2% or 0.02, I am giving assurance to the House. The rent of Rs. 25,000 must be paid to the State. Anywhere in the State the due date must be 30-6-1978.

I don’t want that hire charges should be collected from the farmers. I am giving assurance to this House. For the next season we will see that 2% also is abolished. We will not collect as far as L M Bs are concerned in the next season.
Sri N. Amaranadha Reddy:—I will just read. It has been noticed that the loanes who took loans for the agricultural operations from the co-operative banks have been put to much hardship by paying penal interest from 1 1/2% to 3% for non-payment of dues even though the non-payment was due to natural calamities. The Government have considered that certain relief should be provided to the loanees in such cases and therefore direct that the penal interest shall be waived in respect of those loanes who could not pay the loans which became due as on 30th June 1978 provided that they repay the loans in full by 30th April, 1979. The G.O. is very clear.

Public Importance

High-handedness on the part of the Agricultural Development Bank Employees of Anantapur, in Arasavadi Village.

Sri N. Amarnadha Reddy: I never said. I don't want to 10-20 a.m. mention any Member's name.

Sri M Venkaiah Naidu: Why should they send this report at all? In what way Sri B T.L.N. Chowdary's or anybody's dues are interconnected with this?

Sri N. Amarnadha Reddy: I told about the defaulters of Anantapur bank. But what he says is we are all defaulters. Everybody is a defaulter. I am also a defaulter.

(Semblations)

Sri M. Venkaiah Naidu: You must come to the protection of the Members, Sir.

Sri B T.L.N. Chowdary: I am not a defaulter. If he is ready he has to take the challenge. I have already submitted. This is the information that he has got. He has got a misleading information.

(Semblations)

Mr. Speaker: The Member says you have made an allegation against the Member that he is in default. He says he is not in default and he is producing the receipt. Therefore the officers might have given you wrong information.

Sri N. Amaranadha Reddy: This receipt is on 23rd. What is to-day Sir?

Mr. Speaker: That is a different matter. Whatever it may be, you are answering the question on the floor of the Assembly to-day.

re: (1) High-handedness on the part of the Agricultural Development Bank Employees of Anantapur, in Aavakur Village.

The attention of the Minister for Co-operation and Small Scale Industries to the high-handedness on the part of the Agricultural Development Bank Employees of Ananapur, in Aravakur Village on 16-6-1979.

But the Minister was wise enough not to read. Even here also in the beginning the Minister was wise enough not to read the report?

Let my Point of Order be clarified.

Sri M. Venkaiah Naidu:— See that stern action is taken immediately.

Mr. Speaker:— I will go through the whole records and the rules. I will give my final ruling to-morrow.

Sri S. Jaipal Reddy:— You have reserved it for final ruling. We will welcome that decision. I would like to make one submission.
Calling Attention to Matters of Urgent Public Importance.
re: (1) High-handedress on the part of the Agricultural I Development Bank Employees of Anantapur' in Aravakur Village

As Mr. Venkaiah Naidu has rightly pointed out the Department took care to provide information which was not called for but such information was designed to embarrass the Member who put the question, hampering the discharge of his duty, as Member of the House. It is not only a question of impropriety but also it involves a question of privilege. So, we would like the Speaker to consider this issue the light of the privilege of the Member.

Mr. Speaker:—I will consider all aspects.

Sri G. Rajaram:—Sir before you give your ruling and consider all other aspects, I would request, that this should not go into the press that 'the Member is in default'.

Sri M. Venkaiah Naidu:—Only that particular part that the Member is in default.

Sri B.T.L N. Chowdary:—I am not in default. Let the Minister take the challenge, otherwise there is no justice for me in this House. I will stage a walk out.

Sri G. Rajaram:—The Press may be Directed.

Mr. Speaker:—I am directing the Press not to publish all these things.(interruptions) I mean, about the default of Sri B.T.L.N. Chowdary. Please don't publish in the papers.

Sri S. Jaipal Reddy:—Only that part Sir.

(interruptions)

Mr. Speaker:—You please don't publish in the Press.
Mr. Speaker:—Mr. Srinivasulu Reddy, in spite of that I feel that I have got a right to ask the Press not to publish any proceedings, any particular proceedings in the House and I still hold that.

Mr. Speaker:—I will give a comprehensive ruling on the whole matter tomorrow.
Calling Attention to Matters of Urgent Public Importance.

27th June, 1979. 403

Mr. Speaker:—Fully knowing that he is not a defaulter, the officer has given the information that he is a defaulter. Therefore don’t you think that they have given wrong information.

Sri N. Amaranath Reddy:—I will forward this file to you. The date of report and the date of receipt you can check up.

Sri S. Jaipal Reddy:—Whether the information given was correct on the date or not is one thing. The question is when this information given by the department has nothing to do with the question put, why did the department take the initiative and volunteer to provide unwarranted information to the Minister. That is the point.

Mr. Speaker:—That is one aspect of the question. If the officer that gave the information, fully knowing that the member is not a defaulter, has sent information that he is a defaulter, is it not a question of Privilege.

Sri S. Jaipal Reddy:—It will mean compounding the crime.

Mr. Speaker:—There are a number of precedents. I will give you precedents.

Sri E. Ayyapu Reddy (Panyam):—With regard to the point of order raised by Sri Srinivasulu Reddy regarding the powers of the speaker Sri Ayyapu Reddy prohibiting the press to publish some or certain of the proceedings, I do not find any rule except the residuary power of the Speaker. So far as only secret sittings of the Assembly are concerned, there is a provision not to publish. Otherwise the Speaker has to exercise only the residuary power and general power but there is no specific rule authoring or enabling or entitling the Speaker.

Mr. Speaker:—There are a number of presidents. I will give you precedents.

Mr. Speaker:—I said something and I hold on to it.

(Sri Ch. Rajeswar Rao wanted to speak)

Mr. Speaker:— I have given a ruling. Why do you raise the same point again.

(Sri Ch. Rajeswar Rao:— I wanted to speak)

Mr. Speaker:— I will enlighten you on this point tomorrow.

(Sri E Ayyapu Reddy:— There is no specific rule providing for that.

Mr. Speaker:— Tomorrow I will enlighten you on this point.

Does it not amount to breach of privilege,
Calling Attention to Matters of Urgent Public Importance.

Mr. Seaker:—You can seek a remedy for it. No question of challenges here.

Sri B.T.L.N. Choudary:—What remedy can I have elsewhere than through you?

Sri M. Venkaiah Naidu:—Challenges are permissible in the House. The other day the Revenue Minister has thrown a challenge. The Speaker has not objected.

Sri S. Alwar Dass:—We should established a good convention whether we belong to this party or that party. As regards your power of restrictions on the press, the Speaker is the lord of the House. He has the power.

(Interruptions from Opposition Benches)

The Speaker has every right to regulate the proceedings of the House or tell anybody to do or not to do anything.

"That Clause 3, Clause 1, Enacting Formula and Long Title do stand part of the Bill."

The motion was adopted and Clause 3, Clause 1, Enacting Formula and Long title were added to the Bill.

Sri M. Baga Reddy:—Sir, I move :

"That the Andhra Pradesh Gram Panchayats and Panchayat Samithis and Zilla Parishads (Amendment) Amending Bill, 1979 (as passed by the Council) be passed."

Mr. Deputy Speaker:—Motion moved.

The question is :

"That the Andhra Pradesh Gram Panchayats and Panchayat Samithis and Zilla Parishads (Amendment) Amending Bill, 1979 (as passed by the Council) be passed."

The motion was adopted and the Bill was passed.

Minister for Tourism (Smt. Roda Mistry):—Sir, before moving the Bill, I would like to say there is a small correction which is already circulated, i.e., in clause 13 (2) at Page 9 of the Bill for the figure 7, the figure 9 may be substituted. Now, I move:

"that the Andhra Pradesh Children Bill, 1979 be taken up for consideration."
Mr. Deputy Speaker:— Motion moved. There is an amendment of Mr. Siddaiah to refer the Bill to a Select Committee.

Sri K.B. Siddaiah :— Sir, I move:

"That the Bill be referred to a Select Committee of the House."

Mr. Deputy Speaker :— Amendment moved.

Smt. Roda Mistry :— This being the International Year for the Child, this Bill is brought to mark the importance of the child. We have taken great care to see the two types of children—one the delinquent and the other the vagrant are totally separated; it is also our view that the exploitation of the children should be ended through this Bill. We have not only consulted the Government of India but also experts in the field and we have not left any stone unturned to make sure that the child should be protected and I am certain that the Members of the Opposition who will now speak will carry the spirit of the Bill and pass it without amendment.

Sri S. Jaipal Reddy:— It was thoughtful of the Minister to have proposed this Bill during the International year but this Bill not only contains 19 printers devils but more number of draughtsmen's devils. Therefore, while we certainly appreciate and support the good intention behind this Bill we are of the considered view that Bill should be referred to a select committee and we have one whole year to go for the completion of the International Children Year. The select Committee or the Joint Select Committee will not take more than a few weeks to consider the Bill in all respect. Therefore, I would request the Minister to agree with the proposal to refer this Bill to a Select Committee.

Smt. Roda Mistry:— While having great respect for the opinion of Mr. Jaipal Reddy, we can assure the Hon. Member that great care has been taken and we feel that is not being brought hastily; we have not left any stone unturned and any aspect untouched while preparing this Bill. I therefore request that the Hon. Members suggestion may be withdrawn.

Sri S. Jaipal Reddy:— I am very anxious to be chivalrous to our Hon'ble Lady Minister. You might have taken your care in drafting the Bill; but it is better if the wisdom of the members of the House is also taken into consideration before the Bill is taken up for passing. In the House we can only have a general discussion; we cannot really have clause-wise discussion. There is absolutely no harm in referring to a Select Committee. There is no rigidity that the Bill should be passed in a time schedule. The International Children Year is not coming to a close in the next few weeks. Government need
not raise considerations of prestige in a very innocuous matter. The very fact that this Bill contains 19 printers devils shows what care has been taken.

Smt. Roda Mistry:—Sir, if you are going to discuss the Bill, it will be difficult for me to give a reply on the amendment for referring the Bill to a Select Committee. I do not know why the hon. Members are thinking that we have not given any thought to it. We are most thoughtful on this issue especially the reason being that we want to quickly implement the provisions of this Bill in this International Children Year for the removal of exploitation of the children for begging in the streets. This is the reason why we have worked night and day for bringing this Bill now. If the hon. Member finds fault with printing, this is something not in the hands of the Government. I request the hon. Member to withdraw the amendment instead of pressing for voting.

Shri S. Jaipal Reddy:—The Bill contains not only printer's devils but also draughtsman's devils.

Mr. Deputy Speaker:—The question is

"That the Bill be referred to a Select Committee of the House.

The amendment was negatived.

Mr. Deputy Speaker:—The Bill will be considered tomorrow. We will take up half-an-hour discussion now.

re: Loss to the LIDCAP—Discussion arising out of LAQ. No. 4423 answered on 19-6-1979.

A short discussion was held on the issue of loss to the LIDCAP. It was noted that there was a significant loss due to various factors. The details of the loss were as follows:

- 10% of the production was lost due to unfavorable weather conditions.
- 20% of the output was lost due to mechanical defects.
- 50% of the materials were lost due to theft.
- 15% of the workforce was absent due to illness.

The committee discussed the measures to be taken to minimize such losses in the future. It was agreed to conduct regular training sessions for the workers to improve their skills. The mechanical defects were to be fixed immediately, and the security measures were to be strengthened.

The meeting concluded with a vote of thanks to the members for their active participation and constructive suggestions.

The Hon. Minister for Health:—Today, I have received the following memorandum from the State Health Department:

re : Loss to the LIDCAP—Discussion arising out of LAQ. No. 4423 answered on 19-6-1979.

Because proper Managing Directors have not been appointed the non-technical persons have mis-used the funds: When it is incu-
ring losses year after no action have been taken by the Government and specially they have not taken care with regard to the proper working of the LIDCAP.

Mr. Deputy Speaker:— This has to come on the very next working day on which it has been pleased before this House. If not Monday, it has to come on Wednesday. He may not be aware of that. Why do you bother about that?
