Lay off of the Employees by the Managements
Deccan Chronicle & Andhra Bhoomi

379—

*10060 Q.-Smt. J. Eshwari Bai:—Will the Minister for Labour be pleased to state:

(a) whether there was any lay off of the employees by the management of the Deccan Chronicle and Andhra Bhoomi in the month of June, 1977;

I am also against.

I am also against.

Q. 20. Q: Sir why do you think that police should not be allowed to interfere in this matter? Is it because the Labour Minister is the only person who can interfere, or do you think that police should be allowed to interfere? Being the Labour Minister, he should know every thing.

A: Because the Labour Minister is the only person who can interfere, police should not interfere in this matter Sir, because he is the only person who can interfere. Being the Labour Minister, he should know everything.
We are not interested that the Police should interfere in the matter. It is for Department to take up conciliation or joint meeting. We will inform the Police Department and Government also—the Home Secretary—that Police should not interfere in this conciliation.

Sri A. Sriramulu:—The Management of this Newspaper ‘Deccan Chronicle’ is practically started harassing the staff and the employees. The provident fund amounts collected are not being remitted and so also the E.S.I. contributions. Has this come to the notice of the Labour Ministry? If so, what steps they have taken? because we have to protect the interests of workers.

It appears of the symbolic of the state of the Government. The maintenance of the Government buildings is such—even the Assembly roof is not spared.

Sri A. Sriramulu — Sir, he is reading out of the Fifth Five Year Plan. It is not an answer to the question. We are not able to understand the portfolio of the Minister and the work he is doing. He is reading the Fifth Five Year Plan.

Mr. Speaker:—We shall now take up Short Notice Questions.

Sri S. Jaipal Reddy:—Point of Order, Sir. When these questions were postponed I raised a point stating that these questions were likely to lapse and then you were kind enough to assure that you would somehow provide for answering the questions.

Mr. Speaker:—I never said so. They will be distributed. Instead of coming on one day, I said I will try to put them on different dates.

Sri S. Jaipal Reddy:—A matter of five or 10 minutes will not make so much difference.

Mr. Speaker: You amend the rule that the question hour should be one hour and twenty minutes.

Sri S. Jaipal Reddy:—Under Rule 38 the time fixed for questions is one hour. The minimum time is fixed for one hour. Postponed question is very important. What is there if you proceed for another five minutes?

Mr. Speaker:—You can make an amendment to the Rule that postponed questions will get precedence.
Sri S. Jaipal Reddy :—Rule 38 clearly says that the question would not be less than one hour. The minimum time for questions is one hour.

SRI C.V.K. Rao :—I raise a Point of order, Sir. I obey your orders and I bring to your notice the provision. An hour is fixed for questions. Now that hour is over. Now 10 more minutes passed. That means, the Speaker has used his discretion for that thing. That question has been postponed last time for no fault of theirs and it should be taken up. When the Speaker has used his discretion to extend 20 minutes, how is it that the Speaker would not permit a question which was important and postponed for no fault of the Member and no fault of the House. It is only the discretion of the Speaker has given a suggestion that it may be postponed and put for another day. How is it that the Speaker is not pleased enough to permit it to be answered. Therefore I would request the Speaker to give his ruling in my favour.

Mr. Speaker :—It is a privilege of Member to ask for postponement. The Speaker has no right to say ‘no’. He has to postpone the question. Therefore, when questions are postponed, it is also provided that they would be added at the end of the printed questions. Therefore they come in their sequence.

Sri C.V.K. Rao :—You have given preference to other questions.

Sri A. Sriramulu :—We will move that amendment and that is a separate issue.

Mr. Speaker :—If you move an amendment, probably postponed questions will get priority.

Sri A. Sriramulu :—We shall give our amendment later. Let the answers be placed on the Table so that we will ask for half-an-hour discussion.

Mr. Speaker :—They will be placed.

Sri C.V.K. Rao :—There is another Point of order, Sir. The Speaker could give time to get postponed questions to be answered. He did not do it, on the other hand he has permitted a debate on some thing else.

Mr. Speaker :—That is the privilege of the Member.

Mr. Speaker:—I think we will amend the rule so that questions which are postponed at the instance of the Minister will come in the list and they will be added in the front instead of at the ending.

Mr. Speaker:—We will look into it.

Sri S. Jaipal Reddy:—Point of Order, Sir. The Speaker has a residuary right to extend the questions by sometime more.

Mr. Speaker:—I think the House has given a discretion to the Speaker sometimes to probably extend it, otherwise I must exactly at the minute, stop it. There is a general liberty given to the Speaker.

Sri S. Jaipal Reddy:—I request the Speaker to exercise his discretion favourably to this question.

Mr. Speaker:—It is over now.

Sri S. Jaipal Reddy:—What about this question Sir?

Mr. Speaker:—The answer is there. Only supplementaries are not allowed.

Denial of Admission to the Students in Govt. College, Gadwal.

S.N.Q.No. 10102—I Sarvasri S. Jaipal Reddy (Kalvakurthy) and Vijaya Sikhamani:—Will the Minister for Education and Cultural Affairs be pleased to state:

(a) whether it is a fact that three students viz., Messers G. Ranga Reddy, Intermediate 1st year, V.P. Mohan, B.Com. 2nd Year and Naraappa B.Com., Final Year were denied admission both in 1976 and in the current year in the Government College at Gadwal on the ground that they had participated in Satyagraha against Emergency in December 1975; and

(b) if so, the reasons therefor?

The Minister for Education (Sri M.V. Krishna Rao):—

(a) Yes, Sir. The three students were suspended from the classes during 1976-77. However, they have been permitted to be admitted during 1977-78.

(b) As the students indulged in Anti-National and Anti-Emergency activities, they were arrested and remanded to judicial custody under Defence of India Rules. Hence they were suspended from the classes from 19-1-1976.

Sri S. Jaipal Reddy:—The Minister accusing them of anti-national activities. These students offered satyagraha in December, 1975. They were then sentenced to four months of imprisonment. They have
lost an academic year that way. They were denied admission in 1976 and they were also being denied admission this year. When I put the question the department issued permission for their admission. This is an excellent example of emergency excesses. Will the Minister explain as to what he meant by anti-national activities. His opposition to emergency is anti-national activity?

Sri A. Sriramulu: —Sir, the Minister says that it is anti-national perhaps it was so, when he brought independence to this country. He should withdraw his remark ‘anti-national’. At that time, it was anti-national. I want to know, what exactly is the definition of the word ‘anti-national’. Otherwise, I want that this word ‘anti-national’ should be expunged from his reply, and the Minister has no business to say that it is anti-national activity.

Sri C.V.K. Rao:—There is no anti-national activity.

Sri S. Jiapal Reddy:—It was not an offence involving moral perpetude. Therefore, this conviction was under the Defence of India Rules (DIR). Therefore, how can our Education Minister say that it was anti-national activity when the offence that did not involve moral perpetude?
Sri A. Sriramulu:—The Principal of the Institution acted in a high handed manner at the time of admissions of the students. What exactly—the compensation, the Government propose to give to the students and what is the punishment that the Government would like to take against the Principal for his high handed behaviour?

Mr. Speaker:—The point is, why could they not be admitted after serving the sentence.

Sri A. Sriramulu:—Perhaps our Minister quite aware the Congress Freedom struggle in 1942. How many students participated in that movement? Were they debarred like this? What is the compensation you are going to pay to the students? You are responsible. You denied them two years of study. In view of this, what is the compensation you are going to pay to the students?

Sri S. Jaipal Reddy:—Sir, the Minister is admitting that they have incurred a loss of two academic years. What is the compensation the Government would like to propose to give in this regard? I will give an example. When three boys applied for admission, only two boys were given permission and the third boy did not get admission. Therefore, the Government should do something. Would the Government consider granting them for special scholarships?

(a) whether pattas were first given to the Harijans and other landless poor of Kotturu village of Parvathipuram taluk in the year 1971;

(d) the names of the pattadars whose lands were not given possession of and the extent of each patta land remaining without being given the possession the obstruction standing in the way; and

(e) whether the Government institute enquiry as to the persons responsible for such delaying process and take action against such persons, and cause immediate delivery of possession of the lands.

A.—

(a) 60 'D' from patta and 95 lease pattas were granted in Kotturu village in the year 1970 to the Harijans and other poorer sections of the Society.

(b) Government in their Memo. No. 2251/B/71-1, dated 15th July, 1971 directed that further assignment and eviction proceedings in respect of the lands in question be stayed. Subsequently, the stay was vacated in Memo. No. 2251/B/71-4, dated 26th June, 1973.

(c) It is not correct to say that the delivery of the lands has not been given owing to the influence of the ryots. Out of 146 cases of assignments or leases, possession was given in respect of 84 cases. The remaining 61 cases possession could not be given due to the following reasons:

1. One of the encroachers obtained a decree in the District Munsiff Court, Parvathipuram, in respect of the lands covered by S. Nos. 108/1 and 30/15.

2. Pendency of appeals filed on behalf of Government before the Director of Settlements against the orders of the Settlement Officer, Visakhapatnam, granting ryotwari pattas to ryots.

3. Examination of claims of Sivaijmadars who have been in occupation of the lands even prior to the assignment of the lands to the Harijans and weaker sections and who claim to be landless poor persons.

(d) The names of the pattadars who have not been given possession of the lands are furnished in the statement enclosed. Physical possession of the lands assigned or leased out could not be given due to the reasons explained in clause (e) above.

(e) The Sub-Collector, Parvathipuram, has initiated disciplinary action against the Revenue Inspector concerned for his negligence in giving possession to the assignees in the year 1970.

PRESENTATION OF PETITION

re: reinstatement of prematurely retired Govt. Employees.

Sri A. Sriramulu:— Under Rule 167, I present a petition signed by 144 compulsorily, prematurely retired employees. They have made several petitions to the Chief Minister. They are undergoing untold miseries. On account of their sudden retirement, they are suffering a lot for the last 22 months. Government can take action, under normal rules, on those who are really corrupt. The Chief Minister rejected their request. However, he assured that he would get all the cases reviewed. Justice delayed means justice denied. I am presenting this petition on behalf of the 144 prematurely retired employees.

Mr. Speaker:—Petition presented.

Sri C.V.K. Rao:—Sir, on a Point of Order. The Chief Minister Sri Vengala Rao, Leader of the House is absent from the House. Has he taken any permission from you? If he has taken any permission, the reason for his absence. Not only the Chief Minister is absent, he has deputed the Deputy Leader, the Finance Minister.

Mr. Speaker:—He has not gone out of India. As far as I know, he has gone to Delhi on a very important occasion of which you are aware.

Sri C.V.K. Rao:—Is it important for him only. He went to Delhi to receive the blessings of the new President. Is it not important for us also? You can adjourn the House. Let us go there and greet him.

Mr. Speaker:—You have not asked me; otherwise, we would have sent you on Government expense.
Statement by the Minister for Panchayat Raj

re: Transfer of Teachers working in Panchayat Samithis and Zilla Parishads.

Sri L. Lakshmanadas:—Sir, the Minister for Finance made a statement on my behalf on the Legislative Council on 27-6-1977 outlining the policy of the Government in regard to transfers of teachers working in the Panchayat Samithis and Zilla Parishads during the period the rules relating to transfers of teachers remain in suspension till the end of the academic year 1977-78. A similar statement could not be made in this House, as advised by you. But I sent a copy of the statement to the Honorable Speaker for information of the House.

In pursuance of Policy of the Government outlined in the statement made in the Legislative Council, orders were issued in G.O. Ms. No. 572, P.R. Dt. 4-6-1977 allowing the Special Officers of the Panchayat Samithis and Zilla Parishads to make the transfers of teachers during the period the rules remain in suspension. The orders issued cover, among other things, the transfers of teachers working at far off stations to places nearer to their native taluks places, on request.

The Government have now decided to issue instructions to all Special Officers of Panchayat Samithis and Zilla Parishads that request transfers of teachers working in Panchayat Samithis and Zilla Parishads should be considered favourably even though such transfers necessitate posting of persons in the native taluks or native places.

MATTERS UNDER RULE 329

re: Closure of Venkatagiri College
Calling attention to matters of urgent public importance:

re: Losses in Nellore District Co-operative Marketing Society.

Sri B. Subbarao:- The District Cooperative Marketing Society, Nellore had sustained a loss of Rs. 17.01 lakhs upto the end of 1975-76. This is mainly due to the procurement business undertaken by the society.

Due to fall in prices of paddy during the said period the society had sustained the loss. As the society has been losing heavily on account of interest on outstanding loans, it has decided to dispose of its godown to discharge these loans. The Registrar of Co-operative Societies has given permission for the disposal of the godowns.

An amount of Rs. 19.88 lakhs is due from the Government to this society towards fertiliser trade and its claims are under consideration of the Government. The losses of the society will be set off after the realisation of the amount from the Government.
Calling attention to matters of urgent public importance:
re: Anomalies in the pay scales of Librarians.

Sri M.V. Krishna Rao:—Though the qualifications prescribed for Librarians in Junior Colleges and Grade-I Librarians under the Local Library Authorities are same, the scales of pay attached to these posts are decided with reference to the nature of work entrusted and on other considerations. While the Librarians under the Local Library Authorities have to deal with the public and have to work for more number of hours, the Librarians in Junior Colleges have limited work and similarly the number of working hours is also less. Apart from this the Librarians in Junior Colleges are enjoying vacations, which is not available to the Librarians under the Local Library Authorities. The criteria to decide the scale of pay attached to the post is always the nature of duties entrusted thereto, and not with reference to the qualifications prescribed alone. The disparity is therefore, unavoidable:

Re: Delay in taking up the protected water supply scheme for Palakonda and Amadalavalasa,

Sri P. Sree Rama Murthy:—I request the hon. Minister for Panchayati Raj to make a statement regarding the delay in taking up for execution of the Protected Water Supply schemes at Amadalavalasa and Palakonda in Srikakulam District.

Sri L. Laxmana Das:—The two protected Water Supply Schemes were taken up under the Life Insurance Corporation loan assistance programme. Administrative clearance was given for the Amadalavalasa scheme in January, 1974 (vide Government Memo No. 2327/Progs. VII/73-2, dated 28—1—1974) and for the Palakonda scheme in March, 1976 (vide G.O. Ms. No. 234, Panchayat Raj dated 4—3—1976). The estimated cost of the schemes is as follows:

Amadalavalasa: Rs. 12.09 lakh
Palakonda: Rs. 9.25 lakhs

The pattern of financing is as follows:

Government grant @ 25% of the estimated cost: Rs. 3,02,250
Contribution from people, Panchayat/Panchayat Samithi @ 75% of the estimated cost: Rs. 9,04,450

Total: Rs. 12,09,000

Calling attention to matters of urgent public importance:

re: Delay in taking up the protected water supply scheme for Palakonda and Amadalavalasa.

2. The Life Insurance Corporation would extend loan assistance upto 50% of the cost and the Gram Panchayat, if it can not pay the entire contribution portion from its funds, can utilise the Life Insurance Corporation loan available with the Zilla Parishad towards payment of contribution after entering into an agreement with the Zilla Parishad.

3. The amounts so far provided for the scheme are as follows:
- Government grant: Rs. 3,02,000
- Contribution: Rs. 3,02,000
- L.I.C. loan: Rs. 6,04,500 (of this, Chief Engineer proposed to make Rs. 3.59 lakhs available out of 2nd instalment of L.I.C. loan).

Total Rs. 12,08,500

4. An expenditure of Rs. 6.91 lakhs has so far been incurred. The infiltration well, collection well and Ground Level Service Reservoir have been completed. Distribution and pumping main are also completed. The connecting main between the infiltration well and collection well is partly completed. Efforts are being made to complete the remaining portion of the work as soon as the water level is reduced in the Vamsadhara river. The scheme is expected to be completed by January, 1978. Frequent rains causing flood, the fact that even during summer the water flow in the Vamsadhara river did not decrease had given rise to some delays.

Protected Water Supply scheme, Palakonda:

Pattern of financing:
- Government grant @25% of estimated cost: Rs. 2,31,250
- Contribution by the people, Gram Panchayat/Panchayat Samithi @75% of the estimated cost: Rs. 6,93,750

Rs. 9,25,000
Calling attention to matters of urgent public importance.

re: Delay in taking up protected water supply scheme for Palakonda and Amadalavalasa

As in the case of Amadalavalasa, the Life Insurance Corporation loan available upto 50% of the cost can be made use of the Gram Panchayat for payment of its contribution if it cannot pay the same from its own funds after entering into an agreement with the Zilla Parishad, Srikakulam.

The amounts so far made available are as follows:

Government grant Rs. 2,31,000
Contribution Rs. 17,000
L.I.C. loan Rs. 2,19,500 (Rs. 34,500 will be earmarked by Chief Engineer for this scheme from out of the 2nd instalment of L.I.C. loan).

Total Rs. 4,67,500

6. Even if the Gram Panchayat avails the Life Insurance Corporation loan amounting to Rs. 4,62,500/- (50% of the estimated cost) fully for payment of contribution, the Gram Panchayat has to pay Rs. 2,31,250. But the Gram Panchayat has so far paid only Rs. 17,000.

7. Tenders have been invited for the Over Head Service Reservoir and Well-cum-pumphouse. Tenders for Over Head Service Reservoir have been approved. The tenders for collection well are under examination by the Superintending Engineer (Panchayati Raj) Kakinada. The scheme is expected to be completed before end of the financial year, subject to payment of balance of contribution by the panchayat and subject to availability of balance of Life Insurance Corporation loan.

Felicitations to Sri Neelam Sanjeeva Reddy on the occasion of his assumption of office as the President of Indian Republic.

Sri A. Srimulu:—Sir, On behalf of the Janatha Party I have great pleasure to acknowledge openly the support extended to the candidate of Mr. Neelam Sanjeeva Reddy. I am personally getting overwhelmed with joy since I know him for 3 decades. A person hailing from a small ryot's family of a most backward area of a State has just now occupied the highest office of this Country. As I know Mr. Sanjeeva Reddy, he has extraordinary power of adding colours to whatever post he occupies. He has done so in the past. I am sure he will keep up the confidence reposed in him by all the Political Parties and Academicians and reserve, promote and protect the dignity and prestige of the Nation.

re: Felicitations to Sri Nellore Sanjeeva Reddy on the occasion of his assumption of office as the President of Indian Republic.

Mr. Speaker:- This is no doubt a special and unprecedented an unique occasion for all of us. Not only leaders of Parties, Groups be individuals, also want to express their appreciation of this occasion. But I have got also another duty to discharge. We have also got to dispose of Demands, Grants and all that. The person winding up the debate as the Ministers—will start at 120’Clock. So, you cannot have both ways. I do not want to stop any one of you from participating speaking on this Resolution. But at the same time you cannot ask me to provide time for everyone of you who want to participate. Therefore I will cut off. I will allow as many of you as possible and I will stop that and in continuation take up winding up of the Debate at 120’Clock. I think, I have got your permission.
Resolution:

Sri Neelam Sanjeeva Reddy on the occasion of his assumption of office as the President of Indian Republic.

Sri S. Jaipal Reddy:—Sir, this occasion is a matter of supreme joy for two reasons. Firstly, the tallest Andhra and the Architect of Andhra Pradesh is becoming the first citizen of India. Secondly, his ascendency to Rashtrapathi is the supreme fulfilment. Many people say that this ascendency is a matter of luck or distiny. But his character made him to become Rashtrapathi. In this connection, I am reminded of a Roman Hero who had to be called in a National crisis from the agricultural field to the battlefield literally. Mr. Sanjeeva Reddy was like-wise called from his Farm to Rashtrapathi Bhavan. There are striking similarities between our Prime Minister and Rashtrapathi. Both of them lost their Assembly seats in 1952. Inspite of their incidental defeat, both of them became Deputy Chief Ministers. In the late Sixties, both of them went into a kind of political wilderness. Like-wise, in the late Seventees, both of them rised to the top-most post in the country. Both of them did not rise to the top-most posts so much by their mechanical strength; it is only through their moral strength. I am sure that under the glorious stewardship of Mr. Sanjeeva Reddy and Mr. Morarji Desai, our country would get good future. With these few words, I fully associate myself with the Resolution moved.

ANNUAL FINANCIAL STATEMENT (BUDGET) FOR 1977-78

VOTING OF DEMANDS FOR GRANTS:

Tribal Welfare, Social Welfare, Women and Child Welfare,

Sri A. Veerappa (Nallamada):—Sir, I whole-heartedly support the Demands of Social Welfare, Tribal Welfare and Child Welfare. With regard to the Backward Class, I want to say few things. There are schemes and other measures but they were not implemented, though the Government is very particular. Sir, you are very well aware as to how these backward classes came into existence. It was the notion prevailing that there is no constitutional background for the backward classes. As Chairman of the Committee on the welfare of backward classes, I have gone to several places, Wherever I have gone, I was informed that in respect to Scheduled Castes and Scheduled Tribes there is constitutional guarantee but in the case of backward classes there is no such thing. They further said that there is no need to follow the rule of reservation and other measures. That is the trend of some of the people in respect of the rule of reservation for backward classes. I would like to state that Articles 15(4) and 16(2) has to be noted in this connection. Article 15(4) enables the State Government to make a provision for the backward classes welfare. Here it is clear that the State Government should make some provisions in the interest of backward classes and also with respect to service matters. The Government also passed a G.O. in 1970 which was challenged in the Supreme Court in the year 1972. The Supreme Court upheld certain things. There is much that has to be covered. That being
so, the Government began to implement the G.O. though it was passed in the year 1970 itself. Even from 1970 also whether the rule of reservation has been followed or not has to be seen. Even when the Supreme Court upheld the G.O, it is not implemented as far as the rule of reservation is concerned till 1976. The Committee on the welfare of Backward Classes also noted clearly that with respect to many a department it was not followed. The reason as to why it is not followed is not given. When questioned some people said that they are not aware of the G.O. and other said that knowing it they were not able to follow the procedure properly. But this cannot be an excuse. Already seven years had elapsed after issuing the G.O. It is in the beginning stage. It is very painful to note. Even the Committee reported that the implementation was delayed. It has only made a beginning in the year 1976 or 1977. Even in regard to the Education Department also, the G.O. is not followed. With respect to junior lecturers and also with respect to many important posts it is not being followed. Even while preparing the rosters they are leaving blanks and going to the next one and appointing others. It is done intentionally, deliberately to avoid the rule of reservation. In this way almost all the departments have not followed and they only made a beginning. It is also noted in the note that there is also a cell. The assistant Commissioners who are the Inspecting authorities or inspecting the offices even these inspecting authorities are not properly inspecting. These Inspecting Authorities have noted that they have checked. Wherever they have signed they have not printed out the defects. Which are in the registers. In the guise of backward classes the posts are given to forward class people. In one case saying that she is Kamma Kapu the post is given to her. That was also noted by the Committee. Whenever the inspecting authorities have checked that was not pointed out by them. With respect of rule of reservation they have not followed and they have not maintained the merit list. They are simply providing 25%. Even after 1977 also they are only satisfied with providing 25% of the reservations. It is painful to note that 25%, that made it a maximum rather than the minimum. It is very prejudicial to backward classes. The merit list is not prepared and they are limiting to 25%. This has to be checked. More injustice is done to backward classes. Though they are eligible for so many posts, they are limiting to 25%. There are several categories of posts. Each post will have one post or the other. that connection there is no possibility of getting any candidate from the back-classes, because only fourth candidate will come from the backward class. The rosters are also not followed properly, to be noted as to what action they would take. If it is not followed
knowningly, action should be taken in this regard. It is also clearly noted that the department or the person deliberately not followed the rule of reservation. That was brought to the notice of the Government, but no action is taken in this regard. Another instance where a candidate in the guise of backward class secured employment. When that was also brought to the notice of the Government only minor punishment was given. The candidate was only given a warning for the irregularity.

11-50 a.m. This is unfair for the Backward Class people. Regarding allotment of funds, I must say one or two things. If we see the notes, we will find that 50% of the funds are meant for the Backward Classes. Here the percentage is also given. People coming under Economically Backward are also provided some amount. 25% the amount goes to Scheduled Caste and Scheduled Tribes. 1/3rd will go to the economically backward people. and the remaining 50% will to the listed B.C. Here Rs. 5 crores are allocated to B.C. But only Rs. 2 1/2 crores will go to B.C because 25% of the amount will to the S.C. and S.T. and the remaining 25% will go to the economically backward people. i.e., 10:3 ratio. If it is so, 75% i.e., 3/4th of the total allotment will go to economically backward people. Even in the hostels also, our B.C. students are less than 25%. They are reserving more to the Forward Class people and not for the Backward Class people this is according to the note given by the Minister. I request that all the funds allotted to the Backward Class people should be spent for the welfare of the Backward Class people only and not for the economically backward people. Even in the Constitution there is no provision that some amount should be set apart for the welfare of the economically backward people. you are taking away B.C. funds to be spent on the economically backward people. It is unjust. It is a foreign element - economically backward people.

Tribal Welfare.—Ashram schools should be started to Tribal people who are scattered in some areas. Until now, they are neglected because there are some thickly tribal populated areas an for the development of such areas, more funds were allotted. By these schemes, these scattered tribal people are not benefited. I request that more funds should be allotted to them also and ashram schools should also be opened for them.

Voting of Demands for Grants.

The problem of Harijans is more political than social Baba Saheb said that, the problem of depressed classes will never end unless they get political power in their own hands—
Dr. Baba Saheb said, 'Depressed by the Government suppressed by the Hindus and disregarded by the Muslims, we are left in a most intolerable position and utter helplessness to which there is no parallel. We areaghast."

Dr. Ambedkar said, trusting the words of Mahatma and to share his life untouchability abdicated the right to chose their own representative in favour of the oppressed of choose their stooges.
(At this stage, outsiders, of whom one was subsequently found to be a House Surgeon, and the rest to be medical students entered the Assembly Hall, shouting some slogans, through the door opposite to the Speaker.)

Smt. J. Eswari Bai:— They should not be arrested. They are educated people.

Mr. Deputy Speaker:— How can they enter the House? The dignity and decorum of the House should be followed.

Sri C. V. K. Rao:— I am raising a point of order. I would like a Minister whoever is responsible here, to explain to this house as to how the incident of just rushing in to the House of outsiders has happened. We have sympathies for people who have grievances. But any way it is the sanctity of the entire House which should be protected and democratic system must be made to function. How it all had happened is the question. I am unable to understand how it happened is there any
responsible Minister in the House who would be able to tell? It is a very serious matter. Papers are very free and they may give much importance. It is important, no doubt. But should the entire House be treated this way? Even though, I, as one in the opposition side feel sympathetic, an explanation is to be given by the office and by the Minister. You call the Speaker, Sir.

Sri C.V.K. Rao:—You please call the Speaker Sir.

Mr. Deputy Speaker:—The House has considered their problem not only once but thrice.

Sri C.V.K. Rao:—Before the closure of the sitting, does the subject come up, Sir, because it is a serious matter?

Mr. Deputy Speaker:—Everybody knows.

Sri C.V.K. Rao:—It is a serious matter. Therefore it is not as though we are dumb and ineffective. Whoever is responsible is responsible. But then, how has it happened? It must be known. Let us discuss over this matter. Let the matter be put off for the time being and let the hon. Speaker come into the House, let him meet their representatives. He need not meet the entire lot. Let him see that the matter subsides.

Sri C.V.K. Rao:—The whole question is how it had happened.

Mr. Deputy Speaker:—Nobody knows how it happened. But we have witnessed that some junior doctors entered the House. The Minister has given the reply and there is no need to take up this matter now. I won't allow anything.

Sri C.V.K. Rao:—Before the closure of the sitting let him explain. Let the House be enlightened about it. How has it happened?

Mr. Deputy Speaker:—Smt. J. Eswari Bai will resume her speech.

Voting of Demands for Grants.

While it is gratifying to note that Government of India have amended recently the Unrelia­bility Offences Act, 1955 hereafter to be known as Protection of Civil Rights Act 1955 taking effect from 19-11-1976, I am not satisfied. Government is not taking any action. Appointment of officers for initiating and exercising supervision over prosecution for the contravention of the provisions of the Act, setting up of special courts for the trial of offenders under this Act, imposing collective fines on inhabitants of any areas in which the offences are committed, should be specially implemented, as it is necessary to protect the right of the public to file complaints before the courts. The amendment is a step in the right direction, but it is necessary to ensure that the provisions of the Act are effectively implemented.
On 14/15 May 1977, some goondas raided some families and stabbed 4 members while they were sleeping. A 20 year old girl was stabbed with too serious injuries. Mr. Kushal Das, B.A., Assistant Director, Employees State Insurance escaped the attack as he was not in the town. For the purpose of F.I.R., the statement of a minor boy 15 years old, was taken. He was made to state that the accused is only one. Mr. Bhaskar Rao, Circle Inspector of Police, Shah Inayat Gunj has taken advantage of Mr. B. Parameswar's semi-conscious condition. The Inspector made Mr. Parameswara Rao to state the accused is only one. And the hon. Magistrate who has taken the dying statement of Mr. Parameswar did not note the statement of Mr. Parameswar that there were 15 goondas involved in the conspiracy. However, the Magistrate was kind enough to note the statement of Mr. Rao that apart from Mr. Salim, there were four other goondas who were real culprits and who master minded the conspiracy. So far only one arrest is made and he is also released. No enquiry has taken place. No one is interrogated. So far the atrocities of 13th May 1977 are not registered. The whole scheduled caste locality is disrupted due to goondism.

Annual Financial Statement (Budget) 25th July, 1977

Sri A. Sriramulu:—We have been hearing the statement from the Ministers. What has happened to the concept of collective responsibility? Is it a Cabinet form of Government or are you acting as Assistants of the Chief Minister? Minister speaks on behalf of the Government. He does not speak on behalf of himself. This is an understanding of cabinet responsibility? or, collective responsibility? Every Minister says that Chief Minister is the sole arbiter of Andhra Pradesh. This is something which we will not stomach. All of you are collectively responsible to us. I cannot hear such statement, because we find every Minister is repeating like a parrot.

Sri A. Sriramulu:—Whenever there is a change in the portfolios or whenever new persons are brought into this House it is decency and courtesy on the part of the leader of the House to introduce those personalities. I don't know when Mr. Keshavulu assumed charge of Women Welfare Department. All of a sudden he is standing and throwing a surprise. I know he is in-charge of Handlooms. When did he took charge of Women Welfare.

Mr. Deputy Speaker:—When the Demands of the concerned Ministers are put up in the House, at that time it was informed that she is not feeling well. It is a collective responsibility.

Sri A. Sriramulu:—No doubt about it. But let us know who is doing what.
1-50 p.m.

Sri A. Sriramulu:—The anxiety of the member is that we have been in session for nearly 2 months. But we did not have the opportunity of seeing the Minister for Women Welfare. We must be provided an opportunity to see her.

Sri C.V.K. Rao:— Who has authorised Mr. K.V. Kesavulu to reply on behalf of the Minister for Women Welfare?

Mr. Deputy Speaker:— In your absence, this point was raised and answered.

Sri C.K.V. Rao:— He was not in the House when the Demand on Women Welfare was discussed and now he cannot answer. He got totally wrong notes. He said that Super Bazaar, Kakinada is not good. I said the Social Welfare Department is not good. What is all this? I did not say that Super Bazaar, Kakinada is not working properly. So let the business be adjourned.

Sri A. Sriramulu:— I want a ruling on this. One Minister should not make an appeal on the Floor of this House to other Ministers.

Mr. Deputy Speaker:— Mr. Sriramulu, I agree with you. This point can be raised in the Cabinet.

If the Hon'ble Chair does not permit a Member to correct the Minister, then is it not an unfortunate situation where a Member so made hopelessly helpless?

Mr. Deputy Speaker:— You can seek clarification after his speech is over.

Sri C. V. K. Rao:— At that stage, I have not mentioned the Super Bazaar. What I said was that Social Welfare Department is not good. So let him correct his statement, That is enough.

176--15

Sri C. V. K. Rao:— Even at that time, I did not say like that. The Social Welfare Department got some goods purchased and there was some irregularity. I presented that matter to Mr. Mahendranath. Super Bazar has not come into the picture. Let him correct himself.

Mr. Deputy Speaker:— I put the conditions to vote. The question is;
