4. Mr. H. I.: — As regards the rates of conveyance and service tax, it is expected to come into effect from 1st July, 1977.
S. I A Sreeramulu (Eluru):—This is a very serious matter. The minister does not seem to take it seriously. Why was this gentleman against whom so many complaints were not kept under suspicion? If you want to show so much lenience to this gentleman, at least he should be kept in a far away place. On the other hand, he was brought back to Suntur from Vizag. Was the Chief Minister interested in doing it?

Sri K. Rajamallu:—I am not lenient to any body. Only a preliminary enquiry has been made on the complaints. We have appointed an officer of the same institute to enquire but I am not satisfied. Now, I am going to appoint a senior most officer to enquire and report.

Sri A. Sreeramulu:—According to the prescribed procedure when complaints have been made against a particular officer the Government will have to shift him immediately because he should not be allowed to tamper with evidence and records. Why was he brought all the way back to Suntur? Why were you complacent? Was there any conspiracy?

Sri K. Rajamallu:—There was no conspiracy at all. There is no scope for tempering with the records because all the records are with the D.M.S. Only on humanitarian ground he was brought back and on no other ground.

Sri A. Sreeramulu:—Is the Minister doing it in all other cases, i.e. on humanitarian grounds? Doctors have been getting frustrated and so much of favouritism was shown to this particular doctor.

Sri K. Rajamallu:—On humanitarian grounds I have considered one or two cases brought to me by hon. Mr. Sreeramulu also.
Sri K. Rajamallu:—Very recently, when this question was put to me I called for all the files and I came to know. Anyhow I expected all these questions. Keeping in view the feelings expressed by hon. Members, certainly I will take necessary action.

Sri A. Srimulu:—At last the Hon'ble Minister has spoken the truth. Just now he said that had he known about it, he would not have done in this manner. Because this gentleman was there for a very long time at Guntur, he was transferred on complaints, the Minister was right in transferring him, but he has been re-transferred by somebody, not the Minister.

Sri S. Jaipal Reddy (Kalvakurthy):—The Minister is contradicting himself. The House is anxious to know to who has passed the order, the Minister or the Chief Minister. Secondly was this deep X-ray purchased or deep conspiracy hatched.

Sri K. Rajamallu:—As far as my department is concerned I always pass orders, none else.
Sri A. Sriramulu:— In that case we demand the file may be produced before the Speaker and the Speaker can get convinced who has issued orders.

Sri K. Rajamallu:— I don’t think it is necessary now.

(Cries of “why” from Opposition benches)

Sri A. Sriramulu:— Is it the Minister’s private property? It is the property of the house when the question has come before the House.

Sri E. Ayyapareddy:— Without going into the merits of this particular individual case; on a point of importance, the Hon’ble Minister has stated clearly and admitted even now in this House that if he had known about these, he would not have cancelled the transfer order: that clearly by implication shows that the transfer order was cancelled without his knowledge. Having made that statement is it open to him to go back upon that? Will it not reflect upon the essence of Cabinet responsibility. Will it not show orders are passed even without the knowledge of the concerned departmental Minister. Why should the Hon’ble Minister hide this fact that this order of cancellation was done without his knowledge and when we are asking him to produce the file to satisfy the Chair why should he refuse to do it. Please let him explain once again.

Sri K. Rajamallu:— My friend has repeated what Mr. Sri Ramulu has said; there is nothing new in that I have answered
that question and there is no question of hiding any information. I gave the whole information to the House.

Sri K. Rajamallu:—I will do that; anyhow I am going to appoint a senior most officer; then hon. Member can give evidence. I will take suitable action.

Dr. Fatimunnisa Begum (Peddakurapadu):—This particular doctor was transferred as long back as towards the end of 1975—nearly 2 years back. These complaints have come only after his transfer back from Visakhapatnam to Guntur. Will the Hon'ble Minister tell us when he got these complaints about this doctor and when exactly he has learnt about these and whether he has received petitions from the previous doctor, another Superintendent who has been transferred in his place and another A.D.M.O. who has been a very bad colleague of his. To tell you the truth, as far as I know these air-condition machines have been obtained by the Guntur Heart Association with the determination and goodwill of Dr. Lakshmanarao who has been chiefly responsible to get this cardiology unit and also the air-conditioner from the Guntur Heart Association and from the business people. So he cannot misuse the funds and the air-conditioner and he cannot claim money from the Government. Will the Minister tell us when he received the complaints about this doctor and why he (the Minister) has not received this complaint all these days.

Sri A. Sreeramulu:—On a point of order, — this is question hour Can we make a speech. I can also make a speech because the Medical Department is a fascinating one.

Sri S. Jaipal Reddy:—I think, hon. Members can only put questions cannot give answers. The hon. Member has given answers and not put the question.

PAPER PLACED ON THE TABLE

Notification Constituting one man Commission issued with
G.O. Ms. No. 437, G.A.D., d/20—6—77

Sri P. Ranga Reddy.—Sir, On behalf of the Chief Minister I beg to place on the Table a copy of the Notification constituting a one man Commission under the Commission of Inquiry Act, 1952 issued with G.O.Ms. No. 437, General Administration (SC. A) Department dated 20-6-1977.

Mr. Deputy Speaker:—Paper placed on the Table.

Sri A. Sriramulu:—This Notification has been placed on the Table of the House by the Finance Minister on behalf of the Chief Minister. Sir, I read in the first paragraph that the Government is convinced that there is need to appoint a Commission of Inquiry. It is not necessary to ensure fair and proper enquiry?

Sri E. Ayyapu Reddy:—It is quite unfortunate that the terms of reference were drafted without even consulting the opposition which has laid the main charge against the State Government. The terms of reference cast deep reflection on the bonafides of the Government. In fact, it is bound to give an impression in the public that the State Government is trying to pervert and divert the real issues to be gone in to by a Commission.
The first term of reference is this: "The situation created in the State of Andhra Pradesh or parts thereof by the activities of the so-called Naxalites, steps taken and instructions given by the State Government to deal with such activities and the result thereof". Is this important issue? It is not at all an issue. The only issue is whether the killings in the so-called encounters justify under the law.

Mr. Deputy Speaker:—There should not be any discussion on the Paper now?

Sri E. Ayyapu Reddy:—I am speaking about the propriety of their having issued the terms without any reference to the Opposition and of their not having taken us into confidence before drafting the terms of reference.

Sri A. Sriramulu:—I am moving an amendment Sir.

Sir, I beg to move:

In Clause (3) the following words may be added:

"The Police personnel connected with the killings and their share of responsibility therein".

Sri V. Srikrishna:—I support that amendment.

Sri S. Jaipal Reddy (Kalvakurthy):—Mr. Deputy Speaker Sir, I also move another amendment.

Mr. Deputy Speaker:—I will not allow any amendment. The question of amendment does not arise.

Sri A. Sriramulu:—This is the device to circumvent the wishes of this House.
21st June, 1977  Statement by Sri R. S. Suryanarayana Raju, who resigned from his office of Minister.

Sri S. Jaipal Reddy:—What is the point of order?

(Some opposition members stood up to speak)

Mr. Deputy Speaker:—At this stage the position of clarification or amendments does not arise. Motion under 329 given notice of by Sri Ramasarma and Sri M. Bagareddy stands postponed.

Sri A. SriRamu:—This is autocratic behaviour of Ruling party. We stage a walk out.

Sri C.V.K. Rao:—Is it fair that we don't get an opportunity to thrash out this? The Government has got to reply, we all protest against this. This has got to be stopped.

(At this stage the members of the Janata party, C.P.M. and R.P.I. staged a walk out)

Sri C. V. K. Rao:— He hopes to be appointed one day.

Sri M. Nagi Reddy:— Under Rule (76) (4) it is stated that there shall be no debate on such statement, but after it has been made, any Minister may make a statement Pertinent there to with the consent of the Speaker. whether the reply can be given on behalf of the Cabinet sir?

General Discussion

10-10 a.m.
Mr. Srikrishna is referring people who are not in the House. He is referring matters that are not concerned to our State Budget. I therefore request that the Deputy Speaker to see that these proceedings are expunged from the record.

Sri S. Jaipal Reddy:— Mr. Speaker, Sir. Mr. Srikrishna is referring people who are not in the House. He is referring matters that are not concerned to our State Budget. I therefore request that the Deputy Speaker to see that these proceedings are expunged from the record.
Sri S. Jaipal Reddy:—Then the Speaker advised not to refer people outside the House. There is a rule to that effect.

Sri V. Srikrishna:—I appreciate his annoyance.

Sri S. Jaipal Reddy:—But the point is, he should not make reference to persons who are not in the House. I am not finding fault with his proposition.

Sri S. Jaipal Reddy:—It is a matter of shame. Even after his second term, he does not know the rules. I request the Deputy Speaker to consider as to whether this should be expunged or not.

Sri V. Srikrishna:—There is nothing to be expunged. You please refer the Rules.

Sri S. Jaipal Reddy:—I have heard him patiently while he was making wild allegations against persons who are not in the House.

Mr. Deputy Speaker:—You should not mention the names of those who are not in the House.

Sri S. Jaipal Reddy:—I have heard him patiently while he was making wild allegations against persons who are not in the House.

Sri V. Srikrishna:—They have never objected when I criticised them previously. To-day they are objecting because their party is in the Centre. When he was in the Congress Benches, he never objected, you may refer those speeches.

Sri S. Jaipal Reddy:—I have no objection for his criticism, but he should not refer people who are not in the House. He is always free to criticise Central Government, its policies, its Budget, but he should not refer people who are not in the House.

Mr. Deputy Speaker:—If you want to speak, you can speak afterwards.

Sri S. Jaipal Reddy:—He has only made a study about me. He is a poor man. I can understand his ignorance. That is the hallmark of a Congress M.L.A.
