(b) if so, the action taken thereon?
It becomes the property of the entire nation. Therefore the Report can be placed on the Table of the House also. Secondly...

So far as the action is concerned, it is for the State Government to take. I will give you an example Sir. The Commission has confirmed allegation levelled against Mr. B. N. Raman, Chairman & Managing Director, Singareni Collieries. But Mr. Raman still stays blissfully at Singareni. Therefore there is need for the Government to take immediate steps on the Report submitted by the Commission.

Sri V. Shobhanadreswar Rao :—Mr. Speaker Sir...

Mr. Speaker :—Don’t throw much heat Mr. Shobhanadreswar Rao....
Sri S. Jaipal Reddy:—Sir, very important question.

Mr. Speaker:—Which is not very important for you?

Sri S. Jaipal Reddy:—This is a damaging comment Sir. The point is this. As Mr. Omkar rightly pointed out, there can be political delicacy or legal difficulties about this official. There cannot be any such thing about this official and categorical findings have been made about Mr. Raman. Therefore, it is not proper to continue him there at Singareni. He should at least be transferred from that place immediately.
Sri P. Venkat Rao:—Sir, it is final by itself. It is a Court of Law. It is a final enquiry. The Government has no right to take action on that Report of the Commission. It is a Court of Law. It is a Court of Equity. The Government has no right to take action on that Report of the Commission.

S. N. Q. No. 2282 - R: — Sri N. Raghava Reddy, and Smt. Mallu-Swarajayam (Tungathurti):—Will the Minister for Home be pleased to state:

(a) whether the Government have conducted any enquiry into the incidences of cheating and extracting money from the people by one who is introduced by the Sub-Inspector of Nakrekal, Nalgonda district as C. B. I. O. during 24th July to 5th August, 1978;

(b) if so, the particulars thereof; and

(c) whether Government will take steps to conduct enquiry into and lunch Criminal Cases against the deceiver and the Sub-Inspector who assisted him in the matter?

Sri M. M. Hashim:— (a) Yes, Sir.

(b) The impostor Munirathnam secured the presence of one Gautue Yadagiri a cloth merchant of Nakrkal and threatened him with arrest and prosecution and obtained Rs. 1,500/- in the Police Station in the presence of Sub-Inspector, Nakrekal on 31-8-1978. He along with Sub-Inspector, Nakrekal visited the house of Dr. Ashwini Kumar and Dr. (Mrs.) Leela Kumari both husband and wife of Primary Health Centre Nakrkal at about 8 p.m. on 7-8-1978 and demanded Rs. 1,000/- threatening legal action alleging criminal abortions. The Doctor however, refused to pay any money. The Imposter and the Sub-Inspector went to the shop of one Karnati Pandurangamma a widow and tobacco vendor and demanded the accounts books to be shown but she refused to comply with, saying that they were not readily available with her. on 4.8.1978 the impostor demanded Rs. 1,000/ from one Miss Sabitha, M.A, student as a bribe to drop action threatening her that she was indulging in illegal activities.

(c) A case in Crime No. 85/78 under sections 419 and 420 IPC has been registered at Nar ekal Police Station and accused Muniratham was arrested and remanded to Judicial custody on 7-8-1978. The Sub-Inspector of Nakrekal Police Station has already been placed under suspension and disciplinary action is being taken against him. The Sub-Inspector's complicity in the above case is also being investigated.
Mr. Speaker:—Was it completely investigated and how many instances are like this? That is what he wants.

Sri M. M. Hashim:—The Superintendent of Police, Nalgonda conducted an enquiry and a case of cheating and impersonation was registered against this man.

Sri S. Jaipal Reddy:—Sir, The Home Minister was good enough to tell us that the imposter was assisted by the Sub-Inspector of Police. Therefore, he had also been placed under suspension. If he had assisted and if the complicity had been suspected, the Superintendent of Police should have prosecuted him. A case should have been registered against the Sub-Inspector of Police also. The Home Minister said that a case has been registered only against the imposter. The Sub-Inspector of Police concerned is a greater imposter than this imposter.

Sri M. M. Hashim:—Government has no desire to shield him. The Superintendent of Police has enquired into this also. The moment he is found guilty he will be prosecuted.

Mr. Speaker:—He is already found to be involved in this case.

Sri M. M. Hashim:—The Superintendent of Police has enquired into these matters. Now he is making a thorough enquiry about the Sub-Inspector of Police also to book a case.

Mr. Speaker:—In the answer you (Home Minister) have said that the imposter is assisted by the Sub-Inspector of Police. When you are categorical about that, then, automatically the Sub-Inspector of Police also should be included as an accused in the case.

Sri M. M. Hashim:—We have put him under suspension and the enquiry is going on.

re Clash between students of Polytechnic College and the crew of A.P.S.R.T.C.

Mr. Speaker:—He, along with the Sub-Inpector of Police visited the house of Dr. Ashwani Kumar, The impostor and the Sub-Inpector of Police went to the shop of one Karnati Pandurangamma. So, he is accompanying the impostor. Therefore, he is a co-accused. Therefore, he must be implicated as an accused.

Sri Ch. Parasurama Naidu—Such a responsible officer as Superintendent of Police when he was investigating how can he fail and why not disciplinary action be taken against the Superintendent of Police? The Superintendent of Police, being a responsible officer, has failed to investigate against the Sub-Inpector of Police. Therefore, action shall be taken now against the Superintendent of Police.

within three days we will issue instructions to the Superintendent of Police to make a thorough investigation and take necessary action including prosecution.

re: Clash between students of Politechnic College and the crew of A. P. S. R. T. C.

The clash between students of Politechnic College and the crew of A. P. S. R. T. C. took place on the morning of 23rd August, 1978. The conflict began at 08:00 a.m. and lasted until 12:30 p.m. The situation escalated due to a dispute over the use of a common area. The students and the crew members exchanged heated words, leading to a physical altercation.

The incident was reported to the authorities, and efforts were made to resolve the matter. However, due to the nature of the dispute, it was decided to conduct a formal inquiry to determine the cause of the clash and to take appropriate action. The inquiry was conducted by a panel appointed for the purpose.

Upon the conclusion of the inquiry, it was found that the clash was caused by a miscommunication between the students and the crew members. The students had planned to use the common area for their studies, while the crew members had planned to use it for their daily activities. The disagreement escalated into a conflict, leading to the clash.

As a result of the inquiry, the students and the crew members were advised to resolve their differences through discussions and to avoid future conflicts. The authorities also emphasized the importance of maintaining peace and harmony in the institution.

I wanted the opinion of all the experts in the country. Nobody has given the idea. I take the sentiments of the Hon'ble Members. Even myself not convinced why it has happened. I wanted all the particulars. I have got all the particulars. Still guaging is going on. So many people are at it. This carriage was constructed 12 years back. The flow of water is completely towards the bund side and from 3 years it has been changed from that side to the Calcutta side. The pressure of water is more. This everybody admits. The address of the House, 23rd August, 1978.

Mr. Speaker: - Mr. Chancellor of the Exchequer has left the House. The Adjournment Motion stands in the name of Mr. Walter Smith. It is understood that Mr. Walter Smith will not move it.

Mr. Walter Smith: - I beg to move, pursuant to notice given on 31st July, that no Statutory Instrument which has been laid before the House under the Statutory Instrument (Stationery) Act, 1941, is to be deemed to have been approved by the House until a Motion for its approval has been moved in the House of Commons on the day on which the Order in Council authorizing its laying before Parliament was made.

Mr. Walter Smith: - Mr. Speaker, I beg to move that the Finance Bill be now read a second time.

Mr. Walter Smith: - In the debate on this Bill, I trust the House will agree that the Government have, in the main, completed the programme for the reorientation of our domestic and external economic policies that was outlined in the Budget of March last. I believe that the measures already enacted have contributed to the recovery of the economy, and that the measures which I now propose will enable us to meet the challenges which remain. I am sure the House will recognize that the measures which I propose will involve difficult decisions and sacrifices on the part of many if we are to achieve our economic objective for the future.

They must be supported by necessary budgetary provisions. This programme will initially be taken up to cover all the Scheduled Castes and Scheduled Tribes. All the Scheduled Castes and Scheduled Tribes — as a few for such persons who are economically poor. The Government will evolve a scheme to provide relief to the unemployed matriculates and graduates belonging to Scheduled Castes and Scheduled Tribes and to some extent backward classes and the economically backward classes by devising a scheme for payment of allowance or stipend for a temporary period.”
Annual Financial Statement (Budget) for 1978-79 (General Discussion).
The Andhra Pradesh Government is planning to embark upon a massive rural housing programme as in Tamil Nadu and Kerala. Mr. Ranga Rao told Express News Service here to-day that it was the intention of the Government to formulate schemes for rural houses and to provide single room tenement free of cost to all the land-less poor and economically weaker sections. Houses would be constructed by the Government on the undistributed land so far. Each House would cost around Rs. 5,000.
for 1978-79 (General Discussion).

"The distribution of house-sites has to be further accelerated
and a programme for construction of houses should also be
taken up wherever possible, 'should also be taken up—
either simultaneously. And it may be added that the cost of
construction is a matter of concern. The cost is due to the
increase in the cost of materials and labour. The cost of
construction should be reduced to a minimum by using
local materials. The construction should be done in
localities where the labour is available. Also, the
construction should be done in stages. In this way,
the cost of construction can be reduced."

“As a further measure to improve the enrolment and to retain more number of children in the elementary schools incentive scheme like book-grants, attendance scholarships, uniforms, etc., are also provided for, besides the mid-day meals programme.”

“The quantitative increase has, however, not been matched with qualitative improvement because of some essential facilities like equipment, buildings, playgrounds not being provided.

The need for qualitative improvement in primary education is therefore exercising the mind of this Government for sometime and it has been decided to set upon independent organisation called ‘Abhyudaya Prathamika Vidya Samstha’ with necessary flexibility to improve primary education.

Chief Minister Dr. M. Channa Reddy said here to-day that a state-wide drive was proposed to be launched to unearth the concealed agricultural land.
Dr. Chenna Reddy explained that well he endorsed the view that fragmentation of land was uneconomic and could not reverse the policy in view of the social pressure. The Chief Minister was aware that allotment of banjar and surplus land was affecting grazing but the process of land distribution he said was set into operation long ago and there was no scope for him to modify it now.

Why should Prime Minister take so much of interest about an individual? Is he interested in every individual? At present, any individual can be considered during the preparation of the annual financial statement. The Prime Minister's interest in individuals is not limited to this. He takes a great deal of interest in the general discussion. Why should he take so much interest about an individual? Why shouldn't he take interest about every individual? Is this a good question? Sri Bhattam Sriramamurthy:—I have no objection to take him to be the spokesman of Mr. P. V. Narasimha Rao, but his correction is unwarranted. I was very cautious in quoting him.

Sri S. Jaipal Reddy:—Point of order Sir. I hold Sri Bhattam Sriramamurthy in highest personal esteem and I deeply value his feelings and sentiments, but I wanted to bring to the notice of the House and the Deputy Speaker that under the rules we cannot drag in the name of the Prime Minister. He has made a reference to the Prime Minister which is a matter of fact. Pending confirmation of that fact, I would request the Deputy Speaker in the Chair not to allow this to go into the Press.
