs they have done for these socially oppressed classes, he never entertained any hatred for these so-called forward communities. Hatred was unknown to him. He dedicated his life for the upliftment of these oppressed classes and for the 10-point programme of the Congress Party and its implementation under the dynamic leadership of Smt. Indira Gandhi. He was very happy that the programme

for the upliftment of the oppressed classes was going on at a very fast pace, but unfortunately he died a premature death. His premature death is a serious loss to the Society, to the State and to the Community.

I convey through you, Sir, my heartfelt sympathies to the members of the bereaved family.

re. Demise of Sri D. S. Anjivayya,
former Chief Minister.

In the death of Sri D. S. Anjivayya, our former Chief Minister, who brought in several social reforms and initiatives, the people of the state lost a great leader. His untimely death is a great loss to the state and the nation.

Sri Anjivayya was a champion of social reforms and had worked tirelessly for the betterment of the downtrodden sections of society. He was a true leader who lead by example.

re Demise of Sri D Sanjivayya, former Chief Minister.

Mr Speaker, Sir

On behalf of my party and on my own behalf I express my profound grief and sorrow on the sad demise of Mr Sanjivayya. I had no personal contact with him, but as far as my knowledge goes he was championing the cause of social uplift of the downtrodden and backward communities and he was also fighting against communalism. At such a time when the reactionary forces are raising their heads his absence would very keenly be felt. However, we all are one in supporting the motion moved by the Chief Minister.

re: Demise of Sri D. Sanjivayya, former Chief Minister.

Mr Speaker, Sir, most of the Members here may not be knowing how Mr Sanjivayya entered politics. As I happened to be a close friend and classmate right from First Form to Law Course, I want to present some facts about his life and how he entered politics.

He came from a very poor family and he used to walk 5 miles up and down to the school from his village. In spite of that, he stood first in S. S. L. C. and got scholarship also. In the Intermediate also...
he came out in First Class. After graduation, he tried to get some employment but he could not get any job. Then he was forced to join as clerk in the Ration Office. After working there for one year, he went to Madras and joined the Central Excise. He was fortunate to get appointed as Inspector, Civil Supplies during war-time in 1945. After the termination of the war, he was ousted and he was struggling for life. He came to me in 1946 when I was studying Law and I advised him to join Law and prosecute his studies in Madras itself. At that time, he was not having any money, Sir, I am not boasting just to impress the House, he was only trying to tell how he struggled, he was not having even Rs 10 and then I paid him to pay the fee. Even so, he was struggling for his livelihood. Even while studying he was doing some job and I was giving proxy for him for six months. He later applied for the post of Labour Officer in Madras Government when Mr. Kurmapya was Minister in the composite Madras State. Myself and Mr. Sanjivayya tried for a post through Mr. S. Nagappa, ex-M.L.A. We were surprised to know that already by 15th some 11 posts of Labour Officers were filled by sons of Ministers and Secretaries though the interview was fixed for 22nd. So, Mr. Sanjivayya continued his Law studies by borrowed books. He was very poor and could not pay the hostel charges even then. Still, in 1948 he became a Member of the Constituent Assembly when you (Mr. Speaker) were also there. So, in 1948 he entered politics. What I want to say is, though he was living a simple life he was thinking high. I have got a number of his photos right from 1949 till his demise and I want to give them to anybody who wants to write his biography. So, Sir, I request the House to recommend to the Government to raise a fitting memorial for my beloved friend. It is a great loss to me and a greater loss to the weaker sections of the society and minorities.

re Demise of Sr. D. Sanjivayya,
former Chief Minister.

Sri H. Satyanarayana (Adoni, - Mr. Spee or, Sir, I ass state myself with the sentiments expressed by the Leader of the House and also other members here. I had the privilege and the good luck of knowing Mr. Sanjivayya right from his days when he was an Inspector in the Essential Services Department. On the very day when he came to the court I was there. When he talked with me I thought this man was cut out for something higher and bigger. I just told him “Look here, young man, this is not the place for you. You must enter politics.” I am very happy that due to the good efforts and good offices, his very good friend who is an hon. Member of this House has entered the Constituent Assembly. I need not mention that hon. Member he is Mr. K. V. Narasappa and after he became the Constituent Assembly Member he rose like a meteor. One great thing with Mr. Sanjivayya was his humility. There are one or two anecdotes to show how much humility he had.

Once when he had come to our place we had a gathering of all political sufferers. Then I introduced to him one young man and told him that “this is the man who cut the telegraph wires in 1942.” Then what was the answer from that great man? He said “I had no opportunity to see Mahathma, much less to take part in the 1942 movement.” Then I said: “Let me touch those hands that cut the telegraph wires and paved the way for freedom!” Then I remember, when he was Chief Minister he had come to the State Guest House at Kurnool, his Headmaster had come to him on some small work. When the Headmaster came, Sanjivayya rose up, went to receive him and then do you know what he did? He said: “Sir, you are putting me to shame by your coming to me. You could have just sent word
to me, I would have come to your house running and I would have done whatever you asked for.” Such was the humility which Mr Sanjivvaya had.

The other thing which I would like to say is there is a good lot of comparison between the life of late Lal Bahadur Shastri and Sanjivvaya Lal Bahadur, it is said, had no money to pay for the passage to ford the river Ganga and so he swam the entire Ganga. So also Sanjivvaya had also no money to come from Pedapadu to Kurnool and so he had to walk the whole distance. Once when I asked him “Which is the greatest moment that influenced your life?”, he told me “The day when one old advocate came to me and gave me a set of new clothes, that was the greatest day for me.” He remembered those incidents. Sri Sanjivvaya had a very high stature. It is said great people are born to achieve some ends. Mahatma worked for the freedom of the country. Immediately freedom was got he shook off his mortal coils and Lal Bahadur Shastri after the Indo-Pakistan War and after Tashkent he also died. In the same fashion perhaps it is God’s wish that Sanjivvaya’s work in this mortal world is over. One great thing that he did was to put the lowest of the lowly and the oppressed and the depressed on their feet so that they can stand erect and walk like men. Perhaps the last act which he did was as Congress President, he put all these backward classes people and the minorities on their feet by making them enter the Legislative Assembly. That was the last work of Mr. Sanjivvaya and I associate myself with the feelings expressed here and I express my condolences to the bereaved family.

1e Demise of Sri D Sanjivayya, former Chief Minister.

Dear Sir,

Though it is a repetition I would like to say that late Mr Damodaram Sanjiyavah started his career in a humble way after graduating in law. He was elected to the Indian Constituent Assembly from Ma’ras Assembly. After the Assembly, he continued as a Member of the Parliament when he was elected from Kurnool in the Madras Election. In 1952 he was taken into the Ministry of Sri C. R. Raghuramachari as a Cabinet Minister. After the formation of Andhra State he was taken as a Minister by late Sri Prakasam Pantulu. He continued as a Cabinet Minister in Sri Nilam Sanjeeva Reddy’s time. After Sri Nilam Sanjeevareddy he became the Chief Minister. After Sri Nilam Sanjeevareddy he became the AICC President. Such a bright prospect was only because of his good qualities as a leader. He worked for the cause of the Minorities and the backward-classes. In the recent elections, it was his stubborn idea which was accepted and favoured by our Prime Minister that 60% of the Minorities should be selected. It is because of him that Members like me are sitting here. His death is a great loss to the Congress Party and the Andhra State in particular. May God rest his soul in peace. It is so kind of our Chief Minister to have granted a reasonable pension to his old and helpless mother.

re. Demise of Sri D Sanjivayya, former Chief Minister

We are meeting at a very crucial time when we lost one of the most able leaders and administrators of our organisation. Though I am overwhelmed with grief and choked with words, I still want to say a few words. Though Mr Damodaram Sanjivayya is no more with us physically, his spirit, his ideals and his dreams are still with us. We are very sorry, we are very unhappy on this occasion. His name is immortal. He is one of the illustrious sons of the country, blessed to a mother who gave birth. He lived a simple and humble life and passed away in a quiet way. His lasting relation coupled with his seasoned experience still stay with us as a rich heritage for the present and future generations. Though he worked as Minister, Chief Minister, Union Cabinet Minister and Congress President, he never looked high and never looked down upon others. He had always been abreast with the times. Straight thinking, simple and humble, practical, love were his ideals. He lived to do good but not to achieve anything for himself. If I can put it thus, I shall say a little bit poetically. He is simple in structure, bold in venture to fight for the right with all his might. He is an embodiment of what is best of the past and the present with standard vision for the future. It was not the position which made him great but everything he occupied he made it great. It is stated that some are born great and some achieved greatness. He belongs to the second category of man because he achieved greatness by dint of hard work and by virtue of the character. His was a dedicated life for the common good. When the country is passing through most testing and crucial years, we are deprived of his able guidance.

The country has lost an eminent person in him. It is a personal loss to everyone. The vacuum caused by his death is being gradually filled up. His friendliness without familiarity, his duty without officiousness and his religion without ostentation endear themselves to all that met him. His life was gentle. The element of nature is so mixed in him that nature might stand up and say to all the world this is a man we should pledge to emulate his life. In this momentous occasion, we shall pray to God to rest his soul in peace. May his bereaved family be consoled with peace and quietness.
Dhruvafhara. In the national politics he was trusted and faithful torch-bearer of the ideals of Mahatma Sri Pandit Nehru had a high opinion on the character of Sri Sanjivayya who hailed from a lower community, risen to the highest office in the AICC. Sri Jawaharlal Nehru rightly remarked, there are only two great things to admire in India. One is the greatest construction of Bhak Nangal Project, and the other is a Hon'ble who gained the hearts of the people of Andhra Pradesh, the Chief Minister. The scheduled and backward communities of Andhra Pradesh are ever greatful to the generous leader for the upliftment he has given to the down-trodden in all walks of life during his tenure as the Chief Minister and President of the AICC.

My father-in-law the late Sri K Santhapa, an Ex.M L A., was a close associate of the noble leader since three decades. He was guiding my family in all respects. It is a great loss to me and to the nation, especially to our Andhra Pradesh. I feel that we could no avail the presence of the leader when the important green revolution is going to be implemented for economic betterment of the landless poor. He was the right-hand of our beloved Prime Minister in the helm of affairs. It is because of him only that most of the Members from the backward and scheduled castes are sitting in this Assembly to serve the democratic country.

If we can put into practice the aims and ideals laid down by the revered leader as the President of the AICC we will be doing justice to his noble cause. May his soul rest in peace, at the lotus feet of Lord Sri Venkateswara.

I am thankful to the hon'ble Speaker for giving me this opportunity to express my respects to the demised, noble leader. Thank you, Sir.
