Railway Over-Bridge At Adoni

230—

*2950 Q.—Sri H. Satyanarayana (Adoni).—Will the Minister for Roads and Buildings be pleased to state:
Oral Answers to Questions

(a) when the foundation stone was laid for the Railway overbridge at Adoni,

(b) whether it is nearing completion,

(c) if not, the reasons therefore, and

(d) the steps being taken by the Government to remove the impediments, if any, and complete the same at an early date?

Sri M Manik Rao —(a) Su, foundation stone for the approaches to the Road Over Bridge at Adoni was laid on 31-12-1974.

(b) Yes sir. Nearly 80% of the work of main approaches has been completed

(c) The work on approaches was suspended for a long time mainly due to court injunctions. Even after vacating the injunctions, the contractors, Messrs Central Construction Company Madras, have not taken up the balance 20% of the work and hence their contract was terminated. Subsequently the contractors have filed a suit in the Munsiff’s court, Adoni for restraining the Department from termination of contract.

(d) Steps are being taken to decide the agency for the balance work and to defend the suit filed by the contractors. The work will be completed as soon as possible.

Sri H Satyanarayana —Due to the delay, what is the excavated cost of the works?

Sri M Manik Rao —The exact figure, I cannot give now. The total cost was Rs. 1,63,41,000, 80% of the work was already completed and due to so many local problems of contractors, etc., the rest of the work could not be completed. The contractors have gone to the Court also. I have discussed the problem with the Officers concerned, and the Collector. I think, we will be able to complete the balance 20% work soon. In regard to additional expenditure, I am not having the figures.

Total estimated cost is Rs 16.38 lakhs. 80% of the work was completed and 20% of the work is remaining. What is present stage?

Sri M. Manik Rao —The problem is with the Contractors and we wanted to take up the remaining work with the Department. We will see that the work is completed soon.

*** Expunged as ordered by the Chair.
Sri S. Jaipal Reddy:—Calling a Minister a liar. What the Minister says is wrong. It is absolutely parliamentary.

Because it is poisoning the health of the people.

Let the House know. We are not saying the Minister is trying to say deliberately. They may have vested interests in other matters but the House should be enabled to know the real truth behind it.

Objection of Orissa Govt. to the Increase of Height of Polavaram Dam

236

* 3621-Q. Sri Kasu Venkata krishna Reddy (Narasaraopet) - Will the Minister for Major Irrigation be pleased to state:

(a) whether it is a fact that the Orissa Government have objected to the increase in the height of Polavaram Dam on Godavari river, and
(b) if so, the action taken by the Government in the matter?

Sri G. V. Sushakar Rao:— (a) Yes, Sir, since the Stage-II estimate is a continuing scheme of the main Project estimate, and that the Stage-II estimate has been sent to Central Water Commission and Planning Commission for clearance. This procedure has also been adopted in respect of other projects like Vamsadhara and Janjiravathi.

(b) There is difference between Pochampad, Vamsadhara and Janjiravathi Projects, and the Polavaram Project. While the other projects are already approved schemes, the Polavaram Project is to be basically approved as it is a new scheme. It requires sanction involving basic questions of water allocation, estimates, designs etc. The reservoir level of Polavaram Project was linked up with the dispute among the riparian States on the sharing of waters of river Godavari. In the absence of the settlement of the dispute as also provision of adequate funds, the construction work could not be taken up so far. It is only on 15-12-78, an agreement was reached in the meeting between the Chief Ministers of Andhra Pradesh and Orissa on the question of sharing Godavari Waters as well as M W.I. of the Polavaram Reservoir. The Project report on Stage-I phase (i) on the

Polavaram Project has been sent on 12-1978 to the Central Water Commission, Government of India, for technical clearance. It could therefore be seen that Government are very anxious to start the work on Polavaram Project on its clearance by the Central Water Commission, Government of India.

Sri S Alwar Dass:—Sir, I am not objecting for taking the second phase at Pochampadu Project canal. In fact I have been advocating this, when I pointed out that Tamil Nadu took such steps and got their Steel Plant earlier. I am only anxious that the hon'ble Minister should take similar steps in the case of Polavaram Barrage also and ask these questions:-(1) What action have you taken to expedite the clearance from C W.C., and the Planning Commission? and (2) What provision have you made to provide infrastructure facilities for this?

There is an insinuation attributed to me, as the Minister of Irrigation. The hon'ble Member has stated in the question that I started to take up North Can 1 of Pochampadu Project immediately to feed Adilabad District, and incidentally I happen to come from Adilabad and the hon'ble Member has pointedly referred to Adilabad District, which I submit Sir, as an insinuation and reflection for me, for which I take objection.

I am thankful for both the Minister and the hon'ble Chief Minister for accepting this and getting into an agreement with the Orissa State and sending it for clearance and I am sure they will start in April or May as promised.

Sri G.V. Sudhagar Rao:—Sir, I am grateful to the Member...

Mr. Speaker:—Just you please resume your seat.

Matters Under Rule 329.
re Lobbing Tear Gas Shells on the processionists of N G Os' Joint Council of Action, marching towards Assembly.

10.30 a.m. Some processionists of the Joint Council of Action, marching towards Assembly, were lobbed tear gas shells. This had the effect of scaring them away. Some processionists, who were coming in a bus, were also lobbed tear gas shells. The police resorted to tear gas shells only after warnings had been issued. These activities were carried out with the help of a motorcyclist. The processionists tried to proceed, but the police resorted to tear gas shells again. The processionists were thus scared away.

It is alleged that the police had acted in excess of their powers. The police had used tear gas shells without any warning. The processionists had tried to continue their march, but were scared away by the police. The police had acted in a discriminatory manner.

According to the complaint, the police had acted in excess of their powers. The police had used tear gas shells without any warning. The processionists had tried to continue their march, but were scared away by the police. The police had acted in a discriminatory manner.

re: Lobbing tear gas shells on the processionists of N.G Os' Joint Council of Action, marching towards Assembly.

Di M Chenna Reddy — The A P N G Os Association and various employers' unions and associations in the Government, Semi and Quasi Government departments of the State constituted themselves into Joint Council of Associations on 22nd October, 1978. G. Ramanath, General Secretary, A P N G Os Association is the Convener of the Joint Council of Associations (JCA).

The General Council of the JCA met on 17th December, 1978 at Hyderabad and identified 19 common demands. The JCA gave a call on 11th February, 1979 to organise 'March to Assembly' on 5th March, 1979 to press for their 19 point Charter of demands. In pursuit of this decision, the Office Bearers of the JCA mobilised about 6,000 members of the Constituents of JCA by early hours of 5th March, 1979 at Hyderabad from various districts as well as the city. They assembled at Gandhi Bhavan and started in a procession. The Commissioner of Police, gave them permission in terms of the regulatory orders in force to proceed in a procession from Gandhi Bhavan to Sanjeevaiah Statue, opposite to Public Gardens. After reaching the Sanjeevaiah Statue, the procession was to proceed to the Foot Ball ground adjacent to Lalbahadur stadium via Parade Villa road and then to converge into a meeting at the foot ball ground.

The procession which left Gandhi Bhavan at about 11 a.m., on 5th March, 1979 adhered to the prescribed route up to Sanjeevaiah statue. On reaching the Sanjeevaiah statue at about 12,10 p.m., the processionists wanted to proceed to the foot ball ground via Sardar Patel statue and the Control Room instead of proceeding on the prescribed route via Parade Villa. As the prohibitory orders are in force, not allowing any procession within radius of 1 K.M around the Assembly building, permission for the processionists to proceed to the foot ball ground via Sardar Patel Statue was not given. Though the police persuaded the processionists to go to the foot ball ground via Parade Villa, they were not in mood to listen to the advise of the police officers but began to surge forward and break the police cordon.

Platoons of Armed Reserve had been lined up across the road in 3 cordons near Sanjeevaiah Statue to ensure that the processionists adhere to the prescribed route. Inspite of the best efforts of the Police to stop them, they broke in groups through first two cordons of the Police force and began rushing towards the Assembly. The Dy Commissioner of Police, Law and Order, Secunderabad who was supervising the bandobust arrangements had reasonable apprehension that after breaking the first two cordons they would storm the Assembly while in session and thought it necessary that they should be
stopped before they broke the 3rd cordon. He therefore, warned the
groups to stop advancing further and to go back to the Sanjeevaiah
statue, failing which Police would use tear gas for their unlawful acts
of violating the Regulatory orders besides defying the prohibitory
orders the Dy Commissioner of Police. Law and Order lobbing 2
shells of tear gas. Accordingly two tear gas shells were lobbed which
had the desired effect of stopping the groups from breaking the 3rd
cordon. No one was reported to have been injured due to lobbing
of tear gas shells. There was lathi charge. A case in Crime No 56/79
under section 21/76 City Police Act has been registered at Saifabad
Police Station against the processionists responsible for violating the
prohibitory orders. The police officers and men acted with great re­
straint in order to prevent nearly, 1,500 persons who were in defiant
mood from jumping over the gates or scaling over the railings to
enter into the Assembly premises.

A delegation of 21 Representatives of the J.C.A. who had
obtained permission of the Speaker was allowed to proceed to the
Speaker where they presented a memorandum to the Speaker contain­
ing list of their demands. After presenting the memorandum, the
representatives of J.C.A came out and took the groups of their members
gathered outside the Assembly to the meeting place at foot ball ground
adjacent to Lalbahadur Stadium where a meeting was held and
addressed by the office bearers of J.C.A and members of the Legisla­
ture.

The meeting was called to order at 11:00 a.m., as proposed by the Chair, Mr. Omkar M.L.A., who moved the adjournment of the Assembly. After some discussion, Mr. Omkar M.L.A. asked for the adjournment of the Assembly, which was seconded by Mr. Bhat M.L.A., and the Assembly was adjourned until the next day.

We expect the concerned Minister to take proper action on that point. I request the Home Minister to post police to guard day and night and also to regulate the visitors both at Old and New Legislators Quarters as at Secretariat. I think you have understood the problem.

Mr. Speaker — Now let us go to the next item of the Agenda.

Sri S. Jaipal Reddy — Sir, I would like to make a submission.

Sri K. Venkatramaiah — Sir, what is the relevency?

Sri S. Jaipal Reddy — Sir, if Mr. Venkatramaiah wants me to create relevancy, I can make it.

Sri K. Venkatramaiah — Sir, yesterday this issue was over.
Mr Speaker — If you give me notice of a resolution or motion I can understand. You must let me know beforehand. Otherwise, if you abruptly rise and speak what am I to do?

Sri S. Jaipal Reddy,—I would have made my submission by now. This is a waste of time.

Mr Speaker — Everybody knows who is wasting time.

Sri S. Jaipal Reddy.—If I come to know of something after the sitting of the Assembly has commenced, what is it that can be done?

Mr Speaker — Give it (the motion).

Sri S. Jaipal Reddy.—Are you going to permit me if I give my motion?

(Interruption of “What is the relevance of this” from Treasury Benches)

Mr Speaker:—Do it; I ask the hon. Member to give it in writing. That is what I am telling.

Sri S. Jaipal Reddy.—You have first permitted me to speak.

Mr Speaker:—No, No.
Sri E. Ayyapu Reddy:—Rule 344 says "The Speaker shall have power to regulate the conduct of business in the Assembly in all matters not specifically provided for in the Constitution or the rules." Then rule 345 says "All matters not specifically provided for in these rules and all questions relating to the detailed working of the rules shall be regulated in such manner as the Speaker may from time to time decide." You have got residuary powers. What Mr. Jaipal Reddy says it he has taken the permission of the Chair and is making a submission. It is for the Speaker to decide. If the Speaker decides that it is not relevant he will say "I am overruling it." Let us follow some procedure. If tomorrow the members on the Treasury Benches raise a question you may listen to it and say the same thing "I am overruling it." Let the Speaker hear and overrule the member. Let us not interfere with the Speaker's discretion.

Mr. Speaker:—It is true that the Speaker has got residuary powers. But we have got an agenda here.

Sri E. Ayyapu Reddy:—You have permitted him, Sir.

(Interrupts from Treasury Benches).

Mr. Speaker:—Anyway, what is the thing the hon. Member is going to raise?

(Again interruptions)

Sri S. Jaipal Reddy:—You have permitted me. Please examine the record.

Mr. Speaker:—Don't listen to them. Listen to me.

Sri S. Jaipal Reddy:—True, Sir. The whole trouble is we are listening to you and you are listening to them. That is our complaint.

Mr. Speaker:—I am not listening to them. Whom am I listening to? If everybody wants to rise and speak, what is it that can be done. Now there is an important serious matter. I want to go to that item.

Sri S. Jaipal Reddy:—You have permitted me...
Mr Speaker—I want to go to the other important matter on
the agenda. I will examine the record and see. If it is permissible I
will permit it under the rules.

(Interruptions in the House)

Mr Speaker—That will be taken up after giving a notice.

Sri P Janardhan Reddy:—You can treat this as notice.

Sri S. Jaipal Reddy.—I received information after commence­
ment of the sitting of the House. If I had received information earlier
(Interruptions from Treasury Benches)

Mr Speaker—Hereafter I am not going to allow this. I am
making it clear to all the members. Nobody should speak without
my permission. In a matter like this, there should be a proper noti­
cation of motion or resolution in writing beforehand so that I may know
what the member is going to talk and what is going to happen. So,
please observe the rules.

Mr Speaker:—Please wait a bit.

Sri S Jaipal Reddy.—Please permit us to make them listen to you.

11-40 a.m.
11. Mr. Jagganath Reddy, M. C. - Whether the Chief Minister is running the State or an I.A.S. officer is doing it. Let the matter be clarified.

Dr. M. Channa Reddy.-The point is the hon'ble Chairman of the Legislative Council wrote to me on the 5th as fellows “Dear Dr. Channa Reddy Garu, I have received your letter dated 3-3-1979. I have informed Smt. T. Venkatappaiah M.L.C. about the contents of the letter and advised him to go to Khammam early. He promised that he would go to Khammam latest by 8 p.m. on Tuesday the 6th. This is for your kind information.

Sir, in response to your enquiry I wish to inform you that I will be reaching Kothagudem by about 10 p.m. I waive the rule to search my premises in the night and that I have no objection. I request you to kindly inform the concerned authorities in view of the assurance given by you to me that my house will not be subjected to search till I reach there. Our job was only to pass the information and I did pass the information in time.

Mr. Speaker — I am not yielding on that point.
Mr Speaker — On that, we will have to get information

Sri S. Jaipal Reddy — Before No-confidence motion, we would like to know what happened to the Privilege motion

Mr Speaker — That is under my consideration. I don't want to talk anything about it. I am not referring to it. I am considering it.

Sri S. Jaipal Reddy — Under Rule 171 you can first hear the Member on the Privilege Motion before giving a ruling on that.

Mr Speaker — I know Rule 171.

Sri S. Jaipal Reddy — I draw your attention to Rule 171.

Mr Speaker — Unless I decide about it, it cannot be moved in the House. It cannot be referred to in the House.

Sri S. Jaipal Reddy — On a Point of Order.

Mr Speaker — What you say will be relevant when I give consent under Rule 168. Otherwise you cannot refer to it.

Sri S. Jaipal Reddy — We tabled a Privilege motion before the commencement of the House.

Mr Speaker — You have no right till I give consent.

"A Member wishing to raise a question of privilege shall give notice in writing to the Secretary before the commencement of the sitting on the day the question is proposed to be raised."

All this is subject to Rule 186.
Mr Speaker — All that is subject of Rule 168. There is no question of arguing with me. I have given my ruling. Unless I give consent you cannot raise the matter in the House.

Sri S Jaipal Reddy — I will read Rule 168. "A Member with the consent of the Speaker raise a question involving a breach of privilege either of a Member or of the House or a Committee thereof.

Mr Speaker — There must be "the consent of the Speaker." That is a saving provision.

Sri S Jaipal Reddy — Right to raise a question of privilege shall be governed by the following conditions, namely:

Mr Speaker — All these provisions are subject to the first provision under Rule 168.

11:50 a.m.

Mr Speaker:— There are four stages so far as allowing the Privilege Motion is concerned. Please go through the Rules properly.

Mr Speaker:— No. I am expunging that remark.

* * * Expunged as ordered by the Chair.

Annual Financial Statement (Budget) 7th March, 1979. 347
for 1979-80. Demands for Grants

Mr. Speaker —Now, the minister for women and Child Welfare will reply.
Mr Speaker, Sir, several Members spoke on the two Demands of Women and Child Welfare and Tourism. The general trend was that the Budget is very low for these two departments. But, I wish to inform the Hon’ble Member that few years ago the Budget of Women Welfare was hardly Rs 95 lakhs. It has now gone up to over Rs 3 crores, which in itself is a great pleasure for us to see that the work of the department is progressive. Hon’ble Member Gouthu Latchanna and Rukminamma were most critical on the department’s budget. Hon’ble Mr Latchanna mentioned about the drastic cut in the budget. He went on to say that the plan has been reduced to Rs 84 lakhs. I can only tell the Hon’ble Member while the plan has gone down, there is a sizable increase in the non-plan budget, as you will see from the book. The previous plan was Rs. 180 lakhs and non-plan was Rs 129 lakhs. The present plan is Rs 84 lakhs whereas the non-plan is Rs 216 lakhs. There is a general drop for everybody, so we cannot complain about it very much.

Mr. Latchanna also told about the inadequacy of the Budget whereas the other Member Mrs Rukminamma mentioned that the District Women Welfare Officers are not given the jeeps which are serviceable. These are the old applied nutrition jeeps, Sir. You know, about the paucity of funds and it is not possible for us to buy vehicles and there is also general ban on purchase of vehicles. She went on to say that the teachers are anguished in service homes without promotion. This is under active consideration of the Government. The rules have not yet come. This is the main complaint with all the departments that the rules have to be made earlier by the Public Service Commission. The other speakers who have more or less said the same thing regarding allocation of the budget, balawadies, creches. I wish to inform the Members that in this year, the Government has given us Rs 25 lakhs for I.C.S.W. They have agreed to give us Rs 25 lakhs. We have already increased our strength of creches and balawadies by 66. That means almost 3 to each district. This would involve a lot of budget for the incoming years to carry on with the balawadies.

Mrs Vijayalakshmi mentioned about the reservation for women in Mahila mandals. There is already provision for reservation for women in Gram Panchayats and Zilla Parishads though not any proportion to the population concerned. So, such mahila mandals can get particular reservation. Mrs Vijayalakshmi mentioned about the Seminar on the Decade of Women and Child Welfare. We had sent the invitations to all the Legislators. The invitations were sent and they might have been lost in transit or they might have been misplaced. We assure the Hon’ble member that we are not having any such intention of overlooking the Hon’ble Members purposefully from the seminar.
Mr Tirumalayya said about the Vikarabad Children's home. This was started by the Zilla Parishad and they were unable to complete the same and we are after them.

Mr. Subba Reddy mentioned about the tourist facilities in the coastal Andhra. I am to inform him that a Tourist Bungalow was constructed in Mypadu, Dress changing rooms are constructed at Tapilapalem and Tourist Pavilions were constructed at Manginipudi and Wadarevu. Dress Changing Rooms are constructed at Lasons Bay at Vizag. We are following the proposals to start a Beach at Visakhapatnam with the Government of India.

After this, we can hardly say that the Coastal Andhra is overlooked. In comparison to the Budget given to all the States in the country by the Central Government, the Andhra Pradesh is very low, Sir, and we have taken now the matter with the help from Government of India. If the Government of India agrees, in the next year, we will the Visakhapatnam Beach.

In regard to running of Launches, we have terrific amount of criticism. We are not competent to run the launches. Two Launches were given by the Government of India. So, we had to depend on the Projects Department and they have now agreed finally and the Secretary, Projects assured that he will commission the Launches take up before 31st March.

Mr P Shiv Lal mentioned about the Charminar lighting. We feel helpless and our Government has not provided budget for it. For interior lightings, we could not get the permission from the Archaeological Department, Government of India. We will have to pursue the matter and we shall certainly see what we can do in this matter.

Then about the Lift to Naubhat Pahad, Sir. It is very impracticable idea and we do not have money for essential projects. There are certain priorities and we will have to think of priorities and budget, Sir. I am nothing to add and I request the Hon'ble Members to withdraw their cut motions and allow us to pass the demands unanimously.

Sri G Latchanna.— As per the statement of the Minister for Tourism, the non-plan allotment is increased. Will the Hon'ble Minister say whether she was satisfied with the plan allotment, which was cut?

Smt. Roda Maistry.— It is not a question of being satisfied, Sir. All the budgets have been sliced and we are one amongst them. At the present time, as the Hon'ble Members Sri Latchana very well knows, the budgets of all the departments have been cut and so we stand in line with rest of them.

Mr. Speaker :- As the cut motions are not moved I put the demands to vote. The question is

"That the Government be granted a sum not exceeding Rs 47,99,15,000 under Demand No. XXVII—Social Welfare."

"That the Government be granted a sum not exceeding Rs 15,52,79,000 under Demand No XXVIII—Social Welfare."

"That the Government be granted a sum not exceeding Rs 3,01,18,000 under Demand No XXIX—Women and Children Welfare."
