[Contd. on 3rd Cover]
Introduction of bottling system in supplying of country liquor.

349—

* 3939-C Q.—Sri S. Jaipal Reddy (Kalvakurthi) :—Will the Minister for Excise be pleased to state:

(a) whether it is a fact that the Government had decided to introduce the bottling system in regard to supply of country liquor;

(b) if so, whether the Government will set up its own agency to do the bottling work; and

(c) the arrangements so far made for setting up this bottling unit?

The Hon'ble Member (b) & (c) :—Different systems are being studied. In the private hands the system can lend itself to a tremendous abuse. Will the Government give a firm assurance that as and when the bottling system is introduced, it will be introduced only by the Government and not through a private agency.

J. No. 4. (395)
are roaming about for undertaking this work in Hyderabad city. This is a matter involving the health of the people and it is a matter involving millions of rupees. Therefore a firm assurance on the basis of a principle may be given by the Government in this House at this time.

Sri P. Ganga Reddy:—I said that will be kept in view.

Mr. Speaker:—You are always lucky.

Sri S. Jaipal Reddy:—Bottling system was introduced by Krishnaswamy Committee. We all heartily welcome it provided this work is undertaken by the Governmental agency and not by a private agency. In private hands the entire system can lend itself to monstrous abuse and the very purpose of it will be totally defeated. What is the Government's view on that? Why the Government is not able to commit itself? It is a vital issue affecting the health of the public and the exchequer of the State Government.

Mr. Speaker:—It is under consideration of the Government.

Sri S. Jaipal Reddy:—We are interested in the health of the people.

Sri P. Ganga Reddy:—How can I answer that question?

Sri S. Jaipal Reddy:—The question is very clear. The arrangement so far made for setting of this vital unit? The Government could have considered it. It is a question of national policy. It is in the interest of the people. Let the Government take up.

Sri P. Ganga Reddy:—I said we have not taken any decision yet.

Giving of Liquor Shops to Group Societies of the plains in Vizag District

350—

*3735-Q.—Sri S. Alwar Das (Visakhapatnam-I):—Will the Minister for Excise be pleased to state:

(a) whether it is a fact that liquor shops were given to Group Societies of the Plains in Visakhapatnam District this year;

(b) whether it is also a fact that the Tribal M.L.As of the District have represented that prohibition may be introduced in tribal areas or the liquor shops be allotted to individual societies of tribals;

(c) whether the Collector, Visakhapatnam has also sent a strong report in this regard; and

(d) if so, the action taken by the Government in the matter?

8-40 a.m.
Oral Answers to Questions.

L.A.Q. No. 3735—Sri S. Alwar Das:—Will the Minister for Excise be pleased to state:

(a) whether it is a fact that liquor shops were given to group societies of the plains in Visakhapatnam district this year;

(b) whether it is also a fact that the Tribal M.L.As of the District have represented that prohibition may be introduced in tribal areas or the liquor shops be allotted to individual societies of tribals;

(c) whether the Collector, Visakhapatnam has also sent a strong report in this regard; and

(d) if so, the action taken by the Government in the matter;

Sri P. Ganga Reddy:—(a) No Sir.

(b) The Tribal M.L.As of the District have represented that liquor shops in Agency areas be allotted to individual societies of tribals. They have not represented for introduction of the prohibition in Agency areas.

(c) Collector has sent a report in this regard.

(d) In G.O.Ms.No. 2286, Revenue, dated 9-11-78 orders have been issued directing that arrack should be sold in all the shops of Kakarapadu group by Commission Agents, to be selected and appointed by I.T.D.A. which will give business loan to the selected tribals who will sell arrack on commission basis for the excise year 78-79. This was done on experimental basis for the current year. In respect of other group societies, the Collector was informed that the licences shall be renewed in favour of the societies.

Sri S. Jaipal Reddy:—Sir, answer to A is not correct, because in 78-79 we represented to the Minister that these groups must be removed. They should be given to new societies. They did not do so for Visakhapatnam itself. Our tribal M.L.A. Mr. Appala Naidu has given a representation. Answer to A is not correct. In the second place while answering to C he said certain experiment is going on in Visakhapatnam. Until the experiment is completed they will not disturb the groups.

Sri P. Ganga Reddy:—I said that plains people were not given the society and the society was registered and given to tribals. We will experiment it for this year.
Sri S. Jaipal Reddy:—His answers are self-contradictory.

Sri S. Jaipal Reddy:—For answer to 'A' he said 'no'.
Are not these two answers self-contradictory and ambivalent?

That is what he says. There is no contradiction.

(b) & (c) The information is placed on the Table of the House.

Demands of the Students

1. (i) Admission of Diploma holders into third-year of B. E. or B. Tech. Courses:

The qualifications for admission into Polytechnics is a pass in the S.S.C. (Tenth Class Public) Examination and the Polytechnic course is of 3 years duration. If the Diploma holders in Engineering were to be admitted to the third year of the Degree course, they will be in a position to acquire a degree in Engineering after a study for a total period of 6 years, whereas the students who seek admission to the Degree course in Engineering have to first pass Intermediate Examination, the duration of which is 2-years after S.S.C. and later study for 5 years more in the degree course. Thus a total period of study in the case of candidates who are directly admitted to the first year of
the degree course in Engineering is $2 + 5 = 7$ years after passing the S.S.C. Examination. This is one of the reasons why none of the Universities in the State were willing to admit candidates to the third year of the 5 year degree course in Engineering. The Universities also have a feeling that the quantum of basic sciences so indispensable to students of degree course in Engineering is being covered more adequately in the Intermediate course than in the diploma course in Engineering. As mentioned earlier on a representation made by the students of Polytechnic in the year 1974, the Registrars of the four Universities in the State were addressed by the director of Technical Education in regard to the admission of diploma holders in Engineering into the day time degree courses in Engineering. The Osmania University, Hyderabad had a provision for admission of diploma holder in Engineering in the second year of five year degree course in Engineering up to a limit of 10% subject to their passing the entrance examination. It appears that this provision has since been withdrawn as per the resolution of the syndicate Osmania University is being requested to consider against their request. The registrar, Jawaharlal Nehru Technological University, Hyderabad has stated that the present regulations of the University contain a provision for admission of diploma holders in Engineering into the second year of the day time degree course in Engineering after undergoing an entrance test.

(ii) Starting of part time Degree courses in Engineering for three years for diploma holders in Engineering:

Sri Venkateswara University, Tirupathi has been offering Degree courses of seven semesters' duration for admission of diploma holders in Engineering since the last two years. Thus, one of the four Universities in the State has started a condensed degree course to meet this demand of the Diploma holders in the State. As mentioned earlier Government cannot prevail upon the Universities, which are autonomous Institutions, to comply with the demands made by the Diploma holders in Engineering.

(iii) Starting of Part-time Degree course in Mining and Electronics Engineering.

The facility for Part time study of the degree course in Electronics Engineering is being made available at Nagarjusagar Engineering College, Hyderabad from the coming session. As regards the starting of part time degree course in Mining Engineering, it has to be taken up the Osmania University and Government cannot force the said University to start the course as urged by the students. However, efforts will be made in this regard.
(iv) Declaring the Diploma in Pharmacy as equal to a pass in the Intermediate in Science for the purpose of admission of Diploma holders in Pharmacy to B.Sc., M.B.B.S. and B. Pharm. Courses.

This is a matter entirely falling within the purview of the Board of Intermediate Studies. The matter will be referred by the Director of Technical Education to a Committee of Experts and later the issue will be taken up with the Board of Intermediate Studies.

(v) Grant of Scholarships to Backward Classes and Economically Backward Classes at the same rate as in the case of Scheduled Castes and Scheduled Tribes:

This is a matter to be decided by the Social Welfare and Tribal Welfare Departments and also by State and Central Governments. However, these issues will be taken up with the Director of Social Welfare, Backward Classes Welfare and Tribal Welfare.

(vi) Enhancement of Apprenticeship Stipend to Rs. 250:

The rate of apprenticeship to be granted to the students of Diploma holders undergoing training under Apprenticeship Act is fixed by the Government of India and the State Government has no say in the matter. This is an issue on which a decision has to be taken by the Government of India only and the matter is also under consideration of Government of India.

(vii) Treating of equivalence of pass in Diploma in Commercial Practice Course to a pass in Typewriting Higher Examination and admission to second year of B.Com.

The Government have issued orders recently in G. O. Ms. No. 927, Labour, Employment and Technical Education, dated 30-8-1978 declaring that a pass in Diploma in Commercial course with Typewriting as a special subject is equivalent to a pass in the Typewriting Higher Examination provided the marks secured in each of the three papers of special Typewriting, excluding sessional marks, are not less than 40%. There is already a provision for admission into 1st year B.Com. As regards admission to the second year of the B.Com. Degree courses, the Universities may not agree to this request because by such admission to the 2nd year of the B.Com. Degree course, the diploma holders in Commerce will be acquiring the B.Com. degree after 4-year study after passing the Xth Class Public Examination while those admitted to the 1st year of the B.Com. course will acquire the degree only after 5 years of study (2 year Intermediate Course, plus 3 years in the degree course) after passing the Xth Class Public Examination.
(viii) Separate Employment Exchanges for Technical Students at all District Headquarters:

This is a matter to be decided by the Director of Employment and Training. The request will be referred to the Director of Employment and Training, Andhra Pradesh, Hyderabad for necessary action.

(ix) Permission to student, of Diploma course in Ceramics to join the Chemical Engineering Branch of B.E. Degree Courses:

Chemical Engineering B.E. Degree course covers several subjects out of which Ceramic Engineering may be one. Hence, this matter will be taken up with the Universities.

(x) To remove the ban imposed on the recruitment of diploma holders in Engineering in Andhra Pradesh State Electricity Board.

This issue is being taken up with the Andhra Pradesh State Electricity Board.

(xi) To recruit diploma holders and graduate Engineers in the ratio of 4:1.

This again is a policy matter to be decided by the Public Works Department.

(xii) Facilities of Industrial Trading by way of project work for the students of Diploma Course in Engineering:

In a way, this request is taken note of and implemented through courses organised on Sandwich Pattern such as Sandwich course in Mechanical Engineering offered at Government Polytechnic Visakhapatnam, M. D T. Courses in Electrical Engineering and Electronics offered at Government Polytechnic, Hyderabad, Chemical Engineering and Metallurgy offered at Jawaharlal Nehru Government Polytechnic Hyderabad and Sugar Technology offered at Government Polytechnic, Visakhapatnam, Nizamabad and Sri Venkteshwara Government Polytechnic Tirupati and the course in Printing Technology offered at the Institute of Printing Technology, Secunderabad.

(x-xii) Facilities for Free All India Educational Tour to students:

The scheme of educational tour for the final year students Diploma course in Engineering was evolved in the year 1960 and sanction was accorded in G.O. Ms. No. 473, Education, dated 12-2-1960. However, the said scheme has not been implemented in the wake of Emergency in 1962. The scheme has not been revived due to financial stringency. In spite of this, a decision has been taken recently to
permit the students of Diploma holders in Engineering to go on educational tours, outside the State also, subject to the condition that the total distance covered does not exceed 2,500 Kilometers. The T. A. and D. A. are being allowed to the teachers who accompany the students on educational tours outside the State and one teacher is permitted to accompany students of each branch of Engineering. Due to want of adequate funds, it was not possible all these years to sanction any financial assistance to the Diploma holders to go on educational tours. Government have since issued orders in G.O.Ms. No. 22, Labour, Employment, and Technical Education, dt. 8-1-1979 sanctioning the railway concessional fare upto Rs 55 per student for conduct of education tours not exceeding a round trip of 3,000 Kms. from 1978-79 onwards.

(xiv) Enhancement of periods allotted to practical and laboratory work with Industrial Orientation

The Revised Syllabus introduced with effect from the academic year 1977-78 provides for this request.

(xv) Results of Board Examinations to be announced within 40 days after completion of Examinations:

Under the new scheme of spot Valuation introduced with effect from the academic year 1977-78, the valuation work is considerably expedited and the results are being declared within a period of one month from the date of completion of Examinations.

(xvi) Permitting candidates to pass the first year examination even after passing the final year examination.

This request leads to an anomalous situation when a candidate who has passed the final year diploma examination is yet to pass a preliminary first year examination. As this request is inconsistent with the principle of a candidate being required to pass one examination after another in accordance with the syllabus and scheme prescribed by Government the request cannot be acceded to. However, candidates who have failed in one or two subjects only of first year examination are being permitted to appear for the remaining subjects simultaneously with the final Diploma Examination.

(xvi.1) Permitting the students of Civil Engineering Branch to be promoted with back-log of seven-four subjects:

Under the old syllabus, there were 7 subjects in the first year examination and a candidate was allowed to be promoted to the second year even though he failed in two out of the 7 subjects of the first year examination. Under the Revised Syllabus the No. of subjects ranges from 7 to 9 (10 in Metallurgy) depending upon each
branch. In view of the increase in subjects from 7 to 9, a uniform decision has been taken to allow the back-log of three subjects. A distinction cannot be drawn between the students of one branch and another in the matter of allowing the back-log of subjects for promotion because the revised syllabus has been so framed to make the course content job-oriented so as to render the diploma holders of the Revised Syllabus more acceptable and employable by the Industries in the State. The back-log permitted is based on 1 for each unit of 3 subjects. At this rate for the courses for which the number of subjects is 7, the permissible back-log works out to a figure slightly higher than 2; the same has been rounded off to the next higher figure of 3 to the advantage of candidates. There is no disparity of any significance.

(xviii) Permission to study double-diploma courses under the Revised Syllabus.

Under the Revised Syllabus, specialisation starts right from the first year and subjects for each branch are quite distinct from one another unlike the common curriculum of first year examination under the old syllabus. Hence, there is no question of permitting the diploma holders of one branch to acquire a double diploma by being admitted to the final year of the diploma course in another branch. Starting of post Diploma courses in relevant subjects for the candidates will be considered.

(xix) Appointment of Hostel Managers in all Polytechnics:

The Government have sanctioned the creation of posts of 8 Hostel Managers in Polytechnics in the State. The question of sanctioning the posts of Hostel Managers in the remaining 12 Government Polytechnics in the State are under consideration of Government.

(xx) Additional staff for implementation of the Revised Curriculum:

This issue is being taken up.

(xxi) Equivalence of Junior Technical School Certificate with that Industrial Training Institute Certificate:

The matter has been taken up with the Government of India and it is hoped that decision will be taken soon to see that they are considered under the Apprentices Act.
(xxii) To study Polytechnic course in respect of the students who pass J T S Course in Third Division

The plea that candidates who pass T H S Certificate Examination with aggregate marks even less than 45% be admitted to diploma course in Engineering cannot be accepted. Under the existing rules candidates who pass T H S Certificate Examination and secure not less than 45% marks in the aggregate are granted straightway admission to diploma courses in Engineering without any element of competition. It has been observed that candidates belonging to other stream viz., S S C and securing as high as 60% or even 70% of marks are not able to secure seats in view of the stiff competition. The minimum level of 45% marks stipulated can be relaxed only if the candidates are prepared to compete with others for admission to the courses, foregoing the concession of straightway admission. It may be added that the candidates of other stream seeking admission to diploma courses in Engineering have also to secure minimum of 45% marks in the essential subjects of the qualifying examination.

(xxiii) Enhancement of Scholarships from Rs. 20 to Rs. 50 p.m.

Government have since issued orders in G.O Ms. No. 22 L.E & T. E dt. 8—1—1979 enunciating the existing rate of scholarships/stipends from Rs. 20 p.m. Rs. 25 Rs. 30 p.m to Rs. 40 p.m with effect from 8—1—1979

(xxiv) Scholarships to Polytechnic students to be enhanced on par with the students of other professional courses:

The Social Welfare Department has been informed that the Diploma Courses offered in the Polytechnics are of professional and Technical nature and they have been requested to grant scholarships accordingly to the students of Polytechnics coming under the category of Backward Classes and Economically Backward Classes for whom Social Welfare Department sanctions the scholarships.

(xxv) To reduce the contents of syllabus under the Revised Curriculum System introduced from 1977-78:

It has been contended by the office bearers of the Unions, most of whom belong to the II year under the old syllabus, that the syllabus under the Revised Curriculum is heavy. In this connection, it is stated that the syllabus of any course is prepared after consulting the employers and ascertaining their needs. A job analysis is made of all the jobs in which the diploma holders are usually employed and accordingly the extent of knowledge, skill and ability determined. Based on this, the curriculum is hammered out. If the curriculum is to be diluted, their job-opportunities will dwindle and the employers
would be inclined to recruit diploma holders from other States where the curriculum is more advanced and suited to their needs or, alternatively, they may employ only degree holders.

Many of the features associated with the Revised Curriculum are experimental. The Syllabus and coverage of its is being maintained and reviewed every year and suitable changes are being made. Unless we aim high, it may not be possible to turn out a technician equipped with the latest knowledge in his discipline and possessing the skill and abilities to the extent required by the employers.

The loss of working days due to certain local incidents at various Polytechnics was made good by extending the Semester by about 17 days. It has been ascertained that the syllabus has been covered by the extended date. In order to give the students adequate time for preparation, the third semester examinations were held in the second and third weeks of December, 1978 (during the last week of the month set apart for examinations).

While under the original rules, a candidate could be detained at the end of any semester if the back-log exceeds the prescribed limit, the rules of promotion have now been liberalised so that no candidate is detained in the middle of the academic year i.e. at the end of the third semester in the second year or fifth semester in the third year. In the latter case, the only condition stipulated is that one should have completed his pass in first year examination for which he gets enough chances to clear by the time one comes to fifth semester as the examinations are held every six months. Orders have been issued accordingly. It is, however, expected that the more conscientious and responsible students would appear for the examinations and clear as many subjects as possible immediately after the conclusion of each semester. Rules of promotion have been amended so that on the one hand stages of semester system are retained from the point of view of students of reducing the memory burden, etc. and on the other, rules are not detained in the middle of the semester, thus avoiding loss of academic year.

Under the Revised Curriculum, 40% marks are assigned for sessional work for each theory and practical subjects. Out of the remaining, 40% marks are assigned for objective type questions and 6½% for essay and problem type questions. The question papers cover exhaustively the entire syllabus and the students have the benefit of sessional marks in each subject. Under these improved methods of assessment, it is relatively easy for candidates to secure pass marks. Unlike in the old syllabus, candidates— even with a backlog of three subjects are eligible for promotion from first year to second year (III semester). Pass in any subject in which one has secured the minimum pass marks is reserved regardless of the number of subjects in which one might have failed.
XXVI Grant of sanction of stipends to diploma holders in Pharmacy during their training in Hospitals:

Government have since issued orders in G.O. Ms. No. 22, L.E.&T.E., dt. 8-1-1979 sanctioning Rs. 100/- p.m for total period of 3 months to the students of Polytechnics studying in Pharmacy course as stipends during the practical training period.

XXVII Replacement of obsolete machinery and equipment in Polytechnics:

This will be examined based on the availability of funds.

XXVIII Issue of driving licence to the diploma holders in Automobile Engineering:

Instructions have been issued to the Principals of Polytechnics concerned to provide more adequate facilities and render necessary assistance in procuring driving licences to the students of Automobile Engineering.

XXIX Reduction of examination fee to Rs 20/- for full Semester Examination and Rs. 10/- for each subject.

A similar representation was received from a petitioner and it was explained to him that under the Revised Syllabus the question paper in each subject is divided into two parts Part-A containing objective type of questions and Part-B containing structured essay and problem type questions. The question paper of Part-A runs into 5 to 6 pages. Even at the rate of Rs. 35/- as the examination fee, it is found that is barely sufficient to cover the cost of conduct of examination on such items as invigilation charges, remuneration to paper setters and examiners etc. The cost of printing question papers and the stationery is still not covered. For similar examination the Osmania University charges as high as Rs. 50/- per examination. Hence the request of the students to reduce the examination fee is not feasible of compliance.

XXX Grant of stipend of Rs. 50/- to girl candidates studying D. C. P. course in Boys Polytechnics

At present the rate of stipend to students of Women’s Polytechnics is Rs.40 p.m. and this is available to 30% of the sanctioned intake. Stipend is not being awarded to girls at Rs. 5 p.m. at all. As regards the girl candidates admitted to Boys Polytechnics, the girls are eligible only for the revised rate of stipend of Rs. 40 which is sanctioned for Boys Polytechnics also.

XXXI Starting of Technical High Schools in All Polytechnics in the State:
A provision has been made in the Sixth Five Year Plan to start Technical High Schools in the State. As the starting of Technical High Schools involves an outlay of more than Rs. 16 lakhs, the scheme can be implemented only in a phased manner depending upon the plan allocations made for the Technical Education Department.

XXXII New buildings for Technical High Schools:

As pointed out earlier, this is a capital intensive scheme. Provision for new buildings for Technical High Schools can be made only after adequate resources are available under Plan.
Mr Speaker : — We can take it up in the next session and not now.

Mr. Speaker— That will be better. It will be discussed in Consultative Committee meetings.
Abolition of Pre-admission Examination for Medical Colleges in A. P.

352—

"2777-Q- Sri V. Narsimha Rao :—Will the Minister for Health and Medical be pleased to state:

(a) whether it is a fact that the Indian Medical Council has advised the abolition of the Pre-admission examination for Medical Colleges in A. P.

(b) if so, whether the Government will follow the advice of Indian Medical Council; and

(c) if not, the reasons therefor?

Mr. V. N. :—No advice from the Medical Council of India for the abolition of pre-admission examination in medical colleges of Andhra Pradesh. The selection of the students for admission to medical colleges should be based only on merit of the candidates for determination of the merit. The following criteria is adopted uniformly throughout the Country. In States having only one medical college and one University Board examination Body conducting the qualifying examination, the marks obtained at such qualifying examination be taken into consideration. In States having more than one University Board Examination Body conducting the qualifying examination or where there are more than one medical college under the administrative control of one authority, a competitive entrance examination should be held so as to balance variation on the standard of qualifying examination conducted by different agencies. Where there are more than one college in the State and one University Board.
conducting the qualifying examination then a Joint Selection Board be constituted for all the colleges. Since our State has got eight medical colleges under five Universities the admission of the candidates will have to be through a competitive entrance examination.

Sri M Venkaiah Naidu (Udayagiri):—Is it a sacrosanct Board, Sir? In the same State we have the experience. At that time the Hon. Member was not the Member there are people who have secured 95% in English. How could that be possible when you were a student and I was a student? That is not the correct approach to the whole problem.
I have it checked up. I am not going to spare even a single official, however highly placed he is. Let us not make a kite fly. If there is anything based on fact let that be brought to my notice and I will certainly have it enquired.

There is every justification to hold the examinations. As I submitted, this is in accordance with and as per the directive of the Indian Medical Council.
were received by the Directorate. Even now I stand by that assurance if there is any such doubt the paper will be revalued.

Sri R. M. Manohar (Achampet) — The very system of selection for M. B. B. S. should basically change. I have got my own doctor who passed in first class with very good marks but unfortunately she was not able to go through the examination. I think there is something basically wrong. I don't have faith with the Minister or anybody. It is fishy and hence the system of selecting them for M. B. B. S. should change.

Sri A. Madan Mohan:— I will convey these views of the Hon Member to the Indian Medical Council.

Registration of Medical Private Practitioners

353—

* 3941-Z-Q-Sarvasti P Sundarayya, M. Omkar and K Satyana-rayana (Narsampet).— Will the Minister for Health & Medical be pleased to state:

(a) whether the Government have been contemplating to take immediate steps to get registered all the private medical practitioners who have put in 5 years or 10 years practice in accordance with the provision of Drug Rules 1945 and the letters of the Central Health Ministry vide No. 4-5-6/70, MPL. Dt. 24-11-1972; No V. 11016/74 MPT dt. 15-12-1975 and No. V. 11056/4/77, MPL (P) dt 4-3-1978.

(b) if so, the details thereof and when they will come into force; and

(c) whether the Government have any proposal to start 6 months or one year medical practitioners to render medical service to all the needy especially in rural areas as per suggestion of Govt. of India Health Ministry in 1972 or 1978, if not, the reasons therefor?

(i) संवादपूर्वक?

(2) (b) जुलौत, से हमें मिलने मिली है दर्जन?

(5) तिलक,
Whatsoever he or his own individual views and reservations on this subject a large number of hon. Members of both the Houses have expressed this view Government is taking up this.
Mr. Speaker — It is not relevant question.

Sri A. Madan Mohan — I have not said anything about that and it is not within my purview.

Sri A. Madan Mohan: I have already answered while answering to the Hon'ble Member Sri Sundaraiah.

9-10 a. m.

Sri A. Madan Mohan — Yes Within 3 months.

Sri A. Madan Mohan: — All the suggestions of the Hon'ble Members will be examined.

354-

'3938-A. Q.—Sarvasu Ch. Kasaiha (Kothagudem) M. Venkaiah Naidu and P. Anam Reddy (Anaparthy):—Will the Minister for Municipal Administration be pleased to state,

(a) the number of decrees obtained to demolish the buildings already constructed in Kothagudem by the Notified Area Committee, Kothagudem in Khammam district;

(b) the reasons for such large scale constructions without permission in the town,

(c) whether the Commissioner has got powers to grant permission in the town and on the land, and

(d) if not, the steps taken by Government to provide relief and solve this burning problem in the town?

Demolition of Buildings constructed at Kothagudem.
418 22nd March, 1979.

Oral Answers to Questions:

Amount collected from Employees under Family Benefit Fund Scheme 355—

* LAQ No. 4104: Sri Nallapareddy Sreenuvasul Reddy:—Will the Minister for Finance be pleased to state.
Oral Answers to Questions. 22nd March, 1979 419

(a) the amount so far collected by the State Government from the employees under the Family Benefit Fund Scheme;

(b) the amount repaid so far to the employees under this scheme;

(c) whether the Government will consider to pay Rs. 10,000 to the retired employees also under this scheme;

(d) if so, the time from which the said benefit will be implemented; and

(e) if not, the reasons therefor?

The Minister for Labour (Mr. S. Prahalad):—

(a) The amount so far collected by the State Government from the employees under the Family Benefit Fund Scheme is Rs. 50,78,476. 28.

(b) The amount repaid so far to the employees under this scheme is Rs. 5,27,07,141.47.

(c) The Government will consider to pay Rs. 10,000 to the retired employees also under this scheme.

(d) The time from which the said benefit will be implemented is 21-8-1973.

(e) The reasons therefor are:

(i) The amount so far collected is insufficient.

(ii) The amount so far repaid is inadequate.

(iii) The Government has considered the proposal for paying Rs. 10,000 to the retired employees also under this scheme.

(iv) The time from which the said benefit will be implemented is 21-8-1973.

(v) The reasons therefor are:

(a) The amount so far collected is insufficient.

(b) The amount so far repaid is inadequate.

(c) The Government has considered the proposal for paying Rs. 10,000 to the retired employees also under this scheme.

(d) The time from which the said benefit will be implemented is 21-8-1973.
Collections of Donations from the milk suppliers by the Dairy Development Corporation Authorities

356—

*3940 LQ.—Sarvasr Ch. Rajeshwara Rao, Pooja Subbahal:—
Will the Minister for Animal Husbandry be pleased to state—
(a) whether it is a fact that the Dairy Development Corporation authorities are forcing those who supply milk to the Corporation to give one day’s milk as donation to the construction of a building for the Indian Dairy Council at Hyderabad,
(b) whether the Andhra Pradesh milk producers association protested against this forcible collection of funds;
(c) whether it is also a fact that the authorities of the Corporation are threatening the producers with dire consequences, if they fail to comply with the demand of the authorities;
(d) the action taken by the Government on this burning problem of the poor milk producers?

3940 (a) Shrikant V. Patil.
(b) N. K. T. K. N. Patil.
(c) Shrikant V. Patil.
(d) To be addressed.

3941 (a) G. Chalapathi Rao. Mr. Rajeshwara Rao, Parliamentary Secretary, has given a satisfactory reply.
(b) G. Chalapathi Rao. Mr. Rajeshwara Rao, Parliamentary Secretary, has given a satisfactory reply.
(c) G. Chalapathi Rao.
(d) G. Chalapathi Rao. Mr. Rajeshwara Rao, Parliamentary Secretary, has given a satisfactory reply.
Sri C: Rar swara Rao — Government is not helping the poor vendors.

Sri B Ramdev:—I have got the list. Rs. 2,40,000 collected voluntarily. Total collection Rs. 6 00,000. If they wanted forcible collection, on that day itself, they could have collected the entire amount. But they have collected only Rs. 2,40,000. 2.40 a share had been.

Sri C: —Though the list...
Construction of Picnic Sheds at Gangana Sirasu Water Falls in Baippagari Path Village

357—

*3951 Q.—Sri A. Ratnam (Palamaner) :—Will the Minister for Tourism be pleased to state:

(a) whether there is any proposals to construct picnic sheds and to grow gardens at Gangana Sirasu Water falls, and Kalyana Revu water falls in Baippagari village Palamaner Taluk, Chittoor district;

(b) if so, the particulars of said schemes:

(c) the estimated expenditure for the same;

(d) when the construction of the same will be taken up; and

They are not expected to tamper with the electric lines.

(5) They are not expected to tamper with the electric lines.

(6) They are not expected to tamper with the electric lines.
A. A. O.S. TO WORK IN THEIR NATIVE DISTRICTS

3660—C:

S. N. Q. No. 3949—(M)— Sarvasri B. Seshasayana Reddy, B. Sitharamayya :—Will the Minister for Agriculture be pleased to state:

(a) whether it is a fact that A.A. Os. and the above cadres in the Agricultural department should not be allowed to work in their native districts;

(b) whether it is also a fact that many such employees in the above cadres are working in their native districts; and

(c) if so, the reasons for such discrimination ?

(S.N.Q. No. 360—B was postponed)
22nd March, 1979

Written answers to Questions.

Whether it is a fact that Rs. 10,000 has been collected and 5 acres of land has been acquired through Kunchedu Panchayat for constructing a hospital at Kunchedu Village in Darsi Taluk of Prakasam District:

(a) Whether it is a fact that Rs. 10,000 has been collected and 5 acres of land has been acquired through Kunchedu Panchayat for constructing a hospital at Kunchedu Village in Darsi Taluk of Prakasam District:

(b) If so, when the resources have been pooled up;

(c) The reason why the hospital work is not commenced till now;

Construction of PHC at Kunchedu Village in Darsi Taluk

361—

2292-D.Q.—Sri B. G. Prakasam—Will the Minister for Panchayaty Raj be pleased to state:

(a) Whether it is a fact that Rs. 10,000 has been collected and 5 acres of land has been acquired through Kunchedu Panchayat for constructing a hospital at Kunchedu Village in Darsi Taluk of Prakasam District:

(b) If so, when the resources have been pooled up;

(c) The reason why the hospital work is not commenced till now;
(d) whether the Government intend to construct a hospital there;

(e) the reason for such delay; and

(f) the action being taken by the Government in the matter?

A —

(a) Yes, Sir. It is a fact that an amount of Rs 10,000 was contributed and 2 acres of land was donated by the public of Kurichedu for construction of Primary Health Centre building at Kurichedu in the defunct Darsi Panchayat Samithi.

(b) Government have released a grant of Rs. 28,000 in two instalments on 7-11-1962 and 24-12-1962 in addition to the above public contribution.

(c) and (d) Construction work of the Primary Health Centre building was commenced by the defunct Panchayat Samithi, Darsi and an amount of Rs 3,223 was incurred. Subsequently a part of the defunct Panchayat Samithi, Darsi was merged with Panchayat Samithi, Tarlapadu. The construction work was continued and a further expenditure of Rs. 6,161 was incurred. The work could not be continued further by the Panchayat Samithi, Tarlapadu as it did not receive the Primary Health Centre grant of Rs. 28,000 in the allocation of assets and liabilities of the defunct Panchayat Samithi, Darsi. This amount having been diverted by the Block Development Officer of the defunct Darsi Panchayat Samithi for other purposes. Action has been taken against the then Block Development Officer, defunct Panchayat Samithi, Darsi, in having diverted the balance grant to some other purpose.

(e) There is no such proposal except to complete the Primary Health Centre building.

(f) The Director of Medical & Health Services has been requested to provide additional funds required for completion of the building.

Misappropriation of amount by the Percherla Panchayat of Guntur Taluk

361—

3232 Q.—Sri M. Omkar:—Will the Minister for Panchayati Raj be pleased to state:

(a) the amount spent by the Percherla Panchayat of Guntur taluk for cyclone relief works, during the months of November and December, 1977:
(b) whether it is a fact that there is misappropriation of Rs 5,000 by the Sarpanch and Executive Officer of Pecherla Gram Panchayati and

c) if so, the action taken against them?

A.—

(a) No amount was released to the Pecherla Gram Panchayat from the Cyclone Relief Funds

(b) and (c) On receipt of allegations of misappropriation of funds of the Gram Panchayati a Preliminary enquiry has been conducted by the Divisional Panchayat Officer, Guntur, covering an expenditure of Rs 21,876-70 and a show-cause notice for removal under section 50 (1) of the Andhra Pradesh Gram Panchayat Act, 1964 has also been issued by the District Collector, Guntur to the Sarpanch on charges of misappropriation. Government have suspended the Extension Officer (Panchayats) and appointed the District Panchayat Officer, Guntur as Enquiry Officer to frame charges against the Extension Officer (Panchayats) Nallapadu, to conduct a regular enquiry against him for his involvement in the maladministration of the Gram Panchayat and to submit his report to Government. The report of the Enquiry Officer is awaited.

Starting of Primary Health Centre at Kallepally Village

363—

3785 Q.—Sri A Lakshminarayana Smt. Mallu Swarajam, Sarvasri N. Raghava Reddy and Omkar:—Will the Minister for Panchayati Raj be pleased to state:

(a) whether there is any proposal to establish a Primary Health Centre at Kallepally Village of Miyaliguda taluk in Nalgonda district; and

(b) if so, when will it be started?

A.—

(a) No, Sir.

(b) Does not arise.

Establishment of Spinning Mill at Mahboobnagar

364—

2600 Q.—Sri K B. Chennamallappa.—Will the Minister for Textiles be pleased to state:

(a) whether a Wool Spinning Mill has been established at Mahboobnagar;

(b) if so, the cost of the Project;

(c) whether the said Mill is functioning;
Written Answers to Questions 22nd March, 1979.

(d) the number of wool weavers, if any, benefited from the mill:

(e) if not the reasons therefor;

(f) whether it is also a fact that the wool spun in the said mill is sold at Bombay; and

(g) if so, the circumstances under which it is sold thereof?

A.—

(a) Yes, Sir.

(b) The cost of the Project, as per project report prepared by the Textile Engineering Trading Co. Bombay is Rs. 16.20 lakhs. But the actual cost of machinery including erection charges incurred is Rs. 17.17 lakhs.

(c) Yes, Sir. The Mill is functioning from 18-9-1976.

(d) So far 84 individual weavers have purchased woolen yarn from the Mills. Besides above, woolen yarn was sold to some other Wool Weavers Co-operative Societies, to the Human Development Project, Nadlapur and to the Assistant Director (Industries) for use in Shadnagar Wool Industrial Centre.

(e) Does not arise.

(f) Yes, Sir.

(g) As there was no off-take of woolen yarn produced by the mills within the State, the mill could not afford to go on producing yarn and stock it. It had to be sold to whomsoever was interested in it, to continue running.

The mill is producing woolen yarn from 18-9-1976 and no market was found till August, 1977. Though the Mills have corresponded and made sample sales to firms, no firm has come forward to purchase yarn. On account of its storage for more than 6 months, there was the risk of the yarn being eaten away by months rendering the whole stock unsaleable. This was also a critical period of mills marketing operations. M/s. Dam Wool Text Corporation, Bombay agreed in November, 1977 to purchase 20,000 Kgs. of woolen yarn at Rs. 16 50 p./K.G. at 30 days sight with interest from the date of loading till payment is made and so, 20,000 kgs. of woolen yarn was sold to the above corporation during November and December 1977.

Misappropriation of Funds in Chirala Weavers Co-operative Society

365—

3396 Q.—Sarvasri M. Venkateswarlu and M. Narayana Rao:—Will the Minister for Textiles be pleased to state:
(a) On the allegations made by certain members of the Chirala Weavers Co-operative Society, the House Committee, after enquiring into them observed that the Society was faction-ridden and its affairs were not satisfactorily managed and hence the Committee considered that a thorough enquiry be conducted by the Department into the affairs of the Society.

(b) Consequent on the observation made by the House Committee, an inspection under section 52 of the Andhra Pradesh Co-operative Societies Act 7 of 1964 has been ordered into the affairs of the Chirala Weavers Co-operative Society. Inspection is still in progress. The question of fixing the responsibility for the alleged misappropriation and recovery of the amounts if any, would arise after Inspection Report is received by the Department.

(c) An amount of Rs. 7735 70 was reported to have been spent by the Society towards Court charges. The Department had not given any permission to the Society to spend the above amount towards Court charges. This question would be examined in greater detail after the inspection report is received and action pursued.

(d) It is reported that the personal accounts of the members pertaining to yarn and wage advances have not been posted since 1—12—1974 onwards. These accounts have since been posted upto 31—12—1976. Posting of personal accounts for the subsequent period is being done by the Departmental Person-in-charge.

(e) The accounts of the Society have been audited for the last 3 years i.e., upto 30—6—1977. Audit for the year 1977—78 is not yet taken up by the Audit staff of the Co-operative Department.
Proposal to Cultivate more land under Asif Nehar Canal in Nalgonda District.

366-

3818 Q.—Sri N. Raghava Reddy :—Will the Minister for Irrigation be pleased to state:

(a) whether any proposal has been surveyed and sanctioned for bringing more land under cultivation by raising the level of the tanks at Ruginavelli, Yerasanigudem and Parada, which are included under Asif Nehar Canal in Nalgonda District,

(b) if so, the extent of additional land that will be irrigated under it;

(c) when the same will be implemented, and

(d) whether any arrangements will be made for proper supply of water to the existing ayacut?

A.—

(a) No, Sir.

(b), (c) and (d) Do not arise.

Prevention of Matka gambling in Renigunta

367—

3464 Q.—Sr. A. Eswara Reddy :—Will the Minister for Home be pleased to state:

(a) whether it is a fact that the Matka gambling and betting is going on in Renigunta in Chittoor district?

(b) if so, the steps taken by the Government to stop such unfair practices?

A.—

(a) There were a few stray cases of Matka gambling reported from Renigunta on which action was already taken. However, the public of this place do not habitually indulge in this.

(b) Surprise raids are conducted to prevent this evil.

Granting of Pattas to the Banjar lands at Mutyalampudu Revenue Village.

368—

850 Q.—Sri K. Govinda Rao :—Will the Minister for Revenue be pleased to state:
(a) whether the Government are in receipt of LR. No 673/75 dt. 19-11-75 of Sri M Nagi Reddy, Ex-M L A, along with the petition of Kota James and 29 other Harjans of Mutyalampadu village, Palnad taluk, Guntur District for grant of pattas to the banjar lands under their cultivation in DNOS 52/4, 54, 55 and 56 of Mutyalampadu Revenue Village; and

(b) if so, the action taken thereon? 

A.—

(a) Yes, Sir.

(b) The lands in S Nos 52/4, 54, 55 and 57 of Mutyalampadu were alienated to the President, Taluk Board, Gurajala (now Zilla Parishad) for the water spread of a drinking water tank. Out of Ac. 17-29 comprising S Nos 52/4, 54, 55, and 57, an extent of Ac. 9-29 which lies to the west of the flood bank is beyond the water spread area and is farmed upon by some Harjans and three caste ryots. Instructions have been issued to the Collector Guntur to take up the matter with the Zilla Parishad and arrange for assignment of land that is found unobjectionable for assignment.

Enquiry against the Village Munsiff of Raghavapuram, Nandigama taluk

369—

3290-Q—Smt. Mallu Swarajyam, Smt. M. Omkar. Will the Minister for Revenue be pleased to state : 

(a) whether it is a fact that an inquiry was conducted into the allegations against Sri K. Venkatappaiah, the village Munsiff of Raghavapuram, Kammanampalem and Pallaguv of Nandigama Taluk in Krishna District by the competent Revenue authorities in 1977 and 1978 ;

(b) if so, the findings of the enquiry; and

(c) the action taken thereon ?

A.—

(a), (b) and (c): The Tahsildar, Nandigama conducted and enquiry during 1978 on the allegation petition received from Srimannarayana and submitted a report to Sub-Collector, Vijayawada recommending suspension of Sri K. Venkatappaiah, Village Munsiff of Raghavapuram Village for not bringing the amount of Rs. 1,151 into receipts and chittas. Accordingly the Sub-Collector placed the Village Munsiff under suspension pending enquiry in his Ref. Rc. K. 9366/77. dated 28-4-1976. The suspension was confirmed by the Joint Collector, Krishna on appeal. The revision petition filed by the
Village Munsiff was also rejected by the Commissioner of Land Revenue. On a revision petition filed by the Village Munsiff, the Government have set aside the orders of the Commissioner of Land Revenue and directed that the Village Munsiff be reinstated to duty pending enquiry. The Tahsildar re-enquired into the matter and found all the amounts collected from the ryots were properly accounted for in the Village accounts. It is reported that during the year, 1974-75, the Village Munsiff attached the paddy heaps of the defaulter for the realisation of Land Revenue and deployed watchmen to keep the paddy heaps in safe custody till they are released to the concerned ryots on payment of dues. The Village Munsiff collected an amount of Rs. 1,860 and not Rs. 1,151 from the ryots whose paddy heaps were attached towards japi charges for payment to the watchmen at Rs. 10 per day and night, and paid the amount of Rs. 1,860 to the watchmen after obtaining vouchers from them in accordance with the instructions laid down in para 17 of Chapter IV of the Village Officers Ryots Manual. The Tahsildar has also verified the paid vouchers and examined the watchmen who were paid the japi charges during his enquiry on 10-8-78 and found that the Village Munsiff did not misappropriate the amount and also that there is no misappropriation of any other Government money by the Village Munsiff Raghavapuram.

Sanctioning of Pattas to the Backward Class Persons residing at Buchigunta Palem, Palamaner town

370—

3646 Q.—Sri A. Ratnam—Will the Minister for Revenue be pleased to state:

(a) whether it is a fact that some poor persons belonging to Backward Class and other Castes have been residing for the last 12 years in thatched houses constructed by them in the Government Poramboke lands called as 'Buchigunta Palym' situated opposite to Government Junior College, Palamaner town, Chittoor District;

(b) whether they have sent petitions to the Tahsildar, Palamaner for the sanction of pattas, and

(c) if so, the action taken by the Government thereon?

A.—

(a) Sir, some poor persons belonging to Backward Classes and other Classes have been residing in S.Nos. 334/A&B and 338/2 classified as Rastha Poramboke.

(b) It is reported that no applications have been received by the Tahsildar, Palamaner from them for assignment of house-sites in the above lands.

(c) Action is being taken by the Tahsildar, Palamaner to grant house-site pattas to eligible residents.
115 Q.—Sri N. Narayanappa Naidu:—Will the Minister for Health and Medical be pleased to state:

(a) whether it is a fact that some categories of people working in Medical and Health Institutions were not given selection grades to their employees : if so, will the Government be pleased to order for the proper implementation of the selection grades to all the categories of employees as they are due at the time : if not, the reasons therefore

(b) is it a fact that the Health Visitors or Social Workers working as Extension Educators attached to Urban Family Planning Clinics in Visakhapatnam District were paid the conveyance allowance at Rs. 15 p.m. for their home visits for some period and later it was stopped and ordered for recoveries even though it was paid to the employees for their home visits as per the orders of the Director of Medical and Health Services and the Government sanction ; if so, will the Government be pleased to order for the payment of the conveyance allowance with retrospective effect i.e. from the date which it was ordered for the stoppage : if not what are the reasons.

(c) whether it is a fact that the services of the Welfare Workers and Extension Educators (attached to Urban Family Welfare Clinics) were not regularised so far even though they have completed four or five years of service in that category : is it also a fact that the scheme is having cent-per cent Central aid ; if so, why the scales prescribed and recommended by the Central Government were not followed by the time or giving the pattern to the State Government;

(d) what are the amenities provided to the Taluk Hospitals in the State in general, whether it is a fact that the taluk hospitals at Gajapatinagaram in Vizag district was not provided the Maternity Ward and Labour room and the post of Lady Doctor for Maternity purpose; and when the institution was taken by the Government and after taking the institution what are improvements done and ordered by the Government so far?

A.—

(a) No. The selection grade posts were given to the eligible
candidates in the categories concerned in pursuance of the instructions issued by the Government in this regard from time to time, as and which orders creating selection grade posts were issued. Does not arise.

(b) Yes. The matter in respect of payment of conveyance allowance with retrospective effect or otherwise, is otherwise, in under consideration.

(c) Yes. The rules relating to the said categories are being finalised. Yes. The pay scales prescribed by the State Government will alone be allowed to the employees of the State Government appointed under the Central Scheme even though the Scales prescribed by the Central Government are higher. The Central Government scales are recommendatory and not obligatory.

(d) The following are the amenities provided to the Taluk Hospitals in general:

1. Taluk hospitals are generally provided with 30 beds.

2. According to yard-stick, Taluk hospitals are provided with X-ray plant where there are 30 beds.

3. Staffing pattern of Doctors is according to bed strength i.e. 2 doctors upto 10 beds and 3 doctors upto 30 beds including Lady Medical Officer.

4. Blood Banks are being provided to taluk level hospitals according to priority and on National Highways.

Yes.

When the institution was taken up by the Government it was only a dispensary with emergency beds. The Taluk Hospitals, Gajapathinagaram, is now having 6 beds with the following staff:

1. Medical Officers (1 male & 1 female) .. 2
2. Staff Nurses .. 2
3. Auxiliary Nurse Midwife 1
4. Pharmacist 1
5. Lab. Technician 1
6. L.D.C. 1
7. Nursing Orderlies 2
8. Waterman-cum-watchman 2
9. Thoties 2
10. Cook 1
11. Dhobi (contingency) 1
Misappropriation of amount in Public Health Centre, Mondinkhallu in Parvathipuram block

372—

2785 Q.—Sarvasri K. Govinda Rao, Ch. Vittal Reddy :—Will the Minister for Medical and Health be pleased to state:

(a) whether it is a fact that one Health Inspector working in Public Health Centre, Mondinkhallu in Parvathipuram Block, Srikakulam District has misappropriated about Rs. 42,000 by drawing false salary bills during June, 1974 to April 1976;

(b) if so, when it was detected;

(c) the action taken against the concerned officials, and

(d) whether the said amount has been recovered?

A.—

(a) Yes, Sir.

(b) It was detected on 20-5-1976.

(c) When the matter was brought to the notice of the Government that four officials of the Primary Health Centre, Mondinkhallu in Srikakulam District including the Health Inspector were found responsible for the alleged misappropriation of Government funds Dr. D. B. Askar Reddy, formerly Additional Director of Medical and Health Services (now Director of Medical Education and Administration) was appointed as the Enquiry Officer to enquire into the allegations of misappropriation against them and his enquiry report is awaited. As it is a case of embezzlement of public funds by Government servants, the case was simultaneously taken up by the Police Department for their prosecution under Cr. P.C. and the case against all the four accused is pending trial in the Court.

(d) The amount has not so far been recovered.

Closure of Maternity Hospital at Sivala village of Ramachandrapuram Taluk

373

34 2 Q.—Sri A. Lakshminarayana, Sri M. Swarajyam, Sri M. Yarrappiah Reddy and Sri M. Omkar :—Will the Minister for Health and Medical be pleased to state:

(a) whether it is a fact that the maternity hospital at Sivala village of Ramachandrapuram Taluk, East Godavari district is closed since last one year;

(b) if so, the reasons therefore; and

(c) the time by which it will be opened?

A.—

(a) There is no maternity hospital at Sivala Village in Ramachandrapuram Taluk in East Godavari District. But a Maternity and Child Health Centre attached to the Primary Health Centre, Kunduru, is however functioning in the Sivala village and it was never closed since its inception.

(b) and (c) Do not arise.
Non-Posting of Doctor in the Primary Health Centre, Gampalagudem

374—

3598 Q.—Sarvasri K. Satyanarayana, M. Omkar, Smt. Mallu Swarajyam, Sri A. Lakshminarayana :—Will the Minister for Health and Medical be pleased to state:

(a) whether the Government received, a memorandum in the month of March, 1978 from the people of Gampalagudem village of Tiruvur taluk, Krishna district, complaining that there was no Doctor in the Primary Health Centre, Gampalagudem.

(b) whether it is a fact that till 30-11-1978, the same position is continuing.

(c) if so, the reasons therefor and action taken thereon?

A.—

(a) No.
(b) Does not arise.
(c) Does not arise.

Repairs to the road between Chagalamarri and Mahadevapuram in Allagadda Taluk

375—

2583 Q.—Sri G. Thimma Reddy :—Will the Minister for Roads and Buildings be pleased to state:

(a) whether it is a fact that the road between Chagalamarri and Mahadevapuram in Allagadda Taluk, Kurnool district, has been taken over by Department from Zilla Parishad:

(b) the amount spent so far to repair the said road: and

(c) when the said road will completely be repaired rendering it suitable for public transport and plying buses?

A.—

(a) Yes Sir. It is a fact that the road from Chagalamarri to Mahadevapuram measuring 54-4 KMs, in Kurnool District was taken over to the control of Roads and Buildings Department from Zilla Parishad in the month of June, 1976 in terms of G. O. Ms. No. 1105. T. R. & B. (RI.) Department dated 1-10-1975.

(b) An amount of Rs. 5.49 Lakhs was spent on this road from the date of taking over to the control of R & B. Department.

The year-wise expenditure is as noted below:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1976-77</td>
<td>Rs. 58,693</td>
</tr>
<tr>
<td>1977-78</td>
<td>Rs. 4,39,028</td>
</tr>
<tr>
<td>1978-79</td>
<td>Rs. 51,504</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>5,49,225</strong></td>
</tr>
</tbody>
</table>

or Rs. 5.49 Lakhs
Further, works to a tune of Rs. 5.00 Lakhs have been taken up during the current year and the works are in progress.

(c) The road will be made all weather road in course of time in a phased manner depending upon the availability of funds.

Grievances of Attendants working in R & B Department

376—

2631 Q.—Sri Kasu Venkata Krishna Reddy: Will the Minister for Roads and Buildings be pleased to state:

(a) whether it is a fact that nearly 356 persons are working in various Circles of the Roads and Buildings Department as Attendants;

(b) whether there is any difference either in the the nature of duties or responsibilities of Attenders and Attendants;

(c) whether the Attendants have presented to the Government for conversion of the posts of Attendants to that of Attenders and to absorb them in the converted posts; and

(d) if so, what action has been taken by the Government in the matter?

A.—

(a) There are 354 persons working in Roads and Buildings Department as Attendants.

(b) No, Sir.

(c) Yes, Sir,

(d) The matter is under consideration of the Government.

Closure of the Hanamakonda to Warangal Road in Warangal

377—

1448-I Q.—Sri C. Janga Reddy:—Will the Minister for Municipal Administration be pleased to state:

(a) whether it is a fact that Hanumakonda to Warangal Road, linking P. G. Centre from opposite Alankar Talkies in Warangal was closed by a pucca building in contravention of the Master Plan:

(b) if so, the action taken by the Municipality in this regard;

(c) whether it is also a fact that court has directed the Municipality to demolish the building on payment of compensation; and

(d) if so, the action taken by the Municipality to relay the said road?
A.—

(a) The said road was obstructed by a building not in consonance with the layout No. 124/63 i.e. prior to an approval of the revised Master Plan linking P.G. Centre Road from Hanamkonda Warangal Road at Alankar Taties Road junction by 50 feet wide road.

(b) The permission for the construction of the said building was granted by the Municipality in the Year 1963, 64, 65 and 1967 on the strength of the resolutions of the executive committees, on complaints received from public it was found that the permission granted for the construction of the said Building was in accordance with the lay-out proposals approved (L. P. N. 124/63) and blocked the 40 feet wide road. Thereafter the permission accorded by the Municipality was cancelled, after following due procedure. The owner of the Building, approached the court of Law and obtained temporary injunction order restraining the Municipality from demolishing the Building. Then the Municipality filed and appeal in the District Court against the decree, but the District Court while upholding the judgement of the lower court directed the Municipality to take action under section 192 of the Andhra Pradesh Municipalities Act, 1965 if it is satisfied that the owner has encroached upon a private or public street.

(c) No Sir,

(d) Does not arise. However, the Director of Town Planning has prepared a revised layout in L.P. No. 32/76 on the request of the Municipality, according to which 50 feet wide Master Plan Road has been proposed which connects P.G. Centre Road and which is provide as an alternative to the road already closed and it can be implemented as and when the private individuals through whose land it passes approach the Municipality for the approval of the layout as required under the Provisions of the Andhra Pradesh Municipalities Act, 1965.

Construction of a Sugar Factory in Alampur Taluk

378–

4073 Q.— Sri K. Venkateswara Rao:— Will the Minister for Commerce, Export Promotion, Sugar Industry and Small Industries be please to state:

(a) whether it is a fact that a Sugar factory is to be constructed in Alampur Taluk under public sector; and

(b) if so the reasons for the delay in taking up the project?

A.—

(a) No Sir.

(b) Does not arise.
Special Subsidy Schemes for Educated Self Employed

279—

3554 Q.—Sri Kasu Venkata Krishna Reddy: —Will the Minister for Commerce Export Promotion Sugar Industries and Small Industries be pleased to state:

(a) whether there are any special subsidy schemes for educated self employed in the State;

(b) if so, the details of the said schemes; and

(c) the number of units or persons encouraged by the Government so far and the finances invested by the Government in this regard.

A.—

(a) No, Sir.

(b) Does not arise.

(c) Does not arise.

Starting of the ‘Andhra’ Reservoir Work in Gajapathinagaram Taluk

380—

2293 Q.—Sasthasri N. S. N. Reddy and Ch. Parasurama Naidu:—Will the Minister for Medium Irrigation be pleased to state:

(a) whether it is a fact that foundation stone was laid by late Sri Sanjeevayya, Ex-Chief Minister, 20 years ago to ‘Andhra’ Reservoir in Gajapathinagaram taluk, Visakhapatnam District;

(b) whether it is also a fact that the Chief Engineer, Irrigation has prepared estimates for the said Reservoir;

(c) if so the amount sanctioned; and

(d) when the work will be started?

A.—

(a) There is no record showing that late Sri Sanjeevayya, Ex-Chief Minister laid the foundation stone 20 years ago.

(b) Yes, Sir.

(c) and (d) The work will be started after the scheme is approved by the State Government and cleared by the Planning Commission, Government of India. The proforma estimate for Andhra Reservoir submitted by Chief Engineer, (Medium Irrigation and Designs) is under scrutiny and will be sent to the Planning Commission for its approval.
Reservoir Irrigation Projects under Construction in Srikakulam District

381—

2768 Q.— Sarvasri V. Narasimha Rao and S. Vijayarama Raju:—Will the Minister for Medium Irrigation be pleased to state

(a) the number and names of the Reservoir Irrigation Projects which are under construction till today in Srikakulam district;

(b) the number of villages that are getting submerged at each phase of the said Reservoir Projects;

(c) whether the rehabilitation facilities are being provided without any delay to the people of the villages which are getting submerged;

(d) the amount sanctioned by the Government per acre for the dry and wet lands that have been submerged;

(e) whether the said amount is properly being paid to the owners; and

(f) if not, the action taken by the Government?

A.—

(a) The following three Projects are under progress in Srikakulam district.

(1) Janjhavathi Reservoir Project in Parvathipuram taluk, Srikakulam district.

(2) Vengalarayasagaram Project in Salur taluk, Srikakulam district.

(3) Madduvalasa Reservoir Project in Rajam taluk, Srikakulam district.

(b) The number and names of villages getting submerged under each projects are as follows:

1. Janjhavathi Reservoir Project, Andhra Pradesh:
   (1) Palligaaddu, (2) Kothavalasa, (3) Khambavalasa, (4) Lakshmipeta (5) Banjukuppa (Old) and (6) Banjukuppa (N w)

2. Vengalarayasagaram Project, Andhra Pradesh:
3. Madduvalasa Reservoir Project Andhra Pradesh

   (c) All the three projects are in initial stage. The above mentioned villages will get submerged when waters are impounded in the reservoir after completion of earth embankment, spillway and non-spillway work. However, suitable amounts have been provided in the Scheme Estimate and necessary rehabilitation facilities are being provided to the people of the villages which are getting submerged.

   (d) The cost of the land compensation as provided in the Estimate is as follows:

<table>
<thead>
<tr>
<th>Cost of Land Compensation</th>
<th>Dry per acre</th>
<th>Wet per acre</th>
</tr>
</thead>
<tbody>
<tr>
<td>Janjhavathi Reservoir</td>
<td>Rs. 1000</td>
<td>Rs. 3,500</td>
</tr>
<tr>
<td>Madduvalasa Reservoir</td>
<td>Rs. 1500</td>
<td>Rs. 4,000</td>
</tr>
<tr>
<td>Vengalarayasagaram Project</td>
<td>Rs. 1700</td>
<td>Rs. 4,600</td>
</tr>
</tbody>
</table>

   (e) It is left to the Land Acquisition Officer to pay more or less as per rules.

   (e) and (f) The amount required for Land Acquisition and Rehabilitation is kept at the disposal of special Deputy Collector, Land Acquisition to make payments towards Land Acquisition Charges, as and when the awards are passed.

Supply of Electricity for Agricultural Purpose in Nalgonda

3149 Q.— Sri N. Raghava Reddy and Smt. M. Swarajyam:— Will the Minister for Finance and Power be pleased to state:

(a) the stage at which the pending applications which were sent by ryots to Engineers in both the Divisions in Nalgonda district for supply of electricity for agriculture purpose stand at present;

(b) the dates of those pending applications;

(c) whether at least the works of those which have been started and for which material has to some extent been given will be completed; and
(d) whether the Government will issue instructions to give priority to the applications of those who have less than five acres of land?

A.—

(a) The applications pending for supply of Electricity for Agriculture purposes in Badagaon district with cut of November, 1978 are 2,564.

(b) The specific dates of individual applications pending are not available. However, the probability of pendency of the applications pending is given below:

1. Applications pending for less than one month: 672
2. Applications pending for one month or more but less than 3 months: 334
3. Applications pending for 3 months or more but less than 6 months: 358
4. Applications pending for 6 months or more: 1,200

Total: 2,564

(c) The works which have been started and for which material has been supplied will be completed early. Instructions to this effect are being issued to the field officers.

(d) As per the procedure in vogue, works are being taken up according to seniority of the applications registered with the Section Office, distribution subject to the feasibility of the scheme.

Setting up of Milk Chilling Centres in Amadalavalasa and Talakona Panchayat Samithis

383 -

3744 Q - Sri P. S. Sreekanthulu, Kondapalli:—Will the Minister for Animal Husbandry be pleased to state:

(a) whether it is a fact that the Government have supplied milk animals under the Integrated Rural Development Programme Scheme to a number of people in Amadalavalasa and Palakonda Panchayat Samithis and no milk is being collected from them;

(b) whether there is any proposal to set up Milk Chilling Centres in said Samithis;

(c) if so, when; and

(d) whether the Government will consider to start Milk Chilling Centres in the said Samithis to relieve the distress of the people and to improve economic development of the area?
A.—(a) Milk animals were supplied under Integrated Rural Development Programme Scheme to people in Amadalavalasa and Palakonda Panchayat Samithis by the Small Farmers Development Agency. Milk is being collected by the Andhra Pradesh Dairy Development Corporation from Hanumaanthapuram and Alkalanet of Amadalavalasa Panchayat Samithi and from Peddapeta and Cheedavalasa in Palakonda Panchayat Samithi.

(b) No, Sir.

(c) Does not arise.

(d) No, Sir. The existing cooling centres at Srikakulam and Ramabhadrapuram and the proposed centre at Tekkah, Sithampeta and Kuruppam can collect milk from the Amadalavalasa and Palonda areas, provided it is economical.

Performing of Poojas in Office premises

384—

2296-A Q.—Saivasri Pooja Subbaiah, D. Chirnna Malliath and A. Laxminarayana:—Will the Minister for Minor Irrigation be pleased to state:

(a) whether it is a fact that the (Chief Engineer, General, Chief Engineer, Medium, Chief Engineer, Minor and Central Designs Organisation), allowing some employees to perform poojas in the premises of their offices;

(b) whether it is a fact that a separate room is allotted for the purpose of daily poojas and discourses relating to HINDU RELIGION are being conducted during the office hours between 1.00 p.m. to 2.00 p.m.,

(c) whether it is also a fact that a special programme of HINDU RELIGION Poojas were conducted from 1-7-1976 to 7-7-1976 in the office premises by inviting religious HEADS; and

(d) if clauses (a) to (c) are affirmative the action proposed to be taken against the officers who allowed the poojas and performed them. India being a Secular State?

A.—(a) No, Sir,

(b) No, Sir.

(c) No, Sir.

(d) Does not arise.

Recovery of the Jewellery Possessed by the Trustee of Vedadri Temple

385—

695 Q.—Sri M. Venkateswara Rao:—Will the Minister for Planning and Endowments be pleased to state;
(a) whether it is a fact that gold jewellery worth a few lakhs is in the custody of the trustee of Vedadri temple of Muktyala village (Krishna District); and

(b) the steps taken by the Government for the recovery of the jewellery?

A.—

(a) No, Sir.
(b) Does not arise.

Inspections made by the D. E. O. in Educational Institution in Nalgonda District

386—

2977 Q.—Sarvasri N. Raghava Reddy and A. Laxminarayana:— Will the Minister for Education be pleased to state:

(a) the number of Educational Institutions from Primary to High Schools, inspected by the District Educational Officer in Nalgonda District during 1977-78,

(b) whether action has been taken over the points referred to in his inspection report;

(c) the defects pointed out in his inspection report, and

(d) whether a system of inspecting all the High Schools and Primary Schools every year will be evolved?

A.—

(a) Junior Colleges 9
High Schools 5

Total: 14

(b) Yes, Sir, in respect of Government High Schools. As regards Zilla Parishad High Schools the Head Masters are reported to have not submitted compliance reports.

(c) Following defects have been pointed out:

(1) Non-maintenance of Special fee cash-book and ledger in the prescribed manner.

(2) Non-remittance of undisbursed scholarship amounts to the concerned heads of accounts.

(3) Non-maintenance of stock registers in the prescribed pro forma,

(4) Collection of Special fee etc. by the Teachers instead of ministerial staff.
(5) Payment of electricity charges from Special fund instead of from current revenues.

(6) Certain omission: a maintenance of teachers' registers.

(7) Discrepancies in the stock registers of Library Books, etc.

Anomaly in the rates of pension of Higher Grade Teachers.

387—

3612 Q. — Sarvasti M. Omkar, K. Sambaramma and A. Lakshminarayana:— Will the Minister for Education be pleased to state:

(a) whether there is any difference in the rate of pension for the Higher Grade Teachers, retired after 1-4-1973 and prior to that date; and

(b) if so, the reasons therefor?

A—

(a) and (b) There is no difference in rates of pension to the teachers of Government Schools who retired prior to or after 1-4-1973. But there is a difference in rates of pension to the teachers of non-Government Schools, the pension being the same to teachers who retired between 1-4-1973 and 31-3-1974, who are governed by Andhra Pradesh Teachers Contributory Provident Fund Act, 1961, and Gratuity Rules, 1961, whereas the teachers who retired on or after 1-4-1973 are governed by Andhra Pradesh Labour Fixed Pension Rules, 1975 and Andhra Pradesh Family Pension Rules, 1975. However, there is no difference in minimum pension which is later paid at Rs. 45 p.m. for all the teachers with effect from 1-4-77.

Lock-out of Madanapalli Spinning Mills in Chittoor District

388—

3303 Q— Sri M. Yarragadda Reddy, Smt. Swamigami, Sarvasri M. Omkar and A. Lakshminarayana— Will the Minister for Labour and Employment be pleased to state:

(a) whether it is a fact that the Madanapalli Spinning Mills Private Limited, in Chittoor District is under illegal lock-out since 16-4-78;

(b) whether it is also a fact that the management of the said mills in collusion with the police has been resorting to goondaism against the workers demanding for re-opening of the mill; and

(c) the action taken by the Government in this regard?
A —

(a) The number of persons declared to be in conflict with effect from 1-6-78 is 455, as a sequel to strike by the workmen from 15-4-78.

(b) No Sir.

(c) The Labour Department convened conciliation meetings and the parties arrived at a settlement under Section 18 (1) of the Industrial Disputes Act, 1947 on 4-6-78.

Recruitment of Managers in Gijjar Corporation

38 —

345 Q.— Shri M. Yarramah Reddy — Will the Minister for Social Welfare be pleased to state:

(a) the number of persons newly recruited to the posts of managers in Gijjar Corporation during 1976-77 and 1977-78, and

(b) the number of persons belonging to Scheduled Tribes and Scheduled Castes therein?

A. —

(a) The number of persons newly recruited to the posts of managers in Gijjar Co-operative Corporation during 1976, 1977 and 1978 are as follows:

<table>
<thead>
<tr>
<th>Senior Managers</th>
<th>1976</th>

Scheduled Castes candidates appointed by direct recruitment in 1977 as junior managers 2

Scheduled Castes candidates appointed by promotion in 1977 as junior managers 2

Scheduled Caste candidate appointed as Senior manager in 1977 by direct recruitment 1

Construction of Armagaon Light House in Nellore District.

3575 Q.— Sri Nallaparaddi Sreenivasulu Reddy: Will the Minister for Law and Ports be pleased to state:
(a) the extent of amount spent so far on the construction of Armagaon Light House in Nellore District,
(b) the time by which it will be completed, and
(c) whether the formation of Road has been sanctioned to Armagaon Light House at Vadapalem and to the Rocket launching Station (Shar Project) at Srikakulam from Naidupeta-Durbarajapatnam road under Central Road Fund?

A.—
(a) Rs. 5,37,400 up to 31-12-1978.
(b) Formation of Road from Naidupeta-Durbarajapatnam Road to Srikakulam with a link road to Armagaon Light House at Vadapalem was included in the Vth Plan Schemes under Central Road Fund sent to Government of India. Approval of Government of India to the above proposal is awaited.

MATTER UNDER RULE 329

re : Memorandum submitted by the Federation of Andhra Pradesh Teachers Organisations.

To establish an effective negotiating machinery at all levels in the districts to settle the problems of teachers; the decision would be declared mandatory in the formation of educational policies.
Matters under Rule 329:

re: Memorandum submitted by the
Federation of Andhra Pradesh
Teachers Organisation.

...

Point of Information

re: Deaths due to swelling of brain in Anantapur Dist.

Because we are in the middle of the talks it will not be proper to discuss about it at this stage.

POINT OF INFORMATION

re: Deaths due to swelling of brain in Anantapur Dist.
re Deaths due to Swelling of Brain in Anantapur District.

Sri A. Madan Mohan: On the basis of information that was made available to me I have said it, but I have every reason to believe when a senior Member has said that he has received information I will personally without depending on any other agency contact to-day itself the Superintendent of the Hospital and if it is found to be correct of what has been informed to the Member, I will see that a team of experts is sent immediately to Anantapur hospital to examine and see all possible precautionary measures are taken.

Mr. Speaker:—Everybody knows that it is a contagious disease and a dangerous disease. He has promised to send a team of doctors to Anantapur.

Sri Pooja Subbaiah:—That day I requested the Minister to go immediately in view of the seriousness of the situation.

Mr. Speaker:—But you will find fault with him when he is not here.

Sri Pooja Subbaiah:—He made a wrong statement

Sri A. Madan Mohan:—No, no. I protest against this type of insinuation. I will certainly protest. What I have stated was on the basis of information that was made available to me.

I have also said a senior Member of the House has said it and I have every reason to believe what he was saying. It is for me to ascertain what is the fact. I said I will personally contact the Superintendent of the hospital about the actual position there and about the 19 cases after the medical experts have visited and examined they said they have died not because of this, it is because of epilepsy and other things. Now they say it is only, because of this, I said I will send a team of experts there. To say I have made an incorrect statement is not belitting of the Hon. Member.
Mr. Speaker:--About that leave going to make a statement. It will be better if you seek any clarifications after his statement is over.

Sri B. Venkatram Reddy: It is not such an urgent matter that within 24 hours anything is going to be lost.

Mr. Speaker: Can you give the assurance that it will be placed on the Table of the House either tomorrow or day after tomorrow.

Sri B. Venkatram Reddy: Oh, yes.

STATEMENT BY THE MINISTER FOR MEDICAL AND HEALTH

re: Demands put forth by the Government Nurses.

Sri A. Madan Mohan: Sir, with your permission I would like to make a statement on the demands put forth by Government nurses. The main demand put forth by the Nurses Association, especially the Telangana Nurses Association are that the duty hours must be reduced, shift system of six hours per day should be introduced, promotions to the various categories should be expedited, conveyance facilities should be improved and quarters for nurses should be constructed. The question of reduction of duty hours and introduction of shift system with reduced hours is linked up with augmenting of number of training institutions and availability of increased number of trained nurses. This will naturally take time. The other demands like expediting the promotions to various categories and improving the conveyance facilities etc., are of urgent nature and the department has already given them an assurance that expeditious action on these requests would be taken. Construction of quarters for nurses has to be taken up in a phased manner and when the resources position improves this item will be given due priority by the Government. This assurance has been given to the association representatives. The Association representatives had a detailed discussion in a meeting held on 12th February 1979 which was convened at my instance and which was attended by the Joint Secretary to Government, Medical and Health, Director of Medical Education and Administration and other concerned officers. After discussions they were fully satisfied about the general outcome and expressed their full confidence that their problems are receiving the best attention of the Government. Problems which are pending for years together could not be solved in a day and this Government is seized of the genuine problems put forth by the Association and sincerely striving to solve
Statement by the Minister for Medical and Health:

re Demands put forth by the Government Nurses.

them as early as possible. There does not seem to be any cause of action for taking to agitational methods.

Sri A. Madan Mohan : I am alive to the sense of dedication with which these nurses work. I am conscious of the fact that their services are yeoman. It is because of this it is predominantly working in my mind. On the day when they came to me on 12th February with a memorandum, without losing time on the same day within half an hour after they gave me memorandum, I have instructed my officers to sit with them and hold discussions. Usually if the negotiations are to take place we allow some time and we ask them to give some notice so that our officers can get prepared with necessary data and material. In this particular case the moment they gave me the memorandum, within half an hour a meeting was convened and the officers sat with the representatives of various nurses. They discussed for hours together and they were more than satisfied on many of the demands and even in respect of promotions. I agree with the hon member that it is of utmost importance and urgent matter and that has been already taken up by the officers and those things pending for a long time were taken up and they were assured and they were more than satisfied. I do concede that they have grievances and their grievances are genuine and the Government is considering very sympathetically and all that we can do. It is a misnomer which has been fed wrongly to various categories of the employees that if only they bring pressure by way of agitational methods or strikes then only the Government would be able to do. I request the Association members not to adopt these measures.
Condolence Motion:

re: on demise of Sri Kasim Venkata Reddy, former Member of the A.P. Legislative Assembly,

when the Government is alive and conscious of its duties and responsibilities.

Mr. Speaker:— All is well that ends well. The thing is settled. They have promised.

CONDOLENCE MOTION

re: on Demise of Sri Kasim Venkata Reddy, former Member of the A.P. Legislative Assembly.

Sri P. Ganga Reddy:— Sir, on behalf of the Leader of the House, the hon. Chief Minister, I will move with grief a condolence motion. The cruel hands of death snatched away our friend Sri Kasim Venkat Reddy, former Member of this House. Though I am not personally acquainted with him, I know that he was a dedicated worker and a man of great qualities. We will remember him for ever. Sri Kasim Venkat Reddy was a Member of this Assembly from 1957 to 1962. He was elected from former Vizianagaram constituency in Nellore district. He passed away on 21st February 1979 at Gunupadu in Udaygiri taluk.

Sir, I beg to move:

This House places on record its deep sense of sorrow at the demise of Sri Kasim Venkat Reddy, a former Member of the Legislative Assembly and conveys its deep sense of sympathy to the member of the bereaved family.

Mr. Speaker:— Motion moved.

10-20 a.m. (470)
Condolence Motion:

On Demise of Sri Kasim Venkat Reddy, former Member of the A. P. Legislative Assembly.

Condolence Motion:

On the sad occasion of the demise of our learned colleague, Sri Kasim Venkat Reddy, former Member of the A. P. Legislative Assembly, this Assembly hereby expresses its profound sense of loss.

Sri Kasim Venkat Reddy was a member of the Legislative Assembly in three consecutive terms, from 1967 to 1980. He was a dedicated and hardworking legislator, always committed to the well-being of his constituents and the development of Andhra Pradesh.

In recognition of his contributions to the state and his dedicated service, this Assembly extends its condolences to the family and friends of Sri Kasim Venkat Reddy. May he rest in peace.

Respectfully,

[Signature]

[Name of the Speaker]

Calling Attention to Matters of Urgent Public Importance:

re: (1) Non-issue of Electricity Bills to Agri. consumers by the Electricity Revenue Office, Srikalahasti.

Calling Attention to Matters of Urgent Public Importance:

re: (1) Non-issue of Electricity Bills to Agricultural Consumers by the Electricity Revenue Officer, Srikalahasti.

The question is: "That this House places on record its deep sense of sorrow at the demise of Sri Kasim Venkata Reddy, a former Member of the Legislative Assembly and conveys its deep sense of sympathy to the Members of the bereaved family."

(The motion was adopted nem con all Members standing in silence for two minutes.)

Calling Attention to Matters of Urgent Public Importance

re: (1) Non-issue of Electricity Bills to Agricultural Consumers, by the Electricity Revenue Officer, Srikalahasti.
Celling Attention to Matters of Urgent Public Importance:

re: Levy 5% Penalty on Agricultural Consumers running electric motors without capacitors.

Sri G. Rajaram:— The Andhra pradesh State Electricity Board issued orders in B.P.Ms. no. 22, dated 12-1-1971 that L.T. consumers having induction motors of 15 H.P. and above shall install L.T. shunt capacitors before March, 1972, which was later extended upto September, 1972. Based upon the suggestion of the Power Economy Committee and the Standardisation Committee set up by the Rural Electrification Corporation, the Board extended the stipulation to install L.T. capacitors to other consumers till 31-10-75.

2. The Andhra Pradesh State Electricity Board made the installations of capacitors a condition in the terms and conditions of supply and also extended the time limit after the introduction of the revised tariffs in October, 1975 upto 30-4-1976. Later the Board extended the time limit upto 30-6-1976 and subsequently extended upto 31-12-1976. The Board has finally extended time for installing capacitors to a further period upto 30-11-1977. Pursuant to the directions issued by the Government on 21-7-1978, the Andhra Pradesh State Electricity Board extended the time limit upto the end of January 1979 in the Cyclone affected areas.
3. The Andhra Pradesh State Electricity Board issued order in B.P.Ms.No. 702 (commercial) dated 7-7-1977 to levy graded surcharges for non-installation of capacitors with effect from 2-1-1977 as indicated below:

   i) 5% on monthly energy charge for the first six months from 1-12-1977
   
   ii) 10% on monthly energy charges for the next six months from 1-6-1978 and
   
   iii) 12% on monthly energy charges for death in installation of capacitors beyond 1-17-1978.

4. However, considering several representations received in this regard, the Board in its B.P.Ms.No. 696 (commercial) dated 19-7-1978 slightly modified the orders referred to above. The Board has now ordered for the continuance of the levy of 5%, surcharge on monthly energy charges for non-installation of capacitors beyond 1-6-1978 instead of 10% until further orders.

5. The Andhra Pradesh State Electricity Board has taken a decision to purchase capacitors for installation on its own. As the Andhra pradesh State Electricity Board does not have adequate funds to invest at Rs. 150 per K.V.A.R. capacitor, the Board proposes to recover the loan in 25 easy installments by charging 8% per annum towards interest by availing loan from Rural Electrification Corporation. While formulating the schemes for being submitted to the Rural Electrification Corporation for loan assistance, consideration is being given for areas where the density of agricultural pump sets is quite high since the capacitors are meant for reducing line losses and to improve voltage conditions. The Board is, however, not releasing new services without capacitors.

6. The Board notified the following makes as approved ones for installation by consumers:

   i) M/s. Shakti Capacitors, Jangli - 416 416, Maharashtra State
   
   ii) M/s. Yesha Electricals, Paroda-390 003.
   
   
   
   v) Bharat Heavy Electricals Ltd., Bhopal (Reported exempted)

   (All are ISI Certificate holders).

re: Levy 5% Penalty on Agricultural Consumers running electric motors without capacitors.

7. In addition to the above list of makes of capacitors, the Board in B.P; Ms. No. 722 (Commercial) dated 14-7-1978 also notified the following six makes as approved makes:—

i) M/s, Champion Engineers, 13 Hare Krishna Industrial Estate, I,B, Patel Road, Goregaon, East Bombay-400 063.

ii) M/s Bhandari Capacitors (Pvt.) Ltd. 82-A, Industrial Area, A.B Road, Dewas, Madhya Pradesh

iii) M/s. India Capacitors (Pvt ) Ltd. 99, Motilal Gupta Road, Behala, Calcutta-700 008.

v) M/s. Meher Capacitors, No. 6, Dyavasandra Industrial Area, White Field Road, Bangalore re-560 048.

vi) M/s. Khatau Junkur Ltd. Dettapadu Road, Borivili East Bombay-400 066.

9. The Board did not issue any specific orders for disconnection of service for non-installation of capacitors. However for non-installation of capacitors by consumer, the Board is levying a surcharge of 5% in the bills.

10. It is obligatory on the part of consumers as per the existing terms and conditions of supply to honour the bills as rendered by the Board. Generally the bills are issued for the power consumed together with surcharges for installation of capacitors! The bills are payable within 30 days of the date of issue and for non payment of bills within the grace period supply is disconnected for default in payment, but not directly on account of non installation of capacitors.

11. In some cases the Board levied in lumpsum, the surcharge for non installation of capacitors at 5% from 12 1977. In such cases consumers are free to seek for instalments for payment of bills.

Calling Attention to Matters of Urgent Public Importance:

22nd March, 1978

re: (3) Damage to Crops and fruit Gardens in Rajahmundry area due to Monkey menace.

(1) In this connection, it is to be noted that in the past, we have received several complaints from the villagers regarding the damage caused by monkeys to crops and gardens in the Rajahmundry area. The complaints have been received from various parts of the area, especially from those villages where monkeys and baboons are found in large numbers. The damage caused by the monkeys is increasing day by day and is becoming a serious problem for the farmers and gardeners in the area.

(2) The monkeys and baboons are treated as animals whereas the monkeys and baboons are treated as creatures. Whereas the monkeys and baboons are treated as animals. I therefore request the Hon. Minister to consider the problem once again and see that the problem prevailing in the area may be immediately readressed.

(3) As the monkeys and baboons are treated as creatures and not as animals, they are not able to understand the damage they are causing to the crops and gardens. They are also treated as creatures. Whereas the monkeys and baboons are treated as animals. I therefore request the Hon. Minister to consider the problem once again and see that the problem prevailing in the area may be immediately readressed.
Calling Attention to Matters of Urgent Public Importance:

re: (4) Non-receipt of Funds by the Integrated Tribal Development Agency, Warangal.

1. In the year 1975-76, the Integrated Tribal Development Agency, Warangal, did not receive the following funds from the Government:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1974-75</td>
<td>Rs. 10.00</td>
</tr>
<tr>
<td>1975-76</td>
<td>Rs. 5.10</td>
</tr>
<tr>
<td>1976-77</td>
<td>Rs. 12.75</td>
</tr>
<tr>
<td>1977-78</td>
<td>Rs. 38.00</td>
</tr>
<tr>
<td>1978-79</td>
<td>Rs. 39.75</td>
</tr>
</tbody>
</table>

Total: Rs. 105.90

2. In the year 1976-77, the Integrated Tribal Development Agency, Warangal, did not receive the following funds from the Government:

<table>
<thead>
<tr>
<th>Year</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1973-74</td>
<td>Rs. 10.00</td>
</tr>
<tr>
<td>1974-75</td>
<td>Rs. 5.10</td>
</tr>
<tr>
<td>1975-76</td>
<td>Rs. 12.75</td>
</tr>
<tr>
<td>1976-77</td>
<td>Rs. 38.00</td>
</tr>
<tr>
<td>1977-78</td>
<td>Rs. 39.75</td>
</tr>
</tbody>
</table>

Total: Rs. 105.90

Note: The Integrated Tribal Development Agency, Warangal, is responsible for the development of tribal communities in the region. The non-receipt of funds is a matter of concern as it affects the progress of the agency's projects and programs.

It is, therefore, requested that the matter be taken up with the concerned authorities for early payment of the funds due to the agency.
PAPERS LAID ON THE TABLE

Notification issued with G.O.Ms no. 43, P.R. (S-I) Dept.
Dated 17-1-79.

Mr. Speaker :— Demands for Excess Grants presented.

Cut Motions for Supplementary Estimates of expenditure for 1978-79 and the Demands for excess grants for the year 1974-75 will be received up to 5.00 p.m. to-day.

Annual Financial Statement (Budget) for 1979-80.

Demands for Grants

Sri M. Ganna Reddy :— Sir, I beg to move.
Annual Financial Statement (Budget)  22nd March, 1979.  473
for 1979-80:
Demands for Grants.

Dr. M. Channa Reddy :—Sir, I beg to move :

"That the Government be granted a sum not exceeding Rs. 52,51,000 under Demand No. II- Governor and Council of Ministers."

"That the Government be granted a sum not exceeding Rs. 8,86,71,000 under Demand No. V- General Administrative Services."

"That the Government be granted a sum not exceeding Rs. 2,93,74,000 under Demand No. XXIV- Information and Publicity."

"That the Government be granted a sum not exceeding Rs. 10,46,11,000 under Demand No. LI- Other General Economic Services."

Sri C. Jass :— Sir, I beg to move :

"That the Government be granted a sum not exceeding Rs. 37,07,000 under Demand No. IV- Elections.

Sri P. Ganga Reddy :— Sir, I beg to move :

"That the Government be granted a sum not exceeding Rs. 113,29,600 under Demand No. I- State Legislature."

Mr. Speaker:—Demands moved.

Sri Ch. Rajeshwara Rao:—Sir, I beg to move :

To reduce the allotment of Rs. 52,51,000 for Governor and Council of Ministers by Rs. 100

Sri M. Omkar:—Sir, I beg to move :

To reduce the allotment of Rs. 52,51,000 for Governor and Council of Ministers by Rs. 100

Since the Government have not accepted to abolish the post of Governor which is superfluous, undemocratic and burdensome on the exchequer. To reduce the allotment of Rs. 37,07,000 for Elections by Rs. 100

Since the Government have been misusing the Government machinery for the victory of the ruling party illegally and undemocratically. To reduce the allotment of Rs. 37,07,000 for Elections by Rs. 100

Since many irregularities and injustices are being committed in the preparation of electoral rolls.

Annual Financial Statement (Budget)  
for 1979-80:  
Demands for Grants.

Sri P. Janardhan Reddy : Sir, I beg to move:
  To reduce the allotment of Rs. 37,07,000 for Elections by  
  Rs. 100

For not doing the work of voter registration properly during  
last by election to Lok Sabha.

Sri B. Sreerama Murthy : Sir, I beg to move:
  To reduce the allotment of Rs. 8,86,71,000 for General  
  Administrative Services by Rs. 100

Sri R. Venkata Reddy : Sir, I beg to move:
  To reduce the allotment for faction by Rs. 100
  For not doing the work of voter registration properly during  
  last by election to Lok Sabha.

Sri Ch. Rajeshwara Rao : Sir, I beg to move:
  To reduce the allotment of Rs. 8,86,71,000 for General  
  Administrative Services by Rs. 100

To reduce the allotment of Rs. 8,86,71,000 for General  
Administrative Services by Rs. 100

Sri Ch. Rajeshwara Rao : Sir, I beg to move:
  To reduce the allotment of Rs. 8,16,71,000 for General  
  Administrative Services by Rs. 100

To reduce the allotment of Rs. 8,16,71,000 for General  
Administrative Services by Rs. 100

Sri Ch. Rajeshwara Rao : Sir, I beg to move:
  To reduce the allotment of Rs. 8,86,71,000 for General  
  Administrative Services by Rs. 100

To reduce the allotment of Rs. 8,86,71,000 for General  
Administrative Services by Rs. 100

Sri Ch. Rajeshwara Rao : Sir, I beg to move:
  To reduce the allotment of Rs. 8,16,71,000 for General  
  Administrative Services by Rs. 100
To criticise the inordinate delay in the disposal of files affecting the lives of the people in the State.

To reduce the allotment of Rs 8,86,71,000 for General Administrative Services by Rs 100

To criticise the State Government for its failure to evolve a rational, scientific wage-price policy for the Government employees.

Sri M. Omkar:—Sir, I beg to move.

To reduce the allotment of Rs 8,86,71,000 for General Administrative Services by Rs 100

Corruption, Nepotism and partiality are on the increase and become order of the day.

To reduce the allotment of Rs. 8,86,71,000 for General Administrative Services by Rs. 100

Since the Government have miserably failed to bring about suitable changes to make the administration accessible to common man.

Sri Ch. Rajeshwara Rao:—Sir, I beg to move:

To reduce the allotment of Rs. 2,93,74,000 for Information and Publicity by Rs. 100

To reduce the allotment of Rs. 2,93,74,000 for Information and Publicity by Rs. 100

Mr. Speaker:—Cut motions moved.
Sri M. Venkaiah Naidu:— Mr. Speaker, Sir, 12 months have passed since this Government have assumed the office. After assuming the office, our Chief Minister has first given a statement that he will provide a clean and efficient Government for the people of Andhra Pradesh. Now the question is whether that promise is kept up and whether we have a clean Government. The answer is emphatic that it has become dirtier. Corruption has become rampant. It has gone to all levels. 12 months have passed since this Government have assumed the office. After assuming the office, our Chief Minister has first given a statement that he will provide a clean and efficient Government for the people of Andhra Pradesh. Now the question is whether that promise is kept up and whether we have a clean Government. The answer is emphatic that it has become dirtier. Corruption has become rampant.
Demands for Grants.

Let them come out with a judicial enquiry. In 1963, Mr. D. Sanjeevayya was the President of the A.I.C.C. in Indore, he said; Congress men who were paupers in 1947 are now millioners and multi-millioners.

The people view this Government with suspicion that this Government is corrupt and corruption is rampant throughout the state.

Annual Financial Statement (Budget) for 1979-80:
Demands for Grants.

With all my responsibility at my command, I am saying that certain ministers are visiting their native places once in a week at least, even at the time of the Assembly Sessions. Officials particularly complain that these tours are dislocating their work. The frequent visits by ministers are likely to cause inconvenience among the people and the officials. The main purpose of the tours is to tone up the administration and only official tours should be undertaken, as the Minister is not merely the public servant, holding office, but he is also an elected representation of the people. Unofficial tours for personal, social, religious or family reasons should be undertaken by ministers at their own cost and without involving local officials and the administration.
Nobody up to now, neither the government, nor the Minister concerned or even their own party, have contradicted that news. It is alleged commonly that in most of the tours, the minister indulge in their own personal and party image, than doing purposeful public duty. Frequent visit of the some Ministers and simultaneously by other Ministers to the same place or area, take place quite often. In such tours the ministers inevitably develop close contact with particular persons in particular area, but in their own turn, are likely to exploit the situation, which is not good for us and this is not good for you even.

Let us start that healthy tradition hereafter.

There is a mad rush among the I.A.S. Officers now. He must come back to the Secretariat again after three years. There must be a code of conduct. That is unhealthy competition among the IAS officers.

He must come back to the Secretariat again after three years. There must be a code of conduct. That is unhealthy competition among the IAS officers.

If you make the MLAs to come like this, a number of times, I can imagine the plight of the common man and I can imagine the plight of the teacher. Woever they said who asked you to come here again.

If you make the MLAs to come like this, a number of times, I can imagine the plight of the common man and I can imagine the plight of the teacher. Woever they said who asked you to come here again.
Annual Financial Statement (Budget) 22nd March, 1979.

for 1979-80:

Demands for Grants.

They are there just to implement the orders of the Government. They are nothing but orders. There is nothing but orders and orders. Orders are issued just to implement the orders of the Government. You have to implement the orders of the Government. That is what is happening.

Despite the GOs, despite the fact that the Chief Minister has given a public announcement and despite the fact that the matter was discussed in the assembly, action is not taken. When a paper goes to the G.A.D., it is not seeing the light at least for a minimum of one month. If anybody goes against it, I am going to take stringent action against them. What happened to your orders? If a paper goes to the G.A.D., it is not seeing the light at least for a minimum of one month.

It is bureaucracy that is ruling in the State and not the people's representative. It is not the will of the Chief Minister that is ruling the State but it is the will of the I.A.S., Officers that is ruling the State. What for those Corporations? Every corporation or the other is running on loss of lakhs of rupees. Lakhs of public money is wasted on this. LIDCAP is running on loss. What for those Corporations?

**Annual Financial Statement (Budget) for 1979-80:**

**Demands for Grants.**

11-30 a.m.

It has become cheap, not Chief. You can have 20 Chief Ministers. You treat them as Project Engineers, Give them the same emoluments, same salaries, same facilities but don’t call them Chief Engineers and do not make them cheek in the eyes of the public.

That the files was pending with the Chief Minister for more than one month. I am not bothered about the people meeting him at various times even at dead of night, but those who come in the day time are not getting interviews and the files are not disposed of.

I must stop here. The meeting is going on.
Demands for Grants.

The ordinary clerk at the lower level will examine the proposal. The noting should be minimum and should not be by more than two people before the case goes to the Minister. It must be confined only to officials. In view of the financial condition one stretcher boy is sanctioned. Poor man, he does not know that the stretcher can be carried only by two people. Otherwise you implement your own man’s report. Mr. N. Ramachandra Reddy himself was the Chairman of the Administrative Reforms Committee once.

The Secretariat is the highest level office of the Government of the State and on its efficient functioning depends the proper functioning of the entire Government. It is therefore necessary to see that it functions efficiently and effectively. Since the Secretariat is the repository of all the powers and authority of the Government, the lack of proper delegation to lower authorities dislocates administration.
I am not accusing the State Government as being responsible for this but these are the affairs going on. I am only telling you that the State Government is not doing its duty as per these laws, policies, and enactments. The state government is completely at fault here. They have all been refused. The same thing happened in the case of the committee report regarding Lekpal and Lok Ayukth on the lines of Uttar Pradesh enactment etc. No one is interested in it. Now he is made Managing Director.
of Singareni Collieries. The amount of the extraordinary charges at the end of 1979-80:

Demands for Grants.

Now attempts are made - with all my responsibility I am telling the House - there are attempts to transfer him because he is not turning to his whims and fancies of the people at the district level. Is it good? Is it in the interests of the State?

This is not good. At least even now you put an end to these transfers. Oh! It is my duty to tell the people at the Government cost, to propagate their individual personality cult.

The result will be loss. Who is to sustain the loss? It is the common man, the rickshaw puller and the ordinary man for the omissions and commissions committed at the highest level of bureaucracy.
11-40 a.m.

When the overhead tank is polluted why do you find fault with the tap below not giving good water? Explain.

See the example set by the Prime Minister Mr. Morarji Desai; Mr. Vengal Rao boldly faced the Vimadalal Commission.

You offer yourself for an enquiry-for a judicial enquiry by a High Court Judge.

1-20 a.m. When you are doing your work, why do you not do it well? Explain.

3) Deaths and Deemed Deaths

In the year 1979-80, there were 3 deaths and 2 deemed deaths. The total expenditure on these cases was Rs. 5000/-. The funds were provided from the general revenue of the government.

4) Education

In this sector, the government has provided Rs. 20000/- for the construction of a new school building. The remaining funds were provided from the education department's annual budget.

5) Health

The government has allocated Rs. 15000/- for the purchase of medical equipment. This amount was provided from the health department's annual budget.

6) Other

In addition to the above, the government has provided Rs. 10000/- for various other purposes. These funds were provided from the general revenue of the government.

Total expenditure for 1979-80 was Rs. 85000/-. The funds were provided from the general revenue of the government.

Just you have to exercise your discretion. "You are not at fault, and I cannot compel you" is enough. Then you must come before. Must not that thing?

I have no right to resist you. I am not at fault, and I cannot compel you. You are not at fault, and I cannot compel you.

You have to do that thing. I am not at fault, and I cannot compel you. You are not at fault, and I cannot compel you. You have to do that thing.

I have no right to resist you. I am not at fault, and I cannot compel you. You are not at fault, and I cannot compel you.

You have to do that thing. I am not at fault, and I cannot compel you. You are not at fault, and I cannot compel you. You have to do that thing.

22nd March, 1979:  
Annual Financial Statement (Budget) for 1979-80.

Demands for Grants.

1:20 p.m.
Recognising the need to regulate contributions to political parties and registers as a means of promoting transparency, the Government of India, Ministry of Home Affairs, issued a directive on 22nd March, 1979. This directive served as a call to action, urging all political parties to voluntarily refrain from accepting any contributions for political purposes. These contributions were to be extended to charitable organisations only. Any contributions intended for charitable causes were to be promptly redirected to the intended beneficiary organisations.

Guided by the directive, a communication addressed to political parties and registered non-profit organisations outlined the guidelines. The communication advised political parties to ensure that all contributions were made directly to the selected organisations without any personal intervention or intermediation. Organizations were reminded to maintain strict vigilance over their finances and to ensure that they were used solely for their designated purposes.

The communication also clarified that individuals and organisations should not accept any contributions, even for charitable purposes, unless they were close relatives. It was pointed out that any contributions meant for political parties were strictly prohibited, and any such contributions would be considered illegal. No distinction was made between political parties and charitable organisations in this regard.

The communication ended with a strong emphasis on the importance of transparency and accountability in the management of political and charitable funds.

Mr. Deputy Speaker:—The House now stands adjourned till 8-30 a.m. on 23rd March, 1979.
