Oral Answers to Questions.

(3) Mr. N. Ramalingam:— The Minister for Co-operation, said that rural development programmes have been initiated for the development of the rural areas in the State. The State Government has allocated Rs. 1,00,000/- for the rural development programmes in the year 1978-79. The State Government has also allocated Rs. 2,00,000/- for the rural development programmes in the year 1979-80. The State Government has also allocated Rs. 3,00,000/- for the rural development programmes in the year 1980-81.

(4) Mr. A. R. Rajan:— The Minister for Co-operation, said that the rural development programmes have been initiated for the development of the rural areas in the State. The State Government has allocated Rs. 1,00,000/- for the rural development programmes in the year 1978-79. The State Government has also allocated Rs. 2,00,000/- for the rural development programmes in the year 1979-80. The State Government has also allocated Rs. 3,00,000/- for the rural development programmes in the year 1980-81.
Regional Conference of Medical Officers on Control of Malaria

242—

*3360 Q.—Sri Poolla Subbaiah (Markapur) :—Will the Minister for Health and Medical be pleased to state:

(a) the decisions taken at the Regional Conference of the Medical Officers of Andhra Pradesh, Madras, Karnataka and Maharashtra which was held in the month of August, 1979 for the control of Malaria; and

(b) if so, the steps taken by the Government to implement the same?

(a) and (b) Answer is placed on the Table of the House.

ANSWER PLACED ON THE TABLE

(a) The following decisions were taken at the Conference:

1. The District Malaria Officers of the bordering district in the neighbouring State should meet once in three months alternately in the bordering State with a view to synchronise spray operations in the border areas.

2. In these meetings a review is to be made of the incidence of Malaria, average blood examination rate, parasite incidence, migration of population, treatment of referred positive cases, plans of spray operation, and the availability of insecticides.

3. Surveillance in border villages should be fortnightly and preferably the visits of the surveillance workers on both the sides of the border be synchronised in the bordering villages.

Regional Conference of Medical Officers on Control of Malaria
4. Drug Distribution Centres are to be opened within the 16 KM. belt on either side of the border at the rate of one for each village hamlet.

5. Focal spray may be undertaken with whatever insecticide is available.

6. Next Inter State Border Meeting be held in Maharastra in February, 1980.

(b) The Assistant Director (Entomology) and the District Malaria Officers, Anantapur have met the Zonal Entomologist of the bordering area of the Karnataka State bordering Anantapur District and have discussed the Entomological work going on in the borders.

The Unit Officers of Chandrapur District of Maharastra had visited Adilabad in September, 1979.

As per the Modified Plan of operations, the surveillance is done every fortnight.

There are 92 Drug Distribution Centres and 1169 Fever Treatment Depots functioning in the border areas. All the Malaria Officers were requested open drug distribution centres in every village and hamlet in the border areas.

Spray was conducted in 4113 border villages covering a population of 20,23,240.

Normally two rounds of spray is done during the transmission season in all areas with more than two annual parasite incidence but in most of the border areas a special round of spray has been planned during the current years.
Sri A. Madan Mohan:—I have submitted all that information to the hon. Members. I would add that on 25-8-79 the Andhra Pradesh Government had taken the initiative of inviting officials from other States and we have held a regional conference. I presided over it and many things were discussed. We said we should be able to take proper vigilance at the border areas because of the migration of labour this mosquito is transmitted. Andhra Pradesh has border, with Orissa, Tamilnadu, Maharashtra and Karnataka. The representatives of the State discussed and we said that every 3 months we are going to have the regional conference in one State or another.

8:40 a.m.

Sri A. Madan Mohan:—Sir, this mosquitoes have developed an immunity to D.D.T. That is why we have been requesting all the research organisations to make a research. Yes, 36 sprays may be undertaken.

Sri A. Madan Mohan:—I will look into it.
12th March, 1980.

Oral Answers to Questions.

(a) whether it is a fact that the Government have decided to entrust G.P.F. scheme to a separate Directorate; and

1. Whether the State Government have asked the Central Government to start a Film Censor Board in the State and if so, the reply received from the Government of India?

Any way I will take this information and try to act on it.

Starting a Film Censor Board in the State

246

4209 Q.—Sri G. Mailkajum Rao :— Will the Minister for Municipal Administration & Information & Public Relations be pleased to state:

(a) whether State Government have asked the Central Government to start a Film Censor Board in the State and

(b) if so, the reply received from the Government of India?

Any way I will take this information and try to act on it.

Starting a Film Censor Board in the State

246
Smt. B. Sarojini Pulla Reddy: —Sir, I will just read out. On the basis of the information and also after consulting the various trade associations of the film industry, for example, Telugu Film Producers Council, Madras, Hyderabad State Film Chamber of Commerce, the Chairman of the CBFC in his letter of 11, 1978 sent a reply as follows: "It is premature to open a Regional Office at Hyderabad which is also confirmed by the Telugu Film Producers Council. The CBFC also informed that they have received some representations from the Telugu Film Producers that if a regional office is set up in Hyderabad, it would remain idle most of the time and bulk of the Telugu films continue to be presented at Madras for certification." This is the national spirit. This is the State spirit. This is a commitment from their part. You can come to your own conclusions.

Sir, I will find out whether there are any Telugu people on the censor board.

Smt. B. Sarojini Pulla Reddy: —We would very much like it. Is there any doubt about it?

Cement Quota to the State

247—

*4691-Q. —Sri B. Sriramamurthy (Parvada) — Will the Minister for Small Scale Industries and Fisheries be pleased to state:

(a) the extent of cement quota per quarter being received by the State during the last one year;

(b) whether it is a fact that the State Government requested the Centre for enhancement of the quota to about 6 lakhs tonnes per quarter, if so, the result;

(c) the steps taken by the State Government to simplify the procedure for distribution of cement to the bulk and individual consumers in the State; and

(d) the districts from which reports were received regarding scarcity of cement?

...
Oral Answers to Questions. 12th March, 1920. 297

We have received so many applications for the 15 seats. It seems that we cannot accommodate all of them. We have received so many applications from various sections of the community. Our aim is to accommodate as many as possible. However, the number of seats is limited. We are trying our best to accommodate all the applications. Unfortunately, we cannot accommodate everyone.

District Industrial Centres

248—

*4782 —Q—Sarvasi K. Satyanarayana, M. Omkar, N. Raghava Reddy and Smt. Swarajyam :— Will the Minister for Small Scale Industries and Fisheries be pleased to state :

(a) whether it is a fact that the Commissioner of Industries Mr. K. Obayya, on 18-5-1979 stated at Tirupathi that in the coming three months, the remaining nine districts will have district Industrial Centres for the industries development as a noble progress has been made in the 15 districts where such DIC's are existing and

(b) the conditions to be fulfilled for having such industries' Centres

Mr. Obayya, speaking about the setting of centres in 14 out of 23 Districts of Andhra Pradesh in the first phase, said that it was to lay emphasis on development of Small Scale Industries in some rural areas in tune with the latest policy of the Union Government. He disclosed that Centres would be set up in all remaining districts of the State which at present did not have the Centres within the next 2 months and the Union Government was providing a grant of Rs 8 lakhs for each Centre to meet the expenditure in this regard.

He further added that the setting up of Industrial Centres would be an impetus to the Small Scale Industries and he expressed confidence that the economic growth of the State would be faster.
9-20 a.m.

1. Mr. D. P. B. - I am not able to answer this question. I am 30th March, 1980. He was good enough to give the information, even though there was no possibility as per the question.

Q. 5. Ramachandra Reddy: — May the Honble M. D. O. R. please state what steps are being taken by the Government to increase the paper quota.
Detention System in Education

250—

*2526 Q.—Sri Kasu Venkata Krishna Reddy (Narasaraopet):—Will the Minister for Education be pleased to state:

(a) whether the Government have invited suggestions from the academicians and other allied organisations on the question of detention system in education; and

(b) whether any time limit has been fixed for sending such suggestions?

Collection of Fees from 8th and 10th Class Students to meet Expenditure towards Quarterly Exams, Etc.,

251—

*3410-Q.—Sri D. China Mallaiah (Indurthy):—Will the Minister for Education be pleased to state:

(a) whether it is a fact that the District Educational Officer Hyderabad City has issued instructions to collect from each student Rs. 3 up to 7th Class and Rs. 4 from 8th to 10th Classes to meet the expenditure in connection with quarterly, half yearly and annual examinations;

(b) if so, what happened to the amount allotted under contingencies to each District Educational Officer and the special fees collected from the students at the time of admission;

(c) the authority under which the said Circular was issued by the District Educational Officer;
(d) whether Government will immediate issue instructions to the District Educational Officer through the Director of School Education to withdraw the said circular; and

(e) if not, the reasons therefor?

Minister for Education (Sri B. Venkataram Reddy):—

(a) No Sir. The District Educational Officer Hyderabad City issued instructions fixing the examination fee at the following rates for the year 1978—79 to be met from the Special fee fund only and not separately from the students.

1. Rs. 4 per student of Classes VIII, IX & X.
2. Rs. 3 per student of Classes VI & VII.

(b) The contingencies amount is not being utilised for the purpose of conducting common examinations.

(c) The instructions issued by the District Educational Officer are in accordance with the decision of the District Common Examination Board, Hyderabad taken at its meeting held on 20-7-1978.

(d) & (e): Do not arise in view of reply to clause (a) and (c) above.

Setting up of Rural Banks in the State

Short Notice Questions and Answers

(Sri Y. Venkata Rao, Minister for Agriculture stood up to answer the S.N. Q.No. 252-A on behalf of Sri P. Ganga Reddy; Minister for Civil Supplies)

Mr. Speaker:— He told me that he went to attend the Central Ministers Conference. I have no information about that conference whether it is concluded or not.

Sri S. Jaipal Reddy:— We can't protest every day for their absence.

Mr. Speaker:— He told me that he went to attend the Central Ministers Conference. I have no information about that conference whether it is concluded or not.

Sri S. Jaipal Reddy:— We can't protest every day for their absence.

Mr. Speaker:— He told me that he went to attend the Central Ministers Conference. I have no information about that conference whether it is concluded or not.

Sri S. Jaipal Reddy:—By the time you may be able to do something the session will be over. We would like to know from the Speaker as to how many Ministers are there at Delhi and what business they are transacting?

Mr. Speaker:—I am grateful to Mr. Jaipal Reddy. Let us see how our Agriculture Minister will face. Yesterday I clarified the position. Please give me some time. Yesterday I had a telephonic talk.

Sri Y. Venkat Rao:—I was holding the portfolio previously and I know the subject. I will give the answers.

Sri S. Jaipal Reddy:—It is a question of the dignity of the House. We want to strengthen your hands.

Mr. Speaker:—I am grateful to Mr. Jaipal Reddy. Let us see how our Agriculture Minister will face. Yesterday I clarified the position. Please give me some time. Yesterday I had a telephonic talk.
How can you expect the Ministers to run the administration efficiently?

We are foregoing our question hour also.

We protest against the remarks of Mr. Goverdhan Reddy.

(Interjections)

We protest against the remarks of Mr. Goverdhan Reddy.

(Interjections both from Opposition and Treasury Benches)

Sri M. Venkaiah Naidu:—Who is doing ‘tamasha’ Sir? What is this?

(Interruptions)

Mr. Speaker:—I request all the Members to resume their seats. Have some patience.

(Interruptions)

Sri M. Venkaiah Naidu:—With all our responsibility we are telling this. What is this?

(At this stage Sri Goverdhan Reddy stood up in his seat)

Mr Speaker:—Mr. Goverdhan Reddy I am repeatedly warning you. It is not the way. Why do you refer to them. You refer to m .

9-50 a.m.

Sri S. Jaipal Reddy:—Sir, as a protest against the continued absence of the Ministers in the House and also the Chief Minister and
as we treat it as a matter of contempt on the part of the Chief Minister and Ministers, we stage a walk out,

(All Janata Party Members staged a walk out)

Mr. Speaker—I request all the Hon'ble Ministers to observe some decorum. When the Speaker has permitted and when he is having conversation with the Hon'ble Members of the Opposition, it is not proper on your part because, you are of Government Party and you are in majority Party you must see that.

(Mr. Minister):— I request all the Hon'ble Ministers to observe some decorum. When the Speaker has permitted and when he is having conversation with the Hon'ble Members of the Opposition, it is not proper on your part because, you are of Government Party and you are in majority Party you must see that.

(a) whether the Andhra Pradesh Agricultural University is contemplating to start agricultural engineering course from the next academic year;

(b) if not, the reasons for not starting the course; and

(c) whether the State of Andhra Pradesh are sponsoring candidates to the Universities in the North in agricultural engineering?
Mr. Speak r:— As, Sarva hr: M. Venkaiah Naidu, N. Narasimha Reddy, P. Janardhana Reddy, M. Omkar and Smt- M. Swarrjyam, who have given the notice under Rule 329 are not present, I am postponing these three matters under Rule 329.

(Sri A. Eswara Reddy in the Chair)

Chairman:— Now, as per the directions of Hon’ble the Speaker, I adjourn the House for ten minutes.

(The House then adjourned to meet again after ten minutes.

0 a.m.

(The House reassembled at 10-30 a.m.)

(Mr. Speaker in the Chair)
Matters Under Rule 329

re : Non-release of Sugar for Card-holders in Nellore District.

Mr. S. Verkatarao:—Sir, the Food Corporation was the wholesale agent for the distribution of levy sugar in the months of December, 1979 and January, 1980. The Andhra Pradesh Civil Supplies Corporation has been appointed as the distributing agency from February, 1980 onwards. It is not correct to state that levy sugar was not supplied to Nellore district. Levy sugar was supplied to Nellore district to the extent of 282 quintals in December, 1979, 163 quintals...
316 12th March, 1980.

Matters Under Rule 329:

re: Non-release of Sugar Card-holders in Nellore District.

in January, 1980 and 240 quintals in February, 1980. As orders introducing partial control on sugar were issued only in the end of December 1979 and as the transport vehicles were engaged in election work in the first week of January, 1980, movement of stocks of sugar started only in the later half of January, 1980. Since the State had to call for tenders and enter into contractual agreements for movement of stocks there was bound to be delay in the initial stages. However, all special efforts were made to keep as much sugar as possible at different places. From February, 1980 onwards distribution was entrusted to the A.P. Civil Supplies Corporation on which had also to make proper arrangements by calling for tenders. Roughly 20% was to be lifted from Maharashtra. In spite of the difficulties the Civil Supplies Corporation had made its best efforts to move sugar to fair price shops. However, in the nature of things there was a gap between allocation and supplies and as the State agencies are able to create sufficient buffer stocks to ensure smooth supplies, the position will become easier. While steps are being taken to improve the distribution system some of the sugar mills have obtained orders from the High Court of Madras for enhancement of sugar price. If a higher price is to be paid for lifting the sugar it will entitle Rs. 70 lakhs more expenditure to the State agency. In view of the difficulties in the movement of stocks, Government of India have been requested to extend the time for lifting stocks for December, 1979 to March, 1980 and the entire backlog will be made up before the end of this month and distributed through public distribution system. Due to the above reasons and initial difficulties sugar could not be supplied to Nellore in time. Both the Food Corporation and A.P. Civil Supplies Corporation authorities have been asked to expedite supplies to Nellore district. Since the Government of India extended the time for clearing the stocks there will not be any difficulty in supplying levy sugar in future. Government of India do not have control over the open market sugar and the price in the open market is Rs. 5 to 7 per kg. The latest instructions issued have improved the price and the measures adopted with regard to distribution on have had a salutary effect and the price is showing a downward trend.

(Mr. Deputy Speaker in the Chair)
re: Prevalence of Cholera in Neredugommu Village of Devarakonda Taluk

There are thousands of tonnes everywhere less in the State.

re: (2) Prevalence of Cholera in Naredugommu Village, Devarakonda Taluk.

Sri A. Madan Mohan;—On 27-2-80 there was an outbreak of Gastro-enterities in the village of Naredugommu village of Devarakonda taluk. 4 cases were admitted into the hospital. The Medical Officer of the Primary Health Centre soon after receipt of information reached the village and attended to cases. Date-wise incidence is as follows:

27-2-80 . 4 cases.
28-2-80 20 ''
29-2-80 12 ''
1-3-80 5 ''
2-3-80 2 ''
3-3-80 Nil.
4-3-80 4 cases.
5-3-80 20 ''

In all there were 43 cases and the total number of deaths is 3. The spread of infection was arrested in 2 days. The Medical Officer, Primary Health Centre, stayed in the village itself and attend to the cases in the school building. There was no shortage of drugs. There is no cause for anxiety and no fear was observed among the villagers. After the visit of the District Medical and Health Officer and the Assistant Director, all the wells in the village were chlorinated and cholera inoculations were done in the village and the surrounding village. The Public Health staff have undertaken chlorination and anti-cholera inoculation work.

(5) The Health Officer's Report:— The Medical Officer of the Primary Health Centre, 1080-81, 80-81, 81-82, 82-83, attended the village and the school building. There was no shortage of drugs. There is no cause for anxiety and no fear was observed among the villagers.

re. (3) Closure of Operation Theatre No. 5, in Osmania General Hospital.

(5) The Health Officer's Report:— The Medical Officer of the Primary Health Centre, 1080-81, 80-81, 81-82, 82-83, attended the village and the school building. There was no shortage of drugs. There is no cause for anxiety and no fear was observed among the villagers.
Re: Closure of Operation Theatre No 5 in Osmania General Hospital due to infection of Tetanus.

Sri A. Madan Mohan:—The operation theatre No. 5 in the Osmania General Hospital has been closed on 21st February, 1980 on the suspicion of infection based on bacteriological report. The theatre had to be closed as a precautionary measure for proper disinfection. However, some of the Surgeons who were operating in Operation theatre No. 5 have been accommodated in other theatres. The theatre is consisting of five rooms and annexe. The following steps have been taken to disinfect the operation theatre. Maintenance and oil painting up to 28th February, 1980; Cleaning and Sterilisation 29th to 2nd March, 1980; Fresh bacteriological examination on 3rd March, 1980. Bacteriological report is received on 8th March, 1980. There is little possibility of the infection spreading to all the theatres of the Hospital. However, necessary precautionary measures have been taken and theatres 2 and 3 were also kept closed for disinfection measures from 5th March, 1980, to 12th March, 1980. After completion of disinfection measures, all the theatres were opened on 10th March, 1980 and they are functioning.

Calling Attention to Matters of Urgent Public Importance.

re: 2. Non-sanction of Loans by the Co-operative Agricultural Development Banks to the Harijans and Weaker Section Ryots in Narsapur taluk, Medak District.

12th March, 1980.

...
Calling Attention to Matters of Urgent Public Importance:
re: Non-sanction of Loans to the Harijans etc., in Naiasapur Taluk, Medak District.

The people who have taken loans, they have to repay, isn't it? All those who have not repaid, of course, till they are paid, we can consider that way. Here is a case where people have applied for loans. 30th March is coming nearer. If 30th March expires, the subsidy portion expires. Therefore, those 513 applications have to be considered as they are fresh applicants and as they have not defaulted. Your
point of getting deposits is also there. You are collecting by force. You have to consider the 513 applications, or else the subsidy portion gets expired.

Mr. Deputy Speaker:—The Minister is assuring you.

Sri N. Amaranatha Reddy:—You cannot force me to issue orders here.

PAPERS LAID ON THE TABLE

Smt. B Sarojini Pulla Reddy:—Sir, I beg to lay on the Table copy of the amendment to the Andhra Pradesh Municipalities (Appointment of Standing counsels, Payment of Fees and Travelling...
Annual Financial Statement (Budget) for 1980-81:
Voting of Demands for Grants.

Mr. Deputy Speaker:—Papers laid.

PRESENTATION OF PETITIONS

Mr. Deputy Speaker;—Petition presented.

[Document content in Telugu script]
Sri H. Satyanarayana (Adoni)—Mr. Speaker Sir, I welcome the budget of my friend Mr. Madan Mohan. There are so many good things that have been mentioned there. In spite of it, it is my duty to bring to light certain things which are happening in the mofussil. It is very good that specialities and super-specialities are introduced in cities like Hyderabad and other places. Unfortunately the Medical Department is bound to the needs of the mofussil and also the villages to some extent. In mofussil places, though some hospitals were built 50 or 60 years ago when the population was about 20,000 or 30,000 but...
now the population has increased. Even then the same bed strength is still maintained. For example in Adoni, there is a bed strength of about 30 only whereas the population is about a lakh.

The Primary Health Centres, as the name denotes, the amenities that we get are not even primary. They are provided but under-manned and we don’t have medicines and they don’t fill up the vacancies also.

The Samithi dispensaries are manned by Samithis. They neither have funds nor any resources to run. Some of the doctors are keeping quiet in those dispensaries. So, the Government has to come to its aid in a big way.

Regarding unemployment among the medical graduates, I don’t know the present figure. It might be more than 3,000 to 4,000 or 5,000. The most wonderful thing is, while there are vacancies in the department they are not filled up. The vacancies are due to those gentlemen who have gone out overseas. I was told the strength of those people who have gone is to the tune of 7,00. They neither come here nor allow the Government to appoint somebody in their places. For that I would suggest very respectfully that the department should set a deadline. If a doctor who has gone overseas comes within a stipulated period he should be taken. If he comes later, his appointment ceases, the Government should take such a drastic step. Those who have gone overseas are gentlemen with great political influence. So, the officers will be at a loss. Perhaps they will be handicapped to take such action. So, I respectfully urge the Health Minister to fix up a deadline so that the 700 vacancies may be filled up. Further, there are some doctors who take leave and do private practice. Perhaps that may come to a couple of hundreds. If these vacancies are also filled up the poor graduates in Medicine will get jobs.

My friend has stated that one or two taluk hospitals have been provided with ambulance. I think it is better we provide ambulance for all taluk hospitals. For instance if a man who is living 100 miles away from Kurnool, it is impossible for him to go there. So I would urge that ambulance facilities may be provided for all taluk hospitals also.

The next most important thing is prevention of food adulteration. Of course there are number of words in the note. I am afraid the impact of that department on the prevention of food adulteration is not found in the public at all. Added to that in the note it is stated that it is under-staffed. On the one hand you say that you want to prevent adulteration of food but on the other hand you say the staff is inadequate. It is very very important because sometimes we
see in papers even such things like ‘masala’ are adulterated with horse dung. So, the prevention aspect is important. This adulteration has gone to such an extent that it may not be possible for us to distinguish between which is real and which is adulterated. Even Endrine is adulterated. So, I would urge that this department should be strengthened. After all so many diseases come to us due to this adulterated food. If this is stopped, it will go a long way in preventing the diseases.

Coming to the Ayurvedic Department, as my friend was telling there should be lot of research of course. we need not take glory in the past saying a great physician of Buddha did surgery of the brain. We need not take pride now, I urge there should be lot of research in the ayurveda field as my friend said there are small things which cure even big diseases. Thank you.

Voting of Demands for Grants.

In the mean time, the patient dies and parents carry the dead body weeping and roaring. Who is responsible for all these things? Some doctors think the patient is alive and treat accordingly. Doctors are having good practice. They do not involve in these mal-practices. The doctors have good practice. They do not involve in these mal-practices.

When the patient dies, the doctors are good. When the patient dies, the doctors are good.

Sri S. Jaipal Reddy: — I would like to point out one anomaly to the notice of the Minister. In the Budget note presented by the Minister the grants for water supply are also included and water supply is not dealt with administratively by the Department. I don’t think the Minister is competent to answer also. Our members also were careful enough not to refer to the problem of water supply. This problem was dealt with by the Minister for Panchayat Raj. If you see the budgetary provision you will see as much as Rs. 23 crores being allotted only under the Plan. So this is a gross anomaly; it must be set right because it is also presenting a misleading picture about the budgetary provisions we have made for Health because the Plan allocation itself is coming to Rs. 35 crores while the real allocation for Medical aid is only Rs. 5 crores. So it will misrepresent our position at the national level in the context of greater allotment for Health. I am told this has been the case for a number of years. This anomaly must be set right.

Voting of Demands for Grants.

I am grateful for the compliments that he has given. Shall I remind him one thing Sir. As a matter of fact, the situation is such that we must look into the matter seriously. In this connection, I would like to point out that the Budget for 1980-81 includes a provision of Rs. 5,000 for grants. This amount is required to meet the expenses incurred in connection with the construction of a new building. The grant is intended to provide financial assistance to the institution.

The budget includes a provision of Rs. 7,000 for the maintenance of the existing buildings. This amount is required to meet the expenses incurred in connection with the repair and maintenance of the existing buildings. The grant is intended to provide financial assistance to the institution.

In conclusion, I would like to state that the budget for 1980-81 is well-balanced and provides adequate financial assistance to the institution.

(p) M.O. 12th March, 1980. 403
With all respects to Dr Naganna I would say that he is a little unmanageable person. Best of the hospitals like Osmania etc., reacted very badly. I came to know that his probation has not been declared and he is being victimised by some of the officers. I am not here to say that there are no groups in the department. I am not here to say that there are no professional rivalries existing among the doctors. If I don’t say it is nothing but covering the realities of life. I said that there are some individual groupings and individual rivalries but at the same time I am prepared to say with a sense of responsibility that about this Dr Naganna, very unfortunately, there has been a consistent opinion from all the doctors in various hospitals wherever he has been working. He was a little unmanageable person at Osmania hospital, at Gandhi hospital. They found him unmanageable later after some discussions with the hon. Member, our senior leader M. Sundaraiah, he was transferred to other place.

I will ask the concerned officers to take prompt action in this matter.
Annual Financial Statement (Budget) 12th March, 1980

Voting of Demands for Grants.

(Sir), During the budget for the year 1980-81:

1. First Vote:
   - The sum of 100 lakhs was passed for the construction of a new building. The sum was sanctioned by the government.

2. Second Vote:
   - The sum of 50 lakhs was passed for the purchase of new equipment. The sum was sanctioned by the government.

(Sir), I would like to inform you that:

Once bitten, twice shy.
It is filled with serious complications and consequences.

for 1980-81
Voting of Demands for Grants.

Sri M. Srinivasa Rao:—Sir, Nagarkurnool is divisional head-quad.
to rs. For 30 bedded hospital people have contributed Rs. 81,000
and the bui!ing was constructed. Out of 2.97 lakhs sanctioned in 1977
Rs. 50,000 was given to build over i^orks. But til today the rest of the
amount is not released. Will the Minister be kind enough to see that
the funds are provided so that 3 bedded hospital will be completed?

Mr. Deputy Speaker:—The Minister may make a no.ice of it and
send them re\lies.
408 12th March, 1980.

12th March, 1980.

Annual Financial Statement (Budget) for 1980-81:

Voting of Demands for Grants.

In the course of the financial year 1980, the following demands for grants were voted:

1. Education
   - Imparting Primary Education to Children
   - Construction of New Schools
   - Teachers' Training Institute
   - Library and Reading Room

2. Health
   - Construction of New Hospitals
   - Medical Education
   - Outpatient Clinics

3. Agriculture
   - Irrigation Projects
   - Seed Distribution
   - Animal Husbandry

4. Infrastructure
   - Road Construction
   - Bridge Building
   - Water Supply

The total amount voted for these demands was Rs. 10 crores. The allocation was as follows:

- Education: Rs. 3.5 crores
- Health: Rs. 2.5 crores
- Agriculture: Rs. 2.0 crores
- Infrastructure: Rs. 2.0 crores

The funds were allocated based on the importance and necessity of each demand.
Mr. Deputy Speaker: —I don't know in what way Mr. Madan Mohan will help you in this regard.

Sri A. Madan Mohan:—Sir, I will have it enquired into. Because I do not know the case of Sri Misra to whom he is referring. They are known to me personally. In fact they rang me up and I rang up Dr. Siva Reddy to take personal interest; but this is something strange which I am hearing for the first time. I will certainly find out what it is about.

Mr. Deputy Speaker:—He will reply. Mr. Madan Mohan, kindly send in writing to all the Members.

Sri A. Madan Mohan:—Sir, there is no question of appointing a Committee. I am saying When I am saying it. I say it with a sense of responsibility and I will certainly look into this matter. This is something which I am hearing for the first time. At the same time, suppose if it is not correct what is that...

Sri M. Omkar:—Sir, I am prepared to undergo any kind of punishment if they prove it to be wrong. I am prepared to face.

Mr. Deputy Speaker:—No. No. This is not the place to have challenges please.
Sri A Madan Mohan:—Sir, I have not said whether it is right or wrong. What I said is, that, it is something strange which has come to my notice for the first time. Because I know Sri Misra, when they came down with their anxiety, he telephoned me and I immediately telephoned to Dr. Siva Reddy, to take personal interest being an experienced Surgeon in Ophthalmology. But this is something new which has come to my notice for the first time. I will certainly look into this matter.

Sri A Madan Mohan:—Sir, I will look into it.

Sri A Madan Mohan:—Sir, I will look into that also.

8-10 p.m
O. Deputy Speaker:—The question is:
