 Sri Kashioor: Good morning. I am glad to answer the questions. I would like to begin with the first question: Are you satisfied with the proposed budget allocation? The budget allocation is 200 crore, 247.50 lakhs and 135.67 lakhs. Is this allocation satisfactory?

Sri Janaka: In my opinion, the budget allocation is not satisfactory. The allocation is insufficient for the needs of the country. I would like to see a higher allocation. The budget allocation is not adequate for the development of the country.

Sri Kashioor: Thank you. The next question is: Have you considered any new initiatives to increase the budget allocation?

Sri Janaka: Yes, we have considered some new initiatives to increase the budget allocation. However, we need to ensure that these initiatives are sustainable and do not lead to an increase in the national debt.

Sri Kashioor: Thank you. The next question is: What are your expectations from the new budget?

Sri Janaka: My expectations from the new budget are that it should focus on developing the country's infrastructure and improving the quality of life for the common people. The budget should also address the pressing issues of unemployment and poverty.

Sri Kashioor: Thank you. The next question is: How do you plan to fund these initiatives?

Sri Janaka: We plan to fund these initiatives through a combination of domestic and foreign aid. We also plan to encourage private sector investment in key sectors of the economy.

Sri Kashioor: Thank you. The next question is: Are you concerned about the impact of the new budget on the country's foreign exchange reserves?

Sri Janaka: Yes, I am concerned about the impact of the new budget on the country's foreign exchange reserves. We need to ensure that the budget does not lead to a significant increase in the country's debt burden.

Sri Kashioor: Thank you. The next question is: What steps will you take to ensure that the new budget is implemented effectively?

Sri Janaka: We will establish a strong and effective monitoring mechanism to ensure that the new budget is implemented effectively. We will also provide adequate resources and support to the implementing agencies.

Sri Kashioor: Thank you. The next question is: Have you considered any initiatives to address the issue of corruption?

Sri Janaka: Yes, we have considered some initiatives to address the issue of corruption. These initiatives include strengthening the legal framework, increasing transparency in public procurement, and providing adequate resources to the anti-corruption agencies.

Sri Kashioor: Thank you. The next question is: How do you plan to address the issue of gender inequality?

Sri Janaka: We plan to address the issue of gender inequality by promoting women's education, providing them with access to credit, and providing them with opportunities in the workforce.

Sri Kashioor: Thank you. The next question is: Have you considered any initiatives to address the issue of environmental sustainability?

Sri Janaka: Yes, we have considered some initiatives to address the issue of environmental sustainability. These initiatives include promoting renewable energy, increasing the use of clean technologies, and providing adequate resources to the environmental protection agencies.

Sri Kashioor: Thank you. The next question is: What steps will you take to ensure that the new budget is inclusive?

Sri Janaka: We will ensure that the new budget is inclusive by providing adequate resources to the vulnerable sections of society, such as the elderly, the disabled, and the marginalized communities.

Sri Kashioor: Thank you. The next question is: Have you considered any initiatives to address the issue of health care?

Sri Janaka: Yes, we have considered some initiatives to address the issue of health care. These initiatives include providing free health care to the poor, increasing the number of health care providers, and providing adequate resources to the health care sector.

Sri Kashioor: Thank you. The next question is: What steps will you take to ensure that the new budget is transparent?

Sri Janaka: We will ensure that the new budget is transparent by providing adequate information to the public, establishing a strong and effective monitoring mechanism, and increasing the accountability of the implementing agencies.

Sri G. V. Sudhakara Rao: — Linking of rivers is a different issue from diverting of surplus waters of Krishna and Godavari rivers to the drought prone areas. The surplus water of Krishna and Godavari rivers has to be utilized to meet the irrigation needs of the drought prone areas. The linking of rivers is a different issue. It is not related to the diversion of surplus water.

Non-Distribution of Plots by Kalyan Nagar Co-op. Housing Society Ameerpet to its Members.

389—

389—J. Sarvasri G. Nageshwara Rao, G. Mallikarjuna Rao and Eshwara Rao:—Will the Minister for Housing be pleased to state:

(a) whether it is a fact that an amount exceeding Rs. 20 lakhs was collected 17 years ago for "Kalyan Nagar" Co-operative Housing societies Ltd., T. A. No 218, Ameerpet, Hyderabad towards distribution of plots and so far the plots have not been handed over to the allottees; and

(b) if so, the reasons therefore and the steps taken by the Government to handover the plots?

31. 8. 79. The Minister for Housing, responded as follows:

(a) The amount exceeding Rs. 20 lakhs was collected 17 years ago for "Kalyan Nagar" Co-operative Housing societies Ltd., T. A. No 218, Ameerpet, Hyderabad towards distribution of plots. So far, the plots have not been handed over to the allottees.

(b) The reasons for the delay are:

(i) The society had financial difficulties.

(ii) The Government had to take steps to prevent misappropriation of funds.

(iii) The society had insufficient funds to carry out the distribution.

The Government has taken steps to resolve these issues and handover the plots to the allottees.

Sri G. Nageswara Rao (Ponnur).-This Society has been in existence since 17 years. It is in existence since 17 years and nothing has been done. What steps, the Government has proposed to take?

1. **Sri K. V. Narasimha Rao:—** Is it correct that the Society has been in existence since 17 years? What steps has the Government proposed to take?

2. **Sri K. V. Narasimha Rao:—** Is it correct that the Society has been in existence since 17 years? What steps has the Government proposed to take?

(e) There was no agitation.

Sri M.Venkaiah Naidu (Udayagiri): —Whether they are still under suspension or suspension has been revoked subsequently? The hon. Minister says there was no agitation. It was reported in the Press that a Congress (I) M.L.A. led a procession to the Police Station and in the procession people raised some slogans against the Home Minister demanding his resignation. The procession went to police station and it was a peaceful agitation. Let them verify acts. If they want I will give paper cuttings. There was so much of galata. The police chased them away. It has appeared in the Press. The Government should have contradicted it immediately.

Sri M.M. Hashim: —The officers are under suspension. Enquiry is going on. The hon. Member says there was agitation. It is a dense locality. That got information that he is dead or something like that. Out of excitement the community people might have gone to the police station. While going they might have raised some slogans and some journalists might have published.

Sri Ch.Kasaiah: —The legislator might be a dissident.

Tenders for Mandalapadu Bridge Sathupalli Taluk

396-E-

S. N. Q. No. 3949-1 Q Sri B. Rama Rao, Jagayyapeta: Will the Minister for Roads & Buildings be pleased to state:

(a) whether it is a fact that tenders have been called for in the matter of Mandalapadu bridge in Sathupalli taluk, Khammam district

(b) whether it is a fact that the work is not yet commenced;

(c) if so, the reasons therefore?

Sri M. Manik Rao (Minister for Roads & Buildings):—

(a) (b) and (c) It is a fact that tenders were called for in the matter of construction of Mandalapadu bridge in Sathupalli taluk, Khammam District. The work also was entrusted to one, Sri V. Pardhasardhri Rao, contractors and the agreement was signed on 31-3-1978. But the contractor after doing a small quantity of work stopped it. The contractor has not resumed the work inspite of several notices issued by the Department. The contract was therefore terminated on 12-2-1979 and fresh tenders invited on 27-2-1979 fixing the date of receipt of tenders on 10-4-1979. The work will be commenced after the new agency is settled.

Matter Under Rule 329

re: Agitation by Work charged
N.M.Rs. and contingent workers.

Sri S. Jaipal Reddy:— It is an important matter.

Mr Speaker:—I am going according to rules. I am not violating any rule.

Smt. T. Laksham kanthamma :—Point of order Sir. In spite of the fact that there is a rule, you can take up the statement of the Minister who resigned from the Council of Ministers. There is a convention. Our Stat: Government is involved in this wherein the Hon’ble Minister has resigned. Specially, when the Minister has resigned from the Cabinet and when he wanted to make a statement soon after the Question Hour, you can permit him.

Mr. Speaker:—I rule out the point of order.

MATTERS UNDER RULE 329 :

re: Agitation by the work charged, N.M.Rs and contingent workers.

re: Agitation by the work-charged, N. M. R.s and contingent workers.

The State-wide agitation of the work-charged, N.M.R.s. Contingency workers is a very serious matter of public interest and hence the Minister concerned may make a statement.

Matters under rule 329:
re: Agitation by the work-charged, N.M.R.s and contingent workers.

Sir the A.P. Workcharged Employees, J.C.A., Hyderabad and the A.P (P.W.D.) Irrigation Employees' Union, Hyderabad gave a strike notice proposing to go on an indefinite strike from 6-2-1979 for settlement of the following demands:

1. Abolition of Workcharged N.M.R. Contingency systems.
2. Exemption from Employment Exchange.
3. Filling up of vacancies.
4. Recruitment and promotion policy.
5. Disparity in D.A. merged scales.
6. Project Agency allowances.
7. Medical facilities and Fair Price Shops.
8. Supply of Uniforms; and
9. Transfer of staff along with roads.

2. In G.O.Rt.No.577 G.A. (Spl.A) dated 6-2-79 a Committee was constituted under the Chairmanship of the Chief Secretary Government with Secretary to Government, Finance & Planning Secretary to Government, Irrigation & Power, Secretary to Government, T.R. & B. and the Secretary to Government, L.E. & T.E. department as Members of the Committee to go into the demands of the Workcharged, NMR and Contingent employees. Secretary to Government Irrigation & Power is also Convenor of the Committee. The Committee met on 12-2-79 and 21-2-79 and discussed the demands. The Committee also held discussions with the representatives of the Workcharged Employees J.C.A. and the representatives of the other Workers Unions on 7-3-79 in the chambers of Chief Secretary to Government.

3. Government have decided that all work-charged posts required on a regular basis for maintenance will be made permanent and all Workcharged employees who have completed 10 years of total service...

re: Agitation by the work-charged, N.M.R.S. and contingent works.

will be made eligible to all benefits like leave, pension etc., on par with Government employees. Their pay scales will however be reviewed after the report of the P.R.C. is received and in the light of that report. The number of posts that would be required on a permanent basis for purposes of maintenance and anomalies between the Work-charged Establishment of different Departments and certain instance of non-implementation of the existing orders are already receiving the attention of the Committee appointed under the Chairmanship of the Chief Secretary to Government which will get these issues examined through its Sub-Committees before finalising its report. All work-charged employees with more than 5 years of service will be made eligible for the benefits now extended to provincialised work-charged establishment under G.O.Ms. No 407 PW, dated 27-3-72. NMR employees will be absorbed in work-charged establishment as and vacancies arise. The issues relating to Contingent establishment including part-time contingent Establishment have been referred to a committee of officials under the chairmanship of the Chief Secretary to Government.

4. Orders sanctioning adhoc DA issued in G.O. MS. No. 88 Finance & Planning dated 16-3-79 also apply to the contingent staff and work establishment who get monthly wages. The interim relief sanctioned in G.O.Ms. No. 91 Finance dated 20 3-79 will apply to work charged and Contingent Establishment including part time Contingent Establishment. Two Sub-Committees have been constituted one for determining the No. of posts required on a regular basis for maintanc and are to be made permanent, and the second for going into the anomalies between the work-charged establishment of different departments and certain instances of non-implementation of the existing orders. In regard to other decisions referred to in para 3 above necessary orders will be issued shortly.

5. The Convener of the workcharged Employees, J.C.A Hyderabad has informed that they have called off the State-wide strike by the workcharged. NMR & contingency Employees with effect from 17-3-1979.

Re: Murder of Congress I worker
Sri Satyapal in Asifabad Taluk.

In the case of murder of Congress I worker Sri Satyapal in Asifabad Taluk on 9-2-1979,

Dr. M. Cherla Reddy - Sir, no murder took place on 9-2-79
One Satyapal was found dead near bus stand area of Bellampally in the early hours of 9-11-78. He used to drink daily and roam about the streets scantily clad. About 6 months prior to his death, he became mentally dranged. On the night of his death he has gone to a liquor vendor with only a banian and no other clothes and asked for drinks. He was seen wildly jumping and dancing in highly intoxicated state during a procession taken out to celebrate victory of Smt. Indira Gandhi on the evening of 8-11-78. Deceased was neither a prominent Congress (I) worker nor he had any enemity withe anyone. Deceased was liked by all. He had 15 injuries of which 13 were contusion and

remaining 2 lacerated wounds. Possibility of road accident also not ruled out. Due to utter lack of evidence even circumstantial, no definite conclusion could be arrived so far. Opinion of forensic professor awaited on the most likely manner in which the wounds could have occurred. So far there are no clues. No arrests were made. On receipt of the report of forensic profession, further action in this case (Cr.No 158/78 u/s 302 I. P. C. of Bellampally P. S.) will be taken. There is no panic in the locality or in Bellampally town.

Dr. M.Chenna Reddy:—It is true that on 12-3-1979 at about 10-P.M. while Lord Siva is temple car was being taken in procession in Pedalaparru village, some Harijans as usual stopped the chariot for a while at the centre of Harijanapalem to offer coconuts. At this juncture some miscreants from among the crowd pelted stones on the Ratham which hurt one Chailaguila Venkatswara Rao a Kamma on the head causing bleeding in jury. Due to this about 25 Kammas in the procession got enraged and suspecting that the Harijans had hurled the stone, chased them with the Kolatam sticks in their hand their houses and beat Dakarapu Azaraiah and eight other Harijans. They also broke open the doors of four persons and damaged a cot of the nine Harijans who were alleged to have been beaten by the Kammas only five persons agreed to go to hospital for medical examination and of these five persons only two stained contusions and other three have no injuries, on the other four who refused to go to hospital for medical examination, no injuries were noticed.

On the complaint given by Dakarapu Azaraiah a case in Crimes No. 26/79 under section 147 and 323 IPC was registered in Mudinepalli Police Station on 13-3-1979 at 0100 hours against the Kammas 15 kammas of Pedalaparru have been arrested and sent to Court. During investigation in to this case one Dakarpur Malemma aged 16 years a Harijan girl had alleged that one Bopanna Nageswar Rao a Kamma, had lifted her to his shoulders and attempted to outrage her modesty and that she was rescued by other women and that while going away he had snatchd her gold chain from her neck. This is being investigated into.

Matters under Rule 329:
Harassment of Harijans at Pedalaparru Village of Gudivada Taluk.

On a complaint of Challagulla Venkateswara Rao, a Kamma who sustained an injury due to stone hit while in procession, a case in Crime No. 27/79 under section 147, 323 IPC has been registered against Harijans and investigation has disclosed that this is an exaggerated complaint.

The Sub Inspector, Mudinepalli Police Station who received the complaint from the Harijan Dakarapu Azaraiah on 13-3-1979 at 0100 hours promptly registered the case, sent the injured to hospital and proceeded to Harijanawada with his men and found no further disturbances in the village. Other Senior Police Officers also visited the village and investigated in to the cases. No further disturbance has occurred.

The allegation that the Harijans were prevented from offering coconut to Lord Siva in the chariot procession and that they were chased and beaten on caste consideration is found to be not correct. In the complaint given by Dakarapu Azaraiah also no such allegation has been made. Investigation has disclosed that about 35 Kammas and not 300 who were in the procession went into the Harijanawada to assault the Harijans. The incident was a sequel to hurling of a stone on the chariot by an unidentified miscreant from the crowd which caused bleeding injury on the head of a Kamma and not due to caste consideration.

re: Explosion of a bomb in Kakatiya Medical College hostel in Warangal

An investigation was ordered into the bomb explosion in the Kakatiya Medical College hostel in Warangal on 27th March, 1979. It was reported that the explosion occurred in one of the hostels of the college.

The investigation revealed that the explosion was caused by an Improvised Explosive Device (IED) planted by some unknown persons.

The authorities have launched a comprehensive investigation to trace the perpetrators and bring them to justice.

The police have appealed to the public to come forward with any information that may lead to the arrest of the culprits.

The investigation is ongoing, and updates will be provided as and when available.

Matters under Rule 329: re: Explosion of a bomb in Kakatiya Medical College hostel in Warangal.

Dr. M. Ciehna Reddy. — Sir, On 19-3-1979 at about 9-10 a.m. an explosion of country made bomb has occurred in Room No. 81 of the New Men's hostel, Kakatiya Medical College, Warangal. One B. Pratap, final year student, though present at that time, escaped unhurt. The other two occupants of the room, P. Bose, a final year student and P. Purushotham of the IV Year were away from the room at the time of explosion. All the three students belonged to S.C. On a complaint by In-charge Principal, Kakatiya Medical College, a case in Crime No. 61/79 under Section 5 of the Explosive Substance Act, has been registered at Matwada Police Station on 19-3-1979 at 11-15 hours and investigation has been taken up. It was examined by the Deputy Controller of Explosives, Hyderabad and his report is awaited. During the course of investigation, so far done, it is disclosed that one of the occupants of the room P. Bose S/o, Eswar Rao a final year student is having affiliations with Pro-Lim-Piano Organisation since August 1978. Prior to the recent State Assembly elections, he was affiliated to C.O.C. Group and has taken an active part in that organisation. He was prosecuted under the Defence of India Rules under crime No. 26173 of Matwad Police Station but it was withdrawn along with several other cases in 1975 on a policy matter. During the recent General Elections to the State Assembly P. Bose known to have worked to B. Sammaya, Congress (1) who was elected from Parkal Constituency. P. Bose has also contacts with important underground leaders of Pro-Lim-Piano Organisation. Enquiries so far made disclosed that he kept some forms in the room and they were obtained from one of his underground leaders of his group. The matter is being probed into. All the three occupants of the room have been arrested and remanded to judicial custody. The interrogation did not disclose any useful information. Two of them viz B. Pratap and P. Purushotham have been released on bail and P. Bose is continuing in judicial custody. Investigation is under progress.

re: Explosion of a bomb in Kakatiya Medical College hostel in Warangal.

Sri C. Janga Reddy:—One of the Professors has been a Syndicate Member. He is an extremist. Vice Chancellor is responsible for all these offences.

Dr. M. Chenna Reddy:—I do not have his antecedents. I will check up.

During recent general elections to the State Assembly Sri Bose is known to have worked for Sri Sammaiah, Congress (I) M.L.A., who
was selected.

failed because of the attitude of the workers over the settlement of the
dispute of the Calcium Carbide Factory at Hagari in Karnataka State
by the same management. I have even persuaded the management
to agree to the same terms of the settlement as we have arrived in res­
pect of Panyam Cements and in respect of Hagari Factory workers
also on 16-3-1979. Shri E. Ayyapu Reddy, who is the President of the
Union did not attend the meeting; but the union Representatives
demanded that there should be an understanding in respect of the
wage revision of Hagari Factory workers which is still pending before
the Industrial Tribunal at Bangalore. I do admit that I had on the earlier
occasion on October, 1978 persuaded the Management to take back
some of the suspended workmen of Hagari factory into service. But
dispute is different. This Government has no jurisdiction over
the Hagari factory and the same management cannot transfer
any Industrial dispute in that factory. The Government have
already referred the dispute over the dismissal of 8 workmen
to adjudicaton and prohibited the continuance of the strike by the
workers. But the strike is still continuing. The Government will have
to take further action. While answering the calling attention motion
earlier in this House, on behalf of the Chief Minister, I had indica­
ted that the A.P.I.D.C. is only having 10% of the shares, the I.D.B.I.
and other financial institutions might have contributed either towards
loan or share capital of this company. The Managing Director of the
Company will be elected from among the share-holders. Unless atleast
51% of the share capital is contributed by any single financial
institution, it cannot have any controlling interest in the affairs of the
Company.

However, I appeal to all the Members to pursue the Union to
agree to the terms of understanding reached by the Management and
the Union before me, instead of insisting on the settlement of the wage
dispute of Hagari factory over which this Government has no control.

Sri E. Ayyapu Reddy:—It is actually misleading the entire issue.
The Panyam Cements owns that plant also. It is just located outside
the border because at that time, the Electricity was said to be cheaper

Statement by Sri Goka Ramaswamy about his Resignation from the Council of Ministers and the reply by the Chief Minister on the statement.

Mr. Deputy Speaker:—You cannot dictate the Chair like this. I have already taken the permission of the House and you were kind enough to give permission. You are aware that I have to give preference to Government Bills when compared to other Bills. Though the Speaker has the power, I have taken the permission of the entire House, how let us take up the Calling Attention Matters.

Mr. Deputy Speaker:—I have the agenda before me and everybody has to follow it but only with the permission of the House, I can deviate and for that I have already taken permission.

Sri S. Jaipal Reddy: —Sir, You ask the House for....

(Interruptions)

Mr. Deputy Speaker: —He is entitled under the rules, to make a statement in the House.

Sri G. Ramaswamy:—Sir, when I requested the speaker he agreed to give me time after Zero hour. I only feel that they are not interested to hear me and so they are creating something not to permit me to read my statement.

Mr. Deputy Speaker:—I have given permission to make a statement here. To-day is the last day, that is why we have taken up this item. You will be given an opportunity.

Sri G. Ramaswamy:—After I make the statement, you can go ahead with the agenda.

Sri P. Ganga Reddy:—The Speaker has given a clear ruling that we should go according to the agenda.

Mr. Deputy Speaker:—There is an agenda prepared for that. Will you please agree that all the Calling Attention answers will be

Statement by Sri Goka Ramaswamy

about his resignation from the Council of Ministers and Reply of the Chief Minister on the Statement.

Hon'ble Mr. Speaker, Sir, and the Hon'ble Members of the House;

As a responsible Member of this House, it is my bounden duty to present before you the excruciating circumstances that have compelled me to take the extreme step of submitting my resignation, as a Minister of the State for Fisheries.

I am thankful to his Excellency the Governor of Andhra Pradesh for accepting my resignation. I ardently hope that the Hon'ble Members will scrutinise my explanation with objectivity and perspicacity.

It was an year ago that I had joined the Council of Ministers as a Member representing the weaker sections and with great expectation.

xxx Expunged as ordered by the Chair.

about his resignation from the Council of Ministers and Reply by the Chief Minister on the statement

Commitments of the present Government for ameliorating the social, economic and political conditions of the harijans and weaker sections, that the Government will strive for the accomplishment of those goals. However, the last one year's experience has emphatically demonstrated that, because of the personal political life of the Chief Minister, Dr. M. Channa Reddy, his dictatorial approach, his humiliating conduct and the hegemony of his family members, particularly his son Mr. Ravindra Reddy and his second daughter-in-law, in the administration of the State the cherished goals remained only an image. Because of the consistent corrupt activities of the Chief Minister and his constant misbehaviour with the Ministry and his colleagues, I have come to the inevitable conclusion and I am equally hopeful that my erstwhile Minister colleagues share the same feelings that I cannot continue to be a member of the Council of Ministers headed by the self centered and self-aggrandized Chief Minister, Dr. M. Channa Reddy. I have been conscious of the fact that Dr. Reddy had changed his political affiliation and ideologies so often, in pursuit of the opportunism that he has been reputed to make a proverbial chameleon five times, and in the recent past only, as the President of the Telangana Praja Samithi which he had dissolved by bargaining for an immediate PCC Presidentship and the removal of the Electoral disqualifications incurred for the corrupt practices during 1968 elections; and eventually the Chief Ministership of the State but when his expectations were not fulfilled he had changed the tone and started the Congress forum for Separate Telangana, which he had dissolved, for becoming the Governor of Uttar Pradesh. While I have been aware of the frequent fluctuations of Dr. Reddy's convictions, I had anticipated with his being elected by the party committed to upliftment of the weaker sections and as its leader, his life style would undergo the metamorphosis. How mistake I was Dr. Reddy remains the same; as he was "an opportunist". He had used his high office without an iota of regard for starving millions, for self-aggrandizement, accumulating wealth and political power. As a representative of the poorer sections of people and in the interest of the political morality and democracy, I am constrained to submit my resignation for I could not associate myself with the unconstitutional, immoral and illegal activities of the Chief Minister.

Acts of humiliation and degradation: Some of the recent acts of the Chief Minister have been personally very much degrading and humiliating. Recently during my tour of the East Godavari District one, Mrs. Pentapudi Vengayamma, had invited me to visit her village. Since my itinerary had not permitted me to accommodate her request,
I politely apologised to her. When she had informed this to Dr Reddy, he was very wild against me, that I had dared to refuse to accept the invitation of his protege.

During one of the recent visits to Kakinada, a meeting was arranged and I was to preside over the meeting. Members were allotted seats according to protocol and the names of the guests on the days were pasted on the chairs. As I was to preside over the meeting my seat was next to the Chief Minister's but when Dr. Reddy saw some ladies, namely, Mrs. Savithri, Ex-M.L.C., Mrs. Jayamma, grand-daughter of Mrs. Mangayamma and Mrs. Durga Bhaktavatsalam and few others, immediately he asked me and Shri Shrvan Kumar, Secretary to Government, to vacate our seats and asked these ladies to occupy the same.

The Chief Minister fixes interviews with the Ministers at very odd hours and they are forced to wait for hours together. Even Legislators had to wait for a week to get interview with him. The Chief Minister's residence has become a typical Moghul Darbat and he was always surrounded by psychophats. The Chief Minister takes almost sadistic pleasure in retaining the files. If the Chief Minister states that he does not have any file left with him. It is sheer contempt of the House to tell such a lie. He does not have any time for the files because of more pleasant number of occupations.

Whenever a concerned Minister or Secretary reminds him about the files, he immediately questions as to what particular interest they have in the matter. If this has been the treatment meted out by the Chief Minister to his Ministerial colleagues, that of his family members is equally worse. His son, Mr. Ravinder Reddy gives instructions to the Ministers as if they are his personal lackeys. His instructions are to be carried out in too. Any work can be done through him for some consideration. For instance, he has interfered and threatened the then Director of Fisheries, in the matter of Venkerial Fishermen Cooperative Society, Nalgonda district, whose 10% waters is in his constituency village, i.e., Yeduabad. He has threatened the Director to divide the water for fishing which is contrary and baseless and which has created great problems for the fishermen of the State because the waters cannot be divided and there arise disputes between the two sections of the fishermen.

The Second daughter-in-law of Dr. Reddy bosses over and threatens the Minister to secure deposits for the Andhra Bank where she is presently working, by misusing the official status of her father-in-law.

about his resignation from the Council of Ministers and Reply by the Chief Minister on the statement

the Chief Minister. Several times she had phoned me about securing deposits for her Bank. When I had difficulty in identifying her on the phone and I said "May I know who is speaking, she told you must know with whom you are talking; I am the daughter-in-law of the Chief Minister. What have you done about the deposits I had asked for" She also threatens similarly the A.P. Fisheries Corporation officials for similar purposes. With such coercive measures she had procured deposits in crores for Andhra Bank within a short time during 1977-78. One cannot be oblivious that Banks do pay a commission for securing deposits. She has also pressurised and threatened the officers of the Government departments and the Corporate bodies such as Industrial Development Corporation, Hyderabad Urban Development Authority, A.P. State Fisheries Corporation, etc. She secured the deposits from the Government and corporate bodies and got the same recorded in her personal files for her promotion and to fulfil her other selfish ends. There is a State Government Finance Committee which allocates financing and planning for various schemes through the various Banks. This was not done, the rules were clearly violated and she shows all favours because of her position and this happened particularly after her father-in-law, Dr Channa Reddy took charge as Chief Minister and more specially in December, 1978.

The above allegations can be verified from the records of the respective Corporate Bodies, as well as the deposits obtained by the Andhra Bank from the date of Chief Minister's assuming office.

Atrocities against the Harijans: I have collected all these statements which indicate the atrocities committed during the tenure of Dr. M. Channa Reddy. While the Chief Minister has the affrontery to proclaim himself as a redeemer of the Harijans, Girijans and backward class people, in his heart he has nothing but hatred for them. His antipathy for them has been the main cause for the degrading treatment that has been meted out to the Harijans and himself too.

When he had announced that the Panchayat elections will be held, I had impressed upon him that some of the constituencies should be reserved for the Scheduled Castes and Tribes. He has been manipulating and side-tracking the issue. I had informed him that is reservations are not made to afford 14% representation to the Scheduled Castes, Tribes, I will be constrained to submit my resignations and he had reluctantly agreed for reservation, which is well known to all my Cabinet colleagues. It is shameful that the Panchayat Raj Minister who claims to have championed the cause or keeping reservation for
Scheduled Castes/ Tribes, has drafted a very defective Bill in spite of several party Legislators expressing their unhappiness that it will be questioned in Courts of Law and ultimately the so-called Panchayat Raj elections will be postponed. He gave reservation with regard to these Zilla Parishads and 14% reservation was agreed to; but they have given reservation only for one Zilla Parishad out of 22. As a matter of fact, according to the agreed percentage, 3 Zilla Parishads should have been reserved but only I was reserved and this clearly shows that they are not interested in the Scheduled Castes coming un.

He had announced that Scheduled Castes/Tribes educated unemployed will be given subsistence allowance. But later he backed out. The most atrocious incident of ill-treatment of a Harijan is that of Mr. Eranana. Eventhough the Chief Minister had knowledge of the incident, he had tried to hush up the matter. It is a pernicious paradox that one of the promises of the Chief Minister is to build or renovate at least one temple for each village. What will we do with more temples when we are prevented entry into the existing temples?

He had tried to hoodwink the Eranana-episode by the eye-wash of getting a House Committee appointed and the melodrama that followed. He had created the bogey of the resignation of Mr. Baga Reddy followed by a demand for not accepting it. The very non-acception of Mr. Baga Reddy's resignation is not only a slap on the face of the S.C./STs. in Andhra Pradesh, but this particularly demonstrates how the Chief Minister is degrading the Harijans. Mr. Baga Reddy felt so much hurt that he wanted his resignation to be accept ed immediately. What happened to his resignation; it was not accepted and a signature campaign was started that he should continue in the Cabinet because he alone can save the entire State;

Post-election promises:- The post-election promises made by the Chief Minister have been only empty slogans devoid of any intention or ability to fulfil them, Panchayat Raj elections were announced for June, 1978. That was his first promise; nothing had happened. He had promised a bus for every village; but he could care less; unemployment allowances for scheduled castes and tribes youth had been abortive. These are a few of the glaring instances where the Chief Minister has demonstrated his unwillingness, inability and incompetence in implementing the party promises.

If this is the wide gulf between the promise and the performance of the Chief Minister persists, I strongly suspect that the State will suffer from unknown inertia very soon.
Statement by Sri Goka Ramaswamy, 27th March, 1979

about his resignation from the Council of Ministers and Reply of the Chief Minister on the Statement.

Corruption:- Corruption has become so rampant at every level within one year the people have lost their faith in the Chief Minister and the Government.

These corrupt activities are carried on through his son Mr. Ravindra Reddy and other members of the family and the stooges whom had appointed to offices for such considerations.

Mr. Ravindra Reddy can get any appointment, transfer, etc. if the price is right. Many exemptions have been sanctioned from the Urban Land Ceilings. Thanks to the technical expertise of Mr. Ravindra Reddy.

Mr. Aziz was made the A. P. C. C. (I) President, because the premises occupied by the Evening Law College belonging to his in-laws was proposed to be sold to the Chief Minister's benami, for a very low consideration.

The Shastipoorthy celebrations have been a great pretext in pursuit of unjust enrichment. When an enquiry was demanded, he tried to hoodwink it. When hungry poorer sections are straving one side, with empty stomachs, it is justifiable on the part of the so called weaker section oriented Chief Minister to celebrate his birthday in the shameless manner it took place. The whole truth will come out if an enquiry Commission is can be appointed- how many sarees his wife got and how many dhoties he got.

Omar Khayam Wineries were owned by Dr. Reddy's family of which his son Mr. Ravindra Reddy was its Managing Director. This defunct factory has been sold to Mr. Basava Raju for a clear profit of Rs. 8 lakhs. There are number of shady and doubtful deeds involving Dr. Reddy but he has not till today, explained to the public as to how he, who had a very humble beginning of his life, could amass huge wealth without any Professional work.

His Tarnaka residence which has been in a dilapidated condition has been converted into an elegant place at the State expenses.

Recently about 22 Members of the Legislative Council have demanded that an enquiry be held in to the affairs of Dr. Reddy, particularly in regard to the amount spent on his house, and the receipt of Rs. 5 lakhs bribe from the Hoteliers. If Dr. Reddy was innocent he should have coneded the demand. Instead of constituting the enquiry and getting himself vindicated, he had adopted other methods to hush up the whole issue it is imperative on the part of Dr. Reddy that he should face an enquiry and prove himself to be innocent, if he really is so. For the matter of that, if there really are any persons involved in such things, enquiries can be conducted for all people and not only in the case of Chief Minister.
Statement by Shri Goka Ramaswamy, about his resignation from the Council of Ministers and Reply of the Chief Minister on the Statement.

Traffic in Public Office:- Dr. Reddy has become notorious for peddling public offices. Shri T. Ramayya Choudary, a person without any orientation, was appointed as the Chairman of the A.P. State Trading Corporation, because he had given 25 acres of land at Uppal to the family of Dr. Reddy.

Similarly, the only compulsorily retired I.A.S. officer Mr. Seintha has been appointed as the Chairman of the Mining Corporation Sri Vemulapally Nagabushnam as the Chairman of the Vijayawada Urban Development Authority, Sri Vasant Gupta as Chairman of the A.P. State Small Industries Development Corporation, for some consideration or the other. The nominations to various Corporate bodies including the Fisheries Corporation have been made in an undemocratic manner, without even consulting the concerned Ministers.

Failures:- Dr. Reddy’s administration has been a tragedy of total moral failures. None of the promises have been fulfilled. He has lost the courage to institute an enquiry against himself.

As the Minister of Fisheries I had negotiated with the Government of India for a Multipurpose Fisheries Training Institute to be established at Vizag. The Government of India was willing to sanction 3 1/2 crores for this purpose. The state was to provide the site of 3 1/2 acres of Government land for the Institute. But in spite of my requests Dr. Reddy did not allot the land immediately for such vital project, though the Government land is available there.

Whenever a political problem has been arising, he will sidestep the main issue. For example, during the Rameez Bee episode, the fact was that lady was raped and her husband murdered. Dr. Reddy manipulated tarnish her image by claiming her to be a procurer to divert public sympathy.

When Mr. Eranna was thrown out of the temple, he tried to assuage the issue by appointing a House Committee and Mr. Baga Reddy’s resignation. The fact remains that Mr. Eranna was denied admission in Mantralayam because he is a Harijan and the Chief Minister has been a party to this discrimination by his inaction. May be, being a sanctimonious fanatic, Dr. Reddy does not want to proceed against Mantralayam which he frequently visits. For instance, at the backward classes meet recently to celebrate his Shashti poorthi at Gandhi Bhavan, the Chief Minister had asked Mantralayam priest to occupy the marked seat of the Governor. The Governor waited for sometime till he was given a small chair. It is now to be understood, when Dr. Reddy was so much favourable to the Mantralayam Priest, how he can do justice in Eranna’s case. A judicial probe by a High Court Judge into Mantralayam affairs can only bring justice because it involves the prestige of crores of Harijans.
He has been promising a State level Backward Classes convention, to deceive further the backward classes with the empty slogans. Thus Dr. Reddy has been defrauding the people of Andhra Pradesh with false promises and hopes.

With these nefarious activities, Dr. Reddy has lost the moral right to continue as the Chief Minister of the State.

Hon'ble Speaker, Sir, and Hon'ble Members of the House, these have been some of the reasons that have prompted me to seek redemption from the Council of Ministers. All of you kindly introspect—what will you do if you were in my position. Would you continue to be a part of the corrupt administrative machinery? With a monolithic Chief Minister and the absolute reign of his family, are you able to discharge your duties, and fulfil the oath of office that all of us have undertaken as enjoined by the Constitution? My continuance in Dr. Reddy's Council of Ministers would have been a Constitutional breach of trust and the betrayal of the confidence that my constituents have reposed in me. I would rather remain honourable without an office rather than live dishonourably in office.

I also take this opportunity to express my thankfulness to all my friends and associates for rendering me their assistance in the performance of my obligations as a Minister. I thank you, Sir.

Dr. M. Channa Reddy.

Speaker Sir,

The statement made just now by Sri Goka Ramaswami, my erstwhile colleague in the Cabinet, abounds in such false, frivolous and flippant allegations that it would have been best ignored. But, as it has been made before this august House, for whom I have great esteem, it is my duty to furnish a detailed reply. He also made similar wild and baseless allegations in the letter of resignation submitted by him. To begin with I would like to dispose of the specific allegations against me and some of my family members.

It has been made out that the immediate provocation for Sri Goka Ramaswami's resignation was that he was humiliated at a recent function at Kakinada by being denied a seat next to me. To this my reply would be that while men may lie facts do not. I have here, Speaker, Sir, some photographs taken during our recent visit to East Godavari district, during which the Hon'ble Member presided over many functions and was seated next to me. As you can very well see, Sir, from the photographs which I have just now handed over, his allegation that I had asked him and Sri Sharvna Kumar, Secretary to Government, is false.

...to make room for some ladies on the dais is entirely a figment of his imagination.

It is amusing that the Hon'ble Member should talk of corruption in high places. It is a measure of his moral bankruptcy and desperation that he should depend upon a clandestine and apocryphal leaflet to make a personal allegation against me that the appointment of Sri Aziz as the A.P. C.C. President was quid pro quo for the sale of the promises of the Evening Law College with which Sri Aziz has nothing to do. This cannot be a greater travesty of truth than the allegation that this property has been sold to me benami for a low consideration, whereas, in fact, there has been no such sale at all since its acquisition by the present owners in 1945.

The case of hoteliers has once again been mentioned. This allegation was discussed threadbare in both the Houses. Detailed extracts were quoted from relevant official documents and a Cabinet Note to which my Hon'ble friend was a party, was also read out by the Finance Minister himself in the Legislative Council.

The Hon'ble Member has once indulged in the oft reported in sinuation about the renovation of my house at State expense which has already been refuted earlier an equal number of times. In fact I have not so far drawn the amount of Rs.10,000/- to which I am entitled under the Rules, for improvement of a private house. He has also made a reference to my assets to look into which there is a duly appointed agency of the Government of India, i.e. the Income Tax Department. I have submitted before this august House, on an earlier occasion that my Income Tax returns are up to date.

The acquisition about the exemptions under the Urban Land Ceiling Act is not any less irresponsible. While exemptions have been granted in all cases on the basis of the considered recommendations of the concerned department, in some cases, I have had to negative such recommendations as I considered them lenient.

In regard to appointment of non-officials as Chairman of some corporations, the Hon'ble Member made bold allegation. In all these cases, proposals emanated from the departments and were circulated through the Ministers concerned. There is, thus, no question of my having nominated any one in an undemocratic manner. Sri Ramayya Choudary was appointed as Chairman of A.P.S.T.C. long before the land transaction referred to by Sri Goka Ramaswamy took place. Sri Choudary is a businessman with rich experience, who has travelled widely all over the world. I am glad to say within a short time of
three months that he has been Chairman, the Corporation has achieved substantive progress in regard to net clearing and forward work, air cargo complex etc. Its profits have gone up from 5 lakhs in 1977-78 to about 15 lakhs so far this year. It would thus emerge that in questioning the choice of Sri Ramayya Choudary my Hon'ble friend has shown no comprehension of either the requirements of the job or the credentials of the person appointed. Against this background, the land transaction referred to cannot but be considered a malicious allegation. Lands of my family members in distant places were disposed off and only 11 acres not 25 acres as alleged, were purchased in a clean and open transaction which was duly registered. Now I come to the appointment of Sri Vasant Gupta to the A.P.S.S.I.D.C. He is one of the dynamic and young entrepreneurs belonging to this State, where such talent is in short supply. His performance in completing the Rayalaseema Paper Mills much ahead of the Schedule is a notable achievement, and his appointment as a Chairman of the A.P.S.S.I.D.C. will only enhance the prestige of this corporation. It is relevant to mention here that before his coming to the A.P.S.S.I.D.C he was already on the Board of Directors of the A.P.I.D.C. which was nominated by the previous Government. As for Sri V. Nagabushnam, he is an experienced person and being non-controversial he has been considered the proper choice for the Vijayawada Urban Development Authority in its infancy.

Hon'ble Members are aware that the State Government employees in thousands had been retired prematurely by the previous Government. Practically the whole lot of them have since been reinstated and therefore such premature retirement cannot be considered a stigma, nor should it debar the Government from utilising the services of an officer so retired. In the case of Sri Sinha his appeal against his premature retirement is pending before the Government of India. He has the requisite qualification and long administrative experience to hold the post of Chairman, A.P. Mining Corporation.

Regarding the allegation of Multipurpose Fisheries Training Institute at Vizag I may state that two sites have already been selected and the matter is now pending with the Government of India. His allegation in this regard can therefore only betray his ignorance of what has been happening in his own Department.

Sri Ramaswamy has mentioned that I have a large number of files pending with me. This is yet another rumour which by now has become sterile. Notwithstanding the multifarious responsibilities and commitments of a Chief Minister and my own habit of scrutinising
files and papers before recording my decisions, I have always tried to be up to date in my paper work. I would like to remind this August House that this allegation has been repeatedly discussed and refuted by me.

Sri Rama swamy had also made several baseless allegations against some members of my family. Unfortunately dragging the names of family members of persons in power and authority has become a political pastime. However since he has mentioned a few specific instances I would like to set the record straight.

It is true that my Daughter-in-Law Smt. Indira Devi is working as an officer in the Andhra Bank. What is wrong about it? Are close relatives or family members of the persons in power to be debarred from taking up the service? She is a double Post Graduate and has the necessary qualifications to be a Grade-II officer in this Bank. I have only to pity the ignorance of the Honourable Member the basic banking rule that no commission will be paid to officers mobilising deposits. In this connection it has to be mentioned that the previous Government had taken a decision that investments of various Government Corporations and Organisations could be made either in Nationalised Banks or in Non-Nationalised Banks having more than a 100 branches in our State. As Members are aware Andhra Bank is one of the premier Non-Nationalised Banks in the country, having about 600 branches. Deposits from Government organisations in branches of this bank are fully in conformity with the criteria fixed by the previous Government.

There is a glaring inconsistency in the accusation of Sri Rama swamy that my Daughter-in-Law had been talking to him on phone several times, and yet, on a later occasion he could not make out her identity from her voice. The falsity of various allegations in this regard will be more than apparent from the fact that not a single pie has been deposited by the Fisheries Corporation in the Andhra Bank. It is for the House to judge how wild and incredible is this charge that she had secured deposits in crores of rupees in the single month of December, 1978.

The allegations regarding Omar Khayyam wineries are equally baseless and malicious. My family never owned this firm, nor was my son Ravinder Reddy its Managing Director at any time. However we did have some shares in this firm which were disposed off at 50% of their face value. They were purchased not by Sri Basava Raju as alleged but by some others.
The allegation that my son Sri Ravinder Reddy had threatened the then Director of fisheries regarding venkerial fishermen Co-operative Society matter is absolutely false and baseless.

The Mantralayam issue is not a new one and has been discussed repeatedly in this House. I would not like to comment on his reference to the House Committee as a device "to hoodwink the Eranna episode by the eye-wash of getting a House Committee appointed and the melodrama that followed." It is for this August House to take note of these comments about a House committee by one who is himself Member of the House and was a party to the decision to appoint such a House Committee.

The Hon'ble Member has also made the allegation the non-acceptance of Sri Baga Reddy's resignation is not only a slap in the face of SCs/STs in Andhra Pradesh but this partiality amply demonstrates how the Chief Minister is degrading the Harijans. Sri Ramaswamy is pretty well aware that more than 190 MLAs of my party including almost all SC/ST Members as also a large number of outsiders have implored with me that it would be unjust to accept his resignation still under my consideration. The allusion to partiality made by the Honble Member perhaps stems from his personal grievance that his resignation was accepted immediately after it was tendered. He should not forget that his resignation was placed both before the Cabinet and the Legislature Party and both unanimously requested me for its immediate acceptance.

I may state here that Sri Ramaswamy claimed to have gone round the City to explain to the Harijans the factual position on the Mantralayam issue and dissuade elements whom he considered mischievous from fomenting trouble. It is needless to reiterate here that all the Harijan Legislators belonging to my party have been fully appreciative of the situation and endorsed the procedure of a House Committee looking into the matter. It is strange that having been a party to all this, the Honourable Member should now retract so unabashedly.

There cannot be a taller claim than that the Hon'ble Member is the originator of the scheme of reservation for SCs and STs in local bodies. It is by now well recognised that the idea of reservations for SCs and STs in local bodies was first conceived by me and my Government was the first in the country to adopt such a scheme of reservations. The entire Panchayati Raj Bill was drafted by the Law Department in consultation with the Advocate General. It should be considered a pity that even after serving, as a Minister for one year the Hon'ble Member has not learnt the elementary fact that
Bills are not drafted by Ministers but by legal experts of the Government. It is, therefore, obvious that he is motivated by malice in making an allegation against a senior colleague, Sri Baga Reddi.

It does not lie in the mouth of the Hon'ble Member to talk of the genuineness of our concern for the welfare of the weaker sections. Sri Ramaswamy has only himself to blame if he has not acquainted himself with the comprehensive and pioneering programmes of employment and housing for the weaker sections, the scheme of houses for villages which have earned country-wide appreciation and several other welfare measures, which this Government have embarked upon during the last one year.

Members are aware that it was the previous Government which had taken a decision to hold a State level Backward Classes Conference. For one reason or the other they could not hold it. After this Government came to power, not only were District Conferences held in all the districts but arrangements are in full swing for holding a State Conference. The allegation that all this is an empty slogan intended to deceive Backward Classes once again betrays the malicious attitude of the Honourable Member. At the meeting of the Backward Classes referred to by him, the Honourable Governor did occupy the seat intended for him. The Mantralayam Priest with whom he is so much obsessed was not present at the meeting at all.

I do not propose to encroach upon the valuable time of this House by touching upon the remaining allegations which are too trivial and trite for comment.

Speaker Sir, I now come to some general comments made about me. For a whole year that he had been a Member of my Cabinet Sri Ramaswamy never found my style of functioning, authoritarian, dictatorial and inaccessible. That he should have come out with such an allegation at the present juncture is a pointer to the involvement of extraneous forces and issues. About thirty Cabinet meetings that he had attended during the last one year Sri Ramaswamy had rarely participated in any discussion and much less made a contribution to decision making. On the other hand he had never lost an opportunity to praise and highlight the achievements of this Government. Even during our recent visit to East Godavari he had extolled the excellent all round progress achieved by the State during the last one year under my leadership. It, therefore, passes my comprehension, how it has suddenly dawned on him that this Government is anti-people and is meat for self-aggrandizement. As I have said earlier the reasons for his volte-face are to be sought elsewhere, Hon'ble Members of this House have ample public experience to see through the political
opportunism indulged in by Sri Ramaswamy.

The Hon'ble Member has also tried to make certain comments about my political career and philosophy which amounts to questioning the judgement of the people who have elected me to this August House and also the wisdom of all those who had in the past entrusted to me positions of great responsibility both in this State and in the Country. It is obvious that he is living in his own world of fantasy. The Hon'ble Members aware, of the many measures which we have initiated to fulfil the promises made by us to the people and their aspirations. I do not propose to go once again into details of these schemes which have been discussed on the Floor of this House and also explained to the public at large by us. Probably, Sri Ramaswamy has been too busy with his own affairs to be aware of the efforts of this Government towards the amelioration of the work and down-trodden.

Speaker Sir, as stated earlier, that the actual reasons for the resignation of Sri Ramaswamy from my Cabinet are to be found elsewhere. As the Chief Minister, I have had frequently the painful necessity and duty of pointing out to Sri Ramaswamy his inadequate performance as a Minister. His frequent absence from the House, his indifference to discussions on important issues in various forums of the Government and his casual approach to the direction and running of his own Department—all these inadequacies have been increasingly forcing me to a review of his membership of the Council of Ministers. In the meanwhile some complaints have been received through the Grievances Cell about certain transactions by a Cooperative House Building Society of which Sri Goka Ramaswamy was the Chairman before he became a Minister. These complaints are now under enquiry by the concerned Department. More recently, in fact, less than two weeks ago, a petition containing a series of grave allegations against Sri Ramaswamy was submitted to me by one of the aggrieved persons (a copy of the petition is appended to this statement). Perhaps with a view to pre-empt any action on this petition and the consequences that may follow the Hon'ble Member has chosen to resign from Cabinet and make a series of wild allegations against me and my Government in order to cover up his own conduct and shortcomings.

COPY OF THE LETTER. APPENDED TO THE STATEMENT MADE BY THE CHIEF MINISTER

To
The Hon'ble Chief Minister,
Government of Andhra Pradesh,
Hyderabad.

Sir,

Sub:—Corrupt and fraudulent activities of Sri Goka Ramaswamy, Minister for Fisheries—A. P.

I am the President of Sreenivasa Perforators and Fabricators Industrial Co-operative Society Ltd., situated in Balanagar Industrial Development Area, Hyderabad. I have become a victim of the fraudulent activities of Sri Goka Ramaswamy, Minister for Fisheries, Andhra Pradesh, whom I had known since 1973, after an introduction by M. V. S. Prasada Rao, M. L. A. who is now the Minister or Marketing and Warehousing in A. P. Having been cheated by Sri G. Ramaswamy to the tune of nearly Rs. 3 lakhs and finding no other mode of redress, I am compelled to approach you for justice and succour.

The following are the various transactions involving money for otherwise through which I have been regularly cheated by Sri G. Ramaswamy.

1. Sri Goka Ramaswamy started the Saradhi Co-operative Housing Society for house building purposes in the year 1974. As promoter of the Society, he purchased 16 acres of land at the rate of Rs. 18,000/ per acre in Yousufsguda near T. B. Hospital in 1974 itself. Unable to develop this land, and enrol a sufficient number of individual shareholders, he sought my assistance during the year 1977 and persuaded me to become the Vice-President of the Society. On the basis of an authorisation letter given by him, I enlisted over 70 members and collected from them approximately Rs. 2.8 lakhs towards share-money. I handed over the collections as and when made through cheques and in cash to Sri G. Ramaswamy. Some time in November 1977, he managed to take away the authorisation letter given to me and some other important documents of the Society through one of the clerks of the Society. On a verification of accounts at that time, I had found that the clerk had misappropriated cash to the tune of Rs. 30,000. Therefore, the clerk had also left the service of the Society and was assisting Ramaswamy in his private work.

about his resignation from the Council of Ministers and Reply by the Chief Minister on the Statement.

2. When I brought the conduct of the clerk to the notice of Sri Ramaswamy he repeatedly assured me that there was nothing to worry and that my interests in the project were safe in his hands. Not satisfied with these assurances, I took G. Ramarao, a local senior journalist to Sri Ramaswamy on a number of occasions when such assurances were reiterated. Later, it was found that Sri Ramaswamy cheated a relative of G. Ramarao to the tune of Rs. 20,000 in an earlier Co-operative Housing Project launched by him in Asoknagar. On the intervention of Ramarao, however, he returned Rs. 10,000.

3. In March, 1978, after he became a Minister in the State Government, he quietly stepped down and installed Padmareddy one of his confidants, as the President of the Society without my knowledge and without complying with the procedure prescribed under the rules.

4. On the basis of the assurances of Ramaswamy, I approached the Urban Land Ceiling Authority for exemption of the land of Saradhi Co-operative Society from Urban Land Ceiling Act. Earlier this month, the Urban Land Ceiling Authority recommended this case to the State Government for the issue of a G. O. granting exemption. On being informed about this development, the Minister started negotiations with one Ayodhya Co-operative Society Ltd., for the sale of this land at a price of Rs. 8 lakhs I have been able to thwart this deal.

5. It is since learnt that part of the money raised by me for the Saradhi Co-operative Society was utilised by him to develop his own land to the extent of about 30 acres near Kukkatpalli.

6. Apart from these transactions in the name of Saradhi Co-operative Society, he had taken from me Rs. 30,600 between December, 1977 and May, 1978, promising to secure for me a cashew-nut Export licence through the good offices of Sri B. P. Maurya, M. P.

During the months of September, October, November, 1977, he took Rs. 15,000 from S. V. N. Raju, a cousin of mine promising to secure for him a medical seat in Banaras. On this pretext, he visited Delhi a number of times and stayed in Hotel Nirula located in Connaught Circus. Only last week, he tried to lure one G. V. Chalapathi Rao, a businessman into paying him a sum of Rs. 2 lakhs for securing him a licence to export fish, rice, upto a value of Rs. 2 crores. By chance when I came to know of this, I contacted G. V. Chalapathi Rao about fraudulent activities of Sri Ramaswamy.
100 27th March, 1979. Statements by the Ministers in Reply to Calling Attention Matters Placed on the Table of the House.

There are any number of similar instances in which Sri Ramaswamy collected substantial amounts from various people promising them to find jobs, admission in professional colleges, attractive house sites in good colonies of Hyderabad city etc. At all times, a number of such innocent victims and would be victims are found at the official residence of Sri Ramaswamy.

These fraudulent activities of Sri Ramaswamy, apart from ensuring many an innocent victims are bringing a bad name to your Government. I therefore, request you to kindly order an immediate inquiry into the activities of Sri Ramaswamy and institute such an action as may be found appropriate on the basis of such an inquiry. Incidentally I learn that the Government have already ordered some inquiry through the Co-operative Department into the activities of Sri Ramaswamy on the basis of certain complaints made by some members of the Saradhi Co-operative Society.

Yours Sincerely.

Dt. 15-3-79. (Sd) A. A. Ramaraju.

Sri Ramaswamy:—Let there be an enquiry commission.

STATEMENTS BY THE MINISTERS IN REPLY TO CALLING ATTENTION MATTERS, PLACED ON THE TABLE OF THE HOUSE

re: (1) Absence of job benefit to the people of Krishna District.

in Heavy Engineering Project, Hyderabad.

Statement by the Chief Minister:—

The total number of employees expected to be absorbed in M/s. A.P. Heavy Machinery & Engineering Ltd. in different categories both managerial, skilled, unskilled and ministerial is 479. At present, 104 employees are in position. Out of them, 9 employees are in the Registered office at Hyderabad and 95 at Vijayawada. The recruitment policy of the Company is to fill up the posts carrying as pay of Rs. 500 and below from among the people of Krishna District only as far as practicable and this is being followed.

Since the inception of the Company, the registered office is at Hyderabad. Decision regarding shifting of the Head Office of the Company has to be taken by the share-holders at the Annual General Meeting of the Company. The Annual General Meeting which should have been held in March, 1979, could not be held due to non-appointment of Auditors for the Company by the Govt. of India. The Government of India have however, on the request of the Company, given extension of time, upto 30-6-1979 to hold the meeting. In the mean time, the company received orders from the Government of India on 22-3-1979, appointing Auditors for the Company.
Statements by the Ministers in
Reply to Calling Attention Matters
Placed on the Table of the House.

Shifting of Registered office from Hyderabad to Vijayawada is one of the items on the Agenda for the next meeting of the Board of Directors of the Company, subject to the approval of Annual General Meeting.

re: (2) Idle Stock of Coal in Coal Fields of Singareni Collieries Company Ltd.

Statement by the Chief Minister:—The stock of Coal lying in the Singareni Collieries as on 1-3-1979 was 10.98 lakh tonnes valued at Rs. 7.68 crores. The stock of coal as on 31-3-1978 was 12.61 lakh tonnes valued at Rs. 7.78 crores.

2 Coal production for the year 1978-79 in the Singareni Collieries is likely to be of the order of 90 lakh tonnes as against 89.12 lakh tonnes in 1977-78. Coal stocks have accumulated mainly due to inadequate supply of wagons and consequent reduced movement of coal to power houses and industries like cement etc. Also, the Fertiliser Factory at Ramagundam which was expected to draw 9 lakh tonnes of coal annually from 1977 onwards has not yet gone into regular production.

3. Inspite of the best efforts at setting up new industries and Expansion of several Industries envisaged under Five-Year Plan Schemes in the country, some industries are not able to keep up with the programmed schedules. But coal being the basic fuel for meeting the energy requirements of the economy, the coal mining industry has the responsibility to plan and produce coal slightly in excess and ahead of their requirements of industries. Railways also require time to gear up the operational efficiency and provide required number of wagons to move coal. Piling of stocks of Coal at pitheads with the coal industry all over the world is a normal feature, and Singareni Collieries are no exception. Such stocks are necessary to meet contingencies like strikes mechanical breakdowns in the coal industry, vagaries of nature like flooding, roof Collapses etc., affecting production of coal.

4. The coal stocks in Singareni Collieries which were 11.36 lakh tonnes in 1969, came down to 1.77 lakh tonnes by June, 1974 with the increase in off take of Power Houses Palonch, Ennore etc. Likewise, the present coal stocks of 10.98 lakh tonnes can get reduced once the required number of was are available and power houses / industries draw their full requirement. As against 3,54,759 wagons requisitioned by the Singareni Collieries during April 1978 to February 1979, the Railway have supplied only 2,93,514 wagons resulting in some accumulation of stocks.
5. It may not be out of place to mention here that the Union Minister for Energy, while reviewing the current year's target of production, consumption and coal stocks, observed that to avoid difficult coal supply situation in the future, the Department of Coal had been asked to raise the pit-head stocks to 15 million tonnes. And that similarly, an attempt would be made to increase stocks with the consumers to at least 45 day's supply. Viewed against this background the stocks lying in the Singareni Collieries may not be considered excessive.

Re: (3) Attack on the students of Razole College by R. S. S. people.

Statement by in Chief Minister

Two girl students namely Kumari K. Rama Devi and G. Rama Devi studying 1st year Inter in the Government College, Razole were teased by two boy students namely Gubbala Chandrasekher and S. Radhakrishna studying in the same class and college near the bus stand, Razole. Some days prior to the actual date of incidents 24-2-79 and 26-2-79.

The girl students complained against the boys to the Principal. Some boy students led by Challangi Venkatachalam and Kadali Rama Satyanarayana tried to pressurise the girls to withdraw their complaints. They attempted to pull out the two girls from the class rooms. Some other students led by P. Venkateswara Rao who is an Ex-student objected to the behaviour of the above group. Altercation and clashes took place between these two groups one in favour of the girls withdrawing their complaints and the other supporting the girls for non-withdrawal of the complaints. In these clashes Challangi Venkatachalam stabbed P. Venkateswara Rao. Kadali Rama Satyanarayana an associate of Challangi Venkatachalam dealt a blow on the head of Arumalli Srikrishna Prasad (1st B.Sc.) who is an associate of P. Venkateswara Rao.

The above 2 incidents were registered as Crime No. 20/79 under section 314 read with 34 I.P.C. and Crime No. 21/79 under section 224 read with 34 I.P.C. at Razole Police Station. Accused in the above case are K. Rama Satyanarayana, Joint Secretary, Razole Taluk A. I. S. F., Jalli Gopala Rao, Second Inter student, Ch. Trinurthulu, an Ex-student and Challangi Venkatachalam who are all members of A.I.S.F., All the six students were arrested and released on bail.

During the same incident Pulla Rama Krishna associate of Arumalli Srikrishna Prasad, P. V. Rao and 9 others beat Challangi.

Venkatacham, Rama Satyanarayana, A. Tulasi Rao and Jalli Gopala Rao. This case was registered as Crime No. 22/79 under section 324, 323 1. P. C. read with 34 I. P. C. and all the 12 accused were arrested and released on bail. The accused in this case namely Crime No. 22/79 are neither members nor sympathizers of R. S. S. All the cases are under investigation.

The Principal of the College unilaterally closed the College from 26-2-1979 to 5-3-1979. Police were posted at College and no untoward incidents were reported since then.

These incidents were sequel to eve-teasing and were not motivated either by political or communal considerations.

re: (4) Murder of Sri V. Madhava Reddy, a prominent Congress Leader at Miryalaguda.

Statement by Chief Minister - Sri Vangala Madhava Reddy
S/o Veera Reddy aged 49 years, resident of Kannekal Village of Miryalaguda Taluk of Nalgonda District, shifted to Miryalaguda immediately after Police action and was continuously residing there, organising the Congress Party. His lands at Kannekal Village were under the supervision of his father Veera Reddy. Madhava Reddy used to visit his village often and assist his father. About 25 years back, Vangala Madhava Reddy, Jonnalagadda Gopala Reddy and Jonnalagadda Ramireddy purchased about 70 acres of land on the outskirts of Miryalaguda Town adjacent to Devarakonda Road called "Thummalabanda bodu polam" jointly, long before Sagar Canals were laid. After about 5 years Madhava Reddy, Gopala Reddy and Ramireddy divided their lands with an understanding that Jonnalagadda Gopalareddy should leave a cart path connecting Devarakonda Road to the fields of Madhava reddy. After few years, the Sagar Canals were laid and the land value of Miryalaguda has increased. Since Jonnalagadda Gopalareddy refused to leave the cart path, there arose a dispute between Vangala Madhava Reddy and Jonnalagadda Gopala Reddy resulting in litigation in the Court.

Vangala Madhava Reddy was the Sarpanch of Kannekal for two terms and Jonnalagadda Gopala Reddy resident of a hamlet under the same village was his rival.

Due to the enemity between Vangala Madhava Reddy and Jonnalagadda Gopala Reddy, the later helped the Harijans of Brijikal and Thungapadu villages, with the active assistance of Madhusudana Reddy of Thungapadu, with the result Madhava Reddy has to forgo 15 acres of wet land.
On 18-12-78 at about 7-30 p.m. while Vangala Madhava Reddy was returning from his Kallam of Thummalabanda Bodu Polam after attending the thrashing work, he was waylaid and attacked on Kistapur Major Canal Road by some unknown offenders suspected to be Naxalites at a distance of about a furlong from his fields who axed and stabbed him to death. The assailants were seen escaping from the scene under the head lights of a tractor which came on the canal road at that time leaving back the weapons which were used in the Commission of the offence namely an axe and two knives including their personal belongings.

On a complaint of V. Karunakara Reddy son of the deceased a case in Cr. No. 110/78 under section 302 IPC was registered at P.S' Miryalaguda and investigation was taken up. In the complaint Sri Karunakara Reddy has shown his suspicion on Jonnalagadda Gopalareddy, M. Madhusudan Reddy and Madvaath Bitchia, a rickshaw puller and sympathiser of C.P.M. of Miryalaguda town. Investigation revealed that the belongings traced at the scene were identified to be that of Chideti Yadagiri Reddy, resident of Manchineela Bavi of Nalgonda Taluk who is member of Naxalite Dalam. Investigation further disclosed that this murder was committed by a Naxalite dalam led by one Venkatrama Sarma alias Jagan of Guntipalli Village of Miryalaguda Taluk. The Dalam members who are responsible for the commission of offence are at large and vigorous efforts are being made to apprehend them.

The case has been entrusted to S.B., C.I.D. for further investigation and its report is awaited.

re: (5) Looting of Passengers of A P S R T C Bus at Brahmanapalli, by Armed Persons.

Statement by The Chief Minister:—The Collector and District Magistrate, Kurnool has reported that on 11-2-1979 a R. T. C. Bus No. APZ-2390 left Gadivemula at about 19,30 hours for Kurnool with 16 passengers. While the bus was moving on a dirt road between Brahmanapalli and Hussanapuram at about 2045 hrs. some road blocks were found at an isolated spot. The driver stopped the bus. Immediately eight Pinnapuram Boyas and six Chendms of Thammarajupalli Agraharam pelted stones on the bus and three of them entered the bus armed with daggers. They threatened the passengers and extorted two wrist-watches, one gold ring, cash Rs. 300/ and clothes all worth Rs. 1,337-30 paise. All of them decamped with the booty. No passenger was injured. The bus proceeded to Orvakal Police Station where the conductor preferred a
complaint at 2300 hours. A case in Crime No. 10/79 under section 395 I.P.C. was registered, and investigation promptly taken up by local police.

On 19-2-1979 at about 2200 hours, seven Boys, viz. Boya Tellapindla Ramanjanyulu (A1), Boya Tolura Venkatapathi (A2), Boya Midde Pedda Venkateswamy (A3), Boya Midde Pedda Venkata alias Gajjenna (A4), Boya Tellampandla Pedda Venkateswamy (A5), Boya Tellapandla Yellappa (A6), Chakali Thirumalai (A7), and three Chenchus i.e. Chenchu Veeranna alias Brigulu (A8), Chenchu Ramudu (A9), and Chenchu Sunkanna alias Sunkadu (A10) all of Thamarajupalli Agraharam were arrested and one wrist watch, gold ring, cash and clothes all worth Rs. 772 were recovered from them. All of them have been sent for judicial custody. One Boya Tellapandla Krishna Murthy of Pinnapuram and three other chenchus from Thamarajupalli Agraharam who were also involved in the commission of the offence are still absconding.

A special party has been formed to apprehend them and to recover the remaining properties. It is not true to say that people have become panic due to this incident. This offence is only a sporadic incident at an isolated spot on a dirt road between Hussainapuram and Brahmapatpalli. Highway patrols have been intensified and buses as well as other vehicles are moving out freely. Public are also travelling by buses freely throughout the District without fear. All precautionary measures have been taken to see that such incidents do not recur in this District.

(6) Illegal Harvest of Crop in land given patta to Harijans of Nandivargam, Banaganapalli Taluk.

Sri Panem Venkatanna of Nandivargam Village, Banaganapalli taluk, Kurnool district surrendered an extent of Ac. 63.22 under the Andhra Pradesh Land Reforms (Ceiling on Agricultural Holdings) Act, 1973. The lands were taken possession on 22-12-1977 and distributed to 66 landless Harijans of Nandivargam Village. The allottees were given possession of the lands on 1-6-1978 and 2-6-1978. Out of the 66 beneficiaries 36 beneficiaries are reported to have cultivated an extent of 33.84 acres with Jowar crop and 2.08 acres with Coriander and Sunflower crops. The declarant, Sri P. Venkatanna, trespassed over the lands cultivated by the beneficiaries on 27-9-1978, ploughed up the lands and raised Jowar crop under the cover of interim stay order granted in I. A. No. 475/78 in L. R. A. 99/78 of the Land Reforms Appellate Tribunal, Kurnool. On the strength of the opinion of the Government Pleader, Kurnool, that the stay order is subsequent to the delivery of possession and the stay is iniquitous, the Tahsildar, Banaganapalli, advised the beneficiaries to enter upon the lands.
allotted to them and cultivate. The Sub-Inspector of Police, Nandivargam was requested to assist the beneficiaries in their peaceful possession and enjoyment of the lands, and also to book the offenders and initiate penal action. Accordingly, the beneficiaries entered upon the lands and raised the crops. At this stage, Sri B. Chinnu Balaiah and 2 others of Nandivargam village filed a Writ Petition 5239/78 before the Andhra Pradesh High Court and the High Court granted conditional Stay in its W.P.M.P. 7123/78 dated 14-11-1978 not to interfere with the petitioners possession of the lands in question provided the petitioners are found to be in possession. As the assignees were already in possession and enjoyment of the land, the Stay had become infructuous. The petitioners again approached the High Court and the High Court ordered that respondents viz., Tahsildar, Banaganapalli and the Sub-Inspector of Police, Nandivargam should not interfere in any manner with the possession and enjoyment of the petitioners and not to obstruct the petitioners from harvesting crops in the lands mentioned in A & B Schedules of the order. On the strength of these orders of the High Court, the crops were harvested by the Writ Petitioners. The Collector of Kurnool has reported that all these facts have been mentioned in the counter affidavit being filed in the High Court, in the above W.P. and that further action in the matter will be taken after the disposal of the writ petition by the High Court.

(7) Non-Payment of Compensation of Land at Bommanpalli Village Acquired for "Sayamma Cheruvu"

Statement by the Minister for Minor Irrigation

Sayammam Cheruvu was formed in Bommanpalli Village of Kothagudem Taluk in Khammam District. The Irrigation Department has taken possession of the land with the consent of the owners on 20-3-1965.

In April 1978 the Government created one Land Acquisition Unit at Khammam to attend to land acquisition work. Consequent the Sayamma Cheruvu land acquisition case along with some others have been transferred to him.
As an amendment to D.N. and D.D. about the change of Presiding Officers is required, proposals were sent by Collector, Khammam to Government. As there is some discrepancy the Collector, Khammam, was requested to reconcile the same in February 1979. His reply is awaited.

However, the Land Acquisition Officer is being asked to prepare preliminary valuation statements, meanwhile under the Land Acquisition Act. Efforts will be made to pay the compensation to the landowners as early as possible.

(8) Missing of a person (Sri D. Atchaiah) of Oppicherla Village of Gurujala Taluk.

Statement by the Chief Minister

On the intervening night of 6/7-3-1979 there was a grave burglary in the house of Kondapalli Periah of Oppicherla, Guruzala Taluk within the jurisdiction of Karempudi Police Station. A case of burglary was registered at Karempudi Police Station in Cr. No. 12/76 on 7-3-1979. The Sub-Inspector, Karempudi took up the investigation. The complainant suspected the complicity of Dasari Atchaiah S/o Kondaiah, a local Yerukala who worked as a cooly in his house. The Sub-Inspector Karempudi brought Dasari Atchaiah on 8-3-1979 evening for interrogation. Since there was no clinching evidence against him the Sub-Inspector did not arrest him. As the Sub-Inspector was attending to other work in the Police Station, Sri Atchaiah who was asked to wait outside the Police Station went away unnoticed on 8-3-1979 at about 9.00 p.m. The Sub-Inspector visited Oppicherla again on 9-3-1979 for investigation of the case and enquired about Sri Atchaiah. Sri Atchaiah left Oppicherla fearing that he would be apprehended. It is learnt that he had been to Guntur to Angadi Chennaiah his caste man and an extremist who hails from Kodamagundla a near by village to Oppicherla. Due to village politics, the absence of Atchaiah, was taken advantage of and a false story of the escape from police custody was set afloat. Smt. Rosamma wife of Sri Atchaiah was made to represent to the Collector, Guntur that her husband was tortured and is missing. On 21-3-1979 Sri Dasari Atchaiah was seen at Mirchy yard, Guntur by Sri Tota Latchaiah former Panchayat Samithi President of Oppicherla who knew Sri Atchaiah. It is not true that an Yerukala and Lambada family of Oppicherla village were mercilessly beaten by police. The Sub-Inspector, Karempudi visited Oppicherla on 8th, 9th and 10th March, 1979 for investigation and made enquiries about Sri Atchaiah. He questioned Lambadas and Yerukalas about his whereabouts. Anticipating that

Statements by the Ministers in Reply to Calling Attention Matters Placed on the Table of the House.

they would be apprehended for questioning, the accusation of harassment and torture of Yerukals and Lambadas was levelled. The Dy. Superintendent of Police, Narasaraopet made enquiries on 20-3-1979 and examined Sarvasri D癫na Nelü, Ontipalli Guruswamy, Modili Kotaiah, Modili China Kotaiah, M. Janamma, Modili Venkateswarlu, Modili Jogayya, Tandakonda Babu, Tandakonda Ramakoti and Dasari Kotamma who complained of being beaten by the Sub-inspector Karempudi with sticks. They were sent to the Government dispensary Karempudi for examination and issue of wound certificates. The doctor did not find any external injuries excepting a semi-healed scar formed ulcer \( \frac{1}{4}'' \) by \( \frac{1}{4}'' \) on the upper lip of Mogil Kotaiah and a scar formed ulcer \( 1'' \) by \( 1'' \) above the right ankle of Mogil Chinakotaiah. Wound certificates are awaited. The torture of Dasari Atchaiah is not correct. He is hiding at Guntur with Sri Angadi Chinnaiah an extremist. As 8 out of 10 persons who are alleged to have been severely beaten by sticks do not have any injuries at all and only two have very simple injuries which cannot be caused by beating with sticks. The allegation that Yerukala and Lambada families were beaten mercilessly by police is also not correct.

The Collector, Guntur has directed the Sub-divisional Magistrate, Narasaraopet to enquire into the matter. The report is awaited.

(9) Scarcity of Drinking water in Ananthapur Town etc.

Statement by the Minister for Revenue

There has been a rainfall of 462.0 M. M. on average for the District from 1-6-1978 as against the rainfall of 481.0 M. M during the corresponding period of previous year. During the week ending 10-3-1979, there has been a rainfall of 0.2 M. M. on average for the district which is negligible. Water tables in irrigation wells as well as in drinking water wells are receding. Scarcity of drinking water is being felt in some rural and urban areas.

With a view to meeting the situation an amount of Rs. 5 lakhs has been sanctioned by the Government in G.O.Rt.No.2055, Revenue, dated 26-9-1978 towards drinking water supply by digging new borewells, open wells and also deepening of the existing wells in addition to the normal budget provisions that are available for Ananthapur District. Steps have been taken by the Panchayat Raj Department to utilise the above amount of Rs. 5 lakhs for the above purpose. 117 works for deepening of drinking water wells at a cost of Rs. 1.5 lakhs and 74 bore wells at a cost of Rs. 5.20 lakhs have been ordered to be taken up on top priority basis. In addition, 77 bore wells at a
Cost of Rs. 4.62 lakhs have also been taken up under normal grants in Ananthapur Taluk. As regards the drinking water supply position at Ananthapur Town, three bore wells at the following places have been sanctioned:

1. S.C. Girls Hostel, Ananthapur. .. Rs.6,000
2. District Veterinary Hospital, Ananthapur. .. Rs.6,000
3. Srinivasa Nagar, Ananthapur. .. Rs.6,000

In addition to the above the Municipal Commissioner and Special Officer, Ananthapur Municipality has proposed drilling of bore wells at the following places in Ananthapur town:

1. Slum area covering about 300 huts in Maruthi Nagar. .. One Bore well.
2. Rahamathnagar Area. .. Two Bore wells.
3. Indira Gandhi Nagar in Bellary Road. .. One Bore well.
4. Near Sub-Station in Bellary Road. .. One Bore well.
5. Mahatma Gandhi Nagar in Ramachandra Nagar extension. .. Two Bore wells.

Government would take all necessary steps to meet drinking water scarcity in Ananthapur District.

(10) Fire Accident at Pothangi, Sompet Taluk, Srikakulam District.

Statement by the Minister for Revenue

On 8th March, 1979 at 4-00 p.m. a fire accident occurred at Pothangi of Sompet Taluk, Srikakulam District. 87 houses were gutted and 6 houses were pulled down. No loss of human life or cattle is reported. There is no loss to Government property also. Estimated loss of the Private property is worth Rs.60,800. A sum of Rs. 13,230 was distributed to 87 victims at the rate of Rs. 150 to each of the victims whose houses are burnt and at the rate of Rs. 30 to each of the 6 victims of pulled down houses. Feeding was arranged to all the victims for two days. Besides, two bags of rice and other food material collected from philanthropic people were also distributed to the victims of fire accident.

The proposal of the Collector, Srikakulam for additional relief of Rs. 100 to each of the victims said to have been sent on 23-3-79 is awaited receipt. Further, the suggestions of the opposition Leader (Sri G. Latchanna) for granting relief to the victims is also under consideration.
(11) Fire Accident at Balighattam Village, Narsipatnam Taluk, in Visakhapatnam district.

Statement by the Ministers for Revenue

On 7-3-1979 fire accident took place at 12-15 p.m. in Balighattam village of Narsipatnam taluk as result of which, 519 main houses and 174 extensions were gutted. The total estimated loss is reported to be Rs. 2,53,150. The fire is purely accidental. There was no loss of human life, cattle or to Government property. A cash relief of Rs.85,200 was sanctioned by the Collector as per the scales admissible namely Rs.150 to owner victims and Rs. 75 to tenant victims. It is reported that most of these victims belong to Scheduled Castes Weavers, Carpenters, Dhobbis, Barbers and other Economically Backward Class people. The victims lost all their belongings in the accident including clothes and utensils, etc. In addition to the monetary relief already given to the victims, referred to above, the Collector, Visakhapatnam has submitted proposals for sanction of an additional amount of Rs.33,7508 from Chief Minister’s Relief Fund for supply of clothes to the victims in question, which are under active consideration of Government.

(12) Delay in Execution of Work of the Dornakal-Chandragonda Road.

Statement by the Minister for Roads & Buildings

The Road from Dornakal to Chandragonda measuring 56 kms was transferred to the Roads and Buildings Department as per the orders issued in Go. Ms. No 1105 T. R. & B, dated 1-10-1975. This Road passes from Dornakal in kms. 0/0 to 12/3 on the Dornakal to Lingala on which improvements were taken up by the Roads & Buildings Department. From kms. 12/3 to 56/0 the road passes through the villager Mucherla, Thimmaraopet and Enkur and on to Chandragond. The Government in G.O.Ms. No. 53 R.R.&B, dated 31-1-1978 have issued administrative sanction to an estimate costing Rs. 36.84 lakhs for the work of improvements to the above road in Khammam District. After issued of administrative sanction detailed investigation was conducted and estimate is being processed in Chief Engineer’s office for issue of technical sanction. The work will by taken up after inviting tenders and observing the other formalities.

ENQUIRY AGAINST THE DIRECTOR ORIENTAL MANUSCRIPTS LIBRARY.

409—

1-R Sarvasri Muppavarapu Venkaiah Naidu, Mokkapati Venkateshwara Rao and Vadde Sobhanadreeswar Rao—Will the Minister for Planning and Endowments be Pleased to state:

(a) Whether it is a fact that an enquiry has been conducted against the Director of 'Oriental Manuscripts Library' and;

(b) If so, whether a copy of the report will be placed on the Table of the House?

A.—

(a) and (b): —Yes, Sir. The matter is under examination.
FORMATION OF NEW RAILWAY LINES IN A. P.

410—

*3(V)—Sri Nallapareddi Sreenivasul Reddy:—Will the Minister for Roads and Buildings be pleased to state:

(a) The New Railway Lines under formation in Andhra Pradesh;

(b) When will they be completed; and

(c) Whether the State Government have suggested to the Central Government to form some more new Railway Lines?

A.——

(a) The following three lines are under construction:

1. Bhadrachalam Road to Manguru.
2. Bibinagar Nandikudi; and

(b) (1) Bhadrachalam Road To Manugur:— The length of the line is 53 Kms. and the cost of laying this line is estimated to be Rs. 8.20 crores. The work has been divided into 2 phases, the first phase from Km. 10 to 53 and second phase from Km. 0 to 50. Contracts for earthwork and bridges have been awarded for the 1st phase and the work is in progress. Allotment of funds during 1978-79 is Rs. 2.00 crores. Assuming that the same allotment will be made in future years, the work can be expected to be completed in the next 3 years.

(2) Construction of New Broad Gauge Line from Bibinagar to Nadikude:— Bibinagar Station is on the Broad Gauge track from Secunderabad to Kazipet. Nadikude station is on Guntur Macherla Meter-Gauge line of Vijayawada Division. The length of the line is 154 Kms. and the cost of construction is estimated to be Rs. 20=00 crores. This work has been divided in two phases—the 1st Phase from Bibinagar to Nalgonda and the second from Nalgonda to Nadikude. Phase—I has been sanctioned and is in progress. Earthwork and construction of bridges on Bibinagar—Nalgonda phase is in progress, and in some reaches 80% of earth work has been completed. So far an amount of about Rs. 2=00 crores has been spent upto 31-3-1978. A sum of Rs. 1=00 crore has been allotted for the year 1978-79. It is not possible to indicate the probable date by which the work could be completed in the absence of firm commitment of the allotment of funds.

(3) Construction of By-Pass Line Between Sanathnagar and Moulai Ali:—It is proposed to lay a by-pass line between Moulai Ali on Secunderabad—Kazipet section to Sanathnagar on the Secunderabad Wadi Section,
to avoid delays and detentions through goods trains and relieving congestion on the Secunderabad—Hyderabad complex, by deverting through traffic on the by-pass line. The estimated cost of this work is Rs. 5.85 crores, including the cost of acquisition of land. Preliminary action for acquisition of land is in progress.

(c) Yes Sir, the State Government have sent to the Central Government proposals to take up the following new lines in the State:

1. New Railway line from Ramagundam to Nizamabad.
2. New Railway line from Wardha to Krishna (via) Adilabad, Bodhan, Beedhar, Kosgi etc.
3. New Railway line from Nandyal to Katpadi (via) Cuddapah.
4. New Broad Gauge line connecting Sirpur Kagaznagar in Andhra Pradesh to Lagam in Madya Pradesh.
5. Construction of Kovvur—Bhadradalam Railway line.
6. Extension of the Sub-urban Railway lines in and around the twin cities of Hyderabad and Secunderabad.

INTRODUCTION OF SCHEMES TO CREATE EMPLOYMENT FOR EDUCATED UNEMPLOYED BELONGING TO S.Cs, S.Ts, B.Cs and E.B.Cs.

413—

* 1146—Sri K. Govinda Rao :—Will the Chief Minister be pleased to state:

(a) Whether the Government intend to introduce some schemes to create employment for educated unemployed belonging to S.Cs, S.Ts, B.Cs, and E.B.Cs;

(d) If so, when;

(c) Whether the details of the scheme be placed on the Table of the House;

(d) The total number of persons that can be provided per year;

(e) The expenditure involved per year towards capital and recurring expenditure;

(f) Whether a Committee has been constituted to workout the details of the proposed training schemes and to prepare an integrated plan; and

(g) If so, the names of the Committee Members and designation?

A.—

(a) & (b): Government of Andhra Pradesh have introduced the Special Employment Scheme for the benefit of educated unemployed candidates belonging to S.C., S.T. and Backward Classes, registered in Employment Exchanges. This Scheme was launched on 15-8-1978.

(c) A Table giving details of the Programmes initiated under the Special Employment Scheme is enclosed to this Statement.

(d) & (e) The Special Employment Scheme was inaugurated on 15th August, 1978 with a budget provision of Rs. 2.00 crores. Thirteen (13)
Programmes have been formulated, sanctioned and are under implementation (as per the Table enclosed). Rs. 2.18 crores has been committed for expenditure under the Special Employment Scheme in all these programmes. In addition Rs. 9.11 crores of Institutional finances have been tied up for these programmes. Rs. 1.21 crores from all other development departments have also been tied up in all these programmes. Thus a total outlay of Rs. 12.89 crores have been mobilised for all the 13 programmes which would create productive and definite job opportunities to 15,000 unemployed candidates during this year. The overall total investment for providing employment per person thus comes to Rs. 8,333.00 with an average per person expenditure under the Special Employment Scheme of Rs. 1,453.00.

In addition to these 13 programmes, a number of other projects and programmes on behalf of unemployed candidates in Employment Exchanges are being developed under the Special Employment Scheme. For this purpose, projects with high employment content quick gestation period and relatively low investment per person employed are being identified with the help of the Director of Textiles and Handlooms, Andhra Pradesh State Textile Development Corporation, Leather Industries Development Corporation of Andhra Pradesh, Andhra Pradesh Small Scale Industrial Development Corporation, Andhra Pradesh Dairy Development Corporation and the Hyderabad Allwyn Metal Works Limited. (A Public Sector Company). These projects are in the areas of salt manufacture, spinning mills, powerlooms, handlooms, leather tanning and leather goods manufacture, Animal Husbandry poultry rearing etc. In addition, the programmes, under Integrate Rural Development are being given orientation to cover the educated unemployed in rural areas. Similarly, the margin money and self-employment activities now undertaken by the Scheduled Caste Corporation, Scheduled Tribes Corporation and the Backward class Corporation are being improved to provide whole time and viable employment to the educated unemployed. Brief description of different categories of programmes already initiated and being implemented during 1978-79 under the Special Employment Scheme is given below:

(A) TRAINING PROGRAMMES IN SHORTAGE AND HEAVY DEMAND CATEGORIES

A predominant characteristic of the educated unemployed, who have been waiting in the Employment Exchanges for several years without getting employment, is that they do not possess specific skills. They have gone through mere general education without acquiring any of the skills relevant for
productive self-employment or for absorption in the modern sector. As a first step an exercise was conducted in the State to identify the shortage categories in State Government, Central Government, Public Sector Undertakings and Private Sector Units. Similarly, training programmes, and skill development opportunities which are in great demand by the educated unemployed in order to improve and enhance their prospects of productive work on employment were identified. On the basis of this exercise, training programmes relevant to the educated unemployed and the organisations and institutions which could be entrusted with these training programmes were identified at the State Level, Regional Level and the District Level. On the basis of this preparation, 3 programmes for training the educated unemployed candidates belonging to weaker sections in Refrigeration and Air-conditioning mechanics Radio and Television mechanics, Instrumentation mechanics, Draughtsman (Civil and Mechanical). Stenography and Typewriting (Higher Grade) Welders, Fitters, Automobile mechanics e.t.c. have been formulated in several polytechnics and the Industrial Training Institutes in the State. The existing facilities for staff, buildings, and equipment have been fully utilised and only marginal investment for staff and training expenses have been provided under the Special Employment Scheme. So for under these schemes, 1,272 candidates have been admitted into all these institutions and a sum of Rs. 29 lakhs has been provided with an average investment of less than Rs. 2,500 per person in developing these skills amongst the educated unemployed candidates. Further an amount ranging between Rs. 25,000 to Rs. 60,000 have been provided to each of the District Collectors to organise non-institutional training which are relevant to the productive opportunities for employment or self-employment in their districts. An amount of Rs. 7.17 lakhs have been provided for this purpose: Stipends ranging Rs. 45 to Rs. 100 depending upon the duration, place and the type of training have been provided to all these candidates.

Response to these training programmes have been overwhelming. A large number of unemployed candidates, some times even with high general educational qualifications, have come forward to utilise these opportunities. During the remaining portion of this year and in the ensuing years it is proposed to strengthen and augment these training facilities in several directions, in such a way that educated unemployed persons can in greater numbers be provided with training and skills which would improve prospects of their employment or self-employment.

(B) TRAINING-CUM-SELF-EMPLOYMENT PROGRAMMES:

The experience gained in the State in the implementation of half-a-million job scheme and other self-employment programmes during the IVth and Vth Plan periods has been carefully analysed.
Although high potential exists in this line the programmes and projects have to be formulated with great care and the technical, financial and marketing inputs have to be very vigorously coordinated, so that candidates inducted into these self-employment programmes are not left high and dry in the open market. Similarly the training and entrepreneurial development of these candidates has to be systematic and made an integral part of the self-employment programmes, with vigorous involvement of the developmental and promotional corporations in all their problems of raw material supply and marketing. On the basis of this understanding, six programmes have been formulated under this category with greater efficiency and coordination in project preparation, technical guidance and financial and marketing assistance. Training and entrepreneurial development has been made an integral part of all these programmes. The Heads of the concerned departments and the developmental and Promotional Corporations have been fully involved in proper project preparation, providing technical guidance, mobilising the custom or marketing facilities and in assisting them in securing proper infrastructure and finances. The newly constituted District Industries Centres have been specifically entrusted with the task of assisting them in training and productive self-employment. The self-employment projects in these six programmes are in the areas of business ventures, small scale industries, ancillary units, sericulture related activities, handlooms, power-looms, agro-custom services, Dairy Development and Poultry Development. In all these programmes 10,510 candidates are being covered with an outlay of Rs.200 lakhs towards training and margin money. Similarly, Rs. 536 lakhs have been tied up in all the programmes through commercial banks.

(C) TRAINING—CUM—EMPLOYMENT PROGRAMMES:

With considerable acceleration of Plan investments and Plan projects in different sectors in the State, opportunities for direct employment of the educated unemployed belonging to weaker sections exist in many corporations and organisations of the State. A systematic survey of all the sectors and services is being done to identify such of those services and employment opportunities which can be augmented considerably, but whose augmentation has hitherto been inadequate either due to paucity of funds or non-availability of trained candidates. Four (4) such programmes under Andhra Pradesh State Electricity Board, Andhra Pradesh Irrigation Development Corporation, and Andhra Pradesh State Road Transport Corporation have been identified. Funds have been provided either as grant for training of the required categories of person or as margin money to augment the capital which would enable the absorption of these training candidates. In those 4 programmes, 3,176 persons are being trained with a total investment of Rs. 26 lakhs.
In order to recommend follow up measures, after exploratory discussions were held with Heads of Departments and Experts on the Programme of action, a Sub-Committee was set up during May, 1978.

The Members of this Sub-Committee were:

1. Minister (Labour & Employment).
2. Minister (Social Welfare).
3. Sri K. V. Keshavulu, M.L.A.
4. Smt. Pupul Jayaker (Special Invitee)
5. Secretary to Government, Social Welfare Department.
7. Director of Employment & Training.
8. Director of Industries.

Air Pollution from Charminar Cigarette Factory and Biological Evans

414—

*1200-Q. Sri P. Rajam.— Will the Minister for Municipal Administration be pleased to state:

(a) whether the Government are aware of the fact that the health of more than two lakhs of people living in Ramnagar, Vidyannagar, Nallakunta (Old and New) Amberpet, Jamshedpur, Chikka palli and other thickly populated areas of Hyderabad are badly being affected due to air pollution on account of smoke smell and acid vapours being emanated from Charminar Cigarette Factory, Biological Evans and several other factories in that area;

(b) whether the Government will take steps to prevent the pollution of air by the said factories particularly Biological Evans by shifting some of the units to outskirt;

(c) if so, when; and

(d) if not, the reasons therefor.

A—

(a) Charminar Cigarette Factory and Biological Evans are in existence from quite a long time located in the declared industrial area. The Cigarette Factory is not contributing to any air pollution except the natural aroma of tobacco which is also mostly confined within the factory. Biological Evans have already shifted their two units beyond city Municipal Limits on Shamshabad Road about one year back, and there is not considerable air pollution from this factory.

(b) & (c) There is no Law at present enabling the State Government to take action to Prevent and Control Air Pollution. However, the Management of Charminar Cigarette Factory informed that they are trying in replace the Boilers with two large size modern type boilers in the coming two years. It is learnt that the management of Acetic Acid Plant is thinking of providing better absorption system.

Irrigation under Srisailam Project

415—

*1464—Q.— Sri N. Raghava Reddy.— Will the Minister for Major Irrigation and Commercial Taxes be pleased to state:

(a) whether the Government have received any report from engineers stating that ten lakhs of acres of land in Achampet taluq of Mahaboobnagar District and Devarkonda and Nalgonda Taluks of Nalgonda District can be irrigated under Srisailam Project at a cost of Rs. 100 crores: and
Written Answers to Starred Questions. 27th March 1979.

placed on the Table on 27-3-1979.

(b) if so, the steps taken by the Government to implement the same?

A—

(a) No, Sir.

(b) Does not arise.

Selling of Cement in Black Market.

1559-Q.—Sri K. B. Siddaiah:—Will the Minister for Small Scale Industries be pleased to state:

(a) whether it is a fact that the cement is sold in black market at a premium of Rs. four to five per bag due to meagre supplies by the factories; and

(b) if so, the action to be taken by the Government to augment production?

A—

(a) Alleged cases of black marketing of cement in the twin cities of Hyderabad and Secunderabad and also some places in the districts have come to the notice of the Director of Industries and these cases are being enquired into by the Director of Industries. Suitable action will be taken against the Cement Dealers, if the malpractices are proved. There is a big gap between the demand and supply of cement for sale in the State. For the IVth Quarter (October to December, 1978) and 1st Quarter 1979 (January to March, 1979), the State has been allotted a total quantity of 3.10 lakh M. Ts. and 3.43 lakh M. Ts. respectively against the requirement of 6 lakh M. Ts. out of which 1.33 lakh M. Ts. have been allocated for distribution to public under Free Sale Category.

(b) With a view to augment production of cement and ensure enhanced supplies, M/s Kesoram Cements, M/s Panyam Cements and Mineral Industries have been permitted to increase their production beyond their present licensed capacity. From 1974 onwards, twelve letters of intent have been granted by the Government of India for setting up of cement factories both in public and private sectors at various places in the State. The Cement Corporation of India are establishing three Cement Factories at Yerraguntla, Tandur and Adilabad with an annual capacity of 4 lakh tonnes each. However, the problem of scarcity of cement in the State can be mitigated, only if the Government of India increases the present quota of the State from 3.45 lakh M. Ts. to 6 lakh M. Ts. per quarter a already requested by us.

Concellation of Govt. Quota in respect of Motor Vehicles.

*2462—Q. Sri Veesam Sanyasi Naidu:—Will the Minister for Transport be pleased to state:
(a) Whether it is a fact that the Government quota in respect of Motor Vehicles such as Scooters, Cars etc, is cancelled ;
(b) if so, the reasons therefor;
(c) whether there is any proposal to revive the same now and (d) if so, the reasons therefor?

A.—
(a) The Government of India have rescinded the Motor Cars (Distribution & Sale) Control Order 1959, with effect from 10-2-1976 and with Scooters (Distribution & Sale) Control Order, 1960, with effect from 1-1-1978. There were separate quotas for allotment of Motor cars and Scooters, when the above control orders were in existence. Since the control orders in respect of Motor Cars and Scooters have been rescinded by the Government of India, there is no Government quota now.

(b) The Government of India while rescinding the Scooters (Distribution and Sale) Control Order 1960, have held that the manufacturing capacities of Scooters in the country have improved and the increase in the availability of scooters of all makes to the general public. It was also observed that no quota will be allotted to Central State Governments or Union Territories. The question of State Government Quota will arise only when there is control order.

(c) It is only for the Government of India to promulgate control order again if they consider necessary. There is no information whether the question of revival of the control order is under consideration of the Government of India.

(d) Does not arise.

#### Control on Corruption

**Q.** 2936 — Sri K. Anki Reddy:— Will the Chief Minister be pleased to state:

...
(a) Whether there are any proposals with the Government to control corruption;

(b) Is it not fair to ask the Legislators to declare their properties either in their names or in their wife's names; and

(c) Whether the same can be adopted to officials to declare their properties either in their names or in their wife's names at the time of their entering the posts?

A.—

(a) Adequate machinery exists already not only to control but also eradicate corruption from the public services.

(b) At present there is neither a law nor a convention that the Legislators should declare their properties either in their names or in the names of any members of their family.

(c) The Conduct Rules applicable to the State Government servants and the All India Service prescribe that every Government employee other than last grade subordinate services and Attender (now called Record Assistant) in the Andhra Pradesh General Subordinate Service shall furnish on first appointment in the Government service and thereafter annually before the 15th January a declaration in the prescribed form of all property owned, acquired or inherited by him or held by him on lease or mortgage either in his own name or in the name of any member of his family or in the name of any other person.

Raising of minimum Pension to all retired Teachers

*2956-Q.-Sri Chapala Yerraiah.—Will the Minister for Education be pleased to state:

(a) Whether it is a fact that according to G. O. Ms. No. 1132 dt. 16-11-1973 Liberalised Family pension Rules that apply to other Government Employees will apply to all the teachers that are Governed by Andhra Pradesh Teachers Contributory Provident Fund—Pension and Gratuity Rules 1961, Provided that they are retired after 1-4-1973;

(b) the reason why the Government have not so far implemented the assurance given by the then Chief Minister. When the teachers resorted to hunger strike at Hyderabad in 1977 that the said G. O. will be applied to all the teachers including those who retired before 1972 also; and

(c) whether it is a fact that it is decided to raise the minimum pension to 45 rupees in the case of all teachers who retired prior to 1-4-1961 and between 1-4-1961 and 31-3-1973 according G.O. Ms No. 571 Dt. 23-5-1977?

A.—

(a) Yes, Sir.

(b) No such assurance was given by the then Chief Minister. However in view of the present demand for application of Liberalised pension Rules to the teachers of non-Government Schools who retired prior to 1-4-1973, the matter is being re-examined.

(c) Yes, Sir. Orders were already issued in G. O. Ms No 571 Edu. (T) Department dt. 23-5-1977.

Conference of public works Department Ministers at Hyderabad

*3002-Q.—Sri B. Rama Subba Reddy:—Will the Minister for Roads and Buildings be pleased to state:

(a) whether it is a fact that a conference of Public Works Department Ministers of States was held in Hyderabad in the month of August, 1978; and

(b) if so, the deliberations and decisions of the said conference?

A.—

(a) Yes, Sir.

(b) A copy of the Summary of recommendations of the Conference is closed.

Summary of the Recommendations of Southern P.W.D. Ministers Conference

1. More Allocations Under The Plan For Roads and Treating them Under the Core Sector:

The Consensus of deliberations was that Roads should be
included in the Core Sector by the Planning Commission, and steps should be taken for enlarging the allocation in resources for this Sector in the scale of economic priorities. Roads have had diminishing importance over the years, despite their crucial relevance to economic development. The allocations for roads have come down from about 8% during the first Plan to about 4% now, delegating roads to a rather secondary status. It was underscored that durable roads should be given a high order of preference in economic development and perspective plans for roads have to be prepared in correlation with the investment policies of other Sectors. It was felt that in any developmental project as in Irrigation, Industries, Agriculture, Power etc., the cost of the roads should be built into the project cost. For augmenting the resources for road development it was suggested that the old rate of 3½% Paise per litre may be revised on percentage basis, that measure like a tax on diesel oil, cess on the sale of coffee and tea, marketing cess etc. could be introduced. The cess so levied should be earmarked as a separate fund exclusively meant for road development.

2. Road over under Bridges—Sharing of Expenditure in Respect of Road over under Bridges on Roads Having four Lane of Traffic at 50% of the cost of the Approaches and Bridge Proper

It was recommended at the meeting that the reconstruction of road over under bridges should also be entitled to sharing of the cost by Railways and State Government on 50:50 basis and that this basis should also be extended to cases of additional lanes on lines without restricting to 24' width of carriageway or existing number of lanes.

3. Handing over National Highway Links to the Government of India:

The general consensus was that it was not fair to insist that the reimbursement of maintenance grant would be made only from the date from which the State Government entered into agreements with the Government of India, but it should be given retrospective effect from the date on which National Highway Act came into effect. It was also felt that the existing limit of 20,000 population should be enhanced to 1,00,000 population in treating roads as National Highways Links. The view was also expressed that where by-passes were taken up or proposed, the existing National Highway should be maintained by the Government of India and improve like any other portion of the National Highway till the by-pass was completed and opened for traffic in view of long delays experienced in the matter of Land Acquisition.

The model worked out by the Ministry of Transport for the National Highways Organisation for planning and execution of works with an outlay of Rs. 8 crores in a year for a state was studied by the conference and it was found that the establishment charges would
work out to 24%. Hence the Conference felt that the Government of India should be requested to enhance the agency charges from the 9% to at least 16½%.

5. National highway Original and Repair Works

Inadequacy of Grants:
It was unanimously felt that there was a progressive decrease in the allotments made by the Government of India for the original works from the year 1973-74. During 1969-70 and 70-71 all the States were asked to set up separate National Highways organisations with a promise that funds would not be a constraint when these National Highways organisations were built up with full complement of staff and works entrusted to them. When a large number of works were under execution 1973-74, grants were abruptly reduced. This inevitably resulted in the slowing down of certain works, abandoning some works and closing of some contracts. It was appreciated that the present cost of completion of these works was much higher than would have been the case in the past. Hence it was decided to request the Government of India to increase the allotment substantially under the original works during this plan period. It was also suggested that in the case of flood damages and restoration works, a senior officer of the Ministry of Transport not below the rank of Chief Engineer should be deputed to the states immediately after the floods are over so that necessary estimates could be got prepared under his guidance and cleared at the state headquarters.

6. Dispensing With Abstract Particulars of National Highways:

The delays in the preparation and submission of abstract particulars were gone through and it was found that most of the renewals could be carried out during the working seasons i.e. December to March and hence the abstract particulars would be compiled and submitted only in April or May. Hence the participants felt that it was necessary to decentralise and vest powers with the Chief Engineer of the State in respect of selection of the works for renewal, sanction of the estimate under special repairs and ordinary repairs.

7. Upgradation Of State Highways as National Highways:

On a thorough discussion of the matter, it was found that while there was an increase in the mileage of roads maintained by the State Governments by 2 1/2 to 3 times, there was no extra mileage added in the case of National Highways with the progressive addition of the mileage of the roads in the State Sector and increase in traffic, it was becoming difficult for the State Government to maintain the increasing length of
the roads. The conference therefore felt that it would be necessary for the Government of India to takeover some of the selected and through roads from the States and upgrade and maintain them as National Highways so that it would become possible for the State Governments to go ahead with the development of other roads within the State.

8. Roads of Economic and Inter-State Importance

The general consensus was that once a scheme was approved by the Government of India under the Economic and Importance Scheme, it should be construed as an important scheme and the Government of India should bear the full cost of execution as per the revised estimates including excess during execution, if any over the original approved cost. It was also felt that the Government of India should also allow more funds in the Sixth Plan under this scheme.

9. Providing Road Side Facilities

It was recommended that way-side facilities provided should mainly cater to the needs of truck and lorry drivers and should consist of parking space for lorries, repair sheds, dormitories, snack bars etc. It was recommended that at least Rs.30 lakhs per year should be provided for each state for the above purpose out side the Central Road Fund and other centrally aided schemes. In the case of National Highways the entire cost of such way side facilities should be borne by the Government of India themselves.

Regarding land-scaping and plantation of Avenue trees all along the National Highways and State roads, it was resolved that as the amount required for planting, nursing, rearing and protecting these trees was substantial, grants should be adequately provided for planting fruit bearing trees along the roads as there would be some revenue return as well.

10. Decentralisation—Sta. ing of Chief Engineers of Ministry of Transport, Government of India in the Southern Zone

The consensus was that a suitable procedure should be evolved for obtaining quick sanction of estimate from the Ministry of Shipping and Transport which would not necessitate the return of estimates for revision or recasting and resubmission. Hence it was considered that if an Chief Engineer of the Ministry were to be stationed in the Southern Zone it might help in framing the estimates initially and taking timely an quick decision on diviations during the execution. It was resolved to request the Government of India to take necessary action in the matter.

11. Development of Roads In Tribal Areas:

The general consensus was that unless substantial allotment were made for tribal roads it would not be possible to improve them.
Government of India should provide more funds in plan for the development of tribal roads so that they may be brought into the main stream of development in other areas of the State.

12. Sanctioning Railway Safety Works to the Extent of Railway Safety Fund Available

After a lengthy discussion it was decided that the sources should be enlarged so that more funds could be provided to take up a large number of works in the coming years as the amount allotted to the Railway Safety Fund was very meagre.

13. Formation of State Construction Corporations for Road/Bridge Works

The conference felt that Construction Corporations should not be too large and unwieldy and hence recommended to have separate Construction Corporations exclusively for road and bridge works. Such Corporations would (i) eliminate monopolistic tendencies in the execution of works; (ii) avoid undue and prolonged litigation with the contractors; (iii) deliver goods by completion of works in cases where no contractors were forthcoming as in backward and tribal areas; (iv) ensure continuity in execution where the contract of any contractor was terminated for default; (v) provide an organisation working on a no profit no loss basis; and (vi) generate additional employment avenues.

14. Contractors of One State Taking Up Works In Other States:

It was unanimously agreed that the provisions of the Revenue Recovery Act may be enlarged by suitable amendment so that dues of a contractor in one State can be recovered from his assets in other States through the Revenue Recovery Act, as there are several contractors who have works in more than one State with outstanding dues and advances. It was also agreed to have greater co-ordination among the States in this regard.

15. Cross Verification of Funds Under General Road Fund (Ordinary Reserve) And Central Road Fund (State Allocations) as allotted by the Government of India and As Verified Independently:

It was decided to request the Government of India to furnish the annual figures of petrol production and its consumption for individual states at least confidentially.

16. Improvements of Inter-State Roads and Sources of Funds

It was decided that interstate roads at the borders including on claves might be identified and the agency, that is which State should maintain and improve them should be fixed. To achieve this purpose it was recommended that frequent meetings between State Officers concerned should be held. It was also recommended that Government of
India may be requested to bear a portion of the expenditure on improvements of such roads out of Central Road Fund Reserve Fund held by them as State finances are not adequate for tackling these works also.

17. Construction of Rural Road with a view to Extend Transport facilities to Villages.

The necessity of rural roads to ease the flow of increased economic output in various sectors, was stressed. It was decided that Rural roads should be included in the Core Sector of the plan so that a not work of rural roads could be developed with the funds made available under the Core Sector. It was suggested that as the Development of rural areas and the villages was of utmost importance, apart from being included in the Core Sector, steps should be taken to find finances by way of loans from the World Bank, L.I.C. and other financing organisations at low rate of interest.

18. Road Research:

It was agreed that each State should have a fullfledged road research station of its own for tackling most of its problems and any specific important problems can be referred to the Regional Research Station which the Tamil Nadu Government offered to provide. It was resolved to request the Government of India to give financial assistance for such stations outside the Central Road fund (State Allocation).

19. Setting up of Traffic Engineering Cells:

It was resolved to establish traffic Engineering Cells in each state with the assistance from Central Road fund, Ordinary Reserve held by the Government of India.

20. Coastal Road

The Conference endorsed the concept of coastal road running close to the coasts of Southern States to meet local needs and also to reduce the traffic congestion on the existing National Highways serving these States. Such a road would more or less hug, all the minor posts, tourist centres, fishing hamlets, resulting in an increase in the Foreign exchange earnings. It was also resolved that States like Kerala and Karnataka should explore the possibilities of a hill road running in the South-North Direction Parallel to the coastal road of National Highway No. 17. It was decided to request the Government of India to approach the World Bank for assistance for these schemes.

21. Allotment of grants by the Ministry of Shipping and Transport for Purchase of Tools and Plant for use in National HighWay Works:

The Conference observe that the machinery available in each State were inadequate for executing works. Many items of machinery

placed on the Table, on 27-3-1979.

purchased long time back were lying idle for want of timely repairs and spares. It was therefore resolved to request the Government of India to be liberal in allotment of grants for the purchase of additional machinery and also to equip the regional workshops in each State for repairs of National Highway Machinery.

(c) If So, when the said Act will be amended?

A—

(a) The Andhra Pradesh Buildings (Lease, Rent and Eviction) Control Act, 1960 is applicable to the buildings, other than those owned by Government, which are constructed prior to 26-8-1957.

(b) & (c) The question whether the Act may be amended so as to bring within its purview buildings constructed on or after 26-8-1957 and if so, up to what period, is under the consideration of the Government.
Taking over of Acetic Acid Plant by the State Government

469—

3211 Q. — Sarvasri M Omkara, K. Satyanarayana and Smt. M. Swarajam: — Will the Chief Minister be pleased to state:

(a) Whether it is a fact, that the State Government have taken a decision recently to take over the Acetic Acid Plant completely under the Government management i.e. Public sector;

(b) If so, when it will be taken over;

(c) Whether it is also a fact, that the said industry has been running on sound basis and earning profits since 1969-70; and

(d) Whether it is also a fact that some private capitalists have been trying to purchase it?

A.—

(a) to (d): Acetic Acid Plant at Hyderabad belongs to M/S Hyderabad Construction Company and the A.P. Industrial Development Corporation had taken the plant on lease on 17-4-1968 for a period of ten years with certain conditions. The lease expired by 17-4-1978 and the Company requested for handing over the plant. After considering the various aspects, the plant was handed over to M/S. Hyderabad Construction Company. The unit has made moderate profits though initially there had been some losses. The working results of the plant are as follows from the date of take over i.e. 17-4-1968:

Compulsory Life Insurance to all Government Servants

470—

*S217-Q.—Sri. M. Omkar and Smt. M. Swarajyatm:—Will the Hon'ble Minister for Finance be pleased to state:

(a) whether it is a fact that the Finance (FW) (Pen.II) Dept. issued a Circular Memo. No. 104215-A/1620/Pen.II/76-2, dt.17-11-1977, wherein Govt. Life Insurance has been made compulsory to all Government servants.

(b) Whether it is also a fact that any employee though he has got policies in other Life Insurance Companies should Compulsorily subscribe in the Govt. Life Insurance Department or else his increments will be stopped; and

(c) If so, the reasons therefor?

A—

(a) Yes, Sir, in so far as issue of the Circular Memo. is concerned. This Memo, however does not make insurance compulsory to all Govt. servants.

(b) Insurance with Andhra Pradesh Government Life Insurance Department is compulsory with effect from 1-3-1963 to all Government servants at the scales laid down in the A.P.G.L.I. Rules. Where Govt. employees were already paying premium on current Life Insurance Policies taken out by them prior to 1-3-1963 which is more than the scale prescribed in the aforesaid rules such employees are not required to take further policies of the A.P.G.L.I. Department until premium paid on the current policies as on 1-3-1963 falls below the scale prescribed in the A.P.G.L.I. Rules. When this happens such employees will have to take additional Life Insurance Policies from the A.P.G.L.I. Department to the extent of the scale prescribed therefor. A certificate has been prescribed to be submitted along with the bill claiming the increment to ensure that the employees has insured with A.P.G.L.I. Department in accordance with the rules of Compulsory Insurance Scheme without which the increment will not be passed in audit.

FORMATION OF INTER-VILLAGE ROADS FROM VEMAVARAM TO TANGEDA

475- Q-Sri Poolla Subbaiah:—Will the Minister for Agriculture be pleased to state:

(a) whether the Government are in receipt of letter No. 28/77 of Sri M. Nagi Reddy, Ex. MLA along with the petition of Sri Sanampudi Venkata Reddy and others of Vemavaram village, Palnadu taluk, Guntur district requesting to form inter village roads from Vemavaram to Tangeda and Vemavaram to Mutyalampadu villages;

(b) whether the Chief Engineer, NS Canal, Macherla in his letter No. BD/JE/1456/M. Dt. 14- 6- 72 mention necessary estimates has been prepared to form a road from Vemavaram to Mutyalampadu village;

(c) If so, the reasons for not executing the said works till now;

(d) whether it is also a fact the PWD Project wing, in their Lr. No. 1063/C1/72-8 Dt. 2- 12-72 has intimated that the Government has approved to form a road from Govindapuram to Tangeda village (Via) Vemavaram under area development programme in NSP command area; and

(e) If so the reasons for not commencing the said work till now?

A.—

(a) Yes, Sir.

(b) Yes, Sir.

(c) The market road from Mutyalampadu to Vemavaram was included in the master plan which was taken up under area development programme with the grant provided by the Government of India during the fourth five year plan period. But the Government of India discontinued providing financial assistance for the road programme during the 5th plan period. It was also not possible to take up market roads under the State Sector since adequate funds could not be provided in the State budget as allocation for the CAD schemes in the annual plan is very limited. Hence the works originally contemplated under the master plan could not be continued and completed.

(d) & (e) Originally the road from Pillutla to Dacheralli (via) Govindapuram, Vemavaram, Chennai Palam, Tangeda, Mutyalampadu villages was proposed in the master plan. This road was also
approved by the Government of India in August 1969 under area development programme. Subsequently the Government of India has deleted a part of road from Govindapuram to Tangeda suggesting that it could be taken up after some time. The Government of India was however requested to include the balance portion also.

Subsequently, the Government of India discontinued this entire scheme of providing financial assistance to the road programme in the fifth five year plan period. However, some of the left over roads have been taken up under A. P. Irrigation and CAD Composite project (World Bank scheme) in the year 1978-79. The main feature of the scheme is that no village should be away by more than 4 miles from any main or arterial road. The village roads within 4 miles shall be the responsibility of Zilla Parishads or Panchayat Samithis.

The following roads are presently under execution:

1. Dachepalli to Tangeda (via) Mutyalampadu.
2. Brahmanpalli to Matsavaram.
3. Zalakallu to Govindapuram (via) Piduguralla to Pillutla

The following roads are under investigation:

1. Mastavaram to Chinnayapalam.
2. Chinnayapalam to Vegulagadda.

Loss to the Rural Electrification Corporation, Anakapalli.

423—

618-Q-Sri Bhaṭṭam Śrīram Murthy:—Will the Minister for Power be pleased to state:

(a) whether it is a fact that the Rural Electrification Corporation, Anakapalli incurred loss to the tune of about Rs. 8 lakhs during the recent cyclone in November, 1977;

(b) if so, the reasons and details of such losses; and

(c) the extent of losses incurred by Electricity Board during the said cyclone in the other taluks in the Visakhapatnam district?

A.—

(a) Yes, Sir. It is a fact that the Rural Electric Supply Cooperative Society, Anakapalli was affected by the cyclone in November, 1977 and the estimated cost of damages was Rs. 6.35 lakhs only.

(b) The reasons for the damages to the lines is due to steep and speedy rise of the water level in river Sharada and breach of the flood bank and inundation of the entire area. The details of losses are as follows:

Deepening of the left sluice of Bhairavaram Tank

779-Q-Sri M.Venkaiah Naidu. —Will the Minister for Minor Irrigation be pleased to state:

(a) whether it is a fact that the ryots of Bhairavaram, Udayagiri Taluk, Nellore District have submitted a petition for deepening the left sluice of Bhairavaram Tank;

(b) whether it is also a fact that tenders were invited for deepening the said sluice and;

(c) whether tenders have been stopped in the meanwhile and seasons thereafter?

A.

(a) Yes, Sir.

(b) Yes, Sir.

(c) Yes, Sir. The work was stopped in view of the stay order issued by Government. The ryots have filed a writ petition in High Court on this issue. The Andhra Pradesh, High court issued an interim stay in W. P. No. 4037/78 but later vacated the stay and finally directed on 17-7-1978 leaving the matter to discretion of Executive Engineer in the matter of closing the excavated portion of bund. As the tank is expected to receive full supplies due to approaching Monsoon season, the breach was closed by the Executive Engineer immediately. Subsequently the Government have also vacated the stay. The work will be taken up without detriment to the present crop under the tank.

Issue of Pattas to the Harijans and B.Cs
from the surplus land

426—
1105. Q.— Sri K. Govinda Rao:— Will the Chief Minister be pleased to state:

(a) Whether pattas have been issued to certain harijans and backward classes the surplus land under Andhra Pradesh Land Ceilings Act in the village of Rajala, Yellamanchili taluk, Visakhapatnam district on 10-4-1978;

(b) whether physical possession has been handed over to the assignees; and

(c) if not the reasons therefore?

A.—

(a) Provisional orders of assignment were given to 9 persons (6 members of Scheduled Castes and 3 members of Backward classes) for an extent of Acs. 9.06 in Rajala village, Yellamanchili Taluk, Visakhapatnam district on 10-4-1978. But, consequent on a petition filed by three occupants of the land, these orders were subsequently revised and the land of Acs. 9.06 was distributed to 12 persons as resolved by the Taluk Assignment Review Committee in its meeting held on 17-4-1978.

(b) Possession of land was given to all the beneficiaries.

(c) Does not arise.

Selling of land owned by Sri SatyanarayanSwamy Temple, Kotheru to private parties.

427—
1157-Q.— Sri K. Govinda Rao:— Will the Minister for Planning and Endowment be pleased to state:

(a) whether a portion of the land owned by Sri Satyanarayana swamy Temple, Kothuru, Anakapalli taluk, Visakhapatnam District is sold away to private parties;

(b) if so, the purpose for selling the same;

(c) whether any complaint had been received from the public objecting to such sale and;

(d) if so, the action taken thereon?

A.—

(a) & (b) Sri Satyanarayanaswamy Temple is not situated at Kothuru village, but it is situated at Kasimkota village, Anakapalli taluk, Visakhapatnam District. The lands belonging to the said temple were not sold to private parties. However there are proposals:
1. from the Food and Agriculture Department for alienation of the land to an extent of Acs.80.00 cts located outside the river Sarada near Kasimkota Railway Station and adjoining to National Highway, belonging to the subject temple for location of a market yard.

2. from the Anakapalli Merchants’ Association and Anakapalli Merchants Association Adinarayana English Medium High School/Staff Association for leasing out the site for long lease of 99 years or for out-right sale.

(c) Yes, Sir.

(d) The allegations made are therefore without basis, as no transaction has been finalised so far.

Shifting of location of A. P. Rayots Ltd., Factory from the original site in Mulug Tq.

428—

1262-Q.— Sarvasri C. Janga Reddy and M. Jagannadham:—Will the Chief Minister be pleased to state:

(a) Whether the proposed A. P. Rayons Limited Factory for the construction of which a site near Jedivagu at Etunagaram in Mulug Taluk, Warangal District which had been purchased at the cost of nearly Rs. 18 lakhs has subsequently been shifted to another place at a distance of 5.3 kilometres; and

(b) If so, the reasons therefor?

A.—

(a) & (b) The location of the A. P. Rayons Limited Factory was shifted from the original site as the Forest land originally allotted fell within the Tadwai Wild Life Sanctuary and in the interest of maintaining ecological balance in the area, the company was asked to choose another site. However the value of land of the original site at Etunagaram was neither fixed by Government nor paid by the Corporation. Since the company was asked to select an alternative site the question of payment for the original site does not arise.

Not maintenance of punctuality in plying buses by A.P.S.R.T.C Depot at Puttur.

429—

1422-Q.— Sri K. B. Siddaiah:—Will the Minister for Transport be pleased to state:

(a) whether it is a fact that the Andhra Pradesh State Road Transport Corporation Depot at Puttur is not maintaining timings in plying buses resulting in difficulties to passengers; and
(b) if so, the steps taken in this regard?

A.—

(a) No. Sir, The low percentage of punctuality was due to the acute position of supply of spares and units of the mixed fleet of Leyland and Tata vehicles at the Puttur Depot.

The position of supply of spares and units has since improved and thus the punctuality of operations at the depot has improved as could be seen from the percentages of the following months:

<table>

1610-Q.—Sri K.B. Siddaiah:—Will the Minister for Law & Ports be pleased to state:

(a) whether it is a fact that District Munsif-cum-first Class Magistrate Court was established at Puttur in Chittoor District on 1-4-1960;

(b) whether it is made permanent;

(c) if so, when ;

(d) if not, the reasons for continuing the same on temporary basis ; and

(e) the number of civil and criminal cases pending in that court?

A.—

(a) Yes, Sir.

(b) (c) & (d): The proposal for retention of temporary posts in courts in existence for more than three years on a permanent basis is under consideration of the Government.

(e) Pendency of cases in the District Munsif Court, Puttur as on 31-12-1978 is as follows:—

House Sites to B.C. uncin of B. H. E. I.

432—

1931—Q. Sri Egvur Subba Rao:—Will the Minister for Revenue be pleased to state:

(a) Whether it is a fact that backward class Jaon, B.H.E.I., and other villagers of weaker section have applied for house sites in S.Nos. 365 and 367 of Chandanagar of Hyderabad District, West Division; and

(b) if so, the action taken so far?

A.—

(a) Yes Sir. It is reported that the Hyderabad District Yawadda Sangha, Phase Singh Youth Association, Chandanagar Handwellers Welfare Association had submitted applications for house sites in S. Nos. 365 and 367 of Chandanagar village, Hyderabad, West Taluk, now in Durga Taluk, District. Most of the petitions in the above three Associations are said to be employees of B.H.E.I.

(b) Except land in S. No. 366, Chandanagar village, all the lands in ‘a’ Nos. 365 and 367 were handed over to HUDA. The question of considering the assignment of 20 acres of land to the petitioners at present does not arise, in view of the order issued in G.O. Ms. No. 1122, Revenue, dt. 5-6-196 read with G.O. Ms. No. 1409, Revenue, dt. 19-8-1978 to the effect that no vacant land in the greater Hyderabad city including command area within 10 miles from the Municipal Limits should be assigned. Once the village Chandanagar is within a 10 mile belt area from the Municipal Limits, the question of assignment of house sites is totally prohibited.

Executing of road works in the Right side canal of N.S. Project

433—

1995—Q. Sri Poole Subbaiah:—Will the Minister for Agriculture be pleased to state:

(a) the amount allotted for the year 1978-79 for executing road works in the Right side canal area of N.S. Project under ayacut road works programme;

(b) Whether a copy of the proposed road works and the proposed year-wise execution be placed on the table of the House?

A.—

(a) Rs. 102.50 lakhs

(b) Copies of statements showing year-wise programme of road works in respect of N.S. Right Canal Command area are given below,
Retaliation of Existing W.B.T.C. Routes in Blocks 1 to 18 of Right Canal in N.S. Project combined After Dater 15-77-78.

(a) The Amount earmarked for the year 1977-78 for legal aid to the poor in the state;

(b) Particulars of allocations to each District;

(c) The amount utilised in each District; and

(d) The proposal of the Government, if any, to improve this scheme;

A.—

(a) Rs. 1,50,000/-

(b) & (c) A statement showing the particulars of allocations made and amount utilised in each district during 1977-78 is placed on the table of the House.

(d) With a view to making Legal aid/advice available to the weaker sections of the society, a comprehensive scheme for free legal aid/advice to the poor was drafted by the Government. The Rules relating to the comprehensive scheme are under finalisation and will be issued by the Government very shortly.
Opening of E.R.Os Sub-Office at Parkal

2286-Q.- Sarvasri M.Jagannadhama, Ch.Janga Reddy and M.Venkaiah Naidu.— Will the Minister for Finance and Power be pleased to state:

(a) whether it a fact that the Superintending Engineer, A.P.S.E Board, Warangal has requested for opening an Electricity Revenue Office Sub-office at Parkal of Warangal District in the year 1977;

(b) if so, why the A.P.S.E Board has not taken any action on the said matter so far;

(c) Whether it is a fact that due to the work to rule observance by the Employees of A.P.S.E Board Warangal district, the number of consumers in the various villages of the district are not being served with bill notices;

(d) if so, the village-wise and taluk-wise particulars; and

(e) the way by which collections are being made from the said consumers and on which basis in the absence of the bills?

A*—

(a) Yes, sir.

(b) The board has constituted a committee for finalising the norms for Revenue organisation. Based on the recommendations of the norms committee, in B.P.Ms.No. 724. dated 14-7-78, orders have been issued fixing the norms in respect of Revenue organisation. The Superintending Engineer, Warangal has been addressed to furnish the date in respect of the Electricity Revenue Offices of his circle, keeping in view the norms fixed in B.P.Ms.No. 724, dated 14-7-78 for finalising; the additional staff requirements and for examining the need for opening additional Electricity Revenue Offices Sub-Electricity Revenue Offices depending upon the workload. The Board will take necessary action on receipt of the Superintending Engineer report.

(c) Yes sir, to some consumers.

(d) The village and taluk-wise particulars of the consumers affected are furnished in the statement enclosed.

(e) Collections are being made by money orders, deducting the commission charges or Demand Draft/Cheques, provisionally based on the last bill rendered to the consumer.

Scheme under DPAP in Mahaboobnagar District

2289-Z (Q)—Sarvasri Janardan Reddy, P. Ammi Reddy, P.V.S.-RamaRao, and M. Venkaiah Naidu:—Will the Minister for Rural Development be pleased to state:
Written Answers to Un-Starred Questions 27th March, 1979. 247
placed on the Table on 27-3-1979.

(a) Whether there is any scheme under Drought Prone Areas Programme in Mahaboobnagar district to supply pumpsets with 25% subsidy, if so, the details thereof;

(b) The procedure adopted by the District Development Authority for the selection and fixation of price of these pumpsets.

(c) The decision taken by the District Development Authority in different meetings held in June, July and August, 1977 and the reason for accepting Rs. 4, 200 per pumpset as against less than Rs. 3,300 quoted;

(d) The number and names of pumpsets supplied so far and the actual price charged for them;

(e) Whether representations were received by Government alleging malpractices in the procurement of pumpsets, if so, the action taken thereon?

A—

(a) Yes Sir, 2000 individual irrigation wells were taken up in Mahaboobnagar district during the year 1976-77. The programme envisaged sanctioning of composite irrigation wells i.e., sinking of wells as well as supply of oil engines and electric motors, as the case may be. The unit cost of a well was estimated at Rs. 10,000/ out of which, Rs. 6,000 was meant for digging of well and Rs. 4,000 for supply of machinery. The quantum of subsidy was 25% for small farmers and 33 1/3% for marginal farmers both on well sinking and its energisation.

Similarly, during 1977-78, 1,500 individual irrigation wells was programmed and, in 1978-79, 1,000 individual irrigation wells are proposed to be taken up. The programme is being implemented on the same lines of 2,000 individual irrigation wells programme.

Various Commercial Banks and also Agricultural Development Banks have participated in the programme and sanctioned loans to the small farmers and marginal farmers. Besides, these Banks the SC/BC, Financial Corporations have also advanced margin money of 20% to the beneficiaries of the above wells programme in respect of S.Cs and B.Cs.

(b) In order to provide oil engines and electric motors to the beneficiaries on minimum rates, tenders were called by the Project Administrator, District Development Authority on 3-6-1977 from various firms for approving the prices for oil engines/electric motors of various brands. This decision was taken to save the small and marginal farmers from the exploitation by the suppliers. There was an apprehension that, in the absence of approved rates the suppliers might charge exhorbitant rates. The last date of receipt of tender was fixed as 15-6-1977. As many as (66) tenders were received from various firms for (90) ISI and Non-ISI brands. The tenders were opened on 15-6-1977.
An emergency meeting of the District Development Authority Mahaboobnagar was called on 29-6-1977 for according approval of rates of oil engine/electric motor quoted by various firms. All the representatives of the firm who filed tenders were invited to attend the meeting. In the said meeting, the District Collector and Chairman of the District Development Authority requested the representatives to quote their rock-bottom prices and were allowed to reduce the prices quoted by them earlier in their tenders. After entering into dialogue with the firms and after thorough discussions it was decided to approve all the brands of diesel engines both slow speed and high speeds and also electric motors for which tenders had been received. The selection of brand was left to the choice of the beneficiaries.

The prices quoted by the firms which were below Rs. 3,300 were approved brandwise and those which were above Rs. 3,300 were not approved. Such representatives reduced their prices to Rs. 3,300/ or less which were also approved by the District Development Authority.

(c) After the meeting held on 29-6-1977, the District Development Authority met on 5-8-1977. No such meeting was held in the month of July, 1977.

In the meeting held on 5.8.1977, the following resolutions with regard to supply of oil engines/electric motors were taken:

1. The Block Development Officers should be made responsible for ascertaining preference of the beneficiaries in regard to the selection of brands and communicating to the banks concerned. The banks will place directly with the firm orders as per the requirements received from the Block Development Officers.

2. In turn, the banks will directly place orders on the firms as per the requirements received from the Block Development Officers. As a result, the decision of the District Development Authority taken in the meeting held on 29-6-1977 in the Zilla Parishad Meeting Hall to effect purchases through the Andhra Pradesh State Agro Industries Corporation stands cancelled.

The price ceiling fixed in the District Development Authority meeting held on 29-6-1977 was Rs. 3,300 and no price above the ceiling was ever accepted. The brand-wise prices given in the annexure reveal the fact.

(d) The number and names of oil engines with pumpsets supplied so far along with the actual price charged as obtained from the concerned Banks are furnished in the annexure.

(e) No representations regarding malpractices in the procurement of pumpsets have been received by the District Development Authority.

House, sites To BCs And Harijan In Warangal District

438,— 2292-Q— Sarvasri C. Janga Reddy, N. Narasimha Reddy M. Venkaiah Naidu, and Dr. V. Sivarmakrishna:— Will the Minister for Social Welfare be pleased to state:

(a) Whether it is a fact in the Warangal district, Parakal taluk Nirukulla, Kethagettisingaram, Gattakeniparthi, Nagaram, Nedikuda villages have acquired the land of marginal, and small farmers by the Social Welfare Department for the purpose of providing house sites to people belonging to Backward Classes and Harijan which is against to the Government instructions; and

(b) if, so the action that may be taken by the Government t, return their lands, which were so far not occupied by the beneficiaries A.—

(a) It is a fact that lands in the villages of taluk i.e. Parkal

6—18
Kothagattusingaram, Gatlakenparthy Nagaram and Nadikuda have been acquired for providing house sites to Harijans. All the owners whose lands have been acquired are not marginal farmers, except one in Neerkula village, four in Gatlakenparthy and Kothagattusingaram villages. The acquisition of the lands of marginal farmers was taken up as these lands were most suitable for the purpose and as the acquisition of such land was inevitable.

(b) No action can be taken now as the possession of the lands acquired has been handed over to the beneficiaries.

Enetsting Of Arrack Shops To Village Toddy Tappers
Coop. Societies In Agency area of Vizeg District.
439 2294-z-Q Sri. K.Govinda Rao:- Will the Minister for Excise be pleased to state:

(a) whether arrack shops have been entrusted this year (19-8-79) to Village Toddy Tapers Coop. Societies in taluks of Chintalpalli and Paderu taluks (Agency Area) in Vishakapatnam district; and

(b) if not, the reasons therefor?

A—

(g)&(b) : No, Sir. Licences have been renewed in favour of the existing Tridal Arrack Societies for the year 1978-79 in tribal areas of Vishakapatnam District except in the case of shops in Kakarpadu Group Licences in respect of Kakarpadu group have been issued to Commision Agents selected and appointed by the Project Officer, Integrated Tribal Development Agency, Paderu on experimental basis for the current year. There has been complaints exploitation of tribals by plainsmen. If the system introduced in Kakarpadu group shops works well, it can be introduced in other areas next year.

Non-Sanction of advance increments to the persons in T.E. Dept.

440—

2490-Q.— Sri C. Janga Reddy— Will the Minister for Technical and Indian Medicine be pleased to state:

(a) Whether advance increments are given for persons with higher qualifications in all other Departments like Irrigation and Pow.r, Roads and Buildings, Agriculture, Animal Husbandry, Medicine, Education etc. But not in Technical Education Department where improvement of qualification is essential ; and

A—

(a) Yes Sir.

(b) The matter is under consideration.
Written Answers to Un-Starred Questions 27th March, 1979. 255
placed on the Table on 27-3-1979:

Repairing of shop keepers weights

41 –

2532 Q Sri K.V. Pathi:—Will the Minister for Home be pleased to state:

(a) whether it is fact that shop keeper's weights are to be repaired every year;

(b) how much amount is being charged for the repair of each set and whether there is any table form to this effect;

(c) whether the weights can be repaired once in every three years instead of one year;

(d) whether it is a fact that some private agencies are authorised to do these repairs;

(e) whether Rs. 85/- charged for each shop keeper on lumpsum per year; and

(f) whether the Government propose to make any other arrangement to assign the repairs work to private agencies?

A—

(a) Weights & Measures act. of a shop keeper have to be verified and stamped once in twelve months as per Rule 11 of Andhra Pradesh Weights & Measures (Enforcement) Rules, 1958. There is no rule of compulsion that shop keepers's weights and measures have got to be repaired every year. It is the responsibility of the trader to keep them accurate by getting them repaired if necessary for verification and stamping every year.

(b) A copy of the schedule of adjusting charges for adjustment undertaken by the Weights & Measures Department is enclosed.

(c) In view of the answer to clause (a) above, this question does not arise.

(d) Private persons are granted repairer's licences to undertake repairs of weights and measures etc. under Section 13 of A.P. Weights & Measures (Enforcement) Act read with Rule 25 of A.P. Weights & Measurements (Enforcement) Rules of 1958.

(e) No, Sir. Repairing charges are collected by the Licensed Repairer from the traders. Amount of repairing charges vary depending upon the type of repairs made to weights, measures, weighing and measuring instruments and according to the category.

(f) Private repairers who obtain licences from the weights and Measures Department only are authorised to undertake repairing work.

Modernisation of units taken over by APKAM

442—

2540—Q—Sri Agarala Eswara Reddy:—Will the Minister for Textiles be pleased to state:

(a) whether all the units taken over by the National Textile Corporation (APKAM) have been modernised;

(b) whether the machinery at Tirupathi Cotton Mills at Renigunta has been modernised; and

(c) If so, the cost of modernisation?

A—

(a) Yes Sir, All the Spinning Mills except the Adoni Cotton Mills, Adoni taken over by the National Textile Corporation were modernised.

(b) Yes, Sir.

(c) the cost of modernisation including substantial expansion by 3,96,90 additional spindles of Tirupathi Cotton Mills Renigunta was Rs. 92,62 lakhs.

Sanction of ayacut road from Chagalamarri to Gopayapalle in Allagadda Talung

443—

2534—Q.—Sri G. Thimma Reddy:—Will the Minister for Major Irrigation and Commercial Taxes be pleased to state:

(a) when ayacut Road from Chagalamarri village to Gopayapalle in Allagadda Taluk, Kurnool district and a bridge over Vakkiler on said road were sanctioned;

(b) whether the Government are aware that the important towns like Chagalamarri, Prodduturu and Jambulamadugu will be rendered nearer if the said work is completed;

(c) if so, the amount spent so far on the said road; and

(d) when the work will be completed?

A.—

(a) Formation of W. B. M. road from Peddagopaya-palli was sanctioned during the year 1971-72. Estimates are to be prepared for Vakkiler causeway, after the availability of funds is ensured.

(b) Yes, Sir. The towns, Prodduturu and Jammalamadugu will be nearer to Chagalamarri after completion of the ayacut roads and causeways proposed and under execution.

(c) The expenditure including payments due to contractors is Rs. 1,96,700/-

(d) The works will be completed within 2 years if sufficient funds are allotted. Further it is to be stated that the formation of W. B. M. road from M 0/O to M 2/O is partially completed i.e., the value of work executed is Rs. 58,054/ as against the estimated value of Rs. 1,46,000/ and the balance work could not be got executed due to paucity of funds. Formation of W. B. M. road from M 2/O to M 37.550 is completed in all respects except in vague portion (Vakki leru in between M.2/3 and M 2/6, where a causeway is to be built.

Construction of High-Way Between Andhra to Gajapathinagaram

444—

2593—Q.—Sri V. Narayan Appala Naidu:—Will the Minister for Roads & Buildings be pleased to state:
Written Answers to Un-Starred Questions, 27th March; 1979.

(a) whether it is a fact that the Central Government have sanctioned Rs. 40 lakhs (Rupees forty lakhs) to the State Government for the construction of a highway between Andhra and Gajapath nagaram taluk headquarters in Visakhapatnam District;

(b) if so, the time by which the construction programme will be started; and

(c) the time by which the said Programme is proposed to be completed?

A.—

(a) Sir, there is an existing road from Gajapathinagaram to Andhra via Mantabout taken over to the control of Roads and Buildings Department on 1-4-1978. Since there is already an existing road the question of construction of highway between the above two places does not seem to arise. No central assistance of Rs.40.00 lakhs for construction of such a highway has been sanctioned to Roads and Buildings Department.

(b) (c) Do not arise in view of answer to (a) above.

Nationalisation of certain bus routes in Chittoor District

445—

2667 Q— Sri K. B. Siddaiya:- Will the Minister for Transport be pleased to state:

(a) Whether it is a fact that the below mentioned bus routes in Chittoor district are nationalised: (1) Nagori to Madibaka, (2) Pakala to Thondamanadu Via Renigunta, (3) Vayalapadu to Renigunta, (4) Chittoor to Rajampet via Panumuru, Puttur and Renigunta and (5) Chittoor to Sreramapuram via Penumuru Pacchikapallam, Puttur and Nagari;

(b) If so, whether the A.P.S.R.T.C. has been plying buses in the said routes;

(c) The number of singles that were plying in each of the said routes by the private operators;

(d) The number of singles that have been plying in each of the said route by A. P. S. R. T. C. buses;

(e) In case A.P.S.R.T.C. is not plying buses whether there any proposal to allow the displaced operators to ply their buses in the said route; and

(f) The loss of total tax revenue to the Government per year due to nonplying of buses by A. P. S. R. T. C. in each of the said routes?

A.—

(a) Yes sir. Except the bus route Nagari-Madibaka which was not covered by nationalisation scheme.

(b) Yes, sir. Except on the route Nagari-Madibaka

(c) Prior to nationalisation of bus routes in Chittoor District Private operators used to operate their services as stated below:

(d) A.P.S.R.T.C. is operating the following trips:

<table>

</tr>
</tbody>
</table>

(e) A.P. State Road Transport Corporation is operating adequate number of services on the nationalised routes. Allowing displaced operators to ply their services on these routes, therefore does not arise.
(f) The Kilometerage operated by A.P.S.R.T.C. is much more and the M.V. Tax and Surcharge paid by A.P.S.R.T.C. is more than that paid by the Private Operators. Therefore, there is no loss on Government. Government has actually getting more tax.

Surplus Land Available with Landlords of Certain Villages of Karimnagar Taluq.

47-

2714- Q.—Sri Desini Chinamallaiah:—Will the Chief Minister be pleased to state:

(a) the extent of surplus land available with the landlords of Velululupalem, Rekonda, Koyyada, Zangallapalli, Bhasmapuram, Sanudrala, Regonda, Goweravalli, Ramavaram and Akkannapeta villages of Karimnagar taluk, Karimnagar District;

(b) the extent of land herein, in case of which cases have been filed in the High Court;

(c) whether any complaints have been received stating that the landlords have resorted to benami transfer of lands; and

(d) if so the action taken thereon?

A.—

(a) & (b) An extent of 4,187-24 has been determined as surplus land in these villages under the Andhra Pradesh Land Reform (Ceiling on Agricultural Holdings) Act, 1973. Out of the above extent, an extent of Act. 1622.41 acres is covered by appeals and another extent of 656.35 acres is covered by C.R.Ps. in High Court.

(c) The Collector, Karimnagar has reported that five complaint petitions have been received and that they have been sent to the Land Reforms Tribunal, Karimnagar for enquiry. The Tribunal considered four petitions, and the fifth petition is under consideration.

Strike of the Employees of A.P.S.I.D.C. in June, 1978

148—

2827—Q.— Sri Pooja Subbaih:—Will the Minister for Medinn Irrigation be pleased to state:

(a) whether the employees of the Andhra Pradesh State Irrigation Development Corporation have gone on strike in the month of June, 1978 to achieve their demands;

(b) if so, the nature of their demands; and

(c) the steps taken by the Government in this regard?

A.—

(a) Yes, Sir.

(b) and (c) A statement showing the demands of the Union and the steps taken by the Corporation to concede the demands is indicated below:
### ANNEXURE

Comparative Statement showing the Charter of Demands submitted by the Irrigation Development Employees’ Association through letter dated 8-10-1977 and their letters dated 23-3-1978 and 30-5-1978 and action taken on the demands.

</tbody>
</table>
In no case qualified and experienced hands among the employees should be overlooked.

II. Probationary period:
   Probationary period for all appointments must be limited to a period of six months and should not be extended beyond further period of six months.

III. Confirmation:
   All the existing employees who have completed six months, service and above under the Corporation must be confirmed.

IV. Repatriation of Deputationists:
   Deputationists should be repatriated to their respective parent department on completion of their term.

V. Promotion:
   1. All higher posts must be filled by promoting the Corporation employees alone.

   If Corporation recruits get themselves qualified and also gain experience as per the service rules of the Corporation promotions are being considered.

   Reduction of probationary period from one year to 6 months for Workman was considered, and is being followed. For other categories other than Workman, the probationary period of one year holds good.

   Proposals were called for, from the Divisional Offices for regularisation of services of employees, who have completed the one year of service as per Staff Regulations. Action is being taken to issue necessary order for declaration of probation in all eligible cases. So far orders were issued in 35 cases. The other cases are under process.

   The position was already indicated vide I (2), above.

   As and when Corporation employees are ripe for promotion as per service rules, their cases will be considered.

   No employee reached the maximum stage of the grade.
2. If an employee reaches maximum stage in the grade he should be promoted to the next higher cadre.

3. All promotions should be based purely on seniority basis and not otherwise.

VI. Advance increments to Post Graduate Personnel:
Employees possessing Post Graduate qualification may be given benefit of 3 advance increments without any discrimination.

VII. Regularisation of working hours and grant of weekly off:
No employee should be insisted upon to remain in the Office after the normal office hours and all employees must be granted one day weekly off.

VII. Over-time wages:
(1) If an employee is required to work over-time on an holiday or beyond the normal working hours on any day he must be paid in respect of such over-time work wages at twice the ordinary rate of wages.

No Promotions will be ordered as per the Service Rules of the Corporation.

Advance increments are already considered by the Management. Orders issued by the Government from time to time in regard to sanction of advance increments to Post Graduate Engineering Personnel are being followed and advance increments are being released.

Instructions were already issued in this Office Memo. No.1DC/MD/Adm.1/C2/548/77 6452, dated 29-5-78 to regulate the working hours stipulated in the Staff Regulations and to grant weekly off as per rules in vogue.

In view of the Financial difficulties of the Corporation no over time wages will be considered. In view of the Circular instruction already issued to regulate the working hours and grant of weekly offs no action appears to be necessary.
X. Disparity in Pay Scales of Drivers:

Drivers who are working under provisional and work-charged establishment doing the same duty must be paid same pay scales.

XI. Uniforms for same Attendees and Drivers:

(1) All Drivers and Attendees be supplied with 4 pairs of Uniform and 2 pairs of shoes for every year.

XII. Watch and Ward Staff:

Facilities for special training be provided for the Watch and Ward Staff to permit to stay with their families inside the Corporation premises and provide with torches and Rifles.

XII. Washing allowance:

A sum of Rs.20-P.M. towards washing allowance.

The views of the Government in regard to maintainability of provincial and the Work charged Estt. have to be kept in view. This is a policy matter of the Government.

The supply of Uniforms to the Attendees and Drivers cause lot of strain on the finances of the Corporation. Instructions were already issued to provide rain coats and caps to persons carrying tappals and exposed to weather conditions vide orders issued in Memo.No.IDC/MD/Adm.1/548s 77/6465 dated 30-5-1978.

Torches and whistles are already provided to Watch and ward Staff. The watchmen who are posted to Stores will be provided with accommodation.

As no Uniform is being supplied the question of giving washing allowance does not arise.
XIII. Contributory Provident Fund Scheme:

Contributory Provident Fund Scheme to be introduced forthwith to cover all the employees of the Corporation and deduction made in the pay bills.

XIV. Family Welfare Fund Scheme.

XV. Amenities to the Staff at the Head Office:
Division Offices and Sub-division Offices:

XVI. Motor cycle/Scooter allowances:
In view of the hike in the Petrol charges the limit of Rs.50 may be raised to Rs. 100.

XVII. Conveyance allowance.

Contributory Provident Fund Scheme for Corporation and the Group Insurance Scheme are implemented.

As above.

All the Offices of the Corporation are rented in Private buildings and amenities to the extent possible are being provided. Amenities as per standard will be kept in view when the Registered Office is shifted to the New Buildings. In the 27th Meeting of the Board, to Board agreed for the shifting of the Regd-Office to the Building situated at Ameerpet.

The subject was discussed in the 26th Board Meeting held on 30-9-78. After considering the various existing and future interests of the Corporation employees for the present, it was decided to postpone the consideration of the conveyance allowance.

Come as above.
XVIII. Maternity Leave:
Female employees should be granted 3 months maternity leave on full pay.

XIV. Reimbursement to Maternity Charges:
Maternity charges incurred by the employees or for their families shall be reimbursed at actuals.

XX. Reimbursement of Medical Expenses:

XXI. Loans for Purchase of Motor Cycle/Scooter:
Loans for purchase of Motor cycle/Scooter may be granted and recovered and by monthly instalments.

XXII. Lending of Corporation's Vehicles to the Employees on Hire Charges:
The following hire charges for lending the Corporation employees were approved:
(1) Petrol Vehicles .. 0.56 per k.m.
(2) Diesel Vehicles .. 0.36 per k.m.
3) Minibus 0.56 per k.m.

Section 9-A of the Industrial dispute Act, prohibits change in conditions of service, without notice, but this has to be read with reference to the Industrial Employment (Standing Orders) Act 1946. Since the Standing orders are in the process of certification and since the charges do not offend model standing orders, Section 9-A is not attracted and the management is at liberty to amend their Staff Regulations, so long as they are not certified.

The Office bearers will be provided facilities as required under the Trade Union Act.

Any grievance in respect of any specific harassment will be dealt with on merits.

The object of introduction of the Account test in the Corporation is that the rules in vogue in Govt. (I&P Dept.) are being followed in the Corporation for preparation pay neat of work bills, preparation of tender documents, preparation of estimates and other initial records. The Corporation is a Government undertaking mainly discharging the functions which are analogous to P.W.D. Hence the Account Test on par with P.W.D. Officers is necessary. The test is conducted by the Quasi Judicial Authority Viz., APPSC. Many employees of the Corporation have since appeared for this Account Test and passed the test.
Demands by the State Union in their Hunger Strike Notice

1. Settlement of all issues pending in conciliation.

2. Signing the Agreement.

3. Direct recruitment of Asst. Engineers (Mechanical).

The conciliation meetings were in progress with Joint Commissioner of Labour.

Many of the demands are conceded and implemented.

As and when Corporation employees are ripe for promotion as per rules, their cases will be considered. Since the Corporation is established in 9/74 and no Junior Engineer as on date completed the prescribed period of 5 years and not otherwise qualified by passing the Account Test for P.W.D. Officers and Sub-ordinates, the question of considering the existing persons for promotion to the cadre of Assistant Engineers does not therefore arise. In pursuance of the discussions held with the representatives of the Union, the view of the different Unions representing the employees of the Corporation on the promotional policy from the cadre Junior Engineers/S.Os to Assistant Engineers have been called for and will be finalised soon.

The Govt. in G.O.Ms.No.1052 F&A(F.III) Deptt. dated 29-12-76 and G.O.Ms.No. 149 P.W.D. dt. 19-2-75 have specifically transferred and personnel along with their equipment to the Corporation. Since their transfers are on functional basis and as per the orders of Govt. they are to be absorbed in the Corporation. They would therefore be given due weightage for their service rendered in the respective departments. Any future cases for promotion to Higher posts Direct Corporation recruits will have therefore who are absorbed in the Corporation.
Reservation of Jobs in Public Sector to the People living within 10 Km.

449-

2962-A—Q.—Sri Koratala Satyanarayana:—Will the Chief Minister be pleased to state:
(a) whether the Government contemplate to reserve 50% of jobs available in the public or joint undertakings to the people living within 10 Kilometres:
(b) if so, to whom the remaining 50% of the jobs will be given and
(c) whether this will not be hamper the opportunities of the people of the other parts of A. P. and give scope for ill feelings?

A.—

(a) No Sir.
(b) and (c) Does not arise.

Construction of a Bridge on Tungabhadra Drain

450—

3096 Q.—Sri E. Subba Rao:—Will the Minister for Roads and Buildings be pleased to state:
(a) whether it is a fact that the construction of a bridge on Tungabhadra drain on the Highway road leading from Tenali to Guntur near Sangamjagarlamudi has been sanctioned two years back and given to some contractor:
(b) the name of the person to whom contract was given;
(c) the reason for his failure to begin the construction:
(d) whether there is any proposal with the Government to appoint another contractor for the construction work, and
(f) if so, when it will be started and completed?

A.—

(a) Sir, it is not a fact that the construction of a bridge on Tungabhadra drain on the Highway road leading from Tenali to Guntur near Sangamjagarlamudi has been sanctioned two years back. But, it is a fact, that the estimate for the construction of bridge at the site in lieu of the existing road-cum-regulator bridges near Sangamjagarlamudi costing Rs. 27.00 lakhs, has actually been received by Government recently for issue of administrative sanction and the case is under process.

(b), (c) & (d.) Do not arise in view of answer to clause (a) above.
(e) The work will be taken up after issue of administrative sanction.

No. of S. T. employees working in G. C. C. Vizag.

Theft of Gold ornaments in Mallury Narasimha Swamy
Devastanam in Mulugu Taluq

452—

3216 Q.—Sri M. Omkar, Smt. Mallu Swarajyam, Sri Yarraiah Reddy, Sri A. Lakshminarayana :—Will the Minister for Home be pleased to state:

(a) Whether the Government received a Memorandum dated 12-4-1978 by Sri Appannagary Narasaiah, trustee of Mallury Narasimha-swamy Devastanam in Mulugu taluq Warangal District addressed to the Inspector General of Police, regarding the alleged collusion of the Sub-Inspector of Mangapet and the Circle Inspector of Eturuagaram with the thieves who have stolen valuable ornaments and other things worth of thousands of rupees belonging to Lord Mallury Narasimha swamy and the stolen articles are being distributed among themselves; and

(b) If so, the action taken thereon?

A.—

a) and b): No such memorandum was received by the Government. In three cases registered in Mangapet Police Station in Crime Nos. 25/76, 2/76 and 20/76 under section 457, 380 IPC., properties worth Rupees 1,480.00 were stolen. Accused Borra Rameshwar was arraigned and the entire stolen properties were recovered. All the three cases ended in conviction on 14-2-1978.

Non-introduction of Provident Fund Scheme in S.V. C.
High School, Malakpet

452—

3227.Q.—Sri Omkar, Sri M. Yerraiah Reddy, Smt. M. Swarayam :—Will the Minister for Education be pleased to state:
(a) Whether it is a fact that the approved Provident Fund Scheme is not yet been introduced in ‘S. V. C. High School’ M. H. School, Malakpet, Hyderabad.

(b) If so, the reasons therefor; and

(c) the action contemplated in this regard.

A—

(a) to S. V. C. High School, M. H. School, Malakpet, Hyderabad.

The Headmaster introduced the T. P. F. Scheme for the approval of the District Education Officer, Hyderabad.

N. M. H. School, Malakpet, Hyderabad District Education Officer, instructed the management of the school to introduce the T. P. F. Scheme in the school.

Payment of bonus to the workers of A.S.I.D. Corporation Ceramic Factory Gudur.

454—

3297 QSur.vlsri M. Yarrafah Reddy, A. Iakshminarayana, K. Satyanarayana and M. Omkar—Will the Minister for Small Scale Industries be pleased to state:

(a) Whether it is a fact that the minimum bonus to the workers of Andhra Pradesh Small Scale Industrial Development Corporation Ceramic Factory, Gudur in Nellore district has not paid when it was under the Industries Department, Government of Andhra Pradesh i.e., before 1-4-1976 or after it has been transferred to the Small Scale Industrial Development Corporation with effect from 1-4-1976;

(b) if so, the reasons therefor;

(c) whether it is also a fact, that a constant agitation has been going on, on this issue; and

(d) if so, the action taken thereon?

A—

(a) Yes Sir. Bonus was not paid when the unit was under the control of Director of Industries. However the minimum bonus for the employees who have opted for the service of the Corporation from 1-4-1976 has been paid by the Andhra Pradesh Small Scale Industrial Development Corporation for the years 1976-77, 1977-78 on 4-5-1978 and 6-10-1978 respectively.

(b) As per section 32 (4) of the bonus Act, the employees employed in an establishment engaged in any Industry carried on by or under the authority of any Department of Central Government, or State Government or Local authority are not covered by the Act. Hence, no bonus was paid to the workers of the Ceramic

Rennovation of Lord Sri Krishna in Burau Doddi

455—

3298Q :—Sri M. Yeereiah Reddy, Sri. A Lakshminarayana
Sri M. Omkar, Sri. K. Satyanarayana:—Will the Minister for
Endowments be pleased to state:

(a) whether it is a fact that the villagers of Burau Doddi h/o
Gollala Doddi of Kurnool taluk and District have been asking the
Government to accord sanction for the estimates to the tune of
Rs.75,000 to renovate the temple of Lord Sri Krishna, to appoint new
trustees to the said temple and to collect Rs. 6000 allegedly swal-
lowed by the Executive Officer of the said temple; and

(b) if so, the action taken thereon?

A—

(a) and (b) :— The then Managing Trustee of the subject temple
has submitted a proposal for preparation and sanction of estimates for
renovation of the temple. An estimate for Rs. 76,000 has been techni-
cally approved by the Endowments Department for renovation of the
subject temple. Tenders were also called for by the Manager fixing
the date 9-2-79 for giving the work to the lowest tender. Now a Trust
Board has been constituted by the Assistance Commissioner, Kurnool
on inspection of the accounts of the temple it is seen that the Manager
has not misappropriated the temple funds nor incurred any wasteful
expenditure. Hence, the question of taking action against the Manager
does not arise.

Crops Destroyed due to floods in Vamsadara Project in
November, 1977

456—

3986 Q— Sri V. Narasimha Rao:—Will the Minister for Medium
Irrigation be pleased to state:

(a) Whether it is a fact that due to floods in Vamsadara Project
river on 12th September, 1972 and 19th November 1977 the lands were
sand cast and crops destroyed;

(b) the names of the villages affected in the two floods and
the action taken to protect the villages from the floods;

(c) whether it is a fact that an estimate was prepared for for-
mation of flood bank from Battili to Talada, Talada to Kurnool.

Nivagam and Nivagam to Madanapuram, Anjuru and Akulatampas villages;

(d) whether tenders were called for and;

(e) whether the Government propose to form a flood bank along the left of the river from Bathili to Talada via Nivagam?

A—

(a) The floods in Vamsadara had occurred on 23th September, 1972 and not on 12th September, 1972 and 19.11.1977. Certain lands of marginal villages were sandcasted and the crops were damaged by over flowing of water on the berms.

(b) The names of the villages affected and the particulars regarding the extent of crops damaged as reported by the District Collector Srikakulam is furnished in the Statement I enclosed. A budget provision of Rs.1 lakh has been made for these works and they are proposed to be executed during the current year 1978-79.

(c) The proposals for formation of flood banks from Battili to Talada Kosali and Nivagam to Madanapuram to Akulapuram are under investigation. So far, 3 estimates for formation of flood banks in Kuntibhadra village limits near Nivagam ferry and Ramachandrapuram village limits were sanctioned. The Agencies for executing the above 3 works have also been fixed up and they are being taken up. The names of the works are in the Statement II enclosed.

(d) In respect of the above 3 estimates, the Agencies have been settled and the works are being taken up.

(e) The villages Battili, Talada, and Nivagam are on the right beside of Vamsadaha river. The proposals for formation of flood bank on the right side from Battili, Talada and Nivagam are under investigation and a decision has to be taken after the investigation is completed.

Widening of the Road near Siddhantham in West Godavari

457—

3416—Q.—Sri Ramakrishna Raju:—Will the Minister for Roads and Buildings be pleased to state:

(a) whether the turning on the road leading to Siddhantham from the bridge over the river Godavari near Siddhantham in West Godavari district is very dangerous for vehicular traffic; and

(b) if so, whether steps will be taken to widen the said road turning to avoid danger?

A.—

(a) Yes, Sir. The curve is narrow causing inconvenience to vehicular traffic

(b) Yes, Sir. It is proposed to widen the curve by 3 meters in addition to the existing width. An estimate for Rs. 0.41 Lakhs has been sanctioned and the agency for execution of work has also been settled. The work will be completed early.

Tellavagu Project and Idulavagu Vadde
Ramavaram project at Pusalagudem

458—

3481—Q.— Sarvasri M. Yarriah Reddy M. Omkar, N. Raghava Reddy, and Smt. M. Swarajyam:—will the Minister for Minor Irrigation be pleased to state:

(a) Whether it is a fact that the Pellavagu project and Idulavagu Vadde Ramavaram project at Pusalagudem village of Kothagudem Tq. of Khammam Dist. were constructed during 1975-78
(b) The original rates for different items of the said two tanks and the reasons for the difference;

(c) whether it is also a fact the contract work of Vadde Ramavaram Project was taken over from the contractor Sri V. Suryanarayana Raju and handed over to another contractors Sri P. Chinna Venkaiah etc. on higher rates;

(d) if so, the details of the rates and the reasons therefore;

(e) whether it is a fact that the work was taken over from the contractor Vadde Ramavaram Project was charged after handing it over to P. Chinna Venkaiah etc., new contractors:

(f) if so, the reasons therefore; and

(g) whether it is a fact that the clause 60 and 61 of M.D.S.S. have not been observed in abolishing the contract work from Suryanarayana Raju?

A.—

(a) The two works i.e. Tank formation across Edullavagu Vadde Ramavaram village and Tank formation across Tellavagu, Pusagudem village Kothagudam were taken up for execution on June 1975 and Dec. 1976 respectively.

(b) The work of tank formation across Edullavagu Vadde Ramavaram Village was originally let out to Sri P.S.N. Raju at 2.41% excess over the S.S. Rates of 194-75. Due to slow progress of portion of work was deleted under clause 60 (c) from the contractor and the work was let out to another contractor Sri K. Sarveswara Rao, on tender only. The contractor Sri P.S.N. Raju however suspended the work and failed to resume the work and complete it within the agreed period. Hence his contract was terminated on 27-8-1978. The balance work was let out to another agency Sri P. Chinna Ankaiah at 2.41% excess over S.S. Rates 1977-78. As regards the work of tank formation across Tellavagu, Pusagudem village, Kothagudam taluk the same was let out to Sri P. Chinna Ankaiah at 13.58 excess over the S.S. rates of 1975-76 & the work is in progress. There is no difference of rates in so far as this case is concerned.

(c) & (d) The contract of Sri P. S.N. Raju is terminated due to his failure to resume and complete the work, in spite of notices. The work was let out after calling tenders to the Lowest bidder Sri P. Chinna Ankaiah. The reasons for variation is due to escalation on rates.

(e) & (f) There was no change in the alignment of the Bund. However, the Bund section in the gorge portion were redesigned based on test results of soils and as per slip circle analysis at the time of executing the work by the second agency Sri P. Chinna Ankaiah.
(g) The Contract of the Sri P. Suryanarayana Raju for the work Vadderamavram project was terminated under clauses 60 (a) and 61 P.S to A.P.D.S.S only after observing formalities stipulated therein.

Establishment of Hospital at Hatinoor village in Narsapur Taluk

3493 Q—Sri Ch. Vittal Reddy:—Will the Minister for Health and Medical be pleased to state:

(a) whether it is a fact that Narsapur Samithi had passed a resolution on 26-10-1978 to hand over an ultra modern building worth nearly four lakhs to State Health Department to establish a hospital at Hatinoor village in Narsapur taluk, Medak District;

(b) if so, the steps taken to establish a (Civil) Hospital?

(c) whether it is also a fact that the District Health Officer has inspected the building on 27-10-1978 and also recommended to start a hospital immediately

(d) whether it is also a fact that there is no hospital within a limits of 20 kms in the area which is very backward; and

(e) if so, whether steps will be taken for immediate establishment of the hospital?

A—

(a) Narsapur Samithi has passed a resolution on 26-10-1978 to handover a building worth about Rs. 1.00 lakhs to state Health department to establish a Hospital at Hatinoor village in Narsapur taluk, Medak district.

(b) The matter is under consideration.

(c) Yes.

(d) No an Ayurvedic Dispensary and a sub-centre are there at Hatinoor itself. A sub-centre at Daulatabad village, which is 5 kms away and a 20 bedded taluk headquarters hospital at Narsapur which is 13 kms away from Hatinoor are also there to cater medical needs to the people of the area.

(e) Does not arise.

Dalwa Paddy Purchases by Food in Palnad & Macherla Tq.

3553—Q._—Sri Kasu Venkata Krishna Reddy:_—Will the Minister for Civil Supplies be pleased to state:

(a) the total quantity of Dalwa Paddy purchased by the Food Corporation of India this year so far in Palnad and Macherla taluks, Guntur District;

(b) whether it is a fact that the said stocks have been stocked in open places at Piduguralla, Srinagar, Gurazala, Kambhampadu and Karempudi villages;

(c) whether it is also a fact that some of the quantities have been completely damaged due to the recent continuous heavy rains and become unfit for human consumption;

(d) if so, the extent of quantity and the reasons therefor;

(e) whether it is also a fact that there are no warehousing facilities at all either in Palnad or Macherla taluks event though both the taluks are paddy growing areas;

(f) whether the Andhra Pradesh State Warehousing Corporation has been granted some Government banjar land for the construction of godowns at Nadikude, Palnad taluk, Guntur district; and

(g) if so, when the construction will be Commenced?

A.—

(a) 5,650 tonnes
(b) Yes, Sir.
(c) No, Sir. The stocks were slightly affected at Srinagar Purchase Centre. These affected stocks were reconditioned to the extent necessary
(d) Does not arise.
(e) No, Sir. A rented godown is being run by the Andhra Pradesh State Warehousing Corporation in Piduguralla of Palnad taluk. Its capacity is 1870 tonnes.
(f) Yes, Sir.
(g) Construction will commence from April, 1979 and is likely to be completed by the end of September, 1979.

Development of Vizag Beach.

3571. Q._—Sri Kasu Venkatakrisna Reddy .—Will the Minister for Tourism be pleased to state:

(a) Whether the State Government have addressed the Government of India for grant of funds for the Development of Vizakha patnam beach;
b) If so, whether the Government of India has agreed for the same; and
(c) When the scheme will be taken up for execution?

(b) No reply has been received so far.
(c) It depends on the sanction by Government of India.

Increase of bed strength in Vinukonda Taluk Hospital
3614—Q.—Sri Avudari Venkateswara:—Will the Minister for Health and Medical be pleased to state:
(a) the number of beds in Vinukonda (Guntur) Taluk Hospital at present;
(b) whether there is any proposal to increase the number of beds to 30 (Thirty); and
(c) if so, by what time?
A.—
(a) There are six beds in the Taluk Hospital, Vinukonda at present.
(b) and (c):—It is proposed to upgrade the Government Taluk Headquarters Hospital, Vinukonda, Guntur district into 10 bedded hospital along with certain other such hospitals in the State and this will be considered during the year 1979-80 subject to availability of funds. The question of upgrading the hospital at Vinukonda into 30 bedded hospital depends upon the availability of funds during the Sixth Five Year Plan.

Assignment of Government land in S.No.424 to the resident of Tallapusapalli Village, Warangal Dist.
3689—Q.—Sri M. Omkar:—Will the Minister for Forests be pleased to state:
(a) Whether it is a fact that the Government have received applications of Sri Kaleru Mallaiah, Venkaiah and Gopaiah residents of Tallapusapalli Village, Mahabubabad, Warangal District in the month of May, 1978 and also in the previous years regarding the assignment of Government land in S No 424.
(b) whether it also a fact that the said land is being claimed by Forest Department, though it is being cultivated since 1946:

(c) whether it is also a fact that all forest lands which are being cultivated prior to 1964 are being ceased from the Reserved Forest and assigned to the landless poor; and

(d) if so, the reasons for not applying the said policy in this case?

A.—

(a) Yes, Sir.

(b) No, Sir. The land in question was included in the Forest Block-Dhansari-I and it is under the control of the Forest Department. The Petitioners have encroached and occupied the land during the year 1969 only and they have not produced any documentary evidence in support of their claim.

(c) All the pre-1964 cultivation in the Reserve Forest have already been regularised as per G.O.Ms.No. 2262 Food and Agriculture Department, dated 25-11-1968. One of the principles laid down in the G.O. is that, even though, a cultivation in Reserve Forest may be of pre-1964, but if its exclusion is prejudicial to the conservation of forest it need not be excluded and can be retained with the Forest Department.

(d) Does not arise.
