Matters under Rule 379:
Incident which took place when Sri Eranna MLA was travelling in Adoni-Tirupathi Express Bus.

Mr. Speaker:— Statements under Sec. 164 were recorded. It is a sub judice matter.

1. Sri A. Vengal Reddy:— On 24th February, 1979 at 6 00 a.m. Sri Masala Eranna, M.L.A. of Alur of Kurnool District boarded Adoni-Tirupathi Bus at Adoni Bus stand and took seat no. 4 reserved for Legislators. Thereupon, there was an altercation leading to the scuffle between the M.L.A. and the Conductor over the occupation of seat number 4 and 5. In the scuffle, the shirts of both were torn. The M.L.A. suffered an abrasion on his left knee. The Conductor is having an abrasion on his neck, leg and a little swelling on the right side of his head. Other passengers interfered to pacify both of them and the bus left Adoni at 6 30 a.m. instead of 6-00 a.m. as scheduled. The Controller, RTC launched a complaint in Telugu in No. 2 Town Police Station, Adoni at 8-00 a.m stating that he was informed by some passengers at 6-15 hours that the Conductor of Bus No: APZ 9742, P.V. Narayana and another person were indulging in a wordy quarrel and that when he went there, the conductor of the said bus got down and informed that MLA, Aloor had caught hold of his shirt and beat him for not giving him a seat. The case in crime No: 101/79 and section 332/IPC, was registered. The MLA, who travelled up to Aloor also preferred a complaint at Aloor Police Station which was transferred to Adhoni II Town Police Station on the point of jurisdiction and was registered as Crime No: 102/79 under section 332, 362 and section 7(1)(D) of the Protection of Civil Rights Act. In his complaint to the Police, the
MLA, alleged that he was dragged out of the seat on the ground that he was a harijan and thereafter assaulted by the conductor and when he protested against the discrimination against him, he added that the conductor abused him as a ‘Harijan’. Both the cases are under investigation. Considering the importance of the matter, the DIG, has been asked to look into this investigation of these cases personally.

As a protest against the high-handed behaviour of the MLA, drivers and conductors of Adoni Bus Depot struck work on 23-2-79 at 10-00 am, and as a result of which a large number of passengers going to Manthalayam and Yelkurthi for Sivarathi festival were stranded. On the intervention of the local Circle Inspector of Police and his assurance of an impartial investigation into both the cases, the R.T.C. Crew resumed their duties at 12.30 hours.

The following information about Sri M. Erranna, M.L.A. Congress-I, from Aloor Assembly Constituency, Kurnool District is available. On 4-10-1978, ...

In matters under Rule 329:

Incident which took place when Sri Erranna MLA was travelling in Adoni-Tirupathi Express Bus.

(interruptions...All the Opposition Members were standing on their legs, insisting the Hon'ble Speaker, to allow the Minister to read out that past incidence also)

Sri A. Vengala Reddy :—Sir, that is a different matter altogether...

(interruptions)

Sri G. Sundara Ramaiah :—Sir, Point of Order...if it is not related to the present subject, can any member press and demand, when it is being declared as quite irrelevant by the Minister?

(interruptions)

Sri B. Machender Rao (Secunder bad-Contemnment) :—Sir why should he read it when it is not relevant?....

(Some members were on their legs)

Mr. Speaker :—Please all of you resume your seats. Why do you go on commenting in a different manner. Whatever the statement of the Minister wants to make, let him make. Mr. A. Vengala Reddy you please give....

Sri A. Vengala Reddy :—Sir, because I went through two to three sentences, and then I felt that it is not relevant to the case, but still our members are insisting me, I will read that also. "On 4-10-1978, he has reported to have occupied the chair of the B.D.O., in his office during a meeting, and when B.D.O., offered him another chair, the M.L.A., abused him. On 5-10-1978, at 11-00 a.m., he is reported to have abused.....

(interruptions)

Mr. Speaker :—Mr. B. Machander Rao, let him read the statement. Do you want to prevent the Minister.....

Sri A. Vengala Reddy :—Sir, that is why I said that it was not relevant and I kept quiet.

Sri M. Venkaiah Naidu :—Sir, according to Rule 320, if a Minister quotes in the House a despatch or other State paper which has not been presented to the House, he shall lay the relevant Paper on the Table....
Matter under Rule 329: Incident which took place when Sri Eranra M L.A. was travelling in Adoni-Tirupati Express Bus.

Mr. Speaker: —You please read the proviso also...

Sri M. Venkaiah Naidu:—Yes sir, Provided that this rule shall not apply to any documents which are stated by the Minister to be of such nature that their production would be inconsistent with public interest; Provided further that where a Minister gives in his own words a summary or gist of such despatch or State Paper it shall not be necessary to lay the relevant papers on the Table.

Sir, you please see the Rule 322 also... "If in answer to a question or during debate, a Minister discloses the advice or opinion given to him by any officer of the Government or by any other person of authority, he shall ordinarily lay the relevant document or parts of document containing that opinion or advice, or a summary thereof on the Table of the House... he must certainly place it on the Table of the House.

Mr. Speaker:— You are creating a lot of confusion. Let him answer that point. If you are all going on standing together and making a kind of wild allegation, it is not conducive to the debate...

Incident which took place when Sri Eranna in L.A. was travelling in Adoni-Tiruchiri Express Bus.

Sri H. Venkatiah Naidu:- Sir, that means the report read out by the Minister should be kept on the Table.

Mr. Speaker:—This is not 329, or answer raised and I am giving certain distinction between these two. . . . i. e. this is neither debate nor a discussion. Therefore 329 rule does not apply . . .

Sri S. Jaipal Reddy:—Sir, then what is the matter that comes up before the House for consideration and when once replied by the Minister when the reply becomes a question before the House.

Mr. Speaker:—That question is different. You see definition.

Mr. Speaker:—Provided he has said in his own words . . .

Mr. Speaker:—Incident which took place when Sri Eranna M.L.A. was travelling in Adoni-Tirupathi Express Bus.

Sri R.M. Manohar (Achampet):—A large number of students commonly led by Sri Ramesh Babu of Youth Congress and those belonging to the Scheduled Caste community came to me and we had a clear discussion with the Transport Minister.

(interruptions from Opposition Benches).

Mr. Speaker:—Rule 329 will not apply. It is rule 320 that applies. The proviso to that rules applies in this case. He is giving a gist of what he has received and therefore there is no point of order.

(interruptions from Opposition Benches).

Mr. Speaker:—You have raised point of order and I have given a ruling.

Sri M. Venkaiah Naidu:—Before giving the ruling, my request to you is that you may please go through the facts.

Mr. Speaker:—I have gone through the facts.

(Sri Jaipal Reddy wanted to speak)

Mr. Speaker:—I don't want any comment to be made on my ruling.

Sri S. Jaipal Reddy:—I am not making any comment. The proviso says "Provided that this rule shall not apply to any documents which are stated by the Minister to be of such a nature that their production would be inconsistent with public interest." The Minister did not take a stand so far. Therefore it means that the Minister does not think in terms of the proviso.

Mr. Speaker:—Every proviso stands by itself.

Sri S. Jaipal Reddy:—In the instant case, the Minister for Transport has not so far stated the disclosure of this document is inconsistent with public interest and on the contrary this document was meant for disclosure in the House, he was reading from it and the entire document was to be read by him. The Minister has not so far taken the stand that the disclosure of the same document would be unnecessary in public interest. Therefore your ruling is correct provided the Minister holds that opinion. So far the Minister has not taken that position, Therefore I request the Minister to read the statement.

Mr. Speaker:—There are two provisos; each stands by itself; one is not conditioned by the other. The second proviso says that where a Minister gives in his own words a summary or gist of

such despatch or State paper it shall not be necessary to lay the relevant papers on the Table.

Mr. Speaker:—Please resume your seats.

Sri M. Venkaiah Naidu:—On a point of submission, I shall read Rule 333: "If the Speaker is of opinion that a word or words has or have been used in debate..." This is not a debate. So the point of order does not stand. It is a statement by the Minister.

Mr. Speaker:—Let me see. The rule says "If the Speaker is of opinion that a word or words has or have been used in debate which is or are defamatory or indecent..." This is not a debate. Let the Minister read the statement.

Sri M. Venkaiah Naidu:—He has already read.

Mr. Speaker:—He has not read.

Sri M. Venkaiah Naidu:—I would like to know what is the statement that he has read from the beginning up to now. Let us forget for the time being the B.D.O's affair. The Minister has read out a statement while stating that the member gave a complaint.

Mr. Speaker:—What is the statement that he has read? I don't want a gist. I want the whole statement. I want him to read the whole statement first. Then we can ask for clarification.

Matter under Rule 329:
re: Incident which took place when Sri Eranna M L.A. was travelling in Adoni-Tirupathi Express Bus.

Mr, Speaker.—(To Sri A. Venga) Reddy) You read the whole statement. That will put an end to the matter.

Sri P. Sundarayya:—Sir, the Speaker is creating more trouble for us.

Mr. Speaker:—(To the Minister) You read that statement. Or one thing I want to do. Let the Minister come prepared with the statement, I am postponing the matter.

(Sri S. Jaipal Reddy:)—There is no need for postponement.

Mr. Speaker:—Please read the statement, Mr. Vengalreddy,

(Sri B. Machindra Rao.)—Let him read it in Telugu.

Mr. Speaker:—I cannot compel him.

(Sri M. Venkaiah Naidu:)—Why has the Hon’ble Speaker allowed him to make an irrelevant statement previously.

Mr. Speaker:—No; he only gave a gist of the statement.
Matter under Rule 329: Incident which took place when Sri Eranna M.L.A. was travelling in Adoni-Tirupathi Express Bus.

Mr. Speaker:—I am not going to allow this. Let the Minister read the statement.

Sri A. Vengal Reddy—On 24-2-1979 bus No. 9748 was booked for operating express service at 6-00 a.m. on route Adoni to Tirupathi. The driver of the service was Sri Badullah while conductor was Sri B.V.S. Narayana, E. 54133 Sri M. Eranna, M.L.A. got into the bus and sat in seat No. 5 earmarked for Legislators.

Mr. Speaker:—If there is any discrepancy between the original statement and this statement, then it will be a question of privilege.

Sri P. Sundarayya:—Is the Minister reading the same statement or a new statement.

Sri P. Sundarayya:—No. He is reading a different statement.

Mr. Speaker:—Let him make the statement. If there is any discrepancy, we will see.

Sri A. Vengal Reddy:—Sri M. Eranna, MLA, got into the bus and sat in seat No. 5 earmarked for Legislators. Another passenger Sri Narasi Reddy s/o Veerappa Reddy, Aluru and his wife who could not travel on the bus to Joharapuram because of some repairs, came to this bus. Sri Narasi Reddy got in and sat on seat No. 4. The conductor requested him to occupy the front single seat (Conductor’s seat) saying that he should sit in seat No. 4 in order to have easy access to passengers for issue of tickets and also to open and close the entrance door for
the passengers boarding or alighting. Sri Eranna, MLA, is reported
to have objected to the same over which a quarrel ensued between
them.

Sri Eranna gave a written complaint at Aluru Police station,
Kurnool district which was registered and the case was transferred to
Adoni II Town Police station. It was registered in Adoni II Town
Police Station as Crime No. 102/79 under Section 332, 352 IPC and
7 (1) (d) of Protection of Civil Rights Act.

The Controller on duty who rushed to the place on hearing
about the incident also gave a complaint before the Circle Inspector
Adoni and it was registered as Crime No. 101/79 under Sec. 332 IPC
at Adoni-II town police station.

The Divisional Manager, APSRTC Kurnool had directed the
Chief Inspector (Enquiries) to conduct a departmental enquiry into the
matter in order to initiate whatever action is called for against the
conductor and he has recorded the statement of some of the witnesses.

The Deputy Inspector General of Police, Kurnool is personally
investigating into the case now. Further action against the conductor
will be taken after the report of the Deputy Inspector General of
Police, Kurnool is received.

Let him read the second statement

As a protest, I am walking out.

Sri Ch. Shyamala Rao: —Sir, one submission....

Mr. Speaker: —I will call you. They have given notice and let them first speak.

11:10 a.m.
Matters under Rule 329: re Incident which took place when Sri. M. Venkaiah Naidu was travelling in Adoni-Tirupathi Express Bus.

Sri M. Venkaiah Naidu: The House cannot compel a Member to make a statement. We are not interested in compelling him to make a statement.

Mr. Speaker: The matter is sub-judice.

Sri M. Venkaiah Naidu: The House or the Speaker cannot compel a Member to make a statement, because of the answer of the Minister. Under rule 171, this would come privilege issue. I wish to raise a privilege motion under Rule 171.

Mr. Speaker: I have not given you permission to raise the question of privileges. If you have got any question of privilege, you give it in writing. So, now there is no question or raising a privilege issue.
Incident which took place when Sri Eranna M.L.A. was travelling in Adoni-Tirupathi Express Bus.

The Legislature or the Parliament can discuss matters which are before the Courts. There are precedents.

Mr. Speaker:—When a matter is sub-judice, it is not good for us to discuss about it. My ruling is binding as far as this House is concerned.

Sri Ch. Parasurama Naidu:—What is sub-judice, we have to taken in consideration. I will bring to your notice, Sir, that a seat reserved for the Member was occupied by the Member.

Mr. Speaker:—Is it proper for us to discuss the merits of the case?

Sri Ch. Parasurama Naidu:—I do agree that the merits of the case cannot be discussed. But there are certain facts which do not enter into the arena of the case. A seat was reserved and the Member occupied that seat and the Conductor asked him to go away from that seat. This part is outside the jurisdiction of the Court and within the jurisdiction of the Minister. It is not that only the Opposition is concerned with the respect of the Hon’ble Member. This side of the House is also having equal concern with the respect of the Member and nobody can exploit this position. Therefore, on the part mentioned, action against the Conductor is immediately called for.

I do not see there is any point in his point of order.

Matter under Rule 329:

re: Incident which took place when
Sri Eranna M.L.A. was travelling in

Sri M. Venkaiah Naidu:—This House has discussed the matter of Mr. Venkataswamy, Police Inspector of Nellore, when the bail application was in the Court. You have allowed the discussion.

When once the Court has seized the matter, we cannot discuss it.

Sri M. Venkaiah Naidu:—This House has discussed the matter of Mr. Venkataswamy, Police Inspector of Nellore, when the bail application was in the Court. You have allowed the discussion.

Once in a year, the Demands would be moved and I think every Minister invariably should be in the House when his Demands are moved and being discussed. It is not proper for the Minister for Marketing not to be present here. Any way, the Minister for Agriculture, who has moved the Demand, will reply. The Dairy Development Corporation is not in a position to take up new schemes. In Principle that it must be based on co-operative system on Anand pattern. There is no force. In 1978-79 there was a surplus of Rs. 488 crores. This year there is no surplus.

The Director from other region gave a wrong report. As a matter of fact there is every facility like water, grass, etc. and with help of the Chairman, Telangana Regional Committee (Planning and Development), sanction was obtained for Rs. 5000/- and the Collector of Mahboobnagar district was also asked to do the necessary survey. Mr. Ramdev, Minister for Animal Husbandry also was kind enough to refer the matter. I pray Mr. Ramdev to take up this project and see that it is completed.

Even then he has given a representation. I shall go into the matter.

Sri R.M. Manohar:--After that no action has been taken on this issue. The Chenchus and Lamoadis in that area are roaming about without any occupation; they are starving.

Sri B. Ramdev:--If the funds are given and water is not available, what will happen?

Sri R.M. Manohar:--I will resign my membership if water is not available.

Sri B. Ramdev:--It is not the Director of Animal Husbandry; it is the Geologist who has given the report.

Sri R.M. Manohar:--Rs. 500/- has been sanctioned by the Telangana Planning & Development Committee Chairman and I request that a report may be called for immediately and proper action taken in that direction.

Who has collected the money? The President of the producer Union has collected. I will read the letter:

"We the members of the Building Construction Committee, Milk Chilling Centre, Challapalli, write the following few lines for favourable consideration of the Milk Commissioner and request for the issue of early orders for starting the milk chilling centre construction work. The Collector, Krishna has kindly promised to provide 2/3 funds, i.e., Rs. 1 lakh from the Welfare Fund and the remaining 1/3 i.e., Rs. 50,000/- is being contributed by the milk producers of the area. A sum of Rs. 30,000/- is already collected and we have also made ready certain material like bricks, sand, etc. worth Rs. 10,000/- as our contribution and the remaining Rs. 10,000/- will be made available after starting the work. The foundation-stone was laid by Dr. K. Bhattacharya, Dairy Development Officer, Government of India and the Milk Commissioner, Hyderabad presided over the function. Therefore in view of the above circumstances, we request the Milk Commissioner to kindly arrange for the immediate commencement of the work."
