(b) The seized paddy was released by the Districts; and

(c) Revenue Officer giving benefit of doubt to the accused. Thiss question of taking any action against the Vigilance Cell staat or compensating the accused does not, therefore, arise,
Oral Answers to Questions. 9th March, 1976.

* Sri M. Narayana Reddy:— Sir, when the paddy was being carried from the fields to their houses within the same village it was seized. The allegation was that there was illegal seizure and that was upheld by the D. R. O. and the carts were restored. After that, was it not desirable to take action against the officials who were responsible for such illegal seizure? Otherwise innocent ryots will be unnecessarily persecuted.

**— Sir, as such we cannot take any action against the concerned officials.

Sri C. V. K. Rao:— I would like to know from the hon. Minister whether the Government examined this particular case impartially or is the Government influenced by the land lord class and thereby let the matter go? The hon. Minister himself says that there is no need to take action. If the seizure was illegal and against law why should not action be taken and how is it that the particular matter has become so simple as all that?

Mr. Speaker:— The Minister's answer is clear. He said that the allegation was that it was illegal but the finding of the D.R.O. was that the benefit of doubt should be allowed. Therefore no further action could be taken.

Sri C. V. K. Rao:— It is a very wonderful word, Sir 'benefit of doubt'. Under that word nothing could be done. It was illegal. I would like that the hon. Minister should make matters very clear. The landlord also...

Sri M. Narayana Reddy:— I want the Minister to kindly note when the paddy is harvested and transported within the limits of the same village, there is neither any violation of law nor any action can be taken. This is a case where a detailed representation was made by public representatives and also the People of that village that they were illegally arrested and their paddy was seized when it was being transported from their own field. These people are Harijans and people belonging to backward classes. Apart from the entire villagers, Patwari gave a certificate that it is their own paddy. Will the Government institute an enquiry to see whether there was any such illegal seizure?
the property.

There is no need and necessity to take a circuitous route where this paddy was seized; the Harijans have represented. Out of the 5 persons, 4 only have got land. The report of the D. R. O. and his findings are there. On Ahmed Patel, a known smuggler had to intervene in the case. This is the information from the report of the D.R.O. As such we do not find any need for further probe.

MODIFICATION OF PROCEDURE FOR FERTILISERS DISTRIBUTION

412—

6688 Q.—Sri M. Nagi Reddy (Gurajala);— Will the Minister for Agriculture be pleased to state:

(a) whether the Government have modified the procedure for fertiliser distribution for the year 1975-76;

(b) if so, whether a copy of the modified procedure be placed on the Table of the House; and

(c) whether there is any improvement in the availability of fertilisers in 1975-76; and

(d) if so, whether the dosage will be increased?

Sri J. Chokka Rao:—Answer placed on the Table of the House.

Answer to L. A. Q. No. 6688(S)

There is no modification in the procedure for the fertiliser distribution during 1975-76. Government have however communicated certain liberalisations for the better implementation of fertiliser distribution order of 1974, during 1975-76, in view of the improved supply position of fertilisers. The salient features of the orders issued by Government during 1975-76 are the following:

(i) Memo No. 167/F.P.I/75-1, dt. 31—3—75.

(a) The cards already distributed during 1974 will be utilised during 1975-76 also.

(b) Additional paper will be attached in the form of a flyleaf to the cards, if necessary for making further entries.

(c) Areas cultivated during Kharif 1975 will be obtained and posted in the cards in course of time. Pending this the existing areas already noted in the cards for Khariff, 1974 will be made use of for working out the eligibility till such time the areas cultivated in 1975-76 are obtained.

(d) Cards already issued during the year 1974 will be renewed for 1975-76 under the seal and signature of Assistant Agricultural Officer.

(e) No permits from Assistant Agricultural Officers are required for drawal of fertilisers by farmers. They can present the cards and take delivery of 50% of Khariff, 1975 eligibility immediately from Departmental Depots, Co-operative Societies and private dealers in the Samithi.

(ii) Govt. Memo No. 1671/F.P.I/75-6, dt. 21—5—75.
The farmers can draw 100% of their eligibility on cards.

(iii) Govt. Memo No. 3780/F. P. I/75-1, dt. 4—8—75.

The Assistant Agricultural Officers may issue special permits to farmers who have drawn their full eligibility on cards for drawal of additional fertilisers over and above their card eligibility up to the maximisation dose.

(iv) Govt. Memo No. 3781/F. P. I/75-2. dt. 18—8—75.

The farmers can purchase fertilisers on cards from any dealer in the taluk. The Collectors may however attach any card holder to a dealer outside the taluk, provided local conditions so warrant.

(b) Copies of the Government orders mentioned in the answer above are enclosed.

(c) Yes.

(d) The dosages have been increased and communicated to the various officers in the Districts by the Director of Agriculture in his letter No. Fert. I(1)247/75, dt. 16—5—75 copy enclosed.

GOVERNMENT OF ANDHRA PRADESH
Food & Agriculture Department.

Memo No. 1671/F. P. I/75-1
Dt. 31—3—1975.

Sub: Chemical fertilisers—Distribution in the State - Certain modifications issued to the present distribution procedure.

Government hereby prescribe the following modified procedure for the distribution of fertilisers to farmers. The instructions below are executive instructions for facilitating distribution to farmers of their fertiliser requirements, taking into account the present improved availability of fertilisers, and it should be noted that the orders issued by Government in G. O. Ms. 548 F & A dt. 29—5—74 invoking the powers under the Defence of India Rules, continue to be in force.

1. The fertiliser cards already in vogue may continue to be used for the kharif 1975 season and for 1975-76 Rabi. For this purpose, any blank space available in the card may be utilised. Where space is not available sufficiently, a durable sheet of paper may be pasted to the card suitably as a flyleaf for entering future transactions. A rubber stamp may be got affixed in such a way that a part of it
falls on the card and a part of it on the flyleaf, so that any possible tampering with the fly leaf may be easily detected. The rubber stamp may be affixed by an Assistant Agricultural Officer of the Samithi who may use the rubber stamp containing his designation or a suitable rubber stamp of the Samithi Office. In each case the Assistant Agricultural Officer concerned will sign his full name with date across the rubber stamp.

2. No permits will be required for drawing fertilisers by farmers. Farmers may present their cards to the Fertiliser distribution agency and draw 50% of their kharif 1975 eligibility immediately, half of this permitted to be drawn in the shape of straight fertiliser, and the other half in the shape of complexes.

3. The Director of Agriculture will be revising the eligibility of fertilisers for various crops, and it is likely that the dosages may be increased in many cases in view of the improved availability of fertiliser. Pending this and pending entry of the kharif, 1975 crop areas in the card or fly leaf, farmers may draw their fertiliser on the basis of their past eligibility for kharif, 1974.

4. The farmers may draw their fertilisers from departmental depots, Co-operative Societies or private dealers in their Samithi area.

Where they are at present already linked to departmental depots, Cooperative societies or private dealers outside the Samithi, they may continue to draw their immediate requirements from such agencies, pending a long term linking of the Samithis with various distributing agencies to be ordered by the Collectors. The Collectors are requested to arrange for such linking, so that the farmers under a samithi may be able to draw their fertilisers from a group of dealers, departmental depots or Co-operative Societies indicated by the Collector.

5. The District Level Fertiliser Committees will oversee the allotment to different Samithis. The Samithi committee will arrange for regularly verifying the issues by various dealers and arrange to have verification done, and that the issues by the dealers are made to genuine card-holders. The Collectors will ensure that the Agriculture Department staff and Officers conduct regular checking of the returns by the Fertiliser dealers as already prescribed, and that the issues of fertilisers by them are made in accordance with the procedure laid down now.

6. The fertiliser dealers should maintain registers and details of the card numbers, names of farmers etc. to whom fertilisers are issued and continue to send returns as already prescribed in G. O. Ms. No. 828 F & A (FP. I) Dt, 3—9—1974.

2. Collectors are requested to ensure that this modified procedure is implemented with immediate effect.

Memo. No. 1671/F.P.I/75-6  Dt. 21-5-1975.

Sub :—Chemical fertilisers - Distribution in the State-Certain modifications issued to the present distribution procedure-Regarding.

Ref :— (1) Govt Memo No. 1671/F.P.I/75-1. dt. 31-3-75.
(2) Secretary’s D.O letter No. 1671/F.P.I/75-2. dt. 31-3-75.
(3) Govt Memo No. 1671/F.P.I/75-3, dt. 28-4-75.

In the reference first cited Government have issued instructions liberalising the procedure for distribution of fertilisers and it was ordered therein interalia that the farmers might be permitted to draw immediately 50% of their fertiliser eligibility on cards. In the D.O letter second cited, the Collectors were requested interalia to inform the farmers that they are expected to draw the 50% eligibility by the end of April, 1975. In the Memo third cited the Government have issued certain further clarifications in the matter of fertiliser distribution.

2. In the circumstances and in view of the fact that the Kharif Season has commenced, Government direct that the Collectors may allow the farmers to draw 100% of their Kharif 1975 eligibility on their cards from now onwards as against 50% prescribed in Government Memo No. 1671/F.P.I/75-1, dt. 31-3-1975.

3. The Collectors are requested to take immediate action for speedy distribution of fertilisers, as per the above orders.

GOVERNMENT OF ANDHRA PRADESH

Memo. No. 3780/F.P.I/75-1  Dt. 4-8-1975.

Sub: Chemical Fertilisers-Distribution in districts issue of special permits by Assistant Agricultural Officers to farmers over and above the eligibility as per the card - Instructions - Issued.

In the Southern Zonal Conference on fertilisers held recently at Hyderabad on 21-7-75 and 22-7-75, certain representations have been made by the representatives of the indigenous manufacturers that though some of the farmers are accustomed for applications of higher dosage of fertilisers than allowed on the Fertiliser cards, they are unable to secure the required quantities since their eligibility on the fertiliser cards have been worked out on average dosages prescribed by the Department, and that in view of the present easy supply
position of fertilisers, it is necessary to permit such farmers to pur-
chase their requirement over and above the eligibility on the card, in
the interest of increased Agricultural production and also to step up
fertiliser consumption.

2. The Government have carefully examined the matter and
issue following orders in view of the present supply position:

(i) Assistant Agricultural Officers may issue special permits to
farmers who have drawn their full eligibility on cards for
drawal of additional fertilisers over and above their card
eligibility upto the maximisation dose to be fixed by
Director of Agriculture for each crop;

(ii) Such permits may be issued for N. P or K or complexes
separately, as per the request of the ryot. The Assistant
Agricultural Officers should note, however, that 50% of
the maximisation dosage is for complex fertilisers and
50% for straight. The special permits issue should be
regulated accordingly so as not to exceed this proportion
as regards only one category of Fertilisers.

(iii) In such cases a Registrar of permits issued shall be main-
tained and Deputy Director of Agriculture shall review
such cases periodically, with a view to ensure that only
genuine cases have obtained special permits.

3. The Collectors are requested to issue necessary instructions
to all concerned accordingly and implement the above with immediate
effect.

Memo No. 3781/F.P.I/75-2 Dt. 18-8-1975

Sub:—Chemical fertilisers - Distribution - Certain further relaxation in
the distribution - Orders - Issued.

Ref:—Govt Memo No.3780/FPI/75-1, Dt. 4-8-1975.

In the Southern Zonal Conference on fertilisers, held at Hyderabad on 21-7-75
and 22-7-75, the representatives of Manufacturers of
fertilisers have represented interalia, that in view of the present supply
position of fertilisers, the District shall be made as a unit instead of
taluk now allowed for purchase of fertilisers by farmers on cards and
that the dealers might be permitted to move stocks from one District
to another having regard to the proximity of the dealers to the adjoining
areas of the neighbouring Districts.

2. Govt have carefully examined the above suggestions in con-
sultation with Director of Agriculture and issue the following orders;
Oral Answers to Questions. 9th March, 1976. 461

(i) the present orders permitting farmers to purchase fertilisers on cards from any dealer in the Taluk shall continue. The present policy of Govt is to encourage opening of more outlets in interior places. In view of this Government consider that the jurisdiction cannot be enlarged to a District. The Collectors may however consider enlarging the jurisdiction to a Revenue Division or large units, provided the dealers do not reduce the number of outlets existing at present.

(ii) The powers already given to the Collectors to attach any cardholder to a dealer outside his taluk, provided local conditions so warrant, may continue to be exercised.

(iii) Allotment to each District has been made after assessing the requirements of that District and the manufacturers also have their own assessment of the needs of each district. In view of this, dealer to dealer movement of fertilisers across the District cannot be permitted. Any specific cases relating to mixtures of slow moving fertilisers may be brought to the notice of Director Agriculture.

(iv) The orders already issued in the Memo cited permitting Assistant Agricultural Officers to issue special permits for additional fertilisers to farmers subject to the conditions mentioned therein, shall stand and the Assistant Agricultural Officers may issue special permits accordingly.

3. The Collectors are requested to take action accordingly.

Calling Attention to Matters of Urgent Public Importance: 9th March, 1976

re: The urgent need to issue the Pattadar pass books to the ryots.

Sri P. Narasa Reddy:— The Pattadar Pass Book was evolved and introduced in Anjhra Districts to start with, in G. O. Ms. No. 1354, Revenue, dated 2-4-1960. The Government extended the Pattadar Pass Books system to Telangana districts also in G. O. Ms. No. 365, Revenue, dated 6-3-1963. Subsequently in G. O. Ms. No. 893 Revenue dated 19-6-1965, in cancellation of the previous orders, Land Revenue Pass Book was introduced by including some additional columns.

In G. O. Ms. No. 617, Revenue; dt. 6-71971 orders were issued that the existing Pattadar Pass Books or Land Revenue Pass Books already printed should be issued to the ryots on provisional basis, and when the record of rights is brought up-to-date, final (Statutory) Pass Books will be issued to the ryots then. The implementation of the Record of Rights Act has been deferred till the Ceiling Law is implemented.

The existing Pattadar Pass Books give details among other things the classification of land (dry or wet) in possession of a Pattadar, total extent held by him and total demand payable by him.

So far, 19.87 lakhs of Pass Books have been distributed to the ryots by the Collectors. The Collectors have also been requested to take special steps to see that existing available pass books are issued to the ryots as early as possible and to see that collection of Land Revenue etc., from the Pattadars are recorded therein.

The question of evolving a Pass book on the pattern of Punjab pass book and other pass books is also under consideration of the Government.
