Statement placed on the Table vide clause (c)

The following are the salient features of the work done during the last five months since its inception.

1. The existing staffing pattern and facilities have been reorganised to provide adequate health cover for all the established commercial poultry farms and units in the State.

2. The Unit officers in-charge of commercial activities have been entrusted with financial powers necessary for the escalation of activities. The working of these units during the last five months showed two fold increase in the turnover in retail trade in eggs and poultry meat within the State.

3. The Corporation has established a Poultry Export Promotion Centre and entered the wholesale egg market. An agreement was entered into with wholesale egg Dealers Association of Bombay which commands a sizable portion of the Bombay market. Under the agreement, the Corporation is now supplying about 5 lorry loads i.e., about 7 lakh eggs per week from Hyderabad to Bombay.

4. The Corporation has become principal service centre for health cover, feed supply and marketing for poultry units set up under Centrally Sponsored Livestock Production Programme for Poultry in 5 districts viz., Nizamabad, Karimnagar, Warangal, East Godavari and Kurnool. The Poultry Marketing Units in these districts are being strengthened with additional vehicles and godown space.

5. The Corporation is also acting as the service centre for marketing feed supply and health cover for poultry units set up under Drought Prone Area Programme Scheme in Mahaboobnagar, Cuddapah, Prakasam and Chittoor districts.

6. The Corporation has so far assisted in procurement of about 24,000 grown up pullets of 3-5 months age from Corporation's poultry demonstration and Research farms or from the private poultry farms for Poultry Development in cyclone affected area.

7. A feed analytical Laboratory is being set up to have quality control for the Poultry feed supplied by private agencies.

8. Proposals are under way to establish a full fledged diagnostic Laboratory.

re: Location of A.P. Heavy Machinery and Engineering project, at Kondapalli instead of at Gollapudi-Rayananapadu.

Mr. Speaker:—Now, we will take up matter under Rule 329 regarding location of Heavy Machinery and Engineering Project. Short notice questions will continue there after.

MATTER UNDER RULE 329

re:—(1) Location of A.P. Heavy Machinery and Engineering Project, at Kondapalli instead of at Gollapudi-Rayananapadu.
30th June, 1978.

Matter under Rule 329:

re: Location of A.P. Heavy Machinery and Engineering Project, at Kondapalli instead of at Gollapudi-Rayananapadu.

The place of Kondpalli is ultimately more costly than the place of Gollapudi-Rayananapadu and hence the same is not proper.

ANNOUNCEMENT

re: Placing of starred and unstarred questions on the Table of the House

Mr. Speaker:—I am to announce to the House that answers to 56 starred questions and 70 unstarred questions received from the Government till 4.00 p.m. on 29th June, 1978 are placed on the table of the House to-day. They will form part of the proceedings. A copy each of these answers will be sent to the Members who have given notice of the Questions and another set of answers (Starred and Unstarred) will be placed in the Legislature Library for use of the Members.

ANSWERS TO STARRED QUESTIONS PLACED ON THE TABLE OF THE HOUSE

Misappropriation of excess money collected by Patwari of Kuluvarigudem

91—

*2 T—Sarvasri N. Raghava Reddy and Lakshminarayana:—Will the Minister for Revenue be pleased to state:

(a) whether Tahsildar of Huzur Nagar Taluk of Nalgonda District was in receipt of a petition from ryots during the last three months stating that the Patwari of Kuluvarigudem Village (Hamlet of Rayanigudem) had collected taxes on commercial crops and land Revenue in excess and misappropriated the same;

(b) if so, the action taken on the said petition; and

(c) whether action will be taken against the patwari and the person who are responsible for causing delay in conducting enquiry into the matter?

A—

(a) Yes Sir,

(b) The Revenue Divisional Officer, Miryalguda has conducted local enquiry. The enquiry revealed that delinquent Patwari has collected some excess amounts from the ryots and the allegations levelled against him are proved. As such the patwari has been placed under suspension pending enquiry and the Tahsildar, Huzur Nagar had been appointed as Enquiry Officer to conduct the enquiry.

(c) Action will be taken against the Patwari after the completion of the enquiry. The delay caused for taking immediate action on the application of ryots is only due to election work as well as Land Revenue collection.
Direct Elections of Sarpanchs and Samithi Presidents

92—

*2—U Sri N. Rangav Reddy, Sri A. Lakshminarayana:—Will the Minister for Panchayati Raj be pleased to state:

(a) whether the Government propose to take steps to elect Sarpanchs and Samithi Presidents directly in the ensuing Panchayat elections;

(b) if not, whether any changes will be made in this regard; and

(c) the nature of the changes contemplated?

A.—

(a), (b) and (c): The matter is under active consideration of the Government.

Stay Orders from High Court against Poor Pattadars.

93—

*3—C. Sri K.V.Pathi:—Will the Minister for Revenue be pleased to state:

(a) whether it is a fact that some well-to-do people are getting stay orders on some plea from High Court against the poor pattadars belonging to Harijans, Girijans and Backward Classes who have been given II—C Pattas (Chintamanulu) by the Government by including them as respondents leaving the Government as party and that they are getting them served through Revenue Department on the said poor pattadars who are in helpless condition due to economic backwardness; and

(b) if so, the reasons for not appointing Special Government Advocate in the High Court to appear for such poor pattadars free of cost?

A.—

(a) It is a fact that some well-to-do persons, whose tree pattas were cancelled by the Tahsildars in Chittoor District and assigned to the poor Harijans, Girijans and Backward Classes went to the High Court against the orders of Tahsildars and got stay orders; but in no case, the grantee was made a lone respondent. Since in all the writ petitions the Government have been impleaded as respondent, the Government Pleader, Revenue (NS), High Court appeared in the High Court and opposed the W.Ps on behalf of the Government.

(b) As the Government Pleader, Revenue (NS) is appearing in the High Court in all these W.Ps to oppose the same on behalf of Government the question of appointing a Special Advocate in the High Court to appear for such poor pattadars does not arise.
Withdrawing the Rule of Maximum Age Limit to Teachers

94—
*3—F—Sri Bhattacharyya: will the Minister for Education be pleased to state:
(a) whether the Government have since re-examined the order to withdraw the imposition of maximum age limit of 30 years for appointment of teachers under local bodies and Aided Managements; and
(b) if so, the results?

A—
(a) Yes, Sir.
(b) The G.O.Ms.No. 1089 Education dated 23—11—1977, prescribing the maximum age for direct recruitment of teachers under local bodies & aided managements was cancelled by G. O. Ms. No.494 Education dated 31—3—1978.

Committee to look into Amendments of Gram Panchayat etc.

95—
*3—1—Sri Bhattacharya:—Will the Minister for Panchayati Raj be pleased to state:
(a) whether it is a fact that the Government have appointed either an official or non-official committee consisting of Legislators and others for the purpose of going into the various amendments to the Gram Panchayat Samithis and Zilla Parishads Acts;
(b) if so, the members entrusted with this work and when will the report be made available;
(c) whether a copy of the report be made available to the member;
(d) whether the Government proposed to amend provisions of the Panchayat, Panchayat Samithis and Zilla Parishads Acts with a view to abolish the system of direct elections and replace them by an indirect election system;
(e) if so, the details thereof;
(f) whether any election schedule has been drawn up; and
(g) whether any instructions were issued to the administrative departments for gearing up the machinery for the above purpose?

A—
(a) No, Sir.
(b) Does not arise.
(c) Does not arise.
Answers to Starred Questions placed on the Table.

(d) No, Sir. There is no provision in the Act for direct election to the post of Chairman, Zilla Parishad.

e) Does not arise.

f) No, sir.

g) Does not arise.

Time bound Programme for Land Reforms

96—

*3-M.— Sri M. Venkaiah Naidu :— Will the Chief Minister be pleased to state:

(a) The details of time bound programme for implementation of the land reforms in respect of adjudication of the matter pending for distribution of lands etc;

(b) the time limit given for completing the programme;

(c) the extent of lands available for distribution in each of the Districts at the end of year 1977; and

(d) the lands estimated to be available for distribution?

A—

(a) and (b) The implementation of the Andhra Pradesh Land Reforms (Ceiling on Agricultural Holdings) Act, 1973 involves various stages, viz., (a) verification of declarations: (b) enquiry and determination of the surplus land; (c) taking over possession of the surplus land and its allotment: and (d) payment of amount for the lands surrendered. The verification of the declarations was completed by the end of June 1976. According to the programme drawn up, enquiry work is expected to be completed by the end of July, 1978. The bulk of the work relating to the taking over of possession of surplus land is expected to be completed by end of March, 1979.

However, the present Government are examining the entire question so that the schedule of performance would be abridged and the entire work completed ahead of what has been programmed now.

(c) A statement showing the particulars is enclosed.

(d) An extent of 16.22 lakh acres land has so far been declared surplus. Out of this extent, 11.84 lakh acres of land is covered by appeals. Hence the area not covered by litigation and available for distribution after observing formalities is 4.38 lakh acres. It is not possible to anticipate as to what extent out of 11.84 lakh acres covered by appeals will be available for distribution.

(a) The matter is under consideration of the Government.

(b) and (c) Government have decided to reduce the voting age of registered voters from 21 to 18 years. Consequent on this decision, fresh electoral rolls will have to be prepared. This work of preparation, printing and publication of electoral rolls is likely to take some time.

Government have also decided to reserve 14% of the Gram Panchayats in Panchayat Samithi for Scheduled Castes for the post of Sarpanch, Gram Panchayat and 5% of Gram Panchayats in the State as a whole for Scheduled Tribes in the office of Sarpanch, Gram Panchayats. A bill to amend the A.P. Gram Panchayats Act in this regard is being introduced in the Legislature.

Government are also considering making similar reservation for Scheduled Castes for the posts of President, Panchayat Samithi. After a decision is taken a comprehensive Bill for amending A.P. Panchayat Samithis and Zilla Parishads Act will be introduced in the Legislature.

After completing all these requirements Government propose to hold elections to Panchayat Raj Bodies.

Master Plans of Irrigation Development Corporation

34

10.— Sri K. Anki Reddy:—Will the Minister for Medium Irrigation be pleased to state:

(a) the Village wise, Taluk wise and District wise particulars of plans where the Irrigation Development Corporation will irrigate 73,232 hectares both in khariff and rabi, and

(b) the period by which the works can be completed?

A—

(a) & (b) At the instance of Govt. of India, the Andhra Pradesh State Irrigation Development Corporation Limited prepared a Master plan for construction of 1,800 tube wells and 218 lift irrigation schemes during the next five years from 1977—78 to 1981—82 for getting assistance of Rs. 67.00 crores under I.F.D.A. The irrigation potential that is expected to be created under the above scheme is in the order of 1,53,868 hectares in Kharif season and 1,22,000 hectares in Rabi season. Out of the above schemes, it is proposed to take up 390 tube well schemes and 50 lift irrigation schemes during 1978—79 in various districts of the state. The irrigation potential that is expected to be created under the 390 tube well schemes and 50 lift irrigation schemes is in the order of 36,613 hectares in Kharif season and 36,612 hectares in Rabi season i.e., 73,225 hectares in both the season
the village—wise, taluk—wise and district—wise plans of the above tube well schemes can be furnished only after their location are pin—pointed depending upon clearance accorded by the State Ground Water Department and the Central Ground Water Board and also the willingness of the beneficiaries for payment of water rates, etc., fixed by the Andhra Pradesh State Irrigation Development Corporation Limited. Similar is the position regarding lift irrigation schemes also, since the schemes could be implemented subject to availability of water at source, technical feasibility, economical viability, etc. Hence the acreage of 73,225 hectares both in Khariff and rabi season expected to be irrigated by these schemes is only tentative.

Two statements showing the details of 218 lift irrigation schemes and 1,800 tube well schemes proposed in the Master Plan are given below—:

(c) The steps taken by the Government in preventing such occurrence in future?

A—

(a) There was no attack of stem—covered disease on paddy in Srikakulam district during kharif 1977-78. However it is reported that there was incidence of swarming caterpillar in an area of 2000 acres in the blocks of Kothuru, Saravakala, Amadalavalasa, Gara and Narasannapeta.

(b) As there was no attack of stem covered disease, the question of taking steps to supply required pesticides does not arise. However steps have been taken to supply required pesticides to save the crops from the incidence of swarming caterpillar.

(c) Incidence of swarming caterpillar on paddy is rare occurrence in Andhra Pradesh except in Srikakulam district. When the pest appears in severe form in Orissa State, it migrates to the border areas of Andhra Pradesh State and causes damage to paddy crops in our border districts. It is very difficult to forecast the outbreak of swarming caterpillar. Therefore only control measures are to be taken up. Pest Surveillance was being taken up in the season to watch the pest menace. The required Plant protection chemicals, and equipment and Departmental personnel are available to control any pest in case of its appearance.

Payment to the Contractors who undertook digging Wells in Srikakulam District.

41—

154.—Sri Pydi Srirama Murthy:—Will the Minister for Panchayati Raj be pleased to state:

(a) Whether is it not a fact that an amount of Rs. 2 lakhs is due for payment to contractors who undertook to dig wells under rural water supply scheme in Srikakulam District; and
(b) if so, the steps taken for their payments?

A—

(a) Yes Sir. The Chief Engineer (Panchayati Raj) has informed that an amount of Rs. 5.90 lakhs is due for payment to the contractors for works taken up under Rural Water Supply programme in Srikakulam District.

(b) An amount of Rs. 4.90 lakhs has been released by Government so far for payment of above pending bills. The release of balance amount of Rs. 1.00 lakh will be considered after the budget for 1978 79 is voted for the full year.

Vacancy of the Post of Medical Officer in Headquarters Hospital, Salur

42.—

185—Sri S.R.T.P.S. Veerapa Raju:— Will the Minister for Health and Medical be pleased to state:

(a) whether the post of Medical Officer in the Taluk Headquarters Hospital, Salur Srikakulam District is vacant for a long-time; and

(b) if so, the reasons therefor and the time by which it will be filled up?

A—

(a) and (b): in November, 1977 the post fell vacant due to transfer of Dr. K. Gopalakrishna, Deputy Civil Surgeon on complaints and remained vacant for want of suitable substitute in the category of Deputy Civil Surgeon. Dr. V. Narayana Rao, Deputy Civil Surgeon has however, since been posted.

Filling up Posts in S.V.R.R. Hospital

190—Sri A. Easwara Reddi:—Will the Minister for Health and Medical be pleased to state:

(a) whether all the posts in the S.V.R.R. Hospital have been filled up with Civil Assistant Surgeons; and

(b) if not, whether the Government is contemplating to fill them up?

A—

(a) Yes, except certain leave vacancies of Woman Assistant Surgeons who proceeded on maternity leave.

(b) Action is being taken to fill up even the leave vacancies by posting candidates selected by the Andhra Pradesh Public Service Commission recently.
44—

193- Sarvasri Ch. Vithal Reddi, Sri S.R.T.P.S Veeraapa Raju and ri N. Raghava Reddi:— Will the Minister for Revenue be pleased to state:

(a) whether it is a fact that Sri Surendra Reddy Land-Lord of Pothalaguda Village an hamlet of Narsapur Taluk, Medak District, deforested the fertile forest on the plea that they are his lands, without the permission of the revenue officials;

(b) whether it is also a fact that on written complaints the officials had taken the possession of the timber thereon;

(c) whether it is a fact that the District Revenue Officer (Medak) has imposed Rs.10,000/- as penalty and released the timber; while the value of timber is about Rs. 20,000/-

(d) the basis on which penalty in the above manner has been imposed in violation of the Act and;

(e) how the District Revenue Officer had released the timber in violation of the rules; and

(f) whether the Government will issue orders to put the timber to auction and levy penalty after the assessment of the value of the timber and the action to be taken against the officer who violated the rules?

A—

(a) Sri Surendra Reddy, land lord, Donthi has illegally cut down the timber without permission in his patta lands situated at Pothulgada, Osrikapally and Donthi Villages. The lands are patta lands except S.No.526 of Donthi Villages which is panmaktha under Dasta-gardan and which is under possession of Sri Veankat Gopal Reddy, f/o Surendra Reddy.

(b) on receipt of written complaints, the timber was seized and taken under the custody of village officers.

(c) on receipt of information from the Tahsildar and Assistant Collector, Medak about the illegal cutting of timber, the District Revenue Officer, Medak imposed a compounding fee Rs.10,000/- towards penalty for illegal cutting of timber which has been permitted by the pattadar. The compounding fee Rs.10,000/- was imposed on the pattadar for cutting of the timber in anticipation of sanction. It is not the value of the timber. It was deemed as an exemplary punishment imposed on the land-lord for cutting the forest growth without prior permission. Strict instructions have also been given to Tahsildar Narsapur and Divisional Forest Officer, Medak to have vigilant watch
over the attached timber. The timber cut down has not been released to the pattadar. The realise of this timber will be considered only after the pattadar proves that the timber cut down is on his patta land.

(d) The penalty was imposed in pursuance of Section 46 (A) (5) of the Andhra Pradesh Land Revenue Act 1907, Fasli.

(e) The timber has not been released to the pattadar. So, the question of violation of rules in this regard does not arise.

(f) The position has been explained in (b), (c), (d) and (e) above.

Crushing of Sugar Cane at Sri Venkateshwara Sugar Factory, Renigunta.

45—

211—Sri Agarala Easwara Reddy:— Will the Minister for Small Scale Industries be pleased to state:

(a) whether the crushing of the sugarcane has taken place at Sri Venkateswara Sugar Factory?

A.—

(a) Yes Sir. The factory started trial crushing on 22-3-78.

Vacancy of a Doctor's Post at L. F. Dispensary at Banaganapalli Tq.

46—

226.—Sri K. Anki Reddy:—Will the Minister for Panchayati Raj be pleased to state:

(a) whether it is a fact that a Doctor post at Local Fund Dispensary at Owk, Banganapalli Taluk is vacant;

(b) whether it is fact that this Owk is a major Panchayat with a population of 10,000 and this dispensary is serving for nearly 40 villages having population of nearly 50,000 who are not having proper and immediate medical aid; and

(c) whether the Hon'ble Minister directs the Special officer, Zilla Parishad for posting of a doctor at once?

A.—

(a) No Sir.

(b) Owk is a major Panchayat and the population is 5,571 as per census register of 1971. There are 3 medical institutions in Banaganapalli Taluk viz., Primary Health Centre at Palkur, Rural Dispensary at Tangatoor and Local Fund Dispensary at Owk, and these are serving 54 villages in the Taluk.

c) Does not arise.

Assignment of land in Korlakunta village to ex-Serviceman

47.—

227—Sri Gouthu Letchanna:— Will the Minister for Revenue be pleased to state:

(a) whether land in S. No. 186/1 of Korlakunta village, Nuzvid taluk of Krishna district was assigned to ex-servicemen;
(b) if so, the extent of land so assigned;
(c) whether the Commissioner of Survey and Settlements has subsequently initiated action to cancel the assignment order; and
(d) if so, the reasons therefore?

A—

(a) and (b) Yes sir, An extent of Ac. 109—35 covered by R.S. No. 186/1 of Korlakunta village in Nuzvid taluk of Krishna district was granted to 43 ex-servicemen.
(c) Yes Sir.
(d) There were representations from the local Harijans who had sivajama rights for assignment of this land to them only.

Collection of non-agricultural lands assessment at Saidabad.

48—

246—Sarvasri Poola Subbaiah, K. Govinda Rao and M. Omkar:— Will the Minister for Revenue be pleased to state:

(b) Whether it is a fact that notice for the collection of non-agriculture tax are issued to the house owners of Saidabad colony, Hyderabad; and
(b) if so, the reasons therefore?

A—

(a) Yes, Sir.
(b) Section 3 of the Andhra Pradesh Non-Agricultural Lands Act, 1963 provides for levy and collection of non-agricultural lands assessment from the owners of non-agricultural land at the rate specified in column (4) of the schedule to the Act, where the land is used for residential purpose.

Electrification of Harijanwadas and Girijanwadas of Sydapuram in Nellore District.

49—

253.—Sri Nallapareddi Sreenivasul Reddi:— Will the Minister for Finance and Power be pleased to state:

(a) Whether it is a fact that eventhough the firka headquarters Sydapuram in Nellore District was electrified, its harijanawades and girijanawadas have not been electrified so far;
(d) if so, the reasons therefore; and
Answers to unstarred Questions 30th June, 1978, 161

placed on the Table.

(c) when all the harijanwadas and girijanawadas of Sydapuram will be electrified?
A —

(a) No Sir. The Harijanawada and Arundhatiwada attached to Sydapuram have already been electrified.
(b) Does not arise.
(c) There is a newly inhabited Harijan Colony near Sydapuram which has not been electrified. Recently an application has been registered and estimate of Rs. 24,000/- for extending supply to this new colony is under process for sanction by the Superintending Engineer (Operation) Nellore. After sanctioning the estimate and execution of the street light agreement, the supply will be extended during 1978-1979.

Production by the Nandyala Co-operative Sugar Factory

50.—
257—Sri E. Ayyapu Reddy;—Will the Minister for Small Scale Industries and Sugar be pleased to state:

(a) whether it is a fact that the Managing Director of Nandyala Co-operative Sugar Factory persuaded the ryots of the area to grow sugarcane;
(b) whether he gave a categorical assurance that the cane produced would be purchased;
(c) the total quantity of cane grown;
(d) whether the factory purchased the cane; and
(e) if not, the reasons therefor?

A.—

(a) Yes Sir.
(b) An undertaking was given to all the cane growers in the area in general, by means of a pamphlet that the factory will undertake marketing of the cane to produce by the cane guardsto the other agriculturists by subsidising transport charges etc.
(c) 13,374 M. Ts of sugarcane was grown at the rate of about 35 M. Ts. per acre.
(d) The factory has not commenced production. It however purchased 2,730 M.Ts of Sugarcane for seed purpose. The factory is trying to dispose of the surplus cane.
(e) Does not arise.

Construction of 132 K.V. line between Ramagundam and Karimnager.

51—
258—Sri E. Ayyapu Reddy;—Will the Minister for Finance and Power be pleased to state:

(a) whether it is a fact that the construction of 132 K.V. line between Ramagundam and Karimnager was entrusted to M/s. Surjit and company, Secunderbad;
(b) If so, the rate at which the work was entrusted;
(c) whether tenders from other firms were received for this works;
(d) if so, the rates quoted by these firms;
(e) whether M/s. Surjit and Company have been blacklisted; and
(f) if so, the reasons therefor?

A—

(a) Yes, Sir.
(b) The contract value was Rs.3,27,440.50 Ps. (Rupees three lakhs twenty seven thousand four hundred forty and paise fifty only).
(c) Yes, Sir.
(d) The names of other firms and comparative prices quoted by each of them are given below:-

</tbody>
</table>

(e) No orders to blacklist M/s. Surjit & Company were issued. But due to proven incompetence of the firm to carry out erection works, their quotations for similar works were being ignored and passed over.

(f) The reasons for ignoring the subsequent offers of M/s. Surjit and Company are given below:

(i) As per the contract agreement the target date for commissioning Ramagundam-Karimnager 132 K.V. SC Line was 9/75. Though the orders were placed on M/s. Surjit & Company on 4-11.1974, the Company could complete by January, 1975 only about 8% of the total work.

(ii) The Superintending Engineer reported that the Company did not have the requisite technical know-how or financial resources to execute a full 132 K.V. line from excavation to stringing and that
they cannot, therefore, be expected to complete the line entrusted to them within any reasonable time.

(iii) The Superintending Engineer and the Executive Engineer also reported that the quality of work done by the Company was substandard and that the Company did not improve the quality of work even after repeated requests.

(iv) Keeping in view the proven incompetence of the firm and having regard to the urgency to charge the Extra High Tension (EHT) line on priority in time for serving the people of Karimnagar and surrounding areas, the contract was cancelled by the Chief Engineer Electricity (Projects) on 2-9-1975 and alternate arrangements were made to complete the balance work departmentally and through other agencies. But M/s Surjit and Company represented to Board to restore the contract promising earnest execution of the work with improved tempo. The Board considered their request and kept the termination orders in abeyance under mutually agreed conditions including appointment of subcontractors and splitting the balance works between sub-contractors and M/s. Surjit and Company to expedite execution of works. Even the limited scope of work entrusted to M/s. Surjit and Company could not be executed in time. Finally, the departmental gangs were pooled up from various parts of the State and pressed into service to save time. Ramagundam-Karimnagar 132 K.V. line could be finally completed and charged on 15-3-76 against the target date of 9/75 due to the failure of M/s. Surjit and Company.

(v) In order to avoid recurrence of the bad experience, the Board had with M/s. Surjit and Company in the execution of E.H.T. line, it was decided to ignore the offers of the Company for similar works.

Purchase of Conductors by the Electricity Board

52.—

165—Sri S: Jaipal Reddy:- Will the Minister for Power be pleased to state:
(a) whether it is a fact that the Electricity Board through its tender call No. CEBT 1919 of 1977 purchased conductors;
(b) if so, the total amount spent on this purchases;
(c) the details of rates quoted by various firms in this regard;
(d) the name of the successful tender in whose favour the supply order was issued;
(e) whether the firm, which undertook the supply, claimed enhancement of rates under the price variation clause; and
(f) if so, whether the claim has been accepted and the excess amount paid for this regard?

A—

(a) Yes, Sir.
(b) Purchase orders valuing Rs. 8,19,27,636.25 Rs. (Rupees Eight crore nineteen lakhs twenty seven thousand six hundred and thirty six
164 30th June, 1978. Answers to unstarred Questions placed on the Table.

and paise twenty five only) were placed on various companies. This is exclusive of Excise Duty and Sales Tax which is extra.

(c) The details of rates quoted by various firms for various sizes of conductors are in the enclosed Statement.

(d) The names of tenders on whom orders were placed for supply are given below:

10. M/s. Coastal Cables, Vijayawada.
23. M/s. Bharat Conductors, Bangalore.

(e) The rates quoted and accepted in respect of all the firms are variable. So, any increase or decrease in the cost of raw materials i.e., E.C. Grade Aluminium, Properzi Rod and H.T.G. steel wire is to the account of the Board. The price indicated in the purchase order is based on the cost of E.C. Grade Aluminium, Properzi Rod as on the date of issuing of purchase order and that of the H.T.G.S. Wire is based on the price existing on 1—4—1977. Hence, the suppliers are entitled to prefer supplemental claims towards difference in the cost of raw materials procured by them for manufacturing conductors and the claims will be regulated in terms of the price variation formula incorporated in the purchase order. Certain firms had submitted price variation claims towards supplies made by them.

(f) The price variation claims preferred by certain firms are under scrutiny to determine the extent of eligibility. Some balance claims are yet to be received from the suppliers.

Fertilizers Mixing Plants at Bodhan & Bellampalli

57—

297—Sri S.Jaipal Reddy:- Will the Minister for Agriculture be pleased to state:

(a) the value of Fertilizer mixing plants at Bodhan and Bellampalli of the Hyderabad Chemicals and Fertilizers Ltd., which have become defunct:

(b) Whether it is also a fact that the company has spent Rs. 1 1/2 lakhs on the Watch and Ward staff at Bellampalli and Bodhan;

(c) if so, the reasons for incurring this un-productive recurring expenditure by the Company?

A—

(a) The original purchase price of Fertiliser mixing plants at Bodhan and Bellampally, their present Book value etc. are as follow:

<table>
<thead>
<tr>
<th>Original Purchase Price</th>
<th>Present Book value</th>
<th>Market value i. e. offers the same make received.</th>

<td>Bellampally 95,000 (after working condition shifted to Moula All Factory)</td>
<td>Rs.9,181</td>
<td>No offers were received.</td>
<td>Rs. 1 lakh.</td>
</tr>
</tbody>
</table>

(b) Yes Sir.

(c) The company has been trying to dispose of the idle mixing plant at Bodhan. Efforts were made several times by way of newspaper advertisements etc. for the sale of the mixing plant, but no good offers were received so far for its sale. Shifting the Plant to Moula Ali, Hyderabad involves expenditure on dismantling, transporation and erection at the new place. The Fertilizer mixing are not in good demand to justify the shifting. Pending the disposal of the mixing plant at Bodhan, the Watch and Ward Staff consisting of two Chowkidars is maintained instead of abandoning the plant.

At Bellampalli, the Company is having about 160 acres of land and also factory Building, residential quarters etc. The Plant and Machinery etc. of Bellampalli factory were shifted to Moula Ali,
Hyderabad in 1966-67. The assets at Bellampalli are lying idle and waiting for disposal. The company has been trying to sell away of idle assets at Bellampalli. Some buildings are rented at godowns to the Food Corporation of India for rent of Rs.80,000/- per annum. The other buildings and 32 acres of land are under sale to Forest Department for Rs.4.67 lakhs. The matter is under finalisation. The Company is trying to sell away the remaining portion of the land also. Pending disposal of these idle assets, one Assistant and Watch and Ward staff consisting of nine casual workers are maintained to look after the rented buildings and other assets of the company.

As soon as the idle assets of the Company at Bodhan and Bellampalli are sold away, the Watch and Ward staff will be withdrawn.

Formation of new Tank at Konda Village

335—Sri N. Sreenivasul Reddy:—Will the Minister for Medium Irrigation be pleased to state:

(a) whether investigation has been done to form a new tank at Kandra Village in Guntur Taluk of Nellore District;
(b) the estimated cost of the scheme; and
(c) when will the work of formation of the said tank be started and completed?

A—
(a) Preliminary Investigation of the above scheme has been done and proposals are with the S.E. Irrigation Circle Nellore who is examining the yield position.
(b) The cost of the scheme cannot be intimated at present till the detailed investigation and estimate are completed.
(c) The starting and completion of the scheme depend upon the availability of funds after completing the formalities like detailed investigation and estimation etc.

Pumping Scheme To Nayudu Tank

348—Sri Nallapareddi Sreenuvel Reddi:— Will the Minister for Medium Irrigation be pleased to state:

(a) whether the Andhra Pradesh State Irrigation Development Corporation has received a representation from Mr. N. Sreenivasul Reddi M.L.A., to formulate and execute a pumping scheme to pump out water from a rivulet nearby to give filling to Nayudu tank at Kadagunta Village in Venkatagiri taluk of Nellore District;
(b) if so, the action taken thereon;
(c) the estimated cost of the scheme; and
(d) when will it be implemented?
Answers to unstarred Questions placed on the Table.

A—

(a) Yes Sir.

(b) The Field Officers of the A.P. State Irrigation Development Corporation Limited have been instructed to conduct a preliminary investigation of the scheme and submit a report.

(c) & (d) This can be assessed only after the report of preliminary investigation is received and examined.

Electrification of Kadagunta Harijan Cherries

60.—

350—Sri Nallapareddi Srinivasul Reddi:—Will the Minister for Finance and Power be pleased to state:

(a) whether it is a fact that the harijan cherries at Kadagunta in Venkatagiri taluk of Nellore District are not electrified even though the main village Kadagunta is electrified;

(b) if so, the reasons therefor; and

(c) when will the harijan cherries of Kadagunta be electrified?

A—

(a) The village Kadagunta in Venkatagiri taluk is reported to have two harijanwadas. One harijanwada by name Arundhatenagar was electrified on 15-11-1972 along with main village. The second Harijanwada is not electrified.

(b) It is reported that an estimate was sanctioned to extend supply to the second Harijanwada and Girijanwada of Kadagunta in 1972-73, involving 1.2 K.M. of Low Tension line but it was not executed, due to non-execution of street light agreement by the Sarpanch.

(b) if so, when the proposal will materialise;

(c) whether the Collector, Nellore has received a representation in 1978 from Mr. N. Sreenivasulu Reddy to organise the said Society;

(d) if so, the action thereon;

(e) the reasons for the delay in organising the said Society; and

(f) when the said Society will come into existence?

A——

(a) Yes, Sir. It has been mooted at the instance of Sri N. Srinivasulu Reddy, M.L.A.

(b) There are about 200 brick workers in Kampalem Harijanwada Venkatagiri Taluk, Nellore District and there are at present few persons engaged in this industry. But even these workers are stated to be away to other places in search of work order. The registration of the Society can be taken-up only after the statutory minimum No. of 10 different promoters sign necessary documents and submit the same to the Assistant Director, Industries and Commerce for according registration.

(c) Yes, Sir.

(d) The representation dated 19-4-1978 of Sri N. Srinivasulu Reddy received by the District Collector, Nellore has been forwarded to the District Co-operative Officer who in turn sent the same to the Assistant Director, Industries and Commerce, Nellore. On receipt of this the Assistant Director, Industries & Commerce Department deputed his field staff to make preliminary investigation into the matter.

(e) The field staff of Industries and Commerce Department are reported to have visited Kampalem Harijanawada on 19-5-1978. They were informed that the majority of the workers in the colony had been to other villages for seeking their livelihood by engaging in brick work industry and would return after some time. It is reported that the promoters have to consult with all the co-workers before they decide to finalise formalities for formation of the Co-operative Society, as all the interested persons have become members by subscribing the share capital. According to the existing rules a minimum of Rs. 500/- have to be collected as share capital from members. They said they would come forward with proposal as soon as Co-workers return back to the village. In the circumstances, there is no delay in the matter.
(f) The question of the Society's coming into existence arises only after the members return back to the village and decide themselves to form into a Co-operative Society collecting the minimum share capital from members as required under rules and after completion of other formalities.

(c) the number of persons arrested in this context?

A—

(a) It is a fact that dances were arranged by securing dancing girls from Madras on the night of 17-4-1978 at Vayalpad in connection with Srirama Navami. No naked dances were held but in the ‘record-play dance’ the girls were scantily dressed and their dances were obscene. The dance were organised by the local temple trustee, who belongs to Janatha party. Some Congress (I) workers objected to the dances. This led to the clash. A case was registered as Cr. No. 34/78/u/s 147, 148, 448 and 352 I. P. C. of Vayalpad Police Station.

(b) On 19-4-1978, both the parties again came to clash when stones and country bombs were hurled at each other by the rival groups resulting in four persons sustaining very simple injuries. These incidents were registered in Ct. Nos. 37 and 38/78 u/s 147, 148 and 324 I. P. C. and 3 of Indian Explosives Act and are under investigation.

(c) No arrests were made as all the accused have secured anticipatory bail.

Answers to unstarred Questions placed on the Table

A—

(a) The Jerripothulapalem village is situated below F. R. L. (i.e.) * 61. 00 ft. and it was proposed to be shifted to Venkatapuram and Jerripothulapalem Rehabilitation Camp Colonies;

(b) During the Joint inspection by the Revenue and Irrigation and Power Department officials, it was decided to rehabilitate 141 Nos. of families in the above two rehabilitation colonies i.e. 107 families in Venkatapuram and 34 families in Jerripothulapalem Rehabilitation colonies. All the displaced families were allotted plots in Venkatapuram and Jerripothulapalem rehabilitation colonies.

It is further informed that a temple was also constructed at a cost of Rs. 9,000/- in Venkatapuram Rehabilitation colony and for School building it is proposed to allot one block of Building in Mehadrigedda Reservoir Camp Colony for locating a School for the rehabilitated people at Venkatapuram Colony.

Regarding the Jerripothulapalem rehabilitation colony, 9 Nos. of huts are erected so far, out of 34 Nos of plots allotted. A separate school building and a temple for Jerripothulapalem Rehabilitation Colony are also to be constructed as the existing temple and the school in Mehadrigedda Reservoir Camp Colony are situated at about 6K. M. from Jerripothulapalem village.

By the time, the Jerripothulabalem Colony is occupied by the 34 Nos. of families, the School building and the temple would be constructed in the Jerripothulapalem colony also.

(b) & (c): In addition, one open well has been proposed and work is expected to be taken up soon.

Seed producing Companies at Vakadu

*904—By Sri Nallapareddy Srinivasulu Reddi:—Will the Minister for Agriculture be pleased to state:
(a) The number of seed producing companies at Vakadu in Nellore dist;

(b) Whether those companies have exported paddy to Kerala in 1975 and 1976 in the name and guise of seed;

(c) Whether the paddy was seized;

(d) The action taken thereon;

(e) The persons involved in this smuggling business;

(f) Whether any arrests were made;

(g) Whether charge sheets were filed in courts; the charges mentioned in the charge sheet; and

(h) Whether judgement has been delivered?

A—

(a) The number of seed producing companies in Vakadu, Nellore dist; are two; viz. (1) M/s. Karshak Seed Producing Agency, and (2) M/s. Vijaya Seeds Corporation Jalna with a branch at Vakadu.

(b) The following quantities of paddy seeds were exported to Kerala State in the year 1975 by M/s. Karshak Seed Production Agency, Vakadu.

Total: 45 998 Kgs.

With regard to export of paddy seed to Kerala during the year 1978, 467 bags of paddy in the guise of seed (50Kgs. each) was booked to Angamalai in Kerala State in the name of M/s. Hindusthan Seed Corporation, Vakadu, from Guduru Railway Station. This is an unregistered and fictitious firm. The stock of this paddy was booked to circumvent, “Regulation of Rice Order 1963.”

(c) Yes. Sir. Seizure was made at Angamalai in Kerala State and the wagon was sent back to Nellore.

(d) The Deputy Superintendent of Vigilance cell, Nellore, proceeded to Angamalai in Kerala on 1–3-76 and traced the wagon containing paddy booked from the Railway Station on 22-2-76. The seizure was made on 22-2-76. There were 4 consignments of paddy seed sent earlier from Gudur Railway Station to Angamalai for Kaladi which were already delivered to the parties whose addresses were not available in Railway records and hence could not be traced, inspite of deputation of an officer to Kerala to enquire and obtain information.
The samples from the last consignment seized on 12-2-76 were sent to the seed Testing Laboratory Rajendernagar for testing. According to the Assistant Director of Agriculture Seed Testing) out of 467 bags (each of 50 Kgs.) of paddy seized by Vigilance Cell, 128 bags contained Molagolakulu Variety and it was not possible to specify the variety of paddy in other bags. The Assistant Director of Agriculture (Seed Testing Laboratory) has further stated that the Molagolukulu variety is not a notified variety under seed Act, 1966. According to the expert, the entire paddy was fit for sowing purposes with a percentage of germination ranging between 82 bags and a purity of 99.7%.

The opinion of handwriting experts was also obtained to prove the handwriting of the accused Sri N. Padmanabha Reddy, and his Clerk Sri Gopinath and it is established that some of the contested consignments were booked by Sri Gopinath.

(e) Sri N. Padmanabha Reddy and his Clerk Sri Gopinath.

(f) Yes, Sir. Both Sri N. Padmanabha Reddy and his clerk Sri Gopinath were arrested.

(g) A case was filed under section 6 (a) of Essential Commodities Act in the Court of D.R.O., Nellore for contravention of Sec .3 of SSER Order.

(h) As both the accused disowned paddy stock seized by Vigilance Cell, the DRO, Nellore, ordered confiscation of the same to Government and an amount of Rs. 27,000/- was realised and credited to Government account.

At this stage the Director of Vigilance Cell referred the matter to the P.R.O., for legal opinion. He opined that the concerned officials of the Railway and Agricultural Department have also conspired and connived with Sri N. Padmanabha Reddy and his Clerk Sri Gopinath in the commission of offences under Sec 7 of the seed Act, 1966, and C. 6-7 8 of the Seed rules, 1968. As the offences under Seed Act are non-cognisable the P.R.O. advised to seek permission of the concerned Magistrate for further action.

In view of the above, the Director of Vigilance Cell stated that he ordered that further action under SSRER order to be dropped, and prosecution launched against the concerned officers of the Agriculture and Railway Departments and also against Sri Padmanabha Reddy and his Clerk Sri Gopinath for the offences committed under Seed Act, 1968. At this stage, the matter was taken up by the Director of Agriculture and processing was done to launch prosecution against the officers of the Railway and Agriculture Departments and the party. But it was seen that there was no effective case to launch prosecution under Seed Act and Seed rules. In view of the above, further action in the matter was dropped.
Milk Chilling Plant at Venkatagiri.

99.—
907—Sri Nallapareddi Srinivasul Reddy:—Will the Minister for Animal Husbandry be pleased to state:
(a) whether tenders have been called for the civil works for locating the milk chilling plant at Venkatagiri in Nellore District:
(b) the reasons for the abnormal delay in starting the work, and
(c) the period by which the work will be started and completed?
A.—
(a) Yes, Sir.
(b) The estimated cost of this chilling centre is Rs.14.70 lakhs, out of which Rs. 7.0 lakhs is to be sanctioned from Six Point Formula Funds or Small Farmers Development Agency as agreed to by the District Collector. The approval of the State Planning Board to the Scheme has not yet been received.
(c) The work will be started as soon as the approval of the State Planning Board is received and scheme sanctioned.

Seed Development Farm at Jangamaheshwarapuram.

100—
1205—Sri K. Govinda Rao;—Will the Minister for Agriculture, be pleased to state:
(a) The total extent of land under the control of the Seed Development Farm at Jangamaheshwarapuram, palnad Taluk, Guntur district;
(b) The extent of land under the cultivation in the said farm;
(c) Whether it is a fact that most of the area under the control of Agricultural Farm has been full of weeds by name ‘Jammu’ without any cultivation of seed development;
(d) if so, the reasons therefor;
(e) Whether the Government are aware of the fact that landless poor of the neighbouring Villages have been forcibly evicted from the said tank poramboke which has been handed over to the Agricultural Department for raising seeds beds;
(f) Whether the Government now consider to keep sufficient area for development of seeds and distribute again the balance waste land to landless poor for cultivation;
(g) If not, the reasons therefor; and
(h) Whether it is also a fact that the said Agricultural Farm has been handed over to the A. P. Agricultural University now?
Matters under rule 329: 30th June, 1978.

re: Remission Land Revenue to the ryots of cyclone effected areas.

A—

(a) The total extent of land under the control of State Seed Farm, Jangamaheshwarapuram, Planad Taluk, Guntur district is 452.36 acres.

(b) The cultivation on the farm is in 137.58 acres.

(c) There is an area of 73.85 acres having Jammu weed without being cultivated out of the total area of 452.36 acres.

(d) This area could not also be cultivated after reclamation and ploughing with heavy tractors, etc. The same is not done for want of budgetary provision, involving heavy expenditure.

(e) The Seed Farm lands in tankbed area of Nanamma tank comprising to an extent of 428.25 acres was handed over to the Agriculture Department on 18-4-67 and later additional area of 24.11 acres was acquired for construction of Farm buildings, etc. There is no information regarding forcible eviction of the landless poor, as the P. W. D. handed over the lands to the Agriculture Department in the year 1968.

As per the report of the ADA incharge of the Farm an area of 64.07 acres is still under the occupation of Harijans which is said to have been alienated by the Collector, Guntur, to the said Harijans.

(f) It has been decided to keep the entire farm area for production of nucleus and foundation seed by the A.P. Agricultural University for supply to the A.P. State Seeds Development Corporation under the National Seeds Project aided by World Bank and accordingly the Farm has since been handed over to A.P. Agricultural University.

(g) Does not arise, in view of the answers at (F).

(h) Yes. The farm was handed over to A.P. Agri. University with effect from 1-4-1978.

re: Production of original certificates by the Medical graduates, at the time of appointment.

Sri A. Madan Mohan:—The candidates recently selected by the Andhra Pradesh Public Service Commission have been offered temporary appointments only, pending verification of their antecedents and physical fitness, in order to fill up the large number of vacancies existing in various medical institutions in the State. At the time of joining duty, the candidates have to necessarily produce originals of their certificates, but as they had all been selected after their original certificates had been verified by the Andhra Pradesh Public Service Commission, it is enough if they produce attested true copies of the certificates to the Heads of Institutions where they are posted.

According to Andhra Pradesh Leave Rules, unless a candidate oints duty and services for a period of atleast one year under the Government, he is not entitled for any Extra Ordinary Leave or study leave. Previously, no candidate was given such leave immediatly on joining duty, even if it is for prosecuting post-graduate courses. and only such candidates who were working as temporary Civil Assistant Surgeons already for more than two years as on 1-1-1973 and who were subjected to Special Qualifying Test for regular appointment, were allowed to join the post-graduate course without insisting on their resignation. The candidates recently selected by Andhra Pradesh Public Service Commission are now appointed only on a temporary basis pending completion of formalities like verification of antecedents etc. These candidates will be offered regular appointments only after t

Antecedents are verified and other formalities gone through. All these formalities will take considerable time in view of the large number of candidates involved. Even if any candidate fails to join duty now as temporary Civil Assistant Surgeon because of his doing post-graduate course, or otherwise he will not lose his chance for regular appointment. Regular appointment will be offered to him only after completion of formalities and he will be allowed 60 days time to join duty when such regular appointments offered. By the time the antecedents are verified, the candidates who are now in the final year post-graduate course would have taken their examination and there would not be any difficulty for them to join duty when they are offered regular appointment. The problem would arise only for those who are in the 1st and 2nd year post-graduate courses now. The cases of such candidates would be considered sympathetically.

Matter under Rule 329

re: Health condition of Kum. Yamuna in Gandhi Medical Hospital, Warangal, due to negligent treatment.

Sri S. Jaipal Reddy:— This is not a case which has to be seen in isolation. This is only an illustrative example of what is happening in our Government Hospitals. Our Minister appears to be taking the issue in an isolated perspective. Secondly, in regard to the enquiry has been instituted so far. She was admitted on 1st May; she has been unconscious for the last 55 days. No Enquiry has been so far. The records have been tampered. Therefore, I would request the Minister not only to send an Expert for enquiry but also a High-Power official from Secretariat and that Enquiry Committee should not only enquire into this question but also into other incident that Mr. Jagan natham referred to.

can’t at this rate take strain and I cannot allow the officers to strain themselves. I am supposed to get myself prepared with all the information possible, to see that my work is done.

There is an impartial Committee should be appointed, which has to go into the merits of the case and also into the cases of several hospitals and submit a report. On the basis of the report action has to be taken and then only there is security of life or else people will die.

re: Delay in payment of the compensation for the sites acquired by the Tenali Municipality.

The insurance company will pay. The doctor will be paid for this malpractice. Why can't the Government think of a scheme of covering all the doctors by malpractice insurance.

You must refer this case to the Medical Board. Are you prepared or not?

re: Non-spending of amounts sanctioned for Education by Z.P., Visakhapatnam.

The Chief Minister (Mr. K. R. Narayana):—Shri Narasimha Rao, Secretary, Municipal Administration Department, informed me that the amounts sanctioned for Education in Visakhapatnam as at 31st March, 1978, were Rs. 5,27,880-88. Out of this the sums of Rs. 4,27,498-84, Rs. 1,47,760-05, and Rs. 1,82,622-00, have been spent on Education, leaving the amount un-spent Rs. 5,27,880-88. The reasons for non-spending of these amounts are:-

1. Sanction of Rs. 1,47,760-05 was approved for the construction of a school at Sethuram, but as the site was not available, the work could not be undertaken. The deficiency was not rectified within the stipulated time.

2. The amount of Rs. 1,82,622-00 was sanctioned for the purchase of school furniture. As the furniture was not purchased within the stipulated time, the amount had to be returned.

3. The amount of Rs. 4,27,498-84 was sanctioned for the purchase of school furniture, but as the furniture was not purchased within the stipulated time, the amount had to be returned.

The Minister for Municipal Administration informed me that steps are being taken to rectify the deficiencies and ensure that the amounts sanctioned are spent on Education as soon as possible.

The estimate of Rs. 4,64,918-04 for 1970-71 and Rs. 1,40,000 for 1972-73 has been revised to Rs. 4,64,918-04 and Rs. 64,000 respectively. The Minister informed me that the deficiency in the estimate for 1970-71 was due to the non-spending of the amount sanctioned. The Minister said that steps are being taken to ensure that the amounts sanctioned are spent on Education as soon as possible.

re: Decision of Tobacco Board to allow to raise Vargeenia Tobacco only in certain areas.

The Hon'ble Member:

You have pointed out that the Tobacco Board has decided to allow the cultivation of Vargeenia tobacco only in certain areas.

In this regard, I would like to bring to your notice that the cultivation of Vargeenia tobacco is currently permitted only in certain specified areas.

Therefore, I request that the cultivation be allowed in all suitable areas to optimize the production and ensure a steady supply of Vargeenia tobacco.

Yours faithfully,

re: Large scale arrests of tribal in Chinthapalli, Visakhapatnam. Dt.

In the month of June 1978, a large number of tribal people were arrested in Chinthapalli, Visakhapatnam. The arrests took place on 14th of June. The arrested people belonged to the tribal community and were mainly from the Chinthapalli area.

The arrests were carried out by the police in the early hours of the morning. The arrested people were taken to the police station and were kept in custody.

The tribal community has expressed its concern over the arrests and has appealed to the authorities to release the arrested people immediately.

Dear Sir,

The situation in Chinthapalli is very tense. The people are extremely upset and are demanding the release of the arrested people. The police have not provided any explanation for the arrests.

We request you to take immediate action to ensure the safety and security of the tribal community. We also request you to investigate the matter and to provide a clear explanation for the arrests.

SHORT DISCUSSION ON MATTERS OF URGENT PUBLIC IMPORTANCE:

SHORT DISCUSSION ON BHARGAVA COMMISSION AFFAIRS

Sri S. Jaipal Reddy:—Mr. Deputy Speaker, Sir, before we try to understand the implications of the decision of the Government to have the proceedings of the Bhargava Commission conducted in camera.
we should remind ourselves of the historic background against which, the Commission has been appointed. You know Mr. Deputy Speaker Sir, that the force of democracy and rule of law were strengthened in the wake of historic victory of the Janatha Party in the Lok Sabha Polls. In that great moment, Lok Nayak, Sri Jaya Prakash Narayana appointed the Tarkunde Committee to enquire into the report that the Extremists in Andhra Pradesh numbering 300 were bumped off. As we all know Mr. Tarkunde apart from being a great justice is also a great Humanist. The Committee took pains and care to collect the evidence and produce an authentic report and that report created sensation not only in India but also abroad. The Members in this House and the Members in the Parliament demanded a judicial enquiry into this report.

The State Government, then offered to have an enquiry into the matter. Therefore, the Government of India allowed the State Government to appoint a Commission of Enquiry. The Terms of Bhargava Commission were not really relevant all the same of Tarkunda Committee with a view to enable the Commission to arrive at Truth. The Commission began to enquire into the incidents referred in the Tarkunde Committee Report. The proceedings of Bhargava Commission have been sensational. The depositions summoned before the Commission were not merely revealing but also shocking. The procedure adopted was different. Therefore, it took lot of time and the process was, however complicated because of the non-cooperative attitude adopted by Police Department and Government. Inspite of the non-cooperative attitude of the Government and Police Department, sufficient, clinching and conclusive evidence in regard to crimes committed by Police Department against humanity could be produced before the Commission. Because of the fear in the Police administration, they came forward with a clever advise to subvert and scuttle the procedure of Bhargava Commission. Mr. Deputy Speaker, Sir, it is very bad to conduct the proceedings of Bhargava Commission in camera. It appears to be innocuous and it would under the Tarkunde Committee report. By this, the very purpose of the appointment of the Commission would be defeated. It will undo the authentic Report submitted by the Tarkunde Commission. It will destroy the confidence of the people in the rule of law in this country. By doing this, we will be欣赏ing the Naxalites as right. The Naxalites always maintained that justice is not possible in the Society under the present set up. We have no sympathy whatever phyllosophy the Naxalites have. We are determined to prove that in the democratic set up obtained in the country justice is possible, rule of law is possible and guilty or high
hand can be brought to book. This noble objective of Bhargava Commission is sought to be defeated. I would therefore appeal to the State Government not to rush through with these crimes with which the previous Government was associated. There is no need what so ever for this Government to defend those crimes, and this Government is taking on the odium of the past mis-deeds. Therefore, I ask this Government to review its stand and I would request the Chief Minister not to stand on prestige. It is r.ot a matter like this. It involves noble principle. The Chief Minister while speaking on the other day said that no harm would be caused, through in camera proceedings. I am not arguing. I am pointing out that we are in free India. During the last 30 years, the proceedings of any Commissions was conducted in camera at all, I would like to ask? Why should the proceedings of this Commission alone be conducted in camera? The argument advanced is that the morale of Police Department is destroyed I will put a counter question. Can morale of the Police Department be boosted up at the cost of morality, at the cost of rule of law, justice and humanity? This was the argument advanced during the recent happening in Hyderabad. This do not click any more. Therefore, there is need for the Government to review this stand in the matter. however, the Chief Minister said that the in camera proceedings would help on arriving at truth. Does a public enquiry prevent the truth being found out?

Therefore, the arguments of the Government in this regard have no force, no weight, no relevance. I would not take more time of the House. I would request the Government to review the stand of the Government.

Sri S. Jaipal Reddy:— On a point of order, Sir. Nobody can cast aspersions upon the impartiality or truthfulness of the Commission.

Mr. Speaker:— There is no point of order.

Sri S. Jaipal Reddy:— He is going into the merits of the issue. None of us are defending the philosophy or the activities or the proclivities of the Naxalites. Secondly, he is going into the merits of the issue. He must say whether the proceedings should be in-camera or public. Mr. Srinivasul Reddy has already raised a Point of Order and you have upheld it.

Mr. Speaker:— He is not going into the merits of the Bhargava Commission Report.

That statement is already before the public. Therefore, I rule there is no Point of Order in what he raised. You can continue.

Sri Ch. Shyamal Rao:— Sir, Former Swatantra Party top leader and now Janata top leader in the State, Sardar Gouthu Latchanna while participating in the debate in 1970-71 annual budget in the Council said “the Government is colluding with the naxalite movement in Srikakulam district. Otherwise why should it not take effective measures to control it?”

Sri S. Jaipal Reddy presently very busy condemning the brutal attack on naxalite by police, forgets what he said just two years ago on 5th February 1975. Then he was a Congress member, putting a statement in the Legislative Assembly, he asked the Chief Minister: “It is said that this (naxalite) menace is extended to Kurnool district also. Has the Government taken note of it?”

Sri S. Jaipal Reddy:— On a Point of Order, Sir. I want to submit my personal explanation. He is referring to me. I am entitled to speak. I am not denying the statement, I am still standing by the statement. How do you tackle the menace? Are you going to

tackle it by tying the people to the trees and killing? That is the question I am putting.

*Sri S. Alwar Das:— Point of Order, Sir.
Mr. Speaker:— What is your Point of Order?
*Sri S. Alwar Das:— The point of order should relate to the interpretation of the Rules of this House or the Articles of the Constitution relating to this House.

Mr. Speaker:— The issue before the House is whether the whole Bhargava Commission should be in-camera or not. You should confine to that only.

*Sri S. Alwar Das:— Yes, it is relevant. But it is not proper to tie people to trees and kill them.
