At Hyderabad

2290 (Y) Q.—Sri Pellakuru Ramachandra Reddy (Kovvur):
Will the Minister for Technical Education and Indian Medicine pleased to state:

(a) whether it is a fact that the Director of Indian Medicine and Homeo had recommended for the merger of both the Potti Sreeramulu and Jaisurya Government Homeo Colleges at Hyderabad into one;

(b) the opinion of the Government about the above proposal;

(c) whether it is a fact that there is no Homeo college in Rayalaseema district;

(d) whether there are any long pending representations for opening of such a college in Rayalaseema area; and

(e) whether the Government will consider to open one such college before the admission of students into the existing Homeo colleges this year?

3-40 a.m

The Speaker:—Sri Pellakuru Ramachandra Reddy:—The Hon. Minister for Technical Education and Indian Medicine informs the House that the Director of Indian Medicine and Homeo had recommended for the merger of both the Potti Sreeramulu and Jaisurya Government Homeo Colleges at Hyderabad into one. The opinion of the Government about the above proposal is that the merger should be carried out. There is no Homeo college in Rayalaseema district. However, there are long pending representations for opening of a Homeo college in Rayalaseema area. The Government has considered the proposal for opening one such college before the admission of students into the existing Homeo colleges this year.

(a) whether the Government have given any training for Graduates as Non-Medical Assistants;

(b) whether it is also a fact that bonds were taken from trained that they should serve the Government for a particular period; and

(c) whether it is also a fact that the above trained candidates were not given any posting orders so far?

Sri M. Venkaiah Naidu: — Will the Minister for Health and Medical be pleased to state:

(a) Whether the Government have given any training for Graduates as Non-Medical Assistants?

(b) Whether it is also a fact that bonds were taken from trained that they should serve the Government for a particular period?

(c) Whether it is also a fact that the above trained candidates were not given any posting orders so far?
Sri A. Madan Mohan—I am grateful to the Hon'ble Member, as he has answered half of the question. He knows the position, that this was a scheme of Central Govt with 100% subsidy, which was introduced in 1976-77 only. There was cut in the expenditure, with the result that 250 persons are unemployed. We have been corresponding with the Govt. of India not only for the release of funds the release of funds for 77-78 and 78-79 but for the present position also. They have asked us more particulars and we supplied them. At one time only they were reluctant and not in a position to do. Now we hope that the Government of India will support the latest trend and is going to release the funds.

My condolences to Mr. Madan Mohan.
Sri A. Madhu Mohan: Employment position is one aspect. As far as leprosy is concerned, it is highly endemic, which is another aspect. And as far as anti-doping is concerned, the 1977-8 season did not show any significant results. However, the 1978-8 season showed promising results.

When I make a statement, I will make a very responsible statement.

Sri A. Madhu Mohan: Sir, I have answered this already sufficiently.

Dipl. Answers to Questions.
20th February, 1979, 319
*Smt. Roda Mistry:*—Sir, In certain cases we have been requested to take over the valuable manuscripts and books and we are very happy to inform the House that we are making utmost efforts to see that these books are taken over. Only the thing is that they were in remote places and it is very difficult for us to preserve manuscripts here. Sir, in one case I myself offered to take those books to the city as they were all fade up, for cure and rebinding etc., After due repairs, they could be returned.

*Sri M. Venkaiah Naidu:*—This is about the general things. But specifically in yardhamana Samajam there are books worth of one lakh of rupees along with preserved papers of ancient history etc., They are ready to hand over the Library to the Government, if the Government is ready to maintain the Library in Nellore itself.

*Smt Roda Mistry:*—I think this is the same instance I am mentioning about some valuable books and manuscripts, but I am not sure sir, Any Centre which has such collection we will be happy to take them over if they are proved valuable. We will certainly take over, bring them all here in city for repairs and after that we would always send them back to them, for to the place they belong.

9. "Revision".

(1) The Commissioner may of his own motion or otherwise call for and examine the record of any officer subordinate to him in respect of any proceeding and the Government may of their own motion or an application made to them call for and examine the record of the commissioner to satisfy himself or themselves as to the regularity of such proceedings, or the correctness, legality or propriety of any decision passed or order made therein, and it, in any case, it
appears to him the Commissioner or the Government that any such decision or order should be modifiedannually or remitted for reconsideration, or they may pass orders accordingly

(2) No order prejudicial to any person shall be passed under sub-clause (1) unless such person has been given an opportunity to make his representation.

(3) The Commissioner may suspend the execution of the Order pending the exercise of his power under sub-clause (1) in respect thereof.

10. Review.—The applicant for revision or the respondent may within a period of one month from the date of disposal of the revision apply to the Government for review of any order passed by them under clause (1) on the basis of the discovery of new and important fact which after the exercise of due diligence were not, within his knowledge or could not be produce by him when the order was made or on the basis of some mistakes or error apparent on the face of record or for any other sufficient reason. The order passed in such view shall be final.

11. Exemption.—The Government may, by an order, notified in the Andhra Pradesh Gazette exempt any catering establishment or class of catering establishments from all or any of the provisions of this Order subject to such conditions, if any, as they may deem fit to impose and may, at any time, in the like manner suspend or rescind such Order.

12. Power to amend the Schedule: The Government may by Order notified in the Andhra Pradesh Government Gazette alter, and to or cancel any of the entries in the Schedule.

ANNEXURE — II

NOTIFICATION

Whereas the Government are of opinion that it is necessary and expedient for the effective implementation of the Andhra Pradesh Catering Establishments (Fixation and Display of Prices of Foodstuffs) Order, 1978, to issue certain directions to the owners of catering establishments.

Now, therefore, in exercise of the powers conferred by sub-clause (1) of clause 6 of the Andhra Pradesh Catering Establishments Order, 1978 the Government hereby issue the following directions to the owners of the catering establishments in the twin cities of Hyderabad and Secunderabad namely —

Direction — 1.

Every owner of a catering establishment readily make available a weighing balance with counter scales in his catering establishment to enable the persons empowered under the said Order to weigh and verify the weights of the foodstuffs being served or sold in the catering establishments in order to enforce the minimum weights of the foodstuffs specified in the schedule to the Order.

Direction — 2.

Every 'owner' of a catering establishment shall prepare a bill in duplicate in respect of every sale of foodstuff, clearly indicating the date
of sale and the price of the foodstuff sold. The counterfoil of the
bill shall be retained in the catering establishment and shall be made available
for verification and inspection as and when required by the inspecting
officers.

Direction—3.

No owner of a catering establishment shall offer for sale of any
special preparations of the foodstuffs without, at the same time, making
available for public consumption the ordinary varieties of such foodstuffs.
Any failure to comply with this direction will be construed as a violation of the provisions of the Andhra Pradesh Catering Establishment (Fixation and Display of Prices of Foodstuffs) Order, 1978 entailing legal action against the owner of catering establishment concerned.

For example, no catering establishment can serve Rayava Special Idly without at the same time offering for sale ordinary idly with sambar and chutney and specified in the schedule to the Order. Likewise, no catering establishment can serve Cabbage Vada, without at the same time offering for sale other types of Vada with Sambar and Chutney as specified in the schedule to the Order. Nor can any catering establishment serve either Uthappam or Masala Dosa or any other Special Dosa without at the same time offering for sale ordinary Dosa with sambar and chutney as specified in the Schedule to the Order.

The Honourable Chief Minister,
Govt. of Andhra Pradesh, Hyderabad.

Sub—Andhra Pradesh Catering Establishments (Fixation of and Display of Prices of Foodstuffs) Order, 1978 - Difficulties and hardship - Leave to wait on the Honourable Chief Minister - Requested.

Sir,

We beg to address you in the following circumstances:-
1. We invite your kind reference to the Notification G.O.Ms. No.548 dated the 8th September, 1978 of the Food and Agriculture (CS,III) Department, making the Andhra Pradesh Catering Establishments (fixation and display of prices of Food Stuff) Order, 1978 and enforcing it with effect from 12-9-1978. The said order has appended to it the Schedule fixing the minimum weight and maximum prices of certain items of food stuffs served in catering establishments in Hyderabad and Secunderabad. Being aggrieved by the said order the Association has, by its letter dated the 15th September, 1978, submitted a written representation to the Secretary to Government, Food & Agriculture (CS,III) Department, Andhra Pradesh, Hyderabad requesting that the Government will be pleased to suspend the operation of the said order till an opportunity is given to the representatives of the trade and a final decision is taken after due consideration of the hardship and difficulties being experienced and apprehended by them. A copy of the said written representation is submitted herewith for your favourable kind perusal.

2. The Association has been receiving messages by Telegraphs and trunk telephones from catering establishments from other Districts of Andhra Pradesh also. They express a desire to wait on your goodself to make personal representations about the difficulties and hardship experienced by them, on any day convenient during the period from 20th to 25th September, 1978.

3. As the above said order has already been enforced by a Gazette Notification dated 12th September, 1978 and the trade throughout the State of Andhra pradesh has been experiencing much hardship, we venture to submit that the matter is urgent and would request you to be graciously pleased to receive a delegation of representatives of the catering trade, on any day convenient during the period from 20th to 25th September, 1978.

4. We request the favour of an early reply to enable us to give due intimation to the representatives of the trade who are coming from different towns in the State.

Thanking you, sir,

We beg to remain,
Yours faithfully,

With reference to the above, we beg to state as follows:

2. By the Notification above cited stated to have been issued by the Government of Andhra Pradesh in exercise of powers conferred by Section 3 of the Essential Commodities Act, 1955 and certain powers statutorily have been conferred by the Central Government on the Government of Andhra Pradesh in certain orders mentioned therein, the Andhra Pradesh Catering Establishment (Fixation and Display of Prices of Food Stuff) Order, 1978 is stated to have been promulgated by the Government of Andhra Pradesh. The main features of the Andhra Pradesh Catering Establishments (Fixation and Display of Prices of Food Stuff) Order, 1978 (hereinafter referred to as the said Order) may be stated to be as under: —

(a) The order is based on the premise that the prices charged by the hoteliers in the State of Andhra Pradesh for various common items of eatables are generally higher than the prices charged for the same items of eatables in the neighbouring States.

(b) The Government are stated to have reviewed the prices and considered it expedient to issue a statutory order giving certain directions to the owners of the catering establishments.
(c) The Schedule appended to the aforesaid order applies to the area covered by the Hyderabad Municipal Corporation. Similar Schedules for various Districts are to be prescribed by the District Collectors concerned.

The power of entry, search, seizure etc., under Rule 8 of the aforesaid order is conferred on several officials and functionaries including officers of the Revenue and Civil Supplies Department not below the rank of a Deputy Tahsildar, any officer of the Commercial Tax Department not below the rank of Inspector or any Police Officer not below the rank of Sub-Inspector. The aforesaid authorities are also empowered to carry out their functions with such assistance as they think fit. The Government are empowered to exempt any catering establishment or class of catering establishments from all or any of the provisions of the order.

3. We are constrained to submit that the statement contained in the abstract of the Order, viz: that the prices charged by the hoteliers in the State for various common items of eatables are generally higher than the prices charged for the same items of eatables in the neighbouring States, is not correct. The Hoteliers of Andhra Pradesh are not aware of any complaint by any section of the public against price structure of the various items that are catered in their establishments. From an examination of the past records it would be seen that the hoteliers of Andhra Pradesh have always co-operated with the efforts of the Government Authorities in holding the price line and co-operating with their efforts in making wholesome food available to the members of the public at reasonable prices. It is a well-known fact that there has been a steep rise in prices of raw materials such as chars' fuel, electricity, taxation, wages, house rent and overhead expenses. Any attempt to impose statutory control over the quantity and the price of the items of food stuff catered in the establishments without corresponding regulation of prices of raw materials and other items of outgoings which the catering establishments have to bear, would completely dislocate the business, leading to inconvenience to the public at large.

Referring to the Schedule annexed to the said order, it would be seen that it contains 8 items which are catered by the South Indian Style vegetarian hotels and restaurants which are catering the above said items compare favourably with the prices now prevailing in the neighbouring States. To enforce a rigid control over the price and weight of each item irrespective of the size and economic conditions of the establishment concerned, would result in unwarranted hardship to the management of such catering establishments. Besides, these items are not processed mechanically and it would not be practicable to follow the directions regarding weight, size, etc. It is needless to add
that the prices of these items must necessarily be dependent on the
prices of the raw materials required to prepare them. An impartial exa-
mination of the Schedule would reveal that the regulation regarding the
weight as well as the price which is made applicable to the catering
establishments, which are broadly divided to those whose annual turn-
over is above Rs. 3 lakhs and others, are not based on any rational
consideration or after due discussions with members of the trade.
The provision of the order empowering various officers including Sub-
Inspector of Police to enter establishments and to call for documents
to inspect them and also seek such assistance from others as desired
by them is also likely to result in harassment to the members of the
trade. In fine, we are constrained to bring to your kind notice that the
above said order is full of objectionable features and requires to be re-
examined with due consultation with members of the trade and take
such further action with regard to the same as may be found just and
necessary. Meanwhile, we request you kindly to defer or suspend the
enforcement of the aforesaid order.

The Association confirms having sent a telegram to you today,
reading as under:

Reference the Andhra Pradesh Catering Establishments (Fixa-
tion and display of prices of foodstuff) Order, 1978 published in
Andhra Pradesh Gazette Extraordinary dated 12th September, 1978. We
apprehend the Schedule of prices and other conditions will dislocate
the trade causing inconvenience and misery to all concerned.

Reference:- Notification G.O,Ms.No.548 Food & Agriculture

Sir,

We beg to address you in the following circumstances:—

1. The Government of Andhra Pradesh, by the Notification above cited, have enforced the Andhra Pradesh Catering Establishment (Fixation & Display of Prices of Food Stuff Order, 1978(hereinafter referred to as the Catering Order), with effect from the 12th September, 1978. The said Notification has annexed to it, the Schedule prescribing the minimum weight and the maximum price for each one of the 8 items of food stuffs usually served in the South Indian Vegetarian type of catering establishments in the State. While the aforesaid Schedule is made applicable to the establishments in the City of Hyderabad, the Collectors of the Districts concerned have been empowered to fix the price of the aforesaid items of food stuffs in their respective Districts from time to time.

2. On reading Press reports about the enforcement of the said Catering Order, we waited on the Secretary to Government, Food & Agricultural (CS III) Department and presented a Memorandum dated 15-9-1978, setting out in extenso the possible repercussions of enforcing such an order and requesting the Government to defer or suspend the enforcement of the said order pending examination of the various hardships and difficulties pointed out by us in the aforesaid memorandum. Even before presenting the said Memorandum, we had sent a Telegram to the said Secretary requesting that the Government will be pleased to suspend enforcement of the said Catering Order pending our deputation on the Honourable Ministers.

3. The Catering Establishments have been functioning subject to various hardships and levies. Most of the Catering establishments are subject to the Andhra Pradesh Shops Establishments Act, Payment of gratuity Act, payment of Bonus Act, payment of Wages Act, Provident Fund Act, Employees State Insurance Act and the Minimum Wages Act.
4. The 8 items of food stuffs prescribed in the Schedule constitute the major items catered in the South Indian vegetarian type of catering establishments in the State. From a reference to the cost of living index it will be abundantly clear that the price of commodities which are used by these establishments has been steadily rising. However, these establishments have always been co-operating with the Government in holding the price line. While so, these establishments have experienced a rude shock on the promulgation of the said Catering Order fixing up the minimum weight and the maximum price for the service of 8 major items of food stuffs in the catering establishments. An impartial examination of the minimum weight and the maximum Price as prescribed in the Schedule would reveal that they are not practicable. The Schedule classifies the Catering Establishments into Category I (with turnover of Rs. 3 lakhs and below) and Category II (with turnover of above Rs. 3 lakhs) and makes a difference in the maximum prices for all items excepting meals (plate) which is fixed at Rs.1.90 in both the categories.

5. We are constrained to state that it will be impossible to make catering establishments subject to the schedule which prescribes not only the maximum prices for each item of food stuffs, but also the minimum weight. The items are all hand made and not machine made and it will be impossible to maintain the minimum weight as required by the Schedule. Besides, it is a well-known fact that the weight of these items varies with temperature.

6. The Catering Order empowers a variety of officials and functionaries to enter, inspect, search and do various acts and things in the Catering Establishments, which is likely to cause much harassments to the persons in charge of them.

7. In spite of our representations to the Government to suspend the enforcement of the Catering Order Pending our intended deputation to the Hon'ble Ministers, the authorities concerned appear to have been active going from establishment to establishment and checking weights of foodstuffs, bill books, making panchanama etc. resulting in dislocation of a peaceful atmosphere in hotels and restaurants.

8. While the catering order has come into effect in Hyderabad City by virtue of the Schedule contained in the said Catering Order, there has been wide spread apprehension in all the Districts of the State about the enforcement of the Catering Order by their respective Collectors publishing schedules for their districts concerned. It is reported in the Press that the catering establishments in Kurnool Town were constrained to suspend their business indefinitely. Certain owners of catering establishments in the Districts of Nellore, Guntur and Prakasam are stated to have approached the Hon'ble High Court for issuance
of an appropriate Writ or direction against the Government refraining them from enforcing the said catering Order. Thus it would kindly be appreciated that there has been widespread apprehension and dislocation of the normal life throughout the State on account of the enforcement of the Catering Order in the Hyderabad City and the apprehended enforcement of the same other Districts by the Collectors publishing the Schedules within their respective Districts.

9. As stated herein above, the said order applies mostly to the South Indian vegetarian type of catering establishments, which are in minority. We venture to submit that the prices prevailing in such establishments are neither excessive nor unreasonable. There is no scarcity of the food stuffs that are enumerated in the schedule. While so, we respectfully submit that there is no reason to enforce any statutory rule with regard to the minimum weight or maximum prices for these items.

10. Even assuming, while denying, that it is necessary to fix the maximum prices for certain popular or common items of foodstuffs in the interest of the citizens, even so, the minimum weights and the maximum prices that are fixed in the schedule are arbitrary and capricious. It is impracticable to weigh out items and cater to the members of the public who visit catering establishments. It is a well known fact that while the Catering Order prescribes the maximum prices and the minimum weight, there is no restriction whatsoever as regards the maximum prices of raw materials. A mere look at the cost of living index published by the Government themselves, will clearly prove that there has been a steep rise in the price suggested by Press reports that the Government have promulgated the catering order assuming that the price level of the items of food stuffs enumerated in the schedule prevailing in the Andhra Pradesh State is generally higher than the corresponding prices in the neighbouring States of Karnataka, Maharashtra and Tamil Nadu. We are constrained to state that this assumption is not correct. Secondly, a business like catering cannot be subjected to maximum prices and minimum weight and similar controls. If food stuffs are processed and packed by machines and are made available in grocery shops as any other commodities, then it might be possible to arrive at the economies for such items of food stuffs. The most essential element in catering establishments is service. and, therefore, we are constrained to state that it will be impossible to run catering establishments subject to the various restrictions imposed on them by the impugned order.

Even if the Government find it expedient to fix the maximum prices for certain items, we submit that it would be proper and convenient to elicit the opinion of the members of the trade and then arrive at a work-
We respectfully submit that the Association is anxious to co-operate with the Government in their efforts to usher in a welfare state where the maximum happiness is to be ensured to the citizens.

11. The Association has been getting frantic appeals from almost all the Districts of the State urging it to call an emergent meeting and wait on the Hon'ble Chief Minister and other authorities in the Government to find workable solution. The Association is convening an emergent meeting of the representatives of the catering trade in the State to meet at Hyderabad on the 6th October, 78 and Memorandum to be submitted to the Hon'ble Chief Minister. Meanwhile, we request you kindly to direct the Authorities concerned to suspend enforcement of the said Catering Order throughout the State. For which act of kindness we shall ever remain grateful.

The Honourable Minister for Civil Supplies,
Government of Andhra Pradesh,
Hyderabad.

Dear Sir,

Sub: Andhra Pradesh Catering Establishment (Fixation & Display of Price of Food Stuff) Order, 1978—Objectional features Hardship to the Trade as well as member of the public Re-examination of the said Order and suspension pending the same Requested.

Ref: Notification G. O. Ms. No. 548 (Food & Agriculture) (CS.III) Department, published in the Andhra Pradesh Gazette (Extra-ordinary) dated : 12th September, 1978:

We reproduce below the text of the copy of the resolution received by this Association from the Hyderabad Hotels Owners and Confectioners Association and the Secunderabad-Hyderabad Hotels Owners Association which is self explanatory.
Oral Answers to Questions. 20th February, 1979. 345

This meeting of the hotelies of the twin cities of Hyderabad and Secunderabad held at hotel Dwaraka on 3-10-1978 hereby unanimously resolves that, having regard to the fact that no reply has been received from the Government to the several representations submitted by the Andhra Pradesh Hotels' Association on the subject of the recent G.O. Ms. No. 548 Food and Agriculture (CS-III) Department, 8th September, 1978—The Andhra Pradesh Catering Establishments (Fixation and Display of Prices of Food Stuff) Order, 1978 unless a satisfactory reply is received from the Government by the 5th instant all the hotels and Catering Establishments in the twin cities of Hyderabad and Secunderabad shall observe indefinite close as from morning of the 7th October, 1978.

In this context, we also enclose copies of the representation submitted to the Government by this Association.
3. Copy of the points detailing the hardships of hoteliers discussed with you at our meeting on 1-10-78.

We venture to state that the situation is taking a serious turn and may soon get completely out of the control of this Association.

Thanking you,

Yours faithfully,

for ANDHRA' PRADH HOTELS ASSOCIATION

(S.PUTTANNA YAYA)

PRESIDENT.

Sub: —The Andhra Pradesh Catering Establishments (Fixation and Display of Prices of Food Stuff) Order, 1978-.

Sir,

We invite your kind reference to the discussion we had on 6th October, 1978 and the understanding arrived at in the said conference namely: that the discussions would be resumed on the 24th instant and meanwhile this Association should persuade the catering establishments to defer closure. Accordingly, this Association took all the proper and necessary steps to counsel patience to their Members and also other catering establishments and by and large they accepted our advice and the catering establishments continued to render service and are still continuing their normal activities.

2. Even after the above said conference, the enforcement branch of the Civil Supplies Department appears to have initiated action against certain of the catering establishments and, notwithstanding our understanding, have filed complaints/chargesheets in the Court of certain Metropolitan Magistrates in Hyderabad and Secunderabad. We also reliably learn that in some of the Districts, the officials concerned have taken action to implement the above said G.O. and also have given publicity. One such instance is Cuddapah. The Kakinada District authorities appear to have informed the hotel association there that in case the prices are not voluntarily fixed by the hoteliers before the 24th instant, they would issue the schedule fixing the rates. The above action are contrary to the understanding and assurance given by you on the 6th instant at our meeting with you.

3. We request you, therefore, that the prosecutions launched against the hoteliers in the Metropolitan Magistrate Courts and also any other actions that might have been taken by the authorities concerned against hoteliers throughout the State may be kindly be withdrawn immediately.

4. This Association hopes that their representation relating to the objectionable features of the Andhra Pradesh Catering Establishment (Fixation & Displays of Prices of Foods Stuffs) Order, 1978 (hereinafter referred to as the said Order) has been examined by the appropriate authorities and that the Government will introduce appropriate amendments to the said Order to let the catering trade continue to discharge its legitimate functions without undue let or hindrance.

5. We learn that there is no similar legislative measure in force in the neighbouring States of Tamil Nadu, Karnataka and Maharashtra. As already suggested, the catering trade will Co-operate with the Government in its efforts to provide their service on reasonable terms.

6. We have already submitted that the schedule annexed to the Order and made applicable to the Hyderabad City has many objectionable features. We have referred to the aforesaid objectionable features in our previous correspondence and therefore, it is not necessary to repeat them here.
7. As regards the Tariff, the prices indicated in the Schedule appear to have followed the prices we were persuaded to adopt in 1976. It is common knowledge that there has been a steady rise in the prices of all the commodities and overhead charges and therefore it is impossible to run any establishment adopting the schedule. We have also obtained facts and figures from the neighbouring States. After due deliberations, we are of opinion that it would not be practicable or even desirable for the statutory order to prescribe minimum weights of food stuffs. The law of demand and supply and the reaction of consumers are bound to make fair quantum available to the consumers.

8. The catering trade is a very highly complicated and competitive one as it caters to different human tastes. No person will go to a restaurant a second time if he finds the quality had, services inefficient and atmosphere uncogenousal. No restaurant can survive by mere show and Posh appearance. They have to serve good food and provide service with amenities to attract customers. The 8 items of foodstuffs enumerated in the schedule constitute the major portion of the volume of foodstuffs processed and served in hotels. The uniform fixation of tariff for all types of hotels has not only been unilateral and arbitrary but also will do more harm than good.

(1) With regard to direction No. 2 in the said Order, viz: preparation of bills in duplicate, we respectfully submit that, apart from being a cumbersome procedure it also lands us in great inconvenience and hardship. As already submitted in our earlier memorandum, we request that this should not be insisted upon.

Declaration of power to the officers of the several Departments is fraught with the danger of additional harassment. If, however, it is found necessary the delegation may be restricted to the officials of the Civil Supplies Department only.

In conclusion, we beg to submit the following points for your kind consideration and immediate action.

1. The above said G.O. is very unjust, impracticable and unilateral. Our hotel trade is dependent mostly on market prices of raw material most of which are constantly fluctuating with an upward trend. Apart from this, the overhead and maintenance charges and other statutory obligations are also constantly increasing resulting in additional burden. Hence, we request that the Order may not be implemented.

2. Great and irreparable loss has been done to us by not consulting the members of our trade before the promulgation of the G.O. We request that a Committee consisting the representatives of酒店 and the Government may be constituted at least now to discuss and decide the feasible steps for the fixation of prices of food stuffs enumerated in the schedule.
3. We further pray that pending prosecutions filed in pursuance of the present order may be totally withdrawn forthwith or alternatively the trial and further proceedings may be stayed till suitable amendments and alterations are made by the Committee to be formed. We also request you to send necessary instructions to the District Officials not to implement the order pending the final decision by the Government in pursuance of our representation. This, we feel, is absolutely necessary in the light of the impracticable conditions mentioned in the existing order.

We earnestly hope that you will appreciate the part played by our Association in maintaining normally and will accept our recommendations in the interest of all concerned.

Thanking you,

Yours faithfully,
for Andhra Pradesh Hotels' Association.

Dear Sir,

Sub: The Andhra Pradesh Catering Establishments (Fixation and Display of Prices of Food Stuff) Order, 1978, Regarding.

We beg to enclose a copy of a communication addressed by this Association to the Commissioner of Civil Supplies-cum The Secretary to Government, Food & Agriculture (C.S.III) Department, Andhra Pradesh Government Secretariat, Hyderabad, No. A.P.H.A. 112/78 dated 24th October, 1978 on the above subject.

We had also occasion to submit to you a Memorandum earlier in this context and on your advice, we have since been approaching the Honourable Minister for Civil Supplies and the Commissioner of Civil Supplies. Having failed to receive any relief from these quarters, we are obliged to approach you again with a request that our submissions to the Government may kindly be duly considered and relief afforded to us as prayed. We, may add that hoteliers from all over the State have come here and are highly agitated over the present impasse.
Oral Answers to Questions. 20th February, 1979. 349

We, therefore, once again request you to kindly come to the assistance of the hoteliers at this critical juncture and avert what may otherwise lead to serious consequences.

Dear Sir,

We beg to address you under the following circumstances:

Mahabubnagar District:

We are informed by the Secretary, Mahabubnagar Hotel Owners Association today that the District Collector, Mahabubnagar, has directed the owners of the catering establishments, Mahabubnagar proper, to display the prices of eatables as per schedule with effect from 22-11-1978.

Khammam District:

We are informed over the telephone today by the President, Khammam Town Hotel Owners Association, Khammam, that the District Collector has directed the hotel owners there to implement the above G.O. immediately as otherwise, he will take action against them.

The above action of the District Collectors are contrary to our request and also the direction by the Honourable Chief Minister that no action should be taken against the hoteliers all over the State for not implementing the Order, pending final decision by the Honourable Chief Minister.

We would therefore, earnestly request you to kindly issue appropriate directions immediately to the District Collectors of Mahabubnagar and
Khammam, to withhold implementation of the G O. through the respective Districts pending final disposal of this matter by the Honourable Chief Minister.

To

The Hon'ble Chief Minister,
Government of Andhra pradesh,
Hyderabad-500022

Respected Sir,

Sub: Andhra Pradesh Catering Establishment (fixation & Display of prices of Food stuffs) Order 1978

Ref: Notification G O Ms No 548 (Food and Agriculture) (C S.III) Department-Published in A P. Gazette (Extra-ordinary) dated 12-9-1978.

We beg to submit the following facts—

In 1975, during the Emergency, there was steep rise in the general price level. There was justification then for increasing our selling rates. The Government interfered, and fixed the selling rates of certain items to satisfy the public, exempting Star and Approved Category of Hotels.

Since then we have been holding the price line even without reducing the quantity and quality, although in the intervening period price of some commodities like, rice, fats, sugar, have sky-rocketed, and also the establishment charges have considerably risen, on account of upward revision of wages and electricity tariff, increase in rents, cost of kitchen equipment, service equipment, maintainence materials etc. to mention a few.

Comparing the average prices of commodities in 1975-76 with those prevailing today, prices of Oil, Dalda, Rice, are more or less steady, but there is a sizable fall in the price of sugar. This sizable fall is more than offset by the unprecedented hike in the prices of prices. This fall in sugar price, of course, cannot but be temporary.

Besides, the prices of Coffee, Tea, Milk, FUEL Vegetables, all forming along with pulses, main ingredients of items selling rates of which are now sought to be controlled, have steadily increased over the past three years. A study of cost of living index may roughly indicate the movement of general price level in this period.

We most humbly venture to point out above mentioned circumstances do not justify the promulgation of this order, the type of which was promulgated in the neighbouring states only during the Emergency and has, since, lapsed there. We are agreeable to adopt the system in case there are necessary adjustments called for by difference in circumstances and in public taste. It should also be noted that there...
already different categories of establishments to suit the pockets of different classes of society and there is keen competition among different categories of hotels.

Just a few observations on certain important provisions in the Order:

I. Price
   (a) As prices of pulses, fats, rice, coffee, tea, sugar are more or less remain same throughout the State, the selling rates of controlled items should be same everywhere.

   (b) Maximum Prices fixed even for Twin Cities itself are unrealistic. We can prove by experiment that 2 Vadai of 25 gms. each properly sted, with Chutney and Sambar of medium consistency, costs 32 p excluding cost of fuel and other overheads, even when, you make this at home. And selling rates fixed for establishments whose turnover is less than Rs 3 Lakhs in the cities is only 35 Paise.

   (c) One cannot control the price of end product without reference to the price of raw materials involved, and making them available at a uniform price throughout.

   (d) One cannot prescribe uniform selling rates to all Hotels irrespective of location style of running the Hotel, and investment made.

II. Weight
   No human hands can make each and every idli vadai, etc. Conform exactly to a specified weight. Difference in temperature varies weight, and a disgruntled inefficient worker can put us in soup.

III. Curd
   Commitment to serve curd is the easiest way to land ourselves in Jail under P.F.A. Act.

IV. Special Item
   Not to sell special items when ordinary items are exhausted will result in wastage.

V. Wide powers to multifarious Authorities and compulsory duplicate Bills etc. Provisions of Civil Supplies (Essential Commodities) control Order has been blindly applied to this order. We manufacture Food and Beverages on the spot and sell immediately, as they are quickly perishable.

   No hording and block marketing is Possible.

Most of the Hostels are small proprietary concerns, and many of them are illiterate. They work night and day to eke out a livelihood. They cannot be burdened with additional expenses involved for printing Bill books, and keeping salaries Bill Writers. Bills also cause difficulties for counter service in busy self-service canteens in Bus stands and Railway Platforms, etc.

In this context, we beg to refer to the meeting our representatives had with you and other officers of the civil supplies Department in your office at 3 p.m. on 28-10-1973 when the matter was discussed at length and our representatives submitted their proposals. At end of the meeting, you were kind enough to inform them that their submissions together with your recommendation would be forwarded to the Honourable Chief Minister for final orders. We also submitted simultaneously that, as directed by the Honourable Chief Minister earlier, no action be taken against the Hotelers throughout the State for non-implementation of the order pending final decision by the Honourable Chief Minister.

We are informed that inspite of the Tirupathi Hotels’ Association having informed the District Collector, Chittoor, about the above understanding, he has refused to reconsider this decision on the ground that he has received no instruction from the Government in this regard. This has placed our Member in a highly embarrassing position. The Hon'ble Chief Minister,
Government of Andhra Pradesh,
HYDERABAD.

Respected Sir,

Sub: Memorandum On Behalf of Consumers for The Implementation Of A. P. Catering Establishment (Fixation and Display Of Food Stuffs) Order, 1978.

We wish to place on record our deep appreciation of the A. P. Catering Establishment (Fixation and Display Of Prices of Food Stuffs) Order, 1978, which is undoubtedly one of the best social measures that you have brought into force. This order is going to help millions of common men who frequent the catering establishments when they are hungry. At the rates prior to this order, one had to spend Rs.2/- to have coffee and two items of breakfast food. Now under the new order, the same items can be had for Rs.1.10 ps.

But we are sorry to note that some of the hoteliers are procrastinating against this order, ignoring their social responsibility and accountability. At times, these hoteliers had reduced the rates for certain...
Tables under the pressure of students agitations, but at the same time they had not hesitated to reduce the size or weight of these eatables.

Orders such as this are already in operation in neighbouring states like Karnataka and Tamil Nadu.

The main objection from these hoteliers seems to be based on the uneconomical prices structure fixed by this order. But if one really goes little deeper into this matter, one would find that the prices fixed by this order, in fact, leave a very large margin of profit to hoteliers.

We have worked out the cost of few items, like Idli, Vada, Dosa, to illustrate our contention. The rates worked out by us are based on the current market rates. The cost of Idli is 19 ps. for two each weighing 50 gms, Vada will cost 22 ps. weighing 50 gms, and Dosa 19 ps. or 40 gms. These rates include the cost of Sambar etc. This means that the hoteliers will get anything between 90 to 100% gross profit over what they spend on the preparation of these food items.

Now when the Government is trying to cap the profits of other industries such as Pharmaceuticals and has also introduced upper ceiling for the individual's income, the hoteliers cannot be allowed to forget their duty to the society.

Another important point must be appreciated by the hoteliers and that is except these five eatables, there is no restrictions on the prices they can charge for various other 15-50 items that they serve in their establishments. They always have the scope to compensate their imaginary losses. Since they are not going to be out of pocket by selling Idli, Vada at the prices fixed, they must willingly come forward and help the common man.

Sir, you have taken many other social welfare measures such as linking villages by road transport to main roads, construction of houses for weaker sections, Gurukul pattern educational facilities for the rural masses and many other during the short period of your stewardship, while these welfare measures will benefit different sections of society, particularly the catering establishment Order will benefit millions of people belonging to all sections of society who will always remain grateful to you for the good you have done to them.

The letters to editors that have appeared in newspapers columns express happiness over this Order but are anxious for its proper implementation.

So, on behalf of these millions of consumers, we very earnestly request you to personally look into the implementation part of this Order and uphold one of the best social welfare measures you.

have introduced so that the common man may get the much relieve.

with kind regards,

Yours sincerely,

Adoni.

To
The Honourable Chief Minister,
Andhra Pradesh, Hyderabad.
Honourable Sir,

As a protest against the prices fixed by the Government, all the Hoteliers of Adoni town observe Bundh on 29-9-78. This is a sort of threatening by the hoteliers which caused very much inconvenience to the general public and in particular to the thousands of villagers who visit this place for business. But all the Government authorities viz. Revenue, Municipal, Police, Weights & Measures, Commercial ax etc., were only a silent spectators. It is the way the concerned Government authorities should act in such a situation. We, therefore, request that proper action should be taken against the concerned authorities and ensure that the estables are sold by the hoteliers at the rates fixed by the Government.

Thanking you, Sir,

Yours faithfully,

No. 934/SCMP-78

Chief Minister's Office.

The Hotelier's Association met the Chief Minister and gave him the representations placed below. Commissioner (Civil Supplies) and ex-officio secretary, F&A may see them. Chief Minister has desired that both the Commissioner and I should meet four or five representatives of this association, discuss with them and prepare a note. C.S. is also requested to ascertain the procedure that is being followed in regard to these matters in Tamil Nadu and Karnataka. If it is convenient to the C.C.S. we may meet either on the 27th or 28th at any time convenient to him. Chief Minister also desired that pending these discussions action in cases may be held over.

Secretary to Chief Minister.

Implementation of the:— regarding fixation of price of articles solon hotels, etc.

Council Resolution No. 352(2)78 Informal item 3).

Minister (Civil supplies) and Minister (Tourism) will discuss with all concerned reimplementation of Government Orders and put up consolide dated proposals for the approval of the Chief Minister.

Please report the action taken on the above Resolution to G.A: (Spl. B) Dept. early.

for Secretary.
Can the implementation of a G.O be kept in abeyance through executive instructions? That is the real point. If so what are the compulsive conditions under which a G.O was kept in abeyance?

Sri S. Jaipal Reddy:—I have raised a kind of legal question. The implementation of a G.O. cannot be kept in abeyance through executive instructions. Secondly, the High Court granted stay order, then the hoteliers knowing fully well that they will lose the cases finally in the Court also withdrew the petitions. The stay order is no longer in operation, the petition is no longer existing in High Court. Therefore the instructions given by the Government are not only immoral but also illegal. That is the point I am trying to make. Secondly, in this note he has given a copy of the Cabinet note. I am thankful to him for giving the Cabinet note also but it speaks nothing. You may refer to the last page given by the Minister.

Sri S. Jaipal Reddy:—We seek your protection. Can the implementation of G.O. be kept in abeyance through executive instructions?

Sri S. Jaipal Reddy:—Point of order. If the operation of a G.O. is to be stayed, it has to be suspended again through another G.O. There is no alternative for the Government. Operation of the G.O. cannot be suspended through administrative instructions.

Chief Minister also desired that pending these discussions action in cases may be held over.

It is convenient to the C.C.S. We may meet either on 27th or on 28th at any time. We may meet either on 27th or 28th at any time. We may meet either on 27th or 28th at any time. We may meet either on 27th or 28th at any time.
Court stay applies to those people who have gone to court. Although they may have won or lost, they are still bound by the court's decision. The court's decision must be respected by all.

Sri M. Venkaiah Naidu:— Here the people involved are capitalists and hotel owners.
Sri M. Venkaiah Naidu:—It is for them to go to the Court. This is not my allegation. This is an allegation made by the Opposition Leader in the Legislative Council. Many other Members have challenged the Minister to come forward to appoint a House Committee. They said it. They are ready.

Chief Minister also desired that pending these discussions action in cases may be held over. Between 17, 18 you may come to the Government. The Chief Minister also desired that pending discussions action in cases may be held over.

Oral Answers to Questions

Sri S. Jaipal Reddy—I am alleging that he is deliberately misleading the House on this issue. He said that instructions to district administration have been issued in G.O. saying that hotel prices would not be implemented. On that we have asked him as to what exact the manner or method in which those instructions were issued. Whether they were oral instructions, written instructions or administrative instructions or in the form of a G.O. Then the Minister was not having full information. Therefore, the question was postponed. He may please a copy of the order by which the implementation of the G.O. was sought to be stayed.

I did not say that. You may go through the minutes also.

I did not say that. You may go through the minutes also.

It may be held over till then.
examined. It is certain that the matter - a matter, might have issued the orders.

Sri Ch. Rajeswara Rao:- The whole transaction appears to be doubtful.

Sri A. Veerappa:—It is like this. 'It may be heldover.'

If this is the case...

Mr. Speaker:—Please resume your seats.

Sri A. Veerappa:—The Commissioner is informed... It is there already. The Commissioner might have issued.

I have informed the S.P. Vigilance. Commissioner also informed.

Sri S. Japal Reddy:—Commissioner informed, whom?

Mr. Speaker:—Please go through the whole proceedings.

Sri M. Venkiah Naidu:—The Minister on the other day said that he has already issued instructions to the concerned people not to take any action on the G.O. and the decision, also desires....

Mr. Speaker:—I want to go through the whole proceedings of the last day. Therefore, I am postponing this question.

Mr. Speaker:—I want to go through the whole proceedings of the last day. Therefore, I am postponing this question.
Mr. Speaker:—I have informed the S. P. Vigilence, and I also oppose the postponement. We did not ask for postponement. Let him come forward.

Mr. Speaker:—I stick to my order. I am not going to open it.
Whatever the Minister say or whatever the opposition members say.

**MARKETABLE SURPLUS OF PADDY, JAWAR AND MAIZE IN THE STATE**

S.N. Q No. 3930—M. Sarvasri Ch. Rajeswara Rao, M. B. Parankusam (Vunukulu), V Narasimha Rao, Smt G. Dhana Suryavati (Nidumou)—Will the Minister for Civil Supplies be pleased to state:

(a) the estimated marketable surplus of paddy, jawar and maize in the different districts of our State;

(b) the price offered in the open market for them; and

(c) the difference between the support price fixed by the Government of India and the actual price paid by the buyers in the open market?

Kharif rice production this year is estimated at 54.44 lakh tonnes. Though the Department does not have accurate estimates of marketable surplus from past experience 75% of the total production could be taken to be the marketable surplus which comes to 40.84 lakh tonnes of rice. Out of this about 25 lakh tonnes would be the consumption requirements of the rural and Urban sectors excluding the category of cultivators whose consumption requirements have already been taken into account. This would leave about 15 lakh tonnes.

1. Questions:

(a) What are the advantages and disadvantages of using solar energy as a source of power?

(b) Discuss the importance of pollution control in the context of sustainable development.

2. Answers:

(a) Solar energy is a clean and renewable source of power, which can significantly reduce greenhouse gas emissions and improve air quality. However, the initial setup costs can be high and the energy output is dependent on weather conditions.

(b) Pollution control is crucial for maintaining a healthy environment and ensuring the well-being of future generations. It involves implementing strategies to reduce emissions and mitigate the effects of pollutants on human health and ecosystems.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

re: (1) Secretary of drinking water in Vankonda, Guntur District.

The Hon'ble Governor of Andhra Pradesh, 25th February, 1979

Scarcity of drinking water in Vankonda, Guntur District, during the year 1978 and 1979, has been a serious problem. The report submitted by the Secretary of Drinking Water shows that the water supply has been greatly affected. The water supply has been reduced to 25%, and the demand has gone up to 75%. The situation is critical, and urgent action is needed.

The Hon'ble Governor has directed the State Government to take immediate steps to tackle this problem. The Government has been advised to provide adequate water supply to the affected areas. The State Government has been instructed to take all necessary steps to ensure that the water supply is restored to normal levels.

The situation is serious, and immediate action is required. The State Government is advised to take all necessary steps to ensure that the water supply is restored to normal levels.
Calling attention to matters of urgent public importance:

Re: Deplorable state of affairs in the Institution of Saradaniketnam, Guntur.

Sir,

I have been informed that the state of affairs in the Institute of Saradaniketnam, Guntur, is deplorable. The staff is working without proper pay and facilities. The students are not getting proper education due to lack of proper facilities. The infrastructure is extremely poor. The government has promised to provide necessary facilities, but so far nothing has been done.

The situation is critical and requires immediate attention. I request your intervention to ensure that the necessary steps are taken to improve the situation.

Yours faithfully,
