Molesting Woman Employee in Chief Electrical Inspector's Office, Mint Compound.

96-A-

S.N.Q.N. 4877(A)- Sarvasri Sultan Salahuddin Owaisi, and Mohd. Amanullah Khan:—Will the Minister for Finance and Power and Planning be pleased to state:

(a) whether any case of molestation and attempt to molest a lady employee in the Office of the Chief Electrical Inspector to Government, Mint Compound, Hyderabad on 20th October, 1978, has come to the notice of Government:

(b) whether the Chief Electrical Inspector to Government's through Proceedings No. AFT/D No Confl. dated 39-11-1978 has appointed Electrical Inspector, A.P. (West), Hyderabad, to conduct the enquiry into the said case;

(c) if so, whether the report has been received from the Electrical Inspector, A.P. (West);
(d) Whether it is also a fact that the Department is trying to cover up this case, as an Officer is involved here, by protracting the case:

(c) Whether Government will order a judicial enquiry into this matter;

(f) if so, when, and if not, the reasons therefor?

Minister for Finance and Power and Planning (Sri G. Rajaram):

(a) Yes, Sir.

(b) Yes, Sir. The Chief Electrical Inspector to Government appointed an Enquiry Officer to enquire into certain allegations levelled by one of the lady employees against an Officer of the Office of Chief Electrical Inspector to Government.

(c) No, Sir.

(d) No, Sir.

(e) & (f) No judicial enquiry is necessary as a Departmental enquiry is in progress.

(Hon. Member handed over the letter to Sri P. Janardhan Reddy and he read out the letter, as under)

"Hope you are well. Being your immediate boss, I have requested you in person that I will felicitate you and there is none except me to solve your grievances and in other respects too. For the sake of long cherished thist please do come and do not disappoint me."

Mr. Speaker:—The member should have passed on that letter to me before reading it. Unless I give permission he cannot read it here.

Sri S. Jaipal Reddy:—Will the Minister kindly explain why so much delay has occurred in completing the enquiry. The Enquiry Officer was asked to look into it as early as on 29-11-78. This is 1979. why was so much time taken? Will the Minister kindly explain?

Sri G. Rajaram:—29-11-78 means towards the end of 1978. It is now 7 months. A certain procedure has to be followed and certain regulations are there. The officer has to be asked to give an explanation. Immediately that step was taken and an enquiry officer was
appointed and he also immediately asked for the explanation of the officer against whom the allegation has been made; and in the beginning he sent an explanation that this is all wrong and that he is being blackmailed and that he wants to go to court. He requested that he may be permitted to do so. On the other hand the lady officer who has been requested to cooperate, is not appearing before the enquiry officer but representing that she has no faith in him. In between, that officer who was appointed enquiry officer has become the Chief Electrical Inspector of the Government. So he is the boss now. An enquiry officer is to be appointed in his place and we are considering who should be appointed. Therefore the moment the Government takes a decision we will appoint if the present enquiry officer is not doing justice. But both the lady employee and the officer against whom there is allegation both want to go to court and they want our permission. I want to make it clear there is no bar for them to go to court and that is no need for permission of the Government. Both of them can go to court and file a defamation case or any other case. Both of them are saying that they have no faith in the Government. Let them go to Court. There is no bar and we have no objection to allowing them to go to court.

9.40 a.m.
Sri P. Janardhan Reddy:—Were they married? If they are not married, it is nothing.

Sri Amanullah Khan:—She is married; she is having children.

Sri Sultana Salamuddin Awaisi:—Her father-in-law died who (Sri Amanullah Khan) was a member of the Legislative Assembly.

1. Sri A. Madan Mohan:—Sir, I have already submitted that the Director of Medical Education and Administration, after due consultation with the representatives the medical employees Basic Health
Workers and Surveillance Workers, has made certain proposals and they are under examination. We will have to look into the financial implications. I do not know the assurance given. I will certainly look into it.

Sri B. Machnder Rao (Secunderabad Cantonment):—What are the qualifications required for Health Workers and Surveillance Workers and what is the salary fixed for them? Who are eligible for the medical assistant training course and on what basis are they selecting the candidates?

Sri A. Madan Mohan:—It is a separate question.

Sri S. Jaipal Reddy:—The Hon’ble Minister knows that they have been on the relay hunger strike since 40 days, The Minister was good enough to state that he has asked the Director to submit a
final report in regard to their other grievances by today, i.e., by 25th June. Will the Minister be able to finalise the entire solution before the House adjourns? Will the Minister be able to make a simple statement on the whole issue before the House adjourns?

Sri A. Madan Mohan:—I am equally eager and anxious. As he knows wherever there is financial implication, we will have to look to the whole thing. Suppose if it is only a departmental or administrative sanction, I will certainly make a statement, but at the same time I have to put a rider, subject to the clearance of the Finance Department.

Sri S. Jaipal Reddy:—The distance between the Health Minister and the Finance Minister does not appear to exist at all.

Mr. Speaker:—They are neighbours.

Sri S. Jaipal Reddy:—They are neighbours, not even next-door neighbours. Therefore, they should be able to solve the problem.

Sri A. Madan Mohan:—The Hon’ble Member knows in a round table conference both right and left sit together, but still there is so much distance.

Opening of a Police Station at Yerrathimma Royacheruvu Village.

72—

3937-(Z) Q.—Sri K. Venkataramiah :— Will the Minister for Home be pleased to state:

whether the Government will open a Police Station at Yerrathimma Royacheruvu village, Gooty Samithi at once in view of the increasing crimes and unrest in the villages of Yerrathimma Royacheruvu, Kongareapally, Rajapuram, Gollaladoddi, Pathakothacheruvu?

A.—

At present, there is no proposal to open a Police Station at Yerrathimma Royacheruvu village under Gooty Police Station limits. Yerrathimma Royacheruvu, Kongareapally and Rajapuram villages belong to Gooty Police Station of Gooty Circle. Pathakotha Cheruvu and Gollaladoddi villages belong to Guntakal Rural Police Station of Guntakal Circle. The crime statistics of Yerrathimma Royacheruvu and other two villages of Gooty Police Station justify the opening of an Out-Post at Yerrathimma Royacheruvu. The two villages Pathakothacheruvu and Gollaladoddi of Guntakal Rural Police Station have not registered considerable crime in 1978 and 1979 and there is no need for an out-post for these villages.

Opening of an Out-Post at Yerrathimma Royacheruvu will be considerable in the financial year 1979-80.

A.—

(a) About two hundred families have encroached upon the Government land in S. Nos. 832 to 829 situated at Suryapeta town by constructing houses and named the locality as "Annadorainagar". In the year 1973, the Taluk President of the Annadorai Grilha Nirmana Samithi requested the Tahsildar for issue of house-site pattas to the occupants. The matter was referred to the Government by the Tahsildar and the Government accorded permission for assignment of the land in Lal Bahadur Nagar, Annadorainagar to the present occupants on market value to those who are ineligible encroachers and free of cost to those who are eligible subject to the condition that the layouts have to be approved by the Director of Town Planning.

Calliag Attention to Matters of Urgent Public Importance.

re: Nomination of Non local M.L.A. as the Chairman of Advisory Committee for Puttur Panchayat Samithi Chittoor District.

There are only two MLAs one of course, is the Chief Minister and the other is Mr. Machinder Rao. The Chief Minister, for obvious reasons, cannot preside over it but the other MLA, can preside over it. A non-samithi person has been nominated for presiding over the Samithi. Will the Minister explain?

Mr. Speaker:—It is not a relevant question.

Sri S. Jaipal Reddy:—When the Hon’ble Minister himself can bring in the example of Gudivada, we can also refer other Institutions. We hope, we enjoy the same liberty as the Minister. What is the point at issue to the High Court which debars us from discussing the issue? Is it not true that in spite of the Writ in the High Court, as non-Samithi man has been nominated and he is presiding over the Samithi?
Sri M. Baga Reddy:—That is not correct.

Mr, Speaker,—Clarifications were already given for all the points. The Hon'ble Minister says that within a short period ratification will come.

GOVERNMENT BILLS

(Minister for Endowments and Municipal Administration)

Sri P.V. Chowdary :- Sir, I beg to move:

Mr. Speaker : — Motion moved.

(Mr. Deputy Speaker in the Chair)

We sat in the Assembly until 27th March. You have no initiated any action. On 30th, you passed an Ordinance. Are we here to pass such obnoxious Enactments?
Mr. Speaker — The Ordinance is not obnoxious. But as you say the time factor is there and you may object for the time.

Sri S. Jaipal Reddy: I am also objecting to the contents of the Bill and in the manner in which it was brought in here.

Pursuant to this, enumeration of persons of and above 18 years of age has been completed and the preparation of electoral rolls has been taken up and the work is in progress. As it was not possible to complete the work the Special Officer team was extended. There was much uproar.

Sri S. Jaipal Reddy: I am challenging, Sir. He is deliberately misleading the House.

Government Bills:

We have raised certain points. He is not replying to our points. We seek your protection, Sir.

Mr. Deputy Speaker:—He gave his reply.

I am prepared to prove that the Electoral Rolls were completed by January, 1979. You may kindly appreciate my point, Sir.

Mr. Deputy Speaker:—Expecting that the Electoral Rolls would be completed they might have announced.

Mr. Deputy Speaker:—Let me also make it clear, one point, I also fully share your views. What was the necessity for them to keep quiet all these days, upto 30th March, 1979? They might have come before the House well in advance for the extension of the term of the Special Officer. The House sat upto 27th March, 1979. Why the Government machinery failed to bring this before the House, I do not know. The term of the Special Officer was expiring by 30th March, 1979. The concerned could have brought this matter before the House instead of going for an Ordinance within 3 days time. I do not understand what was the Office doing all these days.

Sri S. Jaipal Reddy:—We are happy that the Chair has appreciated our point. Let the Minister reply, Sir.

Mr. Deputy Speaker:—What is that he can say? He has taken up the portfolio very recently. What is that he can do?

Now the question is.

Mr. Deputy Speaker:—I am not going to allow anybody to speak.

Sri S. Jaipal Reddy:—We are going to table a privilege motion.

Mr. Deputy Speaker: You are entitled to do so.

Mr. Deputy Speaker: It is already introduced in this House. It is at the stage of consideration. Certainly a Member can raise any objection and the Minister is entitled to reply. There is no point of order.

But the Government do not want to hold elections in April, May or June.

There are no illusions about the democratic character of the party which is ruling the State. We want them to conform to certain norms and conditions that are obtaining in the country. We are suffering from excess of democracy. They are suffering from a dearth of it.

The A. P. High Court has in its judgment dated 3rd Feb. 1979 in Writ Petition No. 4627 of 1978 held that this power of the Municipalities having a population of less than 23000 is discriminatory and not automatic and should take into consideration the other factors like the income of the concerned Municipality, its commercial importance, etc.

ANNOUNCEMENTS
re: Messages from the Council.

Mr. Speaker:—I am to announce to the House that the following two messages have been received from the Chairman of the Legislative Council.
STATEMENT BY THE CHIEF MINISTER.

re: Service conditions and allowances of Police Officers and Policemen in the State.

Mr. Speaker:—Chief Minister wants to make a statement.

Dr. M. Channa Reddy:—Hon'ble Members are aware that the service conditions of Policemen have recently been the subject matter of considerable discussion and public concern. We have been attending to these matters to the best of our ability from time to time. The question of the pay scales of Police Officers and Policemen is one of the issues which has been looked into by the Pay Revision Commissioner as part of the general pay structure of the State Government employees. I am confident that as a result of the recommendations of the Pay Revision Commissioner, the pay scales, as well as the total emoluments of Policemen and Police Officers will be improved compared to the existing levels. A decision in this regard will be taken along with the decisions on the recommendations of the Pay Revision Commissioner, which, as Hon'ble Members are aware, is under active consideration of the Government.

One of the important policy issues is with regard to the right of association of Policemen and the manner in which this can be brought
Statement by the Chief Minister: 23rd June, 1979.

re: Service Conditions and Allowances of Police Officers and Policemen in the State.

about consistent with, on the one hand, the need to provide a forum for discussing the general service conditions and other grievances of the Policemen and, on the other, with the special nature of the police force as a uniformed force responsible for the maintenance of law and order.

Government have already accepted in principle the right of association of Police Officers. Government are aware of the adverse consequences of having a multiplicity of associations in an organization like the police force. There could therefore be three associations one for the Indian Police Service, one for the Andhra Pradesh Police Gazetted Officers and one for the remaining officers. In this connection Government note that an Andhra Pradesh Police Officers’ Association has been formed.

Government are of the view that such Associations should cover all the members of the services concerned so that a member of the service is ipso facto a member of the relevant association. Government can then automatically deduct the subscription and remit it to the Association concerned.

Government are in agreement with the recommendations of the National Police Commission that the following guidelines should be kept in view while granting recognition to the Policemen’s Associations:

(i) Membership shall be restricted to serving policemen only. No outsiders, whether a Government servant or not, shall be entitled to membership or function as an office bearer of the Association or be connected with it in any advisory or other capacity.

(ii) Members shall not have the right to strike work or withhold their services or otherwise delay the performance of their duties in any manner.

(iii) The Association shall not resort to any coercive method or agitation for obtaining redressal of grievances.

(iv) The Association shall not do anything which may affect the efficiency of the force or undermine its discipline.

(v) The Association shall be absolutely non-political in character and shall not be connected directly or indirectly with political activity of any kind.

I have discussed this matter with representatives of the Policeman and they have agreed that the rules of the Association that could be formed would follow these guidelines. The rules of the existing
Service Conditions and Allowances of Police Officers and Policemen in the State.

associations also should where necessary be amended to be in keeping with these guide lines.

There are a number of issues relating to the various allowances to which policemen are eligible and there have been requests that these require to be suitably revised. The Chief among these relate to the fact that policemen work on holidays and that even on normal working days they have to work for much longer hours than other Government employees. Their duties also are such that they are very often exposed to risk and subjected to strain. Some recompensation has therefore to be considered taking these factors into account.

Compensation for Working Overtime & on Gazetted Holidays: 1-40 p.m.
Policemen have to be on duty on gazetted holidays and even on Sundays. This situation can be changed and policemen allowed to attain a weekly holiday just as other Government employees only when the force is suitably strengthened in numbers. Since these would be sometimes, Government have decided that policemen of the rank of Inspector and below should be compensated for working on public holidays by 15 days additional earned leave being credited to their account and by their being permitted to encash this additional earned leave in the same manner as Government employees are now permitted to encash 15 days of normal earned leave per year, in case the policemen are denied availment of this leave in the public interest.

Besides working on public holidays the policemen also work beyond normal hours. There are practical difficulties in evolving any system of payment of overtime allowances for such additional work. Government have, therefore, decided that as a compensation for working overtime, policemen of and below the rank of Inspectors would be entitled to an additional earned leave of 15 days per year, which they will be allowed to encash to the same manner as other Government employees are permitted to encash normal earned leave. This additional earned leave of 15 days and its encashment is in addition to the 15 days sanctioned as a compensation for working on public holidays.

The total additional earned leave that policemen of and below the rank of Inspector would be entitled to on the basis of the above decisions would, therefore, be 30 days in a year. This will be credited to the account of the employees concerned in the same manner as normal earned leave is credited, viz., 15 days being credited to the account on the 1st of January and another 15 days on the 1st of
Statement by the Chief Minister:

Re: Service Conditions and Allowances of Police Officers and Police-men in the State.

July every year. The first such credit will be given to the Inspector of Police Officers of and below the rank of Inspectors which means that during the second half of this year, they will be entitled to encash 15 days of earned leave in addition to the earned leave to which they will be entitled like other Government employees. Thus they will be able to encash 45 days leave in each year in addition to 15 days availing of earned leave.

It is estimated that these two measures will cost Rs. 2.5 crores per annum.

Conveyance Allowance:—The next item is with regard to the conveyance allowances. At present there are C.A. for several categories which are meagre considering the present cost of maintenance of a conveyance. It has, therefore, been decided to sanction Conveyance Allowance at the following rates:

<table>
<thead>
<tr>
<th>Category</th>
<th>City</th>
<th>Other Places</th>
</tr>
</thead>
<tbody>
<tr>
<td>Inspectors and Sub-Inspectors</td>
<td>Rs. 150</td>
<td>Rs. 75</td>
</tr>
<tr>
<td>Head Constables &amp; Police Constables</td>
<td>Rs. 20</td>
<td>Rs. 10</td>
</tr>
</tbody>
</table>

It is estimated this proposal will cost Government a total of Rs. 85 lakhs per annum.

Uniform Allowances:—Where the monetary grants are now given periodically as Uniform Allowances, these will be doubled. In respect of Head Constables and Police Constables a washing allowance of Rs. 40/- per annum is payable at present. It has been decided to increase this to Rs. 10/- per mensem.

This will cost Rs. 40 lakhs per year additionally.

House Rent Allowance:—The existing permissible limits for House Rent Allowance are as follows:

<table>
<thead>
<tr>
<th>Category</th>
<th>Limit</th>
</tr>
</thead>
<tbody>
<tr>
<td>Inspectors</td>
<td>Rs. 150</td>
</tr>
<tr>
<td>Sub-Inspectors</td>
<td>Rs. 125</td>
</tr>
<tr>
<td>Head Constables</td>
<td>Rs. 70</td>
</tr>
<tr>
<td>Police Constables</td>
<td>Rs. 50</td>
</tr>
</tbody>
</table>

Inspectors are at present eligible to rent-free quarters only in the city. It has been decided to make Inspectors eligible for rent-free quarters throughout the State as is the case with the Sub-Inspectors and other Policemen. The permissible limits of H. R. A. in their cases will be Rs. 200 for the city, Rs. 150 for District Headquarters and

Rs. 15/- in other places. In the case of others it has been decided to revise the H. R. A. limits as follows:

<table>
<thead>
<tr>

<th>City</th>
<th>Other places</th>
</tr>
</thead>
<tbody>
<tr>
<td>Sub-Inspectors</td>
<td>Rs. 150</td>

<tr>
<td>Head Constables</td>
<td>Rs. 110</td>
<td>Rs. 75</td>
</tr>
<tr>
<td>Police Constables</td>
<td>Rs. 90</td>
<td>Rs. 60</td>
</tr>
</tbody>
</table>

The total additional cost of this proposal will be Rs. 70 lakhs per annum.

Dietary Charges:—In regard to the Dietary charges, it has been decided to double the existing rates, subject to a minimum of Rs. 5/- per day. The extra cost on this item is expected to be about Rs. 25/- lakhs annum.

Promotional Avenues:—In regard to Armed Reserve and Andhra Pradesh Special Police, in order to improve their promotional prospects, it has been decided to upgrade all posts of Lance Naiks to that of a Head Constable over a period of two years. In the current year all Naiks posts will be upgraded to those of Head Constables. The additional expenditure on this will be Rs. 14 lakhs this year and a further 14 lakhs next year when Lance Naiks posts will also be upgraded to that of Head Constables.

Compensation for Injury, Etc:—According to the order contained in G. O. Ms. No. dated 30-4-71 families of the members of the Police Force are entitled to a compensation of Rs. 10,000 when the member is killed in the course of the performance of his duty and the member is entitled to a certain compensation when he suffers various types of disabilities. The compensation in the case of permanent disablement which is at present Rs. 3,500/- will be raised to Rs. 5,000/-. The Police Officers will be eligible to the various compensations mentioned in the G. O. cited above in addition to the benefits that they are entitled to under the Family Benefit Scheme.

Orderly System:—The Government have decided to abolish the present system of Orderlies and replace it by an alternative system of assistance to the officers in performance of certain duties, details of which are being worked out separately. Where orderlies are abolished an allowance of Rs. 125/- p. m. per orderly subject to a maximum of
Statement by the Chief Minister - 25th June, 1979

re. Service Conditions and Allowances of Police Officers and Police-men in the State.

Accommodation:—Apart from the above, the Government are paying increasing attention to provision of full family accommodation to Police Officers who are entitled to rent free quarters. The Andhra Pradesh Police Housing Corporation is already engaged in the construction of quarters for policemen in order to reach the target of 75% family accommodation. The Government will fully utilise the amount of Rs 12.25 crores allotted by the Seventh Finance Commission for this purpose during the next five years. A proposal to use this amount as margin money and obtain additional funds from Financing Institutions is also under consideration.

The total cost of the measures that I have announced above comes to Rs. 5 crores. This is besides the cost of revision of pay scales of the Police Services which will be taken up as part of the general decisions on the recommendations of Pay Revision Commissioner.

At the time I had announced interim relief to the Government employees in March, 1979 I had mentioned that the various measures I had then announced would cost a considerable financial burden on the Government. The amount of Rs. 5 crores which the present measures would cost will be over and above the earlier commitments. Our financial position is such that this will naturally impose a considerable further strain on it. Yes Government have decided to undertake these measures because of their anxiety to provide for the welfare of the State Police Force. The State Police have been a disciplined force which has done its duty in regard to the maintenance of law and order with commendable devotion. The Government have been aware and appreciative of this. I am fully confident that the Police force will continue to uphold the traditions in all circumstances. The Police Force has always been a symbol of discipline and of the prestige of the State. I may assure them that Government will always take whatever measures are necessary to ensure their welfare.
Statement by the Chief Minister re: Service Conditions and Allowances of Police Officers and Police-men in the State.

I have discussed this matter with representatives of the Police-men and they have agreed that the rules of the Association that could be formed would follow these guidelines.

It has been decided to increase this to Rs 10 per mensem, Per year.
