Oral Answers to Questions.

Mr. Speaker:—Can you suggest a way of getting over the Constitutional difficulty?

Sri Poola Subbaiah:—Our State Government can recommend for amendment.

Mr. Speaker:—Unless the Constitution is amended, the Minister is helpless.

Sri Ch. Rajeshwar Rao (Sircilla):—What Constitutional authority has the Government to create a G.O. for Suddhi Sangham.

Sri K. Ranga Rao:—But this Government has not given that G.O. The Central Government has given.

Mr. Speaker:—All the G.Os. are subject to the Constitution. G.Os cannot over ride the provisions of the Constitution.

Sri Poola Subbaiah:—Our difficulty is this. They are giving the G.Os. When we approach the Tahsildar, he says he cannot give. We want a clarification from the Minister whether such Sanghams are authorised and if so what is the effect.

Installation of Second Atomic Power Station in the South

*4063 Q-Sri K. Venkateswara Rao (Kollapur):—Will the Chief Minister be pleased to state:

(a) whether it is a fact that a proposal for installation of a Second Atomic Power Station in the South is under contemplation of the Government of India;

(b) whether it is also a fact that a site at Somasila near Chekurti was surveyed; and
(c) whether the State Government will use its good offices to get the second nuclear power plant for Andhra Pradesh?

Sri M. Baga Reddy — The Committee on the Selection of the site for Nuclear Power Station was constituted by the Government of India, Department of Atomic Energy: In 1961 under the Chairmanship of Hayat, Ex-Chairman of the Water and Power Commission. The Commission examined places 3 locations at Srisailam and 3 locations at Nellore, as indicated below:
Dongadevipalem
Thung-thurthipadu
Somasila

Since the Hayat Committee examined sites in 1962 and many changes have taken place, which might affect the selection of sites for future nuclear power station, the Government of India have constituted another Committee under the Chairmanship of Sri M.N. Chakravarthi, Advisor, Power Department of Atomic Energy for the selection of sites for the nuclear power station in the Northern, Western and Southern States for setting up Nuclear Power Stations, where nuclear fare would be competitive.

The Committee investigated the following sites in August, 1972:

Kothapatnam—Visakhapatnam District.
Marrigudem —East Godavari District.

The Chairman of the Committee, after investigating the sites suggested that Somasila site should be taken for further investigation and desired that the report on the three sites may be completed and forwarded to the Committee. The Chairman wanted to examine promising alternative sites in Srisailam and Nagarjuna Sagar area with a view to overcome the weak point pertaining to Somasila site, i.e., high pumping heads. Chief Engineer, Civil, Andhra Pradesh State Electricity Board furnished the Report with additional data on all the sites along with the Preliminary Report of the sites at Nagarjuna Sagar Left Canal near Chilkurthi. The Site Selection Committee headed by C. R. Vengerkar inspected Somasila on 3-8-1973 and Nagarjuna Sagar site on 4-8-1973. They desired to examine the possibility of getting MDDL of Srisailam Reservoir at higher level instead of Somasila site and silt analysis of reservoir. Two additional bore holes at Nagarjuna Sagar site and the data was furnished to the Committee. The Officials of the Atomic Minerals Division, New Delhi and Health Physics Division, Bombay investigated Nagarjuna Sagar and Somasila sites on 1-11-1973 and 5-11-1973. They have verified the data submitted from time to time and decided that the Geo Technical Report from the Geological Survey of India may be furnished. The Geo-technical Report was also furnished to them accordingly again. Sri Vengerkar, the Chairman, Site Selection Committee has discussed with the officials of the A. P. State Electricity Board, Hyderabad on 14—5—1975 and desired to take up the investigation for the selection of the site for Nuclear Research Station Plant, proposed site near Nagarjuna Sagar Left Canal. The Chairman and the Members of the Site Selection Committee investigated the proposed Nuclear re-processing Station at
Nagarjuna Sagar on 30-9-1975. A booklet containing the required data for the above site has been presented to the Site Selection Committee. During the discussions, they desired additional survey and bore holes data. This also has been furnished. The Committee has resorted to a number of sites for the establishment of the Nuclear Power Stations in the Four Southern States with reference to the major criteria evolved in determining the suitability of sites for location of such stations and submitted reports to the Government of India. The Government of India have since intimated that they have no proposal for setting up of an Atomic Power Station in Southern Region for the time being at present.

Construction of Girls Hostel in Asifabad

32—

*4473 Q.—Sri D. Narasaiah.—Will the Minister for Housing and Harijan Welfare be pleased to state:

(a) whether it is a fact that a sum of Rs. 60,000 was sanctioned for the construction of Girls' Hostel in Asifabad of Adilabad district in the year 1977-78;

(b) whether it is also a fact that the construction work of the said hostel was stopped;

(c) if so, the reasons therefor; and

(d) the purpose for which the amount was utilised?
A.—

(a) An amount of Rs. 75,000 was sanctioned for the construction of Girls’ Hostel building in Asifabad of Adilabad district during 1977-78.

(b) Yes, Sir.

(c) After completion of excavation of foundations, it was proposed to drop the construction of the Scheduled Tribe Girls Hostel building and to acquire any vacant existing Public Works Department building on book-value. Accordingly, one Public Works Department’s building was occupied by the Scheduled Tribe Girls Hostel. The matter was referred to the Chief Engineer (Roads and Buildings) for transferring the buildings in favour of Integrated Tribal Development Agency on book value.

The amount sanctioned for the construction of Scheduled Tribe Girls Hostel building, is kept with the Integrated Tribal Development Agency. It will be utilised for acquiring the building.

Construction of Boys Hostel at Chittamur

83—

5056 Q.—Sri Nallapreddy Sreenivasulu Reddy:—Will the Minister for Housing and Harijan Welfare be pleased to state:

(a) whether sanction has been accorded to construct buildings for the Government Boy’s Hostels at Chittamur and Arimanapadu in Nellore district;

(b) if so the estimated cost of each work;

(c) the reasons for the abnormal delay in starting the said works; and

(d) the time by which the said works will be started completed?

A.—

(a), (b), (c) and (d): There are no proposals for construction of a building for Government Scheduled Caste Boys Hostel at Arimanapadu. Sanction was accorded for construction of a building for Government Scheduled Caste Hostel at Chittamur during the year 1975-76.

The estimated cost of the hostel building at Chittamur was Rs. 75,000. The construction work of the hostel building was entrusted to a contractor, but it had to be cancelled later as the site was not handed over by the donor. The funds provided for the above hostel building were therefor diverted towards the construction of a Scheduled Caste Girl’s Hostel Building at Gudur. However, the
Collector, Nellore has been requested to take up the construction work of the building for Government Scheduled Caste Boys Hostel at Chittamur also. Necessary steps would be taken to start the construction work at Chittamur and to get the work completed before the current financial year.

A.—

(a) The construction of bus depot at Bhadrachalam was commenced on 22nd July, 1977.

(b) The work is expected to be completed by March, 1980.

(c) The work of garage and certain works could not be taken up because the land which is under encroachment has not yet been handed over to Corporation.

(d) At present Andhra Pradesh State Transport Corporation is not having any proposal to operate bus service to Venkatapuram, Headquarters of Nogur taluk. Private operators are however, operating their services from Bhadrachalam to Venkatapuram.

(e) Does not arise in view of answer to clause (d) above.

Transport Facilities in Adilabad District:

4317 Q.—Sri D. Narasaiah:—Will the Minister for Transport be pleased to state:

(a) the number of villages in Adilabad District which are proposed to be provided with Bus transport facility;

(b) the number of villages in Asifabad Taluk of Adilabad District have been linked under the proposed programme; and

(c) the reasons for the delay to link up the other villages in Asifabad taluk with Bus Transport facility?

A.—

(a) Out of 1,552 villages in Adilabad district, only 574 villages were having transport facilities prior to 1st April, 1978. Under village Link Transport Service Scheme the Corporation has published 11 schemes covering 27 routes with 14 buses. The Andhra Pradesh State Road Transport Corporation has so far introduced 12 buses covering 21 routes connecting 147 new villages. Two more buses will be introduced in due course covering 25 more unconnected village.

(b) Out of 242 villages in Asifabad taluk, 79 villages have been connected either by Andhra Pradesh State Road Transport Corporation or by private operators as on 31st March, 1978. Under village Link Transport Service Scheme, 12 new villages are connected by way of extension/deviation of the existing service.

(c) Many routes in Asifabad taluk are not having proper roads and require construction of bridges at many places. As and when roads are laid, and made motorable, other villages will be connected by bus.

Appointment of Government Pleaders in Consultation with Chief Justice.

89—

2154 Q.—Sri K. Govinda Rao:—Will the Minister for Agriculture and Law be pleased to state:

(a) whether Rule 5 of the Law Officers Appointment Rules made it mandatory on the part of the Government to consult the Chief Justice and obtain his recommendations in respect of appointing Government Pleaders;

(b) whether the Government has appointed five new Government Pleaders in the month of July, 1978 without consulting the Chief Justice and obtaining his views;

(c) if so, the reasons for violating the mandatory Rules;

(d) whether the President of Twin Cities Advocates Association has brought this issue to the Government; and

(e) if so, the steps taken by the Government?

Matters Under Rule 329:
re: Non-payment of rebate due to the primary Weavers Co-operative Societies, by State Government.

February, 1980.

(Translation:)

The issue is whether the State Government has violated Rule 329 by not paying the rebate due to the primary Weavers Co-operative Societies. The matter involves 10 primary Weavers Co-operative Societies, which have not been paid the rebate for the years 1978-79 and 1979-80. The Societies have complained to the State Government, alleging that the Government has failed to pay the rebate, which is due under Rule 329.

In 1978-79, the rebate due was Rs. 12,000, which was not paid. The Societies have requested that the Government pay the outstanding amount.

The Government has argued that the Societies are not entitled to the rebate as they did not meet the eligibility criteria specified in Rule 329.

The Societies have filed a petition in the High Court, seeking an order directing the Government to pay the rebate.

The matter has been under consideration, and a hearing is scheduled for the next month.

Government Motion:
re: Approval of the State Legislature Assembly for enhancing the borrowing limit of the Andhra Pradesh State Electricity Board.

Sri Ahmed Sharif:—Sir I beg to lay on the Table a copy of the 19th Annual Report for 1978-79 of the Thungabhadra Steel Products Limited, together with the Audit Report thereon for the year 1978-79 as required under Section 619-A (2) of the Indian Companies Act., 1956.

Mr. Speaker:—Paper laid.

Government Motion
re: Approval of the State Legislature for enhancing the borrowing limit of the A.P. State Electricity Board.

Sri Ahmed Sharif:—Sir, I beg to move:

“whereas the Andhra Pradesh State Electricity Board constituted under section 5 of the Electricity (Supply) Act, 1948 (Central
Government Motion: 25th February, 1980. 231

re: Approval of the State Legislative Assembly for enhancing the borrowing limit of the Andhra Pradesh State Electricity Board.

Act, 54 of 1948), is empowered under section 65 of the Act, to borrow any sum required for the purposes of the Act, subject to a maximum of rupees ten crores, unless the State Government with the approval of the State Legislative Assembly, fixes a higher maximum amount;

And whereas the State Government with the approval of the Andhra Pradesh Legislative Assembly have fixed under Section 65 aforesaid, on different occasions, commencing from December, 1962, different amounts, as maxima upto which the Electricity Board could borrow;

And whereas the State Government with the approval of the Andhra Pradesh State Legislative Assembly have last fixed on 12th July, 1978, the said maximum amount at two hundred and fifty crores of rupees;

And whereas the State Government have considered it necessary that the borrowing limit of two hundred and fifty crores of rupees aforesaid should be raised further to three hundred and sixty crores of rupees;

And whereas it appears to this Assembly to be desirable that the State Government should fix a higher maximum amount of three hundred and sixty crores of rupees;

Now, therefore; in pursuance of Sub-Section (3) of Section 65 of the Electricity (Supply) Act, 1948 (Central Act 34 of 1954), the Andhra Pradesh State Legislative Assembly hereby approves that the State Government shall fix three hundred and sixty crores of rupees, as the maximum amount which the Andhra Pradesh State Electricity Board, may at any time borrow for the purposes of the said Act under Sub-Section (1) of Section 65 of the said Act."

Mr. Speaker:—Motion moved,

236 25th February, 1980. Annual Financial Statement (Budget) for 1980-81: (General Discussion)

It is only a statement of receipts and expenditure. It is Accountant-General's Budget not a Finance Minister's Budget. It is not a financial statement that tells the public how the tax money will be spent in the coming financial year. The estimates assume a Central Assistance of Rs. 186 crores for financing the Plan. The net effect of the transaction in the current year will result in a deficit of Rs. 33.63 crores and an overall deficit of Rs. 73.86 crores, taking into account the negative opening balance of Rs. 41.23 crores. This deficit has to be covered by improvement in the collection of arrears of revenues and economies in the Non-Plan expenditure and further mobilisation of additional resources.
Our economy has been registering only real growth of 3.11% which is much lower than the 8% that was anticipated. It is very clear that there is stagnation in the growth of our economy. Our economy has been registering only real growth of 3.11% which is much lower than the 8% that was anticipated. It is very clear that there is stagnation in the growth of our economy.
It is not even 10% of the total Plan out-lay. There is a significant increase in the number of disputes
the bigger raise is from 28 in 1976 to 63 in 1979, resulting in loss of
2,82,951 man-days— a 3.72% increase in man-days. As such man-
days are not in the budget but are a result of the general discussion.

The surplus land determined by the Tribunal is only 11 lakhs.

Even these are faulty figures which are totally misleading.

As a result of this 2320 additional villages have now been enjoying the facilities of regular bus services....

You have over shot your figures by a thousand percent. This figure is totally false. I am prepared to challenge the statement. Let the Government come forward with the list of the villages that have been covered in the current year.

Is this the concept of the Housing scheme of this Government?

Efforts are being made to mobilise maximum loan assistance from different agencies like the Housing, Urban Development Corporation, the General Insurance Corporation, L.I.C. and take up construction of 50,000 houses in rural areas, another 50,000 permanent houses in urban areas.

This Government suffers from forgetfulness. According to a study made in 1977 there are 21,945 beds. 20,830 are in the major hospitals while the rest are in other types of hospitals. Only 10% of the bed strength is in rural areas. The three-tier system introduced in the major hospitals proved to be a dismal flop and failure. The Government is still trying to improve the situation. The Health Department is working hard to improve the situation. However, there is still much to be done.
Can there be a more shameful confession of the administrative failure in the area of credit. It has become will-o’-the-wisp and a chasing of shadows. These model schools started two years back have become mock schools. The school uniform is the most important aspect of the modern school concept. You must aim at quality in Higher education and quantity in primary and elementary education.
The Administration must not be clerk-oriented it should be officer-oriented.

This is the most corrupt Government the people of Andhra Pradesh have.

Deposit went up from 3 lakhs to 30 lakhs with a net profit of Rs. 1 crore.

The discussion on the Annual Financial Statement for 1980-81 was held in the morning session. The Finance Minister presented the budget with a view to addressing the pressing needs of the nation. The budget aimed at promoting economic growth and development. Various sectors such as agriculture, industry, and education were discussed in detail.

The Minister highlighted the importance of investment in infrastructure to boost economic activities. He also stressed the need for greater emphasis on R&D to enhance productivity. The budget allocated significant amounts to social sectors such as health and education, with a focus on improving the quality of services.

The Minister acknowledged the challenges faced by the economy, particularly the high unemployment rate and the need for job creation. He promised to introduce measures to stimulate employment generation.

The discussion was lively, with representatives from various stakeholders expressing their views on the budget. There was a consensus on the need for a balanced approach to ensure sustainable economic growth.

The session concluded with the Finance Minister reiterating the government's commitment to transparency and accountability in financial planning. The next steps would involve detailed discussions on implementation and monitoring of the budgetary provisions.

ANNOUNCEMENT

re: Message from the Legislative Council.

Mr. Deputy Speaker:—I have received the following message from the Chairman Legislative Council.

"In accordance with the Rule 147 of the Rules of Procedure and Conduct of Business of the Legislative Council I transmit a copy of the Tirumala-Tirupati Devasthanams (Amendment) Bill, 1980, L. A. Bill No. 4 of 1980 duly passed by the House without any amendment and signed by me."

The House now stands adjourned to meet again at 4 p. m. to-day.

(The House then adjourned till 4 P. M.

(For want of Quorum the House could not meet at 4 P.M.)

The House re-assembled at 4:20 P.M. with Hon’ble the Deputy Speaker in the Chair.

Sri M. Baga Reddy:—Sir, I beg to move:

Clause 4:—The office of the Chairman, Director, member or any other officer of a statutory body, where the power to make any appointment to any such office or the power to remove any such person there from is vested in the Central Government or any State Government as the case may be, provided the holder of any such office is not in receipt of, or entitled to, any remuneration other than compensatory allowance.

Clause 5:—The office of member of any local authority, provided the holder thereof is not in receipt of, or entitled to, any remuneration other than compensatory allowance.

It does not become disqualification.

Government Bills:

The Supreme Court in several decisions has laid down the tests for finding out whether an office in question is an office under a Government and whether it is an office of profit. These tests are (i) whether the Government makes the appointment (ii) whether the Government has the right to remove or dismiss the holders; (iii) whether the Government pays the remuneration; (iv) what are the functions

of the holder? Does he perform them for the Government and (v) Does the Government exercise any control over the performance of these functions."

The Government pays the remuneration. The decisive test for determining whether a person holds any office of profit under the government is the test of appointment and the appointment, the authority which determines the remuneration, the source from which the remuneration is paid, and the authority vested with power to control the manner in which the duties of the office are discharged and to give directions in that behalf must all co-exist..."

Sri B. Machinder Rao:— Sir, I support the amendment of Sri P. Sunderayya. It is correct because while appointing these Chairmen the Leader of the Party nominates them or appoints them without consulting the Opposition Leaders who have got rich knowledge and experience. There are no minimum Educational qualifications and minimum experience prescribed. These people abuse the office and there will be corruption. I request that the Government should
accept the amendments and the election should be by single transferable vote by the Assembly because the money which is paid is public money; whether it is allowance or remuneration it is public money and it should not be misused. The Corporations are working for city welfare. The Opposition leaders should be consulted while making appointments. Otherwise there will be misunderstanding among the people; we have the experience of Leather Board Corporation, Warehouse Corporation, R.T.C. and so on—all these Corporations are misusing the powers and misusing the officials. I request that whatever amendments are given by Sri Sundarayya should be accepted by the ruling party.
Mr. Deputy Speaker :—The question is :

Sri Ahmed Sherif:— Sir, I submit that the Member has misconception about the Bill. This amendment is intended to seek further extension only against those who claim an adverse possession and not against any person who accrued any right. As my learned friend knows very well that there is an exception under Section 102 of the Tenancy Act that no tenant over a wakf land can acquire any tenancy right. But here there are properties on which persons who have encroached or have illegally disposed of the land and claim that they are the owners. Therefore, we intend to extend that Limitation Act. We have just had that survey of all such properties and we have already filed 12,000 cases against those persons who claimed that they are the owners. Therefore, the apprehension that we are against those who accrued any right, is not correct. Therefore, I submit that already extension was granted upto 31st December 1979 and now we seek a further extension upto December 1981.

Mr. Deputy:—The Question is:

"The Public Wakfs (Extension of Limitation) (Andhra Pradesh Amendment) Bill, 1980 be taken into consideration".

The Motion was adopted.

Mr. Deputy Speaker:—The question is:

"That Clauses 2,3,1, Enacting Formula and Long Title do stand part of the Bill".
The Motion was adopted and Clauses 2, 3.1, Enacting Formula and Long Title were added to the Bill.

Sri Ahmed Sherif:— Sir I beg to move.

“The Public Wakfs (Extension of Limitation) (Andhra Pradesh Amendment) Bill, 1980 be passed.”

Mr. Deputy Speaker:—Motion moved.

Sri Ch. Rajeswara Rao:— I perfectly agree in general with what the Hon’ble Minister has said about the actual purpose of the Bill. But as a matter of fact there are hundreds and hundreds of cases all over the State particularly in Telengna area. As far as I know there are hundreds and thousands of tenants who are in possession of the lands. You say you do not proceed against them. What will you do with them in future? Are you yourself going to cultivate them? All these lands belong to the Great Allah, I have no dispute but it is not the Allah who is cultivating. There is a cultivator in the own land in the name of Allah. I request the Minister to find out and evolve a policy of finalising those land relations, those tenurial relations between the actual cultivator and the owner of the Wakf Board which will solve the problem once and for all.

Sri Ahmed Sherif:—Sir. I submit that in both the cases, even under Section 38 no right of tenancy can be accrued over the Wakf land or on a part of the land. Therefore, the question that under Section 102 and under no law, any right has been so far granted. If anybody has given any certificate, that is null and void in the eye of law.

Sri Ch. Rajeswara Rao:— technically and theoretically you are perfectly right. But the land is in possession of a particular cultivator. He cannot be a owner.

Sri Ahmed Sherif:—If anybody commits any other offence, we are at liberty to proceed against him and get back that possession. The spirit of this legislation is to proceed against only those who claim that they have perfect title against the Wakf Board.

Mr. Deputy Speaker:—The question is:

“The Public Wakfs (Extension of Limitation) (Andhra Pradesh Amendment) Bill, 1980 be passed”.

The Motion was adopted and the Bill was passed.

Mr. Deputy Speaker:—The House now stands adjourned to meet again at 8-30 a.m. tomorrow.

(The House then adjourned to meet again at half past eight of the Clock on Tuesday, the 26th February, 1980).
