*370-Q Sr A Easwara Reddy ( Tirupathi): — Will the Chief Minister be pleased to state.
(a) whether any proposals to appoint Additional Judges for the High Court of Andhra Pradesh have been sent to Central Government, and

(b) if so, the number of vacancies to be filled up?
Sri S. Jaipal Reddy—The Chief Minister has mentioned the names of the 3 Judges who have been recently appointed. Is it not a fact that Sri Ramachandra Raju was appointed after his retirement as Sessions Judge?

Dr. M. Chenna Reddy.—It is a fact. That was done according to the procedure. He was appointed by the Hon'ble Chief Justice, Supreme Court.

Sri S. Jaipal Reddy—The State Government has made recommendation.

Dr. M. Chenna Reddy.—If you permit me Sir, I would like to clear the anxiety of the Hon'ble Member. The recommendation was made by the Hon'ble Chief Justice, High Court of Andhra Pradesh. We said that if the Chief Justice of Supreme Court accept it, we have no objection.

Providing of Vocational and Employment Facilities to Criminals in Prisons.

40—

2565 Q—Sri N. Raghava Reddy (Nakrekal) and Smt. Mallu Swarajyam (Thungathurthi):—Will the Minister for Home be pleased to state:

(a) whether the Government will take steps to cut down the number of crimes by keeping the habitual criminal in prisons by providing them with vocational and employment facility and also opportunity to live with their families; and

(b) the steps taken so far by the Government to revise the prison manual?

The Minister for Home (Sri M. M. Hashim):—

(a) The habitual criminals in prisons are being imparted vocational training in various trades to enable them to lead a normal life after their release, with their families. They cannot however live with their families during the period of imprisonment except for short periods when they are released on parole or furlough according to rules.

(b) Integrated Andhra Pradesh Prisons Rules have been framed based on the guidelines provided in the Model Prison Manual and also on the recommendations of the Director, National Institute of Social Defence, New Delhi.

Sri M. Omkar:—During their jail period, they are attending to some vocational work, but they are not being paid any amount. We have been requesting the Government to provide some salaries for the work they are doing so that after their release, they can go to their homes with this little amount.
Jail Manuals are not available even in jails also. I have been to jails several times and whenever I asked them for these Manuals, they said that they do not have manuals. Whether the Government is prepared to place them on the Table at least now?

Sri M. M. Hashim.—It has been implemented in the Hyderabad Prison. This scheme is taken up on experimental basis. After seeing its results, we are going to introduce in other jails too.

As far as the Jail Manuals is concerned, the Department has prepared the Integrated Prison Rules by compiling with the Andhra Pradesh Prison and eformatory Manual. It is in printing stage and it will be placed on the Table of the House shortly.

Sri Poojala Subbaiah.—Sir, poverty is the root-cause for several offences. The Manual as it stands to-day is not helpful. It should be enlarged to see that the convicts are reformed. As soon as the convicts are released from the jail, they must be able to live on their own legs. Should the Minister bring out such reforms in the Manual?

Sri Ch. Rajeswara Rao.—It is a large and basic question of reforming the offenders. Instead of reforming by keeping them in
jails and without paying anything for the work they are doing, let us consider the overall question of providing some other opportunities of mending themselves and become true citizens of India. What is the Government’s approach towards this basic question?

Sri M.M Hashim - There are various fields of training intended for the habitual offenders. They are being trained there.

Mr Deputy Speaker: - If you have got any suggestion, you may give it to the Government.

Sri Ch Rajeswara Rao - Suggestions are there with the Government, did the Government apply its mind to these suggestions?

Sri M M Hashim - There is a Central Prison at Warangal where these offenders are getting training in carpentry, tailoring, bleaching, weaving, jute mat making, book binding etc.

Sri Ch Rajeswara Rao - What is the social and psychological training that Government is giving to them?

Sri M M Hashim - There are Social Workers who visit these jails weekly on certain days and they give training to these offenders.

Previously he has promised in the House that some works will be provided to the convicts so as to engage them in the trades. In how many jails, this scheme is implemented and what are the rates given to them? There is a Social Welfare Officer in the jail, but he is unable to do anything because he is also a prisoner in the hands of the jail authorities. So long as the Jail Department is de-linked with the Police Department and connect it with the Social Welfare Department, nothing can be achieved by the Government. Are you prepared to accept this in principle.

Sri M.M. Hashum: - We are paying Rs. 1 for the skilled labourer and Rs. 0.50 for others. Social Welfare Department is attached to every jail.

Sri M Venkaiah Naidu.—Though my name is here on the list, you have not called on me.
Dr. M. Chenna Reddy:— He has applied for an anticipatory Bail. I am told that the case is coming for hearing.
The Circle Inspector was convinced and the senior officers were convinced. As far as the anticipatory bail is concerned, it will be opposed by our prosecution and today when it comes up for hearing, our prosecution will definitely oppose it. It goes on without saying.

No two opinions about it and we are very clear about it.

Sri M, Venkaiah Naidu:—Just now we have heard about Nellatur case. There are again rape cases, He was the second accused. He is at large. This is the third case.
Dr M Chenna Reddy — He went there. He got his room Ne 9 between 3:30 to 9 AM 100. 

M. Chenna Reddy — He went there. He got his room Ne 9 between 3:30 to 9 AM. 

M. Chenna Reddy — He went there. He got his room Ne 9 between 3:30 to 9 AM.
That has been done and it is the responsibility of the Circle Inspector of Police and being investigated and the S I were present and the girl was taken to the police station. She was beaten both by the Head Constable and the S I. Then only this girl had to go to S I. Thereafter this rape took place. Therefore what is the action taken against those who illegally arrested this girl and what is the action taken against the head constable who was initially responsible for the arrest of this man.

Mr. Deputy Speaker — I cannot allow further discussion on this. Minister has made it clear that orders have been issued already. What more do you want?

Sri N. Janardhan Reddy: — I don’t have any information over that.

Mr. Deputy Speaker: — He has already said. Already instructions have been issued to Collectors.

Sri S. Jaipal Reddy: — Point of order. Governor’s Address was delivered on 7th. In the Governor’s Address they pointed out that the kist season should be extended upto 30-4-79. It should mean that wireless message had been issued much earlier to that and then only the Governor could tell us on 7th that the Government have decided that the kist season should be suitably extended upto 30-4-79. In the instant case at Deverkonda the house of Sri Rama Sarma was raided on 3rd. When did the wireless message go? Here is a specific thing. It is for the Government to enquire and take action if it is earnest in its bonafides.

Discussion on the motion of Address by the Governor

Regarding the resolution presented today, I would like to address some points.

Firstly, it is important to note that the motion was proposed with the intention of enhancing public welfare. However, there has been a lack of clarity in the discussion, which has hindered a comprehensive understanding of the issues at hand.

Secondly, the proposals need to be thoroughly examined to ensure they meet the needs of the community. It is crucial to balance the interests of all stakeholders.

Thirdly, there is a need for more time to be allocated for debates, allowing for a more detailed analysis of the proposals.

In conclusion, while the proposals have potential benefits, their implementation requires careful planning and consideration of all aspects.
