Short Notice Questions and Answers.

On 15-1-79 a notice was issued informing the public that the temple would be closed and the doors locked for the day. However, the Minister himself did not obey the notice and went to the temple. Police can maintain law and order. As the Minister was not allowed to enter the temple in spite of the order of the Court, he was good enough to go to the temple. He went along with Legislators. It is a matter of shame that the Minister himself was not allowed to enter the temple in spite of the order of the Court.

Their demand is for transfer of the Superintendent who is shielding the delinquent officer and our demand is for appointment of a State Level Officer for enquiry.

Mr. Deputy Speaker: — After receiving the preliminary report he will take action.

Sri B.T.L.N. Choudary: — What difficulty is there in transferring the Superintendent.

Mr. Deputy Speaker: — He is expecting a reply from the DCE.

Sri B.T.L.N. Choudary: I suspect that there will be tampering of the records and high-handedness because this particular Superintendent is powerful and influential. Why can't you transfer and conduct enquiry. He is coming in the way of enquiry.

Mr. Deputy Speaker: — If necessary he will also be transferred.

Sri B.T.L.N. Choudary: — We are of the opinion that this Superintendent is shielding the officers.

Sri P. Ganga Reddy:— I assure the House that I will keep the views expressed by hon. Members in my mind. We don't want to hinder anybody.

Sri P. Ganga Reddy : —You have no right to suspect.

Sri Poola Subbaiah: —The case is very clear. We need not argue. On the face of it, there is a prima facie case. Therefore the Minister has to move and take action. What action has Minister sponsored when it is made clear.

Sri P. Ganga Reddy : —After receiving the preliminary enquiry report, we will depute if necessary a senior officer from here.

Sri M.Venkayya Naidu : —Now it is proved beyond doubt that the money was misappropriated.
Sri P. Ganga Reddy: —Actually the Superintendent was informed on 4-3-79. He has immediately informed the D.C.E. The D.C.E. has issued orders on 6-3-79. Between getting the information and issuing orders there is only a gap of 2 days.

re: Forcible collection by the officials of the Co-operative Central Bank, Khammam.

Sri S. Jaipal Reddy:—One young woman, by name Sailaja is missing since 29th. She left her home on the 29th at 10-30 for collecting a college application form and she is since missing. The family made a Police report right on 29th. There is scope of hearing the worst about her. There is possibility of her having fallen a ghastly prey to foul play. Therefore this matter may be taken up tomorrow, and in the mean time Police Department may be instructed to gear up the entire machinery to trace out her. We are afraid the office is under instructions that no matter concerning law and order should be taken up for consideration. We have received disturbing information. If the Chair is not able to say that this will be considered, we are helpless.

Mr. Deputy Speaker:— I will see it myself. The Speaker must have seen it. Tomorrow we will see that Chief Minister or somebody makes a statement.

re: Hunger Strike by Medical Employees demanding immediate release of Pay Commission Reports.

(2) re: Relay Hunger Strike by Medical Employees demanding immediate release of Pay Commission Reports.

Hunger Strike by Medical Employees demanding immediate release of Pay Commission Report.

Sri A. Madan Mohan: The Andhra Pradesh Medical Employees Union made some representations about the removal of anomalies existing in the pay scales of some low-paid employees in the Department increasing the casual leave allowed to the employees, creation of additional staff in certain cadres to cope up with the working and to enhance the uniform allowance to certain categories, etc. I held a meeting with the representatives of the Union on 24.2.1979 and we arrived at certain conclusions. In pursuance of that in certain matters like facility of casual leave to contingent staff and proper maintenance of the staff quarters, orders were already issued and action is being pursued in other matters. In the meanwhile, the Union issued a notice on 10-6-1979 to the effect that they would embark upon a State-wide programme of hunger strike from 27.6.1979 before all hospitals, teaching institutions and the Secretariat. This matter was already raised in the Assembly by way of Call Attention Notice and I have already made a statement on 21-6-1979. I mentioned that some of the Union demands are covered by the terms of reference to the Pay Revision Commission and some of the demands involved financial commitment and those are being examined. I also mentioned that the Union made some fresh demands in its notice on 10-6-1979 and those too would be examined in consultation with Director of Medical Education and Administration. After making the statement, I held a meeting with the representatives of the Union on 28-6-1979. I assured them in the meeting that the Government would sympathetically consider all their demands taking overall financial position of the State into consideration by holding a meeting at the highest level. There is no justification for the employees proceeding on either relay hunger strike.

or other forms of agitation. To my mind the union representatives seemed convinced of the Government's stand and I hope the employees will give up the hunger strike before all the medical institutions if they have not already done so.

re: (3) Withholding the Results of S. S. C Students at Aravapalem Centre and at A.M.A.A. High School, Anakapally, Visakhapatnam District.

Mr. Deputy Speaker:—He has asked specifically.

Mr. K. Govinda Rao:—I have given notice long time back and he must have got the information.

I will check it up.
Matters Under Rule 329:

Withholding of the Results of S.S.C. students at Aravapalem Centre and the A. M. A.A. High School, Anakapally, Visakhapatnam District.

In the matter of the aforesaid, thefactor, school management of the said schools hereinabove, having decided that the results of the said students be withheld for the time being, is hereby communicated.

It is requested that the said results be withheld till further orders.

This cannot be argued as a matter of right. So for as educational standards are concerned. I wish that Hon'ble Member like Mr. Alwardas will co-operate with the Department. We shall do away with the system and let us examine it and we shall change it. you can give me the Suggestions. We want to reform the examination system. I do accept that there are same defects in the examinations system. They are really the barometers of the students achievements. But adding five marks will not solve the Problem at all. Whether we add or not either in S. S. C. or in Inter-mediate will be examined objectively and a decision will be taken soon.
Mr, Deputy Speaker:—Immediately I will see that he replies.
Calling Attention to Matters of urgent public Importance

In pursuance of your order of calling attention on 13/6, 20, 21, 28/2, 28, 23. 6th March 1979, 7th August 1979, 28th October 1979, and Sr. 510. 28th December 1979, I have to state that in 1960, 20, 21, 28/2, 28, 23. 6th March 1979, 7th August 1979, 28th October 1979, and Sr. 510. 28th December 1979, we have been cultivating various lands of Sri Jagannadham Temple at Pedda Walter Village.

However, it is unfortunate to note that in 1971, the temple authorities have taken a decision to evict us from the lands. We have been cultivating these lands since 1960, and we have a long-standing tradition of cultivating these lands for several years.

We have been attempting to negotiate with the temple authorities to find a solution to this issue. However, we have not received any positive response from them.

Unfortunately, we have been forced to leave our lands due to the eviction notice. We have been trying to find a solution to this issue, but we have not been successful.

I request you to intervene in this matter and help us in finding a solution to this issue.

Yours sincerely,

re: Steps taken by the Govt. to protect forest lands from occupation by landlords of Mahbubabad Taluk, Warangal district.

As regards the information on the occupation of 500 acres of forest land in Mahbubabad Taluk in Warangal District, the facts are that Sl. Nos. 114, 115 and 120 of Annaram Village, and Survey Nos. 191 and 195 of Tallapuspallli village, comprising an area of about 330 acres and 340 acres respectively, inter-alia have been included in Dhanasari proposed Reserved Forest. The said proposed Reserved Forest also includes, an extent of about 2,900 acres from Berivada and Vemhrivil villages. The total extent of Vennur and Bervide villages

included in the Dhansari proposed Reserved Forest is claimed to be the patta of one Sri J. Chenna Krishna Reddy, Ijaradar, and after the death of Sri J. Chenna Krishna Reddi, his son Sri J. Manmohan Reddi along with his brothers and sisters are claiming succession rights. It is contended by the Forest Department that the entire extent of 2,900 acres of Berivada and Vemnur villages is attracted by the provisions of the Andhra Pradesh (Telangana Area) Ijara and Kowli Lands Cancellation of Irregular Pattas and Abolition of Concessional Assessment Act, 1961 and the patta should stand cancelled. The Tahsildar, Mahabubabad, purporting to act under the said Law, passed orders cancelling the patta over an extent of 1,025 Acs. in 1966, and 909 acres in 1973. While the Tahsildar, Mahabubabad was proceeding to cancel the patta over the remaining extent, Sri J. Manmohan Reddi, his brothers and sisters filed four writ petitions in the High Court and the High Court, while disposing of the writ petitions on 30-12-1975 remanded the matter to the Tahsildar, Mahabubabad for proper enquiry in accordance with Law.

The villagers of Vempur and Berivada are trying to occupy the lands of Annaram and Tallapusapalli. Sri J. Manmohan Reddy along with his kith and kin are encouraging for occupying these lands. The villagers of Vemnur, Berivada, Annaram and Tallapusapalli are adjoining each other. There seems to be a feud between the village boundaries. The ryots of Annaram and Tallapusapalli have filed a petition to the Hon'ble Chief Minister alleging that certain villagers of Vemnur and Berivada etc., under the instigation of Sri J. Manmohan Reddy are destroying forests and trying to illegally occupy the lands in their village limits. The matter is under investigation by the Conservator of Forests, Warangal.

Government Bills:

Mr. Deputy Speaker:—The question is that:

"The Andhra Pradesh (Andhra Area) Public Health (Amendment) Bill, 1979, be taken into consideration."

(Sri M. Omkar pressed for division)

Mr. Deputy Speaker:—Those who are for the Motion pleased stand in their seats.

(Sri A. Madan Mohan and three other Members from the Treasury Benches stood in their seats.)

(PAUSE)

Sri M. Omkar:—On a point of order Sir. First you have called "those who are for the Motion please stand in their seats." Only two or three people stood in their seats. Then immediately you have to call for those people who are against the motion. This is very wrong method and very objectionable. Only three or four people voted in favour of the Motion.

Mr. Deputy Speaker:—You have to give ample opportunity to them.

Sri M. Omkar:—Perhaps their option is for neutrality. After asking the people who are against the Motion, you can call for those people who are neutral and they can raise. They can take the third option.

Mr. Deputy Speaker:—I did not give any ruling.
Mr. Deputy Speaker:—I never said like that.

Sri A. Madan Mohan:—It is not for the Hon'ble Member to say whether you have completed or not.

Sri Mr. Omkar:—I have not questioned your competency Sir. Unnecessarily he is putting his words in my mouth.

Mr. Deputy Speaker:—I have nothing to do for the Motion or against the Motion. It is for you to decide. Actually, I wanted to put the Bill for voting and they insisted for division. I was announcing who are for the Motion. I have not declared the results. Neither we have counted nor the office people took an opportunity to count them. How can you come to the conclusion that they were not for the Motion?

Sri A. Veerappa:—It is not correct. Speaker only said “Who are for the Motion.” Then we stood up.

Mr. Deputy Speaker:—Let us also see that.

Sri C. Janga Reddy:—(Interruptions)
Mr. Deputy Speaker: —I must give an opportunity to all the members equally. They must hear me properly, make up their mind and stand up.

(The House then divided)

Ayes—58  'Noes—27  Neutrals—Nil.

The Motion was carried.

CLAUSE (2)

Sri K.B. Siddaiah : —Sir, I move that:

"In the Proviso to clause 2 for the words ‘two rupees’ substitute the words ‘ten paise, wherever it occurs’.

Mr. Deputy Speaker:— Amendment moved.

Sri M. Omkar:—It covers all passengers including children, women, Harijans and Girijans irrespective of caste, creed and sex, even beggars whoever travel by road. As the Hon’ble members have already submitted, that it is very fair on the part of the Hon’ble Minister that he should reduce the amount at least to 0.10 ps. This will be some concession. Since long time we have been seeing in the Parliament and Assemblies when originally taxes are proposed, after taking into consideration the views of the members expressed in the House as well as the views of public expressed outside the House they are coming.
forward with alterations reducing the original proposals. Why should not our minister resort to this method? It is better if he is pleased to accept this amendment moved by Sri K. B. Siddiaiah.

 Millions of pilgrims visited the spot to have a dip in the Ganges. It involves a totally repressive principle.

A man has to be popular either as noted or notorious. While I have been trying to be noted, if I do not get it, I do not mind. The way I have been living is that I go to different places and talk to different people. When I have to address a meeting, I always try to get the attention of the audience.
Sri A. Madan Mohan: —After careful consideration of all those suggestions, which probably we had accepted and we had discussed, I have nothing to add. I do share the sentiments of some of the Members of this House. But we cannot afford to be more sentimental in this aspect.

After all, if things have to move, we have to take a pragmatic and realistic approach and it is a realistic approach. It is not going to hurt anybody nor is it going to affect the prestige of Andhra Pradesh. Even in Northern India, wherever such pilgrimages took place, the pilgrims are taxed in some form or the other. In this case, I do not think, Rs. 2 is a burden on those who come to the pilgrimage. As such, I would again request the Hon'ble Members not to have unnecessarily their sentimental approach to the whole problem and co-operate with the Government and see that the Bill is passed.

Mr. Deputy Speaker:—The question is;
