ORAL ANSWERS TO QUESTIONS

SCRAPING OF ENTERTAINMENT TAX

401—

*6202- (H) Q.— Sarvatsri D Venkatesam (Kuppam) and S V Subba Reddy put by Sri N. Srinivasul Reddy—Will the Minister for Finance be pleased to state

(a) whether the Government are aware that the Tamilnadu Government scrapped Entertainment Tax and collecting Show Tax for every show, and

(b) whether the Andhra Pradesh Government will also introduce the same system?

The Minister for Finance (Sri P Ranga Reddy):— (a) and (b)

This Government have no information regarding the scrapping of entertainment tax and collecting show tax for every show by the Tamilnadu State. The Andhra Film Chamber, Vijayawada has, however, suggested to this Government to introduce the system of consolidated payment of entertainment tax in respect of the exhibitions held in panchayat towns and Panchayat villages, as is in vogue in Tamilnadu State. The matter is under examination of this Government in consultation with the Board of Revenue (Commercial Taxes).

*An asterisk before the name indicate the confirmation by the member.

J. No. 83
Sri P Ranga Reddy —With regard to the first part of the question, I say it is certainly a failure on the part of the Government in not getting the information from Madras. When the file came to me, it was said that a letter was addressed to Madras Government for which there was no reply. A telex message was also sent. I am expecting a telex reply. If we had a direct line, it would be very easy to get the reply whether that system is in existence or scraped. I have tried through various offices but I could not get Thats the position. I hope that from the information given by the Andhra Film Chamber, Vijayawada that even the Madras Government has not completely scraped entertainment tax in all the towns but they have scrapped entertainment tax in Panchayat towns and Panchayat villages and they are levying Rs 45/- for every show in Panchayat towns and Rs 30/- for every show in Panchayat villages. On this we are examining whether we can follow the same system. We are taking statistics how much entertainment tax we got for a particular picture at various periods. Because as you know in certain seasons, it will be less and in certain seasons, it will be a little more. We are collecting the information and after examining the whole matter, then I shall say whether it is desirable or advisable taking into consideration the revenue we have been getting in the past.
Oral Answers to Questions. 21st March, 1975

I hope we will by the end of April Certainly we will take a definite decision We are getting the figures and they will be scrutinised.

Sri P Ranga Reddy — I hope we will by the end of April Certainly we will take a definite decision We are getting the figures and they will be scrutinised.

Oral Answers to Questions

Sri Yellappa (Madakasira):—Does the Minister know there is much leakage in the system of entertainment tax; if so what is the estimated loss?

Sri P Ranga Reddy:—I am not aware that there is much leakage but I admit there is some leakage which is very difficult to estimate.
HYDERABAD INDUSTRIAL DEVELOPMENT FUND

402—

5604 Q.—Smt. J. Eshwari Bai (YeLareddy) — Will the Minister for Industries be pleased to state,

(a) whether there is any amount with the Government under the head "Hyderabad Industrial Development Fund" and if so how much,

(b) whether this amount has been transferred to the account of the Telangana Planning and Development Committee,

(c) if not, the reasons therefor, and

(d) whether any amount from this fund is earmarked for developing or establishing industries in any part of the State?

The Minister for Industries Sri P. Basi Reddy,—(a) The Hon. able Member is perhaps referring to the Industrial Trust Fund constituted by the former Hyderabad Government. The balance of the fund as on 1-4-1974 was Rs. 6,04,72,572/—

(b) No, sir

(c) & (d) The amount being outside the State Plan is being operated separately for the development of Industries in the Telangana Region.

Sri P. Basi Reddy:—Formerly it was known as Industrial Trust Fund started in 1929 by the Hyderabad Government. After the formation of Andhra Pradesh the Trust was established and this is now known as Industrial Trust Fund.

Loans outstanding Rs 66,27,622
Interest on loans Rs. 30,00,185
Investment in share capital of companies Rs. 2,88,046,
CHECKING OF CEMENT FACTORIES FOR STANDARD AND CORRECT WEIGHT

(a) whether the State Government have received any directions from the Centre to check Cement Factories in the State to ensure prescribed standard and correct weight, and

(b) if so, the details of such checking and its results?

Sri P. Basi Reddy—(a) In September, 1974 the Government of India requested the State Government to issue suitable instructions to weights and Measures Department of the State Government to carry out periodical random checks of the cement bags received at different stations to ensure that they conform to the prescribed standard and weight. Necessary instructions have accordingly been issued to the Controller, weights and Measures Department to take effective measures for periodical random checks of cement bags. Add the Controller, weights and Measures have taken action to conduct flying squad programmes of the net weight of the Cement packed in Jute Bags.

(b) The Physical checks of the cement bags both at factory premises and at traders premises revealed shortages in some bags and excesses in some bags. Shortages ranging from 15,000 grams to 2,900 grams. The excesses ranging from 2,000 grams to 55,000 grams.

The question is whether the State Government have received any direction from the Centre to check the cement factories in the State to ensure the prescribed standard and correct weight.

Sri P. Basi Reddy—Instructions given by the Central Government are as follows: The Joint Secretary Government of India in his letter addressed to the Director of Industries has stated that complaints have been received from time to time of cement bags sold by the dealers weighing much less than the prescribed weight of 50 kgs. per bag. The Government of India note with concern the short weight of cement bags and feel that the cement factories are not devoting
adequate attention to ensure that the cement bags are packed to the full weight. So the instructions cover only the weight of the bags and do not deal with adulteration.

Mr Speaker — Your reply is with regard to ensuring that they conform to the prescribed standard and weight.

Sri P Basi Reddy — By that I mean standard of weight. If the hon. Member means adulteration, the State Government has not received any instructions from the Government of India regarding adulteration of cement.

I have heard such complaints, but so far as the reports received from the Complaints, but so far as the reports received from the Controller of Weights and Measures are concerned, we have not received information regarding adulteration. But personally I have heard the complaints that there is adulteration.

Sri A. Srimulu (Eluru) — As I understand from the word—standards can vary, but weights are constant and so standards necessarily relate to quality and not to weight. I want to know whether any effort has been made to maintain the optimum level.

Sri P Basireddy — I will certainly take action regarding the adulteration aspect. But Govt of India's instructions appear to relate to standard weight.

The instructions also emanated from the Government of India and the report submitted by the National Buildings Organisation who conducted survey recently. They found shortages in weights and so on the report submitted by the National Buildings Organisation, Government of India issued instruction to the various State Governments asking them to take steps to see that the correct weights are maintained in the cement bags supplied to dealers and to consumers also.
I do believe there is adulteration. So I have already issued instructions to the concerned department to see that the adulteration also is checked but so far as the Government of India is concerned, we have not received any instructions relating to adulteration. The report of the Controller of Weights and Measures is that shortage in weight is due mainly to seepage and pilferage because they use gunny bags. I have also asked the Director to ask the research laboratory to see whether any other containers by which we could avoid seepage and pilferage could be used. Secondly, two factories were inspected at Mancherial and Tadepalli and the weights of the bags were found to be correct.

### Registration of Local Candidates in Employment Exchanges

404—

*6138 Q—Smt. J. Eshwari Bai—Will the Minister for Labour be pleased to state

(a) whether any instructions were issued to the Employment Exchange to register local candidates in their respective areas,

(b) if not the reasons therefor, and

(c) how many persons were on the live registers of these Exchanges till the year ending 1974 (one year) and how many of them were provided employment?

The Minister for Labour (Shri T. Anjaih)—(a) In accordance with the instructions laid down in para 7.4 of the National Employment Service Manual and in the normal course, applicants are eligible to register at an Employment Exchange in whose jurisdiction they normally reside.

Special instructions have also been issued by the Director of Employment and Training to the Employment Officers to strictly adhere to the procedure in this regard and not to entitle persons who do not fulfil the above condition.

(b) Does not arise

(c) The total number of persons on the Live Registers of the Exchanges in this State as on 31-12-1974 was 5,75,557. The number of
persons registered in the year 1974 was 3,28,772. The number of persons provided with jobs during the year 1974 was 25,670.

Sri T. Anjaiah — We have already given instructions to the Employment Officers to recruit only local people.

Sri A. Sriramulu — We want to know what exactly is the definition of local people because the Minister says instructions have been issued and conditions have been stipulated.

Sri. B. Somayyajula — The employment officer has been instructed to recruit only local people.

Sri. K. Rajasekhara Rau — We have already given instructions to the Employment Officers to recruit only local people.

Sri. K. Nandyala — We have already given instructions to the Employment Officers to recruit only local people.

Sri. V. Ranga Rao — We have already given instructions to the Employment Officers to recruit only local people.

Sri. D. Sadasivan — We have already given instructions to the Employment Officers to recruit only local people.
CONSTRUCTION OF VIJAYA DYING AND PRINTING WORKS FACTORY
AT SECUNDERABAD ON MUNICIPAL LAND

405—

*6198 (D) Q — Smt J Eshwari Bai — Will the Minister for Municipal Administration be pleased to state:

There is no question of Andhra and Telangana in Hyderabad city.
(a) whether it is a fact that a factory called Vijaya Dyeing and Printing Works was declared open by Minister for Municipal Administration on 27-1-75 at Mylargarada, (Chilkalaguda), Secunderabad which was constructed un-authorisedly on a Municipal land,

(b) whether it is also a fact that the said land was intended for construction of a market for which foundation was laid by Mr C N. Sastri, IAS Special Officer, and

(c) if so, the action taken by the authorities to demolish the said construction as was done in the case of a building near Bashir Bagh?

The Minister for Municipal Administration (Sri Ch. Subbarayudu)—(a) Yes Sir But the Special Officer, Municipal Corporation of Hyderabad reported that the construction is not an unauthorised one and the land does not belong to the Municipal Corporation

(b) No Sir

(c) Does not arise

Sri Syed Hasan :—What the Minister had replied in the beginning was correct—that the Special Officer had informed him that it was not unauthorised but it is a fact that it was regularised later; it was unauthorised but it was regularised later. Therefore to-day it is not unauthorised.

Mr. Speaker :—He will examine that question also.
Sri Ch. Subbarayudu — There were deviations from the permission; as such it was regularised.

Sri A. Sriramulu — Even the Minister holds that it is not unauthorised. He has to give us information as to when the application for construction was made and when it was sanctioned. Unless this information is available how can we believe the Minister that it is not unauthorised because somebody has informed him.

Mr. Speaker — How does this information help you.

Sri A. Sriramulu — He says it is not unauthorised, it should have been authorised. If the Municipal Corporation has granted permission, on what date was it granted, when was the application made and while granting that permission did the Municipal Corporation verify the title to the land?

Sri Ch. Subbarayudu — I do not have the information as to when the particular gentleman has applied and when it was given.

Mr Speaker — Main dispute is with regard to the title of the land.

Sri A. Sriramulu — The question is whether the construction was made unauthorisedly on Municipal land.

Mr Speaker — Whether the land belongs to the municipality or a private individual, that is the contention. Anyway this will be examined.

Mr. Speaker — He has already denied your statement but in view of the assertion you made he said he would re-examine and report.

Sir Syed Hasan — In this case how much penalty was imposed.

Sri Ch. Subbarayudu — I do not have that information. It was regularised; penalty was levied.

Sri A. Sriramulu — Kindly look at the sentence "It was constructed unauthorisedly on a municipal land "Leave" municipal land."

Mr. Speaker — But the emphasis they lay is that it was on municipal land that the construction was made and therefore unauthorised.

Sri A. Sriramulu — Our emphasis is on both i.e., constructed "unauthorisedly", and on a municipal land. The Minister must be prepared to meet both the points.

Sri Ch. Shbbarayudu — The information we have is that in respect of the compound wall there was deviation from the plan, even for that also compounding was done.

Mr Speaker — The question is whether the building was constructed with authority and permission.

Sri Ch. Subbarayudu — Yes

Sri S. Jaipal Reddy — The hon. Minister admitted that it was regularised. That means regularisation was done after the work was started. Is it true or not?

Sri Ch. Subbarayudu — It was with regard to the deviation of the compound wall.

Sri S. Jaipal Reddy — What do you mean by regularisation?

Mr Speaker — That means acceptance.

Sri Ch. Subbarayudu — The penalty levied on the people and that was regularised.

Sri Ch. Parasurama Naidu.— The word unauthorisedly imports multiple meaning. Firstly further it was not approved by the Town Planning Director. Secondly, it may not have been approved by the municipality for construction. Thirdly, it might have been constructed on a land which does not belong to him. These are three implications coming with the scope of the unauthorised. I would like to know whether the permission was obtained before the construction commenced. Did he obtain it after regularisation or before that?

Mr Speaker.— All these things have been answered.

Sri Ch. Subbarayudu.— The permission was applied and permission was given for construction of the House. Even according to the approved permission there was some deviation with regard to the construction of the compound wall. It was noticed and quick action was taken. There was nothing unauthorised with regard to the land or obtaining the permission.

APPOINTMENT OF OFFICIAL LANGUAGE COMMISSION

406—

*6156 Q.— Sri C. V. K. Rao:— Will the Minister for Education be pleased to state:

(a) whether Government have issued orders appointing Official Language Commission;

(b) if so, the names of the members and the work turned out and the expenses involved; and

(c) whether the Committee has submitted its report and if not, when will the report be ready?

A:—

The Minister for Education (Sri M. V. Krishna Rao):— (a) Yes, Sir.
The Commission has completed its tour of all the 21 districts in the State from 20th May 1976 and the two neighbouring States of Karnataka and Tamilnadu. In all districts of the State, the Commission made an intensive review of the implementation of Telugu as Official Language in Zilla Parishads, District Offices of certain Departments and in various Taluk level offices. In the remaining districts, it reviewed the progress made in the offices at district headquarters.

The Commission is a First Class Committee for purposes of T.A., D.A etc. So far an amount of Rs. 17,688-80 has incurred towards T.A and D.A of the members of the Commission and Rs. 5,402-60 towards propulsion charges of the vehicle, provided to the Commission.

The Commission has still more than a year for the submission of its report i.e., on or before 19th March, 1976.
APPOINTMENT OF UNTRAINED GRADUATES AS TEACHERS IN TELANGANA

*6198 (C) Q —Sri M Omkar —Will the Minister for Education be pleased to state

(a) whether it is a fact that the Government have decided recently not to appoint any untrained graduates as teachers in Telangana region,

(b) whether it is also a fact that prior to this decision some of the untrained graduates have been selected as teachers by the District selection Committees, appointed by Zilla Parishads in Telangana region in the scale of Rs 150-200 with the approval of the concerned District Educational Officers,
(c) whether they were paid salaries for their training period till recently;

(d) whether it is not also a fact that the Government have decided not to pay the salaries to the in-service teachers who are undergoing and also intending to undergo B.Ed training,

(e) if so, the reasons for this change of policy; and

(f) whether the Government revoke the decision and continue the previous policy of paying salaries to in-service B.Ed trainees and appointing of untrained graduates till the dearth of qualified teachers in Telangana region is removed?

The Minister for Education (Sri M V Krishna Rao):— (a) Yes, Sir

(b) Yes, Sir

(c) Yes, Sir

(d) Yes, Sir

(e) Government felt that there is no need to depute in-service teachers to B.Ed., training course on payment of full salaries. Necessary orders were issued in G.O.Ms. No 1023 Edn., dated 17-10-1976

(f) The matter is under consideration of Government.
Sri Syed Hassan (Charminar) — The Minister has said that there are sufficient number of trained teachers, and therefore there is no need of giving facilities for those who are untrained and in service. Here, in the note on Demand XX—Education for 1975-76, it is said like this: —Page 4— "With a view to meeting the demand for trained teachers due to increase in the enrolment of pupils and also to secure
higher teacher competence, orders have been issued to establish 12 teacher training institutes during the year 1975-76. Which is the correct statement? Whether the Minister is aware of this or not?

Sri M. V. Krishna Rao —This is about B. Ed

Sri Syed Hassan —How many trained teachers are available?

Mr. Speaker —He said there is deficit of 50

**ALLOTMENT OF HOUSE SITES TO THE HARJANS AND GIRIJANS ETC.**

408—

*Sri M. Nagi Reddy (Gurajala).—Will the Minister for Social Welfare and Technical Education be pleased to state,

(a) whether the Central Government has given its approval for the scheme for the allotment of house sites to harijans, and girijans and other backward class people at a cost of forty five crores of rupees in the State;

(b) if so, the details of that scheme; and

(c) the date for which the said scheme will come into force?

Sri B. Subba Rao (The Minister of Social Welfare and Technical Education).—

(a) The Central Government have approved scheme in respect of Adilabad and Hyderabad Districts.

(b) The scheme in respect of Adilabad District envisages acquisition of Ac.1112.54 of land to provide house-sites to 41,449 families at an estimated cost of Rs. 90,37,100. The scheme in respect of Hyderabad District envisages acquisition of Ac.1023.30 of land to provide house sites to 38,099 families at an estimated cost of Rs. 97,91,250. The Government of India will bear only 25% of the cost of the scheme and the State Government have to meet the remaining 75%. The scheme provides not only for acquisition of house-sites but also for the development of land at the rate of Rs. 150/- for each plot. The Government of India have released their share of expenditure i.e. 25% of the cost of the scheme in respect of both Land Acquisition and Land Development amounting to Rs. 22,59,280, in respect of Adilabad District and 25% of the cost of land acquisition only amounting to Rs. 10,19,100/- in respect of Hyderabad District.

(c) The scheme in respect of Adilabad and Hyderabad Districts came into force with effect from 27-2-1974 and 12-8-1974 respectively.

REPRESENTATION OF ECONOMICALLY BACKWARD CLASSES
IN SOCIAL WELFARE ADVISORY BOARD

409—

*4796 (M) Q.—Sri Nallapareddy Sreenivasulreddy —Will the Minister for Social Welfare and Technical Education be pleased to state:
(a) whether it is a fact that the economically backward classes have no representation in the recently constituted State Social Welfare Advisory Board, and

(b) if so, the reasons therefor?

The Minister for Social Welfare (Sri B. Srirama Murthy):—

(a) It is presumed that the Hon'ble member is referring to the Social Welfare Advisory Committee for the Backward Classes. If so, the answer is in the affirmative.

(b) The Social Welfare Advisory Committee for Backward Classes is to advise the Government on matters relating to the socially and educationally backward classes who enjoy certain constitutional guarantees. Therefore, persons belonging to these classes alone are appointed as non-Official members.

Sri S. Jaipal Reddy (Kalvakurthy):—Is it the policy of the Government to appoint only M.L.As and non-M.L.As belonging to weaker section for matters pertaining to weaker section class? If so, is it the view of the Government that only those people of those castes should be entrusted and committed to the welfare of that section. I like to tell the Government that even those who do not unfortunately belong to those castes, are also equally interested. Therefore it is absolutely an abnoxious policy. Will the Govt. agree to review,

Sri A. Sriramulu — I am very much confused with the question and the reply. When I look at the State Social Welfare Advisory Board, there is one. I don't know whether it is attached to Women Welfare or Social Welfare. I want to know from the Minister the powers and functions of this Committee which has been constituted in regard to economically backward classes. The Minister gave the answer by reading the names of the members. Actually what are the powers of this Committee. Because, we read in the Press that Smt. Kamala Kumari, M.L.C, resigned as a matter of Protest. If so, what are the circumstances that led to her resignation?
CONSTRUCTION OF BUILDINGS FOR THE COURTS

410—

*6202 (x) Q — Sarvasri Vasanthi Nageswara Rao, Chekuri Kasiah and S. Jayapal Reddy.—Will the Minister for Law be pleased to state

(a) whether it is a fact that the courts in Andhra Pradesh have no proper buildings,

(b) whether it is also a fact that the Law Commission has sanctioned 4 crores of rupees for the construction of buildings for courts; and

(c) if so, the particulars of the court buildings for which the said amount is being spent?

The Minister for Law, (Sri Asif Pasha)— (a) It is not a fact that all the courts in the state have no proper buildings.

(b) No, sir.

(c) Does not arise.

Mr. Speaker —What has been said is that Law Commission cannot sanction money The question is ‘whether it is also a fact that the Law Commission has sanctioned 4 crores of rupees for the construction of buildings for courts’ The answer is ‘No’

Mr. Speaker :—The Chief Minister has said that certain amounts would be provided for certain buildings.

Mr. Speaker —Your question was whether Law Commission has sanctioned. He categorically said ‘No’. Your question should be
whether Law Commission recommended Rs 4 crores for the Government.

Sri Asif Pasha — Sometime back, the High Court suggested that a sum of Rs 4 crores may be provided for over a period of 10 years with a provision of Rs 40 lakhs per year with a view to enable the High Court to provide Rs 4 crores to be spread over 10 years i.e., Rs 40 lakhs per year. However, in view of the ways and means position of the State, only a provision of Rs 10 lakhs could be made during 1974-75 and also during the ensuing financial year 1975-76.

SHORT NOTICE QUESTIONS AND ANSWERS

RECLASSIFICATION OF ‘ANDHRA BHOOMI’ PAPER

S.N.Q No. 410 A, No.6213-R.— Sarvasri Chekuri Kasiah, Kasisani Narayana, and S. Jaipal Reddy — Will the Minister for Labour be pleased to state

(a) whether it is a fact that the Government has asked the Management of Andhra Bhoomi to reclassify the Paper 1 to class IV from 1-1-73 according to Wage Board recommendations;

(b) if so, whether the Management implemented the same, and

(c) if not, the action taken by the Government in this regard?

Sri T. Anjaiah — (a) Yes sir.

(b) No sir.

(c) Prosecution against the Management has been sanctioned Charge-sheet is being filed in the Court.

Sri T Anjaiah — The prosecution against the Management has been sanctioned Charge-sheet is being filed in the Court. Government has already taken action to stop advertisements to such papers that would not implement or agree to the recommendations of the Wage Board.

Sri S Jaipal Reddy :— When did the Government sanction the prosecution? Would not the Government consider stopping advertisements to such papers that would not implement or agree to the recommendations of the Wage Board?

Sri T. Anjaiah — The Labour Commission has issued a show cause notice to the partner and General Manager of Andhra Bhoomi to implement the classification provided under Working Journalists Act. The management contend that the reclassification cannot be done. The Commissioner of Labour, therefore, sanctioned the prosecution against the Management for non-implementation under Section 18 of the Working Journalists and Condition of service.

Sri S Jaipal Reddy — What was the date on which the Government sanctioned prosecution?

Smt. J. Eswari Bai: — Are other local newspapers paying wages according to prescribed rates. Does the Labour Department check every year to see that they are following the rules of pay.

Sri S. Jaipal Reddy: — According to the Minister, the Government had decided to sanction the prosecution only in February 1975. That means it took more than two years to sanction the prosecution.

At this rate the process of prosecution appears to be both cumbersome, protracted and dilatory. Therefore why not the Government agree to the suggestion of stopping advertisement to such papers that refused to implement the Wage Board recommendations.

Mr. Speaker.—He may take that suggestion.

Sri T. Anjaiah.—Yes sir.

Mr. Speaker.—May I ask that suggestion?

Sri T. Anjaiah.—Mr. Speaker, I am not only to file against the management but they can claim compensation also. Under the Payment of Wages Act, we can give award also.

**NON-PAYMENT OF ARREARS BY THE MANAGEMENT OF ‘SIASAT’ URDU DAILY TO THE CALIGRAPHERS.**

410 B.—

S N.Q. No. 6214-T.—Sri Chekuri Kasiah.—Will the Minister for Labour be pleased to state:

(a) Whether it is a fact that the Management of ‘Siasat’ Urdu Daily, Hyderabad did not pay the arrears of cost of living index to the caligraphers from 1.1 1974 to 30.4.1974;

(b) if so, the reasons for the same;

(c) the action taken by the Government in this regard and

(d) the reasons for delay in taking action by the Government?

The Minister for Labour (Sri T. Anjaiah):—(a) There are no Caligraphers in ‘Siasat’ Urdu Daily. But Katibs, who are non-working Journalists were not paid arrears of Dearness Allowance from 1.1.74 to 30.4.74.
(b) The management pleaded financial stringency.

(c) and (d) There has been no representation either from Katib or from their Union.

Mr. Speaker — Because there was no representation, no action was taken.

Mr. Speaker — He says that he does not have Jurisdiction.

Smt J Eswari Bai — Are all the Newspaper Managements in the City are paying salaries as per cost of living index?

Sri T Anjaiah — At present, I have no information.
CONSTRUCTION OF HOUSES FOR HARIJANS IN GAMBHIRAOPET VILLAGE

S N.Q. No. 621-I SRI Bhupathy,—Will the Minister for Social welfare and Technical Education be pleased to state—

(a) The total number of houses taken up for construction under HARIJAN Housing Scheme in Gambhiraopet village, Sircilla Taluk, Karimnagar District,

(b) the number of houses completed and the number of house yet to be completed,

c) the date on which those have been sanctioned and the reasons for not constructing the remaining houses?

Sri B. Srimamurthy (a) 75 houses.

(b) 36 houses were completed and 39 houses are yet to be completed,

(c) 75 houses were sanctioned on 29-11-71. The contractors have not completed the 39 houses. Notices have been issued to them and action is being pursued.

Mr Speaker ;— He has answered all your questions.
Matters Under Rule 341

Mr. Speaker, Sir, One Sri T. R. Yangopa Reddi held the office of Sarpanch, Gram Panchayat, Pedaputeru village, Nellore District from 1-1-1964 to 30-6-1970. During his tenure the Ex-Sarpanch took up certain works for execution on behalf of the Panchayat and committed misappropriation. The Ex-Sarpanch booked a total expenditure of Rs. 63,955-86 and not Rs. 63,000 as mentioned in the notice, in excess of the amount actually spent on the works. The Ex-Sarpanch debited expenditure on 19 Departmental works, but actually took up only 8 works for execution. He also debited expenditure on eight works entrusted by the Panchayat Samithi Kovvur, but actually took up only five works for execution. Further, he took up another two full grant works entrusted by the Zilla Parishad, Nellore for execution. The following are the details of number of works on which the expenditure was debited, the total amount spent from panchayat funds and the excess amount debited by Ex-Sarpanch.

...to the Gram Panchayat and the value of the works done etc. This information was received only during November, 1973. After examining the matter and after observing the formalities the Divisional Panchayat Officer, Kavali was authorized by the Collector during December, 1975 to file prosecution against the ex-Sarpanch. The Divisional Panchayat Officer, Kavali, filed seven charge sheets against the said ex-Sarpanch during July, 1973 after consulting the Asst Public Prosecutor concerned.

The accounts of the Gram Panchayat including those pertaining to the above works were audited by the Audit Department. The Audit Department raised suitable objections and also issued warning letters against the ex-Sarpanch. Further action to issue surcharge certificates will be taken by the Audit Department. Section 150 of the A.P.G.P. Act, (as amended) empowers the C.P.R. to take action for attachment of property only in respect of Sarpanchas' Upa-Sarpanchas and executive authorities who are in office and as such action could not be taken against the ex-Sarpanch to attach his property.

re. PAYMENT OF FAMILY PENSION TO THE FAMILIES OF
LATE SRI K. VENKATESHWAR Rao, MUNICIPAL ENGINEER

Sri Challa Subbarayudu—Sir, the late Sri K. Venkateshwara Rao was first selected for temporary appointment by the Chief Engineer, public Health as a Municipal Engineer, Grade III and was appointed in his order Dated 9-6-59. After the formation of an integrated service on 2-12-1960 (called the Andhra Pradesh Public Health & Municipal Engineering Service) the Public Service Commission called him for an interview and selected him for regular appointment in 1966. His appointment was accordingly regularised as Municipal Engineer Grade III with effect from 21-4-1966. He filed a writ petition in the High Court that his regular appointment should be from the date of his original appointment and not from 21-4-1966. In its judgement Dated 8-6-1970 in writ petition No 1230/65 filed by Late Sri K. Venkateshwara Rao the High Court directed the Government to regularise the service of the writ petitioner from 9-6-1959, and not from 21-4-1966 from which date he was regularised in pursuance of the selection by the Public Service Commission and to grant him consequential benefits of seniority from the date of his first appointment as Municipal Engineer III Grade and to consider the petitioner's case for promotion on that basis. This judgement was received on 15-7-1970.

Accordingly, the services of Sri K. Venkateswara Rao were regularised as Municipal Engineer III Grade with effect from 17-6-1969 the date on which he actually joined duty in the proceedings dated 21-11-1970 of the Chief Engineer, Public Health. He was also promoted as an Assistant Engineer in G.O Ms. No. 573, Dated 9-8-1971.

3. The request of the officer for retrospective promotion was also considered favourably and was deemed to have been promoted as an Assistant Engineer with effect from 15-6-1965 as per the G.O. Ms. No.191. M A, Dated 13-5-1974, and allowed consequential benefits of national fixation of pay, pension, etc.

4. Sri K. Venkateswara Rao died on 9-10-72. Family pension and death-cum-retirement gratuity were also sanctioned on 22-6-1974 and 26-8-1974 respectively. The wife of deceased employees was also permitted to exercise option for the revised scales of pay introduced during 1969. The option was exercised by her on 14-3-1975, and this was sent to the Accountant-General, Andhra Pradesh, Hyderabad, for fixation of pay and revision of pension etc. On verification by the Accountant-General, final orders will be issued regarding payment of revised pension.

5. It can, thus, be seen that the directions of the High Court have been fully implemented.

Statement by the Minister for Labour

re. Constitution of a Cell to look after the interests of Scheduled Castes and Scheduled Tribes.

In order to ensure the statutory reservation of appointments in public service in the State in favour of Scheduled Castes and Scheduled Tribes, Government decided to create a Central Cell for Scheduled Castes and Scheduled Tribes in the Directorate of Employment and Training, Hyderabad. The salient features of the scheme are as follows — The Central Cell should maintain the list of all Scheduled Castes and Scheduled Tribes candidates registered with all Employment Exchanges in the State with Matriculation and higher qualifications. The Employment Exchanges will furnish particulars of the Scheduled Castes and Scheduled Tribes candidates every month to the Cell. Employers should notify the vacancies to the concerned Employment Exchange which would in turn transfer that notification to the Central Cell where the former does not have candidates belonging to the Scheduled Castes and Scheduled Tribes without issuing the non-availability certificate to the employer. The Central Cell should prepare a panel of applicants and send the same to the employer. In case qualified candidates of SC and ST candidates are not available in the Cell the vacancies should be advertised in the press calling for
applications The Central Exchange will be functioning under the supervision of one of the senior officers of the Directorate of Employment.

CALLING ATTENTION TO MATTERS OF URGENT
PUBLIC IMPORTANCE (Contd.)
re: WATER SUPPLY SCHEME IS ELURU TOWN.

Sri A. Sriramulu :—Sir, I am obliged to call the attention of the Minister for Municipal Administration to an important scheme of augmenting water supply in Eluru town. The scheme was started during the 4th Plan and up till now about Rs. 16 lakhs has been spent, a major part of the work has been completed and a reservoir has been put up and the Chief Engineer submitted proposals for alteration and improvement of the distributory system so that the scheme gives the benefit to Eluru town. I request the Minister to tell me the stage and when it will be completed. Summer is fast approaching and the people of Eluru town should not suffer for want of water. There is plenty of water Unfortunately for want of funds in the municipality and also in the Government and lack of our effort to secure money, people are now likely to be put to acute scarcity of water during the coming may. I want the Minister to tell me what exactly the present stage is.

Sri Ch. Subbarayudu :—In the year 1969 a scheme for improvement of water supply to Eluru Town at an estimated cost of Rs. 27.07 lakhs was taken up to supply an additional quantity of 9 lakhs gallons of water. As per method of financing the scheme is to be executed with Municipal contribution and L.I.C. loan assistance. The Municipality has deposited an amount of Rs. 15 lakhs with the Public Health Engineering Department, which includes Rs. 11.75 lakhs drawn from L. I. C. The Municipality was requested many times for further deposits as the amounts provided were exhausted and further work could not be continued.

In view of the acute shortage felt last year the Government permitted Chief Engineer (P.H.E.D.) to book expenditure to the extent of Rs. 2 lakhs under the Public Work Miscellaneous advances. The construction of additional reservoir filters, and improvements to the distribution system are nearing completion.

In order to achieve full benefits of the scheme i.e., to improve the water supply position in the ill-served and unserved areas, an estimate has been prepared for Rs. 300 lakhs for further improvements to distribution system. It is proposed to take up this work by booking the expenditure initially under Public Works Department Miscellaneous advances and it is under examination of the Government. Normally such expenditure is not met from this Head of account. The request of the Chief Engineer received on 17-3-1975 is being examined.

At present, on average 13.50 lakhs gallons of water is being pumped into the reservoirs for supply to the town. All the four slow sand filter beds require over hauling as the filter media is hardened. They are now being taken up one by one.
Calling Attention to Matters of Urgent Public Importance

re Appointment of teaching and non-teaching staff in Government Junior and Degree Colleges

Sri A. Srimulu.—I am glad the Minister has been so good as to order the expenditure being booked to P. W. D. Miscellaneous advances. I am sure the same generosity of the Minister would get extended this year also because as you know the Municipalities are bankrupt and if we depend on the municipality the scheme will not be completed. To achieve the full benefit of the investment so far made I request the Minister to prevail upon the Finance Ministry to see that by the first week of April, this amount is sanctioned and the scheme is executed.

Sri Ch Subbarayudu.—For Rs 3 lakhs the hon. Member should give us an undertaking on behalf of the municipality and see that the municipality pays back the amount of Rs 3 lakhs in the next year. On that condition only this can be done because we do not have any plan provision.

Sri A. Srimulu.—I give that undertaking. We know what exactly an undertaking from the municipality means.

Sri Ch Subbarayudu.—No, Sir. That is dangerous. I will not be able to do it that way.

Mr Speaker.—He will get an undertaking which is not valuable.

re: Appointment of teaching and non-teaching staff in Government Junior and Degree Colleges.

Sri M. V. Krishna Rao.—Government have approved panels of names for temporary appointment of Principals in Government Junior Colleges in the State and the Director of Public Instruction has issued orders filling up the said posts of Principals. Two posts of principals, Government Junior Colleges, in Unit-I are kept vacant as per the directions of the Andhra Pradesh High Court. Junior Lecturers who were appointed as principals in Unit-1 have declined promotions. Hence only 6 posts of Principal of Government Junior Colleges are now vacant. The four posts of Principals will be filled up in Unit-II shortly.

2. 58 posts of Junior Lecturers in different subjects are vacant in various Junior Colleges mainly due to non-availability of qualified
candidates and failure on the part of selected candidates to join duty as per the posting given to them. The Director of Public Instruction is making every effort to fill up all the vacancies. However, stop gap arrangements are being made by the District Educational Officers concerned to avoid dislocation in teaching work.

3. Three posts of Principals of Government Degree Colleges and 29 posts of Lecturers in different subjects are vacant at present. Orders have been issued on 10-3-1975 for filling up 4 posts of Lecturers in chemistry by promoting Assistant Lecturers. Action is being taken to fill up the above posts in Degree Colleges.

4. 79 posts of Assistant Lecturers in different subjects in various Government Colleges are also vacant and action has been initiated to fill up the said vacancies.

5. In the meanwhile, the Director of Public Instruction has issued general instructions to all the Principals of Government Degree Colleges to make part time arrangements in the vacant posts so that instruction may not suffer in the institutions.

6. As regards non-teaching posts, the District Educational Officers are competent to fill up the vacancies up to the level of Upper Division Clerks. There are no reports from any of the Principals that any of the non-teaching post is vacant and consequently work is suffering. The Director of Public Instruction will however be asked to issue instructions to all concerned to fill up the vacancies in non-teaching posts, if any.

Voting of Demands for Grants for 1975-76.

Mr. Speaker:—Yesterday, for this discussion number of names were given — nearly 45. Only a few could get a chance to speak yesterday—There are many who are interested in speaking and six of them came yesterday itself, immediately after seven o'clock. If we give five minutes each it will take at least 45 minutes. And the Hon. Member who winds the debate would take about twenty minutes. I have given them permission on condition that they will not take more than five minutes.

Sri A. Sreeramulu.—If the hon. Members are particular about the non-official hours, I suggest that we might continue in the afternoon from 4 00 p.m. so that ample opportunities may be given on this demand, Day after to-morrow you may have only ten speakers. But this question relates to constituencies and therefore, I suggest that we may take up in the afternoon.
Mr. Speaker:—If you all agree we may continue this till 12 o’clock.

Smt J. Eshwari Bai —Exactly at 12 noon the non-official business should start.

Mr. Speaker:—Is it the concensus of the House that non-official business may be taken up at 12 o’clock?

(The concensus was in the affirmative)

Mr. Speaker:—Now I call Mr. Narasimharamaiah.

I have seen some Harijan leaders getting elaborate aids and grants for eradicating untouchability, are becoming rich in no time. I wish that the Harijans can sometimes be with caste Hindus but never of them. That is 15% of the funds granted in the name of ‘Hindus only’. It is not true. (Appendix)

The Speaker then took the Chair and called on Mr. V. R. R. V. Reddy, M.L.A., to move the Demand for Grant for the Ministry of Home Affairs.

Mr. V. R. R. V. Reddy (M.L.A.):—Madam, the Ministry of Home Affairs is responsible for the maintenance of law and order in the State. During the last year, the Ministry has faced several challenges and has worked towards maintaining law and order.

In the financial year 1975-76, the Ministry has planned to allocate a budget of Rs. 300 lakhs for various activities. These include the maintenance of police force, development of infrastructure, and other necessary measures to ensure law and order in the State.

I would like to request the government to consider increasing the budget for this Ministry to Rs. 350 lakhs to meet the growing demands for maintaining law and order.

Thank you.

Non-Official Resolutions:  
re Inclusion of Yerukalas Yenadis and Lambadas of Telangana region in the List of Scheduled Tribes

Sri Ch Parasurama Naidu —with regard to the main Resolution there is absolutely no difference of opinion, and I certainly agree with the suggestions of the Hon'ble Minister, Sri C V R Rao and others. With regard to my amendments there seems to be a feeling of inconvenience that it should be clubbed with the main Resolution, in the face of the Rules concerned. The objections do not seem sound and I do not see any technical difficulty in bringing this Resolution. However, the Hon'ble Minister has stated that he is not in a position to accept this community as belonging to Backward Class. Perhaps he has not carefully read my amendment and did not comprehend the

Sri B Suramamurthy —Sir, let him not entertain any doubts about my comprehending the whole subject and let him not pass remarks about my own comprehension of things.

Sri Ch Parasurama Naidu —Sir, I merely meant that he has not given the attention to my amendment, it deserved. For his sake I will read it again:

Add the following at the end of the non-Official Resolution moved by Sri S Ramachandra Reddy:

"And this House further recommends to the State Government to add to the list of State Backward Classes Ayyarakalas of the State"

We have never said that this community has to be added to Scheduled Caste or Scheduled Tribe. My friend, Sri Rama Murthy (B), took it as though I have given the amendment to include this community in the Scheduled Caste or Scheduled Tribes. Therefore, I made it clear what I meant.

If, however, he is not in a position at present to understand the status of this Community, I shall respect it because let there be a little more time taken by the Government to find out whether it required to be included in the Backward Classes. Reiterate, they are to be included in the Backward Classes; I did not say in the Scheduled Caste or Scheduled Tribes. So, the Minister may kindly give his assurance that an enquiry will be caused into the position and backward status of this Community and consider at an appropriate time another Resolution of which I have given notice of. In that case I withdraw.

Supply of essential commodities through fair price shops

The resolution of the Indian National Congress on supply of essential commodities through fair price shops is hereby adopted. The resolution calls for the establishment of a mechanism to ensure the supply of essential commodities at fair prices. It also emphasizes the need for strict enforcement of the fair price policy to prevent black marketing and profiteering. The resolution further calls for a comprehensive review of the fair price system to assess its effectiveness and make necessary amendments. The resolution also highlights the role of the government in ensuring the availability of essential commodities and maintaining their prices. The resolution concludes by expressing confidence in the fair price system to meet the needs of the people and contribute to the overall development of the country.

An amount of Rs. 43.03 crores is provided in the Budget Estimate for Primary Education Rs. 40.75 crores under Non-Plan and Rs. 2.28 crores under Plan.

The enrolment at the beginning of the V Plan in Classes 1 to V was 43.03 lakhs—25.83 lakh boys and 17.17 lakh girls which account for 89% of boys and 61% of girls of the age group 6-11. During the year 1974-75, 1.00 lakh additional children is the estimated enrolment bringing the percentage to 100 in the case of boys and 63.2 in the case of girls. It is proposed to enrol 100% of boys and 80% of girls in the age group 6-11 by the end of the Fifth Plan.
The enrolment at the beginning of the V Plan in Classes VI and VII was 6.73 lakhs, (4.63 lakh boys and 2.00 lakh girls) which accounts for 43% boys and 19% girls of the age group 11-13 During the year 1974-75, 2.00 additional number of children is the estimated enrolment taking the percentage of children in the age group 11-13 During the year 1974-75, 75.00 additional number of children is the estimated enrolment taking the percentage of children in the age group 11-13 enrolled to 4.6 in the case of boys and 2.17 in the case of girls. It is proposed to enrol 60% of boys and 40% of girls in the age group of 11-13 by the end of the V Plan. It is proposed to enrol 38.00 additional children in the age group 11-18 during the year 1975-76.

The provision made in the Annual Plan 1975-76 is mainly for continuing the programmes taken up during 1974-75. In order to attract larger number of children, belonging to weaker sections, to school and also to minimise their drop-out rate, incentives in the shape of Book grants to 60,000 children reading in Classes I to V at Rs 5 per child and for 10,000 pupils reading in Classes VI and VII at Rs. 10 per child are proposed to be implemented during the year 1975-76.

Also, an amount of Rs 9.99 lakhs is provided towards improvement of Physical facilities such as supply of equipment, teaching aids, furniture etc., to the existing elementary Schools.

Midday Meals Scheme—In order to improve enrolment and attendance in the Primary School Midday Meals scheme was started in the State in the 1962 with food articles consisting of Balahar/Bulgar Wheat and Salad Oil supplied free by the CARE organisation. Midday Meals is served in the form of upma or Porridge for 180 days in a year. An amount of Rs 56,24,803 has been provided for the continuance of the Scheme during the year 1975-76. Due to the global food situation, CARE is gradually phasing-out their assistance from the School Midday Meals Programme. It is proposed to replace the CARE commodities by indigenous food ‘Sisuihar’ (consisting of white jawar, green gram jagge y) as and when the CARE withdraws its supplies. Since the number of beneficiaries assisted by CARE will be reduced during 1975-76, an amount of 33.00 lakhs has been provided in the Budget Estimate 1975-76 towards the supply of indigenous food in place of CARE commodities. A factory for the production of Ready to eat food for the school children is being established in Hyderabad and it is expected to go into production in 1975-76.

SECONDARY EDUCATION

During the year 1974-75, 123 Upper Primary Schools in the State were upgraded by the opening Class VIII-8 Government Schools, 93 Zilla Parishad Schools and 22 Private Schools.
Assistants were appointed for the additional sections opened in the Government schools during the year, 1974-75.

Residential Schools:—Besides the maintenance of the 3 Residential Schools at Sarvail, Kodegenahalli and Tadikonda, it is proposed to start a residential school for girls during the year 1975-76. A proposal to start a residential school for tribal children is also under the active consideration of the Government. The proposed Residential School for girls and the school for tribal children will be managed by the Andhra Pradesh Residential School Society.

Teacher Training Institutes:—With a view to meeting the demand for trained teachers due to increase in the enrolment of pupils also to secure higher teacher competence, orders have been issued to establish 12 teacher training institutes during the year 1975-76. The teacher’s training will be of an year’s duration and the minimum qualification for admission will be a pass in the intermediate Examination.

Half-a-Million Job Scheme.—Under this Scheme sponsored by the Government of India 2854 trained graduates and 921 Secondary grade trained teachers were appointed during 1973-74. On stipendary basis Government have sanctioned regular posts for these candidates to be absorbed during 1974-75.

Municipal Schools

There have been persistent complaints from the teachers in the various Municipalities in the State that they were not being paid regularly. This was on account of the poor-financial condition of some of the Municipalities in the State. This led to a serious situation. The Government have, therefore, taken a policy decision to pay full grants to all the Municipal schools imparting both elementary as well as secondary education, with effect from 1-1-1975. The additional commitment, on this account, the Government will be of the order of Rs. 2 crores annually.

Junior Colleges

During the year 1974-75, Government established 13 Junior Colleges, while 18 private junior colleges have been opened by private managements. The total number of Junior Colleges in the State has, therefore, gone up to 261-177 Government and 84 private colleges.

It is the accepted policy of the Government to start junior colleges in every taluk of the State. At the beginning of the current year, there were 27 taluks left without a junior college. During the year 1974-75 Government covered 7 taluks thus reducing the number of taluks without junior colleges to 20. During the year 1975-76 also, efforts will be made to cover as many taluks as possible with the establishment of junior colleges.
Both from the students as well as from the parents, there were persistent demand that facilities should be made available for taking instruction in English medium. It was argued that in view of the limited employment opportunities in the State and with a view to facilitate the candidates studying in our State for competitive jobs outside the State, instruction in English medium would be useful. The Government, therefore, relaxed the condition for admission of students into English medium in Intermediate Government have permitted from this year admission of students who have secured not less than 40% in English in the qualifying examination in English medium.

The Government wanted to introduce during the academic year, 1974-75, terminal job courses like Teacher education and 'Commercial practice and Technical Course' but due to administrative difficulties, it was not possible to do so. However, in the year 1975-76, efforts will be made to start these job-oriented courses at the Intermediate level.

It is also proposed to strengthen Academic cell in the Board of Intermediate education with a view to launching the programme of academic supervision of Junior Colleges during the next academic year.

During the year 1975-76, a residential junior college on the pattern of the Residential Schools is proposed to be established. This will also enable students passing out of the existing residential schools to avail of the facilities in the proposed residential junior college.

**HIGHER EDUCATION**

During the year 1974-75, 12 private Degree Colleges have been permitted to be started in addition to a Law College at Nellore. With this, the total number of colleges in the State has increased to 214 including 16 University Colleges.

Hon'ble members are aware of the Presidential order on admissions in educational institutions in the State. According to the Andhra Pradesh Educational Institutions (Regulation of Admissions) Order, 1974 85 percent of the seats in all Government and University Colleges in non-composite institutions are reserved to be filled in by local candidates. On account of this, educational opportunities had to be augmented for which an amount of Rs 50 lakhs was provided by the Government of India under the scheme of Special Assistance for Development of Backward Areas. However, during the current year facilities for Post graduate education could not be substantially augmented. The matter was discussed with the Chairman, U. J. C. and a Committee has been constituted with the 3 Vice-Chancellors, a nominee of the U G C., the Secretary to Government, Education Department and the Director of Public Instruction to report on the number of Post-Graduate centres to be started in each University area and also indicate suitable locations for them. It is expected that these centres would start functioning from the academic year 1975-76. We are also proposing to establish two more Universities, one at Guntur and the other at Warangal.
The Hon’ble Members are aware that the University of Hyderabad has been established at Hyderabad by the Government of India. For this University, the Government have granted 500 acres of land in the Lingampali area.

State Council for Educational Research and Training programmes.

Consequent on the decision taken by the Government to do away with detentions on the basis of annual examinations, except at the terminal points of class VII and X, the need for evolving a system of effective and continuous testing and to strengthen class-room teaching has become imperative.

To strengthen the steps taken during 1973-74, a series of in-service training programmes were organised at the District level and the Block level at a cost of Rs 20.4 lakhs during 1974-75. The secondary School teachers were covered at the District level courses while the teachers of the Upper Primary Classes were covered at the Block-level course. It is proposed to strengthen these courses with a suitably conceived state-wide academic Programme during the year 1975-76.

During the year 1974-75, the Collegiate Cell further diversified its programmes and Junior College teachers inducted into the teachers training programmes.

With a view to provide security in service conditions to the teachers working in private educational institutions, an Ordinance called the Andhra Pradesh Recognised Private Educational Institutions (Control) Ordinance 1974 has been issued. This ordinance came into force with effect from 5-10-1974.

This ordinance has been replaced by the Andhra Pradesh Recognised Private Educational Institutions (Control) Act, 1975.

Comprehensive Education Bill

The need for a Comprehensive Education Bill to place the educational system in the State on a sound footing has been a long felt need. I am happy to inform the House that the draft bill has almost been completed and before long it will be introduced in this House.

TECHNICAL EDUCATION

The Non-Plan Budget of the Technical Education Department for 1975-76 is Rs. 31.5 22 lakhs and an amount of Rs. 12.34 lakhs has been provided for Music Colleges. An amount of Rs. 116.30 lakhs is provided for grant-in-aid to Jawaharlal Nehru Technological University. The Plan Outlay for Technical Education Department for the Second year for the Fifth Five Year Plan was fixed at Rs. 32.13 lakhs which includes an amount Rs. 10.49 lakhs towards consolidation of existing Polytechnics. In addition to this amount, a sum of Rs. 9.71 lakhs is provided under Centrally sponsored schemes for construction of Hostels for the Government Polytechnics at Srikakulam, Guntur, Nellore and Nandyal, the work on all of which was started during 1973-74. The following schemes are
proposed to be taken-up during the second year of the Fifth Five Year Plan.

Consolidation of Existing Polytechnics

An amount of Rs. 10.49 lakhs has been provided under this item. It is proposed to utilise this amount for land acquisition and construction of permanent buildings for the Government Polytechnics for Women, Kakinada and additional buildings at Visakhapatnam, Gudur, Nandyal, Tirupathi and Hyderabad.

Expansion of part-time Diploma courses in Government Polytechnic, Hyderabad and Andhra Polytechnic, Kakinada.

Hon'ble Members are already aware that the Southern Regional Office of the Government of India, Ministry of Education has given its technical clearance for the introduction of part-time Diploma courses in Civil Engineering and Electrical Communication Engineering at the Government Polytechnic, Hyderabad and in Civil Engineering at the Andhra Polytechnic, Kakinada. The intake is 20 into each course. The provision of Rs 0.5 lakh made in the Annual Plan 1975-76 will be utilised for this purpose.

Diversification of Diploma Course in Engineering

To improve employment opportunities for Diploma Holders, it is proposed to introduce diversified courses such as Electrical Communication Engineering, Printing Technology and Commercial Practice, with an intake of 30 into each course. The Proposals in respect of the Electrical Communication Engineering Course and Commercial Practice have been agreed to by the Southern Regional Office and the Government of India. The proposal to establish a Printing School at Hyderabad has been approved by Southern Regional Office and is under consideration of Government of India. An amount of Rs 500 lakhs has been provided for above schemes in the annual plan for 1975-76.

SCHOLARSHIPS

An additional amount of Rs. 3.36 lakhs is provided in the annual Plan 1975-76 under scholarships. Under non-plan head of account, an amount of Rs 4.36 lakhs has already been provided. Thus the total under this head comes to Rs. 7.72 lakhs. During the last two years of the Fourth Five Year Plan, the Government of India have provided 100% financial assistance for implementing the scholarship scheme for students of Sandwich Courses in Engineering. Under this scheme stipends at the rate of Rs. 150 p.m. will be paid to the students for a period of one year during which they receive practical training. The Government of India have informed the State Government that their financial assistance for this scheme will not be available during the Fifth Five Year Plan. Hence necessary provision has been made to meet the cost of this scheme in the II Year of the Fifth Five Year Plan to sanction stipends to students of Sandwich courses namely Model Diploma Courses in Electrical Engineering and Electronics offered at the Government Polytechnic, Hyderabad and Chemical Engineering offered at the Government Polytechnic, Visakhapatnam.
GRANTS TO JAWAHARLAL NEHRU TECHNOLOGICAL UNIVERSITY

The working group of the Planning Commission has recommended during its scrutiny of the draft Fifth Five Year Plan for Andhra Pradesh State, that adequate funds should be provided for the construction of buildings for Nagarjunasagar Engineering College, which has become a constituent college of Jawaharlal Nehru Technological University with effect from 2-10-1972. An amount of Rs. 116.30 lakhs has already been provided as grant-in-aid to this University under non-plan budget. In addition, an amount of Rs. 18 lakhs is provided under Plan Budget for 1975-76 for meeting the expenditure on several new schemes proposed by the said University such as Research Survey of Industry and Man-power in Technical Education and for the part-time degree courses for Diploma Holders in Engineering started at the college of Engineering, Kakinada and Anantapur and Nagarjunasagar Engineering College at Hyderabad.
