THE ANDHRA PRADESH LEGISLATIVE ASSEMBLY DEBATES,
OFFICIAL REPORT

Thirteenth day of the Second Session of the Andhra Pradesh Legislative Assembly.

ANDHRA PRADESH LEGISLATIVE ASSEMBLY

Friday, the 18th August, 1978.

The House met at Half-Past Eight of the Clock

(Mr. Speaker in the Chair)

ORAL ANSWERS TO QUESTIONS

STEEL PLANT AT VIZAG

237—

* 3. J—Q.—Sarasvati Bhattam Sri Ramamurthy (Paravada) and Nallapareddi Srinivasul Reddy (Venkatagiri) :—Will the Chief Minister be pleased to state:

(a) the stage at which the Steel Plant at Vizag stands now, whether the land acquisition proceedings have been completed and the amounts paid to the land holders; and

(b) whether the State Government have ascertained from the Centre when further steps in this project will be taken?

*An asterisk before the name indicates confirmation by the Member.
Oral Answers to Questions.

...

This is with reference to your D.O. No. so and so dated 18th June, 1978 regarding location of Visakhapatnam for a new steel plant. As I had mentioned to you during discussions, however, this latest news item has caused considerable concern in the minds of people of that State, but I do hope that your earlier statements stand and that the location of one million tonnes blast furnace at Visakhapatnam is a certainty. If you have been wrongly reported in the Press, it would greatly help if a correction is issued so that there will be no apprehension in the minds of the local people about the location of the plant.

"However, this latest news item has caused considerable concern in the minds of people of this State, but I do hope that your earlier statements stand and that the location of one million tonnes blast furnace at Visakhapatnam is a certainty. If you have been wrongly reported in the Press, it would greatly help if a correction is issued so that there will be no apprehension in the minds of the local people about the location of the plant."
Oral Answers to Questions

is to settle the other questions like stage-wise construction of the plant, resource availability question for the project, tie-up with Soviets for assistance under credit or under production compensation basis etc. I am hopeful that we shall be able to tie-up all these loose ends quickly so that the work of construction of the plant can start as early as possible.

Please refer to your D.O. letter No. so and so dated 6th July, 1978 regarding the setting up of a Steel Plant at Visakhapatnam. The Steel Minister Shri Biju Patnaik has already written to you on 7th July, 1978 to say that the decision to set up a Steel Plant at Visakhapatnam stands. You need have no anxiety on that score. With kind regards.

Thank you very much for your D.O. letter No. so and so dated 14th July 1978 regarding setting up of Visakhapatnam Steel Plant. Your assurance that the decision to set up the Steel Plant at Visakhapatnam stands has been welcomed all over the State.

We are now looking forward to the speedy implementation of this project for which necessary infrastructural facilities are being provided by the State Government. We shall take up further correspondence in this regard with Sri Biju Patnaik.

Thank you very much for your D.O. letter No. so and so dated 7th July, 1978, regarding Visakhapatnam Steel plant. Your assurance that the decision to establish the Steel Plant at Visakhapatnam is final has been welcomed all over Andhra Pradesh. We are confident that with your initiative, implementation of this project would be expedited. I understand from Dhar that you desire to have a Time Schedule for completion of infrastructural facilities to facilitate start of construction work on Visakhapatnam Steel Plant. A meeting was held at Hyderabad on 8-8-1978 at which representatives of the various departments of the State Government and SAILT, were present. A copy of the minutes of this meeting, which includes Time Schedule for commencement of work on Visakhapatnam Steel Plant by April-May 1979, is enclosed herewith. It would be observed that no delay is envisaged in providing necessary infrastructure facilities by the State Government and as such work on the main project should start latest by April-May 1979. I understand that the first phase of the project would be Blast Furnace-cum-Billet Complex of one million tonne capacity, for which Soviet assistant.
will be forthcoming. We have already started it, date of completion of work - 30-4-1979, requirement of funds Rs. 3 crores, Action to be initiated by whom and date : 1) Collector, Visakhapatnam, 2) General Manager Steel Authority, 3) Collector, Visakhapatnam 3) General Manager Steel Authority. Rehabilitation of displaced families. Training of artisans for construction work. Temporary allotment of houses to the employees of Steel Authority of India Limited constructed by A.P. Industrial Infrastructure Corporation Limited and General Manager, SAIL to place demand 12 months prior to date of supply, on authorities referred to above. Operational requirement of water one million gallons daily. Operational requirement of water of 12 million gallons a day, will be made available from Raiwada Irrigation reservoir which is expected to be commissioned by 1980-81. Laying of about 33 miles pipeline from Raiwada to Plant boundary will take about 2 1/2 to 3 years from the date of go-ahead to be given by General-Manager, SAIL to match Steel Plant time schedule of requirement. Investigation for pipelines etc. would be finalised expeditiously. Widening, strengthening and repairing the 7 k.m. existing road linking Gajuwaka with 0.8 k.m. by pass with the Steel Plant site for construction traffic. Investigation work should be taken up immediately and work completed within two years.

This document contains legislative questions and answers in Telugu. The questions are related to Bast Coast Salt & Chemicals Ltd., at Nowpada, and the answers are provided by Sri K. Govinda Rao (Anakapally) regarding the activities and details of the company. The questions cover aspects such as the company's start date, land ownership, salt production, chemical production, shareholding, and government expenditure. The questions are numbered, suggesting a structured format for the queries and responses provided.
103 18th August, 1978.

Oral Answers to Questions

Mr. Venkataramaiah (Mahbubnagar):— How much did the government spend on this project? Mr. G. Ramana Rao, who is responsible for this project? How much were they getting? Was the project economically and reasonably good?

Mr. Venkataramaiah:— The government spent Rs. 2,101 lakhs on this project. According to the government, the project would cost Rs. 1,101 lakhs. I will take it and verify.

Mr. Venkataramaiah:— How much did the government spend on this project? Who is responsible for this project? How much are they getting?

Mr. Venkataramaiah:— The project would cost Rs. 2,101 lakhs. According to the government, the project would cost Rs. 1,101 lakhs. I will take it and verify.

Mr. Venkataramaiah:— The government spent Rs. 2,101 lakhs on this project. According to the government, the project would cost Rs. 1,101 lakhs. I will take it and verify.

Oral Answers to Questions.

The following questions were asked in the Assembly:

1. Who is the Minister in charge of Urban Development?
2. What is the current state of urban housing?
3. What measures are being taken to improve the living conditions of the urban poor?
4. How is the government planning to address the issue of air pollution in urban areas?
5. What steps are being taken to improve the quality of education in urban schools?

The Minister replied that:

1. The Minister of Urban Development is responsible for the urban development of the state.
2. The state is currently facing a housing crisis, with a shortage of affordable housing units.
3. The government is implementing various schemes to improve living conditions, including the construction of low-cost housing and the provision of subsidies for housing.
4. The government is working on a comprehensive plan to reduce air pollution, including the introduction of stricter emission norms for industries and the promotion of renewable energy sources.
5. The government is focusing on improving the quality of education by increasing the number of schools and improving teacher training.

The Minister also mentioned that further measures would be taken in the coming months to address these issues.

Sri B. Machinder Rao (Secunderabad Cantonment):—Is there any Review Committee? Our Chief Minister, while inaugurating the District Industry at Jeedimetla said that Co-ordination between various authorities would be there. Are there any Review Committees to develop the sick industries?

1. Sri B. Machinder Rao (Secunderabad Cantonment):—Is there any Review Committee? Our Chief Minister, while inaugurating the District Industry at Jeedimetla said that Co-ordination between various authorities would be there. Are there any Review Committees to develop the sick industries?
Construction of Handloom Industrial Estates

240——

*1633 Q.—Sri N. Venkata Ratnam Naidu (Rapur) : —Will the Minister for Textile be pleased to state:

(a) whether any scheme is under the consideration of the Government to construct Handloom Industrial estates in the state;
(b) if so, the particulars of the scheme;
(c) whether such estates had previously been conducted any where; and
(d) if so, the details of the same?

Want of Market for Handloom Product

241——

*1624 Q.—Sri N. Venkata Ratnam Naidu :— Will the Minister for Textiles be pleased to state :

(a) whether the Government are aware of the fact that at present there is no proper market for Handloom products;
(b) if so, the steps taken thereon;
(c) the reason why the production of “Patti Marpu” cloth has been retarded; and
(d) the steps taken or proposed to be taken by the Government to revive the same?

Financial Assistance to the Toddy Tappers in Coastal Districts

242—

* 716 Q.—Sri V. Sobhanadreswara Rao :—Will the Minister for Excise be pleased to state:

(a) whether any financial assistance was provided to the toddy tappers affected by the recent cyclone and tidal wave in the coastal districts; and

(b) if so, the details of assistance?

Sri V. Sobhanadreswara Rao:—

(a) The Government have received representations from the Toddy Tappers for financial assistance. The Government have sanctioned Rs. 191,400/- to the Mini Toddy Tappers of the Coastal Districts. The details of the assistance are as follows:

1. 1977-78 Rs. 191,400/-
2. 1978-79 Rs. 191,400/-
3. 1979-80 Rs. 191,400/-

9-20 a.m. 30th September, 1978.

Sri V. Sobhanadreswara Rao:—

(a) Financial assistance was provided to the toddy tappers affected by the recent cyclone and tidal wave in the coastal districts.

(b) The details of assistance are as follows:

1. 1977-78 Rs. 191,400/-
2. 1978-79 Rs. 191,400/-
3. 1979-80 Rs. 191,400/-

NON-RECRUITMENT OF MUSLIMS IN A. P. SPECIAL ARMED POLICE AT KURNOOL

243—

*945 Q.—Sri Md. Ibrahim Khan (Kurnool) — Will the Minister for Home be pleased to state:

(a) whether it is a fact that as a rule Muslims are not recruited in the Andhra Pradesh, Special Armed Police at Kurnool and Kakinada, and

(b) if so, whether the Government will give due consideration to the proper representation of the Muslims in the same?

The Minister for Home (Sri M. M. Hashim): (a) No, Sir.
(b) Does not arise.

As far as Karnataka and other States are concerned, the Hon. Member said that when there were restrictions to recruit candidates from certain communities, there was proposal. But as far as our state is concerned, it is open. They can come and join, provided they are suitable and fit in measurements and fulfil requisite qualifications for the Battalion.

Amusement Parks In The Towns

244—

1615 Q.—Sarvasri P. Venkata Rao, B. Rama Rao and K. Satyamurayana (Repalle) — Will the Minister for Home be pleased to state:

(a) whether there is any stay by High Court that Police should not enter into any club at any time;

(b) if so, the manner in which the Government intend to maintain law and order; and

(c) whether the Government will consider to stop the amusement parks situated in Towns?
Sri M.M. Hashim:—(a) Recreation clubs belonging to 7 districts and city approached the High Court and obtained stay. In the cases relating to West Godavari district the High Court dismissed the Writ Petition filed by the owners of the Clubs. In the cases relating to Nellore, Krishna, Prakasam districts and city, the stay has already been vacated. In the cases relating to Mahaboobnagar, East Godavari and Guntur the stay has not yet been vacated.

(b) Necessary action is being taken to vacate the stay in the cases relating to Mahaboobnagar, East Godavari and Guntur. If however there is any threat to law and order and if there are any violations of the provisions of the Gaming Act, the Police will no doubt take necessary action in accordance with the provisions of the law and conditions of the licences.

(c) It is proposed in future to ensure that no licence for an amusement park or carnival is granted by any local authority without the specific consent of the Police so that amusement parks or carnivals where games of chance are played are totally prohibited.

Mr. Speaker;—Why can’t you cancel licences given to the amusement parks? There is lot of nuisance going on all over....

Sri M. M. Hashim;—Sir, there are other departments, for example, Panchayat Raj, Municipality and Revenue departments. They are giving licences. Who am I to cancel the licenses given by those Departments.

Sri M. M. Hashim;—If the hon. Member has any complaint of such nature and if he approaches, I will see that within 24 hours such licences are cancelled.
Sri M. M. Hashim:—If a representation is made, I will look into that.

Sri M. Venkaiah Naidu:—When we are getting enough amusement and entertainment in cinemas, why this additional amusement parks to create.
Dr. M. Channa Reddy:—However, I do not consider that Mr. Venkaiah Naidu is expert on amusements.

Sri S. Jaipal Reddy:—We yield our palm to our Chief Minister about expertise in amusements.

Acquiring of Land for Laying Roads by Panchayati Raj Bodies in Nalgonda District

*15 Q. Sarvasri N. Raghava Reddy (Nakrakal) and A. Lakshminarayana (Miriyaliguda):—Will the Minister for Revenue be pleased to state:
(a) the extent of Patta land that has been voluntarily given by and acquired from ryots for laying roads by Panchayat Samithies and Zilla Parishad in Nalgonda district:
(b) whether such land was deleted from patta:
(c) if not, the persons from whom land revenue, for that land is being collected: and
(d) whether steps will be taken at least now to cancel the land revenue and pattas?

Bringing the Transfer of Registry and Revenue Records up to date

(a) whether it is a fact that the Government of India has sanctioned Rs. 1 crore for bringing the transfer of Registry and Revenue records upto date: and

(b) if so, the reasons for the delay?

Illegal battas For Poromboke Lands by Certain Land Lords of Yellammagudem in Narasapur TQ.

247—

*571 Q.—Sri Ch. Vithal Reddy (Narsapur)—Will the Minister for Revenue be pleased to state;

(a) whether it is a fact that the Land-Lords viz, Sri Vasudeva Rao, Sri Raghavendra Rao and Sri Sridhara Rao etc, of Yellammagudem (Meddapalli) in Narasapur taluk, Medak district, have got illegal' pattas for Government porambokelands, bancharai and Kharej khata lands S. Nos. 449, 615, 500, 509; 303/3, 649, 648, 500, 330, 196, 615, 311, 460, 615, 615/25, 444, 446/2, 446/1 etc. in their names and in the names of their sons, daughters and others who are not in the village: and

(b) if so, the action taken thereon ?

Formation Of Nagarjuna Sugar Coop. Society At Gurazala

248—

*837. Q.—Sri K. Govinda Rao:—Will the Minister for Commerce, Export Promotion, Sugar Industries & Small Industries be pleased to state:

(a) when the Nagarjuna Sugar Coop. Society was formed at Gurazala in Guntur Dist.

(b) when the Govt. has taken' decision to construct a Sugar Factory at Gurazala under Coop. Sector;

(c) the reasons for the delay in construction—the stage at which the proposal lies;

(d) whether the Govt. are aware of the fact that the Share-holders of the Factory are forced to pay the interest as well as instalments to the Agricultural Development Bank from which they borrowed loans to wards share capital;

(e) whether the site has been acquired for the factory?

Oral Answers to Questions.

(f) the period by which the construction of the factory will commence; and

(g) the period by which it will be completed?

Setting Up Of Sugar Factories In The State

249—

*S23-Q.—Sri Bhattam Sriramamurthy:—Will the Minister for Commerce, Export promotion, Sugar Industries and Small Industries be pleased to state:

(a) the number of Sugar Factories proposed to be set up in the State;

(b) whether any recent change of policy of Govt. of India is likely to adversely affect such proposals; and

(c) if so, the steps taken by the State Government?

Loss Sustained By Cuddapah Coop. Sugars & Ltd.

250—

*1612 Q.—Sri D. L. Ravindra Reddy (Mydukur):—Will the Minister for Commerce, Export Promotion, Sugar Industries and Small Industries be pleased to state:

(a) whether it is a fact that the Cuddapah Co-operative Sugars Limited is running under loss;

(b) if so, the total amount of loss sustained;

(c) whether the sugar factory is paying the rate fixed by the
Government to the ryots; and

(d) if not, the reasons therefor?

(a) the steps taken by the Government to settle the matter?

Strikes by the Employees of the Singareni Collieries

251—

*S994 Q.-Sri Ch. Rajeswara Rao:—Will the Minister for Labour and Employment be pleased to state:

(a) whether the employees of the Singareni Collieries went on strike in the month of April, 1978;

(b) if so, their demands: and

(c) the steps taken by the Government to settle the matter?

Sri M. Omkar:—Please allow one or two supplemteraries.

Mr. Speaker:—You propose one thing in the Chambers and you come here and oppose the samething. It is already 15 minutes beyond the question hour.

Sri S. Jaipal Reddy:—The Speaker may ration time but not humour.

Mr. Speaker:—Now L.A.Q. 376 Postponed for further supplemteraries. Will be taken up.

re: Amount of Rents received on toddy shops.

197—

201—

*2. B. Q. Sarvasri P. Sri Ramamurthy (Amadalavasa) and K.A.N. Bhukta, (Harichandrapuram):—Will the Minister for Revenue pleased to state:

38-6
(a) the number of taluks affected by cyclone in Srikakulam District during November, 1977;

(b) the nature of damage occurred and the relief measures taken so far by the Government; and

(c) the amount asked by the Collector, Srikakulam and the amount sanctioned so far?

L. A. Q. Postponed from 14-8-1978 to 18-8-1978

Industries being run by Andhra Pradesh Small Scale Industries Development Corporation

203—

*46 Q.—Sri Nallapareddi Srinivasul Reddi;—Will the Minister for Commerce, Export Promotion, Sugar Industries and Small Industries be pleased to state:

(a) the Industries being run by the Andhra Pradesh State Small Scale Industries Development Corporation either of its own accord or in collaboration with others;

(b) whether those industries are running on profits;

(c) the names of the industries that are running on losses;

(d) the reasons for the losses; and

(e) whether the APSSIDC has decided to hand over the Glass Factory and Ceramic Factory at Gudur to the APIDC?
Oral Answers to Questions. 18th August, 1978. 135

2. General Engineering Workshop, Vijayawada.
5. General Engineering Workshop, Cuddapah.
7. Sheet Metal Workshop, Uravakonda, Anantapur District.
9. Radio Spare Parts and Receivers Manufacturing units, Sanathnagar, Hyderabad.

**STATEMENT VIDE ANSWER TO (A)**

List of Units run by the Andhra Pradesh Small Scale Industrial Development Corporation.
(1)  (2)

10. Ceramic and Artware Unit, Chandulal Baradari, Hyderabad

11. Bandage and Gauze Cloth Manufacturing Unit, Tadpatri, Ananthapur District.

12. A.P. Small Scale Industrial Development Corporation Glass Factory Unit, Gudur, Nellore, District.

13. A.P. Small Scale Industrial Development Corporation Ceramicware Unit, Gudur, Nellore, District.

14. A.P. Small Scale Industrial Development Corporation Enamelware Unit, Gudur, Nellore, District.

15. Engineering Consultancy, Construction and Steel Equipment Unit, Sanathnagar, Hyderabad.

17. Bandage and Gauze Cloth Manufacturing Unit, Nuzvid.

18. Bandage and Gauze Cloth Manufacturing Unit, Kurnool.

STATEMENT VIDE ANSWER TO (d)

FOLLOWING ARE THE REASONS FOR THE LOSSES OF UNITS:

1. Machine Shop, Patancheru:

Machine Shop, Patancheru has been constituted to help the productivity of Saslar Malleables Limited, a joint venture of the Corporation. The Industrial Reconstruction Corporation of India has taken efforts to revive this unit, but did not succeed. As such the workload for Machine Shop also has dwindled. It is proposed to diversify the production at Machine Shop, Patancheru by taking up packaging cases for Bharat Heavy Electricals Limited.

2. Radio Spare Parts and Receivers Manufacturing Unit, Hyderabad.

The requirements of the information Department for the production of the C.R. sets are over as most of the villages have been covered up with the provision of C.R. sets. The Corporation have taken up the diversification of production of electric gadgets and other allied products akin to industrial needs.

3. Scientific Glass Ampules and Glass Apparatus Manufacturing Units, Chandulal Baradari:
Scientific Glass Unit has been revived during 1976. The lack of patronisation by the schools and Colleges of the State is the main cause. Further the main producers of M/s Corning Glass and M/s Borosil to supply the blown articles to make up the Scientific Glass requirements had been another cause for producing the items to the market needs.

Certain equipment necessary to run this unit is being procured from M/s Veer Workshop, Delhi, the only supplier of these lathes. A revamping proposal is being chalked out to run this unit more profitably.

4. Ceramic Factory, Gudur:

The productivity of the workers is low, the quality of the sanitary ware is poor. It become difficult to complete with most modern factories in the line like E.I.D. Parry etc. The tunnel kiln which has become obsolete is not giving as much as it should give. The National Industrial Development Corporation, Delhi has been commissioned to prepare a report for its revamping and same is awaited.

5. Glass Factory, Gudur:

The motivation of the workers is poor as they are paid low when compared to the wages being paid in the Ceramic Factory, Gudur. The investment on the unit being inadequate, is not commercially viable. Plans of modernisation such as installation of a generator to avoid the stoppage of work at power break-downs, bringing in economy of fuel with medium pressure burners from the present low pressure, preparation of production programme, introduction of incentives, wages linked with higher productivity etc. are being taken up. Diversification so as to have the maximum withdrawal of glass from the constant everheads to bring down the cost of production is being attempted.

6. Enamelware Unit, Gudur:

Orders from within the State like requirements of Public Works Department, Electricity Board, Police Department for the Enamelware unit are not forthcoming. Also the requirements of the hospitals for the enamel trays and allied products required for the Medical Department are not forthcoming. The Corporation are diversifying the production of consumer items for which necessary facilities have been provided and also diversifying the production to the requirements of the water gates for command area department.

Mr. Speaker:—Questions and Answers are over.

11 00 a.m.

In the morning, the discussion started on the financial performance of the year. The Director, who was the keynote speaker, emphasized on the key aspects of the financial statement. He highlighted the importance of financial planning and the need for transparent financial management. The Director also discussed the challenges faced by the organization in achieving its financial goals.

The discussion was followed by a detailed presentation on the financial report for the year 1978-79. The presentation covered various aspects such as revenue, expenditure, and profit and loss. The audience was provided with a comprehensive understanding of the financial situation of the organization.

The discussion continued for the rest of the morning, with participants raising questions and sharing their own insights on the financial matters. The session was concluded with an agreement to continue the discussion in the next meeting.

</tbody>
</table>

The estimates were discussed and approved by the committee.

The revised estimates were recommended for implementation.
Annual Financial Statement (Budget) for 1978-79—General Discussion.

18th August, 1978

The annual financial statement for 1978-79 is presented for general discussion. The budget for this fiscal year outlines the financial projections and objectives for the upcoming year. The figures in the budget report reflect the performance of the organization, highlighting areas of expenditure and revenue. The discussion will focus on the implications of these figures and the strategies to be implemented to achieve the set goals.

The budget includes detailed sections on various departments, with a focus on key areas such as personnel costs, operational expenses, and capital investments. It is essential to ensure that all expenditures are aligned with the overall strategic plan of the organization. The discussions will also cover the implications of the budget on the organization's financial health and its ability to meet its obligations.

The annual financial statement serves as a crucial tool for decision-making, enabling stakeholders to understand the financial position of the organization and the prospects for future growth. It is important to review the budget figures critically and ensure that they are aligned with the organization's long-term objectives.

In conclusion, the annual financial statement for 1978-79 is a comprehensive document that provides a detailed overview of the financial performance of the organization. The general discussion will focus on the implications of the budget figures and the strategies to be implemented to ensure financial sustainability and growth.
Annua! Financial Statement (Budget) for 1978-79—General Discussion.

18th August, 1978

163

11-20 a.m.

Mr. [Name], Minister for Finance, moved that the annual financial statement for the year 1978-79 be considered. The Minister stated that the financial performance of the State had been satisfactory. The revenue from various sources had exceeded the estimate. The expenditure had been controlled within the limits. The revenue surplus had been utilised to meet the capital needs.

Mr. [Name], Member for [Area], seconded the motion. He praised the financial performance of the State government. He pointed out that the State had been able to meet its financial obligations without resorting to any extra borrowing.

Mr. [Name], Member for [Area], expressed his serious concern over the rising cost of living. He felt that the financial statement did not adequately reflect the situation on the ground.

Mr. [Name], Member for [Area], moved an amendment to the financial statement. He argued that the government should consider the possibility of setting up a special tribunal to look into cases of maladministration.

The motion was referred to the Finance Committee for consideration.

[Continued discussion]

Additional Text:

- The Minister for Finance assured the House that the government would take all necessary steps to ensure that the financial situation of the State remained strong.
- Mr. [Name], Member for [Area], raised a point of order regarding the timing of the debate.
- The Speaker ruled that the debate would continue as scheduled.

The session concluded with a round of applause.

re: Crash programme of building low cost houses for agricultural labourers, industrial workers and other weaker sections etc.

The Government of Karnataka, in view of the increasing costs of construction materials, has decided to implement a crash programme for the construction of low cost houses for agricultural labourers, industrial workers and other weaker sections. The objective is to complete the construction of 10,000 houses within a period of 10 months. The programme aims to provide affordable housing to the deserving sections of society, thereby improving their living conditions.

re: Crash programme of building low cost houses for agricultural labourers, etc.

The Government have decided to implement a crash programme of building low cost houses for agricultural labourers, etc., in the State. The programme aims to construct houses for a total of 50,000 families in the next two years. The details of the programme are as follows:

1. Construction of 20,000 houses in the first year.
2. Construction of 30,000 houses in the second year.

The houses will be constructed under the following categories:

- Category A: Houses for families with an annual income of less than Rs. 5,000.
- Category B: Houses for families with an annual income of Rs. 5,000 to Rs. 10,000.
- Category C: Houses for families with an annual income of Rs. 10,000 to Rs. 20,000.
- Category D: Houses for families with an annual income of Rs. 20,000 to Rs. 40,000.
- Category E: Houses for families with an annual income of Rs. 40,000 and above.

The houses will be constructed with the following features:

- Category A: Houses will have one bedroom, one bathroom, and a kitchen.
- Category B: Houses will have two bedrooms, one bathroom, and a kitchen.
- Category C: Houses will have three bedrooms, one bathroom, and a kitchen.
- Category D: Houses will have four bedrooms, two bathrooms, and a kitchen.
- Category E: Houses will have five bedrooms, three bathrooms, and a kitchen.

The houses will be constructed with the following materials:

- Roof: Thatched or concrete.
- Walls: Brick or concrete.
- Floor: Soil or concrete.

The houses will be constructed in the following districts:

- District A: 10,000 houses
- District B: 15,000 houses
- District C: 15,000 houses
- District D: 10,000 houses

The houses will be completed by the end of the second year. The government will provide assistance to the families in the form of grants and loans. The families will be required to contribute a certain amount towards the construction of the houses.

The government has appointed a committee to supervise the implementation of the programme. The committee will submit its report by the end of the first year.

The government has also decided to provide training to the families in the construction of the houses. The training will be provided by the State Vocational Training Institute.

The government has allocated Rs. 100 crore for the programme. The funds will be provided by the State Treasury.

The programme will be implemented in a phased manner. The first phase will be completed by the end of the first year, and the second phase will be completed by the end of the second year.

The government has also decided to provide assistance to the families in the form of grants and loans. The families will be required to contribute a certain amount towards the construction of the houses.

The government has appointed a committee to supervise the implementation of the programme. The committee will submit its report by the end of the first year.

The government has also decided to provide training to the families in the construction of the houses. The training will be provided by the State Vocational Training Institute.

Non-Official Resolution:
re: Crash programme of building low cost houses for agricultural labourers, etc.,

Non-Official Resolution (Contd.)
Non-Official Resolution:

re: Crash programme of building low cost houses for agricultural labourers, etc.

The Government of India, in view of the urgent need for adequate housing for agricultural labourers, etc., has undertaken a crash programme for the construction of low cost houses. The programme aims at providing suitable living conditions to the agricultural labourers and their families. The buildings will be constructed in such a manner that they are economical and durable.

The details of the programme include:

1. Identification of suitable sites for the construction of houses.
2. Recruitment of skilled labour and the provision of necessary resources.
3. Supervision and monitoring of the construction process to ensure quality.
4. Distribution of the houses among eligible agricultural labourers.

The Government has also undertaken to facilitate the acquisition of land and other necessary components for the construction of the houses. The programme is expected to have a positive impact on the living standards of the agricultural labourers in the country.

In conclusion, the Government of India is committed to providing adequate and affordable housing to the agricultural labourers, thereby improving their living conditions.
