(b) The party had withdrawn the offer.

Mr. Speaker:—What is the ‘B’?

Sri A. Srramulu.—This is a centrally situated place in the twin cities of Hyderabad and Secunderabad. During the past 2 or 3 years there has been a talk that our State Government would somehow acquire this premises either to locate the Secretariat or to start a general hospital. Sri T. Anjaiah:—As soon as we receive reports, we are regularising their services.

Workers can receive their salaries through cheques. Andhra Pradesh State is the first State in introducing this system. We have abolished the contract system. వందాయం చేయించిన బొందును చీసున్నాను. వందాయం చేయించిన బొందును చీసున్నాను. వందాయం చేయించిన బొందును చీసున్నాను. వందాయం చేయించిన బొందును చీసున్నాను.
Sri T. Anjiah —This relates to industry. Either we should give the contract on cooperative basis to the workers only or we must abolish it.

Whether the Government is prepared to see that the management is liable for payment of minimum wages or not, Government should issue instructions to the managements to issue cheques by the Managements themselves.

Sri T Anjiah —I entirely agree with Sri M Nagi Reddy. When the Government is considering abolishing the contract system there is no point in asking the contractor to pay minimum wages to the workers through cheques. They should not engage workers on temporary basis. Sri M Nagi Reddi said, we will look into the matter.

Sri C V K. Rao—Now the contractors are almost like the bonded labour bosses. Why not the Government put them in jail under MISA? That is the only remedy. Will the Hon’ble Minister look into this?

Sri T Anjiah —Government have already abolished the contract system.
3rd February, 1976.

Sri T. Anjaiah,—Under the Payment of Wages, Act, the worker should give himself in writing that he want to draw his salary by cheque. Then only we include name. Otherwise not. All Trade Union Leader, after consulting the worker, represented to introduce cheque system. So we have introduced this system.

Land Mortgage Banks for each Block in the State

55—

*S6256 Q—Sri S Papi Reddy (Kamigiri) —Will the Minister for Co-operation be pleased to state

(a) whether there is any proposal with the Government to have Land Mortgage Banks for each Block in the State

(b) if so, the steps taken to implement it, and

(c) if not, the reasons therefor?

The Minister for Co-operative (Sri Ch. Venkat Rao) ;—(a) No, Sir.

(b) Does not arise

(c) At present the policy of the Government is to have one Agricultural Development Bank for each taluk and accordingly almost all taluks in the State have been covered except two Agency taluks. The Agricultural Development Bank for each taluk is a more reasonable proposition for the reason that it would have a compact area and will be viable for doing adequate loaning business.

312 3rd February, 1976. Oral Answers to Questions

This order issues with the concurrence of Finance and Planning (Finance (P.C.),) Department vide their U.O. No 1546-AI-75-1 dated 25-7-75

Mr. Speaker:—He has said that that is not possible.
Sri A Sreeramaulu:—The word ‘work-charged’ indicates that the expenditure is charged to the work. Even regular employees’ expenditure is also charged to the work. There is a need to abolish that word “work-charged” because the Government can make an assessment of the minimum staff that is necessary. If you need 200 persons for the work you can have 100 persons and recruit regularly for 100 posts.

There is another category known as ‘Sevaks’ in Panchayathi Raj Department. They are paid from contingencies. That is a fixed amount. Is the hon. Minister aware of this particular anomalous position and is the Government considering to do anything with these posts?
