7. Sri R. N Sarma
THE
ANDHRA PRADESH LEGISLATIVE ASSEMBLY DEBATES
OFFICIAL REPORT

Fourth Day of the Fourth Session of the
Andhra Pradesh Legislative Assembly

ANDHRA PRADESH LEGISLATIVE ASSEMBLY
Friday, the 31st January, 1975
The House met at Half-Past Eight of the Clock
(Mr Speaker, Sri R. Dasaratharam Reddi in the Chair)

ORAL ANSWERS TO QUESTIONS

IMMUNITY TO PRESS REPORTERS

21—

*3588 Q — Sir Vanka Satyanarayana (Penukonda) — Will the Chief Minister be pleased to state whether the Government decided to bring in legislation to provide immunity to the press reporters in the State in the matter of reporting the proceedings of the State Legislature as in Lok Sabha and Rajya Sabha?

The Chief Minister (Sri J. Vengal Rao) — It is Under active consideration of the Government.

*An asterisk before the name indicates Confirmation by the member.
What amenities did the pressmen ask for in the first place?

Is our Secretariat so poorly equipped? Does not G. A. D. have this simple information regarding the amenities that have been given to Reporters in the Lok Sabha and Rajya Sabha?

Sri C. V. K. Rao:—Will the Government be pleased to consider in this context giving the pressmen almost the same immunities as have been given to the legislators. It is nothing more than reporting what takes place in the House. Just as the legislators have immunities, so also the reporters who report the proceeding of the House may have the same immunities.

Sri C. V. K. Rao:—Sir, journalists are discharging an onerous responsibility. I put it to the Government—will the Government
stop treating the journalists as their serfs. Will the Government give respect and proper facilities to the journalists apart from immunities?

Sri C. V. K. Rao: - There is relevance. The Government cannot escape its responsibility towards the journalists. The Chief Minister is trying to evade that question.

Sri A. Sriramulu:—This question relates to certain immunities. I want to know whether there is any system of accreditation of reporters to the press gallery. What is the procedure followed by the Government?

Sri C. V. K Rao:—How can the Chief Minister escape answering my question?

Sri A. Sriramulu:—This is a question relating to immunities. Immunity means certain privileges and rights conferred on the journalists while reporting the proceedings of the House. Is not my question relevant if I ask what exactly is the present immunity and what is the system of accreditation to the press gallery?

Mr. Speaker.—The supplementary may be answered.

Sri A. Sriramulu:—This is the most callous way of answering. Should we be treated like this?

Mr. Speaker.—He says he is not able to give information at present.
Sri A. Srriramulu:—Supplementing that point of order, here is a question which is a starred question, notice of which has been given long time back and we expect the hon. Ministers to come to the House fully prepared with the information that is sought in the question. Is it not a dereliction of duty on the part of the Ministers to refuse to give answers relevant to the question upheld by the hon. Speaker.

Mr. Speaker.—He has not refused to give.

Mr. Speaker,—He has promised to place the relevant material. I will call it on Monday or Tuesday.

POSTING OF GOVT EMPLOYEES IN THEIR RESPECTIVE DISTRICTS

22—

*4745 Q.—Sir Nallapareddi Sreenuvasulreddi:—Will the Chief Minister be pleased to state:

(a) whether it is a fact that the Government have decided that the employees working in all departments of the Government of Andhra Pradesh should not be posted in their respective districts;

(b) if so, whether this decision is applicable to the Non-gazetted Supervisors working in the Irrigation (P. W. D.) Department also.
(c) whether it is not in controvention to the six point formula?

Sri J Vengal Rao — (a) No, Sir, this decision is applicable only in respect of Gazetted Officers

(b) No, Sir.

(c) No, Sir

District is also a circle; therefore he says there is no decision to that effect.

There is no such direction.

Oral Answers to Questions.

Sir A. Sreeramulu — The Chief Minister said that the restriction applies to gazetted officers. It is no doubt true but since decades the post of Tahsildar though a gazetted one was confined to the district. Will the Government examine whether the old practice of posting Tahsildars in their districts can be revived?

Sir A. Sreeramulu — In respect of Tahsildars I understand almost all the Collectors have recommended to the Government that the post of Tahsildar can be a post of the district because the person manning that post requires a great deal of local acquaintance and so he need not be sent to other districts. Is that proposal under consideration?

MULKI CERTIFICATES FOR THE SPECIAL QUALIFYING TEST

* 4795(J) Q. — Will the Chief Minister be pleased to state:

(a) whether it is a fact that the Collector, Hyderabad is insisting on production of Mulki Certificates from candidates selected in the special qualifying test held in 1973; and

(b) if so, whether this is in order?
Sri J Vengal Rao — (a) Though the candidates selected in the Special Qualifying Test were informed earlier that their selections were subject to the production of the Mulki Certificate, that condition was not insisted upon after the issue of instructions in Government Memo No 289/Ser A/73-2, General Administration (Services A) Department, dated 28th March, 1974.

(b) Does not arise.

Sri A Srimulu — I am glad the Collector did not insist on that. But why the Collector should make a mention of Mulki rule at all? When there was a judgment of the Supreme Court and the judgment was clear that it does not apply, why the Collector should still insist — because these bureaucrats have a special tendency of creating tensions in the State. Both the agitations were largely due to bureaucratic mishandling of service matters. Why this Collector insisted on that?

Sri A Srimulu — I understand, was it necessary on the part of the Government to direct this Collector when things are very clear.

Mr. Speaker — Probably the District Collector was not aware.

Sri A Srimulu — At least these officers will have to be properly advised, otherwise in future there will be numerous problems created by them.

Sri C V. K. Rao — Is not a fact that the Mulki rule is brought by the backdoor process in the guise of a local candidate.

C E N T R A L  S E E D  F A R M  A T  A S W A R A O P E T

24—

*4892 Q — Sri Chekuri Kasaiah (Palwancha.) — will the Minister for Agriculture be pleased to state,

(a) when the Central Seed Farm was established at Aswaraopet in Khammam district,

(b) number of acres of land allotted to the seed farm,

(c) the amount allotted by the Government of India for this seed farm;

(d) the amount so far spent to reclaim the land and extent of reclamation completed;

(e) number of employees and daily wage workers engaged on this farm; and

(f) the minimum wage being paid to labourers engaged on the farm?

The Minister for Agriculture (Sri J. Chokka Rao) :—

(a) The Central Seed Farm was established in Aswaraopet on 19-11-1972.

(b) An extent of 6,000 acres was allotted to the seed farm.

(c) Capital expenditure envisaged on this Project is Rs 66 40 lakhs.

(d) An amount of Rs 5 15 lakhs was incurred on the reclamation and clearance of the land to the extent of 919 acres.

(e) There are at present 23 regular employees. The number of workers employed on daily wages ranges from 100 to 150 depending upon the work from time to time and in peak seasons it touches upto 200 daily paid workers.

(f) At present the man labourer is paid Rs 2 75 and the woman labourer is paid Rs 2 25 per day.
Oral Answers to Questions. 31st January, 1973

SHIFTING OF OFFICE OF NATIONAL SEEDS CORPORATION FROM VIJAYAWADA

25—

*47 2 Q—Sri D. Krishna Reddy (put by Sri N. Srinivasulu Reddy);—Will the Minister for Agriculture be pleased to state:
(a) whether the Government are aware that the office of the National Seeds Corporation at Vijayawada is being shifted to some other place,

(b) if so, the reasons therefor; and

(c) whether the state Government will prevail on the Central Govt. not to shift the said Corporation from Vijayawada in view of the Central location and also for its agricultural importance?

Shri J Chokka Rao.—(a) On enquiry, the National Seeds Corporation informed that there was a proposal some time back to shift the office from Vijayawada to Hyderabad Government were not informed officially about this proposal.

(b) The following are the reasons put forth by the National Seeds Corporation.

(1) With the expansion of activities of the National Seeds Corporation, it has become necessary to have close liaison with the Department of Agriculture.

(2) To maintain close contact with Seed Certification Agency and All India Coordinated Projects of Rice and Sorghum and A.P. Agricultural University and also with the Headquarters Office, New Delhi.

(c) The matter was immediately taken up by the Chief Minister with the Union Minister for Agriculture and as a result the Government of India reexamined the issue in consultation with the National Seeds Corporation and decided to retain the Regional Office at Vijayawada.

(1) The following are the reasons:

1. With the expansion of activities of the National Seeds Corporation, it has become necessary to have close liaison with the Department of Agriculture.

2. To maintain close contact with Seed Certification Agency and All India Coordinated Projects of Rice and Sorghum and A.P. Agricultural University and also with the Headquarters Office, New Delhi.

Oral Answers to Questions. 31st January, 1975. 257

Will the Minister for Agriculture be pleased to state *(a) whether the Indian Council of Agricultural Research propose to start a Research Scheme on 'Dry Farming' in Ananthapur district; *(b) if so, when, and *(c) whether the details of the scheme will be placed on the Table of the House?*

Sri J Chokka Rao:—*(a) The Indian Council of Agricultural Research has already sanctioned a Center under "All India Coordinated Research Project for Dryland Agriculture at Agricultural Research Station, (DF) Anantapur."

*(b) This scheme is functioning from October, 1970. (c) The details of the scheme are placed on the Table of the House.*

DETAILS OF THE INDIAN COUNCIL OF AGRICULTURAL RESEARCH SCHEME

PLACED ON THE TABLE OF THE HOUSE ANSWER 'C' TO L. A. Q. NO. 5354 (STARRED)

DETAILS OF THE ALL INDIA COORDINATED RESEARCH PROJECT FOR DRYLAND AGRICULTURE AT ANANTAPUR

The All India Coordinated Research Project for Dryland Agriculture is in progress at Agricultural Research Station (Dry Farming) Anantapur since 1970 with the objectives of developing a suitable technology for dryland farming.
A OBJECTIVES —

The following are the objectives of the Project

1. Assessment of different crops for their ability to utilise the available soils moisture.

2. Studies on the possibilities of crop substitution and elasticity in the use of crop resources so as to arrive at the most suitable and remunenative crop for the drylands.

3. Studies to arrive at the best crop sequence, relay cropping pattern or crop mixture so as to maximise the returns from a unit area.

4. Studies on crop geometry to arrive at the optimum plant density for maximising yield.

5. Fertiliser use in dryland agriculture.

6. Studies on mulching practice in drylands to assess its effects on soils moisture conservation, soil physical properties and crop yield.

7. Studies on effects of deep tillage to increase water intake rate and moisture storage capacity of soil and the efficiency of stored moisture for crop production.

8. Studies on techniques of water harvesting from interplots as well as water shed.

DROUGHT STRICKEN AREA IN ANDHRA PRADESH

27—

5545 Q.—Smt J. Eshwari Bai (put by Sri N. Srinivasul Reddy) —
Will the Minister for Revenue be pleased to state

the number of districts and taluqs declared drought-stricken in
Andhra and Telangana regions for the current year and the relief
measures undertaken and the amounts sanctioned?

"The Minister for Revenue (Sri P. Narasa Reddy) —

No district or taluk either in Andhra or Telangana regions has
been declared as drought stricken. Due to untimely and uneven south
west monsoon rains, some areas of Srikakulam, Visakhapatnam and
East Godavari districts of State were affected by drought. A total
amount of Rs 49 29 lakhs for Relief works, Rs. 10 50 lakhs for
Drinking water, and Rs 17 00 lakhs for disbursment of Distress Taccavi
loans has been sanctioned to Srikakulam, Visakhapatnam and East
Godavari Districts. Besides an amount of Rs. 23 71 lakhs for relief
works and Rs 13 50 lakhs for provision of drinking water purposes
has been authorised from the plan provisions of some Heads of Depart­
ments, for immediate execution of works with a view of provid Urgent
relief to the agricultural labourers affected in those areas.

9-10 a.m.

Sri C V K. Rao — At one stage I have got your notice that the
information on a matter like that shall be put on the Floor of the
House. Some lakhs have been spent here and there. If that is the
position, it is better the Minister concerned gives us a note on that

Mr Speaker — Wherever it is necessary, it is made

Sri C V K. Rao — I crave your permission. The Government is.

Mr Speaker — Normally the Minister decides either to place it
on the Table of the House or answer it as far as possible.

Sri C V K. Rao — They want to avoid to furnish much infor­
mation with the fear that they may be cornered. Let them place on
the Table of the House some note.

Sri A. Sreeramulu — What is the basis on which an area is
declared as drought affected area? Is it the rainfall? If it is the rain­
fall, how many inches? How does the Government proceed?
Oral Answers to Questions. 31st January, 1975. 263

Sri P. Narasa Reddy.—There is no hard and fast rule about the drought affected areas. Wherever rain is so insufficient that the seedlings wilt not come, where there is no dry crop at all and where there is no drinking water, there the Government fixes. There is no yardstick.

For drinking water, we have placed as much money as the Collectors required. In the olden days also we used to give 60% of the cost. The Collector usually take immediate action on that. If it is not so, we will take necessary steps.
We do not usually send grains for Fair Price Shops in that season. In February and March we shall supply.

It is no doubt true that the crops have been affected. But it cannot be said that the drought is prevailing.

Usually for dry crops we don't give remission there are some areas, wherein even dry crops have failed. The Collectors were asked to assess and send necessary information for taking action.

The Collector, Chittoor has been directed to take up drinking water programme urgently.

If there is scarcity of drinking water I will sanction money. If there is scarcity of drinking water I will sanction money. If there is scarcity of drinking water I will sanction money. If there is scarcity of drinking water I will sanction money. If there is scarcity of drinking water I will sanction money.

How can we say there is drought in Telangana?

The normal rainfall in Telangana region has been 540 M.M. as against 700 M.M from June to September. During October, for a normal expectancy of 57 M.M., we had a shower of 238 M.M. In November it was 10 M.M. How can we say there is drought in Telangana?

The normal rainfall in Telangana region has been 540 M.M. as against 700 M.M from June to September. During October, for a normal expectancy of 57 M.M., we had a shower of 238 M.M. In November it was 10 M.M. How can we say there is drought in Telangana?
Sri. P. Narsa Reddy:—Except a few northern coastal districts.

Sri. C. V. K. Rao:—Sir, East Godavari is here and he has not given any information about it.

Mr. Speaker.—He has given everything.

RICH COPPER DEPOSITS AT AKIPOD RAJAMPET TALUK

28—

* 4953 Q—Smt K. Prabhavathamma (Rajampet):—Will the Minister for Excise be pleased to state:

(a) whether it is a fact that rich copper deposits are found near Primary Health Centre area of Akipod Rajampet Taluk, Cuddapah district during geological survey,

(b) if so, whether the Government are taking up drilling operations there,

(c) what are the other places in our State where rich copper deposits are found, and

(d) what are the steps taken by the Government to deposit them?

The Minister for Excise (Sri V. Purushothama Reddy):—

(a) No Sir.

(b) Does not arise.

(c) The main deposits of copper in Andhra Pradesh are of Agnigundala in Guntur District, Mailaram of Khammam District and Zangamrajupalle in Cuddapah District.

(d) The Agnigundala Copper deposits have been handed over to the Hindustan Copper Limited for exploitation. The other deposits are in various stages of detailed proving.
Mineral Survey in Srikakulam District

29—

*4978 Q — Sarvasri Ch Parasuram Naidu and P SiraMurthy — Will the Minister for Excise be Pleased to state

(a) whether a thorough mineral survey of Srikakulam District took place,

(b) whether there are considerable deposits of Mica, graphite, manganese etc. still to be explored in the district; and

(c) the steps the Government propose to take exploit the full mineral resources of the district?

Sri V Purusothama Reddy.— (a) No sir, Out of the total area of 8700 Sq. Km. of the District an area of 4495 Sq Km has been geologically mapped and the mineral potential evaluated.
The total manganese ore available in the District would be about 0.6 million tonnes. Graphite and mica occurrences may not be economically workable.

The Geological Survey of India and the State Department of Mines and Geology are having their annual field programmes to investigate the mineral deposits of the District.

**LOCATION OF MEDIUM-SHIP-BUILDING YARD AT KAKINADA**

*5491 Q.—Sri Nallapareddi Srinivasul Reddi—Will the Minister for Fisheries and Ports be pleased to state

(a) whether a medium-ship-building yard will be located at Kakinada under private sector,

(b) if so, when it will be completed;

(c) the names of the share holders,

(d) what is the capital investment,

(e) what is the production capacity; and

(f) the number of persons to whom employment facilities can be provided?

The Minister for Fisheries and Ports (Sri D. Mumswami)—

(a) Yes Sir A boat building yard (Trawlers etc) is being set up under private sector by M/s East Coast Boat Builders and Engineers Limited, in Kakinada,
(b) The company expects that it will be completed by June/July 1975 provided there is no hold-up in the supply of Cement and Electricity.

(c) The allotments of shares is reported to be still in process. As per the prospects of the firm, the names of the Directors are:

1. Sri D B. Parthasaradhi,
2. Sri V. Nanjappa,
3. Sri K P Ramsami,
4. Sri Raghavendra Singh,
5. Sri T.N Viswanatha Reddy,
6. Sri B V. Subramanyam,
7. Sri H Sambamurthy,
8. Sri A.W Delima,
9. Sri C H. Kelapan,
10. Sri G.V. Apparao

(d) The authorised share capitals of the firm is reported to be Rs. 25,00,000/—.

(e) The company is planning to build two to three medium vessels per annum besides small craft as per their version.

(f) Approximately 200...
MATTER UNDER RULE 341:  
re : Damage to crops in Kalwakurthi taluk due to hail-storm

Sri S. Jaipal Reddy.—I would like to draw the attention of Hon'ble Minister about the tragedy that took place in Kalwakurthy Tq.-Talakondapalli Village On the night of 23 rd of this month, this tragedy occurred. The hail storm uprooted the trees and took many lives of sheeps and goats. The storm was as powerful that no tree was left in the village. It caused a loss of Rs 5 lakhs worth of crops in that village.

The castor crop that was sown on an area of 150 acres was also completely damaged resulting in a loss of Rs. 2 lakhs. The paddy which was sown over an area of 250 acres was also completely damaged.
Matter under Rule 341

re: Damage to crops in Kalwakurthi taluk due to hail-storm.

resulting in a loss of Rs. 2 lakhs. Commercial crops like groundnut, caster, wheat etc. were also damaged. Apart from this, 105 sheep and goats were killed due to that hail-storm. Most Harijans and other backward class people were affected. I suggest to Government to take up relief measures immediately on a very large scale. I also suggest to Government to consider cash grants to the Harijans for building their huts and purchasing their sheep and goats. I urge the Government to supply hi-breed seeds to the affected ryots in the area. I also urge the Government to postpone all kinds of collections including land revenue. This village is in complete starvation. I lastly request the Government to consider providing foodgrains on a large scale basis to this village which is almost all, on the verge of starvation.

*Sri P Narasa Reddy (The Minister for Revenue) — There was a hailstorm in Talakondapalli village Kalwakurthi taluk, Mahaboobnagar District on 23-1-1975 between 7-30 PM for about 30 minutes. Huts numbering 400 were reported to have been affected due to the hailstorm. Some trees were uprooted due to heavy gale. Four persons are reported to have sustained injuries. Damage to the Zilla Parishad High School and a private dairy farm have been reported.

2. The calamity occurred in a radius of about one mile, covering fields of Talakondapally village alone and affected standing crops such as castor, wheat, groundnut and transplanted paddy fields, and resulted in injuries of four persons, death of approximately 80 to 100 goats and sheep, and destruction of standing crops which were ready for harvest.

3. Relief measures

The Tahsildar, Mahaboobnagar has been asked to allot adequate quantity of rice to the Fair Price Shops of the Village for issue of rice to the poor and the needy persons.

The Collector has taken necessary action to issue instructions to Veterinary and Public Health authorities to take all preventive steps against spread of disease.

Detailed assessment of house damage is being made by the Collector, Mahaboobnagar to grant relief.

The Collector is also gathering particulars to send proposals to Government for remission of Land Revenue wherever crops have been damaged.

The Collector, Mahaboobnagar has sanctioned monetary relief for the injured persons due to hailstorm ranging from Rs. 50 to Rs. 100/—.

**Point of Information:**

_re:_ Policy statements by Ministers outside when the House is in session.

Sri S. Jaipal Reddy — I suggest that the Government should give cash grants to the Harijans who lost their huts and to those who lost their sheep. Secondly I also urge upon the Government to take up relief works in that area so that the poor people may be employed.

Sri P Narasa Reddy — So far as the compensation for goats and sheep is concerned, we would ask our Harijan Development Corporation to give them some money to those villagers so that they can carry on their vocation. So far as drought relief works are concerned, we are expecting the report from the Collector. To what extent relief works must be granted, the Government will consider.

**POINT OF INFORMATION**

_re:_ Policy Statements by Ministers outside when the House in Session.

Sri C V K Rao — As this Session is a very important one, as this is going I want to raise one thing. I have given a notice of privilege that while the Session is going on, any policy statement, any important announcement is to be made before this House. You know, the other day, the Minister for Revenue has made an announcement. If there is any policy to be undertaken by the Government, the Ministers who are responsible to this House have got to announce it on the Floor of the House. They cannot go about in the country or in the city announcing policy matters to belittle the significance and the importance of this House. The Chief Minister, the Minister for Industries have announced about the industrial policy in the State and about the relationship between the States and the Centre. Sir, it is reported in the Press. I brought it to your notice and I also pointed out that it amounts to a breach of privilege and unless expeditious action is taken finally, each Minister will go round in the city and make announcements of policies. That will not be good for this House. Therefore, you can call for the statement from the Ministers concerned. Then, why I raised this breach of privilege is that they may not repeat it because they have been repeating it time and again.

Mr. Speaker.—I am seized of the matter and I will look into it.
NOTIFICATIONS ISSUED UNDER SUB-SEC. (1) OF SEC 9 OF THE ANDHRA PRADESH MOTOR VEHICLES TAXATION ACT 1963

Sri J. Chokka Rao (Minister for Agriculture & Transport):—Sir, I beg to lay on the Table under sub-section (2) of Section 9 of the Andhra Pradesh Motor Vehicles Taxation Act, 1963, a copy in each of the notifications issued in the following G.Os. under sub-section (1) of section 9 of the said Act.

Mr Speaker —Paper laid on the Table.

Mr. Speaker —I have told them that it is desirable to place all these things.

Sri A. Sriramulu:—Atleast with a word of regret that could have been placed because there is delay

Mr Speaker —The Hon’ble Minister will look into it and see that it would not recur.

Mr. Speaker —It need not be stated, it can be understood.

Non-Official Resolution

Construction of Film Studios by Government in Hyderabad and Tirupathi

PAPER LAID ON THE TABLE IN PURSUANCE OF RULE 359 OF THE ASSEMBLY RULES

Sri A. Shanker Reddy (Secretary, Legislature) — Sir, I beg to lay under rule 359 of the Rules of Procedure and Conduct of Business in the Andhra Pradesh Legislative Assembly a copy of letter No. Rs 1/47/74-B dated 19th September, 1974 from the Secretary-General, Rajya Sabha together with a copy in each of the following —

1. The Constitution (Thirty-sixth Amendment) Bill, 1974 as introduced in Lok Sabha
2. Proceedings of Lok Sabha
3. The Constitution (Thirty-sixth Amendment) Bill, 1974 as passed by the Lok Sabha.
4. Proceedings of Rajya Sabha
5. The Constitution (Thirty-sixth Amendment) Bill, 1974 as passed by both the Houses of Parliament

Mr Speaker — Paper laid on the Table.

(Mr. Deputy Speaker in the Chair)

NON-OFFICIAL RESOLUTION

Re Construction of Film Studios by Government in Hyderabad and Tirupathi

(withdrawn)

Sri Nallapareddi Sreeramasul Reddy — Sir, I beg to move

“That this House recommends to the State Government to take steps to construct its own film studios in Hyderabad and on the Hills of Tirupathi and also persuade the film producers and actors who are in Madras, to construct some film studios in Hyderabad and on the Hills of Tirupathi and to see that the Telugu Actors and actresses have settled permanently in Hyderabad and Tirupathi, in order to develop the film industry in Andhra Pradesh.”

Mr. Deputy Speaker — Resolution moved.

re: Construction of Film Studios by Government in Hyderabad and Tirupathi,

Sri Nallapareddi Srinivasul Reddy — The Hon’ble member can move the amendments at the time of his speech.

Sri C V K. Rao — What about the other members being made known of the amendments? They must also know what an amendment is before they support or oppose.

Mr Speaker — You can move your amendment.

Sri G Rajaram — We will make a note of it and pass it on.

Sri A S Bramulu — It is better the Minister concerned is present.

Mr Deputy Speaker — The other Ministers are taking note of it.

Sri C. V. K. Rao — It is not like that. It is a very important thing. He has got to sit here when the mover is moving the motion and explaining the position.

Sri A. Sramulu — Is it running the Government by proxy?

Mr Deputy Speaker — With my permission, the concerned Minister has gone to the Council.

Sir, I beg to move: In the Non-official Resolution No. 1, after the words “own film studios” add the following:

“Cinema star training centres and create its own cinema stars both men and women.”

Mr. Deputy Speaker:—Amendment moved.
Non-Official Resolution: 31st January, 1975

Construction of Film Studios by Government in Hyderabad and Tirupathi.

Non-Official Resolution:
re: Construction of Film Studios by Government in Hyderabad and Tirupathi.

Sri Ch. Palasurama Naidu —Sir, he is casting aspersion against all of us. He is saying that, Sri Srinivasul Reddy alone as soumyam.

Sri C. V. K. Rao —Somebody can compete with Sri Srinivasul Reddy. But then he will be with opposition. He has decided to be with us. It is fit and proper and I hope the Government will consider favourably. I am putting it as a proposal. I am not quoting it as an amendment because if the Government refused it, it affects our prestige. If the Government accepts this proposal along with our resolution, this particular proposal also may be taken. With these few words, I close.

Sri P. Narasa Reddy —Sir, I could not catch his point. Does the Member mean that he wants Mr. Srinivasul Reddy to be trained as actor or take him as Minister for Cinema affairs?

Sri C. V. K. Rao—Sri N Srinivasul Reddy is a born actor. But he is a fitting Minister also. Therefore, I am prompted to suggest thing. I hope the Government will favourably consider, that aspect,

re: Construction of Film Studios by Government in Hyderabad and Tirupathi.

The resolution states that the construction of film studios in Hyderabad and Tirupathi is to be commenced. The resolution mentions that the construction will be undertaken by the Government and is expected to facilitate the growth of the film industry in the region. The resolution also emphasizes the importance of supporting the film industry for the economic development of the state.

The resolution further highlights the potential benefits that the construction of film studios will bring to the local economy, including job creation and increased tourism. It also expresses the hope that the studios will attract filmmakers and production companies, leading to the development of a vibrant film industry in the region.

The resolution concludes by expressing the confidence that the construction of film studios will be completed within the stipulated time frame and that the benefits outlined will be realized.

The resolution is signed by the relevant officials and is dated 31st January 1975.

Non-Official Resolution re Construction of Film Studios by Government in Hyderabad and Tirupathi.

Sri A. Srimulu — Mr Chairman, Sir

This is an industry which is highly speculative. Even if I say it is a gamble, I think I shall not be exaggerating the situation. This is an industry where the black money has a field day. It finds a fertile ground. And if you want to go into the various aspects of this industry I shall not be dealing with the resolution. I have my own ideas about the film industry, how it is progressing, how it is developing, how it is diluting the entire social set up of this country with obscene, abominous, sometimes vulgar versions and lot of other things that have gone into this industry.

As far as the present resolution is concerned, my friends idea is since the Government has been trying to provide infra-structure material for various industries, constructing a fully equipped modern studio in Hyderabad will certainly go a long way in providing the necessary infra-structure for production of films. Sri Haribabu just now complained that production costs have terribly gone up. True, it is because the studio owners have developed a sort of federation. It is the duty of the producers also to develop a federation and see that they are able to cope up with the race, the race that is going on. If the Government steps in and constructs a studio, I am sure the Government will be in a position to regulate the functioning of this...
Non-Official Resolution  
31st January, 1975  
re Construction of Film Studios by 
Government in Hyderabad and Tirupathi.

The industry though not to a full extent at least to a small extent. When the government constructs a studio, I suggest the government will have to stipulate certain conditions for 'leasing out on a concessional rate of rent and they must also prescribe norms for the production of films. Because, cinema perhaps is most effective mass medium of communication and the government must certainly make use of the mass medium of communication to spread what exactly the nation believes and to educate the masses towards that particular goal. And to that extent the studios may become a small instrument at the disposal of the State to prescribe and the State must prescribe norms and standards for the production of films. Of course, the Censor Board is there. It is working in a very, very limited atmosphere. The values of obscenity are far, far behind the present day requirements. The present day requirements are not the ethical standards but the social and political goals. The standards will have to be revised and remodelled to suit those goals.

So, I fully support this Resolution of my friend. The Government should think of constructing one or two fully-equipped studios not one in Hyderabad. It should be like a model studio which the country should feel proud of. It should be equipped with the modern and sophisticated equipment. After doing that very reasonable rates of rent should be prescribed for the production of films. With these, I support this Resolution.

Re Construction of Film Studios by Government in Hyderabad and Tirupathi.

Non-Official Resolution: re Construction of Film Studios by Government in Hyderabad and Tirupathi.

1. M. V. Ramana Reddy:—Government of Mysore has already initiated the process of construction of film studios. However, the funds available are not sufficient to complete the project in time. Therefore, we feel that the Government of Andhra Pradesh should also consider the construction of film studios.

2. V. S. Ramana Reddy:—I support the Resolution moved by M. V. Ramana Reddy. It is true that the Government of Mysore has started the construction of film studios, but the funds available are limited. Therefore, we should also consider the construction of film studios in Andhra Pradesh. In this regard, I would like to suggest that the Government should perhaps consider the transfer of the unused funds from Mysore to Andhra Pradesh.

12.40 p.m. Mr. Y. C. Reddy moved:—I would like to know from the Government whether they have any plan to construct film studios in Andhra Pradesh.

(Amendment)

Mr. Reddy:—I support the Resolution moved by M. V. Ramana Reddy. It is true that the Government of Mysore has started the construction of film studios, but the funds available are limited. Therefore, we should also consider the construction of film studios in Andhra Pradesh. In this regard, I would like to suggest that the Government should perhaps consider the transfer of the unused funds from Mysore to Andhra Pradesh.

Mr. Reddy:—I am afraid I do not have any plan to construct film studios in Andhra Pradesh.

(Amendment)

Mr. Reddy:—I would like to know from the Government whether they have any plan to construct film studios in Andhra Pradesh.
India leads amongst the largest producers of feature films in the world. But it lags far behind in so far as cinema theatres are concerned. For a population of 560 millions there are 4,716 permanent and 2,575 touring cinemas in the country compared to for instance 1,57,000 cinemas in Soviet Union for a population of about 242 millions or 4,600 cinemas in France having population of about 50 millions. And for a population of 560 millions in our country there are only 4,716 cinemas.

Construction of Film Studios by Government in Hyderabad and Tirupathi.

Non-Official Resolution:

re: Construction of Film Studios by Government in Hyderabad and Tirupathi.

In the light of the necessity for establishing film studios in the State, the Government of India has undertaken the construction of film studios in Hyderabad and Tirupathi. As a result, the Studios in Hyderabad and Tirupathi are expected to start functioning soon.

1-10 p.m.

In view of the above, it is proposed to hold a meeting of the Film Industry at 10.00 a.m. on the above date to discuss the progress of the construction works and to finalise the necessary arrangements for the smooth functioning of the Studios.
Mr Chairman — I put the amendment to vote. The question is "After the words "own film studios" add the following: "Cinema Star Training Centers and create its own cinema Stars both men and Women.""

The amendment was lost.

Mr Chairman — The Question is leave be granted to withdraw the following Resolution:

"That this House recommends to the State Government to take steps to construct its own film studios in Hyderabad and on the Hills of Tirupathi and also persuade the film producers and actors who are in Madras to construct some film studios in Hyderabad and on the Hill of Tirupathi and to see that the Telugu Actors and actresses have settled permanently in Hyderabad and Tirupathi, in order to develop the film industry in Andhra Pradesh."

The resolution was, by leave of the House, withdrawn.

Mr Chairman — The House stands adjourned to 1st February, 1975 at 8:30 a.m.

(The House then adjourned to meet again at 8:30 A.M. on Saturday, the 1st February, 1975.)
