Supply of Pure Murrah Calves to the Cattle Breeders

*5760. (O) Q.— Sarvasri Nallapareddi Srinivasul Reddi (Venkatagiri) and B. Sitaramaiah (Shujatanagar):—Will the Minister for Animal Husbandry be pleased to state:

(a) whether it is a fact that pure Murrah calves are not available in Andhra Pradesh;

(b) whether it is also a fact that the authorities of Aray Milk Colony at Bombay have refused to supply pure murrah calves to the cattle breeders in Andhra Pradesh; and

(c) the steps taken by the Government of Andhra Pradesh and the A. P. Dairy Development Corporation to supply pure murrah calves to the cattle breeders on payment of cost?

*An asterisk before the name indicates confirmation by the Member.
Reference your letter dated 31-8-1976 on the subject referred above. In this connection I am to state that this office used to supply the buffalo calves to different States under the schemes sponsored by the Government of India. The allocation of such calves was finalised by the Ministry of Agriculture, Government of India. The scheme is discontinued since the year 1971 and since then no buffalo calf was supplied to any State from Array Milk Colony. The Government of Maharashtra has now initiated a scheme to distribute buffalo calves to the milk producers co-operatives in the State. As such, it will not be possible to supply buffalo calves to Andhra Pradesh from Bombay.
Mr. Speaker:—Question No. 302 is postponed.

**Scarcity of Drinking Water in Mahabubnagar Town**

303—

*(Y)—Q-Sri K. Venkateswara Rao (Kollpur):— Will the Minister for Municipal Administration, Information & Public Relations be pleased to state:

(a) whether the Government have formulated any special scheme to meet the scarcity of drinking water in Mahabubnagar town;

(b) whether necessary arrangements for survey have been made;

and

(c) whether funds will be allotted to implement the scheme?

\[\text{Answer:} 1971\text{ARM}\text{\$2,795.}\]

\[\text{Be\text{\$14,107.}\]
Oral Answers to Questions.

Even some bore-wells are going to be taken up. There is very little water available. We are trying to put all efforts. Experts are trying to see what best can be done. We have got to take all this into consideration. Government is seriously thinking. Only preliminary survey is being done.

8-40 a.m.

Smt. B. Sarojini Pulla Reddy:—That is exactly what we are trying to do, but money is the problem.

Sri K. Venkateswar Rao:—You must find finances for the solution of the problem.

The hon. Member, I think, has made a mistake there. That is why we have sent an Engineer. Again I am getting it examined thoroughly. We will see what amount of water will be available.

Certainly we will take action. If it is feasible, certainly we shall not leave it. After all, people’s needs are more important to us.

(Question No. 304 Postponed.)

Irregularities committed by Ex-Chairman of Chittoor Janata Bazar

305——

5838 Q.—Sri N. P. Venkateshwara Choudary (Chittoor):—Will the Minister for Co-operation be pleased to state:

(a) whether any complaint was received by the Government regarding the grave irregularities in drawing T. A. bills by the ex-Chairman of Chittoor Janata bazar;

(b) whether it is also a fact that the Chairman and another Director have drawn I.A. for 30th February 1976 even though February does not have 30 days; and

(c) if so, the action taken by the Government in the matter?

Sri N. Amaranatha Reddy — I never said it was not brought to the notice of the Government. I said the petition was sent to the Registrar and not to the Government. This petition was received in 1977.
Sri N. Amarnatha Reddy—It is running very well. In a very smooth manner, in a proper way we are running the Department.

Sri M. Venkaiah Naidu—If the Minister feels that he is very much proud of the Department for taking action after 2 1/2 years, then God only must help him. I can not help him. Is the Minister shielding such an individual?

Sri N. Amarnatha Reddy—It is not only a T.A. bill. If it only T.A., I can make it within half-an-hour. It is a question of 51 enquiry for the last 10 years. Is the Minister shielding such an individual?

Sri N. Amarnatha Reddy—I am not shielding anybody. It is an Ex-MLA Mr. Srinivasul Naidu, who was in this house in the last Assembly. We are not shielding anybody.

According to that they will proceed.
Sri N. Amarnatha Reddy:—I will definitely give the assurance. I will complete it within six months.

Sri N. Amarnatha Reddy:—He did not catch my point. In August 1977 the petition was received by the Registrar; on 7-9-1977 the Registrar sent the special audit party; on 3-8-78 the audit party gave a preliminary report—there is prima facie case—orders were issued after the correspondence with the District Co-operative Officer and the Divisional Co-operative Officer.

Mr. Speaker:—The machinery is moving so slowly.

Checking of the Benami Accounts of Talavaram Co-operative Credit Society, Palakonda Taluk.

306—

*5871 Q-Sarvasri S. Vijaya Rama Raju (Nagur) and K. Raja Ratnam (Palakonda):—Will the Minister for Co-operation be pleased to state:

(a) the amount of loan sanctioned to the Talavaram Co-operative Credit Society in Palakonda taluk, Srikakulam district by the Vijayanagaram Central Bank during the last four years.

(b) Whether it is a fact that benami accounts have been shown for the said sanctioned loan, if so, the amount and with whom the said amount is lying.

(c) Whether a special officer has been deputed to check the benami accounts and the records and the contents of the report submitted by him.

(d) Whether loan has been sanctioned by the Vijayanagaram Central Bank to the said society before the issue of benami accounts is finalised, if so, the rules under which the loan is sanctioned and whether the loanees have received the amounts properly; and
(e) if not, the reasons for silence by officials; the action that will be taken in this regard by the Government and whether the details of the action taken will be placed on the Table of the House.

(2) 5 a.m. 80 to 8 a.m. 60 to 8 a.m.

(3) Srim, Speaker:—Question Nos. 307, 308 and 309 are postponed.

Distribution of Sugar in the State

310—

SRM7 Q.-Sri M. Venkaiah Naidu:—Will the Minister for Civil Supplies and Marketing be pleased to state:

(a) The steps taken by the Government for the distribution of sugar in the state;

(b) whether it is also a fact that the price of sugar in the state has gone up abnormally; and

(c) if so, the steps taken and proposed to be taken by the Government to reduce its price?

Mr Speaker—You please bear with the Minister.

Sri S. Jaipal Reddy:— We have been beating with him for two years.

Mr. Speaker:— You will have to bear with him for another two years.

Sri P. Ganga Reddy:— What is the difficulty with the Members Sir?

Mr. Speaker:— Absolutely nothing, you go on.
Sri P. Ganga Reddy:— But I can assure the Members the quota has been released and most of the sugar is distributed through the Fair Price Shops.

Mr. Speaker:— Mr. Jaipal Reddy, you cannot make a bold statement. There are Tahsildars who are competently distributing. There may be some black sheep. You cannot say that all the Tahsildars are like that.

Sri S. Jaipal Reddy:— It is the majority which forms the rule. The Tahsildars distributing properly are more in the nature of an instance than in the nature of a rule. The majority are taking steps to streamline and tighten the process of distribution.

Sri P. Ganga Reddy:— It is a very general remark. I can assure the House that the price is not bloated anywhere at any time. You may be knowing that in Rangareddy District one Officer was suspended when some irregularities were found. We are not sparing anybody. I request the Member to furnish me the details. I can assure him, that I will take stringent action.

Sri S. Jaipal Reddy:— I am prepared to give specific instances.

Mr. Speaker:— If you give specific instances, Government will take action.

Sri P. Ganga Reddy:— Sir, I can assure the Hon'ble Member that I will take all possible steps. But one thing I may mention, Sir, that as everybody knows, there is decontrol system-65% is distributed through fair price shops and 35% in open shops sale. We have no control on the open sale.
Mr Speaker:— That is not relevant.

Mr. Speaker;— Tahsildars are mishandling the situation.

Sri P. Ganga Reddy:— Hereafter they will be informed.

Sri P. Ganga Reddy:— If the Food Committees are not functioning effectively, I will see that they function effectively.

Mr. Speaker:— The situation is not relevant.

Sri P. Ganga Reddy:— I shall inform them.
Mr. Speaker: — In order to obviate all these difficulties since it is an important matter to be discussed thoroughly and since some norms also have to be established — so that sugar can be available because it is an essential commodity; in every district it is the complaint — is it not proper for us to discuss it at length for half an hour?

Mr. Speaker: — It is hereby resolved.

Sri P. Ganga Reddy: — We are trying; we have tried and we will try.

Distribution of Sugar to the Card-holders in lumps in the Fair Price Shops in Twin Cities

311—

*5708 Q.—Sri K. Satyanarayana;— Will the Minister for Civil Supplies and Marketing be pleased to state:

(a) Whether it is a fact that fair price shops in the twin cities are selling sugar to card-holders in lumps and not in the crystal form; and

(b) if so, the person responsible and the remedial measures taken in this regard?

2. K. Kommadi:—(2) Assistant. The Commissioner of Civil Supplies and Marketing is informed that fair price shops in the twin cities are selling sugar in lumps and not in the crystal form. The Vimla Card Holders were informed that lumps would be available in the morning hours 9-10 a.m. from 19th February 1980. The distribution was delayed.

(2) Mr. Kommadi:— Will the Minister for Civil Supplies and Marketing be pleased to state:

(a) Whether it is a fact that fair price shops in the twin cities are selling sugar to card-holders in lumps and not in the crystal form; and

(b) if so, the person responsible and the remedial measures taken in this regard?

A. M. Reddy:— The distribution of sugar to card-holders was delayed to the morning hours 9-10 a.m. from 19th February 1980. The distribution was not smooth. The delays were due to unforeseen circumstances. Have you written to the Central Government about this matter.

B. M. Chandra Mohan:— Will the Minister for Civil Supplies and Marketing be pleased to state:

(a) Whether it is a fact that fair price shops in the twin cities are selling sugar to card-holders in lumps and not in the crystal form; and

SHORT NOTICE QUESTION AND ANSWER
Exemption to Saiada Library & Gowri Grandhalayam from the Provisions of H. R. E. ACT

312—A

SNQ. No 5768—S- Sri K. Govinda Rao;—Will the Minister for Endowments be pleased to State:

(a) Whether the Government are in receipt of a representation to exempt the Saiada Library and Gowri Grandhalayam situated at Anakapalli, Visakhapatnam district from the provision of H.R.E. Act, and

(b) if so, the action taken thereon?

Why do you try to force them to close down?
Matters Under Rule 329:

re: (1) Construction of a Permanent Bridge in a Channel of Bhima River connecting Pedamuttevi and Vemulameda, Divi taluk, Krishna District.

Mr. Speaker.—Hon'ble Minister is summoned to Delhi by the Central Minister Mr. Shankaranand on Government business. Hence, S. N. Q. No. 312-B is postponed.

MATTERS UNDER RULE 329

re: (1) Construction of a Permanent Bridge on a Channel of Bhima River connecting Pedamuttevi and Vemulameda, Divi Taluk, Krishna district.

9-20 a.m.

In the District Drainage Committee meeting held on 7th in the month of June, the proposals are not approved in the District Drainage Committee meeting.

re: (2) Suspension of Class-IV Employees (Security Guards) by the Vigilance and Security Authorities of APSEB.

Sri G. Sundararamaiah:—Point of Order, Sir. The Electricity Board is an autonomous body and it is not proper to discuss on the affairs of the autonomous body in the House.

Sri M. Venkaiah Naidu:—The House has got every right to discuss about it. We are giving Grants, Sir.

Mr. Speaker:—It is not relevant here. We are discussing many things about the Electricity Board. There is no bar under the rules. There is no Point of Order.

Matters Under Rule 329:
re: (2) Suspension of Class-IV Employees (Security Guards) by the Vigilance and Security Authorities of APSEB.

392

re: (2) Suspension of Class IV Employees (Security Guards) by the Vigilance and Security Authorities of APSEB.

Sri M. Baga Rreddy:- Sir, the Security Guards were first recruited as early as in 1972 and as their general standard of work and efficiency was found unsatisfactory, a refresher course for all Security Guards in batches was started at Vijayawada Thermal Station on 12-3-1980 to improve their knowledge, working and efficiency as laid down in Regulations of the A.P. State Electricity Board. In pursuance of this, 19 Security Guards at Kothagudem Thermal Power Station, one Security Guard from Nagarjunasagar Hydro-Electric Scheme, seven Security Guards from Vidyuth Soudha and ten Security Guards from Ramagundam Thermal Station were deputed for this course, for the first batch. 19 Security Guards of Kothagudem, one Security Guard at Nagarjunasagar Hydro-Electric Scheme and one Security Guard at Vidyuth Soudha after receiving the orders bluntly refused to obey and to proceed to attend the course. As their refusal amounted to gross disobedience of orders lawfully issued to them by superior authority, they were placed under suspension from 12-3-1980 pending further enquiry and action. It is not correct to state that 100 Security Guards
Matters Under Rule 329
re: (2) Suspension of Class-IV Employees;
(Security guards) by the Vigilance
and Security Authorities of APSEB.

have been illegally suspended in all the Power Stations in the State.
Nor 60 Security Guards were suspended at Kothagudem Thermal
Power Station. In the place of suspended personnel, substitutes were
nominated and they have joined the refresher course on 18.3.1980.

On the police pattern orderly system was in vogue in the Board
also but following the Government orders in this regard, the orderly
system has since been abolished None of the Officers are in receipt of
any orderly allowance.

Uniform and other accoutrements for Security guards are supplied
once during the financial year. During this financial year action was
taken to purchase khaki mill cloth early in this year. But in the meantime
Government have passed orders in Memo, Dt. 11-9-1979 of Home
Department that only handloom cloth should be purchased by all
Departments. As handloom cloth is not suitable for uniforms of Secur­
ity Guards exemption was being sought. On the analogy of Police
Department who were given exemption the Board also granted exemption
from purchasing handloom cloth. Orders were then placed for supply
of mill cloth. As there was no ready stock supply was delayed by the
firms. However, from the stocks available 120 Security Guards out of
363 were supplied clothing early during this year. The firms have already
supplied Khaki drill cloth and Matty shirting is expected shortly and
the clothing will be issued to the Security Guards immediately on
receipt.

Thus there is no high handed attitude on the part of the
Management of the Andhra Pradesh State Electricity Board and there
is no indication of security employees or other workers resorting to
direct action.

The suspended Security Guards are ring leaders who have
developed close contacts with labour union leaders particularly Sri
Jangaiah of Kothagudem who is the Vice-President of 1104 Labour
Union Electricity Board. In fact Sri Jangaiah has interceded on their
behalf in order to gain control over the Security Guards' Association.
He is misleading and misguiding the Security Guards who in turn are
adopting agitational approach on some pretext or the other. Some of
these Security Guards at Kothagudem, in violation of departmental
orders attended parade in Civil dress on 29-2-1980 and 3-3-1980 on the
plea that uniforms were not supplied, but for other duties later on
the same day they appeared in uniform. This action clearly shows how
unreasonable they are and to what extent their grievances are genuine.
Although this conduct was highly reprehensible which attracts severe
action in a disciplined force a sympathetic view was taken and they were warned to behave properly. Because of this lenient action they continued to disobey orders when asked to go to Refresher Course. Therefore they were suspended.

On 10-3-1980 Sri T. Amar Singh, M.L.A. and Sri Chekuri Kasaiah, M.L.A. met the Deputy Inspector-General and Adviser (Vigilance and Security) Electricity Board and they were informed in detail the position as narrated above.

CALLING ATTENTION TO MATTERS OF URGENT PUBLIC IMPORTANCE

re: Non-payment of Salary to the Staff of Local Fund Dispensary of Peddapuram Samithi.
Calling Attention to Matters of Urgent Public Importance:

re (·) Non-payment of Salary to the staff of Local Fund Dispensary of Peddapuram Samithi.

Calling March 1979.

Re: Non-payment of Salary to the staff of Local Fund Dispensary of Peddapuram Samithi.

The salary to the staff of the Local Fund Dispensary at Peddapuram Samithi has not been paid since March 1979. The total amount due is Rs. 87,288.

The last payment was made on 29th February, 1980. The difference between the two dates is Rs. 45,000.

The matter has been under discussion for some time, and it is hoped that the salary will be paid soon.

The figures show a slight increase in the quantity of sugar lifted in 1980 compared to 1979, but the total value remains the same due to the unchanged rate. The figures are approximate and subject to minor differences due to rounding.

1980 figures are as of 9.40 a.m., 21st March, 1980.

The figures indicate a consistent performance in the sugar quota distribution for the months of January and February, with slight variations in quantity but unchanged total value.

re: (2) Non-lifting of Sugar Quota for the months of January and February by the Dealers of Fair Price Shops of Bhongir.

The situation arising out of the non-lifting of sugar quota for the months of January and February by the dealers of Fair Price Shops of Bhongir demands urgent attention. The sugar situation in the country is critical, and the dealers are failing to honour their quota commitments. This situation has led to a shortage of sugar in the markets.

The sugar quota for the months of January and February was fixed at 49,175 quintals for the year 1980. However, the dealers have failed to lift the quota, resulting in a shortage of 9,100 quintals.

The matter should be urgently discussed in the next meeting of the local body to find a solution to this crisis.

re: (3) Appointment of Illiterate as Adult Education Teachers at Obulayapalli and other Villages of Srikakulam District.

Sri B. Venkatram Reddy (Minister for Education):—The information relating to the appointment of Smt. Rangamma as Organiser of the Adult Education Centre at Reddipally of Obulayapally village is given hereunder:

2. Of the 300 centres of the (Rural Functional Literacy Project) Project established in Kalabasti Block, 1 centre is located at Reddipally, hamlet of Obulayapalli village in Srikalahasti Taluk.

3. Smt. Rangamma, the only applicant from Reddipally, was selected as Organiser by the Project Officer after enquiring from the Head Master of the school about the genuineness of her qualification certificate.

4. When Smt. Rangamma came for the Organiser's training course on 8-1-1980, Sarvasri P. Rama Swamy Reddy, Krishna Reddy and K. Prabhakara Reddy submitted petition, followed by a telegram, endorsed by V. Subrahmanya Naidu, M.L.A., Srikalahasti to the Director stating that Smt. Rangamma was uneducated and her qualification certificate was not genuine and hence she should not be an Organiser.

5. A copy of the petition and the telegram were sent to the Project Officer, through the District Adult Education Officer, Chittoor calling for her urgent remarks. The Project Officer was instructed to go over to Reddipally and test the suitability of Smt. Rangamma to act as Organiser and also verify the genuineness of her certificate.

6. The M.L.A. was informed that the action was being taken.

7. The Project Officer sent the Certificate to the District Educational Officer, Chittoor requesting to arrange for enquiry by a Gazetted Officer about the genuineness of the certificate.

8. The concerned Head Master started to the Project Officer that the Signature and the Seal on the qualification certificate of Smt. Rangamma were genuine. Then the Project Officer permitted her to attend the Training Course. Further the Project Officer reported that she could take down notes during the training.

9. Subsequently, the husband of Smt. Rangamma expressed to the Project Officer that Smt. Rangamma would not act as Organiser. Therefore, her name as Organiser was cancelled.

10. The Sarpanch and also the opposite group suggested different women as a substitute for Smt. Rangamma. But the Project Officer rejected the suggestions and appealed to both the Parties not to politicise the selection of Organiser. They then promised not to interfere in the matter thereafter.

re: (4) Dharna Notice by the A.P. Engineering Workers Union.

11. The Project Officer visited the village and selected a lady, by name Smt. Munilakshmi, who passed 7th class, as Organiser with the approval of the villagers, learners and Panchayat members. This lady attended the Training Course.

12. The Project Officer reported that she selected Sri Changaiah and Sri Raja Gopal as Organisers for two centres in the village of Obulayapalli, because these persons were suggested by the Sarpanch and the people of the area of the Centre and also the persons belong to the same area, as per the guidelines given in appointing organisers. Further, Sri Gopal Reddy, and Sri Krishna Reddy, other applicants, were not acceptable to the local people for selection as Organisers. So they were rejected. It is reported that since then the group of persons supporting the rejected candidates bore grudge against the Sarpanch.

The importance of rural development needs no emphasis as 80% of the population lives in villages. The development of villages is essential for the overall progress of the country.

Realisable connections can be only 38,000, while the actual achievement for 1978-79 was 29,188. Actually it has come to 85. Will there be such a gap? In February, 1979, they have given a statement that likely achievement for 1978-79, i.e. within one month — it will be 94. Now it is only 85.

For the full exploitation of the Hydro power potential of about 2500 M.W. at 60% load factor, new projects are all to be investigated. Are these facts that you are giving? You remove the staff pattern, you delete the staff required for investigation and you programme so much to be done and you ask us to give acceptance for the amount. This is really a miserable situation where we are being placed. What is this anomaly? Are we to believe that these are facts that you are giving?

The management has become too small for the problems that it is facing. You better rearrange the Management if it cannot face the situation.

re: Issuance of “Comprehensive Family Register”

The undersigned, after due deliberation, hereby resolve:

1. That the issuance of a Comprehensive Family Register is essential for the proper administration of the family affairs and for the promotion of family welfare.

2. That the government should take immediate steps to draft and implement a comprehensive register system.

3. That the cooperation of all family members is necessary for the success of the register system.

4. That the government should provide adequate training to the officials involved in the implementation of the register.

5. That the register should be updated regularly and should be available for public access.

6. That the issuance of the register should be made compulsory for all families.

The undersigned hope that this resolution will be taken into consideration by the government and that the necessary steps will be taken to implement this important measure for the welfare of the family.
