ORAL ANSWERS TO QUESTIONS

SALES TAX ON PETTY DEALERS

226—

* 9783-Q.—Sarvasri Vanka Satyanarayana (Penugonda) and
M. Nagi Reddy (Gurajala) :— Will the Minister for Finance be
pleased to state:

(a) whether the Government propose to evolve a system to
levy a fixed amount as Sales Tax on petty dealers who cannot main­
tain accounts by appointing clerks;

(b) if so, the details of the system; and

(c) when it will be implemented?

The Minister for Finance (Sri P. Ranga Reddy) :—(a) & (b) There
is no proposal to introduce any slab system. However, a proposal
to simplify the assessment procedure, for such dealers is under
consideration.

(c) Does not arise.

* An asterisk before the name indicates confirmation by the
Member.

J. No. 165 (1)
Subject to only three conditions. The Government considers that a simplified procedure for improving the efficiency for small assesses would improve the public image of the Department. Besides it would improve the over-all efficiency of the tax administration. To achieve this the Commissioner of Commercial Taxes has proposed an amendment to rule 45 (a) providing that in the case of a dealer whose total out-turn is less than Rs. 40,000, the assessing authority shall, without requiring the presence of the dealer or calling for his accounts, ordinarily accept returns submitted by the dealer if the return is prima facie correct and complete except in the following three cases: (1) the dealer suppressed the turn-over (2) the dealer's turn-over is less than the average for the two preceding years and (3) the dealer has done business only during a part of the year.

Sri P. Ranga Reddy:—That is a wider question which I cannot answer on this question. It is a matter of policy. We will have to see and examine whether it will be possible or feasible and whether it will give us benefit or not.
Oral answers to Questions. 11th July, 1977.

...
Oral Answers to Questions,

8.40 a.m. All over India it is there. Central sales-tax is there. This is one of the major tax giving measures which throughout the country has been implemented. So, we cannot think of doing away with sales-tax.

Sri C. V. K. Rao:—I raise a point of Order. When one supplementary is put certain natural supplementaries crop up. The Speaker should be gracious enough to allow us to pursue the matter. Otherwise the Minister will be escaping with the half-baked replies. I would request the Speaker at least at the flag end of this entire term, to be gracious enough to concede.

Mr. Speaker:—Only one supplementary normally to a member.

Sri C. V. K. Rao:—One should not be so dictatorial as that.

Facilities for Post Graduate Studies in Dental Surgery

227—

*9828-Q.—Sri A. Sriramulu (Eluru):—Will the Minister for Health & Medical be pleased to state:

(a) whether there are any facilities in our State for Post Graduate studies in Dental Surgery:

(b) if so, the places where the facilities exist; and

(c) if not, whether the students of our State taking up Post Graduate studies outside the State are paid any stipends?

The Minister for Health & Medical (Sri K. Rajamallu): (a) No Sir. The existing facilities in the Dental Wing, Osmania Medical College, are not adequate to start M.D.S. Course.

(b) Does not arise.

(c) There is no provision for payment of stipends to the candidates who are studying M.D.s. in other States, as they will be governed by the rules obtaining in those States and the question of this Government paying stipend in such cases may not arise.

Sri A. Sriramulu:—We do not have facilities for Post-Graduate study in our State. We need post-graduate students in Dental Surgery as well. Such being the case, why the Government should not consider giving some stipends to students taking this course in other States.

Sri K. Rajamallu:—I do agree. We do need post-graduate course in Dental Surgery. At present we have no facilities. There is no reciprocal provision for the payment of stipend in other States. That is the difficulty. When we have no facility here, there is no question of paying the stipend. In the absence of reciprocal arrangement with other State, there is no scope. Anyhow we are going to have this course in our State. In some of the existing buildings. On the advice given to us by the University Grants Commission, we will have to improve the existing facilities. Then, in course of time we ourselves could have it in our own State.

Sri E. Ayyapu Reddy (Panyam):—The Dental Surgeons are in great demand especially in foreign countries. In fact, the charges of Dental Surgeons in America are so high that some of the Americans find it easier to have dental treatment in India and go back. So, in view of the demand in the international market for these Dental Surgeons; is it not time and proper that we should at least start a post-graduate course in a place like Hyderabad? Our Dental Surgeon will be considered to be one of the best and efficient also. Therefore, what is it that is preventing the Government from having a post-graduate course in Dental Surgery?

Sri K. Rajamallu:—I quite agree with the Hon'ble Member. The importance is there. Last year we have examined that. For want of funds we have deferred. We have not totally abandoned that, and very soon we are going to have some thing.

Sri Syed Hasan (Charminar):—There was a dental college existing in the Osmania University. Why was it closed?

Sri K. Rajamallu:—It is not closed. It is functioning. Who said it is closed?

Sri K. Rajamallu:—Every year we are opening 15 clinics and if you want all the details, I have no information, I can give you if you put the question again next time.
Creation of Research Cell in the Directorate of Employment and Training

228—

*9104-Q.— Sri M. Nagi Reddy:— Will the Minister for Labour be pleased to state:

(a) whether a research cell has been created in the Directorate of Employment and Training for taking employment studies and surveys part of State Employment market information;

(b) if so, when was it created; and

(c) the functions of the cell and the work done till now?

The Minister for Labour (Sri T. Anjiah):— (a) Yes Sir.

(b) In July, 1976.

(c) A Statement is placed on the Table of the House.

1. Functions of the Cell:

(a) Conducting of surveys on the pattern of Employment and Unemployment.

(b) Study of occupational changes in the Employment Market and shortages and surpluses.

(c) Studies on Employment status of specific categories of applicants.

(d) Study of skill requirements and availability.

(e) Study of Exchange procedures and techniques to bring about improvements.

(f) Publication of survey and study reports.

(g) Coordination with the other Research Organisations connected with Employment and Man-power Planning.

2. Work done so far: The following projects and studies are on hands

(a) Construction of indices of intensity of unemployment in respect of special categories of educated applicants for the period ending 30-6-1976.

(b) Study on the employment status of Craftsmen training in Industrial Training Institutes.
(c) Study on the trends of Employment and Unemployment of Women in Andhra Pradesh.
(d) A survey on Local/Non-Local persons employed in selected establishments.

Demands of the Beedi Leaf Workers

229—

* 9994 Q.—Sri B. Rama Sarma (Devarakonda) :—Will the Minister for Labour be pleased to state :

(a) whether it is a fact that sixty thousand Beedi leaf (Tuniki) workers in our State went on strike demanding increased wages;
(b) the steps taken by the State Government to meet their demands; and
(c) whether the strike was called off; and the extent to which their rates have been raised?

The Minister for Forests (Sri Mohd. Ibrahim Ali Ansari) :—

(a) No, Sir.

(b) & (c) :—Does not arise.

Sri M. Omkar :—The reply given by the Hon'ble Minister is not true, because I am responsible for conducting the strike and I was implicated in a false criminal case also in this connection. These are
the papers with regard to the agreements arrived at between the labourers and the Contractors. So in this connection, Sir, I would like to put a question whether is it not true that the Forest Officers especially the D.F.O. of Mulug worked against the interests of the workers and he exerted all sorts of pressures on the contractors to see that the agreement is not implemented with regard to the increase of the wages?

* Sri Mohd. Ibrahim Ali Ansari:—I am unable to understand. There are no so called workers. They are self-employed. They go to the forest, cut the leaf, bring to us and we actually purchase from them.

Sri M. Omkar:—There is a fundamental point, Sir. When a person is receiving wages and when you are paying wages, does he not be called as a worker? Do not you categorise him as a worker?

* Sri Mohd. Ibrahim Ali Ansari:—We only purchase from them we are not paying wages. Whatever they bring 50 kgs., 100 kgs. or 200 kgs, are purchasing and paying. There is no question of paying the wages.

* Sri Mohd. Ibrahim Ali Ansari:—I had been submitting to the House again and again that the rates which we are giving is higher than the rates in any other State. I have visited Orissa State very recently to study the rates. They are paying 331/3 paise per bundle of 100 whereas we pay 7 paise higher. I am also bring to the notice of the Hon'ble Members that last year, rates were revised and due to that, it is costing the Government Rs.25 lakhs.

Sri C. V. K. Rao:—Hon'ble Minister is side-tracking the issue by saying that there are revised rates, etc. The point is what are the demands of this particular category of workers and how did the Forest Department solved them.

* Sri Mohd. Ibrahim Ali Ansari:—As I have already submitted, it is not the wage problem, Sir. The rates have been revised.
Mr. Speaker:—Rule 49 is being amended. That amendment is coming before the House in anticipation of that amendment I am doing it. It is coming up to-day.

Sri C. V. K. Rao:—What type of consensus of this House Mr. Reddy is?

Mr. Speaker:—I am saying you are right, as the rule stands, but taking the opinion of this House, I am doing it, instead of postponing it to a later date. It must be answered to-day.

Mr. Speaker:—At any stage, he can invite my attention. Anybody can do so. Probably I am wrong. I will accept it. Let us proceed.

Smt. J. Eswari Bai:—We read in papers that on the assurance of the Minister, the people who went on strike at Nizamabad, called off the strike. Sir, this Minister always gives false reports.

Remuneration to All the P.I.Cs. of the State Co-operative Institutions

*9095 Q.—Sri M. Nagi Reddy:—Will the Minister for Co-operation be pleased to state:

(a) whether the Government have issued a G.O. in the later half of this year fixing the remuneration to all the P.I.Cs. of the State Co-operative institutions together with the other prerequisites;
Oral Answers to Questions.

(b) if so, whether a copy of the G.O. be placed on the Table of the House;

(c) whether it is a fact that the said G. O. has got retro­
spective effect;

(d) if so, from which date;

(e) whether any amounts of arrears have been drawn by the
P.I.Cs.; and

(f) if so, the amount drawn by each P.I.C., and for which
period?

The Minister for Co-operation (Sri B. Subba Rao) : (a) Yes, Sir.

(b) A copy of the Memorandum is placed on the Table of the
House.

(c) Yes, Sir.

(d) A statement is placed on the Table of the House.

Oral Answers to Questions. 11th July, 1977. 13

It is nothing but looting in the name of the Cooperative Societies. In the name of the person-in-charge, so much money is being spent for their luxuries. Is it in consonance with the Cooperative movement? Is it the policy of the State Government?

Sri A. Srueramulu:— For the person-in-charge, A. P. State Cooperative Bank Ltd., Hyderabad from 3-10-1974 to 26-3-1976, Rs. 88,990.90 was paid. Will the Hon’ble Minister give the break up of figures as to how much was given under remuneration, perequisites and other facilities?

**Conditions of Rigs in the Rigs Division**

231—

*9614 Q.—Sri Syed Hasan:—Will the Minister for Panchayat Raj be pleased to state:

(a) whether it is a fact that the Government have taken a decision that the Rigs Division be manned by the Executive Engineers Mechanical, instead of those from Civil Engineering;

(b) if so, whether the Government started implementing its decision;

c) the number of rigs, in working condition now in all the Divisions; and

d) the target fixed for boring in the villages of each district and how much work was affected due to the Rigs being not in order?

The Minister for Panchayati Raj (Sri L. Lakshman Das) :-

(a) A decision was taken that preference shall be given to persons with Mechanical qualifications in filling up the posts of Assistant Engineers, Executive Engineers and Superintending Engineers under the Rigs Programme. The Special Rules, to that effect were amended accordingly in May, '73.

(b) Yes Sir, Persons with mechanical qualifications were and are posted to man the posts of Junior Engineers, Supervisors and Assistant Engineers. As regards the posts of Executive Engineers in Rigs Division the posts could not be filled by Mechanical Engineers for want of qualified candidates eligible for promotion in their turn according to rules. However, one Assistant Engineer with Mechanical qualification (L.M.E.) has been posted as Incharge Executive Engineer.

(c) 46 out of the 48 Rigs acquired earlier from UNICEF or purchased from Panchayati Raj funds are reported to be in working condition. Out of these 46— two are 6 Bore Drilling Rigs generally used for Protected Water Supply.

(d) The bore wells are being drilled in the districts on the basis of the approval by the District Collectors and with reference to the availability of funds. Normally the target fixed for a Rig in very good working condition is 100 per year. Due to major overhaul and old age and also due to paucity of funds in the year 1976-77 up to the end of Oct. 1976 the average worked out to 66 bores, which is considered satisfactory in those circumstances.

Sri Syed Hasan :- The Government have agreed that there should be a mechanical engineer for the Rigs Division. The Government also posted one Asst. Engineer as Executive Engineer (Mechanical) of Rigs Division. Are there no Mechanical Engineers available with the Panchayat Raj Department for other Rigs Divisions? Civil Engineers are there.

Sri L. Lakshman Das :- Till recently, they were not qualified. Some were eligible for promotion as executive Engineers. Therefore, we have taken a decision to appoint Mechanical Engineers to Rigs Divisions. The rules are now under consideration. Shortly, we are going to fill up those posts.
Sri Syed Hasan:—Is it a fact that the Work-shop was manned by a Civil Engineer and not by a Mechanical Engineer? Whether the Government is also considering appointing a Mechanical Engineer for this work-shop also?

Sri L. Lakshmana Das:—That is also under our consideration. For the present, there are no Mechanical Engineers. Whenever, we get a Mechanical Engineer, we appoint him in the Work-shop too.

Sri A. Sreemulu:—There seems to be lot of confusion in regard to Panchayati Raj engineering service. It seems recently, an UNESCO team made an adverse comment on the competence of the Panchayat Raj engineering staff during their visit. Is it true? If so what is the adverse comment?

Sri L. Lakshmana Das:—They have not passed any adverse comments. They only suggested that as far as possible all these things should be manned by the Mechanical Engineers. Therefore, we have taken a decision also in this regard.
Working Conditions of all Educational Institutions under Sri Bapiraju Educational Trust.

232—

*9022 Q.—Sri Nissankara Rao Venkata Ratnam:—Will the Minister for Education & Cultural Affairs be pleased to state:

(a) the main recommendation of the special officer appointed by the Government on the working of all Educational institutions under Sri Bapiraju Educational Trust;

(b) whether the teachers of un-aided institutions are paid their salaries after appointment of the special officer; and

(c) if not, when will they be paid?

The Minister for Education (Sri M. V. Krishna Rao):—

(a) The Special Officer recommended that :

(1) the three Upper Primary Schools and two High Schools in the City be taken over by Government.

(2) the secondary schools, general and oriental schools be handed over to the Zilla Parishads and Municipal Councils concerned, as the case may be and that 110 un-aided posts of teaching and non-teaching staff be admitted to aid;

(3) the Junior and Degree Colleges at the same place be merged, admitted to aid and handed over to the registered local Committees for management.

(4) The Oriental Colleges be taken over by Government; and

(5) The Physical Education College, Gopannapalem be taken over by Government.

(b) Teaching and non-teaching staff in 139 un-aided posts were not paid salaries for the period from 5th November 1975 when the Special Officer joined duty till 24-2-1977 i.e., the passing of the Government orders regarding future management of the institutions, as the posts were not admitted to aid.
(c) The question of payment of salaries from the date of appointment of Special Officer is under consideration in consultation with Law Department.

 Illegal Collection of Donations in the P.B.N. College, Nidubrole.

233—

*8668 Q.—Sri Nissankara Rao Venkata Ratnam :—Will the Minister for Education and Cultural Affairs be pleased to state:

(a) whether a Deputy Director was appointed in August 1975 to enquire into the illegal collection of donations made in the P.B.N. College, Nidubrole during 1974-75;

(b) the findings of the Enquiry Officer; and

(c) whether the amount was utilised for any purpose or kept with previous management without handing over to the Adhoc Committee?

Sri M.V. Krishna Rao :—

(a) Yes Sir.

(b) The following are the findings of the Enquiry Officer:

(i) During 1974-75, the management of PBN College, Nidubrole collected donations to an extent of Rs. 45,376/-.

(ii) The Management has not handed over the old records and files of the college to the Adhoc Committee.

(iii) The college hostel was under the lock and key of the former Secretary.

(iv) The staff of the college was paid at a uniform rate of Rs. 150/- for August 1971 and acquittance taken for full amounts.

(v) The land belonging to the College is being cultivated by the Correspondent.

(c) Part of the amount would have been spent for the construction of Buildings as reported by the Principal. The balance amount was not handed over to the Adhoc Committee.
9-20 a.m.

9620 Q.—Sri M. Omkar:—Will the Minister for Education and Cultural Affairs be pleased to state:

(a) whether it is a fact that in the Government College and High Schools of Hyderabad and Secunderabad Attenders, Farrasis, and Sweepers have been working for the last 10 years as contingency staff;

(b) whether it is also a fact that the said contingency staff have no service security and other facilities such as casual leave, earned leave and loan etc;

(c) whether it is also a fact that 3 years back the Government contemplated to regularise them and subsequently such idea was dropped;

(d) if so, the reasons therefore; and

(e) when will they be regularised?

Regularisation of the Services of Farrasis etc. Contingency Staff working in Govt. Colleges & High Schools in Twin Cities
Sri M.V. Krishna Rao:—

(a) No, Sir. Only menials like Sweepers, Scavengers, Water men etc., in Government Colleges and Faramashes and Sweepers in Government High Schools are paid from contingencies.

(b) Yes, Sir. The staff paid from contingencies have no service security and other facilities such as leave, loans etc. However they are allowed casual leave and festival advance.

(c) No, Sir.

(d) Does not arise.

(e) There is no such proposal at present.

Inter State Lorry Transport Permits

235—

*S8775 Q.—Sri M. Nagi Reddy:—Will the Minister for Transport be pleased to state:

(a) the State-wise total number of Inter-State Lorry Transport permits granted so far by the Government;

(b) whether the said permits are equivalent to the permits granted by other States;

(c) if not, the steps taken by the Government to enhance the number of Inter-State permits equivalent to other States; and

(d) the total number of Inter-State permits granted so far to the Lorry Transport Societies?

The Minister for Transport (Sri Ch. Hanumayya):—

(a) 1. Karnataka 1746
    2. Tamil Nadu 3480
    3. Maharashtra 1800
    4. Madhya Pradesh 200
    5. Orissa 484

(b) Yes, Sir.

(c) Does not arise.

(d) 1. Maharashtra
2. Karnataka 34
3. Tamil Nadu 56

Working of Girijan Co-operative Corporation

236—

9521 Q.—Sarvasri T. Chitti Naidu (Paderu) and Janni Muthyalu (Salur):—Will the Minister for Tribal Welfare & Technical Education be pleased to state:

(a) whether it is a fact that the Member of the Planning Commission in the month of June, 1976 addressed a letter to the Government pointing out various serious defects in the working of Girijan Co-operative Corporation and suggested strong and immediate action;

(b) whether the details of the report will be placed on the Table of the House; and

(c) the action taken by the Government thereon?

Minister for Technical Education (Sri B Sriramamurthy):

(a) Yes, Sir.

(b) Since it is not a report, the question of placing it on the Table of the House does not arise.

(c) the points raised by the Planning Commission Member are under active consideration.

Working of Girijan Co-operative Corporation
The Minister has disclosed that very serious allegations have been made against the working of Girijaa Cooperative Corporation and it was in May, 1976. This
is July, 1977. Why should the Government hesitate to place that report on the Table of the House?

Mr. Speaker—No report, it was only a letter.

Sri S. Jaipal Reddy;—Then why should the Government hesitate to place the letter on the Table of the House.

Sri A. Sriramulu;—Sir, this is an institution intending to look the welfare of the Tribal People. This institution rather unfortunately turned out to be the Centre for exploiting the tribals. Why the Minister should feel why to take the House into confidence and place a copy of the letter before the House.

Sri Bhattacham Sriarammurthy;—I will certainly do it.

Mr. Speaker :—Now Short Notice Question.

Sri A. Sriramulu :—Sir, the other remaining two questions may be taken because they are in regard to tribals and I request that 5 minutes may be given.

Mr. Speaker :—What can I do? I can't help.

Sri A. Sriramulu :—Sir, 6 minutes may be given.

Sri N. Srinivasulu Reddy :—Sir, Point of Order.

Under Rule 38 :—"Unless the Speaker otherwise directs, the first hour of every sitting shall be available for the asking and answering of questions." Hence the other remaining two questions may be taken because they are in regard to tribals and 5 minutes be given.

Mr. Speaker :—According to the Rule quoted by you, they must be placed in the list and in the end if they were postponed latter the questions shall be placed in the list after all questions which have not been postponed. This is also a question. There is no separate category. That is why, postponed question is a question to be answered.
Mr. Speaker:—I am giving my ruling. Postponed question also is in the same category as a question posted for oral answer for a particular day. But the other direction is when a question is postponed at the request of the Member, when it is added in the next day it does not take precedence over the questions posted on that day but will come in the end but don't form and come in the same category as questions to be answered. Therefore, my ruling is all these questions may be completed within one hour.

Mr. Speaker:—It is not possible. I can't do unless you all cooperate with me.

Sri E. Ayyapu Reddy:—Sir, you were kind enough to permit the clubbing of these 3 questions because they related to the same subject. Therefore, it must be considered that these two questions have to come in within the fixed time.

Mr. Speaker:—No doubt that was the request made. I had no objection; but the Minister said that they from distinct questions and therefore, the first question alone to be answered.

Sri A. Sriramulu:—Atleast permit me one supplementary question.

Mr. Speaker:—Do you mean supplementary question on the question already put ?

Sri A. Sriramulu:—Yes. Sir, I sent a copy of the petition received by me levelling very serious allegations of corrupt practices of the Commercial manager and the Managing Director. The Minister has not even acknowledged my letter. What action has taken on my letter and the copy of the petition sent by me?

Sri A. Sriramulu:—Should we address to the Secretary, or to the Minister ? Is the Minister is so helpless ? There are instructions that the letters addressed to the Minister should be acknowledged immediately and a reply may be given. You (Hon'ble Minister) will have to put up the Secretary otherwise we become helpless in the House.
Whenever the Minister thinks that he will not be able to give reply in a short time and it is likely to take some time, it is better to acknowledge their letter and tell them that matter is under consideration.

Sri Bhattam Sriramamurthy:—There is no difficulty in sending a formal acknowledgement that I can give.

Mr. Speaker:—I am not speaking about you. There are so many Ministers. Mr. M. Nagi Reddy also said that nearly 700 letters......

Mr. Speaker:—I am not speaking about you. There are so many Ministers. Mr. M. Nagi Reddy also said that nearly 700 letters......

Mr. Speaker:—According to the Questions, I have received, no acknowledgements received either from the Ministers or by the Collectors.....

Mr. Speaker:—According to the Questions, I have received, no acknowledgements received either from the Ministers or by the Collectors.....

Mr. Speaker:—According to the Questions, I have received, no acknowledgements received either from the Ministers or by the Collectors.....

Mr. Speaker:—No complaint against the Chief Minister but it is against the Ministers and the Collectors.

Smt. J. Eshwari Bai:—Point of Order.

Mr. Speaker:—This is not a Point of Order. I cannot direct the Minister to do anything; but I have advised them and I have expressed my opinion.

Mr. Speaker:—This is not a Point of Order. I cannot direct the Minister to do anything; but I have advised them and I have expressed my opinion.
Sri A. Sriramulu:—Point of Order. When a question is put to a Minister, the Minister will have to be very specific in his replies. If he has no information, he should say that he has no reply. As far as my thing is concerned, the Minister is aware of the letter, he is aware of the contents and he is also aware of the abnormal delay that has taken place in the Secretariat because the I.A.S. fraternity will not allow such things to come out. So the Minister must think before he is giving replies. I want to know whether the Minister is helpless or whether he is not competent to pull out his Secretary? Otherwise, is abating my question.

Mr. Speaker:—He is not pleading his helplessness. He says that the matter requires some investigation and it will take some time in order to send you reply.

Sri A. Sriramulu:—Does not take 2 months to enquir into that matter and to give me a reply?

Sri Bhattam Sriramamurthy:—It does not arise out of this main question. It is a separate question. If he put a separate question, I will give an answer.

Distribut'ion of Patta forms to Harijans at Khaja Village

S. N.Q No. 1C095-V.—Sri M. Omkar:—Will the Minister for Harijan Welfare and Marketing be pleased to state:

(a) whether it is a fact that Honourable Minister for Public Works Department (R and B) distributed patta forms to 34 Harijans at Khaja Village in Guntur District in the month of November, 1975 for house sites in puntha poramboke and smasana (burial) poramboke:

(b) whether it is also a fact that the said pattas have not been recognised by the local officers and they are writing their possession in 'B' forms and collecting Rs. 8.00 in lieu of 0.25 paisa from each patta holder:

(c) whether it is also a fact that eviction notices have been issued to the patta holders of the burial poramboke; and

(d) if so, the reasons therefor and the steps taken to safeguard the interests of the said patta holders?

Sri P. Mahendranath:—

(a) 23 Pattas only were distributed.

(b)(c)&(d): This has come to the notice of the Collector and he is taking appropriate action for converting the land into Village site.

(a) whether it is a fact that an enquiry under Section 51 of the Andhra Pradesh Co-operative Societies Act (Act. VII of 1964) was recommended to be held into the working and financial conditions of the Girijan Co-operative Corporation in the audit report of the year 1972-73 and 1973-74;

(b) whether it is also a fact that in view of the serious defects and other losses of the Corporation, the Reserve Bank of India refused to give any loan accommodation to the Girijan Co-operative Corporation for carrying on credit facilities to the tribals; and

(c) whether it is also a fact that the State Government was requested to write off the above losses of the corporation?

A.—

(a) It is not a fact that an enquiry under Section 51 of the Andhra Pradesh Co-operative Societies Act was recommended to be held in the working and financial conditions of the Girijan Cooperative Corporation in the audit reports for the year 1972-73 and 1973-74. But the concerned Auditors have recommended for ordering enquiry under section 51 of the Cooperative Societies Act 1964 into the alleged misappropriation of funds and deficits in stocks in certain Branches of the Girijan Cooperative Corporation and some of the Societies affiliated to the Corporation. The number of such enquiries recommended during 1972-73 is four and it is also four during 1973-74.

(b) It is not a fact that in view of the serious defects and other losses of the Corporation the Reserve Bank of India refused to give any loan accommodation to the Girijan Cooperative Corporation for carrying on credit facilities to the tribals. But it is a fact that the Reserve Bank of India has stopped giving credit facilities to the Girijan Cooperative Corporation from the year 1974-75 as the overdue of the Corporation exceeded the level of 60% of the demand prescribed by the Reserve Bank of India.

(c) No, Sir.

2288 Q.—Sri Nallapareddi Sreenivasul Reddi :—Will the Minister for Panchayati Raj be pleased to state:

(a) whether it is a fact that a member of Kurugonda Gram Panchayat and M.L.A. of Gudur Constituency have sent representations to the Secretary, Panchayati Raj Department, Government of Andhra Pradesh in the month of September, 1972 for reauditing the account of Kurugonda Gram Panchayat, Nellore district since 1965;

(b) whether cheque drawing power has been withdrawn from the Sarpanch of Kurugonda; and

(c) if so, the reasons therefor?

A—

(a) Yes, Sir.

(b) The Ex-Sarpanch was prohibited from drawing funds in District Panchayat Officer’s Rec. No, 8240/70-A5, dated 7th October 1971 for missing Panchayat funds.

Misappropriation of Panchayat Funds by the Sarpanch Koppuravur Gram Panchayat.

9219 Q.—Sarvasri Vanka Satyanarayana and M. Nagi Reddy:—Will the Minister for Panchayati Raj be pleased to state:
(a) whether the Government are aware of the fact that the Sarpanch, Koppuravur Gram Panchayat, Guntur taluk has misappropriated huge amount of panchayat funds;

(b) whether the enquiry on the petition of Sri Ch. Gopaiah along with the covering letters of Sri V. Srikrishna, M.L.A. has been enquired into;

(c) if so, the action taken thereon; and

(d) if not; the reasons therefor?

A—

(a) Yes, Sir.

(b) Yes, Sir.

(c) The entire matter has been got enquired into by the Collector, Guntur. During the enquiry it is revealed that the Sarpanch Koppuravuru Gram panchayat tampered with the records of the gram Panchayat and caused loss of Rs. 4,598 to the gram Panchayat funds. The Collector, Guntur has therefore initiated action for the removal of the individual from the office of Sarpanch and Member and he is also taking action for the recovery of the loss caused to the gram panchayat and for filing Criminal case against the Sarpanch and the clerk for tampering of records of the said gram panchayat.

(d) Does not arise.

103—

9618 Q.—Sri M. Omkar ; Will the Minister for Public Works Department be pleased to state:

(a) whether the Government are aware of the fact that there is no direct road from Warangal, the District Headquarters to Mahaboobabad, the taluk headquarters, and for Mahaboobabad to Dornakal, the key centre in the taluk;

(b) if so, the reasons therefor; and

(c) when this road will be taken up?

A—

(a) Yes, Sir.

(b) and (c) The shortest route among the three roads connecting Warangal and Mahaboobabad is the one (via.) Narasampet, Chupati-pet and Gudur. There is a missing link of 16 Kms, on this road-work on which has been taken up and is nearing completion.

With regard to the road between Mahaboobabad and Dornakal; the bridge work across Munneru has been sanctioned and once it is completed, it would ensure through communication on this road.

Licenced Coolies at the state Road Transport Corporation Bus Station at Hyderabad

104—

9437 Q.—Sri Ch. Parasuram Naidu :-Will the Minister for Transport be pleased to state:

(a) whether 2 sets of licenced coolies are permitted at the Road Transport Corporation Bus Station at Hyderabad one set for carrying passengers luggage to the Bus or from the Bus, and another set to load the same on the top of the Bus or unload the same; and

(b) whether the passengers are made liable for two charges for the same luggage?

A—

(a) No. Sir, There is only one set of licenced porters working at City Bus Station for carrying the passengers luggage from outside and loading the luggage on the top of the bus.

Licensed porters (Coolies) are provided in all bus stations and other important points for loading and unloading of passenger luggage.
The licenced porters wear brass badges issued by the concerned Divisional Manager on their right arms and navy blue shirts, knickers and red turban or cap for easy identification by the passengers.

(b) The porters to be paid 0-40 paisa per head load and the question of paying two charges for the same luggage does not arise in view of this.

The charges for loading and unloading by the licensed porters are prescribed by the Corporation as under:

Scheme for Slum Dwellers to Construct their own houses.

9050 Q.— Sri M. Nagi Reddy:— Will the Minister for Housing be pleased to state:

(a) whether the Government have introduced a scheme for slum-dwellers to construct their houses neatly;

(b) if so, the town to which this scheme will apply;

(c) the details of the scheme; and

(d) the number of houses proposed to be constructed under this scheme of the Government at various places during 1977-78 respectively?

A.—  (a) Yes, Sir.

(b) Hyderabad City and Vijayawada and Vishakapatnam Municipalities.

(c) and (d) Details of the scheme are given below:
The Government have been considering for some time as to how best the problems of slum dwellers, which have been growing over the last several years, can be solved. Slum dwellers can be broadly classified into two categories — (1) those living in unobjectionable areas, i.e., those who have been granted pattas for their sites under the 20 Point Programme, or those who have otherwise acquired right over their site by purchasing it, or by gift, etc., and (2) those who are living in objectionable areas i.e., those who have encroached on Government or Municipal or private land.

2. As an immediate measure it is proposed to help slum dwellers holding pattas and ownership right over their hands numbering about 10,000 families in 61 slum areas situated in the cities of Hyderabad and Secunderabad, to improve their living conditions and to construct their own houses by expanding the activities of the Urban Community Development scheme on following lines:

In the slum areas covered by the Urban Community Development scheme individual slums where pattas have been given to the slum dwellers will be taken for improvement. Agreement of the slum dwellers will be obtained for realigning the slums with proper layouts, roads, drains etc., and basic amenities like water supply, latrines and street lights will be provided on the basis of the approved layout. For the construction of houses, for the construction of houses loans will be arranged through Commercial Banks against the mortgage of individual land holdings. Common amenities will be met out of Government grants now being provided under Environmental Improvement Scheme at the rate of Rs. 120 per individual resident. Expenditure on amenities by Government shall be given as a grant to the Municipal Corporation of Hyderabad as at present.

3. Similar scheme will be prepared for the other Urban areas including Vijayawada and Visakapatnam. This scheme will be extension of the Urban Community Development Scheme.

4. With the preparation of these schemes for a number of slum areas, the various Commercial Banks can be approached to loan directly to beneficiaries for house construction in selected slum areas. The formation of local community groups, preparation etc., in the twin cities of Hyderabad and Secunderabad will be taken up by the Urban Community Development Project wing of the Hyderabad Municipal Corporation. In other Urban areas of the State this work shall concern Municipalities.

5. In regard to the slums existing in objectionable areas in the cities of Hyderabad and Secunderabad. It will be necessary to shift the slum dwellers to other area and to resettle them in low cost houses in proper layouts. Details of the areas will be finalised separately. The work
relating to the construction of houses in these areas is hereby en-
trusted to the Andhra Pradesh Housing Board subject to the follow-
ing:—

(a) Where land is not provided by the Government the cost of land will be subsidised by the Government:—

(b) The cost of providing amenities at the rate of about Rs. 1,000 per house shall be given as a grant;

(c) HUDCO financing for 100% of the cost of the houses will be obtained by the Housing Board.

5. The integrated Slum Improvement Schemes:—

Taking the two categories of slum dwellers living in objectionable and unobjectionable areas in the cities of Hyderabad and Secunderabad into account, it is estimated that it would be possible to rehabilitate about 14,703 families, consisting of about 75,000 persons with a Government outlay of Rs. 1.6 crores by way of grant, loans from Commercial Banks for Rs. 4 crores and loan from HUDCO for Rs. 2.33 crores. This total scheme costing Rs. 8 crores shall be implemented over two years i.e., by the end of June, 1978. The annual outlay of Government works out to about Rs. 0.75 crore for the cities of Hyderabad and Secunderabad and a further provision of Rs. 25 lakhs shall be made initially for similar schemes in other Urban areas.

7. The Government approved the above mentioned proposals the financing of which is expected to be arranged as follows:—

</tr>
<tr>
<td><strong>Total</strong></td>
<td>Rs. 7.93 crores or 8.00 crores</td>
</tr>
</tbody>
</table>

The share of the State Government works out to about Rs. 75.00 lakhs per year for the cities of Hyderabad Secunderabad. A provision of Rs. 25 lakhs per year for the next two years shall be made for similar schemes in other Urban Areas of the State. The total expenditure of Rs. 1 crore per year for this integrated slum improvement scheme shall be met mostly out of the existing provisions for slum clearance scheme and the Environmental Improvement Schemes for which a total provision of about Rs. 75 lakhs per year is provisionally being made under the following Heads of Accounts:—
Matters under rule 329

re: Withholding the results of S.S.C. and Intermediate examinations in Jammalamadugu of Cuddapah dist.

(1) "283 Housing—B. Housing Schemes—C. Slum Clearance and Improvement Schemes". (Rs. 8 lakhs).

(1) Loans to Municipalities. Rs. 8 lakhs.
(2) Loans to M. C. H. Rs. 15 lakhs.

(ii) Environmental Developments Scheme for Hyderabad City—9 grants-in-aid" (Rs. 20 lakhs).

(iii) Environmental Improvement for Visakhapatnam and Vijayawada towns 9. grant-in-aid (Rs. 2435 lakhs).

The additional outlay will be only about 25 lakhs per year for the next years. The position will be reviewed thereafter. Orders releasing the amounts will be issued separately.

8. The schemes for Commercial Bank lending for Housing for slum dwellers in unobjectionable areas with land rights in the cities of Hyderabad and Secunderabad shall be undertaken by the Municipal Corporation of Hyderabad. Similar Schemes in the Urban Areas of Vijayawada and Visakhapatnam shall be undertaken by the concerned Municipalities. For other slum dwellers in the cities of Hyderabad and other urban areas low cost houses shall be constructed by the Andhra Pradesh Housing Board.

Matters under Rule 329:

re: Need to condone the shortage of attendance for students who appeared in 7th class exams.

Sri A. Sriramulu—Mine is a very simple point, in regard to condonation of shortage of attendance in 7th class common examination have secured very brilliant marks. Since they were not able to put in the required attendance they have not been declared to have passed. According to the existing rules the Government can condone shortage of attendance up to 10 percent. I am requesting the Minister that because the 7th class students are of tender age, the percentage of condonation of attendance may be increased where they have secured good marks so that these boys also get through the examination.

Minimum attendance was fixed at 75%. Headmaster can condone shortage of attendance up to 10%. For candidates securing 40% and above in aggregate, D. E. Os can condone shortage up to another 50%.

re: Nonpayment of Salaries to Village Development Officers of Kurnool District.

Sri L. Lakshmana das:—In G.O.Ms.No. 631, Panchayati Raj (Estt. IV) Department, dated 15-11-1975, orders have been issued to the District Collector, Kurnool among other concerned District Collectors, to depute 80% of the Village Development Officers to the Agriculture Department to be second to Command Area Development for attending to the Agricultural Extension work in the selected command areas under Thungabhadra Project besides Nagajunasagar and Pochampad Projects. Accordingly, it is reported that the District Collector, Kurnool ordered for the relief of 80% Village Development Officers in the 13 Panchayat Samithis in Kurnool district on transfer to Agriculture Department in January, 1977. The salaries to the Village Development Officers including those relieved from the Panchayat Samithis on transfer to Agriculture Department are reported to have been paid up to end of March, 1977, and thereafter, the payments could not be effected for want of provision in the Budget of the Food and Agriculture Department where the Village Development Officers have been transferred. Subsequently, on a representation from the Andhra Pradesh Village Development Officers’ Association, orders have been issued telegraphically to the District Collector, Kurnool to arrange for cancellation of the Last pay certificates issued to the village Development Officers on transfer to Agriculture Department except from Panchayat Samiti, Alur, which was included in the current year’s programme for Intensive Agricultural Extension work under command area in which payment of salaries are being considered by Command Area Development Department and also arrange for immediate payment.

of salaries either from the General funds of the Panchayat Samithis concerned or Community Development Grants, subject to reimbursement. The Collector, Kurnool has since reported that payment of salaries to all Village Development Officers was effected in all the Panchayat Samithis. Further and necessary action is under action consideration of Government to avoid hardship to the Village Development Officers.

[End of Document]
Sri A. Sriramulu.—Mr. Speaker Sir, we are today discussing two very important Departments connected with the developmental activity. One is Co-operation. We are told Co-operation is a people’s movement. The concept of Co-operation is: ‘each for all and all for each’. That has been given a go by and to-day Co-operation is not a people’s movement. This is a highly centralised, bureaucratised Government Department. We have only written the word Co-operation and the content is gone.

Mr. Speaker:—From the inception?

Sri A. Sriramulu.—From the inception it was not so bad but in the past three years our Government has done everything to destroy the concept of co-operation and to-day it is in the hands of persons who are hanging in Hyderabad city and the Members of the Co-operative Societies right from the village level including the State level. They have absolutely no sense of participation, sense of belonging, sense of participation which is very vital for the Co-operative Institutions has been removed.

I have complained in this House on various occasions the minimum that the government should do is to order elections. It is simply trying to dole out and favour some of the henchmen and these people are to be incharge of the Co-operative Institutions. From the question the morning it is the saddling revelation that so called person incharge has been drawing Rs. 4000 or Rs. 5000 per month in the name of honorarium. So, to-day Co-operation Department has become a centre of mismanagement, a centre of corruption and we are reaching a stage, perhaps, a remedy may not be possible.
even if this Ministry changes and some other Ministry should come after 6 months. It is very difficult to set right this particular Department.

According to the figures we have invested a sum of nearly Rs. 61 crores in the Co-operative Institutions. What exactly is the return we are getting on this Rs. 61 crores investment, the Minister will have to explain to me. At least a 2% or 3% return on the investment made in these co-operative organisations is the minimum that any Government can expect. But the Government is not able to get anything. It is only getting losses and it is simply going on investing further amounts to invest in the Banks with lesser profit, in these poor societies which have been simply swindling moneys. What exactly is the dividend that the Government has been able to get on the investment.

On the consumer co-operative societies we have invested Rs. 2.37 crores. The Super Bazaar of Hyderabad is a monumental example of corruption, a Himalayan corruption that has been going on. The total loss for the four years is according to the figures Rs. 80 lakhs. What exactly is the action taken by the Government in regard to rectification of this anomalous position that has been existing in the Hyderabad Super Bazaar is a matter the Minister will have to tell us.

They have become show pieces. They are only centres to cater to the needs of the richest population. On the other hand, they are only helping to rehabilitate retired persons who are going round the Ministers and the Chief Minister of the State.

Now, about Rice Mills, Sir. The Cooperative Department has started nearly 140 Rice Mills in the State in the areas where paddy production is not there. In regard to starting of Modern Rice Mill at Tadepallegudem, there was discussion in this House and the matter was discussed in the Public Accounts Committee also. The Public Accounts Committee also pointed out the serious charge against the location of this Rice Mill. What exactly the Department has done in the matter of location of these Rice Mills and what steps the department has taken to see that the investment does not become a waste?

We have so many Federations. Let us take for example, the Marketing Federation. Last time, I raised about the irregularities and fraud committee in this Federation. No less a person than Mr. Razvi, the Joint Registrar of Coop. Societies was appointed to enquire into the matter and he conducted a thorough enquiry into the cases of corruption and mis-appropriation. There were purchases without letter of indent. Mr. Razvi submitted his report and in the Report, a fraud of Rs. 80 lakhs has been established. I had to raise this question several
times in this House and even in P.A.C., the Registrar of Coop. Societies promised to produce the file connected with the scandal of Marketing Federation. Till now, the file was not produced. Let the Minister come out with an open explanation, honest and clear appraisal of the facts. Apart from the fertilizer scandal, there is a latest scandal in regard to procurement of paddy, milling and supplying. The Marketing Federation is supposed to be a link between the producers and consumers. It should bring down prices of the commodities. But it has become a link between the corruption and malpractices. I am sorry to state that we have got such a Federation here. We are also unnecessarily spending Rs. 75,000 on the person-in-charge of the Marketing Federation. The House must know as to how exactly those scandals could happen without the letter of indents, etc. and what exactly is the action that the Minister proposes to take in the matter.

Then about the Cooperative Sugar Factories. The total amount that the Government guaranteed in regard to operational cost of these Factories is Rs. 219 crores. The Government would be compelled to pay from its exchequer Rs. 219 crores in view of the present working of these Factories. A thorough investigation should be conducted into the working of these Sugar Factories, before taking any decision in regard to these Sugar Factories. Another thing is that the Government should immediately order for elections to Cooperatives to dispense with the luxury men in the name of Persons-in-charge.

Coming to Forest Department, Sir, it is a Department of corruption, inefficiency and mismanagement. We have a total Forest area of 63 lakh hectares and the revenue realised is not more than Rs. 17 crores. Last year, it was Rs. 19 crores. It has come down by Rs. 2 crores this year. While the revenue has been increased in the other States, the forest revenue, which is a non-tax and very important revenue in our State, has come down. I do not know why and how our revenue has come down from Rs. 19 crores to Rs. 17 crores. Look at Kerala State. It has got the forest area of 35 lakh hectares and the total revenue realised is Rs. 30 crores. You compare these figures with our figures. I must say that the Minister does not seem to be equally enough to the task that has been given to him. It is a Department of corruption from top to bottom. If you scratch anybody in the Department, it is corrupt blood you see. So, the Minister does not seem to have taken some responsibility or have the necessary power to check the corruption in this particular Department. There is total destruction of forest going on and in regard to latest destruction of forest, we have raised the matter in regard to Warangal, Khammam and Nizamabad districts. The Minister said that the enquiry has been ordered. The result of the enquiry we did not get. Ultimately, we
know, a forest guard or a forest watcher is going to be punished for the large scale of corruption. In Nizamabad district, Kama Reddy, Rs.10 crore fraud took place. Enquiry has been ordered and the matter has been entrusted to the Anti Corruption Bureau. I want the Minister to tell what exactly is the result? Similarly, in Warangal District, the Government forest was converted into a private forest. It is a scandal of Rs. 10 lakhs. Who exactly is responsible for this conversion of Government forest as private forest? The Minister will have to answer this. The Chief Secretary was asked to enquire into this shady deal of Rs.50 lakhs. What happend to the report of the Chief Secretary? Who are the persons involved in this? It seems the Minister and Secretary are jointly involved in this and if the Minister is not prepared to tell us about this, the Chief Minister has to come and tell us as to who exactly are the persons involved in this. If they voluntarily do not go, they will have to be removed. I want an explanation on this.

(BELL)

These two things are sufficient and I am not going into the other things in the list. These are the sample items on which I want explanation. There is corruption from top to bottom in this Forest Department and necessary steps should be taken to over-haul the entire Department. Thank you, Sir.

Hon. members have made statements and also some allegations. I shall not go into the allegations. It is not proper. This is a legislation making body. Our countrymen will only listen to law. The Officers or Forest Minister cannot go and tell every body that they must not cut the trees. In Western countries and Russia there is a legislation not to cut trees. That is how they preserve beautiful and lovely trees. Here, we cut beautiful wood for fire wood. No use blaming the officers and the Minister. We must make legislation. This is a unique thing and a beautiful thing. Though there are near about 3 to 4 lions, but in their natural habit, they look fantastically beautiful. It is really worth seeing. You are aware, all the western countries have good fields. Specially you are aware that in Russia they have several green pastures and they preserve always green fields in between city and city. I am sure you will also use your personal influence with the Government, because you are the concerned man of the Opposition, and try to see that these green patches are preserved.

You are almost bringing them to the door steps because of natural surroundings.

This is something beautiful. This is going to earn foreign exchange. Kindly don't forget about it. You have to provide some natural atmosphere. At the same time they look natural. They lead life during nights. Otherwise we won't be able to see them in action. This will be a tourist attraction. So there must be a coordinate between the Forest Department, Huda, and the Tourism Department. I am actually working on a scheme. Some of the beautiful countries like Phillipines and Manila. . . .

Annual Financial Statement (Budget) 11th July, 1977
Voting of Demands for Grants.

The budget for 1977-78 was presented and it was decided to vote the demands for grants.

The budget included provisions for education, health, agriculture, and infrastructural development. The government aimed to increase the allocation for education and health sectors.

The budget also included measures to support small and medium enterprises, with a focus on job creation and skill development.

The government planned to increase the budget for infrastructure development to improve connectivity and provide better facilities to the public.

The budget was presented to the council for approval and was expected to be implemented from the beginning of the financial year.
AGRICULTURE: “In Andhra Pradesh, about 70 per cent of the people are depending on agriculture. Though this percentage continued to be high inspite of industrialisation in immediate future, as pointed in the national approach, the main attack on poverty will have to be on rural poverty.”

In the same Fifth plan Document, Administrative and Organisation issues: “The Department of Agriculture has to reorient its structure, procedure, and functioning in the light of changes that are likely to be drawn in the 5th plan. Some of the important directions of the important direction of the administrative changes in the Department are presented below: The staff has to improve in quality and undergo vigorous and regular training. Technical Officers in the Department has to evolve into a operational specialist with a sufficient ground not only in research but also in the related fields of over-all agricultural development and with a close working knowledge of other departments like cooperation, Andhra Pradesh State Agro Industrial Corporation etc. He will have to evolve into an agricultural managerial and operation specialist. For this purpose a Central Training Institute has to be set up with necessary staff and equipment. At the Officers level programme formulation and execution should be a special aspet of the training to be imparted. At the staff level the emphasis should be on the practical methods of extension and communication and on improving managerial efficiency in operation on agricultural programme. The Department has to be strengthened by appointment of experts on its staff to function as operational specialists, viz., Entomologists, Pathologists, Water Use Specialists etc. to go round and give authoritative advice at field the level.”
Functioning, procedure and other things also must be changed.

The Director of Agriculture occupies a vital position in maintaining all these programmes. The Director of Agriculture must have a commitment to agriculture if not a life long commitment, atleast a zeal for agriculture. I am not casting any aspersion on the present incumbent and all that.

Agriculture Department lives in rural area.

The peasant in India is the most exploited man.

Voting of Demands for Grant.

[Text in Telugu]
Sir Mohd. Ibrahim Ali Ansari:—Sir, I am very grateful to the Hon. Members for their valuable suggestions. I have taken note of them. We shall try our best to implement to the extent possible and some of the Hon. Members were critical about the protection of the forests and corruption in the Forest Department.

Regarding the protection, I would like to submit that for the better protection of forests we have taken various steps. We have taken up departmental auctions. In few districts our ultimate aim is to cover them by departmental extraction. After taking up departmental extraction the protection would certainly improve.

Regarding the corruption, wherever a specific case was wanted to us, we have been taking action. There are a number of cases, which have been handed over to the A.C.B and some of them are being inquired into by the department. Most of the Hon. Members wanted that the forest land where there is poor forest growth should be disafforested and handed over for further distribution to the landless poor. In this regard I would like to submit that the Government have already issued orders to regularise all such areas which are under possession of the cultivators prior to 64. Again on the representation of the Hon. Members the Collector and the conservator were asked to inspect the areas which are not suitable for forests. On the recommendation of the Collector and the conservator, after joint inspection Government has already disafforested nearly one lakh and 23 acres. So, there is no more scope for any further disafforestation. I humbly request the Hon. Members to cooperate with us. The other points I have already taken note of. I assure the Hon. Members that we will do our best to implement those things. One point which I would like to mention is, Mr. Srimanulu has mentioned about the fraud in Warangal in which he has involved the Minister and the concerned, in this regard I just like to mention here that the affair raised by the
Hon. Members has no reference to a specific incident. The allegation probably has reference to what is given to be known as Gunnapalli case in Warangal district.

Sri A Sriramulu:— Point of order, Sir. Can the Minister read a statement when he is replying the budget demand If it is a Calling Attention, I will understand.

Mr. Speaker:— He is trying to meet your points specifically.

Sri Md. Ibrahim Ali Ansari:— Sir, I am reading this to clear my position. One Mr. M N. Narasiah, Advocate-Commissioner appointed by the City Civil Court, Hyderabad submitted a petition to the Minister for Forests on 25-4-1976 stating the following facts:

Survey Number 30 of Jonnapalli village admeasuring 2210 acres which is part of the land of Sri Abdul Khan and is in continuous possession of the City Civil Court for the past 20 years. After the release from the Court of Wards, the said land was auctioned in favour of Sri B, Sitaraymaiah and Visalamma by the Commissioner for a sum of Rs. 60/-, The City Civil Court confirmed the auction and the possession was given on 14-2-1976. The Regional Forest Officer, Warangal has not issued permit for selling or for the transport of the trees from the said survey number and so he had referred the matter to the Collector. Sri Narasiah requested that orders be passed to issue of permit for cutting and removal of the forest in survey number 30 as directed by the Court. Thereupon the Government passed orders directing the Chief Conservator of Forests to issue suitable instructions to the Divisional Forest Officer concerned, for the issue of permit for removal of trees. Immediately after the issue of orders and before they were implemented, it was brought to the notice of the Government that survey number 30 which was measuring 2210 acres in Jonnapally Village which was disposed of in the auction by the City Civil Court, Hyderabad was actually part and parcel of the reserved forest. Hence the Government cancelled the earlier orders in the matter and the Chief Conservator of Forests was directed to furnish a detailed report. On this, the auction-purchaser filed a Writ Petition in the High Court of Andhra Pradesh requesting for the issue of direction to Government to implement the orders issued by them. The matter was examined by the A. P. High Court and the High Court in his judgment directed the Government to conduct a detailed enquiry in the whole affair and to permit the petitioner to represent the case through his counsel. Accordingly a thorough enquiry has been made. The petitioner was given an opportunity to represent the case his counsel. Government orders are under issue.
This I have just submitted to clarify my position. The orders were ultimately cancelled. The land was not handed over as Mr. A. Sriramulu has pointed out.

With these few words, I request the Hon’ble Members to withdraw their cut motions and pass the Bill.

Sri A. Sriramulu:—This is a very serious matter not to be brushed aside so lightly because there is direct involvement of the Secretary and also the Minister. Sir, because of the Chief Minister’s intervention the whole thing came out. Otherwise, it would not have come out. I request the Chief Minister to clarify whether the Chief Minister has appointed an Enquiry Officer and secondly I request the Hon’ble Speaker to call for the file to decide the involvement of various persons connected with this particular case.

Sri A. SriRamulu:—Here there is the involvement of the Minister. When we occupy the high office, we must set an example to others. How did this matter pass through the Minister. How was an order issued? These are the two points on which he has to answer. When it was a question of finance, this matter has to be referred to the Finance Department. So much procedure is to be followed. Without following all these procedures, how an order was passed?

Sri J. Vengala Rao:—That is why we have asked the A.C.B. to enquire into all these things and fix up responsibility upon the Secretary and the Deputy Secretary and it is under examination.

Sri A. Sreeramulu:—What is that examination? Involvement of Minister is there. Taking action against the officials is one aspect. If we don’t set an example, how can we expect our officials to follow it? That is the point the Chief Minister has to clarify.

Sri A. Sreeramulu:—My second point is not answered. In regard to Nizamabad, I have got my photos also-

Sri J. Vengala Rao:—In Nizamabad case also, I stopped the payment of compensation, I asked the Secretary to enquire into this.

Sri A. Sreeramulu:—I have got photos also, how the costly teak timber they have destroyed and I understand this matter has been referred to the A C B for enquiry. This is a matter costing Rs, 10 lakhs……

Sri J. Vengaia Rao:—I have asked the ACB to enquire into that also, I have also the Addl, CCF to enquire into that personally? ACB enquiry is going on now.

Sri S. Lokamanyulu:—I am not sure whether that is a reference to the ACB for inquiry. This matter has been referred to the A C B for enquiry.

Sri A. Sreeramulu:—I have got photos also, how the costly teak timber they have destroyed and I understand this matter has been referred to the A C B for enquiry. This is a matter costing Rs, 10 lakhs……
