Sri A. Madan Mohan:—Recently I have answered this question in the Council. The latest figure till August is 133 approximately. I am subject to correction.

Sri A. Madan Mohan :—Yes, That is the main breeding source.

Sri A. Madan Mohan I —I will certainly discuss with my colleague, the Minister for Animal Husbandry.
Sri A. Madan Mohan :— Homeopathy is also a system of medicine. It is prevalent. It is very much in existence and people are cured. Whether this particular disease can be prevented by Homeopathy is a matter of controversy and so I don't like to be drawn into that controversy.

Sri A. Madan Mohan :— The pigs were not shot dead in large numbers. Only the stray pigs were shot dead where nobody owned it nor there is a licence for it.

Reduction of Employment and Promotional chances by sudden Extention of Retirement Age

39—

(a) whether it is not a fact that employment and promotional chances have been reduced by the sudden extension in the age of retirement by 3 years;

(b) if so, the steps taken by the Government to provide proper channels of employment for the outsiders and promotional opportunities for the inservice personnel;

(c) whether the Government will consider the proposals to provide more facilities and attractive features for inducing voluntary retirements; and

(d) the particulars of present concessions and the steps taken by the Government to improve their conditions further?

Minister for Finance (Sr! G. Rajaram) :— (a) and (b) The Government have raised the age of retirement of all Government employees to 58 years as a welfare measure. The enhancement of retirement age may initially reduce the employment or promotional opportunities for the first three years. But having regard to the percentage of fresh recruitment consequent on retirement of officers with the totality of the general recruitment, it is not likely to block avenues of recruitment to any considerable extent.

(c) Government orders have been issued in G.O.Ms. No. 413, Finance, dated : 29-11-77 allowing voluntary retirement after 20 years qualifying service on proportionate pension and gratuity, with a weightage upto five years service. No more facilities or attractive features inducing retirement are called for. Age concession of six years over and above the maximum age limit prescribed for direct recruitment to any post has been granted in G.O. Ms. No. 517 General Administration (Ser. A) Department, dated 17-8-1978. The in-service personnel are allowed in G.O. Ms. 594, General Administration (Ser. A) Department, dated 27-8-1979 age concession of five years to enable to appear
for the recruitment examinations conducted by A.P. Public Service Commission or other authorities. In G.O. Ms. No. 649, General Administration (Services. A) Department dated 14-9-1979 orders were issued for regularising the services of temporary employees who were appointed by direct recruitment to any category of post without subjecting them to writing or oral test. As a social security, orders were also issued in G.O. Ms. No. 617, General Administration (Services. A) Department dated 3-10-1977 for appointment of a dependent child/spouse of a deceased Government employee who dies in harness, to a post of L.D.C., Typist or any equivalent or lower post.

Sri G. Rajaram:—Even in communist countries to-day problem of unemployment is arising.

Sri Ch. Rajeswara Rao:—Absolutely wrong Sir. I take responsibility for it. He has uttered a sentence which is absolutely wrong. Let him withdraw it.
Sri G. Rajaram:—My friend is unaware of so many issues.

Sri Ch. Rajeswara Rao:—I am aware. I have a right to contradict. I am fully aware. His statement is based on false information.

Sri G. Rajaram:—Still I am of the opinion that my friend Mr. Rajeswara Rao is blind to the situation.

Sri P. Sundaraiah (Gannavaram):—We would like to know whether the Minister will give the source of this information and if it is authoritative the certainly we will admit our mistake. In the Soviet Union, East European countries and other socialist countries there is no unemployment whatsoever in the last two or three decades. In the socialist countries every woman has got a job. I would like to know on what basis the Minister give this false information here?

Mr. Deputy Speaker:—Don’t go further.

Sri Ch Rajeswara Rao :—He has opened the subject

(interruptions)

Mr. Deputy Speaker:—It is a general remark.

Sri G. Rajaram —This is a world phenomenon, I said.

Sri Ch. Rajeswara Rao —I will refute the statement.

Sri G. Raja Ram —You can’t cow down like that.

Sri Ch. Rajeswara Rao —I have a right to state.

Sri G. Raja Ram—What is the authority on which he can speak? What authority he has got to speak on behalf of the Communist countries?

Sri Ch. Rajeswara Rao —This statement is an aspersion against the Socialist Country.

(Interruption from Opposition Members).
Sri G. Cajaram:—I never meant any aspersions against any country.

Sri Ch. Rajeswara Rao:—Sir, it is an aspersion on Socialist countries, to say that there is unemployment in those countries.

Sri G. Rajaram:—I am not in the habit of degrading any country. What I said is, that it is a world phenomenon. If the 58 countries which have been affected by the 1973 oil crisis see the unemployment level of those countries, it will be shocking. Sir, I am not degrading any country.

(a) whether the Government propose to extend the Leave Travel Concession benefits to the State Government employees also on par with the Central Government Employees i.e.; travelling anywhere in the country instead of only within the State; and

Variation in the Collection of Cost of Milk per Litre from Dist To Dist.

*6187-Q.-Sri N. Chandrababu Naidu.— Will the Minister for Animal Husbandry be pleased to state:

(a) whether it is a fact that the cost of collection of milk per litre varies from district to district in the State,

(b) if so, the reasons for the variation; and

(c) whether it is also a fact that some of the milk chilling plants are not utilising the installed capacity?

…

The Minister for Animal Husbandry replied:

1. (a) The cost of collection of milk per litre varies from district to district depending on various factors such as distance from the collection points, availability of labour, and market conditions. The reasons for this variation are:

   (i) The distance from the collection point to the chilling plant.
   (ii) The availability and cost of labour.
   (iii) The market conditions and demand for milk.

   The collected milk is transported by road or by rail, which adds to the cost. The chilling plants are strategically located to ensure timely collection and chilling of milk.

   The installation capacity of the chilling plants is utilised to the extent possible, as the demand for chilled milk is high. However, during certain seasons when the demand is low, the capacity is not fully utilised.

   The government has taken several measures to improve the infrastructure and logistics to ensure better utilisation of the installed capacity. The infrastructure is being upgraded to improve the collection and chilling process.

   The minister assured that efforts are being made to optimise the utilisation of the installed capacity and reduce the cost of collection to make it more competitive in the market.

   The government is also promoting the use of modern technology and practices to improve the efficiency of the chilling plants.

2. (b) The variation in the cost of collection of milk per litre is due to:

   (i) The distance from the collection point to the chilling plant.
   (ii) The availability and cost of labour.
   (iii) The market conditions and demand for milk.

   The chilling plants are located strategically to ensure timely collection and chilling of milk. However, during certain seasons when the demand is low, the capacity is not fully utilised.

The minister assured that efforts are being made to optimise the utilisation of the installed capacity and reduce the cost of collection to make it more competitive in the market.

3. (c) The variation in the cost of collection of milk per litre is due to:

   (i) The distance from the collection point to the chilling plant.
   (ii) The availability and cost of labour.
   (iii) The market conditions and demand for milk.

Oral Answers to Questions. 26th September, 1980.

Mr. Deputy Speaker:— I am postponing the question.

Shri B. Ramdev:— Sir, in collecting the 30 or 40 litres of milk the transport charges will be the same, and it depends upon the quantity of milk procured there.

Abnormal Tax levied on Vacant Lands by Bhimavaram Municipality

*5972 Q-Sarvasri I. Ramakrishna Raju (Attili) and K. Vijayanarasimha Raju (Bhimavaram):—Will the Minister for Municipal Administration, Information and Public Relations be pleased to state;

(a) whether tax on vacant lands levied by Bhimavaram Municipality is abnormal; and

(b) if so, the reasons therefor?

Mr. Deputy Speaker:— The Finance Minister, M. Venkata Reddy, says—

(1) The tax levied by the Bhimavaram Municipality is not abnormal. (2) It is legal under the Municipal Administration Act, 1960. It is levied on vacant lands and not on landed property.

Mr. K. Kishore Reddy:— Whether the Municipal Administration Department has fixed a limit on the area on which the tax is levied?

Mr. Deputy Speaker:— A limit has been fixed by the Finance Department on the area on which the tax is levied. The Finance Minister, M. Venkata Reddy, says—

The Municipal Administration Department has fixed a limit on the area on which the tax is levied. The Finance Department has fixed a limit on the area on which the tax is levied.
There is nothing abnormal in this case and Bheem Varam is a very high area and there, the land is very expensive. Apart from that as all our leaders say, we are all committed to that. So, I am sure colleague Shri M.V. Naidu would give the consideration and Mr. Jaipal Reddy need not be agitated.

Smt. B. Sarojini Pulla Reddy:—Sir, the whole thing will be re-examined. I cannot give an assurance just like that and all the Hon'ble Members know more about this than as I know. Since representations are being made, we will consider them.

Smt. B. Sarojini Pulla Reddy:—Sir, that is a very good suggestion and let the Hon'ble Member give me the survey and plot number and I will be very happy to take action.

9-10 a m.

He has been very happy; they have been giving a lot of help and co-operation. Not only that for colour studios on
behalf of Municipal Administration, I have gone out of the way to give a good bit of money. I have shown lot of displeasure. I can assure, he will take note of it.
Smt. B. Sarojini Pulla Reddy :—I have no idea. A separate question may be put. I am glad it is brought to my notice.

Smt. B. Sarojini Pulla Reddy :—If separate questions are put. I will give information.

Sri S. Jaipal Reddy :—Sir, the denial is half-hearted.

Smt. B. Sarojini Pulla Reddy :—I am not half-hearted. I am sure no money was taken.

There are officers checking every time; producers won't waste money just like that.
Smt. B. Sarojini Pulla Reddy:—There is a Committee going through all of them. I did not think so many people are interested. Otherwise I would have brought a lot of information.

*5933 Q.—Sri S. Jaipal Reddy (Kalwakurthi):—Will the Hon. Minister for Agriculture and Law be pleased to state:
(a) whether the Collector of West Godavari district is in receipt...
of complaints about the qualifications of Shri I Ramakrishna Rao Assistant Government Pleader of Tanuku sub-court:

(b) whether it was alleged that he had never passed B.A. or M.L. or passed the intermediate from Ajmer by June 1958 when he enrolled himself for B.L. from Andhra University; and

(c) if so, the action taken thereon?

There can be no pre-supposition in the answer given by the Minister.
Mr. Deputy Speaker:—Is it on the same plea?

Sri Y Venkat Rao:—I don't have at the moment that petition. What Mr. Japal Reddy said regarding his admission in the University is, when he was admitted, he did not qualify himself for the admission, but for the regulation. Subsequently he passed Intermediate examination of Ajmer with the grace marks, i.e. he failed in Hindi. Subsequently he produced a certificate that he completed his B. L. with first class and that is his qualification.

Mr. Deputy Speaker:—But, you said the Collector has gone into it. What is his finding?

Sri Y Venkat Rao:—The Collector's enquiry findings are that it is baseless.

Mr. Deputy Speaker:—Has he gone into that particular question? In regard to admission in B. A?

Sri Y Venkat Rao:—There are so many allegations, that he is indulging in politics and all that. The Collector also said that it is politically motivated and all the persons who have filed the writ applications they were CPI people. Collector's opinion is, it is politically motivated and it is baseless.
Mr. Deputy Speaker:—You further get it investigated.

Sri Y. Venkat Rao:—Yes, Sir. I will do it.

PRIVILEGE MOTION

Re: Preventing the Members from entering the precincts of the House on 24-9-1980.

(Sir) Sri S. Jaipal Reddy: — On a point of order Sir. Under Rule 168 if the Speaker has given consent, only a member can speak on the privilege motion. So I would like to know from the Deputy Speaker whether he has given his consent. Unless you give the consent under Rule 168, it cannot be raised at all.

Mr. Deputy Speaker: — That is what I am telling.

Sri S. Jaipal Reddy: — If you say you have given the consent I have no objection.

Mr. Deputy Speaker: — Whether to go into the details, is a different thing. But I would like to hear the Members who have

given notice under Rule 168. If Speaker gives his consent there is nothing wrong in hearing it.

Sri S. Jaipal Reddy:—Then, you must allow others also to speak on that.

Mr. Deputy Speaker:—Certainly.

Sri S. Alwar Das:—Sir...

Sri S. Jaipal Reddy:—You have permitted the members to explain about the privilege motion he has tabled. But he is delivering an eloquent speech on Socialism.

Mr. Deputy Speaker:—No.

Sri S. Jaipal Reddy:—My point is that he may speak on the case for breach of privilege.

Sri M. Venkaiah Naidu:—Point of order. According to Rule 171: “The Speaker, if he gives consent under rule 168 and holds that the matter prosed to be discussed is in order, shall after the questions and before the list of business is entered upon, call the member concerned, who shall rise in his place and, while asking for leave to raise the the question of privilege, make a short statement relevant there:’” That is the rule. We would like to know from the Chair whether the Chair has given the consent to raise the Privilege Motion or the Chair has given permission to move the privilege Motion. What is the permission the Chair has given to the Hon’ble Member Mr. Alwardas, we would like to know.

Mr. Deputy Speaker:—There is no point of order involved.

Sri S. Alwar Dass:—The fact that you have allowed us to speak itself shows that you have given permission. At certain stage I would like to take the leave of the House.

Sri M. Venkaiah Naidu:—He would like to take the leave of the House.

Mr. Deputy Speaker:—You don’t ask him directly. You (Mr. Alwar Das) carry on but be brief.

re: Preventing the Members from entering the precincts of the House, on 24-9-1980.

Privilege Motion:—

Mr. Speaker,

On 24th September, 1980, I moved a privilege motion against a Member, Mr. (Name), for entering the precincts of the House. The incident occurred on 24th September, 1980. Mr. (Name) entered the House without permission, which is against the rules of the House. The incident has caused disturbance to the proceedings of the House.

I request you to take appropriate action against Mr. (Name) for this breach of conduct.

Thank you.

(Signature)

Mr. Speaker, I move that Mr. (Name) be suspended from the House for a period of one week for breaching the rules of the House.

(Signature)
Privilege Motion: re: Preventing the Members from entering the precincts of the House, on 24-9-1980.

Mr. Deputy Speaker:—There are signatories.

Sri S. Jaipal Reddy:—We maintained a very high level of debate. They are not maintaining the high level of debate. Secondly, we agreed that only two members of the Ruling Party would speak and five of us would speak. Already four members have spoken and the 5th member is speaking on that side. This is the total violation of the agreed settlement.

*Sri K. Venkateswara Rao:—What has transpired on 24th here is a bad precedent. It was an event without precedent. Our members of the Opposition, hotch-potch opposition with handful of members sitting here claim to be the champions of democracy.

Sri M. Venkaiah Naidu:—Is it privilege motion he wants to move?

Mr. Deputy Speaker:—Mr. Venkateswara Rao, you confine to the motion.

*Sri K. Venkateswara Rao:—They were bent upon sabotage. Here this House represents the people of a great state. Majority of members sitting here have never contributed to their cause. Here the Opposition Party and a group of Opposition Parties gave the call for Bundh. We are not a party to the Bundh call. It appears, through they had not appropriated the right to encroach upon the privilege of this House and to create chaos, confusion and pandemonium in the House, this is a bad precedent, an ugly precedent, an unseemly situation was created. That is the reason why we felt constrained to move this Motion of Privilege. So, I appeal to the chair to kindly go into this whole matter dispassionately and pronounce your own judgment in the light of the facts stated here so that this may not prove to be a precedent in future.

Sri M. Venkaiah Naidu:—Point of order. According to Rule 168 or 170 or 171, can a defector speak about democracy or Privilege Motion.

Mr. Deputy Speaker:—He is the Member here.

The A. P. Gram Panchayat (Second Amendment) Bill, 1980.

Is Sri Baga Reddy clear in his mind as to when he is going to hold the elections? It seems to be a question. He has been thinking, talking and writing about elections for a long time. But now it appears that he is not very clear about the date. He has said that he will hold the elections by the end of the year, but this is not very specific.

The A. P. Gram Panchayat (Second Amendment) Bill, 1980, introduces several changes to the existing law. It aims to improve the functioning of the gram panchayats and make them more accountable to the people. The bill also provides for the establishment of a gram panchayat secretariat to assist the gram panchayats in their work.

The bill has been welcomed by the gram panchayats and the people at large. They hope that the changes introduced by the bill will bring about a significant improvement in the functioning of the gram panchayats.

However, there are some concerns expressed about the implementation of the bill. It is feared that the provisions of the bill may not be properly implemented due to lack of funds and other resources. It is hoped that the government will take steps to ensure that the provisions of the bill are implemented in a proper manner.
Mr. Deputy Speaker;—Let us sit for half an hour more and finish the business of the House for to day.

26th September, 1980. 297
Sri P. Sundarayya : - Sir, I want to inform the Minister that the Collectors from Vizianagaram and Bobbili referred to certain questions and in clarification to those questions, a Government Order was issued. I think it was issued somewhere in April or May, clarifying the position as just now mentioned saying “You need not show the files - you need not call any M.L.A., to these things. Normally you can follow the advise - Wherever he disagrees, he have to record the reasons...” This is the summary. The other questions that were referred by the Collector Bobbili, we do not know. This has been promptly received by the B.D.O., and other Officers.

So, the Minister saying “that the Secretary was saying that he had not gone there and that he was not aware as to how these things happened at Vizag or Vizianagaram etc.,”- these things are not at all necessary. I do not say that he has gone there. It may be true.

What I want to say is, the Secretary to whichever department he goes, since he is the responsible one for Panchayat Raj Department should immediately call for the papers to find out as to how such circular has gone and rectify it as per the Government Order. He has to find out and ascertain or bring it to your notice. He has not done it. On the other hand he mentioned that he was ignorant of this.
