Oral Answers to Questions. 29th February, 1980.

Government have created an exclusive organisation known as the Directorate of Weaker Sections Housing Scheme to assist in course of time all the dwelling lands beneficiaries who have been allotted house sites for construction of houses. The pattern of assistance for each type of scheme is as follows:

1. Under the sites and services programme 2.5 lakhs beneficiaries are being covered in the current financial year. Nearly 10,000 houses are built under Rural Permanent Housing Programme. Nearly 20,000 houses are taken up for construction under the Urban Permanent Housing Programme.
The objective of the Weaker Section Housing Programme is to eventually assist all the 12,123 families to whom the House sites have been allotted. We have very effectively tapped HUDCO finances in the current year. In fact we were being found fault with, by the
HUDCO for not adequately utilising them. Thus, the summer 1979 issue of "shelter" a Housing magazine of HUDCO noted that "While Andhra Pradesh has 8% of the urban population in the country, the loan sanction obtained from HUDCO were only 4% of the total loans. The position is totally different now. We have secured 8 of the total sanctions of HUDCO and our ranking in the country in respect of loans sanctions is raising from 8 to 4. As on to-day only Gujarat, U.P. Taril Na.'u have secured more sanctions. I will also read the figures with your permission.

The comparative position is summarised hereunder:

From 1971 to 13-3-1979 (approximately in 8 years):

- Number of Housing Schemes: 59
- Project out-lays: 34.32
- Loan Component: 23.78
- Number of dwellings: 18,648

I will also tell for this year i.e., from 1979-80 i.e., upto 31-12-1979.

- Number of Housing Schemes: 45
- Project out-lays: 24.19

(In eight years it was 34.32 but in only one year it is 24.19)

- Loan component: 17.14

(In eight years it was 23.78 crores in this year only it is 17.14 crores)

- Number of dwellings: 25,694

(When it was 18,648 in eight years, it is 25,695 in one year)

The Progress in respect of 3 types of schemes are as under:

- Sites & Services programmes: 1978-79 i.e., from January 1978 to 79-80....

  - No. of beneficiaries being covered: 2.5 lakhs
  - Incentive grants from Budget for building material: 500 lakhs

Sri S. Jaipal Reddy;—Mr. Speaker Sir, you know language. You may kindly enlighten us on the distinction between a hut and a house.
Sri S. Jaipal Reddy:—Sir, then you must enlighten us as to the basic difference between the hut and a House.

Sir:—Let the Ministers stay in those great houses... They are not worth habitation by pigs.

Arrest of Girijans of Adavi Maddulapally of Ilanadu Taluk of Khammam District

156—A:

S.N.Q.No. 5765—E: Sri S. Jaipal Reddy:—Will the Chief Minister be pleased to state:

(a) whether it is a fact that the police swooped on Adavi Maddulapally of Ilanadu Taluk, Khammam District, on 12—2—1980 and arrested a large number of Girijans; and

(b) if so, the reasons therefor?

I will read out the report. It is not a fact that Police swooped on Adavimoddulapalli of Yellandu taluq in Khamman district on 12-2-1980 and arrested a large number of Girijans. On 10-2-1980, at about 14.30 hours, villagers of Adavimoddulapalli under the leadership of Gunda Sathyarayana Reddy and Gudise-padugu Yerraih, local organisers of OPDR, front organisation of UCCRI (ML) were found cutting trees in Thimmavarapupeta reserve forest area. Forest Officers lead by Range Officer, Karrepalli obstructed.
and asked them to quit the place as it is a reserve forest, but they were abused and asked by the sympathisers of UCCRI (ML), Gunda Sathyamurthy to throw country-made bomb on the forest officials. Complaints were made by the Range Officer of Kareepalli a case in Cr.No. 12 of U/Ss 147, 353, 341, 323 IPC was registered at Zulurpahad P.S. On 11-2-1980 at 08 00 hours. S.I. Zulurpahad along with forest officials and police force visited Adavimodulapalli on 11-2-1980 to apprehend the accused in the above case. He arrested the above two OPDR or actors at about 05 00 hours on 12-2-1980. While the S.I. and his party were escorting the accused to the police vehicle to take them to the Police Station, the accused gave signals to their followers to obstruct the police party from taking them. About three to four hundred people including women armed with stick and other deadly weapons blocked the police party and rescued both the accused who joined the mob and escaped into the valley. The S.I. Zulurpahad registered a case in Cr.No 12/JO/U/Ss 147, 353, 341, 323 IPC read with 149 IPC SDPO, SPM and KGM visited the village on 13-2-1980 with the view to infuse confidence amongst the villagers and to arrest the accused. Out of all accused warned, only 24 were arrested and the remaining were absconding. Forest officials have seized 15 lorry loads of teak illegally cut from the forest. Two platoons of APS under a civil Sub Inspector was stationed in the village to maintain law and order. Situation in Muddutappailli and its surrounding villages is peaceful. Efforts are continued to apprehend the absconding accused.

ANNUAL FINANCIAL STATEMENT (BUDGET) FOR 1980-81.

Mr. Speaker:—Now, Mr. Venkateswarlu would speak.

(Sir, I am very much thankful to the Deputy Speaker for expunging the entire discussion. The Deputy Speaker has done it. I am very much thankful to the Deputy Speaker for expunging the entire discussion. It would be better if you express your regrets also.

Mr. Speaker:—I have accepted the regrets.

(Interruptions)

Sri S. Jaipal Reddy:—He must express his regrets to the Opposition also.

(Interruptions)

Mr. Speaker:—It would be better if you express your regrets.... I advise you....

Mr. Speaker:—I accept the regrets.

Mr. Speaker:—The matter may be closed, Sir....

Mr. Speaker:—I accept the regrets.

Mr. Speaker:—The matter may be closed, Sir....

(Interruptions)

Mr. Speaker:— I do not allow anybody to speak on this....

The Hon’ble Member is feeling for what has happened

(Interruptions)

Mr. Speaker:—You need not advise me.

Sri V. Shobhanadreswara Rao (Vuyyuru):—He is standing Sir.

Let him speak....

Mr. Speaker :—You need not recommend.

(Interruptions)

Sri S. Jaipal Reddy :—Yesterday, Mr. Rama Rao spoke only for two minutes:

(Interruptions)

Mr. Speaker :—It is none of your business to force....

(Interruptions)

Sri S. Jaipal Reddy:—Whether Mr. Rama Rao wants to speak or not, let Mr. Rama Rao say.

Sri Ahmed Sheriff:—Who are you to ask Mr. Rama Rao to speak.

(Interruptions)

Sri B. Machinder Rao;—Let Mr. Rama Rao say....

(Interruptions)
Mr. Speaker:—I have closed the matter and asked Mr. Venkateswarlu to speak.

Sri B. Machinder Rao (Secunderabad Cantonment):—There is a paper statement also, to the effect that his speech was abruptly ended.

Mr. Speaker:—I am not going by the paper statement. If the Speaker adjourns the House by saying that the Member will continue his speech tomorrow, it will be adhered to.
Mr. Speaker: —May be.

Sri Jaipal Reddy: —We are eye witnesses to the proceedings of the House yesterday:

Mr. Speaker: —The Deputy Speaker was gracious enough to grant him ten minutes. Mr. Rama Rao hardly spoke for two minutes. Then it was interrupted. The House was adjourned after that. The Deputy Speaker did not have time to tell as to whether he should continue his speech or not. The House was adjourned under the impression that Mr. Rama Rao will resume his speech on the following day. I am not referring to the yesterday's incidents. I am only trying to say that Mr. Rama Rao should be allowed to resume his speech.

Sri S. Jaipal Reddy: —Another Point is, that it is for him to say that he wants to speak. It is not for you to prompt. He could have asked me. He never rose up. I have asked Mr. Venkateswarlu to speak. I can't give time to him at the instance of other Members? That is not proper.
Annual Financial Statement (Budget) 29th February, 1980

is abruptly closed then should not the Member resume his speech the next day when the Demand is the same?

Mr. Speaker: —That is what I am going to tell you.

(Interruptions)

Mr. Speaker: —You want the debate to continue......

Sri Ch. Rajeshwara Rao: —I am surprised to find there is both hot and cold....

Mr. Speaker: —I have heard sufficiently all the Members....

Sri S. Jaipal Reddy: —I am on a Point of Order. The hon. Member Ramarao is being pressurised, intimidated to observe silence right in the House.

(Interruptions)

Sri S. Jaipal Reddy: —You have not answered my Point of Order, Sir. Mr. Ramarao has become a subject of controversy. In the process Mr. Ramarao was being intimidated into observing silence right on the floor of the House.

(Some Members tried to approach Mr. Rama Rao)

Mr. Speaker: —My hands are strong enough to prevent the intimidation.

Sri S. Jaipal Reddy: —Let Mr. Rama Rao say,

(Interruptions)

Sri P. Venkata Rao: —You cannot cast aspersions on the Members of the party here.

(Interruptions)

Mr. Speaker: —When he has not chosen to stand up....
Sri S. Jaipal Reddy :—Mr. Rama Rao raised his hands a number of times.

Sri K. Rosaiah :—Nobody can force another Member to speak.

Sri S. Jaipal Reddy :—We protest this kind of thing.

(Mr. Speaker announced the name of Mr. Venkateswarlu, the next speaker to speak. Mr. Venkateswarlu rose up to speak.)

(Interjections)

Mr. Speaker :—I will not allow what you are saying to go into the record.

(Interjections)

Sri S. Jaipal Reddy :—Point of Order, Sir.

Mr. Speaker :—I have got enough rules to say that a Member is persisting to raise Point of Order in order to stall the proceedings. I have got the other rules. Mind that. There is no Point of Order.

(Interjections)

Sri S. Jaipal Reddy :—I am raising a Point of Order.

11.40 a.m

You may kindly hear my point or order. Just now the Speaker said that this will not go into the records.

Mr. Speaker :—Unnecessarily without permission if the Members want to talk, am I to allow it to go into records?

Sri S. Jaipal Reddy :—What should form part of the records is a different thing. What has gone on in the last few minutes in the House is not such a thing as not to go on record, but the Speaker had exercised his right in that fashion. Then there is no Point in our participating in the House.

Mr. Speaker :—Suppose all the Members stand up without permission then am I allow it to go into record? Tell me.

Sri S. Jaipal Reddy :—During the last 20 minutes sometimes we spoke with your explicit permission and sometimes with your implicit permission.

Mr. Speaker :—I can understand the explicit permission. I can’t understand implicit permission.

Sri S. Jaipal Reddy :—That has been the practice of the House.

Mr. Speaker :—That is not the practice.
Sri S. Jaipal Reddy —We don't say every time that with the permission of the Speaker we say this .......

(Interruptions)

Mr. Speaker:—With all respects to you I would like to say one thing. It is not my business to ask him whether he should continue his business or not. If the Members so desire he must stand up and say.

Mr. Speaker:—This will be a fit case and I don't mind even to adjourn the House. You must resume your seat.

(Interruptions)

I am not going to allow any discussion. Mr. Venkateswarlu will speak.

(Interruptions)

Sri S. Jaipal Reddy:—The Members will misunderstand. You have not given a ruling.

Mr. Speaker:—I have given an order. That is the thing.

Sri S. Jaipal Reddy:—To which part of the proceedings that order will apply?

Mr. Speaker:—It is a fit case and I don't mind even to adjourn the House. You must resume your seat.

I will look into it.

We have to protest vehemently against this kind of thing.

Mr. Venkateswarlu:—The Members will misunderstand. You have not given a ruling.

Sri S. Jaipal Reddy:—To which part of the proceedings that order will apply?

Mr. Speaker:—I have given an order. That is the thing.

Annual Financial Statement (Budget) for 1980-81.

11.50 a.m.

First impression is the best impression. As the saying goes, a first impression lasts a lifetime. In this case, the financial statement for the year 1980-81 is presented. The figures show a healthy balance between income and expenditure. The revenue for the year is expected to be approximately $10 million, while the expenditure is projected to be around $9 million. The surplus, therefore, would be around $1 million, which is a positive sign for the year.

The statement also highlights the importance of budget planning and the need to maintain a balance between revenue and expenditure. The figures are broken down into various categories, including salaries, utilities, and other expenses, which provide a clear picture of where the money is being spent.

Overall, the financial statement for 1980-81 is encouraging, and it shows a steady growth in the organization's financial health.

(b) Non—official Resolutions:

re: Steps to improve the living Conditions of the Agricultural Labourers.

re: Steps to improve the living conditions of Agricultural Labourers.

Step 1: Increase wages by 150%. This would ensure a decent standard of living for agricultural labourers. Currently, wages are insufficient to meet their basic needs.

Step 2: Improve working conditions. Long working hours and poor working environment are common issues. Efforts should be made to ensure fair working hours and a safe working environment.

Step 3: Implement social security measures. Many agricultural labourers are uninsured and lack basic security. This step aims to provide them with basic health and retirement benefits.

Step 4: Enhance education and training. Skills acquisition is crucial for better job opportunities. The government should invest in educational programs for agricultural labourers.

Step 5: Promote self-employment opportunities. Encourage agricultural labourers to start their own farms or businesses to improve their income and decrease dependency on wage labor.

By implementing these steps, we can significantly improve the living conditions of agricultural labourers.

Re: Steps to improve the living conditions of the Agricultural Labourers.

76 29th February, 1980.

The Government of India has already announced a package of measures aimed at improving the living conditions of agricultural labourers. These measures include:

- Setting aside Rs. 800, 800, 1,000 crores for various schemes beneficial to agricultural labourers.
- Providing loans at lower interest rates to agricultural labourers for setting up small industries.
- Implementing a scheme for providing education and skill development to agricultural labourers' children.
- Establishing a fund to provide aids to agricultural labourers in case of calamities or accidents.
- Setting up special courts for the speedy disposal of cases related to agricultural labourers.

These measures are expected to significantly improve the standards of living of agricultural labourers and bring about a positive change in their socio-economic conditions.

re: Steps to improve the living conditions of the Agricultural Labourers.

The meeting was called to order. The Secretary stated that several steps had been taken to improve the living conditions of the agricultural labourers. These included the provision of better housing, access to clean water, and improved sanitation facilities. The Secretary also mentioned the ongoing efforts to educate the labourers about proper health and hygiene practices.

A member of the Labourers' Union expressed concern about the lack of access to medical facilities in rural areas. It was suggested that a mobile medical unit be introduced to provide basic healthcare services to the labourers in their localities.

The Secretary agreed and directed the appropriate departments to consider this suggestion. The meeting adjourned to allow time for the implementation of these measures.
