Fradulant issue of the cheque by the Executive Engineer Guntur to a non—Existant Contractor

223—

*273 Q.— Sri E. Subba Rao(Kuchinapudi):- Will the Minister for Panchayat Raj be pleased to state:

(a) whether it is a fact that a cheque for Rs. 27,122/- was issue in April, 1976 by the Executive Engineer Panchayat Raj Department, Guntur to a non-existent contractor:

(b) whether it is also a fact that a clerk of the office was made responsible for the fraudulent issue of the cheque, and

(c) if so, whether the investigation in the case has been finalised.

(b) The cheque Rs. 27,122/- for which the investigation has been completed. It proves that the Engineer is guilty of the crime.

(i) Q. G. Mucaloraju :- Andhra Pradesh Treasury Code Rules under instructions 40, 42 relating to the setting aside of cheques for which the credit has not been passed. A cheque dated 28-4-1976, was passed for Rs. 27,122/- in respect of a non-existent contractor. As the cheque was passed by the clerk, he was held responsible. It proves that the Engineer is guilty of the crime.
Sri S. Jaipal Reddy (Katvakurthy):—It is a typical case, since you have held a wrong person responsible the Police could not frame charges. Therefore, will the Minister agree to suspend the Executive Engineer who is basically responsible for this transaction? Since you have held a wrong person responsible, the Police could not frame charges. Therefore, will the Minister agree to suspend the Executive Engineer who is basically responsible for this transaction?

Sri S. Jaipal Reddy (Kalvakurthy):—It is a typical case. He has earned lakhs of rupees, let him agree to remove his case. I will get that money refunded. The point is that he has committed a crime and he is the Executive Engineer he is a party to this crime. Therefore, will the Minister agree to place the Executive Engineer under suspension and accept the enquiry in so his conduct. This is the question I am putting.

Sri S. Jaipal Reddy:—He has earned lakhs of rupees, let him agree to remove his case. I will get that money refunded. The point is that he has committed a crime and he is the executive Engineer he is a party to this crime. Therefore, will the Minister agree to place the Executive Engineer under suspension and accept the enquiry in so his conduct. This is the question I am putting.
Mr. Speaker:—He is a co-accused because he has forged the signature.

Mr. Speaker:—Why can't you take the opinion of the Public Prosecutor?

Mr. Speaker:—In the light of the latest information available, it looks as if he is a co-accused in this case.
Mr. Speaker:— I think, they are taking departmental action. But you are not able to file the charge sheet for the last three years.

* Smt. Roda Mistry:—The report was submitted on 30th December, 1977. It has not been circulated to the Members.

I want to know the summary of the report as to whether the allegations are substantiated. What is the actual report and what is the action that is proposed by the Government to take on the report.

*Smt. Roda Mistry:—How is it possible for the Government to give a summary when they have not yet received the report. The report has been read by me by going over to the Assembly Library, because, the question was put earlier and it was thought necessary that I should brief myself. But the Hon. Members informed that it is not very complementary. I cannot give information on the report off-hand, but if the Hon. Member so desires, we will strongly request the Assembly and the printing press to expedite and circulate the report to the Hon. Members

Sri Gouthu Latchanna:—Thanks for the assurance. The Minister says that the Government has not received the report but placed on the able of the House. Is it the practice of the Government to place the report first on the Table and then look into the matter.

*Smt. Roda Mistry:—The Hon. Member should know that the report is submitted to the Legislature by the Committee and they placed it on the table of the House. The Government has nothing to do with it.

*Smt. Roda Mistry:—It is a House Committee.

Sri. Gouthu Latchanna:—Now you are in September. It was submitted to the Legislature in December. So, during these nine month show long it has travelled and how long it will travel to reach the Government?

*Smt. Roda Mistry:—On my behalf to give any assurance is out of context. The report is printed for the Assembly by the Press we will also use our efforts with the Government Press to see that the House receives the report very soon.
Smt. Roda Mistry:—The Andhra Pradesh Welfare Fund the funding authority has set up a Committee to go and inspect the institution. Actually the grant is not given by the Government directly.

Sri Poola Subbaiah:—You have instituted a Committee and that too it is a House Committee. House Committee is an august Committee which has enquired into the matter. When such a Committee has enquired into the matter the salient features of the Committee have to be explained to the House. That is the purpose of the question and the question being that amounts were misappropriated. Therefore, you have to enquire and take necessary action on the persons who are connected with it. This year you have not allotted funds at all for children. Why?

* Smt. Roda Mistry:—As soon as the report is in our hands we shall take whatever action that is required. Unless we receive the report it is difficult for any department to take action. Regarding funds, due to the commotion and the House Committee's remarks and the information available with the Government as well as with the funding authority i.e. the Andhra Pradesh Welfare Fund, the grant has not been released. We will take action as soon as the report is given to us by the Assembly.

Sri S. Jaipal Reddy:—According to the answer, this Company has sold 2,500 M. T. to a Bombay party. According to the information available as on to-day, the rate on that day was Rs. 900/- per M.T. and then why these things were sold to only the Bombay party at a lesser rate? It involves a big scandal. It entitles a loss of Rs. 8 lakhs to the Company.

Joint Farming Societies In The State

131—

1022 Q.—Sri Poola Subbaiah:—Will the Minister for Co-operation be pleased to state:

(a) the number of Joint Farming Societies functioning in the State;
(b) whether they are running in an economically sound manner; and
(c) if not the reasons therefor.

A.—

(a) 1,140.
(b) 460 Societies are not running in an economically sound manner.
(c) The reasons are:

1. The members of these Societies are economically weak and are not in a position to undertake improvement of the lands in a proper manner for want of adequate finances.

2. The cultivation on waste lands assigned by Government is not economical for the first 4 or 5 years by which time the members lose interest on the lands.

3. There is no technical assistance for improving the conditions of lands and yield of crop.

4. The members are not evincing interest in shouldering the responsibility in repayment of loans borrowed by the society as their lands are pooled into the society. Thus, due to non-repayment of loans, the societies are not in a position to secure fresh finances.

5. In some cases, lands are not assigned due to disputes between the Sivaijamadars and the members of societies. There are also disputes, about the lands assigned, on account of encroachment of such lands by nonmembers resulting in protracted litigation. In some cases, lands allotted are not under cultivation due to salinity of the land. In some other cases lands are not fertile. In a few cases the land is situated near the sea, and the work undertaken for levelling and bunding is getting washed away in the cyclones.

6. In some cases, the lands proposed for assignment have not been surveyed, sub-divided and handed over to members.

7. Development in majority of the societies is in the initial stage as they have been formed in the recent years.

8. In many cases, there are no proper irrigation facilities to the lands under possession of the Societies.

9. The societies are expected to undertake Joint Farming and bring the entire land pooled into the society under cultivation. But,
generally, the members are found not inclined towards Joint Farming and are resorting to individual cultivation that too in some of the lands under the society. Thus, the working of the society as a whole is not on economic lines.

10. In some cases due to drought during last 3 years the societies could not get much yield.

Drinking Water Supply To Reddimanudibba

346 Q.—Sri Nallapareddi Sreenivasul Reddi:—Will the Minister for Panchayati Raj be pleased to state:

(a) whether the Collector, Nellore has received a representation from Mr. N. Sreenivasul Reddi, M.L.A. in 1978 to supply drinking water (piped) to Reddimanudibba from the Protected Water Supply Scheme under execution for Mulapadava and Nalagamala in Kota Panchayat Samithi in Nellore district;

(b) if so, the action taken in the matter; and

(c) when will the protected piped water be supplied to the Harijans and Girijans of Reddimanudibba

A.—

(a) Yes, Sir.

(b) The representation was sent by the Collector, Nellore to the Executive Engineer (Rural Water Supply), Guntur on 9th May, 1978 for necessary action.

(c) According to the estimate it is proposed to pump water from Jalala Doruvu which is at a distance of 1 K.M. to Nalagamala and 3 K.M. to Mulapadava and supply drinking water to the two villages by constructing cistern at one place in Nalagamala and places in Mulapadava. Taps will be fixed to the cisterns and people will be enabled to get water. No separate distribution system even in the two villages has been provided for in the work estimate. Reddi-manudibba which is having 20 houses and a population of 100 is at a distance of only one furlong from Nalagamala and to collect drinking water, the people have to go to the Nalagamala cistern around which, 8 public taps are installed. There is no provision in the estimate to extend the scheme to Reddimanudibba. The population of Reddimanudibba is very less and not sufficient even for a separate public tap, for every 250 population one public tap will be generally provided. In this case, there is no distribution system and only another cistern with a number of taps is to be constructed and connected to pumping main which course is not feasible.
Incomplete Formation of Road To Molakalapundla In Rapur Panchayat Samiti

123—

35g Q.—Sri Nallapareddi Sreenivasul Reddi:—Will the Minister for Panchayati Raj be pleased to state:
(a) whether the road to Molakalapundla in Rapur Panchayat Samiti of Nellore district was partly formed long back;
(b) the reasons for the abnormal delay in completing the road works; and
(c) when will the work be completed?
A.—
(a) Yes, Sir. The road was formed under Drought Relief Programme, 1972.
(b) Due to paucity of funds, the work could not be completed.
(c) As and when funds become available.

Drinking Water Scarcity In Certain Places of Rapur Panchayat Samiti.

134—

391 Q.—Sri Nallapareddi Sreenivasul Reddi:—Will the Minister for Panchayati Raj be pleased to state:
(a) whether there is acute scarcity of drinking water in the following places of Rapur Panchayat Samiti in Nellore district:
(1) Kammavaripalle Girijan Colony.
(2) Ananthamadugu Arundhateeyapalem.
(3) Ananthamadugu Girijanapalem,
(4) Samudralavarikandriga Girijan Colony.
(5) Lingasamudram Girijanawada.
(6) Lingasamudram Vaddipalem.
(7) Thippireddipalle.
(8) Lingasamudram Harijanawada
(9) Thokalapudi Girijanawada.
(10) Paluru Harijanawada
(b) if so, the action taken to provide drinking water; and
(c) whether drinking water wells will be sunk immediately?
A.—(a) There is scarcity of water in the places mentioned under serial numbers 3, 5, 6 and 9 in the question.
(b) One bore well each was sanctioned under intensive programme in the said places.
30 17th August, 1978.  Written Answers to Questions.  (Unstarred)

(c) Yes, Sir. The Chief Engineer (Panchayati Raj) and the Collector, Nellore have been instructed to complete drilling of borewells immediately.

Formation of Venkatagiri Nayudupeta Road

135—

509 Q.—Sri Nallapareddi Sreenivasul Reddy :—Will the Minister for Panchayati Raj be pleased to state:
(a) whether the road from Venkatagiri—Nayudupeta road to Rajanagaram via. Konetirajupalem, Mummapalem, Muchavaram and Thirumalapudi in Nellore district has been partly formed;
(b) the reasons for the delay in completing the said road work;
(c) when will the road works be completed; and
(d) the amount required to complete the said road work?

A:—(a) Yes, Sir, under the Drought Relief Programme.
(b) Due to paucity of funds the work could not be completed.
(c) As and when the funds become available.
(d) An amount of Rs. 10.00 lakhs is required to make it traffic worthy.

Protected Water Supply Scheme in Balayapalle

136—

510 Q.—Sri Nallapareddi Sreenivasul Reddy :—Will the Minister for Panchayat Raj be pleased to state:
(a) whether there is any proposal to execute a Protected Water Supply Scheme in Balayapalle of Venkatagiri Panchayat Samithi in Nellore district;
(b) the estimated cost of the scheme;
(c) when will it be executed;
(d) whether the Minister for Panchayati Raj has received a representation from Mr N. Sreenivasul Reddi, M.L.A. in 1978 for the execution of the said scheme; and
(e) if so, the action taken?

A:—(a) Yes, Sir.
(b) and (c) It will be decided after the proposals are finalised and received from the Superintending Engineer (Panchayati Raj), Guntur.
(d) Yes, Sir.
(e) A detailed report is called from Superintending Engineer (Panchayati Raj), Guntur by the Chief Engineer (Panchayati Raj), Hyderabad.
Breaches to Thokalapudi Tank.

137—

511 Q.—Sri Nallapareddi Sreenivasul Reddi :—Will the Minister for Panchayati Raj be please to state:

(a) whether Thokalapudi tank at Thokalapudi village, hamlet of Lingasamudram in Rapur Panchayat Samithi of Nellore district has breached in two places due to floods in 1976;

(b) whether it is a fact that the breaches have not been closed so far;

(c) whether the ring bunds are still there; and

(d) when will the works be taken up and completed?

A.—

(a) No Sir. But there is a small tank called “Yeguva Cheruvu” in the catchment of Thokalapudi tank which has breached at two places. But this is not a Minor Irrigation Source.

(b) In view of Answer to (a) above does not arise.

(c) There are no ring bunds to Thokalapudi tank. But small ring bunds are there to Yeguva Cheruvu.

(d) Closure of breaches does not arise. The surplus weir pitching of Thokalapudi is disturbed which will be attended to. Action to complete the repairs to the damages to the weir will be taken up under normal maintenance programme.

Handing over of Road between Chitukula and Patancheru

138—

1058 Q.—Sri Ch. Vittal Reddy (Narsapur) :—Will the Minister for Panchayati Raj be pleased to state:

(a) whether it is a fact that a G.O. has been issued to hand over the road laid by the Zilla Parishad between Chitukula and Patancheru to P.W.D.;

(b) if so, the reasons why the Executive Engineer of the Zilla Parishad has not so far handed over the same; and

(c) the action to be taken for delay?

A.—

(a) Yes, Sir.

(b) The road has been handed over to the Control of Roads and Buildings Department on 18th May, 1978 and 14th June, 1978 in bits.

(c) The road has been taken up for maintenance work during 1977—78 and the morrum collected for patch work. Hence the road was handed over to the Roads and Buildings Department after spreading the morrum on the road.
Road from Venkatagiri to Railway Kodur.

139—

1177 Q.—Sri Nallapareddi Sreenivasul Reddi.—Will the Minister for Panchayati Raj be pleased to state:

(a) the estimated cost of formation of road from Venkatagiri in Nellore district to Railway Kodur in Cuddapah district;

(b) whether the said road has been formed up to Mokkalapadu;

(c) when the remaining portion of the said road will be formed; and

(d) whether the State Government has decided to give top priority to this road as it connects two districts with minimum expenditure?

A.—

(a) The distance between Venkatagiri and Railway Kodur in Cuddapah district will be about 40 Kms. To reach Kodur in Cuddapah district the road has to cross Eastern-Ghats at several places. Unless detailed investigation is done, it is not possible to arrive the cost of the road.

(b) Yes, Sir.

(c) and (d): There is no such proposal at present.

Completion of Jogipalli Road In Rapur Panchayat Samithi.

140—

1185—Q.—Sri Nallapareddi Sreenivasul Reddi.—Will the Minister for Panchayati Raj be pleased to state:

(a) the amount required to complete road to Jogipalli in Rapur Panchayat Samithi of Nellore district;

(b) the reasons for the delay in completing the said road works; and

(c) when the said road work will be completed?

A.—

(a) Rs. 40,000 is required to complete the balance road work.

(b) Due to paucity of funds.

(c) As and when funds become available.

Formation of Second Tank at Kandra

141—

349 Q.—Sri Nallapareddi Sreenivasul Reddi.—Will the Minister for Minor Irrigation be pleased to state:
(a) whether the Superintending Engineer, Irrigation and Power Department, Nellore Circle, Nellore has received a representation in 1978 from Mr. N. Sreenivasu Reddi, M.L.A. to form a second new tank at Kandra in Gudur taluk of Nellore district on Uppuchenu Kaluva;

(b) if so, the action taken thereon;

(c) the estimated cost of the scheme; and

(d) when will the work be started and completed?

A—

(a) Yes, Sir.

(b) Feasibility of the Scheme is under examination.

(c) Does not arise now, since detailed surveys are to be conducted based on the feasibility.

(d) Until and unless the feasibility is established it cannot be said when the work will be started.

Completion of Bommalapuram Tank

142—

1028 Q.—Sri Poolla Subbaiah:—Will the Minister for Minor Irrigation be pleased to state:

(a) whether Bommalapuram tank of Markapur taluk is completed; and

(b) if not the reasons therefor?

A—

(a) It is presumed that what is referred to by the Honourable Member is the formation of a new tank across Rallavage near Peddabommalapuram village in Markapur taluk of Prakasam district. If so, the project has not yet been completed.

(b) The scheme was originally sanctioned for Rs. 26,80,000 on works and Rs. 30,36,360 including direct and indirect charges during 1971-72 by the Chief Engineer (Minor Irrigation). The work was let out on contract after calling for tenders. After completing the work to a tune of Rs.17.64 lakhs, the work was stopped in 1973 owing to paucity of funds. Subsequently, the scope of the scheme has been enlarged to increase ayacut from 2,236 to 6,600 acres and the estimate was also revised to Rs. 69,17 lakhs on works in March, 1977 by the District Development Authority. The work was included under Drought Prone Area Programme Scheme. Rs. 11.52 lakhs were spent from the Drought Prone Area Programme in 1974-78. In addition the Chief Engineer has spent under normal plan funds in 1977-78 Rs. 11.46 lakhs. The balance will have to be found under normal plan.
The Chief Engineer is being asked to give priority to this work and get it completed immediately.

Annual Financial Statement Budget for 1978-79. (General Discussion)
Annual Financial Statement Budget 17th August, 1978

for 1978–79. (General Discussion)

In the context of the discussion on the annual financial statement for the year 1978–79, it was agreed that the budgetary allocation for various departments should be reviewed and adjusted based on the current economic conditions and the needs of the organization. It was emphasized that the budget should be flexible enough to accommodate unforeseen circumstances and that the priorities of the organization should be reflected in the allocation of funds.

The budget for 1978–79 was approved with minor adjustments in certain departments. The overall budget was set at XX million, with specific allocations for different categories such as education, health, and infrastructure development. The budget committee also discussed the need for cost reduction measures in certain areas to ensure fiscal responsibility.

It was highlighted that the budget should also take into consideration the development goals of the organization and the impact of the budget on the community. The committee suggested that a detailed analysis of the budget should be conducted to identify areas where savings could be achieved without compromising the quality of services.

The budget was approved with a resolution to review the performance and targets of each department regularly to ensure that the budget is being utilized effectively.

Indian agriculture is a gambling one. The Indian agriculture minister Mr. B. D. Sharma 
compared the Indian agriculture to the game of gambling. He said that the Indian 
agriculture is a very risky business and the farmers are always at the mercy of 
the weather and other factors. The minister also said that the government is taking 
efforts to improve the situation by providing better irrigation facilities, 
credit facilities, and research facilities. The minister further said that the 
government is trying to make the farmers more self-reliant so that they can 
handle the risks of agriculture.

17th August, 1978

As the financial year 1978-79 has come to an end, I would like to present a general discussion on the financial statements.

The financial year 1978-79 was marked by several challenges, including a significant increase in operational costs. Despite these challenges, we managed to maintain our financial health.

In the coming financial year, we plan to focus on cost reduction and efficiency improvements. We also aim to expand our market reach and increase our customer base.

Thank you for your attention.
