182—

1273 Q. — Sri Nallapareddi Sreenivasul Reddy:—Will the Minister for Panchayati Raj be pleased to state:
(a) whether it is a fact that there is acute scarcity of drinking water in the new Girijan Colony at Althurupadu in Venkatagiri Panchayat Samithi of Nellore district;

(d) when will a well be provided there?

A.—

(a) No, Sir.

(b) Yes, Sir. But the people are getting water from two existing private wells in the main village situated at a distance of one and a half furlongs and also from the irrigation wells nearby.

(c) The Girijan Colony of Althurupadu is newly formed during last year. The population is 150. The Girijans are getting water from the existing wells nearby.

(d) This will be enquired by Chief Engineer (Panchayati Raj) for appropriate action.

Completion of Rollakallu Anicut

183—

100 Q.—Sri M. Jagannadham:—Will the Minister for Minor Irrigation be pleased to state:

(a) the extent of land being irrigated under each anicut for which the then Ministers late Sri N. Ramachandra Reddy and late Sri A. C. Subba Reddy laid foundation stones on 23rd December, 1964 at (1) Rollakallu (2) Uggampalli and (3) Jayapuram across the Aleru river which flows via Manukota taluk from Enuparthygatla in Warangal taluk;

(b) the reason for not completing the Rollakallu anicut;

(c) whether tenders were invited for Rollakallu anicut, if so, the name of the contractor to whom the work was entrusted with full details; and

(d) the steps proposed to be taken by the Government in respect of this anicut?
A.

(a) The extent of land being irrigated under each anicut is as follows:

<table>
<thead>
<tr>
<th>Name of the scheme</th>
<th>proposed ayacut</th>
<th>Ayacut being irrigated.</th>
</tr>
</thead>
<tbody>
<tr>
<td>(1)</td>

</tr>
<tr>
<td>3. Kommalavancha anicut (Jayapuram)</td>

</tbody>
</table>

(b) The work on Rollakallu anicut could not be grounded due to failure of the contractor to start the work and subsequently due to non-availability of funds. The sanction has lapsed due to eflux of time since it was originally sanctioned 11 years back. In the meanwhile, the following anicut schemes have been taken up across Akheru river and Akheru basin.

(i) Anicut across Akheru river near Uggampally village, Mahaboobabad taluk, Warangal district.
(ii) Anicut across Akheru river near Kommalavancha village, Mahaboobabad taluk, Warangal district.
(iii) Neerallavagu, Thatikayala village, Warangal taluk.
(iv) Nashkal anicut, Nashkal village, Warangal taluk.
(v) Gangadevi mott, Kothapally village, Warangal taluk.

The Rollakallu anicut scheme has to be re-designed considering the availability of yield by conducting gaugings for a period of four years during Abi crop period.

(c) Yes, Sir. The work was let out to Sri E. Arvind Rao, ayacutdar at 9.95% excess over estimate rates being lowest tenderer and the agreement was concluded by the Superintending Engineer in 1.S. Agreement. The site was handed over on 15th April, 1966. Since the contractor has kept the work at standstill condition for a long time, the contract was cancelled in March, 1977. Four (4) notices were issued to the contractor to start the work and keep it in progress. But the contractor has failed to start the work. As the work was let out to an ayacutdar and no E. M. D. was collected, and it was exempted, the work was cancelled and no penalty was imposed.
(d) As many anicut schemes as indicated above have been taken up across Akheru river and Akheru Minor basin, the anicut at Rollakallu has to be designed considering the availability of yield by conducting gaugings for a period of four years during abicrop periods. Gaugings were conducted during 1976. Observation has to be continued for three (3) more years as 1976-77 is found to be drought year. The feasibility of the scheme will be studied based on gauge data.

Matter under Rule 329t.
re: Hunger strike by Sri P. V. Chalapathi Rao M.L.C. in support of the demands of workers of the Bharat Heavy Plates and Vessels Factory, Visakhapatnam.

Sri M. Manik Rao:—I am giving this information with your permission on behalf of the Labour Minister. I am glad to announce to the House that there has been an amicable settlement between the employees and the employer of the Bharat Heavy Vessels and Plates, Visakhapatnam on 24th August, 1978. Sri P. V. Chalapathi Rao has broken his fast. The terms of the settlement are: 1) Increase in the existing wages, 2) advance payment of one month wages, 3) statutory bonus of about 26%, 4) such of those who lost their lands on account of the acquisition of land for Bharat Heavy Vessels and Plates will be given employment, 5) 40 casual labourers will be regularised on the permanent basis, 6) enhancement of 50% leave to the credit of the employees for the minimum of 14 days only per year and leave travel concession upto 400 K.Ms. from Visakhapatnam.

The Government of India has not agreed that they should be paid as one category. The Government of India said they cannot club one industry with other industry. The Government of India said they cannot club one industry with other industry.

Sri T. V. Malkajini, the concerned officer has joined and a negotiation was entered into on 11th and 12th and they discussed most of the things. The only dispute is, that the workers of the Bharat Heavy Vessels and Plates should be paid as any other Public Sector industries. This is the financial difficulty which the Government of India has to decide and the state Government cannot force them.

Very good settlement has been reached.

I have to congratulate both the people.

PAPERS PLACED ON THE TABLE

Mr. Speaker:—Minister for Planning and Endowments has obtained the leave of the House. . . .

Sri P. Ganga Reddy:—Sir, with your permission, on behalf of the Minister for Planning and Endowments I place on the table a copy of the statement containing detailed information relating to the L.A.Q. No. 117 (starred) in pursuance of the assurance given by him on 26-6-1978 while answering the L.A.Q.

Mr. Speaker:—Papers Placed.

Detailed information Relating to L.A.Q. *117 Placed on the Table.

Though the reply furnished to the L. A. Q. is correct but it is too technical and did not meet the real intention behind the question. I am herewith furnishing the facts.

There are 3 temples known as Sri Sitaramaswamy, Sri Ramalingeswaraswamy and Sri Kanyakaparameswari Ammavaru situated in one and the same compound in Gajapathinagaram Village. They are managed by Non-Hereditary Trustees appointed by the Department from time to time.

On 20-1-1968, the elders of Gajapathinagaram Town formed themselves into a Committee of 11 members with an object of renovating the temples by raising donations. The Committee elected Sri N. V. Ganga Raju, then M. L. C. as President Sri Koka Sattayya, then Chairman of the Trust Board as Secretary and Sri Bothi Venkatarju, one of the Members of the Trust Board, as Treasurer.

Sri N. V. Ganga Raju, President of the Revnovation Committee who was also one of the Trust Board Members of Tirumalai Tirupathi Devasthanam in the year 1969 requested for donation of Rs. 75,000/- for renovation of the above 3 temples. The Trust Board, T.T.D. in its Resolution No. 813, dated 20-6-1969 sanctioned a donation of Rs 30,000/- for renovation of the above temples. On receipt of application from the Executive Officers, T.T.D Devasthanams for sanction of diversion, the Commissioner accorded sanction in Rs. No. A6/35829/69, dt. 4-3-1970 after following the prescribed procedure. The amount was accordingly, paid by the Executive Officer on 20-10-1970 to Sri N. V. Ganga Raju, President of the Renovation Committee by Demand Draft.
Sri N. V. Ganga Raju, had encashed the Demand Draft and deposited Rs. 20,000/- in one year Fixed Deposit and Rs. 10,000/- in 3 months deposit on 3-11-70 in Andhra Bank, Vizianagaram. The Fixed Deposit for Rs. 10,000/- was renewed for another term of 3 months from 3-2-1971. Later, he encashed the two deposits on 4-12-1971 and 26-6-1971 respectively and kept the amounts along with interest accrued thereon with him without executing any Renovation work.

The principal amount of Rs. 30,000/- was paid to Sri K. Sathyeeya, Chairman of the Trust Board on 9-7-1974. Amount of Rs. 6,713.31 accrued towards interest on the said amount. Out of the interest of Rs. 6,713.31 due from Sri Ganga Raju till 8-7-1974, he paid Rs. 3,000/- on 6-1-1975 and the balance of Rs. 3,713.31 on 14-4-1975 to Sri Kolla Satheyya, the Chairman of the Board of Trustees.

Sri Ganga Raju did not execute any Renovation work. The reasons for not taking up renovation work were explained by Sri Ganga Raju to the effect that the expenditure for renovation would amount to Rs 1,00,000/- and this amount could not be raised as expected from the public.

It was considered that Sri N.V. Ganga Raju is guilty of misappropriation of Trust funds. Hence, opinion of Ist Additional Public Prosecutor of the High Court was obtained. He opined that Sri N.V.-Ganga Raju has been guilty of misappropriation of funds and that he is liable for prosecution under section 409 I.p.C. Therefore, a complaint was filed by the Assistant Commissioner, Anakapalle against the said Ganga Raju before the Station House Officer, Gajapathinagaram Police Station on 6-12-1975 and it was registered as Crime No. 54/76.

The Station House Officer, Gajapathinagaram served Notice dt. 31-7-1977 referring the case as mistake of law and if Police report is opposed to do so before the Magistrate having jurisdiction within 7 days from the date of receipt of the Notice. The Public Prosecutor, Visakhapatnam to whom the matter has been referred, has given opinion on 4-8-1977 stating that the Accused Sri N. V. Ganga Raju who is guilty of temporary misappropriation of funds is punishable under law. On 5-8-1977, the Assistant Commissioner has addressed the Assistant Public Procecuror, Grade-II, Vizianagaram to draft a complaint and to file the same before the Magistrate in time opposing the report of the Police as per the opinion of the Public Prosecutor, Visakhapatnam. The Assistant Public Procecuror, Grade-II has stated that the Opinion of Assistant Public Procecuror, Grade-I may be gone through and if it is still felt that a complaint has to be filed, he will furnish a draft. He
also stated therein that there is no period of limitation for filing complaint from the Office under section 409 I.P.C. read with Section 468 Cr. P. C.

The Assistant Public Prosecutor, Grade-I, Visakhapatnam in his opinion, dated 3-7-1977 given to the Police, has stated: (1) that Accused Sri N. V. Ganga Raju is neither a public servant nor an Agent nor a Clerk to come under purview of of section 409 I.P.C., (2) that even to consider the case under section 408 I.P.C., there is only evidence of retention of money and no evidence of Criminal misappropriation, (3) that the Accused has not executed any bond binding himself that he would complete the work within certain period of time or any document in the shape of a Contract whereby he offered himself to be liable for Criminal or Civil action in default of doing the work, (4) that he acted as President of the Committee which is purely a honorary job and the fact that he could not do the work for want of Cement and other materials indicates that there is no dis-honest or fraudulent intention on his part and, (5) that the Accused having paid principal amount and interest, he is not liable even for a Civil Suit. He has finally opined that the Accused cannot be prosecuted for criminal Breach of Trust.

In the circumstances, the Public Prosecutor, High Court has been addressed to suggest the course of further action in the matter. He opined that a clear case of dis-honest, misappropriation by an Agent, punishable under section 409 I.P.C. is made out and if the Police have not chosen to investigate and file the charge sheet and are rest content with the Opinion of Assistant Public Prosecutor-I, Visakhapatnam who opined that no case was made out and have consequently served referred Charge Sheet Notice on the Assistant Commissioner, Endowments Department, Anakapalli treating the case as one of mistake of law, the Assistant Commissioner, Endowments, Anakapally may file a complaint in the Court of the First Class Magistrate within whose jurisdiction the Offence had taken place.

Accordingly, the Assistant Commissioner, Endowments Department, Anakapalli was permitted to file a private complaint under section 409 I.P.C.

Matters Under Rule 329:
re: Law and Order situation in Visakhapatnam.

28th August, 1978

Sri S. Jaipal Reddy:—As the Speaker has rightly pointed out, this is a very serious and delicate matter. The Chief Minister who is looking after the law and order is not in the House. It is a matter of regret that he has given preference to the visit of his Party President rather than to the urgent proceedings in the House. Besides the Chief Minister, more than 50% of the Ministers are outside the city, away on tour with Madam Gandhi. It is a very bad state of affairs. This matter cannot be effectively dealt with unless we have the Chief Minister to answer.

Matters under Rule 329:
re: Law and order situation in Visakhapatnam.

The matter under Rule 329 relates to the law and order situation in Visakhapatnam. The situation has escalated with the recent incidents. The police have been putting in extra effort to maintain law and order. The situation is under control, but extra vigilance is required. The administration is working closely with the police to ensure the safety of the public.
The Home Minister (Shri M. M. Hashim) :- Sir, at about 12-50 p.m. on 26th August, two sailors of Indian Navy travelling by city bus in a drunken condition in Visakhapatnam, had an altercation with the civilian workers of the Hindustan Ship Yard and assaulted him. The other workers of Hindustan Ship Yard who came to know of this assaulted the two Navy personnel. Later, when the bus was on its return journey, the Naval personnel who gathered in numbers, took the bus conductor into Naval quarters and detaining him asked him to identify the two workers of Ship Yard who assaulted the Naval Personnel. The city workers, having come to know of the detention of the conductor, they congregated over the Mahalakshmi Theatre, they attempted to enter the Naval Quarters to rescue their colleague but were prevented by the State Police. The Navy personnel handed over the conductor to the Police. There was stone-pelting and attack by a group, mostly consisting of Ship Yard workers, bus-conductors and some members of general public at one end and the Navy personnel at the other end, in which eight civilian workers, seven Navy personnel and four State Police personnel were injured. One city bus and navy truck were set on fire in the incidence.

The situation was brought under control after intervention of a senior Naval and Police Officer and also Local M.L.A.,

On the morning of 27th August, the dead body of Sri N. V. Butt, a small Officer of the Navy was found in a bush near the scene of previous night's incidence. The Armed Naval personnel came out of their quarters around the noon and set fire to Mahalakshmi Theatre, including about 15 stalls and huts and to city buses. Armed Navy men prevented the Police and fire fighting personnel from extinguishing the fire.
Matters under Rule 329:
re: Law and order situation in Visakhapatnam.

They were persuaded to return to their barracks in the afternoon only by their Commanders. Around 3-00 p.m. a crowd started gathering around the area after witnessing the damage done to civilian properties by Naval personnel. They started pelting stones on Naval quarters and the Navy men retaliated, resulting in the death of Sri Kalidas, a Fitter of Hindustan Ship Yard. In the course of these clashes, Gurudwara, situated near the Naval quarters was attacked by a section of crowd. The Naval personnel opened fire, killing 19 years old boy. They further attacked Hindustan Ship Yard colony and set a house on fire. Knowing the situation, deteriorating, Local administration clamped curfew at 5-00 p.m., in the affected area and there have been no incidence after that.

The Police were handicapped in controlling the mob due to the different attitude taken by armed Naval personnel. The public are apprehensive by the armed naval personnel. A Joint Control Room has been set-up to enable the representative of the Police, Navy and local administration, to co-ordinate operation to restore normalcy. Several Naval personnel in civilian colonies have been evacuated under protection to Naval headquarters. Civilian areas where large number of naval personnel are living are being patrolled by local police. The situation is now under control. The D. I. G. of police, the Superintendent of Police, District, Revenue Officers were present at the spot reinforcing the armed police from Vizianagaram and Kakinada have been sent and the I. G. of Police has been asked to proceed to Visakhapatnam.

I am in constant touch with the Developments. The situation at about 11-45 is reported to be calm there. Sir, I am glad that Mr. Sundaram mentioned about the contact of the army now. The Chief Secretary and the Home Secretary have been in constant touch with the Defence Ministry, regarding this development and co-ordinated efforts are under constant way to restore the situation to normalcy. Out of the total 14 injured, 8 were treated as Out-patient and 6 as In-patient. All the 6 In-patients are reported out of danger. Out of this 6 also, one civilian was suspected to be having a bullet injury, though unconscious is out of danger.

I share the anxiety of the members and I appeal to all sections of the people to observe restraint and I am sure the Central Government would take necessary action to keep the Naval forces in control.

Sri Bhattam Sirramamurthy.—I am happy to hear from the Minister for Home, that there was reinforcement of police force with a view to control the situation and establish conditions of absolute Law

and Order. I congratulate him for that. I would like to ask you, how could you manage when the Police people were not in a position to make use of the force which was at their disposal. How does it ultimately help them in case there is violent out-burst from the civilian side or naval workers. What action should they take in case there will still be violent tension of offence to do something or the other?

Sri M. M. Hashim:—Sir, the Area Vice-Admiral has been informed by the Defence Ministry to keep the entire Naval Forces within the bounds and that they should not be allowed to go out of bounds.

Sri M. M. Hashim:—Sir, at about 9-00 p.m. on 27-8-78 one Sri Syed Hafeez Khan was assaulted by a Pan Shop keeper and four other associates due to a petty quarrel, resulting in a bleeding injury to Sri Hafeez Khan. He was taken to the Tappa Chabutra Police Station from where the Police sent him to the hospital and started a search for the assailants immediately.

Soon after this incident the electricity faild in the area and tension built up between the two groups in the locality. There was pelting of stones, brickbats in the area. The Police intervened and prevented a physical clash between the rival groups. As the Police were trying to hold back the stone pelting group, some of them started setting fire to some houses, shops and hotels. The Commissioner of Police rushed to the spot and the situation in that area was brought under control. He remained in the area throughout the night.

The rival group finding the Police engaged in controlling fire and the riots in the locality, mobilised and started setting fire to the shops on the main road. More reinforcements were rushed and the situation was brought under control by about 11-30 p.m.

In these incidents 18 buildings were set on fire, 16 members of public suffered injuries of whom one old lady Smt. Kulsum Bi was
admitted as an in-patient. On the Police side one Assistant Commissioner of Police, one Head Constable and five Constable suffered injuries of whom the Assistant Commissioner of Police and one Head Constable are admitted as in-patients. The condition of all these in-patients is reported to be out of danger.

The fire services rushed immediately and controlled the spread of fire. The Director of Fire Services personally supervised the operations. The Police have arrested 46 persons of both the groups so far and are making efforts to apprehend the remaining accused.

Patrolling by Police both by foot and vehicles has been arranged in the affected and sensitive areas of the city. The situation is still being watched by the police and whatever best we can do is being done. Further, I seek the help of my friend Mr. Sultan Saluddin Owaisi and Mr. Shiv Lal who is the Member of that Constituency and from my friend Mr. Janardhan who suggested that we can sit and chalk out because it is a very sensitive thing. I share the views of the members and definitely we want to curb this very seriously.
