from them, rushed to Dimpulla Agraharam rickshaw stand. In the meantime, the accused snatched away gold ear-rings and gold sathamans weighing about 6 grams and raped her one after another forcibly without giving scope to raise alarm. On receipt of information, the rickshaw pullers numbering 20 and others rushed to the spot chased the accused, apprehended 4 accused out of 6. They assaulted the accused and produced them along with victim girl and her brother in-law at Harbour Police Station, Visakhapatnam. The remaining two absconded with the property. The four accused were arrested and sent them for medical examination along with the victim girl and her brother-in-law. The material objects of the victim girl and the accused were sent to Chemical analysis for examination. The four accused were remanded in Central Jail. Special party was formed to apprehend the two absconding accused.

Crime is having two sides—preventive side and deterrent side. The Government must have a thinking about it.

It is absolutely a misleading statement. We had given notice but the management did not appear before the Conciliation Officer. Last but one day, we went on strike. Can you deny that? It is not absolutely misleading? Let the Joint Commissioner's report be placed on the Table of the House. He has clearly stated that the Management has violated every term of the agreement. Instead of admitting that, you are misleading the House. Your reply shows as if the workers have gone on uncalled for strike. I am prepared to undertake a fast unto—death if the truth is not placed before the House.

Mehtapur is a remote village in our Taluka Sri Subba Rao, Patwari was placed under suspension for five years back on charges of misappropriation of revenues about Rs. 25000/-. He was in the habit of harassing the ryots and incurred the displeasure of all villagers by his behaviour and deeds. The said Patwari has been reinstated recently after five years, without finalising the misappropriation charges and clearing the revenue accounts. Royts of the villages have represented th Revenue officers that they would not pay the land revenue and other arrears to this Patwari in whom they have no confidence. Revenue officials, on false and oral complaints from the Patwari, have come to the village on 24—1—1979 in two jeeps to harass the ryots by attaching their properties. The party consisted of Tahsildar, Special Tahsildar, two Deputy Tahsildars, two Revenue Inspectors and several attendants. They forcibly entered in to the house of a Sarpanch and his brothers, abusing and threatening the villagers of the same consequences. They tried to take away the attached properties without passing any receipt for the attachment of properties. Sarpanch Krishna Murthy has asked the Revenue Inspector for the receipt. Instead of giving a receipt as the rules they have abused them.

Enraged by this, the villagers prevented the Revenue Officials from going out of their villages for a few hours. The Sarpanch had been to Miryalaguda and had apprised the situation to the Revenue Divisional Officer personally. On the false complaint of the Tahsildar, through a messenger, who is the son of the Patwari, in dispute, the Revenue Divisional Officer has sent the police to the village to implicate the innocent ryots on false and benami charges. Police have arrested 92 innocent people including a school going 13 years child and issued F.I.R., on 33 persons under section 396, 341 and 157 C.P.C., which are not bailable: The Revenue people even after this, went to the village with the police and they physically man-handled three persons including a child of 10 years by the police. The Tahsildar and the Revenue Divisional Officers have filed many false complaints against the ryots of Gudur, Gundapur, Yadagiripalli, Edugulagudem and Thungnapadu and other villages.
