Abstract

(5) From the Director of Handlooms & Textiles Rc. No. 16269/77-FI, dated 12-8-1977.

ORDER

In the references first to third read above, the Government have exempted the Yemmiganur Weavers, Cooperative Production and Sales Society Ltd., Yemmiganur from the operation of rule 24 (1) (c) of the Andhra pradesh Cooperative Societies Rules 1964, for purchase of spare parts and petrol for the Society’s lorry and propaganda van from M/s M. G. Bros., and also to have its vehicles served and repaired by M. G. Bros. and also to purchase yarn from Yemmiganur Spinning mills Ltd. The exemption last granted to the said Society has expired by 22-9-1977. In view of this, the Director of Handlooms and Textiles in his letters fourth and fifth read above has recommended for grant
of exemption to the said society for a further period of 3 years from 23-9-1977 to 22-9-1980. The Director of Handlooms & Textiles has given the following reasons in support of his recommendation:

(a) The Yemmiganur Weavers' Cooperative Production and Sales Society is only benifitted by its transacion with the Yemmiganur Spinning Mills Ltd., and Rayalaseema Spinning Mills in which its President Sri M.S. Sivanna has got an interest and as such the exemption granted for further period to the said Society will be in the interest of the said Society and not the Yemmiganur Spinning Mills Ltd., Yemmiganur and Rayalaseema Spinning Mills.

(b) Sri M.S. Sivanna who is a partner and General Manager of M/s M.G. Bros., Yemmiganur is financially helping the Yemmiganur Weavers' Cooperative Production and Sales Society Ltd. and is not allowing any benefit to accrue to the firm of M/s M.G. Bros., from its transaction in respect of purchase of petrol, diesel oil and servicing of and repairs to the Van and Lorry belonging to the Yemmiganur Weavers Cooperative Production and Sales Society Limited.

2. The Government have carefully considered the recommendation of the Director of Handlooms and Textiles with reference to the reasons adduced by him and accept the recommendation made by him. Now therefore, in exercise of the powers conferred by section 123 of Andhra Pradesh Cooperative Societies Act, 1964, the Governor of Andhra Pradesh hereby exempts the Yemmiganur Weavers Cooperative Production and Sales Society Ltd., Yemmiganur from the provisions of section 21A (1) (d) of the said Act and the relevant rules made thereunder, so as to enable the said Society to continue its transactions as stated below, thro' Sri M.S. Sivanna, member of the Board of Directors with non-members for a period of three years from the 23rd September, 1977 to the 22nd September, 1980 or till Srf M.S. Sivanna ceases to be a member of its Board of Directors, which veris earlier:

(1) to purchase spare parts, petrol, etc., required for lorry and propaganda van of the said Society from M/s M.G. Brothers
(2) to have its vehicles serviced and repaired in the workshop owned and run by M/s M.G. Brothers
(3) to purchase its yarn requirement from M/s Rayalaseema Spinning Mills and Yemmiganur Spinning Mills; and
(4) to transport the goods of the said Society to its various depots in and outside the State to and fro thro' M/s M.G. Brothers Lorry Service.

Deputy Secretary to Government.

Extracts of Judgement in W P. No. 3283/78

It is clear that these two G.Os are in Violent opposition to the basic purposes of the Act. These two impugned G.Os quote the authority of section 123 which it is necessary to reads:—

"The Government may, by general or special order and for reasons to be recoded, exempt any society or any class of societies from any of the provisions of this Act.

The reading of the section shows that this section has nothing to do with the question of disqualifications of the candidates who seek to contest the election to the Managing Committee of the society. The Section 123 deals with the exemption that may be granted to a society and not to an individual. But, in the present case what was exempted from in substance is not the society but Mr. Sivanna from the operation of Section 21A read with Rule 24 and 21-C of the A.P. Cooperative Societies Act. This is far from the scope of section 123.

These acts of the Government are hardly calculated to inspire confidence of the people in the democratic functioning. They breed cynicism towards law and legal institutions and make people wonder whether the dictum of Bacon was true when he stated "Laws are really cobwebs where small flies are caught and the great break through."

I have, therefore, no hesitation in setting aside the two impugned orders. The writ petition is accordingly allowed with costs.

re: Shortage of Kerosene, Diesel and Cement in the districts.

The shortage of Kerosene, Diesel and Cement in the districts has been a matter of concern. The situation has been exacerbated by the increased demand due to the ongoing construction projects. To address this issue, the supply of these essential commodities has been increased. However, the demand still exceeds the supply, leading to shortages in some areas.

It is hereby ordered that the District Administrators take immediate action to ensure a steady supply of these commodities. Steps should be taken to monitor the stock levels and ensure that the distribution is fair and transparent.

The concerned departments are advised to work closely with the District Administrators to resolve the shortage issue. The situation will be reviewed regularly to assess the effectiveness of the measures taken.

Matters Under Rule 329
re: Shortage of Kerosene, diesel and cement in the districts.

Sri P. Ganga Reddy:—Sir, there has been general shortage of petroleum products in the State for the last couple of months. It is a well known fact that the shortage of petroleum products is not peculiar to this State but to the entire country. Entire country is facing similar difficulties for want of adequate supply of petroleum products from refinaries.

This august House knows that the Government of India allots all these commodities to the States and I need not say who were in power at Delhi till recently and for that we should not be blamed.

Sri M. Venkaiah Naidu:—His Government was in power at Delhi yesterday, day before yesterday and to-day.
Shortage of Kerosene, diesel and cement in the districts.

Sri P. Ganga Reddy:—The Government of India has been requesting the State Governments to devise appropriate system of distribution in view of lesser availability of petroleum products in international markets. The Government of India has made the following allocations of diesel and kerosene to the State for the last seven months:

The allocation of diesel and kerosene for the State is less by about 10 to 15% than its actual requirement. The available quantity of kerosene is being distributed to consumers through fair price shops. But in view of the fact that supplies are not sufficient to meet the actual demand, the scarcity is felt from time to time. There is no distribution control on High Speed Diesel for the present in the State except some informal quantitative restriction on sale of High Speed Diesel. The Government have been contemplating to introduce a system of regulated distribution of High Speed Diesel to agriculture and transport sectors. Instructions were already issued to the Collectors to issue supply cards to all the agriculturists for drawing High Speed Diesel from the nearest retail outlet. However, in view of the reported statements of Union Minister for Petroleum that Government of India is making arrangements to supply adequate quantity of High Speed Diesel, the situation is being watched closely. We will ask the Collectors to meet the requirements of the agriculturists in full and I will assure you that I will ask the Collector, Medak to see the supply position personally. I share the sentiments of the hon. Members and I am doing my best to see that the agriculturists are given the full requirement.

We received only 10,000 tonnes of sugar in December and 6,000 tonnes in January against 24,000 monthly allocation from the Government of India. The Government of India introduced revised policy of levy sugar only from 17th December 1979. Although levy order was issued on the 17th of December 1979, the mill-wise allotment of sugar...
was not received by the Food Corporation of India, which was entrusted with the responsibility of distribution, till the end of December 1979. The Food Corporation of India could not make necessary arrangement for the transportation of sugar in time from mills located within and outside the State immediately, because there was shortage of transport due to Parliamentary election during January 1980. After watching this, the State Government has since decided to entrust the responsibility of distribution of sugar to the State Civil Supplies Corporation and the Government of India has also agreed with the State Government’s proposals. The Civil Supplies Corporation is taking steps to procure and distribute sugar through fair price shops. Recently we have received 25,000 tonnes of sugar for the State. Cement is being distributed by State Trading Corporation under the Industries Department. It is not done by the Civil Supplies Department. So, I do not have the necessary information.

Revenue, Civil Supplies and Vigilance Cell Officers are keeping a strict watch when cases of black market is reported and prompt action is being taken and many cases have been booked.

The State Government have requested the Government of India for additional quantity of 40,000 Kls of Kerosene and 90,000 of KL Diesel for the State.

MOTION OF THANKS TO THE GOVERNOR'S ADDRESS.
(Sri A. Eswara Reddy in the Chair).

Freedom is not won for ever. It has to be won everyday.
166 13th February, 1980. Motion of Thanks to the Governors

Address

It is only a technical victory and not a moral and a political victory. It is only a technical victory and not a moral and a political victory. Image and Record are two different things. Image and Record are two different things.

Motion of Thanks to the Governor's 13th February, 1980.

Address:

Sri B.T.L.N. Choudary (Anantapur) — Is this Hon'ble House or a public platform? This cannot be used as public platform. Mr. JaipalReddy is using it.

Sri S. Jaipal Reddy:—I have also come to doubt about the honour of this House with so many members of that calibre being elected to this House.

(Interruptions from Treasury Benches)

Sri S. Jaipal Reddy:—It is the privilege of the Congress (I) members to speak lies and to speak through their hats since they have no heads.

Chairman:—Let no member interrupt. Sri Jaipal Reddy will continue.

Sri S. Jaipal Reddy:—I am proud I once belonged to the Congress of Gandhi and Nehru and, not of Indira and Sanjay.

(Interruptions)

Chairman:—Let no member interrupt. Sri Jaipal Reddy will continue.

Sri S. Jaipal Reddy:—Let us refer to facts and figures. I am referring to the facts and figures presented by the Government of Indira Gandhi during Emergency.
13th February, 1980.  Motion of thanks to the Governor's Address,

Dr. R.M. Manohar (Achampet):—I want him to accept one fact I would ask Mr. Jaipal Reddy whether he was not appointed as Commander of the Indira Brigade of the Andhra Pradesh Congress Committee Let him tell whether it is a fact or a lie.

Sri S. Jaipal Reddy:—Mr. Manohar did have the privilege of working with me and I am only sorry that, having worked with me, he should have degenerated so much.

Sri P. Govardhan Reddy:—This is personal abuse.

Chairman: —I appeal to the House not to interrupt the hon. Member.

Don't belittle the House or the members.

Sri S. Jaipal Reddy:—I am also anxious that the dignity of the House should not be belittled through a silly behaviour.

Now I am speaking from figures of the Government of India. The wholesale price index during the period of Indira Gandhi from 1971-77 rose by 13 points every year. During second year of Emergency the wholesale price index went up by 20 points and as against this dismal record of Indira Congress regime, let us examine the record of Janatha Party Government. During the two years of Janatha Party Government the prices went up, only by 1.7% per annum as against 13 points of Indira Congress regime.
Motion of Thanks to the Governor's Address.

13th February, 1980

Sri N. Amaranath Reddy:—Are we referring to the performance of the 11-year rule of Indira Gandhi? You talk about the Governor’s Address. Why do you talk other things.

Sri S. Jaipal Reddy:—Mr. Amarnatha Reddy was a member of the Cabinet which was a party to the draft of the Governors Address which contained a reference to Indira Gandhi. It was you who provoked me to speak about her and it is to your disadvantage.

Sri N. Amaranath Reddy:—We talked about 20-point formula; we never mentioned about performance of 11 years.

Sri S. Jaipal Reddy:—We know the 20-point formula; there is only one-point formula and that is remaining in power and getting into it. 11 times the national income rose by 5 5% from Indira's rule. These are facts and figures; I am not trying to mount any propaganda. Per capita income during the two-year rule of Janatha party rose by an annual average of 4% as against 0.6% of the 6 year rule of Indira Gandhi i.e., 7 times more than the period of Indira Gandhi. I am submitting with all the humility I can command.

Mrs. Indira Gandhi's regime was adding 42 lakhs of unemployed people every year to an already existing backlog of 22 crores of unemployed people. But I am proud to tell you during the 2-year rule of Janatha Party not a single unemployed person was added to that back-log. If this is not achievement Mr. Speaker you may kindly consider. If somebody comes to you in your office and says, 'I have been unemployed for 11 years' you may say, 'Don't worry, I will try my best to get you a job.'

Sri N. Amaranath Reddy:—It was during Indira Gandhi’s regime that the Food for work programme was commenced; it was approved by the then Cabinet.
Sri P. Govardhan Reddy:—It was started by Indira Gandhi but not properly implemented by Janatha Party.

(Interruptions)

Sri S. Jaipal Reddy:—Your Government has not utilised and distributed even a single tonne of foodgrains.

(Interruptions)

Sri M. Srinivas Rao:—This is a discussion on Governor’s Address; he has to speak on that. That is the subject matter of discussion. He can make references. But the entire trend is that he is trying to speak about the performance of the Janatha Government. This is out of context and should not be allowed.

Chairman:—He is making a comparative study of the Janatha Government and the Indira Congress Government.

(Interruptions)

Sri S. Jaipal Reddy:—The Governor’s Address referred to the Janatha rule as a “winter of discontent and despair. I am trying to show that Janatha rule was in fact a heaven in which milk and honey over flowed. 11 crores man-days were generated. It is a result of this no back-log of unemployment was added to 2.2 of unemployed people bequeathed to us by crores the regime of Indira Gandhi.

(Interruptions)

Sri S. Jaipal Reddy:—If the members do not know what can be spoken on the Governor’s Address, the Speaker can hold a class in which they can be taught some lessons.
Address:

Sir S. Jaipal Reddy:—During the two-year rule of Janatha party 56 lakhs of people were benefited by the scheme of adult education as against 5 lakhs of Emergency rule of 2 years. This, I just want to bring to your notice. 65,000 wells were sunk during the two years while 13,000 of the emergency rule. In 1966 people living below the poverty line were twenty four crores. They rose to 42 crores during the eleven year rule of Indira Gandhi. 

Mrs. Gandhi herself was trounced in Rae Bareli in 1977. She won in 1979. I thought I had a chance of trouncing Mrs. Gandhi in Medak and then expose. I am going on record, I will contest against Mrs. Gandhi in Medak again and trounce her.
172 13th February, 1980. Motion of Thanks to the Governor’s Address.

He cannot bring the name of somebody who is not in this House to defend himself or herself, whoever it is.

(Interuptions)

Sri P. Venkat Rao:—We are taking objection to the words of Mr. N.S.N. Reddy. He has got every right to speak, but he has no right to cast aspersions of this kind. He has to withdraw his words, otherwise we will move for his expulsion from this House.

Chairman:—It will go out of record.

Sri P. Venkat Rao:—Expunging it is all right. It is the right of the Chair. With all honour to this House, let him withdraw.

Chairman:—It will be expunged if necessary.

(Interuptions)
Motion of Thanks to the Governor’s Address: 13th February, 1980

(Interuptions)

Chairman:— In deference to the wishes and sentiments of the House, he has withdrawn it.

(Sri S. Jaipal Reddy):— Karl Marx said “workers of the world unite! you have nothing to lose except chains. On the periodical lines Defectors of the world prostrate, you have nothing to lose except shame and honour”.

Sri G. Rajaram:— Was not Mr. Jaipal Reddy a defector at some time?

Sri S. Jaipal Reddy:— I was expelled from the Congress Party. So, I joined the Opposition Party. I was suspended. I am not a defector and I will never defect.

Sri A. Veerappa:— Mr. Jaipal Reddy argues suspension is better than defection.

Sri S. Jaipal Reddy:— Suspension befalls on a hero.

Chairman:— Your time is over, Mr. Jaipal Reddy.

Sri S. Jaipal Reddy:— I did not speak for 15 minutes. If they do not allow me to speak, what can I do? As Opposition Leader, I should have at least one hour.

Sri M. Srinivasa Rao:— Mr. Jaipal Reddy claims to be the Leader of the Opposition. It is not a fact. Ruling may be given on this.

Chairman:— He is initiating the debate from the Opposition side.

Sri M. Venkaiah Naidu:— He is the leader of the single largest Opposition Party in the Assembly.
Chairman:—That will be looked into.

... Today we are already experiencing undeclared emergency with the arrest of honest Police Officers like Mr. K. N. Singh. ... I am wishing with all my heart all strength to bellow? Sanjay Gandhi so that he can destroy Indira Congress and restore democracy in this country.

Sri M. Venkaiah Naidu:—Sir, He is saying that the issues within the purview of the State should be covered. Shall I remind the House that the same Hon'ble Member yesterday raised an issue concerning the Parliament?

... If Narainpur incident is the norm, the Government of Mr. Channa Reddy should have been dismissed thousand times by now. It started with the killing of a Harijan in Chaderghat police station and proceeded with the raping of Rameeza Bee a Muslim woman in Police Station. The rape of Rameeza Bee was proved through judicia inquiry. ... In the last two years, the old city, has been under curfew formally and informally...
Motion of Thanks to the Governors 13th February, 1980.

Address:

February was inaugurated with a murder in Medak. Riots; in 1977, 2400. In 1978, 3835. In 1979, 4491 and in January 1980 300. They were provided to me by the Addl. I.G. of Police (Crimes). Of course, he does not provide them to you, because you are not interested in them.

In 3 months we witness the rise and fall of Nadeendra Baskar Rao as we witnessed the rise and fall of the Third Reich and the rise and fall of the Roman Empire. In 1977 2400, in 1978 3835, in 1979 4491 and in January 1980 300.

Sri N. Amarnath Reddy:— Mr. Jaipal Reddy is levelling personal charges. It is not good. We have not collected funds. We take a challenge.

Sri S. Jaipal Reddy:— I will give it in writing. Will you agree for an enquiry. If I do not prove the charges, I will face the legal consequences.

Sri N. Amarnath Reddy:— He is not the marshal for an enquiry. It is not a Military Government.

Sri S. Jaipal Reddy:— I am a responsible Member of the opposition. I am levelling specific allegations, If you prepared to appoint a Judicial Enquiry, I am prepared to give my charges in writing. I am prepared to take the legal consequences.

Sri N. Amarnath Reddy:— We have seen the Vidyalingam Report. Why do you talk about the Commissions?

Sri S. Jaipal Reddy:— What about the Bhasw Commission, Gupttha Commission? Are you prepared to take the challenge?
176 13th February, 1980. Motion of Thanks to the Governor, Address:

Collector made the recommendation for me. But you are asking the Chief Minister. In my case Collector made recommendation and Chief Minister conceded because he has no alternative.

11.20 am.
Motion of Thanks to the Governor's Address:

13th February, 1980.

This is a patent falsehood Mr. Speaker. Sir, you have said that 8,50,000 houses are being constructed. Who are they? Are you referring to the 3,500 slums which are constructed with the funds given by the Janatha Government under the Food-for-Work Programme? You are referring to 3,500 slums which are constructed with the funds given by the Janatha Government under the Food-for-Work Programme.

I am quoting from 1979 Governor's Address and I am not speaking from my memory: "Efforts are being made to mobilise maximum land from different agencies like the Housing and Urban Development Corporation, the General Assurance Corporation and Life Insurance Corporation and take up construction of 50,000 permanent houses in rural areas and another 50,000 in urban areas". You are referring to 3,500 slums which are constructed with the funds given by the Janatha Government under the Food-for-Work Programme.

* Dr. R. M. Manohar: —I am standing before you as a Legislator belonging to the Scheduled Caste Community. I have finished my 53 years and I have entered my 34th year. As a boy from a thatched hut, I have had the good fortune not only to travel all over India but all over the world. When I go back to my childhood days, I would like to recollect how an untouchable in a small village is treated. I would like to inform this House, in those days, untouchables were kept far away from the main village. We were not allowed to draw water from the common well. We had to go about 5 miles to fetch drinking water. I am a living example of Mahathma Gandhi, Pandit Jawaharlal Nehru, Motilal Nehru Indira Gandhi and almost all leaders of the country. I am living example today because today an untouchable is speaking before you. Therefore, I would like to pay my tributes to those leaders who had made the untouchables to live like human beings.
13th February, 1980. Motion of Thanks to the Governor, Address:

Dr. R. M. Manohar:— I have always stood on one platform. I hope my friends will respect the voice of harijans in this country. I am not going to be like Jaipal Reddy. I will not involve myself in any sort of criticism. I beg of you to listen to me. This is the voice of the harijans of India.

The frontiers of this country were in danger. The unity of this country was in peril. The lives of millions of poor people were in danger but for the bold stand taken by our beloved President of India Dr. Neelam Sanjeeva Reddy. This country has once again established, and because of the bold and courageous action taken by our beloved President of India Dr. Neelam Sanjeeva Reddy, the Parliament has been dissolved and fresh elections have been ordered. The fate of this country was hanging in the air.

As you know, I as an ordinary man, have spoken to Ayathulla Komein in Iran. I told them that Mahatma Gandhi through non-violence, had brought revolutionary changes in India. He asked me to which religion I belong, I said I am a Hindu but I told him that I do have faith in Islam and Christianity because we are children of one God and asked him to restrain from violence likewise I spoke to President Carter also just for the sake of a few Americans we should not go to war and create confusion and conflict among different races. At that time, our country did not have a Prime Minister who could speak to the world. To-day, you see thousands of leaders from all over the world are looking at India, and to-day India is going to play a vital role in shaping the destinies of not only Indian human race but of the entire world.

I would like to tell you that I do not want to criticise anybody, though Mr. Jaipal Reddy was instrumental in building me up. Unfortunately his talents and energies are not used properly, I think so.

Anyway, our Governor, with whom I have got a link was a Scout Master and I had the good fortune to do my Scout-hood Badge in London. The Governor in his humble Address has correctly mentioned the name of Indira Gandhi. What is Indira Gandhi? She ma
not be able to give us everything that we want. She has given the Harijans to live a life with dignity and equality. We are proud of her and of our own leaders. All of them sitting on the Thiruvananthapuram Bench are members having principles.

Particularly, the food-work programme was actually started by Indira Gandhi during the time of Sri Venga Rao. We had to surrender foodgrains. To day in my own constituency I have to get 1, 100 tons of foodgrains for the work which has been completed. We have constructed school buildings and we have constructed roads. If you go to Achampet where here were no roads once it is now humming with activity. It was once a land of criminals. Now it is progressing. Today people are very happy. This was a neglected area of Telangana where there was dearth of drinking water. When the question of providing protected water for Vatwarlapudi came, our Government was able to sanction the money just on a telephone.

There is the Dindi Right Canal. On account of it, lot of area of Achampet was submersed. Water overflows there for three months. It enters the Nagarjunasagar and then to Krishna. People living in this area don't get a glass of water. So no people are trying to sabotage. I am sure that our Chief Minister will do justice.

On your way to the Begumpet Air Port there is one Railway Crossing. People are made to wait at Begumpet Railway Crossing for a number of hours. In this State we don't have one over bridge even. referred this matter to the Railway authorities. They say that the State Government is not able to sponsor or provide necessary funds. Since the Finance Minister Sri Rajaram is here I would appeal to him to see that this is taken up.

About communal disturbances in Hyderabad I would like to say one thing.

I condemn any activity which is against secularism of our
country. Ours is a democratic and secular country. Whether one is a Hindu or a Muslim and if he indulges in looting or murder or desecrating temples or mosques, it should be condemned.

India is a great country in the world. It has got its own social, ethical and spiritual values which cannot be found in any other country of the world. I have travelled widely to European countries USA East European, the Asian and also some African countries. My friend, India is a great country which has great cultural heritage. As such I appeal that no one should indulge in criticism but they should work constructively and thereby build up a good India. I would like to see India of Mahatma Gandhi’s dream, of Pandit Nehru’s dream etc. We are Indians and we are proud of it. We should not indulge in criticism.

198 13th February, 1980. Motion of Thanks to the Governor's Address.

Mr. Chairman: — There are rulings in the House; when there are grave allegations, the member has to obtain permission of the Chair and substantiate it on the floor of the House.

Sri S. Jaipal Reddy: — I submit that if members through substantive motions level allegations, the Government also should establish a convention of being prepared to have enquiry conducted into them.

Sri N. Janardhan Reddy: — Meteril should be given to the Chairman.

Mr. Chairman: — No allegation of a defamatory or incriminatory nature shall be made by a member against any person unless the member has given intimation to the Speaker and also to the Minister concerned; provided that the Speaker may at any time prohibit any member from making such an allegation if he is of the opinion that such allegation is derogatory to the dignity of the House and no public purpose is served. That is the rule position.

Mr. Chairman: — The rule is very clear. Let us go strictly according to the rule position.
