(c) the reasons for their reversion to state?

The Chief Minister (Sri J. Venga Rao) :—

(a) & (b) Some officers have been reverted to the State Government. Officers are periodically reverted to the state as per the rules.

(c) The officers are generally reverted to State Government after completion of their term at the Centre. No reasons are generally indicated for such reversions as the officers belong to the State cadre.

Oral Answers to Questions

Sri J. Vengala Rao:—Sri Chandrasekhar, Revenue Secretary, P. Prabhakararao, Chairman and Managing Director, Nizam Sugar Factory, Muralidhararao, Co-operative Apex Bank, Managing Director, Sri Jayakar Johnson, Joint Secretary, Srawan Kumar, Excise Commissioner I. J. Naidu and Kamath, are expected to come with in a month or two.

Sri A. Sriramulu (Eluru):—This is a routine method that I.A.S. Officers are allotted to the State. Some times Centre takes their services. If they feel they are not good, they can send back to the State, ordinarily in the usual course. Whether the Government of our State is seriously considering to repatriate some of the efficient officers who are now in Government of India?
Supply of Cane Furniture to the Kinnerasani Guest House.

392—

*S924 Q.—Sri A. Sreeramulu :—Will the Chief Minister be pleased to state :

(a) whether it is a fact that M/s. Singareni Collieries Co., Ltd., placed an order on Hubert Furnishing, Madras for supply of Cane Furniture to the Kinnerasani Guest House;

(b) if so, the cost of the furniture ordered;

(c) whether the Managing Director of the Singareni Collieries called for quotations from other Cane Manufacturers; and

(d) whether the Tamilnadu Cane Products Manufacturers Association Madras, submitted any representation in this regard?

Sri J. Vengal Rao :—

(a) Yes, Sir.

(b) Rs. 1,62,651-50.

(c) Since the furniture required for the Kinnerasani Guest House was of a type of specific design, quotations were collected at Madras by a team of Officers of the Company who were deputed to go to Madras, and inspect the establishments, the capacity and the workmanship of the various furniture manufacturing units.

(d) A copy of a representation from the Tamilnadu Cane Manufacturer's Association, Madras received by the Government has been forwarded to the Chairman and Managing Director, Singareni Collieries Company Limited for remarks. The report received from the Singareni Collieries Company Limited is being examined by the Government.

Sri A. Sriramulu:— In this case, the Tamilnadu Cane Products Manufacturers' Association has made a complaint that Messrs. Singareni Collieries obtained quotations after going to Madras only from this Company Hubert Furnishing, Madras. Singareni Company originally accepted the order. Later the very same company was given higher prices and order was placed. What is the reason for the Singareni Company to allocate to only one company when there are so many Cane Manufacturers in Madras and when there is Cane Products Manufacturers' Association at Madras?

I will ask the Industries Secretary to go into detail in this matter.
Reconversion of Indian Christians to Hinduism.

393—

*S950 Q.—Sri Nissankara Rao Venkata Ratnam (Guntur II):—Will the Chief Minister be pleased to state:

whether the Government of Andhra Pradesh recognised reconversion of Indian Christians to Hinduism done by institutions like Arya Samaj, Visva Hindu Parishad, Suddhi Sangham?

Sri J. Vengal Rao:—The question of recognition by Government of reconversion of Indian Christians to Hinduism does not arise. However, in regard to Scheduled Caste Christians reconverted to Hinduism and claiming as Scheduled Castes, each case is to be decided on its merits in accordance with the guidelines issued by the Government of India.

Sri J. Vengal Rao:—If Harijans convert desires to convert himself to Hinduism or Sikhism to which he or she originally belongs no formal ceremony rites conducted by Arya Samaj or Vishwa Hindu Parishad or Andhra Suddhi Sangam required to bring him to the original case it is sufficient if there is a desire to reconvert himself or herself has got to assert whether the ancestors of the persons belong to one of the castes now included in the Schedule.

All converts of Harijans as the case may be, if he has been received back and accepted as a member of one of the Scheduled castes, if a person's ancestors and proved to belong to Scheduled castes, ordinarily it is presumed he will be accepted by the said caste.

Auditing of Accounts of Muslim Wakf Board

399—

*10094 (H)Q.—Sri Sultan Salahuddin Owasi (Yakutpura):— Will the Minister for Forests be pleased to state:

(a) whether the Accounts of the Muslim Wakf Board have been audited after the formation of the Wakf Board;

(b) if so, whether the Audit Report has been presented to the Government; and

(c) if not, the reasons therefor?

The Minister for Forests (Sri Md. Ibrahim Ali Ansari):—

(a) &

(b) Yes Sir, up to the year 1966-67.

(c) The Audit of the Accounts for the years 1967-68 onwards, has not been taken up so far, due to the inability of the Wakf Fund to bear the cost of audit.

Sri A. Sriramulu:—Point of order. Sir. The Minister is chewing pawn and his replies are not audible. Will he go on chewing pawn while answering questions?

Mr. Speaker:—Chewing pawn is not allowed not only while answering but even otherwise.

Sri A. Sriramulu:—Please advise the Minister not to chew pawn.

Mr. Speaker:—Chewing pawn is not allowed.

*Sri Md. Ibrahim Ali Ansari:—It is not chewing pawn. I am short of two teeth.

Sri A. Sriramulu:—It is very visible. Conspicuously bad in chewing.

Oral Answers to Questions.

Sri E. Ayyapu Reddy:—From one decade the Wakf Board's accounts are not audited. When did it come to the notice of the Government that the Wakf Board's accounts are not being audited and what is the action taken by the Government so far. Is it not necessary to wind up the present Wakf Board if it is not in a position to afford for getting the accounts audited.

*Sri Md. Ibrahim Ali Ansari:— The Wakf Board is not in a position to pay the audit fees and that is why it could not be taken up. Till 1967 the audit amount came to Rs.34,500. We have been asking them to submit the amount for audit. Very recently they have written to the Government that they are not in a position to pay and it is for the Government to take it up without collecting any funds from the Board.

9-20 a.m. Sri V. Srikrishna (Mangalagiri):— There are large extents of lands under the management of Wakf throughout the State in addition to various kinds of properties. The income according to the Minister was only Rs. 35,000 when it was audited in 1967-68. According to my information these properties of the Wakf Board are being mis-managed right from the inception of the Wakf Board. If it is allowed to continue, most of the income will go unaccounted and misappropriation is taking place at every level. Why should the Government take such a lenient attitude.

*Sri Mohd. Ibrahim Ali Ansari:— That is a general complaint that the properties are being mis-managed. It is not that. The income from other properties may be there. Under the Wakf Act it cannot localise that income for any other purpose, other than the particular institution from which the income is derived. Wakf Board would receive 6%, out of which 1% goes to the Govt. of India and 5% remains with the Board. This is a meagre income. They are unable to pay the salaries of the staff.

*Sri V. Srikrishna:— Wakf Board has got a right to authorise, supervise the activities of the Muta Walis. Whether it is doing that job?

Sri Md. Ibrahim Ali Ansari:— The Board is doing its best to supervise the properties.

Sri E. Ayyapureddy:— Just now the Minister said that the income of the Wakf Board is very meagre. What is the income of the Wakf Board? What is the total income?

*Sri Md. Ibrahim Ali Ansari:— It may be roughly about 2 1/2 lakhs per year. They have to maintain staff not only at the headquarters but also in the districts. After that to spare any amount is very difficult.
Sri Syed Hasan:—Whatever is being said about the difficulties of the Wakf Board by the Minister is not correct, but the fact is that the entire functioning of Wakf Board is fishy. If the audit is made many skeletons would come out of the cupboard. That is why they are avoiding it,

*Sri Md. Ibrahim Ali Ansari:—It is not that.*

Sri M. Omkar:—The Hon. Minister has stated the income but he has not stated the expenditure. What is the expenditure? Whether the Government has received any complaints with regard to the misappropriation and mis-management of the Wakf Board's property and is it a fact that the Government in contravention with the advice given by the Central Government in respect of one person saying that he should not be appointed as member in the Committee, the Government has appointed him.

*Sri Mr. Ibrahim Ali Ansari.—The member's enquiry does not pertain to the audit report.*

Md. Speaker:—He is not in position to give that information.

Sri M. Omkar:—What about the expenditure, because he has stated the figure in respect of income. With regard to the particular member about whom the Central Government.

Mr. Speaker:—Expenditure exhausts the income.

*Sri V. Srikrishna:—One Mr. Syed Mahaboob and Mr. Syed Mahaboob Adam, both of them published a pamphlet giving details of the mis-management of all the properties of the Wakf Board in various places, Will the Minister get it translated into Urdu or English. Has he gone through that.*

Sri Md. Ibrahim Ali Ansari:—I have no idea of the pamphlet and when it was circulated.

Sri B. Ayyepu Reddy:—The Hon. Minister has stated the income as two lakhs. We want to know the value of the properties, the nature of the properties, how many acres are owned by various Wakfs and what are the immovable properties. Can you give the total amount of properties and their value.
Sri Md. Ibrahim Ali Ansari:— Offhand I cannot give.

Sri Syed Hasan (Charminar):— Time and again the Minister said that the income of one Wakf Board cannot be spent for other purposes. If the income could not be spent that way, then the property when it is endowed for a particular purpose, how could it be transferred for other purposes? For example, Raghuramaiah Housing Cooperative Society, Guntur. How it was that for a song the property was handed over to the Raghuramaiah Cooperative Society?

Sri Md. Ibrahim Ali Ansari:— The property cannot be transferred from one institution to another institution, but the Mutawallis, with the permission of the Board and the Government, can exchange the property for better income or even dispose it off from that particular property.

The Minor Irrigation Sources of ayacut over 100 acres in Telangana area and over 200 acres in Andhra area are now under the control of the Irrigation Department.

S.N.Q. 10102-U Q.—Sri M. Omkar :—Will the Chief Minister be pleased to state :

(a) whether it is a fact that the cement supplied to the construction of Godavari Barrage was black marketed, i.e., 2,001 bags to one Sri R. Venkateswar Rao of Urvasi Theatre, and 400 bags to Sri Meduri Satyanarayana at Rajahmundry in the month of June, 1977;

(b) whether it is a fact that while transporting the said black-marketed cement from P.W.D. Stores in two lorries bearing Nos., ADB 2544 and AAP 9569 they were caught by Dowleshwaram Police and after intervention of some influential persons they were left off;

(c) if so, the action taken by the Government?

Sri V. Krishnamurthy Naidu :—(a) No. Sir. 1,200 bags of cement were however, issued to Sri R. Venkateswara Rao of Urvasi Theatre. (b) No, Sir. However, two lorries bearing No. ATB 2544 and AAP 9569, each carrying 200 bags of cement was stopped and checked by the Sub-Inspector, Dowleshwaram on 21-5-1977, as they were found going in wrong route and also without way bills, receipts etc. It is a fact that a representation made by the P.W.D. authorities that the stocks of cement belonged to the Godavari barrage Project authorities, they were permitted take delivery of the stocks.

(c) Government are ordering an investigation into the whole matter.
There is something fishy in this. I ordered for enquiry by the Chief Secretary, but it seems to me that it is not being done seriously. I am not satisfied with the Chief Secretary's reply. I ordered for an immediate enquiry, but it seems to me that it is not being done seriously. I want to know whether we will receive the information with regard to the action taken in the investigation done, at least by to-morrow or day after? The entire information is before the House.

Sri V. Krishnamurthy Naidu:—It is a separate question, I cannot give the details. If the Member wants, let him put separate question and I will certainly give the details.

Sri B. Ayyapu Reddy:—We are quite happy that the Chief Minister had ordered instantaneous enquiry about this matter. He says that he did it even before he left for Delhi. All the details are given in the question itself. May we know whether we will receive the information with regard to the action on the investigation done, at least by to-morrow or day after? The entire information is before the House.

Out of this 70.00 lakhs was allotted to Collector, Nellore for repairs to cyclone works, On receipt of advance plan assistance from Government have modified in G.O.Ms. No. 171, Revenue, dt. 25-1-1977 the earlier orders, sanctioning Rs. 178 lakhs for Cyclone works and Rs. 100.00 lakhs for road works. This was released through Head of Departments instead of Collectors.

2. The break up for Rs. 178 lakhs is as follows. Major Irrigation works Rs. 68 lakhs, Medium Irrigation works Rs. 90.00 lakhs, Minor Irrigation Works Rs. 50 lakhs for Panchayat Raj Department for Nellore district an amount of Rs. 30 lakhs is allotted under Major and Medium works. Matters under rule 329 : 26th July, 197
re: Attack on Harijans by P. Tirupathi Rao
and others resulting in death of a Harijan,
in Chinaogirala village Krishna district.

Sri J. Vengal Rao:—Some local Harijans and members of other depressed classes have been granted lease over above 18 acres of Poramboke land at Chinaogirala village of Gannavaram Taluk in Krishna District. One Sri Paladugu Tirupathi Rao, a caste ryot shifted the border stone with a view to encroach upon the poramboke land. However, the Harijans shifted back this stone to its right place on 22-7-1977. Thereupon, the said Tirupathi Rao and others went to Harijanwada on 23-7-77 and threatened to breach the link canal and submerge the poramboke land of the fields, they found the fields submerged in water. Suspecting that the landlords might have caused a breach as already threatened, the Harijans, want to the place of breach (gandi). There, Sri Thirupathi Rao and 37 others armed with sticks, spears etc. attacked the Harijans. As a result, Sri Maddula Subba Rao, harijan died on the spot due to spear injuries and 30 other Harijans and an anadi tribal were injured. Five of the Harijans and the one anadi tribal have been admitted in the Government Hospital, Vijayawada and they are said to be out danger.

A case in Crime No. 78/77 of Kankipadu P.S. u/s 147 (Rioting), 148 (Rioting armed with deadly weapons), 149 (Punishment to all members of unlawful assembly), 323 (Voluntarily causing hurt), 324 (Voluntarily causing hurt by dangerous weapons), 302 (murder) I.G.P was registered and investigation taken up. Out of the 38 accused involed, 5 have already been arrested and special parties have been formed to trace and arrest the remaining accused, two, are absconding. A Section of A.R. party has been stationed in the village and at the Harijanwada to prevent further trouble and afford protection to the Harijans. The situation is under control.

The breach (gandi) caused by the accused has since been closed and the damage to the agricultural operations is not much. Immediate relief of Rs. 1,000/- to the family of the deceased Harijans Subba Rao and Rs. 3,000/- each to the six hospitalised persons and Rs. 200/- each to the other 25 harijans injured has been paid. Also, the widow of the deceased harijan has been granted and given possession of acre 1.25 of land in R.S. No. 359/4B of Vuyyur village by way of further relief. It is also proposed to grant additional financial assistance to the widow of the deceased harijan for purposes of cultivation of the land given possession of.

Sri E. Ayyapu Reddy:—Discipline is the essence of democratic functioning. We will not tolerate any type of indiscipline. But indiscipline that is said to have taken place seem to have been sporadic, unintentional and appears to have been done by a few persons who are taken away by emotions. It is very heartening that the Association have expressed unequivocal regret and that has been made public also by the Press.

With regard to main issue, it is not correct to say that the opposition is trying to politicalise it. I made it very clear that we are not at all attempting to politicalise it. We spared our efforts and services to the Government to solve the issue. This is an issue which belongs to the entire State and it will be demeaning on the part of any Political Party to try to make any capital out of it. Let not the Government think on those lines. All these things have to be separated and the issue has to be judged on its own merits and we hope the Government at least will now realise the gravity of the situation and try to tackle the issue and find a very amicable solution as immediately as possible.
Calling attention to matters of urgent public importance:
re: Delay in declaration of probation of the Junior Engineers working in Public Health Engineering Department.

Sri K.V. Kesavulu:— Sir, On 19th I have assured the House that I would make a categorical statement.

Mr. Speaker:— You can do it after the calling Attention Matters are over.

Sri A. Sriramulu:— If the Minister wants to make a statement let him supply the copies because a very important demand we are going to discuss.

Sri C.V.K. Rao:— On previous occasion the Panchayati Raj Minister has made a statement and no copies of it are made available to us. Some of us do work hard. Either we should work hard or sleep over the thing. Let a copy of it be supplied. After all there is enough administrative machinery. You ask the Minister whoever wants to make a statement to make available the copies of it.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE
re: The delay in declaration of probation of Junior Engineers working in the Public Health Engineering Department.

Sri Syed Hasan:— I call the attention of the Minister to make a statement.

Sri Challa Subbarayudu:— The Andhra Pradesh Public service commission selected and allotted 8 candidates who were working on an emergency basis in the Public Health and Municipal Engineering Department after they passed the Special Qualifying Test in August, 1975 for regular appointment as Junior Engineers. After following the prescribed procedure of verification of antecedents etc., the service of all the eight Junior Engineers were regularised by the chief Engineer (Public Health) in July, 1976 duly placing them on probation for a period of 2 years with effect from 28-2-1972.

2. The probation of 2 Junior Engineers out of the eight Junior Engineers has been declared by the chief Engineer (Public Health). Proposals in respect of the remaining six Junior Engineers are awaited from the Superintending Engineers and the Chief Engineer (Public Health) is pursuing the matter with them. As soon as proposals are received from the concerned Superintending Engineers, the Chief Engineer (Public Health) will take necessary action to declare their probation also. Except these six candidates, there are no other regular junior engineers whose probation has to be declared. The cases of all the regular Junior Engineers will be considered for promotion as Assistant Engineers on a temporary basis irrespective of the fact whether their probation is declared or not.

Calling attention to matters of urgent public importance:

re: Delay in declaration of probation of the Junior Engineers working in Public Health Engineering Department.

Sri Syed Hasan:—The question is very simple. In Public Works Department, Irrigation Department and Panchayat Raj Department, they followed a procedure which is adopted all the time. Probation is commenced from the date of joining of the candidate—2 years. That date is declared as probation date. Here all the persons belong to the Telangana Region. But in this Public Health Department, it has not been declared. All persons shall have completed their probation by 1974 either as Supervisors or Junior Engineers. Their probation have not been declared. The other point is that these Junior Engineers have to be given Assistant Engineers' posts, under the Six-Point Formula. The regions have been divided into 4 and 3 zones—for Andhra four zones and for Telangana 3 zones. Those who are in the Telangana Region they were provided 19 posts which have been cleared by the Chief Minister and the Government have asked for the panel and the panel has been sent. The orders for additional charge have been issued and they had been deprived of that. What the Government is going to do about these two?

Sri Challa Subbarayudu:—I can assure the Hon'ble Member that no injustice will be done either for Telangana or for Andhra services. So far as the allocation of the personnel is concerned the Chief Engineer has sent the proposals and they are under the consideration of the Committee. As soon as it is completed, it will be done according to the procedure laid down with reference to the Zones.

Sri S. Jaipal Reddy:—Sir, the Hon'ble Minister has not perhaps understood points raised by the my friend Sri Syed Hasan and so, I will tell him once again. In the case of Panchayathi Raj, Irrigation and Power Departments, the Supervisors and Junior Engineers are being given confirmation of probation from the date of joining of service. In the case of Public Health Engineering, the date is being fixed arbitrarily. Why it is so? That is one. The second is that 19 vacant posts have been identified in Telangana Region. Why are they not being filled up?
Calling attention to matters of urgent public importance:

re: Hunger strike by the members of the A-P. Electricity Employees Union.

Sri Challa Subbarayudu:—The C.E. has sent the proposal and it is pending with the Committee.

re: (2) Hunger strike by the members of the Andhra Pradesh Electricity Employees Union.

Sri A. Sriramulu:—I invite the attention of the Minister to make a statement.

Sri G. Rajaram:—The Andhra Pradesh Electricity Employees Union have put forth (36) demands and stated that if the demands are not solved they would go on hunger strike. The demands were discussed with the Union representatives on 11-7-1977, 12-7-1977, & 13-7-77. The Union commenced hunger strike before Vidyut Soudha from 18-7-1977. Further discussions were also held on 21-7-1977 on (24) supplemental demands. The Union has called off the hunger strike on 22-7-1977 at 1-30 P.M. after oral understanding has been reached on the following issues:

1. Implementation of E.P.F. Scheme in T.L.C. Circles;
2. Service conditions of workcharged employees in Operation Circles and T.L.C. circles including Projects.
3. To convert some of the existing Bill Collectors and Attenders who acquire the qualifications as L.D. Clerks.
4. To fill up the 20% of the existing vacancies of O & M Staff with experienced staff relaxing the educational qualifications if necessary.

I am happy to state Sir, all over the state there is no hunger strike pertaining to Electricity employees.

Sri A. Sriramulu:—There is only one issue about 140 U.D.Cs who came from the Departments. They were promoted when they were in Government service. One party of U.D.Cs. were promoted according to the prescribed qualifications by the Government when they were under the Government. They have now opted for the Board

services. The Board has stipulated one condition to pass the Book-keeping, with the result these people are likely to be ousted or reverted back to their original offices. Will the Hon'ble Minister assure us that such a thing would not happen?

Sri G. Rajaram:—I have already expressed this matter to the Hon'ble Member. I told him and I am also assuring him that I have directed to Board to effect the rules with prospective but not retrospective, effect since the matter is very simple.

STATEMENT BY MINISTER FOR HANDLOOMS & TEXTILES

re: Supply of yarn and chemicals and Procurement of handloom cloth accumulated with the weavers.

10-50 a.m.
The Hon'ble Minister and Home minister welcomed the idea of ensuring the continuous employment in rural areas but at the same time Prime Minister advised that handloom industry should not depend on Governmental help perpetually. The finance and commerce ministers appreciated. The proposals and the keen interest taken by the state Governments in selling out such a cohesive plan of action. The hon'ble Minister for Commerce, Govt. of India assured that before

Statement by the Minister for Handlooms & Textiles:

re: Supply of yarn and chemicals and Procurement of Handloom cloth accumulated with the weavers.

Assistance under handloom development schemes is hitherto confined to cooperatives except on special occasions. The private sector of handloom industry has been making its own arrangements for the disposal of their production. However, during the current year on account of unprecedented rise in yarn prices synchronising with the commencement of off season, Government recognised this serious situation which has developed in the industry and with a view to provide at least some relief to the private sector in clearing of the stocks, the following arrangement is made.

The A. P. state handloom weavers coop. society, Hyderabad would procure stocks from industrial weavers through the primary weavers coop. society subject to the following conditions:

1. Every weaver now outside the cooperative fold intending to dispose of his stock accumulations have to become a member of a primary weavers cooperative society in the area of operations in which he is residing.

2. He should contribute a minimum share capital of Rs. 100/- the shares of the society to enable the society to raise funds and provide employment continuously thereafter, or

3. In lieu of cash remittance towards shares, he should be given an undertaking that Rs. 100/- share capital contributed by him may be adjusted out of the proceeds of cloth he is offering for sale to A.P. State Handloom Weavers Co-operative Society Ltd.,

4. This offer would be in force for a period of 2 months from the date of announcement.

5. Immediately after the stocks were delivered to the society, 25% of the value of the goods as would be arrived at as per the present market rate, would be paid to him. The balance of the amount would be paid within a maximum period of three months,

6. Only such of those weavers who do not own or operate more than 4 looms would be eligible for assistance being extended,

7. Procurement limit would be linked to the possible production by the looms he is working during the last four months period.

In order to ensure that stocks of other states are not imported with a view to offer it to A. P. state handloom weavers co-operative
Voting of Demands for grants.

The department would be making arrangements to verify the stocks immediately after the intimation of the weaver to offer stocks is made known. This intimation has already been sent to the Asst. Director and immediately after the announcement is made, they would verify the stocks and inform A.P. State Handloom weavers cooperative society along with the name of the society and the individual who intends to become member. A.P. state handloom weavers cooperative society would be producing approximately one crore worth of stocks during the currency of the offer on "first come first served" basis and the position will be reviewed thereafter.

Growth in the Small Scale Industry—number of units in 1956 was barely 1,229 while to-day it has grown to 26,000 being the 4th and largest in the country and at the same time while among the Small Scale Units assisted banks. The State rank 2nd in the country, next Maharashtra. Perhaps the most spectacular success the State has achieved in recent years in the programme of assisting the educated unemployed, which has received wide national and international recognition.

Annual Financial Statement (Budget) for 1977-78.

Voting of Demands for Grants.

Sri A. Sriramulu:—Sir, Point of Order. We are discussing the Budget Demand. Can the Minister tell us what is not included in the Budget Demand? He says that some amount is being spent which amount is not included in the Budget Demand. Then it is without the knowledge of the Legislature, money is being spent.

Sri A. Sriramulu:—Let me make my point clear. Whatever 6-20 p.m. be the Budget Provision or whatever be the activities or the expenditure of the Government in the note that is supplied to the Members, all details ought to have made clear. Legislature has to be taken into confidence and they have to appraise the position. I cannot understand how the Minister can, all of a sudden, say that a provision is only Rs. 1,25,00,000 and he is going to spend much bigger amount. That means it is going outside the knowledge of the Legislature; beyond the knowledge of the Legislature.

Sri E. Ayyapu Reddy:—Sir, on a point of Order. The notes supplied to us did not contain any detail, any scheme.

Sri A. Sreeramulu:—Let me make my point clear. Whatever the budget provision, or whatever the activities of the Government or whatever the expenditure, in the note that is supplied to the Members, all the details must be made clear. Legislators must be taken into confidence and inform now. I cannot understand how the Minister all of a sudden say that actual provision is Rs. 1,25,00,000 and
Government is going to spend much more amount. It means that it is going outside the allocated amount. It is beyond the knowledge of the Legislature.

Sri E Ayyapu Reddy:—On a point of order. The note supplied to us did not contain any detail. It did not contain any scheme and did not contain any detail of expenditure.

And we are hard put to search with regard to a particular subject or see through various books and collect material. With regard to handlooms they cannot give a complete portrait of it in the note supplied to us, to the effect that such and such is the amount spent under six point formula, such and such is the government scheme, such and such is the Central government scheme, such and such is the Corporation money etc. Nothing of it is given to us. We are practically misled.

Sri A. Sreeramulu:—We want a ruling. If a Minister, in the course of budget discussion tells the House that far and beyond what has been provided in the budget estimate Government is going to spend, how are we going to take it? This is a financial matter. Government may say that they expect central assistance, that they expect to raise the resources elsewhere and approximately they are likely to spend so much on a particular item. Otherwise, this is insulting the House. We want a ruling.

Sri A. Sreeramulu.—Again, we are unable to receive this. What is an estimate? It is not an actual amount. I would very much like the Minister goes through the Budget Manual as to how estimates are prepared. The possible money that you are likely to get in the form of loan or assistance—this is not budget at all.

Sir, this is a clean loss to the State
exchequer: Rs. 75,000 given on a platter. When the committee
pointed out that this is the irregular condition accepted, what action has
been taken by the Government to see that it is stopped? The House
Committee wanted specific action to be taken against persons who
were responsible for such a dubious transaction.

Sri A. Sri Ramulu: Most of the societies have become dormant and one of the reasons for dormancy is delay in the payment of rebate. According to the statistics given by the Minister for 1973-76, rebate due to the societies is Rs. 138 lakhs; for 76-77, rebate due is 132 lakhs; it amounts to Rs. 270 lakhs; that is the rebate due to societies. Secondly regarding the working of the 'co-operative' spinach mills, we have 5 mills; every mill has been running on loss; during 1975-76...
