THE
ANDHRA PRADESH LEGISLATIVE ASSEMBLY DEBATES
OFFICIAL REPORT

Nineteenth Day of the Second Session of the
Andhra Pradesh Legislative Assembly.

ANDHRA PRADESH LEGISLATIVE ASSEMBLY.

Tuesday, the 29th August, 1978.

The House met at Half past Eight of the Clock.

(MR. DEPUTY SPEAKER IN THE CHAIR)

BUSINESS OF THE HOUSE

Mr. Deputy Speaker:—The questions, 327, 328, 329 and 330
have been postponed, as the Chief Minister is not available here. He
has taken permission also....Now question No. 331.

J. No. 63. 1 (257)

*An asterisk before the name indicates confirmation by the
member.
Mr. Deputy Speaker:—We could have avoided the questions being printed in the list as such...it has been done earlier....

Sri P. Sundaraiah:—But they could reprint the questions.

Mr. Deputy Speaker:—There is a convention that the Minister can always take permission of the Speaker and get the question post-poned. When he has already sought the permission, it is not necessary to post-pone....

Sri M. Venkaiah Naidu :—Permission is for some urgent work. This is not the urgent work. It is political party's work. This is not the matter concerning the State. It is neither personal nor private work..

Mr. Dy. Speaker :—Whether it is urgent or not, he sought the permission of the Speaker..

Minister for Finance (Sri G. Raja Ram) :—Sir, in democracy parties do matter..

Sri M. Venkaiah Naidu :—Definitely Sir.. is Party work more important than the Assembly work?

Mr. Deputy Speaker :—If the request by the member is there, we can postpone the question. To-day we have such a situation here...

Q. Nos. 327, 328, 329 and 330 post-poned.
Mr. Deputy Speaker:—But will you be satisfied with that? But generally the members ask again and again the questions and raise so many points. But if you want that can be arranged in future. Suppose if the Minister is absent, in his place somebody-else will reply...It is also the convention...

Sri M. Venkaiah Naidu:—Sir, previously, we have seen the Excise Minister answering on behalf of the Chief Minister, The previous practice can be followed now also...

Mr. Deputy Speaker:—I am told that the member himself has made a request to postpone the question. The member, in whose name the question stands i.e., Mr. Eswar Reddy...is not here...

Sri Bhattam Sriramamurthy:—The member is present here. When the Member is present here, can he ask for postponement of the question? This is the point of order I am raising. Not for the convenience of the Minister, but when the member is present here, the question should be put and it should be answered. It is the property of the House...and it is not at the disposal of the member...

Sri G. Raja Ram:—How can anybody force the House Sir?

Mr. Deputy Speaker:—I am sorry Mr. Sriramamurthy, the member is not present in the House and that is why we are going to question 331...

*1803 Q.—Sri M. Jagannadham:—Will the Minister for Excise be pleased to state:
(a) whether there is any proposal before the Government to eliminate Middlemen in a arrack shops;

(b) the reason why the sales of arrack is being entrusted to contractors when the Government have under taken the production and Distribution of the same; and

(c) whether there is any proposal before the Government to introduce the system of issuing licences by cancelling the auction system of arrack shops as was done in Maharashtra?

Mr. Deputy Speaker:—Next question, the Minister for Home..

Sri Bhattam Sriramamurthy:—He is not present in the House Sir?

Sri S. Jaipal Reddy (Kalwakurthy) :—Has he taken the permission of the Chairman Sir?

Sri Bhattam Sriramamurthy:—Is he absconding or is he abducted?

Sri S. Jaipal Reddy :—He should have been caught up in the curfew. Now the Home Minister has come Sir, He has just been released.
Supply of Addl. food items to the prisoners in Central Jail at Vizag.

14/4 Q.—Sri K. Govinda Rao (Anakapalli):—Will the Minister for Home be pleased to state:

(a) whether any extra items were served to the prisoners in the Central Jail at Vizakhapatnam in addition to their usual food to combat the heat wave during the summer of this year;

(b) if so, what are those additional items;

(c) whether this practice was implemented in the Central Jail in our State; and

(d) if not, the reasons therefor?

The Minister for Home (Shri M.M. Hashim):—(a) Yes, Sir. On medical advice.

1. Salt — 0.15 grms per head per day.
2. Lime — One per head per day.
3. Milk for conversion — 0.070 Ml. Ltrs., per head per day.

(c) It was implemented in Central Prison, Rajahmundry also, from 20-4-1978 to 14-6-1978.

(d) Extra items were not issued in Central Prisons, Hyderabad and Warangal, as there was no recommendation by the doctors.

Sri Bhattam Sriramamurthy:—What is the quantity usually given to the prisoners. What is the quantity that is advised by the Doctor. Is the Government aware that the quantity given by the Jail authorities is not sufficient to the prisoners?

Sri M. M. Hashim:—Sir, the details of all these, I will lay on the Table of the House.

Sri Bhattam Sriramamurthy:—Now, I could see how the Minister require assistance and advice of the Medical Officer. But now Sir, in a Port-town like Vizakhapatnam, if Government thinks it fit to given some special diet during the summer, how is it that in a town like Warangal, it is not necessary to have special medical assistance and advice. It is also necessary for that purpose.

Sri M. M. Hashim:—Sir, I will enquire into it and inform.
Sri S. Jaipal Reddy:—When citizens are in Jail, the health becomes the responsibility of the State. It is for the Home Minister to know that some people died in the summer, because of heat-wave on account of lack of medical facilities and lack of proper food item.

Sri M. M. Hashim;—I will examine this and do the needful.
Sri H. Satyanarayana (Adoni) :—Will this be also extended to the Sub-Jail prisoners. Because in the Sub-Jails the under-trail prisoners will be there for three to four months. During these months, is the Jail authority trying to extend these facilities to the under-trail prisoners also?

Sri M. M. Hashim :—I shall also try Sir,

BUSINESS OF THE HOUSE

Re: L. A. Q.No. 334.

Sri P. Ganga Reddy :—Sir, with your permission, on behalf of the Minister for Revenue, ...

Sri S. Jaipal Reddy :—Sir, what are the reasons for the absence of the Revenue Minister in the House? There must be compelling reasons for the Minister to absent himself from the House and entrust the job to some body else. What are the compelling reasons and what are the circumstances under which the Minister was forced to absent himself from the House and handover the job to somebody else?

Mr. Deputy Speaker :— I fully share the anxiety of the Member.

Sri M. Venkaiah Naidu :— Even previously also we have seen, some important matters have come up, and the Minister has sought permission for being absent. Sir, it is the normal right of a Member or a Minister to seek permission of the Chair for being absent when his business is there. Therefore, the Ministers have sought your permission to enable themselves to be absent because of particular reasons and the reasons cannot be disclosed always. It is not fair on the part of the Members to ask for reasons.

Mr Deputy Speaker :— Do you like me to postpone the question?

Sri B. Jai al Reddy :— How many Ministers are absent today?

Sri M. Venkaiah Naidu :— We see only 4 Ministers here out of 3. They have gone on a business which is unconnected with the Assembly or the State.

We are creating new precedents. Sir, it is the normal right of a Member or a Minister to seek permission of the Chair for being absent when his business is there. Therefore, the Ministers have sought your permission to enable themselves to be absent because of particular reasons and the reasons cannot be disclosed always. It is not fair on the part of the Members to ask for reasons.

341.—A.

S.N.Q. No. 2284-J ; Sri E. Ayyapu Reddy (panyam) :—Will the Minister for Labour and Employment be pleased to state:

(a) the recommendations made by the Wage Board relating to Cement Industry?

(d) whether any action is taken by the Government to see whether these recommendations are implemented by the managements of the cement industries?

Sri M. Manik Rao :—(a) A summary of recommendations made by the Wage Board is pleased on the table of the House.

(b) 13th February, 1968.

(c) No, Sir,

(d) All managements of the cement industry had implemented the recommendations of the Wage Board.

Summary of Recommendations of the Wage Board for Cement Industry

Our recommendations will be extended to all those employees who are covered by the 1st Wage Board. We are, therefore, not repeating them here.

1. We recommend that the minimum total wage in the cement industry should be Rs. 164-60 minus Rs. 3 deducted towards amenities as against the existing total wages of Rs. 152-46 p.m. which includes Rs. 5-46 already recommended by this Board as interim relief on 8-2-1965. The above figures are calculated at All India Consumer Price Index-200 (Base 1949-100)

2. We have recommended a minimum House Rent Allowance of Rs. 13 pm as against Rs. 7-50 which is the existing minimum House Rent Allowance for all employees. We have also provided for a higher House Rent Allowance ranging from Rs. 15 to Rs 19-50 for other categories of employees.
3. All employees will receive guaranteed increases in their wages/salaries and the rates of guaranteed increases are from Rs 10 to Rs 12 (deeding on service) for E-Grade Operatives and Tally Checkers, Rs 12.50 to Rs 14.50 for D-Grade Operatives and I-Grade Staff, Rs 14.50 to Rs 17-50 for C and II Grades, Rs 17 to Rs 23 for B and III Grades, Rs 20 to Rs 24 for A and IV Grades, Rs 22-50 to Rs 26-50 for the V Grade, Rs 25 to Rs 29 for VI Grade Rs 27-50 to Rs 32-50 for VII Grade.

4. Dearness Allowance should continue to be linked to the All India Average Consumer Price Index for working class (base 1949-100). The Dearness Allowance should be adjusted each quarter based on the average of index figures of the 3 months of the last but one quarter preceding. The variation of the Dearness Allowance should be at the rate of 1.49 for every 2 points rise or fall in the average index. Extra Dearness Allowance should continue to be paid at the rate of 5% of the basic wage to the employees in grade D and at the rate of 10% of the basic wage to those in Grades C.B.A., Tally Checkers and I to VII. Higher Dearness Allowance enjoyed by the workers in Gujarat and Saurashtra regions should be discontinued. But the extra amount which these workers receive immediately before the date of implementation of these recommendations should be given to them separately as personal allowance which would be absorbed wholly or partly as the case may be in the basic wage/salary at the time of promotion to higher grades. For the new entrants in Saurashtra and Gujarat regions, the Dearness Allowance rates recommended by us will apply.

5. The existing number of grades for operatives and staff should continue.

6. Contract Labour will continue to be included within the scope of our recommendations. We endorse in all respects the recommendations of the first Wage Board on this subject.

7. Our recommendations apply to the workers employed in the service unit at Bombay of Digivijiya Cement Company.

8. There are no valid reasons for excluding the Cement Unit of Mysore Iron & Steel Company from the scope of our recommendations. Therefore, our recommendations apply to the workers of that Unit.

9. The Industry does not appear to have the capacity to bear the burden of wage increases recommended in this report. The Government may be pleased to consider this aspect.

10. Our recommendations will not extend to the new Cement Factories for a period of 18 months from the date of commencement of the production. During this period, they shall be required to pay 75% of the revised wages, Dearness Allowance etc., recommended by us.
Point of Information: re: Relief measures for the Cyclone Victims.

11. We are of the opinion that our recommendations should take effect from 1st April, 1967.

re: Non-Payment of large amounts to Sugarcane growers by the Co-operative Sugarcane Factories in Visakhapatnam.

In recent times, the Co-operative Sugarcane Factories in Visakhapatnam have been found to have failed to pay large amounts to Sugarcane growers. It is understood that these factories have not been able to pay the dues amounts due to non-payment of large amounts to Sugarcane growers. The situation has caused severe financial distress to the growers.

For the year 1977-78, the following amounts have been paid:

Adjournment Motion:

In: Law and Order situation in Sabzimandi and other areas of the old city

Sri S. Jaipal Reddy:—It is a matter of tragedy, Mr. Speaker, Sir, that Hyderabad which has been the happy home of unbroken communal amity for more than 3 decades, is now in flames. It is not correct at this stage to go into merits of the situation, or apportion the blame. It does not redound to the credit of this August House if the Members belonging to the Cong. (I) or the MIM. level allegations against one another. But certain things have very clearly emerged from this. (1) when Hyderabad is in flames, the Chief Minister in not in the capital of the State. (2) Although this trouble has erupted in a small part of the Hyderabad City, this Government of Andhra Pradesh, with such mighty force at its disposal, has miserably failed to control the law and order. (3) I am not able to understand as to why the Government stood on prestige and hesitate to call in the army? How is it when agitation broke out recently in Hyderabad that army was brought into picture in matter of hours? Although more than a day is past from the trouble has erupted, the army has not been called in. I, therefore, urge upon the Government to call the army. Intention of calling in the army does not mean confession of our incompetence. Therefore, the Government should immediately call in the army. Although the curfew was imposed from yesterday afternoon, there have been unbroken series of incidents. The Deputy Speaker himself was an eye-witness to this. I am assuring that we are not going to demand the resignation and we will not make it a political issue. We are not all interested in exploiting this and we are not interested to benefit out of this situation. Therefore, the Government should not hesitate to call in for the army and it also should not hesitate to do what it is proper for them. Finally I suggest that the House should unanimously pass a resolution appealing the people to help the Government in restoring normalcy.

re: Law and Order situation in Sabzimandi and other areas of the old city

As far as I am concerned, the situation in Sabzimandi and other areas of the old city is on the verge of getting out of control. The breakdown of law and order has been a serious concern for a long time. The problems have been compounded by the lack of proper police action and the involvement of local criminals.

The Government has been aware of the situation and has taken some steps to address it. However, the immediate need is for a strong and effective strategy to curb the criminal activities.

I urge the Government to take urgent action to restore peace and tranquility in these areas. The safety and security of the citizens should be the top priority.

Adjournment Motion

9th August, 1978
re: Law and Order situation in Subzimandi and other areas of the old city.

The situation in Subzimandi and other areas of the old city has deteriorated significantly. The recent incidents of lawlessness and violence have caused great concern among the residents. The police have been stretched to their limits, and an immediate increase in the number of police personnel is required to maintain law and order.

The government must take immediate action to address this situation. Resources must be allocated to strengthen the police force and to ensure that the necessary security measures are in place. The community must also be engaged in a dialogue to understand the root causes of these incidents and to work together towards a solution.

It is crucial that the government takes this matter seriously and implements effective measures to restore peace and security in these areas.

re: Law and Order situation in Subimandi and other areas of the old city.

Mr. Deputy Speaker:- Whatever you want to say here you can say in the meeting. There is no point in discussing it here. If necessary he can call for the army also.
On 28-8-1978 at about 8 A.M. a crowd of 200 persons belonging to one group assembled in front of Tappa Chabutra P. S. and wanted the release of some of the arrested persons on the plea that they were not involved in the incident. The Police intervened and dispersed the crowd. At 11 A.M. there was a stone pelting near a mosque by both groups in Sabzimandi locality. While the Commissioner of Police was attempting to control the situation, some miscreants attacked the house and shops in other areas of Sabzimandi setting fire to a rice mill, one flour mill, one house, one laundry, one cycle taxi shop and a meat shop and caused damage.

In retaliation to this incident some persons from other localities set fire to 30 huts in Ganga Bowli, Sarvarnagar, Kumai wadi, Jirra and adjoining areas of Sabzimandi. Inspite of the arrival of additional police reinforcement to the disturbed areas, the acts of arson and loot were spreading to other localities. The police had used tear gas to disperse the unruly stone-pelting mob in localities at several places, apart from chasing the crowds by use of lathis. With a view to prevent further spread of violence and to control the situation, curfew was clamped in the effected areas of Tappa Chabutra and Mangalhat Police Station limits at 13.35 hours.

In the afternoon, some groups of people in Dhoolpet area indulged in a few stabbing incidents. The Army was alerted as a precautionary measure. I have visited the areas and the hospital yesterday and solicited the co-operation of all sections to maintain peace. Police reinforcement was further strengthened in Dhoolpet and curfew was enforced strictly to control the situation.

According to the information available so far, 109 persons have received treatment for various types of injuries in Osmania Hospital. Nine of them are reported to be undergoing treatment as in-patients.

The condition of three persons is said to be serious. One person who received head injury-Ahmed Akber, son of Shaik Mahboob of Sabzimandi-has succumbed to the injuries.

At 8 P.M. last night, the police arrested 264 persons in all from various localities of the city. The curfew was relaxed between 7 A.M. and 10 A.M. in Dabeerpura and Sabzimandi localities.

Last night, there were two incidents of arson involving one auto rickshaw and one house with partial damage to the auto rickshaw and two shops in Dabeerpura and Jumnerath Bazaar localities and one incident of assault near Hussaini Alam. Otherwise, the situation was well under control throughout the night and this morning.

re: Law and order situation in Subzimandi and other areas of the old city.

the police have launched vigorous patrolling with a view to infuse confidence among the members of the public. The arrest of persons who are responsible for violence will continue and all those who indulge in violence will be dealt with firmly.

The C.R.P. is not locally available and hence we have asked for additional platoons from Karnataka and from districts of other places. As the situation is now controlled, I request the Hon'ble Members to withdraw their motion.

Sri Amanullah Khan:—Now it is not under control.

Mr. Deputy Speaker:—Having heard the Minister as well as the Members of the parties, I request the Members to withdraw the Adjournment Motion.

Sri M. M. Hashim:—I am glad that some of the Hon'ble Members have made some suggestions. We will call the Opposition Members and call the city local M.L.A.s for a meeting.

Sri M. M. Hashim:—About the Military Sir, we have a joint control room of military and our Government, in Secretariat. The military is on the alert and within an hour we can call them, if the Commissioner gives us in writing, if he needs military.

Sri M. M. Hashim:— It is absolutely wrong. I am the Home Minister of Andhra Pradesh. 4½ crore people are behind me. He cannot say that I am under Home Secretary or Chief Secretary. I can call the Military at any time.

Sri S. Jaipal Reddy:—We can see the contradiction in the answer of the Home Minister. The Home Minister in his answer clearly admitted the policemen available in Hyderabad City are not adequate. Therefore they are expecting reinforcement from the State of Karnataka and from other districts in Andhra Pradesh. Why should we wait for the reinforcement from Karnataka. They can only arrive within 24 or 48 hours. When the army is there at your hand, your can call it in. Why should the Government stand on principle of prestige in the matter like this. When the City is in flame and when the property of the people is in danger why should the Govt. stand on principles of prestige. Let the Home Minister answer.

Mr. Deputy Speaker:—The Minister has already answered. he military is there. Whenever he wants....

RULING BY THE CHAIR

re: Point of order regarding reference to the correspondence between Prime Minister and Chief Minister.

Mr. Deputy Speaker—Sri S. Jaipal Reddy raised a point of order under rule 304 (v) of the Assembly Rules, when Sri Bhattam Srirama Murthy participating in the general discussion on the Budget referred to the correspondence between the Prime Minister and the Chief Minister regarding exemption of the Land belonging to Chakkallilli Sugars from the purview of the Land Ceiling Act. The contention of Sri Jaipal Reddy is that under the rules the name of the Prime Minister should not be dragged in. Many members have expressed their views in the matter and some of them also insisted on placing copies of the correspondence on the Table of the House. Sri Jaipal Reddy and some other members wanted me to give a ruling in the matter.

There are two points to be considered:

(i) whether the remarks made by Sri Bhattam Srirama Murthy regarding the correspondence between the Prime Minister and Chief Minister attract Rule 304 (v) of the Assembly Rules,

(ii) whether a direction can be given by the Speaker for placing the whole correspondence between the Prime Minister and Chief Minister on the Table of the House.

Adverting to the first point Mr. Bhattam Srirama Murthy asserted repeatedly that he was aware of the contents of the correspondence between the Prime Minister and the Chief Minister as he was a member of the Council of Ministers headed by Sri Vengal Rao. When a member makes a statement and asserts the authenticity of the statement, I had no alternative except to agree unless it is rebutted. Mr. Srirama Murthy also contended that he did not mention anything about the conduct of the Prime Minister and referred only to the letter written by the Prime Minister to the Chief Minister which he asserted was a statement of fact. Taking all these facts into consideration I consider that sub-rule 304 (v) of the Assembly Rules is not violated and so there is no point of order.

Coming to the next point about the desirability of giving direction to place the correspondence between the Prime Minister and the Chief Minister on the Table of the House I have to mention that there is no rule authorising me to direct the Government to place such correspondence on the Table of the House. On the other hand according to rule 304 (v) of the Assembly Rules no question shall be asked in matters which have or have been subject of correspondence between the State Government and the Government of India or the Government of a State and no question shall be asked except as to matters of fact. Further as observed by Kaul and Shakdier in Practice and Procedure of Parliament “the responsibility for laying on the Table correspondence between the Central and State Governments or circulating it to members, rests with the Government and the Speaker does not undertake to determine for the Government the course of action they ought to take. Normally, such correspondence is not
Point of order regarding reference to the correspondence between the Prime Minister and the Chief Minister.

As mentioned by May in *Parliamentary Practice*, Ninth Edition at pp. 432-433, "It is the responsibility of the Government and not of the Chair to see that documents which may be relevant to debates are laid before the House and are available to members. It is not for the Chair to decide what documents are relevant.

Only when the Speaker himself has control of a document can he be involved in making it available to the House or a Committee.

I may also mention that on 21st February 1956 when Mr. M.C. Chagla, Minister for Education, while answering a Call Attention Motion on incidents in the Banaras Hindu University Campus, mentioned what he had written to Chief Minister of Uttar Pradesh State. Sri Ranga, M.P. objected that it was a matter between the Union Government and the State Government and in their correspondence they were supposed to maintain the utmost confidence and secrecy and it ought not to be divulged in the House like that and that the Minister should not dismiss all that and creates a new precedent. Mr. Speaker then pointed out that it should not be made a Precedent and the discretion was to be exercised by the Minister himself as to whether he could disclose it or not.

In view of all these rulings and authorities it is for the Government or the concerned Minister to decide whether or not it is in public interest to place the correspondence between the Prime Minister and the Chief Minister on the Table of the House. In conclusion I hold that the demand made by the Hon'ble members to lay on the Table of the House the concerned correspondence is unsustainable.
Ruling by the Chair:

re: Point of order regarding reference to the correspondence between the Prime Minister and the Chief Minister.

Mr. Deputy Speaker:—After having given the Ruling, it is for the Government to look after. There is no point for argument now.

(interruptions from the Opposition Benches)

Sri S. Jaipal Reddy:—Sir, in your Ruling, you said, that Mr. Bhattam Sri Ramamurthy, as a Minister of the Cabinet knew a

re Point of Order regarding reference to the correspondence between the Prime Minister and the Chief Minister.

particular secret. Therefore he was asserting it as a matter of fact. He was not, under sub-section (v) of Rule 304, casting any reflection on the Prime Minister. Therefore, my point of order was out of order.

If Mr. Bhattam Sriramamurthy has not cast any reflections whatever, if he was only making a general statement, your Ruling may be correct. But after having heard your Ruling, a senior member like Mr. Rajeswara Rao, for whom I have great respect, while congratulating you on your Ruling, ventured to cast reflection on the office of the Prime Minister. If he is justified......he may ask for placing all these papers on the Table of the House. It is a matter between the member and the Government. The House may decide in its wisdom. Without knowing the contents of the papers, without those papers being placed on the Table of the House, it was unfair and unwarranted on the part of a senior member like him to rush judgements and pronounce them in the course of his congratulatory talk on your Ruling.

I therefore think, this talk of Mr. Rajeswara Rao at least, is covered by sub-section (v) of Rule 304 and therefore I would request the Deputy Speaker to give his Ruling on this particular point. Mr. Bhattam Sriramamurthy in so many words, said, that he had not cast reflections and your Ruling is based on that affirmative statement of Mr. Bhattam Sriramamurthy, but Mr. Rajeswara Rao has made a categorical reflection and comment pointing the Prime Minister......

Mr. Deputy Speaker :—You please sit down. Let us not go into these things again, but as it is, when the Ruling is given, and particularly, it is for the Government but not for the Chair to decide, whether any matter, any paper or any correspondence between the Central Government and the State Government is to be placed on the Table of the House. It is not the Chair to do it. I have mentioned about it. So, kindly let us not go into the merits and demerits of the case. Whether they are facts or not, only when the Government intends to place before the House, then you will come to know about this. It is a question of fact. So, personally I feel that Mr. Rajeswara Rao really, should not have gone to that extent on that point, saying what exactly is written, whether it is a fact or not......

(interruptions)

Sri S. Jaipal Reddy :—Sir, he has no right to cast personal aspersions......

Mr. Deputy Speaker :—As far as the earlier Ruling was concerned, pertaining to Mr. Jaipal Reddy, there were many speeches and the Speaker, myself and almost the entire House heard the same .........

Ruling by the Chair:

re: Point of Order regarding reference to the correspondence between the Prime Minister and the Chief Minister.

(Interruptions)

So, there is no question of my going again to the hearing....(interruptions)....As far as that particular point, which Mr. Jaipal Reddy has raised, is concerned it has to be seen, and unless the Government places it before the House, you cannot say anything....We can ask the Government to place it....

Sri S. Jaipal Reddy:—Sir, you were saying about placing of papers on the Table of the House......

Mr. Deputy Speaker:—Yes, if the Government wants....but I can't stress......

Sri S. Jaipal Reddy:—Sir, therefore I am not expressing my opinion about that matter. The Chair was also well advised in refraining from expressing its opinion on that matter. It only pleads inability to issue a directive to the Government, which I think, is correct. Whether the Government would like to place on the Table of the House or not it is a matter left to the Government and to the House. But the point here is, a senior member like Mr. Ch. Rajeswar Rao, proceeded on the premise, that such letters were there, and certain contents were there in those letters, and he had gone ahead with casting direct reflections on the Prime Minister.

Therefore, a Ruling is immediately called for. Because the mistake made by the Chair in the first stage is likely to be repeated and if this is going to become a convention, well, it will be to my advantage.

Mr. Deputy Speaker:—No, Mr. Jaipal Reddy, I am sorry...it is not a mistake. We have to go into various aspects and unless we go into the details, we cannot give a Ruling just sitting and hearing anybody ...I am sorry...you cannot say that. But anyway, there is a point in your argument, whether Mr. Rajeswar Rao really attributed some motives to the Prime Minister. Unless and otherwise we see the letter...(interruptions) I can understand...I understand, there is no point in that ...(interruptions).

Sri S. Jaipal Reddy:—Mr. Rajeswar Rao has no right to speak about the norms of democracy.........

re: Point of Order regarding reference to the correspondence between the Prime Minister and the Chief Minister.

Sri M. Venkaiah Naidu:—Sir, Rule 304 (v) says: Relief to persons in high authority unless the discussion is based on a substantial motion drawn in proper terms. We demand that it should be expunged.

Mr. Deputy Speaker:—Better, you see, the remarks made by Mr. Ch. Rajeswar Rao be expunged, as it is violative of Rule 304 (v). Unless and otherwise you see the document, (I mean) or the letter or the correspondence, let us not go into that. You ask the Government to place before the House. Let us not go into that. But you cannot come to a conclusion.

Mr. Deputy Speaker:—I have made it clear. I cannot insist the Government to place it before the House. It is for the Government to see whether it is to be placed or not...
Ruling by the Chair:

re: Point of Order regarding reference to the correspondence between the Prime Minister and the Chief Minister.

Mr. Deputy Speaker:— You cannot insist the Government. Let Government take a decision, whether it is really feasible, possible or permissible to place before the House. I have no objection.

Sri Poola Subbaiah:— I am not going into merits...

Mr. Deputy Speaker:— That is all right... You have submitted your point. It is for the Government to consider...

Mr. Deputy Speaker:— How long you are going to discuss on a point of order like this? It is left to the Government. That is what I am telling. It is for the Government to do it... How much time will you take on point of order...

Mr. Deputy Speaker:— I am not going into merits...

Mr. Deputy Speaker:— The correspondence between the Prime Minister and the Chief Minister was referred to in the House. I have no objection. It is for the Government to take a decision.
Ruling by the Chair: 29th August, 1978.

Point of Order regarding reference to the correspondence between the Prime Minister and the Chief Minister.

Mr. Deputy Speaker:—Are you representing the Government here. I am very sorry for this. You can as well suggest but you cannot take the authorisation by the Government and speak on behalf of the Government, when the senior Ministers are sitting here.

Mr. Deputy Speaker:—If it is in order, I will admit. The Ruling was given on the point of order.

Let them say that “this is our view”...

Sri S. Jaipal Reddy:—Sir, Our Annual Plan Outlay is Rs. 477 Crores. But for the Education, it comes only to Rs. 10 crores, roughly the share comes to 2%. With this 2% provision for education, you cannot really improve the quality or the quantity of education; So, what steps will the Minister for Education take to improve the quality of education? Secondly, our expenditure on elementary education is less than 35%. In all the developing countries, the expenditure should be round about 50% to 60%. Whether steps will be taken by the Minister to enhance the amount on elementary education? Thirdly, the Minister is aware that for Babu Jagajjivan Ram College, funds have been released by Government but they were misused by the Management. With the result, the teachers are not receiving their salaries. They were on strike. They are again on hunger-strike. What steps will be taken by the Minister to solve this crisis?

Sri B. Venkatrama Reddy:—It is not 2% but it is 20%.
